

Nightingale Minigales 2010

Please read [disclaimer](#) and [summary](#) at the end of document

From overhearing a few of Beth's long distance phone calls, it was clear that her friend Nicole moved into the state. She became about an hour drive away, not really close, but close enough. Although it had been a few years since I had last seen Nicole, I still remembered her. Every time I overheard Beth talking to her reminded me of her. She had been one of the few girls I knew at the university that I really wanted to fuck. If I had the chance, I likely would even if I had been seeing someone else.

What made Nicole more tempting to me albeit harder to get was that she had been Beth's roommate and best friend. I had been treated to much of her big tits and tight ass. I had not spared a chance to sneak a peek at her cleavage or ass. She seemed to give me too many chances for that.

The flow of conversations I overheard suggested that Beth and Nicole had been seriously considering having Nicole spend the week before Easter with us. I secretly hoped the arrangements would work out. I welcomed another chance to see Nicole, hoping that then I might see her in lighter clothes.

Finally, Beth told me that her friend Nicole was going to visit us and spend the week with us. I told her that was okay with me. I did not show her how excited I was. I thought that Beth was going to get fucked silly throughout that week. I did not think she would complain about that.

Presents

A Double Minigale

Easter Bunnies

Time passed reasonably quickly, and Nicole finally arrived at our house. I was at work when she did. When I went home, she was already there, chatting with Beth like good old times. She was still sexy, maybe even more so.

"You may remember her, she's Nicole my roommate in college and my best friend," Beth said, introducing her lovely brunette friend. "Nicole, this is my husband, Nick."

"How can I forget a woman this lovely," I smiled as I shook Nicole's hand. "You look prettier though."

"Thanks," Nicole said blushing slightly.

We started to chat about life in general. I managed to sneak several glances over Nicole's tight body. I especially enjoyed watching her curves move when she and Beth went to the kitchen to bring snacks. When they returned Nicole sat between Beth and me. We resumed our small talk until Beth changed the course of the conversation.

"Nicole is my horniest friend," Beth suddenly said, teasing Nicole. "When I started dating you, she was after me to give her a chance to take you to bed, but I was too possessive."

"Is that right?" I said to Nicole.

Nicole blushed deeply.

"Why didn't you tell me?" I asked Nicole. "I would have given you a number of chances."

"She wouldn't do that to me even if you would," Beth said.

"Of course I wouldn't do that either, but I would have been tempted," I said.

"Anyway, I am not that possessive now," Beth said.

"Thank you very much," I said. "Now we are all married and can't do anything about it."

"Of course we can," Beth said mischievously. "Now we are all more mature and can make the best of it."

"The best of what?" I asked in confusion.

"The best of getting you two in bed," Beth said.

"Don't be ridiculous," I said. "You wouldn't let us do that. Neither would her husband."

"Actually I encourage you to do it as long as I am present with you," Beth said, shocking me. "Her husband is also okay with it. He's been after her for over a year to get in bed with another man."

"Is that right?" I asked looking at Nicole.

“Yes,” she hissed, nodding.

“Are you serious you are okay with it too?” I asked Beth.

“Oh yes,” she said. “She’s my best friend; she deserves a couple of nights with you for sure as long as you are okay with it too.”

“With a woman as sexy as Nicole, I am all for it,” I said, letting my eyes freely travel up and down Nicole’s body which was tightly packaged in a blue mini dress.

“Well, you can start making out,” Beth said.

“While you are here staring at us?” I said.

“Yes, I want to enjoy watching you while you enjoy each other,” Beth said.

“Do you want to do this, Nicole?” I asked gently.

“Yes,” she said lowly, nodding.

“Then you must be wet,” I whispered right in her ear as I leaned toward her. “Are you?”

She nodded, blushing.

“Don’t be shy, feel this,” I said, taking her left hand to my bulging crotch.

I rubbed her hand over the outline of my hard cock, making sure she felt it well and then let her hand there.

“If you want us to do this you have to do for me something that you have never done for your husband,” I said as I put my right hand on her left knee.

“That’s easy,” Beth said, looking at Nicole. “Take him in your ass. This is your chance.”

Nicole must have felt my cock jump under her hand as Beth said that.

“You are not saying she has never done that with her husband,” I said to Beth.

“Neither with anyone else,” Beth said, surprising me.

“And how do you say she is your horniest friend?” I asked. “The rest of your friends aren’t choirgirls, are they?”

“No, it’s only that her husband is not an anal pervert like you,” Beth said. “Did you forget that you seduced my ass off me? Boy, am I glad you did!”

“I am an anal pervert as you say and her husband is a pervert cuckold,” I said. “Indulging Nicole’s hot ass will serve both of us.”

I held Nicole under the chin with my left hand and turned her head towards me. I planted a light tentative kiss on her full lips and then another one. She relaxed gradually and we started kissing as I continued to hold her chin. Our lips started to move against each other’s and open up. Soon, our tongues started to dip in and out of each other’s mouth and wrestle. She was a great kisser and made my cock stand harder. I could also sense her own hunger in her kiss. As our kiss intensified, I let go of her chin and gently squeezed her tits one and then the other. Finally we broke the kiss, panting for air.

“She’s good,” I said, making Nicole blush.

“Yes, I know,” Beth said.

“Come here, honey, let’s show her what awaits her,” I said to Beth.

Beth got off the couch and bent over before Nicole and me, supporting her hands on the coffee table. I pulled her dress up over her hips and kissed her on the exposed parts of her ass cheeks before I lowered her panties to her ankles. Her pussy glistened in moisture.

“Look, she’s wet already,” I said to Nicole as I brushed two fingers up and down Beth’s wet pussy lips. “I hope you are as wet.”

Nicole Shivered.

I pushed my slick fingers gently into Beth’s pussy making her moan. I twisted my fingers and then pulled them out.

“Look at this,” I said to Nicole, showing her my dripping fingers.

I returned my fingers to Beth’s pussy and finger fucked her for a minute. When I pulled my fingers out, they glistened in her juices. Looking Nicole in the eye I raised my fingers to my mouth and sucked them slowly, one by one, savoring the taste.

“I am going to enjoy tasting you too,” I said, bringing my fingers to Nicole’s mouth.

I teased Nicole's lips with my fingertips and then gently pushed my fingers in. She showed slight hesitation to accept my fingers. She was very playful, sucking my fingers eagerly as I worked them within her mouth almost like I did inside Beth's pussy. When I was done with her mouth, I returned my fingers to Beth's pussy. I finger fucked Beth for a little while, getting my fingers soaked in her juices. I slowly withdrew my dripping fingers.

Smiling and looking challengingly at Nicole, I pushed my fingers slowly towards her mouth. She gave me a daring look that lasted for a few seconds, and then she licked her lips. She parted her lips slowly and I pushed my fingers in. I toyed with her playful tongue as she sucked my fingers thoroughly.

"Now, to the matter in hand," I said as I pulled Beth's cheeks apart, totally exposing her pink little asshole.

Beth's puckered hole twitched in anticipation. She gasped as I planted a light kiss on her delicious asshole. She gasped again as I lightly traced her puckered rim with my tongue tip.

"Remember how tight it is now," I said to Nicole as I leaned forward toward Beth's ass.

Beth started to moan and gasp as I licked her asshole. I did not want to tease her for long, but I did not want to rush a sweet experience, either. I teased her asshole for a little while, making her squirm and twitch. Soon, I started to work my tongue firmly, massaging and relaxing her sphincter. Within a couple of minutes, I was tongue fucking her ass and constantly drooling into her rectum. As I spread her cheeks and tongued her asshole, it gaped. I held her hole open and dropped a couple of big balls of spit right into her open rectum. I let her asshole shut and spread a dollop of spit on her pucker.

As I kissed Beth's ass on the cheek I reached for my hard cock and let it out. I stood up and turned toward Nicole, bringing my cock within inches of her mouth. I could tell that she liked what she saw.

"Can you help get me ready?" I said lowly as I pushed my cock toward Nicole's mouth.

"Sure," smiled Nicole, licking her lips lewdly.

She put her left hand on my right hip and licked her lips as she moved slowly toward my raging cock. Her lips opened and took the head in. She closed her mouth gently and started to suck my hard shaft, slowly working her head back and forth as if to familiarize herself with my cock. I thrust gently into her mouth and put my right hand behind her head to pull her deeper forward.

Beth turned to the side and watched us over her shoulder. Nicole grabbed me by the hips with both hands and started to pull me deeper into her with increasing hunger. She responded so favorably I did not see any problem in turning her into the slut of my dreams and hers. Soon, she was taking me all the way down her throat. Beth did not call her her horniest friend for nothing. That girl knew how to suck cock and she loved it. Seeing that, I held her head in my hands and started to fuck her mouth deeply, but not so gently. She took it eagerly. I started to take my cock out and then slap it and rub it on her face before pushing it back down her throat. Finally, I reluctantly pushed her away. She did not want to let go too.

"You are one greedy cock sucker," I said to Nicole as I turned towards Beth's offered ass.

Holding Beth by the hips I adjusted her position, turning her slightly to the right, to give Nicole a better view. I nudged Beth's feet apart. She parted them as far as her panties allowed. I pushed her knees further apart, causing her to bend them and arch her back, offering her ass lewdly.

"You know she's wet," I said as I aimed my cock at Beth's pussy and stabbed forward.

