That was not the first time I borrowed my dad's advanced digital camcorder for my personal use. Nothing was special about that time except that the camcorder had already had a tape in it. I innocently played the tape to see what was on it only to see a couple having sex. My cock jumped, and my curiosity soared.

Taking advantage of that I was the only one at home, I set up the camcorder to play on the large-screen television while I rewound the tape. I could not wait to start the tape. Something blocked the camera view. It immediately moved away. I immediately recognized my sister's bed, which was the focus of the camera. Alex sat in her bed next to her boyfriend. They started kissing.

"Let's see what my little sister was up to," I smiled to myself as I sat back on the sofa.

They kissed for a minute. He soon had her tits out. He sucked them for a minute while he took her clothes off. She looked gorgeous—much prettier than I had thought. He apparently was in a hurry. He got his head between her legs. She moaned for several minutes. She fondled her ripe if not big tits while he made her come in his mouth.

While watching, I caught myself stroking my hard cock through my shorts. I took my hand away, rebuking myself for misbehaving that badly. The boy sat down, and Alex took his clothes off. She knelt before him and proceeded to suck his cock, making sure to give the camera a good angle. She sucked him for several minutes, performing various tricks. Although his cock was not that big, she could not take it all the way down her throat.

The boy finally pushed her away and laid her on the bed. He took his position between her legs and proceeded to fuck her. Two minutes later, he was coming in her pussy, grunting and panting. After he rolled off her, she cleaned her pussy with a wad of tissues.

A few minutes later, Alex mounted him in the sixty-nine position. He ate her pussy, and she sucked his cock for over fifteen minutes. She looked toward the camera several times, showing that she fully knew about it, but he did not. She also attempted to be artistic with the way she sucked him. He made her come while she brought his cock to full hardness.

She mounted him in the cowgirl position and rode him for five minutes. He came, but she did not. She ground her pussy into his softening cock desperately for orgasm, and finally managed to come. I felt bad for her. My girlfriends had never had to work for an orgasm. Alex wiped her pussy and licked his sticky cock.

They put their clothes on and disappeared. A minute later, Alex returned. She walked toward the camera, smiling mischievously, and then the screen went blank. All that was about forty minutes.

My cock was rock hard and dripping.

"You are such an insensitive monster," I said, slapping my hard cock and making it twitch.

Presents

A Double Minigale

The Counselor

While I backed up that priceless tape onto a digital videodisc on my computer, I wondered why Alex had filmed it and why she had been careless about hiding it. Luckily for her—and me—it did not fall in my parents' hands. I recorded the tape onto a regular videotape, kept both tapes and returned the camcorder.

Two days later, Alex and I were home alone. I inserted the copy into the video deck and called her.

"Come here, Alex," I called. "I want to show you something."

She sat next to me, and I pressed the play button on the remote. She recognized the scene immediately.

"Stop it," she shouted, sprinting toward the television. "Where did you get it?"

"Relax," I said, grabbing her around the waist. "This is only a copy."

"Let me go," she shouted angrily, trying to wiggle out of my grip. "Where did you get it?"

"I'll let you go if you promise to tell me the whole story," I said.

"I promise, I promise," she said.

I let her go, and she retrieved the cassette from the video deck.

"Where is the original?" she asked impatiently as she sat next to me.

"I am all ears," I said.

"I don't know where it came from," she lied.

"I was just teasing you," I said sarcastically. "This is the original."

"No, it's not," she shouted angrily, trapping herself. "Give me the original."

"How do you know this is not the original?" I asked.

She stuttered for several seconds.

"Because this does not fit in a camcorder," she said.

"If we want to start lying then I don't know anything about this tape either," I said.

"Okay, I'll tell you about it," she finally said.

I waited silently.

"I made this tape to show it to mom," she stuttered, shocking me.

"What?" I asked. "To show it to whom? Do you plan to audition for a porn star? You are too young."

"To mom," she said shyly. "I wanted her to give me pointers to improve my sexual performance."

"Alex, tell me something I can believe," I said.

"I swear this is the truth," she said.

"Did you show it to her?" I asked.

"Yes," she said. "I guess that's how it ended with you. She must have forgotten to hide it."

"What did she say?" I asked.

"She said, I wanted to work on my oral and vaginal technique," she said, blushing. "She said my boyfriend had to be a little more patient and considerate so I could practice on him."

"Did she say anything specific?" I asked.

"She gave me a little demo," she said.

"What demo?" I asked.

"She demonstrated some techniques on a dildo and showed me how to control my pace and internal muscles," she said.

"How are you going to tell that to your boyfriend?" I asked.

"I don't know," she said sadly. "Actually he is usually hastier than in this tape."

"Did you think about dumping him and finding someone else?" I asked.

"We are sort of in love," she said shyly.

"You are in love with someone already inconsiderate to you?" I said. "What would he be like if you ever got married? Alex, you still don't know what love is."

"You may be right," she said, "but that is how I feel now."

"If you insist, there is still a way you can practice," I said.

"How?" she asked excitedly.

"You can practice on me," I said, raising my eyebrows.

"That's gross, Nick," she said disgusted. "You are my brother."

"There is nothing gross about it," I said. "It's only practice."

"It's incest," she said.

"Nay," I said. "Incest is having a sexual relationship. This is not a sexual relationship. This would be just a temporary arrangement."

"I don't think that's possible," she said, shaking her head.

"This is what you'd be practicing on," I said, standing up and pulling out my partly hard cock.

"Wow!" she exclaimed involuntarily as she saw it. "It's so thick."

“This is the kind of cock you’d want to practice on,” I said, moving closer to her. “Touch it, and see.”

She did not resist as I guided her right hand to my hardening shaft.

“Hold it,” I said.

She looked up at me as if in a trance and then back at my cock before she held it.

“Stroke it,” I whispered.

She stroked it tentatively, occasionally looking up at me.

“You are doing great,” I encouraged as my cock grew in hardness and size in her hand.

While she stroked my cock, I subtly moved it closer and closer to her face.

“Lick it a little,” I said softly, gently holding the back of her head. “Taste it.”

She stuck her tongue out and licked my cock timidly, getting ever more daring.

“It likes what you are doing,” I said as a clear drop of fluid formed at the tip of my cock.

She licked the drop up and giggled. Her seduction was complete.

“Suck the head a little,” I instructed softly. “Stretch your lips around it like a big sweet sucker.”

She started nursing the bulbous head, suckling its seeping fluids. Her lips tightly stretched around it.

“Take your sweet time,” I said. “This is all about taking your time. That’s what you want.”

She sucked my cock head for a minute or two and then started to take it deeper.

“Take it deeper at your own pace,” I encouraged. “You won’t believe how deep you can take it.”

She established a slow rhythm. I thrust gently in her rhythm, sinking my cock ever deeper in her eager mouth. In several minutes, I was fucking her little mouth with well over half my hard cock. I held the back of her head to get her used to getting her mouth fucked. I was having a great time, and so was she.

When she got comfortable with my cock in her mouth, I started to tease her. I often pulled my cock all the way out and then put it back in, sometimes slapping her face with it before returning it to her eager mouth. She liked that much. I could tell she was ready to expand her horizons.

“Alex, relax your throat and take it deeper,” I instructed. “Don’t push yourself too much though.”

I released her head and guided her hands to my butt.

She gagged several times over the following five minutes. A little later she managed to swallow my cock all the way down her throat. She pulled back and gasped for air.

“Excellent!” I cheered. “Now practice to get comfortable with it. Practice makes perfect.”

She deep throat my cock for over fifteen minutes, getting better by the minute.

“I am going to come,” I warned. “Are you ready to swallow it all?”

She moaned in consent without taking her mouth off my cock. In a minute or two, I stiffened, and my cock twitched, pumping a big load of thick come down her swallowing throat. She gulped it all down and kept sucking until my cock went limp.

“Let’s continue our practice in my room so we don’t get caught,” I suggested. “It’s too early for mom to check your progress.”

We went to my room, where I sat her in my bed.

“That was wonderful,” I said. “Now relax and let me make you come in my mouth.”

She did not resist as I hiked her skirt and pulled her panties off. I pushed her onto her back and dived into her hairless pussy, which was so hot and wet. I pushed her legs over her head and did not raise my head until she had a wild orgasm, gushing copiously in my mouth as I drank all what she offered.

The purpose of my brief break was just to take a look at her happy face. I returned to her pussy and ate her raw through another orgasm and then another. She did not resist as I ate her through two more orgasms. After all those orgasms, she was very receptive.

With her knees pushed against her tits, I teased her asshole with my tongue tip. She shivered and flinched but did not have any strength left to push me away.

“What are you doing?” she gasped in shock.

“Just relax and enjoy,” I assured. “You’ve never experienced anything like this.”

Her asshole continued to clench for several seconds. It relaxed slowly thereafter as it got used to my loving tongue. Within two minutes, she was moaning joyously to the rhythm of my tongue on her asshole.

"Spread your beautiful ass for me," I instructed, guiding her hands to her cheeks.

She did not hesitate to comply.

Enjoying the feel and taste of her virgin asshole for over half an hour, I made her come twice just by eating her sweet anal pucker. Her asshole was so relaxed it accepted the tip of my tongue and was ready for a finger. Soaked in my drool, her asshole let my finger slide smoothly all the way in despite her anal twitching and clenching out of shyness as I rid her of her last bits of modesty. Soon her asshole was twitching out of joy and thrill.

