Please read [disclaimer](#) and [summary](#) at the end of document

The fireworks were going to start in a few minutes. I was standing behind mom. Aunt Leanne, mom's younger sister, was standing to the right of mom. Dad was standing behind Aunt Leanne, the camcorder hanging off his neck. It was pretty crowded in Fisherman's Wharf at that time.

Something withdrew my attention downward as dad extended his left hand and reached for mom's butt. He cupped her right butt cheek. Seconds later he started to stroke and feel up both her butt cheeks. Mom started to sway gently, contentedly pushing her butt back into his hand. Dad looked as if he was not doing anything out of the ordinary. I looked around the crowd then my eyes fell on Aunt Leanne. She had a faint smile as she swayed gently. When I looked down, I found out the reason. Dad had his right hand feeling up her butt. My cock started to grow. No one else seemed to notice what was going on.

When the fireworks were about to start, dad moved away, apparently to find a better spot for shooting the show. What he had just done made me very horny. As the fireworks started, I moved slightly to the right and cupped mom's right butt cheek and Aunt Leanne's left one. They did not seem to notice so I started to feel them up gently. My cock expanded downward, pushing hard against my underwear. I could tell both sisters were not wearing panties as my hands explored their lovely butts thoroughly.

Halfway through the firework show, Aunt Leanne looked back at me, smiling. Her smile faded quickly as she discovered who I was. I froze, my hands still holding both butts. She looked up again and resumed watching the fireworks. Several seconds later I felt something grab my crotch. It was her left hand. She maneuvered my cock to point upward and started to stroke it. Encouraged by that, I resumed feeling up the two butts I was holding. Furthermore, I started to explore their ass cracks with my fingertips.

Aunt Leanne's expert hand continued to stroke my hard cock through my pants, threatening to make me have fireworks of my own. When the fireworks neared the end I disappeared from the scene, my heart pounding like the clock of a time bomb in the last few seconds.

### A Double Minigale

### Independence Day

Aunt Leanne's house, where we were spending the night, was half an hour away by foot. That was the fastest anyone could get anywhere in that crowd without a chopper.

We had quick snacks then watched TV for several minutes. Aunt Leanne acted as if nothing out of the ordinary had ever happened. I was much relieved. I left to the room assigned to me and was about to change my clothes for bed when the door opened and closed quickly. It was Aunt Leanne. I felt very nervous.

"What the hell did you think you were doing?" she asked, her hands on her hips.

"What?" I squeaked as my mouth went dry and I gazed down to avoid her eyes.

"You were feeling up my butt in the crowd," she said.

My face went through several darker shades of red quickly as I stood there speechless.

"Did you think that was smart?" she asked.

"I saw dad do that so I thought it was okay," I stuttered when I finally could speak.

"Your dad is different," she said. "I've been having sex with him for over ten years now, but what are you? You are just a kid...with a big dick."

"I am not a kid," I said weakly, still looking down at the floor. "I am twenty years old."

"Show me," she ordered.

"What?" I asked.

"Show it to me," she commanded as she took a seat on the bed. "Show me your dick. Take off your pants and underpants and show me. Show me you are not a big kid with a big dick."

She looked dead serious. I did not seem to have a way out of it. I slowly unbuckled my belt, unbuttoned my fly and lowered my pants. I lowered my briefs, letting my cock in the open. The poor thing had shrunk to the smallest size I had ever seen it.

"Come here," she said, pulling me by the tail of my shirt. "It wasn't this small an hour ago."

She took my limp cock between her fingers and started to stroke it. My cock started to grow as I felt her hot breath tickle it.

"Relax," she said, still looking at my cock as she continued to stroke it. "Show me how big it can get. I won't tell your father you went after his women. He's probably busy now drilling your mom anyway."

A few seconds later, my cock was at full mast.

"This is more like it," she said as she pushed me back and knelt down. "I wish I could do this then and there."

She opened her mouth wide and took my cock halfway in. When she closed her lips around my cock, my cock twitched and I almost came. She held it gently until I calmed down then she started to suck slowly. A minute later, she was taking my hardest shaft ever all the way in and out of her mouth, showing me expertly, but gently, what her throat could do to a cock.

"I've never imagined I'd ever be on my knees sucking my nephew's big cock," she said as she finally released my cock from her mouth for the first time. She stroked my wet cock with her hand as she looked up at me. "I like it though, and this woman does whatever she likes. Did you like the way I sucked your cock."

"You are wonderful," I said, my cock twitching in agreement.

"Hold my head and fuck it," she said, guiding my hands to either side of her head. "I don't want you to just stand here as if you don't care. Fuck my throat until you fill my mouth with come. I want to swallow it all."

She took my cock back in her mouth, and I started to thrust gently into her mouth, enjoying the fabulous tricks she was doing on my cock. A few minutes later, she grabbed my butt and pulled me harder into her, so I started to fuck her mouth harder. Her lips, tongue and throat worked harder and harder. My come started to bubble in my balls and my cock swelled.

When she sensed it was time, she pushed me back and sucked harder on my cock head. Seconds later, I stiffened as my cock started to twitch, spewing come forcefully into her eager mouth. She continued to suck until my balls were completely drained. She allowed my softening cock to pop out of her mouth.

She looked up at me and opened her mouth, showing me all the come she sucked out of me. She swirled it around with her tongue and swallowed it all. She opened her mouth again to show me it was all gone. She licked my sticky cock before she finally got off the floor and sat on the bed, hiking her dress up, exposing her bare pussy.

"Can you see how wet you made me?" she asked as she parted her knees and spread her wet pussy.

"Yes," I nodded.

"Are you a pussy tease?" she asked.

"No," I said.

"You know what to do," she said, teasing her clit with a fingertip.

"What?" I asked.

"Eat me," she said as she leant back. "Make me come in your mouth."

She watched me as I admired her totally hairless pussy, kneeling between her legs. My cock started to grow as I marveled at her mouth-watering orifice.

"It's very pretty," I said.

"I know that men do not like hair in their food," she smiled.

"I don't," I said.

"Eat it before it's cold," she said.

"It doesn't seem to be getting cold anytime soon," I said as I moved my face toward her pussy. "I am going to eat it before it's dripping all over the place."

"If it is doesn't get all over the place, it doesn't belong in your face," she giggled.

"I am sure it does," I said a fraction of a second before I started licking around her pussy lips. "I don't want my room to smell like a French whorehouse though."

"If you are any good, it's going to smell like that anyway," she said. "The smell of sex makes me so horny."

She started to gasp as soon as my tongue tip touched her dripping pussy. I lapped up her tasty juices before I started to tease her excited clit and probe her pussy for more. I sucked on her swollen pussy lips a little then tongue fucked her a little before I went for her clit. I took her clit between my lips and lashed it wildly while fingering her leaky pussy. She lay on her back and pulled her legs way back.

It did not take her long to come. I pumped her gushing pussy vigorously with two fingers while I held my tongue against her twitching clit until she stopped convulsing. I sucked my dripping fingers then lapped up her copious juices, sucking for more.

When I pulled back to admire my work, I noticed her asshole. Its light pink rose puckered invitingly. I swiped it lightly with my tongue tip, making her shiver. I repeated that a few times, and she started to moan. That was enough encouragement for me to start to lick and suck her asshole. Her asshole relaxed gradually and accepted my inquisitive tongue. My tongue was soon fucking her tight asshole eagerly.

“That’s it, baby,” she urged, spreading her ass with both hands. “Fuck my asshole with your wicked tongue.”

She grunted, thrusting her ass for more. She got more and more excited as I continued to tongue fuck her ass. A few minutes later, she gasped and started to come. That was incredible. I continued to thrust my tongue into her twitching asshole until she went limp. I finally lapped up all the juices her pussy had gushed.

My cock was rock hard.

“That was a great appetizer,” she panted. “Now fuck me.”

“Are you sure?” I asked.

“Do it now or else,” she threatened, still panting.

“Whatever you say,” I said as I got up and aimed my hard shaft at her pussy.

She shivered as I brushed my cock head up and down her wet pussy lips. She gasped when I thrust my cock halfway into her pussy and grunted as my second thrust drove it all the way into her pussy. Her pussy squeezed tightly, holding my cock possessively. She clasped her legs around me, and I started fucking her. Her pussy milked on my cock, making it harder if that was at all possible.

We started a rhythm quickly. Our flesh started to slap and smack. Her pussy started to leak profusely. My orgasm approached insistently. She fucked back harder and harder.