Beth gasped as my cock head pushed her swollen lips apart and sank into her pussy. I grabbed her hips and thrust firmly, driving my cock the rest of the way in, making her grunt. I withdrew very slowly, letting my cock pop out of her pussy. My cock glistened in her copious juices. With my both hands on her hips, I aimed my cock at her pussy and pressed it gently in. I advanced very slowly until the bulbous head passed her lips and then I rammed it in forcefully. She grunted before my balls slapped the front of her sticky pussy.

"A pussy fuck gets the woman in the mood, lubricates the cock and primes it for a very long workout," I explained to Nicole as I fucked Beth's pussy steadily.

Beth moaned and fucked back. My cock glistened in her leaking juices. Moving my hands off Beth's hips I turned to watching Nicole watch my cock as I slowly pulled it out. My cock popped out and bounced before Nicole's eyes. It was dripping with my wife's pussy juices.

"I told you she was wet," I said to Nicole as I pushed my cock towards her mouth, placing my right hand behind her head.

Nicole gave me a wild look and proceeded to suck my cock, which was thickly coated with her friend's pussy juices. She opened her mouth and took my cock in. She sucked it like her life depended on it. Once again, she was reluctant when I pushed her off my happy cock.

"I've never done this before," she said.

"If we wanted you to do something you have done a million times, we would send you back to your husband," I said. "We want to open your three eyes to new things in life."

From then on, I spent about equal time in each of Beth's pussy and Nicole's mouth, switching frequently.

I guided Beth's right hand to her ass and had her spread her cheeks further apart. Her asshole looked ready to be penetrated. My spit on her hole had already dried. As I pulled her left cheek out, I dropped a long string of beads of spit on her waiting asshole. I spread the spit around with my cock head as I worked two fingers in Nicole's mouth. I pulled my fingers from Nicole's mouth and then pushed one and then both fingers into Beth's asshole. I pumped and swirled my fingers within Beth's ass, reaming out her sphincter.

As I smiled in challenge at Nicole, I pulled my fingers from Beth's ass and brought them to Nicole's mouth. That was a new challenge for her; so, I gave her time to think about it as I slowly moved my fingers to her mouth. She finally smiled and opened her mouth. After she tested the taste, she sucked my fingers eagerly. I repeated that a few times, getting her used to the taste. She sucked my fingers as if they were coated with honey, which was not necessarily more delicious than Beth's asshole.

As I reamed out Beth's asshole with my fingers, I guided her other hand to her ass. She pulled her cheeks wide open. When I pulled my fingers out, her asshole gaped.

"I want you to be part of this," I said to Nicole, pulling her up as she sucked my fingers. "I want you to spit inside your friend's open asshole."

Nicole moaned as she closely inspected Beth's gaping asshole. She brought her mouth close to Beth's asshole and then drooled into Beth's open rectum.

"Very good," I said as I pushed Nicole back to her seat.

Drooling inside Beth's ass, I returned my fingers for the last time. While pumping three fingers within Beth's ass, I let Nicole suck my cock. She sucked it thoroughly, soaking it in her drool. I gently pressed my dripping cock head at Beth's ready asshole as I let Nicole suck my fingers.

While sucking my fingers gingerly, Nicole watched intently as her friend's asshole dilated gradually and started to take my bulbous cock head in. I paused when my cock head popped in, making Beth gasp, although I did not have to. I resumed my gentle pressure. Nicole and I watched as my thick shaft sank slowly into Beth's hot anal cavity. I paused again when my balls pressed against Beth's sticky pussy.

Beth milked my cock with her talented anal muscles, signaling her readiness and eagerness. I pulled halfway out and then started to fuck her slowly, making sure Nicole saw how Beth's widely stretched anal ring pulled out and then back in, following the movement of my thick shaft. I increased my speed as Beth's asshole got used to my cock. I switched paces several times, demonstrating everything from the teasingly slow pace to the furiously fast pace that made flesh slap and Beth grunt with every thrust. That was aimed at showing Nicole what Beth's ass and my cock were capable of.

At the end, I slowly pulled out, making my cock pop out of Beth's ass with a plop. I walked around the coffee table and pushed my cock towards Beth's face. She opened her mouth and sucked it eagerly. I thrust into her, fucking her throat deeply. I put my hand on her forehead and pulled my cock out. I walked over and returned behind Beth. I spitted on her asshole and then shoved my cock back in.

After fucking Beth up the ass for a few minutes, I popped my cock out. Holding Nicole's head, I pushed my cock towards her mouth. She opened up and started to suck. I worked her head back and forth, driving my cock all the way down her throat. I moved her head off my cock and brought my cock to Beth's ass.

Gripping my shaft by the base, I pressed my cock head to Beth's asshole and popped it in. I worked only the bulbous head in and out of Beth's ass, making her gasp constantly as it popped in and out of her sphincter. I removed my cock from Beth's ass as I put my hand behind Nicole's head and pulled her to my cock. As soon as her lips closed around my cock head, she wanted to suck me deeper.

"No, don't suck deeper," I directed, holding her head firmly. "Just suck what was inside her."

Nicole continued to suck my cock head when I let go of her head. I pulled out of her and pulled her head to Beth's ass, pressing Nicole's right cheek to Beth's right ass cheek.

“Cheek to cheek,” I said as I pushed my cock into Beth’s ass.

I sank my cock halfway into Beth’s ass and then took it out and sank it halfway into Nicole’s mouth. I thrust my shaft a couple of inches into Beth’s ass and then thrust the same length into Nicole’s mouth. For the following several minutes I stroked my cock in Beth’s ass in every which way and then applied the exact same strokes to Nicole’s mouth. Beth moaned and pushed her ass back eagerly and Nicole shared the same pleasure and eagerness.

To show Nicole how anally slutty Beth was, I gripped both Beth’s cheeks and proceeded to drill her ass until she came wildly, her asshole sucking desperately at my pumping shaft. I thrust within her ass until she came down from her orgasm. I popped my cock out of her ass and into Nicole’s mouth. I spitted inside Beth’s gaping asshole before it closed shut. Nicole sucked my cock thoroughly before I yanked it out of her mouth.

Since it would be a loss to leave Beth’s juices to dry to waste, I rubbed my cock head up and down her drenched pussy lips and then let Nicole suck the juices off my cock. I sat next to Nicole and held her head halfway between Beth’s ass and my head. I used my left hand to finger fuck Beth’s pussy with two fingers, occasionally bringing my dripping fingers to Nicole’s mouth. Nicole’s eagerness increased every time I did that. Beth moaned and gasped, humping my fingers. I continued to finger fuck her until she came, gushing a torrent of juices onto my fingers.

I continued to hold Nicole’s head in my right hand as I wiped Beth’s drenched pussy with my left hand and then brought it to Nicole’s mouth. Nicole licked my dripping fingers eagerly as long as I continued to scoop more and more of Beth’s copious juices.

Holding Nicole’s head in both hands, I turned her face towards me.

“Now you are horny enough to proceed,” I said as I looked into her eyes. I planted a kiss on her pussy-flavored lips. “First, I want to see your fine assets.”

Beth stood up. She kicked her panties off and straightened her dress. Smiling, she pulled Nicole to her feet and stood her before me, her tight ass facing me. I ran my hands up Nicole’s sides on my way to her tits. Pressing my face against the crack of her ass, I squeezed and kneaded her clothed tits gently, making her moan softly. I gave her nipples a pinch each before I pulled my hands off her tits. I turned her around, letting her face me.

Starting at the backs of Nicole’s knees, I stroked my hands up and down the backs of her thighs, gradually moving towards her ass. I got to her ass, which was mostly bare since she wore a thong. I enjoyed squeezing and spreading her cheeks. I continued to play with her cheeks until she started to moan softly and sway. Then I turned her around. I hiked her dress and had her hold the hem. I nudged her feet apart and adjusted her stance to thrust her chest forward and her ass backward. I tickled her cheeks a little and then proceeded to lower her panties to her mid thighs slowly, exposing her ass crack little by little.

“Very nice,” I said as I admired Nicole’s anal area. “Beth, why don’t you spread your friend’s cheeks so that I can take a good look at her virginal rose?”

Beth went down to her knees and pulled Nicole’s ass cheeks apart, outrageously exposing the innocent pink asshole. Nicole’s little asshole clenched shyly as it got inspected for the very first time.

“It’s so shy and tense,” I said. “You don’t have to be afraid of me, little beauty; I am a friend. I only come in love and lust. I have to kiss you to show you how honest I am.”

Nicole shivered when my lips gently touched her anal pucker to plant a light kiss. As soon as I broke the kiss, I started to tickle and tease her asshole with my tongue tip, making her shiver and gasp. Her asshole remained tense for a minute or two, and then it started to relax. A few minutes later, she started to moan and hump her ass back. Her fresh asshole started to awaken and taste pleasure. She had a very responsive orifice.

“Since she’s enjoying herself, why doesn’t she spread her own ass?” Beth said.

“You are right, honey,” I said, pulling my mouth from Nicole’s tasty asshole. “Nicole, get down on your knees, placing your face, shoulders and chest on the carpet, and spread your lovely ass.”

Nicole got into position and Beth helped her adjust herself for the perfect ass spread. Her panties were still stretched around her thighs. I teased her asshole with my fingertip until she started to moan. I pressed the pad of my finger gently against her anal pucker. Her sphincter relaxed slowly, getting ready for digital penetration.

“Drool,” I said to Beth, taking my finger off Nicole’s ass.

Beth drooled right on the center of Nicole’s asshole. I spread the drool around with my fingertip and then started pushing my finger in. Nicole’s asshole relaxed slowly and accepted my fingertip.

“More drool,” I said as I started to work my fingertip gently in and out of Nicole’s ass.

