It was Wednesday evening, and I was watching television in the living room when I overheard mom and dad arguing loudly upstairs. I lowered down the volume and tried to find out what it was about.

“We’ve planned this over two months ago, you can’t back out now,” shouted mom.

“I am not backing out, but I can’t make it,” said dad, pleading.

“Sure you can if you want to,” she countered.

“No, I can’t,” he said. “I have important business to tend to.”

“This is important to me too,” she cried. “I am going on that flight as planned whether you are on it or not.”

“You know, I can’t make it,” he said.

“That’s your choice,” she said and stormed out of the bedroom and down the stairs.

Mom looked angry as she plopped herself on the other end of the sofa. I let her calm down.

“Mom, if you want to talk, I am all ears,” I offered after a while.

“Thanks, Nick,” she said quietly. “Next Monday’s our twentieth wedding anniversary and your dad wants to go to Germany on business and destroy our plans.”

“Why don’t you go with him and celebrate there?” I suggested.

“No way,” she said. “He’d be busy, doing his business, and I’d be totally neglected all day. I’d rather stay here.”

“It doesn’t have to be that bad,” I said.

“That’s why I am going on the trip we’ve already planned,” she said.

“Where to?” I asked.

“To Hawaii,” she said.

“Alone?” I asked.

“Yes, alone,” she said.

“That doesn’t make sense,” I said. “You can’t celebrate your wedding anniversary alone.”

“Tell that to your dad,” she said. “He’s the one not coming to the celebration, not me.”

“That’s even worse than your going to Germany with him,” I said. “In Hawaii, you’d be alone day and night.”

“I know,” she said. “Do you want to go with me?”

“What?” I said in surprise. “Me?”

“Yes,” she said. “How would you like a week’s vacation in Hawaii?”

“Wow!” I exclaimed. “That would be amazing!”

“On the condition that you’ll be my servant,” she said. “I still want to be pampered and have fun there.”

“Sure, mom,” I said. “I’d love to be a servant for such a beautiful woman.”

“Shut up,” she smiled. “You are like your dad. You are all talk and no action.”

“You are welcome,” I teased.

“Thank you,” she said.

### A Long Nightingale Classic **Like Mother, Love Sister**

On Saturday morning I packed our luggage in the car and dad drove mom and me to the airport.

“Take care of your mom,” said dad as he walked inside the airport.

“I will,” I said.

## THE ANNIVERSARY GETAWAY

We arrived in Honolulu around two in the afternoon. We picked up our luggage and mom picked up a Mustang. It was obvious it was not her first time on the island. I did not expect to be staying at a mansion a few hundred feet off the shore. The mansion was surrounded with trees and flowers. It had a hot tub, a swimming pool and a lot of other amenities. It was gorgeous.

Mom took the master bedroom, and I took another room, both on the second floor. We unpacked our luggage and took quick showers. I was relaxing in bed when mom came in.

“Put your swimsuit on and let’s sit in the sun a little,” she said.

Her swimsuit was skimpy. When she turned around and left, I noticed that she was wearing string bottoms. I changed, grabbed a towel and followed her. She was carrying a towel and a sunscreen bottle.

“Mom, your swimsuit’s very small,” I said.

“I know,” she said. “I’m here to party, not to go to church. Besides, you are my son. I should be able to get naked in your presence. You are not a pervert, are you?”

“Of course not,” I said as I followed her.

With her dressed like that, I had to see her figure. I ended up staring at her bare ass.

“Have you been told lately that you are gorgeous?” I complimented.

“Not by your dad,” she said. “Thanks.”

“I’m sorry, mom,” I said. “He must be very busy.”

“We are not,” she said. “Let’s enjoy our time.”

“Yes, mom,” I said since the mere mention of dad made her mad. “Forget about him, and have fun.”

“That’s exactly what I am going to do,” she said. “Your mom’s going to have a lot of fun—fun for two or three.”

“You deserve it, mom,” I said. “I am lucky for being in Hawaii with the hottest woman on the neighborhood.”

“I am your mom, Nick,” she chided.

“Whoever you are, if you think my mom isn’t the hottest woman on the neighborhood, you are mistaken,” I said.

“Thank you, darling,” she said.

“Is that agreement, or are you just being polite?” I teased.

“What about you?” she said as she turned around so quickly her big tits almost swung out of her top. She almost caught me staring at her ass. “Are you serious, or are you trying to placate me?”

“Not only am I serious, but I also know that I am right,” I said. “Do you know why?”

“Why?” she said.

“I saw how my friends have always gawked at you,” I said.

“Your friends are perverts,” she said.

“They are not,” I said. “I gawked at their moms and they are not half as hot as you are.”

“You are all perverts,” she said.

“The bottom line, so to speak,” I said as I looked down at her bikini bottoms, “is that you are hot.”

“You are horrible,” she chided. “Even you are staring at me.”

“If you think so,” I said, smiling, as I stared at her tits, “you know that I am serious and right.”

“You sure know how to make a point,” she laughed. “Thank you.”

“You are welcome,” I said. “So, you agree with me?”

“I guess I have to,” she said. “You are the man.”

We sat back in chaise lounges in the sun between the trees.

“Oil my front,” she said, handing me the sunscreen bottle. When I took it, she took off her bikini top and tossed it aside, exposing her firm tits. “Start with my feet. Don’t stare too much. That would burn my skin.”

Kneeling next to her feet, I started with her toes and went up to her knees. Because of the chaise, I only had access to the front side of her thighs. I oiled her thighs to the edge of her bottoms. When I finished with her thighs, she raised her legs and pulled her knees way back.

“Do the back,” she said.

That really surprised me, but I went to business. As I rubbed the oil into the cheeks of her ass, I could see the beginning of her anal pucker on either side of the string of her bottoms. I massaged her flesh, getting closer and closer to the white string that split her ass, and my cock pulsed of its own accord.

When I finished her ass and the backs of her thighs, she lowered her feet to the floor. I stood astride her legs and bent over to work on her upper body. I oiled her stomach and chest, avoiding her tits.

“Don’t be shy, Nick,” she said. “You are an adult now; do all of me. Don’t you think I have nice tits?”

“That’s unanimous, mom,” I said after I absorbed the shock.

Avoiding her eyes with mine, I proceeded to oil her tits. Her nipples were already erect. She let out little gasps as my slippery hands brushed across them. I finally did her shoulders and arms.

“My tits are very sensitive,” she said. “Do them thoroughly. Spend enough time on them, especially the nipples.”

Her statement made my cock twitch. I returned to her tits and massaged them well, spending a good time, teasing and tickling her stiff nipples. She occasionally moaned or gasped.

“You are good with your hands and fingers,” she said finally. “Thank you.”

“You are welcome,” I said, taking my hands off her tits.

“Now, my back,” she said as she got off the chaise.

She got on her knees and bent over, resting her upper body on the chaise. Her tight ass was on display again. Straddling her legs, I started with her neck and worked my way down to the waistband of her bottoms.

“Do my butt again,” she said. “Your hands feel so good.”

“Your skin’s so smooth,” I said as I worked on her ass.

“Don’t be too soft, but be thorough,” she moaned.

Before long, I was feeling up her ass freely as I oiled it. Her naughty asshole winked at me repeatedly, making my cock rock hard. She let me work on her hot ass for a few minutes.

“Thank you,” she finally said. “Let me do you.”

“Thanks, mom,” I said as I lay on my chaise and got ready for her to oil me.

“It’s better if you lay on the floor,” she said

She spread my towel on the floor, and I scooted off my chaise and lay on the towel.

She started with my feet, but she was kneeling astride my chest. Her ass, a few inches from my eyes, humped back and forth and swayed from side to side as she rubbed my feet and legs. The view made my swimsuit feel tighter. I had hoped my cock would be soft by the time she got close to it, but that did not seem likely. She worked her way up my body, crawling back, and soon I was watching her tits sway over my face. When she finished my front, I rolled over. She worked my back similarly.

We relaxed in the sun.

---

“Let’s go inside,” said mom, getting up.

When we got inside, she called home and reassured dad that everything was fine.

“Get ready to go out,” she said.

While she got ready, I put on shorts and a light T-shirt. She put on short shorts and a halter-top, all in white.

“You’ll be turning a lot of heads,” I complimented.

“Do you think so?” she said, smiling mischievously.

“I am sure of that,” I said.

“Thanks,” she said.

We toured the island for a couple of hours and had dinner.

---

Mom and I checked out the television channels.

“Let’s relax in the hot tub,” she said.

While I was in on my swimsuit, she was in string bottoms. As soon as we settled in the hot water, she took off her bottoms and put them aside.

“I like it when the hot water swirls everywhere on my body,” she commented.

“Yes,” I said.

We stayed there for over half an hour. She was the first to get out of the tub, totally naked.

“Dry me,” she said, extending a towel to me as I got out of the tub.

“Sure,” I said as I took the towel.

We dried each other before we climbed up the stairs, me following her.

“A back rub would feel perfect now,” she said.

“Sure,” I said.

She lay on her stomach on her bed as she handed me the bottle of baby oil. She was still totally naked.

“Do my back and my butt,” she directed.

She adjusted her position. I sat next to her and poured oil on her upper back. I worked my way down her body. She moaned softly when I reached her lower back.

“Do my butt too,” she said after I must have worked on her lower back for too long. “You were so nice earlier.”

She relaxed completely as I oiled her ass and kneaded it. After a several minutes, I eased on her ass.

“Don’t stop,” she moaned. “Your hands are so nice.”

All I did was feeling up her oily ass. My eyes were glued to her winking pink asshole. I continued to fondle her ass and occasionally massage her ass harder. I could see the pink pucker of her asshole smile every time I pulled her cheeks apart. I could also see the lips of her pussy glisten. My cock was already rock hard. The more I rubbed her ass, the more daring I got to reach closer to her crack.

“That was great, Nick,” she moaned. “I am falling asleep. See you tomorrow.”

“Good night, mom,” I said as I left.

---

“Nick, are you awake?” called mom in the morning. “Come help me in the shower.”

Within a minute, I was in my swimsuit with her in the bathroom.

“Do my back,” she said.

She handed me the soap-saturated loofa, and I rubbed her back from her shoulders to the top of her ass.

“That was nice,” she said. “Do my butt too.”

She pushed her ass out, and I did it thoroughly.

“Do my crotch,” she said, bending over.

Needless to say, I ended up doing her front too. She rinsed herself and had me dry her from head to toe.

“Prepare a light breakfast,” she directed.

Although I was no chef, I took a quick shower and proceeded to prepare breakfast. When we had breakfast, I was wearing a T-shirt and shorts and she was wearing string panties.

After breakfast she pulled on a miniskirt over her string bottoms and a halter-top.

“Get ready to go out,” she said.

“Give me a minute,” I said.

---

“Drive,” she said, tossing me the keys.

We left immediately. I naturally opened and closed the door for her. I chauffeured for her as she directed. She shopped for sexy underwear and skimpy swimwear.

She finished shopping in time for lunch. We had lunch out.

---

When mom and I arrived at home, I helped her take her stuff upstairs as she expected me to.

“Now, let’s see how they fit,” she said. “Have a seat downstairs and wait for me.”

For the following half hour, I sat down and watched as she came downstairs, paraded before me and then went upstairs only to come back again and again. She sexily modeled her string panties, thongs, micro thongs, sheer panties, boy shorts and skimpy tops one by one, occasionally jiggling her tits and wiggling her ass. She did not model anything appropriate for a mother to wear in front of a son older than two years.

As I watched attentively and happily, she kept saying, “This looks nice, doesn’t it?”, “This is a hot one, isn’t it?” and so on. I could only nod in agreement. By the time she finished, my helpless cock was about to break.

---

Mom sat by me wearing one of her new string panties. She started to talk about how long it had been since she had bought sexy clothes. She talked about how she used to love to go to topless and nude beaches when she was younger. She kept talking about old times for about two hours. I naturally kept imagining the things she described almost graphically.

“Have you ever sunned yourself naked?” she finally asked me.

“No,” I said.

“It’s fun,” she said. “Get up. Let’s try it.”

She did not wait for my reply. She grabbed the sunscreen and a few towels and paraded before me to the yard. She spread the towels on the chaises and looked at me.

“The first step’s to get naked,” she smiled as she proceeded to slide her string panties down and step out of it.

Getting naked in front of my mom was not something I was comfortable with. Doing that with a huge boner was obviously much worse. However, she left me no choice. I took my clothes off starting with my shirt. I was glad to see that my cock was not as hard as I had expected. I was not comfortable with it though.

“Good,” she said, giving me the sunscreen. “The next step is to rub sunscreen over all exposed skin.”

She lay back, and I proceeded to rub her body as I did yesterday. It was a real show when she pulled her legs back for me to rub her ass and the backs of her legs. Her sweet hairless pussy and cute asshole were utterly exposed. Her pussy lips were a little swollen. I avoided her tempting crack with my hands but not with my eyes.

“You need to do me between the legs too,” she said. “The sun isn’t too shy to burn me there. It’s all sensitive skin and, as you must know by now, it’s pleasurable to touch, so don’t worry if you massage it a little too well.”

Consequently, I proceeded to rub sunscreen on her juicy pussy, making her moan. I gently massaged her asshole, making her gasp. Finally, I rubbed her crack all over. She got into the doggy position, and I rubbed her back.

“I see you have a big erection,” she said, making the blood rush to my face. “What a compliment! Thanks.”

“That happens when I am naked, especially in the presence of others,” I said.

“Especially hot women?” she teased.

“I haven’t tried it with hot men yet,” I said.

The next thing I saw was her ass swaying and thrusting over my face as she rubbed my legs. I could smell her pussy as she moved it over my nose. As she worked up my legs, her pussy got so close to my face it made my eyes cross. As she moved her ass this way and that, her pussy bumped my nose, making her gasp. Naturally, my cock was harder than it had ever been.

A little later, I was watching her tits jiggle and sway as she reached my hips. Her nipples were stiff. She rubbed my balls, making my cock twitch. She grabbed my hard cock and rubbed it up and down and then oiled its head. It took all of my willpower not to come right then and hose her face down.

“Nice cock,” she said casually. “Thankfully the women on the neighborhood haven’t seen it, or you wouldn’t be gawking. One jealous husband might have killed you or sent you to the hospital.”

“Or got himself killed or sent to the hospital,” I said.

She did my upper body, and then I rolled over and she did my back. She made me gasp when she rubbed my asshole with an oiled finger.

We lay on the chaise lounges in the sun. My cock was still standing up stiffly. Her nipples were still stiff too.

“Don’t worry about your boner,” she said, making me worry even more. “It will go away.”

Well, my boner did not go away that sunny afternoon. After half an hour of sunning ourselves, we took a few skinny laps in the pool to cool down and then we went inside.

“Did you enjoy your first nude sunning?” she asked, glancing briefly at my rock hard cock.

“Yeah,” I said. “It was a little strange though.”

“I noticed that,” she smiled. “That’s how we’ll do it from now on.”

That night, she took me to the shore for my first real skinny-dipping.

---

Mom had a professional masseuse treat her to a long relaxing massage in the morning. When the masseuse left, mom called me in. She was lying on her stomach.

“Today’s your dad’s and my twentieth anniversary and one of my horniest days,” she said, handing me the baby oil. “Get your ass over here and massage me between the legs.”

“Happy anniversary, mom,” I said.

“Thank you,” she said.

Naturally, I obliged her. I oiled her ass crack and proceeded to rub her gently. She pushed her ass up and soon was on her knees with her head and shoulders still on the bed. Her pussy and ass were exposed obscenely.

“Massage me a little and then finger me in both my pussy and my ass,” she directed, making my cock jump. “Be creative and give me a nice fingering. Don’t let me down.”

“Of course not,” I said.

My cock pulsed into extreme hardness as I rubbed her asshole and pussy lips for a minute, making her moan. I started to probe her orifices, a thumb in each hole. She humped my thumbs as I pumped them in and out of her. Her holes milked my digits eagerly. I naturally started to swirl them within her, and she enjoyed it. Soon, I was working two fingers within each hole slowly and tantalizingly. Her holes sucked my fingers, and her pussy oozed juices copiously. I rubbed her juices into her clit, making her gasp.

“That’s enough,” she finally said. “Now, let me massage you. Strip.”

My big boner greeted her as soon as I exposed it. I lay on my stomach to hide it.

“I told you not to worry about your boner,” she said. “Boners are good. Roll over.”

She squirted oil all over my cock and balls and proceeded to rub it in. My cock twitched and pulsed as I fought the urge to come. She lowered her head and started to lick my shaft. Her tongue started at the base and glided up. When her tongue reached the spot directly under the head, I lost it.

“Mom, I am going to...,” I groaned.

My orgasm did not wait for me to finish my statement. My cock swelled and twitched against her tongue as it spurting come all over my chest and belly. She held her tongue tightly against my pulsing cock head until it stopped shooting come. I was naturally embarrassed.

“Don’t worry about it,” she said.

She resumed moving her tongue up to the top. She licked the come off my cock head. She stroked my cock as she licked the rest of my come off my body. By the time she finished licking up my come, my cock was hard again.

“Boners are good,” she said as she straddled me, aiming my cock at her pussy and gasping as she lowered herself onto me. “I’ve been getting fucked silly on every anniversary, and today isn’t going to be any different.”

Besides not being a moron, I had already suffered too much teasing to disagree.

“You are a hot woman,” I said. “You deserve to have a wonderful time.”

“Show me a wonderful time, Nick,” she said. “Fuck me silly.”

“Do you really want me to fuck you silly?” I said as I took hold of her bouncing tits.

“You better give me all you got, young man,” she said, thrusting her pussy into me.

“Hang on,” I said as I grabbed her ass. “This is going to be my anniversary gift to you.”

“You think you can make me the luckiest woman on the neighborhood?” she teased.

“How about it if I made you the luckiest woman on the island?” I teased.

“That’s even better,” she said.

Holding her ass tightly, I started to thrust in her pussy vigorously. She gasped and shook, and in two minutes she was coming. I slipped a finger up her twitching asshole and continued to slam in her gushing pussy. She collapsed on top of me and continued to gasp. I gripped her ass and started to move her pussy up and down my dripping cock. Soon, she was fucking me on her own. I returned my finger to her ass and started to pump it in and out. She bounced faster in response to my two-front attack. I grabbed a bouncing tit with my free hand and raised my head, capturing her free nipple between my lips. She shoved her pussy harder into me as she pursued her next orgasm. She fucked faster and faster, and I matched her rhythm. She soon convulsed in orgasm again. I vigorously drilled both her twitching holes until she went limp.

After I let her rest for a minute, I guided her mouth to mine. We kissed deeply and sensuously, and, then, she rested her head next to mine.

“That was nice,” she moaned as she relaxed in my arms. She squirmed gently against my cock. My finger was still up her ass. “This feels like the start of a wonderful anniversary. We’ll see if you are as good in the backdoor.”

My cock twitched within her as she made that statement.

“You like that, don’t you?” she moaned. “Have you ever done it before?”

“Yes,” I said as I started to swirl my finger within her asshole, “and I loved it.”

“That makes two of us,” she said, sitting up. “Your mom absolutely loves a hard cock thrusting up her horny ass.”

“You are going to love this then,” I said. “You have a hot tight ass. I am going to enjoy reaming it out for you.”

“Let’s get my horny ass fucked,” she said, reaching behind herself.

She removed my cock from her pussy. I removed my finger from her ass, and she guided my cock head into her hot asshole. With a little push, she popped my cock head past her asshole, gasping at the feeling. Raising her knees off the bed, she reached beneath herself and grasped the base of my cock. She lowered herself slowly on my cock until I felt the back of her ass touch my balls. Her ass milked my shaft.

“It feels good already,” she said. “Your cock’s filling my horny ass to the brim.”

“Your ass is so hot and tight,” I said.

“What did you expect?” she smiled as she slowly moved her ass up and down. “It’s your job to loosen me up. You thought you were getting a week in Hawaii for free?”

“Yes, but I now think I am getting it with a reward,” I said. “I am getting a free vacation with a very hot and horny woman. Any guy would kill to be in my place.”

“Nick, your mom’s a very horny woman,” she said. “We are doing this for my enjoyment, not yours, though.”

“You think I wouldn’t enjoy showing the hottest woman in the island a hot time?” I said.

“Let’s see if you can really loosen up my tight asshole,” she said. “Show me that you can use your big cock.”

“You can bet your sweet ass it won’t be this tight when I am through with it,” I said, reaching between her legs and grabbing her ass.

“That’s what I expect,” she said. “If you didn’t have the most appetizing cock I’ve ever seen, you wouldn’t be using it on your slut mom.”

“If my slut mom didn’t have the hottest ass I’ve ever seen, I wouldn’t be reaming it out for her either,” I said.

“Show me that you deserve to fuck your slut mom’s horny ass,” she said. “Put it to me.”

Her asshole slid smoothly up and down the entire length of my hard shaft as I helped her bounce. I also thrust up to meet her halfway. Her asshole milked my cock exquisitely.

“You have an incredible asshole,” I said. “This feels so good.”

“It sure does,” she panted. “Don’t get any ideas though. You can’t come soon; I need you to come elsewhere.”

“Don’t worry about that, mom,” I said. “I can fuck you until you beg for mercy.”

“Is that right?” she teased.

“You are welcome to put me to the test,” I said.

“That’s exactly what I am going to do,” she said.

“I love watching you come,” I said. “I intend to do that so many times.”

“I love coming on your big cock too,” she said. “I won’t complain.”

Concentrating on the act of fucking her ass well, I tried to forget any emotions and desires and thrust in her ass devotedly. I was amazed at her staying power in that position. She was gasping and sweating, but she bounced energetically for several minutes with little help from my tiring arms. When she started to weaken, she braced her hands on my knees and continued to shove her ass into my cock. I thrust in her ass with equal vigor.

She was obviously approaching orgasm. Her breath shortened, and her pussy dripped with juices. I let go of her ass and shoved my thumb into her drenched pussy. I pumped her pussy and rubbed her clit hard. She gasped, stiffened and started to convulse. I yanked my thumb from her gushing pussy and used all my strength to pound her twitching asshole. The power of her orgasm increased dramatically, wracking her body violently, before it decreased gradually. I slowed down my pace as her orgasm died down.

She lowered her knees to the bed and then collapsed forward on top of me. I kissed her face as she gasped for air. I continued to thrust gently in her ass while holding her in my arms.

“You are even better when it comes to ass fucking,” she smiled, still gasping.

“I am glad you enjoyed it,” I said. “You did most of the work though.”

“That doesn’t change a thing,” she said. “You are a good ass fucker, and I am going to enjoy that.”

“Your hot ass was made for this, mom,” I said.

“So was your big cock,” she said. “We are going to take advantage of that, aren’t we?”

“I am sure we are,” I said. “You seem to need it bad.”

“I sure do,” she said.

She rested for a couple of minutes in my arms. My cock was still hard and halfway up her ass. I gave her ass a few deep thrusts as I sat her up. I helped her pivot around my cock. I pulled her upper body down onto mine and rolled us onto our sides. I started to fuck her horny ass deeply. She was soon gasping and bucking her ass.

Reaching between her legs, I fingered her wet pussy and rubbed her clit. After a few minutes of vigorous fucking and a hard orgasm for her, I rolled us once more, getting her under me. Wrapping my arms tightly around her, I resumed drilling her ass. We both panted, and our flesh slapped audibly.

“You are a delicious woman, mom,” I said. “Do you like it as much as I do?”

“Oh yes, baby,” she gasped. “Don’t stop.”

“I am not stopping until you come in my arms until you can’t come anymore,” I said.

“If you can do that, baby, I’ll be yours whenever you want me,” she gasped.

“You’d be all mine because I’d want you all the time,” I said.

“I’d love that,” she gasped. “Your mom’s a real slut. If you can fuck her like nobody else can, she’s all yours.”

“You are a dream slut, mom,” I said. “You have a fantastic ass. Any guy would love to have you.”

“You are not bad, Nick,” she gasped. “Any woman would love to have you.”

She shoved her ass back to meet my every lustful thrust. Holding her tightly, I pounded her ass mercilessly, making my balls slap her sticky pussy with every deep plunge. She was soon shivering and gasping. When she stiffened and started to convulse, I vigorously drilled her twitching asshole until she stopped moving. I showered the side of her face with kisses as I lazily pumped my cock within her ass.

“I am going to let you come in my mouth,” she gasped as she worked her way out from under me. “Here are the rules.” She grabbed a pillow and lay on her back placing the pillow under her shoulders such that her head tilted back. “Kneel over me like the sixty-nine position and fuck my mouth while you finger my pussy. You must not come before you make me come. When you come, don’t thrust in my mouth but pull out until you only leave the head inside. Keep it like that until you finish your major come spurts and then resume thrusting in my throat.”

We did it like that. I fucked her throat for ten minutes before we both came. I diddled her convulsing pussy while she sucked hard, swallowing my come. I resumed thrusting in her mouth as I lowered my mouth to her drenched pussy and lapped up her juices while working a fingertip in and out of her loosened asshole.

Parting her ass cheeks with my hands I licked her asshole. Her relaxed pucker twitched under my tongue. In a couple of minutes, I could feel my cock harden in her mouth. I pumped a finger in and out of each of her nether holes as I fucked her throat deeply.

She sucked the head of my cock while I wiggled my fingers and swirled them around within her. I twisted two fingers within her pussy and then pushed them up her ass, working her juices into her rectum. I wiggled my fingers in her asshole one last time as I pulled my cock from her mouth.

“You want more, mom, you hot slut?” I teased.

“Your mom’s an insatiable slut, Nick,” she said. “Of course, I need more.”

“Good for you,” I said. “I am not done with you.”

Pivoting around her, I yanked the pillow from under her and knelt before her ass. With one hand, I pushed her legs over her head, and with the other, I oiled my hard cock and guided it into her willing asshole. My cock went slowly into her ass but once my balls touched the back of her ass I grabbed the backs of her knees and pushed her thighs down on either side of her. With her ass splayed like that, I took a deep breath and proceeded to drill her ass deep and hard, making flesh slap and making her shake all over with every thrust.

“Fuck your slut mom’s ass, Nick,” she urged. “Give it to me.”

“I love fucking your gorgeous ass, mom,” I said.

“You know how to do that, baby,” she gasped.

We fucked in that position for over half an hour. She gasped, moaned and shivered. I changed the pace and angle I used on her several times. I tortured her before I let her come. After she came, I walked her to the window and, as we enjoyed the ocean view, I treated her ass to a slower fuck until she came again.

“Mom, I am going to flood your hot ass with come,” I warned.

“Do that, baby,” she gasped. “We’ve earned it.”

As she convulsed in orgasm, I filled her bowels with a big load of come, making her come even harder.

“You are so good, Nick,” she said as we rested, my cock softening in her goeey ass. “I am proud of you. I’ve never been fucked like this, especially up the ass. You are a serious ass fucker. This getaway turned out to be great.”

“You are my hottest fuck too, mom,” I said. “You were made for cock.”

“Are you proud of your slut mom?” she teased.

“Of course,” I said. “I wish we could stay here forever.”

“You are a pervert,” she chided. “I’d have loved that too.”

“You are a slut,” I whispered.

“You like that, don’t you?” she teased.

“Oh, yes,” I said. “I love it. My big cock’s so happy with you.”

“That was a nice morning session,” she said as I gently withdrew my cock out of her squishy ass. “Let’s get ready for lunch. We’ve burned a lot of energy.”

“I am hungry already,” I said.

“Come help me in the shower,” she said.

In the shower, I soaped her, and she soaped me. Somehow, she found herself sucking my hardening shaft. I gently fucked her throat for a while. I then bent her over and devoured her juicy and tender pussy and asshole. Before long, I was driving my hard shaft in and out of her dripping pussy. Her pussy milked my cock as I fucked her tantalizingly close to orgasm.

She pumped two fingers in her asshole as she thrust her ass back lewdly. I removed her hand from her ass and sucked her fingers as I moved my cock to her horny ass.

“You want it in the ass, you hot slut?” I teased.

“Oh, yes,” she hissed.

Grabbing her tits tightly, I drilled her sucking rectum all the way to a gut wrenching orgasm and back. She swallowed my come to the last drop before we rinsed each other.

“My pussy and ass are so relaxed they can hardly close shut,” she said.

“I must have done a thorough job,” I smiled.

“Indeed you have,” she said as she bent over slightly and pulled her ass cheeks apart. “See?”

“I told you I’d loosen up your once-tight asshole,” I said.

“You sure did,” she said.

Her well-fucked pussy and asshole were very relaxed. I squatted behind her and inspected them thoroughly. I held her thighs and planted a kiss on her pouting pussy. I snaked my tongue in and out several times, making her moan. I kissed her slightly gaping ass on the hole. Her sweet little orifice did not resist the advances of my tongue; it actually nibbled my tongue as I probed and French kissed her tenderized pucker. I kissed her on the cheeks and then stood up. I spun her around and kissed her on the lips.

“You are a fantastic woman, mom,” I said, looking in her eyes. “You are so sexy and hot.”

“Are you saying this because I am your mom?” she asked.

“No, I am saying this because you are my greatest fuck ever,” I said.

“Okay, stud, now dry me,” she said, pointing to the towels.

We ate out and then relaxed in the sun totally naked. We oiled each other, and by the time we finished we were very horny. She had me fuck her right there for a long time. Fortunately, the sun had moved and we were in the shade. We spent over two hours getting every hole in her body fucked several times. I finally came in her ass.

“You apparently like my ass,” she said as she brought her mouth to my sticky cock.

“You have an incredible ass, mom,” I said. “I love it.”

She sucked me dry and then got on her back. She curled herself, getting her feet next to her ears, opening her sticky pussy and ass outrageously.

“Feed me your come,” she ordered.

“What?” I asked ignorantly.

“Use your fingers to scoop the come out of my ass and feed it to me,” she explained.

She was the boss. I shrugged and proceeded to do as told. When I finished, I tongue kissed her nether holes.

We put on our swimsuits and took a walk on the beach.

---

After dinner, we relaxed in the hot tub. We ended up using oil-based lube and fucking under water.

“You can’t come until we are out of the water,” she said.

She finally came out of the water.

“Fuck my pussy,” she instructed. “Make me come, and come inside me.”

After we both came, we dried each other. We finally went upstairs.

---

Dad was going to call at ten, which was ten his local time too but twelve hours earlier. Mom reclined in bed and spread her legs for me just before the phone rang.

“Feed me your come,” she said as she picked up the phone.

She talked to dad while I did just as I was told. By the time I had cleaned out her pussy with my fingers, my cock was rock hard. I fingered her pussy, and she moaned a few times.

“Nick’s giving me a massage,” she moaned, but continued to talk with dad freely as if I was not there.

She pushed my hand off her pussy, got on her hands and knees and motioned me to fuck her, pointing to my hard boner and then to her pussy. I knelt behind her and slowly inserted my cock in her pussy. She took over moving her ass back and forth over my motionless cock, bathing it in her juices.

“This massage feels so good,” she said to dad. “I wish you were here. Nick turned to be much better than I thought.”

She reached behind herself and moved my cock to her ass. Once again, she moved her ass over my cock to get herself fucked but this time in her ass. Her asshole milked my cock lustfully. I watched her stretched asshole sexily slide over my entire hard shaft for a while before I reached out and started to knead her tits gently.

“I love having sex with you, but this is even better,” she moaned. “You should be proud of our son.”

She talked with dad on the phone for over half an hour. When they hung up, she reached underneath herself and made herself come. I drilled her asshole as it underwent orgasmic spasms. She finally licked her juices off her fingers while I thrust in her ass gently.

“Come in my ass,” she instructed as she reached for her pussy again.

Grabbing her hips, I drilled her ass vigorously. She soon came hard as I came deep up her ass.

“I am going to sleep with your come in my ass,” she said as we pulled the covers over us.

“Did you have a good anniversary?” I asked.

“It was incredible, Nick, but I don’t want you to feel too good,” she said.

“I only feed too good because you are happy,” I said. “I love you.”

“You are a good kid, Nick,” she said.

“Sweet dreams, mom,” I said, wrapping my arm around her.

“You mean wet dreams?” she said.

“That too,” I said.

---

Something woke me up early in the morning. Mom was jacking off my already hard cock with one hand and fingering herself with the other. When I stirred, she smiled and straddled me.

“It’s very fitting for me to celebrate my wedding anniversary enjoying the major fruit of my marriage,” she said as she started bouncing on my cock.

“I guess, it’s also fitting for me to learn a few tricks from my previous generation,” I said.

“That’s right, Nick,” she said as she bent down, bringing her lips to mine. “I bet you didn’t know your previous generation was so horny.”

“At least, I knew that my previous generation was so hot,” I smiled.

“I want you to fuck your previous generation silly,” she said.

“I want that too, mom,” I said. “My hot previous generation’s fucked.”

---

Mom and I fucked in every room in the house and everywhere around the house. We also fucked on the beach late at some nights. We continued to fuck like that to Wednesday night. That night dad unexpectedly appeared at the door. That was a real surprise. Thankfully mom and I had just returned from dinner, and did not have time to get naked and naughty after the blowjob she gave me in the car. I had no idea how dad would have reacted had he caught me fucking his horny wife like a bitch in heat.

After the greetings, dad carried mom in his arms to the master bedroom. When I passed their room, I heard unmistakable sex sounds.

---

A couple of hours later I was thinking about the recent happenings as I heard footsteps. It was mom.

“Hi, Nick,” she said as she knelt before me and started to stroke my soft cock. “You are sitting here all alone?”

“I thought I’d sit down and relax,” I said. “What are you doing here? Where’s dad?”

“He’s tired from his very long trip,” she said as she fished out my hardening cock and started to stroke it. “He’s having some rest, so I can use your services. I am still horny. You know that your slut mom’s insatiable.”

She took my cock in her mouth and started to suck. I shrugged, and my cock was soon rock hard in her moist warmth. She eagerly massaged the head of my cock with her throat.

“I think you’re ready, and I know I am,” she said as she pulled my swimsuit off and rose up.

“You are a bad girl, mom,” I said.

“I am a horny slut,” she said.

She shucked off her robe and was completely naked. She turned around and pushed her ass toward me, bending over slightly. I wet two fingers in my mouth and pushed them into her squishy pussy. There was come inside her.

“Mom, you are full of come,” I said as I twisted my fingers within her.

“I know,” she moaned. “I want you to feed it to me.”

“Whatever you say,” I said as I started to scoop the come out with my fingers. “You are a dirty slut.”

She sucked glob after thick glob of come off my fingers until her pussy was clean. I wiggled my fingers within her pussy to soak them in her juices and then pushed my index finger slowly into her asshole, which was already lubed. I gently pumped my fingers in and out of her pussy and asshole.

“Your ass is clean,” I said.

“I know,” she said. “Now, hang on, I am going to sit on you.”

She lowered herself slowly onto me as I held her waist. She reached beneath herself and guided my cock into her pussy. Bracing her hands on her knees, she worked her pussy up and down my shaft. I held her ass in my hands and helped her bounce.

“My slut mom’s so hungry for my big cock,” I teased.

“She sure is, you horny motherfucker,” she said.

She moaned at first and then started to gasp. A couple of minutes later, she stopped moving and reached for my cock again. She guided my cock into her asshole and lowered herself slowly, swallowing more and more of my cock up her horny ass. She immediately resumed bouncing as I held her ass cheeks apart for her. She let me fuck her ass for a couple of more minutes and then rose off me.

“Now that I am warmed up, let’s sixty-nine,” she directed.

“Your mouth’s also hungry for my big cock?” I teased.

“All my holes are hungry for your big cock,” she said. “Your mom’s a serious slut, Nick.”

“She’s the hottest slut mom in the world,” I said.

We sixty-nined on the floor and ended with her gushing in my mouth as I fingered her ass.

“Let’s go to the beach and fuck there,” she said when she recovered. “Let’s take our clothes.”

We spent about two hours on the shore. The ocean water tickled our feet and other parts of our bodies as I worked her pussy and ass in position after another. I dumped three loads in her body, one in each hole. The seawater washed off the load I dumped in her pussy as I drilled her ass.

We had a hot shower outside before we called it a night.

From then on, we spent the vacation as any other family except for mom’s strange acts.

---

On the following day I got to swim and walk on the beach. The three of us had lunch together.

In the afternoon, I was at the house.

“Nick, come here,” I heard mom call.

Without a thought, I ran up the stairs to the bedroom. I knocked and entered. I backed up when I found mom on her hands and feet, bouncing on dad, both totally naked.

“Come here,” she called. “It’s okay.”

“Yes, mom,” I said as I walked in.

“Since you are here, I thought you should take part in our celebration,” she said. “Get that vibrator and use it on my pussy. Don’t turn it on yet.”

Dad reacted as if we were at dinner and she asked me to pass the salt. I waited a few seconds for any other reaction. He continued to knead her tits, totally oblivious to my presence, so I went ahead with executing mom’s order. I knelt next to dad’s legs to use the vibrator on mom’s pussy. He was fucking her up the ass, stretching her asshole. She worked her ass all the way over his hard shaft. Her pussy was all wet and swollen. I extended my arm and pushed the vibrator into her. She moaned as the plastic shaft slid into her dripping pussy. I pumped it in and out, matching her rhythm. It glistened it her juices immediately.

“You can rub my clit too,” she directed.

She gasped and bucked harder as I used the thumb of my free hand to diddle her clit. He squeezed her tits and pulled on her stiff nipples, thrusting into her harder and harder. In two minutes flat, she was convulsing in a wild orgasm. He and I thrust in her harder and harder until she collapsed on top of him. She went limp, but dad and I continued to pump her holes albeit gently.

She extended her hand for me, motioning me to give her the vibrator. She took the glistening vibrator from me and proceeded to lick her juices off.

“Take your clothes off,” she directed as she straightened up and sat upright on dad’s cock.

My swimsuit was the only thing I was wearing, so I took it off after some hesitation. I stood before her awaiting her next move. She switched the vibrator on and used it to tease her clit, and then she slid it into her pussy and pumped it inside herself several times. My cock was partly hard and leaking.

She removed the dripping vibrator from her pussy and applied its head to my cock head. My cock jumped to full hardness instantly. She then brushed the vibrator up and down my shaft.

“You helped me come,” she said as she bounced gently on dad’s cock. “Now, I’ll help you.”

She put the vibrating head on my bulbous cock head again. My cock swelled and started to twitch. I stiffened as my orgasm was about to hit. I groaned, as a hard orgasm seemed to be taking control of me.

“Let go,” she urged, looking straight at my swollen shaft. “Let it all fly.”

Naturally, I had no other choice.

“That’s it,” she encouraged as the first jet of my come burst out straight toward her face.

My cock continued to twitch and fire come toward her face. She moved her face closer to catch it all. She even used her open palm to intercept stray come. After several jets, my cock started to wither. When my cock stopped spewing come, she wiped my cock head with her thumb.

She daubed the come in her hand on her face and proceeded to rub my come into her face.

“Thanks, Nick,” she finally said. “You can go now.”

They resumed their fuck session as I took my swimsuit and left.

---

In the afternoon, mom played a new trick.

“Come here, Nick,” she called.

Without hesitation, I ran up to the bedroom and walked in. She was riding dad in the cowgirl position.

“Climb onto the bed and stand right here,” she directed, patting the bed next to her. I did as told.

She lowered my swimsuit and started to suck my cock. I stood there, surprised as usual, but my cock hardened in her mouth in no time. She held my hips and deep throated my cock as she rocked on dad’s cock. She gave my cock a thick saliva coat.

“Climb behind me and slide it where it’s really tight,” she gasped as she withdrew her mouth.

“Is that okay with you, dad?” I asked as I moved to comply with mom’s directions.

“Whatever your wonderful mom says is okay with me,” dad finally said. “She’s my lovely wife.” He turned to her. “Aren’t you, honey?”

“Yes, honey,” she said and kissed him on the mouth. “Our handsome son’s going to fuck me in the ass now.”

She reached behind herself and guided my cock head into her asshole. I pushed gently, and the bulbous head popped up her hot ass. I gently worked the shaft into her until I was all the way in. She felt tighter than usual.

“It’s about time I found out how it feels to be double fucked by two real live cocks,” she said. “Fuck me good.”

“Yes, ma’am,” I said as I wrapped my arms around her waist and started to thrust in her ass.

“We did a great job with our hot son,” she said to him. “He has a great cock. It feels so good up my horny ass.”

“Enjoy,” he said.

“Dad, you must have married the hottest woman in the world,” I said as I squeezed her tits and pinched her nipples.

“I think so too, son,” he said. “Fuck her ass well.”

“Yes, sir,” I said.

Needless to say, she came wildly, and dad and I pumped her full of come.

Mom came up with a new trick almost daily for the week dad spent with us.

---

Finally, it was Tuesday night, our last night in Oahu.

While I got out of the hot tub after soaking for a while, I heard mom coming my way. I was sitting by the hot tub.

“Hungry for more cock, aren’t you?” I teased.

“Yes, your dad can’t sleep on the plane so he had to turn in early tonight,” she said as she knelt before me and reached out for my cock.

“Sit down here, mom,” I said, patting the seat next to me. “You are a bitch.”

Giving me a funny look, she pulled my swimsuit down and started to suck my cock. I reached down and pinched her nipple very hard.

“Ouch,” she cried. “That hurts.”

“Yes, I know,” I said, still tightly squeezing her nipple between my fingers. “I said, ‘Sit down here.’”

“What do you think you are doing?” she said as she complied by my command.

“Mom, you’ve been acting like a bitch for a week now, and you’ve been mean to me,” I said. “I am going to fuck you like the slut you think you are. Tonight, I am going to fuck you on my own terms and even discipline you.”

“Oh, you are taking charge,” she smiled. “I like that.”

“I wouldn’t be so sure,” I warned.

“That makes me even surer,” she said. “I like a man to take charge.”

“Very well,” I said. “Now, get down on your knees and suck.”

She complied promptly. I reached forward and smacked her ass hard.

“Ouch,” she said, jumping.

“Hush,” I said, shoving her head down over my cock. “Keep sucking.”

No sooner had she closed her mouth around my cock than I gave her other cheek an equally hard smack that made her jump again.

“That’s it, take it all,” I said as I reached forward and went down hard on both her ass cheeks with both hands. She groaned but continued to suck my cock hungrily.

She continued to suck, and I continued to spank her ass, turning its color to bright red. I wet two fingers and fucked her ass with them, working them all the way in and out of her horny ass for a little while. Finally, I pushed her head off my cock and had her suck my fingers that had just worked her ass out.

“You are such a bitch,” I said. “You are going to get fucked like one.”

Pushing her head and shoulders down, I knelt behind her to inspect her crotch. Her pussy glistened. I wetted two fingers in my mouth and pushed them into her pussy. She gasped and her pussy twitched.

“You are soaked,” I said, wiggling my fingers. “You love getting your ass spanked, don’t you?”

“Yes,” she gasped as I pulled one finger out of her pussy and pushed it into her ass.

She eagerly sucked my sticky fingers after I finger fucked her pussy and ass. I had by then pushed my cock into her leaky pussy. She gasped as I rammed my cock all the way into her. I held her hips and thrust in her several times. I slowly pulled my cock out and brushed its head over her asshole.

She grunted softly as my cock head popped in her ass. My shaft made its way firmly up her ass, stretching her asshole and stuffing her ass. I grabbed her tits and thrust, driving my cock balls deep up her ass. I paused there, letting my balls rest briefly against her dripping pussy while I kneaded her tits and teased her erect nipples.

“Reach back and hold your ass open for me,” I directed.

Pushing her shoulders back, she pulled her ass cheeks apart and I fucked her ass at an easy pace. Reaching between her legs with both hands, I spread her pussy and started to tease her clit. She gasped, straightened up and bucked her ass into me. I thrust all the way into her and pinched her clit. She let out a long moan and ground her ass into me. Holding her ass, I pulled out slowly, leaving her asshole with a little plop. I took her hands one and then the other in my hand and sucked her middle fingers slowly.

“Use your fingers to pull your asshole agape for me,” I directed, guiding her hands to her ass.

She bent over and pushed her fingers into her ass. When she stretched her asshole open, I spit on her asshole and pumped it with a finger and then two. I removed my fingers and spit right into her open rectum. Next, I drooled on the back of her asshole and watched my drool run inside her gaping hole. I dropped more spit on and in her open asshole and rubbed it in with my fingers. I moved forward and rubbed my cock head up and down her wet pussy lips. I finally spit on her asshole and pushed my cock in, moving her hands off her ass. I guided her hands to her tits and started to thrust in her ass. I reached between her thighs and teased her leaky pussy, letting her move her ass back and forth over my cock.

“Get your slutty ass fucked, you hot bitch,” I urged.

She moved her ass back and forth while I fingered her pussy until she was very close to orgasm. I removed my cock from her ass and let her suck it. I fucked her throat for a few minutes.

---

“Get up,” I directed, taking mom’s hand in mine. “I want you to put on the sexiest underwear and over that wear the most conservative clothes you have.” I put her robe over her shoulders and followed her to the master bedroom, my swimsuit in my hand. “I want you to look prim on the outside and slutty on the inside.”

“You are a naughty boy,” said mom.

“Thanks to you,” I said.

“I have brought a business suit, do you think it’s appropriate?” she said.

“I think it’s perfect for this occasion,” I said. “After all, you act like a professional slut.”

She rummaged through her lingerie for a while and then retrieved two articles of underwear in sheer black.

“These are the skimpiest I have,” she said lowly as she held a thong and a bra.

“Put them on and let’s see,” I directed.

She put on her bra first. The transparent material of the half-cup bra did not even cover her erect nipples.

“It looks good,” I said as I stepped toward her.

She gasped when I closed my lips around one stiff nipple. I sucked it gently while I teased her excited clit with my fingertips. She moaned softly.

“Let’s see the rest,” I said as I let go of her nipple.

She stepped into her thong, which did not cover much. It did not hide what it covered either. I reached out and squeezed her wet pussy through the thin material.

“Wear your jewelry and makeup,” I instructed.

While she arranged her hair and then applied lipstick and eyeliner to her face, I fondled her tits and teased her nipples. She wore diamond earrings and necklace.

“You look great,” I said as I advanced my partly hard cock toward her face. “Use those red lips.”

She wrapped her lips around my cock. She sucked my cock, and I thrust gently in her mouth.

“Let’s see whether your overdressed holes are still hot and ready,” I said as I helped her onto her feet.

Bending her over the dresser, I pulled the thin crotch of her thong aside, exposing her sticky pussy. I rubbed my cock head up and down her swollen pussy, making her gasp. I suddenly shoved my cock all the way into her, making her grunt. She moaned as I sawed my cock back and forth inside her hot pussy, getting my shaft soaked. I pulled out and then pressed my cock gently into her asshole. I kept pushing until my balls pressed into her pussy.

Dad snored softly several feet across from us as I deeply fucked mom’s ass.

“Put on your business suit and let’s leave dad alone and get down to business,” I said as I plopped my cock out of her horny ass, making her gasp sharply.

She stepped into a gray skirt that reached just above her knees. She then put on a matching jacket.

“You look ready for business,” I said as she buttoned her jacket. “Get your vibrator; we may need it.”

She put on a pair of high heels and left the room. I followed her down the stairs, my cock bouncing before me. We stood face to face by the hot tub.

“Get down on your knees and get down to business, ma’am,” I said, nudging her shoulders down.

“Yes, sir,” she said as she knelt down.

Holding the back of her head in my hands, I thrust in her mouth deeply. She held me by the ass and pulled me even deeper into her throat. I grabbed her head and started jerking it back and forth over my cock. Finally, I pushed her head back and slapped her lips with the bulbous head of my cock.

“On your hands,” I directed as I reached down her jacket and pinched her nipples.

She got on her hands and knees, and I knelt behind her. I hiked her skirt and pulled her panty crotch to the side, exposing her pussy and asshole. I spit on her pussy and shoved two fingers in. As I worked her pussy with my fingers, I licked her asshole thoroughly, making her asshole relax.

Finally, I left her asshole, leaving a ball of spit on her pucker. I pushed a finger into her asshole and swirled it around to loosen up her little asshole more. I wiggled my fingers within her holes. I brushed my cock head up and down her glistening pussy and then crouched over her, pointing my cock at her ready asshole. I pushed in, sliding my cock slowly into her until my balls pressed against her sticky pussy. I thrust in her several times, stretching her rectum well. I sawed my cock in and out of her in a nice rhythm. She moaned, bucking her ass to meet my thrusts.

After a short period of fucking her ass, I pulled her ass cheeks apart and pulled out. Her asshole gaped. I spit right inside it and then grabbed the vibrator and slid it all the way in. I turned the vibrator on. She gasped as the toy started buzzing. I shoved my cock into her pussy and gave her a few vigorous thrusts, feeling the vibrator buzz through her thin membranes. I yanked my cock out of her and knelt beside her, placing my left hand on the small of her back. I raised my right hand and gave her ass a smart smack on one cheek, making her jump with a grunt.

“Reach for your pussy and play with it,” I directed as I smacked her other cheek. “I am going to spank your ass until you come.”

She reached between her legs with her right hand and started to finger her pussy. I resumed striking her ass with resounding hard smacks. She grunted with every smack as if she was counting them.

Holding the end of the buzzing vibrator, I started to jerk it in and out of her ass as I spanked her reddened ass. She bucked, grunted and yelped. After a few minutes, she stiffened as her orgasm approached. I smacked her ass harder, pushing her over the edge. I pumped her ass vigorously as she squealed and shook in orgasm.

After her orgasm died, she relaxed and groaned softly, gasping for air. I drooled onto the vibrator and worked the spittle inside her ass. I suddenly yanked the vibrator out of her ass and spit right into her rectum before her asshole could clench shut. I crouched over her and lowered my drooling cock into her ass. As I pumped gently in and out of her ass, I pushed the vibrator into her mouth and let her suck it. She moaned around it with every thrust.

“Buzz your clit to another orgasm,” I directed as I let her take hold of the vibrator.

She reached between her legs and started rubbing her sticky pussy with the vibrating toy. I grabbed her hips and thrust harder in her bucking ass. A few minutes later, her orgasm was knocking on her front and back doors. I was ready to come too. I drilled her jerking ass and slapped her ass cheeks.

“Come for me, bitch,” I urged.

Soon, she was coming, and I was drilling her twitching ass with extreme vigor. When her orgasm ended, my cock swelled and got ready to shoot. I pumped her fast and, when I felt my come explode.

“I am filling your slutty ass with come,” I said as I pulled out, leaving just the head inside her ass.

“Yes, yes,” she gasped as I fired the first come jet at the beginning of her rectum.

“Take it,” I said, plunging all the way up her ass.

A new orgasm started deep in her ass while I thrust vigorously and repeatedly into her, pumping the rest of my come deep inside her sucking ass. She gasped, milking my shaft and draining my balls.

“You like that, you hot bitch, don’t you?” I said.

“Oh, yes,” she gasped.

By the time I yanked my cock out of her slimy ass, it was completely drained. I took the vibrator from her and used it to plug her come filled ass. I moved the vibrator gently within her ass as I let her clean my cock with her mouth.

When she finished with my cock, I slapped her face with it and then pushed her onto her back, leaving the vibrator inside her ass. I knelt astride her face, dangling my soft cock over her lips. I fucked her face gently as she sucked my hardening shaft. I was soon fucking her throat. She moaned, pulling me deeper inside her mouth.

Finally, I pushed her away and guided her to the hot tub. I sat on the edge and dangled my feet in the water. I pulled her into my lap. She squatted astride me and impaled her ass on my cock. I used the vibrator on her pussy as we thrust gently into each other. I enjoyed the involuntary spasms her asshole made due to buzzing her clit.

We sat like that for a while, her asshole twitching around my cock while I pumped her pussy and rubbed her clit with the vibrating toy. When I decided it was time, I pressed the vibrator tip firmly against her clit and buzzed her to orgasm. She gasped and convulsed in my arms until her orgasm died down. I lay on my back, pulling her with me. We rested like that for a few minutes.

Even while we rested, her asshole milked my cock. I reached down and pulled her legs up by her knees. I wrapped my left arm around the backs of her knees and used my free hand to finger and rub her wet pussy. She soon started to squirm. Holding my fingers within her pussy I started to thrust in her ass. She moaned and tried to fuck back, but her position did not give her much leverage to move.

For the following several minutes, I teased her pussy and ass silly. I wiggled my fingers within her pussy and then pulled them out as I popped my cock out of her ass. I pushed my fingers into her ass and fucked her with them for several seconds. Next, I removed my fingers from her ass and tapped her asshole with the head of my cock several times before shoving my cock back up her ass. I fucked her ass for a couple of minutes and then repeated all that a few times. In the end, I diddled her pussy and clit furiously with my fingers while holding my cock within her occasionally twitching rectum until she was gasping for air.

“Please make me come,” she gasped.

“Not yet,” I said.

Removing my fingers from her dripping pussy, I guided her feet to the floor astride my thighs. I grabbed her under her armpits and pushed her up. As soon as she supported herself on her hands, I grabbed her hips and started bouncing her ass up and down my hard shaft.

“Get your ass fucked until you come,” I directed as I started fingering her pussy with my right hand.

She braced herself well and started to bounce her ass up and down, groaning with every thrust. I used my free hand to tickle her belly and side, driving her crazy. She worked herself into orgasm in two minutes. She convulsed violently and then relaxed, collapsing on top of me. I kissed her while my fingers squirmed within her soaked pussy.

We rested for a couple of minutes, and then I helped her sit up.

“Turn around, and let’s get your horny ass fucked a little more,” I said.

She pivoted over my cock without removing it from her ass. I reached for her ass through her legs and started bouncing her. Soon, she started to gasp softly. I pushed my middle finger up her leaky pussy and finger fucked her while rubbing her clit with my thumb. She groaned and gasped, bouncing her ass lustily. I occasionally gave her rippling asshole a series of vigorous thrusts, making her moan incoherently.

Finally, I brought her bouncing ass to a stop, leaving half of my cock sticking out of her asshole.

“Diddle your pussy and make yourself come,” I directed. “When you come, I’ll shower your bowels with thick come, your ass’s dessert after this meaty meal.”

As she rubbed her pussy vigorously, I stroked my cock. I watched her facial expression as she concentrated deeply. Her face twisted as her orgasm approached. Her rectum flexed and twitched around my cock. I stroked my cock faster. She groaned and started to gasp as she shook in orgasm. I pulled my hand away and slammed my swollen cock up her ecstatic asshole, almost knocking her down. My cock twitched, spewing thick come deep inside her convulsing rectum. I thrust into her until my cock got too soft. I pulled her down and kissed her.

“Get off my cock and don’t dribble my come out,” I directed.

She squeezed my cock with her asshole several times, tightening her asshole. She reached beneath herself and pulled my cock out slowly and carefully, holding a tight anal grip on it all the time.

“Now, clean my cock,” I instructed.

As she licked my sticky cock, I pulled her leg, bringing her ass closer to me. I dipped my fingers in her pussy and sucked her juices off. I kept doing that until she finished with my cock.

“Good slut,” I said. “Use your fingers to scoop my come out of your ass and eat it. Get your rectum clean; I’m going to use it again shortly.”

She used her right hand to eat my come out of her ass. Meanwhile, I tickled and teased her clit with my thumb. When she finished, I tongue kissed her asshole and then pulled her up to her knees. I held her head in my hands and shoved my cock in her mouth. I yanked her head into my crotch repeatedly, feeding her more and more cock as I got harder. Eventually, I was fucking her throat deeply.

When I was rock hard, I pulled her up and kissed her on the mouth. I took her clothes off an article at a time. Finally, I slipped her shoes off. When I turned her around, I saw the bottle of the oil-based lube. I poured lube on my hard cock and shoved it up her ass. I fucked her like that while playing with her pussy. Next, I walked her slowly to the edge of the tub. I wrapped my arm tightly around her and guided her down carefully, keeping my cock inside her. We sat on the edge of the tub and then slithered slowly into it.

We sat in the tub relaxing for a while. She squirmed in my lap, keeping my cock hard, and I fingered her pussy continuously, keeping her squirming in turn. When we had enough of that, I stood her up, standing with her and keeping my cock inside her. I had her kneel on the seat and rest her head and shoulders on the floor. Her ass was sticking just above the water level. I climbed onto the seat and banged her ass from above with vigorous rhythmic thrusts, making her grunt and shake with every thrust. She reached between her legs and diddled her pussy as my balls slapped the back of her pussy repeatedly.

As my orgasm approached, I fucked faster and harder. I suddenly yanked my cock out of her asshole and shoved it all the way into her pussy. She gasped and started shaking in orgasm, and so did my cock. Her pussy gushed juices over my cock as it twitched, pumping powerful jets of come deep inside her sucking cunt. I bent over and kissed her as I gently ground my softening shaft into her sloppy pussy.

Reaching between her legs, I pulled her up to her feet. As we stood on the seat of the hot tub, I swirled my fingers within her drenched pussy, soaking my fingers in the mixture of our come. I raised my fingers to her mouth and had her suck them as I guided her hand to her pussy with my free hand.

She cleaned my cock with her mouth before we collected the clothes and the toys and went inside. We kissed good night before heading to our respective rooms.

“We can only do this on special occasions,” she said.

“Happy anniversary,” I said and kissed her again.

---

As dad was busy packing in the morning, mom slipped into my room and gave me a quick blowjob, getting rid of my morning boner. She spread her legs wide, and I watched her bring herself off. I fingered her asshole as she took care of her leaky pussy. When she finished, I lapped up her copious juices.

Mom and I spent the flight home asleep.

## LIKE MOTHER, LIKE DAUGHTER

Once at home, everything went back to normal until one night when I least expected it.

“Nick, are you asleep?” whispered mom.

“No, mom, what’s the matter?” I said rolling onto my back.

“It’s my birthday today, and I can’t let it pass without unwrapping your big present,” she said stroking my cock through the covers.

“Where is dad?” I asked as I felt my cock grow sharply.

“He’s asleep,” she said as she shucked the robe off her shoulders, uncovering her bare tits. “He has to go to work tomorrow morning.”

“What about you?” I said as I reached for one of her ripe tits.

“I have to go to work right now,” she said, squeezing my cock. She bent over and let me suck her tits as she removed the covers off me. “Give your mom a good present.”

“As far as I can tell, you are the one who’s giving the wonderful present,” I said, reaching between her legs.

“That’s so sweet of you, but to me it’s the other way around,” she said.

She gasped as my fingertips touched her moist pussy. I brushed her stiff clit, making her tremble.

“I hope you are ready to stay up for a long time if you want to party,” I said as my fingers fucked her pussy.

“You know your insatiable mom better,” she said. “Besides, you are the one who has to stay up, so to speak.”

“All right,” I said. “Now, feed me your pink pie.”

“With pleasure,” she said, throwing her robe aside.

She straddled my head and started to hump my face.

“I want you to give me a sound spanking,” she moaned, “like you did the other time.”

“That would make a lot of noise unless we resort to the basement,” I said.

“Take me there, spank me and fuck me,” she said.

After a last kiss to her wet pussy, I pushed her off my face. I gave her the lube and carried her in my arms.

---

There was an old mattress lying in the basement. It was good enough for the job at hand. I laid her on the mattress and shoved my head between her thighs.

Pushing her knees against her chest, I let my tongue at her pussy and asshole, licking and probing. Her juicy pussy swelled and pouted, and her asshole trembled and opened up for my tongue. She moaned and squirmed, pulling her ass cheeks apart with her hands to give me better access to her hot crack.

Drooling generously on her asshole, I licked my way up to her clit. As I rolled her clit around under my tongue, I twisted a finger into her asshole. Soon enough, I was working three lubed fingers in and out of her ass. I pulled my fingers out and gave her a kiss on the hole. I gave her ass a smart smack, making her jump.

She gasped and yelped as I proceeded to give her ass a sound spanking. Her ass turned bright red all over, and her pussy got soaked. I dipped my cock in her pussy and then pushed it into her ass.

“Did you like that, bitch?” I said, holding her ankles over her head.

“I loved it,” she gasped as I fucked her ass vigorously.

She came within a few minutes. I flipped her onto her hands and knees and fucked her pussy to another orgasm. I moved over and had her suck me and swallow my come load.

As my cock recovered, I spanked her while I played with her pussy to orgasm. Lying on my back, I impaled her ass on my cock and had her bounce until she came. I let her rest for a minute and then started her bouncing again. After she came, I moved my cock to her pussy and had her ride me until I came, inside her.

After we rested, I rolled us over and pushed her come-filled pussy over her head. I fingered her ass, occasionally smacking her, as she ate my come out of her pussy. Straddling her upturned ass, I dipped my cock in her pussy and then shoved it up her ass. I drilled her ass, making my balls slap her sticky pussy, until she came.

We concluded our night with a nice, long ass fuck. She lay on her stomach, and I lay on top of her. I slid my cock all the way up her ass and started to saw it in and out slowly as I cupped her wet pussy in my right hand. I fucked her ass deeply, sliding my cock balls deep inside her and then pulling it out until only the bulbous head was inside. She moaned and squirmed beneath me, her juices pooling in my hand.

Our ass fuck lasted for an hour. We both enjoyed it immensely. Her pussy dripped in my hand all the time, and my cock leaked inside her milking ass. I occasionally slipped my cock in her pussy and jerked her clit with my fingers to cover my cock with more juices before putting it back in her ass.

Finally, I gripped her tits and fucked her offered ass vigorously. She grunted and fucked back, stroke for stroke. When my cock got ready to shoot I slammed it in and let it twitch deep inside her rectum. I pinched her nipples as my cock jerked and pumped thick come into her squirming bowels. She gasped sharply and came. I thrust hard in her ass as her convulsing rectum drained my come-spewing shaft. When her orgasm died, I was totally spent. I let my softening cock rest a little and then pulled it out of her squishy ass.

“That’s a nice birthday present you have left in my bowels,” she said.

“Why don’t you open it and eat it?” I said, pulling her ass cheeks apart.

“That’s a good idea,” she said, reaching back with her right hand.

She dipped two fingers in her asshole and swirled them around. She pulled her sticky fingers out and licked the come off, lewdly savoring the taste. I kept her ass open for her until she finished her cream pie. I shoved my sticky, limp cock in her face. When she finished cleaning my cock, I gave her a deep, sinful kiss.

“Happy birthday, mom,” I said. “Live long, and fuck hard.”

“Same to you, stud,” she giggled.

---

When I woke up at around eleven, I showered. When I was done, I heard mom calling for me.

“Nick, is that you?” she called.

“Yes, mom,” I answered.

“Come here,” she called.

“Right away,” I said as I walked to her bedroom.

The door was open.

“Yes, mom?” I said, peeking through the door.

“Get out of your clothes and hop in bed,” she said.

After thinking about it for a second or two, I did as told. She was naked under the sheets. She climbed on top of me and started to grind her crotch into mine. My cock was hard in no time.

“I want to fall asleep with your big cock inside me,” she said as she guided my cock into her pussy.

She gasped as her pussy slid all the way down my cock. I wrapped my arms around her and held her. She laid her head next to mine and whimpered as she thrust gently into me, working her pussy up and down my cock in short slow strokes. I lowered my hands to her ass and started to fondle her cheeks. Soon, I was tracing a finger up and down her ass crack, teasing her asshole.

“Yes, yes, finger my ass,” she hissed.

“You are such a slut,” I whispered, taking two fingers to my mouth.

She moaned as I pushed my slick fingers up her ass.

“Yes, yes, that’s it,” she hissed, bathing my cock in her juices.

We fucked like that for several minutes. She did not show any signs of getting any closer to sleep.

“Let’s roll over and get you on top,” she said.

We rolled over, and I started to thrust gently into her.

“It isn’t working,” she said after about a minute. “Let me roll over, and then take my ass from behind.”

She rolled over and handed me the lube. I squeezed some on her asshole, and she guided my cock to her ass. I pushed into her gently, and she pushed back until my balls rested against the back of her pussy. She relaxed, letting out a deep sigh. I reached between her legs and fingered her wet pussy. She whimpered and humped back. I thrust into her, fucking her ass with short, gentle strokes.

“Let’s roll onto our sides,” she directed.

We rolled onto our left sides. I continued to finger her pussy and tease her stiff clit. She thrust her ass back harder. Soon, we were having a hard, animated ass fuck.

“That’s it,” she groaned. “Fuck my ass hard. Apparently, that’s what I need.”

At that time, she was doing most of the fucking. I slid my left arm under her neck and grabbed her right tit. I squeezed her tit hard as I thrust in her ass vigorously while finger fucking her pussy. She gasped for air as her orgasm started to overtake her. I maintained the level of stimulation she was receiving until she grunted and started to convulse. I thrust in her twitching asshole and diddled her pussy until she went limp.

“That was great,” she gasped, twisting her head back.

“You are the greatest, mom,” I said, giving her ass a final thrust.

We kissed while I held my fingers within her dripping pussy and my hard cock up her ass.

“Let’s forget about sleeping and fuck like we know how,” she said.

“I thought we already did,” I said.

“We did,” she said, pushing me back. “Now, I need to suck your big juicy cock.”

Lying on my back, I received a long, deep blowjob that we both enjoyed. We fucked to four in the afternoon. We showered and fucked in the shower. After that, she prepared lunch because we were starving.

---

There had not been any special occasions since mom’s birthday, but dad’s birthday was coming up. I did not know whether there would be anything in it for me, but I hoped so. While thinking about all that one day, I remembered our last night on their anniversary getaway in Hawaii. When I got pissed at her and decided to take charge, I spanked her and treated her like a bitch. She got hornier than ever and let me have my way with her. She even teased me to get more of that. She liked it so much she asked for it on her birthday. Well, she was going to get it.

She still teased me to keep me interested. She was still a bitch to some degree. After long thought, I decided to make her my bitch. I could not care less about her decision to reserve it for special occasions. She was going to be my bitch and play by my rules. She was going to be mine whenever and wherever I wanted her. I did not want to get in trouble with dad though.

---

“Dad, you know mom has been teasing me mercilessly,” I said. “I’ve had enough. I am going to straighten her out and show her she can’t act like a spoiled brat even if I have to spank her.”

“What happens between you and your mom is your business as long as she doesn’t complain to me,” he said.

When dad went to the den, I caught up with mom in the kitchen.

“Mom, suck my cock,” I ordered authoritatively.

“Nick!” she glared. “I said we’d reserve that for special occasions. We wouldn’t do it like this either. You can’t talk to me like that. I am not a whore.”

“I am sorry, mom,” I said quietly. “I didn’t mean to make you feel like a whore. I actually just wanted to treat you like a bitch—my bitch.”

“Nick, I am not a bitch,” she glared.

“You are, mom,” I said. “Right now, you are going to change from *a* bitch to *my* bitch.”

“Nick, you are out of your mind,” she said angrily.

“Thanks to you,” I said as I took a bunch of her hair.

“What are you doing?” she protested as I gently led her by her hair to the dining table.

“Bend over and grab the far edge of the table,” I said, pushing her head down onto the table.

She did not resist seriously. She reached out and grabbed the edge of the table.

“If you let go of the table before I say you could, you won’t like the consequences,” I said, hiking her dress.

“What are you doing?” she asked, still holding onto the table, as I pulled her panties down.

“I am turning you into my bitch,” I said, spreading her ass.

