

Nightingale Minigales 2012

Please read [disclaimer](#) and [summary](#) at the end of document

When I returned home on Friday evening to start my weekend, I did not expect to find my wife having a girl talk session with two of her girlfriends. Beth introduced her girlfriends as Donna and Kelly. Donna was a cute black lady with a lovely smile, and Kelly was a redhead with nice looks.

As I shook hands with Donna and Kelly, I thought that they gave me funny looks. I dismissed that and excused myself. I went upstairs, showered and relaxed for a while, lying down to rest from the daily work.

An hour later I went down to the living room. As the ladies saw me, they went completely silent. I also noticed those funny looks again. I had to know.

"Am I interrupting something?" I asked. "Is there anything wrong? Do you want me to go away?"

"On the contrary, honey," said Beth. "We want you to stay."

As Beth said that, Donna and Kelly snickered.

"You, girls, are hiding something," I said. "I don't mind, but you don't have to act funny about it."

"We want you to know," said Beth.

"Okay, I am all ears," I said as I sat on a couch across from Donna.

"Donna and Kelly want to watch us make love," said Beth.

"Excuse me?" I said. "What was that again?"

"They just want to watch us make love," Beth said.

"I didn't know we were porn actors," I said, amazingly keeping my cool at Beth's utterly ridiculous statement. "They can grab any dirty movie at any adult video rental if they want to watch love making."

"They don't want to watch any 'love making,'" said Beth. "They want to watch us: me and you."

"I need to talk to you in private," I said. "Ladies, please excuse us for a minute."

Presents

A Minigale

Girls' Night In

Beth followed me to the kitchen. I turned around to face her.

"What's going on here?" I asked quietly.

"We were once talking about sex and stuff, and the conversation got a little graphic," she said. "My girlfriends frequently don't have orgasms with their husbands. They didn't believe that I had several every time we had sex."

"Okay?" I said.

"I tried to convince them, but they didn't hear of it," she continued. "They said they probably wouldn't believe it even if they witnessed it, so I said, 'Okay, I'll let you watch!' It was stupid, but this is the way it happened."

"Okay, Beth, I am going to let you have it your way," I said. "You are going to owe me big because it was very stupid as you put it."

"Thanks, honey," she said, her face lighting up. She kissed me. "I'll make sure you'll like it."

We returned to the living room and joined our guests.

"So do our guests have a free ticket to a hot all-out show of ours or what?" I said.

"Not really," said Beth. "They have free admission, but they need to buy tokens. They have to kiss your cock on the head before the show begins."

"Let's get paid," I said as I stood up and unzipped my pants.

The three girls watched intently as I pulled my partly hard cock out. After all, it was the first time I expose myself to women I had never met before. I moved toward Donna and pushed my cock near her face. By that time, the situation turned me on, and my cock had hardened the rest of the way. It stood proudly in her face and throbbed. She held her breath and swallowed.

“Hold it and kiss it,” instructed Beth.

Donna held my cock and moved her head forward hesitantly. She tentatively kissed my pulsing cock head, making my cock twitch. I moved to Kelly, and she kissed my cock a little more eagerly. I moved back to Beth.

“Nice try,” said Beth as she stood up. “That barely buys you this.” She pulled her dress up and bent over, showing her friends her panty clad ass. “This is not a cheap show. You got to do better than that. I’ll show you.”

Beth sat down and pulled me toward her, cock first.

“This is how you kiss a delicious cock,” she said.

Beth kissed my cock head and then took it into her mouth. She licked and sucked my cock head for about half a minute. She stuck her tongue out and flicked it at my cock head.

“You are not required, but you are welcome, to do this,” Beth said before she took my cock all the way down her throat. Beth deep throat me for another half a minute. “It’s optional.”

My throbbing cock glistened in Beth’s saliva.

“Give them a second chance, honey,” said Beth as she sat back.

“Sure,” I said as I moved back to Donna.

Donna took a deep breath before she opened her mouth and closed her lips around my cock head. As she kissed my cock deeply if tentatively, I put a hand behind her head and pulled her gently. Before she knew it, she was sucking halfway down my shaft and loving it. I could sense that she left my cock reluctantly when she felt it was her friend’s turn.

