

Nightingale Minigales 2010

Please read [disclaimer](#) and [summary](#) at the end of document

Adonia, a Greek beauty, was my first girlfriend at the university. She was the horniest girl I had ever known. She introduced me to anal sex, and neither of us could ever get enough of it. We stayed together for over a year. In our second year, she met a new female student and they became best friends.

Adonia's new best friend was sort of a flirt. Adonia started to become jealous and hate the innocent flirting that went on between Beth and me. Adonia and I started to fight regularly over that issue. Finally we agreed to end our relationship on good terms.

We had a great goodbye fuck. That night we fucked like wild animals. I came once in her mouth, once all over her face, once in her pussy, once on her tits and four times in her ass. She came over ten times. In the end we were both completely exhausted.

"Wow, that was the best fuck I've ever had," panted Adonia.

"Same here," I said. "I guess we were saving the best for last."

"That gives us better memories about our relationship," she said.

To show good will, Adonia and I ended our relationship with a nice dinner and dance the next night. She made it clear that she would hold no grudge if Beth and I started seeing each other. She even invited Beth to our dinner. I danced with both girls. The way Beth ground her crotch into mine did not feel very innocent to me. I took them home and walked Adonia to her apartment. Beth watched as Adonia and I had our last, long, deep, goodbye kiss. After that, I walked Beth home.

Beth invited me in for a drink but we never had that drink. As soon as I sat down, she sat next to me and put her hand on my knee.

"I want you to kiss me the same way you kissed Adonia," she said.

"What for?" I said as she straddled me.

"For I am horny," she whispered as she brought her mouth to mine. "I'm sure, so are you."

She started kissing me on the lips and I did not respond. I could not resist for long though. Soon I was kissing back. She started to grind her crotch into mine, and I started to get hard. I held her ass and started moving her back and forth over my cock.

"I am not ready for a new relationship," I said as I continued to grind her crotch into mine.

"Though, we both need sex right now," she said.

"Don't you have a boyfriend?" I asked.

"I do," she said. "If you are half as good as Adonia said, I am breaking up with him tonight."

"Whoa, whoa, whoa!" I said. "I didn't say we would do anything in the future, let alone tonight."

"Yes, I guess you are right," she said. "I can hear your hard cock say 'no' so loudly it made my pussy weep. About the future, leave that to me. I planned for tonight to happen and I'll make plans for the future. Now I bet that your arrogant cock needs to be kissed."

Presents

A Double Minigale

All Greek to Me

That did not get an argument from me. Beth squeezed my bulge with her hand as she slid down to the floor. She took my cock out of my pants and put it in her mouth hungrily.

"Nice cock," she said after sucking my shaft a couple of times.

"Thanks," I grunted as she pushed her lips all the way down my shaft.

She did a good job sucking my cock all the way down her throat. She sucked me for over ten minutes. I threw her on the sofa and got her out of her clothes. She came two minutes into my eating her pussy. I pushed her legs up and my cock into her drenched pussy. She was almost as horny as Adonia. She gushed on my cock in five minutes. I

eased down my pace for her to catch her breath before I stepped my pace up again. She came again, and I needed to come. I pushed my dripping cock in her mouth and she sucked me off, swallowing every drop she got.

We rested for a minute, and then I dived between her legs. I slurped her pussy juices for a while before I let my tongue slide down to her wet asshole.

“Hey, what are you doing?” she gasped, trying to push me away.

“Why, I am preparing you for a nice, deep ass fucking,” I said.

“Oh, no, you can’t do that to me,” she said, squirming to get out of my grip. “No one ever has.”

Holding her tightly, I sucked Beth’s clit into my mouth and lashed it with my tongue until she relaxed. I let my tongue at her asshole again. She resisted again, but my tongue melted away her resistance. Soon she started to enjoy the rimming she was receiving. After fifteen minutes of that, her asshole relaxed well enough to accept my tongue tip. I tongue fucked her ass for a few minutes and then let a wet finger in. I patiently finger fucked and reamed out her virginal asshole for several minutes, occasionally teasing her clit. She was finally ready. Her asshole was soaked in saliva and her pussy was soaked in juices.

My cock was drooling. I dipped it into her drenched pussy and then gently pushed it into her ass. With the patience and preciseness of a surgeon I slowly worked my cock in until finally her rectum tightly hugged the entire length of my thick shaft. When I tickled her clit, she jumped and almost bit my cock off with her asshole. Her asshole could not get enough cock ever since.

“Ass fucking is one of the best things that have ever happened to me,” Beth said after we finished our lengthy session. “I am glad you did not take no for an answer.”

“Well, I took your ‘no’ much like you have taken my cock’s ‘no’ earlier tonight,” I laughed.

“I am so happy we understand each other’s ‘no,’” she said. “This must be a fantastic start.”

A couple of weeks later, Beth and Adonia moved into a new apartment as roommates. I got to see Adonia almost each time I went to pick up Beth. Adonia found a new boyfriend which happened to be Beth’s ex-boyfriend. I suspected that Beth had something to do with that.

“Can I kiss your boyfriend?” Adonia once said as I waited for Beth on the sofa.

“Sure,” Beth said as she went into the bathroom.

Adonia bent over me and covered my mouth with hers. It took me a while to respond to her kissing, but then she started to massage my cock through my pants as she sucked my tongue. By the time she broke the kiss my cock was quite hard.

“This Thursday is Adonia’s birthday,” said Beth a week later. “We need to take her out to dinner.”

“We also need to get her a present,” I said.

“I’ve already taken care of that,” she said. “We only need to take her out to dinner.”

“Is her boyfriend coming?” I asked.

“Her boyfriend is none of our business,” Beth said.

On Thursday evening I picked up Beth and Adonia, and we went on our way. I danced with both girls fast and slow. In the end, I took them home. Adonia went in and Beth stayed with me at the door.

“I can’t believe her boyfriend is leaving her alone tonight,” I said to Beth.

“I told you that is none of our business,” said Beth. “All she wants tonight is a nice long ass fucking like the one you gave her last year. Come in and let’s do it.”

“Do what?” I asked in confusion.

“Do her ass!” Beth said as she dragged me in.

“You are not serious, are you?” I asked.

“Damn sure I am,” she said, grabbing my crotch.

Beth and I sat on the sofa, and she started to rub my cock through my pants.

“Hey, birthday girl,” Beth called. “Come over here.”

Adonia came out of her room and walked toward us hesitantly. She finally stood before me.

“We’ll share her,” Beth said. “I get her pussy, you get her ass and we share her mouth and the rest of her body.”

“What are you going to do with your share?” I asked.

“Watch,” she said seductively as she stood up and walked to Adonia.

Beth looked at Adonia and licked her lips as she slowly moved her face closer and closer to Adonia’s. Their lips met, and they started to tease each other with their lips, only their lips touching lightly. They sucked gently on each other’s lips for a minute before their tongues came out. Each girl traced the other’s lips before their tongues met. Their tongues got to know each other slowly, sliding against each other back and forth and around. My cock stood up as if to watch every detail of their seductive oral dance.