“I am going to come,” I panted.

“Come inside me,” she gasped as she started to come herself. “Fill me up with your hot thick come.”

My swollen cock twitched, spurting come deep inside her sucking pussy. I pounded her madly, and she fucked back in equal vigor. Finally, we both got drained. I got off her and sat next to her, both panting.

“I love your come,” she panted as she reached for her pussy.

She stuck two fingers in her pussy and swirled them around. She scooped come on her fingers then brought them to her mouth. She sensuously sucked the come off her fingers then went back for more. She continued doing that until she got it all, getting my cock hard in the process.

“I am sure there is still some come sticking to your cock,” she said, grabbing my cock as she sat up.

She bent over my cock and sucked it thoroughly, leaving it rock hard and glistening. Actually my cock was soaking in her spit. She got on her knees and bent over the bed.

“I want you to do my third hole,” she cooed, thrusting her ass out.

My cock pulsed with desire as I got off the bed. She drooled in her hand then reached back for her ass. She worked one then two fingers into her asshole then out.

“You are so wild, aunt,” I said.

She just smiled.

Crouching over her butt, I lowered my cock toward her waiting and willing asshole. She shivered and so did I when my cock head touched her asshole. I held my shaft and pushed gently. Her asshole opened up, and she gasped as my cock head popped through her sphincter. Her asshole clamped at my cock. I braced my hands on the bed and started to fuck her gently at first.

She moaned and fucked back. Soon, I was pumping my thick shaft all the way in and out of her milking asshole. She was so tight and gifted. I had fucked a couple of assholes in my time, but nothing like that. The ass fuck got very intense, and her asshole was not going to stop for anything short of my come. Heavy panting and flesh slapping preceded the inevitable.

She met me stroke for stroke as I drilled her wicked asshole vigorously, feeling my orgasm imminent. My cock swelled, and I started to come. As the first jet spurted into her rectum, she started to come. Her asshole fluttered continuously, milking my twitching cock until I was completely drained. I gave her a couple of extra strokes then popped my cock out of her ass and sat on the bed.

She moved aside and started to lick my sticky cock.

“What are you doing?” I asked in surprise.

She did not answer and did not stop until she licked my cock and balls clean.

“Let’s catch some sleep,” she said as she got up.

It was well past three in the morning.

She walked to the door. When she reached the door, she turned back.

“That was good,” she said. “You are no kid. You can feel up my butt anytime and anywhere you want.”

“Thanks,” I said. “I will.”

“Oh, let me kiss you good night,” she said, walking back to me.

That was one long lewd goodnight kiss.

It took me a while to think about what had happened that night before I could fall asleep.

In the morning, I waked up with a boner. When I waked up properly, I found that Aunt Leanne had already been stroking my cock through the covers.

“Good morning,” she said when she saw me open my eyes.

“Good morning,” I said lazily as I reached for her leg.

She parted her legs when my hand touched her inner thigh. Her mini dress was practically out of the way as I went for her bare pussy. She was wet.

“You are soaked,” I said. “What’s going on?”

“I have just finished jogging and taking a shower, and I am now ready for sex, aren’t you?” she said as she tossed the covers off me, exposing my cock. “I think you are.”

“Where is mom?” I asked.

“Don’t worry about her, she’s fishing,” she said.

“Where?” I asked.

“Inside your uncle’s pants,” she laughed.

“Don’t you mind that?” I asked.

“Why would I if I get to fuck her young well-hung son, not to mention her husband?” she said.

She turned around, pushing her ass my way as she bent over my cock. I fingered her pussy while she sucked my hard cock. Soon, I was fucking her pussy and asshole with a finger each. She moaned around my cock.

She pulled her ass away and straddled me, taking my cock all the way up her wet pussy in one smooth stroke. That made us both gasp. I could see the outline of her erect nipples through the thin top of her dress.

“Can I see your tits?” I said, squeezing her ripe orbs through her top.

“Not only that, but you are going to suck them,” she said. “That makes me wild. You can fuck them too.”

She reached back and unzipped the back of her dress while I continued milk on her tits. I helped her pull her dress down her shoulders, exposing her tits.

“Suck, baby, suck,” she said as she bent forward.

Capturing one thick nipple between my lips, I started to suck. I could feel her pussy squeeze each time I sucked. I held her butt and started to knead her cheeks while switching my mouth between her tits. Soon, I managed to slip a finger up her ass. I could feel both her holes contract whenever I sucked her sensitive nipples. She moaned and gasped all the time, working her hot pussy up and down my shaft.

She finally sat up, taking her tits away from me. She wetted two fingers in her mouth and reached back. I removed my finger from her ass, and she fingered her asshole a little. She removed my cock from her wet pussy and pushed it into her ass. She gasped as my shaft slid slowly up her rectum. She sighed and her asshole squeezed tightly when my cock was all the way in.

“There is nothing like a morning ass fuck,” she cooed as she started to rock.

"I can't argue with that," I said, holding her butt in my hands, "especially when that hot ass belongs to the hottest aunt in the country."

"Keep flattering me like this, and you'll never be able to get rid of me," she said.

"Thanks for the tip," I laughed.

"Thanks for the tip and the whole big shaft," she said.

"You come well," I said.

She leaned forward again, bringing her tits to my mouth. I sucked her nipples while we fucked. Her asshole milked my cock lustfully. We fucked faster and harder, and I got closer and closer to coming.

"I am going to come," I panted.

"Don't worry when you are inside me," she gasped. "You can come anytime and as much as you can as long as it's inside me. The deeper, the better."

Several seconds later, I sucked her nipple harder and started emptying my balls in her sucking rectum. She gasped and started coming. I held her tightly as she convulsed on top of me, her twitching asshole milking every last drop out of my come-spewing cock. She finally collapsed on top of me and we kissed gently. Her asshole was still holding my softening cock tightly.

She reached behind her and slowly pulled my cock out of her ass. She pivoted into the sixty-nine position and started licking my sticky cock. I lapped up her copious juices off her drenched pussy.

She finally got off me, straightened her dress and left. I dozed off for an hour or so then I got up and took a shower. When I was ready, I went down to the kitchen for food.

Aunt Leanne was in the kitchen preparing lunch. She was standing by the stove stirring something. I sneaked up behind her and squeezed her butt. She jumped.

"What?" she gasped. "You startled me."

"Didn't you give me permission to feel up your butt whenever and wherever I wanted?" I said. "I am just collecting on that."

"Well, yes, but you startled me," she said.

"I am sorry," I said.

"That's okay," she said. "Don't you think you can do better than feeling up my butt now that we are all alone? Why don't you get down and eat it?"

"I can't say no to that," I said as I knelt behind her and hiked her dress.

She moaned as I licked her ass crack. Her asshole was clean. It did not have a trace of our morning fuck. I wrapped my right arm around her leg and started to finger her pussy with my thumb. She moaned, humping back and forth. Her asshole opened up under my tongue, and I was soon finger fucking both her holes.

"Fuck me," she moaned.

Standing behind her, I lowered my pants and aimed my hard shaft at her crotch.

"First wet it in my pussy then put it in my ass," she directed, bending over slightly and thrusting her ass out.

My rampant cock effortlessly slid all the way into her soaked pussy. I fucked her pussy, and she fucked back, her pussy bathing my cock in its juices.

"Now, put it in my ass," she directed.

"With utmost pleasure," I said as I pulled my dripping cock out of her pussy.

She sucked her breath in with a soft gasp as I pushed my cock head into her eager asshole. When my cock head popped past her sphincter, I gripped her hips and gently but firmly drove my shaft all the way up her twitching asshole. She moaned as my cock slid up her ass, tightly stuffing her rectum. I wrapped my arms around her, and we started to fuck gently.

"It's so nice when a woman is sexually pleased while she goes about her housework," she said.

"Are you sure we won't get caught while doing this?" I asked.

"Don't worry about that," she said. "No one can enter the house without our letting them in."

We had the slowest, gentlest fuck I had ever had while she continued cooking lunch. Occasionally we had to move around the kitchen with my cock stuck up her ass. At the end, I bent her over the counter and gave her ass a vigorous drilling before I emptied a new load of come deep inside her greedy rectum.

Mom and Uncle Ken arrived together for lunch. The four of us had lunch together.

"Did you...?" Aunt Leanne asked mom.

"Yes," mom said.

"How was it?" my aunt said.

"As good as ever," mom said.

After we finished lunch, I helped Aunt Leanne clean up after lunch, copping a few feels in the process.

