

## Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

It was funny that I was brushing my bare boner over our new car. After making a full circle around the exterior of the car, I went inside and brushed the steering wheel and the dashboard. It was like I was blessing the car with my holy cock. I did not have a car fetish, but I had a plan and was laying down the groundwork.

A couple of weeks later, mom caught me rubbing my bare hard cock over our new fridge. I immediately pulled my shorts up and turned away. I deflected the situation by telling her I was enjoying having a new fridge. She did not believe me, but she let it go.

---

Dad's permission was all I needed to put my plan in motion. I had already started working on letting mom know how and how much I loved her like I was not supposed to. I started with giving her mild compliments and every once in a while a lavish one. I maintained that for a week. I was able to compliment her on her hot body. She liked my compliments, and her clothes at home gradually got sexier but not outrageously so, and the compliments got better. The best thing about it was that she wore sexier clothes whenever dad was away not the other way around.

**The Permission**

It was Sunday afternoon when dad and I were watching television in the living room while mom worked in the kitchen and Alex was in her room.

“Dad, do you notice that mom’s a very beautiful woman?” I asked.

“Of course, I do,” he smiled proudly. “She’s my wife. If you mean that as a compliment, you should tell her.”

“I’ll tell her, but I was just stating the obvious,” I said. “Speaking of compliments, do you always tell her that?”

“Not as often as she’d like me to,” she said.

“With mom’s being so beautiful, it should be no surprise that I am obsessed with her,” I said.

“What do you mean that you are obsessed with her?” he asked.

“I think she’s the most beautiful woman in the world,” I said. “I want to stare at her and enjoy her beauty.”

“Nick, she’s your mom,” he said. “You can’t stare at her. She’d feel really hurt.”

“What if I somehow talked her into enjoying having me stare at her?” I said. “Would you mind?”

“There is no way you could talk her into that,” he said.

“Let’s say I somehow could,” I said. “Would it be okay with you to see me stare at her or enjoy her? I’d also want to talk her into wearing clothes that emphasize her beauty and sexy figure at home. She deserves that.”

“Nick, you are way out of line,” he said. “There is no way she’d let you do that.”

“Dad, let’s forget about her now,” I said. “I am talking with you. What’s your opinion? Would you mind?”

“It would be weird,” he said. “If she likes it though, why not?”

“Are you giving me permission to seduce mom?” I asked.

“What do you mean by seducing her?” he asked.

“I told you I am obsessed with her,” I said. “I’d want her to do my bidding if I can get away with that.”

“If you try that, you may lose your mom forever,” he said. “You are bound to lose her or break your heart.”

“Dad, I am not dumb,” I said. “I’d always be aware of her limits. I’d never be a total moron or hurt my mom.”

“Are you trying to have sex with her?” he asked.

“Sure, if I can get away with it,” I said. “I am obsessed with her and her hot body, especially her amazing butt.”

“Nick, if you mean anal sex, forget it,” he said. “There is no way she’d let you do that. She’s never let me.”

“Do I have your permission to try my luck with her?” I asked.

“No rape,” he said. “If she complains to me, I’ll kick you out of the house. You’d lose her forever.”

“Dad, I’d commit mass murder before I’d rape anybody, not to mention my own mom,” I said. “I promise you there will be no physical force, blackmail or intimidation, no drugs or alcohol—just flirting and persuasion. You can monitor what happens, but I don’t want you to help me nor sabotage my chances. Can you promise me that?”

“I promise,” he said. “If you keep your end of the deal, I’ll keep mine.”

“I love her so much,” I said. “I love her more than anything. I love you too for getting me the best and hottest mom in the world. I know this is considered wrong, but I don’t see it so. I want her to feel all my love for her.”

“Thank you for not trying to do that behind my back,” he said. “Good luck whatever that means.”

“Thank you so much, dad,” I said excitedly. “You are the best.”

“Don’t get too excited,” he warned. “Your mission may be impossible.”

“That wouldn’t detract from your trust in me and your support for me,” I said. “That’s priceless regardless.”

“I think you deserve it,” he said. “Don’t make mistakes, Nick.”

“I won’t let you down,” I said. “I promise. I won’t let mom down either.”

---

My excitement was too much to hide. It was even hard for me to hide my boner as I could not stop myself from dreaming about having my way with mom and putting her hot body to good use, especially that tight luscious ass of hers, like he admitted he did not and then some.

## THE GIFT

The execution of my plan started the next day on Monday morning. I had already bought the tools I was going to use during the weekend. I was ready to make my move.

“Mom, I apologize for having been too young or too distracted to notice how beautiful you have always been,” I said, handing her a gift box. “I got you these two swimsuits to show you how breathtaking I think you are.”

“Nick, thank you, darling,” she said. “You didn’t have to do that.”

“I beg to differ, mom,” I said. “I believe I have to be nice to the most beautiful mom in the world, and I admit and apologize for never having been up to the job.”

“Oh, Nick,” she said, blushing, as she pulled me to her. She gave me a kiss on the cheek. “You are the sweetest son in the world.”

“I must have gotten the honey genes from you, but remember that when you want to chastise me,” I smiled.

“Oh, even the sweetest young man in the world may sometimes need a little correction,” she said.

“You think the sweetest mom in the world doesn’t need a little discipline herself?” I teased.

“Do you think I do?” she teased.

“I’ll let you know as soon as I find out,” I smiled.

“What would you do if I did?” she teased.

“I’d be glad to help,” I smiled. “I think a little spanking could do you a world of good whenever you need it. Has anybody ever told you that your trim butt’s perfect for a good spanking? It’s actually perfect for anything.”

“You are being a naughty boy,” she chided.

“Wait until you see what I got you,” I thought, smiling.

“Try my gift, and let me know how they look,” I said. “I think you’d look like a dream.”

She took the box and went upstairs to her room.

---

Mom returned to me about ten minutes later.

“Thank you, Nick,” she said as she sat down. “They are nice, but I can’t wear them.”

“Why not, mom?” I asked as if I did not know. “What’s wrong with them?”

“They are too revealing to wear around anybody,” she said. “If I wore one in the pool around your dad when you and your sister were out, we wouldn’t be doing any swimming if you know what I mean.”

“I bet that would be no less fun,” I smiled.

“Nick, you are a bad boy,” she chided.

“Why don’t you wear one and come down walk around the pool, modeling it for me?” I suggested. “Let me see if you can’t swim, wearing it.”

“Nick, I can’t do that,” she said. “It’s too revealing. It isn’t proper for me to wear around you.”

“You think women don’t wear them in public?” I asked.

“I bet some do,” she said.

“You think any of them might be a mother?” I asked.

“Sure,” she said.

“They’d have to wear it around their sons and strangers, right?” I asked.

“Yes, but they’d have to be a lot more daring than me,” she said.

“You mean they must think that they don’t have anything to be ashamed of, right?” I asked.

“Yes,” she said.

“Do you think you have anything to be ashamed of?” I asked.

“Nick, I am no longer in my teens or twenties,” she said.

“Are you sure?” I teased.

“Nick, don’t be silly,” she said.

“You are in luck, mom,” I said. “I didn’t get you those because I thought you were Alex’s twin. I got them for you because I knew you were more beautiful than any girl or woman who’s ever worn a swimsuit.”

“Thank you, Nick, but that’s a great exaggeration,” she said.

“Mom, I think you are the hottest woman alive,” I said. “I tell you that this is no exaggeration. It’s a fact at least as far as I am concerned.”

“Thank you, Nick,” she said, smiling.

“Mom, you can only thank me by believing that I am sincere in my compliment,” I said.

“I know you are sincere,” she said.

“Now, since I know that you are the hottest woman in the world, I want you to go up there, get yourself in one of the swimsuits and come down to model it for me around the pool.”

“Nick, I...,” she said before I raised my hand.

“Mom, you are going to do that,” I said.

“Nick, they are very revealing,” she said.

“Trust me I know,” I said. “I saw them modeled by hot women before I bought them. Now, get going unless you want me to give you that spanking on that cute little butt of yours.”

“You don’t dare,” she said.

“Of course not unless you dare disappoint me,” I said, smiling teasingly.

“I’ll see what I can do,” she said, getting up.

“Feel no pressure,” I teased. “If you find it more proper to get that spanking, I am all for it. I like your butt.”

“You wish,” she said as she left.

“I’ll be out by the pool,” I said.

---

My heart throbbed as well as my cock as I waited for mom by the pool. Her decision would be either a great achievement or a great setback for me. It took her nearly ten minutes to come out of the house, walking shyly.

“Mom, this isn’t good enough,” I said firmly as soon as she walked out of the door.

“What isn’t good enough?” she asked in confusion.