She was already wet.

“You have a great ass, mom,” I said. “I am going to fuck it. Close your eyes, relax and enjoy the ride.”

She looked at me for a few seconds before she closed her eyes.

Her eyes did not close for long. They flashed open as soon as the hardest smack I could muster landed on her right ass cheek. Her body twitched and jumped. She yelped. My hand stung.

“What are you doing?” she asked angrily, still holding on to the table.

“Hush, mom!” I said softly. “Close your eyes, relax, and enjoy the ride.”

She did not close her eyes.

“You can keep your eyes open,” I smiled, raising my right hand for the next hard swat.

She closed her eyes, but they opened again when the next smack landed on her left ass cheek, eliciting the same response from her.

Her pussy was soaked. The kitchen smelled of her pussy.

“Whose bitch are you, mom?” I asked softly.

“I am your bitch,” she said meekly.

“That’s good for you,” I smiled. “I am going to fuck you. I am going to fuck my bitch. Do you want me to?”

“Yes,” she hissed.

“Are you sure that wouldn’t be rape?” I asked.

“No,” she said. “I am dying to have you fuck me. Please fuck me.”

My cock was rock hard. I gently pushed its head into her drenched pussy. I grabbed her hips and shoved my cock balls deep into her hot pussy. She stiffened and started to come. I held my cock deep inside her pussy as she convulsed and gushed all over my cock, gasping for air.

“You were not kidding, my bitch,” I said, gently thrusting in her pussy. “From now on, I am going to fuck you whenever, wherever and however I want. I won’t care about your silly rules. Do you understand?”

“Yes,” she said, pushing her ass back. “Fuck me harder.”

She got fucked harder until she came again.

“Stay as you are,” I said, pulling out of her. “I’ll be back.”

She maintained her position while I went to her room and brought her lube. I squeezed lube on her asshole and gently pushed my cock in. I squeezed lube on my shaft too, but I did not rub it in. She moaned lowly as my hard cock skewered her ass all the way in.

“Whose slut are you, mom?” I teased, fucking her ass slowly.

“Yours, baby,” she said. “I am your slut.”

“Whose whore are you?” I asked.

“I am your slut, whore and bitch,” she said. “I am all yours any way you want me.”

“That’s right, mom,” I said. “From now on, you belong to me. I am going to fuck you while dad watches. I’ll decide whether he gets to watch or not and whether he gets to fuck you or not. You are mine to treat as I please.”

“Yes, Nick, I belong to you,” she said. “I want you to move into my bed. It doesn’t make sense for me to sleep with another guy when I belong to you. You and your dad should switch rooms.”

“That’s a great idea, mom,” I said. “We’ll do that. You are a good bitch.”

She had several orgasms while I drilled her ass in that position. While we fucked, we lost all our clothes. I fucked her throat next. She never hesitated to do my bidding after that. I could have done that months ago! I came in her mouth, and she swallowed every drop.

She led me to the living room and proceeded to revive my cock. It was soon rock hard. She straddled me in the Asian cowgirl position and got her ass impaled. I fucked her ass and changed positions a few times before dad came to the living room. He sat down and watched me fuck his slut wife. She kept coming and begging for more.

Within the next two hours, I came in her pussy and ass. She used her fingers to eat my come out of her pussy. I used mine to feed her the come out of her ass. We were soon fucking again.

My last come load splattered her face. I felt wicked. I led her to dad. When we stood before him, I took her right hand and singled out her index finger. I used it to scoop come off her face and moved her hand to dad’s mouth.

“Suck it, honey,” she said. “Show us that you are okay with this.”

He opened his mouth, and mom stuck her finger into his mouth. He sucked my come off.

“You are a good husband, Dan,” she said.

“Dad, mom has become my bitch,” I said. “I am moving into the master bedroom with her. You can take my room. That way we won’t bother you as we fuck all night, and it’s easier to decide if and when to let you watch.”

“Are you going to let him watch again?” she asked.

“Yes, on special occasions, starting with his birthday,” I said. “I love my dad, but I don’t want to bother him.”

“You are so thoughtful,” she said. “Dan, thank our son for his consideration to your feelings and comfort.”

“Thanks, Nick,” he said.

“You are welcome,” I said. “I am now taking my bitch to her room. I am going to fuck her halfway to death.”

“You do that, baby,” she said, squeezing my hardening cock.

“Mom, your face is a mess,” I said. “I can’t take you like this. You need to have it cleaned up.”

“Dan, honey, I don’t want to look like a gangbanged whore,” she said. “Please lick my face clean.”

She leaned over, bringing her face to his. He proceeded to lick the come off her face.

“Thanks, honey,” she said when he was done.

He nodded.

She gave him a peck on the lips.

“I am ready now,” she said, looking at me and squeezing my hard cock.

---

Mom led me by my hard cock to the master bedroom.

“I love this,” she said.

“Me too,” I said. “You were apparently meant to be my bitch.”

“It sure feels that way,” she said.

“How did you get dad to lick my come off your face?” I asked.

“Do you remember when he and you double fucked me for the first time and filled me with come?” she asked.

“How can I ever forget that?” I asked.

“I had him eat my come-filled pussy and ass clean to make up for his blunder,” she said. “It took a little getting used to the first time, but after that he did it eagerly. I fed him your come out of my every hole.”

“You are a real bitch,” I said.

“What did you think?” she smiled. “I am surprised it took you so long to catch on. You can be so dense.”

“Never again, mom,” I promised.

“You better not,” she said.

We almost fucked till dawn, but it was a Saturday morning.

In the afternoon, dad and I moved most of our stuff to our new rooms. Alex was out all day.

---

Alex noticed the change in room assignment a few days later. She brought it up when she was with mom and me in the living room on the following Saturday.

“Is dad sleeping in your room while you sleep in the master bedroom?” Alex asked me.

“Yes,” I said. “My old room’s now dad’s room. Mom and I share the master bedroom.”

“Do you sleep in the same bed?” she asked.

“Of course, we share the same bed,” I said. “You didn’t expect me to sleep on the floor, did you?”

“Mom, isn’t this strange?” asked Alex in confusion. “Isn’t dad the one supposed to sleep with you?”

“Yes, Alex,” said mom. “You are right, but Nick has claimed me.”

“Nick has claimed you?” asked Alex, confused. “What does that mean?”

“Nick has claimed me as his bitch,” said mom, shocking Alex. “I now belong to him. He gets to do whatever he wants to me. We both love it.”

“You are Nick’s bitch?” asked Alex in disbelief. “Is dad okay with that?”

“Did you hear him complain, sweetie?” asked mom.

“Dad had mom all to himself for over twenty years,” I said. “It’s now my turn. She’s now all mine.”

“You don’t mean that you have sex together,” said Alex.

“That’s what we mean, sweetie,” said mom. “We do it all the time. Your brother’s the only one who can have me any way he wants. He’s insatiable too. I love it. It’s like discovering sex all over again.”

“Mom, that’s gross,” complained Alex. “He’s your son. You are kidding, right?”

“Alex, you must be crazy if you think because I am her son I have to be a moron and spare her hot body,” I said. “Mom’s amazing body deserves to be enjoyed fully, only like it can be enjoyed by a young guy who truly loves her. Mom, suck my big cock, baby. Let me enjoy your hot lips.”

Mom dropped to her knees in front of me and popped my big boner out. She proceeded to suck my cock eagerly like it was going out of fashion.

“This is sick,” said Alex.

Mom continued to suck my cock hungrily, slobbering and slurping noisily. I sat back and enjoyed myself.

“Mom’s a very hot slut,” I said. “Her hot body was definitely made for cock. She’d gladly tell you that nobody has ever put her hot body to good use to its full potential like I do.”

“That’s true, sweetie,” mom mumbled over my cock.

Alex went silent for a few minutes, intently watching mom deep throat my rock hard cock. Mom did such a good job Alex absentmindedly licked her lips.

“Isn’t she an amazing cocksucker?” I said softly.

“Yes,” said Alex lowly.

“Do you believe us now?” I asked.

“This is incredible,” she said. “You are doing it in the living room. How is dad okay with this?”

“Dad’s a very busy man,” I said. “He has other things to tend to that I can’t help with. Besides, he knows that mom’s my bitch, so he knows that I’ll treat her right.”

“How does she let you call her your bitch?” she asked.

“It’s what she is,” I said. “She isn’t embarrassed about what she is.”

Mom sucked my cock for a few more minutes before she pulled back for the first time. I stood up.

“Suck my big cock, Alex,” I said, pushing my glistening cock against Alex’s lips with my hand behind her head. “You have very sexy lips. They shouldn’t be neglected just because you think you shouldn’t do it.”

Alex opened her mouth to say something, but my cock was in her mouth before she could speak. She sucked my cock for several seconds.

“Nick, I can’t do this,” she protested. “I am your sister.”

“I know you are my sister, Alex,” I said. “I want to make you my bitch too. That’s why I want you to suck me.”

Alex opened her mouth and ended up sucking my cock for a few minutes before she pulled back.

“Nick, this is all wrong,” she said.

“I know, baby,” I said, pushing my cock back into her mouth. “That’s what the society wants us to think, but, in reality, you can never find a boyfriend worthy of you. I am sure you were meant to be my bitch just like mom. That’s why we are going through all this trouble. I can’t deprive you of this opportunity for any silly reason.”

Mom sat next to Alex and watched her suck my cock.

“Alex, why are you teasing him?” asked mom. “You are teasing the person who loves you most. He’s going against the society to show you how special you are. Why don’t you take his big juicy cock all the way down your throat?”

“I can’t,” said Alex. “I’ve never done that before, and he’s too big.”

“Sweetie, you can’t be your brother’s bitch if you can’t suck his big gorgeous cock,” said mom. “We’ll teach you.”

Taking the hint, I climbed onto the sofa, holding Alex’s head to my cock. I pushed my cock into her mouth from above. Meanwhile, mom gave her pointers and helped her swallow my entire cock within minutes.

“I love this,” said Alex after letting me fuck her throat for a few minutes.

“Good girl,” said mom as she watched Alex devour my hard cock. “Now, you can be his bitch.”

“Let’s see about that,” I said, climbing off the sofa.

Alex pounced on my cock. I did not want to disappoint her, so I let her deep throat me for a couple of minutes before I pulled back.

“Get on your knees, Alex,” I said, helping her up and around. “Let’s see what you are hiding under your skirt.”

“Sweetie, show him your tight little ass,” said mom as I arranged Alex in position.

Alex did not resist or talk as I hiked her skirt and pulled her wet panties down, exposing her hot ass and pussy.

“You are drenched, Alex,” I said, looking at her dripping pussy. “I am sure you are perfect bitch material.”

Mom spread Alex’s ass with both hands, and I dove in, licking her splayed asshole. Alex gasped, and her asshole clenched defensively, but she did not resist or protest. She soon started to moan.

“Mom, he’s licking my asshole,” moaned Alex.

“I know, sweetie,” said mom. “I can see him. Does Dave fuck you up the ass?”

“No way,” said Alex.

“Good girl, Alex,” said mom. “Nick got the right hole then. Don’t ever let Dave touch it. I can see how pretty your little asshole is. It’s too sweet for him. You have to reserve it to your brother.”

“You have a delicious asshole, Alex,” I said. “Thank you for saving it for me.”

“How come it’s dirty, but it feels so good?” moaned Alex.

Alex ground her ass into my face, and her asshole nibbled my tongue tip.

“Maybe you like it because you were meant to be a dirty bitch?” teased mom.

Alex’s asshole twitched, but she did not comment. She moaned and gasped, grinding her ass into my mouth more and more urgently.

“I think I am going to come,” gasped Alex, thrusting her ass into my face urgently. “I can’t believe this. Can a girl come just by having her asshole licked?”

“I am sure she can if she’s a dirty bitch,” teased mom.

“I guess I am a dirty bitch, huh?” gasped Alex as her orgasm hit her.

“I have no doubt,” said mom. “Look at your hot little asshole come on your brother’s tongue. That’s depraved!”

Mom held Alex’s ass tightly as it bucked wildly. I kept at Alex’s twitching asshole as if I were trying to shove my face up her happy ass. I ate Alex’s asshole hungrily until her orgasm subsided.

“Why don’t you find out if she can be a good bitch for you?” said mom.

“You think I should spank her hot ass?” I said.

“Why not?” she said.

“I didn’t do anything,” protested Alex.

“What do you think, mom?” I said.

“I think her hiding her luscious ass from you for so long warrants a punishment,” said mom.

“I didn’t know I was supposed to show it to him,” protested Alex.

“You are a bad girl, Alex,” I said. “You need to take responsibility for what you do. I’ll fuck you after I spank you. If it were intentional, I wouldn’t. A big slut’s a big girl. A big girl can take a little spanking.”

“Push your ass out, and take it like a big girl,” said mom.

“Please don’t hurt me,” said Alex lowly.

“Alex, your ass belongs to me,” I said. “I don’t hurt what’s mine, but that doesn’t mean I’ll be too soft.”

Alex wanted to say something, but my right hand connected with her right ass cheek in a resounding smack, turning whatever she wanted to say into a yelp as she jumped.

“That hurts,” she complained.

“It will make sure you are a good bitch,” I said.

My hand hit her left ass cheek before I finished my statement. She jumped and yelped a little more quietly.

“You are not doing anything your mom hasn’t done,” said mom as I waited for the heat to disperse.

“You mean he spanked you?” asked Alex.

“More than once, and I loved it every time,” said mom.

“You loved it?” asked Alex.

“Yes,” said mom as I smacked Alex’s right ass cheek again. “You’ll love it too.”

Alex’s left ass cheek took its smack, and I waited a little.

“She likes it,” I said as I verified that Alex’s pussy was getting wetter.

“She must be her mom’s daughter,” said mom.

After a few smacks, Alex started to squirm. Her pussy was drenched.

“I am coming,” gasped Alex when I delivered the fifteenth smack to her right ass cheek.

“Come, you little bitch,” urged mom.

Alex’s orgasm hit her as I smacked her left ass cheek. I gave her the next four smacks while she shook in orgasm. She continued to convulse as I watched her reddened ass.

“That was incredible,” gasped Alex when her orgasm finally subsided.

“You’ve been apparently meant to be my bitch,” I said.

“I guess I have,” she gasped.

Alex’s pussy was completely drenched. I stood behind her and shoved my cock into her pussy. It only took two thrusts to have my cock balls deep in her pussy. She stiffened and came again.

“Fuck!” gasped Alex as I thrust hard in her gushing pussy. “I can’t believe this. I am coming again.”

“You must love being your brother’s dirty little bitch,” teased mom.

“I sure love it if it’s anything like this,” gasped Alex.

“Did you hear the little whore, Nick?” teased mom.

“I can hear her, and I can feel how her cock-hungry little pussy pulses and gushes around my big cock,” I said. “I knew her tight little pussy was meant for my big cock. She was definitely meant to be my bitch.”

Alex tried to catch her breath, but I continued to pound her pussy. Mom continued to spread her ass. Alex was soon bucking her ass eagerly for my cock.

“Alex, do you want to be your brother’s bitch?” teased mom.

“Yes, yes,” gasped Alex.

Alex stiffened and came on my cock. I drilled her twitching pussy until she went completely limp.

“I can’t believe I am doing this just two hours before my date with Dave,” gasped Alex as she recovered.

“That’s so hot, sweetie,” said mom. “Nick’s going to send you to your boyfriend full of his come. I love it when I go out with your dad, my mouth tasting of Nick’s come and my pussy and ass full of it. It’s so wicked. You’ll love feeling your brother’s come leak out of your well-fucked pussy while you are with your clueless boyfriend.”

“Mom, that’s cheating,” protested Alex.

“Really, sweetie?” teased mom. “What are you doing now? Are you being faithful?”

“My bitch’s being faithful to me, her brother,” I said. “She’ll be even more so when she’s full of my sticky come.”

“Are you going to let him fill you with his hot sticky come?” teased mom.

“Mom, I am his bitch,” said Alex. “Of course I am going to let him fill me with his sticky come. I expect him to.”

“You are a good bitch, Alex,” I said. “You’ll never regret being my slut, whore and bitch.”

“Are you going to be all that to him, Alex?” teased mom.

“Yes,” hissed Alex.

Alex stiffened and shook in orgasm. I gripped her hips tightly and drilled her gushing pussy like a jackhammer.

“I am coming again,” gasped Alex. “It’s so intense.”

“It’s okay to come your little ass off on your brother big cock, sweetie,” said mom. “You are his little bitch anyway.”

When Alex’s orgasm subsided, I pulled out and knelt behind her. I gently lapped up her abundant pussy juices. Mom disappeared for a minute while I did that. Alex moaned softly.

“Suck your juices off my big cock,” I instructed.

Alex turned around and pounced on my dripping cock. Before long, her pussy juices were replaced with saliva. I pushed her back and pushed her legs over her head. I mounted her and proceeded to fuck her wet pussy hard. She came twice within five minutes. I went down on her and licked her sloppy pussy clean. I guided her hands to her ass and moved to her asshole. She spread her ass for me, and I went to town. Her asshole twitched around my tongue in orgasm within five minutes. While Alex writhed and gasped in orgasm, mom handed me the lube.

“You love being my bitch, Alex?” I said.

“Yes,” she gasped.

While Alex caught her breath, I licked her pussy clean and lubed my fingers. I was still licking her pussy when I slid a slick middle finger all the way up her virgin ass. She gasped, and her asshole clamped at the base of my finger. I held my finger there and licked her pussy gently. She soon relaxed, and I finger fucked her asshole gently. Her tight asshole milked my finger as it relaxed gradually. I added more lube and pumped her asshole faster. She gasped and humped my finger. I slowed down and took her clit in my mouth. I sucked her gently while squeezing a second finger into her little asshole. She moaned as my fingers slowly slid all the way up her ass. I took my mouth off her leaky pussy and proceeded to pump her asshole faster and faster. She was soon gasping again.

“Sweetie, he’s getting your virgin asshole ready for his big cock,” said mom. “Relax and enjoy.”

Alex did not relax. She actually stiffened and shook in orgasm.

“You like that, you little whore,” teased mom. “You want to be your brother’s dirty little ass whore.”

“Yes, yes,” gasped Alex as she convulsed in orgasm.

“He’s going to send you to your boyfriend with all your holes full of his come,” teased mom. “You are going to love that just like your dirty slut mom.”

Alex’s wild orgasm continued for a short while before it finally ended, leaving her out of breath.

While Alex caught her breath, I added lube and squeezed a third finger into her ass. As I gently pumped my fingers in her ass, she moaned and humped back.

“You love how your brother’s fingers stretch your virgin but horny asshole, don’t you?” teased mom.

“Yes,” hissed Alex.

“Wait until he stretches your virgin little asshole with his big fat cock,” said mom. “You are going to go crazy.”

Alex trembled.

“Your slut sister’s no different from your slut mom,” said mom. “You are going to enjoy your new bitch.”

“I am going to enjoy having the hottest two bitches in the world,” I said.

“Darling, your dirty bitches are going to enjoy the horniest and wildest stud in the world even more,” she said.

By that time, I was pumping Alex’s stretched asshole smoothly. She moaned and humped back eagerly.

“She’s ready for your big cock in her virgin little asshole,” said mom. “Let me lube you for her.”

Mom took the lube as I stood up but continued to slide my fingers in and out of Alex’s stretched asshole. She lubed my rampant cock thoroughly.

“Alex, sweetie, show your brother you are his bitch,” said mom. “Beg him to fuck your virgin little asshole with his big fat cock and send you to your clueless boyfriend full of his hot thick come like the dirty whore you are.”

“Nick, you know I am your bitch,” moaned Alex, her asshole twitching. “Please fuck my tiny virgin asshole with your big fat cock and send me to my clueless boyfriend full of your hot sticky come like the filthy whore I am.”

“You got that, my bitch, baby,” I said, twisting my fingers within Alex’s stretched asshole for the last time. “Reach back and guide my big cock into your virgin little asshole while mom spreads your horny ass open for me.”

My glistening cock throbbed less than an inch off Alex’s equally shiny asshole. Alex’s right hand trembled as she held my shaft and guided my bulbous cock head to her virgin orifice while mom spread her ass cheeks wide. My fingers slowly slid out of her asshole, leaving it with a soft plop.

“Please take my virgin asshole,” gasped Alex when my blunt cock head touched her virgin asshole, making both of them twitch. “Make your little bitch all yours.”

“You are mine, Alex, my bitch, baby,” I said, making a precise lunge into Alex’s offered asshole that sent my cock head past her virginal sphincter. “You are all mine.”

Alex gasped and trembled, and her little asshole tensed around my hard shaft.

“Your stretched little asshole and his big fat cock look so beautiful together,” remarked mom as I paused there.

“His cock feels so big,” moaned Alex. “My pussy feels like it’s on fire.”

“Alex, baby, I love your amazing ass,” I said. “It’s sizzling hot. I can’t wait until I am balls deep inside it.”

“Me neither, baby,” moaned Alex. “Give me more. Stuff my horny little ass with your big hard cock.”

Her ass felt ready too. I held her hips tightly and carefully and very slowly pushed my cock deeper and deeper. Her hot ass engulfed more and more of my throbbing cock. My eyes were glued to her sweet asshole stretched wide and skewered by my hard shaft.

---

“What’s going on here?” dad said suddenly.

Alex and I looked at dad but did not move. I just stopped pushing into her ass.

“Come here, honey,” called mom. “Nick’s deflowering our little girl’s virgin little asshole. It’s spectacular.”

He walked over and stopped to my right. He watched as I resumed sinking my cock up my sister’s offered ass.

“Are you okay, Alex?” he asked.

“Dad, I feel wonderful,” said Alex. “You can’t believe how wet I am.”

“Nick’s very considerate,” said mom. “He’s taking his sweet time stuffing her innocent but cock-hungry ass.”

“He’s a little too slow, but it feels incredible,” said Alex.

“She wants him to send her on her date with her boyfriend with all her holes full of his come for the first time like he did to me last night,” said mom.

My cock was about three quarters in. It was advancing steadily. When I only had one more inch to go, I tightened my grip on Alex’s ass and yanked her onto me, driving my cock balls deep up her hot ass. She gasped, stiffened, and stopped breathing for a few seconds before she started to shake wildly. Her tight asshole gripped the base of my thick cock and twitched wildly.

“Oh, fuck!” she gasped. “I am coming. Dad, I am coming my ass off on Nick’s big fat cock.”

“That’s it, you whore,” urged mom. “Show your dad you are your brother’s little ass whore.”

Right then, I held Alex’s hips tightly and pumped her twitching ass vigorously. She went even wilder.

“Mom, I am now Nick’s bitch, just like you,” gasped Alex.

“Not until he sends you to your boyfriend bloated with his come,” said mom.

“Tonight, I am going to have Dave eat Nick’s come out of my pussy,” gasped Alex. “Does dad do that for you?”

“You underestimate your dad, young lady, if you think your silly boyfriend can beat him at that,” said mom.

Alex’s wild orgasm started to subside, and I slowed down my thrusts in her ass.

“Nick, that was incredible,” gasped Alex. “Your big cock belongs in my ass. From now on, you’ll have to fuck me in the ass every single day.”

“Alex, you are now my bitch,” I said. “You can only suffer from too much of my big cock up your ass.”

“You don’t know me if you think I can ever suffer from that,” she said.

“What do you think, honey?” mom asked dad.

“If it were not so depraved, it would be the most touching scene in the world,” he said.

“What’s so depraved about our sweet daughter enjoying her brother’s big fat cock up her little ass?” said mom.

“I feel like a little angel,” giggled Alex.

“Wait until you gush your brother’s come in your boyfriend’s mouth,” said mom.

“Fuck my ass now, Nick,” said Alex. “My cock hungry asshole needs more of your big amazing cock.”

“You got that, baby,” I said, thrusting in her ass at an easy pace.

Dad watched for a minute and then left.

“You like being my bitch, Alex?” I teased, fucking Alex’s ass faster.

“I love it, Nick,” she gasped. “Thank you for claiming me.”

“You are welcome, baby,” I said. “You are an amazing girl. It’s an honor for me to have you as my bitch. If you are a good girl, you’ll be sleeping with me and mom in the master bedroom.”

“Really?” she asked excitedly.

“Really, baby,” I said. “I want you to be close to the big cock you belong too.”

“Yes, Nick,” she said. “I belong to your big cock. I am its bitch and fuck slut.”

“That’s what you are, my little whore,” I said.

Mom helped us get out of our clothes. I grabbed Alex’s tits and played with them while I fucked her ass vigorously to her next orgasm. After Alex recovered, I sat down and had her ride my cock in the Asian cowgirl position. I sucked her sweet nipples while she bounced on my cock to a big orgasm.

Alex had two more orgasms before I started to switch my cock between her three fuck holes. Mom also let me fuck her pussy and ass a little, taking my next come load in her twitching pussy. An hour later, I had a powerful orgasm, forcefully pumping a big come load deep into Alex’s twitching bowels. She milked my drained my cock nicely before I slowly pulled out of her contented ass. She was then on her knees on the sofa.

“Mom, I don’t have time to get ready,” said Alex. “Dave will be here in a few minutes.”

“Don’t worry about him,” said mom. “I’ll keep him company. Give your brother a nice blowjob and let him split his come load between your mouth and pussy. Plug your pussy so you won’t leave a wet trail.”

Alex got on her knees and proceeded to suck my hardening cock.

“Alex, take him to your room,” advised mom. “You don’t want your boyfriend to walk in on you like this yet.”

Alex reluctantly let go of my hard cock and led me to her room. She sat on the edge of her bed and proceeded to deep throat my cock. I was soon fucking her throat.

---

“Wear these without panties when ready,” said mom, showing Alex a glass butt plug and a duo-ball sex toy.

In addition to the blowjob, I fucked Alex’s sloppy ass and dripping pussy before I shot the first two spurts against the back of her throat and pumped the rest in her twitching pussy as she made herself come with me. I plugged her pussy and ass with the sex toys and licked her pussy lips clean before she sucked my cock clean.

## FOOD FOR THROAT

When Dave came to pick Alex up, mom let him in, wearing a lacy black and pink chemise that put most of her tits on display and hardly reached her crotch. She had no panties on.

“Hi, Mrs. Callaby,” he greeted, trying not to stare at her tits.

“Hi, Dave,” she greeted back, smiling. “Please come in. Don’t be offended. I thought I’d let you in instead of letting you wait while I changed into something more appropriate.”

“No,” he stuttered, embarrassed. “It’s okay.”

“Alex is running late,” she said, leading him in. “You’ll have to wait about fifteen minutes.”

“That isn’t a problem,” he said as she motioned him to have a seat on the sofa.

He sat down, and she went to the kitchen. She brought him a glass of ice water in a tray. When she bent down to offer him the water, both her tits jumped out of her top almost into the try. Normally, bending over would not let her tits spill out, but she adjusted them ahead of time. He did not know what to do with her holding the tray and her bare tits in his face. He blushed deeply.

“It’s okay,” she said dismissively. “I am sure you’ve seen tits before. Please put them back into my top unless you want to stare at them a little more. I wouldn’t mind either way.”

He did not know what to do or where to look. She was so close to him, looking down would be staring at her tits and looking up would be looking her in the eye.

“Don’t be shy,” she said. “I’d appreciate it if you put them in for me.”

He finally pulled her neckline out and pushed her tits into her top with trembling hands.

“Thank you,” she smiled at him. “It wasn’t bad, was it?”

“No,” he said, blushing deeply.

“You can take your water now,” she said.

“Thank you,” he stuttered, taking the glass of water in his trembling hand.

“You are welcome,” she smiled. “Don’t tell Alex that you touched her mom’s big tits.”

“Oh, of course not,” he said shyly and with a touch of panic.

She sat across from him and made sure to part her legs enough to flash him her bare pussy before she crossed her legs. She did that a few times to make sure he did not miss it while she chatted with him inconsequentially.

“Dave, I hope you don’t think I am a slut because you caught me off guard and saw my tits and pussy,” she teased, smiling at him, just after she uncrossed and crossed her legs for the last time.

“Of course not, Mrs. Callaby,” he said, blushing.

“I am sure you’ve seen tits and pussies before,” she said. “Haven’t you?”

“Yes,” he said shyly.

“I guess it’s okay if you saw mine,” she said. “Don’t you think so? It isn’t like you are going to tell anybody.”

“Of course not,” he said.

“Of course not to seeing my tits and pussy or telling people about it?” she teased.

“No to telling people about it,” he said.

“You agree then that it would be okay if you accidentally saw my tits and pussy,” she said.

“Yes,” he said.

“You are so sweet,” she said, getting up. “I am going to give you a better look at my pussy.”

He did not know what to do as she walked to him. She turned around and bent over. Her chemise rode up her ass and completely exposed her bare pussy and ass. Her ass was in his face about a foot away.

“Can you see how my pussy’s reddish and swollen?” she asked, pulling her pussy lips apart with her fingers.

“Yes,” he gasped.

“Do you know why it looks this way?” she asked.

“No,” he said.

“The reason’s that I’ve just been fucked,” she said. “You are old enough to talk about this, aren’t you?”

“Yes,” he gasped.

“Is this what you are going to do to my daughter’s little pussy when you are through with her?” she asked.

“I don’t know,” he stuttered.

“This is what you should do,” she said. “If a woman’s pussy doesn’t look well-fucked, it isn’t.”

“Okay,” he said.

She sat next to him and parted her legs, sticking two fingers into her pussy.

“Do you eat pussy?” she asked, swirling her fingers within her pussy.

“Yes,” he said, blushing.

“Don’t be shy,” she said. “Girls love a guy who eats pussy. Do you love eating pussy?”

“Yes,” he said, blushing deeper.

“You like the taste of pussy, don’t you?” she asked.

“Yes,” he hissed, blushing even deeper.

“Why don’t you try mine?” she said, bringing her sticky fingers to his mouth.

He did not know what to do.

“Open your mouth and suck my fingers,” she coaxed gently.

He opened his mouth, and she pushed her fingers in. He sucked them tentatively.

“You said you loved the taste,” she said. “Suck them well.”

He sucked her fingers thoroughly.

“Did you like *my* taste?” she asked.

“Yes,” he said, blushing.

“Were you able to taste come?” she asked. “My pussy’s still full of come.”

“Yes,” he nodded, his face red.

“You said you liked the taste,” she said, spreading her legs wider. “Nobody’s going to eat my pussy anytime soon. Why don’t you help yourself to it?”

He was speechless.

“Right here?” he finally asked.

“Yes,” she said, lying back. “Alex is running very late. Help yourself. You said you loved it.”

He hesitated for a while.

“Go ahead,” she said, teasing her clit with her fingertips. “If you eat my pussy well, I’ll encourage Alex to spend more time with you. I want to make sure her pussy’s eaten well.”

He finally dove in.

“Good boy,” she moaned as his lips touched her sticky ones. “Eat your girlfriend’s mom’s slimy cunt.”

He was soon eating her pussy hungrily as she pulled his face into her pussy and pushed the come out into his sucking mouth, gasping and moaning quietly.

“You are a good pussy eater,” she encouraged. “Stick your tongue deep in my well-fucked pussy. It’s so loose and sticky. Make me come and suck me dry.”

He sucked her pussy, and she came in his mouth within a few minutes, washing the come out into his mouth. He licked her clean and pulled back.

“That was great,” she said. “Thank you. I loved it. Did you enjoy it?”

“Yes,” he said as she got up

“Did you enjoy eating come out of my pussy?” she teased, tickling the outline of his boner with her fingertips.

“Yes,” he nodded, blushing.

“You are a good boy, Dave,” she said, squeezing his boner through his pants. “I want you to eat Alex’s pussy raw at the first chance you get tonight.”

“Okay,” he said.

“Promise me you are going to eat her pussy first thing no matter what,” she said.

“I promise,” he said.

“I want you to save your come for her,” she said, running her fingers up and down the outline of his cock. “After you suck her dry, fill her with come and eat her dry again.”

“Okay,” he said.

“If you do that, I want you to come here tomorrow morning,” she said. “I’ll give you a reward and let you eat Alex right here in the living room in the afternoon. Wouldn’t you like that?”

“Yes,” he said.

“Now, go wash your face,” she said. “We don’t want Alex to wonder where this pussy juice came from.”

“Okay,” he said, blushing.

---

Mom came up to Alex’s room where Alex had just finished sucking my cock clean.

“Alex, sweetie, your boyfriend has waited long enough,” said mom.

“We are about done, mom,” I said.

Several minutes later, Alex met her boyfriend downstairs. She smiled at him and kissed him. She let him taste some of my come on her tongue before they left.

---

Dave returned Alex home at eleven. Mom and I were in the living room.

“How did it go?” asked mom.

“It was amazing,” said Alex excitedly. “He ate Nick’s come out of my pussy. I told him if he promised to eat his, I’d let him come directly in my pussy. He did. I loved it.”

“You are a good bitch, little sister,” I smiled.

“She’s certainly taking after her mom,” said mom.

---

On Sunday morning, mom had me fuck her. I dumped the first come load deep in her ass and the second come load in her pussy. She got me hard again and let me fuck her ass while she plugged her pussy. When it was time, she had me split my come load between the depths of her pussy and just inside her ass. She plugged her holes.

After I showered, mom gave me money and sent me with Alex to shop.

“You can get your slut sister a few slutty articles to wear for you around the house or outside,” said mom.

Alex and I left.

---

What mom wore was practically only different in color from what she wore for Dave the previous night.

“Come in, Dave,” she said as she let him in. “I am ready for you, very well fucked.”

As soon as he took his seat on the sofa, she got on her hands and knees next to him and thrust her bare ass toward him. She hiked her chemise just a little to get it to her waist. She had removed her sex toys.

“Can you tell that my ass has been well fucked?” she asked, making her asshole wink at him.

“Yes,” he hissed.

“I want you to start with eating my asshole,” she said. “Don’t get disgusted. It’s squeaky clean except for the come inside it. I want you to learn to eat girls’ asses. It’s very enjoyable.”

She waited for him a little. He finally bent over her and tentatively licked her sticky asshole, making her gasp.

“Yes, baby,” she hissed.

Before long, he was eating her asshole eagerly. She relaxed her asshole and started pushing the come out.

“Stick your tongue up my loose asshole,” she urged. “Tongue fuck it, and eat it just like you eat a slimy cunt.”

She came twice while he continued to eat her asshole. He left it squeaky clean.

“You are so good at eating a come-filled ass,” she complimented. “Alex is a lucky girl. Have you ever eaten her little asshole before?”

“No,” he said.

“Do it today,” she said. “I am sure she’d love it.”

“Okay,” he said.

Mom recovered and got onto her back, offering him her sticky pussy.

“Eat my pussy, baby,” she urged. “It’s full of come too.”

He eagerly ate her pussy through three orgasms.

---

“Sucking the come out of a well-fucked fuck hole’s almost as good as putting it there in the first place,” she said. “Thank you so much, Dave.”

“You are welcome, Mrs. Callaby,” she said.

“Dave, a good boy who eats come out of my pussy and ass gets to call me Amy when we are alone,” she said.

“Okay, Amy,” he said.

“Tell me what happened with Alex last night,” she said.

“I tried to eat her pussy as soon as I could as I promised you,” he said. “She tried to push me away and let me fuck her, saying she was so horny, but I wouldn’t let her. I finally managed to eat her pussy. She was so wet. I think I even tasted come in her pussy. She came three times in my mouth. She had never done that before.”

“That was great,” she said. “Did you fuck her?”

“Oh, yes,” he said. “I was so horny. I fucked her and came before she did, but I ate her pussy, and she came twice more in my mouth. It was so hot.”

“You must be so horny now,” she said.

“Yes,” he said, blushing.

“Save your come for her,” she said. “I am sure she needs it.”

“Okay,” he said.

“Dave, I don’t want you going around telling your friends that you eat come out of your girlfriend and her mom’s well-fucked pussies and asses,” she warned. “That would be very bad. You’d make me very mad at you.”

“No way, Mrs. Callaby, I mean Amy,” he said. “It would be very humiliating for me to admit that to anybody. Besides, nobody would believe me if I said I ate your come-filled pussy in the living room while I waited for Alex.”

“You are a smart boy, Dave,” she said. “If you can keep your mouth shut, you can eat all the come you want.”

“Amy, you’ve been so nice to me,” he said. “I’d never try to hurt you.”

“I want you to keep that a top secret, especially from macho jerks, but I don’t want you to be ashamed of doing it,” she said. “Come’s delicious, and eating it especially out of a well-used orifice is a lot of fun for both parties. I love come very much. I am favoring you because I think you are a great guy. I want to share this joy with you.”

“Thank you,” he said.

“Dave, you said Alex loved it when you ate her come-filled pussy,” she said.

“Yes,” he said. “She came like never before.”

“This afternoon, I want you to see if she loves having you eat her ass as well,” she said. “You’ll be alone here. I want you to eat her right here in the living room just like you’ve just eaten my come-filled orifices.”

“You think she’d let me do that right here?” he asked.

“If she’s horny enough and you are all alone, why not?” she said. “Eat her ass first like you did to me, and then eat her pussy. After that, fuck her and suck her pussy clean. I think she’d love that too.”

“I’ll sure try to do that,” he said.

“Just like last night, don’t take no for an answer,” she said.

“Okay,” he said.

“I want the two of you to have a great time,” she said.

“I’ll do my best,” he said.

“I’ll give you a call when she’s ready,” she said. “I don’t want to entertain you like last night. I want you to be very hungry for her juicy fuck holes. I want you and your girlfriend to have a wonderful time.”

“Thank you, Amy,” he said.

“Thank you for taking care of me,” she said. “Don’t forget to wash your face before you leave now and later.”

“Okay,” he smiled.

“I’ll go take a shower,” she said. “I’ll see you soon. Bye, Dave.”

“Bye, Amy,” he said. “Thank you.”

---

As soon as Alex and I returned home, mom took me aside.

“Nick, I want you to fuck your sister silly and come four times in her fuck holes,” she said. “Come first in her asshole, then twice in her pussy and finally in her asshole. If you do that, I’ll take you out to dinner.”

“I’d do that gladly, but why do you want me to do that?” I asked.

“I’ll tell you later,” she said. “You just leave her pussy and ass full of come. Take two or three hours to give her a good fucking. Let her pussy and ass look very well fucked. Would you do that for your slut mom, baby?”

“Sure, mom,” I said. “It isn’t like it isn’t a lot of fun.”

“Thank you, darling,” she said.

---

Alex was only eager when I caught her in her room and nudged her shoulders down. She sucked and deep throated my cock for ten to fifteen minutes before I put her on her back and ate her pussy and asshole to an orgasm each. I mounted her and proceeded to fuck her horny pussy.

We fucked for about three hours. I spent half the time in her ass and half in her pussy and mouth. I came according to mom’s instructions, injecting two come loads into each hole. Both her holes looked well fucked. We kept her pussy plugged ever since I came inside it for the first time unless I was fucking it.

Alex cleaned my sticky cock, and we rested, holding each other.

---

Mom came into the room. She was dressed and ready to go.

“Nick, take a shower and get ready to leave with me,” said mom.

“Where are you going?” asked Alex as I got up.

“I am taking Nick to dinner,” said mom as I left them together.

“Can I come with you?” asked Alex.

“I’ll take you to dinner some other time, sweetie,” said mom. “Today, I want you to relax. Don’t wash up or take a shower until I come back. I have a surprise for you. Your surprise may come before I am back.”

“What surprise?” asked Alex.

“You know I can’t tell you,” said mom. “You’ll know it when you get it. It has to do with your slimy fuck holes.”

“Okay, mom,” said Alex.

“Put something on,” said mom. “Don’t wear panties though. Your fuck holes need to be ready to be eaten.”

“Okay,” said Alex.

---

Mom gave me the car keys.

“Nick, take the car out and wait for me,” she said. “I’ll be down in a minute.”

---

“Hi, Dave,” said mom. “It’s me—Amy. Alex is home alone. Come, and get her. She’s ready to be eaten.”

---

Mom got into the car, and I drove away.

“Where to, mom?” I asked.

“Nick, it’s still too early for dinner,” she said. “Let’s hit the mall. Maybe we can pick out a few slutty items for your other bitch.”

“Mom, you are my main bitch,” I said. “Alex is my other bitch.”

“Thank you, darling,” she said.

She leaned over and kissed me on the cheek.

While I drove, she spread her legs and finger fucked her pussy to orgasm.

“Mom, you are a bad girl,” I teased. “You are supposed to suck my big cock not finger fuck your leaky pussy.”

“You want me to?” she said. “You’ve dumped eight come loads in your sister and me. That wasn’t enough?”

“Not when I have my hot bitch with me,” I said.

She took me seriously, and bent over my cock. Before long, my hard cock was down her throat while we drove in town, her left hand shoved between her legs.

“I don’t want to come in your mouth,” I said.

When we reached the mall, I had a big boner to try to hide. We picked out slutty outfits for indoors and outdoors for her and headed to a nice restaurant. She finger fucked her pussy to orgasm while we had dinner and let me suck her sticky fingers.

After dinner, we headed straight for home.

---

“You seem showered and clean,” said mom when we saw Alex. “Didn’t I tell you to stay sticky?”

“There was no point, mom,” said Alex. “Dave sucked my ass and pussy dry in this order.”

“Really?” asked mom.

“Yes, mom,” said Alex.

“You lucky bitch,” smiled mom. “Did he find out that you were full of come?”

“He couldn’t have missed it,” said Alex. “I saw the white come on his tongue. He loved it. He ate me raw.”

“Did you like it?” asked mom.

“I loved it,” said Alex. “I bathed his face in pussy juices. He’ll smell of my pussy for days.”

“Did you know that your cute boyfriend ate my come-filled pussy before he ate yours,” said mom. “He also ate my come-filled ass before he ate yours.”

“No way,” said Alex. “When did that happen?”

“How did you think I kept him busy while you gave Nick that marathon blowjob?” said mom.

“You let him eat you out?” asked Alex.

“On the sofa,” said mom.

“You are unbelievable,” said Alex.

“Today, I let him eat both my come-filled pussy and ass,” said mom.

“Mom, you are kidding,” said Alex. “He couldn’t have done that.”

“He told me he enjoyed eating your come-filled pussy too,” said mom. “Do you think he could tell that it was the same come in both sluts?”

“Mom, you are making this up,” said Alex.

“He said you came three times in his mouth while he ate your brother’s come out of your pussy,” said mom. “He obviously didn’t know whose come it was. You came twice when he ate his own come out of your pussy?”

“Mom, only he and I knew that,” said Alex.

“I guess one of you has told me,” teased mom.

“You really had him eat your come-filled pussy in the living room while he waited for me?” asked Alex.

“I told him to eat your pussy first thing,” said mom. “He said you didn’t want him to eat it, you slut. You didn’t want your boyfriend to eat your brother’s come out of your pussy. What a bitch!”

“Mom, I didn’t want him to know it was full of another guy’s come yet,” said Alex apologetically. “I had cold feet when it was time.”

“That wasn’t cold feet,” teased mom. “It was icy pussy.”

“I guess it was,” said Alex.

“Aren’t you glad he didn’t take no for an answer thanks to your slut mom?” said mom.

“Yes,” hissed Alex. “It made me come buckets. I’d never come three times in his mouth.”

“I told him if he’s a good boy you’ll let him eat more come out of your pussy and ass right in the living room,” said mom. “Are you going to be a good little bitch and oblige him?”

“Yes, I already have,” hissed Alex. “Thanks.”

“No problem, little bitch,” smiled mom. “I warned him not to tell everyone he eats come out of his girlfriend and her mom’s well-used fuck holes. He said it would be humiliating and nobody would believe him anyway.”

“Mom, you are amazing,” said Alex.

“Your mom loves you, little bitch,” said mom. “Do your girlfriends’ moms let them have their boyfriends eat come out of their pussies and asses in their living rooms, not to mention feeding them their own come-filled holes?”

“No way, mom,” said Alex. “You are the best hands down.”

“Enjoy, little bitch,” smiled mom. “Your poor boyfriend’s now hooked on eating come out of your fuck holes.”

“Thanks, mom,” said Alex.

---

A few days later, after I finished fucking Alex and filling her pussy and ass with come, I took a shower and did some stuff in my room. Less than half an hour later, I went down and heard Alex’s moans and groans in the living room. When I checked, I found her on her back, her boyfriend eating her pussy hungrily. I watched for a minute.

“Nick, what are you doing here?” said Alex when she saw me.

Dave stopped eating her pussy and looked at me in embarrassment.

“Don’t stop, baby,” said Alex, pulling Dave’s head back to her pussy. “I’ll handle Nick.”

Dave reluctantly resumed eating her pussy. She turned to me.

“Nick, can’t you see we are busy?” she said. “What are you doing here?”

“I am in the living room,” I said. “Why are you here? You can do this in your room.”

“I want my boyfriend to eat my slimy pussy and ass right here in the living room,” she said, smiling. “What are you going to do, Nick? Are you going to watch your little sister come her ass off in her boyfriend’s mouth? You want to watch me writhe and convulse in ecstasy as I bathe his face in loads of my come? You want to see your little sister come like a dirty whore? Is that what you want? Are you getting jealous? Do your little girlfriends let you eat their dripping pussies in their living rooms? Do they gush in your mouth right in the middle of the house?”

“No,” I said. “I’ve never had a girlfriend even mention that.”

“Do you want me to talk them into doing that?” she teased.

“I don’t think you can,” I said.

“Maybe I can,” she smiled. “Why don’t you try me?”

“Anyway, what if mom walked in on you?”

“I can easily take care of mom,” she said. “She’d be soaked. Dave would love to eat her wet pussy. She can’t complain while she twists around his tongue and gushes in his mouth and on his face.”

“Alex, you are sick,” I said.

“Come closer, Nick,” she called.

“What?” I asked as I walked toward her.

She reached out and squeezed my hard cock.

“What are you doing?” I asked, pulling back.

“Take it out, Nick,” she said. “I know you are rock hard. Let me see it. You can see my wet pussy.”

“You are sick,” I said.

“Nick, take it out for your little sister,” she urged. “Don’t be shy. You are a man.”

“I am not taking it out,” I said as I moved toward her. “If *you* want to take it out, be my guest.”

She reached out and fished my hard cock and balls out.

“You are rock hard,” she said, holding my cock in her left hand. “You like watching your little sister squirm on her boyfriend’s tongue, don’t you? Admit it.”

“Yes,” I said. “You are such a slut.”

“Your cock’s bigger and thicker than Dave’s,” she said. “Do you want to fuck me and ruin me for him?”

My cock twitched in her hand.

“You like that, don’t you?” she teased, stroking my cock rhythmically. “I am sure Dave would love to eat your come out of my slimy little cunt.”

“Alex, you are sick,” I said.

“What about you, big brother?” she teased. “You have a huge boner watching your little sister writhe under her boyfriend’s tongue. Is that healthy?”

“No,” I said.

“Nick, do you want to see me come on my boyfriend’s tongue?” she teased.

“Yes, you slut,” I said.

“Dave, baby, make me come for my big brother,” she instructed her boyfriend. “He wants to see me gush in your mouth and bathe your face in my juices.”

Dave stepped up the pace and devoured her pussy hungrily.

“Nick, show me that you love this,” she said, stroking my cock vigorously. “I want you to come all over my face when I start coming on my boyfriend’s tongue.”

“You are crazy,” I said.

“Come for your little sister, Nick,” she urged. “Come all over my face if you want to see me come ever again.”

“You are a dirty slut, Alex,” I said as she jacked me off harder.

“I know,” she gasped, shoving her pussy into her boyfriend’s face. “Come all over your slut sister’s face.”

She stroked me harder, pulling Dave’s face into her pussy with her right hand. I pushed her left hand off my cock and took over jacking off. She used both hands to pull his head into her pussy.

“I am going to come, Nick,” she said. “Get ready to hose down your slut little sister’s face.”

As soon as she stiffened, my cock swelled and started to twitch.

“I am going to come on your face, you dirty slut,” I warned.

“Come, come,” she gasped. “Come for me, Nick.”

She turned toward me, her eyes glazed, and convulsed in orgasm, trying to shove her boyfriend’s head inside her pussy. She gasped and sobbed as my cock spewed come all over her face. I milked my cock dry while I looked at her face twitching in ecstasy.

“Thank you, Nick,” she gasped. “Thank you for coming all over your slut little sister’s sweet face.”

“You are welcome,” I said.

“Did you enjoy coming on my face?” she gasped, smiling.

“Yes,” I said.

“I am sure we’ll do it again very soon,” she said.

Dave meanwhile licked her drenched pussy gently. She reached out and held my cock. She started to stroke it and milk it. My cock started to get hard as she rode her boyfriend's tongue anew.

"Nick, are you going to brag to your friends that you shot a huge come load all over your little sister's face while her boyfriend ate her lover's come out of her slimy pussy?" she teased.

"My friends are not morons," I said. "They wouldn't believe a word of this."

"Nick, you are getting hard again," smiled Alex. "Are you getting ready to shoot a new come load all over your sweet sister's face? Do you want to drown me in come?"

"You are sick, Alex," I said. "I am taking a cold shower."

"You are so sweet when you fake innocence after dumping a pint of come on your sister's face," she teased.

"You are nuts," I said as I pushed my hardening cock into my shorts.

"Nick, are you going to watch mom when I get my boyfriend to eat her come-filled pussy?" she teased.

"You are sick, Alex," I said.

"Come on, Nick," she urged. "Say it. Are you going to watch her or not?"

"I don't know," I said.

"I'll take that as a yes," she smiled teasingly.

"Don't be so sure," I said.

"Are you going to come on her face too when she comes in his mouth?" she teased.

"You are completely out of your mind," I said.

"I bet your cock's even harder than it was when you came all over mine," she teased.

"I am taking that cold shower," I said, rushing out of there.

Her fading laughter chased me all the way to my room.

---

"Aren't you proud of your slut little girlfriend for getting you a fresh come load to eat off her face?" she teased.

"Alex, you are totally crazy," said Dave. "I can't believe what you did to your brother."

"Any girl worth anything can handle her brother easily," she said.

"You were so cruel," he said.

"I had to," she said. "Now, eat his come while it's hot and fresh before it dries into a crust."

He mounted her and proceeded to lick her sticky face thoroughly. When he was done, they kissed deeply.

"Dave, baby, do you like eating my lover's come?" she asked.

"Yes," he said. "Do you really have a lover?"

"Yes," she said. "Do you know why I can't tell you who he is?"

"No," he said. "Why not?"

"Because my mom and I share him," she said. "Didn't you notice that you've been eating the same come out of all our fuck holes?"

“That’s right, but it has never crossed my mind,” he said. “Your mom and you share the same lover? What about your dad? What if he found out?”

“He already knows,” she said.

“No way,” he said. “He’s okay with that?”

“Sure,” she said. “Aren’t you okay with it?”

“Yes,” he said.

“Now, you can eat me and fuck me here in front of everyone. Nick can’t say anything. Mom wouldn’t after you ate her come-filled pussy and ass. Neither would dad after watching mom spread my virgin ass for her lover.”

“Your dad watched your mom spread your virgin ass for her lover?” he said in disbelief. “What did he do?”

“He was just worried about me because her lover had a thick cock and it was my first time in the ass,” she said.

“I can’t believe this,” he said. “Your dad let your mom’s lover deflower your ass?”

“Yes,” she said. “He saw me have the biggest orgasm of my life when I was fully impaled on that big fat cock.”

“Your dad’s okay with letting you and your mom have sex openly like that?” he asked.

“Yes,” she said. “From now on, you and I will have sex right here in the living room.”

“That would be totally crazy,” he said.

“You can even eat mom raw while dad and Nick watch TV right here,” she said. “They can’t say a word.”

“Really?” he asked.

“Tomorrow, you are going to eat mom in front of Nick,” she said. “I’ll show you that he won’t say anything.”

“Wow!” he said. “That’s unbelievable. Alex, you are the hottest girlfriend in the world.”

“I know,” she teased, smiling. “As long as you are a good boy, I’ll only get hotter.”

“I’ll always be a good boy,” he said.

“Are you going to be a good boy, or do you want me to manipulate you like I did Nick?” she asked sweetly.

“I’ll be a good boy,” he said. “I know you’ll have your way anyway.”

“Smart boy,” she smiled. “Are you ready to eat my ass now?”

“More than ever,” he said as she got onto her hands and knees.

“Show me you are a good boy,” she said. “Suck all that delicious come out of my gooey bowels.”

He was only too glad to oblige.

---

On the following afternoon, I fucked mom silly. I shot two come loads in each of her pussy and ass and one come load down her throat. As Alex had promised her boyfriend, he was eating mom hungrily when I wandered into the living room fifteen minutes later. It was unbelievable.

“Mom, what are you doing?” I asked as Dave ate mom’s pussy and she shoved it into his face, moaning.

“Your sister’s boyfriend’s eating my lover’s come out of my pussy,” gasped mom. “It feels so good.”

“Mom, you shouldn’t let him,” I said as Alex started to stroke my hardening boner through my shorts.

“Darling, who else would eat my come-filled pussy and ass?” said mom as Alex fished out my hard cock and balls. “Would you do that for your mom?”

“I am sorry, mom, but I can’t,” I said. “I don’t eat come.”

“Mom, he loves it,” said Alex. “Look how big and hard his cock is as he watches you get your pussy eaten.”

“Nick, do you really like watching me twitch under your sister’s boyfriend’s wicked tongue?” asked mom as Alex stroked my cock at a brisk pace. “Do you enjoy watching your mom’s come-filled pussy eaten raw?”

“Say it, Nick,” urged Alex. “Do you love watching my boyfriend devour mom’s slimy cunt?”

“Alex, you are being sick,” I said.

“Say it, Nick,” she urged. “Admit it. Don’t you want to watch her gush in his thirsty mouth?”

“Yes,” I said lowly.

“Do you want to hose down her face with come while she gasps in ecstasy?” she teased. “Say it, Nick.”

“Yes,” I said, my cock twitching.

“Mom, did you hear that?” said Alex. “He wants to come all over your face when you come on Dave’s tongue.”

“Is that right, Nick?” mom gasped, riding Dave’s tongue harder. “Do you want to splatter your mother’s face with a big load of your thick come while she comes on your sister’s boyfriend’s wicked tongue?”

“Yes,” I said.

“Mom, come for Nick,” urged Alex. “Come for him so he can come for you and hose down your happy face.”

“I am going to come,” gasped mom.

“Dave, baby, make mom come hard,” urged Alex. “Nick’s going to come all over her face.”

Alex jerked my cock vigorously as Dave devoured mom’s pussy giving her a wild orgasm. Mom came, gasping and writhing wildly, and my cock spewed thick come on her face as Alex turned mom’s face slightly toward me.

“Yes, Nick, cover her face with thick come,” urged Alex, jerking my cock fast. “Show her how much you love this. Show her how sick and perverted you are.”

When my come stopped leaking out of my cock head, Alex pulled my cock toward mom’s face. I followed her, and she wiped my sticky cock head on mom’s cheek.

“Nick, thank you for coming on mom’s face,” said Alex. “I am sure she appreciates it. Don’t you, mom?”

“Yes, Alex,” gasped mom as Dave lazily cleaned up her sticky pussy. “Thank you, both of you. Thank you, Dave too. You did a great job.”

“You are welcome, Mrs. Callaby,” said Dave.

“Nick, you are a bad boy,” teased Alex. “Mom and I thanked you for coming on her face, and you didn’t even acknowledge us. Are you mad at us?”

“You are both welcome,” I said.

“Does that mean that you’ll be a good boy and come on our faces whenever we want you to?” she teased.

“Yes,” I said.

“Mom, don’t you think Nick’s a sweet guy?” teased Alex.

“Yes,” said mom. “You are both sweet kids.”

Alex was still holding, squeezing and stroking my soft cock, and it started to regain its hardness.

“Nick, go take that cold shower,” teased Alex. “Your cock started to get hard. You don’t want to fuck mom.”

“Okay, I am going,” I said, pushing my cock into my shorts. “I’ll see you all later.”

---

“Dave, we just want you not to tell all your friends about this,” said Alex.

“Alex, you think anyone would believe me if I told them that I ate my girlfriend’s mom’s come-filled pussy while my girlfriend jacked off her brother onto their mother’s face?” he said. “I can’t believe it myself.”

“Don’t tell them you are about to eat your girlfriend’s brother’s come off her mom’s face either,” she teased.

“No way,” he said.

Dave leaned over mom and proceeded to lick her face clean.

“You’ve already eaten her ass clean,” said Alex when Dave finished licking my come off mom’s face. “You are all done. Do you think you can drain your balls in my pussy and then suck it squeaky clean?”

“Sure,” he said.

“Mom, I bet Dave’s your favorite boyfriend of mine,” said Alex.

“Yes, he is,” said mom. “Keep him as long as you can.”

“Why do you think I am letting him eat loads of come out of our sloppy cunts and slimy asses?” smiled Alex.

“You are a smart girl, Alex,” said mom, getting up.

“Mom, thanks for helping me keep my boyfriend entertained,” said Alex.

“You are welcome, sweetie,” said mom as Alex replaced her on the sofa.

Mom left, and Dave proceeded to lick Alex’s sticky pussy.

---

“Are you happy now, or will you be nervous until you eat mom’s pussy in front of dad tomorrow?” she teased.

“Can we really do that?” he asked in disbelief.

“Baby, when I am your girlfriend, sky’s the limit,” she said. “Do you want to do that?”

“Sure if you think it can work out,” he said.

“Of course, it can and will,” she said. “Everything we did so far worked out well, didn’t it?”

“Yes, sure,” he said.

“You want to do it tomorrow?” she asked.

“Why not?” he said.

“We’ll do that,” she said. “Now, fill me with come.”

He mounted her and fucked her hard. She was so horny she came right away, and he came filling her pussy with come. After her pussy drained his balls, she gently pushed him off her. He dove for her come-filled pussy right away. She came in his mouth a few times while he sucked her pussy clean.

---

Alex kept her promise to Dave. After I filled mom with come, I took a shower and lay back in my bed for several minutes. I finally got bored and went down to the living room. Mom was already moaning.

Mom was on her back like the previous day. The difference was that dad was sitting on his chair, watching television like nothing out of the ordinary was going on. He glanced toward mom every once in a while.

As soon as Alex saw me, she beckoned me with her finger. I walked straight to her.

“Nick, mom needs you,” said Alex. “She wants you to come all over her face when she comes, just like yesterday. Are you going to be a good boy and oblige our come slut of a mom?”

“Yes,” I said as she took my hard cock out of my pants.

“Mom, he’s so eager to oblige you,” teased Alex as she stroked my hard cock.

“He’s a good kid,” moaned mom.

“Are you going to be a good slut mom for him and come in your daughter’s boyfriend’s mouth so your sweet son can come all over your face?” teased Alex.

“You bet, sweetie,” gasped mom.

“Dave, honey, make my slut mom come for her horny son,” urged Alex. “Give her a big orgasm.”

Alex stroked my cock according to how mom reacted to her boyfriend’s ministrations. When mom shook in orgasm, I was ready. My bloated cock twitched and spewed come all over her face as she turned it toward me. Mom’s face received a big come load before Alex wiped my sticky cock head on mom’s face.

“Thanks, darling,” mom gasped to me.

“You are welcome, mom,” I said as Alex tucked my softening cock back into my shorts.

Alex walked to dad.

“Dad, you obviously can see that Dave loves to eat come out of mom’s and my pussies and asses,” she said.

He nodded silently.

“He doesn’t know it’s Nick’s come though,” she whispered. “You do.”

He didn’t say anything.

“He’s also eaten Nick’s come off mom and my faces,” she said. “I know he’d love to eat your come off our faces too. Isn’t that right, honey?”

“Yes, baby,” said Dave.

“Dad, come with me please,” called Alex, taking dad’s hand in hers. “You are going to come on mom’s face.”

Dad got up and followed her.

“Dad, you must know by now that mom’s a big slut,” said Alex. “One come load on her face may not be enough for her. We want you to shoot a big come load on her face when she comes in my boyfriend’s mouth again.”

She stroked his boner through his pants. She soon took his cock out and proceeded to jack him off.

“Dave, make your girlfriend’s slut mom come again in your mouth,” she instructed.

Dave obliged her, eating mom hungrily. She jacked dad off accordingly.

“Dad, I want you to come all over your slut wife’s face,” said Alex. “Don’t hold back.”

“Thanks, sweetie,” said mom.

“Dad, she’s such a dirty slut for letting her daughter’s boyfriend eat come out of her pussy and ass,” said Alex. “Punish her. Focus all your anger in your cock. Make your come burn her face. Let her feel the shame and infamy.”

“Yes, Dan, punish your slut wife,” urged mom. “Make me feel your anger in your come.”

“If you are not fully drained, Dave will be glad to eat your hot come out of her pussy, right, honey?” said Alex.

“Gladly,” said Dave, briefly taking his mouth off mom’s leaky pussy.

A few minutes later, mom gushed in Dave’s mouth, and dad shot come on her come-covered face. Alex milked him dry and wiped his cock on mom’s forehead.

“This looks better, doesn’t it, dad?” she asked, looking at mom’s glazed face.

“Yes,” said dad.

“Thanks, dad,” she said. “If you get it up again while Dave’s here, feel free to pump your come in her pussy for Dave to suck all out.”

“Okay,” said dad.

Dad returned to his seat.

“Dave, honey, clean up mom’s face,” directed Alex. “We can’t let the come crust on her face.”

Dave dutifully got on top of mom and proceeded to lick her face clean. I watched, and dad looked occasionally.

“Dave, would you like to jack off on mom’s face and lick her clean again?” asked Alex when Dave was done.

“Sure,” said he.

“Go ahead, honey,” she said. “I am sure you are ready.”

Dave was soon crouching by mom’s head as Alex jacked him off vigorously. He shot a big come load on mom’s face. Alex milked him dry and wiped his cock head on mom’s face. He then knelt down and proceeded to eat his come off mom’s gooey face.

---

Alex did that again.

“Dad, show your loving wife your love and pride for her being such a sexy slut wife by coming all over her face although she’s a dirty come receptacle,” said Alex as she jacked off dad’s hard cock over mom’s face.”

Dad gladly obliged her.

---

Mom and Alex got fucked and sucked on the sofa almost as much as I fucked them in bed. Alex practically stopped having sex with her boyfriend except on the sofa. What they usually did was have him eat come out of her well-fucked pussy and ass and fuck her just enough to fill her pussy with come so he could eat it out right away. She had dad come on her face too. She sometimes urged him to punish her for being such a dirty slut and sometimes to show her that he loved her and was proud of her for being such a hot fuck slut.

Dave ate mom and Alex’s slimy orifices eagerly and regularly.

“Aren’t you happy with the special treats your slutty girlfriend gives you, baby?” Alex asked Dave.

“I love it,” said Dave.

“Are you happy with your slut girlfriend?” she asked.

“Absolutely,” he said.

## PICKING IT UP

It was an unforgettable Friday when Alex came to me three hours before her date.

“Nick, I need you to pump one come load in my pussy and two up my ass,” said Alex. “I have three hours.”

Naturally, I obliged her. I fucked her silly and came in her pussy and then twice in her ass. She plugged her pussy right after I filled it with come and plugged her ass whenever my cock was not inside it. While Dave waited for her downstairs, she gave me a hot blowjob and had me come in her mouth.

“Thanks, Nick,” she said after she sucked my cock clean. “I have to go now.”

She pulled a little dress on and ran out.

“We are going dancing and then coming back here,” she said as she left.

“Have fun, and be a good girl,” I called.

“I promise to do at least one of those,” she smiled. “You, be a good boy and wait for your slut sister.”

---

Alex was not really out for dancing. She was actually on the prowl. Dave and she had a quick dinner and went to a dance club. She found her prey after about half an hour of dancing. Her victim was a sweet girl close to her age with a companion two or three years older, who acted like he owned her.

Alex got the guy’s attention and made sure he took notice of her fine tits and ass stuffed in her little dress. When his eyes started to follow her, she mounted her assault.

“Dave, I want to dance with that guy,” said Alex. “Go ask his sweet date for a dance. Once on the dance floor, stay opposite of me. Try to keep your eyes on me all the time. Don’t leave the dance floor before I do.”

“Okay,” said Dave, getting up.

Alex and Dave had a booth, and the guy and his girl had a table.

Dave went to the other couple’s table. He greeted the guy and the girl. Alex smiled and winked at the guy while Dave talked to them. The guy nodded at the girl, and she left with Dave.

---

The guy walked or rather swaggered to Alex.

“Hi, pretty lady,” greeted the guy, smiling widely. “May I please have this dance?”

“Sure,” smiled Alex as she got up, offering him her arm.

Alex and her dance partner warmed up with a fast song. Alex made sure to find Dave and keep her eyes on him. When a slow song started, she jumped into her partner’s arms.

“Do you really think I am a pretty woman?” Alex cooed in his ear.

“Oh, yes,” he said. “You are very pretty and sexy.”

“Thank you,” she smiled at him. “Because you are gallant, I don’t mind if you hold my butt. I wouldn’t even mind if you felt it up a little, but don’t let it look like I am a total slut. I want to feel like a sexy lady.”

“You are not a slut, sexy lady,” he said, slowly lowering his hands to her ass. “You are a very hot woman.”

“If you keep those compliments flowing, I’ll let you get away with more,” she moaned.

“I don’t know how your date left you alone and came to dance with my girlfriend,” he said.

“I sent my boyfriend to her,” she smiled. “I wanted to dance with you.”

“Really?” he asked.

“Yes,” she said, gently pressing her crotch into his. “I can feel that you are happy to have me in your arms too.”

“Well, you are a very hot woman,” he said. “I can’t help it.”

“Have you ever had a woman come in your arms on the dance floor?” she teased.

“No,” he said.

“I’ve never come on the dance floor either,” she said. “Would you like us to help each other with that?”

“Do you think nobody would notice?” he asked.

“I don’t care,” she said. “Do you?”

“No,” he said.

“Are you not afraid that your girlfriend would give you shit if she saw some slut come in your arms while she grinds her hot little pussy against your hard cock?” she teased, pressing against his boner.

“No,” he said. “I am not that kind of guy. I take no shit from women.”

“I thought so when I first saw you,” she smiled. “That’s why I am in your arms. I am on the contrary. I take no shit from my boyfriend. I can fuck you on the dance floor, and he can’t say anything. He doesn’t own me.”

“I guess you and I are on our own,” he said. “Do you want to get that orgasm?”

“Sure,” she said. “Let’s take it slow. I want to enjoy myself. Let’s take our time as if we were making love. Grind my dripping pussy into your big boner until I can’t take it anymore. Don’t worry about the music either. Let’s dance to our own rhythm.”

“You got that, baby,” he said.

“Let’s not make it very obvious,” she said. “I don’t want us to get kicked out before I come on your big cock.”

“Okay,” he said, pulling her into his boner.

“I bet we are having a lot more fun than our partners,” she said, grinding into his boner.

“Definitely,” he said. “There is no way my girlfriend would let your boyfriend touch her ass not to mention grind her pussy into his boner to orgasm.”

“Can you do me a small favor?” she asked.

“Sure,” he said. “What?”

“When I come, hold me tight,” she said. “Don’t let me go lest I collapse on the floor. I plan to have a big one.”