Their lips pressed against each other and they started to suck each other’s tongue as they held each other by the shoulders. Their kissing heated up and their bodies moved closer to each other until they were pressed together from tits to crotches. They held each other tightly and ground their bodies together as they kissed hungrily. I could hear every moan, gasp, breath and every wet sound their tongues and lips made. I had never kissed a girl like that. What they did made my cock harder than ever.

They finally broke the kiss and Beth whispered something in Adonia’s ear. Adonia unzipped Beth’s dress and let the top fall down, exposing Beth’s bare tits. Adonia bent down slowly toward Beth’s tit. She started to tease Beth’s stiff nipple with the tip of her tongue. Beth gasped and shook. Soon Adonia was sucking Beth’s nipple. Beth moaned and gasped as she held the back of Adonia’s head with both hands. She was hardly touching Adonia’s head, not really pulling it into her tit. Beth’s eyes met mine as she continued to take her breath in short gasps. While Adonia gave Beth’s other tit the same treatment, I let my hard cock out.

“That was wonderful,” Beth gasped as she guided Adonia to the sofa.

Beth sat Adonia next to me and went to her knees. She got the skirt of Adonia’s dress out of the way and parted Adonia’s knees. Beth made a trail of light kisses from each of Adonia’s knees to the crotch of her white thin panties. Adonia gasped and shivered occasionally. Beth started to kiss and teasingly lick Adonia’s pussy through her panties, audibly inhaling Adonia’s sex aroma. Adonia lifted her ass as Beth pulled her panties down and off and handed them to me. I inhaled Adonia’s sexy aroma as Beth pulled Adonia’s ass to the edge of the sofa.

“Let me show you what I intend to do with her hot pussy,” Beth said as she pushed Adonia’s legs over her head.

Adonia’s pussy lips were wet and swollen. My cock pulsed as I saw Beth trace Adonia’s pussy from the bottom to the top with the tip of her tongue, making Adonia gasp and shiver. Beth proceeded to treat Adonia’s pussy in the same way Adonia had treated Beth’s tits, but she took more time, and the results were much more spectacular. At one point, Beth held my cock and started to squeeze it and stroke it occasionally, making it ooze its sex fluids.

Adonia squirmed, gasped, moaned and humped Beth’s teasing tongue. After a while, she was begging Beth to make her come. Beth let Adonia beg for a while before she finally held my cock tightly as if to brace herself and attacked Adonia’s clit aggressively. Adonia humped and thrashed wildly, gushing into Beth’s mouth as she squeezed Beth’s head tightly between her thighs.

Beth sucked every drop Adonia offered and continued to lick even after Adonia went limp. When Beth raised her head her face glistened in juices.

“What do you think?” Beth said as she moved her head toward mine.

I pulled her head and we started a long deep kiss. Beth’s mouth tasted strongly of Adonia’s pussy. I licked Adonia’s juices off Beth’s face after we broke the kiss.

“I think you are a wonderful slut,” I whispered in Beth’s ear, making sure Adonia could hear it.

“Are you ready to use your mouth again?” Beth asked as she guided Adonia’s hand to my hard cock.

“Yes,” Adonia gasped as she slid off the sofa and onto her knees.

Adonia took my cock in her mouth and started to suck. Meanwhile, Beth pulled my pants and briefs off. Adonia continued to suck my cock as Beth pulled her ass up, causing her to rise to her feet. Beth knelt behind Adonia and proceeded to lick her pussy. Adonia moaned and shook occasionally but continued to deep throat me very nicely. Finally I pushed her head aside and arranged her on her knees on the sofa.

Beth squeezed her head between Adonia’s knees and resumed eating her pussy. I bent over Adonia’s ass and proceeded to lick and kiss her cheeks all over as she moaned and leaked into Beth’s mouth. Two minutes later, my tongue was circling Adonia’s twitching pucker.

Guiding Beth’s hands to pull Adonia’s cheeks apart, I started to lick Adonia’s asshole. Adonia’s pucker warmed up to my tongue and started to relax. Soon I was probing it with my tongue tip. Adonia humped gently. Her asshole nibbled my tongue, continuing to loosen up.

When I removed my mouth from Adonia's asshole, her pucker was relaxed and covered with saliva. I wetted a finger in my mouth and pushed it slowly into her ass. She moaned as my finger slid into her rectum, only stopping when it was all the way in. I twisted my finger a few times within her and started to swirl it in wider circles. Her asshole was noticeably tighter than I remembered. I continued to drool on her asshole as I moved my finger around. I added a second finger and started to finger fuck her ass, occasionally spitting on her asshole. She moaned and fucked back.

Adding more spit to Adonia's drenched asshole, I added a finger and then two of my free hand. I used my four fingers to gently stretch and pump her asshole, constantly spitting into the gap that formed between my fingers every time I pulled her asshole open. I shot a spitball into her ass for the last time and removed my fingers from her. Her sphincter contracted slowly but did not close completely.

I pulled Beth's head out from under Adonia and pushed my cock into Beth's mouth. I worked Beth's head back and forth as she sucked my cock. After a minute, I pulled Beth up to her feet and bent her over the sofa. I hiked her skirt, pulled her panties aside and pushed my cock into her wet pussy.

"I need some lube," I said as I drove my cock all the way into Beth in one thrust, making her grunt.

I pumped my shaft within Beth's pussy several times, making it glisten in her juices. Just as Beth heated up and started to fuck back, I yanked my cock out and aimed it at Adonia's asshole. Beth sat next to Adonia and watched as I pushed my cock into the glistening asshole.

"Adonia, your asshole is much tighter than it was the last time I fucked it," I said as my cock head popped in, making Adonia grunt softly.

"That's what the lack of anal satisfaction can do to a girl's asshole," said Adonia.

"You are going to fix that, right, baby?" said Beth. "You are going to loosen up her asshole just like before."

"Sure," I shrugged. "Spread it for me."

Beth pulled Adonia's cheeks apart. I slid half of my cock in and started to use abrupt arrhythmic thrusts on Adonia's offered ass. Adonia gasped and squealed continuously, shaking with every deep thrust. I suddenly yanked my cock out and spit into Adonia's asshole before it had clenched shut. Some of my spit hit the rim of her asshole. I spit on her asshole once more and then pushed two fingers in as I pulled Beth's head to my crotch. As I fucked Beth's throat, I pumped my fingers in and out of Adonia's asshole and swirled them around.

"Beth, play with her cunt," I directed.