“I want you to walk like a supermodel, not like a shy toddler still learning to walk,” I said. “You know how they walk on the catwalk. Go back into the house, and come back again. You have a serious fan here. Don’t let me down.”

“Nick, I am not a model,” she said.

“I know, mom,” I said. “I know you should do better than them. They are empty shells. You are a real woman. You deserve to strut your stuff a lot more than they do. Go ahead, and do it. I know you can do it.”

“Nick, you are silly,” she smiled.

“Be careful,” I teased. “If you can’t get it right in three trials, you are already properly dressed for a spanking.”

“I am too old for a spanking,” she said. “You are not.”

“If you think so, you may be in for a surprise,” I teased. “I’ll be glad to help you find out for sure.”

She went back into the house and walked out again. She did well, but I stopped her anyway after I let her make a dozen steps or a little more. I enjoyed watching her walk back with her practically bare ass.

“Do it again please,” I said. “Do your best this time if you don’t want that little spanking. Walk arrogantly, mom. Walk like your audience is dirt.”

“Don’t say that, Nick,” she said. “You are not dirt.”

“I don’t care, mom,” I said. “Walk around me like watching you strut your stuff is the best thing that has ever happened to me. You may be right too.”

“Nick, where did you get that idea?” she asked.

“This is how they walk, and they are nothing compared with you,” I said. “Show off like the goddess you are.”

“I’ll get it right this time,” she said, walking back to the house. “I won’t let you down.”

“I know I can count on you, mom,” I said, “just like you can count on me to deliver that spanking if needed.”

“I bet you’d love to give your nearly naked mom a spanking,” she said.

“I bet she wouldn’t give me a good reason for it,” I teased.

“You bet,” she said.

She came back, sauntering haughtily, her head held up, her shoulders pulled back, her firm big tits pushed forward and her hips and legs turning this way and that way sexily. She was wearing high heels. The black string bikini she was modeling had three triangles. The ones covering her tits started halfway between the beginning of her tits and the nipples and spread wide just enough to cover her areolas and curved under her tits where a string held them to her ribcage. The triangle covering her crotch, started so low on her flat tummy she might not have been able to get away with any pubic hair. Its point was just under her pussy if that low. A narrow string went between her cheeks and connected with the waistband in the back with a rhinestone heart. She walked toward me. I was standing by the pool at the farthest point from the house. I stared at her entire body as she came toward me. I raised my eyes to hers as she approached. My cock was rock hard. I was happy she walked that way so she would not notice my boner although it was big enough to be noticed even if she looked the other way.

“Walk around the pool and come back to me, mom,” I said when she reached me.

When she walked away, I stared at her twitching ass like my life depended on it. My cock twitched. She walked around the pool and came back to me.

“Mom, you are very beautiful,” I said, looking into her eyes.

“Thank you, darling,” she said shyly, looking down.

“Mom, you are very beautiful,” I said, gently raising her chin up until her eyes met mine. “Look me in the eye. Don’t be shy.”

She looked me in the eye, and I looked at her with admiration and love. My lust was forgotten for a little while. She smiled faintly and then took her eyes off mine.

“Hold my eyes, mom,” I said. “Don’t be shy. You are gorgeous. Be proud.”

“Thank you, darling,” she said, smiling wide as she looked in my eyes.

“You did great, mom,” I said. “I am proud of you. Pirouette for me very slowly. Let me see you up close.”

She slowly spun for me.

“Keep your head up,” I said, gently tilting her face up.

She continued to spin, and I stared at her tits and crotch. When I was behind her, I stared at her completely exposed ass. When she was facing me again, I looked in her eyes.

“Can you see, mom,” I said, staring at her stiff fat nipples as I pointed at the wide part of the triangle covering her tit. “This isn’t really needed.” As I pointed at the bottoms of her bikini top, I accidentally brushed the bottoms of her tits. “The same goes for the top of the triangle below. This is a pretty conservative swimsuit if you ask me.”

“Is that right?” she smiled.

“You only need to cover the nipples and the lips,” I said.

“Nick!” she chided.

“Take off your sandals,” I said. “Let me see how you look without them.”

Before she did anything, I squatted between her and the pool and helped her with her sandals. That forced her to face me. I put the sandals aside and stood up. I then moved next to her. Before she knew what happened, I held her right ass cheek in my right hand and her left shoulder in my left hand and pushed her into the pool. She gasped as she flew into the cool water. I moved away from the pool and the splash.

“Nick, why did you do that?” she asked when she resurfaced. “You go me all wet.”

“You are gorgeous wet or dry, rain or shine,” I said.

“Thank you,” she said.

“I wanted you to test drive the swimsuit,” I said. “Does it feel good in action?”

She swam a few yards away and then came back before she answered.

“It feels pretty good,” she said.

“Come here so I can dry you,” I called.

She came out of the pool and walked to me. I patted her dry, staring at every square inch of her hot body, especially her ass as I was behind her and could freely look. I did not try to pull her cheeks out though. I stood up after drying her pretty well down to her toes.

“Now, go model the other swimsuit,” I said.

“Nick, that one’s sheer,” she said. “I could as well be parading totally naked, not that this one’s much better.”

“You said it yourself, mom,” I said. “Besides, you don’t have anything to hide. You are all gorgeous. I hope one day you can feel comfortable about parading naked for me.”

“Why would you want to see me naked?” she asked.

“I can’t believe you didn’t get it,” I said, looking in her eyes. “Because you are gorgeous, and the most gorgeous you are is when you are completely naked. Nothing you can wear can make you any prettier.”

“Thank you, Nick,” she said. “I don’t think it’s appropriate though.”

“Mom, I know I don’t deserve to see a woman as beautiful as you are, but I wish I’d be lucky,” I said.

“I didn’t mean it that way,” she said.

“I am so proud of you I think you should wear that other one at the pool even when we have guests,” I said.

“Nick, they’d think I were a slut,” she said.

“Do you know who’d think you were a slut?” I said. “They are the men who can see you and want you but can’t get you because you are not a slut and the women that know that they can’t touch you no matter what they do.”

“You think so, darling?” she asked.

“I’d be a big liar if I didn’t think so about the hottest woman I’ve ever seen,” I said. “I am lucky she’s you.”

“Thank you, Nick,” she said.

She held my face and kissed me on the cheek.

“Are you going to be a good girl and model that one for me?” I asked.

“Yes,” she said shyly.

“If you are a good girl, I’ll even let you model your sandals for me,” I said.

“I’ve already modeled them for you,” she said.

“No, mom,” I said. “You modeled the swimsuit.”

“Oh,” she said, opening her mouth wide when it hit her. “You want me to parade naked? No way.”

“Of course not,” I teased. “What sick idea did you get? I want you to wear your high-heeled sandals.”

“I don’t think I can do that,” she said.

“I have faith in you, mom,” I said. “There are very few things you can’t do.”

“This is one of them,” she said.

“I don’t think so,” I said. “Modeling one’s birthday suit is the easiest thing. Now, go get the other swimsuit.”

“I’ll be right back,” she said, walking away.

“Thank you, mom,” I said, staring at her hot ass. “You are the best and the hottest.”

“You are welcome,” she said.

It was ironic that she was back with the totally sheer swimsuit within a few minutes. The new swimsuit was only different from the previous one by that it was so sheer it did not hide anything. It just gave what it covered a light blue hue, but otherwise she could have been totally naked. She modeled it for me just like she did the other one. I just did not push her into the pool.

“You look more beautiful than before,” I said as I openly admired her tits.

She blushed.

“Don’t blush,” I said, tilting her head up. “You are very beautiful. You are the hottest woman in the world.”

“Thank you, darling,” she smiled.

“Are you going to model your birthday suit for me?” I asked.

“Nick, I shouldn’t,” she said.

“You should, and you will, won’t you, mom?” I asked, looking her in the eye. “You are doing it for me.”

“Yes,” she hissed.

“Thank you,” I said, holding her chin gently with the fingers of my right hand. My eyes left hers, and my lips met hers in a very gentle and quick kiss. “Go change into your hottest suit. You are the hottest mom in the world.”

My eyes chased her hot ass all the way to the house. I could hear my heartbeat as I waited.

She was back within a couple of minutes. I almost came when my mom sauntered completely naked for me.

Naturally she modeled her birthday suit just like she did the two swimsuits I got her.

“You are very beautiful, mom,” I said, looking into her eyes.

As soon as my eyes left hers, I gently kissed her left nipple and then her right nipple. They were both stiff, and she gasped both times.

“Nick, you shouldn’t...,” she said lowly.

“Hush,” I said, gently patting her on the ass. “Come sit on the table.”

My naked mom let me lead her to the teak table. I let go of her hand and held her right ass cheek gently.

“Sit on the table, mom,” I said when we reached the table.