She called me to the master bedroom. She dressed me in red silk boxer shorts and a matching robe before she led me to the bathroom.

"Hide here until I call you," she said. "I have a surprise for you."

With a throbbing cock and an eager heart, I hid there for a few minutes. I heard the door open and close along with the voices of mom and Aunt Leanne having casual conversation before changing course.

"Do you know who was feeling up our butts last night during the firework show?" Aunt Leanne asked.

"Dan, of course," mom said.

"Dan was doing that before the show started," Aunt Leanne said. "He then left to shoot the show."

"That's right," mom said pensively. "Who was it?"

"Now," Aunt Leanne called.

Collecting my courage, I walked out of the bathroom. I felt weird to be exposed before mom. I walked around the bed and stood before mom and my aunt.

"What?" mom asked in confusion.

"This is the man who was groping our butts last night," announced Aunt Leanne.

"You?" mom asked.

I nodded in embarrassment.

"Are you man enough to follow up on what you start, you little pervert?" mom scolded.

"As a matter of fact, he is," Aunt Leanne said as I gazed down.

"Show me," mom said.

"Show her," Aunt Leanne said.

I untied the belt and my robe opened. My cock, partly hard despite the situation, peeked through my boxers.

Aunt Leanne knelt before me and took my cock in her mouth. She sucked me, and my cock expanded to full size in no time. She pulled back, showing mom my glistening hard cock.

"You have a nice one," mom said. "Though, it takes more than a nice big cock to be a man."

Aunt Leanne hiked her dress and lay on the bed.

"Show her you got what it takes," Aunt Leanne said, pulling her legs back. "Fuck me."

Trembling, I looked at mom hesitantly.

"Fuck her," mom instructed. "Do it!"

I pressed my cock head into my aunt's pussy and shoved it all the way in, making her grunt. She was wet, and I was horny. We fucked each other hard. Within minutes, she was convulsing under my jackhammering shaft.

She got on her knees and sucked my dripping cock, replacing her juices with spit. She turned around and bent over the bed, reaching back for her pussy. She fingered her pussy, getting her fingers wet before she worked one and then two fingers into her asshole.

"Do my ass," she said, looking over her shoulder.

Mom watched me intently, making me tremble. I drooled on Aunt Leanne's asshole and pressed my cock in. My cock slid smoothly into her ass then we started to fuck. Soon, we were fucking hard and fast. She bucked her ass eagerly and lustfully. Within a few minutes, I was coming in her thirstily sucking asshole as she came. I continued to pump her twitching asshole until my balls went dry then I pulled back, popping my cock out of her asshole.

“Look at this,” Aunt Leanne said as she bent over before mom and spread her ass gently with her hands.

Her asshole was relaxed after the drilling it had just received. Mom wetted two fingers in her mouth then pushed them into her sister’s asshole. She twisted her fingers inside the come-filled rectum, scooping a thick lump of my come on her fingertips. She brought her fingers to her mouth and moaned as she sucked the creamy come off.

“I like it,” mom said, nodding. “I want to taste it from the source.”

Mom pulled me to her.

“Can you get it up again?” she asked.

My cock jumped as if to say yes.

“And again and again and again...” Aunt Leanne said. “He’s too young.”

“This is going to be good,” mom said as she held my cock and got on her knees.

My cock hardened quickly as soon as mom closed her lips around it.

“Your horny mom wants your come,” Aunt Leanne said. “The slut wants to enjoy sucking your cock too.”

Mom moaned her agreement around my hard shaft. Aunt Leanne knelt next to mom and hiked mom’s dress. She wetted two fingers of either hand in her mouth then went for mom’s crotch with one hand from the front and the other from the back. Mom moaned and parted her knees as her sister’s fingers touched her.

“I’ll get her ready for you,” Aunt Leanne said, smiling up at me, as she started to finger fuck mom, apparently in both holes, twisting and wiggling her fingers within.

Mom moaned and started to grind her butt back and forth without missing a beat on my cock.

“Your mom is a hot slut just like me,” Aunt Leanne said. “You are going to love fucking her. There is no man who has ever fucked either of us and not fucked the other. You are not about to end this legacy.”

Mom was holding my balls with one hand while fingering Aunt Leanne’s pussy with the other.

“Our husbands think they are cheating with each other’s wife,” Aunt Leanne laughed. “That makes it hotter.”

Mom made me come in her mouth and sucked me dry. She continued to suck my cock hungrily and masterfully until I was rock hard again. She pulled back and lay on the bed. She opened her legs exposing her wet and totally hairless pussy and asshole. I bent over her and pushed my cock into her pussy, making her grunt.

“What?” she asked. “You don’t eat pussy?”

“I do,” I said as I stopped moving.

“Do mine after you make it come,” she said, thrusting into me. “Never fuck on an empty stomach.”

While mom and I fucked, Aunt Leanne popped mom’s tits out and started to play with them. As Leanne sucked mom’s tits, mom reached out and started to finger her pussy. Leanne fished out her own tits and had mom suck them while she sucked mom’s. Meanwhile, mom’s pussy was milking my cock hungrily and leaking profusely as if the tables were turned. Mom started to shake. I fucked her through her first orgasm and did not stop.

Aunt Leanne reached out and diddled mom’s clit, making mom come instantly. I drilled mom vigorously while she convulsed beneath me. Her pussy spasms were too much for me. My cock twitched and started to spew thick come deep in her thirstily sucking pussy. When I was done draining my balls, I pulled out and rolled next to mom.

Aunt Leanne bent over me and licked my cock clean. Next she scooped a lump of come out of mom’s pussy and fed it to her. Mom sucked her fingers clean. Leanne took a come scoop for herself. She switched between feeding mom and feeding herself until mom’s pussy was clean. They finally had a long lewd kiss.

That act got my cock halfway hard. Mom and Aunt Leanne took turns sucking it the rest of the way. Mom moved her pussy over my mouth while sucking my cock.

“It’s about time you ate some pussy,” mom said, pushing her pussy into my mouth. “You need your vitamins.”

Pulling mom to me by the ass, I started sucking her leaky pussy. While lashing her clit with my tongue, I wetted a finger in her pussy and then pushed it into her ass. With my finger pumping her ass and my tongue lashing her clit, her orgasm approached quickly, her leaking juices keeping her clit and my tongue wet. When she started coming, I pursed my lips around her gushing pussy hole and sucked every drop she offered. She squashed her pussy into my face, almost smothering me.

When mom’s orgasm died down, she sat up and maneuvered her ass over my mouth. Aunt Leanne sat on my cock, slipping it all the way up her pussy. While I probed mom’s responsive asshole, Leanne diddled her own clit while grinding her pussy gently into me. She came within a couple of minutes, bathing my cock in her juices.

“He’s ready,” said Aunt Leanne as she dismounted me.

“Thanks, but I could have got him ready myself,” mom said.

“Don’t be a pig,” Aunt Leanne said. “He’ll always be your son, but he’s my guest for only a couple of days.”

Mom moved forward and poised her ass over my cock. Aunt Leanne spread mom’s ass for her while mom held my cock and lowered herself onto it. Mom gasped as my cock head entered her eager asshole, spreading it wide. She moaned as she lowered herself the rest of the way down, stuffing her tight ass completely. My cock twitched.

“Yes,” mom hissed as the back of her pussy lips touched my balls.

She leant back, supporting herself on her hands and feet and started to bounce, slowly at first. I thrust into her, meeting her strokes.

“Yes, fuck her ass,” Aunt Leanne urged as she reached between mom’s legs and started to finger fuck her.

Holding mom by the hips, I fucked her harder. Her asshole milked my cock every bit as Aunt Leanne’s. Aunt Leanne got on her knees on the floor and ate mom’s bouncing pussy to a quick but hard orgasm.

Mom had an explosive orgasm, but I survived it. Aunt Leanne continued eating her to the end. I fucked her twitching asshole vigorously as she had a second orgasm. While she convulsed in pleasure, I lost control and emptied my boiling come within her spastic rectum.

Mom collapsed on top of me. We kissed a little while she squeezed my cock within her ass. Aunt Leanne helped her off me, rolling her on her stomach. She then cleaned my sticky cock with her mouth.

Aunt Leanne moved to mom’s exposed ass. She spread mom’s juicy ass with her hands and started to eat her come-filled asshole. After a couple of minutes of that, she rolled mom onto her back and dribbled the come she had sucked into mom’s open mouth. Mom rolled Aunt Leanne onto her back, getting on top of her, and dribbled the come back into Aunt Leanne’s mouth. They traded my come back and forth a few times then had a long, lewd kiss, where each swallowed her share of the prize.