Beth fucked back, sucking my cock eagerly and so did Adonia to my fingers and probably to Beth's. I drooled onto Adonia's asshole and worked my spittle in with my fingers. Finally I removed my cock from Beth's mouth and put it back into Adonia's ass. I repeated that bumpy ride and fingering of her ass a few times, driving both of us crazy. I could feel and see her asshole continue to relax. I grabbed her tits and proceeded to drill her ass with hard, deep, rhythmic thrusts, every thrust driving both of us closer to orgasm. Finally it happened. I slammed my cock all the way in and spewed my boiling come deep inside her spastically sucking rectum. She gasped for air and convulsed in my hands as I filled her bowels with come.

Beth let go of Adonia's ass and kissed me sensuously. I rested in Adonia's ass for several seconds and then yanked out my cock with a plop. I pushed my cock in Beth's face, and she sucked the softening shaft.

Adonia was still panting when I plopped my ass next to her.

"Can I eat her ass?" Beth asked.

"Sure, babe," I said.

Beth got on her knees behind Adonia and spread Adonia's asshole with her fingers. Adonia's asshole gaped and dribbled my come onto her pussy. Beth started lapping the leaking come. Adonia moaned and pushed her ass back happily. Beth licked Adonia's pussy thoroughly and then moved to sucking and probing Adonia's gaping asshole, making Adonia squeal.

My cock started to harden. I sat on the back of the sofa and directed Adonia's attention to my cock. She smiled and started to suck it. Soon my cock was fully hard and reaching past her throat. Beth finished getting Adonia's nether orifices squeaky clean and sat up.

"Nick, can you dump a load in her pussy for me?" Beth said.

"Sure," I said as I slid down to the cushion.

I pulled Adonia astride me. We kissed as she guided my cock into her pussy. She rode my cock, and I teased her asshole with my fingertips. Soon I could feel Beth's tongue working on Adonia's anal area. I withdrew my fingers and spread Adonia's ass for Beth. I bounced Adonia's ass, working her pussy up and down my shaft rhythmically.

Adonia moaned happily. Suddenly she let out a grunt. I reached for her asshole and expectedly found one of Beth's fingers there. I added a finger of mine there, making Adonia grunt again. Adonia went nuts as my finger and Beth's teamed up on her asshole, pumping and pulling in opposite directions. A few minutes later, each of Beth and I had two fingers squirming and jerking inside Adonia's twitching asshole. Adonia was having so much fun her pussy leaked profusely, drenching my cock and balls.

Adonia started to lose control and shove her pussy hard into my cock. My fingers and Beth's fingers matched Adonia's wild moves. Adonia's wildness did not last for long. A minute later, she was coming all over my cock and the fingers in her ass. Beth and I continued to drill Adonia's twitching asshole vigorously until she went limp.

Adonia and I kissed slowly. While we kissed Beth removed my fingers from Adonia's ass and then my cock from Adonia's pussy. Adonia and I continued to kiss while Beth spit on the tip of my cock and then pushed it into Adonia's ass. Adonia moaned into my mouth as she worked her ass all the way down my shaft. By the time we broke our kiss, Adonia was bouncing her ass up and down my cock.

"Remember that you need to come in her pussy," Beth said before she started to lick my balls.

Adonia and I had a nice, long ass fuck like many we had had before. When we got dangerously close to coming I flipped her onto her back and shoved my cock in her pussy. In a minute, we were both coming, providing Beth with the cream pie she was after. While Beth feasted on Adonia's come-filled pussy, I had Adonia clean my sticky cock with her mouth.

Beth wanted to try snowballing. So after I fucked Adonia's three holes thoroughly, I dumped my load in Adonia's mouth. Adonia and Beth traded my come back and forth a few times before each swallowed her share. After that, it was free for all. Beth got fucked in her three holes and Adonia got to try eating cream pies.

Beth and I fucked wildly over the weekend. A couple of days later, I was at home, expecting her for a long night of sex. The doorbell rang on time and there was Beth, but she was not alone. Adonia and a sexy black girl were with her. I was disappointed to say the least.

Beth introduced her black companion as her friend Gwen. Gwen was in black spandex shorts and a matching halter top. Adonia was holding a shopping paper bag.

"Gwen, tell him about yourself," said Beth as soon as we all sat down.

"Exactly three years ago I had my first kiss," said Gwen. "Exactly two years ago I gave my first blowjob."

"What?" I said in confusion.

"Exactly one year ago I lost my virginity," Gwen continued. "As you can guess, I expect to lose my anal virginity tonight."

"Thank you for the introduction," I said. "Why are you telling me this?"

"Beth told me that you can help me if you know what I mean," Gwen smiled, squeezing my crotch.

"Do you have a boyfriend?" I asked.

"Yes," said Gwen.

"Why am I the one to do this then?" I asked.

"I have asked him," said she, "but he didn't want anything to do with my horny ass."

"Can I take a look at it?" I asked.

"Yeah, sure," said she as she stood up.

"You don't mind if I touch, do you?" I asked.

"If you could take my anal virginity without touching me, I wouldn't be here, would I?" she smiled.

"Maybe not," I said as I held her hips and turned her around.

Her shorts did not leave anything to the imagination. Obviously she did not have anything underneath. I could see the outline of her pussy. That girl had a very shapely pair of lush round cheeks.

"I can't believe how anyone can be uninterested in this ass," I said as I felt up her ass with my right hand.

I squeezed and kneaded the cheeks of her ass one and then the other. I used the knuckles of my middle fingers to tease her asshole and pussy through the thin, stretch material of her shorts. She moaned and humped back and forth.

I turned her around so that her ass faced me. I kissed her cheeks and her asshole through her shorts. Finally I buried my face in the crack and wiggled it, making her giggle.

"This is wonderful," I said. "Count me in."

"You are in," smiled Gwen.

"Girls, have you ever seen Gwen suck cock?" I asked, looking at Beth and Adonia.

"No, never," said Adonia. "I'd really like to see her do that."

"I would like that too," said Beth.

"You heard the ladies, show us what you have learned in two years," I said. Gwen went down to her knees. "It's your chance to acquaint yourself with the cock that will ream out your virgin asshole next."

Gwen removed my pants and briefs, exposing my already hard cock. She started by running the tip of her tongue up and down the underside of my shaft, teasing me. She wiggled her tongue against the ridge of my cock head. She licked all over the head and then took it between her thick lips. She sucked my cock in little by little until she had it entirely inside her mouth.

"This is impressive," I said as the black fox started to deep throat my cock, slowly sliding it in and out.

"She learned deep throat last month in preparation for this moment," Beth said. "You are the first in her throat."

"I am honored," I said.

I held Gwen's head in my hands and kissed the top of her head. She moaned over my cock in acknowledgement.

"You are overdressed for a slut who is about to get her virgin ass fucked," said Beth as she took Gwen's top off.

Gwen let go of my cock briefly to let her top go. Beth threw the garment aside and reached for Gwen's tits.

"Nice big tits," said Beth as she fondled Gwen's tits.

"Gwen, could you use them on my cock?" I said.

"Sure," said Gwen. "Would you like me to lie down and let you fuck them for me?"

