It was a long Saturday. Finally the night came. I had broken up with my last girlfriend a few days ago and I was horny like hell. I practically had a permanent boner fueled by network television shows. Any skirt slightly above the knee, any top that slightly hinted about the bust or any pair of pants not necessarily tight would add to my state of arousal. It was that bad.

I was debating whether to get up and go jack off or wait a few more minutes when my sister barged into the living room, apparently coming after her date.

"You must feel so lonely," she said as she plopped her butt next to mine.

"Uh-huh," I said quietly.

"So do I," she said as she got up. "Let me sit in your lap."

She plopped her butt in my lap before her statement sank in. She was dangerously close to my boner, which lurked along my right thigh.

"Why do you feel lonely?" I asked, trying to avoid thinking of my embarrassing predicament.

"Can I speak freely?" she said, twisting her butt as if to adjust her position.

"Yeah, sure," I said nonchalantly.

"Actually, I like to suck so much," she said. "My boyfriend does not last long in my mouth so he doesn't let me suck him as long as I want. That frustrates me and destroys my entire day...or night."

"I see," I said since I have already given her permission to speak freely.

My cock started to pulse as I involuntarily thought of the last time I received a decent blowjob.

"I feel lonely and horny," she continued. "I bet you feel horny yourself."

I swallowed.

"Would you yank your dick out of your girlfriend's mouth and leave her unsatisfied?" she asked.

I swallowed again and did not answer. My cock got so hard it started to press against her butt. As she talked, she had to move her butt against my cock.

"Why don't you let me treat you to the blowjob of your life?" she blurted out.

Sitting in my lap or even on my boner was one thing, and sucking my cock was another, especially that I did not expect it. My answer came like reflex.

"What?" I said, my cock thumping against her butt.

"You heard me right," she said. "I want to give you the best blowjob of your life. That would satisfy us both."

"I think you shouldn't," I said, hoping she would.

"You are not shy about the small size of your dick, are you?" she giggled, wiggling her butt against me. "I am just kidding. I can feel it isn't small. It's so hard it's lifting me up."

"You shouldn't because you are my sister," I said, ignoring the last part of her statement.

"Don't worry about that," she said, grinding her butt into me. "I will be completely professional as if I have never met you before."

"That wouldn't work," I said.

"You know you need it and I know I do," she said as she slid off my lap. "So let me do it and don't be ridiculous. It's going to be a lot of fun."

She reached for my crotch and started to rub and squeeze my bulge. I remained silent, unable to resist her advances. She single-handedly unbuckled my belt and popped my fly open, letting my cock spring out in the open.

“Oh, it’s going to be a challenge to stuff all this down my throat,” she cooed. “Don’t you worry though; your sister is a champion cocksucker. She likes a good challenge.”

Suddenly her tongue was tickling the sensitive spot under my bulbous cock head, making my cock twitch.

“Relax and enjoy,” she said, looking up at me mischievously as she pulled down my pants and briefs. “You have never experienced anything like this.”

She pushed my knees apart and started with teasing my balls with her tongue tip. She pushed my legs up and licked my asshole a little, causing my cock to harden even more. She licked her way up across my balls and along the underside of my cock. When she reached the tip, she started to lick the engorged head. I almost came when she closed her lips around my cock head. She held her lips motionless until I relaxed a little then started her way down, swallowing my shaft little by little.

Alex’s progress slowed down a little as my thick shaft filled her mouth, but she continued insistently. My cock head entered her throat and continued to advance. She did not stop until her nose was crushed into my pubes, her lips tightly squeezed around the base of my cock. She withdrew slowly until she popped my cock out of her mouth and gasped for air.

“I knew I could do that,” she smiled up at me proudly.

“You are some cock sucker,” I smiled back.

“You haven’t seen anything yet,” she said.

“That was something,” I said.

Her wicked tongue started at my asshole, teasing and licking its way up over my balls then up the shaft to the tip. She laved my shaft with her tongue then resumed sucking it. Her deep animated and talented sucking was very enjoyable, keeping my cock at full mast. She enjoyed it no less than I did. She deep throated my cock for a long while, occasionally letting her tongue toy with my balls or cock head. She held my hips and bobbed her head energetically, letting me fuck her throat until my come boiled over. She closed her lips around my cock head and stroked my cock vigorously until my come exploded into her eager mouth. She swallowed everything I had to offer and sucked thirstily for more until my cock went limp.

“That was great,” she said, dropping my soft cock from her mouth.

I should have said that.

She licked and kissed my cock all over then looked up at me smiling.

“You are a very talented cocksucker,” I said, pulling her up onto the sofa.

She smiled happily, opening her legs.

“Damn, sister, you are soaked!” I said as I reached between her legs.

“I came,” she said, blushing.

“You didn’t,” I said.

“Yes, I did,” she said, “when you shot in my mouth.”

I got on my knees between her legs. Pushing her knees further apart, I kissed and licked her pussy through her wet panties, enjoying her taste and smell. I snatched her panty crotch between my teeth and pulled down. She raised her ass and pushed her waistband over her hips. She raised her legs and I pulled her panties off then dropped them from my mouth onto the sofa.

I pushed her flat on the sofa and pushed her legs over her head, parting the knees to expose both her holes. I lapped up her pussy dry then probed it for more. She moaned and gasped happily. I toyed with her pussy and clit for quite a while before attacking her clit fiercely. She gasped her way to orgasm.

When she came down from orgasm, her asshole was soaked in pussy juices. She tensed and gasped and her asshole clenched defensively as I teased it with my tongue. She reacted more favorably to subsequent tongue strokes. Soon, she pulled her cheeks wide apart and thrust her ass eagerly, moaning happily, as my tongue massaged her relaxing asshole. I spent more time eating her delicious asshole than she had sucking my cock.

Her asshole relaxed and sucked on my tongue happily as I tongue fucked it, soaking it in spit. Her leaking pussy juices also helped wetting her asshole. I sank one then two fingers into her asshole and started to ream it out. It was so wet I fucked it briskly with two fingers. She moaned, holding her ass open for more. I spread her leaky pussy open with my free hand as I finger fucked her twitching ass to orgasm. She did not hesitate to suck my fingers that had brought her ass so much pleasure.

By then, I knew I could have her in any hole in her body. I also knew she could come through any of her cock-hungry holes. I lapped up her wet pussy then pushed my partly hard cock in her willing mouth. She lay on her back as I fucked her mouth gently for a while then fucked it faster, sinking in her throat with every thrust.

I maneuvered her on the sofa, pushing her legs over her head, and laid cock along her wet pussy lips.

“Alex, I am going to fuck you,” I said, humping her pussy.

“Yes, yes, Nick, fuck me,” she gasped. “I want you to.”

“Guide it in,” I said.

She grabbed my shaft and rubbed my cock head up and down her trembling pussy lips a few times then pushed it in. I sank the rest of my cock in, making her moan. I fucked her at an easy pace for a few minutes. When she got close to orgasm, I grabbed her shoulders and drilled her pussy vigorously through two orgasms. When I pulled out from her, I looked between her legs. Both her holes were drenched. I arranged her on her hands and knees, getting her ready for some serious ass fucking.

“Now that you got me going, your ass is going to get fucked like it has never been fucked before,” I said, kneading her ass.

“Yes, yes,” she hissed, thrusting her ass out. “That’s what it’s for. It’s been waiting for a real man.”

Drooling on her asshole, I rubbed it gently with my cock head. I flicked my cock on her pussy a few times then pressed my cock head into her glistening pucker. She let out a continuous moan as my cock head sank past her sphincter.

“Yes,” she hissed when I started to thrust into her ass, working my cock deeper inside.

“I hope you like sucking cock with your ass as much as you do with your mouth,” I said.

“Maybe I do,” she cooed.

I drooled on the rest of my shaft then drove it all the way in, making her groan. I reached forward and squeezed her tits through her dress as my balls rested against her sticky pussy lips. She milked on my cock voluntarily and involuntarily.