“I’ll be only glad to do that,” he smiled smugly. “You have yourself a good one.”

“Can you feel my stiff nipples?” she teased, pressing her tits into his chest.

“I couldn’t miss them,” he said. “You are so hot.”

She closed her eyes and ground into his boner at a nice rhythm, applying light pressure, as he fondled her ass. She occasionally opened her eyes to locate Dave, who was always across from her. She led her dance partner to the edge of the dance floor as they danced to their own tune. Their rhythm accelerated slowly but surely as she approached orgasm. He matched her moves.

“Hold me tight,” she whispered. “I am going to come.”

“Come for me, baby,” he urged, thrusting harder into her pussy.

“I am coming,” she gasped.

She held his neck tightly as she shook in his arms. He held her ass tightly until her orgasm subsided.

“Thank you,” she gasped once her orgasm subsided. “That was wonderful. Did you like it at all?”

“I loved it,” he said. “Thank you.”

“Let’s dance a little more,” she said. “I like feeling your big boner press into my horny pussy.”

“Me too,” he said.

She pulled back a little and reached between them with her left hand. A few seconds later, she showed him her glistening fingers.

“Can you see what you did to me?” she teased, pressing her pussy back into his boner. “Can you smell it?”

He inhaled her aroma.

“Yes,” he said.

“Taste me,” she said, pressing her sticky fingers into his mouth.

He parted his lips and sucked her fingers clean.

“How do I taste?” she asked.

“Delicious,” he said, smiling. “You are the hottest woman in this place hands down.”

“I am sure by now you’ve figured out that I am not wearing anything under my thin dress,” said Alex.

“Yes,” he smiled. “I figured that out as soon as you moved into my arms.”

“There is something you can’t figure out about my little ass that you are feeling up,” she teased.

“What’s that?” he asked.

“I have a cock-craving ass,” she said.

“You do?” he asked in surprise.

“Yes,” she said. “Does it turn you on to hold a cock-craving ass?”

“Yes,” he said.

“Do you have an ass-craving cock?” she asked.

“No, but I’d love to fuck an ass as hot as yours,” he said.

“Does your sweet girlfriend let you fuck her tight little asshole until it wouldn’t close shut?” she asked.

“No,” he said. “She’d never do that.”

“Is your cock too big for her?” she asked.

“She’s just afraid to try it,” he said.

“Does she deep throat your cock and swallow your come?” she asked.

“No,” he said.

“I deep throat, and I love come,” she said.

“You do?” he said.

“Yes,” she said. “I learned that recently. She’s still young. She has time to learn. I used to think only dirty whores did that. I guess I now like being one.”

“You are a very hot woman,” he said.

“I am sure I can teach her and help her become a hot slut,” she said. “Do you like having a slut girlfriend? My boyfriend loves it. He loves me more after I turned into a slut.”

“I don’t know,” he said. “My girlfriend isn’t as wild as you are.”

“I am sure my boyfriend can’t talk her into going to the restrooms to suck him and swallow his come,” she said.

“No way,” he said.

“Would you like me to tell you another little secret?” she teased.

“Sure,” he said.

She reached back and guided his left hand to her ass crack until he felt the base of her butt plug.

“What’s that?” he asked in surprise. “Are you wearing a butt plug?”

“You didn’t think I was a total slut not to wear anything at all under my little dress,” she teased, smiling.

“You are so wild,” he said.

“I am also wearing something in my pussy, but you can’t feel it until you stick your fingers inside me,” she teased.

“You are incredible,” he said.

“Do you want to stick your fingers in my wet pussy and feel for yourself?” she teased. “Go ahead.”

He cautiously reached between them as she hiked the front of her dress. She moaned when his fingers found her soaked pussy. He pressed his fingers up into her.

“You are not kidding,” he said as his fingers hit the second of the balls stuffing her pussy.

“I don’t have that kind of sense of humor,” she smiled.

He took his fingers out and sucked her juices off.

“My pussy and ass were well fucked before I left on this date,” she said. “How do you feel about holding in your hands a well-fucked ass and making a well-fucked pussy come on your boner?”

“It’s so wild,” he said.

“That doesn’t tell you why I am wearing those toys though,” she said. “Would you like to know why?”

“Sure,” he said.

“I am wearing them so my lover’s come doesn’t leak out of my well-fucked pussy and ass,” she said.

“Wow!” he said. “Does your boyfriend fuck you silly and then bring you here to dance while full of his come?”

“No way,” she said. “Where did you get that idea? Do you really think I am the kind of girl who’d let her boyfriend fuck her pussy and ass and take her out full of his come?”

“Didn’t you say that a second ago?” he asked, confused.

“I didn’t say anything about my boyfriend’s come,” she said. “What kind of slut do you think I am to walk around with my boyfriend’s come filling my pussy and ass? I don’t let my boyfriend fuck my ass in the first place.”

“Didn’t you say you have come in your pussy and ass?” he asked.

“Yes, my *lover*’s come though,” she said. “I said it was my *lover*’s come.”

“You have a lover besides your boyfriend?” he asked in surprise.

“Uh-huh,” she said. “My boyfriend’s a great guy. He’s one of the nicest guys you’d ever meet. He’s kind of like your sweet girlfriend. Do you think he can handle a slut like me?”

“I don’t think so,” he said.

“It’s different though,” she said.

“What’s different?” he asked.

“Normally, women take lovers on the side,” she said. “I practically take my boyfriend on the side. I actually belong to my lover, who fucks me silly and pumps his come in every hole I have on a daily basis.”

“Your boyfriend doesn’t have a clue?” he asked.

“He does,” she said. “He just doesn’t know who my stud lover is.”

“What a wimp!” he said.

“You, guys, are silly,” she said. “You can’t live and let live. You have to call each other wimp, arrogant asshole, jerk, or whatever. Why did you call him a wimp? Did he hurt you in any way?”

“No,” he said.

“Did you have to be mean while enjoying his girlfriend?” she asked.

“No,” he said.

“Don’t you think the polite thing to do is to apologize?” she smiled.

“I am sorry,” he said. “I don’t know why I said that.”

“Would you be as considerate to your girlfriend and let her have a lover?” she asked.

“No way,” he said.

“You can’t handle that,” she teased. “You can’t trust her or trust yourself. You’d be afraid she’d leave you and run away with the other guy. My boyfriend trusts me. He knows I’d never leave him for sex. I already have the best sex with my lover. I wouldn’t leave him for a nicer guy either because he’s one of the nicest guys I’ve ever met.”

He did not say anything.

“Whenever my boyfriend comes in my horny pussy, he has to eat his come out of my pussy to the last drop right away. He leaves it squeaky clean. I never walk around leaking his come down my legs.”

“Do you really make him eat his come out of your pussy?” he asked in disbelief.

“I don’t make him,” she said. “He does it willingly because he loves me. The first time he did it, I resisted and tried to stop him, but he insisted, and we loved it. We do it regularly. Do you know what he’s waiting for now?”

“What?” he asked.

“He can’t wait to get me alone after our date so he can eat my lover’s come out of my slimy cunt and asshole,” she said. “My lover’s come’s tastier than his, so he prefers it to his own. I am so wet my pussy will run like a flood and that isn’t only because of the nice orgasm you’ve just given me.”

“Does he really do that?” he asked.

“Uh-huh,” she said. “Does your girlfriend let you eat come out of her pussy and ass?”

“Hey, I wouldn’t do that even if she wanted me to,” he said.

“I guess you are a macho man,” she teased. “I bet my boyfriend can easily steal your girlfriend. What girl wouldn’t enjoy her man sucking her lover’s come out of her pussy and ass. I know I do. I have no use for a boyfriend like you, except for dancing.”

“I am sorry, but I have to say your boyfriend must be a wimp,” he said.

“Isn’t it the wimp that thinks a little taste of come would make him gay or less of a man?” she teased. “My boyfriend isn’t gay. He knows he isn’t gay, and I know that too.”

“I’d never eat my own come out of my girlfriend’s pussy, not to mention another guy’s come,” he said.

“You are so full of yourself,” she teased. “Don’t you love it when she sticks her fingers in her cock-hungry pussy and then sucks her dripping fingers?”

“Yes, sure,” he said.

“She also must love seeing you lick your own come out of her pussy,” she said. “It must drive her crazy. I come like mad when my boyfriend sucks his own come out of my pussy. When he eats my lover’s come out, it’s tenfold.”

“I’d never do that,” he said.

“I even come when he eats my lover’s come out of my slimy ass,” she said.

“That’s gross,” he said.

“It isn’t,” she said. “I love my boyfriend. I keep my ass clean for him. It’s like he’s eating my lover’s come right out of his big pulsing cock.”

“That’s gay,” he said dejectedly.

“I bet you’d love it if your girlfriend let me come in her mouth, wouldn’t you?” she teased.

“That’s different,” he said.

“Yeah, right,” she said. “Mr. Macho Man’s so afraid of turning gay if he ate a mouthful of another guy’s come out of his girlfriend’s well-fucked pussy. Are you afraid you’d get addicted to it and turn to guys?”

“My girlfriend isn’t like that,” he said. “She’d never let another guy touch her.”

“I don’t believe you,” she said. “When we return to the table, I am going to steal her for a few minutes and find out what she really thinks. When we return, you’ll find out what she says, or are you afraid, macho man?”

“I am not afraid,” he said.

“Don’t be surprised if your little girlfriend decided to come with us and watch my boyfriend eat my sticky pussy and ass and clean them of my lover’s come,” she teased.

“No way,” he said.

“I am sure I’ll even be able to make her come in my mouth in the restrooms,” she said.

“You are way off,” he said.

“Do you want to bet, or are macho men just full of shit?” she challenged.

“I bet,” he said.

“You promise to eat my boyfriend’s come out of her pussy if I win?” she challenged with a big smile. “I am not sure macho men can make that promise. They can just talk big.”

“Lady, if you can get her to come in your mouth, watch and let your boyfriend fuck her, I’ll eat her come-filled pussy and ass,” he said. “How is that for a macho man?”

“You tell me after we settle the bet,” she smiled. “Does she let you fuck her in the ass?”

“No,” he said.

“If I lose, I hope you don’t mind if my boyfriend ate your come out of my pussy,” she said.

“I’d be very happy,” he said. “That’s what’s going to happen anyway, but I am not sure my girlfriend would go along with that.”

“Leave that to me,” she said. “If I can’t persuade her, I’ll give you my number. We can do it behind her back. I may even let you fuck me in the ass.”

“You think so?” he said hopefully.

“Yes,” she smiled. “A macho man never needs his girlfriend’s permission to fuck around, does he?”

“No,” he smiled wide.

“I hope you’ll be smiling this wide after we settle the bet,” she teased.

“Count on it,” he said confidently.

“Are you sure?” she teased. “You are going to be drained when we are done anyway. If you win, my pussy will milk you dry. If you lose, you’ll be coming on my face so your girlfriend can lick it clean.”

“I’ll still be able to smile,” he said.

“Does your girlfriend ever lick your come?” she teased.

“No way,” he said.

“Tonight, she will, if you lose,” she said. “It will be a consolation prize for your sucking my boyfriend’s come out of her little pussy. She’d love you for that.”

“You are dreaming, girl,” he said.

“Take me back to our booth and then bring your girlfriend to join us,” she said.

---

Alex nodded at Dave before her partner led her to her booth. He thanked her and left to his table. Dave soon joined her. A little later, her dance partner and his girlfriend joined them. Alex had the girl sit next to her.

“I am Alex, and this is my boyfriend, Dave,” introduced Alex.

“I am Sean, and this is my girlfriend Courtney,” said the guy.

They exchanged pleasantries and chatted for several minutes.

“I am going to the restroom to freshen up,” said Alex. “Do you want to join me, Courtney?”

“Sure,” said Courtney.

“Don’t go off dancing with bad girls,” teased Alex, winking at Sean, as she and Courtney got up.

“I’ll be a good boy,” said Sean.

---

“I am sorry, but I couldn’t miss the fact that your boyfriend acts like you are his slave,” said Alex when she and Courtney were out of the guys’ earshot. “Are you into bondage?”

“Oh, no,” said Courtney. “It’s just one annoying trait of his.”

“Would you like me to help you fix him and make him behave like Dave?” asked Alex.

“Dave’s so sweet,” said Courtney. “He’s a gentleman.”

“Do you want my help?” asked Alex.

“That may not backfire?” asked Courtney.

“Of course not,” said Alex. “Guys are big babies. You need to rein them in.”

“Sure, if there is a nice way,” said Courtney as they got into the women’s restroom.

“Let me show you something so you can see how nice Dave is,” said Alex, hiking her dress and hopping onto the sink counter.

“What are you doing?” asked Courtney in surprise.

“Can you see these toys?” asked Alex, spreading her legs to show Courtney the retrieval string of her pussy toy and the base of her butt plug. “They keep my lover’s come from leaking out of my pussy and ass.”

“You mean you have sperm inside you right now?” asked Courtney in shock, forgetting where they were.

“See,” said Alex, yanking the retrieval string.

The balls popped out of her drenched pussy one and then the other. A blob of come leaked out. Alex smiled and popped the toy back in. She wiped the come that had leaked out with her finger and sucked it off.

“Oh, I am a bad girl,” cooed Alex. “I shouldn’t be eating my lover’s come out of my pussy. He feeds me my fair share of it. This is for my boyfriend.”

“You mean this isn’t Dave’s come?” asked Courtney in shock.

“No way,” said Alex. “My lover fucks me silly and fills me with come before he sends me out with Dave.”

“This is unbelievable,” said Courtney.

“Wouldn’t you love it if Sean took you out while you were full of your lover’s come?” asked Alex.

“There is no way he would,” said Courtney.

“We don’t know that yet,” said Alex. “Wouldn’t it be great if he did though?”

“It would be very interesting,” said Courtney, smiling mischievously.

“Hop onto the counter and show me what you have,” said Alex, climbing off the counter.

“I can’t do that,” said Courtney, blushing.

“You don’t have come in your pussy and ass, do you?” teased Alex.

“No,” said Courtney.

“What are you shy about?” urged Alex. “Get up. It won’t take long. Are you afraid of being a bad girl once?”

Courtney hesitantly got onto the counter after Alex hiked her skirt. She was wearing a pink lacy thong and had her knees squeezed together.

“With those panties, I can’t see your hot little pussy like you saw mine,” said Alex, reaching for the waistband of Courtney’s thong.

Courtney reluctantly let Alex pull her thong down and take it off. Alex put it in her purse.

“Spread your legs a little,” said Alex, coaxing Courtney’s knees apart.

Courtney shyly let Alex spread her legs.

“You have a pretty pussy,” said Alex. “It’s already wet. You are so hot.”

Before Courtney knew what hit her, Alex had her lips on her nether ones.

“What are you doing?” gasped Courtney.

Alex had held Courtney’s ass tightly and was probing her wet pussy with her tongue. Courtney did not have much leverage to push Alex away.

“Stop it,” gasped Courtney.

Courtney’s tune changed when Alex sucked her stiff clit gently. She soon relaxed and started to moan and hump Alex’s face. Alex kept her on the edge for a while.

“Please make me come,” gasped Courtney finally.

Courtney was twisting and gushing in Alex’s eager mouth within several seconds. Alex licked her drenched pussy leisurely before picking up the pace again.

While Alex ate Courtney’s leaky pussy eagerly and Courtney pulled her head into her pussy, a woman entered the rest room. She was startled for a bit, but Alex did not give her any attention. She went about her business.

“Please make me come,” begged Courtney again.

Soon, the other woman heard Courtney gasp and sob in orgasm.

Two women came into the restroom while Alex ate Courtney to her third orgasm. They heard her beg to come before Alex let her come. Alex licked Courtney’s drenched pussy clean and let her down.

“You have a delicious pussy, Courtney,” said Alex. “I could eat it all night. Anybody would. I am sure Sean doesn’t miss a chance to eat it raw.”

“Alex, you didn’t return my panties,” said Courtney.

“We are both now without panties,” smiled Alex. “It’s hotter.”

They finished their business and returned to the booth.

---

Alex took the pink lacy thong out of her purse.

“Look what I found in my purse,” said Alex, holding the thong up. “Dave, is this mine?”

“I don’t know,” said Dave. “I haven’t seen it before.”

“Smell it,” she said, bringing the thong to his nose. “You have to know my scent by now.”

Dave smelled the panty crotch.

“It doesn’t smell like you,” said Dave.

“What about you, Sean?” asked Alex, taking the panty crotch to Sean’s nose.

“Is this yours?” Sean asked Courtney.

Courtney blushed.

“Sean, you cheated,” chided Alex. “You lose. The trophy goes to Dave. Dave, shove it in your pocket.”

Dave took the thong and stuffed it into his pant pocket.

“There is another quiz,” smiled Alex. “Do my lips smell of pussy? Dave, do I smell of my pussy?”

Alex leaned over the table, bringing her face next to Dave’s.

“This is not you,” said Dave. “You smell like the panties.”

“What do you think, Sean?” asked Alex, bringing her face to Sean. “Is this my aroma?”

“I am not sure,” he said, blushing.

“Dave wins again,” smiled Alex, leaning toward Dave. “You won a big kiss. Take it.”

Alex and Dave shared a deep kiss while Sean and Courtney watched.

“Your tongue tastes of strange pussy,” said Dave when they broke the kiss.

Alex sat upright, her hands in her lap for a few seconds.

“I guess the club’s full of sluts,” smiled Alex, stealthily laying her right hand on Courtney’s bare thigh.

Courtney trembled.

As they chatted, Alex’s hand climbed slowly but surely until it was very close to Courtney’s pussy. Courtney closed her legs and tried to resist but lost. She tried not to draw any attention to what was happening. Alex tried to look like she had her hands clasped in her lap.

Alex’s fingers finally touched Courtney’s wet lips, making her tremble. Alex teased Courtney’s pussy lightly for a couple of minutes before she started to tease her clit and finger fuck her pussy. Courtney gradually lost control and subtly humped Alex’s fingers. Soon, Alex had her on the edge. In two minutes, Courtney could no longer stay in control. She tried not to be obvious though.

“Please make me come,” gasped Courtney finally.

“What did you say, Courtney?” teased Alex.

“Please make me come,” gasped Courtney more loudly.

“Right in the club in front of everybody who cares to see and in front of your boyfriend?” teased Alex.

“Yes,” hissed Courtney as Alex openly finger fucked her pussy.

“Say ‘please’,” said Alex.

“Please make me come,” gasped Courtney.

“Would you be a good girl if I did?” teased Alex.

“Yes,” hissed Courtney.

“You may come, you little slut,” said Alex, smiling at Sean, as she pinched Courtney’s clit.

Courtney squeezed her thighs around Alex’s hand and shook in orgasm while Alex jerked her hand against her twitching pussy. Her orgasm finally subsided.

“Did you enjoy coming for me?” teased Alex, gently stroking Courtney’s drenched pussy.

“Yes,” hissed Courtney.

“Your boyfriend made me come on the dance floor in front of mine,” said Alex. “I thought I’d return the favor and make you come in front of him.”

Sean blushed.

“Spread your legs so I can take my fingers out,” said Alex.

Courtney spread her legs, and Alex brought her glistening fingers to Courtney’s mouth.

“You said you’d be a good girl,” said Alex. “Look your boyfriend in the eye, and suck my fingers clean.”

Courtney obliged Alex with little hesitation.

Alex returned her fingers to Courtney's wet pussy before she took them to Dave.

"Honey, does this smell or taste familiar?" asked Alex.

"It smells like the panties and your lips," said Dave after inhaling the smell of Alex's fingers. He sucked her sticky fingers. "They taste like your mouth too."

Alex dipped her fingers in Courtney's pussy and gave them to Sean.

"This should be a no-brainer, Sean," she said. "Does it smell or taste familiar?"

Sean silently smelled Alex's fingers and sucked them.

"Yes," he nodded shyly.

Alex returned her hand to Courtney's pussy and proceeded to finger fuck her pussy teasingly. Courtney was soon humping her fingers gently.

"Courtney, do you want to come with your boyfriend and us and watch my boyfriend eat my lover's come out of my will-fucked pussy and asshole?" asked Alex.

"Yes," hissed Courtney.

"Courtney, I want you to ride with me in Dave's car while the guys ride together," said Alex. "You'll masturbate to orgasm on the drive while they talk about sports or some other manly bullshit. Can you do that for me, sweetie?"

"Yes," hissed Courtney.

Alex extended her hand to Dave. He took his car keys out and gave them to her. She took her sticky hand out of Courtney's pussy and sucked her fingers while looking Sean in the eye.

"We'll see you in fifteen minutes," said Alex, nudging Courtney out.

---

Alex led Courtney to Dave's car and opened the passenger door for her. She pushed the seat all the way back.

"Hike your skirt and push your ass just off the seat so you won't stain it," directed Alex.

"I can't believe I am being such a slut," said Courtney as she carried out Alex's instructions.

"Don't worry about it," said Alex. "You are old enough to know that all girls should be sluts, aren't you?"

"I guess I am," said Courtney.

"Spread your legs and go to work," instructed Alex. "The drive's about fifteen minutes. Come in ten minutes."

Once Courtney parted her legs and started to finger herself, Alex closed the door and got into the driver seat.

"Enjoy yourself, Courtney," said Alex as she drove off while Courtney finger fucked herself. "If you are a good girl, you'll come tonight like you've never come ever before."

"I've already come four times," moaned Courtney. "That's incredible."

"Four times is nothing, sweetie," said Alex. "You are going to come tens of times. You are going to get fucked silly. I don't know how good Sean is in bed, but I am going to let my lover fuck you. He fucks for hours."

"I am coming," gasped Courtney.

"Come, little slut," said Alex. "Come for my lover. You can't wait to have his big cock inside you, you whore."

Courtney had a wild orgasm, diddling her twitching pussy madly. Her aroma filled the car.

“As you should know, this orgasm doesn’t count,” said Alex. “You have to come again—for me. First, take off your top and bra.”

“Now?” asked Courtney.

“Yes, Courtney, right now,” said Alex. “Also toss your bra out of the window; we won’t need it.”

Courtney proceeded to carry out Alex’s instructions. She was topless in a minute, and threw her bra out.

“Good girl, Courtney,” said Alex, cupping Courtney’s left tit. “Play with your right tit and leave this one to me.”

Courtney finger fucked her pussy with her right hand and fondled her right tit with her left hand. Alex fondled Courtney’s left tit and pinched her stiff nipple with her right hand.

“Don’t you feel like a dirty slut now?” asked Alex.

“Yes,” hissed Courtney.

“That dirty feeling’s going to make your horny pussy and asshole explode like cluster bombs,” said Alex.

Courtney squirmed and moaned. She rode her fingers for several minutes.

“You may come now,” said Alex, pinching Courtney’s nipple harder.

Courtney diddled her soaked pussy harder and came within half a minute.

“Keep fingering your pussy until we get home,” instructed Alex.

Courtney continued to play with her pussy and tit, and Alex fondled her other tit on and off until they arrived.

“Leave your top in the car,” said Alex, opening the passenger door for Courtney. “Nobody’s going to see you.”

Courtney got out of the car and covered her tits with her hands.

“Don’t cover your tits,” instructed Alex. “It may draw unwanted attention to you.”

They walked to the door, and Alex opened the door. They went in, and Alex did not close the door fully.

“Sit back here on the sofa and pull your legs back,” instructed Alex. “I am going to eat your drenched pussy.”

Courtney hiked her skirt and got into position. Alex knelt before her and proceeded to lick her pussy.

“Have you ever been fucked up your sweet ass?” asked Alex, teasing Courtney’s asshole with her fingertips.

“No,” said Courtney, her asshole clenching.

“Don’t worry about it,” said Alex. “My lover’s going to deflower it for you. A few weeks ago, I was an anal virgin like you, but he turned me into an anal whore right away.”

“Did it hurt?” asked Courtney.

“No,” said Alex. “Sex isn’t supposed to hurt. Only jerks make it hurt.”

Alex squeezed lube on Courtney’s asshole and her fingertips. Courtney gasped when a slick fingertip popped past her sphincter. She soon relaxed, and the finger slid all the way up her ass while she leaked in Alex’s mouth.

---

“We are here,” Courtney and Alex suddenly heard Dave announce.

“Make yourselves comfortable,” said Alex, motioning Dave and Sean to sit on the sofa, Sean next to Courtney.

Alex licked Courtney’s pussy for a minute before she came up.

“Courtney, tell your boyfriend about all the orgasms you had tonight,” said Alex.

“Alex made me come three times on the sink in the restroom,” said Courtney. “Three women saw her eat my pussy. She then made me come once in the booth, and I finally came on my fingers twice in the car.”

“Tell him where your top and bra are,” said Alex.

“My top’s in Dave’s car,” said Courtney. “Alex had me toss my bra out of the window on the freeway. I was topless when I masturbated the second time.”

“Alex, this isn’t my girlfriend,” said Sean. “My girlfriend isn’t like this at all. What did you do to her?”

“What did I do to you, Courtney?” asked Alex.

“You made me discover the thrill of sex,” said Courtney. “Now, I need more. I feel like a slut.”

“You are a slut, sweetie,” smiled Alex.

“I guess I am,” said Courtney.

“As you know, it takes one to know one,” smiled Alex. “I am indisputably one.”

Alex put her mouth to work on Courtney’s pussy while swirling her finger within her milking asshole. She then held her on the edge for a minute.

“Please make me come,” gasped Courtney.

Alex immediately made her come. She licked her gently while she recovered, and then pulled her mouth away. She proceeded to finger fuck her leisurely with a finger in each hole. Courtney started to moan and squirm.

“Spread your virgin ass, sweetie,” instructed Alex. “It’s bad enough that it’s still virgin but not for long.”

Courtney complied readily.

“Do you like my finger in your horny virgin asshole?” teased Alex.

“Yes,” hissed Courtney.

“Do you still have any doubt that you are a real slut?” teased Alex.

“No,” said Courtney.

“I am going to make you come on my fingers,” said Alex. “I am finger fucking both your pussy and asshole.”

“Yes,” hissed Courtney.

The finger fucking pace accelerated slowly until Courtney reached the edge. Alex held her there.

“Please make me come,” begged Courtney.

Alex’s fingers pumped Courtney’s eager holes in a blur, and Courtney came immediately. When she relaxed, Alex finger fucked her leisurely.

“You apparently enjoy begging me to let you come,” teased Alex.

“Yes,” hissed Courtney.

“I like the way your horny fuck holes milk my fingers,” said Alex. “I bet a guy’s cock would love it a lot more. Your little virgin asshole feels so hungry for cock. If you are a good girl, I won’t send you home with it.”

“Yes,” hissed Courtney.

“Are you ready to watch my boyfriend eat my lover’s come out of my well-fucked pussy and ass?” asked Alex.

“Yes,” said Courtney.

That was when I walked into the living room.

---

“Hi, guys,” I greeted. “Alex, what’s going on here?”

Courtney tensed, but Alex, pushed her back gently and nodded at her.

“Sean and Courtney, this is Nick, my brother,” said Alex, still finger fucking Courtney’s pussy and ass. “Nick, this is Sean and his lovely girlfriend, Courtney. We met them at the dance club.”

“Nice to meet you, Sean,” I said, offering Sean my hand.

“Nice to meet you too, Nick,” he said, shaking my hand.

“Courtney,” I nodded, smiling, as I extended my hand to her.

She shook my hand while she humped Alex’s fingers.

“Alex, why are you finger fucking the poor girl?” I asked.

“You know, Nick, you have a point,” said Alex. “Courtney has come eight times tonight so far. Do you think you can eat her through two more orgasms?”

“Are you kidding?” I smiled. “She’s gorgeous. I’d eat her raw if that’s okay with her and her boyfriend.”

“Courtney, it’s okay with you and your boyfriend, isn’t it?” asked Alex.

“Yes,” hissed Courtney.

Alex took her fingers out of Courtney’s pussy and ass and offered them to me. I sucked them thoroughly as she got up in front of me.

“She’s delicious,” I said.

“Don’t make her come until she begs you to,” whispered Alex. “I’ll have you deflower her virgin ass later.”

Alex’s statement made my hard cock lurch and twitch.

Alex pushed me toward Courtney, and I went down to my knees. I was face to face with her sweet orifices. She had her ass cheeks spread with both hands.

“Courtney, you are so pretty down here,” I said. “I need a couple of minutes just to admire you. Is that okay?”

“Yes,” cooed Courtney. “Thank you.”

“Have you been told that you have a very sweet asshole?” I smiled at her.

“No,” she said, smiling.

“It’s virgin,” said Alex.

“Pure and sweet,” I said. “It’s perfect. Your juicy little pussy’s almost as pretty.”

“Please lick it,” said Courtney.

“You want me to eat them for you, you little slut?” I whispered, smiling teasingly at her.

“Yes,” she hissed.

“You are so wet and delicious,” I whispered. “Beg me to devour you.”

“Please devour me,” she whispered.

My lips closed on her sticky ones, and I gave her a gentle kiss that soon became deep and passionate. She started to moan and squirm against my mouth. My tongue was soon probing her leaky pussy, and it leaked more.

“Take care of her, and I’ll take care of your boner,” said Alex as she knelt behind me and stroked the outline of my boner through my shorts. “Sean, my brother has a big boner for your girlfriend. It may be too big for her pussy.”

Courtney writhed and humped my face urgently, leaking profusely into my mouth, as I ate her eagerly.

“Please make me come,” she gasped.

When she said that, I eased down on her. I soon took her back up and held her there.

“Please make me come,” she gasped.

As I looked in her eyes, I shook my head, rubbing her pussy with my lips. I took her down again and then up. When she begged for the third time, I let her come in my mouth. She convulsed wildly, gushing in my eager mouth. I licked her copious juices and then teased her asshole with my tongue tip while she recovered.

“Please eat my asshole,” she whispered.

“The slut doesn’t want it to remain virgin,” teased Alex, making Courtney’s asshole twitch against my tongue.

“Is that right, you little slut?” I whispered.

“Yes,” hissed Courtney, her asshole again twitching around my tongue tip.

“You think your little asshole can handle my brother’s big cock?” teased Alex, squeezing my boner. “Nick loves fucking sluts up the ass almost as much as I love to get my ass fucked.”

Courtney held my eyes while I gave her anal pucker a long deep kiss, probing her relaxing asshole, which nibbled my tongue tip as she moaned and squirmed. I ate her asshole leisurely for a few minutes before I took her to the peak the first time. She begged me to make her come, but I took her down again. At the third time I took her to the peak and she begged, I let her come, enjoying the lustful spasms of her innocent asshole.

Her orgasm subsided, and she went limp, gasping. I lapped up her juices and gave her asshole a parting kiss.

“Thank you, Nick,” gasped Courtney. “Those were the best orgasms of tonight and my life.”

“I am glad I could be of help,” I smiled, getting up, my boner bulging blatantly.

“Thanks, Nick,” said Alex, smiling widely. “We’d let you know if Courtney and I needed you to jack off on our faces. You may finally get to put that big boner of yours to good use.”

“Don’t I have the sweetest and dirtiest sister in the world?” I smiled at Sean.

“I am sure you do,” said Sean.

“I think I should take my hard cock out and spank your bare slutty ass with it,” I said to Alex.

“Oh, I’d sure love that especially if you jack off and shoot a big load all over my come-filled ass,” she teased.

“You are a come slut,” I said, shaking my head.

“Come on, Nick,” she teased, squeezing my boner. “I am sure you wish you could shoot a gallon of come all over Courtney and me and watch us bathe each other with it and then licked it all off each other. I’d love that too.”

“I’ll see you later, guys,” I said as I nodded and left.

“I just didn’t want you, guys, to kill yourselves,” smiled Alex. “You now have backup. He’s a horny guy. Don’t listen to him. I know he wishes he could fuck Courtney and me in every horny hole we have until we can’t move.”

“I guess now I can relax,” teased Sean.

---

“Courtney, you can pull your skirt down and sit up,” said Alex. “It’s now my turn to have my holes sucked dry.”

Courtney straightened her skirt and sat up. Her tits were still exposed. Alex took Dave's hand and pulled him to his feet. She sat in his place assuming Courtney's previous position, exposing her drenched plugged pussy and plugged asshole. Dave knelt before her. Courtney leaned forward and to the right to watch more closely.

Dave started by licking Alex's pussy and anal areas. He sucked her sticky pussy clean and proceeded to eat it to orgasm. While she recovered, he pulled at the retrieval string with his teeth. He pulled the first ball out and sucked it thoroughly and then used his hand to pull the next ball out. When it was halfway out, stretching her open pussy to the size of the ball, he stuck his tongue under the ball and pulled it out.

Dave's tongue intercepted the come that leaked out as he put the toy aside. Sean and Courtney saw the whitish diluted liquefied come on his tongue. He sucked it and proceeded to lick and suck Alex's pussy. More come leaked out, and he slurped it up. He proceeded to lick and suck her pussy cleaning it of my come and giving her a wild orgasm in the process. He continued to eat her pussy after she recovered and gave her two more orgasms.

After Alex recovered, Dave used his teeth to tug the base of the butt plug. He pulled it out and then took it in his hand. Her asshole gaped as she spread her cheeks. He licked and sucked the toy before putting it aside. He returned to her open asshole and proceeded to lick it and probe it with his tongue. He probed and sucked her asshole for a while before the come started coming out. She came right then, gushing more come into his mouth. His audience could see the come leak out into his mouth. He made her come twice more before he pulled back.

"Thank you, honey," smiled Alex when she recovered.

Alex sat up and pulled Dave for a big kiss.

"Did you enjoy our little show?" Alex asked Sean and Courtney.

"Yes," nodded Sean.

"It was so hot," said Courtney.

Alex got up and pulled Courtney to her feet.

"We'll freshen up," said Alex, leading Courtney away. "Guys, why don't you take this opportunity to bond? Talk about sports or any other useless topic for a while. We are far from done. We all need to come until drained."

They took their purses and left.

---

Alex and Courtney washed up and refreshed their makeup.

"Courtney, can you keep a secret?" said Alex.

"Sure," said Courtney.

"I can tell you who my lover is, but you can't tell anybody," said Alex. "Even Dave doesn't know."

"Sure," said Courtney. "I promise not to tell anybody."

"Nick," said Alex.

"Your brother?" said Courtney is shock.

"Yes," said Alex.

"He was very good at eating my pussy and ass," said Courtney. "He seemed to have a serious cock too. Is he very good at using it?"

"I won't say anything," said Alex. "You'll try him and form your own opinion."

"Really?" said Courtney excitedly.

“Really if you are in the mood for getting fucked senseless,” said Alex. “You may not be able to walk later though.”

“Wow!” said Courtney. “That has never happened to me before. I am in.”

“Girlfriend, your boyfriend’s going to watch you get fucked like neither of you has ever dreamed,” said Alex.

“That sounds like fun,” said Courtney.

“We’ll have to give you an enema because he’s going to eat come out of your then-well-fucked ass,” said Alex.

“Do you think he’d do that?” asked Courtney.

“I am sure,” said Alex. “If he doesn’t, we still have Dave. Your come-filled ass will be eaten raw either way.”

“I can’t believe this,” said Courtney.

“Girlfriend, tonight’s going to be unbelievable for you and us,” said Alex. “Everybody’s going to love it.”

They took well over half an hour in the bathroom.

---

“You are needed downstairs,” Alex said to me. “Is that big cock of yours ready for serious action?”

“As usual,” I said.

“Your new little slut here needs it,” she said, making Courtney blush. “The poor girl has never been fucked well, not to mention never having come eaten out of her pussy and ass. She’s an anal virgin for crying out loud.”

“I’ve never been known to abandon my duty toward a hot woman,” I said.

“I knew your little sister could count on you,” she said as I came out.

The three of us went downstairs to the living room.

---

“It turned out that we needed Nick after all,” said Alex, leading Courtney and me into the living room.

“Hi, guys,” I greeted.

Dave and Sean nodded at me.

“We’ll start by having Nick deflower your girlfriend’s virginal ass and fill her rectum with come,” said Alex, addressing Sean. “She’s curious about feeling a big cock stuff and pump her fresh tight ass, aren’t you, Courtney?”

“Yes,” nodded Courtney.

“Are you sure you want to do that, honey?” said Sean. “It may hurt you.”

“She said Nick was very good at that,” said Courtney. “He always fucks girls up the ass.”

“He’s going to be very slow and gentle,” said Alex. “By the way, she’s squeaky clean, so don’t get grossed out. You can suck the come right out of her sweet ass. Nick won’t come too deep up her ass because it’s your first time.”

“I can’t believe I am going through with this,” he said.

“Remember that you don’t have to,” said Alex. “You can walk out at any time alone. It wouldn’t be the first time a macho man defaults on a bet. Your girlfriend may understand too. She knows that most guys are full of shit.”

“I am not walking out,” he said. “I’ll keep my word.”

“I am sure your girlfriend understands and appreciates that,” she said.

“I sure do,” said Courtney. “Honey, he isn’t going to put it in my ass until I ask him to.”

“Courtney, you need to beg, not ask,” said Alex. “If you want to be a slut, you better learn to beg for what you need or want. You can order your boyfriend, but you have to beg your lover.”

“You see, honey,” said Courtney. “He isn’t sticking his big cock up my delicate asshole until I beg for it. He won’t do it until I need him to. He first has to make me need his big cock up my ass. My virgin ass is safe till then.”

“Did you hear that, stud?” Alex said to me. “If you don’t convince your slut that she needs your big fat cock deep in her virgin little asshole, she won’t let you put it in. You’d rob the two of you of a most wonderful time.”

“That’s fair,” I said. “If she didn’t need it, it would be a waste of my time to fuck her sweet virgin ass anyway. That won’t happen anyway. I love her asshole, and I know it loves me. It will soon force her into begging for it.”

“Relax, Sean,” said Alex. “If you know your girlfriend as much as you thought you did, she’ll stop him soon.”

“She’ll never need to stop me,” I said. “I’ll never do anything she doesn’t want me to do in the first place.”

“Nick, now that everything’s settled, we all can’t wait to watch you turn our sweet innocent guest into your depraved little ass whore,” Alex said.

“Is that what you want, Courtney?” I teased. “You want to be my dirty little ass whore?”

“Yes,” hissed Courtney.

“Be a good girl, Courtney,” said Alex. “Say ‘please’.”

“Yes, please,” said Courtney.

“Courtney, you have an amazing ass,” I said. “I wanted it the second I saw it for the first time. Now, I am going to get it. Thanks for giving me this invaluable opportunity.”

“You are welcome, but you still have to work for it,” she said.

“What you call work I call hot fun,” I said. “Seducing your hot little ass is going to be more than half the fun.”

“Honey, grab a chair from the dining room for Sean, and then sit on this chair,” Alex instructed Dave.

Dave brought a chair, and Alex pointed him where to put it: in front of the sofa.

“Sean, please sit on this chair,” she said pointing at the chair. “They need the entire sofa for this.”

Sean took his seat, and I arranged Courtney on her knees along the sofa with her forearms folded on the armrest. I knelt behind her and proceeded to grind my boner into her ass through our clothes. She moaned and ground back.

“The slut can’t wait to get your big cock inside her,” teased Alex.

“I am so horny,” moaned Courtney.

“That’s how I want you, baby,” I said, grabbing her bare tits. “Otherwise, I’d be wasting my time and yours.”

Her nipples were stiff. I fondled her tits while I humped her ass. I propped myself on my left arm and continued to fondle her tits and tease her nipples with my right hand while I teased her earlobe with my tongue and sucked it gently, making her moan.

“Don’t worry about a thing, Courtney,” I whispered in her left ear. “I am going to fuck you in every hole you have and pump your hot body full of warm sticky come. Just like you haven’t come before tonight, you haven’t been fucked before tonight. You are a virgin. I am going to make you a woman and a slut. You still want to be my little whore?”

“Yes,” she hissed, trembling.

“Your boyfriend’s going to watch me make his innocent little girlfriend my dirty little whore,” I assured. “I am going to show him that his sweet girlfriend’s too hot for him and for anybody else. You deserve my big cock.”

She trembled.

“Relax completely,” I whispered. “This is not the first time I take a woman from a man and make her my dirty whore. Do you want him to eat my creamy come out of your little pussy and sweet asshole?”

“Yes,” she hissed, trembling.

“Relax,” I assured. “He will. You are too precious for me to let you go.”

After another minute of nibbling her earlobe and talking dirty to her, I pulled back and fondled her ass through her skirt for another minute. I finally hiked her skirt, baring her virgin ass. I felt it up and kissed the cheeks before I kissed the mouthwatering virgin orifice. Her pussy was soaked.

While I fondled Courtney’s ass, Alex felt up my big boner a little before she rid me of my shorts and underwear, setting my rock hard cock free. She placed the lube between Courtney’s legs.

“Oh, yes,” said Alex, stroking my throbbing cock. “Your new lover’s cock’s so big and hard.”

Alex then moved to Sean and took his hard cock out. She knelt between Sean and me and held our hard cocks. Her arms were stretched to the limit.

“Dave, honey, I only have two hands,” said Alex. “I won’t be able to play with your cock.”

“That’s okay,” said Dave.

“Sean, come closer,” said Alex. “Let me play with both your cocks at the same time more comfortably.”

Sean pulled his chair a foot closer, and Alex proceeded to stroke our cocks.

“Sean, you have an amazing taste in women,” I said as I spread Courtney’s ass with both hands and admired her shy asshole. “Your lovely girlfriend has one of the sweetest little assholes I’ve ever seen. I want to eat it raw. I can lick it and suck it all night long, but I am sure the poor girl would go crazy if I did that.”

“Nick, assholes need a balanced diet of licking, fingering, fucking and come,” said Alex. “You can’t torture the girl with your tongue for hours.”

“I know that,” I said. “Besides, my big cock needs a balanced diet of fondling, sucking, fucking and ball draining.”

“Of course, you know that,” she said. “I just don’t want our guests to panic.”

“Don’t panic, Courtney, baby,” I said softly. “I promise to sate your sweet little asshole. Do you believe me?”

“Yes,” hissed Courtney.

“My brother’s going to satisfy your sexy girlfriend more than she’s ever been satisfied,” Alex assured Sean.

Sean did not comment as I teased his girlfriend’s sweet asshole with my tongue tip.

“Honey, are you enjoying yourself, or are you bored because I don’t have three hands?” Alex asked Dave.

“I am having a good time,” assured Dave. “This is so hot. I’ve never seen anything like it.”

“Would you like to see my lover prepare me for his big cock sometime?” she teased. “Would you like to see how he makes the delicious cream pies you came to love so much?”

“Sure,” he said. “That would be incredibly hot.”

“If you are a good boy, I’ll do that for you,” she said.

“I’ll always be a good boy for you,” he said. “You know that.”

“I know,” she smiled. “The thought’s making my clean orifices twitch and one of them leak.”

“You are always so hot,” he said.

“I want my boyfriend to always be pleased with me,” she said.

"I always am," he said.

When Courtney went crazy on my oral ministrations to her luscious asshole, I pulled back and squeezed lube on it. Her asshole was already relaxed, so by the time it clamped around my slick finger, it was all the way in. I paused for several seconds, and then started to work my finger around, loosening up her tight asshole, which had started to relax on its own. She moaned quietly. I slowly slid my finger in and out of her ass, her asshole milking my finger as she rocked gently. I worked more lube inside her asshole before I squeezed a second finger in. She let out a long moan as my fingers slid all the way into her asshole. I twisted my fingers a few times before I slowly pumped them in and out. I slid my ring and little fingers into her pussy and finger fucked both horny holes.

"This feels so good," moaned Courtney, her dripping pussy and tight asshole milking my fingers.

"Your pussy and asshole are so responsive," I said. "I can only imagine how they'd feel around my fat cock."

"Me too," she gasped, her orifices twitching. "I can't wait."

"You are a very lucky guy to have this amazing girlfriend," I said to Sean. "Her luscious ass is sizzling hot."

"He's almost as lucky as Dave," teased Alex, looking at Sean. "You'll soon be as lucky."

"Do you have a girlfriend, Nick?" he asked as I reamed out his horny girlfriend's tight virgin asshole.

"He does," she said. "He's fucked the poor girl in the ass more than a busy two-shift whore."

"She didn't complain to you, did she?" I asked.

"She'd never complain," she said. "She's dying to brag but afraid everybody would know she's an ass whore."

"Is she okay with this?" he asked.

"She doesn't know yet, but any girl who'd try his amazing cock would be okay with anything he might do," she said. "She couldn't afford to let him go."

"You don't know that," he said as I squeezed a third finger into his girlfriend's horny asshole.

"You will too when you see him fuck your girlfriend," assured Alex. "She'll be hooked. Look at you too. You are okay with what she's doing, and she isn't a total slut yet."

Courtney moaned quietly as she pushed her ass back, taking my three fingers deeper and deeper into her asshole as I corkscrewed them in.

"Oh, yes," encouraged Alex, squeezing my cock. "Ream out her virgin asshole. Get it ready for this big cock."

"It's so much fun to play with it," I said. "It's almost ready too."

"I can feel how hard your big cock is," she said. "It can't wait to skewer her hot virgin ass."

"It's losing patience, but I have to give both the best," I said. "I am sure it will be more than worth the wait."

"I bet," she said. "I am also sure you'll flood her little ass with hot come."

"I am going to pump so much come up her hot ass I am not sure she can hold it all in," I said.

"Luckily for her, her boyfriend's right here to help with that," she said, squeezing Sean's hard cock. "Luckily for him, there is going to be so much of it to eat."

"My balls are already full and bursting with come," I said.

Courtney groaned softly as my three fingers slid all the way up her ass.

"Move your hot ass, baby," I instructed. "Fuck it on my fingers. Show your boyfriend what a horny bitch you are."

"Yes," hissed Courtney as she rocked her ass slowly.

“Show him you are ready for my big cock,” I encouraged.

“I am ready,” she moaned.

“Show your boyfriend,” said Alex. “He can’t believe you are such a shameless whore.”

Courtney gasped, and her asshole twitched around my fingers. She gradually picked up the pace.

“That’s it, baby,” I encouraged. “Show us how hungry for my big cock your greedy little asshole is.”

“It’s so hungry for your big cock,” she gasped, bucking her ass wildly. “It can’t wait to have you fuck it.”

“You just show me how hungry it is, and I promise you it won’t be hungry for long,” I said.

“I’ve never needed cock like I need your big cock up my virgin asshole now,” she gasped.

She came within a minute, bucking and shaking wildly. Her asshole twitched around my fingers as I shoved them vigorously into her until she went limp. She gasped for air while my fingers reamed out her asshole gently.

“I guess now your boyfriend can’t deny how hungry for my big cock your horny virgin asshole is,” I teased.

“Nobody can,” said Alex.

---

“Baby, would you like me to fuck your hot pussy too to get you introduced to my big cock and warmed up for a serious fucking in all three holes?” I asked Courtney, slowly finger fucking her asshole with my three fingers.

“Yes,” hissed Courtney.

“If you are sure you want that, beg for it,” I said, gently massaging her clit with my free hand. “I don’t want your boyfriend to think I am coercing you.”

“Please fuck my pussy with your big cock,” she begged.

“Will you suck your juices off my big cock when I am done with your dripping pussy?” I teased. “Your pussy’s so wet it’s going to make my cock a mess.”

“Yes,” she hissed as I slowly took my fingers out of her loose asshole.

Alex gave my cock a kiss on its leaky head and let it go.

“You are a good slut, Courtney,” I said as I aimed my cock at Courtney’s wet pussy and pressed firmly. My cock head nudged her pussy lips apart and started to stretch her pussy hole. “Take it in.”

Courtney pushed back, and I held her tits and squeezed them, making her moan. I captured her stiff nipples between my fingers and pinched them gently as I used her tits to pull her back into me. My hard cock slid slowly into her wet but tight pussy, getting gradually engulfed in her sizzling heat.

“Sean, can you see how she skewered her little pussy on his big cock?” teased Alex. “It’s so beautiful.”

“Your sexy girlfriend has a fantastic little pussy,” I said to Sean. “It’s almost as good as a hot tight ass.”

“I am sure you’ll love her tight little ass a lot more,” said Alex.

“Of course, but her juicy pussy’s so good,” I said. “It feels as if it were made for my big cock.”

“Maybe it was,” she said.

“Was it, Courtney, baby?” I asked. “Was your hot little pussy made for my big cock?”

“Yes,” hissed Courtney.

By then my cock was more than halfway in Courtney's pussy. I let go of her tits and grabbed her hips. I firmly pulled her into me, applying more pressure to drive my cock into her horny pussy. She moaned approvingly and pushed back into me.

"My big cock's stuffing your cock-hungry little pussy," I said as I yanked Courtney hard into me. "Take it all in, my hot little slut."

My cock sank balls deep into her pussy, and she gasped, stiffening.

"I am coming," she gasped as I let go of her hips and squeezed her tits.

"Come for your lover's big cock," urged Alex. "Show both your boyfriend and your lover you are a good slut."

Courtney gasped as she shook in orgasm, shoving her gushing pussy into me.

"Come for me, my whore," I encouraged, squeezing her tits rhythmically.

"I am coming for you, lover," she gasped, thrusting wildly into me.

"Are you my whore, baby?" I teased.

"Yes, yes," she gasped, convulsing happily.

Her orgasm finally subsided, and I gently rocked her back and forth over my glistening hard cock.

"Oh, Nick, I've never come like this," she gasped.

"You haven't seen anything yet," I said. "I am saving the best for your hot ass."

"I can't wait to have you fuck my virgin ass," she gasped.

"Relax, baby," I assured. "I am going to fuck your fantastic virgin ass open and flood it with my hot come. I am preparing you for that."

"What do you think, Sean?" asked Alex, stroking Sean's hard cock. "Wasn't that so hot?"

"Yes," he said. "That was a very powerful orgasm."

"Wait until he plugs his big high-voltage cock into her inexperienced little asshole," she said. "You'll see big sparks fly. My brother's big cock was specifically made for ass fucking according to every anal slut he's ever had."

Courtney's pace picked up but I slowed her down and made sure she used long strokes.

"You like having your little pussy fucked on my big cock, my little slut?" I teased.

"Yes," gasped Courtney. "I love it."

"Me too," I said. "That's why I am going to give your hot pussy a good fucking despite my extreme lust for your sweet little asshole. Would you like that?"

"I'd love it," she gasped. "Thank you."

"I don't want your juicy pussy to hate me for favoring your hot ass too much," I said.

"That will never happen," she said.

"I am not going to let it happen," I said. "I'll give all your horny fuck holes more than their fair share of cock."

"I know you will," she gasped. "I am so excited."

She fucked her pussy slowly on my cock until she came within several minutes. While she recovered, I slowly moved her ass back and forth, working her drenched pussy over my glistening cock.

When she recovered, I let her get her pussy fucked at a medium pace. She came faster. When she recovered, I let her get fucked at a fast pace to orgasm. After her orgasm subsided, I started to thrust in her pussy.

“I am now going to give your hot pussy a hard fucking,” I said, picking up the pace.

She held her ass in position for me and fucked back at my pace. I was soon pounding her pussy mercilessly with loud flesh slapping sounds. She came within a couple of minutes. I held her hips tightly and drilled her gushing pussy until she went limp.

---

“Are you ready to suck your juices off my big cock?” I asked, fucking Courtney gently.

“I just need a minute to catch my breath,” gasped Courtney.

“That’s okay,” I said as I pulled my dripping cock out of her drenched pussy.

Alex pounced on Courtney’s drenched pussy as I offered Courtney my glistening cock.

“Lick it and suck it at your own pace,” I said, pushing my cock toward Courtney’s mouth.

Courtney moaned as Alex lapped up her abundant juices. Her lips were soon stretched around my hard cock as she sucked my engorged cock head.

“Suck it, my slut,” I encouraged as her tongue played with my leaky tip.

She worked her lips back and forth over my cock, and I thrust gently to meet her strokes.

“Take it in deep,” I encouraged. “Show it that you want to be its bitch.”

She doubled her efforts but did not take my cock all the way down her throat.

“Take it down your throat,” instructed Alex.

“I can’t,” said Courtney.

“I’ll teach you after you come in my mouth,” said Alex.

Courtney sucked my cock eagerly, and Alex ate her pussy hungrily until she gushed in her mouth. I gently thrust in Courtney’s mouth as she recovered. Alex licked Courtney’s asshole and gave it a deep kiss, making her moan over my cock. She squeezed lube on Courtney’s asshole and used two fingers to fuck it gently.

“Sean, excuse me for a minute,” said Alex, taking her right hand off Sean’s hard cock. “I’ll help your beautiful girlfriend swallow her lover’s big cock all the way down her throat.”

“You think she can do that?” he asked. “Isn’t it too big? She’s never done anything like that.”

“Sean, each woman has three orifices meant to take a big cock all the way in and fuck it,” she assured. “Relax! Your girlfriend’s going to make you proud when you see her lover fuck her throat like she’s a seasoned whore.”

“Isn’t it going to make her throat sore because it’s her first time?” he asked.

“Nothing bad is going to happen to her,” she assured as she slipped her ring and little fingers into Courtney’s dripping pussy. “She’s only going to have fun, so relax and have fun too. Girls enjoy serving cock.”

“Okay,” he said.

“Courtney, do you want to take Nick’s big cock balls deep in every one of your holes?” teased Alex.

“Yes,” hissed Courtney.

“Grab his hips so you’ll be in control,” instructed Alex.

Courtney obliged her.

“Locate your gag point, and let him fuck your mouth only that deep,” advised Alex. “Tilt your head back to straighten your throat, but don’t try to take it in past your gag reflex point yet.”

Courtney carried out Alex’s instructions. Alex finger fucked her pussy and ass in her rhythm.

“Most people have gag reflexes,” said Alex. “I do, but we all can swallow things when we eat or take pills. You are next going to swallow his big cock head down your throat. Do you want me to tell you how to do that?”

“Yes,” said Courtney, taking her mouth off my cock briefly.

“Open your throat and push it in,” instructed Alex. “Don’t be too slow. Take your time before you do that, and don’t be forceful. If you feel discomfort, take it out. Don’t force it in just like you don’t ram food down your throat.”

“You make it sound so easy,” said Sean. “I am sure it’s harder than that.”

“It’s harder for some and easier for some,” said Alex. “It’s kind of like riding a bike. Although it’s very simple to explain, you can’t learn it without trying it and getting the feel for it. That’s what she’ll be doing now.”

Courtney experimented with her throat as Alex resumed stroking Sean’s hard cock while finger fucking his girlfriend’s pussy and ass. Courtney gagged a few times and took my cock out of her mouth. She took it past her throat but not all the way in a couple of times before she finally swallowed it all and held it there for a few seconds.

“Good job, Courtney,” cheered Alex. “Keep practicing now.”

“If I hadn’t known that you could do it, I wouldn’t have let you try it,” I said. “I knew you were worthy of my big cock. Now, suck it like you should.”

Courtney was careful, but she no longer failed to swallow it all. I thrust gently as she let me fuck her throat in a slow rhythm but with full strokes. I held her head gently and maintained her rhythm.

“Aren’t you proud of her now?” Alex asked Sean.

“Yes,” he said. “I never thought she could do that. I am very impressed.”

“I am not, but I am proud of her,” said Alex as she continued to finger fuck Courtney’s fuck holes. “She’s a hot slut. She’s expected to be this good. I’d only be impressed if she became twice as slutty as I am.”

“Alex, nobody can do that,” he said. “I doubt any girl can be half as slutty as you are.”

“Thanks for your confidence, but I strive to be even sluttier,” she said. “Anyway, your girlfriend’s great.”

Courtney eagerly swallowed my cock repeatedly. After a while, I pulled her up and gave her a passionate kiss, squeezing her ass possessively.

“Did you enjoy sucking my big cock?” I asked, smiling at her.

“I loved it,” she said. “Alex, thanks for teaching me how to suck your hot brother’s gorgeous cock properly.”

“You are welcome,” said Alex as she continued to finger fuck Courtney.

---

“Do you want to suck it with your rear mouth?” I asked as I teased Courtney’s slick clit.

“Oh, yes, please,” moaned Courtney. “I am dying to have you fuck my virgin ass.”

“Lube his big cock well,” instructed Alex.

Courtney grabbed the lube and proceeded to lube my cock thoroughly. I took the lube and squeezed a big lump on her asshole. Alex worked it in.

“I am ready to take your luscious ass,” I said as I moved to the side. “Turn to the side, and push it out.”

“Let’s do this right,” said Alex. “Sean, you are entitled to a first-row seat. Come here and spread her ass for him. That way, you’ll see and feel everything. Don’t worry about your big boner. You know I’ll tend to it for you.”

Courtney got into position, and Alex helped Sean sit next to her and spread her ass wide.

“Are you okay with this, Sean?” asked Alex as I touched my glistening cock head to Courtney’s asshole.

“Yes,” he said as Alex stroked his hard cock.

“Relax,” said Alex as I pressed my glistening cock head into Courtney’s virgin asshole. “Girls’ assholes were meant to be fucked. This is going to be an eye opener for you just like it’s a third eye opener for her.”

“It looks so big,” he said.

“How can it stretch her little asshole wide otherwise?” she said. “A big cock’s what a tight little asshole needs.”

“I am so horny,” moaned Courtney. “Please fuck my ass with your big cock.”

When Courtney’s asshole relaxed, I shoved my cock far enough to sink my cock head past her anal ring. She gasped, and her asshole clenched at the sudden intrusion.

“It’s beautiful, isn’t it?” asked Alex as I paused, stretching Courtney’s asshole wide around the beginning of my hard cock. “Her little asshole’s stretched properly. It’s no longer wrinkled.”

“Is he going to drive it all the way in?” he asked.

“Yes,” hissed Courtney. “I want it balls deep up my horny ass. I am so hungry for it.”

“Don’t worry about that, baby,” I assured as I pushed firmly. “That’s how you are going to get it. I am not going to let go of your wonderful ass until it’s sated.”

“I know,” she moaned, pushing her ass back into my cock. “This is the best feeling I’ve ever experienced.”

“This isn’t even the beginning,” said Alex. “He’s only got the head up your horny ass.”

“It’s already stretching my asshole incredibly,” moaned Courtney. “I feel I am going to explode in pleasure.”

“You are,” assured Alex.

Sean, Alex, Dave and I watched as my hard shaft slid slowly into Courtney’s stretched asshole.

“I am going to explode,” moaned Courtney quietly when my cock was almost halfway up her tight ass.’

“Go for it, baby,” I encouraged. “That’s what you are here for. Show your boyfriend you are a real ass whore.”

“Tell your slut girlfriend to come for her stud’s big cock,” Alex told Sean.

“Courtney, come for your stud’s big cock,” said Sean.

“I am coming, honey,” gasped Courtney, her body stiffening and her asshole clenching around my cock.

“Come for my big cock, my dirty ass whore,” I urged.

Courtney’s orgasm had already started. She shook, and her asshole twitched around my cock. With every anal spasm she had, I shoved my cock deeper up her ass. She gasped and moaned as her wild orgasm jerked her body. Her orgasm had not subsided yet, but a new orgasm started when I shoved the last inch of my cock up her ass, impaling her completely on my cock. Her new orgasm jerked her twitching asshole back and forth over the last inch of my hard shaft. I shoved my cock into her, meeting her wild ass. Her orgasm finally subsided, leaving her drained.

“Oh, Nick, that was completely incredible,” she gasped. “I don’t blame Alex for having a lover.”

“How can you blame me when you are a whore like me?” teased Alex.

“You’ve never come like this in your life,” commented Sean.

“I guess I love getting fucked in the ass,” gasped Courtney, smiling. “Who knew I was such an ass whore?”

“You sure do, girlfriend,” said Alex. “Girls love Nick’s big cock up their horny asses, but he hasn’t started yet.”

“I hope not,” panted Courtney. “I just need a minute to catch my breath. He has to fuck me until he fills my ass with come anyway. Fuck my ass, baby. Fuck my ass like Alex’s horny lover does hers.”

Courtney winked at Alex as she said that.

“Do you think you can fuck the bitch like my lover fucks me?” teased Alex.

“Of course,” I said as I rocked Courtney’s ass on my cock. “I am sure I can teach your lover a thing or two.”

“I’d sure love to see that,” she teased.

“Can my lover be even better than yours?” asked Courtney.

“I doubt it, but I think he’s almost as good,” said Alex.

“I must be one lucky bitch,” said Courtney.

“You sure are,” said Alex. “Very few bitches get fucked like you and me, not to mention having their dutiful boyfriends eat their slimy orifices clean.”

“Yes,” said Courtney, her asshole twitching. “I almost forgot that my boyfriend’s going to eat my slimy ass.”

“And sloppy pussy,” said Alex.

“Yes,” said Courtney.

“Be good to your hot ass and get it fucked nice and slow,” I said, moving her ass in long slow strokes.

“I am going to be good to my horny ass and your amazing cock,” she said as she rhythmically worked her ass back and forth on my cock.

“You can’t believe how good your girlfriend’s tight ass feels around my hard cock,” I said. “It’s incredible.”

“It’s so from this side too,” said Courtney. “I’d never have imagined anything like this, but I was definitely meant to get fucked in the ass.”

“Only the best asses are meant for cock, and you certainly have one of the best asses around,” I said.

“I am flattered, but you definitely have an amazing cock,” she said. “You really know how to use it on me.”

“So far, I haven’t used it,” I said. “You are using your luscious ass on it.”

“Don’t underestimate what you are doing although you are not pounding my ass silly,” she moaned.

“How come you are not coming if I am doing so well?” I teased.

“I am going to come very soon,” she moaned. “You’ll see.”

She tried to pick up the pace, but I slowed her down, maintaining her slow pace, until she stiffened and came. While she came, I let her freely shove her twitching ass into me.

After she recovered, I resumed rocking her ass. I did to her ass like I did to her pussy. I let her get it fucked at a medium pace, and, after her next orgasm, I let her get it fucked at a fast pace. When she recovered, I pulled out, and her asshole snapped shut. I walked around the sofa and took my sticky cock to her mouth.

“Suck it to show your boyfriend that your ass is truly clean,” I said, offering Courtney my cock.

“With utmost pleasure,” smiled Courtney. “I’d suck your gorgeous cock wherever it had been.”

Courtney deep throated my cock eagerly for a couple of minutes. I held her head and fucked her throat for a few minutes. Alex used her free hand to lube Courtney's ass thoroughly before I returned my sticky cock to it.

"Now, I am going to fuck your ass," I said as I pushed my cock all the way up Courtney's ass. "Are you ready?"

"Oh, yes," she said, grinding her horny ass into me.

"Brace yourself," I said as I proceeded to thrust in her ass at a fast pace from the start. "Your little ass is going to get fucked hard—just like it was meant to be fucked."

"Yes, lover," she gasped.

She held her ass out for me, and I pounded it mercilessly. She stiffened and came within two minutes. I held her shaking ass tightly, keeping my cock balls deep in it until her orgasm almost ended. I then resumed drilling it vigorously. She came again. I did that again, giving her three back-to-back orgasms. I stopped moving and let her jerk her ass freely as she shook in her third orgasm until she went limp. Her orgasms left her out of breath. I fucked her gently while she caught her breath.

"Those were the most incredible orgasms of my life," gasped Courtney.

"I am glad you liked them," I said as I picked up the pace. "I am going to fill your hot ass with come when you come next time."

"Oh, yes," she said, fucking back eagerly.

Before long, I was hammering her ass mercilessly. She met my every stroke. She was ready to come in a few minutes. I timed my orgasm with hers.

"I am going to flood your sizzling ass with come, my little whore," I said when her orgasm approached.

"Yes, yes," she gasped.

"Nick, don't come deep inside her," said Alex. "Sean's new to this."

Courtney stiffened as her orgasm hit her.

"Here it comes, baby," I said as my cock swelled.

She shook in orgasm, and I thrust my come-spewing cock shallowly. Alex reached out with her right hand and jerked my shaft as it pumped come in Courtney's twitching asshole.

"Fill the bitch up," cheered Alex, jerking my shaft vigorously.

Our orgasms subsided.

"Get ready, Sean," said Alex, draining my cock in Courtney's ass. "Your girlfriend's slimy ass is ready to eat."

"Thanks, Nick," gasped Courtney.

Courtney was panting. I leaned forward and gave her a kiss.

Alex popped my softening cock out of Courtney's ass and licked its sticky tip.

"Remember her ass is so clean it's like you are sucking the come right out of Nick's twitching cock," teased Alex as Sean knelt behind his girlfriend's come-filled, well-fucked ass.

"Alex, you are disgusting," I said. "I'd never let a guy touch my cock let alone suck it."

"Don't get all worked up," teased Alex. "He isn't going to touch it. Guys are pathetic. Aren't they, Courtney?"

"Yes," giggled Courtney. "It's much more fun for me to have the come sucked right out of my ass anyway."

"I know, you little whore," smiled Alex. "You saw how much I loved it."

“You are a little whore like me, aren’t you?” teased Courtney.

“I am a bitch,” said Alex. “I am my lover’s bitch. You are only a little whore so far.”

“It’s still my first time,” said Courtney.

“We’ll get you on your way before the night’s over,” assured Alex. “By the way, Courtney, don’t gush it in his mouth. Let him work for it a little, and give it to him as a reward. Priceless prizes are worth working for.”

Courtney’s asshole was loose but not gaping. Sean inspected it for several seconds before he licked it tentatively, eliciting an approving moan from her. Meanwhile, Alex stroked my sticky cock, occasionally licking its head.

“Spread her hot ass, and dive in,” urged Alex.

Sean did that soon, and Courtney moaned constantly. She looked over her shoulder and saw Alex suck my cock head while stroking my soft but hardening shaft. Alex swallowed my entire cock and sucked it while Courtney watched, moaning. Courtney started to leak come in her boyfriend’s mouth.

Alex pushed me toward Courtney when my cock was rock hard. I walked around the sofa and fed my cock to Courtney, who proceeded to suck it, moaning around it, while grinding into her boyfriend’s face. I reached out with one hand and fondled her tits, twisting and pulling her nipples. With the other hand, I held the back of her head. Within a few minutes, she fed him my come out of her ass and came in his eager mouth.

“Thanks, Sean, honey,” said Courtney as I slapped her face with my sticky hard cock. “You did a fine job on my well-fucked ass.”

“You are welcome,” he said.

---

“Nick, would you like to be the first to come in her pussy too?” said Alex as I fucked Courtney’s throat gently. “I don’t want Dave to feel smug.”

“I’d love that if it’s okay with her,” I said.

“I want you to do that for me,” said Courtney, holding my cock to her face. “Please.”

“You got it, lover,” I said.

“Nick, give her a good fucking,” said Alex. “We are going to drain her boyfriend tonight. He’ll be no good. Your cock’s practically the only cock she’s going to get tonight, so don’t hold back.”

“Is that what you want, Courtney?” I asked, rubbing my cock on Courtney’s face.

“Yes,” said Courtney. “I want you to fuck me well before you fill my pussy with come. Fuck me like Alex’s horny stud fucks her. I want to feel like she does. I want my pussy to look well fucked when my boyfriend eats it.”

“It’s going to look and feel that way,” I said. “Sean, are you okay with this?”

“As long as he’s here, he’s okay with it,” said Alex, stroking Sean’s hard cock. “He only can tell us he isn’t okay by walking out, and even then his cock has to be soft.”