Beth drooled on Nicole's asshole generously. I worked her drool inside, sliding my first knuckle past Nicole's sphincter. I slid my finger in and out and worked it around, slowly loosening up the tight sphincter. She moaned and pushed her ass back. Within a few minutes, I was smoothly pumping my finger all the way in and out. Nicole moaned happily, holding her ass open for me.

"You are going to make a wonderful anal slut," I said to Nicole. "I'll really enjoy breaking you in."

I removed my finger from her ass and had her suck it. I drooled on her asshole and then pushed my index finger into her ass and my middle finger into her pussy. I proceeded to finger fuck both her holes with a finger each. She moaned and humped back, both her holes milking my fingers. Beth and I took turns drooling on her asshole as my finger continued to loosen up her tight orifice.

Several minutes later, her asshole was ready to take a second finger. I drooled on it and squeezed my middle finger in. I finger fucked her ass with two fingers for a few minutes, getting it increasingly relaxed. I gently pushed my ring and little fingers into her pussy. I finger fucked her holes with two fingers each for several minutes, keeping the drool coming at her asshole. Finally, I removed my fingers from her sticky holes and let her suck them.

"Get up and suck my cock," I said, removing my fingers from her mouth. "Get it ready for your wet pussy."

She knelt before me and looked at my partly hard cock.

"Get rid of my pants first," I directed.

She pulled my pants and boxers off and pounced on my cock. I let her suck it for over ten minutes. Meanwhile, Beth sat next to me and fingered her own pussy.

"Finger your pussy," I directed Nicole. "Get it ready for the cock you are sucking."

She complied, using her right hand to finger herself.

"Do you want to get fucked?" I asked as I pulled her head off my cock and tilted it upwards.

"Yes," she nodded.

"Get rid of your panties and ride my cock," I said.

She stepped out of her panties and then straddled me.

"Don't rush it," I said as she guided my cock to her pussy.

She lowered herself slowly, gasping, until the back of her pussy pressed against my balls.

"Now, you are a slut," I said as I pulled the top of her dress down her shoulders and removed her bra, "but not yet an anal one."

She started to ride my cock as I kneaded her tits and pinched her nipples. I grabbed her ass and patted her gently. I spread her cheeks wide and teased her asshole with my fingertips. I let her suck my fingers and then pushed the two fingers she sucked into Beth's pussy. I finger fucked Beth for a little while, getting my fingers soaked in her juices. I brought my slick fingers to Nicole's asshole and pushed one in. She took a deep breath as I pushed my fingertip through her sphincter. In a minute, she was riding me rhythmically as I smoothly finger fucked her ass.

"Call your husband and tell him what you are doing," Beth said to Nicole as she dialed her home number.

Beth gave the handset to Nicole as the other phone started ringing.

"Hi, honey," gasped Nicole. "I am getting fucked."

She paused a little.

"That's right," she continued. "Your loving wife is becoming a hot wife or actually a slut wife."

She paused.

"I love it," she gasped. "I am riding his lovely big cock and bathing it with my juices. It feels so wild."

She paused.

"He has also inspected my virgin ass thoroughly, visually, orally and digitally," she gasped. "He thinks I can make a wonderful anal slut."

She paused.

"No, not yet," she gasped. "I am now riding his cock and he's fingering my virgin asshole to get it used to getting used."

She paused.

"It's so tight back there," she said. "I don't know how he's going to fit his thick cock in my ass, but I am sure he'll find a way."

She paused.

"I am sure of that," she said. "I am also sure that he's going to really use me and use my little asshole. The poor thing will never be the same."

She paused.

"Of course, I'll tell you all about it," she said. "I think I made the right choice. This guy believes a slut wife is a slut that is married. Since I am already married, he's going to turn me into a slut. He's going to treat me like one and make me act like one until I am really one."

She paused.

"I am so excited I am going to come very soon," she gasped. "Honey, your sweet loving wife, as you've known her before, ceased to exist..."

As Nicole's voice trailed off as her orgasm approached, Beth yanked the handset from her and started to talk to her husband.

"Hi, Mr. Cuckold," Beth laughed. "How's your cock doing?"

She paused.

"That's the spirit," she said. "With your wife in good hands, you don't have to worry about her getting satisfied."

She paused.

"I know both my husband and your wife," she said. "Each is hornier than the other. Add to that that Nick had an eye for Nicole's ass ever since he met her and she had a similar feeling for his cock, you get a horny couple that is hard to pull apart..."

Beth was interrupted by Nicole's orgasmic screams.

"Once he gets his big cock up your wife's virgin ass which he's reaming out with his fingers as we speak," Beth continued, "neither is going to get enough of the other. Your once sweet wife is going to get used thoroughly in every hole in her body, especially her virgin asshole. By the end of next week, Nick will likely have fucked your wife more than you've had ever since you met her and in more holes."

She paused for a while.

While Beth listened, Nicole sucked my dripping cock thoroughly and I arranged her on her hands and knees.

"He's now fucking her doggy style," Beth said, moving closer. She watched me as I drilled Nicole, holding her ass cheeks apart. "He's going to make her come several times before he moves to her ass. Speaking of her ass, its little virginal hole still seems shy and innocent. He's going to tease both of them for a while before he changes that. He really likes teasing." Beth stuck two fingers in Nicole's moaning mouth. "It's so funny that what is teasing to him is wild hardcore fucking to others. He's teasing your wife by fucking her pussy through a wild orgasm after another. Wouldn't any woman love getting teased like that?"

As Beth listened, she removed her fingers from Nicole's mouth and drooled on her pried asshole. Beth teased Nicole's pucker and then gently pushed a finger in, making Nicole squeeze my cock tighter. Beth fingered Nicole's ass lazily as she listened to her husband.

"I am now fingering your wife's virgin asshole," Beth said, making Nicole's pussy spasm around my cock. "It has relaxed a bit, but it's still much too tight to accommodate Nick's thick shaft. I am sure he'll enjoy reaming out that little hole really wide."

Beth and Nicole's husband talked on the phone for a while. Meanwhile, Nicole came six more times in a series of different positions. I was finally ready to dump my come in her pussy and take a break while I prepare her virginal asshole for its real mission.

"He's now pumping your wife's pussy full of come," Beth said as Nicole screamed in a simultaneous orgasm, letting her twitching pussy drink every last drop my balls had to offer. "Can you hear your wife's screams as her well-fucked pussy gets its thick creamy reward from her stud? Too bad you are not here to clean her up before the next round. The poor fucked thing has to clean up on her own. I'll be nice and help her. I think I told you enough. I'll leave the details to her. I just hope she won't be so fucked out she can't talk. Thanks for letting your wife become my husband's fuck toy and congratulations on becoming a cuckold. I'll talk to you later to tease you more."

After letting my sticky cock shrivel within Nicole's pussy, I let her clean it thoroughly with her mouth. Beth came to help her clean herself. Beth gave Nicole two fingers to suck, and then she used those fingers to scoop my come out of Nicole's pussy and feed it to her. Nicole sucked Beth's finger hungrily. Beth continued to feed my come to Nicole until it ran out. To wash her fingers, she pumped them within Nicole's pussy until they got soaked, and then she let Nicole suck them clean.

While giving her pussy a thorough French kiss, I let Nicole suck two of my fingers. I kissed her deeply, tasting my come on her tongue while working my fingers in her pussy. When we broke the kiss, I let her suck my fingers.

"Now, I am going to get your virgin hole ready to yield its cherry to my cock," I said, letting my fingers toy with her tongue. "Are you ready for it?"

"Um-mum," she moaned around my fingers.

"Very good," I said. "Get on your knees and spread your ass wide open."

Nicole got on her knees, resting her head and shoulders on the sofa. Beth and I helped her get in a very slutty position. Nicole looked so wild Beth had to record that pose in our digital camera from different angles.

"Anyone who can see you like this will never believe you are still virgin—in your tightest and sexiest hole," I said. "Isn't that a shame? But you don't have to live like that. When I am through with you, your asshole will look, feel and act like it belongs to an anal whore—but in a good way. I'll also take this chance to complete Beth's training; she's not a slut yet."

"I don't want to be a slut," Beth said, wrapping her arms around me. "Why do I need to fuck around when I have the best?"

"You are not going to fuck around," I said. "You are only going to fuck me—like a slut."

"I can live with that," Beth said.

"You have to," I smiled. "Otherwise, Nicole will always get more of my cock than you will."

"I can't let that happen," said Beth.

"In that case, bend over your friend and lick her asshole," I said.

"If I lick hers, she has to lick mine," she said.

"She's going to lick yours anyway," I said. "She has sucked my cock after it had been way far up your ass. She's my slut and she'll do what I tell her to, right Nicole?"

"Yes," Nicole said humbly.

Beth knelt behind Nicole.

"If you want me to fuck you while you do that, you have to suck my cock first," I said to Beth. "Meanwhile, you can finger your friend."

Beth took my cock in her mouth and started to suck. She also finger fucked Nicole. Nicole moaned and humped back while Beth sucked my cock to full hardness. Beth bent over Nicole's ass and started to rim her asshole. I knelt behind Beth and slid my cock into her pussy.

"Lick her pussy when I fuck yours," I said to Beth. "Lick her ass only when I switch to yours."

They both moaned and humped back as I fucked Beth's pussy and she licked Nicole's. In a couple of minutes, my cock was wet enough to slide into Beth's asshole. I drooled on her asshole and massaged my drool inside. I popped my finger out of her ass as I yanked my cock from her pussy. I drooled on her asshole and then pressed my cock head in.