Kelly did not hesitate to open her mouth and take my cock in. She did not show any pretense that she was doing it reluctantly. On the contrary, she made it obvious she was enjoying herself. She did not go as far as deep throating me, but she enjoyed over half of my cock in her mouth. Finally she had to leave my cock reluctantly.

Beth and I kissed deeply while my left hand stroked her inner thighs. As we kissed, I squeezed her tits gently and then squeezed her panty-covered hot pussy. I had her stand up and turn her ass my way. I hiked her dress and had her hold it while I licked her haunches and ass cheeks. Her thong covered very little of her ass.

Bending Beth over, I licked her pussy through her thin silky panty crotch. I could taste and feel her heat. I squeezed her tits gently while sucking her leaky pussy, making her moan. I licked her left ass cheek and then stood behind her, holding my cock. I rubbed my cock head over her ass cheek and then beckoned to Donna.

“Hold my cock and rub it over her ass,” I said, guiding Donna’s right hand to my cock.

Donna was excited at the opportunity. She eagerly rubbed my cock head over the hot ass. Meanwhile, I took the chance to look down her cleavage.

“Come over here,” I called Kelly.

She joined us eagerly.

“Hold it by the base and slap it over her ass,” I instructed her as I guided her hand to my cock.

Kelly was no less eager than Donna to take an active part in the activities. After a short while of ass slapping, I had Kelly rub my cock head up and down Beth’s pussy through the thin wet panty crotch. Beth moaned and pushed back. I knelt down, taking my cock from Kelly, and kissed Beth’s pussy.

“Now each from a side, lower her panties and take them off,” I directed Donna and Kelly.

As the two women bent over and lowered Beth’s panties, I pushed my hands up their skirts and groped their bare cheeks. They gasped at the first touch and blushed, but did not push my hands away. I squeezed their asses and removed my hands. I stood up and brought my cock to Beth’s wet pussy.

“Donna, it’s your turn,” I said. “Rub my cock head over your friend’s dripping pussy. Get them ready.”

“I’d love to do that, but I am sure they are more than ready,” smiled Donna as she held my cock.

Donna rubbed my cock head up and down Beth’s glistening pussy lips. Beth moaned and humped back. Donna gave Beth’s clit special attention. I knelt down, holding Donna and Kelly’s right hands. I guided their hands to Beth’s ass, putting Donna’s hand on Beth’s right cheek and Kelly’s hand on the other cheek.

“Just pull it a little apart,” I said as I poised my mouth near Beth’s asshole.

Beth gasped when my tongue tip touched her puckered asshole. As the ladies spread my wife’s ass for me, my hands were free, and I used them to stroke the backs of their legs. I met no resistance, and my hands ascended gradually until I was feeling up the women’s asses while eating my wife’s. My tongue took good care of Beth’s

relaxing asshole. While my tongue probed her asshole gently, my fingertips tickled her friends' panty-clad pussies, making them gasp and hump my fingers.

Beth's pussy was so wet at the time I needed to lap it up before it dripped on the carpet. As my tongue traveled up and down squirming Beth's pussy and asshole, my fingers were doing the walking all over her friends' pussies. Donna and Kelly spread their legs a little to make my mission easier. Encouraged by that, I let my fingers explore the cracks of their asses through their thongs, meeting no resistance either. It seemed that thongs were in fashion.

My tongue toyed with Beth's clit for a while before I left her crotch and arranged her on her back on the sofa. I had her rest her head on the backrest and hold her legs back and apart.

"Sit on either side of her and hold her legs for her," I instructed Donna and Kelly.

They complied readily, allowing me complete access to her pussy and ass.

Kneeling on the floor, I licked Beth's pussy and asshole. I let my hands creep up Donna and Kelly's inner thighs. Their legs parted instinctively as my hands approached their hot targets. While my tongue toyed with Beth's clit, my fingers pushed the panties aside and proceeded toward their goals. I stepped up my assault on Beth's clit so that she wouldn't hear her friends gasp as I wormed my middle fingers into their wet pussies. Those hot pussies squeezed my fingers and leaked around them. My fingers squirmed and pumped their pussies slowly. Our spectators were getting more than what they bargained for.