She pulled a chair.

“Sit *on* the table, mom,” I said, patting the table with one hand and pushing the chair a little back by the other.

“On the table?” she asked. “I can’t.”

“Why not?” I asked.

“Because I am naked,” she said.

“Give it a try, mom,” I said softly. “I want you to find out that you can do anything you want around me.”

“Nick, I shouldn’t,” she said. “I am completely naked.”

“I know, mom,” I said, softly. “Please sit down. Use this chair to lift yourself up onto the table.”

She placed her right foot on the chair and one hand on the table. I held her other hand and pushed her up as she used it for support. I helped her sit onto the table. She sat her knees stiffly glued together.

“Relax, mom,” I said. “Why are you stiff?”

“Nick, I am naked,” she said shyly. “I am not used to this.”

“Mom, I don’t want you to do something you are used to,” I said. “I want you to get used to new things. I want you to feel that you are a very beautiful woman that doesn’t have anything to be shy about. I want you to relax.”

“I’ll try,” she said, relaxing a little.

Her knees parted about an inch.

“Relax, mom,” I said. “Spread your legs. Place a foot on this chair and the other on this one.”

“I’d expose myself,” she said.

“To whom?” I asked. “Are you afraid of me, or are you shy of me? You shouldn’t be either. Please go ahead.”

She reluctantly placed her feet on the two chairs, keeping her knees almost together.

“Now, get comfortable,” I said. “Spread your knees.”

“You’d see my...,” she said lowly, her voice trailing off.

“I’d see your sweet pussy,” I said. “That’s okay, mom. I am sure your pussy’s as beautiful as the rest of you. Every sexy woman has a beautiful one. Spread your knees wide, mom. I won’t make you uncomfortable. Trust me.”

She reluctantly and slowly parted her legs. I looked her straight in the eye as she did that.

“Thank you, mom,” I said softly. “Now, lean back a little, supporting yourself on your arms.”

She complied.

“You are very beautiful,” I said as I gently held her right leg by the ankle and the heel and placed it on the edge of the table. “Just relax.”

She did not resist as I placed her left foot on the edge of the table, opening her wide.

“I look like a slut,” she said lowly.

“Do you know why a slut would assume this position?” I said calmly. “She does to show how beautiful she is. You are showing me how sexy and hot you are. You are the hottest woman in the world. Don’t feel shame.”

“I shouldn’t show you how sexy I am,” she said.

Her nipples were still stiff, and her pussy glistened.

“You should show everybody how sexy you are, starting with me,” I said. “They may not deserve to see you in your full glory. Heck, I don’t either, but everybody has to know how beautiful you are.”

“You are my son,” she said.

“I know I am your son, mom,” I said. “I love you most, and you love me most. We have to be most comfortable around each other. You are making me happier than ever. This is the most precious treat of my life. Nothing can parallel having the most beautiful woman I know show me her full beauty and allure. You are so hot.”

She looked as if she were dazed as I looked in her eyes.

“May I look at your beautiful pussy, mom?” I asked.

“Nick, you shouldn’t,” she said lowly.

“Mom, I want to,” I said. “May I please?”

She hesitated a little, but I kept my eyes on hers.

“Yes,” she hissed, trembling.

“Thank you, mom,” I said softly, my eyes still glued to hers. “Are you sure it’s okay?”

“Yes,” she hissed.

“It’s so beautiful,” I said as I slowly lowered my face to her pussy. “It’s completely hairless. It’s so sweet.”

When my face was about a foot away from her pussy, I held it there. It was unbelievable. Her pussy was dripping. It made my cock twitch.

“It’s so hot,” I said. “I think it’s proud of itself and it likes the attention. May I kiss it a little?”

She trembled, her legs twitching.

“Please, mom?” I asked. “It’s the sweetest little pussy I’ve ever seen in person and in pictures.”

“Okay,” she said almost inaudibly.

“May I kiss it, mom?” I asked.

“Yes,” she hissed.

Her pussy trembled and continued to leak. I did not move.

“Kiss it,” she hissed.

“Say ‘please,’” I whispered.

“Please kiss it,” she whispered.

“I’ll kiss it in a minute,” I said softly. “Thank you. I’ll enjoy its beauty a little. It looks so juicy and delicious.”

Her pussy continued to leak as I teased it with my eyes.

“Kiss it,” she whispered.

“Is it expecting me to kiss it?” I teased.

“Yes,” she hissed.

“Is it drooling because I want to kiss it?” I teased. “Does it want me to?”

“Yes,” she hissed, trembling.

“What a sweet little pussy!” I said. “I’ll kiss it right away. It’s the sweetest pussy in the world.”

She stopped breathing but continued to tremble as my mouth started its trip toward her leaky pussy. My head moved slowly down. My lips finally met the top of her nether ones in a gentle kiss that lasted for one second. It made her gasp and tremble. I felt her pussy twitch. I pulled back to my previous position.

“Thank you, mom,” I said softly. “Did your little pussy like my kiss?”

“Yes,” she hissed.

“Are you going to let me kiss it every day?” I asked.

“Yes,” she hissed.

“Your pussy’s the sweetest place in the world,” I said. “I don’t know why I left it when I was born.”

“You had to come out to the world,” she said lowly.

“Do you know what the best thing about coming out to the world was?” I asked.

“What?” she said.

“Letting me see the rest of the beautiful woman whom I was living inside,” I said. “I could also see how my first home looked from the outside. It’s the most beautiful home in the world. It’s the warmest and juiciest too.”

“Thank you,” she said lowly.

“Are you now going to get on all fours and show me your amazing ass?” I asked softly.

“Do I have to do that?” she said hesitantly.

“Of course not, mom,” I said. “You never have to do anything for me. You’ll only do it because you are the most beautiful mom in the world and I am your craziest fan that loves you more than anyone and anything.”

She did not move for several seconds. I continued to look in her eyes.

“Don’t you want to show me how beautiful you are?” I asked. “Do it, mom. I love you.”

She carefully and slowly moved into position. She was soon on her hands and knees.

“Go down on your forearms, mom,” I said softly, staring at her mouthwatering asshole.

She complied.

“Arch your back and push your beautiful ass out,” I said. “It’s gorgeous. Don’t feel any shame.”

She slowly eased herself into that obscene position.

“This is an obscene position, mom,” I said. “You look dazzling in it. There is no bad position for you. You are always beautiful anywhere, anytime and in any position. Your tight little ass is amazing. May I kiss it?”

“Yes,” she hissed.

After all, I had just kissed her dripping pussy. It was still dripping.

“Do you want me to kiss it, mom?” I asked softly.

“Yes,” she hissed.

“If you want me to kiss it, all you have to do is ask,” I whispered.

“Please kiss it,” she whispered.

“Don’t be shy, mom,” I said. “Tell me what you want me to kiss.”

“Please kiss my ass,” she gasped.

“I can’t believe you are inviting me to kiss the sweetest little thing in the world,” I said. “It’s incredible.”

She could not see me as I stared at her little asshole. She could feel my breath on her leaky pussy. I did not wait for long before I lowered my lips to her ass and gave her little asshole a kiss similar to that I gave her pussy. She gasped, and her asshole twitched. She trembled.

“Nick, you shouldn’t have done that,” she said lowly. “It’s dirty.”

She gasped again as I gave her asshole a longer kiss.

“This isn’t right,” she whispered, holding her position.

Her own body did not take her words seriously, so I did not either. I gave her asshole a longer kiss, letting my tongue swab it gently. She moaned and her tense asshole relaxed a little. I did not break the kiss. She involuntarily pushed her ass into my face.

“This feels so nice, but it’s still dirty,” she said as I finally broke the kiss.

“You can’t see it, mom,” I said. “I can. Your little asshole’s the sweetest little rosebud in the world. I love it.”

“It isn’t right,” she said.

“Mom, it’s beautiful,” I said. “I only kiss beautiful things. I loved kissing it. Did you?”

“Yes,” she hissed.

“Are you going to let me kiss it every day so it doesn’t feel jealous?” I asked.

“Yes,” she hissed.

“I am going to kiss your hot lips, your pretty pussy and your cute asshole every single day because they are the sweetest kissable things in the world,” I said. “Would you like me to do that, mom?”

“Yes,” she hissed.

“I can start doing that today,” I said.

Before she knew it, my lips were on her pussy. She gasped. I kissed her pussy, probing it with my tongue. She moaned and pushed back. Her pussy was so wet, and it leaked more tasty juices. I moaned and sucked her juices.

“That isn’t a kiss,” she moaned, still grinding into my face.

She resumed moaning and grinding into my mouth as I kissed her asshole, giving it a long tongue kiss.

“You are so delicious, mom,” I said. “Thank you so much. Please get off the table.”