“Are you ready to get fucked up your hot little ass, kid?” I teased.

“Yes, sir,” she answered, pushing her ass back.

Holding her hips, I pulled my cock out, keeping only the head inside. I drooled along the entire exposed shaft then shoved it all the way in, making her grunt. I held her hips tightly and proceeded to fuck her ass in long, smooth strokes. She fucked back, moaning in delight. Her asshole milked on my cock deliciously. Within a few minutes, her asshole was loose enough for some hard pumping. I took her with deep, hard strokes, banging her leaky pussy with my balls. She grunted, bucking her ass back to meet every incoming thrust. I grabbed her tits and squeezed them tightly through her dress while I drilled her ass in extreme vigor. She started to gasp and twitch as her orgasm hit her violently. I continued to pound her convulsing ass until her ecstatic contractions died down. She moaned happily as I stroked my cock slowly within her ass.

She let out a long moan as I pulled out of her ass. I dipped my cock in her sodden pussy before I walked over and pushed it in her face. She opened her mouth and sucked my cock eagerly. I fucked her mouth for several minutes, and then she reluctantly let me take it out.

I sat back on the sofa and pulled her to me. She drooled on my cock before she straddled me, guiding it to her asshole. I held her ass, spreading it open, as she rode me passionately. She bounced her ass on my cock until she came. When she finished twitching and milking my cock desperately, she dismounted me and gulped my cock down her throat.

She deep throat me for a few minutes, soaking my cock in her drool. She turned around and sat on my cock. I pulled her cheeks apart for her as she swallowed my cock up her ass. She put her feet on the edge of the sofa and started to bounce. Holding her ass open, I helped pace her. Later, I reached with one hand between her thighs and with the other to her overdressed tits. I fondled her tits and played with her pussy until she was convulsing in orgasm. I shoved two fingers in her gushing pussy and continued to move her up and down my cock until she went limp.

Holding her tightly, I maneuvered her onto the sofa on her knees without taking my cock out of her ass. She was bending over the back of the sofa. I took a few strokes within her ass then pulled out and walked around the sofa. I pushed my cock in her mouth and she sucked it eagerly. I held her head and fucked her throat for a few minutes, giving her ass time to recover.

Later, I returned to her ass, where I spread her cheeks and drooled on her pried asshole while I took a few strokes within her drenched pussy. I pressed my cock against her asshole and let it slide slowly up her rectum. While I fucked her ass gently, I helped her get out of her dress and flimsy bra. I wetted fingers of both hands in her pussy, making her gasp, then used them to toy with her erect nipples. A few moments later, I gripped her tits tightly and proceeded to fuck her ass forcefully.

When she started to convulse, I let go, holding my swollen cock deep inside her as it pumped her sucking rectum full of come. I pumped her several times, draining my cock within her, then pulled out. She was panting for air when I pushed my sticky cock in her mouth. She sucked it dry and licked it clean. Seeing that, I reached out and dipped two fingers within her come-filled ass. I brought my sticky fingers to her mouth and she sucked them clean, looking at me mischievously.

I sat her back on the sofa and pushed her legs over her head. I scooped a lump of come out of her ass and fed it to her. After she eagerly sucked my fingers clean, I guided her own hand to her asshole. She held my eyes lewdly as she repeatedly scooped come out of her ass and fed it to herself. When she finished, I kissed her asshole deeply.

"Let's go to my room and continue," I directed, grabbing my clothes off the floor.

"All right," she smiled, collecting her clothes.

In my room, I lay on my back and she gulped my cock. She sucked my cock deeply until I pulled her ass over me in the sixty-nine position. She continued to suck on my cock while I ate her pussy then asshole. I fingered her pussy and asshole with one finger each while toying with her clit with my tongue. I moved my finger from her pussy to her asshole as I stepped up my oral attack on her pussy. I pumped my fingers within her ass briskly while lashing her clit with my tongue. She dropped my cock from her mouth and gasped her way to orgasm. Before she regained her breath, she turned around and squatted on my cock.

She slipped my cock into her pussy and I slipped two fingers up her ass. She bounced energetically to a quick orgasm while I fucked her ass with my fingers. I let her suck my fingers as she guided my dripping cock to her ready asshole. I held her tits and thrust into her bouncing ass, working my cock balls deep into her with every stroke. In a few minutes, she was twitching in orgasm.

After she caught her breath, I flipped her onto her back, trapping her legs under my shoulders. I drilled her ass halfway to orgasm then switched to her pussy. She was coming when I started spewing my thick come deep inside her twitching pussy. I continued to pump her pussy until our orgasms died completely. Then I pulled out and used my fingers to feed her a scoop of come out of her pussy. She used her own fingers to eat the rest.

I lay back and she swallowed my soft, sticky cock in her mouth. She sucked it back to life while I fingered her pussy and asshole. My greedy sister continued to suck until she swallowed my last load for the session.

"I thought I would suck you off and that would be it," she said.

"That would have been it, if I hadn't been used to returning the favor," I said.

"I am glad it turned out this way," she said.

"So am I," I said.

That was not our last time together. We started to fuck and suck daily, especially that she dumped her unappreciative boyfriend. She loved getting it up the ass more and more.

A few days later, Alex called me to her room. She introduced me to her friend Lynn. The three of us chatted for a few minutes.

"I have to run," Alex announced. "I'll be back in a couple of hours. You, two, can stay here."

Alex winked at me as she left.

"Is it true that when guys see a girl they undress her with their eyes?" asked Lynn.

That was an unexpected question.

"I guess," I said after some hesitation.

"Did you undress me with your eyes?" she said.

That was a trap.

"Did you feel that I did?" I asked.

"So you don't think I am a sexy girl?" she said.

"Yes, I do," I said.

"So you did?" she asked, parting her knees to show her red panty.

"What do you want me to say?" I said.

"I want you to say the truth," she said as she started to trace up and down her pussy through her panty.

My cock started to grow.

"If you really want me to say the truth, pull your panty aside," I said.

To my amazement, she pulled her feet onto the edge of the bed and pulled her panty aside, exposing her pouting pussy and her ass crack. She looked at me seductively as she moistened a fingertip in her mouth then used it to trace her pussy lips.

"I didn't," I said.

"You are lying," she said, working her finger in and out of her wet pussy, "or you are not a man."

I did not reply. I just watched her finger fuck her pussy. Seeing this, she stood up and took her panties off. She walked over to me and pulled her panties over my head, hanging them around my neck.

"Are you a man?" she teased as she squeezed my bulge through my pants. "I think you are a liar," she breathed an inch away from my face as she unbuckled my belt.

What she was doing was crazy. I sat there as she opened my fly in a flash and popped my hard cock out. She smiled when she saw my cock.

"I knew you were a liar," she breathed as she held my cock.

She suddenly straddled me guiding my cock into her pussy. Before I knew it, my cock was halfway in her pussy and she was pushing her way down.

"I am not a liar, Lynn," I said as I pulled her all the way down my shaft, making her grunt. "I tried to imagine your lips wrapped around my hard cock."

"You bastard," she gasped as she started to bounce on my cock. "If you make me come, I'll let you see my lips wrapped around your hard cock."

"What's your orgasm record that any boyfriend of yours has ever made you come?" I said, pacing her down.

"Two earth-shattering orgasms," she said, trying to bounce faster.

"What would you do for me if I made you come twice as many?" I smirked.

"Anything," she said.

"Anything?" I asked.

"Oh, yes," she confirmed. "You need to make me come first though."

"I want to fuck you like a whore," I said. "Would you be my slut?"

"Yes if you did," she said.

"If you want to come, just come," I said, reaching up her skirt to hold her ass. "I am not holding you back."

I wetted my middle finger in her leaking juices on my cock then popped it up her asshole, making her gasp. She bounced wildly as I pumped my finger in her ass wildly. She came in less than two minutes, gasping for air as both her holes twitched in ecstasy. I bounced her convulsing frame on my cock until she calmed down.

"Do you want to come some more?" I teased, reaming out her asshole with my finger.