"Oh yeah," I said. "Can can you do a lap dance for me first?"

"I can try," she said.

"That's all I ask for," I said.

Gwen gave my cock a last suck and then sat in my lap. She let my cock lie along her ass crack and started to squirm and moan. While she rubbed my cock with her lovely ass, I fondled her lush tits and pinched her nipples gently. She bent over deeply and rubbed her pussy up and down my shaft, moaning happily. I thrust into her pussy gently as I continued to milk her tits. I grabbed her hips and worked her ass back and forth for a couple of minutes.

"Time to fuck my tits?" Gwen asked as she ground her ass into my cock.

"I think so," I said as I helped her to get up.

She smiled as she lay back on the floor.

"I am going to prepare your tits for you," said Beth as she pounced on Gwen's tits.

"Your cock needs to be ready too," said Adonia, diving for my cock.

"I guess it does," I said. "You are such a friendly cocksucker."

Adonia sucked my cock while I watched Beth's tongue shuttle up and down Gwen's deep cleavage. Gwen moaned softly in pleasure. Adonia applied a thick coat of spit to my cock before she let me go. I straddled Gwen and pushed my cock into her cleavage as Beth pulled back.

Beth drooled onto the upper side of my shaft and then squeezed Gwen's tits around my cock. I started a rhythm tit fucking Gwen. Her tits rode up a little with every thrust. She raised her head and started to lick the tip of my cock every time it emerged at the top of her cleavage. I held her head in my hands and leaned further forward so that she could get better access to the head of my cock.

The way Beth kneaded Gwen's tits made the tit fuck feel great. Beth squeezed her thighs and moved forward to support Gwen's head. I freed my hands and used them to fondle Beth's ass as I kissed her deeply. Beth and I were still kissing and my hands were up her dress, feeling up her ass through her panties when I heard Gwen moan and felt her squirm beneath me. I looked around to find Gwen humping her crotch against Adonia's hand.

"Adonia, what are you doing back there?" I asked.

"I'm playing with her," Adonia said.

“Come closer and let us play with you too,” I said.

Adonia scooted closer to me as she continued to massage Gwen’s pussy through the tight shorts. I pushed my right hand up her dress and down her panties. I kissed her as I slid a finger up her pussy, making her moan into my mouth. Meanwhile, I slipped my free hand down Beth’s panties and started to tease her asshole with a fingertip.

I slid my finger down for Beth’s pussy. She arched her back to give me access to her pussy. I wetted my finger in her pussy and popped it up her asshole. I moved forward, leaving Gwen’s cleavage and pushing my cock into her mouth. Several seconds later I was pumping a finger within Beth’s ass, another within Adonia’s pussy and my cock in Gwen’s mouth.

“I can’t see how heaven can beat this,” I said. “I have my cock in the sensual mouth of a gorgeous lady, a finger in the juicy pussy of a hot lady and a finger up the throbbing asshole of a lovely lady.”

“I can see how heaven can beat this for me,” Adonia said.

“That would be by...?” I said.

“Having a hard thick cock thrust in my ass until I come and come and come,” she said.

“Oh, get out of here,” I chided. “You’ll get that right here.”

“I guess you are right,” she said. “Nothing can beat this, including but not limited to heaven.”

I removed my fingers out of the respective horny orifices and sucked them one and then the other. Holding Beth’s hips, I thrust harder into Gwen’s eager mouth. Gwen sucked with increasing zest, pulling me harder into her. When the urge hit me I kissed Beth and stiffened as I pumped jet after hot jet of come into Gwen’s thirstily sucking mouth. I rolled to a stop but neither did Beth and I stop kissing nor did Gwen stop sucking for every last drop.

Naturally the girls were hornier than before and did not give me a second to rest. I flipped Beth and Adonia on their backs on the sofa and sat Gwen in the middle.

“Girls, do you have anything to keep our guest entertained while we demo your horny orifices?” I said.

“Of course,” squealed Adonia.

Adonia jumped off the sofa and rummaged through her paper bag. She retrieved a vibrator.

“This thing at this setting is a real woman entertainer,” she said as she switched the toy on. “Here.”

I tickled Gwen’s crotch as she reached to take the buzzing toy from Adonia.

“Go to a room and put it in,” I said to Gwen as I continued to tease her pussy through her stretch shorts. “It’s going to keep your hot pussy awake while watching your hot friends welcome you to the club.”

I pinched Gwen’s ass as she walked away. A minute later, she returned, gasping as the toy buzzed inside her.

“Oh, this thing is wild,” said Gwen as she plopped her ass on the sofa between Beth and Adonia.

Gwen continued to squirm.

“Pay attention, Gwen,” I said. “Whatever happens to your horny friends’ cock-hungry orifices may happen to you...or so you should hope. So don’t let your little buzzing friend distract you too much.”

“I’m ready,” Gwen said.

I hiked Beth and Adonia’s dresses, removed their panties and pushed their legs over their heads. Their pussies and asses were extremely exposed. I guided Beth and Adonia’s hands to their asses.

“Spread them a little, just enough to show your friend how horny you are,” I directed.

I started with Beth. She started to moan as I licked around her pussy lightly. I increased the intensity of eating her pussy, licking and sucking her clit and lips. I pulled her lips open and let my tongue delve into her pussy hole, making her squeal. Her pussy leaked as I wiggled my tongue inside it.

“Have you ever tasted a girl’s pussy?” I asked Gwen, looking up from Beth’s pussy.

“No,” she said.

“I like the taste,” I said. “I am sure your juicy pussy will be soaking wet when it’s time for me to sample your nectar. I am going to really enjoy that.”

I stuck my tongue out and pushed it toward her mouth. She parted her lips and sucked my tongue. Soon we were kissing deeply. I broke the kiss and licked her nipples a little on my way to Adonia. I opened up Adonia’s pussy with my tongue and let Gwen suck my tongue again.

Back between Beth's legs, I licked her clit while working a finger in and out of her pussy. I kept transferring her juices to her asshole and tickling her pucker with my slick fingertip. She moaned and squirmed. I moved my tongue to her asshole and worked my thumb between her pussy hole and clit, dipping it into her pussy and then teasing her clit with it.

Beth moaned, humping my finger and tongue, her asshole relaxing gradually. Her asshole nibbled on my tongue, and she thrust her ass harder into me. I gave her pussy a deep kiss and then moved to Adonia.

I worked the same tricks on Adonia and then pulled my head back and started to finger both girl's pussies and transfer pussy juices to their assholes. I twisted my middle fingers as I lightly pressed them into their assholes. My fingers popped in and I continued to push them deeper as I twisted them.

When my middle fingers were all the way up their asses, I pushed my forefingers into their pussies and started to finger fuck both holes of each girls. They both moaned and fucked back, their orifices milking my fingers. I gently removed my fingers from their holes and pushed the fingers that had been inside Beth into my mouth as I pushed the fingers that had been inside Adonia between Gwen's lips. Gwen sucked my fingers eagerly for a first-timer.