Donna and Kelly kept squirming as my fingers massaged their pussies, allowing my middle fingers to slide in. After a minute of exploring the sizzling insides of their pussies with my middle fingers, I let my forefingers join in. I twisted and wiggled my fingers within while toying with their clits with my thumbs. Beth meanwhile had fun as I sucked her pussy lips and probed her pink folds with my tongue.

Having got my fingers well soaked in pussy juices, I pulled them out gently. I let the two girls see how wet my fingers were, and then I wiped my right index finger on Beth's pucker. I gently pushed my slick middle finger into her asshole to the first knuckle. I swirled my fingertip around and gently pumped it several times within her rectum and finally pulled it out.

Looking Donna in the eye, I extended the two fingers I used on Beth's asshole to her. She needed the extra push I gave her to open her mouth and suck my fingers. While I twisted my fingers and pumped them in Donna's mouth, I wiped my free index finger on Beth's ass and then dipped my middle finger into her ass. Before I finished with Donna's mouth, I had Kelly suck my other fingers for a while.

My fingers were soaked in the women's saliva. I pushed the right two fingers into Beth's ass and the left ones into her leaky pussy. Beth gasped, moaned and jerked as I deeply finger fucked both her hot fuck holes. I removed my fingers from her holes and extended them to her friends to suck. The girls did not hesitate at all this time, not even Donna who got to suck the fingers that had plowed her friend's ass.

After the girls gave my fingers a good sucking, I returned my fingers to Beth's holes, but this time I switched hands. Kelly soon got to suck the fingers with her friend's anal flavor while Donna sucked Beth's pussy juices off my fingers. After that, I gave Beth another double fingering and sucked my own fingers.

Before the next stage, I stood up and took off my pants and boxers. I slapped my hard cock on Beth's wet pussy several times and then pushed it all the way in. Beth gasped as my cock slid balls deep into her pussy stuffing it tightly. I rubbed her clit with my thumb, letting her pussy spasm around my cock several times before I pulled out.

"It's time you refreshed your tokens," I said as I put my left foot on the sofa, getting my cock near Kelly's face.

Kelly was a good girl; she opened her mouth and took my glistening cock in. I put my hand behind her head and pushed my cock all the way down her throat. I gave her a good chance to demonstrate her deep throating skills. Donna watched intently, almost drooling at the hot scene. I finally pulled out of Kelly's mouth and planted my cock again inside Beth's pussy for another helping of her leaking juices. Donna got her fair chance to wrap her juicy lips around my thick shaft and demonstrate her oral skills on my glistening cock. She was no less skilled than Kelly.

Pushing Beth's knees against her shoulders, I sank my cock all the way in her pussy and fucked her gently.

"If you sit on the floor behind us, you will get a better view," I suggested to Donna and Kelly.

When they took their positions, I pumped Beth's leaky pussy hard, slapping my balls repeatedly against her utterly exposed asshole. Beth was fiery hot. She stiffened and convulsed in orgasm as I pounded her twitching pussy vigorously. Her gushing juices soaked my cock and balls and her asshole. I drilled her until she went completely limp. I finally pulled my glistening shaft from Beth's sodden pussy and stood up between her sitting friends.

"More tokens, ladies," I said as I pulled Donna and Kelly's heads to my cock. "Grab a few more."

Donna was the first to take my cock into her mouth, but I switched it from one eager mouth to the other. They used their hands to palm my balls and jack my shaft as the cock sucking heated up and my balls got ready to shoot. I slapped their faces with my hard cock and returned to Beth's pussy. I gave Beth another pounding, making her come again, drenching my cock in her juices. Her friends were only eager to suck her juices off, replacing them with their saliva. I returned again to Beth's pussy and fucked her to another orgasm. This time, I allowed her friends to suck my cock to orgasm.

"I am going to come," I announced as my cock swelled and twitched. "Here comes a lot of tokens. Get ready."