"Yes," she hissed.

I flipped her on her back and got rid of my pants. I pushed her knees against her chest and pounded her pussy through four straight orgasms, driving her totally out of breath. I gently pumped my cock within her as I lay on top of her, resting. I pushed one then two fingers up her drenched asshole.

"Do you still want to be my slut?" I asked, twisting my fingers within her ass.

"Yes," she hissed emphatically, squeezing my cock and fingers.

"You have earned your chance," I said. "Now you need to prove you are worthy of becoming my slut."

"Yes," she gasped, both her holes twitching.

"Little whore, do you want me to fuck your horny asshole?" I teased, pumping my fingers within her ass.

"Yes," she smiled.

“You need to suck my cock like a real whore first,” I said. “Only then will I give your hot ass what it needs and make you come several more times. Do you think you can?”

“Yes,” she nodded.

I withdrew all the way out then shoved my cock roughly all the way in, making her grunt loudly, before I pulled out of her, keeping my fingers within her ass. I twisted my fingers several times inside her ass then yanked them out.

“Suck,” I said, pushing my fingers in her mouth.

She turned her face aside.

“Suck like a whore,” I demanded, turning her face back up. “Don’t chicken out.”

She sucked my fingers hesitantly, but I fucked her mouth with them until she started to suck on them eagerly. I removed my sticky fingers from her mouth and pushed them up her ass. I twisted them within her ass then returned them to her mouth. She opened her mouth and sucked them willingly.

“Good girl,” I complimented as I twisted my fingers in her mouth. “Later, you’ll suck my cock after I’ve fucked your ass silly.”

I sat her up and shoved my cock in her face. She opened her mouth then closed it over my cock head.

“That’s it, baby,” I encouraged. “Suck it, my little whore.”

She held the base of my cock in her hand and started to stroke it while sucking on its end.

“No hands, Lynn,” I admonished. “You can only grab my ass with your hands. Remember you are trying to prove yourself worthy as a whore not a kid. Suck it deeply.”

Lynn complied obediently. She worked her lips back and forth over my hard shaft. I thrust gently into her. Soon, I held her head in my hands and guided it back and forth.

“Can you deep throat?” I asked as I continued to fuck her head over my cock.

“Um-mum,” she moaned over my cock.

Taking that in account, I worked her head over my cock deeper and deeper with every stroke until she was taking my entire shaft in her mouth. I let her deep throat me like that for a couple of minutes. She was too good for her age, but not as good as Alex. When I felt she was comfortable enough with taking my cock down her throat, I held her head in the air and started to fuck her throat, gently at first. I occasionally took my cock out and spitted in her mouth before shoving my cock back in. Later, I started to slap her face with my sticky cock. I also spitted on her face and rubbed my spit in with my cock. She held up very well through that sexual abuse. I finally took my cock out and kissed her deeply.

“Lynn, you are good,” I said, breaking the kiss. “Get on your hands and knees and resume sucking my cock on your own.”

She got on her hands and knees and swallowed my cock.

“Drool in my hand,” I said, yanking my cock out of her mouth.

She drooled in my hand then I shoved my cock back in her mouth. I hiked her skirt with my free hand and slapped her spit on her asshole. While fucking her throat, I teased her asshole with my fingertips. I worked a fingertip in and reamed out her asshole with in for a minute. Then I pushed the rest of my finger in and fucked her with it. Soon, I was working two fingers in and out of her ass.

“I am getting your tight asshole ready for my cock,” I said.

Her asshole contracted around my fingers. I swirled and twisted my fingers within her ass for a little while. Then I pushed another finger in her wet pussy. I finger fucked her with two fingers in her ass and one in her pussy until my other finger was slick enough, then I squeezed it into her asshole. She moaned around my cock as I twisted and pumped my fingers in her ass. In a few minutes, I yanked my cock and fingers out of her and let her suck my fingers.

“Turn around, but stay in this same position,” I directed.

She complied. I drooled on her asshole while jerking my cock head up and down her wet pussy lips. She moaned and thrust her ass back. I guided my cock head to her asshole.

“Push your ass back and swallow my cock,” I said, pressing my cock head on her asshole gently but firmly.

“Isn’t it too big for my asshole?” she asked somewhat nervously.

“You can do it,” I encouraged. “Do I need to remind you of what we are trying to do here?”

She pushed back gently, increasing the pressure slowly. Her asshole dilated slowly and accepted my cock head little by little. Shortly my cock head popped in, making her grunt softly.

"I told you that you could do it," I said. "Milk on my cock for a few moments to get used to it. When you feel comfortable, slowly fuck your way back."

While she experimented with milking my cock, I cupped her tits and pulled her up. I pulled her sweater over her head and put it aside then unsnapped her bra. She let it fall off her arms then tossed it away. I held her hips and rocked her gently for a few seconds. Holding her tits, I let her bend over onto her hands again. Now she was only wearing her skirt around her waist. She gasped when I tickled her erect nipples. I moved my hands to her penetrated ass and kneaded her cheeks.

She humped her ass back gently. I drooled on my cock and used my left hand to spread my drool over my shaft while pulling her right cheek out with my right hand. I drooled on her asshole then used both hands to spread her ass. I pulled her cheeks wider apart when she pushed back, letting them pull a little together when she pulled forth. My cock advanced slowly but constantly into her tight hole, making her let out soft grunts.

"You are stuffing me," she said, pushing her ass back harder.

"I love it," I said, meeting her thrusts. "Don't you?"

"Uh-huh," she grunted.

Holding her hips, I shoved the rest of my shaft up her ass, making her scream. My cock faced more resistance as it totally skewered her ass. I held my cock deep inside her and squeezed her tits.

"Now fuck your ass," I said, pinching her nipples.

She rocked her ass back and forth and I fucked back, watching my cock stretch her asshole tightly. I occasionally drooled on her asshole and my cock. I spread her ass with both hands to enjoy the view better. Within a few minutes, she was working her ass over my cock at a decent pace. I fucked back, letting my balls slap her leaky pussy time and again. She humped back eagerly; enjoying the deep fucking her ass was receiving. I enjoyed her tightness and her involuntary anal contractions. Holding her hips, I helped her maintain her rhythm.

Several minutes later, she started to moan and gasp, bucking her ass unsteadily. I let her have her fun and had mine until her orgasm hit. Then I gripped her hips tightly and drilled her convulsing ass vigorously, making her orgasm multiply. When her violent orgasm died, she stopped moving. I guided her hips over my cock in a slow rhythm.

"That was wild," she gasped.

"Yes," I said, holding my cock balls deep inside her. "Now suck me."

She plopped her ass off my cock and turned around. She took my cock in her mouth and sucked it slavishly, taking it all the way down her throat.

"Good girl," I said, ruffling her hair.

I let her suck me for a couple of minutes then I pulled her head up and pecked her on the lips. I led her off the bed and stood her against the wall. I bent her forward; laying her face against the wall then got rid of her skirt. Kneeling on the floor, I guided her hands to her ass. She spread her ass for me. I rimmed her asshole while fucking her wet pussy with two fingers. She moaned, rolling her hips back and forth. I parted her ass with a kiss and worked my two dripping fingers into her asshole. I twisted and wiggled my fingers within her ass then yanked them out and brought them to her mouth.

She sucked my fingers while I dipped my cock in her juicy pussy. I elicited a little gasp from her as I popped my cock head in her ass. I held her hips and started working her ass back and forth over my cock. I fucked her ass deeply as she held her ass open for me. I jerked her ass over my cock like she was a doll, but she gasped and moaned and her asshole throbbed. I fucked her ass to my own rhythm that kept changing abruptly until she was near orgasm. I shook her ass vigorously over my happy cock through her orgasm. I fucked her gently until she recovered.

No sooner had I nudged her shoulders than she was on her knees, sucking my cock in huger. I held her head and fucked her mouth like I had just done her ass. I slapped her face with my cock just before pulling her up. I bent her over the bed and shoved my cock up her ass. I reached between her legs and diddled her clit as I spewed my come deep inside her ass. She came, draining my balls with her twitching rectum.