I returned my fingers to Beth and Adonia's holes. A minute later I let Gwen taste Beth on my fingers while I tasted Adonia. I inserted two sticky fingers into either asshole and started to ream them out for my hardening cock. I pumped my fingers in and out, twisting and swirling them around in their assholes, making both girls really squirm. I kept on drooling on my fingers and working my drool into their horny holes.

When they were ready, I let Gwen suck the fingers of one hand and then the other. Standing up, I let her suck my cock. Two minutes later I pulled my glistening cock from her mouth and went for Beth's pussy.

Beth grunted when I shoved all my cock into her wet pussy. I sawed it in and out of her rhythmically for a couple of minutes. When she started to squirm and fuck back urgently I pulled out, making her groan in disappointment. I pushed my dripping cock into Gwen's mouth for a quick suck and then went for Adonia.

I fucked Adonia for a couple of minutes, allowing Gwen to suck her juices off my cock. I finally pulled my glistening cock out of Adonia's pussy and slid it down to her asshole.

"Watch this, Gwen," I said as I pushed my cock head into Adonia's asshole.

I pushed into Adonia slower than she would like for Gwen's benefit. Adonia's asshole dilated eagerly and took my cock head in. I waited for a few seconds as her asshole milked me. I resumed pushing into her ass. When I was halfway into her, I started to pump back and forth in a slow rhythm.

Soon I was thrusting into Adonia's ass with long, deep strokes. Gwen watched intently. I took her right hand and guided two fingers to Adonia's pussy. I pushed her fingers into Adonia's pussy.

"Feel the commotion," I smiled at Gwen as I continued to fuck Adonia's eager ass.

Adonia moaned and gasped, meeting my cock stroke for stroke. Surely her pussy milked Gwen's fingers the same way her greedy asshole milked my cock. I pushed her ankles against the back of the sofa and fucked her harder and harder, making my balls slap the back of her ass audibly.

When Adonia got close to orgasm, I slowed down. I started pushing my cock all the way up her ass and then pulling out until her sphincter clamped at the end of my bulbous head. I did that in a slow, teasing way, feeling her asshole massage every nerve in my cock. I fucked her ass like that for a few minutes.

"Spread it, Adonia," I directed as I pulled out after my last thrust into her ass, pushing her knees all the way back. "Gwen, get ready to watch her asshole gape."

Gwen leant forward just as I gently plopped my cock head out of Adonia's asshole, keeping it open.

"This is how your now-virgin asshole is going to gape," I said, looking at Gwen as I went down to my knees. "It's going to open wide and show the deep pink."

I pushed my tongue into Adonia's open asshole and fucked her with it. I drooled onto her pucker and then pushed my cock into her ass. I fucked her slowly for a couple of more minutes.

"Take a good look," I said to Gwen, pulling her head closer to Adonia's ass.

I pulled out my cock and Gwen took a good look at her friend's gaping asshole. With a hand behind Gwen's head I pushed my cock toward her lips. She opened her mouth and took me in. Holding her head with both hands, I pushed my cock down her throat. I fucked her throat a little and then released her head.

"Suck it, baby," I urged Gwen as I continued to thrust in her mouth. "Soak it in your saliva."

I held Gwen's head with one hand as I pulled out of her mouth. I pushed my cock into Adonia's asshole for one deep stroke and then put it back in Gwen's mouth. After several strokes in Gwen's mouth, I returned my cock to Adonia's ass and started to fuck her hard.

Adonia smiled and started to grunt with every thrust. I pushed her ankles against the back of the sofa and fucked her in earnest. Soon she was convulsing as she came over my cock and Gwen's fingers. She gasped for air and thrust her ass up as her rectum desperately sucked my hammering shaft. I continued to drill her twitching ass until her orgasm finished. I finally pulled my cock out slowly and let Gwen suck it.

After Gwen finished sucking my cock, I pushed it one last time up Adonia's slightly gaping asshole and then walked over to Beth. Beth had been watching and fingering her pussy. I sat her up and pushed my cock into her mouth. I let her suck it for a few seconds and then pulled out and pulled her to her feet. I guided her toward Adonia and arranged her on her hands and knees on top of Adonia.

I guided Adonia's hands to spread Beth's ass and then pushed my cock into Beth's pussy. I stroked my cock several times within Beth's pussy and then let Gwen suck it a little before I resumed fucking Beth's pussy.

"Drool on her asshole," I said to Gwen as I pulled her head over Beth's ass.

Adonia spread Beth's ass wider as Gwen started to drool on Beth's puckered opening. I removed my cock from Beth's pussy and started to massage Gwen's drool into Beth's asshole.

"Keep drooling," I said to Gwen as I continued to rub her saliva into Beth's asshole. "When you have had enough cock up your ass, you will not need all this foreplay. Watch this."

I gently pushed my cock into Beth's ass. Her asshole dilated and took me in. I continued to push slowly until I was balls-deep inside her.

"What a fantastic asshole!" I said as I thrust in and out of Beth's ass to show Gwen how easily Beth's ass could take my thick shaft.

I pulled out of Beth's ass and let Gwen suck my cock.

"However, we do the ass play because we love it," I said as I pulled out of Gwen's mouth.

I went down on my knees and started with a deep kiss for Adonia's well-fucked asshole. I tongue kissed Beth's pussy and then her asshole. I started to eat Beth's asshole seriously while fingering her pussy and Adonia's nether holes. I occasionally let Gwen suck my fingers. Eventually Beth's asshole was soaked with my saliva and was being finger fucked just like the three other horny holes.

I let Gwen suck my eight sticky fingers and then guided two of her fingers to Beth's asshole. As she started to finger Beth's ass with two fingers, I pushed two fingers of my own into Beth's ass, and we finger fucked Beth's ass with four fingers. I pulled her fingers out of Beth's ass and into my mouth as I removed my own fingers and pushed them into her mouth. We sucked each other's fingers as I stood up. I pulled my fingers out of her mouth, replacing them with my cock.

I pushed Gwen's face into Beth's ass. Gwen did not hesitate to lick Beth's asshole. She licked for a while and then spit on the glistening pucker before she pulled back. I pushed my cock into Beth's waiting asshole. I started fucking her with a slow rhythm.

Gwen got to see Beth's gaping asshole seconds before I stuffed my cock into her mouth. I guided her hand to Beth's pussy while she continued to suck me. When I returned my cock to Beth, I fucked her ass at a wild pace. I grabbed her tits through her top and squeezed them tightly as I drilled her bucking ass. She grunted and gasped, shoving her ass eagerly into me.

Beth finally stiffened and started to come. I gave her a few more strokes and then stiffened myself. My twitching cock spurted two jets deep inside her spasming rectum before I squeezed it tightly at the base and guided it to Adonia's asshole. A single thrust drove my cock all the way up Adonia's ass, where I let it burst two more jets before I squeezed it again and rushed it to Gwen's mouth. Gwen's eager mouth was very happy to completely drain my balls for me.