Beth's slut friends pulled back and got ready to receive my spurting come on their faces, opening their mouths and sticking their tongues out for all they could get. As my come flew onto their faces and into their open mouths, they opened their palms under my cock to protect their clothes from stray come. I jacked my cock until I drained my balls, covering with come one pale and one dark face. Donna and Kelly used their fingers to eat the come that landed on their pretty faces. They then sucked my cock clean.

"You got too many tokens," I said. "I have to buy back quite a few. I need to taste your hot pussies."

They remained silent and did not resist as I pulled Donna and then Kelly to their feet. I knelt before them. Donna trembled when I reached up her dress and lowered her panties slowly. I helped her step out of them and then hiked her skirt, pushing my face into her pussy. She gasped as my tongue established first contact with her clit and started to tease it. She moaned and held my head. As I enjoyed her soft, hairless pussy, I kneaded her ass cheeks and tickled her asshole with my fingertips, making her gasp and shiver. After a short while, I removed my mouth from her pussy gently, pushing her toward the sofa.

"Sit down, and open those luscious legs," I said. "I'll be back for more of your sweet pussy soon."

Turning to Kelly, I lowered her panties and had her step out of them. As she shivered in anticipation, I turned her around and hiked her skirt. Wrapping an arm around her thighs, I pulled her right ass cheek out and buried my face in her ass. She gasped and trembled as I tickled and stroked her asshole with my tongue. I moved my left hand up and used it to tickle her clit, adding to her gasps. She was equally hairless and wet.

"You have a tasty asshole, Kelly," I said as I pushed Kelly toward the sofa.

Interrupting her solo pussy play, Beth moved to the side as I directed Kelly to sit between Donna and her. Kneeling between Donna and Kelly, I lifted their feet to the edge of the seat and spread their legs. I reached for their pussies and tickled their clits with my thumbs, switching my eyes from a lust-masked face to the other, different in color and similar in carnal heat. I looked at the two horny women lustfully as I tickled their hot with my wet thumbs.

They trembled as I massaged their puckered assholes for a little while. I then moved my mouth to Donna's pussy. I kept my left hand working on the exterior of Kelly's pussy and buried my face tongue first in Donna's crotch. I made Donna twitch and gasp as I teased and flicked her erect clit with my tongue repeatedly. I gave her a short break while I lapped up her leaking juices off her swollen pussy lips.

My tongue went back to Donna's clit and teased her for several more minutes. I used my tongue to transfer pussy juices down to her asshole. Donna gasped as my tongue touched her asshole, and she pulled her legs further back to allow me better access to her brown pucker. I probed her asshole with my tongue while gently rubbing her clit circularly. My left hand was still busy with Kelly's wet pussy. I returned my tongue to Donna's clit and passed my middle finger tip between her pussy lips, scooping pussy juices. I pushed my wet fingertip against her asshole and wormed it in. While I sucked her clit, my fingertip popped into her asshole, making her gasp. I wormed my finger deeper into her ass while swabbing her pussy lips with my tongue. Her asshole milked my finger eagerly.

Spending a few minutes licking and lashing her clit while gently pumping my finger in her asshole, I made Donna twitch with lust. Keeping my finger up Donna's ass, I moved my mouth to Kelly's hot pussy. I sucked Kelly's clit into my mouth as I pushed my middle finger into her pussy and wiggled it. I removed my dripping finger from her pussy and pushed it gently into her asshole. She gasped, and her asshole accepted my digital advances hungrily. I pushed a forefinger into Donna's pussy at the same time I pushed the other forefinger into Kelly's pussy. I pumped the four horny holes in the same rhythm while I sucked Kelly's clit fiercely.

Within two minutes, Kelly came hard, her body convulsing and her holes twitching around my fingers. I pulled out of her holes and had her suck her flavor off my fingers. While she sucked my fingers, I lapped her juices off her pussy and asshole. I pushed my finger up her ass and pursed my lips around her clit. She tried to push me away when I sucked her clit hard, but I kept at it while swirling my finger within her asshole until she humped my face.

"Beth, baby, get on your knees," I said as I moved my head toward Donna's horny crotch. "Play with your dripping pussy and keep it hot."

Beth got in position and played with herself.