Beth licked Nicole's asshole as I fucked hers. Nicole moaned, holding her cheeks wide apart. I stopped moving and spread Beth's ass wide. She took over pumping her asshole deep down my cock as she probed Nicole's asshole. Nicole moaned happily. I switched my cock several times between Beth's pussy and ass, making her switch her tongue between her friend's holes.

"Finger her pussy with two fingers," I directed Beth as she rocked her ass over my cock.

Nicole went nuts as both her pussy and asshole got stimulated by none other than her best friend.

"Finger both holes with one finger each," I directed.

Nicole was heading to an imminent orgasm.

"Make her come," I directed as I held Beth's hips and proceeded to drill her ass.

Nicole came seconds before Beth did. I continued to pump Beth's twitching asshole until its spasms died completely. Then I plopped my cock out of her ass and took it to Nicole's mouth. After Nicole sucked my cock thoroughly, I dipped it in Beth's drenched pussy and then let Beth suck it clean.

Kneeling behind Nicole, I aimed my cock at her wet pussy. I guided her hands back to her ass as I started to thrust in her slowly. I occasionally wiped my dripping cock on her splayed asshole. I made her come hard on my cock. I pulled out as I pulled Beth's head towards my cock. She sucked it clean several times as I kept dipping it in Nicole's sopping pussy.

Bending down, I licked Nicole's pussy dry and then I moved to her asshole. I licked her glistening pucker thoroughly and then started to probe her anal orifice. It took her asshole a few minutes to relax and start to suck my tongue tip. I soaked her asshole in spit and then pushed my middle finger gently in. When she swallowed my entire finger, I started to pump my finger in and out. I finger fucked her ass for a long while, drooling on her hole and working my finger around to loosen her up. Meanwhile, Beth sucked my stiff cock. Nicole's asshole slowly sucked a second finger. I pulled Beth's head off my cock and closer to my mouth.

"Bring your anal probe," I whispered to Beth as I worked my fingers around within Nicole's tight asshole. "Also bring our heavy duty lube."

While Beth disappeared to get the probe, I slowly finger fucked Nicole's ass with two fingers, working more drool inside. Beth returned. She lubed the probe thoroughly and then gave it to me. I withdrew my fingers from Nicole's ass and then pressed the probe in. The silicone probe was hardly thicker than my finger, but it was longer. Nicole's ass accepted the probe smoothly. I fucked her with it, stroking almost the entire length in and out. She moaned, spreading her ass wide. Beth watched a little and then went back to sucking my cock.

"From now to the end of the course of your training," I said to Nicole as I reamed her asshole with the probe, "your asshole will rarely be empty. If it didn't have my cock in it, it would have something else. This is an integral part of your training. Your asshole is important; it will never be neglected."

After several minutes of anal pumping, I moved Nicole's hands off her ass and pulled her panties up tightly, leaving the probe inside her ass. I pulled her up to her knees.

"We are going out for coffee and dancing," I announced, sliding my cock into Nicole's mouth.

Nicole sucked my cock for a few minutes, and then Beth pulled her away to get ready. Nicole gasped as the probe moved within her ass.

Half an hour later, they returned, each wearing a mini dress shorter than the other's. Half their tits were put on display and they had no bras. They wore sexy high heels. I inspected their bottoms. Beth was without panties as was usually the case when we went out. Nicole had a thong on to keep the probe in place.

Beth sucked my cock while Nicole paraded in the living room to get used to the anal probe. It was obvious that Nicole walked strangely.

Beth continued to suck my cock in the car. She tucked it in and freshened up when we entered the parking lot. We had coffee and spent half an hour in the café.

On the way to the nightclub, Beth drove. I took the backseat with Nicole.

"Do you think you can dance with that probe up your ass?" I said, feeling up Nicole's tits through her dress.

"No way," she said.

"In that case, kneel over my lap and let me take it out for you," I said.

She lay on my lap. I hiked her dress, lowered her panties and held the base of the probe. She started to gasp as I fucked her ass with the probe. I moved the probe within her ass, reaming it out.

Beth reached inside her purse and handed me the lube and a triple ripple plug. I removed the probe from Nicole's ass and handed it to Beth. I squeezed a generous amount of lube on Nicole's asshole and proceeded to fuck her ass with two fingers. I added more lube as I twisted and swirled my fingers within her, thoroughly lubing her asshole and rectum. She moaned as her asshole took what I gave it comfortably.

As I continued to ream out her asshole, I guided her hands back to her ass. I fingered her ass a little more as she spread her ass and then withdrew my fingers. I squeezed lube onto her already glistening asshole with one hand as I held the plug with the other. I lubed the tip of the plug and then pushed it into her ass. The head of the plug popped past her sphincter before she knew what happened.

"What is this?" she gasped.

“It’s called the triple ripple butt plug and you now have the first ripple in,” I said. “You have two more ripples to go. Each is a little wider than the previous one. It’s Beth’s favorite toy.”

She moaned as I worked the bulbous head of the plug in and out of her asshole. Meanwhile, I used my free hand to lube the rest of the plug. I gently pressed and popped the second bubble in, making her grunt. I worked the bubble in and out for a little while and then pressed the last one in. She grunted again as the last bubble popped in her ass. Her asshole gripped at the groove next to the base. Holding the base, I worked the last bubble very gently in and out of her ass, watching her sphincter stretch and clench.

Beth drove slowly while all that happened.

“As you can feel, it is bigger,” I said. “So, it is more filling. Due to its shape, it is much easier to hold in your ass. Therefore, you no longer need these panties.” I removed her panties and stuffed them in my pocket. “As you move on the dance floor, the plug will work out and relax your asshole, keeping your well-ventilated pussy damp and fragrant. It will keep reminding you of what is coming to and in your yet innocent virgin asshole. It is a great tool to exercise your anal muscles. I encourage you to milk it and exercise those muscles as much as you can. That helps a lot for getting your ass fucked with my cock.”

After making sure the plug was securely planted within her ass, I wiped the excess lube and pussy juices off her ass and pussy with a soft tissue. I straightened her dress and sat her up.

“How does it feel?” I asked.

“It feels weird and wild,” she said.

She needed help in her first few steps after we got off the car. Dancing was going to be a challenge for her.

“Keep your knees several inches apart,” I whispered to Nicole as we sat around our table in the nightclub.

Every male eye in the club scanned my sexy companions.

“Hit the dance floor when you find someone you like,” I said to Nicole as I led Beth to the dance floor, leaving Nicole alone.

Nicole got hit on before Beth and I reached the dance floor. She turned down the first guy and took the second on. I smiled as I saw her walk almost unsteadily.

We spent a little under an hour at the club, giving Nicole a chance to get used to the plug. We danced fast and slow. Nicole changed her partners a couple of times. Finally, she had to excuse herself to leave with us.

On the way home, I finger fucked Nicole’s drenched pussy. I had her suck my sticky fingers every once in a while. When we hit the freeway, I let her suck my cock while I continued to finger her pussy and occasionally pump the plug within her ass. Her pussy dripped like a loose faucet.

As soon as we entered the house, I flipped her on her back and drilled her pussy through three wild orgasms while her asshole milked the plug. I let her suck my dripping cock while I worked the plug in and out of her ass. Finally, I removed the plug from her ass and had her suck it.

Kneeling on the floor, I pushed Nicole’s legs way back over her head. Beth held them for us. I guided her hands to her ass as I started to lick her asshole. She spread her ass wide open as I tongue fucked her asshole. I moved my tongue to her clit and pushed two fingers into her ass. I licked her clit while pumping and reaming out her asshole. I worked more lube into her ass and then squeezed the index finger of my free hand in. A minute later, I was working both index fingers and both middle fingers in and out of her ass, massaging and stretching out her sphincter gently. I drooled in her open hole and worked my drool in.

“Do you want me to fuck your virgin ass?” I teased as I pulled her anal lips apart, making her asshole gape.

“Yes,” she hissed.

“I want you to lube my cock and make sure it’s hard and slick enough for your virgin hole,” I said as I plopped my fingers out of her ass.

She sucked my fingers before I pulled her up and stuffed my cock into her mouth. I let her suck my cock for a while and then handed her the lube. She thoroughly lubed my cock, leaving a thick coat of lube on my shaft before she pulled back. I pushed her onto her back and raised her legs. Beth held her legs by the ankles and pulled them way back as Nicole spread her ass with both hands. I brushed my cock head over her asshole, making her gasp. Beth grabbed the camera and knelt next to us. She took a couple of pictures while I teased Nicole’s vaginal pucker.

“If you want my cock in your ass, you got to guide it to your vaginal asshole,” I said. She held her ass open with her left hand as she used her right hand to guide my cock head to the center of her puckered hole. I pulled her right cheek out with my left hand as I massaged her pussy with my right thumb. “Hold it like that until it pops in.”

Nicole took a deep breath as I started to push my cock gently into her ass. I could feel her asshole relax slowly. My cock head started to sink very slowly into her ass as her asshole continued to dilate. She finally let out a soft grunt as my cock head popped past her sphincter. I dipped my thumb in her drenched pussy and had her suck it while I waited for her asshole to get used to my cock.

"Thanks for guiding my cock into your ass," I said as I took her right hand and brought it to my mouth. I kissed the back of her hand and then guided it to her ass. "Your ass is no longer virgin. I am going to fill it with hard cock and then fuck it for you."

She spread her cheeks with both hands and I thrust very gently into her ass. After a long, slow and patient advance up her vaginal insides, my balls pressed gently against the back of her ass. Her ass was fully penetrated and deeply impaled by my rock hard shaft. Beth took several pictures from different angles, recording the progress of my cock into virgin territories.