I guided her onto her hands and knees on the bed before slowly taking my spent cock out of her ass. I suddenly dipped two fingers in her drenched pussy, making her asshole clench, then I used my fingers to scoop a lump of come out of her ass.

She was surprised when I brought my come-coated fingers to her mouth, but it did not take her long to figure out what she was supposed to do. I just nodded when she opened her mouth. She sucked my fingers tentatively, but sucked them clean.

“Eat the rest,” I smiled.

While she used her fingers to eat my come out of her ass, I knelt behind her and ate her wet pussy. Next, I lay back and watched her as she worked hard to bring my cock up in record time. The little whore voluntarily slapped and rubbed my sticky cock over her face. She smiled wickedly and pulled away, leaving my cock stand up in full glory.

She got on her knees on the floor and bent over, resting her upper body on the bed. She pulled her cheeks apart and smiled lewdly. I crouched behind her and drooled on her offered asshole. I touched my cock head to her asshole then sank my entire shaft in her ass in one smooth push. She moaned and squeezed my cock deliberately. I fucked her ass, frequently yanking my cock completely out then forcefully shoving it back in. I spit on her asshole often, watching it open up and gape little by little. I continued to work on her ass until I made it gape well over an inch in diameter. It was soaking in spit by then.

I pushed my cock in her ass and drilled her through a violent orgasm. I fucked her gently while she recovered. Her lips were wrapped around the base of my cock within a split second of my pulling out. I held her head gently in my right hand and let her fuck her throat with my cock for a few minutes. Finally, I gently pushed her away and laid her prone on the bed.

She reached back and fingered her ass with two then three fingers then sucked her fingers, holding my eyes. I lay on top of her and sank my cock in her ready asshole. I fucked her gently but deeply. She moaned softly, milking on my cock. I held her tits and kneaded them gently. The door opened suddenly and Alex was in the room.

“Oh, are you still at it?” Alex exclaimed. “I’ll come back later.”

“Wait,” I called. “We are almost done.”

I stroked my cock within Lynn’s ass a few times while Alex looked out of the window. I pulled out and rolled Lynn over. I sank my cock in her willing mouth and fucked it for about a minute. I pulled out and let my twitching cock, spew come all over her face and into her open mouth. She used her fingers to wipe the come off her face and eat it and then she happily sucked my cock clean.

Lynn put her clothes back on, and I pulled my pants on and left, leaving the two friends together.

Not having received her share of cock for the day, Alex rushed to me as soon as her friend left. She went straight for my cock. Before I could say anything, she had her fine lips wrapped around my hardening cock.

“So, did your friend have a good time with me?” I said, playing with her hair.

“Um-mum,” she mumbled before taking her lips off my cock. “She had a wonderful time. She’d let her boyfriend go if she could stay with you.”

“I want her to stay with me, but I don’t want that to happen,” I said. “If he agreed that she could fuck me at any time just for fun and lust, I wouldn’t mind if he kept seeing her and fucked her every once in a while. Tell her that.”

“I will,” Alex said, raising her eyebrows.

She spent the night with me to midnight, getting her three holes well serviced.

Two days later, it was Saturday again. In the morning, Alex came over to my room.

“I have some good news for you,” she said, stroking my cock through my pants.

“I am listening,” I said as she fished out my uncoiling cock.

“Lynn’s boyfriend agreed to her conditions—to become a cuckold,” she said, stroking my cock near her face. “She’s coming over this afternoon to see you before going on a date with him.”

“Very good,” I said. “I’ll be glad to get her ready for him.”

Alex had already got her mouth full with my cock, so she did not bother with commenting.

“You deserve an ass fucking for forwarding this great news to me,” I said, ruffling her hair.

She took her time sucking my cock and I took mine fucking her ass after giving her pussy a little taste. At the end, she walked out of my room with an ass full of come. Being the horny slut she was, she came again for dessert after we had brunch. This time, she swallowed my come right from the source.

A couple of hours later, Lynn arrived. I ushered her directly to my room.

"I am very pleased with you," I said, taking her in my arms. "I heard the good news."

"Thank you," she said.

"By now, you should know how to thank me," I said as I felt up her ass and ground my crotch into hers.

She smiled as got down on her knees. She stroked my cock to hardness and then fished it out.

"Wait!" I called. "By sucking my cock, you agree to be my complete slut. That means I can fuck you any way I want whenever and wherever I want and no one else can fuck or finger fuck your ass. However, you are encouraged to let your boyfriend rim you, especially after I have fucked your ass open or full of come."

"Okay," she smiled. "Can I suck now?"

My answer was to shove my cock in her face. She opened her mouth and took it in. I proceeded to take her holes, one after another, spending most of my time in her hot ass. Her asshole had been loosened up well before I came in her pussy. We took a little break for her eat the come out of her pussy then suck my cock to hardness. I drilled her some more then came in her ass. She did a good job at eating the come out. I rimmed her ass and tongue fucked it for a while. There was hardly any taste of my come there. A while later, I came right in her mouth. She swallowed it all and sucked for more.

"So, you have a date tonight?" I said.

"Yes, at six thirty," she said.

"So we only have half an hour," I said. "Let's get you ready for it."

We did not have much time. She took a couple of minutes to revive my cock orally. Then I took a few more minutes to pound her horny ass to a quick orgasm. As she convulsed in orgasm, I spewed a load of come deep inside her sucking rectum.

"I want you to go out with your boyfriend with my come in your ass," I said, as she cleaned my cock with her mouth. "If you tell him about it, I'll reward you."

"Okay," she smiled wickedly.

"Have fun," I said.

While Lynn was on her date, Alex was in my room, getting her daily workout.

On Sunday morning, while my parents were at church, my cock was in Alex's mouth while Lynn talked with me on the phone, relating her date of the previous night. Not only did the shameless slut tell her boyfriend that her ass was full of another guy's come, but she also made him lick her asshole while going down on her. She had the poor guy rub her clit and tongue fuck her ass until she came. She had him clean her drenched pussy with his tongue and then she jacked him off, letting him come in her open mouth. That did it for him for the night. She deserved a suitable reward.

By the time Lynn and I hung up, Alex and I were ready for some serious fucking. That took us to when mom called for us to eat. Our morning session was not enough for both of us, so we had another session in the afternoon.

Late on Monday afternoon, Lynn came over for cock. I had already bought her a present.

As usual, Lynn and I fucked like there was no tomorrow. At the end, she was on her knees, holding her come filled ass open with both hands. I drooled inside her gaping asshole and stealthily pulled out the butt plug I had lubed for her.

"What is this?" she gasped when I popped the butt plug up her ass.

"This is my little reward for you," I said. "You should always wear it half an hour before you see me and wear it for half an hour after I have fucked your ass open. Although you are not my girlfriend, I would like to go out with you every once in a while. You should also wear this gift on those occasions because when I am with you I want to feel that you are my slut and so should you. Is that understood?"

"Yes," she said.

"By the way, I don't want you to wear panties anymore unless I tell you otherwise," I stated

"Okay," she agreed.

That's how she left, wearing the butt plug instead of her panties, which I kept.

On Tuesday night, Lynn called me. She invited me to visit her at home on the following afternoon.

"I want you to fuck me in my own bed," she said. "Besides, it's a chance for mom to see you."

"I'd like that," I said. "I'd like to see the beautiful woman who gave birth to such a hot slut."

"She also wants to see the bastard who swept her daughter off her feet," she giggled.

"Is she as beautiful as you are?" I asked.

"I want you to be the judge," she said. "I'll only tell you that she's a lot of fun to be with."

"Well, I'll see you both tomorrow," I said.

On the next afternoon, I was knocking on the door.

"I was working out," apologized the woman I expected to be Lynn's mom as she opened the door, panting. "You must be Nick."

The woman looked familiar. I knew her. She was a friend of mom's, but I had not known she was Lynn's mother. She was beautiful all right, but I had never seen her dressed like that.