"Kelly, why don't you grab some butter from the fridge?" I said looking up at Kelly as I pulled my finger from her ass. "It makes cock slide deep into tight places."

Kelly got up and walked to the kitchen while I directed my attention to Donna's offered pussy and ass. While sucking Donna's pussy and fingering her asshole, I raised her feet one and then the other with my left hand and pushed them over her head, tilting her ass up. She was back hot and gasping within seconds.

Removing my finger from Donna's asshole, I crouched over her ass and rubbed my cock head up and down her clit and slick pussy lips. She moaned and hunched her hips. Kelly watched, holding the butter.

"Do you want it in?" I asked Donna as I rubbed my cock head harder against her pussy.

"I shouldn't," she said.

"Why not?" I asked.

"I am a married woman," she said.

"We're all married," I said. "Besides, you shouldn't be here in the first place. I think you want it in."

"Yes," she hissed as I rubbed my cock head on her clit.

As soon as she agreed, I pushed my cock into her hot pussy, driving it halfway in with one stroke.

"Now rub your clit and make yourself come all over my cock," I said as I pumped her hot juicy pussy. "This is my first black pussy."

"Yours is my first non-black cock, too," she grunted.

"So you are only used to those big cocks?" I teased. "Can you feel anything at all?"

"I have been fucked by cocks longer than yours, but never as thick," she said.

Donna humped my cock lustfully. I grabbed her ankles and drilled her pussy fast and hard. She diddled her clit. Kelly watched, standing near us and playing with her own pussy. Donna came within one minute. Her twitching pussy drowned my cock with her gushing juices as she convulsed in orgasm. I fucked her gently until she relaxed. I slowly pulled my dripping cock out of her drenched pussy.

"I believe you didn't pay for watching this last show," I said to Kelly. "It's time to pay."

Kelly got the hint when I pushed her shoulders down. She sucked my cock, completely cleaning it of her friend's pussy juices. She then deep throat my cock for a few minutes. I pulled her to her feet and stuck my cock between her thighs. We kissed deeply while I humped my cock against her wet pussy and kneaded her ass.

"Do you want it elsewhere in your body?" I whispered in her ear.

"Yes," she hissed.

"Would you like to be the first to have it right here?" I asked, slipping my middle finger into her ass. She shivered. "Let's get ready for that."

Grabbing the butter, I knelt behind Beth and lubed her asshole as her friends watched. I slowly lubed the exterior of her asshole, and then I gently pushed a buttery finger into her asshole. I worked my finger around to stretch out her asshole. I pinched some butter and worked it into her rectum as she squirmed in delight. I added more butter and more fingers to her asshole. In the end, I worked three fingers in and out of her asshole. She played with her wet pussy constantly while I prepared her ass for cock.

Done with Beth's ass, I arranged Donna and Kelly in the same position and knelt behind them. I went on lubing both their assholes at the same time, using my right hand on Donna's and my left hand on Kelly's. I took more time working their asses with my fingers than I did with Beth's. They fingered their pussies while I did their asses. Those married sluts squirmed with lust in anticipation of getting my cock up their horny asses. I concluded the anal foreplay by twisting and swirling three fingers within each willing asshole.

Three ready and eager asses waited for my cock as I lubed it thoroughly. I crouched over Kelly's ass and lowered my cock to its horny target. Kelly gasped when she felt the initial pressure against her greasy asshole. She took a deep breath as my cock head made her asshole dilate as it slowly sank inside. I took a short pause when my bulbous cock head popped past her sphincter, and then I followed with a series of short thrusts that drove my shaft deeper into her rectum, making her gasp continuously. I took another pause when my cock hit bottom and my balls rested against her dripping pussy. I had found out during my digital play that Kelly had had the tightest asshole of the three so I took a little more time than usual to enjoy her extra tightness as she gently milked my hard cock.

"Kelly, how come your asshole's so tight?" I asked as I held her by the waist and fucked her horny ass gently.

"My husband has never used it" she said. "I am too shy to ask him to."

"You seem to have got it worked out well back in your wild days," I said.

"It was never neglected back then," she moaned wistfully.

"You are welcome to bring it here anytime," I said, making her asshole twitch. "I'll gladly service you this way."