"Congratulations, Nicole," I said as I paused deep inside her. "You are no longer virgin. You are now a real woman, a budding slut, with a thick cock balls deep up your ass. Your freshly deflowered asshole is ready to live and flutter in delight like it was meant to."

Holding the back of her thighs, I slowly withdrew my cock, only leaving the head inside. Beth thoroughly lubed my shaft with a new coat of lube. I gently slid my cock all the way back up Nicole's ass and then paused. I toyed with her drenched pussy while I waited.

"Why don't you break the great news to your hubby," Beth said, dialing Nicole's home number. "He must be really anxious now."

"Hi, honey," gasped Nicole as she took the handset from Beth. She paused a bit. "I am having a great time and I have some great news for you."

"Nick's big cock is balls deep up my ass," she said after a short pause. "According to him, I am no longer virgin."

She paused.

"I know I wasn't, silly," she said. "But after taking his cock up my ass, I feel as if I really was. I am so full I can't believe I didn't burst."

She paused.

"On the contrary, it feels so good," she continued. "I feel so good and he hasn't started to thrust yet."

She occasionally gasped and shivered although I was not moving inside her. I braced my hands on the back of the sofa and started to thrust gently.

"Oh, God! I got to go, baby," she gasped. "He started to thrust in my ass. It feels so wild."

"As you can tell," Beth said into the mouthpiece after taking the handset from Nicole, "the conversion of your sweet loving wife into a slut or, more specifically, an anal slut is going according to schedule. Her needy, formerly virgin asshole is now being catered to. As you can judge by hearing her gasps and joyful screams, she is having a great time while my husband pleasures her neglected insides and makes them come alive. She'll fill you in on the details later. She just called to let your worries rest about whether she would spend another night virgin. Rest assured that her once innocent asshole will never be the same. Have a good night full of sweet dreams."

Nicole continued to gasp as I thrust gently within her, keeping most of my shaft inside her ass. My cock was extremely hard as I relished going where no one had ever gone before and feeling an innocent asshole milk my wicked cock. I watched every expression on her face as I fucked her like she had never been fucked before. Her tight canal of lust took a few minutes to relax enough for longer strokes. Then I took her with long but slow strokes, filling her ass to the limit and then pulling almost all the way out. I watched both her dripping pussy and glistening asshole flex as I pumped my thick shaft in her formerly virgin ass.

"This looks wonderful," Beth commented as she watched intently a few inches below my balls. She had a bull's-eye view of how my cock skewered her friend's asshole again and again. "Fuck her ass loose."

"I am going to fuck your asshole until it gapes," I said to Nicole, making her shiver. "Do you want me to?"

"Yes," she gasped.

Since we were very well lubed, I decided it was time I picked up the pace a little. I continued to fuck her deeply as I increased my rhythm slowly but constantly. Her asshole and pleasure gasps and moans kept up with me. In a few minutes, I was fucking her hard for a first timer. She did not complain. On the contrary, she moaned and pushed her ass forth to meet my thrusts. I fucked her ass like I would Beth and she loved it like Beth would.

She was obviously heading to orgasm. I knew she wanted me to fuck her harder, but I maintained my pace to give her more time to build up her orgasm for a big explosion. In a few minutes, she was gasping and twitching, as her orgasm got imminent. She gasped sharply and started to convulse. As she screamed and shook and her asshole went into an orgasmic fit, I drilled her ass hard and fast, making my hips slap and bump into her ass forcefully. I continued to pound her trembling ass throughout her orgasm. I only slowed down when she came down from her orgasm. I fucked her gently until she recovered.

Finally, I withdrew my cock ever so slowly from her ass and let it pop out. I sat her up and pulled her head to my glistening cock. She still had a dreamy look when she found herself face to face with my hard cock. She was a little surprised, but she quickly returned to reality and pounced on it. I fucked her throat for a few minutes and then yanked my cock out of her reluctant mouth. I kissed her before I pulled her off the sofa.

"Congratulations on your first anal orgasm, Nicole," Beth said, shaking Nicole's hand as I arranged Nicole on her knees on the sofa. "Many happy returns."

"Thanks," Nicole said shyly.

Beth and I arranged Nicole in the position that would open her ass the most. Nicole gasped in surprise as I shoved my cock balls deep into her pussy. I stroked within her drenched pussy a few times and then poised my cock head on her ready asshole. Beth held my shaft as I gently pushed my cock into Nicole's ass. I slowly but smoothly slid my cock all the way up Nicole's ass. I paused for a few seconds and then started to thrust. I was gentle at first, but not for long.

Nicole thrust her ass back, meeting me in midway. As I fucked her ass deeply, Beth helped her get out of her little dress. I reached for her ripe dangling tits. I kneaded her tits and used them to pull her into me. Beth sat next to Nicole and watched silently. I plopped my cock out of Nicole's ass and thrust it into Beth's face. Beth sucked my cock eagerly and then guided it into her friend's ass. I drilled Nicole's ass through a wild orgasm. While she recovered, I sawed my cock in and out of her drenched pussy.

When Nicole recovered, I pulled my dripping cock from her pussy and let Beth suck it clean. I returned my cock to Nicole's pussy and fucked her through a quick, but hard orgasm. I slid my slick cock all the way into her ass. While keeping my balls pressed against her wet pussy, I maneuvered her to sit in my lap in the sofa.

Beth helped Nicole arrange her feet for maximum leverage. I spread Nicole's cheeks and she started to bounce her ass on my cock. As soon as Nicole established a dynamic rhythm, Beth knelt between our legs and ate Nicole's pussy through a got-wrenching orgasm. Beth continued to eat Nicole until she recovered. Beth stood up and bent over Nicole for a kiss. That was their first kiss, but very deep and lewd. When they broke the kiss, they were both gasping.

I helped Nicole get off my cock and let her suck it. Then I pulled her astride me. Beth held my cock for her as she lowered her ass on it, swallowing it entirely. I watched her face twitch as she rode my cock with her hot ass. Holding her ass, I helped her pace herself. She got her ass fucked to a new hard orgasm. I had to grip her ass tightly as she convulsed in ecstasy.

While she sucked my cock, I thought she had already earned a big come load for her ass. I laid her on her back in the sofa and doubled her legs over her head. I knelt above her ass and pushed my cock all the way up her ass. With her legs under my shoulders, I started to fuck her ass briskly. Within a few minutes, she was coming beneath me and I was ready to come myself. I slammed deep inside her and let go, spewing thick come deep inside her sucking rectum. That was a very wild orgasm for both of us, leaving us drained.

My cock slipped out of her ass. I dipped two fingers in her come-filled ass and scooped a lump of come. I had her suck the come off my fingers. She did very hungrily. I held her legs over her head as I let her suck my sticky cock clean. Meanwhile, Beth pushed the triple ripple plug into Nicole's ass, locking the come inside. I cleaned Nicole's drenched pussy with my tongue before we headed to the shower.

We went to bed naked, Nicole sleeping between Beth and me with the plug rooted between her cheeks.

"You are well on your way to becoming a slut," I whispered as I wrapped my arm around Nicole, pressing my crotch against her ass. "Absorbing my come with your bowels will help you get there faster."

By the time I drifted into sleep, my cock was hard and pushing between Nicole's legs. She thrust her ass back into me. In the morning, I woke her up by teasing her nipples. We sixty-nined. Beth woke up and took turns with her on sucking my cock. I fucked Nicole to orgasm before we showered. Beth and Nicole stayed in the bathroom for a while, prepping and primping for a full day of sex.

Finally, Beth and Nicole came out. Beth was wearing a halter-top and matching hot pants. Nicole was wearing a crop top and the butt plug. Beth went to the kitchen to prepare breakfast as I sat Nicole next to me. I fingered Nicole's bare pussy and she stroked my cock while we sucked each other's tongue. When we broke the kiss, I let her suck my sticky fingers. I sawed my fingers in her mouth as I guided her to her knees on the floor. She gave me a thorough cock sucking while Beth worked in the kitchen.

"Breakfast is ready," Beth called.

Nicole and I went to the dining room, my hand holding the base of the plug between her cheeks. Before she had a chance to sit down, I bent her over the dining table and slid my cock into her pussy. I slipped my hands up her top. I gripped her tits while I fucked her pussy to a quick orgasm.

While she panted, I gently removed the plug from her ass and pushed it into her mouth. She sucked it while I licked and tongue probed her asshole, drooling into it. She spread her ass with both hands as I drooled on my cock head and then popped it into her ass. I held her arms by the elbows and started to thrust in her ass. Beth ate leisurely and silently as she watched us fuck energetically.

It took me several minutes to deliver Nicole's morning ass fuck. After she finished coming on my cock, I pulled out and let her recover as I walked to Beth.

Beth interrupted her breakfast and deep throat my cock lovingly for a few minutes. Then she stood up and bent over the table. I obliged her by lowering her hot pants and slicing my cock into her pussy. I fucked her pussy gently until it got drenched. Then I drilled her fast to orgasm. She was still gasping when I pushed my cock up her ass. I fucked Beth's ass until Nicole finished her breakfast. I pounded Beth's ass into a wild orgasm and then pushed my cock into Nicole's mouth.

Nicole sucked my cock for a few minutes before I bent her over the table. She spread her ass and I drove my cock in. When my balls touched her sticky pussy lips, I guided her hand to her pussy.

"Make yourself come," I said as I thrust gently into her ass.

Holding her hips, I fucked her ass gradually faster as her heat built up. When she was about to come, so was I. As she convulsed and gasped, I dumped my first come load of the day deep inside her twitching rectum.