"You are in a great shape, Doris," I complimented.

"Thanks," she said, blushing slightly. "I work so hard for it."

"It's worth every bit of effort you put into it," I said. "Your body is marvelous."

"Thanks," she said as she led me in.

Her outfit was a black halter-top and a matching formfitting pair of short shorts. When I followed her in, I saw that her shorts were so short they left half her ass cheeks hanging out. Her top was not really the sports type. It was thin and stretchy and it exposed the tops of her ripe white tits. It also outlined her nipples. Her flat tummy was bare. Her thin shorts were tightly molded to what was not bare of her ass. Her outfit hardly left anything to the imagination. My cock started to grow before I had sat down.

"Lynn should arrive shortly," Doris said as she sat next to me. "Can I get you a drink?"

"No, thanks," I said.

"I am going to get you something anyway," she said, getting up. "What is it going to be?"

"Orange juice," I said. "Thanks."

She sauntered sexily to the kitchen, letting her ass, and therefore my cock, twitch and flex. When she came back, her tits jiggled down the way. Then she had to bend down to show me how deep her cleavage was. I had never thought she was that type.

In the course of our idle chat, Doris found ways and reasons to bend over several times to show me her full tits, tight ass and the wet spot spreading between her legs. Her sex show obviously drew a lot of my attention and increased the size of my bulge. She had to be blind not to notice the state of extreme arousal she had put me in. She was not blind!

She looked in my eyes seductively as she grazed her fingertips over my bulge, making me gasp.

"You seem to really like my body," she teased.

"Do I have to apologize for that?" I smiled impishly.

"No," she smiled. "On the contrary, you have to get rewarded for it."

"That's so kind of you," I said as she started to brush her fingers up and down my crotch. "Wouldn't Lynn catch us if I did?"

"Don't worry about her," she said. "She won't be back in a couple of hours."

"You are so wicked, Doris," I said.

"Am I the only one?" she teased as she popped my hard cock out.

I moaned as she stroked my cock.

"You have a gorgeous cock," she said, stroking my shaft. "I'll enjoy taking care of it...until Lynn returns. It's a shame to leave it waiting in need, isn't it?"

She stroked my cock for a few seconds then lowered her mouth to it. She tongued my cock head, drooling over it. She closed her mouth over my cock head and started moving her lips up and down the shaft as she toyed with my balls. Needless to say, she was more expert than my sister Alex.

"You may touch me or do anything you want to me," she said, looking up at me. "I'd enjoy it."

I reached out and fondled her ass through her thin shorts. She did not have any panties underneath. While sucking my cock, she climbed onto the sofa, making her ass more accessible to me. I kneaded her ass cheeks for a

minute or two, then proceeded to tickle her asshole, making her gasp. Without dropping my cock, she reached back and lowered her shorts, exposing her ass and pussy.

She moaned around my cock as I traced her crack from her clit to her asshole back and forth. Then I started to finger her wet pussy. Soon, my finger was soaked. I used my dripping finger to tease then probe her asshole. I dipped my finger in her pussy once more before worming it into her ass. I gently swirled my finger within her asshole then started to pump it in and out. She sucked my cock harder, moaning around it and humping my finger. Seeing her favorable reaction, I slid another finger into her pussy and proceeded to finger fuck both her holes. Soon, I squeezed my new finger into her ass. I finger fucked both her holes with two fingers each.

She got my cock so hard and slick. Moaning, she withdrew her head and turned around, getting on her hands and knees, her ass facing me in a silent but clear invitation. I wetted two fingers in my mouth then pushed one then both into her ass.

“You have a pretty ass,” I said, pumping and twisting my fingers within her asshole. “Do you want me to ream it out for you?”

“Oh, yes,” she moaned.

“I will, after I do your pussy,” I said, bringing my fingers to her mouth.

Doris sucked my fingers, moaning around them, as I slid my cock in her pussy. I wanted to take a few strokes in her pussy, but she came on my cock in less than a minute. Her pussy milked thirstily on my cock and bathed it in copious juices. I spread her ass and drooled on her asshole as I withdrew my dripping cock from her drenched pussy.

“Your beautiful ass is going to get its turn,” I said, pressing my cock head against her asshole.

She moaned lowly as her puckered hole opened up slowly but eagerly and swallowed my cock head. I held her hips and pushed my shaft the rest of the way in, finally pressing my balls against her sticky pussy lips. Her asshole milked on my cock lustily. I pulled my cock but the head out and drooled on the shaft. Holding her hips, I thrust gently within her ass for a minute just to loosen her up a little. Her asshole sucked on my cock eagerly.

Holding my cock balls deep up her ass, I leant forward and slid my hands under her top. I squeezed her bare tits, making her asshole twitch around my cock. I teased her erect nipples then withdrew my hands from her top. She moaned as I pulled my cock out of her ass, leaving it with a little plop.

Reaching forward, I nudged her shoulders down and guided her hands to her ass. As she pulled her cheeks apart, exposing her pussy and asshole shamelessly, I pushed two fingers into her sodden pussy. I swirled my fingers within her pussy, soaking them in her juices then brought them to her mouth. As she sucked my fingers lewdly, I bent down and dived between her cheeks.

For a little while, she sucked my fingers while sucking the tip of my tongue with her asshole. I continued to work my fingers within her mouth as her pussy and I sucked on each other. I probed her pussy and sucked her copious juices, letting her pussy dress itself in a fresh sheen of juices. I let my tongue delve in her ass for a long while. Her asshole nibbled on my tongue as I constantly let my drool seep inside her eager hole. I fucked her pussy with two fingers while fucking her ass with my tongue. Then I lashed her clit with my tongue while fucking her asshole with two fingers until she came, her asshole sucking on my fingers while her pussy gushed onto my tongue.

“Why don’t we go upstairs where it’s more comfortable,” she panted.

“You lead and I follow,” I said, hooking two fingers inside her ass.

She looked at me, waiting for my to withdraw my fingers, but I did not. She finally shrugged and got up. She kicked her shorts off and got going. I followed her up the stairs while her asshole chewed on my fingers.

“It feels wild,” she said as we climbed the stairs. “I’ve never walked with anything up my ass.”

“From now on, you will, I hope,” I said, jerking my fingers within her ass.

“I guess, there is a first time for everything,” she giggled.

“Speaking of that, have you ever got fucked on the stairs?” I asked.

“No, not yet,” she said.

“Why don’t you kneel down and let us correct that?” I said.

She smiled and got down on her knees. I drooled on my fingers and pumped them vigorously in her asshole. I held my fingers within her ass and thrust within her pussy for half a minutes, getting my cock soaked in her juices. I pulled her ass cheek out with my free hand and drooled right inside her rectum. While she sucked my fingers, I slowly stuffed her ass with my cock. She helped by pulling one ass cheek out.

Grabbing the rail with one hand and bracing the other on the stairs, I started to pump her eager ass. She braced herself with one hand and continued to use the other to spread her ass open for me. Her ass received a solid drilling for a few minutes, ending with a noisy orgasm. When her asshole stopped sucking on my cock, I yanked my cock out and helped her turn around. Straddling her, I shoved my cock in her face. With my left hand behind her head, I fucked her throat for a couple of minutes.

She reluctantly let me take my cock out of her mouth. I had her face downstairs and bend over, holding to the rail with one hand. I popped my right thumb in her ass and proceeded to give her pussy a quick pounding. After her pussy bathed my cock in orgasmic juices, I put my cock in her ass. We turned around and I let her crawl up the stairs beneath me and continue to her bedroom. We climbed onto the bed without ever taking my cock from her ass. I fucked her ass to a new orgasm, making her collapse flat on the bed. In that position, I slowly fucked her ass for over half an hour. When her orgasm neared, I picked up the pace and pounded her twitching ass. That was when I let go and pumped a huge come load deep inside her sucking rectum. I pumped her squishy ass gently until my cock softened.