“I am okay with it,” said Sean.

“You are a smart guy,” said Alex, squeezing his cock. “Never leave your horny girlfriend alone with sex-crazed people. If you ever do, you might as well forget that you ever had a girlfriend. They’d turn her into their dirty bitch.”

“Thanks, honey,” said Courtney. “I appreciate that. I don’t want to be a dirty bitch for strange sex-crazed weirdoes. I just want to be Nick’s dirty bitch.”

“Nick, fuck your new bitch,” said Alex. “Make her know and feel she’s all yours right before her boyfriend.”

“You and your hot friend got that, little sister,” I smiled as I took my position behind Courtney’s offered ass. “You may even get jealous.”

“That’s what I am talking about,” smiled Alex as she guided Sean’s hands to Courtney’s ass. “Make me wish you were my lover.”

Sean spread Courtney’s ass, and I pushed my cock into her drenched pussy. She gasped and pushed back. I grabbed her hips and proceeded to fuck it. She came twice within a few minutes.

“Can I fuck your ass too?” I asked as I pushed my dripping cock into Courtney’s ass, making her moan.

“I was going to ask for that, lover,” smiled Courtney. “Of course, you can. You are always welcome in my ass. What kind of dirty bitch wouldn’t let or even beg her amazing lover and stud to use her any way he wants?”

“Sean, you have a wonderful girlfriend,” I said, looking at Sean as my cock bottomed up in his girlfriend’s ass.

“He’s lucky too,” said Alex. “Dave never got to watch me get fucked. He only gets to eat my lover’s come.”

Alex squeezed lube on my shaft as I worked it in and out of Courtney’s stretched asshole. I picked up the pace.

“Can we fuck in other positions?” I asked after Courtney came twice on my cock.

“Baby, you can fuck me any way you want,” said Courtney. “I thought I was your dirty bitch. What happened?”

“You are still my dirty bitch, baby,” I said. “I just wanted to make sure you didn’t change your mind.”

“Never do that, baby,” she said. “If I ever change my mind, don’t take me seriously.”

“Get on your back, and pull your legs over your head,” I instructed.

Courtney obliged me. I guided her hands to her ass, and she spread it.

“Sean, if you want you can hold her legs for her,” I said.

“Do that, honey,” she said.

As Sean held his girlfriend’s legs for her, I fucked her in the ass through two orgasms and then in her pussy for two more orgasms.

“I am now going to come in your juicy pussy,” I announced as I picked up the pace.

When Courtney came, I filled her pussy with come. She had a wild orgasm, draining my balls in her pussy. When she recovered, I pulled out, and Sean knelt before her slimy pussy. He dove in right away. I knelt on the sofa next to her and fed her my goeey cock. She moaned around it while my come leaked in her boyfriend’s mouth.

My cock was clean and hard by the time she came on her boyfriend’s tongue. I kept it in her mouth.

---

“Dave, baby, you can’t fuck her,” said Alex, stroking Dave’s cock. “This is literally a sperm donation. When you are ready, you stick it all the way in and fill her hot pussy with come. We are doing it because I promised Sean. If you ever fuck another girl, I’ll rip your balls off. You have to remain faithful to me like I am faithful to you.”

“You have a lover though, don’t you, Alex?” asked Courtney.

“My lover comes first, so he doesn’t affect my faithfulness, does he, Dave?” asked Alex.

“No,” said Dave.

“I have to be faithful to my lover too,” she said. “He’s okay with my having a boyfriend or even a husband.”

“I guess I have to be faithful to mine too,” said Courtney. “Nick’s my lover now.”

“You can’t call yourself his bitch if you aren’t faithful to him,” said Alex.

“I am calling myself Nick’s bitch if he doesn’t mind,” said Courtney.

“I am delighted, but do you want to be my bitch officially?” I asked, flicking my cock on her lips.

“Of course,” she said.

“I have two bitches so far,” I said as I stood before her and pushed my hard cock into her pussy. “If you want to be my bitch, you have to pass the test.”

“What’s the test?” she asked as I worked my cock all the way into her pussy.

“You’ll get spanked until you come,” I said as I pulled out and pushed my cock into her asshole. “If you can handle that, you’ll be in.”

“Am I going to be spanked while getting fucked?” she asked as I filled her ass with my cock.

“No,” I said, thrusting in her ass. “That wouldn’t be a test. You have to stand out if you want to be my bitch.”

“I am not sure I can come just by getting spanked,” she said. “I’ll give it my best though.”

“If you make it, I’ll give you a bonus ass fuck,” I said, taking my cock out of her ass and kneeling down. “Hold your legs back and enjoy. You are a big girl. It’s going to be a serious spanking.”

“Okay,” she said.

Alex stroked Dave and my cocks as I raised my right hand up. Courtney blinked and winced when she saw my hand falling swiftly toward her left ass cheek. It was a resounding smack that made Sean wince. It left a handprint on her ivory cheek.

“Ouch!” yelped Courtney.

“Bitches are special sluts,” I said, raising my hand again. “Not every slut can make it. I am sure you can.”

There was a quieter yelp as my hand smacked her right ass cheek. I waited for a few seconds before I hit her left ass cheek again.

“Do you think she can come this way?” asked Sean.

“His other bitches did,” said Alex. “If she can’t, she won’t be his bitch. I have no doubt she can make it. Can’t you see her horny pussy leaking freely like she’s in foreplay?”

Alex naturally was right. Courtney was ready to come in less than twenty swats.

“I am going to come,” announced Courtney.

“You must be a good bitch,” I said as my hand landed on her ass.

Alex started to lube my cock even before Courtney stiffened. Courtney came. I continued to smack her ass until her orgasm subsided. I stopped at thirty.

“I can’t believe this,” said Sean as I pushed my slick cock into his girlfriend’s reddened ass.

“She’s a real bitch for him,” shrugged Alex.

“Yes, I am officially your brother’s bitch,” said Courtney as I started to fuck her ass.

“You sure are,” I said, picking up the pace.

Courtney came within a few minutes. While she recovered, I climbed astride her and fed her my cock. She sucked it for a minute, and I dismounted her.

“Guys, we need to do this as a team,” said Alex. “Courtney, rub your clit and finger fuck your asshole. Sean will finger fuck your pussy and mine. I’ll stroke his cock and Dave’s. You’ll suck Nick, and he’ll toy with your tits.”

We took our positions according to Alex's plan. She had Dave come in Courtney's pussy as soon as Courtney came. She milked Dave's cock, draining it in Courtney's pussy. Sean took his position and ate Courtney's slimy pussy to another orgasm while Alex sucked Dave's cock clean.

---

"Courtney, your boyfriend deserves a reward now," said Alex. "I promised him to let him come on my face so you could lick his come up and eat it. Would you be a good girl and help me fulfill my promise?"

"Of course, Alex," said Courtney.

"Let's me take your place," said Alex.

Courtney and I got off the sofa, and Alex lay along it like she did whenever Dave ate her slimy pussy there.

"You don't have to do anything," Alex said to Sean, stroking his hard cock. "If you want to be a good boy, try to hold back as much as you can."

"I don't think I can hold back for long," he said.

"Do your best," she said.

"Okay," he said.

"You can stroke your lover and my boyfriend's cocks while you wait," said Alex.

"I don't mind stroking your boyfriend's cock, but I'd rather sit on my lover's," said Courtney.

"That's even better," said Alex.

Courtney motioned me to the chair that Sean had sat on earlier. I sat down, and she impaled her ass on my cock. Dave moved closer, and she stroked his soft cock.

"Sean, it's up to you, but if you come on my lips, she'll have to kiss me," said Alex. "I've eaten her pussy, but I haven't kissed her yet. What are you going to do?"

"I am not going to miss your lips for the world," he said.

"Sorry, Dave," said Alex. "This time you won't get to lick the come off my face."

"That's okay, Alex," said Dave.

"Courtney, you seem to enjoy sitting in my brother's lap," teased Alex.

"I don't want to sound like a slut, but I really like the feel of your brother's big cock up my ass," said Courtney.

"Sound like a slut all you want," smiled Alex. "You are one. I knew it the moment I laid my eyes on you. Your poor boyfriend didn't have a clue."

"Do you think he does now?" teased Courtney.

"Aren't guys so embarrassing?" laughed Alex.

"Nick, are you comfortable with my horny ass jerking around in your lap, taking your big cock with it in every direction?" smiled Courtney.

"You are my bitch, Courtney," I said. "You get to do whatever you want. I am comfortable when you are."

"Oh, I am very comfortable now," she said.

"That settles it," I said.

Alex tortured Sean for several minutes before she let him shoot one of his biggest come loads on her face. She drained him completely and wiped his sticky cock head on her face. Her lips were covered with come.

Courtney pulled me with her as she bent over Alex, keeping my cock up her ass. She proceeded to lick her boyfriend's come eagerly off Alex's lips. When she finished cleaning Alex's lips, they kissed deeply and lewdly. Alex fingered Courtney's pussy meanwhile.

"You are a bad girl, Alex," said Courtney while I fucked her ass from behind. "You are not supposed to finger fuck my dripping pussy while I eat my boyfriend's come off your face."

"You are right, Courtney," said Alex. "I must be a bad girl."

"If you keep it up, I'll have to retaliate," said Courtney.

"Do what you have to do, girlfriend," said Alex.

Courtney finger fucked Alex's leaky pussy while she cleaned her face with her tongue. They came on each other's fingers and kissed lewdly while they recovered. I fucked Courtney's ass gently.

"Nick, come in her mouth this time," said Alex. "I am sure she wants to give her boyfriend a big kiss."

"After all this, he sure deserves one," said Courtney. "He didn't get one after I ate his come. You did."

Alex and Courtney continued to finger fuck each other while I picked up the pace. I fucked Courtney's ass to three orgasms and her pussy to one before I pulled her off Alex and shot my come in her open mouth. She sucked my cock head to make sure I was drained. She kissed Sean before swallowing any of my come. She passed most of my come to him over that kiss.

---

"I have limp cocks," said Alex. "Courtney, let's get them hard. Suck your lover's cock."

Courtney sucked my cock eagerly while Alex stroked Dave and Sean's cocks.

"Why don't you suck our cocks like she's doing to him?" Sean asked Alex.

"Neither of you is my lover," said Alex. "Why would I suck your cocks?"

"He's your boyfriend," he said.

"Honey, do you have a problem with this?" Alex asked Dave.

"Not at all, honey," said Dave.

"Sean, you don't have a problem with Alex's not sucking your cocks, do you?" asked Courtney.

"No," said Sean.

"Alex, I love your brother's big cock," said Courtney. "I feel that it was made for me."

"You are close enough, Courtney," said Alex. "In reality, you were made for it, and you have to share it."

"I am so happy I have an understanding boyfriend who lets me play with it all I want," said Courtney.

"You and I are lucky bitches, aren't we?" smiled Alex.

"We sure are," said Courtney.

My cock was soon hard, and I fucked Courtney's throat, pussy and ass, while Alex strokes Sean and Dave's hard cocks, torturing them.

"We need to conclude this night with a group facial," said Alex. "Sean, jack off onto my face while Dave jacks off onto her face and Nick jacks off onto both faces. We'll lick each other's face clean. Sorry, we'll eat it all up."

The three of us guys jacked off according to Alex's directions. She and Courtney licked our come off each other's face and kissed lewdly at the end.

---

“Courtney, if you want to be a bitch like me, never let your boyfriend fuck you in the ass,” said Alex. “Save your ass for your lover like I do. Your boyfriend would appreciate it more that way. Isn’t that right, Dave?”

“Yes,” nodded Dave.

“Remember your promise to me, Courtney,” said Alex. “You’ll be very nice to your boyfriend as long as he’s nice to you. You can’t humiliate him in public no matter how badly he behaves. Save those games for the bedroom.”

“Or the living room,” laughed Courtney.

“You don’t know how serious you are,” smiled Alex. “Do you know that Dave has never fucked me in my room? We play here even when my parents are home.”

“You mean like fooling around?” asked Courtney.

“I mean like we’ve just done,” said Alex.

“Your mom and dad don’t mind?” asked Courtney.

“Mom can’t mind after Dave ate her come-filled pussy and ass,” said Alex. “I even jacked Nick off on her face, and Dave licked it all up.”

“No way,” said Courtney.

“It’s true,” I said.

“It was actually mom who introduced Dave to eating come out of sloppy pussies and slimy asses,” said Alex.

“That’s incredible,” said Courtney. “What about your dad?”

“He doesn’t mind,” said Alex. “Dave once ate mom’s well-fucked holes while dad was here. He just watched. I also jacked Nick off on her face and Dave licked it up while dad watched. Heck, I even jacked dad off on her face.”

“That’s unbelievable,” said Courtney. “Can you believe that, honey?”

“It’s incredible,” said Sean.

“Do you still think there is anything my crazy girlfriend wouldn’t or can’t do?” said Dave.

“After this, I am not so sure,” said Sean.

“Now, you know why I love my girlfriend,” smiled Dave.

Alex pulled him to her and gave him a big kiss.

“Alex, you are amazing,” said Courtney. “From now on, we are going to be best friends.”

“Let’s kiss on that,” said Alex.

Alex and Courtney pulled each other into a long deep kiss.

“Girls, cut this off if you want to call it a night anytime soon,” I warned.

“Courtney, how does it feel when you are well fucked?” smiled Alex.

“It feels amazing,” said Courtney. “I’ve never experienced it before. Thank you, all.”

“You are welcome, Courtney,” said Alex. “I’ll give you my sex toys so you’ll remember me when you have fun.”

“Thank you so much, Alex,” said Courtney as Alex pushed the butt plug and the duo balls into Courtney’s holes. “There is no way I can forget you. I’d forget my own name but never forget you.”

“You are welcome,” said Alex. “If your boyfriend doesn’t treat you well, you know where to come. I am sure we’ll make sure you are coming very well.”

“I’ll be coming here no matter how he treats me,” said Courtney. “If he treats me well, I’ll bring him with me.”

---

“Dave, honey, you are not leaving yet,” said Alex. “I am sure mom needs service when she comes home.”

Alex dialed mom’s number.

“Hi, mom,” greeted Alex. “You can come home now. Dave’s hungry for come out of your pussy and ass.”

Alex listened for several seconds.

“Is dad horny too?” asked Alex.

She listened a bit.

“He’ll be here,” said Alex. “Bye.”

Alex looked at Dave.

“She says her pussy and ass are full of come,” said Alex. “She wants you to suck them clean before she goes to bed. I am sure dad would love to come on her face and even in her pussy if you need more.”

“Sure,” he said.

“Courtney and Sean, it was nice meeting you,” said Alex. “I’ll see you soon, like tomorrow, or get mad at you.”

“We’ll be back soon,” said Courtney. “You can count on it.”

Courtney pulled Alex to her in a tight hug.

“Thank you so much for sharing your amazing brother with me,” whispered Courtney. “It was the best thing anybody has ever done for me. Maybe one day he can fuck the two of us together without anybody watching.”

“We can sure arrange that,” Alex whispered back. “Do you want to do it tomorrow in the afternoon?”

“That sounds great,” whispered Courtney.

“What are you, girls, whispering about?” I teased.

“Girl talk,” said Alex. “We’d never whisper about sports or silly things that interest guys’ pathetic minds.”

We all said our goodbyes, and they left.

---

“Dave, did you have fun?” asked Alex.

“Yes,” said Dave. “It was great.”

Dave ate mom’s pussy and ass before he went home. As a reward for him, Alex had dad come on mom’s tits.

## BETH’S HOMECOMING

Courtney arrived in the early afternoon. Alex and I were expecting her. Mom and dad were out. After I kissed and felt up Courtney at the door, Alex welcomed her similarly.

“Are you ready to share our lover?” said Courtney.

“We are so ready we almost started without you,” said Alex.

“Feel free to do that next time,” said Courtney.

“Fee free to come earlier next time,” smiled Alex.

They sat on either side of me on the sofa, and we started to make out. I soon had them topless and started fondling and sucking their tits while they stroked my boner through my pants.

Alex got on her knees and took my cock out while I fingered Courtney’s pussy and ass. Courtney joined her, and they proceeded to worship my cock together. After several minutes of that, I arranged them side by side on the sofa, their legs over their heads. They spread their asses for me, and I ate and fingered their leaky pussies and luscious assholes to a couple of orgasms each. I lubed their assholes thoroughly in the process.

“Have your little pussy missed my big cock, baby?” I teased as I brushed my cock head up and down Courtney’s leaky pussy. “Is it hungry for it already?”

“Oh, yes, lover,” gasped Courtney. “I have a very horny pussy. It missed its lover’s big cock so much.”

Courtney’s pussy got my cock before Alex’s, but Alex’s ass got my cock next. I had each suck my cock whenever I took it out of the other.

“You think you can ride my big cock with your slutty ass, baby?” I said to Courtney as I sat back and pulled her into my lap. “Are you horny enough for that?”

“I am horny enough for anything, lover,” said Courtney. “I’d love to ride your big cock with my horny ass.”

Courtney impaled her ass on my cock. She rode my cock energetically with her horny ass while Alex fondled her tits with one hand and fingered her own pussy with the other.

“Oh, Nick, I love being your little whore,” gasped Courtney. “I’ve never been this happy in my life.”

“Enjoy, my little whore,” I said. “I love making you feel good.”

That was when the doorbell rang.

“I’ll get it,” said Alex, hopping off the sofa.

Alex returned in five seconds.

---

“Nick, it’s Beth,” said Alex. “Get yourselves presentable quickly.”

“Who’s Beth?” asked Courtney. “Why don’t we ignore her?”

“She’s his girlfriend,” said Alex. “She doesn’t know about all this.”

“Hot damn!” said Courtney, hopping off my cock. “What a great time for this visit!”

Courtney and Alex straightened their clothes while I pulled my underwear and pants up.

“Nick, open the windows,” said Alex, giving Courtney an air freshener. “Courtney, use this.”

Alex soon came back with Beth with her, excitedly talking together.

Beth smiled widely when she saw me. I opened my arms for her and held her, kissing her passionately.

“Beth, this is Courtney, my new best friend,” introduced Alex. “Courtney, this is Beth, my brother’s girlfriend.”

The girls hugged. I sat in the center of the sofa, Beth on my left hand and Alex on my right hand. Courtney sat on the chair as I wrapped my arms around my girlfriend’s and sister’s shoulders.

“Beth was away with her folks,” Alex explained to Courtney.

“How was your vacation?” I asked Beth.

“It was great, but I missed you,” she said.

“I missed you too,” I said.

“You missed last night too,” said Alex.

“What happened last night?” asked Beth.

“It was amazing,” said Alex. “Wasn’t it, Courtney?”

“Yes, it was the most amazing night of my life ever,” said Courtney.

“What happened?” said Beth.

“I met Courtney at a dance club,” said Alex. “I wanted to dance with her boyfriend, so I sent Dave to dance with her. We hit it off right away.”

“Was that because you liked each other’s boyfriend?” teased Beth. “Did you swap boyfriends?”

“Not really,” said Alex. “I was happy with mine. I just helped her be happy with hers.”

“You helped her be happy with hers?” asked Beth.

“Do you know why I wanted to dance with her boyfriend, Sean?” asked Alex.

“You liked him?” asked Beth.

“Far from it,” said Alex. “He looked good, but I picked him out because he looked like an arrogant asshole.”

“Is that your new type?” teased Beth, smiling.

“Maybe,” smiled Alex. “I had him fondle my ass and grind his boner into my pussy on the dance floor until I came in his arms, holding Dave’s eyes while he danced with Courtney.”

“You didn’t do that right in front of your boyfriend,” said Beth in disbelief.

“I did,” smiled Alex.

“What did he do?” asked Beth. “Did you break up?”

“No way,” said Alex. “After the dance, I had them join us in our booth. I then took Courtney to the restrooms and ate her pussy through three orgasms. She had never had a girl eat her hot pussy. She had her best orgasms ever.”

Alex smiled at Courtney, who blushed.

“You aren’t like that,” said Beth dismissively. “You are making stuff up.”

“Am I?” Alex asked Courtney.

“No,” said Courtney, blushing.

“You did it?” said Beth in disbelief. “Are you bi?”

“I don’t think so,” said Alex. “I just did that to break her free from him. When we returned to the booth, I fingered her to orgasm right in front of him. She begged me to make her come while he watched in disbelief.”

“Where was Dave?” asked Beth.

“He was sitting next to Sean,” said Alex. “Did you know what Sean did by the end of the night?”

“What?” asked Beth.

“Tell him,” Alex said to Courtney.

“He ate come that wasn’t his out of my pussy and freshly deflowered ass,” said Courtney, blushing.

“No way,” said Beth.

“I saw it happen,” I said. “It was crazy.”

“How has he been since then?” asked Alex.

“He’s been a sweetheart,” smiled Courtney.

“That was how Courtney and I became best friends in such a short time,” said Alex. “The poor girl got fucked silly right where you are sitting. That was also where I ate her pussy the first time at home while they watched.”

“Is this why there is a lingering sex smell in the house?” asked Beth.

“That may be because she and I are dripping wet as we speak,” said Alex. “Aren’t you soaked, Courtney?”

“Yes,” hissed Courtney.

“Didn’t this turn you on?” asked Alex.

“Yes,” said Beth, blushing.

“Help yourself,” said Alex. “Your boyfriend can’t hide his big boner. Kneel down and suck him.”

“I am not going to do that right here in front of you,” said Beth.

“Are you a prude?” teased Alex. “Courtney and I don’t mind.”

“I am not a prude, but I am not going to have sex with my boyfriend in front of others,” said Beth.

“Nick, say something,” said Alex. “Tell her it’s okay.”

“Beth, it’s okay if you want to suck my big cock in front of them,” I said. “They did a lot more last night.”

“I can’t do that,” said Beth.

“What about you, Courtney?” asked Alex.

“I’d do it in a heartbeat,” said Courtney.

“Go for it,” said Alex.

“I am sorry, Beth, but I am really horny,” said Courtney as she knelt before me.

Beth watched in shock as Courtney freed my hard cock and proceeded to suck it.

“Nick, aren’t you going to stop her?” asked Beth.

“Since when do guys stop sexy girls from giving them free blowjobs if it’s okay by their girlfriends?” I teased.

“Who said it was okay by me?” she said.

“You didn’t want to give me a blowjob or try to stop her,” I shrugged.

By then, Courtney was taking my cock balls deep down her throat.

“I taught her that last night,” said Alex proudly. “She had been a big prude before.”

“Alex, what’s going on?” asked Beth.

“Beth, your boyfriend had one of the biggest boners we’ve ever seen, and you didn’t want to suck him,” said Alex. “Somebody else had to. Speaking of that, I want some too.”

Alex knelt down next to Courtney, and Courtney moved to the side. They licked and sucked my cock together.

“Nick, she’s your sister,” said Beth in shock. “Are you all going crazy?”

“Beth, trust me I am not too horny to know who she is,” I said. “If my sister wants to suck my big cock, she can. The only qualification a girl has to have to be able to suck my big cock is to be loyal to it.”

“I am loyal to your wonderful cock,” said Alex. “It’s the only cock I let inside my horny ass.”

“Me too,” said Courtney.

“You fuck them in the ass too?” said Beth. “You fuck your own sister in the ass?”

“Alex, get up and show her your spectacular ass,” I said.

Alex got up and turned around. She hiked her skirt and bent over, exposing her hot ass.

“Bring it closer, and spread it,” I said.

Alex moved back toward me and spread her ass lewdly with both hands.

“Are you trying to dump me?” asked Beth. “This isn’t a cool way. You were never this mean.”

“I am never mean, baby,” I said. “I am not doing this to hurt you or anything.”

“Why are you doing it then?” she said.

“You’ll find out in a minute,” I said. “Look at my sister’s sweet asshole.”

“I am not looking at girls’ assholes,” she said. “I am not a lesbian.”

“Beth, if you were a lesbian, you wouldn’t be here,” I said. “Trust me on that, and do as I tell you.”

“Okay, I am looking at her asshole,” she said exasperatedly.

“Do you think this cute little asshole needs cock or not?” I asked.

“That’s none of my business,” she said.

“I thought you complained about my fucking it,” I said. “That made it your business. Does it need cock?”

“I don’t know,” she said.

“Look at it intently and make a guess,” I said.

“It does,” she said.

“That was exactly why I deflowered it and made it mine,” I said.

“She has a boyfriend,” she said. “He should have done that, not you.”

“You think he can fuck this beautiful asshole like I do?” I said.

“I don’t think so, but that isn’t any of my business,” she said.

“Beth, if you are this selfish, you are probably better off leaving and never looking back,” I said. “I know you are not a selfish bitch, so don’t pretend.”

“Okay,” she said. “He can’t fuck it like you can, but she’s your sister.”

“Exactly,” I said. “I wouldn’t let my sister’s gorgeous ass starve for cock if I can give her all the cock she can handle. Beth, guys are human beings, not monsters. No guy would deny his sister’s ass if it were half as hot as this.”

“How come incest isn’t all over the place then?” she said.

“Nick, let me answer this,” said Alex. “The reason’s that most girls don’t trust their brothers half as much as I trust Nick, and most brothers are not half as good as Nick at fucking their sisters.”

“Beth, give Alex’s sweet asshole a big kiss like the ones I always give yours,” I said.

“Nick, that’s gross,” protested Beth. “I am not a lesbian.”

“You are not a lesbian,” I said. “You are my slut. A good slut does as her stud tells her. If you are really my slut and I am your stud, you’ll do as I tell you. Go ahead.”

“You are humiliating me,” she said.

“Do you really think so?” I said. “You are my girlfriend, I’d never humiliate you or let anybody else do that, but you have to be good to me and make me proud of you. Give her asshole a French kiss.”

Beth hesitated for several seconds before she leaned forward and gently held Alex’s hips. She gave her asshole a French kiss that started tentatively. Alex moaned and ground her ass into Beth’s face.

“Courtney, let her kiss your cute asshole as well,” I said.

Alex moved away, and Courtney replaced her.

Beth gave Courtney’s asshole a kiss without hesitation, making her moan.

“Get up, Beth,” I said. “It’s their turn to kiss your luscious asshole.”

Beth hesitantly assumed the position, spreading her ass wide. Alex was the first to give Beth’s asshole a big deep kiss. Beth resisted a little before she moaned and ground into Alex’s face. Courtney kissed Beth’s asshole similarly.

“Alex and Courtney, kiss each other’s cock-craving assholes,” I said.

“I’d love to do that,” said Courtney as Alex offered her ass.

Courtney gave Alex’s asshole a long deep kiss, and Alex reciprocated.

“All of you, hot sluts, get down on your knees and suck my big cock together,” I instructed.

Beth knelt down. Alex and Courtney knelt on either side of her.

“Are you going to get fucked, or are you getting his big cock ready for our asses?” teased Courtney as Beth sucked my cock hungrily.

“I am going to get fucked silly, you slut,” said Beth.

“How does your getting fucked silly make me a slut?” teased Courtney. “Shouldn’t it actually make *you* a slut?”

“He’s my boyfriend,” said Beth.

“He’s my lover,” said Courtney. “I am supposed to fuck him. My boyfriend’s okay with that too.”

“What about you, Alex?” asked Beth. “Don’t tell me Dave’s okay with what you are doing.”

“He is though,” said Alex. “He’s been eating come out of my pussy and ass for a while, and he loves it. He was vital in conquering Sean, who watched him eat my come-filled pussy and ass hungrily before he ate Courtney’s.”

“I can’t believe there are guys who’d do that,” said Beth.

“Would you like to watch it happen?” asked Alex. “Both Dave and Sean would love to do that.”

“That would be so weird,” said Beth.

“Dave loved it from the first time he ate a come-filled pussy,” said Alex. “Sean lost a bet to me and had to eat come out of his girlfriend’s well-fucked holes. I kept dismissing him as too full of shit to pay his bet, so he did.”

“What did you bet him?” asked Beth.

“After I came in his arms on the dance floor, I bet him I’d eat his girlfriend’s pussy in the restroom and have her come with me to watch my boyfriend eat my come-filled pussy and ass. He thought she was too sweet.”

“What was the ante?” asked Beth.

“If I won, he’d eat Dave’s come out of his girlfriend provided she’d agree,” said Alex. “If I lost, Dave would eat Sean’s come out of my pussy and probably my ass. He thought she’d never agree even if I won. Courtney sided with me. When he saw her beg me to make her come on my fingers in the booth, he knew he’d lost.”

“I still can’t believe he’d do that,” said Beth.

“I knew he might not, so I kept telling him guys were full of shit and never kept their word,” smiled Alex.

“You kept digging him deeper,” smiled Beth.

“About as deep as he had to dig in his girlfriend’s fuck holes for the come,” smiled Alex.

“You are evil,” said Beth.

“If you are interested, either boyfriend would love to eat Nick’s come out of your pussy and ass,” said Alex.

“No boyfriend’s touching my girlfriend,” I said.

“Can I eat your come out of her pussy and ass?” asked Courtney. “I am not a boyfriend.”

“I wouldn’t mind that,” I said. “It’s up to her though.”

“We are doing it for her,” she said. “She should experience that delight.”

“You are corrupting me,” accused Beth.

Alex helped Beth out of her clothes. She was soon the only one naked.

“I didn’t let Dave fuck Courtney,” said Alex. “I guess I am a jealous bitch, like Nick. I had him jack off and then slip it in her pussy when he was ready to come just because I promised Sean.”

“I thought you said she was fucked silly,” said Beth.

“She was,” said Alex.

“Sean fucked her?” asked Beth.

“That would have defeated the purpose of the whole mission,” said Alex. “Sean just watched her get fucked.”

“Who fucked her then?” asked Beth. “Nick?”

“Yes,” smiled Alex.

“You slut, you let my boyfriend fuck her just to rub her boyfriend’s nose in it?” said Beth angrily.

“Not really,” said Alex, fingering Beth’s dripping pussy. “She was so sweet I thought Nick deserved her. I wanted a sweet girl whose boyfriend would let her be Nick’s whore.”

“I guess I should feel much better now,” said Beth sarcastically.

“I think you feel pretty good, judging by your leaky pussy,” teased Alex, diddling Beth’s wet pussy. “What’s it going to be? Are you going to walk out and leave your boyfriend to us, or are you going to fight back and let him use you like a cheap whore? Feel free to come on my fingers, you slut. This time I am not going to make you beg.”

“I’ll fight you back, you whores,” gasped Beth, stiffening. “You are not going to have him all to yourselves.”

“Show me your fire power, you cock-hungry slut,” teased Alex as Beth convulsed in orgasm. “You’d be fighting two wicked bitches. You need multiple orgasms. Show me what you got. Come all over my fingers, bitch.”

Beth let go of my cock completely as she sobbed and twitched wildly. In the middle of her orgasm, Alex stuck a finger up her ass, and she went crazy, having multiple orgasms. Alex continued to diddle Beth’s twitching orifices until she was completely drained.

“That was incredible,” gasped Beth as Alex leisurely worked her fingers in and out of her pussy and ass.

“Courtney, do you think she can fight?” teased Alex.

“I think she can fight, but she can’t win if she’s trying to drive us away,” said Courtney.

“Of course she can’t win,” said Alex. “Didn’t you see what I did to her? If Nick weren’t my brother, I’d have him eating come out of her pussy and ass.”

“Shut up, Alex,” I said. “If you say this again, I’ll be pimping your ass downtown.”

“I was just teasing,” Alex smiled at Courtney. “Guys are pathetic.”

Courtney and Alex laughed.

“Anyway, Nick, we now have your slut girlfriend onboard,” said Alex. “Do you still want to fuck her in her living room in front of her mom and dad?”

“I can’t do that,” protested Beth.

“You can, you slut,” said Alex. “I can feel your horny pussy twitch. I’ll be there. Nobody can touch you.”

“Do you really think we can do that?” I asked.

“Do you want her dad to eat your come out of her mom’s pussy and ass, or do you just want their permission?” asked Alex. “Your slut girlfriend wants her dad to eat your come out of her mom’s well-fucked pussy and ass.”

“How did you know that?” I asked.

“I have my fingers inside her,” said Alex. “She can’t hide anything from me now. Isn’t that right, slut?”

“Yes,” hissed Beth.

“You turned her into a pervert,” I said.

“I did,” said Alex. “We’ll have you fuck her mom alone first. Do you have a problem with that, slut?”

“No,” said Beth weakly.

“She’s now your bitch,” said Alex. “She can’t say no to you. Isn’t that right, bitch?”

“Yes,” hissed Beth.

“Do you still want to fight, or do you want to share your boyfriend with us?” asked Alex.

“I want to share,” said Beth.

“Are you still mad at me, Nick?” smiled Alex.

“No, bitch,” I smiled at her.

“Am I a good bitch?” she asked.

“Yes,” I said. “You must have made a mess of her pussy. Why don’t you clean it up?”

Alex silently lay under Beth and proceeded to lick her pussy.

“She’s eating my pussy,” gasped Beth.

“How did you think she’d clean it up?” I smiled. “By a sponge and a squeegee?”

Alex extended her left hand, and I gave her the lube.

“She’s finger fucking my asshole,” moaned Beth.

“At least, it isn’t in a club restroom,” teased Courtney.

“Beth, baby, becoming my bitch doesn’t mean that you can now pass on sucking my big cock,” I said.

“Oh, I am sorry,” said Beth. “I was a bit distracted.”

Courtney had been sucking my cock for a while. She then had to share with Beth, but Beth was soon coming again—on Alex’s tongue.

“After being away so long from my boyfriend, his sister gave me my first two wild orgasms,” gasped Beth.

“It looked a lot more than two,” teased Courtney.

“Are you turning lesbian?” I teased Beth.

“Of course not,” she said.

“Mount my big cock and let’s see,” I said. “I am not sure you still know what your pussy and ass are for.”

Beth rode my cock with her pussy and ass to an orgasm each. Courtney licked and fingered Beth’s asshole while I fucked her pussy. She licked my balls when I fucked Beth’s ass.

“Suck it, the three of you,” I said as I helped Beth off my cock.

Beth knelt down between Alex and Courtney. They sucked my cock and licked my balls together.

That was when mom chose to walk in.

---

“Hi, kids,” greeted mom.

Beth and Courtney were startled. Beth froze with embarrassment. Alex sucked my cock greedily.

“Hi, mom,” I said as the others remained silent except for Alex’s slurping sounds.

“I don’t believe I’ve ever had the pleasure of making the acquaintance of your friend,” said mom.

“Mom, this is Courtney, our very intimate friend,” I said. “Courtney, this is my lovely mom.”

“Nice to meet you, Courtney,” said mom.

“Nice to meet you, Mrs. Callaby,” said Courtney shyly.

“Beth, I see that you’ve returned,” said mom. “How was your vacation?”

“It was nice, Mrs. Callaby,” said Beth. “I just missed Nick.”

“I can see that,” teased mom, making Beth blush.

“Don’t be so cruel, mom,” chided Alex. “I miss him all the time, and I am the one who gets his big cock most.”

“You are a greedy bitch, Alex,” chided mom. “You shouldn’t hog him and leave nothing for his new friend and his girlfriend, who missed him bad. Why don’t you get up and let them have some?”

“Mom, I want them to do it together,” I said. “I want them to learn sharing.”

“I wouldn’t call that sharing,” teased mom as Alex swallowed my hard cock repeatedly.

“Beth and Courtney, mom has never seen you do this before,” I said. “Don’t give her a bad first impression.”

Alex eased down, and Courtney and Beth joined in. The three of them resumed sucking my cock together.

“Mom, while they worship my cock, why don’t you bring your hot ass over here so I can worship it?” I said.

“I don’t want to cramp your party,” said mom. “We can do that later.”

“I am the boss here, mom, and I feel like worshipping the hottest ass in the world,” I said. “Bring it on.”

Mom knelt on the sofa next to me and pushed her ass toward me. I hiked her dress, exposing her plugged ass. Beth and Courtney watched in the corners of their eyes as I did that. I gently pulled the butt plug out of mom's stretched asshole and pushed it into Beth's mouth as I pulled her head up. Beth did not hesitate to suck the butt plug. I returned it to mom's ass before I offered it to Courtney, who sucked it eagerly. Alex did even better.

Done with the butt plug, I put it aside and gave mom's relaxed asshole a long deep kiss that made her moan and grind her ass into my face as her asshole nibbled my tongue.

"Beth, give mom's luscious ass a big kiss," I said as I spread mom's ass with both hands.

Beth did not hesitate to get up and give mom's asshole a deep kiss, making mom moan.

"Good girl," I said. "Now, let her kiss yours before you return to your place."

Beth was a little shy as she bent over and pushed her ass in mom's face.

"Spread it," I instructed as I fingered mom's pussy and ass with two fingers each.

Beth spread her ass, and mom gave her asshole a tongue kiss, making her respond and grind back.

"Courtney," I said, spreading mom's ass, as Beth returned to my cock.

Courtney and Alex did like Beth.

While the three resumed sucking my cock, I proceeded to eat mom's ass. I ate her asshole to orgasm while her leaky pussy milked two of my fingers. I occasionally transferred juices from her pussy to her asshole.

"I want the four of you side by side on your knees on the sofa, your bare asses pushed out lewdly," I instructed.

Mom knelt on one end of the sofa, and Alex, the other. Courtney was next to mom.

"I am so lucky," I said as I grabbed the lube and squeezed a generous amount on mom's asshole.

Mom moaned as I used my cock head to work the lube inside her asshole. I lubed the others similarly.

Naturally, I started with mom. I fucked her throat for a few minutes before I moved to Courtney. I fucked Beth and Alex's throats as well before I pushed my cock into mom's pussy. After mom came on my cock, I pushed it up her ass and drilled her ass to a wild orgasm. I fucked every pussy and ass to orgasm before I restricted myself to their asses, fucking them in no particular order.

As I made my rounds, I made sure each tasted the others' pussies and asses on my cock although I did not fuck their pussies. I just used my cock to scoop out their copious juices.

Dad came home while I fucked Courtney's ass.

---

"Hi," said dad before he knew what was going on.

"Hi, dad," I said as he walked in on us. "This is our new friend, Courtney. Courtney, this is my dad."

"Nice to meet you, Mr. Callaby," gasped Courtney as I pounded her ass.

"Nice to meet you, Courtney," he said after some hesitation.

"Aren't you proud of me, dad?" said Alex. "I picked up this very sweet girl at a dance club for Nick to fuck and deflower anally right in front of her boyfriend, who also ate Nick's come right out of her freshly fucked holes."

Courtney blushed at that, but it did not slow her down.

"Did you break them up?" asked dad.

"No way," complained Alex. "Only devoted guys eat their girlfriends' lovers' come out of their pussies and asses."

“Your brother’s new friend’s very nice,” he said.

“She’s my friend before she’s his,” she said. “She’s his bitch though.”

“I see,” he said.

“We also convinced his girlfriend that it’s okay for Nick to have as many bitches as he wants,” she said.

“Are you okay with that, Beth?” he asked.

“Yes, Mr. Callaby,” said Beth. “He’s also going to fuck mom.”

“What?” said dad in surprise.

“We plan to have Nick fuck mom with dad’s permission,” she said.

“Oh!” he said.

“Beth’s mom deserves my utmost appreciation for giving me this amazing girlfriend,” I said.

“I see,” he said.

Courtney soon came, and I moved to mom’s ass.

Dad walked away.

“Dad,” I called.

“What?” he asked, turning back.

“I’d like you to watch all my bitches come for me so you won’t have a doubt that they are all happy,” I said.

“I don’t have to see that,” he said. “I believe you.”

“We all want you to, dad,” I said. “It makes them feel sluttier to come in front of you.”

“Okay,” he shrugged.

“Dad, don’t you wish Nick has deflowered mom’s ass like he did to the rest of us?” teased Alex as I drilled mom’s horny ass vigorously.

“Why is that?” he asked.

“It’s an amazing feeling for the guy to see the love of his life beg her lover to deflower her virgin ass, pound it into oblivion and fill it with his hot thick come,” she said. “Courtney’s boyfriend experienced that last night.”

“He was so hard when he watched Nick claim my horny ass for his big cock,” said Courtney.

“Since it’s too late for that, the least mom can do is to deny you access to her horny ass after Nick has claimed it,” she said. “She can’t be a devoted bitch if she lets anyone but Nick touch her ass.”

“My ass belongs to Nick,” gasped mom. “Nobody else is ever going to fuck it or use it in any way.”

“You are a good bitch, mom,” cheered Alex.

“Of course, you little bitch,” gasped mom. “After all, I’ve taught you how to be a bitch.”

“You sure did a great job at that,” said Alex. “Thank you.”

“You are welcome,” gasped mom.

After mom came, I moved to Alex. Beth was the last to come on my cock in front of dad.

“Dad, thanks for watching,” I said as Beth recovered while I thrust gently in her ass.

“You are welcome,” he said, walking away.

---

“This is amazing,” said Courtney. “I can’t believe that you did that in front of your dad.”

“It’s important for me that dad’s happy with what I do,” I said as I moved my cock to Alex’s ass. “After all, he was the first guy to eat my come.”

“Oh, he really eats your come out of your mom?” asked Courtney.

“He did that well before Dave did,” I said. “He’s a very accommodating dad and husband.”

“He even left the master bedroom to mom and Nick,” gasped Alex. “That was how I stumbled upon mom and Nick’s relationship. That resulted in my seduction.”

Our orgy lasted for a few more hours. I came four times: once up each ass. They all ate my come out of one another’s slimy asshole. We took a break for dinner.

After dinner, we fucked again. I sent Courtney to Sean with both holes full of come and plugged. They were going to go out on a date like that.

---

“I met Nick’s girlfriend,” Courtney said to Sean when they left on their date.

“What did she look like?” he asked.

“She’s a hot girl,” she said. “She can have her pick of guys.”

“Did you get along?” he asked.

“Did we ever!” she said.

“Wait until she finds out about her boyfriend and you,” he said.

“She did,” she said.

“What?” he said in surprise. “What happened? Did she catch you in the act?”

“No,” she said. “I sucked his cock in front of her, and then Alex joined me.”

“What did his girlfriend do?” he asked.

“She got pissed,” she said. “He calmed her down and talked her into kissing Alex’s asshole and mine. We then kissed hers, and she joined us to suck his cock. Everything went great after that.”

“You are kidding,” he said. “She went nuts, and he talked her into kissing your assholes? That’s incredible.”

“I know, but it’s what happened,” she said. “We ate come out of each other’s ass.”

“I thought Alex was just being crazy,” he said.

“Not really,” she said. “She and Nick can have any woman do their bidding. Alex even convinced Beth that Nick should fuck her mom and have her dad eat his come out of her pussy and ass.”

“No way,” he said in disbelief.

“She can’t wait for that to happen,” she said.

“Wow!” he exclaimed.

“Do you remember that Dave was supposed to eat come out of his girlfriend’s mom’s fuck holes?” she asked.

“Yes,” he said.

“It was actually Nick’s come!” she said.

“No way!” he said. “He also fucks his mom?”

“She joined us, and he fucked the four of us in all our holes,” she said. “We ate come out of each other’s ass.”

“You ate come out of his mom’s ass, and she ate come out of yours?” he asked in disbelief.

“Yes,” she said. “His dad stopped by too. He watched each of us come on his son’s big cock.”

“Including his wife?” he asked.

“Yes,” she said. “It turned out he was the first guy ever to eat Nick’s come out of a well-fucked hole.”

“Nick must be the horniest guy ever,” he said.

“The fact that everybody goes along with him makes him not all that much hornier than the rest,” she said.

“You are right,” he said. “Who thought I’d ever eat another guy’s come out of my girlfriend’s pussy and ass.”

“Or that I’d want mom to fuck him and feed dad his come,” she said.

“You want that?” he asked in disbelief.

“Yes,” she said. “I want mom to get fucked royally. There is no way dad can fuck her half as well as Nick.”

“How do you know your dad would let her do that?” he asked.

“I don’t,” she said. “I just hope he would. I haven’t told anybody about this yet.”

“People are so susceptible to depravity,” he said.

“Are you looking forward to eating your slut girlfriend’s well-fucked orifices later tonight?” she asked.

“Yes,” he said.

“I can’t believe how things can change in one day,” she said.

“Me neither,” he said.

“I was so much different last night,” she said.

“So was I,” he said.

“I am so happy things changed to the best,” she said. “Aren’t you happier with our relationship now?”

“Yes,” he said.

“Take me to the same dance club,” she said. “I want you to dance with me while you hold my come-filled ass and grind into my gooey pussy like you did to Alex last night. I want you to make me come.”

“Okay,” he said.

He did, and, after he ate my come out of her well-used holes, he fucked her and ate his own come out of her pussy.

## GIRLFRIEND’S MOM MEETS THE FAMILY

On Sunday afternoon, Beth’s folks went to a barbeque, so we gathered at their house. That time, Dave and Sean were with us. Right after introducing Sean to Beth, the girls were on their knees, sucking my cock, while the guys watched, chatting amicably.

“We are chatting like we are watching a basketball game,” remarked Sean.

“I think this is more fun to play and to watch,” I said.

“Of course,” said Dave.

“Our girlfriends are so hot, aren’t they?” I said.

“Definitely,” said Sean.

“Without a doubt,” said Dave.

“Nick’s going to fuck my mom,” said Beth.

“I am going to have her dad eat Nick’s come out of her mom’s pussy and ass,” said Alex.

“You are going to corrupt everybody,” accused Sean.

“What about *my* mom?” whined Courtney.

“What about your mom?” teased Alex.

“I want Nick to fuck her so dad can eat his come out of her well-fucked pussy and ass,” said Courtney.

“You want Nick to fuck your mom silly and leave her slimy fuck holes for your dad to clean up?” teased Alex.

“Yes,” said Courtney.

“Is your mom good bitch material?” I asked.

“I’ve seen Courtney’s mom,” said Sean. “She’s really hot.”

“So is Beth’s mom,” I said.

“I am sure if she’s good bitch material that Nick would love to make her his bitch and by the way satisfy your dad’s hunger for premium come,” said Alex.

“Nick, can you handle two more sluts?” asked Courtney.

“That’s only half a dozen sluts,” I said. “I can handle them without breaking a sweat.”

“We are bitches, not sluts,” said Alex.

“You must be the luckiest man in the world,” said Sean.

“I am, but luck has nothing to do with how many sluts or bitches you have,” I said. “It’s all about happiness. I hope that we are all happy here.”

“Of course, we are all happy,” Alex said to Sean. “If anybody isn’t, he should leave.”

“I am happy,” said Sean.

“Beth, do you want to be my bitch like the others?” I asked.

“I *am* your bitch more than the others,” said Beth.

“I haven’t spanked your bare ass to orgasm yet,” I said. “I did that to the others.”

“Is that going to hurt?” she asked.

“Are you afraid?” I teased.

“No,” she said.

“Don’t ask questions then,” I said. “Just assume the position. You have to earn being my bitch. The others shouldn’t think that by pure luck you became my girlfriend and then my bitch. Let’s show them that you deserve it.”

Beth got on the sofa to my left and offered her bare ass bravely. I got up and stood with my left foot on the sofa and my right foot flat on the floor. Alex knelt before me and resumed sucking my cock. Courtney knelt behind me and proceeded to lick my balls.

“Are you ready?” I asked Beth.

“Yes,” she said nervously.

She hardly finished her answer by the time my right hand landed forcefully on her right ass cheek, giving it a resounding swat. She yelped and jumped.

“You have to be quiet,” I said.

Courtney and Alex continued to tend to my cock and balls while I spanked Beth’s bare ass, watching it turn red and her pussy leak freely. She soon started to squirm. She came at the seventeenth stroke mark, but I continued to spank her until I finished twenty swats. Her orgasm did not stop then.

“You are officially my bitch now,” I said, squeezing lube on her asshole. “How does it feel?”

“It feels good,” she gasped as I pushed my cock into her asshole.

Courtney licked Beth’s drenched pussy as I slowly fucked Beth’s ass. Alex smiled at me and knelt next to Beth. Courtney soon knelt next to Alex. I lubed Alex’s asshole and finger fucked it while I pounded Beth’s. When Beth came, I switched my cock to Alex’s ass and finger fucked Courtney’s.

We changed positions a few times before I pumped my come in Beth’s twitching bowels.

“I’ll now eat your come out of her ass,” said Courtney. “She has the first claim on it. If she doesn’t want it, I’ll share it with Alex.”

“I actually want to suck it out of her ass and give it to you,” I said.

“Nick, why don’t you give it to me?” suggested Alex. “I can then give it to Beth to give to Courtney to spit up my gaping ass for Dave to eat out.”

“Your sister must be the kinkiest girl in the whole world,” said Sean.

“Dave, are you okay with this?” asked Alex.

“Sure, babe,” said Dave.

That was how we did it. Courtney reamed out Alex’s asshole with her fingers before she dribbled my come inside it. Beth came while I ate her slimy asshole, and Alex did the same as Dave ate hers.

My next come load went up Alex’s well-fucked ass. Dave passed it to her to pass to Courtney back and forth and then drool it inside Courtney’s gaping asshole. Sean finally ate it out.

When we left a few hours later, each girl had a come load up her plugged ass.

While Beth was busy, I took her mom’s number from her cellphone.

---

“Mrs. Conkley, I’d be delighted if you could join me for lunch on Tuesday,” I said over the phone.

“What’s the occasion?” she asked.

“I just want to get to know my girlfriend’s mom better,” I said. “We are like a family, so why not?”

“I appreciate that so much, but you don’t have to do that,” she said.

“I’ll let you make lunch for me next time,” I said.

“Are you cooking for me?” she asked.

“You can say that,” I said. “What’s your favorite lunch?”

“I’d be delighted to join you for lunch, but you don’t have to make my favorite meal,” she said. “Anything you have will be fine with me.”

“Don’t worry about it,” I said. “It wouldn’t be a hassle at all.”

“Chicken salad,” she said.

“That’s it?” I asked.

“Yes,” she said.

“Okay,” I said. “I’ll see you here at noon on Tuesday.”

“I’ll see you then,” she said. “Thanks for the invitation.”

“Don’t mention it—literally,” I said. “Don’t tell Beth. I don’t want to have to make lunch for her this time.”

“Okay,” she laughed. “Thanks.”

“Thank you for accepting my invitation,” I said. “Good night.”

“Good night, Nick,” she said.

---

Naturally, mom made lunch before she left. Alex and Courtney were out shopping.

Victoria liked the lunch, and I admitted that I had not made it.

After lunch, we resorted to the living room. We sat on either end of our fuck sofa.

“Mrs. Conkley, you are a perfect woman,” I said.

“Thank you,” she smiled, “but why do you think so?”

“I know you enough to like everything I know about you,” I said. “You have the looks, the attitude and the talent. Don’t take me lightly though; I am going to put you to the test to prove that you are indeed a perfect woman.”

“How are you going to put me to the test?” she smiled.

“That depends on you,” I said playfully. “I am going to play a game with you. Are you a big girl? Can you play a game and not cry uncle at your first chance? Can you handle me?”

“That depends on the game,” she said.

“The game isn’t violent,” I said. “It’s a game of will. Do you think you can take it?”

“Sure,” she said.

“Here is how it goes,” I said. “If I tell you to do something, you have to do it willingly. If you don’t, I am going to spank you until you do. The bottom line is that you have to do it willingly. If you do well, you’ll get your turn.”

“Okay,” she said.

“For the purpose of this game, I am going to call you Vicky,” I said.

“Nobody has ever called me that,” she said.

“Can you handle that?” I asked.

“Sure,” she said.

“This is a game but a serious game,” I said. “You have to take everything I say seriously.”

“Go ahead,” she said.

“Vicky, get down on your knees, and suck my big cock,” I said, looking her in the eye.

“Nick, this isn’t funny,” she said. “You can’t talk to me like that even if joking.”

“You are right, Vicky,” I said. “It isn’t funny, and I am not joking. Kneel, and suck my big cock. If you don’t, I am going to spank your bare ass until you do it willingly. I am not going to coerce you. You have to do it willingly.”

“I am not going to do that,” she said.

“Vicky, you are going to do that willingly,” I said. “You can do it, and you’ll do it. I can help you if you can’t do it on your own. Spanking can do you wonders. Get down, and do it, or bend over, and hike your dress.”

“I am a married woman,” she protested.

“I have news for you,” I said. “Married women love to suck big juicy cocks. I know that. Do it, or bend over.”

“You can’t do this to me,” she said.

“Vicky, have you ever been spanked?” I asked.

“No,” she said.

“You must be a good girl,” she said. “Kneel down, and suck my big cock like a good girl if you don’t want that.”

“Good girls don’t do that,” she said.

“Good girls do as they are told,” I said. “If they don’t, they get spanked until they do. Kneel down now!”

My hardening cock twitched when she knelt down.

“Take it out, Vicky,” I commanded albeit quietly. “Single and married women love my big fat cock.”

She reluctantly unzipped me and fished out my hard cock.

“You have a beautiful cock,” she said. “Why do you need to force me to suck it?”

“Thank you,” I said. “I am not forcing you though. You can only suck it willingly. Are you willing to suck it, or should I spank you?”

“I am willing to suck it,” she said lowly.

“Vicky, I am not a rapist,” I said. “You have to prove that you are willing to suck it before you can do that.”

“I am willing,” she said.

“Prove it,” I said.

“How can I prove it?” she asked.

“Stick a finger in your pussy, and show me it’s wet,” I said.

“I can’t do that,” she said. “That’s too slutty.”

“Vicky, this is my game, and you are my toy,” I said. “You’ll willingly do as I say, or get spanked and do it. Are you going to stick a finger into your cock-hungry pussy and show me that it’s soaked and hungry for cock?”

“Yes,” she hissed.

“Do it, Vicky,” I said. “Take your panties off first, and give them to me.”

“I, um, okay,” she stuttered.

She raised her ass up and reached under her dress. She pushed her panties down her hips and thighs and pulled them off her legs. She shyly extended her hand to me, offering her panties.

She was blushing as she held her blue thong up for me. I let her hold it for a few seconds before I took it from her. I took it to my nose and smelled it, enjoying her aroma.

“I am tempted to spank you, Vicky,” I said.

“Why?” she asked timidly.

“You have nice panties, and your pussy smells so nice,” I said, making her blush. “Why are you hesitant?”

“I am not supposed to do this,” she said lowly.

“Never say that again, Vicky,” I said. “You are my toy. You are supposed to do my bidding. Now, show me how hot and wet your little pussy is.”

She shyly reached between her legs and moaned softly as she stuck a finger into her pussy. She soon took her glistening finger out and showed it to me. I held her hand and sucked her finger dry, surprising her. I tilted her head up and smiled at her before I let go of her hand.

“You have a delicious pussy that needs my big cock bad,” I said. “Suck it like a good girl, Vicky.”

She started to suck my cock shyly.

“Stop, Vicky,” I said. “I need to spank you.”

“What for?” she asked timidly.

“It isn’t a punishment,” I assured. “You have a great ass. I want to show you that you are my bitch. I expect you to behave accordingly from then on.”

“Nick, please don’t spank me,” she said. “I’ll do whatever you want.”

“Vicky, baby, I don’t want to hurt you,” I assured. “This isn’t a punishment. I want to spank you to show you that you are mine. You’ll enjoy it because you are my bitch. I’ll never do anything to hurt my hot bitch.”

She timidly let me put her into position on her hands and knees on the sofa.

“Hike your dress to your waist,” I said. “You can’t cover your gorgeous ass during the spanking. Besides, you need to learn to be proud of your luscious ass.”

She meekly reached back and hiked her dress.

“Relax, and don’t be shy,” I encouraged, adjusting her position for maximum obscenity. “If you didn’t have such a hot ass, I wouldn’t be here. You were meant to be my bitch. This is the greatest compliment I can give.”

She trembled when I gently spread her ass cheeks, exposing her shy asshole and dripping pussy.

“Is this gorgeous ass virgin?” I asked, admiring her mouthwatering asshole.

“Yes,” she hissed.

“It’s so beautiful, especially your little asshole,” I said. “I hope you don’t mind me kissing something this sweet.”

Before she said anything, I kissed her asshole lightly, making her gasp.

“What are you doing?” she asked.

“Hush, baby,” I said softly. “Your asshole’s so lovely. I have to kiss it.”

She gasped, and her asshole clenched the second time I kissed it. She did not say anything though as my kiss lingered and I let my tongue tip lick it slowly. Her asshole soon unclenched, and she moaned lowly as I probed it.

“You like this, don’t you?” I teased.

“Yes,” she hissed. “I’ve never tried it before, but it felt nice.”

“You have a very sensitive asshole,” I said. “I bet you didn’t know that.”

“No,” she said lowly.

“Now that you know how much I love your hot ass, I am ready to spank it,” I said. “This time, it’s an act of love.”

Before she comprehended what I said, my right hand flew down into her right ass cheek, giving it a resounding smack that made her jump and yelp. It happened again almost immediately as I smacked her left ass cheek similarly. Her ass had two hand imprints, and my hand stung.

“Nick, this hurts,” she protested. “Please stop.”

“Don’t move, Vicky,” I said, looking at her asshole and wet pussy. “I am not going to hurt you.”

Her pussy got wetter as I watched, waiting.

“Your little pussy likes this,” I said. “I can see it leak. My big cock loves what I see.”

She did not comment.

“Try not to yelp or jump,” I said softly. “You are a big girl. This is a big girl’s spanking. Enjoy it.”

She jumped a little and let out a stifled yelp when my hand connected with her right ass cheek again. I immediately struck her left ass cheek, eliciting a similar response.

“You are a bitch, Vicky,” I teased, watching her pussy leak. “You love this.”

She groaned.

The wait period got shorter. I gave her ass a pair of smacks and then waited to see their effect on her pussy. She squirmed, and her juices leaked down her legs. She was ready to come.

“Come like a bitch, Vicky,” I said before giving her the tenth pair of swats.

Her last pair was harder than the previous ones. As soon as I delivered them, she gasped and stiffened. She twitched and shook in orgasm.

“Didn’t I tell you that you were a perfect bitch?” I teased as she continued to convulse in orgasm.

While she shook ecstatically for a while, I watched but did not touch her.

“Did I hurt you?” I asked when her orgasm finally subsided, leaving her gasping for air.

“No,” she gasped.

“You are soaked,” I teased. “Do you know what you are now?”

“I am your bitch,” she gasped.

“That’s right, baby,” I said as I shoved my cock into her soaked pussy, making her gasp sharply. Her pussy was so hot and tight. It squeezed my cock tightly. “Your pussy’s so hungry for my big cock.”

“Yes,” she hissed as I grabbed her hips. “It’s so big.”

“That’s what bitches in heat need,” I said as I thrust in her pussy. “Isn’t it what you are and what you need?”

“Yes,” she hissed, fucking back.

“Enjoy, my bitch,” I said, fucking her harder and harder.

Within a minute, she was ready to come.

“Come for me, my bitch,” I urged, pounding her pussy harder. “Show me what you are.”

“I am going to come for you,” she gasped. “I am going to come for your big cock.”

She soon stiffened and shook wildly. I drilled her gushing pussy until she went limp. I then slowed down and thrust gently in her soaked pussy while she recovered.

“Now, get down to your knees and suck my big cock like the perfect bitch you are,” I finally said, pulling out.

She knelt down before my rampant cock, which glistened in her copious juices.

“Don’t be shy, Vicky, baby,” I said. “You belong to this big cock. Suck it eagerly, and show it your hunger.”

She proceeded to suck my cock, getting more and more daring as I encouraged her. Before long, she was sucking my cock hungrily and shamelessly. I held her head and paced her. She was not capable of taking my cock down her throat. I gradually kept pushing my cock deeper into her mouth until several minutes later I was able to slide it all the way down her throat.

“I can’t believe this,” she said excitedly when I pulled out. “I’ve never been able to deep throat before.”

“You are a good toy, Vicky,” I said. “I told you that you were a perfect woman. I know how to play with my toys. Are you enjoying yourself now? Do you love being my bitch?”

“Yes,” she said happily.

“Do you concur that you are supposed to do this and be a perfect toy for me?” I asked.

“Yes,” she hissed.

“If you remain this good, I’ll make you my bitch,” I said. “Suck my big cock like a nice little bitch.”

She resumed sucking my cock eagerly. I gradually taught her to get her throat fucked.

“You are a good bitch, Vicky,” I said, thrusting in her throat. “I am proud of you. Do you like being my bitch?”

“Yes,” she gasped when I finally pulled out.

“I am going to enjoy toying with my bitch,” I said, fucking her throat. “If you are good, I’ll fuck you silly. Do you want me to fuck you silly, Vicky?”

“I am a married woman,” she gasped when I took my cock out of her mouth.

“Are you telling me that you don’t know how much married women love and need cock?” I teased.

“I know,” she said shyly.

“So, do you want me to fuck you silly like you should be fucked or not?” I asked.

“Yes,” she hissed.

“Are you ready to be my whore, or are you saying anything just to please me?” I asked.

“I am ready to be your whore and bitch,” she said lowly.

“If you are my whore, I am expected to fuck you silly and you can’t feel any shame about it,” I said. “You have to be sure it’s what you need and want. My big cock has to be your absolute master that you worship and please.”

“Your big cock’s my master,” she said. “I’d do anything for it.”

“You’ll get ample chances to prove that,” I said. “A perfect woman can effortlessly be my bitch and do that.”

“Are you going to fuck me now?” she asked.

“Do you want me to?” I teased.

“Yes,” she hissed.

“Get on your hands and knees like a good bitch, and beg for it while you wiggle your hot ass and shake it up and down like a cock-hungry bitch,” I said. “You are going to get fucked now.”

She got onto her hands and knees on the sofa and proceeded to shake her ass up and down.

“Please fuck me, Nick,” she begged. “Please fuck your horny bitch.”

“Do you promise to be a good bitch for me?” I teased as I knelt behind her and touched my cock head to her leaky pussy, making her movements brush her pussy up and down my cock.

“Yes, I promise,” she hissed.

“Take my big cock into your horny pussy and show me how much you love it,” I said.

She reached back with her right hand and held my cock by the shaft. She guided its head to the entrance of her leaky pussy and pushed back. I held her hips and pulled her into me as my cock slid into her hot pussy.

“My pussy loves your big cock,” she moaned as my cock skewered her pussy past the halfway point.

“You have a very hot pussy,” I said. “I love it too.”

She thrust into me, taking my cock deeper and deeper into her. I grabbed her tits through her top and fucked her juicy pussy briskly.

“Fuck me,” she begged. “Fuck me harder, Nick. Give it to me.”

Within seconds, I was pounding her pussy like a jackhammer. She gasped for air, and I maintained my fast pace.

“I am going to come,” she gasped.

“Come all you want, my hot married bitch,” I said. “That’s what you are here for. I’ll make you come until you know that you are completely mine in every way.”

She came, and I did not slow down even after her orgasm subsided. She recovered and proceeded to fuck back. She soon came again and again.

“You are a fucking machine,” she gasped as she picked up the pace after her fifth orgasm.

“I have to satisfy my bitches,” I said.

“I’ve never been fucked like this,” she gasped.

“Wouldn’t your husband be so proud of you if he saw you get fucked like such a good bitch?” I teased.

“He’d kill me,” she gasped.

“Why would he kill you?” I teased. “You are not doing anything wrong, are you?”

“I am not supposed to let you fuck me,” she gasped.

“Who said that?” I teased.

“I am a married woman,” she gasped.

“Doesn’t your husband know that even married women, not to mention married bitches, need cock and lots of it?” I teased. “He must know that.”

“He knows that, but he should be giving me all the cock I need,” she gasped.

“Is that what *he* thinks or what *you* think?” I asked.

“That’s what he thinks,” she said.

“I am glad that you don’t agree with that because it’s clearly wrong,” I said. “Had he given you all the cock you could handle, would you be dripping as soon as I let you know that you could suck my big cock if you wanted to?”

“You didn’t let me know I could,” she gasped. “You told me to.”

“If I wanted your horny pussy to leak freely, I should tell you to do my bidding?” I teased. “Is that it?”

“No,” she gasped lowly.

“Did you know why your pussy got soaked?” I teased. “Because you knew that I’d fuck you a lot better than he ever can. Don’t you know that a horny slut instinctively looks for the best cock to fuck?”

“I don’t know,” she gasped.

“Don’t you instinctively look for the best food to eat when you are hungry?” I teased.

“Yes,” she gasped.

“When you are hungry for cock, you instinctively look for the best cock to feed yourself as well if you have a choice,” I said. “Isn’t that right?”

“I guess,” she gasped.

We interrupted our banter for a minute as she had an orgasm.

“You’ve been starved for cock for a while, and you had a choice,” I said. “You could choose between my big powerful cock and his inferior one. You made the right choice, didn’t you?”

“I don’t know,” she gasped.

“You don’t know if my big cock’s the better cock for your pussy or not?” I teased.

“It is,” she gasped.

“So, you know that you made the right choice, don’t you?” I teased.

“Yes,” she gasped.

“Nobody should blame you for letting your natural carnal instincts guide you,” I said. “Isn’t that right?”

“I don’t know,” she gasped. “They’d say I am a slut.”

“You know that isn’t true,” I said. “You are not a slut. You are *my* slut. You are not a bitch. You are *my* bitch. You can tell them with a straight face that you are neither a slut nor a bitch. Don’t you love being my bitch?”

“Yes,” she gasped.

“Be true to your husband,” I said. “Tell him you are a hot woman with a strong womanly instinct that forces you to whore yourself to the best cock you can have. If he doubts you, ask him to watch you and see for himself.”

“I can’t let him watch me get fucked like this,” she gasped.

“You can, and you will, Vicky, baby,” I said. “You can’t be shy about being my bitch. I’d never forgive myself if I helped you do something you are ashamed of. Don’t you believe that I deserve your juicy pussy?”

“Yes,” she gasped.

“You can’t be ashamed of giving me the juicy pussy I deserve, can you?” I asked.

“No,” she gasped.

“Your husband can’t support you or respect your choice if he thinks you are doing a shameful act,” I said. “However, if you show him that you were meant to be my bitch, he can only help you and support you.”

“I don’t know,” she gasped.

She came, and we resumed our conversation after she recovered.

“From now on, your pussy will never hunger for cock although I am not going to fuck it often,” I said.

“How is it going to be satisfied if you don’t fuck it often?” she gasped.

“I am going to fuck your hot ass often,” I said, teasing her asshole with my thumb. “You have a fantastic ass.”

Her pussy and asshole clenched defensively.

“I don’t do that,” she gasped. “I’ve never done it before.”

“You are no longer the same, Vicky,” I said. “You were a good girl before. You are now a good bitch. From now on, your sweet asshole will be your main fuck hole. It’s going to be addicted to my big cock and my sticky come.”

“That’s going to hurt,” she gasped.

“You are a bad mom, Vicky,” I chided.

“What for?” she gasped. “What did I do?”

“You should respect your kids’ privacy, but a good mom still has to check on her kids and make sure they don’t hurt themselves,” I said. “Had you done that, you’d have learned that good ass fucking’s addictive but harmless.”

“You do it to Beth?” she gasped.

“Your daughter’s a great girl and a wonderful girlfriend,” I said. “I can’t tell you about her anything that would make you think she’s a bad girl. You can consider her a good bitch though—incapable of saying no to me.”