As soon as her asshole finished draining my balls, I plopped my cock out. I turned her around, keeping her bent over at the waist, and pushed my cock into her mouth. While she cleaned my cock with her mouth, Beth knelt behind her. Beth guided Nicole's hands to her ass as she started to lick her asshole. Nicole spread her come-filled ass wide and Beth sucked it hungrily.

When Beth finished with Nicole's ass, she nudged her down to her knees and tilted her head up. Beth guided Nicole's mouth open.

"Open wide for dessert," I said.

Nicole bravely held her mouth open. Beth dribbled all the come in her mouth into Nicole's open mouth.

"Swirl it around with your tongue and then swallow it all," I directed.

Nicole did as she was told.

"Good girl," I commended. "As an integral part of your training, I am going to make you a come eating slut."

I pulled her up and gave her a deep kiss, tasting my come in her mouth. As we kissed, I worked two fingers up her ass and two other fingers up her pussy. I worked my tongue in and out of her mouth as I worked my fingers in and out of her pussy and asshole, making her moan in my mouth.

"I am proud of you," I said as we broke the kiss, my fingers still pumping within her nether holes.

We went to the living room. I sat back, spreading my knees. Beth and Nicole teamed up on my soft cock. It did not stay soft for long. For several minutes, they got their throats well fucked with it. When they finished, Beth led Nicole to the loveseat, walking on their knees. They bent over the loveseat and pulled their asses open.

"Come and fuck us in the ass," Beth called.

"Get your asses ready first," I said.

Beth drooled in her hand and then reached back for her ass. She fingered her ass with one and then two fingers. Nicole followed suit.

I walked over and hunkered over Beth's ass. I removed her hand from her ass and sucked her fingers. I drooled on her asshole and then pushed my cock in. Bracing my hands on either side of her, I started to fuck her. I fucked

her ass to orgasm and moved to Nicole's, which I gave the same treatment. Taking turns like that, I fucked their asses through a couple of more orgasms each.

At the end, I emptied my balls within Beth's ass. I let Nicole clean my cock with her mouth, and then I guided her mouth to Beth's come-filled ass.

"Being a good girl, you have to return the favor," I said.

Beth spread her ass wide and Nicole dived in. I finger fucked Nicole as she went through her new experience. She did a good job sucking my come out of Beth's ass and then spitting it into her mouth. Being a good host, Beth pulled Nicole for a deep kiss and shared the bounty with her.

We rested for a few minutes with Beth and Nicole on either side of me.

Later, I led Nicole to the bedroom. We sixty-nined for several minutes. I tongue fucked her pussy and asshole while she fucked her throat with my cock. I laid her on her stomach and lay on top of her. I slid my cock up her ass and proceeded to fuck her very leisurely, enjoying the way her asshole milked me. We did that for over an hour while Beth worked around the house. With my hand between her thighs, I made her come several times.

As her orgasms twisted her body, she continued to thrust her ass higher until she was on her knees. I drilled her into a wild orgasm. Beth had joined us before Nicole finished gasping. I rolled Nicole onto her back and fucked her mouth. Beth lay next to her. I started to switch my cock between their mouths. After half an hour of that, I was ready to pump my come into Nicole's eager mouth.

"Don't swallow," I grunted as my cock swelled and twitched, pumping thick come into her sucking mouth.

Nicole thoroughly milked my cock into her mouth.

"Open your mouth," I directed. She opened her mouth, showing the white come in the back of her throat. "Don't swallow; keep it in your mouth as long as you can."

It was essential that Nicole would be able to hold a come load in her mouth for a long time. I dangled my soft cock in Beth's mouth and she went to work. Several minutes later, I was fucking her throat as she sucked contentedly. Nicole was still holding up. I pulled her until her ass was at the edge of the bed. I raised her legs and pushed my cock into her pussy.

"If you swallow, I'll take it out of you," I said to Nicole as I fucked her gently.

The poor woman could only moan. I fucked her at an easy pace for ten minutes and then I started to increase my pace gradually. It was getting harder and harder for her to keep the come in her mouth as her need to pant continued to increase. When her orgasm was very near, she swallowed her mouthful and then gasped sharply. I drilled her all the way through her orgasm and then back down.

"You did well," I said as I sawed my cock within her slowly. "Next time, you can do better."

Beth graciously cleaned my dripping cock with her mouth. I gave her a big kiss, during which I fingered her pussy. I arranged her on her hands and knees astride Nicole and pushed my cock into her pussy. Soon, Beth bathed my cock in her juices. I pulled my cock out of her and pushed it between Nicole's lips. I switched my cock several times between Beth's pussy and Nicole's mouth while I worked Beth to orgasm. I held Beth's hips tightly and drilled her through a hard orgasm. I gave her a few seconds to catch her breath while I fucked her gently.

Next, I removed my dripping cock from Beth's drenched pussy and pushed it into her ass. I used Nicole's mouth to keep my cock slick, switching my cock between Beth's ass and Nicole's mouth several times on the way to orgasm. When Beth's orgasm died completely, I took my cock out of her ass and fucked Nicole's mouth with it, interrupting that only to dip my cock in Beth's drenched pussy.

After Nicole licked the pussy juice off my cock, I thrust a few times in Beth's wet pussy, soaking my cock again in her juices.

"Clean her pussy with your tongue," I instructed Nicole as I dismounted her face.

As Nicole started to use her tongue on Beth's pussy, I raised her legs and pushed my slick cock into her ass. Beth did not stay passive while Nicole swabbed her pussy with her tongue; she rode Nicole's tongue wildly. She came seconds before Nicole did on my cock.

It was Beth's turn to eat Nicole to orgasm come while I fucked her in the ass. Beth made Nicole come before I made her come on my cock. I removed my cock from Beth's ass and she mounted Nicole in the sixty-nine position. Each woman sucked the other's drenched pussy dry, but, in the process, made her come.

Beth and Nicole knelt down on the floor. I took turns fucking their throats and slapping their faces with my sticky cock. In the end, I shot half my come load in either one's mouth. They pulled each other into a deep kiss.

They traded my come back and forth for almost a minute before each swallowed her share. Finally, they both cleaned my cock with their mouths.

We showered and then went out to the mall. The women wore short tight dresses without any underwear. Nicole was wearing the triple ripple plug. She wore it well. Beth drove. Nicole and I were kissing throughout the drive while I fingered her pussy and pumped the plug in her ass. We spent a couple of hours in the mall, doing regular shopping. On our way back, we made our grocery shopping mainly to get the women to squat without panties. That was not new to Beth. On the way home, I let Nicole suck my cock while I worked the plug within her ass.

By the time Beth put the groceries away, Nicole was bouncing on my cock. Beth knelt on the floor and started to pump the plug gently in Nicole's ass. When Nicole started to come, Beth yanked the plug out of her ass, driving her really wild. Beth removed my slick cock from Nicole's wet pussy and pushed it into her newly empty asshole. Nicole resumed riding me but with her ass. Beth occasionally pulled my cock out and sucked it to keep it slick.

For the following hour, I fucked Nicole up the ass in different positions. We used Beth's oral services constantly to keep my cock and Nicole's asshole wet. At the end, I emptied my balls deep inside Nicole's rectum and stuffed her ass with the plug, locking the come inside.

We skipped lunch for an early dinner. Beth cleaned out Nicole's wet pussy before we left for dinner. On the way to the restaurant, Nicole sucked life back into my cock as I fingered her pussy back to wetness. Sitting in a booth in the restaurant, it was very easy for me to finger Nicole's pussy occasionally as she parted her knees wide. While we ate, I spread some butter on the tip of my finger and then teased her clit all the way to orgasm.

On the way back home, I removed the plug from Nicole and sat her ass on my hard shaft. My come had liquefied and her bowels had already absorbed most of it. She bounced herself to a new orgasm by the time we got home. I returned the plug to her ass before we got off the car.

Beth and Nicole went to the bathroom to do some prepping and primping. When they came back, they were ready to do anything. We had an hour to enjoy before going out to the nightclub. We started that hour with a double deep throat. My cock went freely from a cock-hungry hole to another, causing wild orgasms wherever it went. When it was time, I let Nicole's twitching rectum suck the come out of my balls.

With their pussies and assholes wet and sticky, we left to the nightclub. This time, I did not plug Nicole's ass; I wanted my come to slosh within her ass as she walked or danced. Furthermore, I fingered her pussy and let her suck my cock all the way to the nightclub. I wiped my dripping fingers with her asshole before we went in.

Once more, I took Beth to dancing and left Nicole fend for herself. Nicole hardly spent any time alone. She spent most of her time on the dance floor. She got her ass felt up, but her partner did not know it was loaded. She had to break another heart when we left.

As soon as we got in the car, Nicole fished out my cock. She sucked it a little and then sat on it, plugging her ass with it. Her rectum was wetter than it had been earlier when we left the restaurant. She bounced through two lively orgasms by the time we were home. I spread her pussy juices over her asshole while she cleaned my cock with her mouth.

In the house, I arranged Nicole on her knees on the sofa and knelt on the floor. I licked her pussy dry and gave asshole a few licks before I sank my cock into her pussy. In a couple of minutes, her juices were flowing. She fucked back, moaning happily. I withdrew my slick cock from her pussy as I drooled on her asshole, and then I pushed my cock into her ass. Holding Nicole's hips, I pumped her ass briskly. She gasped and grunted fucking back eagerly.

Beth called Nicole's husband and handed the handset to Nicole.

"Talk to your husband," Beth said. "Let him know how well you are doing."