After I removed my spent cock from Gwen's mouth, I swirled a finger inside Beth's asshole, scooping some come on it and then let Adonia suck it. Adonia made a show out of sucking my finger. I scooped a little come out of her asshole on the same finger and then let Beth suck it. Finally I swirled my finger inside Beth's squishy asshole and let Gwen have a taste.

"I can't wait to get my ass fucked," Gwen said.

“You don’t have to wait any more than we need to get you ready for it,” I said. “These girls will help you get fucked just like you have helped them.”

Beth got off Adonia and sat on the other side of Gwen. Each of Beth and Adonia pounced on one of Gwen’s ripe tits and started to suck. Gwen started to moan. I sat on the floor and pulled Gwen’s legs apart. She had a big wet spot on her crotch. I caught the base of the vibrator between my teeth through her shorts and wiggled it inside her, making her gasp. I could smell her aroma and taste her pussy on her shorts. I reached for the waistband of her shorts and started pulling them down very slowly while working the toy in and out of her pussy with my mouth. She lifted her ass and I let go of the vibrator and pulled her shorts off. Her drenched pussy was clutching the buzzing toy. She let out occasional gasps as the toy continued to tenderize her hot pussy. I held the bottom of the toy and moved it within her, making her moan and squirm.

I pushed Gwen’s legs up and had Beth and Adonia hold one each.

“So wet and sticky,” I said as I parted Gwen’s cheeks, exposing her dark puckered hole. “Beth are you sure your friend is not a slut?”

“Of course she isn’t,” Beth said. “I am not sure she can stay that way tonight though.”

“What do you say, Adonia?” I said.

“I say, she doesn’t have a chance,” Adonia said.

“Gwen?” I asked.

“I want to be a slut,” Gwen said. “I want to be your slut tonight.”

“Then you deserve this,” I said as I brought my mouth to her ass.

I put my lips on Gwen’s asshole and gave her a French kiss. Gwen shivered and then started to squirm, letting out a long moan. I kissed her tasty asshole for a while. It had a fruity taste due to marinating in pussy juices for a long while. I broke the kiss and then removed the dripping vibrator from her pussy and let her suck it. I put the toy back in her pussy and twisted it around within her, getting it really wet again. I pushed Adonia’s head aside and wiped the wet toy all over Gwen’s erect nipple. Adonia resumed sucking Gwen’s freshly dressed nipple while I wetted the toy again in Gwen’s pussy. I dressed Gwen’s other nipple with pussy juice for Beth and then gave Gwen the toy to suck.

Spreading Gwen’s pussy with my fingertips, I stuck my tongue between her lips. I probed her pussy and sucked her lips and clit, savoring her unique flavor. She moaned and ground her pussy into me. I pushed the index and middle finger into her pussy and stretched her hole as I started licking her asshole.

Gwen’s asshole twitched a lot under my tongue as it relaxed very slowly. After a few minutes of licking and probing, I started to transfer juices from her leaky pussy to her asshole, massaging her pucker gently. When I had her asshole copiously coated with juices, I gently corkscrewed a finger into her ass. I slowly swirled my finger within her rectum as I brushed her clit with the thumb of my free hand.

When Gwen’s asshole relaxed, I started to pump my finger very gently as I drooled constantly on it. A couple of minutes later, I squeezed a second finger into Gwen’s ass while fucking her pussy with two fingers of my other hand. Gwen moaned and humped my fingers eagerly. I pulled my fingers out of her and then pushed my forefingers into her ass and my middle fingers into her pussy. While drooling onto my fingers I pumped them in and out, pulling each pair of fingers apart. Her asshole started to gape and the gape continued to widen as I added spit to it.

Soon I removed my middle fingers from her pussy and squeezed them slowly into her asshole as I pushed my ring and little fingers into her pussy. I had to start slowly but soon I was able to work four fingers all the way in and out of her asshole as I did the same to her pussy. Beth and Adonia were still kissing Gwen and sucking her tits.

“She’s ready,” I said.

Adonia rummaged again inside her paper bag and retrieved a bottle of lube as I climbed on top of Gwen and pushed my cock into her mouth. I let Gwen suck my cock while I held her legs up on either side of me. I thought something flashed while Gwen deep-throated me. I dismounted Gwen and climbed off the sofa.

Adonia applied a thick coat of lube to my shaft. She squirted lube all over Gwen’s pussy and asshole, rubbing it in. Beth meanwhile held Gwen’s legs up. Adonia sat on the other side of Gwen and held Gwen’s left leg, leaving the other to Beth.

I aimed my cock at Gwen’s pussy and shoved it in, making her grunt. I fucked her until she started to fuck back urgently and then pulled out. I finger fucked her pussy with two fingers and then pulled them out and pushed one

into her ass. I finger fucked her asshole with one and then two fingers. I twisted and swirled my fingers within her for a minute and then pulled them out.

As I poised my bulbous cock head on Gwen's asshole and rubbed it around gently, Gwen shivered. Each of Beth and Adonia held one of Gwen's legs by the ankle and pulled one ass cheek out, leaving Gwen's virginal asshole completely vulnerable to my rampant cock. I applied the slightest pressure against it, letting the sphincter dilate at its own pace. It dilated slowly, and my cock head got well seated in the hollow of her pucker. When her sphincter felt relaxed I gave a little shove that popped my cock head past her sphincter. She gasped, and her asshole squeezed tightly around me. I remained motionless until she relaxed again. I thrust gently, working my cock deeper and deeper into her virgin passage. I could feel and see that her little dark asshole was stretched tightly around my thick pale shaft.

"How does it feel?" I asked softly.

"It feels so big," said Gwen.

"You'll love it," assured Adonia.

"I already do," smiled Gwen faintly.

"Is she a slut or what?" smiled Beth, teasing Gwen's clit with a fingertip.

"She's a slut to-be," I said. "And she will be."

Beth hooked Gwen's left leg behind her right shoulder and used her right hand to tease Gwen's pussy while she continued to spread Gwen's ass with her left hand. Adonia bent over and kissed Gwen sensually while she continued to hold Gwen's leg and ass cheek. Gwen smiled at me lustfully as my thick shaft continued its slow sink into her hot and tight asshole. In a couple of minutes I was pushing the last and hardest inch into her as my cock head slowly made its way into the narrow end of her rectum. Beth's talented fingertip on Gwen's clit helped a lot, and in a minute I was all the way in. My balls pressed against the hollow behind Gwen's asshole as I pressed forward to make sure I was not holding anything back. Gwen's inexperienced asshole squeezed my cock instinctively but exquisitely.

"Congratulations, Gwen," I said. "You are no longer virgin anywhere in your body."