She let me help her get off the table. She stood up, facing me.

“This is also part of the deal,” I smiled, staring at her mouth, as I wrapped my arms around her.

Before she knew what I was talking about, my lips were on hers, startling her. She hesitated for a few seconds before she responded to my kiss. We kissed sensually for a minute before our lips parted and our tongues met to wrestle playfully for a little while.

“All your kisses are dangerous,” she moaned when we broke our kiss.

“Is that right?” I teased, pulling her for another kiss.

She moaned into my lips as we had a long passionate kiss. I felt up her tits and ass, and she let me.

“You are so delicious in every orifice,” I said, finally breaking the kiss.

“So are you,” she said.

## THE BULGE

Mom did not resist when I turned her around so I was standing behind her. I knelt down and wrapped my left arm around her hips, laying the left side of my face against her ass. I stayed like that for a while. She tried to walk away, but I did not let her. I did not talk. I just enjoyed the hug.

“Nick, let me go,” she said softly.

That went unanswered. I continued to hold her ass to my face, living in my own world. She tried to free herself from me, but I did not budge although I did not hold her forcefully. She finally freed herself, and I fell to the floor. I broke the fall with my hands, but I let my head hit the floor with a thud. I cried and lay on my back.

“Nick, what happened?” she said with concern, kneeling down next to me. “I am so sorry.”

She watched me lie back, my unfocused eyes looking straight up at the sky. I did not talk.

“Nick, are you okay?” she asked with more concern. “Where did it hit you?”

She felt up my head. A swelling was already coming up on the corner of my forehead.

“I am okay, mom,” I finally said. “I think I am going to die.”

“You are not going to die,” she said.

“Everybody’s going to die sooner or later,” I said. “I am happy that I am going to die happy.”

“Nick, you are not going to die now,” she said. “It’s just a silly accident.”

“Mom, please lie prone here and let me lay my head on your amazing ass in case this is the last thing I get to do before I die,” I said.

“Nick, don’t talk like that,” she said. “I am going to take you to the hospital.”

“Do that before you do,” I said. “If you don’t want to, just go away and let me die here.”

After some hesitation, she lay prone next to me, and I struggled to raise my head and lay it on her naked ass.

“Thank you, mom,” I said. “Now, I can die.”

“Nick, don’t say that, darling,” she said. “You will *not* die now.”

“Mom, promise me that if I live you’ll never pull your amazing ass away from me,” I said.

“I promise,” she said.

“No matter how weird it may feel,” I said.

“No matter how weird it may feel,” she repeated.

“I love your gorgeous ass so much,” I said. “I want to always be with it.”

“You’ll be with it, baby,” she assured.

“Help me get my head off your beautiful ass without smashing it,” I said.

She reached back and helped me get my head off her ass and onto the tiles.

“Go get dressed to take me to the hospital,” I said as she got up. “Don’t wear underwear. Okay, mom?”

“Okay, darling,” she said, rushing away.

---

While mom got dressed, I gently rolled onto my stomach and crawled slowly into the house. By the time she came back, I was crawling in the living room, holding an ice cube to my forehead.

“Help me stand up, mom,” I called.

She helped me stand up and walk to the car. She helped me get into the car.

“Are you wearing any underwear?” I asked as I lay back in the seat.

“No,” she said as she fastened my seatbelt.

“Mom, get a towel,” I said.

She disappeared into the house and returned with a towel without a question.

“Lay it on the driver seat,” I said. “Hike the skirt of your dress and sit on the towel so you wouldn’t get a wet spot on your dress if your juicy pussy leaked. I love you, mom. I don’t want to embarrass you.”

Again she obliged me without a question.

She pulled her dress up around her waist and sat her bare ass on the towel. She fastened her seatbelt and started the car. She drove away to the local hospital, which was only a couple of miles away. The aroma of her excited pussy soon filled the car. I breathed deeply to enjoy it.

“Mom, I like how you smell,” I said. “This is the sweetest smell in the world.”

“I don’t know what’s happening to me,” she said apologetically. “I shouldn’t be excited in this condition.”

“I know what’s happening to you, mom,” I said. “It’s that you are a very hot woman. Hot women are so hot.”

“Nick, don’t feel bad,” she said, changing the subject. “It’s nothing. They’ll look at it in a minute.”

“You mean your pussy?” I teased.

“No, silly,” she said. “I meant your head injury.”

“Mom, I want you to know that I really appreciate what we did today,” I said. “It was the happiest day of my life. If I die today, I am happy. Don’t feel bad about me. You’ve always been the best mom in the world.”

“Nick, don’t say that, baby,” she said. “I am happy you enjoyed that. I did too.”

“You really enjoyed what we did?” I asked.

“Yes, darling,” she said. “I’ve never been so excited. I still am. You can smell it.”

“Oh, mom,” I said. “I am so happy I want to die right now.”

“Nick, darling, people don’t want to die because they are happy,” she said. “I want you to live happily for a hundred more years.”

Naturally, because I had not lost my head or most of my limbs, we had to wait for over an hour in the emergency waiting room. I finally was admitted to be seen by a doctor.

“Mom, please wait outside and busy yourself with something,” I said. “I don’t want you to panic.”

---

The doctor easily found out that it was nothing serious, just that I banged my head.

“The swelling will go away in a few days,” he said.

“I don’t need an operation or a brain scan or anything?” I asked.

“Do you feel anything besides the pain here?” he asked.

“No,” I said.

“Don’t take any painkiller or anything else for this,” he said. “It’ll go away quickly on its own.”

“Tell my mom that I need to rest for a few hours at least,” I said.

“That isn’t ethical,” he said. “You don’t need any rest.”

“You think it isn’t ethical to request that your patients rest a little?” I said. “Heck, everybody needs to rest.”

“Okay, I’ll tell her that,” he smiled.

“I don’t want her to feel that she made a big deal of something this simple,” I said.

“I’ll take care of that,” he said.

“Thank you, doctor,” I said.

“You are welcome, Nick,” he said.

He watched me walk slowly as if I was drugged.

“Nick, don’t play these games with your mom,” he chided.

“Don’t worry about that, doctor,” I said. “It’s part of a big game.”

“Don’t do that to your mom,” he said.

“Thanks, doctor,” I said. “Do your part, and I’ll do mine.”

“Okay,” he smiled.

---

The doctor talked to my mom while I waited outside.

“Mom, am I going to live?” I asked as mom and I walked out of the hospital.

“Of course, you are,” she said. “You only need some rest.”

“I told you it was nothing,” I said.

“Nick, you scared me,” she said.

“I just told you I was happy,” I said as we got to the car. “That shouldn’t be scary.”

“Nick, you were afraid you were going to die,” she said, helping me into the passenger seat.

“I wasn’t afraid,” I said. “I was happy. I knew that everyone was going to die. I just wanted to die happy.”

“Let’s forget about all this and take you home to rest,” she said as she got into the car.

“Are you still without underwear?” I asked.

“I didn’t pull on any underwear while I waited for you at the hospital,” she said.

“Pull your skirt up again,” I said.

She proceeded to do that. I pulled the hem of her dress up and looked at her pussy.

“I love you, mom,” I said, still looking at her pussy.

“I love you too, darling,” she said.

“I know you do, mom,” I said. “You did the most amazing things for me today. Thank you so much.”

“You are welcome,” she said.

“Your smell’s most enticing,” I said as I let go of her dress. “I really appreciate your sharing it with me.”

“I am glad you like it,” she said as she started the car.

“I banged my head, but I sure didn’t lose my mind,” I said. “What isn’t to like about the sweetest smell ever?”

“I’d really be embarrassed if you didn’t like it,” she said, driving off.

“I know you’d be embarrassed because your son would be a moron,” I said.

“I have a wonderful son,” she said. “I am very proud of him.”

“If you are proud of me because I like the intoxicating smell of your hot pussy, you should be the proudest mom in the world because I really love it,” I said.

“Oh, Nick, I am not proud of you because of that,” she said. “I am proud of you all over.”

“I am also very proud of you, mom,” I said. “It isn’t just because you have the greatest tits, the juiciest and sweetest pussy and the hottest ass either. I love everything about you.”

“Thank you, baby,” she said as she reached out and squeezed my leg just above the knee.

“Mom, we are back in our residential area,” I said. “Pull your top down and free your spectacular tits.”

“Right here, baby?” she asked. “People might see me.”

“Nobody would see anything,” I said. “You are doing it for me. You know that I love them.”

“Okay, baby,” she said after looking around quickly.

She wiggled her way up her top and got both her tits exposed. Her nipples were stiff, but I already knew that.

“They are beautiful,” I said. “Thank you, mom.”

“You are welcome, baby,” she said.