"Hi, honey," gasped Nicole.

She paused.

"I am doing great," she gasped. "I am getting fucked in the ass deep and hard. That's why I can't talk straight."

She paused.

"At first, I used to feel weird when I had something up my ass," she gasped. "Now, I feel weird when I don't. It feels so good it's addictive."

She paused.

“We have just returned from the nightclub,” she said. “He fucked me up the ass and came inside my ass before we went out. I danced with his come in my ass. It was really wild. Now, he’s churning his come within my bowels with his hard cock.”

Beth climbed up and sat on the back of the sofa, placing her legs on either side of Nicole and supporting her back on the wall. I fucked Nicole harder.

“I got to go, honey,” she gasped. “I am about to come and Beth shoved her pussy in my face. I have to eat her. I’ll talk to you later. I love you.”

Nicole came while eating Beth’s pussy hungrily. I continued to fuck her ass, but at a slower pace. When she recovered, I picked up the pace again. She made Beth come in her mouth. Beth moved off after Nicole sucked her pussy dry.

Beth sat on the floor and inserted her head between Nicole’s thighs. Beth licked Nicole’s dripping pussy while I fucked Nicole’s ass to orgasm. After Beth cleaned Nicole’s drenched pussy with her tongue, I removed my cock from Nicole’s ass and let Beth clean it with her mouth.

Beth got on her knees next to Nicole. She thrust her ass out as she wetted her fingers in her mouth. She reached back and fingered her ass with one and then two fingers. It was obvious what she wanted. I thrust my cock into her pussy for a few strokes and then moved it to her ass.

As I fucked Beth’s ass, I wetted two fingers in my mouth, then in Nicole’s pussy and finally pushed them into Nicole’s ass. I used my free hand to finger Beth’s pussy. Soon, I switched my cock to Nicole’s ass. I moved the fingers I used earlier on Beth’s pussy to her ass. I switched my cock from an ass to the other several times, fucking an ass while fingering the other. I made them come twice each.

They both sucked my cock. I arranged Nicole on her hands and knees on the floor and sank my cock in her ass.

“This was not the first time Nicole and I share a guy,” Beth said as I started to fuck Nicole.

“When was the first time?” I asked.

“It happened a while back,” Beth said. “It happened just before I met you. I was between relationships, feeling really down. Nicole shared her boyfriend with me. For those couple of weeks, he fucked me more than he did her, and she didn’t complain. I am glad I could finally return the favor.”

“Beth, I didn’t do you a favor then,” Nicole gasped. “I had to stand by you. What are friends for? Now, you are doing me a favor because I have a husband of my own.”

“No, Nicole, I am not,” Beth said. “It’s the same. You needed extra cock and I am very glad to help.”

Beth knelt before Nicole and they hugged. Nicole continued to buck her ass for my cock while she hugged Beth. I guided Nicole’s right hand to Beth’s ass as I guided Beth’s left hand to Nicole’s pussy. I guided Nicole’s left hand to Beth’s pussy.

“Make each other come,” I said as I slowed down the rhythm of fucking Nicole’s ass.

They started to finger fuck each other. I used my cock to control Nicole’s orgasm. When Beth was about to come, I stepped up my pace. They came together. I held Nicole’s bucking hips tightly and drilled her twitching asshole into a gut-wrenching orgasm. When her orgasm died down, I gently removed my cock from her ass and guided Beth’s right hand to her ass.

They continued to hug while each had two fingers up either of the other’s nether holes.

“This hug should never be forgotten,” I said as I walked towards the camera.

I set the camera auto timer and then returned to Beth and Nicole.

“If this isn’t real friendship, I don’t know what is,” I said, pushing my cock between their heads.

When the camera clicked, they were licking my cock from both sides. I removed my cock and guided their mouths to each other.

“This is more like it,” I said as they shared a long, deep kiss that I also captured with the camera.

When they broke the kiss, I pulled their fingers out of each other’s holes and sucked them clean. I sat in the sofa and pulled Nicole astride me. She treated herself to three anal orgasms while I played with her tits and sucked her erect nipples. She and Beth sucked my cock for a few minutes, and then I took a rest while eating and fingering their pussies and asses. By the time they recovered from their orgasms, we were all ready for a new round. We moved to the bedroom.

Although I toured their six holes within the next hour, I spent most of the time in Nicole's ass and then Beth's mouth. At the end, I filled Nicole's ass with come. I inserted the plug up her ass as soon as I withdrew my cock out. I let Nicole clean my cock with her mouth before we all showered and then went to bed.

"This is going to be my first time I miss Sunday church ever since I got married," Nicole gasped, bucked her ass back for more of my cock early in Sunday morning.

"No, Nicole," I said. "You won't miss Sunday church on our account. It's rare to find a religious slut. We'll get you there."

I made Nicole come twice before I dumped my first come load of the day deep up her rectum. She cleaned my cock with her mouth while Beth chose clothes for her. The clothes Beth chose were no more than a revealing mini dress, high heels, a hat, a long coat and no underwear.

"This is going to be your first time in church with come up your ass," I said to Nicole as Beth helped her get into her clothes. "Be careful not to leak though. That would be very sinful."

We drove Nicole to church. I let her suck my cock on the way. We made a trip to the mall. On our way back from the mall, we picked Nicole up. I inspected her pussy as soon as she got in the car. She was very wet.

"It must have been a very religious experience to attend the service with an ass full of come," I said, fingering her pussy.

"Yes, it was," she gasped.

I let her suck my cock for a minute while I continued to finger her. I let her ride my cock with her wet pussy for a little while before I fucked her ass. She came just before we arrived at home. I had her suck my cock before we got off the car.

Nicole had already taken to my cock up her ass like a duck to water. She was a delight to fuck in any of her holes too. After brunch, I started to work on her anal gapes, an essential part of her training.

We kicked off our main activity with a nice long ass fuck for Nicole. She was on her knees with her face, shoulders and chest on the carpet. Beth took a picture of her ass before penetration. We made sure my cock and Nicole's asshole remained generously lubed with lube and Beth's saliva. Beth kept a water bottle nearby.

After half an hour of deep pumping, Nicole's asshole was well relaxed. Beth spread Nicole's cheeks wide and I started to take my cock out occasionally to watch the progress of Nicole's anal gapes and allow Beth and me to drool inside her open rectum. I occasionally let Beth suck my cock and bathe it in her drool.

An hour later, Nicole had not come yet, but her asshole started to gape beautifully. Beth took a few pictures to record the progress. I continued to fuck my cock in and out of Nicole's ass for fifteen minutes, spending half the time in her ass and the rest in Beth's mouth. I drilled Nicole's ass through orgasm. When she came, I emptied my balls in her twitching rectum.

When Nicole recovered, I gently removed my cock from her ass, allowing Beth to take a picture of Nicole's come-filled open rectum.

"Squeeze in pulses as tight as you can," I instructed Nicole as I pushed my cock back in her ass.

Nicole's asshole milked my cock for a minute, and then I gently pulled out. Her well-used asshole closed shut. She licked my cock clean. I kissed her on the mouth before I sat back for a long rest.

"You did really well," I commended.

"I can't believe my asshole lasted that long," she said.

"Your asshole is no longer virgin," I said. "It can last for ever as long as it's well lubed."

While I rested, the girls sucked my cock back to life. They played with my hard cock leisurely.

"My ass really needs some of this," Beth said.

Beth had watched my cock pump Nicole's asshole for a long while. It was about time it pumped hers. She drooled on my cock generously before she climbed onto me. I helped her squat in my lap as Nicole held my cock for her. I spread her cheeks apart as she lowered her eager ass onto my cock, sucking it up to the balls. I kept holding her ass as she bounced up and down, milking my hard shaft.

"Get onto the sofa," I instructed Nicole. "Get on your knees with your face down and ass up and out."

Nicole climbed onto the sofa and thrust her ass out my way.

"Good girl," I said as I dipped my forefinger in her pussy. "This position will help you digest the come faster."

Nicole moaned as I fingered her pussy, getting it and my finger wet. I moved my finger to her asshole. I teased her ass, working my finger halfway in and out of her. She moaned and milked my finger. Beth occasionally reached out and fingered Nicole's pussy.

Beth bounced her ass steadily on my cock, but she was in no hurry. She needed a nice long fuck. She came after ten minutes of solid ass fucking. I held her ass with both hands as she convulsed on my cock.

"I am sure Nicole's ass needs some time to recover from all the reaming and stretching it received," Beth panted after she recovered from her orgasm.

Beth picked up the pace, bouncing her ass rhythmically into a new round of solid ass fucking.

"Your asshole hasn't recovered yet," I said to Nicole as I fingered her asshole. "Milk my finger to recover faster and get more of my cock deep where you came to love it."

Nicole's asshole milked my finger as Beth's milked my cock. Beth did not dismount me until she came twice more. She stood up and bent over, pushing her ass in my face. I gave her asshole a tongue kiss and then cleaned her sticky pussy with my tongue as I continued to finger Nicole's ass.

Reaching out to the side, I let Nicole suck my fingers. I returned my hand to her ass and pushed two slick fingers all the way in.

"It's your turn now," I said to Nicole. "You need to suck my cock and make sure it's really slick and hard first."

My fingers continued to squirm within Nicole's ass as she maneuvered herself around and then gulped my cock in her mouth. Beth fingered Nicole's pussy as she watched. Nicole sucked my cock thoroughly and slobbered on it. She gave it a fresh thick coat of drool before I helped her squat on it.

Nicole bounced on my cock for about fifteen minutes until she came. I steadied her while she convulsed in orgasm. I continued to bounce her ass on my cock until her orgasm died completely.