"I didn't know anal play was so much fun," she gasped, as I fingered her twitching asshole.

"This is all about learning," I said. "Your hot body is a treasure of sexual pleasures waiting to be explored."

Near my bed the lube was very accessible. I slowly added lube to her anal pucker for several minutes. She did not notice as I gradually soaked her asshole with it and worked it inside her rectum. I patiently reamed out her asshole. She moaned happily as I squeezed a second finger to fill the cavity past her relaxing sphincter. I often lapped up her leaking juices as I pumped her asshole gently.

She responded very favorably to the two fingers fucking her asshole at a pace that kept accelerating to match her heightening heat and lust. After less than ten minutes, she broke with a powerful orgasm. Her rectal spasms milked my fingers wildly as she convulsed in ecstasy.

As she relaxed, I lapped up her copious pussy juices and finger fucked her asshole gently, adding lube slowly but continuously. I twisted and swirled my fingers within her rectum as I worked the lube inside. Her anal cavity had soon outgrown my two fingers. She needed a third finger that I very gently and ever so slowly squeezed into her receptive asshole, stretching it wider.

In a few minutes, I had my three fingers all the way up her ass. In a few more minutes, I was working my fingers in and out of her asshole at a slow pace, constantly adding lube as her asshole continued to relax. She soon was able to accept faster finger fucking. She moaned and gasped happily, spreading her cheeks obscenely and thrusting her eager ass lewdly.

"You like that, you little whore," I teased.

"Yes," she hissed.

"You are such a horny teenage slut, aren't you?" I teased.

"Yes," she yelled.

"Do you want me to make you come with my fingers, slut?" I teased.

"Yes," she gasped.

"Do you want me to make your hot little asshole twitch wildly in orgasm?" I teased.

"Yes," she hissed.

"Beg for it like a cheap whore," I demanded, pumping her ass harder.

"Please, make me come," she begged. "Please, make my asshole come."

"Do you promise to be a good girl if I make your horny asshole come?" I teased.

"I promise," she hissed.

"Hang on, slut," I said, finger fucking her ass harder. "Your little asshole is going to come like it has never come before. You are going to see what a dirty little slut you are."

After a few minutes of continuous dirty talking and vigorous finger fucking of her ass, she lost control and started to convulse in orgasm. I continued to pump her shaking ass until her violent orgasm died down. I fingered her asshole gently as she panted for air while my free hand stealthily applied a thick coat of lube to my hard shaft.

"You promised you'd be a good girl," I said after giving her drenched pussy a deep kiss, making her squirm. "Did you mean it?"

"Of course, I meant it," she said. "I've always been a good girl."

"Are you confident of yourself?" I said. "I am going to put you to the test."

"Go ahead," she said in challenge.

"I want to put my cock in your ass," I said, getting up so she could see my glistening hard shaft.

Her asshole twitched around my fingers and tightened up a little.

"It's too big," she said with concern.

"You are ready for it," I assured. "I already have three fingers up your ass. I'll stop if you ever want me to. Did I hurt you when I put it all the way down your throat?"

"No," she said, shaking her head.

"Didn't you enjoy it?" I asked, pumping my fingers in her relaxing asshole.

"Yes," she whispered.

"Can you feel how your asshole milks my fingers?" I asked.

"Yes," she moaned.

"Your virgin but horny little asshole is begging for the real thing," I said softly, making her asshole twitch around my fingers. "Do you want to grant its wish and let it come and come and come over a real live hard cock?"

"Yes," she hissed, shuddering.

"I'll be gentle, and you'll love it," I said. "Trust me."

"I trust you," she said lovingly.

"Relax and enjoy," I said.

While she looked at me expectantly, I pumped my fingers within her ass, occasionally taking them all the way out and then pushing them in. When she least expected it, I popped my fingers out of her ass and popped my cock head in. She gasped softly, and her asshole clenched around my cock head.

"That's it, baby," I said, pausing. "We are past the hard part. Are you ready for pure pleasure?"

"Yes," she hissed.

"Are you ready for thrilling fun?" I teased.

"Yes," she hissed.

"I think your pussy already knows what's coming," I said. "It's leaking like a loose faucet."

She shuddered, and her asshole twitched. Her pussy leaked fresh juices.

"I guess, you like my cock up your ass, don't you, you little slut?" I teased.

"Yes," she said, her asshole twitching.

"This is just its head, baby," I said, thrusting gently. "Wait until it's balls deep up your cock hungry asshole."

Her asshole was relaxed sufficiently. She gasped as I easily fed it most of my thick shaft. Soon I was stuffing the last part of my cock up her ass as my cock head tried to make its way past the resisting deep end of her rectum. Finally my cock sank all the way in, making her grunt.

"How does it feel now?" I asked, pausing for her ass to get used to the full size of my rock-hard cock.

"Your cock is so deep in my ass," she moaned. "It feels bigger than a phone pole."

"Does it hurt you?" I asked.

"Oh, no," she said. "It actually feels good."

"It's going to feel better and better as you get used to it," I said. "You are going to get addicted to it."

I slid my thumb into her drenched pussy. She gasped, and both her holes twitched. I had her suck my dripping thumb as I started to thrust gently in her ass.

"Are you ready to get fucked up the ass like a good girl?" I teased, fucking her ass with short thrusts.

"Yes," she gasped.

"Come on," I teased. "You know you need to beg for it a little."

"Please, Nick," she begged. "Fuck my asshole with your big hard cock."

"Sure, baby," I said, using longer strokes. "I'd do anything for my naughty little slut sister."

Her inexperienced asshole instinctively milked my cock as it slid in and out of her narrow rectum. Her tight pucker hollowed in and bulged out as I sank my cock in and pulled it out, respectively. I was soon pumping her ass with long slow strokes. I gradually picked up the pace and established a nice rhythm as her asshole relaxed and got used to getting fucked. Her horny pussy continued to leak happily. Within a few minutes, I was fucking her ass at a brisk pace, eliciting rhythmic illicit pleasure moans and gasps from her.

That solid rhythmic pumping of her excited asshole made her come in fifteen minutes. Pinning her shaking frame tightly, I maintained pumping her twitching rectum at the same pace throughout her hard orgasm and beyond. Ten minutes, later she was coming again. As she convulsed in orgasm, I pounded her ass as hard and fast as I could, giving her the hardest orgasm yet. I slowed down when her orgasm subsided but continued to pump her ass deeply.

“Have you enjoyed your ass break-in fuck?” I teased, still thrusting in her ass.

“Yes,” she hissed, her asshole twitching.

“You are enjoying being my little anal whore, aren’t you?” I teased.

“Yes,” she hissed shyly.

“You are such a sexual delight,” I said. “I really loved fucking you up your hot tight ass. I am going to fuck your ass and loosen up your little asshole much more so it can always be ready for my cock.”

“Yes, baby,” she cooed. “Don’t you stop fucking my asshole.”

“Don’t worry, baby,” I assured. “I can’t stop fucking your asshole even if I wanted to.”

Pulling my cock out until only the head remained inside her ass, I started to work the head in and out of her asshole. She gasped every time my cock head passed through her sphincter. I enjoyed the way her twitching asshole massaged my cock head, and she enjoyed the repetitive penetration of her newly deflowered asshole. I used that technique to help her asshole tighten up.

In a few minutes, I popped my cock out of her ass and knelt down. I gave her no-longer virgin asshole its first deep kiss, making her squirm. I licked her drenched pussy dry before I sat her up, thrusting my cock in her face.

The presence of my hand behind her head did not give her much time to hesitate. She opened her mouth and proceeded to suck my cock. I was soon animatedly fucking her throat balls deep. She ground her pussy against my foot, which I put between her thighs for that purpose.

“Yes, Alex, suck it,” I urged, thrusting in her throat. “Make sure it’s ready for your hot little asshole.”

She mumbled something incoherent around my cock and kept sucking eagerly.

When we were done, I took her clothes off. While sucking her nipples, I fingered her pussy from behind, soaking my fingers in her juices. I used my slick juices to finger her ass while I used my free hand to finger fuck her pussy as I continued to suck her nipples, making her moan with joy. When she came, I had her suck my sticky fingers clean.

“Fuck my ass from behind,” she said, getting on her hands and knees and thrusting her ass out.

I drooled on her asshole generously.

“Make sure your asshole is ready for my cock,” I said, touching her fingers to her asshole.

While she fingered her asshole, I lubed my cock thoroughly with one hand and fingered her pussy with the other. I removed her fingers from her ass and mine from her pussy. I sucked her fingers and had her suck my sticky ones as I adjusted her lower back and knees for maximum anal access. I finally aimed my rampant cock at her glistening asshole and guided her hand to my slick shaft.

“Put it in,” I said, gently touching my cock head to her asshole.

She gasped as she popped my bulbous cock head past her willing sphincter.

“Move your ass, baby,” I instructed, spreading her cheeks for her. “Get it fucked with my big cock.”

Her ass rocked, causing her asshole to eat my cock in big hungry gulps. She was soon enthusiastically working her horny asshole back and forth over the entire thick shaft of my cock. Her sticky pussy lips kissed my balls repeatedly, making wet sounds.