She was still lying prone when I dangled my sticky cock before her face. She cleaned it thoroughly with her tongue. I lay next to her and started to scoop my come out of her ass and feed it to her with two fingers.

"You are such a bad boy," she smiled as I presented her with the first come lump.

"I am just helping you realize the slut in you," I said, smiling wickedly.

"You are so bad you are so good," she smiled.

She licked my fingers lewdly and eagerly went through the entire load. She was so sexy by the time she finished my cock was hard again.

"You are a great slut," I complimented and kissed her on the mouth. "You deserve more."

She took her top off and rolled onto her back. I straddled her chest and fucked her mouth for a few minutes then pushed her legs over her head. Under a heavy cover of drool, my cock sliced through her willing ass. I fucked her ass until she came. Then I shoved my cock in her drenched pussy and resumed fucking. I switched my cock between her pussy and asshole several times before pounding her pussy to orgasm. I continued to drill her contracting pussy until I filled it with a new load of my come. I shoved my still hard cock up her ass. She milked on it until it went totally soft.

While holding her legs up by her ankles, I crawled around her and let her suck my cock clean. I pulled her legs, raising her ass off the mattress until her feet touched the bed. In that position, I scooped some come out of her pussy and worked it into her ass. Then I proceeded to feed her the come out of her pussy and ass.

Pushing her legs down, I knelt astride her in the sixty-nine position. While she sucked my cock to a new erection, I licked her pussy and fingered her pussy and asshole, switching my fingers between both.

For our following round, I lay back and she got on top of me. She rode me, switching my cock between her pussy and ass any way she wanted. She fucked me in the reverse horseback then the horseback positions, letting me fondle and suck her full tits. At the end, she sucked her last helping of my come for the day right from the source. We kissed lewdly before we both showered and got ready for Lynn.

"Now I have some real stories to tell," she said.

I looked at her quizzically.

"Don't worry about it," she said. "I won't say your name."

I did not understand what she was talking about; I just shrugged.

Lynn and I retreated to her room and attacked each other like neither of us had sex in years. We tore each other's clothes off. She knelt down and sucked my cock. My faithful slut had the butt plug up her ass. I removed it and pushed it in her mouth. While she sucked on the plug like a pacifier, I spread her ass with both hands. Her asshole gaped. I spitted in it and worked one then two fingers in. I stretched her asshole with both fingers and spitted in the tunnel between. She moaned around the plug as I sank my cock in her ready asshole. I fucked her ass to orgasm then laid her on her back. She pulled her legs back, getting ready to receive my cock. I fucked her pussy to orgasm then sank my cock in her ass.

"Did you fuck mom?" she asked suddenly as my cock hit bottom in her ass. My cock twitched. "She looked like the cat that ate the canary."

"Why don't you ask her?" I said.

"I am glad you did," she did. "The poor woman doesn't get enough cock from dad."

I fucked her ass silently.

"I hope you'll do that often," she said then smiled mischievously. "She's a hot babe."

"I know," I said. "Like mother like daughter."

"You are absolutely right," she smiled.

Needless to say, Lynn got her three loads, one in each hole. Unlike her mom, she did not need any help eating the come out of her pussy and ass.

When I went home, Alex was waiting for me. It took her longer than usual to make my cock hard, but she loved the fact that she could suck it for over an hour. Naturally, after such a sucking, I laid her back and took good care of her other holes. Besides sucking my cock several times during the session, at the end, she sucked it for several minutes and gulped my last load for the day down her eager throat.

Two days later, late in the evening, Alex and I were in the middle of a hot session in her room. She was on her back, her legs pulled way back. I was drilling her twitching ass vigorously when I glimpsed mom looking through the door. I tried to pull out, but Alex was going into orgasm. She held me desperately. Every time I tried to pull out, she would pull me deeper into her ass until her orgasm died. Mom had gone before I could dismount Alex.

I returned to my room without telling Alex about what had just happened. I showered and got dressed then went to look for mom. I did not find her throughout the house. I finally went to the master bedroom. The door was closed. I knocked but did not get an answer. I tried the door and it opened. Mom was apparently asleep. I had to wait to the morning.

That night, I did not get any decent sleep and waked up early. However, I had to wait until dad and Alex had left because I could not catch mom alone. I finally did. I was relieved that dad acted normally, but I had to convince mom not to reconsider and tell him.

"Mom, I am sorry about what happened last night," I apologized.

"Don't be," she said. "You are both adults and you know what you are doing. You have a nice cock and your sister has a nice body. Enjoy yourselves, but do me a favor: don't get caught."

"Thanks, mom," I said. "You have a great body yourself. If it wasn't for dad, I'd jump your bones."

"Forget about your dad," she said. "I'd really love it if you used that beautiful cock of yours on me."

"Are you sure?" I said in excitement. "That would be a dream come true."

"I dreamed about it all night," she said.

"Are you serious?" I asked.

"Of course, I am," she said.

"Show me how serious you are," I said, guiding her hand to my crotch, where my cock was getting hard.

"I am very serious," she said, squeezing the outline of my cock.

She popped my hard cock out and lowered her head to it. She toyed with the tip with her tongue then closed her lips around my cock and sucked it in. While she sucked on my cock, she rid me of my pants and briefs.

"You have a very tasty cock," she smiled at me.

"You have a very talented mouth," I smiled back.

She was soon deep throating my thickest and hardest boner ever. I toyed with her hair and stroked her back. A few minutes later, I gently pulled her head off my cock and kissed her on the mouth. I got up and stood before her. I held her head with one hand as I guided my cock into her mouth with the other. She quickly started to deep throat me. I held her head in both hands and started to fuck her throat at a brisk pace. Not only did she take it comfortably, but she also held me by my hips and pulled me in deeper.

"Why don't you sit back, relax and enjoy as I take care of your beautiful cock for you?" she finally offered.

I sat back obediently on the sofa and let her at my cock. She knelt between my knees and started to tease my balls with her tongue tip. She even reached out with her tongue and licked my asshole, making me shiver. Her tongue teased its way up to the tip then back down. She kissed and licked every square millimeter of my balls and shaft then thoroughly swabbed the head with her tongue. She finally took my cock head in her mouth and started to suck on it slowly but skillfully. In a few minutes, she was again deep throating my cock in extreme eagerness.

"Your turn," I finally said, pulled her gently off my cock.

Her face was flushed as she sat back of the sofa. I parted her legs and massaged her pussy through her wet panty crotch. She moaned and gasped, humping my hand. I dived between her legs and started to kiss and suck her pussy through her panties. While munching on her pussy through her panties, I reached for her waistband and pulled it down. I broke my kiss with her pussy and took her panties off, exposing her hairless pussy.

Admiring her pussy, I pushed her knees far enough to expose her shy pink asshole.

"You are so beautiful, mom," I said as I continued to admire her pussy and asshole. "You have a gorgeous pussy, a tight ass and an edible asshole."

She just moaned.

"I am going to fuck you in every hole in your body," I said, my cock twitching.

"Yes, baby," she moaned.

"I am going to pump you full of thick come," I breathed.

"Yes, yes," she gasped.

"Do you want to drink my come?" I said.

"Yes," she whispered.

"First, I am going to eat you raw," I said, lowering my mouth to her waiting crotch.

I licked all over her pussy then started to probe between her lips and roll her clit. She moaned and humped my tongue. I licked and nibbled her pussy for a few minutes then went to her clit. I rubbed her lips with my fingers as I lashed her erect clit with my tongue, making her squirm and pull my head into her crotch. I pushed two fingers in her pussy and twisted them continuously as I tongued her clit. She squeezed my head between her thighs and gushed around my fingers as she convulsed in orgasm. I pressed my tongue against her twitching clit until her orgasm died down. I pulled my dripping fingers from her pussy and brought them to her mouth. She sucked them lazily as my tongue resumed toying with her clit.