“Masturbate, and come for me,” I said.

“Nick, I wouldn’t be able to control the car if I did,” she said.

“Don’t worry about the car,” I said, reaching for the steering wheel. “I am with you. You can depend on me. I’ll take care of the car. You are not driving fast anyway. Play with your tits and finger your juicy pussy.”

“I can’t believe I am doing this,” she said, reaching for her pussy with her right hand.

“I can,” I said. “You are the hottest woman in the world. This is what I’d expect from you.”

Her left hand let go of the steering wheel, and she proceeded to squeeze her tits and pull on her stiff nipples while diddling her pussy vigorously. She stiffened and came within ten seconds.

“I am coming for you, baby,” she gasped.

“Come for me, you sexy mom,” I urged. “Come for your horny son.”

When she came, she pulled her foot off the gas pedal, and the car slowed down. That was much better than slamming the pedal to the metal. She gasped and shook ecstatically, completely oblivious to the world.

“Oh, Nick, that was incredible,” she gasped when her orgasm finally subsided.

“It sure was,” I said. “You looked even more beautiful. Now, suck your tasty juices off your sticky fingers.”

She smiled at me before she took her fingers to her mouth and sucked them thoroughly.

“I am acting like a very bad girl,” she said.

“You are a good girl, mom,” I said. “You are just enjoying bringing your son back from the hospital.”

“You bet,” she smiled.

Less than a minute later, we parked in our garage.

---

“We are back home, mom,” I said. “You can be naked again. Take off your dress completely.”

“Do you want me to be completely naked?” she asked.

“Yes, mom,” I said. “I want you to look your best.”

“Okay, baby,” she said as she proceeded to pull her dress off.

She unfastened my seatbelt and took the towel and her dress. She walked me to my room, tossing the towel and the dress onto the sofa on the way. She helped me get out of my jeans and shirt. As she pulled off my jeans, it was obvious that I had a serious boner complete with a big wet spot. She could not and did not miss it.

“I think that head bang did a little more than met the eye,” I said sheepishly.

“Maybe I should bang your dad on the head every once in a while,” she smiled.

“Oh, mom, you are a naughty girl,” I said.

“I’ve been a very naughty girl today thanks to you,” she said.

“Mom, if you ever call what you did for your son who loves you most being naughty, I’d spank you,” I said.

“Okay,” she said. “I am sorry.”

“Mom, do you think both swellings will go away together?” I asked.

“I think you are a bad boy,” she said.

“That’s a fact if how much I love my gorgeous mom is any indication,” I smiled.

“Do you need anything from me, baby?” she asked.

“Yes, mom,” I said. “I want you to stay completely naked except for your high heels until I feel better in a few hours so I can help you get into some clothes.”

“Nick, that’s naughty of you,” she teased.

“I thought we agreed that I was a bad boy,” I said.

“Okay, baby,” she said. “After what we’ve done, that should be okay.”

“Now, I know which swelling will go away first,” I said.

“Naughty boy,” she said before she left. “Let me know if you need anything.”

“Thanks, mom,” I said. “You are the best.”

“Thanks, darling,” she said.

Naturally, my boner did not quit. The fact that I squeezed it frequently did not help either.

---

Mom came back to check on me half an hour later.

“How are you doing, darling?” she asked.

“I feel better, mom,” I said. “Come lie next to me.”

“You like my birthday suit, don’t you?” she teased.

“You know why I like it,” I said.

“Why?” she teased.

“Because you are most beautiful when you wear it,” I said.

“I have to admit that I like wearing it for you,” she said. “Are you going to behave?”

“You never need to ask me that question,” I said. “You know me. I am a good boy.”

“I am not so sure,” she said. “Didn’t you say that you were a bad boy?”

“Beautiful woman, you know I’ll always behave because I love you and so I can enjoy your beauty,” I said.

“I’ll give you the benefit of the doubt,” she teased, walking toward me.

When she reached the bed, I pulled the covers off for her. She got under the covers, and I pulled them up. We snuggled into each other. Before long, the bulging front of my briefs pushed into her ass as I wrapped my right arm around her waist and she pulled her back against my chest.

“You make me feel so good, mom,” I said softly.

“Is that because I am naked?” she teased.

“That sure helps,” I said. “Do you like being free with me?”

“Yes,” she said softly.

A minute later, my boner was noticeably pushing into her ass, and her ass pushed back into it.

“Your swelling is pushing into me,” she moaned.

“You mean that my big boner’s pushing into your gorgeous ass?” I said softly.

“Yes,” she hissed.

“That isn’t fair to you,” I said. “My underwear is rubbing over your silky ass. I am going to take it off. We can feel our closeness better that way too.”

She did not protest as I pulled back and reached down to push my briefs off. I tossed them aside and snuggled back into her back. My bare throbbing cock nestled against her ass crack. She gasped softly but pushed back.

“Does this feel better?” I asked, gently grinding my boner into her ass.

“Yes,” she hissed.

“I am so close to heaven,” I said, holding her possessively.

We ground into each other for a couple of minutes.

“Hold me, baby,” she cooed, guiding my right hand to her left tit.

“I love holding you, mom,” I said, squeezing her left tit gently.

Her stiff nipple pushed into my palm. While I gently squeezed her tit and rolled her nipple between my fingers, I used my free hand to push my hard cock down and trap it between her legs. She gasped as the upper side of my cock pushed along her dripping pussy lips. I gently ground into her, letting my shaft slide back and forth along her lips. She

moaned and humped back. Her pussy lips parted and allowed my shaft to slide along their trench. I slid my left arm under her neck and captured her right tit. She moaned and pushed back into me as I fondled both her tits and worked my cock along her open pussy lips.

“I love being with you, mom,” I said softly. “Like I hug you with my arms, you hug me with your legs. I can feel your little pussy open its lips wide to hug my big cock. Do you like that, baby?”

“Yes,” she gasped, her pussy twitching and leaking along my cock.

“I am so happy,” I said. “Can you feel how much my big hard cock loves your juicy little pussy?”

“Yes,” she gasped.

“Does your tight little pussy love my big cock too?” I teased.

“Yes,” she hissed.

“I love you even more than these horny fuck fiends love each other,” I said.

“I love you too, baby,” she moaned.

“Is your little pussy hungry for cock?” I teased.

“Yes,” she hissed.

“Tell me how hungry for cock it is,” I said.

“It’s so hungry for cock,” she moaned.

“May I touch it?” I asked.

“Yes,” she hissed.

“Say ‘please,’ mom,” I said.

“Please touch my pussy,” she gasped.

“You like acting like a slut, don’t you?” I teased as I reached for her pussy with my right hand.

“Yes,” she gasped, trembling as my fingertips touched her stiff clit.

“I love it when my hot mom acts like a hot slut for me,” I said.

She groaned.

“Play with your left tit, mom,” I said as I gently teased her excited clit, smearing it with her excess juices.

She squeezed her left tit with her right hand and proceeded to play with it while humping my drenched shaft.

“Mom, you are a good girl when you act like a hot slut,” I teased. “I love you because you are incredibly hot.”

She gasped, and her pussy twitched, gracing my cock with a fresh load of pussy juices.

“I love how wet I make your hot little pussy,” I said. “Do you love how hard you make my big cock?”

“Yes,” she hissed.

“Do you want me to lie on my back so we can hug face to face?” I asked. “I want to look in your beautiful eyes while I hold you to me.”

“Yes,” she hissed.

As I pulled my arm from under her, I gave her clit a flick, making her gasp. I rolled onto my back and helped her get on top of me in the cowgirl position but leaning further on me. My cock was trapped under her pussy. This time her parted pussy lips held it along its underside. As soon as we settled into position, she started to rock back and forth,

sliding her pussy lips along the underside of my shaft and drenching the rest of it. I lovingly looked into her eyes and fondled her tits gently, teasing her stiff nipples.

“Do you like this, mom?” I teased.

“I love it,” she moaned. “You bad boy, you are making your mom do bad things.”

“I don’t think it’s bad for the hottest woman in the world to act like a hot slut for her own horny son,” I said.

“What can I say?” she moaned. “You are a bad boy.”

“You are a good girl no matter what you do,” I said.

After a minute, I let go of her tits and reached for her ass. I proceeded to fondle her ass, pulling the cheeks apart. Before long, I was teasing her asshole. That soon drove her crazy. I held her ass and rocked her back and forth. I suddenly pulled her forward a little further, and on her way back my cock head got trapped in her pussy hole. Her push slid my cock head into her dripping pussy hole. She gasped and stopped. My cock twitched.

“Your cock’s trying to get inside me,” she moaned.

“You said your pussy was so hungry for cock,” I said. “Maybe it wants it to.”