"Beth, I want you to check out her gape," I said. "Nicole, pull your cheeks wide apart."

As Nicole spread her own ass, I pulled her up by the backs of her knees, plopping my cock from her ass.

"Does it still gape?" I asked.

"It sure does very nicely," Beth said as she took a picture of Nicole's gaping asshole.

I lowered Nicole's ass on my cock, impaling her completely. Beth showed me the picture in the camera's little LCD screen.

"Now, you are going to suck my cock until I come in your mouth," I instructed Nicole. "But you are not going to swallow it. You are going to hold my come in your mouth for half an hour at least. We'll increase that time by fifteen minutes daily. By the time you are done, you should be able to hold come in your mouth for over two hours. If you swallow or lose the come in your mouth before you are allowed to, you are going to get spanked really hard. It is a part of becoming a come-eating slut. A good slut does what she is told when she is told."

As Nicole dismounted me and gulped my cock in her mouth, Beth disappeared for a minute. I pushed two fingers up Nicole's ass. Beth returned with a special lingerie set that we had prepared for Nicole. It consisted of a black sheer bra and a matching thong. Beth had sewed special symbols on the sheer material.

"Nicole, that's your title and graduation uniform," I said, pointing to the set that Beth demonstrated. "That brown star with the pink center on the left bra cup symbolizes that you are an anal slut capable of perfect gapes. The white star on the left bra cup symbolizes that you are a ferocious come-eating slut. You also find the brown star on the front of the thong and the white star on the back. That flesh colored cross with the cock head above the brown star means that you are a religious slut. You have to be a super slut to earn that uniform and the title it stands for. You have to work hard throughout the following week. Do you think you are up to it?"

"Yes," she said, her asshole contracting around my fingers.

"That's my girl," I said. "Now, suck my come."

It was not hard for Nicole to make me come, but the horny slut wanted to play with my cock for a while. She enjoyed my fingers up her ass, especially when I inserted my ring and little fingers into her pussy. She finally made me come. She sucked my come-spewing cock thirstily, milking it with her hand. I removed my fingers from her holes and she sat back.

Beth knelt before me and started to work on my cock. While she sucked my cock, she used her left hand to finger Nicole's pussy. Nicole moaned, humping Beth's fingers. She soon pulled her knees back, making her asshole very accessible to Beth. Beth pushed her slick fingers into Nicole's ass while she dipped her ring and little fingers

into Nicole's pussy. She switched her fingers back, using her index and middle fingers on Nicole's pussy and her ring and little fingers on her asshole. I reached out and fondled Nicole's tits as she moaned happily.

My cock was soon hard and ready to feed needy holes. Beth needed it for herself. She straddled me and guided my cock into her pussy. She had Nicole suck her fingers that had been inside her holes earlier. Beth stroked her pussy up and down my cock a few times, and then she guided my cock to her asshole. She removed her fingers from Nicole's mouth and sucked her fingers before she put both hands on my shoulders.

"They tasted of her pussy and asshole earlier," Beth gasped. "Now, they taste of your come."

As she bounced, I spread her ass with both hands and paced her. She treated my cock to a nice anal massage for several minutes before she came and then dismounted me.

Pushing Nicole's legs over her head, I got off the sofa. Beth guided my cock into Nicole's pussy. I fucked Nicole to orgasm, then, while she continued to sob through her nose, I pushed my cock up her ass. I drilled her ass to another orgasm and then slowed down my thrusts.

"Open your mouth," I said.

When she opened her mouth wide, I saw the molten white come in the back of her throat.

"Good girl," I commended. "Swirl it around and then swallow."

She swallowed and then opened her mouth to show it empty.

I removed my cock from her ass, which Beth spread wide to make it gape. I drooled inside the open hole and then returned my cock for a few more strokes. I plopped my cock out of Nicole's ass and shoved it in her mouth.

We retired to the bedroom. There, I spent the following two hours fucking their every hole. Finally, I came inside Beth's ass and had Nicole eat it out. We rested and took a nap.

When we woke up, they sucked my cock while I fingered their holes. Beth drooled on my cock and then rode it with her ass to orgasm. She dismounted me and sucked my cock back to glistening wetness. She let Nicole mount me and guided my cock to her ass. Nicole sucked my cock up her ass and started bouncing.

Beth went to the kitchen to prepare dinner while I continued to use Nicole's horny holes.

"Dinner is ready," Beth called over an hour later.

I came inside Nicole's ass before we joined Beth for dinner.

After dinner, Beth delved with her fingers inside Nicole's ass and fed her my liquefied come. Meanwhile, I used my hard cock on Beth's pussy and ass. When they finished, I moved my cock to Nicole's ass while Beth did the dishes. I made Nicole come before Beth pulled her away for a prepping and primping session.

We had a long evening session. I used my tongue, fingers and cock on every hole available. At the end, I came up Nicole's ass. We plugged her ass and then showered and went to bed.

During the weekdays, we had morning quickies and long evening sessions. Nicole progressed nicely. We had her talk to her husband nightly with my cock thrusting up her ass.

Friday night came too soon. We went to a nightclub with a come load and the butt plug up Nicole's barely covered ass. Beth and I sat at our table and watched Nicole dance for over an hour. Finally, I motioned her and we all left.

In the car, she sucked my cock to full hardness. She bathed it with her copious pussy juices before she sank it up her ass. She bounced her ass to orgasm before we got off the car.

At home, we put her through another ass-gaping and come-eating session.

On Saturday, Nicole passed the two-hour oral come retention mark. We took her out to dinner with the plug up her ass. Before we went to the nightclub, I dumped a come load up her pussy and then another in her mouth. Her pussy was sticky with her own juices. Like that and without panties, we took her to the nightclub. She had to dance silently. She passed with flying colors.

On Easter Sunday morning, she had to go to church. We prepared her like we had last Sunday. This time, she had an extra come load in her mouth. She wore no panties and she was so excited her pussy was dripping. Furthermore, I fingered her pussy all the way to church.

"Remember that the church is a holy place," I said as we dropped her at church. "Swallowing come, leaking pussy juices and leaking come out of your ass are strictly prohibited. You have to come back the way you are now."

She did not have a problem to keep the come inside her.

“Swallow and then suck,” I directed, fishing my cock out.

We used her dripping pussy to lube my cock before I skewered her ass with it. I moved her ass off my cock several times and had her suck my cock to clean the remnants of come out of her ass.

When we reached home, we had our goodbye marathon fuck. I pumped two come loads up Nicole’s ass and let her eat a third one out of Beth’s.

Nicole was on her back with her legs pulled over her head when I pumped a come load deep inside her twitching pussy. I left her on her back while I had her revive my cock with her mouth. I used my new boner on Beth’s pussy and ass, making her come a few times, before I returned it to Nicole’s mouth. I fucked Nicole’s throat for a long time, building up a big come load in my balls.

“Get ready to receive it,” I panted, warning Nicole, as my orgasm hit.

After I filled Nicole’s mouth with come, I slid the triple ripple plug up her ass and a short thick dildo in her pussy. Beth dressed her in her double star sheer lingerie set and then in a mesh micro mini dress and six-inch high heel sandals. We also gave her a copy of the video log we made of the entire experience. Digital photos would follow by electronic mail.

Dressed like the slut she was and with disheveled hair, we led her to her car. We kissed her on the cheek before we let her go. She waved to us as she drove off. She was a highly trained, well-used slut on her way back to her anticipating husband. She was full of come and had specific instructions on how to proceed to convert her husband to the cuckold we envisioned he should be.

As soon as Nicole’s car disappeared, Beth called her husband.

“Your wife now is a world class anal come-eating slut,” Beth said over the phone. “She holds a brown star, a white star and a flesh cross, a very prestigious title. When we put her in her car, she had at least a full come load in each of her holes. So, she may taste of come when you kiss her soon.”

She listened a little.

“I am glad you feel like that,” she said. “When you see her, before you exchange any words, give her the deepest, hungriest kiss you know how and don’t pull back.”

She listened briefly.

“If you pull back,” she said, “she’ll turn around and come back to the people who accept her like the wild slut she now is and keep the come pumping into her body. If you can’t make her feel welcome, we can and we will.”

Early that night, we received a call from Nicole. Her husband managed to fuck her in the ass. He fucked her in all her holes, but did not last long in any. He was surprised when he tasted my come in her mouth when they first kissed. She did not give him a chance to pull back. She passed all the come to his mouth and had him swallow it all.

“I saved it for you for over an hour,” she said. “I gave up swallowing it just for you, my darling hubby; enjoy.”

She sucked his cock to a quick orgasm and swallowed his load. She raised and spread her legs, pulling her panty crotch to the side. She had him pull out the dildo and lick it clean before he could eat her pussy dry. She let him fuck her and come in her pussy. She used her fingers to eat his load.

She sucked his cock to full hardness, before she let him inspect her tightly stuffed ass. She let him pull the plug from her ass and had him lick it clean.

“You have to eat my ass if you want to fuck it,” she declared, holding her cheeks. “Eat it clean and then fill it with spit to make it ready.”

He came too fast inside her ass. She had him use his fingers to scoop out his come and feed it to her. He did well enough to deserve watching his wife and me go at it over the following weekend in person in the comfort of their own home.

The End

Easter Bunnies

My wife invited her married best friend to spend a week with us. I used to fantasize about her friend when we were in college. I naively thought that my wife would get more sex than she expected. My wife and her friend had other plans—and better plans at that. They wanted to share. Two *chocolate* bunnies stood out in every aspect.