Her stretched asshole greedily swallowed my entire cock again and again. I enjoyed the view and the feel of it along with her melodic gasps and moans of pleasure.

“Get your ass fucked silly,” I urged, pinching her nipples. “Make yourself a worthy anal slut.”

After several minutes of deep rectal plunging, she started to lose control. I held her hips to keep her in pace, but she soon bucked her ass out of control as she exploded in a violent orgasm. Gripping her hips, I kept her twitching asshole working on my cock vigorously until her orgasm subsided.

She relaxed, lowering her head to the bed. I held her hips tightly and proceeded to pump her ass rhythmically. In less than ten minutes, she was coming again. I pounded her bucking ass into wild multiple orgasms. When her orgasms subsided, she fell flat on the bed, popping my cock out of her ass.

"I am going to fuck you silly, my little slut sister," I said, climbing onto the bed. "I am not going to stop fucking you until you beg for mercy."

"Yes," she hissed as I pushed my cock back into her ass. "Keep fucking me."

She groaned as I skewered her rectum all the way with my shaft. As soon as my cock hit bottom, I started to pump her ass vigorously. I made her come three times within the following ten minutes.

We rested for a few minutes and shared our first lewd kiss as I ground my cock into her ass gently to keep it hard. She deliberately milked my cock with her horny asshole.

"My balls are so full of come," I whispered in her ear as I thrust harder in her ass. "Isn't your ass thirsty for a nice helping of hot thick come?"

"Oh, yes, baby," she hissed, her asshole twitching. "Come deep in my ass. Fill my bowels with come."

Wrapping my arms around her, I rolled us onto our left sides, so my come would leak up her colon. I thrust in her ass at a brisk pace. Within a few minutes, we were both coming. My twitching cock pumped a hefty load of come past the end of her sucking rectum. I continued to thrust in her ass until her rectum sucked my balls dry, drinking every drop I had.

While she deliberately milked my cock, I dipped two fingers in her drenched pussy and then had her suck them. I dipped my fingers in her pussy again for a taste for myself. My spent cock went completely limp and slipped out of her well-fucked asshole.

We kissed lewdly while I brought her to orgasm with my fingers. I had her suck my dripping fingers. While she sucked my fingers, I straddled her chest, dangling my resting cock over her face.

"Suck it," I instructed. "I am not done with your horny ass. I meant it when I said you'd have to beg for mercy."

She hesitated for a split second before she opened her mouth and proceeded to nurse my cock. Responding to her oral ministrations, my cock head was soon reaching down her throat. I fucked her mouth deeply for a few minutes before I yanked my cock from her mouth and slapped her face with it.

Sitting back, I motioned her to resume sucking my cock. While she did, I pulled her ass closer and proceeded to fondle her ass. I was soon fingering her pussy and ass. Plugging each hole with two fingers, I made her come twice while she deep throat my cock.

After she sucked my fingers, I arranged her on her knees, pushing her face into the bed. I crouched astride her and pounded her asshole through a wild orgasm. When she calmed down, I knelt behind her and ate both her fuck holes to orgasm.

Laying her back, I let her head hang off the edge of the bed. I filled her mouth with my hard cock and pushed my head between her thighs. I made her gush in my mouth while I fingered her asshole and fucked her throat. We kissed while I pulled her up.

When I lay back, she straddled me, swallowing my cock up her ass. She rode me in the reverse cowgirl position to a wild orgasm. I turned her around, and she rode my cock in the cowgirl position like a champion. Meanwhile, I played with her jiggling tits. After she came, she rode me at a slow pace.

"Alex, I know I shouldn't fuck you in the pussy because you are my sister, but I want to come in your pussy," I said, teasing her nipples. "How about it if I fuck you in the ass until I am ready to come and then I put my cock in your pussy and hold it there until I am done?"

"I don't think you should come in my pussy either," she said, squeezing my cock with her asshole knowingly, "but if that's what you want, do it."

"Thanks, baby," I said, kissing her nipples, one and then the other. "I knew I could count on my little slut."

"How do you want me?" she asked.

"On your hands and knees," I instructed.

After I fucked her in the ass in the doggy style to orgasm, I flipped her onto her back. I pushed her legs over her head and drilled her ass to another orgasm. I continued to pound her asshole until we both were about to come. I yanked my cock from her ass and slammed it into her pussy. She groaned and started to come, and so did I. I held my twitching cock deep inside her convulsing pussy until she drained my balls.

My cock softened and slipped out of her slimy pussy. I dipped two fingers in her pussy and scooped out a lump of come. She did not hesitate to suck my fingers clean.

"You are such a good slut," I said, putting her legs down.

I kissed her on the mouth before I straddled her chest and had her suck my cock back to life. I used my new hard cock on her mouth and asshole for over an hour, switching positions frequently.

"Nick, this is the hottest time of my life ever, but I can't fuck anymore," she gasped. "I am totally fucked out."

"Are you begging for mercy?" I teased.

"Yes," she hissed.

After she came one last time, I spurted my come load onto her face. I watched her wipe my come off her face and lick it off her fingers. When she was done, she sucked my cock clean.

"How did you like getting fucked up your hot ass?" I asked as she put her clothes back on.

"It was the hottest thing that has ever happened to me," she smiled. "I owe you a big one, big brother."

"You don't owe me anything, little sister," I said. "My real reward is seeing you convulse in orgasm after orgasm as I hammer my hard cock into your fuck holes. I want you to experience the best sex possible because my little sister deserves the best."

"Thanks, Nick," she said, hugging me. "You are the best."

She kissed me on both cheeks.

"I'll see you tomorrow to continue your training," I said, pulling my shorts up. "We'll let your pretty asshole rest tomorrow while we engage in oral sex. I'll help you become a champion cocksucker."

"I'll be dreaming about your cock tonight," she said.

"You are such a bad girl," I teased. "Will you let me fuck your pussy and flood it with come in your dreams?"

"You bet," she smiled. "Your come will be running out of all my holes."

We had a deep sensual goodnight kiss before she left.

On Thursday we exercised her oral skills thoroughly. First, I taught her how to keep her asshole squeaky clean and ready for sex. She spent most of the day naked in my room, sucking my cock in different positions and paces. I had her pussy and asshole entertained with my tongue and fingers most of the time.

Although I did not fuck her, she insisted that I should come in both her fuck holes. She got me ready to come and then had me slide my cock up her ass. By the time my balls touched her wet pussy, my swollen cock was twitching as it pumped thick come into her sucking rectum while she diddled her pussy with her fingers.

After sucking me back to full hardness, she straddled me, sucking my cock all the way into her pussy. She ground her pussy into the base of my cock, making herself come several times. I next flipped her onto her back and ground my pubic bone into her clit until we both came, getting her pussy full of come.

In addition to that, she swallowed six come loads down her greedy throat. During the day, I made her come over two dozen times.

My cock spent nearly half of Friday pumping her ass. It spent the other half in her mouth. I switched my cock between those two hot orifices very many times, alternating come loads between her thirsty holes. She insisted that her pussy needed a come load.

"You have made considerable progress already," I said to her when she joined me on Saturday afternoon. "Let's make a new tape for you to show to mom."

"Are you crazy?" she said. "She'd kill us."

"We won't let her know about us," I said.

"How can we do that?" she asked.

"I'll not show my face in the tape," I said. "She'll only see my cock and butt."

"Really?" she said excitedly. "That would be hilarious if we could pull it off."

"We won't give her the tape unless we do," I said.

We obviously had to film our tape in Alex's room. I made sure the tape contained long close-up scenes of Alex teasing and deep throating my cock in many positions with high fidelity recording of every moan, gasp and slurp. We showed my come spurting against the back of her throat before she swallowed it all and sucked for more.

When I ate her pussy and asshole, I only had my tongue and fingers show in the movie. We also included long scenes of hard deep ass fucking in different positions, showing her asshole gape for the very first time. We captured the way my twitching cock filled her sucking asshole with come as she convulsed in orgasm. I switched my cock

between her ass and mouth many times. We made sure the camera saw her lick a lump of come off my fingers after I had scooped it out of her come filled ass.

It took us over eight hours to shoot the two-hour tape. I came several times, half of which in her mouth and the rest in her ass. She came many more times. I kept whispering nasty things to her, calling her my slut and my whore among other things as I praised her for sucking and fucking my cock. The tape turned out better than we expected. We decided to give it to mom on the next morning after her return from church.

For good luck, on Sunday morning I fucked Alex thoroughly and came in all her holes, keeping her ass for last. Her ass was full of my come when she delivered the tape to mom. She decided to disappear immediately because she would not be able to look her in the eye after mom would have seen her suck and fuck like a cheap whore. That played into my hands since I wanted her out of my way. Meanwhile, I stayed out of sight.

A few minutes later, I decided to check on mom. Eavesdropping at her door, I could hear the low sound of the television. It was Alex's sex sounds as she moaned and gasped. Since the sound was low and there was no one else in the house, I could hear occasional gasps and short moans—coming from mom.

Staying there, I concentrated on mom's sounds. I left my hard cock alone until it gave up and softened completely. We had thoughtfully interleaved the cock sucking and ass fucking all over the tape so it would not be boring. Judging by her sounds of pleasure, mom obviously liked our production.