“Yes, it does,” she hissed as she pushed herself back, taking more of my cock into her pussy.

“Mom, good girls say ‘please’ before they gulp a big cock into their horny little pussies,” I teased.

“Please let me take your big cock in my horny pussy,” she moaned.

“Take it, mom, you hot slut,” I teased. “It’s all yours.”

My cock was instantly halfway into her twitching pussy. I resumed rocking her back and forth. In a few strokes, my cock was balls deep inside her tight wet pussy. My cock twitched, and I held her there because I was about to lose control and fill her hot pussy with sticky come.

“Mom, my big cock’s balls deep inside your tight little pussy,” I said. “It feels like heaven to me. How does it feel to you? Do you like it at all?”

“I love it,” she gasped, her pussy twitching and bathing my cock in hot juices. “Can’t you feel how wet I am?”

“Don’t move, mom,” I said. “Hold it right there. Let’s enjoy being the closest we’ve ever been since I left your pussy. Let me enjoy being back where I belong. Let me feel my loving mom hug me in her arms and in her pussy.”

“Oh, Nick, this is so unbelievable,” she moaned. “Your big cock fills me so perfectly. It’s incredible.”

“It’s amazing because it belongs there,” I said. “Kiss me, mom. Let me feel your love and passion.”

She lowered her lips to mine, and we kissed gently. I let go of her ass and held her face. Our kiss gathered steam and passion, and we devoured each other’s mouth. We instinctively started to grind into each other. She started to work her pussy up and down my cock.

“Don’t fuck, mom,” I said, pulling her hips down. “Grind circularly into me. Let’s feel our love and passion.”

We resumed the kiss as we ground into each other. Her pussy twitched and leaked constantly. Her heat continued to climb, and she ground her pussy into me more and more urgently. She finally broke the kiss.

“I am going to come,” she gasped. “I am going to come for you all over your big hard cock.”

“Yes, mom, come for your horny son who loves you more than anybody else ever can,” I urged.

She stiffened and came all over my cock, shoving her pussy around as I held on to her hips tightly. Her pussy wildly pulsed around my cock, drenching my cock and balls with its gushing juices. I looked at her beautiful face as it twisted in lustful concentration.

“You look so beautiful when you come,” I said, smiling softly as she gasped, recovering from her wild orgasm.

She smiled weakly before she collapsed on top of me, her pussy completely impaled on my cock.

“I love you, mom,” I whispered, holding her in my arms.

“I love you too, baby,” she whispered back.

She rested like that for a couple of minutes. I started to grind gently into her pussy.

“Nick, we shouldn’t be doing this behind your dad’s back,” she said softly.

“We are not,” I said.

“We are not?” she asked.

“No, mom,” I said. “First, the connection between you and me is the strongest connection in the world. We don’t need anybody’s permission to express our deepest love to each other. Second, we have dad’s permission.”

“We have your dad’s permission?” she asked.

“Yes, mom,” I said. “Although we didn’t really need to get his permission, I didn’t want to do this behind his back. I felt he might feel betrayed, so I told him all about it and got his permission.”

“What did you tell him?” she asked.

“We had a long talk,” I said. “I told him how much I loved you and wanted you. He was naturally shocked, but he listened to the end. He warned me that you’d either break my heart or I’d lose you forever. I told him I loved you so much I’d never do anything to jeopardize our love for each other or hurt you in any way. He told me that he was fine as long as I didn’t rape you or force you to do anything you didn’t want to and accepted your choices. You know I’d never do that to you even if he or you didn’t mind. He was sure I couldn’t get anywhere with you, and I made sure he’d accept and respect your choices as well no matter what they might be. He gave me his permission to seduce you, and now I am in heaven. I am back where I belong—inside the most beautiful woman in the world.”

“Did he really give you his permission to seduce me?” she asked softly.

“He did, mom,” I said. “I’d never lie to you about something like that and lose both of you especially you forever. He wants us to be happy, and I am now the happiest guy in the world. Are you happy too?”

“Yes,” she hissed.

“I can feel your love,” I said. “Your wonderful pussy hugs me so possessively because it knows I belong to you like I’d never belong to any other woman. I can feel how hot, wet and tight it is. You can also feel how big and hard my cock is. Can you feel it drool deep inside you like your little pussy drools all around it?”

“Yes,” she hissed. “You are filling me so completely. You are filling me like I’ve never been filled before. I love you, baby. I love you, Nick. I love you like I’ve never loved anybody.”

“I love you too, mom,” I said. “I am in heaven. I want to die now.”

“Nick, baby, don’t you ever say that,” she said softly. “I want you to live long so we can stay together and do this.”

“So do I, mom,” I said. “That was just an expression. Kiss me, mom. Show me how much you love me.”

“Nothing can show you how much I love you,” she said, smiling lovingly at me.

“I know,” I said as she slowly lowered her lips to mine. “Let’s have fun trying.”

Our lips met again, and we kissed passionately. As our tongues worked around each other, so did our crotches. We only stopped kissing when she was ready to come again.

“I am coming again for you, baby,” she gasped.

She shook uncontrollably, and, this time, she shoved her gushing pussy into the base of my cock wildly.

“Nick, I love coming on your big cock,” she gasped after her orgasm subsided. “It’s so intense.”

“So do I, mom,” I said. “I love making you happy, and I love how your little pussy feels around my big cock when you come for me. Let’s not stop. Let’s continue to be happiest.”

“Yes,” she hissed.

While she moaned contentedly, I pulled her up by the ass and hunched my hips to keep her fully impaled on my cock. Her tits were close to my face. I captured her left nipple and proceeded to suck it while I fondled her ass. She gasped, and her pussy twitched. I switched my mouth between her sweet nipples while she ground into me and I spread her ass cheeks and teased her asshole.

“Make me come, baby,” she moaned, grinding her pussy into the base of my cock as her orgasm approached.

She soon came, milking my cock crazily and gushing around it.

She showered me with light kisses while she recovered. We kissed passionately until she had her fourth orgasm. My hands were still working on her hot ass and teasing her little asshole.

“I love this,” she moaned. “You just want to keep me coming, don’t you?”

“I am just trying to help you have as much fun as I am having,” I said.

“Baby, I am having the hottest time I’ve ever had in my life,” she moaned.

“So am I, mom,” I said.

Since we both were having a wonderful time, I kept her coming on my cock for six more times, sometimes kissing her and other times sucking her tits but always teasing her vulnerable asshole.

“Why don’t you ride my big cock and get your horny little pussy fucked through a couple of more orgasms?” I suggested. “I think you’d enjoy that, and I know I will.”

“Oh, Nick, I’ve never come so many times at one time, and you want to make me come even more,” she moaned happily, kissing my lips between words. “I love you, baby.”

“I love you too, mom,” I said. “Now, look me in the eye and ride my big cock hard like a real cock-hungry slut.”

“I am ready for just that,” she moaned.

She gave me one last little kiss on the lips and proceeded to ride my cock, slowly at first.

“That’s right, mom, baby,” I urged as she picked up speed. “Get that horny little pussy of yours fucked fast and hard with the big cock it belongs to.”

“Yes, baby,” she gasped. “My little pussy belongs to your big cock.”

“That’s right, mom,” I said. “You in turn belong to me, you hot slut.”

Her pussy twitched as I called her a hot slut.

“You like having me call you a hot slut, don’t you?” I teased.

“Yes,” she hissed.

“You like being my slut, don’t you, mom?” I teased.

“Oh, yes,” she hissed.

“Show me how much you like it if you don’t want me to yank my big cock out of your horny little pussy,” I said.

“I love it so much,” she gasped, bouncing on my cock faster.

“Come for me, mom,” I urged. “I want my cock-hungry slut to come for me immediately.”

“Yes, baby,” she gasped. “I am going to come for you.”

She rode me harder, and I pinched her nipples and pulled on them. She came hard within half a minute.

“That was nice,” I said as she recovered. “Let’s see if you can do it again.”

“I need a little break,” she gasped.

“I don’t have a little break, mom,” I said. “I have a little spanking. Would that do?”

“I guess the break can wait,” she said, picking up the pace.

“I thought so,” I teased.

While she rode my cock, I massaged her asshole, transferring excess pussy juices to it.

“What you are doing to my asshole is driving me crazy,” she moaned.

“If you like it, come for me,” I said. “You know I love it when my wanton slut comes for me.”

“I am going to come for you, baby,” she gasped.

Her asshole twitched. It had been loosening up under my slick fingertips. At the right point, I popped the tip of my middle finger past her asshole. That was it for her. She stiffened and shook in orgasm. Her asshole twitched and jerked around my fingertip as her pussy contracted and gushed around my hard cock. She kissed me gently on the lips when she recovered. My finger was still up her ass.