“Very impressive, son,” mom said as she straightened her clothes. “I am glad you groped my butt last night. I hope you do that again, soon and often.”

“I will,” I said as I reached out and gave her butt a squeeze. “With your gorgeous ass, from now on, you’ll need to chase me away with a stick.”

“The only stick I am going to use is the ‘stick’ in ‘stick it in,’” she laughed.

“I am a good boy, mom,” I said. “You’ll never need to use that stick with me.”

My aunt convinced mom to let me stay to the weekend. Mom did not agree until I gave her another solid fuck.

My aunt and I got to have two daily fuck sessions, one in the morning and one in the afternoon. When I was not fucking her, she was teaching me how to pamper her by full body massages and long pussy licking sessions. She also gave me a few marathon blowjobs the likes of which I would probably never experience again. During those days, she taught me how to last long, especially inside her ass.

On Saturday evening, she and Uncle Ken invited me to go with them to a movie. During the movie, she fished my cock out with her left hand and started to play with it discreetly. It was not hard for me to reach between her legs and finger her bare pussy under her short dress while she held her husband’s hand. Later, she reached for Uncle Ken’s cock with her right hand. I froze when he reached for her crotch to reciprocate. She gently pushed his hand away, and I continued to finger fuck her.

She got so wet I could smell the aroma of her excited pussy. Thankfully we were sitting in a partially secluded side of the theater. She leaned to the right and gave Uncle Ken a long kiss. While they kissed, she guided my hand to her ass under the dress. I heard her gasp when I popped my finger up her ass. Her asshole squeezed my finger tightly. She broke the kiss and adjusted her position so that her asshole would remain accessible from behind.

While I wiggled and swirled my finger within her ass, she guided her husband’s hand to her pussy. I acted totally absorbed by the movie throughout our misconduct. I saw that Uncle Ken did the same. However, our fingers were driving her wild as she discreetly stroked our hard cocks. I could feel her lustful asshole twitch involuntarily under the dual assault. Her grip on my cock got tighter and lost concentration. In a couple of minutes, she came.

She let out a short gasp as she apparently bit her lower lip. Her asshole went into a spastic fit of pleasure, twitching wildly around my wicked finger. I pumped my finger within her happy asshole as hard as I could without being obvious. When she calmed down, her asshole released my finger, and I withdrew my hand subtly.

A couple of minutes later, Aunt Leanne tucked my cock in my pants and withdrew her hand. A few minutes later, the movie ended and we left, leaving a big wet spot on her seat. I was too horny to think about that irresponsible behavior, and surely so was my aunt. I squeezed her butt as we walked out.

At home, Aunt Leanne fucked Uncle Ken to sleep then took a shower. She was fresh when she came to my room, fresh and horny. We had a long fuck session since I was leaving in the morning.

In the morning, my aunt volunteered to drive me home since she was the one who convinced mom to let me stay. On the drive, we fooled around lightly. She stayed for lunch and a quickie.

Dad went to bed early since he had work on Monday. Horny mom could not wait to the morning. She came to my room as soon as dad fell asleep. She was impressed with my new stamina.

"I am so happy I let you spend the extra few days with your slut aunt," she said.

"So am I, mom," I said.

"You are now a serious lover, Nick," she said. "She and I will fight over you, not to mention other tramps."

After five straight hours of sex, mostly ass fucking, I sent mom to bed, full of come and sated. She was back for more in the morning, and in the afternoon! She was a real cock-hungry slut—a horny guy's dream come true.

At night I had visitors.

"I'll introduce you to your brother," mom said. "He's a great lover."

"Hi, brother," Alex said, smiling shyly.

"Hi, yourself," I said. "You look lovely."

"Thanks," she hissed.

"Mom, she looks shy," I said.

"Wait until she gets her lips around your cock," mom said.

Alex blushed.

Mom pushed Alex to me and nudged her shoulders down. Alex went to her knees then fished my cock out so fast I was shocked. However, she was slow in drawing tantalizing curves all over my cock and balls. By the time she was done with that trick, my cock was naturally harder than steel. She wrapped her lips around the head and held my eyes as she lowered her lips slowly down to the base.

"What is this, mom?" I said in awe.

"Your sister comes from the same horny family you come from," mom said. "That's why I want you to get to know each other better—like a brother and a sister of your caliber should."

Meanwhile, Alex was working her mouth eagerly and expertly up and down my hard shaft, her lips tightly stretched around it.

"That's enough, Alex," mom directed. "Don't make him come yet."

"Yes, mom," Alex said as she released my throbbing cock.

Alex pushed me onto my back and straddled me. She hiked her dress and lowered her pussy onto my upright shaft. The little slut had no panties on. Her pussy was very tight but dripping wet.

"This is so good," she gasped as she bounced her ass.

"You are a little whore, sister," I said.

"Yes," she smiled shyly.

"I am going to fuck the ass off you," I said.

"Yes," she gasped and started coming!

Clutching her butt, I drilled her gushing pussy vigorously as she convulsed on top of me. When she collapsed onto me, I popped a finger up her ass and kissed her talented lips. She was a great kisser too.

"Eat my pussy," she panted when she broke the kiss.

"Sure," I said. "Let's sixty-nine."

She stuffed her mouth with my cock as I grabbed her ass. I lapped her drenched pussy then went after her tight little asshole. She spit my cock out and started to gasp. A little later, she took my cock back in her mouth, moaning around it as I probed her delicious asshole with my tongue. When she was ready, I tongue fucked her

asshole while diddling her clit with my thumb. She came within a couple of minutes, her asshole sucking my tongue tip. I licked up her copious juices while she recovered.

"Fuck me in the ass," she panted as she got off me.

Alex got on her hands and knees on the floor, her ass thrust out in my direction. I got off the bed and knelt behind her. I noticed that mom was half lying on the floor, fingering her own pussy and asshole. Alex's little pink asshole looked too small but too inviting. I lowered my mouth to it and dropped a big ball of spit right on the hole. I worked my spit into her rectum with one then two fingers while fingering her wet pussy with my free hand. I twisted my fingers within her asshole, drooling on it.

My hard cock throbbed as I moved forward, aiming it at my sister's appetizing little asshole. I pulled her left ass cheek out and pressed my cock head into her wet pucker. She reached back with her right hand and pulled her other cheek out. Her asshole opened slowly then sucked my cock head in. She grunted as my cock head slipped in. Her asshole was extremely tight. I paused for several seconds, kneading her ass. When she relaxed a little, I held her hips and firmly pulled her into me.

"Oh, he's thicker than dad," Alex groaned as my shaft made its way into her rectum.

"Stop complaining," mom admonished. "Take it like the dirty little whore you are."

"I am not complaining," Alex said. "On the contrary, I love it."

It took Alex a few minutes to get used to my cock up her ass, but then her asshole milked my cock like a hungry baby. That baby needed milk. I used every bit of skill I had learned from Aunt Leanne to last until Alex came, but I could not last a second longer. Her twitching asshole sucked my spurting come like a pump.

When Alex finished draining me, she turned around and sucked my cock clean. Meanwhile, mom pounced on Alex's ass and ate it raw. A minute later, mom tilted Alex's head up and dribbled all the come into her open mouth. Alex took it all and swallowed it eagerly. My sister was a hot come slut. I gave her a big deep kiss, tasting my come on her tongue.

Mom had me eat her to orgasm while Alex revived my cock. After mom recovered, she left, leaving Alex with me so that we could get to know each other even better. We did for hours. When we were done, she was so fucked out I was not sure she would be back tomorrow, but she was. Like mother, like daughter.

It came to my knowledge later that mom had orchestrated Alex's affair with dad without his knowledge. What a loving wife and a great mother!

Between mom and Alex, I had a very hectic schedule. In the weekend, Alex introduced me to Lynn, a girlfriend of hers. Alex sat me between Lynn and herself.

"When you want to try a good lover for a change, this is the guy to try," Alex suddenly said to Lynn while stroking my thigh. "He is every bit as good as I told you."

Before I had recovered of that shock, Alex was massaging my cock through my pants. My cock was partly hard because Lynn looked hot.

"See? He's always hard," Alex said, guiding Lynn's hand to my bulge. "This boner is for you."

Lynn was shy for a few seconds. She felt up my bulge hesitantly.

"I hope he doesn't mind," Lynn said.