Returning my fingers to her drenched pussy, I started to tongue her clit more energetically. I withdrew one slick finger from her pussy and slowly pushed it into her asshole, making her gasp. While sucking on her clit, I finger fucked both her holes. Soon, I was giving both holes a brisk finger fucking. She gasped and grunted, humping my fingers and milking on them. My middle finger worked her leaking juices into her needy asshole. This time, it took her less time to shake in orgasm with both holes twitching and sucking on my fingers. She was too eager to suck my fingers when I pulled them from her holes.

Grabbing the backs of her thighs, I lapped up her copious juices off her pussy then sucked her pussy for more. Next, I licked her asshole, enjoying its taste dressed in pussy juices. Her asshole opened up and started to suck on my tongue. I was soon tongue fucking her eager asshole and working my drool deep inside. Her fresh juices started to leak down to where my tongue worked her asshole.

My tongue left her asshole drowned in spit. I pushed my index and middle fingers into her pussy as I gently pushed my ring and little fingers into her ass. I watched her face contort in lust as I finger fucked her with two fingers in either hole. She humped my fingers urgently, rolling her head from side to side. She groaned as her holes desperately milked on my fingers in ecstasy. I let her suck my fingers, first the ones that had been in her pussy then the ones that had been in her ass then all together.

I got up and pulled her upright, guiding her head to my partly hard cock. She opened her mouth and sucked my cock in. While she sucked on my cock, I unzipped her dress and pushed it down to her waist then got rid of her bra, freeing her lush tits. I bent over and fondled her tits. She broke her contact with my cock and drooled between her tits. She squeezed them around my cock and I started to fuck them. She drooled some more in her cleavage and allowed my cock head to slide into her mouth every time it emerged at the top. Holding her head, I started to switch my cock between her tits and her mouth. Finally, we were both ready for some fucking.

Holding her legs by the knees, I sank my cock into her drenched pussy, making both of us moan. I leant forward, pushing her legs all the way back and started to thrust into her. Her pussy gripped tightly at my cock as I drilled her deeply, allowing my balls to slap her asshole with every thrust. My thrusts got shorter and faster as I drove her fast to orgasm. She soon was gasping and twitching in orgasm, her pussy bathing my cock and her asshole in juices. I continued to stroke within her until her orgasm died. Then I pulled my cock and climbed onto the sofa. I shoved my dripping cock in her face. She opened wide and sucked it in. I fucked her mouth for a minute then dismounted her.

"Why don't we go upstairs, where it's more comfortable?" she suggested.

"Let's go," I said.

We collected our clothes and ran up the stairs, her twitching ass leading me. I threw my clothes in my room before I joined her in the master bedroom. She had already lost her dress and was playing with herself when I joined her. I slapped her hand playfully then sank my cock in her heated pussy. Holding her legs over her head, I drilled her eager pussy through three orgasms, allowing her a few seconds to rest after each.

By that time, her asshole was drenched. I guided my cock head to her glistening pucker.

“Do you want my cock in your ass?” I teased as I pushed in, gently but firmly.

“Yes,” she gasped as her asshole dilated to take my cock in.

She grunted softly as my cock head popped in her ass. I waited a little then I started to thrust gently, sinking my shaft in her tightest orifice. A minute later, we were kissing as my cock basked in the depths of her hot rectum. She milked on my shaft as I sucked on her tongue. As soon as we broke the kiss, I started to thrust in her ass.

“Do you want me to fuck your ass like a whore?” I teased.

“Yes,” she gasped.

“So, you want to be my whore?” I said.

“Yes,” she hissed.

“Then be prepared to get fucked silly,” I breathed as I stepped up the pace. “Now, I know where Alex got her decadent genes.”

“The same source you got yours,” she smiled.

“Now I am fucking the original,” I panted.

“I am glad I finally found someone as horny as I am,” she gasped.

“So am I,” I panted. “I am so glad I am going to fuck you senseless.”

She grunted with every thrust as I drilled her ass vigorously. A few minutes later, she was coming, convulsing under me and pulling me into her just like Alex had done last night when mom caught us. I took her ass with longer and slower strokes until she recovered from her powerful orgasm.

I slowly pulled from her ass and pushed my cock into her drenched pussy. I gave her a few strokes then brought my cock to her face. She sucked my cock deeply, enjoying its dressing of anal and pussy flavors. I thrust into her, driving my cock all the way down her throat. I returned my cock to her ass and fucked her slowly for a few minutes. Then I brought my cock again to her mouth. She eagerly sucked her anal flavors off.

After a nice suck, my cock returned to her ass. I drilled her to a quick orgasm, making her shake with every thrust before she started to shake in orgasm, but I was not far behind. I plopped my cock out of her ass then shoved it in her wet pussy. There my cock started to twitch, spewing come inside her, igniting a new orgasm of hers. Her pussy milked my cock dry. I continued to thrust within her until my cock went totally limp. I pulled out and pushed two fingers into her come-filled pussy. I twisted my fingers within her pussy then brought them coated with come to her mouth. She smiled mischievously then opened her mouth. She sucked the come off my fingers in eagerness that let me know she would eat it all. I scooped my come out of her pussy scoop by scoop and fed it to her until her pussy went dry. Then it was time she cleaned my cock and sucked it to a new erection.

She was still on her back when she sucked new life into my cock. I pushed her legs over her head and fucked her pussy to orgasm. Before she took her breath, I lowered my cock to her ass and fucked her vigorously to a new orgasm. I stroked within her ass until she had recovered. Next, I fucked her eager throat for a few minutes.

It was time we changed positions. I arranged her on her hands and knees and ate her pussy and ass, cleaning them and furnishing her asshole with fresh spit. Kneeling behind her, I went straight to her ass. My cock sank slowly but smoothly in her ass until my balls pressed softly against her dewy pussy lips. I brushed her clit, making her gasp and spasm around my cock. I proceeded to fuck her in a nice, easy rhythm to enjoy her for a long period of time. She thrust back, milking on my cock.

“Are you happy, mom?” I asked, leaning over her.

“I am dripping with happiness,” she said. “Feel my pussy.”

I brushed her pussy with my fingers. She was drenched. She gasped and started to convulse in orgasm, her asshole gripping at my pumping shaft.

“Can you see how happy I am?” she asked when she took her breath.

“I can see and feel,” I said. “I am going to keep fucking your delightful ass until it gapes in happiness and satiation. Would you like that?”

"I'd love it," she gasped, her asshole squeezing my cock.

"You need to make my cock very slick for that," I said as I got up and crouched over her, bringing my cock next to her mouth.

She turned back and sucked my cock into her mouth. As she sucked on my cock, I adjusted my stance, kneeling next to her. I held the back of her head and started to thrust in her mouth. Before long, she was on her back and I was astride her, fucking her throat briskly. She sucked hard, pulling me deeper into her mouth. She rolled me onto my back and continued to deep throat me, bathing my cock in her drool. She finally dropped my glistening cock and drooled in her hand.

"I think you are ready," she moaned as she reached back and, worked her drool in her asshole. "And so am I."

I nudged her shoulders down. She lowered her head and shoulders to the mattress and spread her ass open with both hands. I spitted on her wet asshole for extra lubrication and shoved my cock in, making her groan. I braced my hands on the bed and proceeded to drill her ass vigorously, hammering her sticky pussy with my balls.

She did not last long through this merciless attack against her ass. In a few minutes, she was gasping and convulsing in orgasm as I continued to pound her twitching asshole. Despite her powerful orgasm, she used every bit of energy in her to hold her ass open to my hard thrusts. When her orgasm died, she collapsed flat on her tummy. I followed her, keeping my cock deeply planted in her guts.

Her pretty face had a sheen of sweat. I fucked her ass gently as I showered her face with kisses. When she regained her breath, I raised her hips and guided her hands to her ass. She spread her cheeks willingly and enjoyed my long, smooth strokes for a few minutes. When she got really into it, I removed my cock from her ass and drooled into the slightly open asshole. I worked my spit inside with one then two fingers. I added more spit and squeezed a third finger in. From then on, I alternated between my fingers and my cock on her ass, adding spit continuously.