“It really doesn’t hurt?” she gasped and her asshole clenched as I squeezed lube on it.

“Vicky, baby, the only violence you’ll experience with me is having violent orgasms,” I said, gently massaging her slick hole. “You have a luscious ass that belongs to me. I am not going to let anybody hurt it, much less myself.”

“Thank you,” she gasped as her asshole started to relax.

“You can tell your husband that you’ve become an anal bitch that needs lots of cock up your greedy ass,” I said. “He obviously can’t take care of you, so you had to find a dependable ass fucker to indulge your anal cravings.”

“You think he’d accept that?” she gasped as I swiftly slid my slick thumb up her relaxed asshole.

Both her pussy and asshole clenched tightly. I held my thumb motionless up her ass while I continued to fuck her tight juicy pussy vigorously.

“It isn’t up to him, Vicky,” I said. “You are now my depraved bitch, and nobody can do anything about it. He has to accept it and support you in your pursuit of sexual satisfaction. It’s his job to help you do that.”

“We’ll see,” she gasped just before her orgasm hit her.

“Did you know that good husbands and boyfriends eat their women’s lovers’ come out of their gooey pussies and asses?” I asked, gently fucking her asshole with my thumb after she recovered.

“No way,” she gasped, her asshole milking my thumb.

“I don’t have to convince you,” I said. “Wouldn’t you love it if your husband ate my come out of your slimy pussy and ass? Isn’t it all the proof you need to believe that he supports your whoring completely?”

“Sure, but it’s so degrading,” she gasped.

“What’s degrading about showing one’s wife that she’s still loved even as another guy’s creamy come still leaks out of her stretched pussy and asshole?” I asked. “Would you still doubt your husband’s love ever?”

“No, but he’d never do that,” she gasped as I slid my other thumb up her ass.

“Would you still respect him if he did?” I asked.

“Sure,” she gasped. “This is crazy but your finger feels good in my asshole.”

“All my bitches have horny assholes so hungry for my big cock,” I teased.

“You have more than one bitch?” she gasped.

“Vicky, baby, when you give me your luscious ass, you’ll be my fifth hot bitch,” I said, gently stretching her tight but relaxing asshole.

“How are you hiding that from Beth, you sneaky bastard?” she gasped.

“I’ll give you the benefit of the doubt this time, but be very careful in the future,” I warned. “What you said made you sound like a miserable ungrateful selfish greedy bitch. Sleazy skanks like that can’t be my bitches.”

“What did I say?” she gasped.

“Now that you know what it’s like to crave and get my big cock, you have to be considerate to eligible bitches that need and crave it like you,” I said. “Without those, you wouldn’t be on the business end of my big cock.”

“I am sorry,” she gasped. “I just felt you were disrespecting my daughter.”

“I wouldn’t fuck a sleazy bitch I don’t respect,” I said. “I must be a good citizen and help good bitches that crave my big cock. I don’t even disrespect your husband as he eats my come out of your hot holes. It’s all fun as you’ll see.”

“Okay,” she gasped.

“You’ll eat my come out of my other bitches’ well-fucked pussies and asses, and they’ll do it to you,” I said. “You’ll find out then that it’s so hot.”

“You make your bitches eat your come out of each other’s pussy and ass?” she gasped.

“You don’t get it, do you?” I asked.

“What?” she gasped.

“I don’t *make* my bitches do *anything*, but I *let* them do *everything*,” I said. “My bitches do everything they do eagerly because it’s fun and to please me. They don’t spare any effort to please me. That’s how you have to be too.”

“Sure, but isn’t eating come out of someone’s ass disgusting?” she gasped.

“You’ll regularly use an enema to clean the inside of your ass,” I said. “Your ass has to be squeaky clean inside out. My bitches and their men only eat pure delicious come out of appetizing pussies and asses. There is no disgust.”

“Oh, I see,” she gasped.

“This isn’t about disgusting, disrespecting or humiliating people,” I said. “It’s about giving needy good bitches satisfying sexual and love lives. You’ll be my faithful dirty bitch but more of a sweet loving wife to your husband.”

“That’s what I want,” she gasped.

Another orgasm interrupted our chat. I was soon pounding her receptive pussy hard.

“Do you still want to be my bitch, or do you want to quit?” I asked.

“I am already your ass bitch,” she gasped. “There is no turning back.”

“Welcome to the club,” I said. “Why don’t you come for me while you imagine your husband begging you to feed him my hot come out of your well-fucked pussy and ass? Come for me like the good bitch you are.”

She soon came while I pounded her pussy and reamed out her tight virgin asshole. I continued to pound her pussy while she shook in orgasm, but I pulled up on her twitching anal ring until she went limp.

While she recovered, I held my hard cock balls deep in her soaked pussy. I removed one thumb from her ass and worked more lube inside her asshole. I reamed out her asshole and fucked it gently with my other thumb. She moaned and humped my thumb.

“I like what you are doing to my asshole,” she moaned.

“Of course, you like this, and you’ll love it when I fuck you up the ass,” I said. “It’s what it was made for.”

“That sounds right,” she moaned.

“Gorgeous asses are always meant for cock,” I said.

“Nick, we got carried away,” she said. “What if somebody came home and found us like this?”

“Never worry about silly things,” I said. “I wouldn’t fuck you here if that would matter.”

“What do you mean by that it wouldn’t matter?” she asked.

“I mean that it wouldn’t matter,” I said. “Mom would check with you to make sure that I am fucking you properly. My sister would congratulate me on fucking you. Dad would completely ignore that I am fucking you.”

“That doesn’t make sense,” she said.

“What wouldn’t make sense is fucking here if there were a risk for us to be bugged,” I said.

“Are you sure?” she asked.

“The other day mom caught Beth sucking my big cock here,” I said. “She asked her about her vacation and teased her about missing me.”

“No way,” she said.

“Trust me,” I said. “We are in this balls deep, so trust me.”

“Okay,” she said. “This better be true.”

“There is more to being my bitch than getting fucked like a dirty whore,” I said.

“What’s that?” she asked.

“You have to belong to me and trust me completely,” I said. “If I ask you to suck my big cock in front of your husband, daughters or my parents, you have to do it without hesitation. If you can’t, you are not my bitch. You can never embarrass me. You have to make me proud every time. Do you think you can do that, or should we stop?”

“I’ll do it,” she said emphatically.

“I knew you’d be a perfect woman and a perfect bitch,” I said. “Let’s see if we can make you come just by playing with your horny ass.”

“I think we can,” she moaned, her asshole milking my thumb.

“Have you ever let anybody toy with your sweet asshole?” I asked.

“No way,” she said. “I’ve always been a good girl.”

“You sure have,” I said. “Your cute asshole was meant for me. Nobody else should ever touch it without my permission. I am proud of you. I’ll be prouder when your little asshole closes around the base of my big hard cock.”

“That must feel amazing,” she said.

“It’s what your being my dirty bitch is all about,” I said. “You’ll be all mine like you should.”

She had her wildest orgasm as I worked on her asshole while I drilled her pussy.

“Your asshole’s already getting ready for my big cock,” I said. “I love hot responsive assholes.”

“It has to,” she moaned. “You are being so nice to it.”

“I have to thank your husband for guarding your virgin ass for me unless you want to do that for me,” I said.

“I can’t without letting him know that someone else is fucking my ass,” she said.

“Good luck with feeding him my come out of your ass without letting him know that,” I teased.

“I can’t think of a way to do that either,” she said as I worked more lube inside her ass.

She gasped when I replaced my thumb with two fingers and my cock with two other fingers. I held two fingers all the way in her pussy while I fucked her ass with the other two. Both her pussy and asshole twitched and milked my fingers as I finger fucked her ass. She moaned and humped back, but I moved the fingers in her pussy with her, not letting her get her pussy finger fucked.

“I like this so much,” she moaned as I picked up the pace.

“Your asshole’s probably dreaming about my big cock,” I teased.

“Maybe it is,” she moaned.

“If it isn’t, it isn’t going to get it,” I said.

“Yes,” she hissed.

“If it is, I want you to come for me,” I said. “I want to feel your asshole twitch in ecstasy.”

“Yes,” she hissed.

“Let’s see if your hot ass was really made for my big cock,” I said.

“I think it was,” she gasped.

“It will only take a minute to find out,” I said.

“It really was,” she gasped. “I am going to come for you. My asshole’s going to come for you.”

“Come for me, my dirty ass bitch,” I urged, drilling her asshole faster.

“Yes, yes,” she hissed as she stiffened.

She came, bucking her ass widely as I vigorously jerked my fingers within her twitching asshole. When her orgasm subsided, I removed my dripping fingers from her wet pussy and replaced them with my cock. I sucked her juices off my index finger before I brought my glistening middle finger to her lips as I gently thrust in her pussy.

“Taste your anal orgasm on my finger,” I said.

She parted her lips and sucked my sticky finger in. She sucked it thoroughly, moaning around it.

“I am inside all your fuck holes,” I said.

She moaned her acknowledgement.

“Are you ready to suck your copious juices off my big cock?” I asked as I removed my finger from her mouth.

“Yes,” she said.

She was soon on her knees, letting me gently fuck her throat.

“It’s time your sexy ass took its first bath,” I finally announced, slapping her face with my sticky cock. “There is an enema bag waiting for you in the bathroom. Take your time, and enjoy a deep cleansing treatment.”

“Okay,” she said, getting up.

“I’ve clearly written the instructions for you,” I said.

“Thank you,” she said.

“While you are there, get rid of your bra,” I said.

“Okay,” she said.

She walked to the bathroom, and I went to mine. I showered while she cleaned up her rectal insides. I had waited a few minutes for her when she rejoined me in the living room.

---

“Is my sexy bitch ready?” I smiled at her.

“I am ready,” she said shyly.

“You are ready to get ready for my big cock up your luscious ass,” I said, pulling her to me.

We finally got around to our first kiss and shared a long deep kiss, during which I fondled her tits and felt up her ass, grinding my hard cock into her juicy pussy. I pinched and pulled her stiff nipples. She moaned into my mouth and ground back. When we broke the kiss, I took her dress off, leaving her naked. I kissed and sucked her nipples, making her moan, while fondling her ass and worming a finger inside it.

“Suck my big cock, and let me fuck your big tits,” I said.

She dropped to her knees and proceeded to deep throat my cock eagerly. She took it out and drooled in her cleavage before she squeezed her tits around my sticky cock. I fucked her tits for a couple of minutes and then returned my cock to her mouth.

“Get on your knees, and let me get you ready,” I said, slapping her face with my cock. “Let me feast on your luscious ass. Lean on the backrest.”

She got into position, and I helped her adjust her position, letting her expose her virgin ass lewdly.

“Your ass is so appetizing,” I said as I knelt behind her ass and spread it, exposing her pucker utterly.

Her asshole clenched shyly.

“You have a very beautiful asshole, Vicky,” I said. “It’s so mouthwatering it’s making me drool, and it’s so sexy it’s making my big cock drool as well. You have a very hot ass.”

“Thank you,” she said lowly.

“Has anybody ever flirted with your gorgeous asshole?” I asked.

“No,” she said. “I’ve never even dreamed about that.”

“I can’t badmouth the guys who came before me and were so powerful to overlook and resist the power of your hot ass and its sweet asshole,” I said. “I owe them because they made it reach me intact and ready to be taken.”

“You really like my ass,” she moaned.

“Like nobody else,” I said. “That’s why you are my sexy bitch. I have to thank your husband for keeping it virgin for me. You both knew that your fine ass belonged to me and made sure nobody else touched it.”

“You think my husband did a great job keeping my ass virgin for you?” she laughed.

“Definitely,” I said. “I have to thank him profusely when I get a chance. He deserves to know what a great job he did. He needs to be appreciated accordingly.”

“I don’t know how you are going to do that,” she said.

“For the time being, let me appreciate your sweet asshole,” I said. “Make it wink at me. Let it flirt back.”

“This is so crazy,” she said as she started to wink with her asshole.

“As long as it’s fun for the two of us, I am fine with that,” I said.

“Of course, it’s fun,” she said.

Her asshole winked at me as I started at it.

“Has anybody ever told you that your cute pussy and asshole look so much like Beth’s?” I asked.

“Who in the world would tell me that?” she said. “You are the only one who’s ever seen both of us, not to mention inspected us so closely.”

“I wonder if Lisa’s are this pretty,” I said.

“Lisa’s none of your business,” she said. “You are so greedy. You’ve got her mom and sister.”

“Her slut sister and sluttier mom didn’t complain,” I teased. “I doubt she would either.”

“You are a bad boy,” she chided.

“If her pussy and asshole are much like yours and Beth’s, why should she give them to someone else?” I said. “You’ve already admitted that nobody else knows them like I do.”

“She’s no match for you,” she said.

“You don’t want me to treat her to her favorite lunch someday and send her to you happier than ever?” I teased.

“No,” she said.

“You can come as a chaperon,” I suggested.

“So I can watch you seduce her and use her like a dirty little whore?” she said. “No.”

“Keep winking now,” I said as I approached her asshole. “We’ll leave your little daughter’s winker for later.”

Her asshole twitched involuntarily when my tongue tip touched it, but it continued to wink. I gently pressed into the center of her winking asshole. She moaned as she winked. I licked and kissed her asshole repeatedly.

“You can stop winking and relax your asshole,” I said. “I’ll teach it how to open up for what it was made for.”

She stopped winking, and I ate her asshole eagerly. She moaned and ground her ass into my face as her asshole relaxed gradually. It nibbled my tongue tip whenever I probed it gently.

“This feels so nice,” she moaned. “Please don’t stop.”

She moaned and gasped while I sucked and licked her asshole happily for several minutes. I finally made her come around my tongue. I licked her asshole gently while she recovered.

“I am now going to ream out your virgin little asshole and get it ready for my big cock,” I said, squeezing lube on her asshole. “You want it to be relaxed enough to be able to take a thorough fucking, don’t you?”

“Yes,” she hissed.

“Keep it relaxed,” I said as I gently rubbed lube into her pucker.

She moaned, and her asshole opened up slowly. I worked the lube inside her rectum, constantly adding more. She moaned quietly. After a couple of minutes of sliding a slick finger in and out of her asshole, I used it to ream out her anal ring. I soon squeezed a second finger in. I continued to work lube inside her rectum until her asshole was relaxed enough for me to squeeze a third finger in. I took a few minutes to work my three fingers all the way up her ass. I held them there for a minute before I started to twist them around, reaming her tight asshole out further.

“I like that,” she moaned, grinding her ass into my hand.

“Of course, you do, my horny bitch,” I said as I gently finger fucked her ass with my three fingers.

She humped my fingers, matching my slowly accelerating pace. My fingers were soon drilling her asshole hard, and she was approaching orgasm.

“Come for me, my dirty whore,” I urged as her orgasm closed in on her.

“I am going to come for you, my horny stud,” she gasped.

“Let your cock-hungry asshole come for the big cock it belongs to,” I urged.

She stiffened and came. I continued to diddle her twitching asshole with my fingers until she relaxed completely, panting for air. I gently reamed out her asshole, twisting my fingers and pumping them slowly.

“Do you want me to fuck your virgin ass, Vicky, my dirty bitch?” I asked softly as I lubed my hard cock.

“Yes,” she hissed.

“Beg me to fuck it if you are serious,” I said as I repeatedly popped my three fingers in and out of her asshole.

“Please fuck my virgin ass, Nick,” she moaned. “Please fuck my ass with your big cock like you fucked my hungry throat and my horny pussy.”

While I repeatedly pulled my fingers all the way out of her shiny asshole and then shoved them back in, I slowly got into position behind her. My glistening cock was finally aimed at her virgin asshole. I popped my fingers out and shoved my cock in. I was halfway in when she felt it. She gasped, and her asshole clamped tightly around my cock. I did not move as I got used to her sizzling heat and tightness. I pushed in firmly before her asshole relaxed.

“Nick, your big cock’s inside my slutty ass,” she moaned. “You are going to make me come with your fat cock.”

“This is what your hot ass is for,” I said as I pulled her ass over my cock. “Come for me, my bitch.”

“I am going to come,” she said as my cock was almost all the way in.

“Come, baby,” I said, shoving the last inch of my cock up her ass and overcoming the last of her resistance.

“I am coming,” she gasped, stiffening.

She bucked wildly in orgasm as I held her hips tightly, keeping my cock balls deep up her ass while allowing her to jerk her stretched asshole over it in tiny strokes. She had a big hard orgasm before she calmed down.

“You are definitely the only one who deserves my ass,” she gasped.

“Your hot ass deserves the best, and from now on it’s going to get it,” I assured.

“Thank you,” she gasped as I gently thrust in her ass.

She fucked back, and I squeezed more lube on my cock.

“Your cute asshole’s never looked this beautiful,” I said. “After all, this is what it was made for.”

“It’s never felt this happy either,” she gasped.

“It’s finally realized its dream and become a hot and horny fuck toy,” I said.

“Fuck it, baby,” she said. “Fuck your new fuck toy very well.”

“I will,” I assured, picking up the pace.

Her asshole twitched wildly in its second wild orgasm within a couple of minutes.

---

“What would Beth do if she found out?” said Victoria as I fucked her ass toward its next orgasm.

“Do you want me to stop?” I teased.

“No,” she howled. “I’d never want you to stop. I just don’t want her ever to find out.”

“Why not?” I teased.

“There is going to be a big problem if she finds out,” she said. “I am not going to let you go regardless of what she does, so she’ll end up in a fight with us.”

“You know that you are not doing anything wrong, right?” I said.

“Yes,” she said.

“You can tell her the truth,” I said. “I made you my bitch, and there was nothing you, not to mention she or anybody else, could do about it. I wanted your hot ass, and you wanted my big cock. That’s all.”

“She’d still blame me and never like me again,” she said. “She may even tell her dad.”

“When you are not doing anything wrong, you don’t care who she tells,” I said.

“That’s true, but there would be major changes in my life, hers and everybody else’s,” she said.

“Don’t underestimate her,” I said. “She’s a great girl. I am sure she’d understand that you were meant to be my bitch and there was nothing anybody could do about it including the three of us. She’s my bitch herself after all.”

“Even if she understood, she’d still blame me for taking her boyfriend,” she said.

“*You* didn’t take her boyfriend,” I said. “*He* took you. You were an unclaimed bitch, and *he* claimed you.”

“You think she’d actually understand that?” she asked suspiciously.

“I am pretty sure,” I said. “Would you like her to watch you prove that you were meant to be my bitch?”

“That would be pushing it even if she understood and let it go,” she said.

“Vicky, Beth’s my bitch too,” I said. “Just like you don’t mind my fucking other bitches, she doesn’t.”

“Yeah, right,” she said. “She’s your girlfriend.”

“She’s my girlfriend and bitch,” I said. “She knows not to intervene between me and my other bitches.”

“Do you really have other bitches?” she asked.

“I have three other bitches besides you and her,” I said. “Two have boyfriends, and one’s married.”

“Really?” she asked.

“You are a great bitch, Vicky, but not the only great bitch in town,” I said. “You are special, but there are other great bitches who absolutely love my big cock too.”

“Beth knows about them?” she asked.

“She’s shared me with them,” I said. “She didn’t like it when she first found out. She thought I’d dumped her. I told her she was mistaken. When she understood the situation, she joined them, and everything went perfectly.”

"I'd never thought she'd do that," she said.

"I guess she loves cock as much as her slut mom does," I teased.

"No kidding," she said.

"Let's check on her," I said, grabbing my phone.

"Are you crazy?" she said. "Do you want to call her while you fuck her mom's slutty ass?"

"Just listen quietly and find out," I said as I dialed Beth's number and put her on speaker.

Beth picked up, and we went through the pleasantries.

"Can you guess what I am doing?" I asked in a teasing tone.

"You must be drilling one of your other bitches up the ass," said Beth.

"You know me too well," I laughed. "Can you tell which one?"

"You are probably taking turns on both," she said.

"I am actually with a new bitch," I said. "Her name's Vicky."

"Do I know her?" she asked.

"I am sure you've seen her before," I said.

"Does she have a nice ass?" she asked.

"It wouldn't have been wrapped around my big cock otherwise," I said. "Why don't you welcome her to the club?"

"Vicky, I am Beth, Nick's girlfriend," she said. "Welcome to Nick's bitch harem. I'll soon share him with you and watch him plow your little pussy and ream out your horny asshole open."

"Say something to Beth, Vicky," I said.

"Beth, it's me," said Victoria awkwardly.

"Mom?" said Beth in surprise.

"I am sorry, Beth," said Victoria. "One thing led to another, and it just happened."

"Nick, you've already seduced her?" asked Beth in surprise. "I am proud of you, but you need to teach her that she can't be sorry about being your bitch. She should be happy and proud."

"She is," I said. "She's just not sure about your reaction."

"That's better," said Beth.

"I've already claimed all her horny fuck holes, especially her formerly virgin asshole," I said. "I am fucking it right now. She's a natural bitch. I practically asked her to kneel down and suck my big cock, and she did readily."

"That isn't true," protested Victoria. "You threatened to spank me if I didn't."

"Is that what made your pussy drip?" I teased. "You were dying to have me spank you like a naughty little girl?"

"No," she said lowly.

"You were dripping when you took your panties off and showed me how wet your pussy was," I said. "I told you you'd have to suck it willingly. I wouldn't have let you suck my big cock if you weren't dying for it. Did I even put my big cock in any of your three cock-hungry little fuck holes before you proved to me that you needed it there?"

"No," she said lowly. "I was horny, and you took advantage of me."

"You loved every second of it, didn't you?" I teased.

“Yes, but you are exaggerating,” she accused.

“Tell her that we have it on video,” I said. “She can watch it to see if there was any wrong doing.”

“I don’t want her to watch that,” she said nervously. “I don’t want her to find out how slutty I’ve been.”

“You admit that you are a cock-hungry slut?” I teased.

“Yes,” she hissed.

“Don’t be shy,” I said. “Beth has seen how bitches feel and behave. She’s one too.”

“I am a slut,” she said. “What now?”

“You are my bitch, Vicky,” I said. “It’s up to me what to do with you, but you love it, don’t you?”

“Yes,” she hissed.

“Nick, my mom isn’t just another bitch,” said Beth. “Don’t humiliate her, but fuck her very well.”

“None of my bitches is just another bitch,” I assured. “They are all very special. I don’t humiliate them. They deserve my respect most, and I fuck them like they should be fucked. Your mom’s in good hands, and she knows it.”

“Thank you, baby,” she said. “I wish I were there to enjoy watching you fuck her like you should.”

“It’s all on video, and you’ll watch it soon enough,” I said.

“Have fun,” she said. “I’ll see you both soon.”

“Why don’t you wait until you listen to your slut mom have a nice big anal orgasm on my big cock to make sure I am taking good care of her?” I offered, picking up the pace.

“Sure,” she said.

Victoria was soon gasping. Within a minute, she stiffened and convulsed in orgasm, sobbing softly.

“Yes, yes,” she hissed. “I am coming. My asshole’s exploding around your big amazing cock.”

“That was nice,” said Beth after her mom’s orgasm subsided. “You made me wet.”

“Keep it wet for me,” I said while Victoria recovered as I fucked her ass gently. “Bye, Beth.”

“I can’t believe I talked with my daughter while you fucked me in the ass,” gasped Victoria after we hung up.

“You even came anally on my big cock while you did,” I teased. “No good wife or good mother does that. Only good bitches do.”

“At least, I am a good bitch,” she said.

“You are a great bitch, Vicky,” I said. “Didn’t I tell you that you were a perfect woman right before I made you my bitch? A perfect woman’s always a perfect bitch. I am so happy you are now mine.”

“Me too,” she said. “I am so happy Beth’s okay with it too.”

---

“Wait until your husband’s okay with whoring your slutty self to my big cock,” I said. “You are going to love it.”

“I still think John would kill us if he knew about this,” said Victoria.

“Did you know that Beth wanted her dad to eat my come out of your pussy and ass?” I asked.

“If he heard her say that, he’d kick her ass all the way to Maine,” she said.

“She doesn’t think so after she watched my bitches’ boyfriends eagerly eat my come out of their pussies and asses,” I said. “My married bitch’s husband has been eating my come out of all her holes for a long time too.”

“No way,” she said in disbelief.

“You’d be surprised at how open-minded and self-assured many of the guys are these days,” I said. “I am however an old-fashioned animalistic type that only knows to fuck and pump his bitches full of his thick come.”

“You are very lucky to come across those other guys,” she said.

“They and their soul mates are very lucky to come across me too,” I said.

“I am afraid John isn’t like that,” she said.

“Nobody knows he’s like that until he eats his first come load out of a slimy well-used fuck hole,” I said.

“It would be amazing if I could pull that off, but I know I can’t,” she said.

“Don’t worry about it,” I said. “My bitches will take care of everything.”

“Are you sure that wouldn’t ruin everything?” she asked.

“Vicky, you are my bitch,” I said. “Nothing’s going to change that. Your husband will soon recognize it. He can’t stand a chance with my wicked bitches.”

“I hope you are right,” she said.

“You just keep your horny ass coming for me and don’t worry about any of that,” I said, fucking her ass harder.

“I am going to come,” she gasped. “You make me come so easily.”

“Really?” I teased. “I thought I make you come so hard.”

“You do,” she gasped.

“I love making my bitches come for me,” I said. “I want them to be very happy.”

“I am very happy,” she gasped.

She soon stiffened and came while I continued to pound her ass mercilessly.

“I love fucking your horny ass,” I said when she resumed fucking back.

“Me too,” she said. “It’s the hottest thing I’ve ever experienced.”

“Do you still have any doubt that you were meant to be my ass bitch?” I teased.

“No way,” she said.

---

Mom walked in while I pounded Victoria’s ass vigorously.

“Hi,” greeted mom.

Victoria got up and tried to move away. I pushed the top of her back down with one hand and held her ass to me with the other while I continued to thrust in her ass. She reluctantly got back into position, and I grabbed her hips with both hands and resumed fucking her ass hard.

“Hi, mom,” I said. “This sexy lady’s Mrs. Conkley, Beth’s mom. Mrs. Conkley, this is my lovely mom.”

“Nice to meet you, Mrs. Conkley,” said mom, offering her hand.

“Nice to meet you too, Mrs. Callaby,” gasped, Victoria, shaking mom’s offered hand.

“Is my son doing a good job at what he’s doing, or is he torturing and frustrating you?” asked mom.

“He’s doing a wonderful job,” gasped Victoria. “I congratulate you on him.”

“Thank you,” said mom. “That’s what I expect from him.”

“I am going to come,” gasped Victoria.

Victoria stiffened and had a wild orgasm as I pounded her shaking ass wildly.

“You didn’t fake that, did you?” teased mom as Victoria panted.

“No way,” gasped Victoria. “With your son, I may have to pretend I am not coming because of how easily he makes me come.”

“Mom, you can continue your conversation while you spread her ass for me,” I said.

“You are a horny boy, aren’t you?” teased mom as she walked to the sofa.

Mom sat next to Victoria and spread her ass while I fucked Victoria’s ass faster and faster.

“You are reaming out her little asshole seriously,” said mom, watching my cock drill Victoria’s stretched asshole.

“It’s the least I can do for the sexy bitches whose asses crave my big cock,” I said.

“Does your ass really crave my son’s big cock, Mrs. Conkley?” teased mom.

“Of course, it does,” gasped Victoria. “Your son’s big cock does the most amazing things to my horny ass. By the way, please call me Victoria.”

“Call me Amy too,” said mom.

Victoria had another orgasm. When it subsided, I popped my cock out, leaving her asshole gaping.

“Mom, can you see how it gapes?” I said. “Drool inside it.”

Mom carefully drooled inside Victoria’s open asshole.

“Do you want to taste it?” I said aiming my sticky cock at mom’s mouth.

Mom opened her mouth and took my cock in.

“Nick, what are you doing?” asked Victoria when she looked back and saw me thrust deeply in mom’s mouth.

“I am just letting mom taste your luscious ass on my big cock,” I said. “Relax it isn’t real sex.”

Mom eagerly deep throat my cock.

“Taste it well,” I said, holding the back of mom’s head and pushing my cock all the way down her throat.

Mom sucked my cock hungrily and let me fuck her throat for a couple of minutes. She eagerly pulled me into her by the hips, occasionally moaning around my cock.

“Does it taste good?” I asked, slapping mom’s face with my sticky cock.

“Of course,” said mom. “Anything you stick your beautiful cock in tastes delicious.”

“I’ll give you a second taste then,” I said, pushing my cock into Victoria’s ass. “Spread her horny ass for me.”

Mom spread Victoria’s ass, and I drove my cock all the way in. I fucked Victoria’s ass deeply for a minute.

“Here you go,” I said as I held the back of mom’s head and pushed my cock all the way down her throat.

Mom took my cock in her mouth, moaning around it contentedly.

“Vicky, I want everybody to know that you have a delicious ass,” I said. “I am proud of your ass.”

“Thank you,” said Victoria as she watched me fuck mom’s throat.

“Taste it directly,” I said as I pulled my cock out and pushed mom’s head toward Victoria’s ass.

Mom spread Victoria’s ass and proceeded to lick it and probe it, making Victoria moan.

“Are you ready to return the favor, mom?” I asked, squeezing lube on my cock.

“Sure,” said mom as she knelt next to Victoria.

Victoria watched in wonderment as I hiked mom’s dress, exposing her bare ass.

“What are you going to do?” asked Victoria as I aimed my cock at mom’s offered ass.

“Nothing out of the ordinary,” I said as I used one hand to spread mom’s ass and the other to guide my cock in.

“Nick, she’s your mom,” protested Victoria as my cock slowly sank in mom’s ass, making her moan quietly.

“She’s just tasted your delicious ass on my big cock,” I said. “You are now going to taste hers.”

“You are not supposed to have sex with your mom,” she said.

“This isn’t sex,” I said. “Sex is vaginal. This is anal probing so you can taste her succulent ass on my big cock.”

“Are you okay with that, Amy?” Victoria asked mom as I pulled her ass all the way over my cock.

“It feels good,” said mom.

“Vicky, get up and spread her ass like she spread yours for me,” I said.

Victoria turned around and sat next to mom. She tentatively spread mom’s ass.

“Wow!” she exclaimed when she saw how wide my cock stretched mom’s tight asshole. “Is this what you do to my little asshole? You stretch it so wide?”

“This is what you like so much,” I said as I thrust in mom’s ass.

Mom moaned and fucked back as I picked up the pace.

“You are really giving it to her,” said Victoria.

“We want to give you a good taste,” I said. “I may be biased, but I think she has a hot ass and a tasty asshole.”

“She really knows how to use it too,” she said.

“She makes me proud,” I said. “Most women have no clue what their hot asses are for.”

“Yes, yes,” mom gasped as she approached orgasm.

Victoria watched silently as I pounded mom’s eager ass hard until she stiffened and shook in a wild orgasm. I slowly sawed my cock in and out of mom’s ass while she recovered, panting.

Mom’s asshole gaped when I popped my cock out.

“It’s open!” exclaimed Victoria.

“It’s beautiful, isn’t it?” I asked as I popped my cock head in and out of mom’s gaping asshole a few times.

“Yes,” she said.

“Taste it,” I said, pushing my cock toward her mouth.

Victoria opened her mouth and took my cock in. I was soon fucking her throat.

“How does it taste?” I asked, slapping her face.

“It’s good,” she said.

“Give her asshole a deep kiss,” I said. “Stick your tongue in it as far as it would go.”

Victoria lowered her mouth to mom’s gaping asshole and gave her a kiss, making mom moan.

“It tastes good,” said Victoria when she got up.

“Now, this is what most people call incest,” I said as I shoved my cock all the way into mom’s drenched pussy.

Mom gasped, and her asshole snapped shut.

“You don’t call it incest?” said Victoria in surprise. “What do you call it?”

“I call it loving the woman I love most,” I said, thrusting in mom’s pussy. “I just can’t deny that I love mom.”

“This isn’t how guys are supposed to love their moms,” she said.

“You express your emotions in the way that makes sense to you,” I said. “As long as both parties understand it, I can’t see a problem.”

Our pace picked up, and mom soon came, drenching my cock in her copious juices.

“Taste where I came from,” I said, offering Victoria my glistening cock.

Victoria took my cock in her mouth and sucked it thoroughly. I fucked her throat for a minute.

“How does my first home taste?” I asked.

“It tastes very good,” she said.

“You think that was why I turned out to be a sweet guy?” I teased.

“I guess so,” she said.

“You must be curious about what I call this,” I said as I pushed my dripping cock into mom’s ass.

“What do you call it?” asked Victoria.

“I call it fucking my hottest bitch in her hottest fuck hole,” I said.

“You don’t think any of this is incest or wrong?” she asked.

“Of course not,” I said. “How can I consider being nice to my mom wrong? Can’t you see that she loves it?”

“Yes, but she shouldn’t,” she said. “You are her son. She isn’t supposed to get sexual gratification from you.”

“How can a hot woman not get sexual gratification from having a big hard cock thrust in every needy hole she has?” I asked. “She’d have to be dead.”

“That’s it,” she said. “She shouldn’t let you do that.”

“Don’t be a hypocrite,” I said. “She’s a hot woman like you. She’s supposed to whore herself to the best cock available just like you. That happens to be mine. What’s she supposed to do? Not be a woman?”

“I don’t know,” she said. “I guess she could do this.”

“Look at this,” I said. “Do you think I am giving her hot ass a serious reaming?”

“You sure are,” she said.

“You think I am giving her cock-craving asshole all the hard cock it needs?” I teased.

“Yes, and then some,” she said.

“Am I being a good son for my mom?” I asked.

“If I judge by how happy you make her, I have to say you must be the best son in the world,” she said.

“Do I happen to be a good daughter’s boyfriend by any chance?” I teased.

“You happen to be the best,” she said.

“Because you happen to be the hottest girlfriend’s mom, get on your knees next to mom so I can feed your fuck holes if they still need cock,” I instructed. “Is your hot asshole still hungry for my big cock?”

“Oh, yes,” she said as she got into position. “Watching you fuck your mom made it even hungrier.”

Mom soon came, and I switched my cock to Victoria’s ass.

“What if your dad found out?” asked Victoria when I returned my cock to mom’s ass.

“You weren’t listening, were you?” I teased.

“What?” she asked.

“Mom’s my hottest bitch,” I said. “Dad knows that. The best he can do is eat big loads of my sticky come out of her well-used pussy and ass.”

“Nick, be serious,” she said.

“Good husbands and boyfriends do that all the time,” I said. “You think dad isn’t a good husband?”

“Amy, is what Nick’s saying true?” she asked.

“Yes,” said mom. “I didn’t raise my son to lie.”

“Your husband really eats Nick’s come out of your pussy and ass?” asked Victoria.

“Not very often,” said mom. “Alex’s boyfriend does that more often.”

“What?” asked Victoria in disbelief.

“I introduced him to cream pies, and he took to them more eagerly than Dan,” said mom.

“Your daughter’s boyfriend eats Nick’s come out of your pussy and ass?” asked Victoria.

“Don’t be so surprised,” said mom. “Your daughter’s boyfriend’s fucking you in every horny fuck hole you have like a cheap whore.”

“You are right,” said Victoria. “Are you sure he wouldn’t blab about it?”

“What?” teased mom. “He’d brag to his friends that he eats come out of his girlfriend’s mom’s pussy and ass?”

“You are right,” laughed Victoria.

“I am more afraid you’d brag to your friends and acquaintances that your daughter’s boyfriend fucks you in every conceivable way like a seasoned whore,” teased mom.

“I’d never do that either,” said Victoria. “What if Alex found out though?”

“I told her I’d introduced her boyfriend to cream pies after I told him to eat hers and he did,” said mom. “She soon had him eat my cream pies while she watched.”

“Does she know about Nick and you?” asked Victoria.

“As soon as she found out, Nick made her his bitch,” said mom. “It’s his come that her boyfriend eats out of her sloppy pussy and ass most of the time.”

“Wow!” said Victoria. “You have a very horny family.”

“Like you don’t,” teased mom.

“I am just a horny slut,” said Victoria.

“What about your daughter?” asked mom. “She and I ate Nick’s come out of each other’s ass.”

“You did?” asked Victoria in disbelief.

“When your daughter found out her boyfriend had other bitches, she felt betrayed,” said mom. “Nick explained to her that she could either share his cock or give it up to sluts who did. She chose to share and became his bitch.”

“You have a wicked son,” said Victoria.

“I guess he loves our horny asses as much as we love his fat cock,” said mom.

“I am sure he does,” said Victoria.

“Don’t blame him much though,” said mom. “On my last anniversary, I teased him mercilessly, and then I put his hard cock in my pussy and told him I always got fucked silly on my anniversaries. He gave me the best fucking of my life, but I continued to tease him until he took the hint. He spanked me and told me I was his bitch to fuck anyway he wanted and it was up to him to let his dad watch, fuck me or not. I told him he belonged in my bed then.”

“Do you mean that he literally sleeps in your bed now?” asked Victoria.

“His dad and he switched rooms,” said mom. “I can’t let another guy sleep in my bed when I am Nick’s bitch.”

“Thanks for turning him into a fine man who’d take us as his willing bitches,” said Victoria.

“You are welcome,” said mom. “Are you now going to kick your husband out of your bed?”

“I wish, but I don’t know how to do that without getting kicked out of the whole house myself,” said Victoria.

“We’ll figure something out,” I said. “Your hot juicy ass belongs around my big cock, and it will forever remain mine no matter what happens.”

“Thank you,” she said.

“The first thing you need to do is to feed him your lover’s come out of your pussy and ass,” said mom.

“That isn’t exactly the easiest thing to do though,” said Victoria.

“Don’t worry about it, Vicky,” I said. “We’ll figure it out. You are my bitch forever, and your hot ass is mine. Nothing will change that or deprive your horny ass of the big cock it belongs to.”

Mom came, and I returned to Victoria’s ass.

“I am going to come,” I announced when Victoria’s orgasm hit her. “I am going to come in your slutty ass.”

“Yes, yes,” gasped Victoria. “Fill my whoring married ass with come.”

In the middle of Victoria’s orgasm, my cock started to twitch and spew come inside her sucking asshole. When I was halfway through my orgasm, I swiftly switched my cock to her gushing pussy. I drained my balls there.

“If you don’t mind, mom would like to eat my come out of your pussy and ass,” I said when I finally pulled my spent cock out of her gooey pussy.

“Sure,” said Victoria.

Mom knelt behind Victoria and proceeded to eat her pussy. Victoria moaned and humped mom’s face. She soon came, and mom moved to her asshole. She made her come again. Meanwhile, Victoria sucked my cock. Mom joined her, and they sucked my hardening cock together.

---

My cock was back up Victoria’s ass when Alex arrived.

“Hi,” greeted Alex. “Nick, you are reaming out Mrs. Conkley’s asshole. Hi, Mrs. Conkley.”

Victoria blushed, but she continued to spread her ass for me and I continued to pound it.

“Vicky’s a wonderful woman,” I said. “As soon as she found out that my big cock was available to be sucked, she was on her knees stuffing it down her throat. When she found out I liked her hot ass, she insisted that I deflower it and make it mine. I am showing her it was the wisest decision she’s ever made in her life.”

“I can see that you are doing a good job convincing her of the obvious,” said Alex. “You have every right to like her great ass. It’s so receptive to your big cock.”

“Nick, it didn’t happen like that,” gasped Victoria.

“I am just telling her you are a good bitch,” I said.

“You didn’t have to make things up, Nick,” said Alex. “I can tell that her horny ass and your big cock belong together. She’s definitely a good bitch for you. I am sure Beth will love this.”

“We’ve already talked to her, and she welcomed her slut mom to the club,” I said.

“Can I get on my knees next to Mrs. Conkley and get my horny ass fucked?” asked Alex.

“Does your horny ass belong to me?” I asked.

“Of course, it does,” said Alex. “My horny ass belongs to you and only you.”

“In this case, by all means get into position and spread it for me, but don’t you want to taste Vicky’s luscious ass on my big cock and directly first?” I said.

“I’d love to do that,” said Alex. “Are you okay with that, Mrs. Conkley?”

“Yes,” gasped Victoria.

“Taste it on my cock first,” I said, popping my cock out of Victoria’s asshole.

Victoria gasped, and her asshole gaped. Alex gulped my cock down. Victoria looked over her shoulder and watched as I fucked Alex’s eager throat.

“She’s a real cocksucker too,” said Victoria.

“All my bitches are,” I said.

“They all must love doing it like I do,” she said.

“Taste it directly,” I said.

Alex scooted to the side and proceeded to lick Victoria’s gaping asshole, making her moan and grind back into her face. I knelt behind Alex and adjusted her position. I hiked her skirt and pushed my cock into her leaky pussy, making her moan into Victoria’s ass. I fucked Alex while she ate Victoria’s ass hungrily. They both came very soon.

“Taste her pussy,” I said to Victoria as I climbed onto the sofa and pulled her head to my dripping cock.

Victoria deep throat my cock for a minute, moaning around it, while Alex licked her soaked pussy.

---

“Courtney and I got very slutty outfits for you,” said Alex as she put her shopping bags away.

“I can’t wait to take you out of them and drill your slutty asses,” I said as she got into position and I skewered Victoria’s ass on my cock.

“Us neither,” she said as she spread her plugged ass.

“Vicky, are you excited that I am fucking you in a group?” I asked as I tugged Alex’s butt plug.

“Yes,” gasped Victoria. “It’s so wild. I’ve never thought it would happen to me.”

“We like doing everything in the open,” I said. “Soon, your husband will be able to watch you get fucked silly before he cleans out your slimy orifices.”

“You’ll enjoy having your husband eat Nick’s come out of your pussy and ass,” said Alex as I popped her butt plug out of her ass. “He will too. My boyfriend and I love it. My friend Courtney and her boyfriend love it too.”

“Taste her asshole now,” I said, bringing Alex’s butt plug to Victoria’s lips.

Victoria sucked the butt plug eagerly, moaning and gasping around it. I let her suck it until she came.

“Now, push it up your slutty ass,” I said, letting go of the butt plug as Victoria continued to suck it.

Victoria took hold of the butt plug as I popped my cock out of her ass and wiped her soaked pussy with my cock head. I squeezed lube on Alex’s relaxed asshole and pushed my cock in. Victoria pushed the butt plug up her ass as I thrust in Alex’s spread ass.

“You’ll go home wearing your own,” I said to Victoria as she slowly fucked her ass with the butt plug.

“Bitches like us never leave home without it,” gasped Alex. “We keep our assholes in tiptop shape. Your slut daughter must be wearing hers right now.”

“It feels nice,” moaned Victoria.

“It helps us never forget what we are, not that we would otherwise,” gasped Alex.

After Alex came, I rolled them all onto their backs and had them pull their legs over their heads. They spread their asses for me too. I started with Victoria’s ass. I was fucking mom’s ass though when dad arrived.

---

“Hi,” greeted dad as he walked in. Victoria blushed and tried to lower her legs, but I pushed them up. He kept walking and then noticed her. “Hello, ma’am.”

“Hi,” said Victoria shyly.

“Hi, honey,” said mom.

“Hi, dad,” said Alex.

“Hi, dad,” I said. “Dad, this is Mrs. Conkley, Beth’s mom. Vicky, this is dad.”

“Nice to meet you, Mrs. Conkley,” said dad.

“Nice to meet you too, Mr. Callaby,” she said shyly.

Meanwhile, I continued to fuck mom’s ass.

“Vicky’s just lost her ass cherry a couple of hours ago,” I said. “Would you like to watch her have an anal orgasm to make sure I am not taking advantage of every married slut I can get my hands on?”

My smile told him to accept my offer.

“Sure, although I am sure you are not,” he said.

“Please hold her legs for her so she can spread her ass more comfortably,” I said.

He hesitantly stepped forward and held Victoria’s ankles from behind the sofa.

“Spread it well,” I said to Victoria as I continued to pound mom’s spread ass. “I’ll be right over as soon as mom’s sizzling ass comes on my big cock.”

Victoria spread her ass, and mom came soon.

When mom's orgasm subsided, I pulled out and squeezed lube along my shaft. I switched the butt plug to mom's ass and gently pushed my slick cock up Victoria's ass, making her moan as it filled her up.

"Dad, can you see how my fat cock reams out her tight asshole?" I said as I drilled Victoria's asshole. I pinched her nipples and pulled her tits by them. "I love doing this."

"You are definitely doing a great job on her," he said.

"Oh, yes, he is," gasped Victoria.

Victoria soon came, and I fucked her ass until her orgasm subsided. I returned the butt plug to her ass.

"Dad, would you like to taste her pussy to make sure she didn't fake it?" I asked. "Go ahead."

"That isn't necessary," he said.

"Go for it, dad," I said. "Somebody needs to clean it up, and the rest of us are busy. You'll both enjoy it."

He looked at her drenched pussy before he let go of her legs. He walked around the sofa and knelt before her. Meanwhile, I lubed Alex's asshole and proceeded to fuck it.

"Feel free to make her come," I said as he started to lick her pussy, making her moan. "She'd surely like that."

Alex and Victoria came almost together.

"Nick, why don't you call Beth and have her get fucked with us?" suggested Alex.

"We'll do that but not today," I said. "Today, I am introducing Vicky to our family. On another day, we'll introduce her to her own family."

"Mr. Callaby, thank for holding my legs and for eating my pussy," said Victoria as dad got up.

"You are welcome," he said.

"Dad, go ahead and eat mom's pussy," I said. "I'll fuck Alex's hot ass a little more."

"Please, honey," said mom when she saw him hesitate.

Mom and Alex came together too.

"Dad, it's my turn," said Alex when dad got up and I pulled out of her ass and plugged it with the butt plug.

"You are my daughter," he protested as I pushed my cock into Victoria's ass.

"To me that only means that I deserve the best pussy eating you can give," said Alex.

"Alex, I shouldn't do that," he said.

"Mom, say something," whined Alex.

"Do it, honey," said mom. "It isn't a big deal. I mean in a bad way. I am sure it's a big deal for her."

"Yes, dad, it's a very big deal for me," said Alex. "It would make me feel great among my peers."

He finally knelt before Alex and proceeded to eat her pussy. She and Victoria came together.

"Dad, thank you so much for eating my horny pussy and making me come in your mouth," said Alex.

"You are welcome," he said.

"Dad, thank for helping me with my bitches," I said. "They and I appreciate that."

"You are welcome," he said, walking away, as I pushed my cock into mom's ass.

“Wow!” said Victoria. “Your dad watched you fuck your mom and sister.”

“You too,” I smiled. “He knows what a bitch’s all about. Your husband soon will too.”

“I hope you are right,” she said.

“Don’t worry about that, Mrs. Conkley,” said Alex, getting up. “I’ll make sure it happens.”

“Thank you, said Victoria.

“Mrs. Conkley, thank you for letting me be part of your bitch initiation orgy and letting me taste your delicious pussy and asshole,” said Alex.

“You are welcome, Alex,” said Victoria. “I hope this won’t be the last time we share you brother’s amazing cock.”

“Of course not,” said Alex. “Though, this may be the last time we do it behind your husband’s back. I hope next time you’ll be able to share Nick’s cock with me and his come with your husband.”

“I hope so too,” said Victoria.

Alex took her shopping bags and left to her room.

---

“Do you want to taste my come in mom’s pussy and ass?” I asked Victoria as I pounded mom’s ass.

“Sure,” said Victoria.

Before long, Victoria was on her knees devouring mom’s slimy pussy and ass while mom revived my cock.

“Victoria, thanks for letting me join you,” said mom as I started to fuck Victoria’s ass.

“Thank you,” said Victoria.

“Enjoy yourselves,” said mom.

“Thanks,” said Victoria.

Mom left as I drilled Victoria’s ass in the doggy position.

---

After Victoria’s next orgasm, I had her bounce her ass on my cock in the anal Asian cowgirl position while I spread her ass for her and paced her. I fucked her in a few more positions.

My next come load went down her throat. I later came in her pussy. I used my fingers to feed her the come that leaked out of her pussy. My last come load went deep in her happy ass. I cleaned her drenched pussy and kissed her well-fucked pussy and ass. She cleaned my cock before I sent her home, freshly showered but wearing her new butt plug and taking her new enema bag with her.

“Take good care of your hot ass for me,” I said squeezing her ass as I walked her to the door.

“I sure will,” she smiled. “Now, I have a good reason why.”

“Did you enjoy having lunch with me?” I asked.

“I did, but I enjoyed what happened after it very much,” she said.

“Dessert’s supposed to be sweet,” I said. “You had a good time?”

“I had the best time of my life,” she said. “Thank you.”

“Make sure to tell that to Lisa,” I teased.

“You are bad,” she said, slapping me playfully.

We shared a deep goodbye kiss. I felt up her ass thoroughly and ground into her as our tongues wrestled.

“Oh, Nick, you are getting hard again,” she said. “Don’t you ever get enough?”

“Who’d take care of my bitches if I did?” I smiled.

“Are you going to fuck your mom and sister now?” she asked.

“Maybe,” I smiled.

She pecked me on the lips and left, waving.

## GIRLFRIEND’S DAD MEETS HIS FAMILY

Victoria was the only one of my bitches that I did not fuck during the following week. That was going to change on Saturday though. Alex, Dave and I visited Victoria while Beth and her dad were home. Lisa was out.

John was doing some work in his den while his wife and I made out in the living room and Beth watched, occasionally stroking my boner through my pants.

---

Alex knocked on the den door.

“Come in,” called John.

Alex opened the door gently and peeked in.

“Mr. Conkley, can I have a word with you?” she asked smiling widely.

“Sure,” he said.

She entered the den and closed the door behind her.

“Please have a seat,” he said, motioning her to a chair in front of the desk.

She sauntered to him and plopped her ass on the desk almost in front of him. Her skirt was so short it rode up her ass, allowing her bare ass to sit on the desk. Naturally, all her legs were exposed. If he looked at the right angle, he would be able to see her dripping pussy.

“Thank you,” she smiled. “I know you are very busy, but I hope you can spare a few minutes for me.”

“Sure,” he said.

“I hope you don’t mind that it’s a little personal,” she said.

“I’ll do my best,” he said.

“Mr. Conkley, when you were my age, did you date?” she asked.

“Sure,” he said.

“Did you use to go down on your dates?” she asked.

“This is too personal,” he said after some hesitation.

“Not really,” she said. “Almost everybody does it. We are both old enough. Please answer me.”

“Yes,” he said.

“Did you enjoy it, or was it because your dates demanded it or threatened not to go down on you?” she asked.

“I enjoyed it,” he said.

“You are obviously a considerate man,” she said. “I like a man who cares about his partner’s pleasure.”

“This is how everybody should be,” he said.

“Did your dates enjoy it?” she smiled.

“Yes,” he said.

“You are not bragging, are you?” she teased.

“I am not,” he said. “That was the truth.”

She subtly parted her knees as they talked.

“Did they have orgasms when you did that, or did you use it just to get them hot and ready?” she asked.

“They had orgasms,” he said.

“Did it turn you off when they gushed their juices into your mouth, or did it turn you on?” she asked.

“It turned me on,” he said. “I liked giving them pleasure.”

“I meant the taste,” she said. “You didn’t mind licking their abundant juices?”

“I liked that,” he said.

“You mean you ate them more hungrily when they gushed in your eager mouth?” she asked.

“Yes,” he said.

“Did you prefer them hairless or hairy?” she asked.

“Hairless,” he said.

“Juicy or bone dry?” she asked.

“Obviously juicy,” he said. “The juicier, the better.”

“I like guys who like it juicy,” she said.

“They all do,” he smiled.

“What did you enjoy most about eating a hot juicy passion flower?” she asked. “Was it the taste?”

“I enjoyed the taste, but I loved pleasing my partner and feeling her twist in passion,” he said.

“You must have loved giving them wild orgasms,” she said.

“That was the best part,” he said.

“You had to hold on tight when they bucked like broncos?” she teased.

“Yes,” he smiled.

By then, her thighs were spread enough for him to smell her excited pussy.

“I love having orgasms on my boyfriend’s tongue even more than on his tool,” she said.

“Your boyfriend’s a very lucky guy,” he said.

“Thank you,” she said, smiling wide. “He knows it too. I keep him very happy.”

“I bet,” he said.

“Are you still good at it?” she asked.

“It’s like riding a bike,” he said. “You never forget it.”

“You never forget it, but you need regular practice to stay in top shape,” she said.

“Yes,” he said.

“Have you been practicing, or are you a little rusty?” she teased.

“I think I am okay,” he said.

“Mr. Conkley, if I were there when you were my age, would you have asked me out?” she asked.

“Without a doubt,” he said. “You are a lovely young woman.”

“Do you think I am a hot piece of ass?” she smiled.

“You shouldn’t talk like that,” he chided.

“We both know that sex is a big part of the dating game,” she said. “Had I been there then, would you have honestly thought I was definitely a hot piece of ass?”

“I would,” he said.

“Even before you’ve taken me for a test drive?” she teased.

“Yes,” he said shyly.

“Unfortunately, I wasn’t one of those lucky bitches that enjoyed your wicked tongue between their legs,” she said. “Don’t you wish I were?”

“We shouldn’t think like that,” he said.

“We do though,” she said. “Don’t you wish?”

“Yes,” he said shyly.

“You don’t have to,” she said, throwing her left leg over him and placing her foot on the edge of the desk so her legs were spread wide astride him. “You can do it right now and show me how good you really are.”

He was startled. He was speechless for several seconds.

“Alex, we can’t do this,” he said. “I am now a married man, and you are my daughter’s friend.”

“I also have the hottest and juiciest pussy you’ve ever seen,” she said. “It must be your favorite.”

“We shouldn’t do this,” he said, looking away.

“Mr. Conkley, please look at me when you talk to me,” she said as she held his head and aimed his face at her exposed pussy.

“Alex, we shouldn’t do this,” he said.

“Do you want to live the rest of your life, regretting not eating the juiciest pussy in town?” she teased.

“Somebody may walk in on us,” he said.

“Nobody would,” she said. “I told them you were going to eat my pussy raw.”

“Alex, I am serious,” he said.

“Finding you eating my pussy is better than assuming that you’ve already fucked me,” she said. “Your den smells of my pussy. If you wait, I’ll be dripping on your desk and it will smell of my pussy for weeks.”

“Alex, please,” he pleaded.

“Mr. Conkley, I am doing this for you,” she said. “You know I can have a hundred guys fighting over my juicy pussy, but, then, you’d forever regret passing on the hottest and juiciest pussy you could almost taste. Eat it please.”

Alex held the back of his head and gently pulled him to her pussy. Once his lips touched her dripping pussy lips, making her gasp, he was lost. He proceeded to lick her pussy slowly.

“Show me what it’s like to have my horny pussy eaten by a real pussy eater,” she urged. “Take your time. I want to come my ass off. I’ll be quiet too.”

“You have a delicious pussy,” he said. “It’s so juicy.”

“I assure you it’s the juiciest pussy you’ve ever eaten,” she said. “I am glad you decided to sample it.”

“I am glad you insisted,” he said.

“Don’t worry about me,” she said. “I always get what I want, and what I want doesn’t stop at having you eat my pussy dry. If you do a good job, I’ll reward you.”

John proceeded to eat Alex’s pussy more and more eagerly as she squirmed and moaned, humping his face. The mixture of come and pussy juices flowed into his mouth, and he slurped it up and sucked for more.

“You are so wet,” he said.

“I am like that after a good fuck,” she moaned. “My pussy’s so wet and loose. It’s begging to be devoured. Stick your tongue deep inside it and suck it dry.”

He devoured her pussy and did not pull back until she came twice in his mouth, cleaning all the come out.

“Did you enjoy that?” he smiled, his face sticky with her juices.

“I loved it,” she said. “Did you?”

“Absolutely,” he said. “You have the juiciest and most delicious pussy I’ve ever tasted.”

“My boyfriend also loves devouring my pussy after it’s well fucked and full of come,” she said, hopping off the desk and turning around. “There is more to the hottest piece of ass you’ve ever seen than a juicy pussy: a juicy ass.” She spread her ass wide and winked it at him. “Don’t panic. I keep it squeaky clean inside out. Taste it.”

He inspected her asshole for a few seconds before he licked it tentatively, making her gasp.

“Eat my asshole, Mr. Conkley,” she moaned. “I love having it eaten even more than my juicy pussy.”

He ate her asshole with increasing eagerness, and she moaned, grinding into his face happily.

“You can tell that my asshole has been well fucked very recently,” she moaned, relaxing her asshole. “Stick your tongue inside it and suck it. It’s as juicy as my pussy was.”

He ate her asshole hungrily. The come slowly flowing into his mouth did not slow him down. He also made her come twice while he sucked her ass clean.

“Did you enjoy eating my come-filled ass?” she smiled as she knelt down and stroked the outline of his boner.

“Surprisingly much,” he said.

“My boyfriend also loves eating my lover’s come out of my ass,” she said, fishing his hard cock out.

“You have a lover besides your boyfriend?” he asked.

“I am a hot slut, Mr. Conkley,” she said. “I obviously need a great lover, especially that I don’t let my boyfriend fuck me in the ass. My ass belongs only to my lover. My boyfriend can only eat it.”

“Your boyfriend’s okay with that?” he asked.

“Of course,” she said. “He’s waiting outside, knowing that I am being naughty.”

“He knows we are doing this?” he asked.

“My boyfriend knows that I am a hot slut,” she said. “He loves me this way. He loves eating my come-filled fuck holes. Do you love eating Mrs. Conkley’s come-filled pussy and ass too?”

“Victoria would never let me do that,” he said. “She doesn’t take it up the ass either.”

“It’s okay for her not to let you fuck her up the ass, but she should let someone else do that to her,” she said.

“She’d never do either,” he said.

“Would you eat her come-filled pussy and ass if you had a chance?” she asked.

“I am not sure,” he said. “I’d feel embarrassed.”

“You didn’t feel embarrassed about eating mine,” she said.

“You are different,” he said. “You are very open-minded.”

“Mr. Conkley, this is going to change,” she said. “I didn’t get you hooked on eating cream pies to cut you off. Mrs. Conkley’s going to take it up the ass and let you eat her come-filled fuck holes, and you won’t be embarrassed about it. She’s your wife. It’s up to you to eat her come-filled orifices. That’s what you are going to do today.”

“I don’t think that’s possible,” he said.

“Do you *want* it to be possible or not?” she asked.

“I do,” he said.

“Don’t worry about that,” she said. “While I’ve been working on you here, Nick and Beth have been working on Mrs. Conkley. While I play with your hard cock, you are going to watch her swallow come to the last drop.”

“No way,” he said.

“If Mrs. Conkley was a good girl and eagerly took come down her throat, would you promise to be a good boy and do as I say?” she said.

“Sure,” he said.

“Mr. Conkley, please get up and follow me,” she said, getting up while still stroking his hard cock. “Be quiet, and don’t act surprised regardless of what you see in the living room. Mrs. Conkley may be hotter than I am.”

“No way,” he said as he got up.

“I’ve warned you,” she smiled, leading him to the door while fondling his cock.

“Okay,” he said, following her.

“Don’t worry about my boyfriend,” she said. “He’s my pet. He does my bidding.”

“Okay,” he said as she quietly opened the door.

---

Alex’s skirt was still hiked around her hips, exposing her pussy and ass. She led him to the living room while stroking his hard cock with one hand and fingering her leaky pussy with the other. They heard moaning and slurping sounds right away.

“Hush,” whispered Alex.

Dave was sitting alone on the loveseat. Victoria was on her knees between my feet, sucking my cock hungrily, as Beth sat next to me on the sofa.

Alex and John watched from afar.

“Didn’t I tell you she was hot?” whispered Alex.

“I can’t believe this,” he whispered as his wife deep throated my cock eagerly.

“This is nothing,” she whispered as she led him slowly toward us.

So far, Victoria did not know that her husband was watching. Beth watched her dad for several seconds.

“Yes, mom,” encouraged Beth. “Suck my boyfriend’s big fat cock.”

Victoria was doing just that.

“Is mom sucking your big cock well, baby?” teased Beth.

“She is,” I said. “Your mom’s a hot cocksucker. Your dad really knew how to pick her. I am very grateful to him for all this, including raising my slutty girlfriend.”

“You can thank him,” she said.

“Thank you, Mr. Conkley, for allowing me to enjoy your amazing wife’s charms,” I said looking at John.

Alex was still stroking his hard cock.

“You are welcome,” he said after some hesitation, drawing his wife’s attention.

Victoria let go of my cock and looked at her husband. I reached out and pulled her head back to my hard cock. She resumed sucking me.

“Your mom’s a hot slut,” I said to Beth.

“She’s almost as hot as I am, isn’t she?” she teased.

“Why don’t you kneel down next to her and show me who’s the hotter slut?” I said.

“Sure,” said Beth as she scooted off the sofa and knelt next to her mom.

Victoria made room for Beth next to her, and they sucked my cock together. They licked my cock and balls together and took turns deep throating my cock.

“That’s it,” I encouraged. “You are so hot together.”

“Nick, your girlfriend’s dad was afraid his wife wouldn’t let him eat her come-filled pussy and ass,” said Alex.

“Vicky, you are a good wife, aren’t you?” I asked, holding her head in both hands and tilting it up.

“Yes,” said Victoria as Beth swallowed my cock hungrily.

“Why does your husband think so little of you?” I asked. “Have you been a bitch to him?”

“Never,” said Victoria. “I’ve always been a good wife.”

“You apparently need to do better,” I said. “Your husband needs to be able to count on you.”

“Okay,” she said.

“You are going to feed him your come-filled pussy and ass eagerly until he has enough, aren’t you?” I said.

“Yes,” she said.

“If I ever hear him complain, I won’t be happy with you,” I said.

“That won’t happen,” she promised.

“You are not going to be shy when you fuck and suck in his presence,” I said. “He has the right to see you be your slutty self and not feel like a stranger that you need to be inhibited around. Will you make him proud of you?”

“Absolutely,” she said.

“Now, show him what you are capable of and make him proud of his slut wife,” I said.

“Yes, sir,” she said.

“Are you happy now, Mr. Conkley?” asked Alex.

“Yes,” nodded John.

“Mrs. Conkley, you are going to take Nick’s big fat cock up the ass, aren’t you?” asked Alex.

“Yes,” said Victoria.

“Show him your ass before Nick has reamed it out until it gaped wide,” said Alex.

“May I do that, Nick?” asked Victoria.

“Yes, of course,” I said. “It’s part of being a good wife.”

Victoria got up and turned around. She bent over and hiked her dress, exposing her bare ass to her husband. Alex guided Victoria’s hands to her ass, and she spread it wide.

“Can you see how nice and tight it looks?” asked Alex. “Can you see how it compares with my well-fucked asshole? That’s how Nick’s going to leave it when he’s through with it and it’s ready for you to eat.”

Victoria winked at her husband with her asshole.

“Can you see how wet she is?” asked Alex as she slid two fingers into Victoria’s wet pussy, making her moan.

“She’s soaked,” said John.

“Taste,” said Alex, offering him her glistening fingers.

John did not hesitate to suck Alex’s fingers clean.

“Thank you, Mrs. Conkley,” said Alex, slapping Victoria on the ass.

Victoria returned to her position before my cock and proceeded to suck it hungrily as Beth watched.

“Beth, why don’t you show your dad your horny pussy and ass?” said Alex.

“She’s my daughter,” protested John. “I don’t want to see her.”

“Get up, Beth,” urged Alex.

Beth got up and bent over, baring her ass for her dad.

“Beth, cover up,” said John, looking away. “I don’t want to see you.”

“It’s okay, Mr. Conkley,” said Alex as she guided Beth’s hands to her ass. “You’ll just see her to compare her young fuck holes with her mom’s.”

Beth spread her ass shamelessly.

“I can’t look at her,” he said.

“You are mistaken, Mr. Conkley,” said Alex. “You can look at her cock-hungry pussy and ass all you want. You just can’t feel lust for her because you are her dad. The poor girl’s going to stay like this until you inspect her.”

After some hesitation, John reluctantly looked at his daughter’s splayed pussy and ass. Her pussy was dripping. She winked at him with her asshole.

“Can you see how tight her little asshole is?” asked Alex, stroking his cock briskly.

“Yes,” he said.

“Nick’s going to make it open as wide as mine,” she said. “Can you see how wet your slut daughter is?”

“Yes,” he said absentmindedly. “She’s also soaked.”

He kept staring as Alex slid two fingers into Beth’s wet pussy. He was startled when she offered him her glistening fingers. He turned his face away.

“You are just testing the taste,” said Alex, following his mouth with her sticky fingers.

John finally relented and sucked Alex’s fingers.

“Isn’t she delicious?” asked Alex.

“She tastes nice,” he said.

“Give her cock-hungry asshole a fatherly kiss,” she said.

“I can’t do that,” he protested.

“Imagine you are kissing her on the forehead, but kiss her asshole,” she said. “Remember that you can do anything as long as there is no lust. It’s just a simple kiss.”

“Please, dad,” said Beth, spreading her ass wider and winking at him with her asshole.

He hesitantly kissed her asshole lightly, making her gasp softly.

“That was nice,” said Alex. “Now, give her dripping pussy a similar kiss.”

“I shouldn’t do that,” he protested.

“The only reason you wouldn’t do that is feeling lust for her,” she argued, stroking his hard cock. “Do it.”

He reluctantly gave Beth’s sticky pussy a small kiss.

“Was it worth all that trepidation?” asked Alex.

“No,” he said.

“She’ll appreciate it when her boyfriend’s big cock drills her where her daddy has just kissed her,” she teased.

“You are a bad girl,” he said.

“Oh, come on,” she said. “If she saw how you devoured my come-filled pussy and asshole, she’d be jealous.”

“Maybe *I* should be jealous,” said Victoria.

“Instead of feeling jealous, when it’s your turn, let him eat you raw,” said Alex.

“That’s what I am going to do,” said Victoria.

“Thanks, Beth,” said Alex, slapping Beth’s ass.

“Thanks, dad,” said Beth as she rejoined her mom in sucking my cock.

“Dave, honey, why don’t you kneel behind me and eat my pussy and ass while I play with Mr. Conkley’s cock?” asked Alex, looking at Dave.

“Sure, honey,” said Dave, getting off his seat promptly.

“I am sorry, honey, I had to feed Mr. Conkley my lover’s come out of my well-used pussy and ass,” she said. “Maybe one day he’ll return the favor and let you eat his wife’s lover’s come out of her well-fucked pussy and ass.”

“I don’t mind that if it’s okay with her,” said John.

“Of course, it’s okay with her,” said Alex. “She’s just reserving her first cream pies for her loving husband.”

“I never thought men would be competing to eat come out of my well-used pussy and ass,” said Victoria.

“Don’t underestimate your luscious fuck holes and your lover’s delicious come,” said Alex.

“Oh, I am not underestimating that,” said Victoria. “If I weren’t so generous, I wouldn’t let a soul taste a come drop out of my pussy and ass, but I’d keep it all to myself.”

“You are a good bitch, Vicky,” I said. “Good bitches love come but enjoy sharing.”

“Nick, aren’t you ready to fuck your mother-daughter bitch pair?” asked Alex.

“Of course, I am,” I said.

“Spread your cock-hungry asses, bitches,” instructed Alex.

Both Beth and her mom reached back with both hands and spread their asses wide.