Mom timed her first orgasm with Alex and my first mutual orgasm when I first filled Alex's ass with come. She continued to watch the rest of the tape after she came. I listened intently as she came three more times, twice of which when I came in Alex's thirsty mouth. She was halfway through the tape. That was great. When she was about to come for the fifth time, I knocked at the door, taking her by surprise. The television muted in a few seconds.

"Who is it?" mom croaked.

"It's me: Nick," I answered.

"Come in," she called after a few seconds of silence.

When I entered, I noticed that the camera was attached to the television. I also noticed in the corner of my eye her bra and panties tossed on the far corner of the bed. When I looked at her, I confirmed that she was not wearing anything under her dress. Her lush tits were clearly outlined by the thin fabric. She was obviously horny and frustrated—just like I wanted her.

"Can I talk with you for a few minutes?" I asked.

"Yes, sure," she said, trying to hide her frustration.

"I did not interrupt your nap, did I?" I asked.

"Oh, no," she said. "It's okay. I was just lying back."

"I can come back later if you want," I said, acting polite.

"No, it's okay," she said. "Go ahead."

"I am not sure how to start," I said, hesitating. "It's embarrassing. I am not even sure I can talk with you about it...but I really don't know whom else to talk to."

She got very alert, curious and concerned at that.

"You can talk about anything with me," she assured.

"It's very personal," I said.

"I am listening," she said with concern.

"It has to do with my relationship with girls," I said.

She relaxed a little as I said that.

"What about your relationship with girls, honey?" she asked softly.

"I think I may have a problem," I said.

"What problem?" she asked.

"During foreplay my sex organ leaks too much," I said. "I am not sure it's okay."

"Why don't you see a doctor?" she asked.

"I feel too embarrassed to do that," I said. "I am not sure a doctor can even see how it happens."

She thought about it for a few seconds silently.

“Show me your thing,” she finally said.

I hesitantly pulled down my pants and exposed myself.

“Stroke it and show me,” she said.

I stroked my cock to full hardness. When she saw my hard cock, she gave me a strange look. She probably was surprised how similar to the cock that she had just been watching on tape. She apparently dismissed that thought and looked back at my cock.

“I don’t see anything wrong with it,” she said. “It’s not leaking.”

“Someone else has to stroke it,” I said. “Predictable strokes don’t work—just like tickling.”

“So, what do we do now?” she asked, raising her eyebrows.

“Stroke it a little,” I said.

She looked at me with wide eyes.

“What else can I do?” I said. “Can I tell a doctor to play with it or lick it? Please!”

“I guess I can do that a little,” she said, reaching for my pulsing cock.

“It’s so thick...and hard,” she said, wrapping her hand around the middle of my shaft.

“Sometimes girls are too afraid of its thickness,” I said. “That’s another problem though.”

“Little do they know that thicker is better,” she said, stroking my cock. “When they try it, they know.”

“Do you think so?” I said.

“Of course,” she said. “Women love to get stretched. They really feel it when it’s thick.”

She was obviously more outgoing due to her horny state.

“It’s usually a little hard to get them to try it,” I said. “They sometimes feel intimidated by it.”

“You have to give them some time,” she said. “Young girls don’t have enough experience.”

“I know,” I said, “They are especially afraid when it comes to anal sex.”

“Anal sex?” she said, looking up at me in shock. “Do you put this in their back holes?”

“It’s not easy,” I said, “but sometimes I manage to do it.”

“I’ve been having anal sex for over twenty years, but I’ve never had something this thick up my butt,” she said. “I am not even sure I can.”

“When I do it, I have to lick and finger their butt holes for a long time,” I said.

“You lick their butt holes?” she asked in shock.

“I have to,” I said. “Otherwise, they’d never let me do that to them.”

“Interesting!” she said. “I have never had anyone lick me back there.”

“It seems very relaxing to the anal ring,” I said.

“Do you like doing it?” she asked.

“Yes, as long as the girl enjoys it,” I said.

“Do they enjoy it?” she asked curiously.

“Apparently very much,” I said.

“Anyway, back to the issue at hand, so to speak,” she said. “I only see one drop. That’s normal.”

While we talked and she stroked my cock, I slowly but surely moved my cock closer to her face. My cock head was finally an inch or two away from her lips. I could feel her breath on it.

“Lick the head a little,” I said.

“Nick!” she glared, giving me a fierce look.

“Please, mom,” I said. “We are almost there.”

The look in her eyes softened, and she lowered her gaze to my cock. Leaning a little forward, she stuck her tongue out and licked the clear drop off my cock head, making my cock twitch. She proceeded to lick my cock head playfully and tease it with her tongue tip. Her wet pussy must have been in control of her mind. Her tongue worked all over my cock head.

Holding the back of her head gently, I slowly pulled her closer to my cock. Her lips finally touched my cock head. Her tongue continued to tease me.

"Suck the head," I said softly, pulling her head further into my cock.

She obediently took my cock head past her lips and started to nurse it while her tongue continued to play with it. My cock twitched between her lips. In a minute, she sucked my cock in deeper and started to work her lips back and forth gently. In a few minutes, she was working her lips all along my shaft, and I was thrusting gently to meet her strokes, my hand still holding the back of her head. My cock leaked generously in her mouth, and she seemed to enjoy it, sucking it eagerly.

"You really know how to do it," I said. "I've never had a girl suck me so expertly."

She just moaned over my cock, acknowledging the compliment.

"You are much better than the best cocksucker I've ever had," I said.

She moaned, sucking me more eagerly as I thrust in her mouth.

"You are so hot," I said, thrusting harder. "You must be the best cocksucker in the world."

She sucked my cock wildly, and I fucked back with equal fervor.

We settled into a nice rhythm. I fucked her throat smoothly, and she met my every thrust with precise timing and persistent eagerness. We both immensely enjoyed our mutually thrilling blowjob. After a few blissful minutes, I gently slowed down her head to a stop while continuing to fuck her mouth deeply. I let go of her head and fucked her mouth, changing my rhythm frequently. She sucked eagerly.

Since she was obviously in a very playful mood, I started to take my cock out and slap her face with it a few times before pushing it back in her mouth. She liked that. I also occasionally rubbed my sticky cock over her face and tapped its head against her lower lip.

"Get down on your knees," I said as I pushed my cock all the way down her throat and held the back of her head firmly to keep it that way while she complied.

She did not show any hesitation in carrying out my instruction.

"That's it," I said, releasing her head. "Hold my butt and suck my cock like a good girl."

After a minute or two of hard cock sucking, she took my cock out and slapped her face with it, looking up at me happily like a little puppy wagging its tail.

"Can you feel how it leaks in your mouth?" I asked as she let my cock fuck her throat devotedly.

She moaned in acknowledgement.

"Do you like it?" I teased.

She moaned again.

"Get on your forearms and knees on the bed," I said, holding her face against my pubes.

I helped her comply with my free hand, and she resumed sucking my cock as I thrust back. Leaning forward, I supported myself with my left hand and hiked her dress, exposing her bare ass, with my right.

"You are not wearing panties, you naughty girl," I teased.

She continued to suck my cock eagerly, occasionally making pleasure sounds.

"You deserve a little spanking," I said, slapping her ass playfully.

She did not object, and I proceeded to slap her ass repeatedly. She continued to suck my cock happily as my smacks slowly but constantly increased in strength.

"This will teach you a lesson not to expose your gorgeous ass," I finally said, straightening her dress.

I let her suck my cock at her own pace for a few more minutes.

"Lie on your back," I said, holding her head to my crotch.

She lay back, and I extended my right leg astride her. I gently fucked her throat for a minute before I knelt astride her chest and fucked her mouth harder for a few more minutes. I slapped her face with my cock several times. She stuck her tongue out, and I let her tease my cock head with it.

We played in that position a little more before I rearranged her so her head hung off the edge of the bed. I fucked her throat while crouched on the floor and leaning over her body. While thrusting in her mouth, I fondled her tits,

which were only covered by her thin dress. The thin fabric outlined her erect nipples, so I pinched them and twisted them playfully.

She lifted her butt as I pulled her dress up over her hips. She spread her legs obscenely before I pulled them over her head on either side of me and had her hold them. Her splayed ass and dripping pussy were totally bald and utterly exposed, especially as I leaned further forward. I spanked her cheeks lightly a few times. In the following minutes, I alternated between spanking and fondling her ass.

“You are so beautiful,” I said, lowering my mouth to her ass.

I pecked her asshole, making her gasp. I gave her a kiss on her drenched pussy that made her shudder.

“You taste delicious too,” I said, getting off her.

I pecked her lips before I silently helped her kneel down on the floor and pushed my cock in her face.

“I am going to come,” I said when we established a brisk rhythm. “Are you ready to swallow it all?”

She groaned greedily, sucking my cock harder.

After a minute of her ravenous cock sucking, my cock swelled and started to twitch. She pursed her lips tightly around the neck of my cock and used her hand to jerk the rest of my pulsing shaft. My cock shook as it spurted powerful jets of thick come against the back of her throat. She sucked and swallowed devotedly, not letting a drop escape her tight lips. She continued to suck and milk my cock, completely draining my balls. She finally let my soft cock slip out of her mouth and smiled at me.