“Your sweet asshole’s very sensitive,” I said softly, gently popping my fingertip from her asshole. “I love it.”

She lay on top of me, and I held her in my arms.

“Did you enjoy being my slut?” I whispered.

“I loved it,” she whispered.

“I did too,” I said. “You made quite a mess there. How would you like to turn around and let me lick your soaked pussy clean while you clean my drenched cock and my balls?”

“I’d like that,” she said.

“If you are a good girl, I’ll fuck your horny pussy and make you come a few more times,” I said.

“I’ll be a good girl,” she said as I yanked the covers away. “I love coming on your big cock.”

“Let’s do it, baby,” I said, slapping her ass playfully.

She spun around, straddling my head. I admired her glistening pussy and cute asshole. I gave her clit a soft kiss before I proceeded to lick her asshole, enjoying her special flavor blend, while she licked my cock head.

“What are you doing?” she asked, her asshole tensing up. “You shouldn’t lick me back there.”

“Mom, I love your sweet asshole,” I said. “Relax, and let me show you how much I do. You know you love it.”

She took my cock head into her mouth and proceeded to suck me deeper and deeper. I returned my tongue to her asshole and resumed licking it eagerly. Her asshole relaxed, and she moaned and pushed her ass back.

“What you are doing actually feels so good,” she moaned.

“Why else would I do it?” I said. “I actually have another reason. I love licking your delicious asshole.”

She moaned over my cock. She had not licked my sticky balls by the time I had her gasping as her orgasm approached. She stopped sucking my cock.

“Nick, I can’t believe this,” she gasped. “I am going to come.”

Clearly that was no time for me to talk. I devoured her luscious asshole until she stiffened and shook in orgasm. Her asshole twitched wildly around my tongue tip.

She laid her face against my cock while she recovered. I gently lapped up her juices off her pussy. She recovered and started to lick my sticky cock. She found herself licking my balls. As her pussy squeezed out fresh juices, she took my cock in her mouth and proceeded to suck it and moan around it. I devoured her leaky pussy.

While she sucked my cock as deep as she could, her pussy leaked freely around my tongue. I licked and sucked her pussy lips and clit and explored her pussy, fucking it with my tongue, and she leaked happily. It was not long later when she came all over my mouth and face, riding my face ecstatically.

She recovered while I licked her asshole. She humped my tongue as she took my cock in her mouth. I ate her asshole hungrily, and she sucked my cock almost as hungrily. She finally let go of my cock and came all over my tongue, her little asshole in ecstatic spasms. We rested for a minute with my arms around her and her head lying on my thigh with her lips touching my cock.

“Mom, you were not all that bad,” I teased. “Do you want to get fucked again?”

“Nick, this feels more like fantasy than reality,” she moaned. “I sure would love to get more of your superb cock.”

“Get off me but otherwise stay on your hands and knees,” I instructed.

“You want to fuck me from behind?” she asked as she got into position next to me.

“Yes, mom, but first I am going to fuck your face,” I said as I got up. “Your face is pretty, and your hot lips are perfect for my big cock. I can’t be with the hottest slut in town and not take full advantage of her.”

“Nobody has ever done that to me,” she said. “I wouldn’t have let them.”

“I know you saved the best for me,” I said, crawled and knelt before her. “I am giving you my best too.”

“You’ve already given me the best fuck of my life,” she said as I reached under her and squeezed her tits.

“Not really, mom,” I said. “I am not even halfway done with you. You are going to get fucked royally today. Now, suck my big cock. Let’s make sure it will be ready for the serious fucking you deserve.”

“I’ve never seen a cock this ready,” she said. “I’d love to double check though.”

“Check it thoroughly while I watch that hot ass of yours shake and move,” I said.

“I love how big and thick your cock is,” she said. “I love sucking it. My only regret’s that I can’t take it all the way down my throat.”

“You won’t regret that for long, mom,” I said. “I’ll show you how to do that. I want to fuck your throat too. I want you to belong completely to my big cock. I love you too much to rob you of that.”

“I’d really love it if you could teach me,” she said.

“I am going to teach you everything I can so you can enjoy yourself most,” I said. “Now, be my hot cocksucker.”

“With pleasure, baby,” she said.

She sucked my cock gently at first. She sucked it more and more deeply, getting hungrier and hungrier. I thrust gently in her mouth. She was taking it deep enough to gag. I helped her first by tilting her head and aligning her mouth and throat. She was able to take me deeper.

“Relax your throat, and gradually take it deeper and deeper,” I instructed as I stopped thrusting into her.

She followed my suggestions and was able to take me deeper and deeper. Her gag reflex weakened with every new stroke. She took a few minutes before she gathered her courage and pulled my cock all the way down her throat. She tensed a little as she held my cock balls deep in her mouth before she let it out and gasped.

“I did it,” she said excitedly.

“Of course, you did it,” I smiled. “My gorgeous mom was made for my big cock. She can and will do everything possible to please the big cock she belongs to. Practice until it feels as natural as it should be.”

She practiced for several minutes, and I thrust in her throat. I held her head and proceeded to fuck her throat gently. As she became more and more relaxed and comfortable with it, I fucked her throat harder. She took it all and pushed her head forward for more.

“The hottest slut in the world can and will do anything for me,” I said. “I knew you couldn’t disappoint me. My big cock’s so pleased with you.”

With my cock plugging her throat rhythmically, she was not able to talk.

She enjoyed having me fuck her throat almost more than I did. We did that for fifteen minutes before I slapped her face playfully with my sticky cock and knelt behind her.

“Is your horny little pussy ready for the big cock it belongs to, mom?” I teased.

“It always is, baby,” she moaned.

My cock seemed to know where it was going. It pointed straight at her wet pussy. I grabbed her hips and lunged forward. My cock sank all the way into her pussy without any guidance, making her gasp. I proceeded to fuck her. Before long, the sounds of moans, groans, flesh slapping and wet squelching filled the room. I gave it to her, and she loved every moment of it, shoving her ass back for more. I spread her ass and enjoyed watching her little asshole wink with every stroke.

“Mom, your ass is beautiful,” I said. “I love watching it while I fuck your pussy hard.”

“I love the way you fuck me, baby,” she gasped. “Your big cock’s perfect for me.”

“I can see your stretched pussy too,” I said. “It greedily swallows my entire big cock every time.”

“It’s so hungry for your big cock,” she gasped. “It loves your big cock.”

“Your sweet asshole mischievously winks at me with every stroke,” I said. “It’s flirting with me. It’s breathtaking.”

“I think it likes you,” she gasped.

“I love it,” I said. “I wish I could kiss it while I continue to fuck you.”

“Nick, you are the only one ever who made me feel that my little asshole’s something nice,” she gasped.

“If you think your sweet asshole’s something nice, you misunderstood me,” I said. “It’s something fantastic.”

“Baby, you make me so proud of myself,” she gasped.

“You are an amazing woman, mom,” I said. “You should be very proud. Other women should be envious.”

“Thank you, baby,” she gasped.

“Are you ready to come for your horny son?” I asked.

“Oh, yes,” she gasped. “I am about there.”

“Let’s make your hot pussy very happy,” I said as I held her hips tightly and pounded her cock-hungry pussy.

It only took her several seconds before she stiffened and shook in orgasm.

“My pussy’s coming for you and for your amazing cock, baby,” she gasped.

She convulsed while I hammered her gushing pussy. She finally went limp, lowering her head to the bed.

“I love coming for you,” she gasped.

“I love it even more than you do,” I said. “I assure you that from now on you are going to be doing that a lot.”

“I know, and I love it,” she gasped.

While I lazily stroked my cock in and out of her drenched pussy, I used my left thumb to transfer pussy juices from the upper side of my cock to her asshole. She moaned and humped my cock and thumb. Her asshole and my thumb were soon very slick with her juices. I massaged her asshole, and she humped back happily. My slick thumb wormed its way into her ass, popping past her sphincter. She gasped softly.

“I like what you are doing to my little asshole,” she moaned.

“Do you know what the only thing I’d love better than fucking you like this is?” I asked.

“What is it?” she moaned.

“It’s fucking you up your sweet asshole,” I said.

“Oh, Nick, but you are too big for that,” she moaned, her asshole and pussy twitching around me.

“Would you let me fuck you up your gorgeous ass if I were not too big for that?” I asked.

“Of course, baby,” she moaned. “I’d do anything for you. Your horny mom belongs to you and to your big cock.”

“I am going to loosen up your little asshole and ream it out very gently until it’s ready for my fat cock,” I said. “You’d let me fuck your amazing ass if that didn’t hurt you, wouldn’t you, mom?”

“Yes, I would, baby,” she moaned. “Are you sure it wouldn’t hurt?”