"Do you?" Alex asked.

"No," I croaked. "I love it when a sexy girl plays with me like this."

"Let's take it out," Alex said.

Lynn was the one to unbuckle my belt, unbutton my pants and unzip my fly. Alex helped her pull my pants and briefs down to my knees. My cock stood at attention.

"It's so big," whispered Lynn.

Alex drooled on my cock head and rubbed her spit all over my cock with her left hand.

"Suck it," she said to Lynn.

Lynn hesitated a bit then went to her knees on the floor. She first took my shoes off then pulled my pants down and off. Alex helped her. Alex dropped a fresh load of drool on my cock before she let Lynn at it. Lynn added some spit of her own and rubbed it all over my shaft before she took it halfway in her mouth.

Alex knelt behind Lynn and pulled her panties off. Lynn sucked my cock skillfully, taking it deeper and deeper as she worked her lips up and down the shaft.

"She's new to this," Alex said, handing me Lynn's panties. "She still wears panties."

Lynn's panty crotch was wet. I inhaled its aroma then sucked it into my mouth, moaning as I tasted it. Her aroma had such an effect on me it made my cock twitch in her mouth.

"Do you care to taste the real thing?" Alex asked.

"Sure," I nodded.

"Enough of this," Alex said to Lynn as she pulled her by the armpits off my cock.

Alex laid Lynn on the bed and hiked her dress to her waist. She doubled Lynn's legs over and had her hold them by the heels. Lynn's wet pussy and puckered asshole were fully exposed and lewdly offered.

"Help yourself," said Alex, motioning me to Lynn's pussy.

Kneeling on the bed, I lowered my mouth to her pussy. As soon as my tongue touched her pussy, she started to gasp and squirm. Her juices flowed freely into my eager mouth. Meanwhile, Alex got underneath me from behind and started to suck my cock. I sucked Lynn's clit and probed her pussy as she humped my face.

When Alex started to rub my asshole with a wet finger, I remembered Lynn's asshole. I gave Lynn's pussy a little break and lowered my tongue to her asshole. Her little hole puckered tightly when it felt the touch of my tongue. I continued to lick it gently until it relaxed and started to open up. She started to grind her ass into my mouth. I alternated my oral ministrations between her pussy and asshole.

While sucking Lynn's clit, I fingered her pussy. A couple of minutes later, I started to transfer juices from her pussy to her asshole then I gently pushed a slick middle finger into her asshole. When my fingertip popped in her ass, her asshole squeezed tightly. I pushed my index finger into her pussy and finger fucked both holes gently.

By the time my fingers were pumping smoothly in and out of her pussy and asshole, she was close to orgasm. I stepped up my pace sucking on her clit and finger fucking her holes in the same rhythm. She gasped and her holes started to spasm. I held her twitching clit in my mouth as she came wildly all over my pumping fingers.

While Lynn recovered from her orgasm, I worked more juices into her asshole. I pushed my middle finger all the way up her ass and lapped up the rest of her juices off her pussy. I teased her clit with my tongue until she started to thrust against my tongue. I pushed my index finger into her pussy as I took my tongue off her clit.

"Diddle your clit," I said to Lynn as I guided her right hand to her clit. "Make yourself come, baby."

Lynn rubbed her clit and I fingered her holes, matching the pace she used on her clit. Within two minutes, she was gasping and twitching as her holes fluttered around my fingers. Her gushing pussy juices leaked down to where my middle finger worked them into her sucking asshole. I removed my fingers from her and sucked them before I licked her pussy clean.

Alex reluctantly let me remove my cock from her cock-hungry mouth. I moved over Lynn and had her guide my cock into her pussy. I lowered my shoulders against her legs and started to fuck her. Alex moved toward Lynn. She pulled Lynn's dress over her shoulders and collected it around her waist. She then took Lynn's bra off, exposing Lynn's firm tits to me for the first time. I grabbed Lynn's tits in my hands and kneaded them as I continued to fuck her sizzling pussy.

Alex hiked her own dress and pushed her ass in my face. I continued to fuck Lynn as I proceeded to eat Alex's offered asshole. Alex reached between her legs and fingered her own pussy. She was the first to come. She moved off, and I started to fuck Lynn harder. Soon, Lynn came.

"Come inside her," Alex urged as I struggled to hold back.

Alex moved to me and slipped a slick finger up my ass. I lost it immediately. I grunted as my swollen cock twitched, pumping thick jets of come deep inside Lynn's twitching pussy.

"That's it," Alex said as she removed her finger from my ass. "Fill her pussy with come."

When Lynn and I got totally drained, I pulled out of her. Alex pounced on my cock and sucked it clean. She then jumped between Lynn's legs and proceeded to eat her come-filled pussy. That and Alex's swaying bare ass made my cock grow again. I reached between her cheeks and started to finger both her pussy and asshole.

Alex finished cleaning Lynn's pussy quickly. She moved forward, letting my fingers pop out of her holes. Lynn opened her mouth and Alex dribbled all the come into Lynn's eager mouth. Lynn swallowed it all.

Lynn was still smacking her lips when Alex pulled her off the bed and had her step out of her dress. Alex arranged naked Lynn on her knees on the floor and bent her over the bed. She spread Lynn's ass and drooled generously onto her asshole.

"Get her ass ready for your cock," Alex said, looking up at me.

Lynn had an extremely tight asshole. It would not be easy to get her ready for my cock there. I rubbed Alex's drool over Lynn's anal area then started to lick the anally flavored drool off Lynn's asshole.

Alex guided Lynn's right hand to her own pussy. While Lynn fingered herself, Alex stroked my cock and fingered herself. I held Lynn's left cheek with my left hand and used my right hand to finger Alex's asshole with one then two fingers.

My tongue worked patiently, licking and massaging Lynn's asshole. Her asshole relaxed gradually. I removed my fingers from Alex's asshole and dipped them in her wet pussy. I used my slick fingers to rub and probe Lynn's asshole. I drooled on my finger and twisted it around as it slid inside Lynn's ass.

After a few minutes of wiggling my finger and reaming out Lynn's asshole, I managed to squeeze another finger in. It was not easy to slide my two fingers all the way up Lynn's ass, but I finally managed to do it. Alex walked away and returned with a big bottle of lube. She generously squirted the thick slippery fluid over my fingers and I worked it inside Lynn's rectum. My fingers started to slide easily in and out of Lynn's tight hole.

"Lynn, you are too tight back here," I said. "Are you virgin?"

"Virtually so," Alex said.

"What's that supposed to mean?" I said. "Virgin or not?"

"Her jerk boyfriend once attempted to fuck her in the ass," Alex explained. "He came and pulled out as soon as his cock head popped inside. Her ass is full of virginal depths waiting to be explored."

"I see," I said. "So she left that 'jerk' boyfriend?"

"Practically yes," Alex said.

"So they no longer have sex?" I asked.

"She's only keeping him for sex," Alex said.

"Oh, so he must be a great lover," I said.

"On the contrary, but she doesn't want to find another jerk," Alex said. "She wants to find a good lover."

"I see," I said. "Does he have a big cock?"

"A long but thin one," Alex said.

"How do you know?" I asked.

"I sucked him a couple of times," she said.

"So he was seeing you before seeing Lynn?" I asked.

"No, he was seeing Lynn, and I was teaching her cock sucking," Alex said.

"You taught her cock sucking?" I said. "I thought you learned it a couple of months ago."

"I did, and I taught her as I learned," Alex said.

"And all she needed was a couple of lessons or why did you stop sucking him?" I asked.

"I found out he was a jerk, so I started to use my boyfriend's thicker cock as an educational tool," Alex said.

"Why don't you let her fuck him instead of having to stay with her jerk boyfriend?" I asked.

"She sometimes does," Alex said. "She doesn't want to be without a boyfriend until she finds a new one."

While we talked, Alex squirted lube on my fingers a few more times. Lynn's asshole was ready for a third finger. It took a few more minutes to get Lynn's asshole comfortable with three fingers working in and out at a nice pace. Seeing that, Alex squirted a new gush of lube on my fingers and another in her left hand. She then used her left hand to lube my shaft.

"I think she's ready," Alex said as she finished applying a thick coat of lube to my hard cock.

Alex put the lube aside and pulled Lynn's ass cheeks apart. I slowly removed my fingers from Lynn's ass and spit on her slick asshole. When Lynn felt my cock head touch her asshole, she shivered and her asshole shrunk extremely. I massaged her pucker a little with my cock head then started to push gently.