“Wow!” I exclaimed. “You have the skill of a high priced whore and the zeal of a teenage slut.”

I bent down and gave her a quick kiss on her sticky mouth.

“You are not going to get away with that though,” I said, helping her onto the bed. “I am going to make you come in my mouth just like you made me come in yours.”

She did not resist as I pushed her back onto the bed and raised her legs.

“We shouldn’t do this,” she giggled, pulling her legs back lewdly.

“I know,” I said, “but I can’t resist a wet needy pussy this gorgeous and tasty.”

She had cute, tight orifices, but I did not intend to leave them that way. My cock started to harden.

“Your asshole is so pretty,” I said, gently spreading her ass. “It’s about time it had a royal rimming.”

She shuddered when my tongue tip tickled her anal pucker. She gasped constantly as my tongue continued to tease and explore her clenching asshole. It took her asshole a few minutes to get used to the new sensations and open up warmly. Her asshole continued to relax encouragingly as my tongue insistently worked on it. Within several minutes, my tongue tip was probing her asshole which nibbled at it eagerly.

Not being a virgin, her asshole knew how to open up wider and wider as my tongue pushed deeper and deeper. Taking my tongue off her asshole, I effortlessly pushed my middle finger all the way in. I finger fucked her milking asshole gently as I gave her drenched pussy a slow, deep kiss. Breaking the kiss, I slowly withdrew my finger out of her ass. I looked in her eyes as I sucked my finger, savoring her flavor.

“Your asshole tastes so good,” I said.

I returned my finger to her ass and used it to ream her out wider. Her asshole loosened up, and I replaced my finger with my tongue. I had her suck my finger as I pushed my tongue deeper in her ass. I returned my hand to her ass and proceeded to tongue fuck her asshole while holding her cheeks apart. She moaned and gasped happily as I thrust my tongue in her ass repeatedly.

She held her knees tightly against her chest to give me maximum access to her horny asshole. It took my relentless tongue attack about five minutes to make her come. I continued to fuck her ass with my tongue while she shook in the throes of her first oral anal orgasm.

When she went limp, I gave her asshole a long tongue kiss then smoothly replaced my tongue with two fingers. I bent over her, and we had a long kiss, which was deep and demanding. My fingers were still in her ass as we kissed, allowing our tongues to wrestle playfully. I made sure my hard cock rubbed against her drenched pussy while we shared our first kiss.

“Do you have lube?” I asked, finally breaking the kiss. “I want to play with your amazing ass more.”

“Yes,” she gasped, as my cock continued to lie along her wet pussy. “It’s in that drawer.”

As I extended my hand to the drawer, I slowly pulled my cock over her pussy, letting my cock head slide along her wet pussy from top to bottom. I gently pumped my fingers within her ass while I retrieved the lube. I gave her heated pussy a nice deep kiss before I squeezed lube onto her asshole and my fingers. I carefully worked a generous amount of lube inside her ass, lubing my fingers thickly in the process.

Returning my mouth to her pussy, I kissed her pussy deeply as I worked my fingers slowly in and out of her asshole and swirled them around to loosen her up further. I tongue fucked her pussy in the same rhythm I finger fucked her ass. When she was close to orgasm, I popped a third finger up her ass. Removing my tongue from her pussy, I used my three fingers to fuck her ass through her orgasm.

Adding lube to my fingers, I pumped her ass for a few more minutes. She soon was able to take my three fingers all the way in and out of her ass easily and joyfully. I used my free hand to lube my cock, which was rock hard. Her eyes were closed, and happiness filled her face.

Standing up, I removed my fingers from her ass. Instead of putting them back in, I easily popped my cock head past her sphincter. She grunted softly and opened her eyes. I smiled at her as her asshole clenched around my cock.

"What are you doing?" she protested weakly.

"I can't resist your wonderful asshole," I said, my cock pulsing. "Can't you see how it accepted my cock head eagerly and clamped at it possessively?"

"Yes," she moaned weakly, "but we shouldn't be doing this."

"Maybe we should," I said. "Do you want me to take it out?"

Teasing her clit with my thumb, I gently thrust in her ass while I waited for her answer. She gasped softly, and her asshole involuntarily milked my cock.

"You have already put it in," she cooed, gasping. "I can't let you take it out prematurely."

"Do you want me to do it to you?" I teased.

"Yes, baby," she cooed. "Do it to me."

"You have to be more explicit," I said. "What do you want me to do to you?"

"I want you to fuck my ass silly...with your big hard cock," she said lewdly.

"You got it," I said, sliding deeper in her asshole, which had relaxed by then.

She gasped and grunted a few times as I patiently pushed my cock all the way up her ass. I leaned forward and fucked her ass gently for a couple of minutes, getting her used to my thickness. When she was comfortable with it, I picked up the pace.

"You are so hot and pretty," I said. "I want to fuck you like you have never been fucked before."

"Yes, yes," she hissed. "That's what I want you to do."

"You like my cock in your ass, don't you?" I teased, using long strokes.

"Yes, baby," she said. "It's so filling and fulfilling."

"I am going to fuck you like a cheap whore," I said, making her shudder. "Do you want me to?"

"Yes, yes," she hissed, shuddering again.

"You are so depraved," I said. "You must be the hottest anal slut in the country."

"Flattery will get you everywhere," she smiled.

"I don't want to go anywhere," I said. "I want to stay where I am, fucking the sexiest woman in the world in every horny hole in her gorgeous body forever and ever."

"I am all yours, baby," she gasped. "Use me any way you want; that's what I was made for, I guess."

"I will, I will," I said.

For the following several minutes you could only hear gasping, moaning, grunting and flesh slapping sounds as I fucked her ass in a precise rhythm. I enjoyed the way her talented asshole sucked and massaged my entire shaft. Our pace continued to quicken as her orgasm approached persistently. Pinning her underneath me, I drilled her shaking frame throughout her wild orgasm.

Pulling her up, I thrust my cock in her face. She sucked me for a few minutes before I pushed her onto her back and resumed fucking her ass through another wild orgasm.

As she panted for air, I rolled her onto her left side. While I fucked her gently, I unzipped the back of her dress and helped her pulled it down below her tits. I fondled her lush tits and teased her erect nipples while picking up the pace. A few minutes later, she was coming again as I pounded her twitching asshole.

Before she could catch her breath, I helped her onto her hands and knees, making her thrust her ass way out. Holding her heavy but firm tits, I proceeded to fuck her ass. This position allowed her to fuck back energetically, making louder flesh slapping sounds through her next violent orgasm. While still holding her tits, I pulled her up, and we kissed lewdly while we continued to thrust into each other.

We got her ass fucked through a few more orgasms before she was again on her back receiving another deep anal plugging. She had hardly finished coming when I slid my cock into her drenched pussy like a hot knife in butter. She shuddered and came again as I drilled her gushing pussy into stupor. Before she knew it, I was back fucking her hot ass.

From then on, I switched my cock between her pussy, asshole and mouth regularly. She was so relaxed I could effortlessly push my cock balls deep in any of her holes. Her asshole gaped whenever she spread her ass, inviting me to give it a deep kiss and drool inside it before stuffing it again with my hard shaft. About an hour later, I was ready to fill her pussy with come.

"I am going to come," I warned thrusting hard in her pussy. "Is your pussy ready?"

"Yes, yes," she gasped.

"Do you want to eat my come out of your pussy?" I said.

"You are so wicked," she moaned.

"Don't you want me to use you any way I wish?" I said.

"Of course, baby," she gasped. "That's what I want you to do."

True to her promise, as soon as I pulled my softening cock out of her pussy, she proceeded to scoop my come out of her pussy and eat it off her fingers.

"Let's sixty-nine," I said. "I want to do the same to your hot ass."

While she sucked my cock back to life, I ate her pussy through orgasm and tongue fucked her ass to extreme heat. I let her ride my cock with her pussy and ass at her own pace for about an hour. She came several times and was ready for me to fuck her silly. I made her ass gape widely before I dumped a hefty load deep inside her twitching rectum. She did not hesitate to reach back and eat all that come out of her sated asshole.

"Have you done any of this to your sister?" she asked as we rested, lying next to each other.

"I've fucked her mouth and ass," I said. "I rarely do her pussy. I only do it to make her know she's all mine."

"You have turned your sister into a slut for your big cock?" she said.

"You can say that," I said.

"What about her boyfriend?" she asked.

"She thought he was a jerk," I said. "So she dumped him after she tried me a few times."

"Now she is without a boyfriend?" she said.

"She is taking her time looking for one," I said. "She's in no hurry as long as I am available."

"She's a good kid," she said. "Take good care of her."

"Sure," I said. "I fuck her just like I fuck you, but she isn't anywhere as talented as you are."

"She's still a kid," she said. "Fuck her good, and see how she gets."

"I can see she's getting better with every fuck," I said. "That's why I don't miss a chance to fuck her."

"You want to make her a slut like her mom?" she teased.

"That would be wonderful," I smiled.

She had been stroking my cock absentmindedly, and it got hard.

"Would you miss a chance to fuck *me*?" she teased.

"Of course not," I said.

"What are you going to do now?" she teased.

"Roll over and let me show you," I said.