“Mr. Conkley, we are going to make sure these horny assholes are ready for the hard drilling they are going to receive,” said Alex, handing him the lube. “Generously squeeze lube on each asshole.”

He hesitantly took the lube from her and tentatively squeezed lube on his wife’s splayed asshole. Alex used her fingertips to smear the lube around Victoria’s asshole. She took his hand and moved it over Beth’s asshole. He squeezed lube generously, and Alex used the fingertips of her other hand to smear the lube on Beth’s asshole.

“Here is how we do it,” explained Alex as she pressed the tips of her middle fingers into the offered assholes. “One, two, three, and twist. Twist, twist and twist.”

As Alex talked, she pushed her middle fingers all the way into the assholes. She then squeezed both index fingers in, and then both ring fingers in. She then twisted her three fingers right, left, right and finally left. Beth and Victoria moaned and gasped over my cock.

“Now, you do it,” said Alex, pulling her fingers out.

“Beth’s my daughter,” he complained as Alex slid two fingers into each pussy.

“It doesn’t matter,” said Alex as she finger fucked Victoria and Beth with two fingers each. “This isn’t sexual. You are merely making sure that her delicate but cock-hungry asshole’s capable of handling the intense drilling it craves. It’s a safety precaution. Nick’s going to do them both similarly, so you need to check them both similarly.”

John tentatively pushed his middle fingers into the offered assholes, making both gasp. He did as Alex taught him but slower and more tentatively. They ground their asses into his fingers.

“What do you think?” asked Alex when he removed his sticky fingers from their asses.

“I think they are ready,” he said.

“Suck their juices,” she said, pushing the glistening fingers she removed from their pussies into his mouth.

He opened his mouth to say something, but she pushed her four fingers in, and he sucked them dry.

“Now, suck your fingers to show them you are not disgusted by their sweet assholes,” she instructed, stroking his hard cock with her right hand.

He inspected his fingers before he cautiously pushed them into his mouth, his right hand fingers first.

“Was it bad?” she asked.

“No,” he said.

“Okay, bitches, Mr. Conkley has certified your horny asses to be ready for serious cock,” she announced.

“Thanks, dad,” said Beth.

“Thanks, honey,” said Victoria.

“Are they good enough to be eaten when well fucked and filled with come?” asked Alex.

“Yes,” he said lowly.

“I am sure Mrs. Conkley can’t wait to feed you her come-filled ass,” she said. “Isn’t that right, Mrs. Conkley?”

“Yes,” said Victoria.

“Mrs. Conkely, is your lover’s big cock ready and hard enough to fuck your daughter’s and your cock-hungry pussies and asses?” asked Alex.

“It’s more than ready,” said Victoria.

“Pull back, and let me see,” said Alex. “Mr. Conkley, please sit down next to Nick.”

Beth and Victoria pulled back, letting go of my cock, as John sat down on the sofa next to me. Alex held his hard cock in her right hand as she straddled me, holding my cock in her left hand. Beth held my cock by the shaft as Alex lowered her pussy onto my cock, moaning as her dripping pussy swallowed it all.

“He’s your brother,” said John.

“I know,” said Alex, riding my cock while stroking his. “I am just making sure his bitches did a good job in getting his big cock ready for their demanding fuck holes. If it can make me come, it can make them come.”

Beth lubed her fingers.

“Dad, I am making sure her asshole’s ready to test my boyfriend’s big cock too,” said Beth, squeezing her slick fingers into Alex’s tight asshole.

“Thanks, Beth,” moaned Alex.

Alex rode me faster and harder and soon came, gushing around my cock. When she recovered, she raised herself up enough for my glistening cock to slip out of her drenched pussy. Beth guided my cock into Alex’s asshole and held it until Alex’s asshole swallowed half my shaft. Alex moaned as she swallowed the rest of my cock. She was still holding John’s cock while she bounced her ass on my cock.

“They both seem ready,” said Beth, watching Alex’s stretched asshole swallow my hard cock again and again.

“You’ve apparently did a good job,” gasped Alex. “Let’s see if it can make me come.”

Alex’s ass bounced on my cock faster and faster. She soon stiffened and shook in orgasm, her asshole twitching around my happy cock.

“You did it, bitches,” gasped Alex as she continued to convulse.

“They wouldn’t deserve to be my bitches if they couldn’t do that,” I said.

“They obviously do,” she gasped.

Alex soon dismounted me.

“Honey, there is no come in my pussy and ass, but they are loose and ready to be eaten,” said Alex to Dave.

Dave readily got up and took his position behind her offered ass. He ate her pussy and asshole hungrily while she deep throated my cock and stroked John’s hard cock.

“Who are you going to fuck first?” she asked a couple of minutes later.

“Why, my newest bitch of course,” I said.

“Thank you, baby,” said Victoria.

Dave continued to eat Alex’s fuck holes while she played with John’s cock. I got up and pulled Victoria into my place on her knees, facing the back of the sofa. I arranged Beth in the same position to her dad’s left.

Alex used her free hand to squeeze lube on Victoria’s asshole.

“Mr. Conkley, please use your fingers to verify that she’s ready,” said Alex. “One, two, three and twist.”

John used his left hand, which he used earlier on Beth’s ass, to lube and ream out his wife’s offered ass.

“Suck your fingers to make sure she’s clean and ready for cock and come,” instructed Alex.

John complied.

“Now, spread her ass for her lover,” she directed.

He spread Victoria’s ass, and I lubed my cock and pushed it up her glistening orifice. She gasped as my cock head popped into her asshole. I paused for a few seconds before I held her hips and impaled her hot ass.

“I love your hot ass, Vicky,” I said.

“Take it, baby,” moaned Victoria. “It’s all yours.”

“Mr. Conkley, isn’t she so hot?” said Alex.

“Yes,” said John.

“Mr. Conkley, please allow me to introduce to you Mrs. Conkley,” said Alex. “The past was all acting, wasn’t it, Mrs. Conkley?”

“Yes,” hissed Victoria. “This is what I really am—Nick’s bitch.”

“Nick, fuck your bitch’s ass off,” said Alex. “Show her how lucky she is.”

“I know well how lucky I am,” moaned Victoria.

Alex switched hands and used her free hand to finger fuck Beth’s pussy and ass.

“Mr. Conkley’s so happy you’ve finally decided to be yourself,” said Alex.

“The credit goes to your brother,” moaned Victoria. “He knew that I was meant to be a bitch and made me his.”

“You’ve raised a great daughter yourself,” said Alex. “When she found out Nick was taking care of other bitches, she quickly discovered that she was meant to be a bitch and stopped bitching.”

“Thank you,” gasped Victoria as I fucked her ass harder.

“It’s so nice for the girl when her fuck holes are loose enough to be probed deeply with a loving tongue,” Alex said to John as she stroked his hard cock. “I love it now like I did when you stuck your tongue deep in my orifices.”

She moaned and ground her ass into Dave’s face.

“Can you see how my brother’s fat cock reams out the once-tight asshole of the dirty bitch you thought was an innocent prude?” teased Alex.

“Yes,” he said.

“He’s going to make it as loose as mine if not looser before he stuffs it with his gooey goodness,” she teased.

Victoria approached orgasm, and I fucked her ass even harder.

“Hold her tightly,” urged Alex. “She’s going to come her ass off on her lover’s big cock.”

John gripped his wife's ass tightly as she stiffened and shook ecstatically. I drilled her twitching asshole until she went limp. I fucked her gently while she recovered. I then popped my cock out of her asshole. It gaped slightly.

Alex kissed Victoria's open asshole before she swallowed my cock like it was her last meal. I fucked her throat for a minute before I squeezed lube inside Victoria's open hole and returned my cock to it.

In the second round, I fucked Victoria's ass harder, and she came more quickly and harder.

"Go ahead and lick her soaked pussy clean," Alex told John.

Alex immediately swallowed my cock and proceeded to deep throat it. John lowered his mouth to his wife's drenched pussy and proceeded to lick it, making her moan. Alex used my cock to pull me toward Beth. Dave slid to keep his face under Alex's pussy and ass.

"Mr. Conkley, one, two, three and twist," said Alex as she squeezed lube on Beth's splayed asshole.

John did not hesitate before he used his fingers to probe his daughter's offered asshole and check its readiness. Meanwhile, Alex lubed my cock.

"Spread her ass," instructed Alex as she guided my slick cock to Beth's asshole.

John spread Beth's ass, and I pushed my cock in. It slid smoothly all the way in, making Beth moan. I paused for a few seconds before I started to fuck her at a slow pace that accelerated constantly. Alex resumed stroking his cock with her slick hand.

He saw his daughter's asshole gape after her first orgasm. Alex deep throated my cock, and I fucked Beth's ass to another orgasm. I pulled Beth off the sofa and fed her my cock. I fucked her throat for a couple of minutes.

Alex sat next to John. She continued to stroke his cock while Dave ate her pussy. I lubed and fucked Victoria's ass, and Beth sucked my cock whenever I took it out.

Victoria came a few more times.

"Are you ready for my come, baby?" I asked Victoria as I drilled her spread ass vigorously.

"Yes, lover," gasped Victoria. "Please fill my slutty ass with your hot come."

Victoria came, and I pumped her trembling ass full of come.

"Mr. Conkley, this is as fresh as it can get," said Alex as I drained my balls in Victoria's ass. "Go for it as soon as he takes his spent cock out."

As soon as I took my cock out, Beth pounced on it. John lowered his mouth to his wife's slimy asshole.

"Kneel down so you can give her ass a good eating," said Alex.

John obliged Alex, and she joined Beth to revive my cock.

Victoria moaned and humped her husband's mouth. She came as Beth and Alex sucked my hardening cock.

"Let's get fucked," Alex told Beth.

Alex got on her knees at the end of the sofa, and Beth knelt in the middle.

"Mr. Conkley, you can spread our asses," said Alex. "You haven't spread mine for Nick yet. Go for it."

John spread Alex's ass, and I used my cock to lube her asshole. I was soon fucking her ass vigorously. She stroked John's hard cock. Dave just watched.

"Honey, you don't mind as a stranger spreads my ass for my lover, do you?" Alex teased Dave.

"No, baby," he said.

Alex came, and I moved my cock to Beth's ass. Alex got off the sofa and let John sit down and spread his daughter's ass for me. Dave licked Alex's pussy while she stood, watching.

Victoria got her ass fucked to orgasm in the doggy position before I flipped her onto her back. I fucked her ass hard for half an hour before I moved to her pussy.

"Are you going to be a good bitch and feed your come-filled pussy to your husband?" I said, pounding her pussy.

"Yes," gasped Victoria. "Please fill my horny pussy with come."

When Victoria came, I let her twitching pussy drain my balls deep inside it.

"Get ready, Mr. Conkley," said Alex as Victoria recovered, her pussy deliberately milking my cock.

John knelt down and pounced on his wife's goey pussy when I pulled out.

Alex and Beth again revived my spent cock, and I started with their asses. I used all nine holes for over an hour before I shot my come in Victoria's open mouth. Victoria swirled it around with her tongue before she swallowed it. She got up and gave her husband a big kiss.

"Thank you so much for this, honey," she said when they broke the kiss.

"You are welcome," he said.

Meanwhile, Alex and Beth revived my cock.

---

"Honey, I want Nick to fuck me in my bed," said Victoria. "Can we do that?"

"Sure," said John.

"Can he fuck me and Beth there too?" asked Alex.

"Sure," he said.

"We don't want you and Dave to get bored," she said. "He and you can stay here and watch TV or something."

"Okay," he said.

Victoria led me by my hand to her bedroom upstairs. Alex and Beth followed.

"I am really a very lucky bitch," said Victoria.

"You are a very lucky bitch to have a very understanding husband," I said.

"I can't believe how lucky I am," she said.

By the time we called it a night, my hot bitches were fucked silly in every hole. I came in every asshole, but they sucked it all out and passed it around.

---

"Mr. Conkley, what do you think?" I asked. "Do you think I gave your lovely wife a good fucking or not?"

"You did an amazing job," he said. "It's obvious by what you did and how she responded to it."

"Would you mind if I fucked Lisa too?" I asked. "She's a fine young lady that deserves to be fucked royally."

"I don't know," he said, startled. "I guess it's okay if she's okay with it."

"I appreciate your trust very much," I said. "Thank you so much."

"You are welcome," he said.

“Mrs. Conkley was afraid she might be a little too young, but I think she’s mature enough to make a hot little whore for me,” I said. “I assure you that I am going to take good care of her.”

“Thank you,” he said.

“Good night,” I said.

“Good night,” he said.

Before we left, I gave Beth and her mom a deep goodnight kiss each. Alex kissed them all on the cheek.

## COURTNEY’S MOM’S INITIATION

On Sunday, Courtney invited me, Beth, Alex and Dave to her house. She introduced us to her sexy mom. Naturally, Sean was there too. He was vital to that visit.

Alex soon got Courtney’s mom alone in the kitchen.

---

“Mrs. Hopkins, you and Mr. Hopkins have been happily married for about twenty years?” asked Alex.

“Nineteen years,” said Jessica.

“You’ve never had to take a lover?” asked Alex, startling Jessica.

“No,” said Jessica after the shock wore off.

“You’ve never been tempted?” asked Alex.

“Of course, I’ve been tempted more than several times,” said Jessica.

“How come you remained without a lover all that time?” asked Alex. “It’s natural that sex diminishes over time, and neither spouse gets enough. I can see it with my parents.”

“Your mom didn’t take a lover though,” said Jessica.

“She actually did,” said Alex, shocking Jessica.

“Really?” said Jessica. “What if your dad found out?”

“He knew about that from the start,” said Alex. “He’s okay with it. He no longer shares her bed so she can share it at any time with her lover.”

“That’s so strange,” said Jessica.

“By the way, mom and I share the same amazing lover,” said Alex.

“You have a lover besides your boyfriend?” asked Jessica.

“Of course,” said Alex.

“You are not even married,” said Jessica. “If you don’t like your boyfriend, why don’t you get another one?”

“I like my boyfriend a lot,” said Alex. “I just need to be taken like a bitch in heat, and he can’t do that for me.”

“If sex is so important to you, you should find another boyfriend,” said Jessica.

“Mrs. Hopkins, sex is vital for everyone,” said Alex. “If a girl doesn’t think so, she doesn’t know what sex is.”

“It’s still not right to have a lover on the side,” said Jessica.

“I don’t have a lover on the side,” smiled Alex. “I have a boyfriend on the side. Dave knows that I belong to my lover. He loves to eat my lover’s sperm out of my sated, well-used orifices.”

“No way,” said Jessica. “That’s gross.”

“It isn’t gross,” said Alex. “Sperm’s clean, and I keep my orifices squeaky clean. What’s gross about it?”

“I am a woman, and I don’t eat sperm,” said Jessica. “I can’t imagine a guy who would.”

“Mrs. Hopkins, not eating sperm isn’t something a woman should brag about,” said Alex. “If you tasted my lover’s come, you’d be hooked. No wonder my boyfriend loves to eat it out of my slimy orifices.”

“Your boyfriend’s okay with being a second fiddle?” said Jessica.

“Being a second fiddle for someone is sometimes much better than being a first fiddle for another,” said Alex.

“That may be true, but guys don’t like that,” said Jessica.

“They are afraid of it because of their egos,” said Alex. “Once they are manipulated into trying it, they love it.”

“You think so?” said Jessica.

“I’ve seen it happen, and I’ve made it happen,” said Alex.

“You saw it happen, and you made it happen?” asked Jessica.

“Mom taught my boyfriend to eat come-filled pussy and ass,” said Alex. “Once he ate hers, I almost had to fend him off mine. I also taught my brother’s girlfriend’s dad. A couple of hours later, he was eating Nick’s come out of his wife’s well-fucked ass after he watched him put it there.”

“That’s unbelievable,” said Jessica.

“Have you ever thought about sharing Courtney’s lover?” asked Alex.

“Courtney has a boyfriend, not a lover,” said Jessica.

“She has both,” said Alex. “Sean knows that she has a lover too. He realizes that he can’t do it all for her.”

“Alex, you are making this up,” said Jessica. “There is no way Courtney would take a lover. I am more likely to take a lover than she is. Sean isn’t the type of guy who’d let her do that either.”

“That was true before I manipulated him,” smiled Alex. “He’s now a good boy who does her bidding.”

“I can’t believe that,” said Jessica.

“Would you let me eat your pussy if Courtney had Nick eat hers in front of Sean and everybody else present, including you?” challenged Alex.

“There is no way that can happen,” said Jessica.

“I guess it’s a safe bet for you then,” said Alex.

“What if you lose?” asked Jessica.

“You can do whatever you want to me,” said Alex. “You can spank my bare ass in front of them all.”

“I think you deserve that either way,” smiled Jessica.

“I can’t agree more,” smiled Alex. “Are we on?”

“You are on,” said Jessica.

“Can you handle watching your daughter get eaten out in front of everybody?” challenged Alex.

“If she can, so can I,” said Jessica.

“Please watch quietly and hold your peace,” said Alex.

“I ask that you do the same when I get to spank you,” smiled Jessica.

“Definitely,” said Alex. “By the way, I enjoy a good spanking.”

Alex returned to the living room, and a minute later Jessica joined us.

---

“Nick, I challenge you to go down on Courtney in front of everyone present,” said Alex.

“Come here, Courtney,” I called, smiling, as I beckoned Courtney with my finger.

Courtney got up and walked over to me.

“Sit down here,” I said, patting my thigh.

Courtney sat down in my lap, and I wrapped my arms around her.

“Are you ready to have your horny pussy and ass eaten raw in front of your mom?” I whispered.

“I am dripping,” she whispered back.

“Do you want me to fuck you in your hot little ass while she watches too?” I whispered, squeezing her ass.

“Yes,” she hissed.

Jessica was watching us intently.

“You are a good bitch, Courtney,” I whispered, squeezing Courtney’s right tit.

Courtney pushed my hand away.

“Spread your legs, my little bitch,” I whispered.

She slowly parted her knees.

“Courtney’s resistant to let me eat her out,” I said as I slid a finger into her dripping pussy. She gasped and squeezed her thighs around my hand. Jessica watched in shock. “She wants to be treated like a big girl.”

“What do you mean?” asked Alex.

“Tell them,” I said to Courtney.

“I want him to take me for all I am worth if Sean’s okay with that,” said Courtney.

“You know I am okay with anything you do, honey,” said Sean.

“You know what you need to do in the end,” she said.

“I am looking forward to it,” he said.

Alex looked at Jessica and winked at her.

“Nick, I want the whole nine yards,” said Courtney, spreading her legs.

“Baby, I am not that big,” I teased as I pushed my glistening finger into her mouth. “I am not even a foot long.”

“Thankfully,” she smiled after sucking my finger clean.

“Get up, and serve my food,” I said, slapping her ass playfully.

“It isn’t only your food,” she said, getting up. “You eat it and then feed it, and then it’s somebody else’s food.”

“Gladly,” I said. “It’s going to be a feast.”

Courtney returned to her seat next to Sean but on her knees, facing the back of the sofa. She reached back and spread her ass wide.

“You are so wet, you little slut,” I teased as I knelt behind her.

“What can I do, lover?” she moaned. “Your little bitch’s so hungry for her big stud.”

“You are a good bitch, Courtney, but it’s slutty for a nice girl like you to spread herself shamelessly in front of her mom,” I said. “The gentlemanly thing to do is for your boyfriend to spread you graciously and invite me to you.”

Courtney pulled her hands away, and Sean spread her ass.

“Please help yourself,” invited Sean. “She’s all yours.”

“Thank you, Sean,” I said, admiring her luscious asshole.

“You are most welcome,” he said.

“Is this better, lover?” cooed Courtney.

“This is perfect, my little bitch,” I said. “You are so sweet.”

“Take what’s yours, lover,” said Courtney. “Take your bitch like the bitch in heat she is.”

“You are all mine, baby, and I am going to take you in every possible way,” I assured.

“Yes,” she hissed.

Alex led Jessica to us, and they watched as I licked Courtney’s asshole and probed it with my tongue.

“You have a delicious asshole, baby,” I said.

“Enjoy it, lover,” she moaned. “It’s all yours.”

“I love how shameless you are,” I said.

“I am not ashamed of being your little whore,” she said. “I am so proud and lucky I am.”

“I am so lucky you are my little whore too,” I said. “I am so proud of you as well.”

Courtney squirmed on the end of my tongue for a few minutes and then convulsed in a hard orgasm. I then devoured her juicy pussy to another wild orgasm. I licked her drenched pussy clean and got up.

“Make sure I am ready for you,” I said.

Courtney turned around and sat next to her boyfriend. She reached out and took my hard cock out.

“You are obviously ready to take all my hungry holes,” she said, stroking my cock.

“My big cock loves its little whore,” I said.

“Its little whore loves it no less,” she said.

“Show them, baby,” I said. “Show them you deserve to be my little whore.”

Courtney proceeded to lick and tease my engorged and leaky cock head. She then took it in her mouth and sucked it hungrily. She deep throated my cock, and I fucked her throat while her mom watched in disbelief.

“You definitely deserve to suck my big cock,” I said.

She moaned happily over my cock.

“Your daughter’s a real slut,” commented Alex. “She’s so hungry for my brother’s big cock.”

Courtney returned to her previous position, thrusting her ass out lewdly. Sean spread her ass as Beth squeezed lube on my cock and on Courtney’s asshole.

“He’s going to fuck her in the ass,” remarked Alex as I aimed my cock at Courtney’s glistening asshole.

“Please fuck my horny little asshole, lover,” begged Courtney. “It’s so hungry for your big fat cock.”

“May I do that, Sean?” I asked.

“Please do,” said Sean.

“Yes,” hissed Courtney when my cock head slid past her sphincter.

“Can you see how wide his fat cock stretches her little asshole?” said Alex as I slowly pushed my cock deeper.

Jessica watched in awe as my hard cock skewered and pumped her daughter’s tight asshole. She saw her daughter have a few wild anal orgasms as I fucked her ass at different paces. I then moved my cock to Courtney’s drenched pussy. I fucked it hard through a few more orgasms.

“Come in my ass,” panted Courtney when I pulled out of her soaked pussy. “Fill it with your hot come, lover.”

“You got that, my sexy bitch,” I said as I pushed my cock up her ass.

Courtney had her wildest orgasm of the afternoon while I pumped her twitching rectum full of come.

“Go for it, honey,” Courtney said to Sean, looking over her shoulder, when I popped my cock out of her ass.

Sean knelt down and buried his face in his girlfriend’s well-fucked ass while I walked around and offered her my sticky cock. She cleaned and sucked my cock while her boyfriend ate her slimy ass to orgasm. I was soon fucking Courtney’s throat gently. Sean returned to his seat.

---

“Nick, Mrs. Hopkins bet me Courtney wouldn’t let you eat her pussy in front of everybody here,” said Alex, making Jessica blush deeply. “If she lost, she was going to let me eat hers.”

“I guess you’ve earned yourself a juicy pussy,” I said as I thrust in Courtney’s eager throat.

“I can’t do that,” said Jessica shyly. “Please.”

“How about it if you get a spanking like you’d have given me if you won?” asked Alex.

“That’s less outrageous,” said Jessica, her face still red.

“Nick’s going to give you the spanking since he’s more experienced at that than I am,” said Alex.

Alex led Jessica to the sofa.

“Nick, your cocksucker can still suck your big cock while you spank her lovely mom,” said Alex, looking back.

Courtney let go of my cock, and we followed her mom.

“Mrs. Hopkins, you still prefer a spanking than getting to come in my mouth?” teased Alex. “I am a good pussy eater. You can even ask your daughter.”

“I’ll go with the spanking,” said Jessica.

“You need to assume a similar position to your daughter’s,” said Alex, pushing her gently to the sofa.

Jessica shyly knelt on the sofa.

“Don’t be shy,” said Alex as she helped her push her ass out. “You are a big girl.”

Alex hiked Jessica’s dress, exposing her black panties. She yanked the panties down to Jessica’s knees, making her gasp. I was standing behind to the left, and Alex was to the right. Courtney was on her knees sucking my cock.

“Mrs. Hopkins, you have a very sexy ass,” I said, staring at her pink asshole. “It should never be spanked.”

“Has it ever been fucked?” asked Alex.

“No,” said Jessica lowly.

“She’s so wet,” said Alex.

“She must have enjoyed watching her daughter get fucked like a dirty little whore,” said Courtney.

“Maybe she wished she were the slut getting fucked with my horny brother’s big fat cock,” teased Alex.

“You think so?” said Courtney.

“Maybe,” said Alex. “Anyway, we need to get going with the spanking. We can’t keep her waiting like this, or her leaky juices will soak the sofa.”

Alex spread Jessica’s ass, and I kissed her asshole gently, making her gasp. Alex let go of Jessica’s ass.

“Your ass is very pretty,” I said, squeezing her left ass cheek. “It’s unfortunate that you want me to spank it.”

“You’d rather fuck it, wouldn’t you?” teased Alex.

“Obviously, if she wants me to,” I said. “It’s what luscious asses were made for.”

“Is this big boner you have caused by fantasizing about fucking my mom’s virgin asshole?” teased Courtney.

“Your mom has a very sweet asshole,” I said. “I’d be dead not to want to fuck it or fantasize about it.”

“I have a very horny brother,” said Alex. “He wants to fuck the daughter and the mom in the ass together.”

Alex reached out and squeezed Jessica’s right tit, making her gasp. Jessica did not say anything.

“Nick, give her a good spanking,” said Alex as I raised my right hand. “I don’t want her to regret not letting me eat her dripping little pussy.”

“Of course,” I said after my hand smacked Jessica’s right ass cheek, making her yelp and jump.

“That hurts,” protested Jessica.

“You can still change your mind,” said Alex. “You can even have me eat your pussy after you get spanked.”

“No,” said Jessica.

Jessica had to yelp and jump again.

“You are a big girl, mom,” said Courtney, stroking my hard cock. “Nick gave me a sound spanking too, and I loved it. You’ll soon enjoy it. I think you already like it. You are getting wetter. Your pussy will soon leak freely.”

“Your hot mom’s pussy’s already leaking freely,” said Alex.

Needless to say, I spanked Jessica until she came. I watched her convulse in orgasm.

“Nick, you’ve drenched my mom’s pussy,” whined Courtney. “Who’s going to clean it up now?”

“I’d love to do that with my tongue,” said Alex. “I am sure the slut though wants Nick to do that.”

“It’s he who caused it in the first place,” said Courtney, pulling me down. “You clean it up.”

“Are you sure I should do that?” I said as I spread Jessica’s ass. “It’s soaked.”

“Of course,” she said as I lowered my mouth to her mom’s splayed asshole.

Jessica gasped, and her asshole clenched when I kissed it.

“That isn’t her pussy,” said Courtney when I started to lick her mom’s splayed asshole. “This is only going to make her pussy wetter.”

“No matter how wet it gets, he’s going to clean it up,” said Alex. “I am sure he wants to persuade your slutty mom to let him fuck her virgin ass.”

“You think he can do that?” said Courtney.

“I am sure he can do it like he did it to her slut daughter,” said Alex. “I bet she already wants him to.”

Jessica moaned and ground her ass into my face.

“Can’t you see?” teased Alex. “She’s already showing him she’s open to the suggestion.”

“You think I’d finally get fucked in the ass side by side with my slutty mom?” said Courtney.

“I bet,” said Alex. “You want that?”

“I can’t wait,” said Courtney, stroking my hard cock.

“I love eating your mom’s sweet asshole,” I said. “It’s as delicious as yours.”

“I can feel that,” she said. “You are rock hard. You must be dreaming about fucking it you can taste it.”

“I can taste it all right, and I love the taste,” I said.

Jessica went crazy as I licked, teased and sucked her asshole.

“Don’t worry about your audience at all,” teased Alex. “They know you are a cock-hungry slut. They saw you come by a spanking. They are now sure Nick’s going to fuck you silly. He’s seduced you with a spanking.”

Jessica moaned and gasped.

“Your daughter’s playing with his big cock to make sure it’s ready for her slut mom,” teased Alex. “Nick’s cock’s always ready. Do you know why Courtney’s playing with it?”

Jessica moaned and squirmed.

“She’s doing that because she knows that once you’ve tasted his tongue not to mention his big cock, you can’t stop until you can’t move,” teased Alex. “She wants to make sure he’s hard enough to fuck you for several hours.”

Jessica needed to come badly.

“Beg him to make you come, or he’ll torture you until you do,” said Alex.

Jessica hesitated. I squeezed her tits with both hands while I teased her asshole with my tongue tip.

“Please make me come,” she finally gasped lowly.

“That was so low you could hear a pin drop,” teased Alex. “You need to be louder for him to hear you.”

“Please make me come,” gasped Jessica more loudly.

“Good girl,” teased Alex as I ate Jessica’s asshole hungrily.

“I am going to come,” gasped Jessica.

Jessica stiffened and shook in orgasm while I devoured her twitching asshole.

When Jessica recovered, I moved to her drenched pussy. I ate it through orgasm and moved back to her asshole. I made her come a few more times, switching between her juicy pussy and sweet virgin asshole.

“You are so hot for his big cock you’ll come hard the moment it touches your cock-hungry pussy,” teased Alex. “Once you taste his fat cock, sex will never be the same. He’ll ruin you for everybody else. You’ll be his bitch.”

Jessica squirmed as I teased her responsive asshole leisurely.

“Mom, you’ve begged him to make you come,” said Courtney. “Beg him to fuck you with his incredible cock.”

“I can’t do that,” gasped Jessica. “I am a married woman.”

“Don’t fool yourself, Jess,” teased Alex. “You are a married slut. Sluts love to beg for cock. Even good housewives beg for Nick’s big cock. Even if you think you are a good housewife, it’s okay to beg for his big cock.”

“That’s right, mom,” said Courtney. “My boyfriend doesn’t mind my being Nick’s bitch. You are obviously his bitch too. You came when he spanked you. Dad shouldn’t mind that. Be easy on yourself, and beg for his big cock.”

“What if Kayla came home and found us like this?” gasped Jessica.

“I got rid of her and locked all the doors,” said Courtney. “It’s a little too early for her anyway, but she’ll soon become his bitch like us maybe within a couple of days. She’d love to have him stretch her holes almost to tearing.”

“You are going to corrupt your little sister?” gasped Jessica. “She’s too young for this. He’d tear her up.”

“I’ve already met your sweet little daughter and talked with her,” teased Alex. “She’s so ripe and bursting with lust. They’ll both enjoy putting her hot young body to good use, so relax.”

“That’s so wrong,” gasped Jessica. “She’s young and innocent.”

“What’s wrong with that, Jess?” teased Alex. “Shouldn’t your sweet little daughter take after her slut mom?”

Jessica gasped.

“Isn’t she old enough to know what her juicy little pussy was made for?” I asked.

“Yes,” she hissed.

“She’s old enough,” I said. “I’ll teach her the rest. Don’t be protective enough of her to deprive her of her chance to be my bitch like her slut mom and sister.”

“Please be nice and gentle with her,” she said meekly.

“Never worry about that,” I assured. “I’ll just put her hot body to good use like it was meant for.”

“Thank you,” she gasped as she stiffened.

Jessica came immediately.

“Come like a whore,” teased Alex. “Show them you are a real slut. I bet they already know it, especially Nick.”

Jessica continued to shake in orgasm.

“Nick, torture her, but don’t make her come until she begs you to fuck her and make her your bitch,” said Alex.

“Do that, Nick,” said Courtney. “She’s ready.”

“You got that, my sweet bitch,” I said. “I am dying to fuck your hot slut mom and make her mine.”

“Are you really ready to have the hottest time of your life?” teased Alex. “If you are not, he’ll torture you until you are, but you love this torture, don’t you?”

Jessica continued to leak as I teased her asshole mercilessly.

“Get up, Nick,” said Courtney. “It’s time to introduce your big fat cock to her cock-hungry little pussy.”

“I am not going to fuck her until she begs for it,” I said as I got up.

“Of course not,” she said. “She shouldn’t dream of it.”

Courtney pulled me by my cock until my leaky cock head touched her mom’s dripping pussy. She used my cock head to tease her mother’s drenched pussy.

Jessica continued to squirm and moan in need.

“He isn’t doing anything to you,” teased Alex. “Your daughter’s using his big cock to torture your flooding pussy into total submission. She’ll break your stubborn pussy down so badly you’ll continue to fuck him and beg for his big cock even if your husband walks in. You’d actually tell him you’d feed him your lover’s creamy come out of your sloppy cunt. He’d know instantly that you’d become a whore and be proud to eat your faithless pussy.”

Jessica trembled.

“The more you fight it, the more she’ll break you down,” teased Alex. “I encourage you to resist with all your power so she can drain you completely and turn you into a cock-craving heaving heap begging for his big cock.”

“Please fuck me,” gasped Jessica.

“Don’t give up without a fight,” teased Alex. “Do you want to surrender your defenseless little pussy to that big powerful cock to skewer and fuck like it’s never been fucked before? He’d ruin it for any other cock.”

Jessica trembled.

“This is your cock-hungry pussy talking,” teased Alex. “The little cocksucker can’t resist a big hard cock.”

“Please fuck me,” gasped Jessica.

“Come on, Jess,” teased Alex. “I don’t think he heard you. I am not sure I even did. Don’t be shy like a demure little girl. Don’t forget that you are a big slut. A cock-hungry slut’s never too shy to beg for a thick juicy cock.”

“Please fuck me,” gasped Jessica louder.

“Beg him to fuck you like a whore,” teased Alex. “Everybody already can see you act like one even before he fucks you not to mention deflowers your sweet little asshole and stretches it wider than a whore’s. He already can see you act like a dirty whore. I don’t think he’s going to fuck you until you admit it shamelessly.”

“Juicy, don’t let these little sluts pressure you into doing what you don’t want to do,” I said. “Resist their teasing as long as you can. If you are not ready to give yourself completely to me, don’t. I’ll give you only what you need.”

“I need you to fuck me,” gasped Jessica.

“If you really need me to fuck you like a dirty whore, you can beg for it like a dirty whore,” I said. “I suggest that you resist as much as you can until you are dying to be my desperate-to-please fuck toy. I don’t like to fuck a good loving wife unless her full loyalty’s to my big cock, not her husband’s or any other, and she can prove it.”

“My complete loyalty’s to your big cock,” she gasped.

“I can’t fuck you if you think it’s wrong,” I said. “You have to be my slut that nobody can take away so I have the right and duty to fuck you and use you any way I want regardless of whatever anybody else might think or say.”

“That’s how I want you to fuck me,” she gasped.

“I’ll be fucking you in front of your husband,” I said. “Are you going to be a good wife and let him eat my come out of your stretched pussy and loose asshole?”

“Yes,” she hissed.

“What do you think, Alex?” I said.

“Fuck the bitch,” said Alex. “I think she’s going to be a good bitch for you.”

“What if you are mistaken?” I said.

“No way,” she said. “Her horny pussy and ass will soon be addicted to your big cock even more than mine.”

“Beth, do you think Mrs. Hopkins will be a devoted depraved bitch for me?” I asked.

“I don’t doubt it,” said Beth.

“Me neither, but, if for any reason we are mistaken, I’ll deprive her of my big cock forever,” I threatened.

“Your threat’s worthless, honey,” she said. “This bitch will be begging for your big cock like a crack whore.”

“You are a wicked woman, Jessica,” teased Alex. “If you’d let me eat your juicy pussy, you wouldn’t have come this many times and secured yourself a permanent position on my horny brother’s big cock.”

“I didn’t know it would be like this,” gasped Jessica.

“Like that would have made a difference,” teased Alex.

“You think my cock’s big enough for your greedy fuck holes?” I teased.

“It’s bigger than enough,” gasped Jessica.

“Courtney, should I fuck your slut mom, or should I leave her starving for cock?” I asked.

“Please fuck her,” said Courtney, stroking my hard cock.

“You think she can withstand a serious fucking?” I asked. “She’s so hungry for my big cock.”

“I don’t know, lover, but, if she gives up, you’ll still have the rest of us,” she said.

“You think I should give her the fucking of her life in every hole she has?” I teased.

“Yes, please,” she said.

“Mrs. Hopkins, if I fuck you, I am going to fuck you nice and hard until you give up and beg for mercy,” I said. “Do you still want me to fuck you?”

“Yes, please,” hissed Jessica.

“If you really want to be my whore like your slut daughter and have me fuck you like I should, you have to beg for it,” I said. “I don’t want Sean to think that I raped you.”

“Please fuck me,” she gasped as I returned to licking her asshole while finger fucking her pussy.

“I think you need to be a little louder,” said Alex. “You screamed a lot louder when you came on his tongue.”

“Please fuck me,” said Jessica louder.

“Mrs. Hopkins, what’s going to happen now is why you were made a woman and given luscious cock-craving orifices,” I said. “Your greedy orifices are going to get sated. I am going to make you my bitch.”

“Thank you,” she gasped.

“Fuck the bitch, Nick,” said Courtney as I stood up behind her mom.

Courtney guided my cock into her mom’s pussy. I shoved it all the way into Jessica’s soaked pussy, stretching it to the limit. She gasped and stiffened before I hit bottom.

“I am coming,” gasped Jessica.

“Didn’t I tell you?” teased Alex.

Jessica shook in orgasm, and I fucked her pussy at an accelerating pace. I was drilling her pussy hard before her orgasm subsided. Her orgasm peaked again, and I continued to pound her until she went limp.

“That was incredible,” gasped Jessica as I gently fucked her drenched pussy.

“Of course,” said Alex. “This is why sluts get addicted to my brother’s amazing cock.”

Jessica came again and again as I continued to drill her pussy. Courtney, Beth and finally Alex got to suck her copious juices off my cock and balls.

“Are you ready to suck my big cock?” I said when I took my dripping cock out of her wet pussy for the last time.

“Yes,” gasped Jessica.

“Your daughter’s going to teach you how to suck it properly if you don’t know already,” I said.

Courtney helped her mom get off the sofa and kneel down in front of my sticky cock.

“Suck it, mom,” said Courtney. “Show him how much you love his big juicy cock. Show him you deserve to be his dirty bitch. Any slut can thrust her ass out and come her ass off on his big cock. His bitches have to stand out.”

“Show the same hunger you had when he fucked you,” said Alex.

Courtney gently pushed her mom toward my cock, and Jessica stuck her tongue out and licked my cock head before she took it in her mouth and proceeded to suck it.

“Suck his big cock, mom,” encouraged Courtney.

Alex sat back on the sofa and spread her legs, exposing her leaky pussy. She beckoned Dave to her pussy. He silently knelt before her and proceeded to eat her pussy while she watched, moaning. Beth and Courtney were on their knees next to us, fingering each other’s leaky pussy.

Jessica sucked my cock hungrily on her own, moaning around it, and I thrust in her mouth. Occasionally, Courtney whispered new tricks to her. Jessica was unable to take my cock down her throat though.

“Sean, lick my pussy while I teach mom how to suck our lover’s big juicy cock,” called Courtney.

Courtney spread her knees, and Sean lay down and stuck his head between her legs. He licked her pussy, making her moan, while she adjusted her mom’s position for ease of cock swallowing.

Beth got up and guided my right hand to her wet pussy. I fingered it while I had my cock sucked.

“Mom, try to swallow it all,” instructed Courtney. “Relax, and open up for it.”

Jessica made several trials, gagging or withdrawing before my cock head slid into her throat.

“Take your time,” said Courtney.

Needless to say, Jessica swallowed my entire cock and held it there for a few seconds.

“I knew you could do it,” I said. “Now, practice.”

“Practice makes perfect,” said Alex.

Jessica practiced deep throat for several minutes. I held her head and taught her to get her throat fucked.

Beth guided Courtney’s hand to her pussy.

“She deserves the prize, doesn’t she?” said Courtney.

“She does,” I said.

“Mom, make me proud,” said Courtney. “Swirl his come around in your mouth and gargle with it before you swallow it to the last drop.”

My come soon shot against the back of Jessica’s throat, and she swirled it around with her tongue and gargled with it before she swallowed it all. I bent down and gave her a long deep kiss.

Courtney and Alex came just before I did. Courtney made Beth come too.

---

“Mom and I will be back shortly,” said Courtney, leading her mom away.

While Courtney and her mom were away, Beth and Alex revived my cock. Alex withdrew when Courtney and her mom returned.

“Courtney, suck my big cock with your mom,” I said as I got up.

Courtney and her mom knelt down and deep throated my cock for a few minutes.

Alex handed me the lube.

“What are you going to do with your big cock while you prepare mom’s horny ass for it?” asked Courtney.

“I can keep it warm in mine,” said Beth.

“That’s fair,” said Courtney. “Mom, get on your knees on the sofa.”

Jessica got into position, and Beth knelt on the floor, leaning over the sofa. I squeezed lube on my cock and on Beth’s asshole, and Courtney guided it in.

While I fucked Beth’s ass leisurely, I lubed Jessica’s asshole and reamed it out with my fingers. Alex and Courtney sixty-nined and came in each other’s mouth. Jessica came twice, once while I finger fucked her asshole with two fingers and the other time while I did it with three fingers.

“Juicy, get on your back and pull your knees to your tits,” I instructed.

Courtney lubed my cock while Jessica assumed the position.

“Mom, spread your virgin ass, and beg him to fuck it like he should,” said Courtney, stroking my slick cock.

Jessica was no longer too shy to do that.

“Nick, please fuck my virgin ass with your amazing cock,” begged Jessica, spreading her ass wide.

“You got that, bitch,” I said as Courtney guided my engorged cock head to her mom’s glistening asshole, and I pressed it in, making her moan quietly.

“Yes,” she hissed as I stretched her asshole around the beginning of my hard cock.

“You like this, mom?” teased Courtney.

“I love it,” said Jessica.

“We are very lucky to have Nick, aren’t we?” said Courtney as my shaft sank slowly up her mom’s asshole.

“Yes,” hissed Jessica. “This feeling’s fantastic.”

“I know,” said Courtney, fingering her own pussy while she watched. “You love being his dirty bitch.”

“Yes,” hissed Jessica.

When I was almost all the way up Jessica’s ass, I paused for a few seconds.

“Nick, I am going to come,” whispered Jessica.

“Come, my dirty bitch,” I whispered. “Show your daughter you are as dirty as she is.”

She stiffened, and her orgasm hit her. I shoved the rest of my cock up her ass and proceeded to fuck her ass. She continued to shake ecstatically but more wildly while I fucked her ass with short fast strokes.

“No wonder you love it so much,” gasped Jessica after her orgasm subsided.

“You love getting fucked up the ass?” I teased, fucking her ass with long slow strokes.

“Yes,” she hissed. “I love it so much.”

“I am glad you do because I love fucking your hot ass, and I’ll fuck it silly,” I said as I held her legs by the ankles and picked up the pace.

“Do that, baby,” she gasped.

Jessica’s tight asshole came around my hard cock seven more times before I filled it with come.

“I am going to come deep in your horny ass, Juicy,” I warned, drilling Jessica’s asshole vigorously.

“Yes, yes,” she hissed as her ninth orgasm approached.

When her orgasm hit her, I let go, pumping my come through her twitching rectum. She had her hardest orgasm while I filled her hot ass with come. I thrust in her ass hard until I drained my balls. Her orgasm subsided too, but her asshole milked my softening cock deliberately.

“Who’s the lucky bitch who’s going to eat my come out of Juicy’s juicy ass?” I said.

“That has to be me,” said Courtney.

“It actually doesn’t have to be you,” I said.

“It doesn’t, but I want it to be me,” she said.

“Go for it,” I said, popping my cock out of her mom’s slimy ass.

Courtney pounced on her mom’s asshole and ate it hungrily while Beth sucked my sticky cock.

“This is so crazy,” moaned Jessica.

“Enjoy,” I smiled.

Courtney ate her mom’s asshole thoroughly and made her come.

My cock was rock hard. Courtney lubed it.

“Let’s all get on our knees,” said Alex, getting on her knees on the right end of the sofa.

Courtney knelt next to Alex and then Beth did. Jessica took the other end of the sofa. Four hot asses looked me in the face, making my cock throb.

“I am the only one who hasn’t got fucked up the ass,” said Alex, spreading her ass with her left hand.

Alex’s asshole winked at me, and my cock answered her call.

“I thought she was your sister,” said Jessica when she saw me push my cock up Alex’s luscious ass.

“I am a nice guy,” I said. “If my sister wants my big cock, I give it to her. I’d never say no to my hot little sister.”

“That’s incest,” she said as my cock slid all the way up Alex’s ass, making her moan.

“I am too nice to let incest deprive me of one of the hottest asses I’ve ever seen,” I said, thrusting in Alex’s ass.

“You are a very horny guy,” said Jessica.

“Mom, he has to be like that if he’s to take care of a number of cock-hungry bitches like us,” said Courtney.

“That may be true,” said Jessica as I fucked Alex’s ass harder.

For the following hour, I changed asses after each orgasm. I pumped my next come load up Alex’s ass.

“Juicy, it’s your turn to eat a come-filled ass,” I said as I withdrew from Alex’s ass.

“Jessie, eat my brother’s come out of my ass to the last drop,” called Alex. “You think my brother’s hot sticky come has no business stuffing my slutty ass, so suck it all out.”

“I’ve never done anything like this,” said Jessica as she knelt behind Alex.

“Very few people get to eat a guy’s come out of his sister’s well-fucked ass,” said Courtney.

Jessica ate Alex’s ass to orgasm while Beth and Courtney revived my cock.

Jessica ate my next come load out of Beth’s ass and the next one out of Courtney’s.

Dave ate my last come load out of Alex’s ass.

---

“Nick, don’t forget that you have to initiate Kayla very soon,” said Courtney.

“I can’t forget that,” I said. “I need to be a thousand years old to forget something like that.”

“I know,” said Courtney.

“Juicy, thank you so much for becoming mine,” I said.

“Thank *you*,” she said. “It was the hottest thing in my life ever.”

We kissed goodbye. Jessica and I kissed as if one of us was leaving to Siberia for ten years.

## GIRLFRIEND’S SISTER AND HER BOYFRIEND

While all that happened, Victoria was alone with Lisa.

“Lisa, do you know that Nick likes you?” asked Victoria.

“What do you mean?” said Lisa.

“He thinks you are a nice young lady,” said Victoria.

“That’s nice of him,” said Lisa.

“He wants you,” said Victoria.

“What does that mean?” asked Lisa.

“He wants to have unbridled sex with you,” said Victoria, shocking Lisa.

“What?” said Lisa, looking at her mom in disbelief. “Where did you get that ridiculous idea?”

“He told me,” said Victoria.

“He told you?” said Lisa. “Did he go crazy?”

“Sweetie, you are a beautiful girl, and you have a very sexy young body,” said Victoria. “It’s normal for guys to find you attractive. Why are you surprised?”

“Mom, finding me attractive is one thing and wanting to have wild sex with me is a completely different thing, especially when it comes from my sister’s boyfriend,” complained Lisa.

“Sweetie, when a man finds a woman attractive, he instinctively wants to have wild sex with her unless he’s impotent or gay,” said Victoria. “It’s a fact of life.”

“It’s okay for him to find me attractive,” said Lisa. “I am his girlfriend’s sister though. He can’t lust for me unless he’s a sick pervert. Are you saying he’s a sick pervert?”

“No, sweetie,” said Victoria. “I am saying he’s a virile young man, and you are a ripe young woman. It’s normal for him to lust for you. It wouldn’t actually be normal for him not to.”

“I am his girlfriend’s sister,” said Lisa.

“Sweetie, guys lust for their girlfriends’ and wives’ sisters all the time,” said Victoria. “It isn’t all that unusual.”

“You suggest that I should be careful around him?” asked Lisa.

“Why should you do that?” said Victoria. “Don’t you like him?”

“He’s my sister’s boyfriend,” protested Lisa.

“He’s still a guy and a hot one at that,” said Victoria. “Don’t you agree?”

“Well, yes, but he’s taken,” said Lisa. “Not only that, but he’s taken by my own sister.”

“You’ve never fantasized about him because of that?” said Victoria.

“Mom!” protested Lisa. “I am not a slut.”

“Sweetie, it isn’t a crime for you to fantasize,” said Victoria. “It’s actually healthy. I’ve fantasized about him ever since he started dating your sister.”

“Mom, he’s been seeing my sister for four years,” said Lisa.

“Well, I’ve fantasized about him for four years,” said Victoria. “I have, and you haven’t?”

“I have,” said Lisa, blushing deeply.

“So, you want to have wild sex with him too, don’t you?” said Victoria.

“Mom, that was only a fantasy,” protested Lisa.

“Wouldn’t you love it if it came true?” teased Victoria.

“Okay, sure, but it can never,” said Lisa. “Beth would kill me and kick his butt.”

“What if you could do it behind her back?” said Victoria.

“Mom, you want him to cheat on my sister with me?” complained Lisa. “You can’t be serious.”

“Okay,” said Victoria. “What if Beth and Derek were okay with that?”

“Mom, there is no way Beth and Derek would be okay with my having sex with Nick,” said Lisa.

“Why not?” said Victoria. “There are people who are okay with letting their partners have sex with others.”

“Those are sick perverts,” said Lisa. “There is no way Beth and Derek are like that.”

“Your sister’s a very nice girl,” said Victoria.

“Mom, very nice girls don’t let their boyfriends have sex with other girls,” said Lisa.

“Your sister does,” said Victoria. “She understands that other girls need to have sex with her boyfriend.”

“That doesn’t make sense,” said Lisa. “Why? He isn’t the only guy on earth.”

“He’s a very good lover,” said Victoria. “Those are rare, and girls need them direly.”

“Beth knows that Nick’s a great lover and understands that other girls need him because he’s a rare commodity so she lets him have sex with them?” said Lisa sarcastically.

“That’s right, sweetie,” said Victoria.

“Mom, be serious,” said Lisa.

“Lisa, you are a big girl now, aren’t you?” asked Victoria.

“Yes,” said Lisa.

“You should take this as a compliment, but he said you’d make a hot little whore,” said Victoria.

“That’s so rude,” said Lisa. “Who told you that?”

“Sweetie, it isn’t rude,” said Victoria. “It’s a compliment. I heard him say it.”

“How can calling me a whore be a compliment?” asked Lisa.

“It all depends on what it’s meant by it,” said Victoria. “He meant that you’d make a great lover.”

“That’s none of his business,” said Lisa.

“Don’t be silly, Lisa,” said Victoria. “It’s a compliment.”

“Whatever,” said Lisa.

“I told you I’d been fantasizing about Nick for years,” said Victoria. “I didn’t tell you however that my fantasies have recently come true.”

“What do you mean?” asked Lisa in confusion. “You had sex with him?”

“I let him seduce me, and he gave me the best sex of my life ever,” said Victoria. “He’s an amazing lover.”

“You cheated on dad?” said Lisa in disbelief. “You didn’t?”

“Only once, sweetie,” said Victoria.

“You cheated on dad only once?” asked Lisa.

“Yes, sweetie,” said Victoria. “It was more than worth it. It was incredible.”

“You had sex with him once and then dumped him?” asked Lisa.

“No, sweetie,” said Victoria. “A sane woman never dumps her best lover ever.”

“He dumped you?” asked Lisa.

“No, silly,” said Victoria. “He loved having me as well.”

“You didn’t dump him, and he didn’t dump you,” said Lisa. “What happened? You agreed to quit?”

“Not that either,” said Victoria.

“So, what happened?” asked Lisa.

“I cheated on your dad only once,” said Victoria. “After that, it was no longer cheating.”

“What was it?” asked Lisa. “You are still married. You are not separated, are you?”

“Of course, I am still married,” said Victoria. “Our second time was with your dad’s consent.”

“No way,” said Lisa.

“Your dad spread my butt for Nick and watched him pound it through the most intense orgasms of my life and pump me full of his hot love cream,” said Victoria. “It was even hotter than our first time.”

“Dad spread your butt for Nick?” said Lisa dismissively. “No way. Be serious.”

“I am serious,” said Victoria. “Your dad spread my butt for Nick. He wasn’t the only spectator either.”

“There were others who saw that?” asked Lisa. “This is even less believable.”

“Your sister was there, and so were Nick’s sister and her boyfriend,” said Victoria.

“Dad, Beth, Alex and her boyfriend saw Nick have sex with you?” said Lisa. “You must be kidding. I might believe it if you said you were alone and one thing led to another but in front of dad, Beth and others? No way.”

“Believe it or not,” said Victoria. “Either way, I suggest that you welcome Nick and jump in with both feet.”

“You mean with legs wide spread,” said Lisa.

“I guess,” said Victoria.

“Mom, I am still virgin,” said Lisa, blushing. “I have a boyfriend too.”

“Sweetie, I also was a virgin before I lost my cherry, and I have a husband,” smiled Victoria. “You’d never regret it if you let him initiate you and make you a woman. You already know he thinks you’d be a hot little whore.”

“If he talks like that about me, he’ll probably hurt me,” said Lisa.

“Did you think I’d encourage you to do that if I thought he’d hurt you?” said Victoria.

“No,” said Lisa.

“I got you an enema so you can start cleaning your bowels,” said Victoria.

“Why would I want to do that?” said Lisa.

“Nick’s an anal guy,” said Victoria. “He’d certainly want to toy with your butthole and probe it. You need it to be squeaky clean so you can have fun with that.”

“That’s gross,” said Lisa. “You even told me it was gross.”

“It all depends on the person and the situation,” said Victoria. “Nick knows what he’s doing. You can let go with him and let him do whatever he wants to you.”

“Would he want to put it in my butt?” asked Lisa.

“That’s exactly what he wants to do,” said Victoria. “Didn’t I tell you that your dad spread my butt for him?”

“You mean he had anal sex with you?” asked Lisa.

“I even was virgin there before he deflowered me that way,” said Victoria.

“Did it hurt?” asked Lisa.

“Sweetie, if it hurt, I wouldn’t encourage you to do it,” said Victoria. “You’d love it. I know I do.”

“Does Beth let him do that to her?” asked Lisa.

“You can ask her if you want to know,” said Victoria. “Any girl who knows what’s good for her should.”

“Dad watched him do your butt?” asked Lisa.

“Yes, sweetie,” said Victoria. “Nick reamed it out for me very well while your dad and others watched.”

“That’s so wild,” said Lisa.

“Speaking of that, you should consider doing without underwear especially when he’s around,” said Victoria. “Show him that you are ripe and ready for what he has in mind for you.”

“What about Derek?” asked Lisa.

“You can cheat on him once and have him spread your butt the next,” said Victoria.

“How did you talk dad into doing that?” asked Lisa.

“I didn’t,” said Victoria. “Nick’s sister, Alex, did.”

“How did she do that?” asked Lisa.

“She’s a very wicked girl,” said Victoria. “She promised me she’d have your dad eating Nick’s fresh sperm out of my well-used orifices, and she did.”

“Dad ate Nick’s sperm out of you?” asked Lisa in shock.

“I shouldn’t have told you that,” said Victoria. “You are too young for that.”

“Mom, I am not too young,” protested Lisa. “Did he?”

“Sweetie, the best way for a man to show that he’s okay with his woman’s relationship with another guy is to help him have her and eat his sperm out of her,” said Victoria. “Your dad did that to show that he still loved me.”

“That’s so humiliating,” said Lisa.

“I told you it all depended on the situation and the person,” said Victoria. “When Nick tells you that you are a dirty whore, it’s a big compliment. When someone else does, you slap him so hard he goes blind. This is similar.”

“I never thought something like that could ever happen,” said Lisa.

“You’ll love it when Derek eats Nick’s warm sperm out of your tenderized orifices,” said Victoria.

“Would he really do that?” asked Lisa.

“I am sure Alex can talk him into that,” said Victoria.

“That would be so crazy,” said Lisa.

“Sweetie, don’t be all over Nick the next time you see him,” said Victoria. “You already know that he wants you. Let him come to you, but don’t turn him down.”

“I can’t believe this,” said Lisa. “I am giddy already.”

“You deserve the best, sweetie, and I know he is,” said Victoria.

“Thanks, mom,” said Lisa.

“Don’t disappoint him,” said Victoria. “Be as good to him as he’s good to you. Be a hot little whore for him.”

“Mom!” whined Lisa.

“You’ll love it when he skewers your little butt especially when Derek spreads it for you,” said Victoria. “Maybe he’ll soon do us together while Derek spreads yours and your dad spreads mine.”

“I got your point, mom,” said Lisa.

“Go, and take your first enema so you can be used to it,” said Victoria. “You’ll find it in the bathroom drawers.”

---

Lisa looked shy around me and made herself a little scarce the next time I was at Beth’s house. I noticed that her tits were braless. Despite Beth’s being braless almost always, Lisa apparently did not want me to notice that, especially that her nipples were clearly outlined by her thin top. I was sitting between Beth and Victoria.

“Your sister looks too sexy today,” I said to Beth.

“You look too horny today,” she teased.

“If that were true, I’d be fucking my bitches instead of sitting here,” I teased, pulling the two of them to me.

“You may be saving yourself for my innocent sister,” she teased.

“I need to find out if she’s been saving herself for her sister’s horny boyfriend,” I said.

That was a great opportunity for me. I caught up with Lisa when I saw her go to the kitchen.

“Give us a few minutes,” I said to Beth and Victoria.

“Okay,” said Victoria.

“Be nice to my little sister, you horny pervert,” teased Beth.

“That’s what this is all about,” I assured. “I am not going to touch her if she hasn’t been saving herself for me.”

“I bet you’ll have no problem convincing her of that,” she teased.

“It shouldn’t be too hard to convince smart people of the truth,” I said.

“I am not sure the truth is that all the girls have been saving themselves for you,” she teased.

“Not all the girls,” I said before I snuck behind Lisa. “Only the hot ones. I am sure your sister’s a hot one.”

---

“Lisa,” I called softly, startling Lisa nevertheless.

“What?” she gasped, turning around.

“I am sorry,” I said as I reached out and held her ass. “I didn’t mean to startle you.”

“That’s okay,” she said nervously.

She waited anxiously for me to take my hands off her ass, but I did not.

“Nick, can you take your hands off me?” she said lowly and shyly.

“Naughty me!” I said as I gave her ass a subtle squeeze before raising them to her waist. “My hands have a mind of their own. They know that I like very sexy little butts. They acted instinctively. Will you ever forgive me?”

“That’s okay,” she said.

“If my hands hadn’t known that you had a spectacular butt they wouldn’t have pounced on it at light speed,” I said, making her blush. “Don’t you think you should take it as a compliment?”

“I don’t know,” she said shyly.

“Honestly, don’t you think that’s a compliment?” I pressed.

“I guess so,” she said lowly.

“Do good girls give thanks when they receive a compliment?” I teased.

“Thank you,” she said shyly.

“Here is another compliment, but you don’t have to thank me,” I said, lowering my hands back to her ass. “You are welcome by the way.”

“Nick, please take your hands off my butt,” she said shyly. “Someone may catch us like this.”

“Lisa, it isn’t your fault that you have a gorgeous butt,” I said. “It isn’t my fault that I can’t resist it either.”

“Nick, please,” she begged. “They might not understand.”

“Don’t worry about them,” I said as I gently pulled her into me, bumping my boner into her crotch.

She gasped.

“Nick, we shouldn’t be like this,” she said. “You are my sister’s boyfriend.”

“Lisa, we are not doing anything wrong,” I said. “We are talking innocently, and I am holding your fantastic ass because it’s irresistible. If anyone gives you a hard time about it, have them talk to me. Relax.”

“Okay,” she said nervously. “What do you want to talk about?”

“Lisa, have I ever told you that you are a gorgeous young lady?” I asked.

“I don’t remember that,” she said, smiling nervously.

“Can you ever forgive me?” I said. “I can’t believe how rude I’ve been.”

“You don’t have to tell me that anyway,” she said.

“Any guy with self-respect has to bow to you and pay homage to your beauty,” I said, subtly squeezing her ass.

“Thank you, but I am no beauty queen,” she said.

“Beauty queens have nothing on you as far as I can see,” I said. “I don’t want you to be a beauty queen. I want you to be my queen.”

“What do you mean,” she said. “You are my sister’s boyfriend.”

“Your lips are so appetizing,” I said. “They look so delicious. They are irresistible like the rest of you.”

My boner was pressed gently against her pussy as I gently felt up her ass. I smiled at her before I touched my lips to hers. She hesitated briefly before she kissed back. Our kiss heated up quickly, and our tongues found their ways inside each other’s mouth, wrestling playfully. I fondled her ass freely while we kissed, making her moan into my mouth. She subtly ground into my boner.

“They are expectedly delicious,” I said. “I can’t wait to see them stretched wide around my big fat cock.”

She trembled.

“Lisa, can you feel my big cock?” I whispered, looking in her eyes.

“Yes,” she hissed, blushing.

“Do you think it’s too big for you?” I teased.

“I don’t know,” she said nervously.

“I think you are ripe for it,” I said. “It thinks so too. You can tell that it wants you. It wants to show you how much it loves my girlfriend’s sexy little sister.”

She trembled.

“Does your hot little pussy want it?” I teased.

She blushed and trembled.

“Tell me,” I said.

“Yes,” she hissed.

“Does it know that it’s ripe and ready to be taken?” I whispered.

“Yes,” she hissed.

“Come for me, Lisa,” I said as I started to grind my hard cock into her pussy.

She gasped.

“Show me that you want to be my little slut,” I urged. “Don’t you want to be my little slut?”

“Yes,” she hissed.

“Do you have a boyfriend?” I asked, grinding into her harder.

“Yes,” she gasped.

“Do you want him to watch me fuck you like a dirty little whore?” I teased. “Do you want me to show him how his slut girlfriend should be fucked?”

“Yes, yes,” she hissed, stiffening.

“Come for me, my hot little whore,” I said, mashing her gushing pussy into the base of my hard boner. She shook wildly while I held her tight, grinding into her as she madly shoved her pussy into me. Her orgasm subsided, and I held her to me.

“Oh, Nick, that was the best orgasm of my life,” she panted.

“Does your little pussy love my big cock?” I teased, smiling at her.

“Yes,” she hissed.

“I love your hot ass, Lisa,” I said, squeezing her ass. “Does your boyfriend love it?”

“I don’t know,” she said.

“Lisa, there is one thing you must know,” I said. “Nobody does or can love your gorgeous ass as much as I do.”

“Okay,” she said.

“Do you know why I love your luscious ass?” I said as I gently hiked her skirt up.

“No,” she said as I cupped her bare ass cheeks.

“For two reasons,” I said, feeling up her ass. “Can you guess what they are?”

“Because it’s round and tight,” she said, trembling as I spread her ass and tickled her asshole.

“That isn’t the first reason though,” I said, scooping some of her copious juices with my finger.

“What’s the first reason?” she asked as I pressed my slick finger into her asshole, making it clench.

“The first reason’s that it’s your ass,” I said as I massaged her asshole and corkscrewed my finger in. “You are a special girl, Lisa. A pretty ass doesn’t mean much if it isn’t attached to a lovely girl.”

“Thank you,” she gasped as my fingertip slid inside her ass.

“You are lovely on the outside and the inside,” I said as I wormed my finger deeper into her asshole. “So is your hot ass. That’s why I am going to explorer it inside out. Are you okay with that?”

“Yes,” she hissed, her asshole twitching.

“You’ll belong to me and my big cock, Lisa,” I said, gently reaming out her asshole with my finger. “You are too good to belong to anybody or anything else. Do you understand?”

“Yes,” she hissed.

“Are you a good girl?” I asked.

“I am not sure,” she said. “I don’t think good girls do what I am doing.”

“You are letting the guy whose big cock you belong to toy with your hot little asshole,” I said. “That’s what you are supposed to do, isn’t it?”

“Yes,” she hissed.

“Bad girls do that with other guys,” I said. “Do you think this makes you a bad girl?”

“No,” she said lowly.

“That’s right,” I said. “You are a good girl. A good girl eagerly kneels down and shows the big cock she loves passionately how obsessive she is about it. Are you going to do that?”

“I’ve never done that before,” she said nervously.

“Do you know what the good girls who’ve never sucked cock do?” I asked.

“No,” she said lowly.

“They suck cock for the first time and live happily ever after because they take their time and learn to do it right,” I smiled. “Are you going to be a good girl and do like them?”

“Yes,” she hissed.

“Get down on your knees and do just that,” I said, slowly pulling my finger out of her ass. “Learn how to make love to the big cock you belong to. This is what distinguishes a young woman from a little girl.”

“Okay,” she said as I took my finger in my mouth and sucked it while looking her in the eye.

“You have a delicious asshole,” I said.

She blushed but did not comment.

“Suck my big cock, my little slut,” I said softly, nudging her shoulders down. “Show it that you belong to it.”

“Nick, we are in the kitchen,” she said as she knelt down.

“I know where we are, baby,” I said. “When you are with me, nobody will bother you. Nothing else exists. The only two things that exist are your sweet little mouth and my big fat cock, and they are in deep overwhelming love.”

“Okay,” she said.

“If you are the good girl I am sure you are, I am going to reward you handsomely and flood your hot mouth with my hot creamy come,” I said. “You are going to swallow my come to the last drop because I know you deserve it.”

“Thank you,” she said.

“Let your mouth show my big cock how much you love it,” I said. “Show it that you deserve to drink my warm sticky come. Let’s make you one of the hottest cocksuckers in town. I am sure you’ll be very proud of yourself.”

She tentatively took my hard cock out. Her eyes were glued to it.

“Do you like it?” I asked.

“I love it,” she said. “It’s big and beautiful.”

“It loves you too,” I said. “Do you want to suck it?”

“Yes,” she said.

“Do you really want to suck it?” I asked.

“Yes,” she said.

“Do you want to suck it enough to beg me to let you suck it?” I asked.

“Yes,” she said.

“Go ahead, and beg for it,” I said. “Only the hottest sluts beg for cock.”

“Please let me suck your big cock,” she begged.

“Go for it, my slut,” I said. “Make love to it with your mouth. Show it you are as hot a slut like it thinks you are.”

She stuck her tongue out and licked my cock head with her tongue tip. My cock twitched and leaked excitedly.

“Lick it and suck it like an ice cream cone or a lollipop,” I said. “Remember that you are making love to it, and show your passion. You are sucking it to show it that you belong to it and that you’ll eagerly do anything for it.”

During the following few minutes, I fed her more and more of my cock, and she practiced the basic skills of cock sucking. We both enjoyed it.

“Nick, I love sucking your delicious cock,” she said.

“You are already becoming a hot cocksucker,” I said, ruffling her hair. “My big cock’s very pleased with you.”

She moaned contentedly around my cock.

“Take it in as deep as you can,” I said. “Before you know it, you’ll be taking it balls deep down your throat.”

“Isn’t it too big for that?” she asked.

“It’s only too big for that for the lousy cocksuckers too dumb or lazy to learn how to do that,” I said.

“Are you going to help me learn that?” she asked.

“Lisa, you have a great potential,” I said. “I’d be extremely stupid not to help you realize your full potential.”

“Thank you,” she said.

Within the following several minutes, I taught her how to deep throat my cock. I helped her adjust her position and gently overcome her gag reflex.

“Wow!” she exclaimed. “I like this.”

“Me too,” I smiled. “You are a hot cocksucker. You’ll soon be one of the hottest sluts in town.”

“Thank you for believing in me,” she smiled.