Gwen smiled, her asshole squeezing my cock. She had a thin film of sweat over her body. Beth and Adonia applauded as I bent over and kissed her on the mouth. Beth and Adonia kissed her next.

"Milk my cock," I said as I pushed my thumbs into Gwen's pussy.

I pulled her pussy open, exposing her pink insides. She started to milk my cock tentatively. It felt so good. Her pussy milked my thumbs too. Her milking got better and better as she got used to it.

"You are doing great, Gwen," I said. "Your ass is a horny little cock sucker."

I started to stretch her pussy hole open when she relaxed her holes and relax my thumbs when she tightened her holes. I pumped her ass, pulling out when she squeezed and pushing in when she relaxed. We soon established a rhythm, and my strokes got longer and smoother. I removed my thumbs from her wet pussy and fed them to her. She sucked them eagerly as I fed her ass my thick cock in long, deep strokes.

After a few minutes of deeply pumping Gwen up her no longer virgin asshole, she was ready for hard fucking. Beth and Adonia played with her tits while I drilled her inexperienced but happy asshole. She pushed her splayed ass forward to meet my thrusts, grunting with every stroke.

"Spread your ass," I directed.

Gwen took over spreading her ass, and Beth took over holding her legs. Adonia knelt behind me and started to play with my balls. I slowed down and then plopped my cock out. Gwen's asshole gaped slightly.

"Spread it wider," I said to Gwen as I pushed my cock back in. "Let's see it gape."

I gave her a few slow, deep strokes and then pulled out again. Her asshole gaped wider than before. I thrust into her and then pulled out several times. Her asshole gaped nicely. As I admired it, I saw another flash. When I looked between my legs I saw Adonia holding a Polaroid camera. Gwen noticed the flash too.

"What's this flash?" Gwen asked.

"It's Adonia taking pictures of your pretty asshole," I said as I thrust my cock back in.

Holding to her ankles, I pounded her ass with flesh-slapping thrusts. She breathed in short gasps as I drilled her vigorously. A minute later she stiffened and started to convulse in orgasm. I slammed hard into her and let go of my own orgasm. I let my pulsing cock spurt two come jets deep within her twitching rectum and then resumed drilling

her as her wild asshole continued to drain my balls. I sawed my softening cock slowly in and out of her asshole as she gasped to catch her breath. She looked happy, sweaty and out of breath.

“How did you like it?” I asked Gwen.

“It was wonderful,” she gasped.

“How would you like another round in a few minutes?” I said.

“I’d love that,” she said eagerly.

As soon as I plopped my cock out of Gwen’s ass, Beth and Adonia pounced on the freshly fucked hole. While Beth and Adonia took turns eating her anal cream pie, I mounted Gwen and had her clean my sticky cock. When Beth and Adonia finished with her ass, I removed my cock from her mouth. Beth and Adonia joined their mouths above hers and dribbled come and saliva into her mouth as they held it open. She stuck her tongue out to intercept the dribbling come. She swirled the come in her mouth and then swallowed it all. The three girls kissed sinfully.

Adonia showed us the last picture of Gwen’s virgin asshole and then the first picture of Gwen’s gaping asshole. Gwen was excited to see the way her asshole gaped hungrily.

“I feel like a slut,” Gwen squealed. “I love it.”

Her drenched pussy had been left untouched. I knelt on the floor and dived into it. She moaned as I lapped up her juices and probed her juicy folds. Soon her moans were muffled by Beth’s pussy. Adonia guided Gwen’s hand to her pussy and started to hump Gwen’s fingers. Beth and Adonia finger fucked their own assholes as Gwen took care of their pussies. Soon my tongue was rimming her squeaky-clean asshole. In a few minutes her asshole was being finger fucked by two fingers just like the others.

My cock was getting hard again. I climbed onto the sofa and pushed it into Adonia’s mouth. Adonia sucked as eagerly as ever, taking my cock balls deep in her mouth. I held her head gently with my left hand and fucked her throat slowly.

“Gwen, come here and ride it,” I called as I sat on another sofa.

Gwen came over and straddled me. I guided my cock to her pussy and she started rocking.

“Bathe it with your juices,” I said.

She gasped as Beth started licking her asshole. Adonia started to lick my balls. A couple of minutes later Adonia pulled my cock out of Gwen’s pussy. Beth drooled onto my cock head before Adonia pushed it into Gwen’s ass. Gwen moaned as my cock made its way up her ass. She resumed bouncing her ass as I fondled her tits. Soon she was riding my cock at a brisk pace. Adonia and Beth took turns spanking her bouncing butt, making her jump and squeal as she rode me faster and faster.

When I sucked a nipple into my mouth and pinched the other between my fingers Gwen went nuts. She shoved her ass harder into me. I could feel her juices soak my pubes. I thrust faster into her, making her come within several seconds. Her ass convulsed in my hands as she came wildly. I held her ass and moved it up and down slowly as she recovered from her orgasm.

Beth and Adonia helped Gwen dismount me and guided her to the sofa. They had her kneel on the floor and bend over the sofa. I arranged Beth and Adonia in the same position on either side of her. I guided each girl’s hands to her ass and had them spread their cheeks.

Starting with Beth, I spit on her asshole and then pushed my cock in. I fucked her for a few minutes and then moved to Gwen. I ran my cock head up her sticky pussy, making her gasp, and then pushed it into her ass. After a few minutes of deep fucking, I moved to Adonia.

“Gwen, keep your asshole open,” I said as I started to fuck Adonia’s ass.

I made a few rounds fucking their asses. Their assholes stayed gaping between rounds.

“Now I’ll get you ready for a photo,” I said. “You have to stay as widely open as possible.”

I used the index and middle fingers of both hands to stretch their assholes widely starting with Adonia. Then I did Beth’s and finally Gwen’s. I picked up Adonia’s camera off the floor and took a group ass photo followed by a number of personal anal photos. I put the camera aside and then put my cock in Adonia’s ass.

I fucked Adonia furiously for a minute and then did the same with Beth and then Gwen. I returned to Adonia’s ass, where I pounded deeply until I started to come. I let the first two spurts explode deep in her rectum and then squeezed my shaft and rushed to Beth. I fired a big spurt deep inside Beth’s ass and then squeezed my cock again

and rushed to Gwen, where I completely let go, flooding her rectum with the rest of my come load as I diddled her pussy with my fingers. She started coming immediately. Her orgasm helped drain my balls well.

I arranged the girls in a triangle. Gwen got to eat Beth's cream pie while Beth ate Adonia's and Adonia ate Gwen's. When they finished with each other's asshole, they had a wild come-swapping group kiss. They next attacked my soft and sticky cock.

Between the three hungry mouths my cock got hard in no time. I sat back, and the girls took turns impaling their asses on my shaft while getting eaten to orgasm. I would gently bounce a girl in my lap while another ate her while the third rimmed her. When Gwen sucked my cock, Adonia rimmed her and Beth ate her. Gwen spent half an hour sucking my cock. Beth and Adonia switched places several times.