I licked her asshole for a few minutes, making her squirm, before I straddled her ass and pushed my cock into her willing asshole. Within the following hour, we enjoyed a long, slow ass fuck. I held my cock balls deep in her ass, and she milked it lovingly as we thrust gently into each other. In the end, I made her come and let her twitching asshole suck my come load.

She cleaned my cock with her mouth, and we had a nice long kiss before I left. Dad returned home a few minutes after I got out of the shower.

That evening, I was very happy for recruiting mom for my evil cause. I wanted to celebrate with Alex, so I did not let her drop to her knees and suck my cock when she came to my room for our nightly tryst. Instead, I sat her next to me, and we proceeded to kiss. We had rarely kissed before, but this time we kissed for a long time. We started slow and progressed into hot, deep kissing.

While we kissed, I lowered her dress, exposing her tits. I fondled her tits and pinched her nipples for a few minutes. I let my left hand start at her left knee and climb slowly towards her crotch. Soon my middle finger was sliding rhythmically in and out of her wet pussy, making her moan into my mouth. I used my right hand to hike her dress to her waist. She cooperated, raising her hips off the bed one and then the other.

While one middle finger fucked her pussy, the other massaged her asshole gently. Soon I had both fingers pumping her holes. I finger fucked her pussy and asshole through her first orgasm. We continued to kiss lewdly while her nether orifices twitched wildly around my fingers.

When her happy holes relaxed, I removed my finger from her ass and put it in her mouth. While she sucked it, I pushed her onto her back. I removed my finger from her mouth and used my right hand to raise her legs up. I passed her left knee under my left armpit to keep my finger in her pussy while giving myself better access to both her holes by getting to her holes from under her legs. I guided her right hand to hold her legs up and guided her left hand to my crotch. She fished out my hardening cock and balls out of the leg opening of my boxers and proceeded to play with them while I alternated my mouth between her erect nipples. Meanwhile, I fingered her pussy and transferred juices down to her asshole. I soon had one finger working either horny hole. I fondled her tits and sucked her nipples while finger fucking her nether holes through another wild orgasm.

By then, my cock was rock hard. I had her suck my sticky fingers before I straddled her chest and pushed my cock between her lips. I fucked her eager throat for several minutes. I turned around, pivoting around my cock, and lowered my mouth to her pussy in the sixty-nine position. She pulled her knees up and back to give me unlimited access to her holes. I fucked her throat gently while licking and fingering both her holes through a new orgasm. I fingered her asshole while I licked and sucked her drenched pussy dry.

Rolling us over, I had her get on top, and we resumed our sixty-nine. She bobbed her head over my cock, letting me fuck her throat deeply while I ate her pussy and asshole through a hard orgasm. When she came, my tongue was halfway up her twitching asshole. I licked her clean and helped her straddle me in the cowgirl position. She guided my cock to her pussy and plunked herself all the way down, gasping.

"You know, I think it is more appropriate for me to fuck your pussy than to come inside it," I said.

"I think it's more appropriate for you to fuck my pussy *and* come inside it," she said, bouncing on my cock. "I am your little slut; you can fuck me in every conceivable way, and that's how I want it."

"That's my girl," I said, slipping two fingers up her hot ass.

We kissed passionately while her pussy swallowed my cock repeatedly and her asshole did the same to my two fingers. That was the first time I fucked her in her pussy, and it was very hot for both of us. When her gushing pussy finished bathing my cock with copious juices a few minutes later, she reached underneath herself and moved my cock to her ass. She gasped and smiled when my cock head popped past her willing sphincter. She gasped again as she shoved her ass all the way down my shaft.

"I can't believe how your tight little asshole can take my thick cock balls deep," I said.

"Me neither," she said. "The orgasms that gives me are even more unbelievable."

"I am so glad my cock hungry little sister has become my anal whore," I said.

"Me too," she said.

She rode my cock, and I sucked her tits until she came. When her violent orgasm died, I turned her around and cleaned her drenched pussy with my tongue while she deep throat my cock. I tongue fucked her responsive asshole to orgasm before I returned my cock to her drenched pussy.

When she came, I rolled her over onto her back and moved my dripping cock to her willing asshole. With her knees pinned against her chest, I pumped her asshole through a gut-wrenching orgasm. When she caught her breath, I put my cock in her pussy. I fucked her to orgasm and then returned my cock to her ass. I pounded her ass through a long wild orgasm.

Before she stopped gasping, I was astride her chest, thrusting my cock down her throat. After a few minutes of that, I arranged her on her hands and knees and pushed my cock into her ass. When she finished coming, I pushed her shoulders down and guided her hands to her ass so she could spread her cheeks.

My cock popped out of her asshole, and I drooled generously inside her open rectum. Bending down over her gaping orifice, I proceeded to kiss and lick it. I probed and tongue fucked her asshole while constantly drooling inside it. After a little while, I shoved my cock into her pussy. She gasped, and her asshole clenched almost shut. I drooled on her startled hole and then pushed my dripping cock into it. She grunted as I opened her asshole up again. She was soon bucking her ass back as I vigorously put my cock to her through a wild orgasm.

She was still coming when my cock swelled and started to twitch, pumping her sucking rectum with thick come. Holding her ass tightly, I slammed my cock a few times deep in her ass, delivering my come deep inside her bowels. I moved her hands off her ass and had her use them to raise herself up. As my cock softened, she squeezed her asshole tightly. I slowly removed my cock from her asshole, leaving it shut but very relaxed.

Sliding under her, I pulled her drenched pussy to my mouth as she lowered her mouth to my sticky cock. She cleaned up my cock while I lapped up her copious pussy juices.

"Eat my come out of your ass, my little whore," I said, guiding her right hand to her asshole.

Spreading her ass for her, I resumed licking her pussy. She moaned around my cock while she delved inside her ass with her fingers. When she finished eating my come out of her ass, I started to alternate my tongue between her pussy and asshole, readying her for our next round as my cock hardened in her mouth.

We started the next round with her on her left side. I knelt next to her ass and pushed my cock past her sphincter. I fucked her ass through a hard orgasm and then her drenched pussy through another. As I moved my cock back to her ass, I lay on my side behind her. We had a very energetic fuck, thrusting into each other vigorously and making audible flesh-slapping sounds. I fucked her ass through a few orgasms and then her pussy through one.

Standing on the floor, I had her kneel before me and suck my sticky cock for a few minutes. I held the back of her head and fucked her throat for a few more minutes. After slapping her face with my hard cock a few times, I arranged her upside down in the pile driver position next to the bed. Her ass was stuck up, utterly exposing her horny holes, but I also had her pull her cheeks apart.

Spitting on her asshole, I massaged it with my cock head. I proceeded to fuck her asshole, hammering my cock deep into her from above. I switched my cock between her asshole and pussy frequently, making both her fuck holes gape lewdly. She came several times, helping soak her asshole with her pussy juices.

"Spread your cheeks very wide," I grunted as I felt my cock swell. "Open your mouth too."

My cock twitched, spurring the first come jet into her rectum. I yanked my cock out, allowing it to spurt another jet into her open rectum, and shot a come jet into her gaping pussy. I shot the rest into and around her open mouth. I lowered my cock to her mouth so she could clean it.

"Now eat it all," I instructed, guiding one of her hands to her open holes.

Later, we moved to the bed and sixty-nined. She came in my mouth while she sucked me back to life. I fucked her pussy and then her ass in the reverse cowgirl position. I spread her ass for her and let her bounce like a champion, letting her come twice.

After she caught her breath, I maneuvered us into standing on the floor without letting my cock pop out of her ass. Holding her hips tightly, I walked us to the door.

"What are you doing?" she asked when I opened the door.

"Keep silent," I said. "We are going to your room."

"What if someone saw us?" she asked worriedly.

"No one will," I said.

We walked slowly to her room, my hard cock jerking randomly in and out of her ass. In her room, I arranged her on her knees on her bed and resumed thrusting in her ass vigorously. When she finished coming, I cleaned her drenched pussy with my tongue. I laid her in her bed under the covers and swung my leg astride her, pushing my cock in her face. She did not hesitate to suck my cock, and I thrust in her mouth rhythmically.

“Make me come,” I instructed, thrusting harder in her mouth.

Several minutes later, my cock swelled and started pumping come down her throat. She sucked hard, swallowing it all up. She continued to suck until my cock became completely limp.

“So what was up with you tonight?” she asked, still smacking her sticky lips. “This was the wildest fuck you’ve ever given me. You didn’t even fuck me this madly on our first time.”

“On our first time, you were not ready for this kind of fuck,” I said. “I was just feeling good, and I thought I’d share my happiness with my horny sister.”

“Anything special?” she asked.

“Yes,” I said as I left. “I’ll see you tomorrow. Have nice dreams.”

Having slept like a baby, I woke up a little late in the morning. Dad and Alex were already gone. After my morning shower, I went to the kitchen for food. Mom was there, preparing a late breakfast. She was wearing a very short sleeveless dress with a low back. When she heard my footsteps, she turned around, showing me that her deep cleavage was put on display.

“Good morning, mom,” I greeted. “You look so gorgeous. I’ve never seen you wearing something this sexy.”

“Do you like it?” she teased.

“Of course,” I said. “It almost shows how pretty my mom really is.”

“I have never worn this dress before,” she smiled. “I am wearing it just for you.”