"Take a deep breath and push out," Alex advised.

Lynn's asshole started to relax under my gentle pressure. My cock head started to inch in. It took about two minutes for my cock head to slide in. Her asshole clamped tightly, almost ripping my cock head off. I started to push in then pull out very gently, not really moving my cock, but varying the pressure to relax her sphincter. She relaxed gradually and I started to push in.

"Push out," Alex directed as we watched my thick shaft slide slowly into Lynn's mostly virgin asshole.

In a couple of minutes, my cock was most of the way in. The pressure I was exerting was not enough to proceed deeper. I paused for several seconds before I held Lynn's hips firmly and increased the pressure gradually. She started to groan softly. My cock sank slowly. She continued to groan until my balls pressed firmly against her empty pussy. Her tight ass was totally penetrated. I paused for both of us to relish our feat. I bent over and kissed her gently on the cheek.

"You are so sexy," I whispered.

"I feel as if I am stuffed to my bursting limit," she said lowly.

"You actually are," I said. "Soon, you are going to burst in orgasm after another."

Her asshole twitched.

"Have fun, Lynn," Alex said. "If you are anything like me, this is going to be your best fuck ever."

"Get used to my cock," I said. "Squeeze it and milk on it with your horny asshole."

Lynn started to milk on my cock tentatively. She established a rhythm and her asshole relaxed gradually. I reached beneath her and started to squeeze her tits in the same rhythm, but squeezing when she released and releasing when she squeezed. She moaned softly. I could feel her erect nipples poke into my palms. I started to thrust gently into her, pushing in as I squeezed her tits and pulling out as I released them. That made her lose her rhythm several times then resynchronize with me.

My cock started to slide in and out of her stretched asshole in short strokes. I increased the length of my strokes gradually. Soon, I was pumping her ass with the entire length of my shaft. I let her nipples fall between my fingers and started to pinch them as I continued to knead her tits. I fucked her ass harder and harder, enjoying the way her inexperienced asshole milked on my cock. She grunted, gasped and moaned, humping her ass back.

Lynn's asshole got relaxed enough to take a good drilling. I held her by her waist and started to fuck her ass vigorously. She grunted with every thrust. I could tell by her anal twitching that she was approaching her orgasm quickly. That urged me to fuck her harder and harder, making flesh-slapping sounds. Alex struggled to hold Lynn's ass spread for me.

Lynn grunted and stiffened before convulsing in orgasm. I continued to drill her asshole as it twitched ecstatically and sucked my cock thirstily. That was obviously her wildest orgasm of the evening. I lay on top of her and kissed her as I pumped my cock slowly in and out of her happy ass. I wrapped my arms around her and held her. Her asshole milked on my cock deliberately.

Finally, I withdrew slowly out of Lynn, letting my cock plop out of her asshole. She sat up, and I thrust my cock in her face. She did not hesitate to take it in her mouth and suck it. I let her suck it for a minute then pulled her to her feet. I aimed my cock at her drenched pussy and shoved it in, making her gasp. I held her hips and moved her back and forth over my cock. We fucked slowly for a minute or two then I pulled out of her and nudged her shoulders down. She proceeded to suck her juices off my shaft.

After fucking Lynn's throat for a few minutes, I pulled her to her feet and guided her to the window. I bent her over the windowsill and rimmed her asshole. I spit on her asshole then pushed my cock in. I pulled her hips all the way over my cock then put my hands on the windowsill next to hers.

"Move your ass back and forth," I directed. "Get it reamed out with my big cock."

As Lynn worked her ass back and forth, Alex knelt next to us and used her right hand to finger Lynn's pussy and her left hand to finger her own. Lynn came quickly. I enjoyed her convulsions and anal spasms. Her orgasm was almost as powerful as the previous one. When she recovered, I removed my cock from her ass and put my hand on the small of her back.

Alex pounced on my cock and sucked it for a little while. I pulled it out of her mouth and pushed it into Lynn's drenched pussy. I grabbed Lynn's hips and drilled her pussy to a quick orgasm. I removed my cock from her sodden pussy, and Alex took it in her mouth. Soon, Lynn went on her knees and took turns with Alex on sucking my cock.

The girls sucked my cock for a few minutes. I then guided Lynn back to the bed. She climbed on the bed and got on her hands and knees, her feet dangling off the bed. I stood between her feet and aimed my cock at her asshole. I

drooled on her asshole then slid my cock in. As soon as I started to thrust in her, she fucked back. Alex sat on the edge of the bed, next to Lynn. She spread Lynn's ass open. I fucked Lynn with long, slow strokes. Whenever I approached orgasm, I would take my cock out of Lynn's ass and cool down in Alex's mouth.

After a while, Lynn's asshole started to gape when I pulled out to cool down. It gaped wider and wider. Alex noticed that, so she started to drool inside Lynn's asshole before guiding my cock back in. My cock started to lose control, and I took more frequent breaks.

"I think it's about time you filled her ass with come," Alex said as she finished sucking me on a break. "Don't tire her asshole on her first night."

"Okay," I said.

Alex guided my cock head into Lynn's ass and held it like that.

"Squeeze his cock as tightly as you can," Alex said to Lynn.

When Lynn squeezed my cock, Alex reached beneath Lynn and started to diddle her clit, stroking my cock at the same pace. I could feel Lynn's asshole twitch involuntarily as her orgasm approached. My orgasm hit first. I stiffened and held my breath as my cock swelled and started to twitch. As soon as I fired the first scorching jet of come, Lynn gasped and started coming herself. Alex continued to jack me off as Lynn's asshole sucked on the end of my come-spewing cock.

Alex milked every last drop into Lynn's trembling asshole. I stroked my cock all the way in and out of Lynn's ass a few times, letting her asshole milk my entire shaft. When I pulled out, her asshole snapped shut.

"Congratulations, you have just had your first real ass fuck," Alex said to Lynn. "Did you like it?"

"Oh, yes," Lynn said as she sat up. "It was the wildest fuck I've ever had."

Lynn took my softening cock in her mouth and sucked it clean. I reached between her legs and wiped her drenched pussy with my hand. I wiped my sticky fingers on her face then I sat next to her and licked her face all over, concluding with a deep, lewd kiss.

"Suck him," Alex said. "Get him hard again; we are not done with him yet."

Lynn bent over my cock and started to suck. I reached out and started to finger her pussy. Alex moved over and sat on my other side. She bent over and started to take turns with Lynn. I reached for Alex's butt and started to finger her pussy and asshole.

My cock got up very quickly with those two horny girls working diligently on it. Alex pushed Lynn away and straddled me, lowering her pussy onto my cock. Lynn watched as Alex rode my cock. I wetted two fingers in Alex's mouth then took them to her ass. I was soon fingering her asshole with both fingers.

Alex had a quick orgasm. After she recovered, she kissed me while working her dripping pussy slowly up and down my hard shaft. We were still kissing when she reached underneath herself and removed my cock from her pussy then guided it to her ass. Lynn sucked my fingers. Alex grunting into my mouth as my cock entered her ass. I held her butt in my hands and started to fuck her as she bounced on my cock.

Lynn pulled Alex's dress down over her shoulders, exposing her tits. I pulled Alex down and sucked her nipples, one then the other. She rode me faster. She was soon coming on my cock. When her asshole finished convulsing on my cock, I pulled her ass up to my face and lapped up her copious juices. I guided Lynn's head to my cock and she sucked it as I continued to lick Alex's wet pussy.

Alex finally came in my mouth, and I pushed her off. I arranged Lynn and Alex on their hands and knees next to each other. I took turns fucking their pussies and fingering their assholes. At the end, I came all over their faces. They licked my come off each other's face.

A couple of days later, Lynn called me at home.

"My asshole recovered from the drilling you gave it the other night," she said. "Now it needs more of the same. Why don't you come over and give it to me?"

"Why don't you come over and take it?" I said.

"Last time, you fucked me in your bed," she said. "Tonight, I want you to fuck me in my own bed."

"Is your tight little asshole tingling for my big hard cock?" I teased.

"Yes," she said. "My fingers are sloshing in my wet pussy already."

"Are you horny enough to let me come in your ass then feed you my come with my fingers?" I asked.

"No, I can't do that," she said hesitantly.

“Then you are not horny enough for my cock,” I said. “You are just wasting my time.”

“Nick, please,” she begged.