"Suck it, suck it, baby," I urged, bouncing Gwen's head on my cock. "Make me come."

"Don't come in her mouth," Adonia called. "Come in her ass."

"Sure," I said.

Gwen sucked with zeal. When I felt my orgasm coming, I pushed her head aside and straddled her ass. I pushed my cock into her ass and took a couple of strokes before my cock started to twitch. I could hear Adonia rip a package open. She took out a new butt plug, which she licked all over before shoving it into Gwen's pussy at the same time my come burst deep inside Gwen's bowels. I could feel the plug move and press against the underside of my cock.

"Oh, what is this?" gasped Gwen.

"It's a mature girl's toy," answered Adonia as she started jerking the plug within Gwen's pussy.

I thrust forward several times as my come continued to spurt inside Gwen's rectum and then held my cock deep inside her. Beth held my cock by the base and started shaking it. I pulled back a little to give her room to jack me off. Just then Gwen started to come. Her asshole milked half my cock while Beth's hand milked the rest of it. Adonia continued to thrust and jerk the plug within Gwen's twitching pussy.

When Gwen went limp, Adonia removed the plug from Gwen's pussy, and then I gently removed my cock from Gwen's ass. Adonia shoved the plug into Gwen's still gaping asshole. Gwen grunted, but, before she knew what had happened, her asshole had clamped at the narrow part of the plug, locking it in place.

"What is this?" Gwen grunted, her asshole squeezing tightly around the toy.

"It's a butt plug and souvenir for tonight," explained Adonia. "It will lock the juices inside until you are ready for them. When you are in the mood, you can take it out and lick it and then scoop the come with your fingers and eat it."

"It also feels nice and sexy to have up your ass while you move around or go to the mall," Beth added. "You can use it to exercise your asshole wherever you are too."

"Meanwhile you can clean my cock," I said as I pushed my soft cock toward Gwen's face.

Gwen obliged me eagerly.

"So, it's white cock up the ass where it's all at," said Gwen as she pulled her clothes on.

"Not really," said Adonia. "My boyfriend sticks his white cock up my butt every once in a while but it's nothing like you have experienced tonight. That's why I appreciated Beth's birthday present to me and still do."

"What was it?" Gwen said.

"It was lots of Nick's hard cock up my ass, hard and deep," Adonia said. "My asshole was stretched out so much it tingled and felt empty for a week. A long day or night of a hard thick cock thrusting nice and deep up your hot ass is what you need."

"I guess I should find a way to get a regular supply of cock up my ass," said Gwen.

"You must," said Adonia. "Say to your boyfriend, 'Hey, brotha, if you ain't gonna plug my booty hole someone else will!'"

Apparently that did not work out for Gwen because she broke up with her boyfriend. On Friday, evening she came with Beth.

"So what brings our sexy friend?" I said.

"Lust," Beth said. "Her asshole is still too tight for the slut she aspires to be."

"I'll be glad to help," I said.

That night I fucked Gwen's ass twice as long and hard as the first time. Beth left late at night after getting her share of my cock, leaving Gwen to spend the night with me. Gwen and I fucked three times before the break of dawn. We fucked again before our late morning shower. We spent most of Saturday fucking and sucking. We did it in every position we could think of, and I fucked her tits a few times too.

"I didn't know guys came this horny," she said.

"I didn't know chocolate came this delicious either," I said as I pounced on her again. "Let's make good use of our discoveries."

"Oh, you are turning me to milk chocolate," she gasped.

From then on Beth and I could hardly get together alone once a week for sex. Usually Adonia, Gwen or both would join us for a hot threesome or a wild orgy. Gwen did not seem to be in a hurry to find a new boyfriend. She found one two weeks later but that did not break her habit of getting my cock up her horny ass every chance she got.

I went to Beth's apartment a week later on Friday evening to spend the night with her, having sex. When I arrived there, Adonia opened the door for me.

"Come in," Adonia said. "Beth will come soon."

As soon as my butt hit the sofa, she made a play for my cock. Seconds later she was sucking my hardening cock. A minute later she was massaging my cock with her expert throat while I had a hand down the back of her panties, teasing her horny orifices and transferring pussy juice to her asshole. I had hardly popped a fingertip into her asshole and swirled it around once when we heard noises at the door.

"This must be Beth," Adonia said as she sat up and zipped up my pants.

She straightened her skirt while I sucked my fingers.

Seconds later the door opened and in came Beth and another girl.

"Hi," greeted Beth. "This is my friend Ying. She's from China. This is my boyfriend, Nick."

"How do you do?" said Ying shyly as she extended her hand.

"Hi," I said shaking Ying's hand. "Nice meeting you, Ying."

Ying shivered when I shook her hand. Beth motioned her to sit next to me.

"Hi, Adonia," said Ying as she sat down.

"Hi, girl," replied Adonia.

I noticed that Ying continued to shiver and gasp occasionally.

"Are you okay, Ying?" I asked her. "Are you feeling cold?"

Ying blushed and did not reply.

"She's actually feeling hot," smiled Beth. "She's just wearing Buster."

"What's buster?" I asked.

"Buster is Adonia's pussy teasing toy," smiled Beth, making Ying blush deeper. "We don't want to waste any time this time."

"Oh, I see," I said in surprise and confusion.

Beth took me by the hand and pulled me to her room.

"Gwen will not be playing with us any more," Beth said.

"Why not?" I asked.

"Because her contract has just expired," Beth said.

"What contract?" I asked as Adonia joined us.

"Her month of anal honeymoon," Beth said. "Don't you know that after a month of serious ass fucking a girl's asshole is no longer virginally tight?"

"I see," I said.

"Gwen has finished her internship," said Beth. "This month it's Ying's turn."

"If you had told me before, we could have given Gwen a goodbye party," I said.

“We already did last night,” she said. “Didn’t you notice that she was extra horny? I also let you always come inside her. We sent her home full of come. That was a send-away party. Now you have a welcome party which is more important than a goodbye party. Poor girl has a wimp boyfriend. He doesn’t know what asses were made for.”

“Is she anally virgin?” I asked.

“Of course,” said Beth. “Are you going to be a good boy and introduce her innocent asshole to your wicked cock and then send her on her way too?”

“Do you want me to?” I teased.

“Let me put it this way,” said Beth. “If you turn this shy Chinese girl into a slut and do a good job at that, next month you’ll have Italian. Every month I’ll get you a new girl.”

“Wow!” I said. “Of course I will.”

“Let’s go before she soaks the sofa with her pussy juices,” Beth said as she left.

“Adonia, do you understand what’s going on?” I asked.

“It’s all Greek to me,” smiled Adonia.

“It sure isn’t Chinese,” I smiled back, cupping her ass cheek as we left the room. “How I love Greek!”

“Don’t we all?” she laughed.

The End