"I bet you will," she said.

"You don't seem too excited about my generous offer," I teased.

"I am excited all right, but I am not sure your wife is," she said.

"My wife can't expect to bring me cock-hungry sluts and expect me to neglect them," I said.

"Beth, would you be okay if I brought my horny ass to your stud of a husband once or twice a week for a good anal drilling?" she asked.

"I am okay with once a week," said Beth. "I can be talked into allowing twice a week."

"Thank you," said Kelly.

"What about me?" asked Donna.

"You are welcome as well," said Beth.

"Thank you so much," said Donna. "You are so generous."

"Sluts, I'll be fucking all your holes and coming inside them," I said.

"You don't have to tempt us more," said Donna. "We'll be here."

Meanwhile, I fucked Kelly's ass with long deep strokes at a slow pace to enjoy her tight ass and give it the attention she craved. She moaned and grunted, pushing her ass back eagerly. I picked up the pace and pounded her ass hard. She came wildly within a few seconds. I drilled her twitching asshole mercilessly until she went limp. I employed long slow strokes while she recovered. When Kelly caught her breath, I slowly popped my cock out of her asshole, which snapped shut.

Donna gasped when I tickled her asshole with my tongue tip while I kneaded and squeezed her ass cheeks. I left her ass, leaving a little dollop of spit on her pucker. I aimed my hard cock at her rosette pushed it firmly in. Her sphincter relaxed cautiously and let me in. Her asshole was also noticeably tighter than Beth's, but it took my cock right up to the balls with little resistance. She moaned as I stuffed her ass tightly with my hard cock. I paused to enjoy the sensations.

"Fuck my horny ass, stud," said Donna, pushing her ass back.

"You got it, slut," I said as I held her hips and thrust in her ass.

My strokes started short and slow and gradually became long and fast. Her throbbing asshole milked my cock nicely as she humped back. Her pucker loosened up under the deep thrusting until it was less tight than my wife's, but it was still tight.

"If there was a single ass I've ever fucked that was made solely for cock, it got to be yours," I said as I stroked Donna's face with my fingertips. "You have a very hot ass here."

"Really?" she smiled brightly. "Do you like my ass this much?"

"Yes, I like it so much I am going to leave it for last, and I am going to come deep inside it," I said, picking up the pace. "I have to make you come first though. Is that okay with you?"

"Yes," she hissed.

"Are you being a racist?" Kelly whined as I drilled her friend's ass vigorously. "What about my ass?"

"I am an *assist*, and you have one fine ass, too," I said as I squeezed Kelly's ass. I smacked it with an open palm, making her jump. "Your ass was made to be rimmed and spanked, but I am going to fuck it silly for you anyway."

Donna soon came wildly, and I thrust gently in her ass while she recovered.

Beth's exquisite if familiar ass got my cock next. I fucked it hard from the beginning.

"What was my ass made for?" gasped Beth as she bucked her ass energetically.

"The normal thing, baby," I said. "It was made for you to sit on it...on my cock, that is. It's better to do that after a sound spanking too."

After Beth came, I moved to Kelly. I gave her asshole a short rimming and then gave each cheek five smacks, making her jump and grunt with every smack. Satisfied with the new color of her ass, I skewered her ass with my cock and proceeded to fuck it hard. She bucked back faster than before.

“That’s it, girl,” I urged as I fucked her ass harder. “Come, or enjoy another spanking.”

Kelly shoved her ass harder as I pounded it for her. She came within two minutes. I drilled her constantly as she convulsed in orgasm, grunting and gasping. She gave my cock one of the hottest anal spasms I had ever enjoyed. I fucked her ass gently until she relaxed completely. I removed my cock from Kelly and pulled Donna to her knees.

“You’ll now get the ass fucking I promised you,” I said to Donna as I thrust my sticky cock in her face.