“Lynn, you are going to eat my come out of your ass like everybody else,” I said. “Otherwise, I am not going to fuck you. If you think your ass is too dirty for you to eat my come out of it, then it’s too dirty for me to fuck in the first place. It’s your call.”

She remained silent for a while.

“Okay,” she finally said. “I’ll let you do that to me.”

“It’s for your own good,” I said. “I want you to be a total slut, not a wimpy teen.”

“I’ll be waiting for you,” she said.

“Don’t finger your ass,” I said. “I’ll do that for you.”

Fifteen minutes later, Lynn sneaked me up to her room. As soon as the door closed, my hand was up her dress, feeling up her wet pussy. I slid two fingers up her pussy then let her suck them. She did eagerly.

We kissed as I returned my fingers to her pussy. As our long kiss heated up, I held her ass with my right hand and drilled her wet pussy with my left hand. She shook and gasped into my mouth. I finally broke the kiss and removed my fingers from her pussy. While I sucked my sticky fingers slowly, I pushed my right hand between her legs from behind and proceeded to finger her wet pussy. She spread her feet and thrust her ass back. I removed my fingers from her pussy and tickled her asshole with them just before pushing my slick middle finger up her ass. She moaned as my finger slid in.

We kissed again as I slid my fingers back into her wet pussy and fingered both her fuck holes at a slow pace. I removed my wet fingers from her pussy and had her suck them. I fished out my hard cock and pushed it into her pussy. With my finger still in her ass, I held her hip with my left hand and proceeded to fuck her pussy vigorously. She started to pant and gasp immediately, approaching orgasm quickly.

When Lynn was too close to orgasm, I stopped fucking her, but kept my cock inside her. I removed my finger from her asshole and had her suck it along with my forefinger. I captured her lips between mine as I spread her ass with my left hand and squeezed the two fingers into her asshole. I resumed pumping her pussy vigorously. Both her holes twitched as she came all over my cock. I held her tightly as I drilled her trembling frame. When she finished coming, I removed my fingers from her ass and let her suck them as I pushed her onto her back on the bed, keeping my cock inside her.

She was still panting when I pushed her legs up against my shoulders. I removed my dripping cock from her drenched pussy and pushed it into her asshole. She grunted softly as my cock head popped inside her. She took a deep breath and held it in as my shaft slid slowly into her tight ass.

“Is that where you want it?” I teased as my balls touched the back of her ass.

“Yes,” she hissed.

She started to gasp as I gently sawed my cock back and forth in her tight but eager asshole. I was gentle with her for a minute or two, but later I grabbed her shoulders and proceeded to fuck her ass hard. She grunted and gasped, totally surrendering her body to me. She came quickly, and I drilled her throughout her gut-wrenching orgasm. I thrust gently within her ass until she recovered.

When she recovered, I removed my cock slowly from her ass and shoved it into her drenched pussy, making her gasp. I removed my cock from her pussy and pulled her up, thrusting my cock in her face. She opened her mouth and sucked it eagerly. I was soon holding her head in my hands and fucking her throat at a brisk pace.

When I got close to orgasm, I yanked my cock out of her mouth and pushed her back onto her back. I raised her legs over her head and slid my cock into her ass. I gave her a few vigorous thrusts then let my cock burst deep inside her rectum. The little whore came when she felt my cock twitch inside her ass. I pumped my cock in and out of her ass until she recovered completely.

“Are you ready to eat?” I asked as I slowly pulled my cock out of her ass.

“I guess so,” she said, squeezing her asshole around my cock.

“Suck my cock first,” I said as I plopped my cock out.

She sat up, and I pushed my cock in her face. She cleaned my shaft thoroughly and licked my balls. I arranged her on her knees on the bed, pressing her face and chest into the sheets. I used the index and middle fingers of my

right hand to scoop my come out of her ass and feed it to her. She only showed a little hesitation when she licked up the first lump. Eagerness replaced hesitation, and her asshole was soon squeaky clean and ready to be eaten.

Lynn and I got rid of our clothes. We sixty-nined until my cock got up again. She rode me in the cowgirl position. After she came, I arranged her on her hands and knees and fucked her ass, soaking it in my drool until it gaped widely. I concluded by coming in her eager mouth.

She deep-throated my cock, sucking it to full hardness while I sat on the edge of the bed.

"I have a surprise for you," she said as she let go of my cock.

"What?" I asked.

"How would you like some fresh ass?" she said sexily.

"What ass?" I said.

"This," she said, handing me a picture of some hot-looking woman.

The woman had a great figure and a gorgeous ass showcased in a black thong bikini.

"How do you like to pull that thong aside and slide your cock between those cheeks?" Lynn teased.

"I'd actually love that," I said. "Who is she?"

Lynn gave me another picture, showing the woman from the front. She had nice tits too.

"How would you like to grab these tits while you bang her butt?" Lynn teased.

"I'd love that, too," I said. "Who is she?"

"I won't tell you until I introduce you to her," she said. "Are you interested?"

"Of course I am," I said.

"Don't move," she said. "I am going to get her in a minute."

"Hey, you are naked," I called as she hurried to the door.

"I know," she said. "You stay naked too, and keep that cock hard."

"Are you nuts?" I said. "You want to introduce me to a woman like this?"

"Yes, if you are still interested," she said. "If not, then let's do without it."

"Are you sure it's going to be okay?" I asked.

"Yes, watch," she said as she left the room.

The pictures of the woman were still in front of me. I held my cock and stroked it, fantasizing about her ass to try to forget Lynn's craziness. A little later, I heard footsteps approaching the door. I let go of my cock. Naked Lynn came in followed by the woman dressed in a short dress with a generous scoop neck.

As the woman approached me, I tried to stand up to greet her.

"No, no, you remain seated," the woman said. "You don't need to stand up, he does." She pointed at my cock. I blushed. "I like to be greeted like this."

The woman stood before me.

"Nick, this is mom," Lynn said. "Mom, this is Nick."

My jaw dropped, and they both noticed.

"She encouraged me to explore sex and try anal sex," Lynn said. "She's a great mom."

"She's a great woman too," I said, still shocked.

"Thanks," Lynn's mom said as she knelt before me. "Can I touch your lovely cock?"

"Sure," I said, eyeing her deep cleavage.

"You are beautiful, ma'am?" I said.

"Call me Doris," she said, stroking my cock. "Formalities don't work in this situation." She laughed.

"Is it you whom your horny daughter is taking after, Doris?" I said.

"It's more fun for you to find out yourself," she said. "Don't you see I am trying to find out whether you are as good as she claims?"

"I see," I said.

"Do you want me to suck it for you?" she said, tickling my cock. "That would help you decide."

“Sure,” I said.

As soon as Doris wrapped her sensual lips around my cock, I discovered she was a first-class cocksucker just like mom and Aunt Leanne. I sat back and enjoyed myself as she artistically worked her lips and tongue up and down the entire length of my happy shaft. She knew how to take it nice and slow and make it very enjoyable. She kept me on a plateau of bliss for over fifteen minutes. It was obvious she was also enjoying herself immensely.

Finally, Doris let go of my cock and walked on her knees to a nearby chair. She looked back at me as she bent over the chair and hiked her dress a little, exposing her fine ass.

“I already know that you don’t like women in panties,” she said.

“I’d like you in or especially out of anything,” I said as I knelt behind her. “It’s the panties I don’t like.”

“I’d like you in and out of my pussy right now,” she said as she rested her head and shoulders on the chair. “I am dripping already, please fuck me.”

She was soaked. She grunted softly as my cock entered her pussy. As soon as my balls touched the front of her pussy, she started to fuck back even harder than I fucked her. It was a fast, hard fuck from the start. She sucked her fingers then reached back and inserted one then two fingers in her ass. She finger fucked her ass in the same rhythm we used on her pussy. She came within a few minutes. She gasped and convulsed, her twitching pussy gushing all over my cock. I fucked her gently as she recovered; working my cock in long, slow strokes within her.

“I need you in my ass,” she said, twisting her fingers within her ass. She took my dripping cock out of her sodden pussy and guided it to her asshole. “Uh,” she grunted as my cock head popped in her asshole. “I almost forgot how thick it is. It’s going to be wonderful.”

Her asshole was tight, but we managed to slide my cock all the way in. Holding my cock motionless within her, I reached between her legs and tickled her pussy, making her asshole spasm around my cock. She soon started to hump back. I held her tits through her thin dress and proceeded to fuck her responsive ass. She fucked harder and harder as her asshole relaxed gradually, milking on my cock exquisitely.