“Thank you for being so sweet, so hot and so delicious,” I said. “I am the lucky one here, and I know it.”

“It’s funny,” she smiled. “I think I am the lucky one, and I think I know it.”

“Wait until you get lucky,” I teased.

“I am already lucky,” she said. “I have this big delicious cock to suck and play with.”

“Have fun,” I smiled.

She practiced swallowing my entire cock and enjoyed it, moaning happily.

“I think you are going to earn your prize,” I said.

“You are going to come in my mouth and let me swallow it all?” she smiled. “I’d love that.”

“Me too,” I said.

She enjoyed sucking my cock for several minutes before I gave her the prize she earned.

“Here comes the prize,” I warned. “Don’t swallow it right away. Savor the taste before you swallow.”

She instinctively doubles her efforts, and my cock soon swelled and started to twitch, forcefully pumping thick come against the back of her throat. She milked my cock thoroughly before she let me pull out. She moaned as she swirled my come with her tongue. She finally swallowed it all and opened her mouth to show me that it was all gone. She smiled as she did that.

“You are so hot,” I said, pulling her up for a kiss.

Our lips met, and we kissed deeply. I tasted my come on her tongue.

“Did you enjoy sucking my big cock and swallowing my creamy come?” I asked when we broke the kiss.

“Yes,” she said, smiling. “I loved it.”

“Are you going to remain a good girl and let me return the favor?” I said. “Are you going to show me your hot pussy and ass and let me show you how much I love them?”

“Yes,” she hissed.

“I want us to do that in the living room,” I said. “Don’t mind that your mom and sister may be watching.”

“That would be embarrassing,” she said nervously.

“Lisa, I want you to make me proud,” I said. “I want you to be my bitch. I want to show them that this hot bitch’s all mine. She’d do anything I want regardless of anything else. Are you going to let me down?”

“No,” she said lowly.

“Will you be my bitch?” I asked.

“Yes,” she hissed.

“Go to the living room, and sit in my place between your mom and sister,” I said. “In a minute, I’ll be on my knees devouring your juicy pussy and luscious asshole.”

“Okay,” she said shyly.

With an encouraging smile, I slapped her playfully on her ass. She smiled nervously and left.

Lisa was nervous and excited as she sat between her mom and sister.

“Nick was sitting here,” volunteered Beth.

“He asked me to sit here,” said Lisa nervously.

Beth did not comment.

“You are a big girl, aren’t you?” I asked Lisa when I knelt before her.

“Yes,” she hissed.

“Do you know what happens to the hot girls who sit in my seat?” I teased, placing my hands on her knees.

“What?” she asked lowly.

“I eat their juicy little pussies and sweet little assholes if they are as hot and juicy as I think,” I said.

She blushed but did not say anything.

“What do you think, Mrs. Conkley?” I asked. “Should I forgive her? She seems too sweet.”

“Not if that would spoil her,” said Victoria.

“What do you think, Beth?” I asked, gently pulling Lisa’s knees apart. “Should I eat your lovely sister’s hot pussy and sweet asshole to oblivion?”

“Only if she’s wet,” said Beth. “I don’t want you eating bone-dry foods.”

“Are you wet, Lisa?” I asked.

“Yes,” hissed Lisa, blushing deeply.

“Show me,” I said softly, gently pulling her hips forward. “Lie back and pull your knees way back. Let me see.”

Lisa blushed as she cooperated with me. I hiked her skirt and pushed her legs over her head, exposing her pussy and asshole. I guided Victoria’s right hand to Lisa’s ankle, and she held it. Beth readily held Lisa’s other ankle.

“Relax, Lisa, and enjoy yourself,” I said softly. “You are not doing anything your sister and mom haven’t done before. Isn’t that right, Mrs. Conkley?”

“Yes, sweetie,” said Victoria, looking at Lisa.

“Spread your hot tight ass wide,” I said, guiding Lisa’s hands to her ass cheeks. “Spread it proudly. You deserve to be proud of it. It’s virgin, isn’t it?”

“Yes,” hissed Lisa shyly as she hesitantly spread her ass.

“Is your mouth your only hole that isn’t virgin?” I teased as I pulled her hands apart to spread her ass wider.

“Yes,” she hissed, blushing.

“Don’t think she’s been a bad girl,” I said to Beth and Victoria. “Her sweet mouth isn’t virgin only because I’ve just taught her deep throat and swallowing. She did a wonderful job at it. You should be proud of her.”

Lisa blushed deeper. Meanwhile, I started at her splayed pink asshole.

“I am proud of you, sweetie,” said Victoria. “I knew you’d do great.”

“Way to go, little sister,” said Beth. “I am proud of you too.”

“Her virgin orifices look so sweet,” I said. “One of them is soaked. They are so ready to be eaten.”

“Is there any reason why you are not eating them already?” teased Beth.

“Gentlemanliness,” I said. “I don’t eat mouthwatering stuff unless invited.”

“Beg him to eat your pussy and asshole,” Beth said to Lisa. “You are already spreading your ass shamelessly.”

“She’s a good girl,” I said. “She nicely begged me to let her suck my big cock and swallow my sticky come.”

“That makes her a good slut too,” said Beth.

“It does,” I said. “I am going to make her a good bitch as well.”

“I am sure she’ll make a good one,” she said.

“Lisa, you have a gorgeous pink asshole,” I said. “I can stare at it for hours and not get enough.”

“The little slut’s letting you stare at it all you want,” said Victoria.

“Mrs. Conkley, the three of you have beautiful assholes,” I said, never taking my eyes off Lisa’s asshole. “I am already the luckiest man in the world if the only thing I ever do is fuck the three of you in your amazing asses.”

“We are the luckiest bitches in the world too if only for getting your fantastic cock up our asses,” said Victoria.

“This little slut hasn’t gotten it up her magnificent ass yet, but she soon will,” I said, using my thumbs to make Lisa’s asshole wink. “My mouth’s watering.”

“Lisa, he’s waiting,” complained Beth.

“Please lick my pussy and asshole,” said Lisa lowly.

“That didn’t sound convincing,” said Beth as I continued to stare at Lisa’s winking asshole.

“If you don’t want me to do that, you don’t have to beg,” I said.

“You know I really want you to do that,” said Lisa. “Please eat my pussy and asshole raw.”

“Now, you are talking,” I smiled, lowering my mouth to her asshole.

Lisa’s asshole instinctively clenched when I kissed it. It clenched further when I touched it with my tongue tip. I licked it gently and massaged it with my tongue, and it relaxed gradually. She started to moan. Her leaking juices reached her asshole. I licked them off her pucker. I made her squirm for a few minutes before I let her come. I licked her twitching asshole hungrily as it twitched under my tongue until she went limp.

While Lisa recovered, I gently cleaned her drenched pussy with my tongue. She moaned and squirmed. I picked up the pace, and she responded accordingly. I made her come quickly and sucked her gushing juices so hard I thought I would suck her juicy pussy inside out.

“Has anybody ever told you that your sweet asshole looks so much like your mom’s and sister’s?” I teased Lisa.

Victoria smiled and shook her head.

“No,” gasped Lisa.

“They are all so sweet,” I said. “I am so lucky for being the only one to have full access to them.”

“We are as lucky,” said Victoria.

“Vicky, I owe you so much for giving me two clones of your luscious little asshole,” I said.

“Nick, I owe you for taking good care of them,” she said.

Beth retrieved a bottle of lube and handed it to me. I squeezed some lube on Lisa’s asshole and proceeded to massage it with my fingertips. The tip of my middle finger slid up her asshole, and the rest of my finger soon followed. She gasped and her asshole tensed a little.

“Relax, baby,” I said, pulling firmly at the back of her asshole. “Your little asshole’s capable of taking my big cock balls deep inside it. I’ll show you, and you’ll love it.”

She relaxed a little, and her asshole stretched until it gaped slightly at the front. I massaged the sides of her anal ring circularly, reaming it out.

“I love your asshole, Lisa,” I said, smiling at her. “It’s so responsive. It will soon be ready and begging for my big cock. It already knows that it belongs to it.”

While Lisa moaned, I squeezed more lube on her asshole and my fingers and squeezed my index finger into her tight asshole. She let out a long moan as I corkscrewed my fingers all the way in. Her asshole milked as I slowly slid my fingers in and out.

“I can’t wait to feel your amazing asshole milk my big cock to show it how thirsty it is for my thick come,” I said.

Lisa pushed her ass out to meet my strokes.

Beth used the fingers of her free hand to scoop juices off Lisa’s drenched pussy.

“Suck your juices off, you horny slut,” said Beth, offering Lisa her glistening fingers.

Lisa hesitated.

“Suck them, baby,” I said softly. “Show your sister you are worthy of being her boyfriend’s dirty little bitch.”

Lisa opened her mouth and sucked her juices off her sister’s fingers.

“Good girl,” I said, smiling at Lisa. “I knew you’d make me proud every time.”

Lisa blushed.

As Lisa’s asshole got used to my fingers, my pace accelerating. I finger fucked her sweet asshole at a brisk pace, and she moaned and gasped happily.

“You like this, don’t you, you little slut?” I teased with a smile.

She blushed.

“Admit it,” I teased. “Don’t be shy.”

“Yes,” she hissed.

“You can’t be shy around your hot mom and sister,” I said. “They are no less dirty whores than you are.”

“Nick, you can’t compare her to us,” protested Beth. “She’s still virgin.”

“Both of you were virgin once, and I was reaming out your virgin assholes for the first time,” I said. “I don’t discriminate against virgins as long as they love my big cock like they should.”

Lisa gasped continuously as her orgasm obviously approached. I kept up my insistent pace. Her asshole twitched as her orgasm almost hit her. She inhaled sharply and shook in orgasm, gasping for air.

“Come for your sister’s boyfriend, you little whore,” urged Beth.

Lisa did involuntarily. I jerked my fingers within her twitching asshole wildly as she shook madly in ecstasy. Her orgasm finally subsided, and she lay there, panting.

“The aimless trip of your gorgeous ass has finally come to an end,” I said. “It has found the big cock it belongs to. Are you happy that your hot ass is about to dock and anchor itself around the thick base of its big cock?”

“Yes,” gasped Lisa.

“So am I,” I said as I squeezed lube generously around my fingers and worked it into her asshole. “It’s so good to make a lovely girl like you happy. You can finally worship my big cock like you need.”

“Thank you,” she moaned as I squeezed my ring finger into her asshole.

Lisa’s asshole slowly stretched to accommodate my three fingers as I slowly corkscrewed them in.

While still holding Lisa’s ankle, Beth scooted off the sofa and knelt down next to me. She used her free hand to set my hard cock free and stroke it.

“Your big cock’s so hard and ready to claim my slut sister,” teased Beth as she tickled my leaky cock head.

“Her sweet asshole’s getting ready to be claimed too,” I said.

“I can see that,” she said.

Lisa’s asshole finally swallowed my three fingers completely, and I gently twisted them deep within it.

“Squeeze lube on your hard cock,” said Beth. “Let me get it ready for my little sister’s virgin asshole.”

“You are a good sister,” I said as I gently fucked Lisa’s ass with my fingers and squeezed lube on my cock with my free hand. “Lube it very well so it can go smoothly all the way up your little sister’s sweet but horny asshole.”

Lisa’s asshole twitched as I said that.

“Vicky, would you mind getting in the same position as your lovely daughter?” I said. “Hook your leg with hers and hold yours with your hand while you spread your ass with your other hand.”

Victoria got into position readily, and I squeezed lube on her pussy and asshole. I gently slid two fingers into each hole and started to fuck her holes in the same rhythm I used on her daughter’s asshole. She moaned happily.

“Lisa, do you think I can make you and your mom come together on my fingers?” I asked.

“I don’t know,” moaned Lisa.

“You should have some faith in your stud,” I said as I picked up the pace.

Lisa and her mom came on my fingers together. When their orgasms subsided, I removed my fingers from her mom’s pussy and ass and brought them to her mouth as I twisted my fingers within her asshole. She hardly hesitated before she opened her mouth and sucked my four fingers together.

“Do you want to watch me fuck your hot slut mom in the ass before I do yours so you can see what’s in store for your sweet little ass?” I asked Lisa.

“Yes,” she hissed, her asshole twitching.

“You’d have to spread her ass for me though,” I said. “Would you do that for her?”

“Yes,” she hissed, her asshole twitching again.

“Vicky, get on your knees, and push that cock-hungry ass of yours out,” I instructed.

“You got that, lover,” said Victoria as she got into position.

As soon as Victoria was in position, I returned my four fingers to her pussy and ass. I finger fucked her gently as I slowly removed my other fingers from her daughter’s asshole. I gave Lisa’s loose asshole a deep kiss, sticking my tongue inside her asshole and wiggling it within it. She moaned, and her asshole nibbled my tongue. I broke the kiss, and offered her my fingers to suck. She obliged me readily.

“Get up, and spread your slut mom’s horny ass,” I instructed.

Lisa got up and spread her mom’s ass cheeks as I finger fucked Victoria’s pussy and ass slowly. Beth squeezed lube, and my fingers worked it inside her mom’s ass.

“Fuck my ass, Nick,” said Victoria. “Show my little daughter what a good bitch for you her mom is.”

“You got that, baby,” I said as I got up and removed my fingers from her holes.

Beth held my shaft and guided it into her mom’s ass. Lisa watched intently as I slowly pushed my cock into her mom’s asshole, letting her see it dilate slowly and accept my bulbous cock head before swallowing the hard shaft as her mom let out a long happy moan.

“It’s so big,” said Lisa in awe.

“As you’ll soon find out, big cocks are meant to be swallowed completely by a slut’s every hole,” I said.

“It’s amazing,” she said as I gently sawed my cock in and out of her mom’s stretched asshole with long strokes.

“It looks amazing, and it feels more amazing,” I said.

“Fuck my ass, lover,” said Victoria. “Give my horny ass a serious fucking.”

“Do you think your mom’s a good ass whore?” I asked Lisa as I drilled her mom’s offered ass.

“She’s great,” said Lisa.

“Thank you, sweetie,” gasped Victoria.

Victoria got what she wanted and had a big orgasm within a few minutes.

Although Lisa was caught by surprise as she looked at her mom’s gaping asshole, she opened her mouth and swallowed my entire cock when I offered it to her.

“You are a good slut, Lisa,” I said softly as I held the back of her head and thrust in her throat.

Lisa smiled at me when I slapped her face with my sticky cock. I bent down and gave her mom’s open asshole a deep kiss, exploring it with my tongue.

“What do you want, Lisa?” I asked.

“I want you to fuck me in the ass,” she said as her mom turned around and sat down.

“Assume your previous position,” I said. “Spread your horny ass, and beg for what you need.”

Lisa got into position and spread her ass with both hands.

“Please fuck my ass,” she begged. “Please fuck my virgin asshole.”

“Are you sure you need my big cock all the way up your tight little asshole?” I teased as Beth lubed my cock.

“I am sure I need it so much especially after I saw what you did to mom,” said Lisa.

“Are you sure your little asshole can handle my big cock?” I teased as I squeezed lube on my fingers and gently worked it into her asshole, loosening it up again with three fingers. “It looks too small to me.”

“Yes,” she hissed as I finger fucked her ass. “My little asshole can take your big cock balls deep. It needs that.”

Victoria held Lisa’s left leg, and Beth held the other while she used her free hand to aim my glistening cock at her sister’s splayed asshole. I jerked my fingers out of Lisa’s asshole and shove my cock head in. Before she knew it, my cock head was past her asshole, which clamped defensively around the beginning of my hard shaft.

“Relax,” I said, offering her my sticky fingers. “This is what you need, my little bitch.”

She sucked my fingers gently, and I slowly worked them in and out of her mouth. Her asshole relaxed, and I pushed firmly in before I took my fingers out of her mouth.

“Yes,” she hissed as my hard cock skewered her ass deeper and deeper.

“You enjoy having your cock-hungry asshole fed?” I teased.

“Yes,” she hissed as I gave her ass a short quick stab with my cock.

“Aren’t you happy you followed your loving mom’s advice?” said Victoria.

“Yes,” hissed Lisa.

“You advised her to become my bitch?” I teased.

“Believe it or not, I did,” said Victoria.

“Thank you,” I said. “You are a better bitch than I deserve on top of being a great mom.”

“No, I am almost as good a bitch as you deserve,” she said.

At that point, I held Lisa’s hips tightly and firmly but smoothly pushed my cock all the way up her ass until my balls pressed into the back of her ass.

“I am going to come,” gasped Lisa. “This is unbelievable.”

“Come for my big cock, my hot little bitch,” I said.

Lisa gasped and came, her asshole twitching wildly around the base of my hard cock. I thrust into her in time with her orgasmic spasms. When her orgasm peaked, I fucked her ass with fast short strokes. She went wild. I continued to pound her ass until she went limp.

“Are you happy, my little bitch?” I teased as I slowly thrust in her ass while she recovered.

“That was incredible,” she gasped. “I didn’t know I could come like that.”

“What are you going to do now that you know?” I teased.

“I am going to get my ass fucked by your amazing cock at every chance I get,” she gasped.

“You are a good bitch,” I said. “That’s exactly what I want you to do.”

Beth helped Lisa with her top, and I was soon fondling her bare tits and pinching her stiff nipples while I fucked her ass at an accelerating pace, making her gasp happily and push her ass for more.

“Nick, thank you for making me and my daughters your bitches,” said Victoria. “It’s obviously the best thing that has ever happened to us.”

“Vicky, I am humbled,” I said. “I value that more than you do. The three of you are so sexy and so hot. Any guy would kill to have any of you. I am the lucky guy who got the three of you. I really appreciate it.”

“Any guy may want to fuck us, but there is no way he can fuck us half as good as you can,” she said.

“I am so happy the four of us belong together,” I said.

“Us too,” she said.

Lisa’s orgasm approached. I focused on giving her horny ass a serious drilling. She came within a minute as I pounded her ass without mercy until she went limp.

“Are you ready to suck my big cock, baby?” I asked Lisa as I fucked her ass gently.

“Yes,” she hissed, smiling.

“I first have to give your sweet asshole a big kiss,” I said.

She gasped twice as I swiftly replaced my cock with my tongue, wiggling it inside her loose asshole.

“Suck it,” I smiled as I stood up before her.

Lisa sat up and devoured my cock. I fucked her throat for a few more minutes.

“I want you all on your knees, your horny asses thrust out lewdly,” I said, slapping Lisa’s face with my cock.

They got into position while I lubed my cock.

“Lisa, you don’t mind having me fuck your slut mom and sister with you, do you?” I asked as I stood behind Beth.

“I love it,” said Lisa as I pressed my cock head into Beth’s horny asshole.

“You are a good bitch, Lisa,” I said as I thrust in Beth’s ass gently. “I am happy you are my hot little bitch.”

“So am I, Nick,” she said.

My cock hopped from ass to horny ass after each anal orgasm.

“Is your slutty ass thirsty for my hot creamy come, Lisa?” I asked about an hour later, pounding Lisa’s horny ass.

“Yes, Nick,” gasped Lisa. “Please fill my ass with your hot come.”

Lisa soon convulsed in orgasm, and I drained my balls in her twitching rectum.

“Beth, you think you can share the come with your mom?” I suggested.

“With pleasure,” said, Beth hopping off the sofa.

“Stay as you are, Lisa,” I said as I popped my cock out. “Your appetizing ass is going to get eaten raw.”

Victoria pounced on my sticky cock as fast as Beth pounced on her sister’s gooey asshole.

Lisa came in her sister’s mouth after Beth sucked all my come out.

The three of them revived my cock together after Lisa watched Beth share the come with their mom.

“Lisa, next time you’ll be eating the cream pie,” I said.

“I’d like that,” said Lisa.

“On your backs, your legs up, your asses spread wide,” I instructed.

Lisa was the first to get her ass fucked in that position. I had fucked each ass a few times by the time John came home. I was then fucking Beth’s ass.

---

“Hello,” greeted John.

“Hi, Mr. Conkley,” I replied without missing a beat.

“Hi, daddy,” said Beth.

“Hi, honey,” said Victoria.

Lisa tensed. I motioned her to reply to her dad.

“Hi, dad,” said Lisa shyly.

“Mr. Conkley, if you don’t mind, I’d like you to make sure Lisa’s lovely ass is ready for me and then spread it for me,” I said. “I want to make you proud of her.”

“Sure,” he said.

“Lisa, baby, get on your knees, and push your hot ass out for your daddy,” I instructed.

Victoria got off the sofa to make room for her husband.

Lisa reluctantly got into position.

“Lisa, don’t panic,” I said. “Your luscious ass belongs to me. He isn’t going to fuck it.”

Victoria gave John the lube as he knelt behind Lisa. He lubed Lisa’s asshole and his fingers and did the trick Alex taught him as I pounded Beth’s ass vigorously.

“She’s ready,” he said, twisting his three fingers left and right within her stretched asshole.

“Please spread her spectacular ass for me,” I said.

Beth came while her dad took his position next to her sister.

John spread Lisa’s ass for me, and I stuffed it with my cock, making her moan. A few minutes later, she came around my cock, her ass shaking in her dad’s hands.

“Mr. Conkley, I intended to have Lisa eat her mom’s happy ass, but, since you are here, it’s my pleasure to have you spread it for me and then eat it raw.”

“Sure,” he said. “Thank you.”

“Lisa, please let your mom take your place,” I instructed.

John spread his wife’s ass wide. Lisa watched Beth lube my cock and guide it into their mom’s spread ass. Lisa and Beth watched their dad spread their mom’s ass for me as I fucked it hard.

“Vicky, would you like me to come in your sizzling ass?” I asked as her orgasm approached.

“Please,” gasped Victoria.

Needless to say, Lisa soon watched in disbelief as her dad knelt down and ate my come out of her mom’s happy ass, giving her a wild orgasm in the process while Beth revived my cock.

“Mr. Conkley, do you trust that your amazing family’s in good hands?” I said.

“Absolutely,” he said. “Thank you.”

“That’s a great honor for me,” I said. “I appreciate it very much. Thank you.”

“Have fun,” he said, getting up.

---

“I can’t believe what I’ve just seen,” said Lisa after her dad left, “not that the rest of this incredible afternoon is any more believable.”

“You have a wonderful family, Lisa,” I said. “That’s why I love fucking you all together.”

My next come load went up Beth's ass to be eaten right away by Lisa. I came in Lisa's ass next and plugged it for her. Beth revived my cock while I ate Lisa's pussy through two orgasms.

After I fucked their asses for over half an hour, I kissed Lisa's last virgin orifice goodbye and aimed my hard cock at it. Her mom brushed my cock head up and down her little daughter's leaky pussy, making her gasp and squirm. Lisa's juices drenched my cock head.

"Do you want to give me your last sweet cherry, Lisa?" I asked.

"Yes," hissed Lisa.

"Beg for it, baby," I said softly.

"Please fuck my virgin pussy and make it yours," begged Lisa.

Victoria pressed my cock head in, and I pushed in. Lisa stiffened when I broke her cherry. She came wildly when I shoved the rest of my cock into her excited pussy. I fucked her to another orgasm and filled her pussy with come. Victoria cleaned Lisa's pussy with wads of tissues.

After we all showered, I spent half an hour with them, Lisa sitting in my lap contentedly, my arms possessively around her waist.

"Are you happy you are mine, baby?" I whispered.

"Yes, Nick," she whispered. "I've never been this happy."

"Of course not," I said. "You belong to me."

"Yes," she hissed.

---

"Lisa, you were a good bitch last time," I said the next time I visited Beth's family. "A good bitch deserves a good spanking. Are you ready for yours?"

"That sounds like a punishment," said Lisa. "Was I bad?"

"It isn't a punishment," I said. "You can ask your mom too."

"Mom, do I really deserve a spanking?" she asked.

"You do, sweetie," said Victoria. "I had mine, and I loved it."

"He spanked you?" asked Lisa in disbelief, switching her eyes between me and her mom.

"Sure," said Victoria. "It was a lot of fun too."

"In that case, I am ready," said Lisa.

Lisa took her spanking with her ass plugged. She naturally came hard. It only took her twenty swats. After she came, I shoved my hard cock into her pussy.

"Aren't you happy you are completely my bitch?" I said, fucking her pussy hard.

"Yes," she gasped.

She came very soon. After that, it was a nine-hole orgy. I came in every mouth and every ass. All my come went down their throats anyway.

---

On the day it was decided to initiate Lisa's boyfriend, Alex wore a tiny tank dress. It barely covered her ass and hid her nipples standing up.

After the introductions and the pleasantries, Alex volunteered to get Derek his coke. She brought a can and a glass in a tray. When she bent over her tits spilled out right in his face. It was like she inherited the trick from mom. Maybe that was instinctive for slutty females. He turned red in embarrassment. Furthermore, the hem of her dress rode up her ass and exposed it, but he could not see that.

“Alex, don’t show your tits to minors,” chided Beth.

“I am sorry, but I can’t hide them with my hands full,” said Alex nonchalantly. “Besides, he looks like a nice guy. It wouldn’t hurt if he took a short look at them.”

“I hope Lisa doesn’t mind,” teased Beth. “I hope his girlfriend isn’t too jealous.”

“It’s okay,” said Lisa. “It’s an accident.”

“Have your boyfriend take his drink unless he likes the view too much,” teased Beth. “I am sure Alex wouldn’t mind if he stared all day. She probably would like him to feel them up a little.”

Derek blushed more deeply and took the can and the glass hurriedly.

“Nice ass, girlfriend,” teased Dave.

“What am I supposed to do?” said Alex. “My dress is too small to cover my tits and ass when I bend over.”

“You could have worn something else,” teased Beth.

“I like it though,” said Alex. “It’s very sexy. Unfortunately sexy outfits expose more than shy and jealous people are okay with. Luckily, my boyfriend isn’t very jealous. He’s very understanding.”

“In that case, you need to take the compliments,” teased Beth.

Alex finally put the tray down. She turned around and returned to her seat, her tits and half her ass still exposed. She sat her bare ass on the sofa to my left.

“I am sure you can hide your tits now,” teased Beth.

“Sorry,” smiled Alex as she took her time pulling her neckline up to cover her nipples. “I hope I didn’t offend Derek by my sudden unintentional show.”

“It was sure sudden, but I am not sure it was unintentional,” teased Beth.

“I don’t think Derek thinks so badly of me,” said Alex.

“Derek, did she offend you by her indecent exposure?” asked Beth.

“No,” said Derek shyly.

“I probably just made Beth jealous,” teased Alex.

“Not at all,” said Beth. “I actually like your tits.”

“Aren’t my tits prettier than Lisa’s?” Alex teased Derek.

Derek blushed but did not answer.

“Fess up,” she pressed.

“I don’t know,” he finally blurted out.

“I haven’t showed him my boobs yet,” said Lisa.

“You are kidding,” said Alex.

“My sister isn’t a slut like you,” said Beth. “She doesn’t expose her tits at every chance she gets.”

“I only show my tits to friends and family,” said Alex. “Derek, don’t you consider me a friend?”

“Yes,” said Derek shyly.

“You are my friend too,” said Alex. “I only show my tits and ass to friends and family. Do you think I am an indecent slut like Beth claims?”

“No,” he said shyly.

“I am lucky that your girlfriend hasn’t showed you her tits,” said Alex. “Now, I know you can be honest. Aren’t my tits the hottest tits you’ve ever seen in person? If you can’t tell, I can show them to you again.”

“I haven’t seen other boobs,” he said shyly.

“Is that right, Lisa?” said Alex.

“Yes,” said Lisa.

“Nick, that isn’t acceptable, is it?” said Alex.

“Of course not,” I said. “Ladies, get up and stand side by side. Let Lisa be in the middle.”

Beth and Alex got up. Lisa did too.

“What are we going to do?” asked Lisa when she took her position between Alex and Beth.

“You are going to show Derek the hottest six tits anybody has ever seen in a lineup,” I said.

“Are you serious?” she asked.

“Derek, please stand here,” I called, pointing to a spot in front of the three girls.

“Nick, that isn’t necessary,” said Derek shyly.

“Come here, Derek,” I called. “It is.”

Derek shyly got up and walked to where I pointed.

“Derek, you are a man,” I said. “You have to see hot tits, pussies and asses. You can’t be shy about admiring them or about telling the sexy ladies how beautiful you think their tits, pussies or asses are. Take a very good look.”

“Okay,” he said shyly as I stood behind Alex.

“What do you think of my sexy sister’s fine tits?” I asked as I pulled Alex’s top down, exposing her tits.

Alex’s nipples were stiff.

Derek shyly glanced at them.

“They are nice,” he said lowly.

“Derek, you have to take a very good look,” said Alex. “We are doing all this for you. Don’t let it go to waste. Inspect them well, or we’ll stand here all day. Don’t be shy to give a serious compliment if you really like them.”

“It’s rude or stupid to look anywhere else when offered fine tits,” I said as I fondled Lisa’s ass. “You don’t want the lady to think you are either. Instead of her showing you her ass, you’d show her yours before she kicks it.”

Lisa reached back and fondled my boner as her boyfriend looked at Alex’s tits shyly.

“We can’t move to the next pair of tits until you can admire these without shame,” I said.

It took him a few minutes to be able to ogle Alex’s tits nicely. Meanwhile, his girlfriend fondled my boner, and I fondled her ass after hiking her short skirt.

“What do you think?” I finally asked.

“They are very beautiful,” he said shyly, looking at me.

“You need to look at her when you compliment her like that,” I said.

“They are very beautiful,” he said to Alex. “Thank you.”

“Thank *you*, kind sir,” said Alex with a big smile.

“Here are my girlfriend’s spectacular tits,” I said as I pulled Beth’s top down. “Admire them properly.”

Beth’s nipples were stiff as well.

While he admired Beth’s tits, Lisa and I switched hands and resumed fondling each other.

“They are gorgeous,” he finally said to Beth, looking up at her.

“Thank you,” said Beth.

“Does that mean they are prettier than mine?” protested Alex.

“I didn’t say that,” he said defensively.

“Last but equally fine, here are your girlfriend’s lovely tits,” I said as I pulled Lisa’s top down.

Naturally, Lisa’s nipples were stiff. She resumed fondling my boner while I fondled Alex and Beth’s asses.

He admired Lisa’s tits for a minute before he looked up at her.

“They are very beautiful,” he said.

“Thank you,” said Lisa shyly while she continued to fondle my boner.

“Derek, we are not done,” I said. “Admire them for a few more minutes. Do you know what it means when the nipples are stiff?”

“No,” he said shyly.

“It’s their way to beg to be kissed, licked and sucked,” I said.

“Oh,” he said.

“Are we done?” I asked a couple of minutes later.

“Yes,” he said. “Thank you.”

“You are welcome,” I said as I pulled Lisa’s top up.

Alex and Beth waited for me to pull their tops up as well.

“Derek, don’t tell me you’ve never seen a bare ass or pussy in person,” I said.

“I haven’t,” he said shyly.

“Ladies, on your knees on the sofa, bottoms up,” I instructed. “Lisa, take the center please.”

The girls got into position, and I started with Alex, whose ass was already exposed.

“Here’s my sexy sister’s fine ass and pussy,” I said. “Admire them well. You may never get this chance again. If you can, burn her gorgeous ass, her juicy pussy and her sweet asshole in your mind.”

Alex winked at him with her asshole.

“Can you see how her cute asshole winks at you?” I asked.

“Yes,” he said.

“What do you think?” I asked.

“It’s very sexy,” he said.

“Thank you,” cooed Alex.

“Here are my girlfriend’s priceless treasures,” I said, hiking Beth’s skirt.

He admired her for a minute.

“Wink at him, Beth,” I said.

She winked at him with her asshole.

“What do you think?” I asked.

“It’s so hot,” he said.

“Thank you,” said Beth.

“Here is your girlfriend’s fantastic ass,” I said as I exposed Lisa’s ass.

He admired his girlfriend’s ass for a minute. She winked at him with her asshole.

“It’s so sweet, isn’t it?” I said.

“Yes,” he said.

“Tell her that,” I said.

“It’s so beautiful, Lisa,” he said.

“Thank you,” she said.

All three pussies leaked freely.

“Do you know what it means for their pussies to be soaked?” I asked.

“They are excited?” he said.

“Yes,” I said. “It’s their way to beg to be kissed, licked and most of all fucked. It’s exactly like when our cocks are big and hard. I am rock hard right now. Aren’t you?”

He blushed.

“Don’t be shy,” I said. “When I was your age, I got a big boner whenever somebody said ass. Now, you have three of the finest asses right in front of you and you are shy because you got hard? You must be kidding.”

“Are we done here?” asked Beth.

“Yes,” I said. “Thank you.”

“You are welcome, but it’s now your turn,” said Alex as the three girls got off the sofa. “You’ve exposed our tits, pussies and asses. It’s now our turn to expose your big boners and stare at them all we want.”

“That’s fair,” I said to Derek as the girls covered their asses. “Don’t you think so?”

“I guess,” he said shyly.

“That includes you too, honey,” Alex said to Dave.

“What do we need to do?” I asked as Dave got up.

“Well, you need to line up,” said Alex. “I am going to expose you. Derek, please take the center.”

We lined up, and Alex started with me.

“Lisa, what do you think about my brother’s big fat cock?” teased Alex when she exposed my boner.

“It’s so big and hard,” said Lisa.

“No kidding,” said Alex. “Every girl who’s ever tried it got addicted to it.”

“I can imagine that,” said Lisa.

“Go ahead and compliment him on it,” teased Alex.

“It’s beautiful,” Lisa said to me, looking up.

“Thank you,” I said. “I also liked every part of your fantastic body.”

Meanwhile, Alex moved to Dave.

“This is my boyfriend’s cock,” said Alex as she set Dave’s boner free.

“It isn’t as fat as Nick’s, but it’s nice too,” said Lisa.

“Don’t have any ideas about it,” warned Alex. “This cock’s mine.”

“Of course,” said Lisa.

“Now, we get to your boyfriend’s boner,” said Alex.

Alex swiftly freed Derek’s cock, setting it free.

“What do you think?” asked Alex.

“It looks very nice too,” said Lisa. “It isn’t as intimidating as Nick’s.”

“Lisa, Nick’s cock isn’t intimidating,” said Alex. “It’s commanding.”

“Yes,” said Lisa.

“Do you know why their cocks are big, hard and leaking?” asked Alex.

“Because they are aroused,” said Lisa.

“They are begging to be kissed, licked, sucked and fucked,” said Alex. “Each one of them is probably fantasizing about fucking the three of us together. Would you let your boyfriend fuck the three of us together?”

“No way,” said Lisa.

“Neither would I,” said Alex. “What about you, Beth?”

“I’ll gladly share my stud boyfriend’s big cock with any bitch he wants,” said Beth.

“Would you share it with your own sister?” asked Alex.

“I’d share it with my sister, my mom, you and your mom among others,” said Beth.

“You must like that,” Alex said to me.

“Very much,” I said. “Thank you. I am very lucky to have Beth.”

“Dave, are you fantasizing about fucking the three of us silly?” Alex asked her boyfriend.

“No way,” said Dave. “I am a very faithful boyfriend.”

“What about you, Derek?” asked Lisa. “Are you fantasizing about fucking the three of us?”

“No way,” said Derek shyly.

“I have a horny boyfriend,” said Beth. “I am sure he’s fantasizing about fucking the three of us silly.”

“A big hard cock has no conscience,” I shrugged.

“You admit it,” said Alex.

“He’s a horny guy,” said Beth. “No single woman can handle him.”

“Can a married woman handle him?” teased Alex.

“No,” said Beth. “He can fuck the three of us silly until we beg for mercy.”

“Is that true, Nick?” asked Lisa.

“There is only one way to find out,” I teased.

“Okay, guys,” said Alex. “Thank you. You may cover up.”

“Cover up, Nick, before our slutty sisters put you to the test,” said Beth.

“What kind of incentive is that?” I said.

“I know it isn’t an incentive, but cover up,” she said.

We soon returned to our seats.

“Lisa, I am going to talk to Derek in the backyard for a while,” said Alex. “I want to make sure he knows all he needs to know about the birds and the bees that we have here. Do you mind?”

“Not at all,” said Lisa.

“Let’s go, Derek,” said Alex, taking Derek’s hand.

Derek looked at Lisa nervously, and she nodded at him.

“Lisa, lock the door behind us so we can take our time?” said Alex. “Dave, catch up with us in ten minutes or so.”

“Sure,” said Lisa, getting up.

“Okay,” said Dave.

Alex and Derek left to the backyard, and Lisa locked the door behind them.

When Lisa returned, she knelt before me and proceeded to take my hard cock out.

“You are a hot slut, Lisa,” I said, smiling at her.

“Thank you,” she said, smiling widely.

“Derek, you must have seen sexy girls besides Lisa before and after you met her,” said Alex. “Isn’t that right?”

“Yes,” he said.

“Haven’t you ever wondered about what it would be like if you had one of those and had wild unbridled sex with her?” she asked. “Don’t be shy. I know all guys do that.”

“Yes,” he said shyly.

“Despite the fact that you have a girlfriend that you like or love, you still fantasize about having crazy sex with one of those other hot sluts although you know you’d never want her to be your girlfriend?” she said.

“I guess,” he said.

“Did you know that girls are like that too?” she asked.

“What do you mean?” he asked.

“Although we love our boyfriends or husbands, practically every one of us still fantasizes about having a hot guy use her like a depraved whore,” she said.

“Every one of you?” he asked in disbelief.

“Why are you surprised?” she asked. “Doesn’t every guy occasionally want to use a slutty girl like the dirty whore she is? We also occasionally want a bad guy to use us like dirty whores. We are human too.”

“Even you?” he asked.

“Derek, *every* girl instinctively wants or needs to get fucked like a whore,” said Alex. “I am a girl.”

“You still do that while you have a boyfriend?” he asked.

“I have a loving boyfriend who never denies me anything, but I still need to get fucked like a whore,” she said. “Dave understands that and doesn’t mind that I have a lover to take care of me like that.”

“*You* have a lover, and *your boyfriend*’s okay with that?” he asked in disbelief.

“I am happy with my boyfriend, but I am happier with a lover too,” she said. “Wouldn’t you allow Lisa to have a lover if you knew that she’d be happier? Don’t you want her to be happiest?”

“I sure want her to be happiest, but I am not sure about being okay with her having a lover,” he said.

“You don’t think you are as good a boyfriend as Dave?” she challenged. “Don’t you think Lisa deserves a boyfriend as good as Dave?”

“I don’t think she’d take a lover,” he said. “It’s still too early for that.”

“She’s a ripe young woman,” she said. “You’ve seen her tits, pussy and ass. You saw how wet her pussy was. Do you think she’s too young for sex?”

“No, she obviously isn’t too young for sex,” he said, “but our relationship’s too young for her to take a lover.”

“If she’s old enough to fuck, she’s old enough to get fucked like a whore and so to take a lover,” she said.

“Why can’t I do to her what a lover would do?” he asked.

“Because you love her,” she said. “You’d make love to her. Would you really fuck her like a cheap whore?”

“No, but I don’t think she’d want me to do that,” he said.

“That’s right,” she said. “She wouldn’t want you to do that. She’d need a lover for that.”

“Maybe she isn’t like that,” he said.

“She is,” she said. “Trust me. I am a girl, and I know. I am telling you stuff most guys never learn.”

“Thank you,” he said.

“You are welcome,” she said. “Are you going to take what I told you to heart? Are you going to be a good boyfriend for her, or do you want her to leave you and find a good one?”

“Wouldn’t she leave me anyway if I let her have a lover?” he asked.

“Would you leave her if she let you fuck those sluts you occasionally fantasize about?” she challenged.

“No,” he said.

“She needs a guy to love her too,” she said. “If *she* left you then, she wouldn’t be good for you anyway.”

“I guess so,” he said.

“If she’s worthy of your trust, she’s worthy of your permission to take a horny lover,” she said. “Can you trust her with a lover? Can you trust her?”

“Yes, but what if he hurt her?” he said.

“Her sister’s boyfriend wouldn’t hurt her,” she said.

“Nick?” he asked. “Your brother?”

“Didn’t you see how she liked his big cock and admitted that it would make a girl addicted to it?” she said. “She practically admitted that she wanted it, and you heard that her sister doesn’t mind that.”

“You think so?” he said.

“I am sure,” she said. “I am pretty sure she’s sucking his big juicy cock right now. She’s so hungry for it.”

“No way,” he said. “She wouldn’t do that in front of everybody no matter how horny she was.”

“She exposed her stiff nipples, dripping pussy and ass and stared at hard cocks in front of everybody,” she said.

“I don’t know,” he said.

“Would you get mad at her if she was really sucking his big fat cock right now?” she asked. “Would you get mad at her because she thought you want her to be happy just like Dave wants me and Beth wants Nick to be happy?”

“I think I shouldn’t,” he said.

“If a girl sucked your cock, would you want her to swallow your come, spit it or make you shoot outside of her mouth?” she asked.

“I’d want her to swallow,” he said.

“You don’t think girls who swallow come are sick?” she said. “You think they are hot?”

“Yes,” he said.

“If Lisa were sucking Nick’s big cock, would you mind if she gargled with his come and swallowed it?” she asked.

“No,” he said.

“You want your girlfriend to be a dirty girl who gargles with come before she swallows it?” she teased.

“I want her to be a hot girl, not a dirty one,” he said.

“You think come isn’t dirty,” she said. “You think it’s okay to lick and swallow come, don’t you?”

“Yes,” he said.

“So do I,” she said. “I love swallowing my lover’s delicious come. Would you kiss your girlfriend if her mouth tasted of your come?”

“Yes,” he said.

“What if it tasted of another guy’s come?” she challenged. “Would you kiss her if she’d just finished swallowing Nick’s creamy come?”

“I don’t know,” he said.

“Wouldn’t you want to show her that you still love her?” she asked. “Do you think your come’s the only tasty come in the world? Would you still love her after she’d done that?”

“I’d still love her,” he said. “I don’t think my come’s the tastiest in the world either. I guess I should kiss her.”

“What about kissing her pussy after he’s finished fucking it and flooding it with his hot sticky come?” she teased.

“I am not sure,” he said.

“If it were okay for her, why would you be too good to taste it?” she challenged. “You’d have already tasted it on her tongue and liked it. What’s the big deal about tasting it in her pussy? Don’t you like the taste of her pussy?”

“I guess I do,” he said. “I shouldn’t mind tasting his come in her pussy.”

“Would you eat her pussy as hungrily as ever and not mind slurping his come and her juices?” she asked.

“Yes, if it tastes nice,” he said.

“I assure you that it does and that she’d love it,” she said.

“Okay,” he said.

“You are apparently as good as Dave,” she said. “He loves eating my lover’s come out of my slimy pussy, and that gives me the wildest orgasms. You are definitely a nice guy. Not many guys are like that.”

“Thank you,” he said.

“What do you think about ass fucking?” she asked. “I love it when my lover fucks my ass royally. Do you think I am a bad girl or what?”

“I don’t think you are a bad girl, but doesn’t that hurt?” he asked.

“Never with a guy who knows how to handle hot asses,” she said. “My lover thinks that asses were meant for cock even more so than pussies. Can you believe that?”

“I guess there are people like that,” he said. “Do you enjoy it though?”

“I love it,” she said. “He loves my ass, and it loves him and loves his big cock. There is nothing I love more than enjoying his amazing cock giving my horny ass a nice long hard deep drilling.”

“I didn’t know that,” he said.

“Dave also loves eating my lover’s come out of my sloppy asshole,” she said.

“Isn’t that dirty?” he said.

“Not if I keep my ass squeaky clean,” she said. “I take thorough enemas daily. My lover kisses and licks my asshole and sticks his tongue deep inside it more than he does my pussy, and I suck his cock when he takes it out.”

“Oh,” he said.

“You saw my asshole,” she said. “Do you think it’s pretty?”

“Yes,” he said shyly.

“Is Lisa’s asshole pretty too?” she asked.

“Yes,” he said.

“Would you kiss it, lick it and suck it if it were loose and slimy with warm creamy come?” she asked.

“Yes,” he said.

“You wouldn’t mind eating Nick’s come out of her well-fucked asshole?” she asked.

“No,” he said.

“If you are true with what you’ve just told me, she’ll never let you go just like I’ll never let Dave go,” she said.

“I am true,” he said.

“While she practices on Nick’s big cock, how would you like to practice on my little pussy?” she asked.

“What do you mean?” he asked.

“Dave can teach you how to eat pussy,” she said, waving with her hand.

Dave saw her wave and went out to the patio.

---

“Is she sucking his big cock?” asked Alex.

“Skillfully,” said Dave.

“Meanwhile, why don’t you teach him how to eat pussy?” she said.

“Sure,” said he.

She lay on the chaise and pulled her legs over her head.

“Derek, you need to pay attention,” she said. “When he’s done, it’s your turn.”

“Are you sure it’s okay?” asked Derek. “Is it okay with you, Dave?”

“Of course,” said Dave. “Anything Alex does is okay by me.”

“Wouldn’t Lisa get mad?” he asked.

“Because you practiced so you could eat her pussy properly?” she said. “No way. Besides, you have to be a good lover regardless of who your girlfriend is. Your love skills are very important, and they start now.”

“Okay,” he said.

“Dave, get my butt plug from my purse before we start,” she said.

“Okay,” said Dave, heading to the house.

“I am going to demo my asshole to you,” she said. “If you eat my pussy properly and make me come, I’ll let you eat my asshole and make me come again. Do you promise to eat my pussy to the best of your ability?”

“Yes,” he said.

“Good boy,” she said to Derek as Dave returned.

“Here you go,” said Dave, offering her the butt plug.

“Give it to Derek,” she said to Dave. “Derek, I want you to lube it with your saliva and pop it up my ass. Don’t be rough, but don’t be too gentle either.”

“I’ve never done that before,” said Derek as he hesitantly took the butt plug from Dave.

“You must be excited about trying something new,” she said. “So am I. I’ve never had an inexperienced guy toy with my asshole. I am so excited about teaching you what asses are all about. Kneel down and get to it.”

Derek knelt before her offered ass but did not know how to proceed.

“Give my asshole a kiss before you invade it like that,” she instructed, spreading her ass wide.

Her asshole winked as he looked at it. He soon lowered his mouth to her asshole and gave it a gentle kiss.

Thanks,” she said. “The butt plug’s clean Lick it and drool on it. Then push it up my ass. See how my little asshole opens hungrily to swallow it all.”

Derek licked the butt plug and drooled on it.

“Spit on its tip, and stick it in,” she instructed.

Derek obliged her and pushed the butt plug into her asshole as she spread her ass.

“Don’t be too gentle,” she said.

Derek pressed firmly, and the butt plug slid slowly inside her dilating asshole. She moaned encouragingly.

“Push it all the way in,” she said.

Derek watched intently as her asshole stretched around the thickening head of the butt plug.

“Thanks,” she said when the butt plug popped all the way in. “You can look inside my ass if you want.”

Derek curiously looked through the butt plug base and saw the dark pink inside of her rectum.

“Can you see how wet my pussy is?” she said.

“Yes,” he said.

“It’s so wet because you played with my asshole,” she said. “Go ahead, and lick my abundant juices.”

Derek hesitated.

“Derek, never hesitate when offered a pussy this juicy and hot,” said Dave. “It’s rude.”

“I’ve never done this before,” he said.

“You must be curious about it,” she said. “Go ahead and try it. Eat my pussy raw. Eating pussy is important.”

“Be gentle at first so you can savor the taste,” advised Dave.

Derek was tentative at the beginning.

“Give him pointers, honey,” she said. “Help him eat your girlfriend’s juicy pussy properly.”

Dave instructed Derek on how to tease her clit, probe her pussy and suck her lips as he worked. Derek seemed to be a fast learner.

“Derek, you were definitely meant to eat pussy,” she moaned. “I should give you a call whenever Dave isn’t available. Make me come, baby. Make me gush in your mouth.”

Dave continued to direct Derek until she came in his mouth. Derek ate her hungrily as she convulsed in orgasm.

“Be gentle as you lick it dry,” said Dave.

“Derek, you did a great job,” she said. “Go ahead and play with my asshole. Fuck it gently with the butt plug.”

Derek tentatively held the base of the butt plug and tugged it.

“Don’t be afraid,” she encouraged. “It isn’t virgin. I get it fucked on a daily basis. It was fucked even today.”

She moaned as he fucked her ass with the butt plug.

“Take it out, and suck it,” she said.

“Are you sure that’s a good idea?” he asked nervously.

“Smell it, and taste it,” she said. “If you don’t like it, don’t do it.”

Derek popped the butt plug out of her ass and smelled it cautiously. He then licked it tentatively. He soon sucked it without hesitation.

“Use the butt plug to make my asshole gape, and then stick your tongue all the way inside it,” she instructed.

Derek obliged her. Her asshole soon gaped.

“Stick your tongue in and wiggle it wildly,” she directed.

Derek did just that, making her moan.

“Now, eat my asshole, and try to make me come,” she instructed.

Derek proceeded to eat her asshole. Dave gave him pointers. She moaned happily, grinding in his face. As the ass eating heated up, she arched her back and tilted her ass down to help with the flow of come. Her asshole started to leak come into his eager mouth as he ate it hungrily.

“That’s it,” she encouraged. “I can feel you suck my lover’s come out of my slimy ass.”

Derek did not hesitate until she came on his tongue.

“Lick her pussy clean,” suggested Dave.

Derek licked her drenched pussy while she recovered.

“You did a great job, Derek,” she said. “Now, you are going to watch Dave fuck my pussy and then eat his come out to the last drop just like you did to my ass.”

Dave took his cock out and proceeded to fuck her. They both came within a few minutes. He then knelt down and devoured her slimy pussy, eating it clean. She came while he ate his come out.

“Thanks, honey,” she said to Dave. “You can go back to your friends.”

“I’ll see you soon,” said Dave as he headed inside.

“Derek, did you enjoy eating my lover’s come out of my well-fucked ass?” she asked.

“Yes,” he said shyly.

“You are definitely a great guy,” she said, sitting up. “I have one last question for you. If you saw Nick come inside Lisa’s hot ass, would you eat it like you ate mine?”

“I guess so if she let me,” he said shyly.

“I am sure she’d let you if you spread her ass for her lover,” she said. “You are definitely going to love eating his come out of her ass more than eating it out of mine. Do you think you are ready to spread her ass for him?”

“Yes,” he said. “Are you sure she’d go through with that?”

“Your girlfriend’s a hot slut,” she assured. “She loves cock as much as I do. You’ll see. Just follow me.”

Alex returned to the living room, her dress pulled up to her waist. Derek followed her.

---

Beth deep throat my cock. While Derek and Alex were out, I fucked Lisa’s mouth and pussy. I also ate and fingered her pussy and ass.

“Nick, would you fuck Lisa in her hot tight ass if Derek spread it for you?” asked Alex.

Derek’s face turned red.

“Without a second thought,” I said nonchalantly.

“Go for it, Derek,” she said. “Spread your lovely girlfriend’s ass for her lover.”

Derek was flustered. He did not know what to say or do.

“Honey, do you really want Nick to fuck me in the ass?” asked Lisa.

“If that’s okay with you,” said Derek shyly.

“I’d love to do that if you want to spread my ass for him,” she said.

“Before you can do that, you need to suck your lover’s big cock and let him fuck your pussy to show your boyfriend that you are ready to take it up the ass,” said Alex.

“Go ahead, Lisa,” said Beth as she got up, letting go of my hard cock.

“I am so horny,” said Lisa as she knelt before me. “I can’t wait to suck and fuck in front of my boyfriend.”

Lisa sucked my cock hungrily from the start. Derek was surprised to see her swallow my cock balls deep. While Lisa sucked my cock, I took her out of her clothes, leaving her naked. I pulled her astride me, and she impaled her dripping pussy on my cock. Beth squeezed lube in my hand, and I finger fucked Lisa’s ass with two fingers while she bounced her pussy on my cock.

“Can you see that?” Alex teased Derek. “He’s stretching her little asshole out with his fingers to get it ready for his big fat cock. Her little asshole will soon be craving his big cock so bad she can’t stand it.”

After Lisa came twice, I helped her off my cock.

“Suck it,” I instructed.

Lisa deep throated my glistening cock eagerly, getting it clean.

After I slapped her face with my sticky cock, she got up and walked to the loveseat. She got on her knees next to Derek, facing the back.

“Spread my ass, Derek, and ask him to fuck it,” said Lisa as she thrust her ass out. “It’s ready and so horny.”

Derek spread her ass right away.

“Nick, please fuck her ass,” he said.

“Nick, only fuck it on one condition,” said Alex.

“What condition?” I asked.

“She has to let him eat your come out of her ass,” she said, making Derek blush.

“Lisa, are you going to let your boyfriend eat my come out of your well-fucked ass if he wants to?” I asked.

“Yes,” hissed Lisa. “I promise. Please fuck my horny ass.”

“Derek, do you still want me to fuck your sweet girlfriend’s hot little ass royally and flood it with hot creamy come for you to eat out?” I asked.

“Yes,” he said.

Beth handed me the lube. I squeezed lube on Lisa’s splayed asshole and my cock head. Beth guided my engorged cock head to her sister’s offered asshole, and I firmly pressed it in. Lisa’s asshole dilated and let my cock head pop in. She gasped, and her asshole twitched.

“It’s so thick,” remarked Derek.

“Derek, hot little whores need serious fucking in every hole they have,” I said, pushing my cock deeper.

“Are you a hot little whore, Lisa?” teased Alex.

“Yes,” hissed Alex.

“Do you need your lover to give your slutty asshole a serious fucking?” said Alex.

“Yes,” hissed Alex.

Lisa moaned softly as my slick cock slid smoothly up her ass until my balls touched her dripping pussy.

“Wow!” he exclaimed. “It’s all the way in. Does it hurt?”

“It feels wonderful,” she breathed.

“So does your hot ass,” I said. “Isn’t my big cock too big for your little asshole though?”

“No way,” she gasped as I held myself balls deep up her ass. “I think I am going to come so hard.”

“Come for me, my little whore,” I urged, pinching her stiff nipples. “Show your boyfriend you are a dirty bitch.”

She gasped sharply and stiffened. She shook in orgasm, shoving her ass wildly into me. I held her hips tightly and pounded her twitching ass. Her orgasm doubled, and she shook for a long time before her orgasm subsided.

“Your girlfriend’s asshole’s apparently her main fuck hole,” said Alex as I thrust gently in Lisa’s ass.

“It sure looked that way,” said Derek.

“Lisa, baby, do you love my big cock more in your juicy pussy or sizzling ass?” I asked, fucking her ass faster.

“I love it most in my horny ass,” she moaned, fucking back energetically. “Don’t stop fucking my greedy ass.”

Lisa had an orgasm every couple of minutes while I pounded her offered ass without mercy. Derek struggled to keep her ass spread as she bucked wildly. I occasionally dipped my cock in her drenched pussy to use her juices to lube her stretched asshole.

“What do you think?” Alex asked Derek.

“I am surprised,” he said.

“Was I right?” she asked.

“Undoubtedly,” he said.

“Is her lover taking good care of her horny ass?” she asked.

“Obviously,” he said.

Within half an hour, Lisa came about a dozen times.

“Lisa, do you want me to flood your hot ass with come?” I asked.

“Yes, please,” she gasped.

“What are you going to do with my big come load?” I teased.

“I am going to feed it to my boyfriend right out of my well-fucked ass,” she said.

“Come for me if you want my come up your slutty ass,” I urged, fucking her ass harder.

She fucked back harder and came very soon. While she convulsed in orgasm, I controlled my thrusts and let go, shooting my come halfway up her twitching rectum.

“I am coming inside your horny ass, Lisa,” I warned. “I am flooding your amazing ass with hot come.”

“Yes, yes,” she gasped, shaking wildly. “Thank you.”

“Derek, as soon as he pulls out of her slimy ass, you have to apply your mouth to her asshole,” instructed Alex. “It can never be fresher and creamier than this.”

“Okay,” said Derek.

Lisa’s asshole drained my cock, and I took it out. Beth pounced on my sticky cock while Derek pounced on his girlfriend’s loose asshole.

“Kneel on the floor and eat her slutty ass raw,” instructed Alex.

Lisa moaned and gasped happily as Derek ate her loose asshole and the slimy come inside it. Meanwhile, Beth sucked my cock hard, reversing its softness.

“Thank you,” gasped Lisa when she finished coming in Derek’s mouth.

She got up and gave him a deep kiss.

Lisa joined Beth to suck my cock.

Alex soon joined them, and the three of them sucked my cock.

“Isn’t she your sister?” asked Derek.

“You are not supposed to say no to your sister when she wants to suck your cock,” I said. “She’s so good at it.”

“That’s incest,” he said.

“Wait until you see him fuck me up the ass,” said Alex. “If you haven’t figured it out yet, Nick’s my lover.”

“Really?” he said in disbelief.

“Really,” she said.

My cock was already rock hard. They sucked it hungrily for a while before they got on their knees on the sofa just like they did when they showed off their asses earlier. I started with my sister again. I fucked Alex’s pussy and then her ass to an orgasm each. I then moved to Beth, leaving Lisa for last. I then restricted myself to their asses.

“What do you think, Derek?” said Alex as I fucked Lisa’s hot ass. “Doesn’t my brother deserve to fuck us silly?”

“Yes,” said Derek.

“Should I starve for cock if he was my brother?” she said.

“I guess not,” he said.

After an hour of ass fucking, I came in Lisa’s pussy. Derek ate her pussy clean while the others revived my cock. She joined them near the end. I laid them on their backs side by side on the sofa, their legs over their heads, and proceeded to pound their asses.

Dave got to eat my come out of Alex’s ass. Lisa ate my come out of her sister’s ass. She finally got my last come load up her ass. I popped a butt plug up her ass.

“Derek, you must be dying to come,” said Alex. “Fuck your girlfriend and flood her little pussy with come. You can then eat it all out.”

Derek did not last long after all that stimulation especially with the butt plug pressing against the underside of his cock. He came within half a minute, but he had a big orgasm, flooding Lisa’s pussy with come. She came anyway. He made her come again while he ate his come out of her slimy pussy.

“Honey, come all over my tits, and then lick it all up,” said Alex to Dave.

Dave obliged Alex, and that was the conclusion to our festivities.

“Derek, it was literally a pleasure meeting you,” said Alex. “I am so happy to be able to help you make serious decisions that will make you a great boyfriend.”

“Thank you,” said Derek. “It was great meeting you too.”

“Derek, you are a wonderful boyfriend,” gushed Lisa. “Thank you so much for letting me and helping me enjoy myself so freely. It was incredible.”

“I am glad you liked it,” he said.

“Did you enjoy it as well?” she asked.

“I enjoyed it a lot,” he said. “It was incredible to me too.”

“Nick, thank you for having me,” she said.

“Don’t be silly, Lisa,” I said. “It was great having you. I am glad you liked it. We’ll be doing a lot of it.”

“Of course,” she said.

“Nick, I am proud of you for helping these young lovebirds,” said Alex.

“Thank you,” I said. “I am only doing part of what I should do.”

“Don’t underestimate what you do,” she said. “You are responsible for another happy girl.”

“I am so happy to be of assistance,” I said.

“Derek wants to thank you too, but he’s a little shy,” she said, looking at Derek.

“He doesn’t have to,” I said, looking at blushing Derek.

“I know, but he insists,” she said.

“Nick, thank you for helping my girlfriend be happy,” he said.

“Don’t mention it,” I said. “I enjoyed it more than she did.”

“You didn’t,” said Lisa.

“She’s right,” said Alex. “You didn’t. I don’t know how guys exactly feel when they fuck, but there is no way any guy could handle the pleasure you gave us without passing out.”

“I am not complaining,” I said.

“Nobody is,” she smiled.

## KAYLA AND HER BOYFRIEND

It was then time I initiated Courtney’s sweet little sister, Kayla.

“Kayla, are you still virgin?” Courtney asked her sister.

“That’s none of your business, sister,” said Kayla.

“I want to help you,” said Courtney. “If you still are, I can help you get a first time wilder than you can dream.”

“What are you talking about?” asked Kayla.

“How would you like to share my lover?” asked Courtney.

“Are you crazy?” said Kayla. “Sean’s an obnoxious worthless jerk. I wouldn’t give him my virginity if he were the last man on earth.”

“Sean’s no longer an obnoxious worthless jerk,” smiled Courtney. “I’ve tamed him. Neither is he my lover.”

“You broke up with him?” asked Kayla. “That was long due.”

“I haven’t broken up with him,” said Courtney. “Why would I break up with him after I tamed him?”

“You haven’t broken with him, and he isn’t your lover?” asked Kayla. “Are you cheating on him?”

“No, silly,” said Courtney. “I told you I tamed him. He now watches my lover take me like a bitch in heat.”

“Sean watches you have sex with another guy?” said Kayla dismissively. “There is no way he’d do that.”

“He even eats me out after my lover fills me with his cream,” said Courtney.

“That I wouldn’t believe even if I saw it,” said Kayla.

“Forget about him,” said Courtney. “Would you like me to introduce you to my lover? You can even keep your boyfriend after we teach him to eat your cream pies.”

“You are not serious,” said Kayla. “There is no way anybody would do that.”

“Do you want me to introduce you to my lover?” asked Courtney. “You’d be safe. He wouldn’t take your virginity unless you beg him to. I am sure though, within an hour you’d be his bitch just like your slut sister.”

“Courtney, I thought you were virgin despite your boyfriend,” said Kayla. “Now, you call yourself a slut?”

“I wasn’t a virgin, but I might as well have been when I met Nick,” said Courtney.

“Your lover’s name’s Nick?” asked Kayla.

“Yes,” said Courtney. “He has a gorgeous girlfriend, and they are both in the living room along with Sean.”

“I’ll be down in a little bit to see what he looks like,” said Kayla.

“You’d be impressed,” said Courtney.

“We’ll see,” said Kayla.

“We may be fooling around,” said Courtney. “Can you handle that?”

“Where is mom?” asked Kayla.

“She’s downstairs,” said Courtney.

“I can handle that,” said Kayla.

“We’ll see,” teased Courtney, winking.

---

When Kayla came down to the living room, Courtney was on her knees sucking my cock slowly but sensuously and deeply. Her mom was sitting on my left, and Beth, on my right. My arms were on their shoulders, my hands fondling their far tits. Jessica’s tits were covered, but Beth had her right tit out. I let go of Jessica’s tit.

“You must be Kayla,” I smiled as Kayla froze in shock.

“Yes, that’s my sister, Kayla,” said Courtney, briefly taking her mouth off my sticky cock but stroking it with her hand. “Nick, Beth, this is Kayla. Kayla, this is my lover, Nick, and this is his lovely girlfriend, Beth.”

When Kayla looked at Beth, she saw my hand toying with her bare nipple.

“Nice to meet you, Kayla,” I smiled. “You are even lovelier than Cooch. Your mom can only bear beauties.”

“Thank you, Nick,” said Jessica. “That’s so sweet of you.”

While I said “beauties,” I gave Jessica’s tit a quick squeeze.

“Nice to meet you too,” said Kayla, blushing. “Thank you.”

“Nice to meet you, Kayla,” said Beth. “You are indeed lovely.”

“Thank you,” said Kayla. “Nice to meet you too.”

“Please sit next to me so we can talk,” I said to Kayla, letting go of Beth’s bare tit.

Beth got up and sat on the loveseat, her tit still bare. She started to tease it with her left hand. I patted the sofa cushion with my right hand, and Kayla shyly came over and sat down next to me.

“Mrs. Hopkins, Kayla and I will be whispering so I may not embarrass myself,” I said as I slipped my left hand down Jessica’s top and held her bare tit. “I’ll try not to provoke her into slapping me.”

“I didn’t raise my daughter to slap a sweet guy like you,” said Jessica as I teased her stiff nipple.

“I hope I don’t do something stupid enough for her to slap me because I am afraid you may get mad at her and spank her,” I teased.

“I am sure she wouldn’t, but, if she did, that’s what she’d get,” said Jessica.

“I’ll try not to provoke you or offend you,” I whispered to Kayla. “I hope telling you how lovely I think you are doesn’t offend you. Does it?”

“No,” she whispered shyly.

“If you are a good girl, I may tell you later,” I whispered, smiling teasingly. “Would that be okay with you?”

“Yes,” she whispered, smiling.

“You have a gorgeous smile,” I whispered. “Please smile for me again.”

She smiled again.

“You have sensuous lips,” I whispered. “The least you can do with them is to smile.”

She blushed.

“You look so sweet when you blush,” I whispered.

She blushed more deeply.

“May I please get just one thank-you for my efforts?” I teased.

“Thank you,” she whispered, smiling.

“I love you,” I whispered.

She blushed.

“You must be dying to find out how your slutty sister can worship my big hard cock right in the living room in front of everybody and no one’s complaining,” I whispered. “Do you want to know?”

“Yes,” she whispered.

“Tell me that you love me,” I whispered, teasing.

“I don’t love you,” she whispered. “We’ve just met.”

“Haven’t you ever heard about love at first sight?” I whispered.

“Yes,” she hissed.

“Most people lie when they profess their love,” I said. “When I tell you that I love you, I mean it because I am known to fall in love at first sight. If you reciprocate, you either return my love or lie. I wouldn’t mind if you lied.”

“I love you,” she whispered, smiling.

“You know that I love your lips,” I whispered. “Give me a kiss. Don’t lovers kiss even if lying?”

“I can’t kiss you,” she whispered. “What would mom think?”

“Your sister can kiss my big cock so deeply in front of your mom, but you can’t kiss me?” I whispered. “Do you want me to get you your mom’s permission, but you’d feel humiliated?”

“No,” she whispered.

“It’s okay if you are not a good kisser,” I whispered. “You can learn.”

“I know how to kiss,” she whispered.

“Kiss me, Kayla, and, when you are done, tell me again that you love me,” I whispered.

“Okay, I’ll do it,” she whispered.

“That’s my girl,” I whispered.

Kayla’s lips tentatively approached mine. We kissed lightly for a few seconds before we pressed our lips together. We shared two long kisses before our lips parted and our tongues met and danced around each other. My right hand was behind her back. While we kissed, Beth joined Courtney and helped her suck my cock.

“I like this,” whispered Kayla, smiling.

“So do I,” I whispered back, returning her smile.

Our mouths connected again, and, while we kissed feverishly, my right hand slowly traveled down, sliding along her ass crack. By the time we broke the kiss, her gasping for air, I was rubbing her pussy through her clothes from behind, and she was humping my fingers.

“I can’t believe I let you do that to me,” she whispered, gasping.

“Is that why you forgot to tell me that you loved me?” I whispered with a teasing smile, still rubbing her pussy.

“Okay,” she whispered, smiling. “I love you.”

“You don’t say that to everybody who touches your hot juicy pussy, do you?” I whispered, teasing.

“You are the only one who’s ever touched me there,” she whispered.

“Don’t lovers do that all the time?” I teased.

“We are not real lovers,” she said.

“Even fake lovers do it, don’t they?” I said.

“I guess,” she said.

“Do you like it?” I whispered.

“Yes,” she hissed, humping my hand.

“Am I going to be the first to lick your hot juicy pussy too?” I whispered.

“I didn’t say I’d let you do that,” she whispered.

“I know you didn’t,” I whispered. “I am asking for a yes-or-no answer. Am I going to be the first to eat it?”