After several minutes of using my cock and fingers on her ass, I had her open her asshole with her own hands, hooking two fingers on either side. I drooled into the opening and using two fingers to work my spit inside. I hooked my index fingers inside her asshole: one at the top and one at the bottom, and pulled apart, opening her sphincter wider. I removed my fingers and hers from her ass and sank my cock all the way in. I worked the base of my cock in and out of her ass for a few minutes. When I removed my cock, her asshole gaped of its own accord. I started to tease it, shoving my cock all the way in then yanking it all the way out, making her grunt with every inward thrust and gasp with every outward thrust. I occasionally drooled in her open rectum. I had her test her gapes with her fingers.

Having achieved what we both had wanted, I started to pump her asshole in rhythmic thrusts. We were both on our way to orgasm. When she came, I so did, filling her sucking rectum with thick come. I continued to thrust in her until my balls went dry. When I pulled out, I used a finger to stir my come within her. I had her suck my finger. She did lewdly.

"Eat it all," I said guiding her hand to her gaping come-filled asshole.

She stirred the come in her rectum then started to scoop it out and eat it off her fingers.

"Now you are officially a slut," I said as she licked the last of my come off her fingers.

I bent down and tongue-kissed her open asshole. Then I gave her drenched pussy a long kiss, sucking her juices off. She rolled onto her back and I lay on top of her head to tail. I sank a finger in either of her holes and laid my head between her legs as she licked and sucked on my sticky cock.

"I didn't get enough of you, but I have to prepare lunch," she said, rolling me off her.

"I didn't get enough of you, either," I said. "I guess, we'll be back together soon."

"Of course," she said. "You got this woman hooked."

I kissed her on the mouth before I let her go.

On Saturday morning, dad left as usual. Alex came to my room and fondled my crotch. Soon, she was sucking my hard cock.

"So, how was it?" she asked.

"What?" I asked.

"Mom," she said. "You fucked her yesterday, didn't you?"

"Who told you so?" I asked in surprise.

"She did," she said, stroking my cock. "Besides, I planned it all along."

"You planned what?" I asked.

"I planned her catching us in action," she said, "after I had her drooling over your cock."

"You did?" I said in disbelief.

"Uh-huh," she nodded. "I also arranged your tryst with Lynn."

"You are a slut," I smiled.

"I know," she laughed.

"You are the best slut," I said.

"Thanks," she said.

"What else have you arranged?" I asked.

"Are you ready for it?" she asked.

"Maybe I am," I said.

"Mom!" she called. "Come here."

"Yes, Alex," mom answered.

When mom pushed the door, which Alex had not shut, Alex was deep throating my cock.

"He's ready to take us both," Alex said, making my cock twitch.

Mom came over, grinning widely. She knelt next to Alex and started to take turns with her on my cock. Alex withdrew gradually and moved behind mom. She took mom's panties off and threw them on my face. They smelled of mom's sexy aroma. Alex rid mom of her dress and bra. Mom continued to suck my cock stark naked. I reached down and squeezed her heavy tits. Alex reached between mom's legs. Mom moaned as Alex's hand wandered between her legs.

"She's so wet," Alex said, pulling her hand from mom's crotch. "See?"

Alex's fingers glistened in mom's juices. I pulled her hand to my mouth and sucked her fingers thoroughly.

"She really wants your cock," Alex said.

"What mom wants, mom gets," I said, pulling mom up. "Climb over and ride it, mom."

Mom smiled as she straddled me. Alex held my cock for mom. Mom moaned her way down my shaft.

"Let me get her ass ready for you," Alex said as soon as mom started to bounce.

Soon, I could feel Alex's fingers pumping within mom's ass.

"She's ready," Alex said, pulling my cock from mom's pussy.

Alex drooled on my cock then pressed its tip into mom's asshole. Mom moaned as my cock made its way up her tight but willing hole.

"Fuck this cock, mom," Alex said, slapping mom's ass playfully.

Mom started working her ass up and down my shaft, slowly at first, but she soon established a brisk rhythm. I fondled her bouncing tits. She had hardly started to fuck at full speed when Alex yanked my cock out of mom's ass and into her own mouth. Alex sucked me deeply and eagerly. Meanwhile, mom humped thin air as I sucked on her nipples. Alex drooled onto my shaft then pushed it into mom's ass.

Alex switched my cock between mom's ass and her mouth several times, always adding spit to it. That made my cock slide effortlessly in and out of mom's ass.

"It's starting to gape," Alex said.

Mom reached back and pulled her ass open with both hands. Alex started to push mom up until my cock would pop out of her ass then guide my cock back as mom fell down on it. She occasionally spit on my cock head.

"Now make our slut mom come," Alex said to me as she withdrew to watch mom's ass bounce on my shaft.

Both mom and I started to fuck fast and hard with me holding her by the waist. She soon started to tremble then convulse in orgasm. She shook until her orgasm died then she collapsed in my lap. Alex popped my cock out of mom's ass and sucked it thoroughly before putting it back in. I gently worked mom's ass up and down my shaft.

Finally, mom dismounted me and took my cock down her throat. Meanwhile, my naked sister straddled my face and let me eat her drenched pussy. Before long, I was fingering her asshole with two fingers. She soon gushed in my eager mouth.

Mom withdrew her head and Alex squatted on my slick cock. Mom guided it to Alex's asshole. It was mom's turn to pull my cock out every now and then and suck it. I was holding Alex's ass spread when it started to gape. When she came, she dismounted me and took turns with mom to suck my cock.

After a few minutes, I pushed them off my cock. I arranged mom on her hands and knees on the bed and dived between her cheeks. While I licked and probed mom's pussy and ass, Alex sucked my cock. While I tongue fucked mom, I held Alex's head and thrust in her throat. Finally, I removed my cock from Alex's mouth and shoved it into mom's pussy.

As I fucked mom, I spread her ass and drooled on her asshole. Alex used two fingers to work my drool into mom's rectum. She spread mom's ass and drooled on mom's pried asshole. Mom moaned, humping my cock happily. I removed my cock from her pussy and Alex guided it into mom's ready asshole. Alex held mom's ass open for me until I established a nice rhythm. Then she straddled mom and shoved her ass in my face. I lapped up her pussy then went for her ass. She pulled her cheeks apart for me. Soon, I was tongue fucking her asshole as I continued to fuck mom's. Both horny sluts moaned excitedly and humped their asses back.

After mom finished coming on my cock, Alex sat on mom's ass. Mom lowered her ass, taking her haunches down to her heels. Alex leant forward, getting on her hands and knees on top of mom. I guided my cock to Alex's asshole then shoved it in, making her grunt. I fucked her, establishing a brisk pace, then I started to switch my cock between her ass and mom's. Alex's wet pussy was so close to mom's asshole I occasionally shook my cock slapping it on either hole. Later, I started to dip my cock in each woman's pussy before sticking it in the other's ass. I made Alex come first; I let my cock soak in her drenched pussy before I drilled mom's ass to orgasm. I licked their four holes before I let Alex dismount mom.

For our next session, I arranged both of them on their hands and knees with Alex behind mom. I had Alex lick and finger mom's asshole while I fucked hers to orgasm. Then I had them switch places. Alex had done such a good job mom's asshole was so ready it gaped. Alex's was already gaping when mom stuck her tongue in it. I dumped my first come load in mom's sucking rectum. Alex scooped some out, sucked some and shared all with mom.

We switched positions several times, dumping a couple of come loads up their eager assholes. When they left my room, their pussies and assholes were squeaky clean, but their mouths tasted of mixed come.

Two days later, Alex arranged a threesome with Lynn whose butt plug toured both girls' mouths and asses.

"How would you like a threesome with me and mom?" Lynn asked at the end with her asshole still sticky with my come before Alex ate it.

I would like it a lot.

The End

Oral Bee

Feeling frisky, my sister seduced me into letting her prove her oral skills. She later introduced me to her girlfriend, which later became mine. My new girlfriend's mom heard about my skills from her daughter and was curious herself. Finally mom caught my sister practicing on me.