“You must be the hottest mom in the world,” I said, taking her in my arms. “Give me a kiss.”

Our kiss was very long and deep. It heated up quickly. While we explored each other’s mouth with our tongues, we ground our crotches together. My cock hardened quickly, especially since I discovered that she was not wearing anything under her dress. I could feel her fat nipples harden as I fondled her thinly covered tits. I also fondled her ass, crushing her hot pussy into my hard bulge.

“I like the way you kiss,” she gasped when we broke the kiss. “You almost made me come.”

“I don’t want you to come yet,” I said, nudging her shoulders down.

She squatted before me and lowered my shorts and boxers below my knees, letting my hard cock pop in her face. She pounced on my cock and proceeded to suck it. Holding my butt, she deep throated me wonderfully for several minutes. We slapped her face with my sticky cock several times in the course of that delightful blowjob.

When she got up, I bent her over the kitchen table and hiked her dress, exposing her ass and wet pussy. She moaned as my bulbous cock head pushed her pussy lips apart and slowly slid all the way into her pussy. Holding her tits through her thin top, I fucked her through a hard orgasm. We kissed while I ground my cock gently into her drenched pussy.

Pulling away from her, I laid her on her back on the table and had her pull her knees to her chest, obscenely exposing her pussy and asshole. I stood next to her head, allowing her to take my dripping cock in her eager mouth. She sucked my cock while I gently but deeply thrust in her mouth.

After she finished cleaning my cock, I sat on a chair at the end of the table where her ass was offered. Guiding her hands to her ass, I had her spread her cheeks as I went for her drenched pussy. She moaned, gasped and squirmed as my tongue and lips teased, massaged and sucked her clit and pussy lips. Pulling down the straps of her dress, I exposed her tits. I fondled her tits and pulled on her erect nipples while I made her gush in my mouth three times. I thirstily drank her delicious pussy juices, sucking her dry.

“Your asshole must be so mad at me for letting it alone all this time,” I said, pulling my sticky lips from her happy pussy.

“Of course not,” she said. “If you knew how much my asshole loves you, you wouldn’t say that.”

“How much does it love me?” I asked before I spread her cheeks and gave her asshole a light kiss.

“My asshole will never forget its first kiss,” she gasped as I licked her asshole. “Can’t you feel how eagerly it responds to your wicked tongue?”

“Of course, I can feel it,” I said, drooling on her asshole.

“The longer you are away, the more desire and hunger it has for you,” she gasped as I probed her asshole with my fingertip. “Its hunger for you will never turn to anger.”

“Not only is your little asshole so pretty and tasty,” I said as her asshole nibbled at my fingertip, “but it’s also so loving. I love it so much more for it.”

“My asshole knows you deserve its big love,” she moaned, her asshole accepting my finger deeper.

“I am going to fuck it like I don’t fuck your mouth or pussy,” I said, working my finger all the way up her receptive asshole. “I am going to fuck it until it gapes wide, and I am going to quench its thirst with loads of my hot, thick come. How would it like that?”

“It would love that a lot,” she gasped.

“You know, I can actually read its answer with my finger,” I said. “The way your asshole twitches gives away its true feelings.”

I retrieved a stick of butter from the fridge and used it to lube her asshole. She gasped at the cold feeling, but soon she got used to it. I thoroughly fucked her asshole with the butter stick and then used it to grease my shaft. When I was done, I returned it to the fridge for later use.

Adjusting the angle of contact so my cock head would not slip, I touched it to the center of her asshole and applied gentle pressure. Her asshole dilated slowly and allowed my cock head to pop right in. She gasped at the sudden pop. I paused for a few seconds, allowing my cock and her asshole to get used to each other and get ready for what lies ahead.

Soon I used short thrusts to work my cock balls deep up her ass. Her asshole relaxed quickly, getting ready for longer and harder strokes. Her empty pussy drooled happily, winking continuously. I occasionally popped my cock out and wiped her dripping pussy with its head, making her gasp, before putting it back in her impatient asshole.

After her first orgasm, instead of wiping her pussy with my cock head, I frequently shoved my cock in her drenched pussy and thrust a few times before returning my slick cock to her asshole after it had tightened up a little. After her second orgasm, I licked her pussy clean. I brought my cock to her mouth and fucked her throat for a few minutes, flooding her mouth with come at the end. I left my cock in her mouth until she got it hard again.

With her face on the floor and her ass stuck up in the leapfrog position, I fucked her through two orgasms, one in her pussy and one in her ass. Afterwards, we toured the house, fucking her every hole in every room, every bed, every couch, on the stairs and looking out of every window. When we got to her bed, I filled her pussy with come and she ate it out. We ended in my room and my bed.

We spent a couple of hours in my bed, fucking in every position we could think of. I dumped a come load in each of her ever-thirsty holes. By the time I pulled my spent cock out of her mouth, we were hungry. Our late breakfast turned into a late lunch.

For the following several days, I managed to fuck mom in the morning and Alex in the evening. Each one of them had a distinct delicious flavor. Although mom was over twenty years older than Alex, she was neither less hungry for my cock nor less depraved. As soon as I finished fucking one, I was looking forward to fucking the other.

During those couple of happy weeks, I got to fuck mom and Alex anytime, anywhere and anyhow I wanted. Mom knew that I was fucking Alex, but Alex did not know that I was fucking mom. Mom never got in my way, but we had to sneak around Alex occasionally.

One Saturday, dad was out all day, and the rest of us were lounging in the living room, watching television. Mom was on my right and Alex was on my left, my arms draped around their shoulders. As usual, neither was wearing any underwear.

“Suck my cock,” I quietly whispered in mom’s ear, leaning toward her.

“Now?” she whispered back in a voice that was audible to Alex.

I nodded silently.

“Before Alex?” she whispered again.

I nodded again.

“You are crazy,” she said in mock seriousness before she broke into a mischievous smile.

Alex watched puzzled as mom knelt before me and proceeded to pull down my loose shorts, under which I did not bother with any underwear.

“Mom, what are you doing?” asked Alex as I lifted my ass and my hardening cock jumped out.

“Hush!” mom said, sternly looking at Alex as she finished pulling my shorts off. “Watch!”

“What is going on?” asked Alex again as mom held my shaft and stroked it a few times.

Mom gave Alex another firm glare before she lowered her head, taking half my cock in her mouth. By the time I put my left hand on Alex's right knee, my cock had disappeared in mom's mouth.

"You, guys, are crazy," Alex said.

"Spread your knees," I said to Alex, sliding my hand up her right inner thigh.

She did not hesitate much before she complied.

Alex was soon moaning as I teased her clit and probed her moistening pussy while mom devoured my cock, moaning and making happy cock sucking sounds. Mom sucked my cock with extreme hunger while I fingered Alex's wet pussy into a hard orgasm. By then, Alex had slid down the sofa, bringing her pussy to the edge. I made her suck my dripping fingers.

"Mom, eat her pussy," I instructed, shocking both of them.

"No," mom said. "You can't do that to me."

Her voice was not very convincing though.

"Yes, I can," I said, motioning mom with my head to go ahead.

"I am not sure I want to do that either," Alex said.

"She'll help you make up your mind," I said as mom took her position between Alex's legs.

Alex cringed as she felt mom's tongue tentatively toy with her pussy, but soon I was crouching astride her and pushing my cock in her mouth. Both took a minute or two to get used to the new experience. Alex started to moan around my cock and thrust her pussy into mom's eager mouth.

I fucked Alex's throat until she had a good orgasm in mom's mouth. I gave mom enough time to clean Alex's drenched pussy before I dismounted Alex. I pushed Alex's legs over her head as I knelt behind mom. Alex pulled her legs back with her hands, exposing both her fuck holes. I hiked mom's skimpy dress exposing her ass.

"Lick her asshole, mom," I instructed, thrusting my cock into mom's wet pussy and making her gasp. "Get it ready for my cock."

"You are not serious," mom protested.

"Oh, yes," I said, fucking her deep. "I am going after every hole of both of you. Eat her, and she'll eat you. I am not going to make you come until you make her."

My deep thrusts in mom's drenched pussy helped make up her mind. It turned out easy for mom to make Alex come by sucking and tongue fucking her ass. Neither was it hard for me to make mom come on my cock seconds after Alex came in her mouth. I thrust gently in mom's sodden cunt while she cleaned Alex's with her tongue.

"Now you get to ride her face," I said to mom, pulling out of her pussy.

As soon as mom took her position astride Alex's head, I pushed my dripping cock into Alex's pussy, making her moan into mom's pussy.

"Take good care of her hot pussy," I instructed. "I made it so juicy for you. Make her come, and come."

Alex mumbled something into mom's pussy.

Alex was soon bathing my cock in her copious pussy juices. I removed my cock from her drenched pussy and soaked two fingers in it. As I resumed fucking Alex, I used my slick fingers on mom's ass. Mom went nuts, riding Alex's tongue wildly, as I finger fucked her asshole with two fingers. I let mom come twice in Alex's mouth, making Alex come as many times.

"Mom, turn around so she can eat your asshole," I instructed as I removed my fingers from her ass.

While mom adjusted her position, I let Alex suck my fingers, giving her a sneak preview of her mother's anal taste. As Alex familiarized herself with mom's asshole, I pulled mom's head and shoved my dripping cock down her throat. She fingered Alex's pussy while she sucked my cock.