“Yes,” she hissed, trembling and blushing.

“Thank you,” I whispered. “We are not going to break our next kiss until you come on my fingers. After that, go straight to your room and wait for me there. I am going to show you what your amazing body was made for.”

“Okay,” she whispered, trembling.

“Now, I can tell you why your sister has been worshipping my big cock,” I whispered. “Are you ready?”

“Yes,” she hissed.

“She’s been getting it ready for you,” I whispered. “You’ll get fucked tonight like you’ve never dreamed.”

She trembled.

“Maybe that’s why your mom let her,” I whispered. “She wants my cock to be big and hard enough to show her sweet little daughter a wonderful time. Your mom must know that I am going to fuck you like a dirty little whore.”

She trembled again.

“Kiss me and come for me,” I whispered, pulling her to me. “Come for your stud, my little slut. Your mom needs to make sure you are a slut big enough to handle my big hard cock.”

She was already very horny. We kissed feverishly from the start as I rubbed her pussy hard. She stiffened and broke the kiss within half a minute. I let go of her mom’s left tit and grabbed her own right tit.

“Come for me, my little whore,” I whispered, jerking her pussy vigorously as she gasped and shook wildly. “Show me how bad your little pussy needs my big cock. Show your mom you are a dirty slut like your sister.”

When Kayla’s orgasm subsided, I let go of her tit and recaptured her mom’s bare tit.

“Take your clothes off but keep your soaked panties on when you wait for me in your bed,” I whispered.

“Okay,” she whispered.

“Lean slightly forward and look at your mom’s tits,” I whispered.

She shyly leaned forward. I saw it in her eyes when she saw my left hand fondle her mom’s left tit.

“She loves cock too, but she may be too shy to suck it in front of her little angel,” I whispered. “I’ll be there in a few minutes. Be a good girl, and keep your little pussy hot and wet for me.”

Kayla did not look left or right on her way to her room. I was glad she did not trip over her own feet.

“You gave the little slut a big orgasm,” said Courtney.

“At least, I am a guy,” I teased.

“Touché,” she smiled.

Before Courtney had a chance to return her lips to my cock, I got up and pulled her onto her knees in my seat. I pulled Beth next to her and helped Jessica kneel next to her daughter. I took off my clothes and quickly lubed my cock before I shoved it up Beth’s ass. Beth, Courtney and finally Jessica came on my cock within five minutes. I kissed their assholes and left.

“Come in,” called Kayla absentmindedly when I softly knocked on her door.

She was lying in her bed in her pink panties only. I opened the door slowly and smiled at her when our eyes met. She blushed.

“Is my little slut ready to have the hottest time of her young life?” I teased as I approached her.

“Yes,” she hissed.

“You are gorgeous, you little slut,” I teased as I lowered my mouth to her stiff left nipple.

She gasped, moaned and held my head with her right hand as I gently sucked her nipple. She switched hands but otherwise responded similarly when I sucked her right nipple.

She held my head in both hands and kissed feverishly when I touched her lips with mine. I fondled her tits and squeezed her pussy through her wet panty crotch.

“That was the last kiss to your innocent lips,” I smiled after we broke the kiss. “Your sweet lips will never be innocent again. I want you to suck my cock head like a baby toying with its mother’s nipple.”

Without wait, I mounted her and brought my hard cock to her lips, touching them lightly.

“Suck my big cock, my little slut,” I said softly. “Show me you are old enough to hunger for cock. You are my little slut, Kayla, aren’t you?”

“Yes,” she hissed.

“Do you want to suck my big cock, or do you want me to take it away?” I asked.

“I want to suck it,” she said lowly.

“Help yourself, my little slut,” I said.

Her lips parted, and I pushed my cock head in. She closed her lips around my cock head and proceeded to suck it and lick it gently.

“That’s it, my little cocksucker,” I encouraged, thrusting with tiny strokes. “Your hot lips are perfect for this.”

She sucked my cock eagerly, and, within minutes, I was fucking her mouth at half depth. I fucked her mouth for several minutes before I pulled out and hovered over her, kissing her.

“Did you enjoy sucking my big cock, my little cocksucker?” I teased, smiling.

“Yes,” she hissed shyly.

My legs were astride hers, and my cock was hovering over her pussy. I used my knees to spread hers and lay my legs between hers. I lowered my hips pressing my hard cock into her pussy through her wet panty crotch, making her gasp and tremble.

“Is this going to be mine?” I whispered, gently grinding into her pussy.

“Yes,” she hissed.

“Your mouth’s already mine, isn’t it?” I whispered.

“Yes,” she hissed.

“You are all going to be mine,” I said.

“Yes,” she hissed.

She humped me as I thrust into her pussy.

“Show me how much you need my big cock, my little slut,” I urged. “Come for me.”

We thrust into each other harder and harder. She moaned and groaned, mashing her pussy into my cock urgently. She soon stiffened, but I continued to thrust into her pussy. She shook ecstatically. I held her ass and crushed her twitching pussy over and over until her orgasm subsided.

“Do you think I need your big cock bad enough?” she gasped.

“Yes, Kayla, baby, and you’ll get it to satiation,” I promised. “I am going to leave you a happy little slut.”

“Thank you,” she gasped.

“Do you want me to fuck you like I fuck your slut sister?” I teased.

“I want you to fuck me harder than you fuck her,” she gasped. “I am dirtier than her.”

“You don’t know your slut sister if you think there is a dirty act in the world she wouldn’t do for me,” I said.

“I’ll be even dirtier,” she gasped.

“Do you know what that means, Kayla?” I said. “It means that, if we were walking in the mall and I asked you to drop to your knees and suck my big cock, you’d do it. Your sister would.”

“She would?” she said in surprise.

“She would, Kayla,” I said. “All my bitches would. When a woman or a girl’s my bitch, she does anything for me without any hesitation. Your sister’s my bitch. If I were you, I wouldn’t underestimate her.”

“I can’t believe that,” she said.

“Don’t worry though,” I said. “You’ll soon be my bitch too, and you wouldn’t be able to say no to me, so relax.”

We shared a deep kiss before I crawled down her body and brought my mouth to her pussy. I kissed her pussy through her wet panty crotch and sucked it through it. While she squirmed and moaned, I ate her pussy through her soaked panty crotch to orgasm. I only let go of her pussy when her orgasm subsided.

While she recovered, I used my teeth to pull her panties down. She giggled when she figured out what I was doing. I kissed her wet luscious pussy when it was exposed, making her gasp. I pushed her legs over her head and gently spread her ass cheeks, kissing her sweet asshole. She gasped again. I lowered her legs and soon had her panties off her feet. I sucked her soaked panty crotch, tossed the panties, smiling at her, and kissed her on the mouth.

Before she knew it, I was on top of hers, my hard cock lying along her slick pussy lips.

“Do you think you can come for me when your sweet little pussy’s face to face with the big cock it will soon belong to?” I teased, smiling at her, as I humped her pussy.

“I am sure of that,” she moaned, humping me back.

A couple of minutes later, she shook wildly in orgasm, my hard cock skating smoothly over a fresh load of her happy pussy juices.

“Am I a good girl?” she cooed.

“Kayla, baby, not only are you a good girl, but you are also a sizzling hot slut,” I whispered. “Do you love my big cock, my little slut, or do you only need it?”

“I love it too,” she said.

“I, in turn, love every hole you have,” I said. “I am going to give you pleasure through every one of them.”

“Thank you,” she whispered.

“I’ll teach you how to worship my big cock so you won’t feel any lesser than your wanton slut sister,” I assured.

“Thank you,” she said.

“When you are ready, I’ll show you off,” I said. “I am going to show them that my new little bitch’s even hotter than her hot mom and sister.”

“Do you have sex with mom?” she asked.

“Kayla, your mom’s a wonderful woman,” I said. “She deserves to have fun.”

“What about dad?” she asked.

“Do you promise not to disrespect either of them if I answered you?” I asked.

“Yes,” she said.

“I’ll tell you later,” I said. “Now, roll over, baby. I want to hump your hot ass. You have a gorgeous ass.”

She rolled over onto her stomach. I drooled in her ass crack and lay on top of her, laying my hard cock along her ass crack. I grabbed her bare tits and humped her ass. She humped back, moaning.

“You have a great ass, Kayla,” I said. “I love it. Does it love my big cock?”

“Yes,” she hissed.

“Has any bad boy ever played with it?” I asked.

“No,” she said.

“I am going to play with it all I want,” I said. “Do you want me to?”

“Yes,” she hissed.

“Are you jealous that I also like your mom’s and sister’s hot asses?” I teased.

“No,” she said.

“Do you want me to play with their sexy asses like I play with yours?” I asked.

“Yes,” she hissed.

“Are you going to let me play with your fine tits like your mom lets me play with hers?” I teased.

“Yes,” she hissed.

“Are you going to let me play with your tits and ass in front of your mom?” I teased.

“Yes,” she hissed, trembling.

“Are you going to be a good girl and try to please me with your tits and ass more than she does?” I asked.

“Yes,” she said.

“You deserve to come,” I said as I pushed my cock between her thighs, pressing its upper side against her leaky pussy. “Do you want me to make you come for me?”

“Yes,” she hissed.

“I’ll only make you come if you promise to soak my big cock with your copious pussy juices,” I said.

“I promise,” she hissed.

“I am falling in love with you, Kayla,” I said, thrusting against her pussy. “I think your hot body deserves to get fucked royally. Do you think I am right?”

“Yes,” she hissed.

“Hump my big cock back like a good little slut,” I urged, humping her harder.

She was already humping me lustfully. She did it harder, coming within a couple of minutes. I humped her gently until she recovered.

“Spread your luscious ass like a bad girl, baby,” I said as I rose off her ass. “I am going to kiss your sweet asshole.”

“You shouldn’t do that,” she said.

“Good sluts let their horny lovers do anything they want to their hot bodies,” I chided. “You’ll like it.”

“I am sorry,” she said as she reached back and spread her ass cheeks.

“Wink at me with your cute little asshole,” I said.

“Are you sure that isn’t gross,” she said.

“I am not going to answer that,” I said as I pushed her hands off her ass. “I am going to let you find out that your lover doesn’t let his sluts do anything gross or tasteless.”

“Ouch!” she yelped, jumping, as my right hand smacked her right ass cheek. “I am sorry.”

“Hush!” I said as I pushed the small of her back down with my left hand as I raised my right hand. “A big girl like you can take a spanking.”

She yelped and jumped again when my hand smacked her left ass cheek.

“It’s fun,” I said, getting ready for the next swat. “Your mom and sister enjoyed it.” I smacked her ass again. “A good bitch enjoys having her stud spank her hot ass.”

She just whimpered with every smack, her body tensing. Her pussy leaked freely though.

“I think I am going to come,” she gasped.

“Good bitches do that all the time,” I said as I continued to spank her ass.

She finally stiffened and came, shaking wildly. I swatted her jerking ass twice while she did. I massage her reddened ass while she recovered.

“Are you ready to wink at me with your sweet little asshole now?” I asked.

“Yes,” she hissed as she reached back for her ass.

She spread her ass and winked with her asshole. I stared at her asshole for a while before I drooled on it. I covered her anal pucker with my lips and gave it a long deep kiss, savoring the taste of her asshole, which relaxed after its initial tensing. She soon moaned and humped my face. I proceeded to eat her asshole freely.

“Nick, I am going to come,” she gasped a few minutes later. “Your mouth’s amazing.”

She soon stiffened and came, her asshole twitching crazily around my tongue tip.

“Kayla, I am going to fuck your sweet asshole,” I said softly while she recovered. “Because we don’t do gross things, you are going to clean out your hot ass inside out with an enema. Courtney hid an enema in your bathroom.”

“Is it going to hurt?” she asked.

“This question can only be answered with a sound spanking,” I said.

“Okay,” she said, getting off the bed. “I am going.”

“Take your time,” I said.

---

While Kayla was doing her new routine, I fucked her mom, sister and Beth in the ass to an orgasm each. I was back in her bed before she was done.

---

“You’ll learn how to suck my big cock properly before I fuck your hot ass,” I said. “Get on all fours on the bed.”

While she got into position, I stood before her.

“Suck my big cock, you hot bitch,” I instructed.

She proceeded to suck my cock, and I paced her. Within ten minutes, she eagerly swallowed my cock all the way down her throat again and again. I held her head and taught her how to get her throat fucked nicely.

“Did you like the taste of my cock?” I asked.

“Yes,” she said. “I loved it.”

“When you sucked my big cock for the first time, did you discern the taste of three different asses?” I asked.

“Did you fuck their asses before you let me suck your cock?” she asked.

“The first time you sucked my cock, it has the flavors of three horny asses, including your mom’s,” I said.

“I didn’t notice that, but I loved the taste,” she said.

“You are a genuine bitch, Kayla,” I said.

“Thank you,” she said.

“Turn around,” I instructed, slapping her face with my sticky cock. “I am going to loosen your virgin asshole. Somebody will soon taste it on my big cock. You have to return the favors. Good bitches do.”

She turned around, and I knelt down.

“Thrust your lovely ass out lewdly,” I said.

She pushed her ass out, and I retrieved the lube from where Courtney hid it under the bed. I licked her sweet asshole leisurely, making her moan, while I squeezed lube on my fingers. Her asshole was relaxed, so my slick finger slid right in, making her asshole clench around it. I licked the back of her asshole while I pulled my middle finger to the front, loosening up her sphincter.

Her asshole relaxed, and I reamed it out while working lube inside it. She moaned and humped back whenever I finger fucked her ass. Her asshole dilated and accepted my index finger as I corkscrewed both fingers in.

“Your little asshole’s opening up very nicely,” I said as I finger fucked her asshole at an easy pace. “It will soon be ready for my big cock.”

She moaned and humped back. The finger fucking pace accelerated, and she matched it.

“This feels so good,” she gasped.

Her asshole twitched in orgasm around my fingers in a few minutes. I jerked my fingers within her asshole until she went limp.

While she recovered, I worked more lube inside her asshole. I squeezed my ring finger in, stretching her tight asshole wider. It dilated further and accepted my three fingers little by little. I gently fucked her ass with them. Within a few minutes, she came wildly around my fingers.

“I am going to deflower your sweet ass in front of your mom and sister,” I said while she recovered. “They’ll spread it for me. My girlfriend will guide my big cock into your cute little asshole so I can make it mine.”

Her asshole twitched around my fingers.

“Do you want that, my little bitch?” I teased.

“Yes,” she hissed as I withdrew my fingers from her ass.

“Let’s go,” I said, slapping her ass playfully.

She got up, and I left the lube on her nightstand.

“You are going to get fucked silly today,” I said as I walked out with her.

She let me stick two fingers up her ass while we walked to the living room.

---

When we approached the sofa, I gently popped my fingers out of Kayla’s ass. She blushed slightly when she saw her mom and sister.

“Get on your knees between your mom and sister with your virgin ass facing this way,” I said, pushing Kayla gently toward the sofa.

Kayla shyly got into position, and I helped her adjust her position to thrust her ass out. I nodded at Courtney and her mom. They spread Kayla's ass open. I squeezed lube on her asshole and used three fingers to ream it out.

"Do you want my lover to fuck you in your virgin ass like he fucks me?" teased Courtney.

"Yes," hissed Kayla, her asshole twitching.

"You need to say please," chided Courtney. "He doesn't owe you anything."

"Yes, please," said Kayla lowly as I gently finger fucked her ass.

"I don't think Sean heard you," teased Courtney. "I think he's curious to know if his girlfriend's little sister's a slut like her big sister. Aren't you, Sean?"

"You bet," said Sean.

"Yes, please," said Kayla more loudly with an anal twitch.

"Yes, what, sister?" teased Courtney.

"I want Nick to fuck my virgin ass like he fucks your ass please," said Kayla, her asshole twitching.

"If you want that badly, beg him to do it," said Courtney.

"Nick, please fuck my virgin ass like you fuck my sister's ass," gasped Kayla.

"You got that, baby," I said. "Beg Beth to lube my big cock and guide it into your virgin asshole."

"Beth, please lube Nick's big cock and guide it into my virgin ass," gasped Kayla.

"With pleasure," said Beth, getting up.

Beth lubed my cock thoroughly and held it as I pushed it firmly into Kayla's splayed asshole. Kayla took a deep breath, and her asshole dilated slowly and let my cock head sink in little by little. She let out a small gasp when my cock head popped up her horny ass, and her asshole tensed a little. I paused briefly before I resumed slowly but firmly driving my hard shaft up her widely stretched asshole. I took two more short breaks on my way into the depths of her sizzling ass. Her asshole involuntarily twitched occasionally.

"Nick, I am going to come," she gasped lowly.

"That's why we are here, my little bitch," I said.

Kayla stiffened and shook in orgasm right after I resumed my last stage up her ass. I shoved the rest of my cock in and proceeded to thrust gently in her ass as her anal spasms squeezed my cock repeatedly. I fucked her ass harder, and her orgasm exploded wildly. I pounded her vigorously until her orgasm subsided and she went limp, gasping for air. I thrust slowly in her ass.

"I love your hot tight ass, Kayla," I said. "Does it love my big cock?"

"Yes," she hissed. "It loves it so much."

Kayla started to fuck back. She instinctively picked up the pace, and I matched her. Before long, I was drilling her receptive ass vigorously while she gasped happily, her orgasm approaching quickly. She came wildly while I fucked her ass hard and fast. I fucked her ass gently while she recovered.

"Who wants to be the first to taste Kayla's luscious ass on my big cock?" I asked.

"I do," said Jessica.

"We all do, but Mrs. Hopkins deserves to go first," said Beth.

Kayla soon watched her mom deep throat my cock and let me fuck her throat for a couple of minutes. Beth meanwhile lubed Kayla's ass. I returned my cock to Kayla's ass, and Courtney tasted it after her next orgasm. Beth tasted it after Kayla's next orgasm.

"Kayla, get on your back, and let your mom and sister hold your legs up for you," I instructed.

Kayla got into position. I guided her hands to her ass, and she spread it wide. I knelt before her offered orifices.

"Your luscious little pussy's going to be eaten for the first time," I said. "I love its smell and taste already. Now, I am going to feast on it. Your mouthwatering pussy was meant to be eaten as much as fucked."

Kayla's pussy was drenched. I gently cleaned it up with my tongue. She moaned and humped my tongue. I devoured her pussy through two wild orgasms, slurping her gushing juices, while Beth stroked my cock.

Beth lubed my cock, and I stuffed it into Kayla's spread ass. After Kayla came, I silently pulled her up and thrust my cock in her face. She deep throat my cock eagerly.

"I am coming in your hot mouth, my little come slut," I said, shooting the first two jets against the back of her throat. "Savor it before you swallow."

The third and sixth jets landed on the left side of Kayla's face. The fourth and fifth come jets decorated the right side of her face. I wiped the rest on her lips.

"Help yourselves," I said, motioning Courtney and her mom to Kayla's face.

Jessica and Courtney licked my come off Kayla's face while Beth revived my cock. The others soon joined.

Kayla watched me fuck the others' pussies and asses and her own ass before I deflowered her pussy.

"Do you belong to my big cock, baby?" I asked Kayla.

"Yes," she hissed.

"Are you ready to give your last cherry to the big cock you belong to?" I asked.

"Yes," she hissed trembling.

"Let's do it," I said, pushing her onto her back on the sofa.

Kayla's mom and sister held her legs up, and I teased her pussy with my cock. When she was ready, I penetrated her dripping pussy with my cock, driving her over the edge. She came hard as I worked my cock into her twitching pussy. Her orgasm doubled when I was balls deep in her pussy. She convulsed, and I thrust in her gushing pussy.

Each ass got a come load before I pumped Kayla's freshly deflowered pussy full of sticky come. I reamed out her sweet asshole royally. Jessica ate come out of Kayla's ass, and Kayla ate come out of Beth's. Courtney ate come out of her mom's ass, and Sean ate come out of hers while Kayla watched.

We called it a day after we cleaned up and showered. I gave Jessica and her daughters a big deep goodbye kiss each, squeezing their tits and asses possessively.

---

Kayla's boyfriend was going to spend the afternoon with her a few days later. I fucked her and filled her pussy with come just before that. She was lying on her bed naked and her legs spread when Courtney led Kurt to her room. He knocked, and she called him in. When he opened the door, he was startled.

"I am sorry," he stuttered. "I didn't know you were not ready."

"I am ready," she said. "Come in, Kurt."

"You are not dressed," he said, embarrassed.

“I think it’s about time you saw me naked,” she said. “Are you not ready for that?”

“I am ready,” he said shyly.

“Come in, and shut the door,” she said.

He closed the door and walked in.

“I also think it’s about time you licked my pussy,” she said. “Are you ready, or should I find another boyfriend to eat it out for me?”

“I am ready,” he said. “I am just surprised.”

“Go ahead, and lick my pussy,” she said. “It’s flooded as I think about this.”

“I’ve never done that before,” he said.

“Don’t you think it’s about time you did?” she said.

“Yes,” he said.

“Take your position, and indulge,” she said.

“Are you sure this is okay?” he asked.

“I’ve been thinking about it for a few days,” she said. “Do you want to step up and be a man or remain a kid?”

“I’ll do it,” he said.

“Start by licking my slimy pussy clean,” she said. “It’s so horny and juicy. Are you eager to do it or not?”

“Yes,” she said.

“From now on, you’ll get to do with me what my sister’s boyfriend does with her,” she said. “We can’t stay virgin forever. Don’t you agree?”

“Yes,” he said as he tentatively got onto the bed.

“If you do a good job, I’ll let you watch my sister’s lover fuck her senseless,” she said.

“What?” he said, startled. “We’d spy on them?”

“Of course not,” she said. “I’d never spy on my sister. She’s okay with letting us watch. She wants to put on a hot show for us and teach us how things should be done. Don’t you think that’s so kind of her?”

“Yes,” he said. “It’s too much though.”

“You’ll deserve it if you eat my slimy pussy properly,” she said.

“I’ll do my best,” he said.

“Go ahead,” she said. “Do it.”

“Your pussy’s pretty,” he said.

“Thank you,” she said. “I am glad you like it. I hope you like its taste when it’s bursting with juices.”

He licked her pussy tentatively. She gasped, and her juices leaked.

“Your tongue’s making me juicier,” she moaned. “You need to slurp and suck all the juices you can get.”

Her statement encouraged him, and he ate her pussy more and more eagerly. She ground her pussy into his face, getting wilder as my come leaked into his mouth.

“My pussy’s never been this juicy,” she moaned. “Eat it raw, and suck it dry.”

He devoured her pussy, sucking all the come he could get and making her come, gushing more juices into his eager mouth as she pulled his head into her pussy hard. He continued to lick her pussy while she recovered.

“Did you like the taste of my slimy pussy?” she asked.

“I loved it,” he said.

“There is so much of where this came from,” she said.

“I am glad to know that,” he said.

“Are you ready to watch my sister’s lover fuck her silly in front of her boyfriend?” she asked.

“In front of whose boyfriend?” he asked.

“In front of her own boyfriend,” she said.

“You mean she has a lover *and* a boyfriend?” he asked.

“Yes,” she said. “Courtney found out that she’s happiest when she has a lover to do to her the wild things her boyfriend isn’t supposed to do. Her boyfriend lets her do that because he wants her to be very happy.”

“That’s strange,” he said.

“Actually, many modern couples have similar arrangements,” she said. “Anyway, do you want to watch?”

“Are you sure that’s okay?” he said. “I think girls normally don’t want their boyfriends to watch other girls even their own sisters have sex.”

“Normally, girls don’t feed their boyfriends the juiciest pussies around,” she said. “Do you want to do the normal thing or the hot thing?”

“I want to do the hot thing,” he said.

“When you see my sister’s lover use her like a seasoned whore, you’ll understand why she needs a lover,” she said. “Let’s go.”

“Okay,” he said as she got up and he followed suit.

She opened the door and walked out.

“Are you going naked?” he asked.

“Baby, we are not going to church,” she said. “We are going to watch horny people fuck wildly.”

“Okay,” he shrugged.

He was worried about hiding his boner.

“Act as if I were fully dressed,” she said.

“Okay,” he said.

While Kurt ate Kayla’s come-filled pussy, Courtney, Alex, Beth, Sean, Dave and I gathered in the living room.

Kurt and naked Kayla walked in.

“Hi,” greeted Kayla. “This is my boyfriend, Kurt. Kurt, this is my sister, Courtney, and her boyfriend, Sean, my sister’s friend Alex and her boyfriend Dave, her brother, Nick, and his girlfriend, Beth.”

“Nice to meet you,” said Kurt shyly.

“Nice to meet you too, Kurt,” we all said.

Nobody commented on Kayla’s nakedness.

Courtney and Alex sat on either side of me on the sofa while Beth sat in my lap. Dave and Sean sat on the loveseat. Kayla led Kurt to the chair and sat in his lap.

“Beth, why don’t you sit here in my place?” offered Courtney, getting up.

Beth scooted off my lap and sat next to me as Courtney knelt before me.

“I hope you don’t mind,” said Courtney, looking at Kurt questioningly, as she reached for my fly.

“No, it’s okay,” said Kurt shyly.

“Nick’s Courtney’s lover,” explained Kayla. “She can’t get enough of his big cock.”

“That’s right,” said Courtney, smiling at Kurt.

“He turned her into an insatiable whore,” said Kayla.

“That’s right too,” said Courtney.

Courtney proceeded to lick my balls and my shaft. When she reached my cock head, she teased it with her tongue tip and sucked it playfully. She soon took my cock in her mouth and sucked it deeply. She deep throated my cock, moaning happily around it, for a minute before she looked at Kayla.

“Don’t you want to help your sister suck her lover’s big fat cock?” said Courtney.

“Would you mind if I helped her a little?” Kayla asked Kurt.

“Not at all,” he said shyly.

“If you get off his lap, I’ll be sitting there in a second,” warned Alex.

“I don’t think he’d mind that,” said Kayla as she got off Kurt’s lap and walked to me.

Kayla knelt next to Courtney, and Alex sat in Kurt’s lap or rather on his right leg. Courtney moved aside, and Kayla proceeded to suck my cock. Alex teased the outline of Kurt’s boner with her fingertips. He stiffened silently.

“Suck my brother’s big cock while I play with your boyfriend’s big boner,” teased Alex.

“Take good care of her boyfriend’s cock,” teased Courtney as Kayla deep throated my cock hungrily.

“Of course, just like I once took care of your boyfriend’s cock,” teased Alex.

“Just like that,” said Courtney.

“Would you like me to take your cock out, or is this good?” Alex asked Kurt.

“This is good,” he stuttered.

“I’d rather play with your bare cock if it’s the same to you,” she said. “After all, your slut girlfriend’s sucking my brother’s bare big cock.”

He trembled silently.

Kayla demonstrated her cock sucking skills for her boyfriend.

“Kayla, let me kiss your cock-craving mouth,” I said.

“Which one?” teased Kayla as Courtney resumed sucking my cock.

“How many cock-craving mouths do you have?” I asked.

“Why, three of course,” she smiled.

“Tell us where you crave it,” I said.

“I crave it in my cock-hungry mouth, my horny pussy and my cock-craving asshole,” she said.

“I want to kiss them all, starting with your mouth, which has just sucked my big cock,” I said.

“Sure,” she smiled as she rose to her feet.

Kayla brought her mouth to mine, and we kissed deeply. I fondled her tits briefly and then grabbed her ass cheeks. I felt up her ass and spread her cheeks, pressing an index finger into her asshole. She moaned as wormed my finger into her asshole.

“My brother’s fingering your girlfriend’s asshole,” Alex whispered in Kurt’s ear. “The slut told him she craved cock in her mouth, pussy and ass. Did you know that your innocent-looking girlfriend craved cock in all her holes?”

He did not answer.

“You have to answer me if you don’t want me to make you come in your pants and embarrass yourself,” threatened Alex, squeezing his boner. “Did you know that your girlfriend craved cock more than most whores?”

“No,” he said lowly as I slid my middle finger into Kayla’s pussy.

“He has his tongue down her throat and his fingers in her pussy and ass,” teased Alex. “What a slut!”

Kayla moaned contentedly and held my head when I sucked her nipples and finger fucked her hot pussy and ass.

“Suck your boyfriend’s cock, but don’t make him come prematurely,” I instructed.

“With which mouth do you want me to suck it?” she teased.

“With this mouth, you slut,” I said, touching her lips. “I don’t want you to make him come this early.”

“Okay,” she said as she walked to Kurt.

“Beth, help Courtney suck my brother’s big cock,” said Alex, getting off Kurt’s lap as Kayla knelt down. “I think it’s too big for her alone. Meanwhile, I’ll tend to Kayla’s neglected cock-craving orifices.”

Kurt tried to resist as Kayla worked on his pants.

“You’ll embarrass us if you resist,” warned Kayla.

Kurt’s pants and underwear were soon tossed aside as Kayla teased his hard cock with her tongue tip, making him tremble and gasp. Meanwhile, Beth and Courtney sucked my cock hungrily.

Alex knelt behind Kayla. She proceeded to lick her pussy and asshole, making her moan as Kayla kissed and licked her boyfriend’s leaky cock. Alex grabbed the lube and toyed with Kayla’s asshole, working lube inside it. She finger fucked Kayla’s ass with two fingers while Kayla lustfully humped her slick fingers, moaning and gasping.

“Your girlfriend apparently needs cock bad in her horny ass,” Alex said to Kurt.

“Yes,” hissed Kayla.

“Let your boyfriend spread your ass so I can fuck it harder,” said Alex.

Kayla climbed onto the chair, kneeling astride one of his legs. She bent down on an armrest. Alex kept her fingers in Kayla’s ass while she got into position.

“Spread my ass, Kurt,” urged Kayla as she grabbed his hard cock tightly with one hand.

“Spread her ass cheeks wide so her asshole can open up wider,” instructed Alex.

Kurt tentatively obliged them. Kayla rubbed his hard cock on her inner thigh.

“Just like that,” said Alex as she worked her fingers in and out of Kayla’s asshole, twisting them left and right.

Kayla moaned and pulled on his cock.

“Watch this,” said Alex as she added lube to Kayla’s asshole.

Kurt watched as Alex squeezed a third finger, stretching Kayla's asshole wider. She fucked it gently at first. She fucked her ass harder, making her moan happily and hump back. Alex occasionally lapped up Kayla's excess juices.

"I am going to come," said Kayla a couple of minutes later, humping Alex's fingers more wildly.

"Hold her ass tightly," instructed Alex as she finger fucked Kayla's ass harder.

Kayla soon stiffened and convulsed in ecstasy while her boyfriend held her ass tightly. Alex diddled her twitching asshole until she went limp. She slowly twisted her fingers within Kayla's ass while she recovered.

Alex removed her sticky fingers from Kayla's ass and offered them to Kurt, who pulled back.

"Don't be silly, Kurt," said Alex firmly. "Never let your girlfriend down. Suck them."

Kurt tentatively sucked Alex's fingers. She let him suck them thoroughly.

Alex returned her fingers to Kayla's ass and pumped them in and out a few times. She offered them to Sean.

"Taste your girlfriend's sister's asshole on my fingers," said Alex.

Sean sucked Alex's fingers eagerly.

Alex did the same with Dave.

"Honey, taste your girlfriend's brother's bitch's asshole on my fingers," she said.

Dave sucked her fingers happily.

Alex next gave me a taste of Kayla's ass on her fingers.

"Brother, taste your little bitch's asshole," said Alex, offering me her fingers.

"I'd rather taste it firsthand," I said.

"Sure," she said, pushing her fingers in my mouth.

Alex pulled me up to my feet and led me to Kayla. I knelt down and gave Kayla's asshole a deep kiss. I stuck my tongue inside her asshole, making sure her boyfriend saw that. Kayla moaned and ground her ass into my face.

"Kayla, beg for it," said Alex as she lubed my hard cock.

"Nick, please fuck me in the ass with your big cock," begged Kayla.

"My brother doesn't fuck bitches in front of their boyfriends without their consent," said Alex.

"Kurt, please ask Nick to fuck my cock-hungry ass," begged Kayla, stroking Kurt's hard cock.

Kurt was startled. He did not know what to do.

"Do it, Kurt," urged Alex. "Good boyfriends oblige their slut girlfriends."

"Nick, please fuck Kayla's ass," said Kurt after some hesitation.

"That isn't good enough, Kurt," said Alex. "My brother only fucks cock-hungry asses. You made it sound as if her ass wasn't hungry for his big cock at all."

"Nick, please fuck Kayla's cock-hungry ass," said Kurt.

"Thanks, Kurt," I said as I got up and aimed my glistening cock at Kayla's splayed asshole. "I'll make sure to ream it out royally."

"My brother always does," assured Alex as she guided my cock to Kayla's asshole.

Alex squeezed lube on Kayla's asshole and my cock head just before I pressed into Kayla's horny asshole.

"Watch him drive his big fat cock balls deep up her hot tight ass," said Alex as my cock head dented Kayla's hole.

Kayla moaned as my engorged cock head stretched her asshole and popped in. She constantly rubbed her boyfriend's leaky cock head on her inner thigh.

"Yes," hissed Kayla.

"Is she okay?" said Kurt as he intently watched his girlfriend's tightly stretched asshole.

"She's just said yes," said Alex.

"Give me more, lover," moaned Kayla, milking my cock with her anal muscles. "Don't stop until it's balls deep up my horny ass. I am so hungry for your big cock."

That was naturally what I had in mind, but I took my time for her boyfriend's benefit. I let him watch my hard shaft skewer his girlfriend's stretched asshole little by little. When I was all the way in, she stiffened and came, putting an end to any doubts he might have had. I grabbed her hips and hammered her shaking ass until she went limp.

Kayla humped my cock gently while she recovered. We soon picked up the pace, and I drilled her ass hard.

"Your little girlfriend's becoming a dirty slut," gasped Kayla. "You are too inexperienced to handle me just yet, but you can help as much as you can. You can fuck me like my sister's boyfriend fucks her when you are ready."

"Okay," he said as she squeezed his hard cock and rubbed its head on her thigh.

"Can you handle watching and helping your girlfriend get fucked like a little whore and stand by her like Sean and Dave do?" she gasped. "It's a commitment not every guy can make. Do you have the guts for it?"

"Sure," he said.

"I know I can depend on you," she gasped. "You've already passed the test. When you ate my slimy pussy earlier, it was full of Nick's come. You loved it and made me proud of you like I knew you would."

"It was full of his come?" he asked in panic.

"Yes," she said, squeezing his cock. "Good boyfriends enjoy eating their girlfriends' lovers' come out of their well-fucked pussies and asses. If you don't believe me, you can ask Sean and Dave."

"That's right," said Dave.

"We and they all love it just like you did," she gasped.

He did not reply.

"Are you mad at me for believing in you and introducing you to my lover's delicious come?" she gasped.

"No," he said.

"You'll soon see Sean and Dave eat come out of their girlfriends' slimy asses," she gasped.

She soon had another wild orgasm.

"Just like the guys tasted her asshole on my fingers, the girls are going to taste it on his cock," said Alex.

Courtney's open mouth waited for my cock readily. I took my cock out and stuffed it down her throat. I thrust in Courtney's throat several times before I returned my cock to Kayla's ass. Beth and Kayla followed suit. Alex was the last to receive the same treatment, shocking Kurt.

"Didn't you say he was your brother?" asked Kurt in confusion.

"I love my brother, and I love my brother's big juicy cock," said Alex with a big smile. "If you knew how wonderful it is, you'd love it too."

Alex lubed my cock and aimed it at Kayla's spread ass. I fucked it through two more orgasms.

“I think it’s my turn,” said Courtney as she walked to Sean.

Meanwhile, Alex deep throated my cock.

“Kurt after all came to watch Nick fuck you,” said Kayla as Courtney assumed a similar position to her sister’s.

“He got very lucky because he’s going to watch four bitches get fucked royally,” said Courtney as she hiked her skirt and pushed her bare ass out.

Sean spread Courtney’s ass.

Alex lubed my cock and guided it into Courtney’s ass. Kayla got up and led Kurt toward us. She stroked his hard cock while they watched my cock sink in her sister’s spread ass. I fucked Courtney’s ass through three orgasms.

Kayla continued to stroke her boyfriend’s hard cock while she sucked mine after I took it out of her sister’s ass. She lubed my cock while Alex took her position and Dave spread her ass.

Kayla licked Kurt’s leaky cock while he watched me fuck Alex’s offered ass hard.

“Is she really his sister?” he asked no one in particular.

“Yes,” said Courtney. “When a girl has a stud brother like Nick, she can’t spare him especially when she’s a hot cock-craving slut like Alex.”

Courtney sucked my cock when I took it out of Alex’s ass.

Kayla stood up and looked at Kurt.

“The three of you are going to eat Nick’s come out of your girlfriend’s well-fucked asses,” Kayla said to Kurt while stroking his hard cock. “Since you are the guest of honor, I’d like you to be the first. Can you do that?”

“Yes,” he said timidly.

“You need to be a little more enthusiastic about it, or Sean or Dave will beat you to it,” she said.

“I’ll do it,” he said.

“Girls, get on your knees on the sofa,” I instructed.

The four girls got into position and pushed their asses out lewdly. I lubed my cock and started with Beth’s ass. I lubed my cock and switched asses after every orgasm. When I fucked Kayla’s ass in the second round, I came in her ass while she did.

“Fill my ass with come,” gasped Kayla. “Give me a big load for my boyfriend’s first time.”

“You got it, my little bitch,” I said, pounding her convulsing ass hard.

Kayla’s orgasmic spasms drained my balls in her ass.

“Go for it, Kurt,” I said when I popped my cock out of Kayla’s come-filled ass.

“Eat my slimy ass, boyfriend,” said Kayla.

“Keep eating her until she comes,” instructed Alex as she knelt before my sticky cock.

Kurt knelt behind Kayla and licked her gooey asshole tentatively.

“Spread her ass, and dive in,” advised Courtney.

Little by little, Kurt lost his timidity and ate his girlfriend’s slimy ass more and more eagerly. He did a decent job and made her come. Meanwhile, the three other girls worked on reviving my cock. Kayla joined them soon.

An hour later, I came in Courtney’s ass, and Sean ate it eagerly. They all revived my cock, and I fucked them for almost an hour before I came in Alex’s ass for Dave to eat.

Nearly an hour later, I was fucking Kayla's throat.

"Kayla, I am going to come in your mouth," I said.

"Kurt, I want you to give me a deep kiss after he comes in my mouth with the come still in my mouth," she said, interrupting the throat fuck briefly.

"Okay," said Kurt as she swallowed my cock again.

A few minutes later, their tongues wrestled while swimming in my sticky come.

"Now, everyone gets to fuck his own girlfriend," announced Alex after my cock was revived. "Each boyfriend's going to eat his own come out of his girlfriend's pussy."

The girls lay on their backs on the sofa, their legs pulled up. I slid my cock up Beth's ass as she knelt before the chair, leaning onto it.

Although Kayla coached Kurt to take it very slow, he still was the first to come in her pussy. He ate her goeey pussy to orgasm, and she then revived his cock. He fucked her again, and got to eat her come-filled pussy again about when the others came in their girlfriends' pussies.

While the guys sat back, I was still drilling Beth's ass. The other girls assumed the position, and each got fucked in the ass once before I came in Beth's ass. Kayla ate my come out of Beth's ass while Alex and Courtney cleaned my sticky cock.

"Welcome to the club," Dave said to Kurt.

"Thank you," said Kurt shyly.

"I am proud of you, Kurt," said Kayla, walking to Kurt.

She gave him a big kiss that tasted of my come and Beth's ass.

"Did you enjoy yourself?" Kayla asked him.

"Yes," he said.

"We'll be doing this often," she assured. "I'll also train you to last a little longer."

We dressed and said our goodbyes. We left as Courtney and Kayla rushed to shower.

## TRAPPING COURTNEY'S DAD

So far, we had avoided Courtney's dad. We made sure he was away for a long time before we did anything at his house. Jessica wanted to put an end to that on that Friday night.

"Nick, I want my pussy and ass to be full of your come when my husband comes home tonight," said Jessica that afternoon. "He'll come home at around eight. I want you to come in my pussy while he opens the garage door."

"You want us to get caught?" I asked.

"No," she said. "You need to sneak out. I've arranged it that he'd need a minute to get some junk out of the way."

"You think a minute's enough?" I said.

"It has to be," she said.

---

My session with Jessica and her daughters continued. Courtney and Kayla ate my come out of each other's ass. I came in Jessica's ass last.

“Let’s go upstairs,” said Jessica. It was several minutes before eight. “I want to be in bed. If I am lucky, he’s going to eat your come out of my pussy tonight.”

Courtney and Kayla took their clothes and went to their rooms.

---

“Don’t,” said Jessica when I tried to put my clothes back on. “We need to shower together.”

She led, and I followed her come-filled ass to the shower.

She sucked my cock, and I fucked her in her pussy and ass in the shower.

---

“Now, you can put your clothes back on,” said Jessica after she dried me.

She lay in bed, her legs spread and bent, while I hurriedly put my clothes on.

“Fuck my pussy and fill it with come,” she said, teasing her pussy with her fingers.

Jessica came twice before Courtney came running.

“Dad’s arrived,” said Courtney.

“Fill me with come,” said Jessica.

Courtney shook her head before she left.

Since I was already on the edge, I came right away. I was off Jessica as soon as my orgasm subsided.

“Let Courtney clean you up,” she said as I left hurriedly.

Courtney gladly sucked my cock clean. I hid in her room until it was safe for me to sneak out.

---

When Troy entered the bedroom, his wife was naked, spread and her fingers in her pussy.

“Hi,” he said before he was startled by what he saw. “What are you doing?”

“Hi, honey,” she smiled. “I am just a little horny. I’ve been waiting for you.”

“You’ve never done this before,” he said.

“You know that our daughter engages in anal sex and loves it?” she said.

“I never liked her jerk of a boyfriend,” he said as he proceeded to take his clothes off.

“He’s no longer a jerk,” she said. “He turned into a nice guy.”

“A nice guy wouldn’t do that to our sweet daughter,” he said.

“He doesn’t,” she said.

“Oh, so she dumped him and found a worse guy,” he said. “She dumped him because he turned into a nice guy? She sure can attract the nicest guys.”

“Honey, she hasn’t dumped him,” she said. “She just met a girl her age at a dance club, and the girl introduced her to her brother. That guy was very considerate when he took her anal virginity, and she loved it.”

“She hasn’t dumped him, but she let another guy take her anal virginity?” he said, confused. “Courtney did that? That doesn’t make any sense.”

“I know, but that was necessary to rein in her boyfriend,” she said. “Don’t put on any clothes. Come here.”

“How did he accept that?” he asked as he sat on the edge of the bed.

“That’s beside the point,” she said as she guided his hand to her pussy. “What mattered is that, in the end, he licked Courtney’s new friend’s sperm off her buttole.”

“That’s gross and unbelievable,” he said. “Nobody would do that, definitely not her arrogant jerk boyfriend.”

“It isn’t gross,” she said, moving his hand over her sticky pussy. “I tried it myself.”

“You tried what?” he asked.

“I tried licking his sperm off Courtney’s buttole,” she said.

“You are disgusting,” he said. “You never tasted my sperm but tasted another guy’s on your daughter’s butt?”

“I was curious when I saw her boyfriend devour her buttole like it was his last meal,” she said. “It was nice. It didn’t smell or taste bad. I actually loved it. I didn’t need any coaxing when I ate her friends’ gooey anal orifices.”

“You licked his sperm off other girls’ buttoles?” he asked incredulously.

“I did, and I loved it,” she said. “There is nothing disgusting about it. They are clean. They all wash their insides thoroughly. It isn’t gross at all. It’s a great bonding experience. Now, I feel I’ve known them forever.”

“You are nuts just like them,” he said.

“Honey, I completely understand,” she said. “I felt just like you when I first saw Sean pounce on Courtney’s sloppy buttole. Based on my experience, I am sure you’d love it. You’d feel that we’d never been closer.”

“No way,” he said.

“When Courtney suggested it, Nick offered gladly to help,” she said.

“He offered to help with what?” he asked suspiciously.

“He happily offered to fill me with sperm for you to try it,” she said.

“You don’t know me if you think I’d even think about that,” he said. “I’d kick your ass to the curb.”

“I know you, honey,” she said. “You are so stubborn, but you are nice. You’ll think it over and come around. If you insist, I don’t mind if you kicked my ass to the curb *after* you tried it.”

“You sound so sure of yourself,” he said.

“I tried it and loved it,” she said. “Everybody who tried it loved it. Courtney’s boyfriend loved it. Her girlfriend’s boyfriend loved it. Her girlfriends’ dads loved it too. Heck, even Kayla’s boyfriend loved it.”

“Kayla’s boyfriend loved it?” he said in disbelief. “You corrupted our innocent little girl too?”

“Here you go again, honey,” she said. “Nobody corrupted anybody. She was ripe and ready to experiment in a controlled environment. Her boyfriend licked her buttole normally. It was just full of sperm. They both loved it.”

“That’s criminally perverse,” he said.

“Don’t be silly, honey,” she said. “She’s ready and eager to explore and be explored.”

“You took away her innocence,” he accused.

“You can’t have your cake and eat it,” she said. “Where is the harm anyway? Nobody got hurt. She looked so sweet when she had the most intense orgasms. Everybody’s happy but you.”

“I can’t accept this depravity,” he said.

“I know you can’t accept it until you’ve tried it,” she said, spreading her slimy pussy. “I want you to try it. I am so horny and wet. Now, come here, honey. Imagine my pussy’s full of come, and eat it raw.”

“You are sick,” he said.

“Why don’t you cure me with your magic tongue?” she teased. “Would you like to eat one of the young sluts’ asses instead? I am sure we can arrange that. They’d love it too.”

“You are crazy,” he said.

“Our new slut of a daughter expressed her jealousy of me,” she said, squirming lewdly. “She wished you’d eat her slimy ass like I did. She wanted to feel she was her daddy’s little girl.”

“Which one?” he asked.

“Courtney,” she said. “I am sure Kayla would love it too. I saw it in her eyes.”

“You are all sick,” he said.

“You are breaking their heart,” she teased. “You want me to tell them that you don’t love them enough to lick sperm off their luscious buttocks?”

“Tell them I am disappointed in them,” he said. “I’ve never imagined they could do that.”

“You know it wasn’t their idea,” she said. “They saw it happen before their eyes and wanted to try it.”

“Like their mom did,” he said.

“You can’t blame them for taking after their slut mom,” she said.

“I can blame the mom,” he said.

“You can do whatever you want after you eat my flooding pussy before I drench the bed,” she moaned. “Show me you are better than Courtney’s boyfriend. Do you also want me to let him eat my juicy pussy and ass? He’s willing.”

“She wants you to let her boyfriend eat your pussy and ass?” he asked.

“She thinks Kayla’s boyfriend’s too young for it although I’ve seen him do a good job on Kayla’s holes,” she said.

“You saw him do it to Kayla?” he asked.

“Yes, honey,” she said. “The girls and I are now open about sex. Alex had a great influence on us.”

“Is that Courtney’s new friend?” he asked.

“Yes, the one who tamed Sean,” she said.

“If she could do that to Sean, no wonder she corrupted you all,” he said.

“Honey, are you going to eat my pussy or should I call him?” she said. “By the way, if you don’t eat my pussy and ass, Courtney and Kayla aren’t going to let you eat theirs.”

“Would they if I did?” he asked.

“They are looking forward to it,” she said.

“They are my daughters,” he protested.

“You are not going to have sex with them,” she said. “You’ll only eat their well-fucked sweet pussies and asses.”

“You are all crazy,” he said, lowering his mouth to her slimy pussy.

“Once you try it, you’ll be as crazy about it like everybody else,” she moaned, pushing her pussy into his face.

He licked her drenched pussy tentatively for a minute.

“Is there come inside your pussy?” he asked.

“Honey, you should never ask your loving wife such a question,” she said. “You must trust that I’d never do anything bad to you. A man should either find out on his own or let his woman tell him on her own.”

She was soon eating her pussy eagerly. She came twice before she pulled him on top of her.

“Eat my pussy, and I’ll get you ready to fuck it again,” she said when he rolled off her.

“It’s full of come,” he complained.

“It’s yours,” she said. “You can’t be disgusted of your own come. I am going to suck your sticky cock too.”

He reluctantly obliged her, making her come. She sucked his cock, which responded better than usual to her. He fucked her again, making both come.

“Let’s clean each other up,” she said as she mounted him in the sixty-nine position, pushing her slimy pussy into his mouth as she lowered her mouth to his sticky cock.

“I shouldn’t go to bed full of your come, and I’ve learned that come’s too precious to waste,” she said. “It should end up in one’s bowels.”

They showered and went to bed early with my come in her ass.

---

On Saturday, Jessica arranged for her husband to do some physical work around the house, so he needed to take a nap in the early afternoon. While he was asleep, I fucked his wife and daughters in the living room.

“It’s about time he woke up,” said Jessica an hour into our orgy. “You keep going.”

Jessica went up to the bedroom, her ass full of come.

---

“The girls are downstairs with Nick, getting fucked silly,” she said when he woke up. “If you are a good boy, they may let you eat their sloppy holes. They’ll be so relaxed and juicy. If not, they’ll have to call their boyfriends.”

“They are my daughters,” he said.

“You don’t want to taste your daughter’s sweet little orifices after they get reamed out royally?” she said. “That would show you that they’ve turned into full women, young women but real women.”

“I don’t need to taste them to know that,” he said.

“Kayla wants you to watch her get fucked like a cheap little whore,” she said. “She isn’t fragile and wouldn’t break if she received a very hard ass fucking. She wants to make Nick proud of the young woman he’s made her.”

“Is Nick Alex’s brother?” he asked.

“Yes,” she said.

“Does he sodomize Kayla?” he asked.

“Honey, she’s a big girl,” she said. “He uses her mouth more than double the time he uses her pussy, and he uses her little ass more than he uses her mouth and pussy combined. She loves it. She loves being his little fuck toy.”

“You don’t mind either,” he said.

“Why would I mind my daughter’s having an amazing time in a safe environment?” she said.

“What safe environment?” he asked.

“He took them in the living room right in front of me, and they loved it,” she said. “He’d never hurt them.”

“He corrupted Kayla, and she wants to make him proud of the slut he made her?” he said. “I can’t believe that.”

“Honey, our daughters are great girls,” she said. “They are not sluts. They just love amazing sex so much, and Nick gives them lots of it. He gives the two together more than they can handle.”

“Did he give their mom some too?” he asked.

“Oh, honey, what kind of wife tells her husband that her daughters’ lover fucked her senseless in every hole she had?” she teased. “Are you one of those perverts who gets off on having his wife tell him she’s been a kid’s dirty whore? If you are, I may be a good wife and oblige you. I may even let you watch him fuck me like a cheap whore.”

“I am not like that,” she said weakly.

“Isn’t your cock hard because you are imagining you are eating his come out of my well-fucked pussy?” she teased as she squeezed his boner. “Last night, it felt and tasted real, huh? You couldn’t tell if it were real or fake.”

“Your pussy was juicier than usual, and it tasted differently,” he said. “It actually tasted somewhat like when it was full of my come. Was it full of his come?”

“You couldn’t tell,” she said. “Imitation come these days can fool most. It can almost make a girl pregnant.”

“Is there imitation come really?” he asked.

“There are quite a few recipes for it,” she said.

“I didn’t know that,” he said.

“Forget about it now,” she said. “Just eat my pussy raw, and make me come. I’ll then reward you.”

She squatted on his face, feeding him her drenched pussy. He could only eat it to orgasm.

“You did a great job, honey,” she said as she dismounted him and got on her knees, thrusting her ass out. “Eat my juicy ass now. See if you like it. My insides are squeaky clean. Eat my ass, honey. The girls made me jealous.”

“Is it full of come?” he asked.

“Honey, I’ve told you that you should never ask that question,” she whined. “Just enjoy yourself.”

She winked at him with her asshole as he got up.

“You’ve become wilder than ever before,” he said.

“Watching your daughters get fucked royally does that to you,” she said.

He knelt behind her and proceeded to lick her asshole tentatively as she spread it for him.

“Spread my ass, honey,” she said as he ate her asshole eagerly.

As he spread her ass, she raised herself on her hands, helping the come flow out of her ass. She fed him all the come and came on his tongue.

“Are you ready to watch our slut daughters have the time of their lives?” she asked.

“Wouldn’t that embarrass us?” he said.

“Honey, they are little sluts,” she said. “They wouldn’t mind us.”

“Let’s shower first,” he said.

They showered and put on robes before they went down.

---

“Mom and dad are watching,” said Courtney lowly as I fucked Kayla’s ass vigorously.

“Nick, fuck my horny tight asshole harder,” urged Kayla. “You know it isn’t going to break or tear. It will only open wide like a freeway tunnel. Are you afraid it would strip the skin off your big cock?”

“No, my sweet little whore,” I said, fucking her even harder. “I am just afraid you’d come so hard you’d pass out and then I wouldn’t be able to fuck your luscious orifices until you come to.”

“You have a good point,” she gasped. “Just fuck my ass hard. Fuck it without mercy. You know how much it needs your big cock. Fuck it as if you want to hurt it. You know you won’t, and I’ll just love it.”

“I know, baby,” I assured. “I love you, and I love your sizzling ass. That’s why you are my bitch.”

“Oh, yes, I am your dirty bitch,” she gasped. “Fuck your dirty bitch in her cock-hungry ass like a jackhammer.”

“I am doing just that, baby, and I can never get enough of it,” I assured.

“Me neither, my horny ass-fucking stud,” she gasped. “I am going to come for you, baby.”

“Here is more lube so he can fuck your slutty ass even harder, you little whore,” said Courtney, squeezing lube on my pumping shaft and her sister’s stretched asshole.

“Come for me, my bitch,” I urged, drilling Kayla harder. “Let me feel your little asshole twitch in ecstasy.”

Kayla soon stiffened and shook in orgasm, her asshole twitching wildly in ecstasy. I drilled her ass until she went limp. I took my cock out, and Courtney swallowed it.

---

Jessica fondled her husband’s boner while they watched.

“Let me go help our daughter suck that big cock,” she said to him.

He did not comment as she walked to us.

Jessica knelt down, and she and Courtney sucked my hard cock hungrily.

Troy was embarrassed as Kayla walked to him.

“Dad, does mom swallow your come and let you come on her face?” she asked nonchalantly.

He was startled by the question and by the fact that his little daughter would ask it to him.

“Kayla, you shouldn’t talk about that,” he said awkwardly.

“Dad, I thought I’ve proved to you that I am now a big girl,” she whined. “Didn’t you see my lover use me like a seasoned whore? I can talk about adult stuff.”

He was taken aback by that.

“I don’t want to talk about that,” he said nervously.

“It’s okay, dad,” she said as she reached out and squeezed his boner through his robe. “You can tell me.”

“Kayla, what are you doing?” he asked in panic, trying to push her hand away, but she had already taken it off.

“Relax, dad,” she said, squeezing his cock again. “I am just asking a question.”

This time she did not pull away.

“Take your hand off,” he said, pushing her hand away.

“Hush, dad,” she said lowly, still gripping his hardening cock. “Don’t draw attention to us. They’d think you are trying to rape me not that you are excited about watching your slut wife show off her whorish ways to you.”

Jessica was then on her knees on the sofa, my cock thrusting hard in her offered ass.

He took his hand off hers and resigned himself to what she was doing. She continued to stroke his hard cock.

“Has my slut mom ever swallowed your come or let you come on her face?” she asked. “I know she does that and more for her boyfriend. I can’t expect her to do for you most of what she does for him. She’s so depraved.”

“No, she’s never done that,” he finally said.

“Sorry, dad, but that ends now,” she said. “You are going to come on her face and feed her your come while her boyfriend fucks her pussy and ass like a cheap whore.”

“Don’t talk like that about your mom,” he chided.

“Mom, do you like having your boyfriend fuck you like a cheap whore right in front of dad?” teased Kayla.

“Yes,” hissed Jessica, stiffening.

“She loves it, dad,” said Kayla as her mom shook in orgasm. “She’s coming for him.”

He watched intently, not really paying attention to his daughter as she opened his robe and took his hard cock out of his boxers. She stroked it while her mom continued to shake in orgasm.

“Dad’s going to come on your slutty face and feed you his come,” said Kayla. “Is that okay with you, mom?”

“Yes,” hissed Jessica.

“Did you see how easy that was?” Kayla asked her dad.

He did not answer.

“Your come on her face is like the seal of approval of her being her boyfriend’s bitch,” she said. “Alex told me to make sure you approve of mom as her brother’s bitch or she’ll have me lick her pussy until my tongue falls off.”

“Alex?” he asked.

“Yes, dad,” she said. “She’s responsible for this because she was the one who picked Courtney up at the club.”

“Oh!” he said.

“Do you approve of mom as Nick’s bitch?” she asked.

“I don’t know,” he said as I laid Jessica on her back along the sofa and resumed fucking her ass.

“Do you always get this hard when you don’t approve of something?” she teased.

He blushed.

“Be honest, dad,” she said. “Do you approve, or do you want to divorce her and ruin all our lives and yours? I wouldn’t be able to play with your hard cock then. Neither would you be able to watch your slut wife and daughters get fucked like cheap whores, but we’d still get fucked like whores because we can’t give up Nick’s amazing cock.”

“I approve,” he said.

“Mr. Hopkins, I appreciate your accepting me into your house and your wonderful family,” I said. “I promise to treat them with the love and care they deserve. Thank you so much.”

“You are welcome,” he said.

“So, you are going to come on her face and feed her your come?” she asked.

“Yes,” he said lowly.

“Just relax and enjoy the ride,” she said, leading him to her mom’s head. “I’ll do everything. You are going to hose her face down when she comes her ass off on her lover’s big powerful cock.”

She stroked his cock over her mom's face while I fucked her mom's ass harder and harder.

"Can you see how her face twitches lustfully with every deep ass-stuffing thrust?" she teased.

He did not answer.

"Dad, don't ignore me," she whined. "Can you see mom's face twitch with lust?"

"Yes," he said.

"We'll paint it for her with come when she comes," she said.

Jessica approached orgasm hurriedly.

"Dad, get closer to her face so your come doesn't go to waste," said Kayla, pulling her dad's cock to her mom.

Jessica came right away. Kayla made sure her dad came as soon as her mom did. While Jessica shook in orgasm, her husband's come shot on her face. Kayla milked her dad's cock dry. She even wiped its sticky tip with her finger and wiped her finger on her mom's face.

"Do you know how to feed it to her?" asked Kayla as I gently thrust in her mom's ass.

"How?" he asked.

"Scoop it into her mouth with your tongue," she said. "If it's okay for her to swallow it, it's okay for you to taste it. We want to show her that she's a dirty slut but not disgusting at all but doing what she was always meant to do."

"Thanks, sweetie," gasped Jessica.

"Dad, while you do that, hold her legs up by the ankles to help Nick fuck her hot ass better," said Kayla, smiling at her mom. "Show her that you love your slut wife almost as much as both her slut daughters do."

"Kayla, is this necessary?" he asked.

"Dad, this is very necessary," she said. "It's important for all of us to express our love to each other."

He reluctantly knelt down.

"Thanks, honey," said Jessica, spreading her ass for me, as her husband held her legs up with his left hand. "Now, my lover can fuck me almost as hard as he fucked our little slut of a daughter."

"Is that what you want, Juicy?" I said, picking up the pace.

"That's what I want, lover," she said.

"I am going to make you come while your husband feeds you his come," I said, fucking her harder.

"Do that for me, baby," she gasped.

"Can you see that, dad?" said Kayla. "Mom's a great woman. She just loves cock as much as she was meant to, maybe a little more."

"Oh, yes," gasped Jessica. "I love Nick's amazing cock so much."

"We all do, mom," said Kayla.

"Juicy, you are a faithful slut," I said. "You only love my big cock like that not every cock, right?"

"That's right, lover," she gasped. "Your wonderful cock's very special."

"My big cock thinks your hot ass is very special too," I said.

"That's very sweet of it," she gasped.

"You are as sweet as both your sweet daughters," I said.

“Thank you, lover,” she gasped.

“Dad, do it before you are ready to come again,” said Kayla. “You’d then be busy coming on *my* face. I am sure you’d love to watch mom eat your come off my face.”

He used his tongue to feed his wife his come while I drilled her ass and his daughter stroked his soft cock. I made Jessica come while he was still feeding her his come.

After Jessica recovered, Kayla helped her get up and kneel on the end of the sofa.

“Dad, sit here and spread mom’s ass like Kurt spreads mine for Nick,” said Kayla, leading her dad to the center of the sofa. “I’ll sit right next to you.”

Kayla sat next to him and proceeded to stroke his hardening cock while he spread his wife’s ass for me. I squeezed lube on Jessica’s asshole and stuffed it with cock.

“Thanks, honey,” said Jessica. “You are so good to me.”

“Dad, mom deserves you to be good to her, doesn’t she?” asked Kayla.

“Yes,” he said.

“You are a good husband,” she said. “I am proud to be your little daughter.”

“Thank you,” he said.

“Mom’s such a slut, isn’t she?” she said.

He did not reply.

“Come on, dad, admit it,” she pressed.

“Yes,” he said.

“You still love her though, don’t you?” she said.

“Yes,” he said.

“Can you see how her horny lover stretches and stuffs her tight asshole with his fat cock,” said Kayla as I thrust gently but deeply in her mom’s ass.

“Yes,” he said lowly.

“Don’t you think this is how her slutty ass should be fucked?” she teased.

“Yes,” he hissed.

Troy watched his wife’s ass come three times before I flooded it with come. I kept my cock in Jessica’s ass, and she milked it deliberately. That drained my balls well and revived my cock within several minutes. I slowly withdrew my hard cock from her slimy ass, and she clenched her asshole tightly. It snapped shut when my cock head slid out.

Kayla sucked my sticky cock while she continued to stroke her dad’s hard cock. I playfully slapped her face with my cock and sat on the loveseat.

“Come here, Juicy, baby,” I called.

Jessica straddled me, and I stuffed my cock into her pussy. She rocked gently. We kissed, and I fondled her tits while she ground into me.

“Dad, why don’t you eat mom’s well-fucked ass while she makes out with her boyfriend?” said Kayla. “I am sure his stuffing her pussy will make it harder for you to do a good job, but you are supposed to be better on your second time around. I am sure he’d love to spread her ass for you to make it easier.”

Most people would not call it making out when the woman had her juicy pussy stuffed tightly with cock.

Troy reluctantly let Kayla lead him to her mom. He knelt down and proceeded to lick his wife's asshole while I spread her ass for him. Kayla stroked his cock.

Meanwhile, Courtney watched while fingering her pussy and ass.

Jessica let her husband lick her asshole for a few minutes before she started leaking come into his mouth. She came on my cock while he ate her asshole out.

When Jessica recovered, she dismounted me. She lubed my cock and sat on it in the reverse cowgirl position.

"Honey, eat my pussy to orgasm and then fuck it," said Jessica as her asshole closed tightly around the base of my hard shaft. "I am going to come buckets in your mouth and then on your cock."

Her lustful anal muscles were already milking my cock. As soon as her husband's tongue touched her drenched pussy, she started to grind into me and him, working her asshole up and down the last inch of my happy cock.

"Oh, Nick, I love this," she moaned. "Your big cock belongs up my horny ass. My hubby must love how freely my little pussy leaks in his mouth."

"I love how hot, tight and amazing your little asshole is as it milks and sucks my big hard cock," I said.

She was soon approaching orgasm.

"Dad, mom's a cock-hungry slut," said Kayla. "Suck her horny pussy dry while her kid boyfriend warms her up for the double fucking of her life."

Jessica happily rode my cock and her husband's tongue.

"Fuck me, honey," said Jessica after she gushed in her husband's mouth for the third time.

We managed to get Jessica's pussy stuffed with her husband's cock while her ass was stuffed with mine. We started fucking her tentatively until we established a rhythm.

"Let's make her come three times and then come inside her," I said.

"Okay," said Troy.

Jessica came for the first time within a minute. It took her a few minutes to come for the second time. Within a few more minutes her third orgasm approached.

"Let's come when she does," I said, thrusting harder in Jessica's bouncing ass.

"Dad, you are going to eat both her slimy orifices clean," said Kayla.

The three of us soon came, and Jessica's twitching orifices drained her husband and my balls. I pulled her legs back and, as soon as he pulled out of her, yanked her ass off my cock and deposited her next to me.

"Go for it, dad," said Kayla while she knelt before my sticky cock.

Courtney joined her sister, and the two of them revived my cock while their dad ate their mom's slimy orifices, making her come twice. My cock was hard again by then.

"Juicy, when are you going to take me to your bed and let me take you and your lovely daughters in all luscious nine orifices?" I asked.

"Right about now if it's okay with Troy," she said. She did not wait for his answer though. "Follow me."

"Oh, Juicy, I'd follow that hot ass of yours to the end of the world," I said.

"I'd want you to be gaining on me because I prefer to have you hold it and fuck it," she smiled.

“I love that too,” I said. “It’s what that amazing ass was made for.”

“Come with us, dad,” called Kayla, taking her dad’s hand. “Watch Nick fuck the three of us together.”

Troy saw me use his wife and daughters in every hole they had like dirty whores. He got to eat my come out of his daughters’ well-fucked asses too. He ate it out of Courtney’s ass first. He tried to resist, but Kayla easily prevailed.

“If mom did it, and it didn’t make her a lesbian, you can do it, and it wouldn’t be incest,” she reasoned. “Mom isn’t our only parent. You are our parent too. It’s fun for all of us too.”

When it was her turn, he did not need any persuasion.

It was about midnight when we called it a night. I left for home after thanking Troy profusely. I slept right away.

By getting Troy’s blessing for my fucking his wife and daughters, I thought I could sit back and enjoy it all.

“Nick, you need to fuck the boyfriends’ moms and sisters too,” said Alex on Sunday morning when she took her mouth off my hard cock.

“Alex, if we keep going like that, it will never end,” I said as she held my cock and straddled me.

“Are you complaining?” she asked as she engulfed my cock in her juicy pussy.

“Of course not,” I said, thrusting into her to drive myself balls deep in her hot pussy.

“I am tempted to shut you up with my pussy,” she said. “Why don’t you instead shut me up with your big cock while you fantasize about fucking my boyfriend’s mom?”

“You are crazy, Alex,” I said. “I’d never fantasize about anybody else when I am with you. When I am with you, I can only fantasize about fucking you in the ass if I am not doing that already.”

“You do that, baby,” she smiled, riding me faster. “It makes my horny asshole twitch and my pussy drool.”

“Alex, you are the best sister any guy can ever have,” I said.

“If girls had brothers like you, they’d all be like me,” she said.

“I doubt it,” I said. “You are the most special sister in the world.”

Naturally, without our mom’s horny genes, the two of us would not have been as lucky and happy.

**The End**

### **Like Mother, Love Sister**

Mom refused to postpone the anniversary getaway when dad suddenly had to go to Europe on business. She wanted to go alone. Then she invited me along to be her servant. There I discovered how playful she was as she let her hair down and teased me to tears before she used me for her pleasure and mine. Dad finally joined us and things got a little complicated. My sister was even crazier.