Donna did not hesitate to wrap her lips around my cock. She sucked playfully, taking it all the way down her throat. I finally pulled my cock out of her mouth and slapped her on the face with it. I guided her around and laid her on her stomach on the carpet. I spread her legs and dipped two fingers in her pussy. I then slid those slick fingers into her ass and fucked her with them, making her moan. I mounted her and pushed my cock between her legs. I rubbed it over her wet pussy before I pressed it into her asshole. I firmly drove my cock into her ass, stopping only when my balls rested on her dripping pussy. Beth and Kelly watched the action from behind. I gave Donna’s milking ass several long strokes before I pulled out slowly. I stood up and walked to Kelly.

“Tokens?” I said as I pushed my cock in Kelly’s face.

Kelly hesitated a bit before she opened wide and gulped down my cock, but she did not show any hesitation afterward. I let her deep throat my cock for a couple of minutes and then returned it to Donna’s ass. I stroked my shaft several times deep into Donna’s ass just to change its taste and then pulled it back out. It was Beth’s turn.

“You need tokens, honey, to watch this too,” I said as I thrust my cock in Beth’s face.

Beth was a good sport.

“Gladly,” smiled Beth.

Beth gave my cock a slow, sensual sucking as if she was trying to savor its flavor to the most. I then returned to skewering Donna’s ass in a slow fuck.

Despite being tight, Donna’s ass was exceptionally padded. That seemed to be an exclusive black ass feature. I enjoyed my good fortune to the limit, letting my pelvis bump into her ripe, cushiony ass time after time while drilling her with the longest strokes I knew how. My hot slut rolled her hips to meet my thrusts and her asshole milked my cock lustfully. I reached under her and started to tease her wet pussy to control her heat while I took my time pumping her lovely ass. Her asshole twitched around my cock in response to the teasing her pussy received. I fucked her like that for about fifteen minutes before I let her come wildly. I pounded her ass vigorously until her orgasm subsided. I fucked her slowly while she recovered.

It was time for a break, so I pulled out and let Beth and Kelly suck my cock together. Meanwhile Donna played with her pussy. I pounced on her again and slid my shaft into her pussy. I gave her a few long strokes before I moved my cock to her ass and my hand to her pussy. Thrusting into each other, we resumed our fuck. Our lust increased with every deep thrust, and we stepped up our pace involuntarily.

“Do you want to come for me just before I flood your hot ass with thick come?” I whispered in her ear.

“Yes,” she gasped.

“I’ll make you come,” I said, drilling her ass harder.

She pushed her ass up for me, and I pounded it vigorously. She shoved her ass back to meet my hard thrusts. Our flesh slapped audibly with every stroke.

“I am going to come,” she gasped.

“Come for me, you hot slut,” I urged. “I am going to pump your bowels full of thick come.”

“I come coming,” she gasped, stiffening.

She shook wildly in orgasm as I continued to fuck her ass hard. She shoved her ass up into me violently. The wild spasms of her coming asshole made my cock swell and twitch. With a mighty thrust into her ass, I let go, and my come burst out in long, powerful jets deep into her twitching bowels. I thrust in her hot ass until my balls were completely drained. I kissed her, and we let our tongues fool around.

“Squeeze your ass and don’t let my come leak out,” I whispered as I slowly pulled out of her slimy ass.

Kelly remained on the floor, resting, as I got up and took my sticky cock to Kelly.

“Suck it, baby,” I said to Kelly. “Make it nice and clean.”

Kelly did not hesitate to oblige me. I helped Donna get up and bent her over. I licked her drenched pussy clean. I wet two fingers in Kelly's mouth and slid them into Donna's relaxed asshole. I twisted my fingers inside, getting them coated with come. I took my gooey fingers out of Donna's ass and pushed them into Kelly's mouth. She hesitated, and I had to give her an encouraging smile. Once my fingers were past her lips, she sucked them eagerly.

"Make it hard," I told Donna as I sat on the sofa.

She went on her knees and sucked my cock.

"Honey, show Kelly how to suck come out of freshly fucked asses," I said to Beth.

Beth knew well how that was done because many a time I had sucked my own come out of her ass and then dribbled it into her mouth. She smiled before she took her position behind Donna, who started to moan around my cock when she felt Beth's tongue on her asshole. Kelly watched with interest.