When mom started to moan and thrust her ass into Alex's mouth eagerly, I took my cock out of her mouth, allowing her to moan and gasp freely while I fucked Alex through another orgasm. Alex's tongue took to mom's asshole like a duck to water, making her come quickly. I made Alex come immediately.

"Mom, set your lovely ass on my cock," I said as I sat on the sofa. "Let's make you come in Alex's mouth again and again. I think she likes it."

"Sure," mom said, moving off Alex's face.

She straddled me, facing away. I steadied her as she held the base of my slick cock, aiming its head at her asshole. I spread her cheeks, and she took her sweet time swallowing my entire cock up her ass. She bounced gently at first. She picked up the pace as her asshole relaxed and got used to the wide stretch and deep penetration. Alex's tongue was already dancing on and in mom's dripping pussy.

Mom rode me through two wild orgasms. Alex's eager mouth drank her gushing juices to the last drop. Alex sucked my cock after both mom's orgasms. I helped mom off my cock, and Alex took her position on my cock.

After Alex came twice in mom's mouth, I helped her off my cock. She and mom took turns sucking my cock. I lay on the carpet, and they took turns riding my cock and tongue, trading places after each orgasm. Next, I let them sixty-nine and fucked whichever ass was sticking up in the air, rolling them over after each fuck. I allowed the one underneath to pop my cock out of the other's asshole occasionally and suck it. I later arranged them on their faces and knees in the leapfrog position and fucked them silly, switching my cock back and forth between their pussies and assholes. After I split my come load between their asses, I let them eat my come out of each other's gaping ass.

We moved to the master bedroom, where we fucked wildly into the evening. We could hardly shower before dad was home. The three of us had orgies often when dad was out. I also often got to fuck each of them separately.

Mom used to have me all to herself on Mondays. We would fuck for hours usually in her bed. She was on her knees, her left cheek pressed into the covers as I hammered her happy asshole from above. It was a wild fuck. She moaned and groaned continuously, and we made loud flesh slapping sounds. I suddenly felt I was being watched. Looking over my left shoulder, I saw dad. I froze.

"Fuck me, don't stop," mom shouted, oblivious to dad's presence. "Fuck my ass hard, baby."

Just as I noticed that dad was holding his hard cock and stroking it, he motioned me to go ahead, signaling me not to announce his presence. Mom resumed moaning and groaning when I resumed drilling her bucking ass.

"Wouldn't you love it if dad would approve of our relationship and watch us go at it like sex maniacs?" I teased mom, winking at dad, who stroked his hard cock happily.

"Sure," mom moaned. "I don't think your dad would be that understanding though."

"Wouldn't that be cool though?" I said, motioning dad to spread her ass.

Taking my hands off her ass, I allowed dad to take over.

"Of course," mom said.

"Imagine it was his hands spreading your horny ass for me," I said.

As soon as I said that, she started to come. I pounded her twitching ass vigorously as dad opened it wide for me. She caught her breath, and we settled into an easy pace. Dad used one hand to spread her ass and the other to stroke his cock. I held her waist with my right hand. When she was close to orgasm, he guided her left hand to his cock. Just before her left hand touched his cock, I gripped both her hips and fucked her hard. She froze when she felt another cock in her hand. She looked over her shoulder and was shocked when she saw dad. She tried to pull away, but I continued to fuck her hard.

"Dan, what are you doing here?" she asked, totally perplexed.

"I am trying to have fun just like the two of you," he said. "Would you suck my cock, please?"

Mom did not know what to say as dad moved closer to her head.

"Sure," she finally broke into a smile when he thrust his cock in her face.

"Good girl," dad said, reaching out for her ass.

He spread her ass for me while she sucked his cock eagerly, moaning over it. I made her come twice while she sucked dad to orgasm. She drank all he had to offer and sucked for more.

"Dad, are you mad at us?" I asked, stroking my hard cock gently in mom's ass.

"Just a little," he smiled, "for not letting me know about this from the start."

"We didn't know you'd be interested," I said.

"That's why I am not very mad at you," he said.

"Would you like to watch more?" I asked.

"Of course," he said, taking his clothes off.

During the next couple of hours, mom and I showed dad every trick we knew. In the end, I dumped a big come load up her sucking rectum. He was impressed by how depraved she was.

"I am glad you enjoyed our show," she said finally.

"You are going to have to do it often, or else..." he said.

"Of course, we will," I said. "We do it daily."

"Great," he said, "but from now on, you have to do it while I am home."

"Sure," I said.

"If you want us to do that, you have to eat my freshly fucked asshole," mom said, thrusting her ass out.

I left as dad lowered his mouth to her offered asshole.

We waited to the weekend to let Alex in on our secret.

Mom was on her knees, sucking my cock, while dad, sitting at the other end of the sofa switched his eyes between the television screen and us. That was when unsuspecting Alex came into the living room. She was just a few feet away when she noticed what was happening but could not comprehend it. I smiled at her puzzled face.

"Alex, suck daddy's cock," mom said, shocking Alex even more.

Frozen Alex naturally did not move.

Mom stood up and led Alex to dad. Alex was in a trance as mom nudged her shoulders down and then fished out dad's cock for her.

"Come on, suck it," mom urged, pushing Alex's head toward dad's partly hard cock. "Show him what kind of slut you really are. Show him you are your mother's daughter."

Mom waited until disoriented Alex started to suck dad's cock before she returned to sucking mine. When she saw that Alex was sucking dad hungrily, she pulled me toward her. I knelt behind Alex as mom hiked her dress. Mom guided my cock into Alex's pussy, and I proceeded to fuck it. Mom disappeared for a few seconds and then returned with the lube.

"Let me get her asshole ready for your huge cock," mom said, making Alex's pussy twitch, as she applied a generous helping of lube to Alex's splayed asshole.

Mom used one and then two fingers to work the lube inside Alex's eager ass. After Alex finished gushing on my cock, mom guided my cock to her glistening asshole. Alex continued to moan around dad's cock while I drilled her ass into a hard orgasm.

"Your mom needs you, Nick," mom said, kneeling next to dad and hiking her dress.

Kneeling on the floor, I ate mom's pussy and ass through an orgasm each. I stood behind her and pushed my cock into her pussy.

"Ride daddy's cock, Alex," mom instructed, looking over her shoulder at Alex who was sucking dad happily.

Alex straddled dad and started to lower herself onto him.

"Put it in your ass, Alex," dad directed.

Alex obediently guided dad's cock to her asshole. She grunted as her asshole swallowed his hard shaft. He effortlessly made Alex come twice while I made mom come once in her pussy and once in her ass.

Mom straddled dad, swallowing his cock in her pussy.

"Fuck my ass, Nick," mom instructed. "I've always been curious about the sandwich."

She grunted as I stuffed her ass with my rock hard cock. Dad's cock pushed against mine, making her ass much tighter than usual. I could feel it slide along my cock through her thin rectal and vaginal membranes as dad fucked her pussy. It took us a minute to establish a rhythm. She gasped and moaned rhythmically as dad and I plowed her fuck holes deeply.

"Alex, have you ever seen a woman hornier than your mom?" dad asked.

"Only when I look in the mirror," Alex smiled.

"You want to try the sandwich too?" dad asked.

"Of course," Alex said. "It looks too hot to miss."

"It feels even hotter," mom gasped, riding the two hard cocks.

Mom was soon gasping in orgasm. Her horny fuck holes went into wild spasms around the hard cocks plowing inside her. Dad and I slowed down after her violent orgasm subsided.

"Don't stop," mom protested. "Fuck me until you fill my pussy and ass with come."

At the end of her next orgasm, both dad and I pumped her twitching holes with thick come. I let my softening cock slip out of her milking asshole. I presented my sticky cock to her, and she sucked it eagerly. She soon dismounted dad and sat back in the sofa, pulling her legs all the way back.

“Alex, darling,” called mom. “Clean my pussy and ass and feed all the come to me.”

Dad and I watched Alex eat mom’s pussy and ass and then dribble the come into mom’s open mouth. In the end, mom and Alex kissed lewdly.

“Let’s now get those cocks hard so they can fuck you,” said.

Mom went down on me, and Alex went down on dad’s sticky cock. Mom rode me while Alex continued to work on dad’s cock.

Dad helped Alex sit in his lap and swallow his cock up her ass. After they established a rhythm, I joined them. I raised her legs up and pushed my cock into her pussy. Dad and I fucked her through three hard orgasms before we filled her holes with hot come. Mom returned the favor by eating Alex’s slimy holes and feeding her the come.

We never needed to sneak ever since. Although I usually fucked mom and Alex while dad was out, he was often lucky enough to catch us in the act and watch a good show.

Alex had already quit seeing her boyfriend after she discovered real hot sex. She tried a few “hot” guys at school just for social reasons since they fell miserably below her new expectations. We only made movies for fun. We watched them after dinner while we fooled around.

The Counselor

My sister was asking mom for sex advice. Fortunately, she used videos for that purpose. Due to her carelessness, one such video fell in my hands. She had to confess to me about that issue. I offered my assistance, and she accepted it. Mom liked what she saw in the new videos a little bit too much for her own good. I soon asked for her advice.