Although her asshole worked my cock diligently, she came before I did. I tightened my grip on her tits and fucked her twitching asshole vigorously as she convulsed in ecstasy. I plopped my cock out of her ass and turned her around. I thrust my cock in her face, and she swallowed it eagerly.

She sucked my cock for a couple of minutes before I guided her to the bed. I laid her on her back and doubled her legs over her head. I drooled on her asshole and rubbed it lightly with my cock head before I popped it in.

“You know, your asshole loosened up a bit,” I said as I started to stroke in and out of her.

“I want you to make it gape,” she said.

“What?” I asked in surprise.

“I want you to make my asshole gape like you did Lynn’s,” she said.

“Let me first show you what I did to Lynn’s,” I said as I popped my cock out of her asshole.

Lynn had been fingering herself while watching. I walked over to her and guided her to the bed. I arranged her on her knees on the floor, bending her over the bed next to where her mom was sitting.

“Spread her ass out for me,” I said to Doris as I guided her hands to Lynn’s ass. “I’ll show you how it gapes.”

As soon as Doris held Lynn’s ass cheeks apart, I slid my cock into her mouth.

“Make it nice and wet,” I said as I held the back of Doris’s head.

Doris sucked eagerly as I thrust in her mouth. A minute later I popped my cock out of her mouth. I spitted on Lynn’s asshole and pushed my cock in. Lynn moaned as my hard shaft slid smoothly up her ass, stopping only when my balls pressed against her wet pussy.

I pumped Lynn’s ass in long, slow strokes, occasionally changing my pace abruptly, making her grunt or gasp. The grip of her asshole loosened up gradually. I finally popped my cock out, leaving Lynn’s asshole agape.

“Is this what you want?” I asked Doris.

“Yes,” she said, looking at Lynn’s open asshole intently.

“Are you sure?” I asked as I pushed my cock into her mouth.

She moaned in consent as she closed her mouth around my cock. I held her head and fucked her willing throat for a minute. I removed my cock and aimed it at Lynn’s gaping asshole hands-free. I stabbed Lynn with my cock,

ramming it all the way up her ass. Doris was still holding Lynn's ass open for me. I fucked Lynn's ass for a couple of minutes then returned my cock to Doris's mouth.

Doris sucked my cock again, soaking it in her saliva. I popped it out of her mouth then spit into Lynn's gaping hole. I stabbed my cock into Lynn's pussy, making her asshole blow bubbles with my spit. She grunted and fucked back as I fucked her heated pussy.

"Here, change the taste of your mouth," I said to Doris as I removed my cock from Lynn's pussy and pushed it into her mouth.

Doris did not hesitate to suck my cock clean.

"If you still insist, I need Lynn to spread your ass for me," I said as I helped Doris onto her knees.

"Do whatever it takes," Doris said, thrusting her ass out.

Kneeling down behind Doris, I gave her asshole a long tongue kiss.

"Okay, Lynn," I said as I aimed my cock at Doris's wet asshole. "Spread your mom's horny ass for me."

Lynn sat on the edge of the bed and spread her mother's ass. Doris moaned as my cock head touched her asshole. She gasped when I popped it in. I worked my cock head in and out of her asshole, making her gasp. When she least expected it, I thrust my cock all the way up her ass, making her grunt. Her asshole tightened around my cock defensively. I let her relax for a few seconds then I started to work my cock in and out of her ass. I fucked her in long strokes. I constantly made abrupt changes to my pace, making her gasp and making her asshole twitch.

After pumping Doris for a while, I plopped my cock out and shoved it in Lynn's mouth. Lynn sucked it eagerly. I reached for Lynn and arranged her on her knees on the bed. She remained holding her mom's ass open. I finally removed my cock from Lynn's mouth and spit on Doris's relaxed asshole. I pushed my cock in and resumed drilling Doris's ass in no specific rhythm. I fucked her like that for about ten minutes. I removed my cock, leaving her asshole gaping slightly. I moved behind Lynn and fucked her pussy vigorously for a few minutes, fingering her asshole continuously.

"Spit on it," I said to Lynn as I returned to my position behind Doris's ass.

Doris's asshole was almost shut. Lynn spit on her mom's asshole, and I worked the spit inside with my fingers. I fucked Doris's ass for several minutes, removing my cock and spitting in her ass frequently. Her asshole gaped nicely, but needed a little more work. I knelt behind Lynn and soaked her asshole with spit. I shoved my cock into her and drilled her asshole for a few minutes.

When I returned to Doris's asshole, it was still agape. I spit in it and resumed drilling it. I kept alternating between a very fast pace and a very slow one, popping my cock out repeatedly. Lynn and I took turns spitting in her mom's gaping asshole each time I popped my cock out. I was getting ready to come. I popped my cock out of Doris's asshole and started jacking off.

"I am going to come in your gaping asshole, Doris," I called.

"Yes, yes," she hissed. "Fill my bowels with come."

Lynn held her mom's ass wide open for me while I jacked off and spurted my come in long jets through the open asshole, making it twitch. When my come dried down to a dribble, I thrust my cock into Doris's ass.

"Milk it dry," I urged as I stroked my cock in and out of Doris's come-filled ass.

Lynn moved away for a few seconds while her mom milked on my cock. When Lynn returned, she was sucking on a cock-shaped butt plug. When I removed my softening cock from Doris's ass, I spit in it and Lynn pushed the plug in.

"Oh, what is that?" Doris grunted as the plug popped in her ass.

"It's a butt plug, mom," Lynn answered. "It'll keep the come locked inside."

"It feels weird," Doris said.

"It's fun once you get used to it," Lynn assured. "Just walk around with it a little."

Doris got up and walked funnily in the room. It took her a minute or two to get used to it.

"I need to clean your cock for you," Doris said as she knelt before me.

Doris licked me clean then I sat her on the bed and went for her wet pussy. In a few minutes, she was coming in my mouth, gasping and squeezing my head between her thighs.

"Nice meeting you," Doris said as she left on wobbly legs.

Lynn was so horny she insisted on reviving my cock then taking it for a ride. After fucking a cock-hungry hole of hers or another for a solid hour, I dumped a hefty load up her sucking bowels just like I had done to her mom. I left her lying on the bed.

On my way out, I met Lynn's father. Doris introduced me to him as a friend of Lynn's. She showed me out. We stood on the porch for a minute.

"I am concerned about what we have just done since you are married," I said.

"Don't be," she said. "Andy is one of those guys who like their wives to have sex with others."

"Oh," I said, quite taken by surprise. "I didn't think those actually existed."

"The only thing he'd love better is to watch his wife with another man," she said, massaging my cock through my pants. "How would you like to take me in my king-size bed in every hole I have while he watches?"

My cock twitched.

"I don't think I'd be able to do that," I said.

"He can prepare me for you while you watch," she said. "Then we can go at it like he isn't there but wilder."

"I'll think about it," I said.

"By the way, that was a great fuck," she said then gave me a long kiss.

While sucking on her tongue, I pulled her into me and felt up her ass only to discover that she was still wearing the butt plug.

"I was inspired," I said, squeezing her ass. "You have a great, tight ass."

"At this rate, it won't stay tight for long," she said.

"I'd love to find out," I smiled.

"You will," she smiled back.

My treacherous mom loved most having a sneaky session whenever dad left the house for a couple of hours on the weekend despite that we had almost daily morning sessions during the week. She always insisted to have our sneaky sessions in the master bedroom. We had to abort our sessions a few times when dad came home unexpectedly. She usually managed to walk around the house with my come in one of her holes or the other and tasting of my come throughout the weekend.

During the first couple of weeks, Lynn did not see her boyfriend since I did her several times a week. Alex suggested that Lynn and I date because we had hit it off so well. Lynn and I kissed and petted on our first two dates, but, not being an easy girl, she refused to put out. My eager sister's poor asshole got fucked raw after the first date. After the second date, I fucked Doris in her bed, but her husband was not there to watch. I fucked her with such vengeance that when I was through with her, she looked like she had just got through a gangbang. On the third date, Lynn finally put out. I fucked her so hard her asshole remained sore for a couple of days, during which I fucked her pussy senseless. Her boyfriend was totally forgotten.

Many years ago, the Independence Day changed this nation's life. It was about time it did mine.

### **Independence Day**

While watching the fireworks, I fondled the same butts my dad had just fondled. I was caught though. When we reached home, my aunt held me accountable for my misdemeanor. Then she told mom. Mom told my sister and so on. I was soon very busy paying for what I had done.