By the time my cock started to harden in Donna's mouth, Kelly was eating her come-filled ass meal eagerly. When Kelly finished with Donna's ass, my cock was rock hard and ready to go. I bent Beth over and gave her five smacks on each cheek, turning their color to pink. I sat her in my lap, impaling her ass fully on my cock.

"Each one of you needs to eat her pussy to orgasm," I said. "Donna, go first."

Donna ate Beth's leaky pussy to orgasm, making her asshole twitch hard around my cock. While Beth came, I held her ass and bounced it on my cock. When she recovered, Kelly replaced Donna. Kelly made Beth come again.

When Beth dismounted me, I spanked Donna's ass similarly and had her sit on my cock. Kelly and then Beth ate her dripping pussy until she came on my cock. I treated Kelly similarly. While Kelly's asshole twitched in orgasm, I filled it with come. Its spasms helped drain my balls. Donna sucked my cock clean.

While Donna and Beth ate my come out of Kelly's slimy ass, I ate their asses.

We rested for a few minutes.

"Let me show you this," called Beth as she undid Donna's top.

Beth lowered Donna's top and bared her bit tits. Donna had the biggest tits I had ever seen in person. They were not huge, but noticeably bigger than Beth's. I must have been blind not to notice them. They stood up full and proud.

"Why didn't you tell me about them earlier?" I asked Beth.

"What did you think she was hiding in her top?" giggled Beth.

"Anyway, I have to taste them," I said as I made a beeline to Donna's tempting globes. "Better late than never."

Wrapping my arms around Donna's waist, I buried my face between her tits and shook it quickly, making her laugh. I then kissed each nipple tenderly before I sucked it gingerly. She moaned, holding my head gently. Finally I kissed her on the mouth and we sucked each other's tongue.

"There must be a next time," I said.

She smiled.

"We should introduce him to Lynn, right?" laughed Kelly.

"Oh, yeah," smiled Donna.

"Who's Lynn?" I asked.

"She's a hot Chinese slut," said Kelly. "She can never get enough of getting her ass fucked."

"I think you should," I said.

They all laughed.

The three of them soon teamed up on my cock and got it hard again. I fucked all their holes for nearly an hour before I came in Beth's ass. Donna and Kelly sucked my cock clean and ate my come out of Beth's ass.

Before our guests left, we all agreed to get together soon. After all, I needed to avail myself of Donna's magnificent tits. If Lynn joined us, then the rest would have to watch as I familiarized myself with her tight oriental orifices. The mere thought made my sated cock twitch.

Lynn joined us on the following Friday. After she tried my cock up her hot tight ass, she decided that she had never been fucked in the ass before. I agreed, judging by how tight her asshole had been. It was never that tight again. Beth introduced my horny cock to three of her hot coworkers, two of which with virgin asses—not anymore, and we had another girls' night on Tuesday. We switched the girls between the two nights every once in a while.

Beth also introduced my cock to her sister's virgin ass. Lisa got addicted to my cock in her ass right away, and visited us a few times a week for a while. On her mom's birthday, Beth introduced my cock to her mom's virgin ass,

and declared that birthday as her hottest birthday ever. We started a family night on Saturdays. Her mom and daughter went home on Sunday mornings, their well-used asses loose and slimy. Lisa got married and walked down the aisle with her contented ass full of my come and traces of it in her pussy and mouth. She continued to join our family nights and picked up the slack as her mom slowed down.

Beth recently talked about inaugurating our second-generation anal sluts—her slut coworkers’ daughters. They decided that I should deflower all their holes on their fifteen birthdays, starting with Lynn’s daughter, which looked a lot like her mom. I hoped she would be as hot and slutty.

What made all that hard work worthwhile was the satisfaction of contributing to restoring women’s faith in men and their ability to fuck and satisfy cock-craving sluts. Fucking their daughters would also be great in bridging the gap between generations and assuring the new generation sluts that their moms were not clueless about cock and sex in addition to emphasizing the importance of sexual satisfaction through unbridled sex, especially wild ass fucking.

The End

Girls’ Night In

My wife's girlfriends started to give me funny looks. I learned later, my wife, Beth, was giving them graphic details of her sex life with me. Beth coaxed me to give them a live demo. Then I had them join the fun while Beth watched and participated.