“I am sure, and so you should be that I’d never do anything to hurt you in any way,” I said. “I promise you that I’d never let you do anything you are not ready for even if you wanted to.”

“Thank you, baby,” she moaned. “I know I can trust you.”

“Do we now agree that the sweetest ass in the world is all mine for the taking?” I asked.

“Yes,” she hissed, both her holes twitching happily.

“Mom, this is the most precious gift anybody could ever give me,” I said. “I love you.”

“I love you too, baby,” she said. “You are the only one in the world who deserves this gift.”

“I am not sure I do, mom,” I said. “I’ll tell you though that I am the luckiest guy in the world to get it.”

“I assure you that you deserve it, baby,” she said. “Your mom loves you like she’s never loved anybody. I wouldn’t stop you if you took your amazing cock out of my pussy right now and shoved it up my virgin ass.”

“You know I’d never do that,” I said. “I want you to have the hottest time possible, and you will.”

“I know, baby,” she moaned. “Now, fuck me. Fuck your slut mom. You know she’s all yours.”

“Of course, she’s all mine,” I said, picking up the pace. “I am so happy the hottest slut in the world is my mom and is all mine. Reach back and spread your amazing ass for me.”

She assumed the leapfrog position and spread her hot ass shamelessly with both hands.

“Yes, mom,” I cheered, working my thumb deeper up her ass. “Spread it like the dirty uninhibited slut you are.”

“I love being your dirty uninhibited slut,” she moaned as I fucked her pussy harder. “I love being yours.”

She fucked back lustfully, and her asshole continued to loosen up around my thumb as I reamed it out patiently. The pace of our fuck accelerated, and she was soon coming, both her holes twitching ecstatically around me.

“This feels so good, baby,” she gasped, convulsing.

“You have a very hot ass, mom,” I said.

Her wild orgasm subsided, but I did not slow down. She was soon fucking back again, both her fuck holes milking me. I was fucking her pussy with my cock and her ass with my thumb, and she loved it, bucking back for more.

“Your horny little asshole definitely knows what it was meant for,” I teased. “It milks my thumb so hungrily.”

“You’ve awakened it,” she gasped. “It now knows what it’s hungry for.”

“My big cock also knows it was meant to fuck the hottest ass in the world,” I said.

“I’ll go crazy if you don’t fuck my horny ass,” she gasped.

She soon stiffened and shook in orgasm. She got no break then either.

“Mom, your ass is the hottest part of your hot body,” I said as she started to fuck back after her orgasm. “I want all of you, but your hot ass is what I want most. I am going to fuck it so much you’ll know how much I love it.”

“When you fuck it, you’ll also know how much it loves you and needs you,” she gasped.

“You couldn’t be my slut if your hot ass didn’t crave my big cock more than anything you’ve ever craved,” I said.

“I am your slut, baby,” she gasped. “Every hole I have craves your big cock like nothing I’ve ever craved.”

“Every horny hole you have is going to get as much of my big cock as it can handle and then some,” I assured.

That was when her horny body shook in its third orgasm in that position.

“You are a great slut, mom, but you need to come harder for me,” I said as we fucked faster and harder.

Her next two orgasms almost drained her. While she caught her breath, I licked her wet pussy and ass leisurely.

“You are an amazing woman, mom,” I said. “You are so hot and delicious.”

“You are an incredible young man, Nick,” she gasped.

When she recovered, I rolled her over onto her back and kissed her mouth and nipples. While I sucked her nipples, I maneuvered my cock into her pussy. I fucked her gently while sucking her nipples and licking her entire tits. After a little while, I rose on my arms and proceeded to fuck her pussy hard to orgasm.

“Are you ready for me to fuck your gorgeous tits?” I asked as she panted.

“Yes,” she smiled.

She moaned as I licked the inside of her tits, drooling on them. I withdrew from her pussy and straddled her, laying my glistening cock in her slick cleavage. She smiled at me as she squeezed her tits around my cock. I fucked her tits gently before I propped her head up with my right hand so she could lick and suck my cock head every time it emerged at the top of her cleavage. She eagerly did.

“You are so beautiful I want to fuck you in every possible way,” I said.

“Yes,” she hissed.

A few minutes later, I let go of her head and fucked her tits harder. I was finally ready to come.

“I am going to come on your fine tits,” I announced as I pulled out of her cleavage and stroked my cock vigorously.

“Come for me, baby,” she urged, holding her tits for me. “Come all over your slut’s big tits.”

My cock twitched and started to spew come. I aimed my cock and hosed down her tits with thick come. When my orgasm ended, I used my cock head to massage my come into her tits thoroughly.

“You are so hot, mom,” I said as I pushed my softening cock forward.

Her mouth welcomed my cock, and she proceeded to suck it gently. My cock started to get hard, and I thrust in her mouth. A few minutes later, I was fucking her throat gently. I held the back of her head as I fucked her face deeply, pressing my balls into her chin every time.

In the end, I let go of her head and playfully slapped her face with my sticky hard cock. She smiled at me.

“Get on your hands and knees, you hot slut,” I said as I dismounted her.

She got on all fours, and I knelt behind her. I kissed her sticky pussy and asshole before I pushed my cock into her pussy. She moaned and pushed back. I grabbed her hips and put it to her. I only slowed down after she had three big orgasms that made her lower her head and shoulders to the bed. I guided her hands to her ass, and she spread it.

Before she recovered, I pulled out of her drenched pussy and flicked my glistening cock head on her asshole. I then gave her sticky asshole a long tongue kiss. She moaned and ground her ass into my mouth. I broke the kiss and gave her soaked pussy a big kiss. She kissed back again. I returned to her asshole.

“Oh, Nick,” she moaned. “This is the hottest time of my life.”

“Wait until I grant your sweet little asshole’s wish,” I said.

“I can’t wait,” she groaned.

“It won’t be long,” I assured. “When you see dad for the next time, you’ll be all mine with every hole you have.”

“I am all yours, baby,” she moaned. “I want you to take all of me.”

“I will, mom,” I assured.

She moaned when I resumed kissing her asshole. I kissed her asshole leisurely, licking and probing its pucker with my tongue tip, for a few minutes. I then proceeded to eat it, establishing a rhythm, and she pushed her ass back in my rhythm. It was soon obvious that she was going to come.

“My horny asshole’s going to come on your tongue,” I said.

My reply was to pick up the pace. Hers was to stiffen and shake in orgasm, her asshole twitching around the tip of my tongue. I flicked and sucked her fluttering asshole until her wild orgasm subsided. I showered her asshole with kisses while she recovered. I gave her wet pussy a kiss before I got up.

“You are now going to take an enema,” I said. “I want your bowels to be clean when they drink my hot thick come. I want my come to go straight into your bloodstream.”

“I don’t have an enema bag,” she said as I reached under the bed.

“Now, you do,” I smiled, handing her a new enema package.

“You are always ready,” she smiled.

“I’ve been dreaming about your hot ass,” I said. “I wouldn’t let something silly ruin our most special day.”

“I’ll be right back,” she said, taking the enema bag with her.

---

While mom disappeared, I took the chance to shower and refresh. I retrieved the lube and relaxed for a few minutes while mom finished and came back.

“How would you like me?” she asked.

“Face down and your gorgeous virgin ass up and spread wide,” I said. “Your sweet cherry’s going to be eaten for the last time before it’s popped.”

“You want my ass shamelessly exposed like it was before I left?” she asked.

“I want it proudly not shamelessly exposed, but because you are shameless, shameless is appropriate,” I said. “We are going to pick up where we left off. Your virgin ass is soon going to be a vague memory.”

“I hope I can forget it very soon,” she said.

“I’ll help you,” I said. “You’ll have so much memories of your hot ass getting fucked there will be no room for any memory of your sweet ass cherry. I’ll have a clear memory of popping it for you.”

She got into position and spread her ass wide for me.

“You are so wet, mom,” I teased. “Is that how much your sweet asshole wants my big cock?”

“It’s more than that,” she moaned, squirming. “My asshole *craves* and *needs* your big cock.”

“It’s so beautiful,” I said. “It’s mouthwatering.”

“Take it, darling,” she said. “It’s yours and only yours.”

“I’ll take it, mom,” I assured. “My big cock’s drooling like your pussy. It can’t wait to claim your virgin asshole.”

“Yes,” she hissed when my lips touched her anal pucker.

She moaned and pushed her ass back into my face as my mouth claimed her asshole. She squirmed as I kissed her asshole and probed it with my tongue. My hunger for her asshole and its hunger for my cock increased quickly as I continued to kiss and suck her asshole. She urgently pushed her ass into my mouth as her orgasm approached. She finally stiffened, and her asshole twitched around my tongue in orgasm. I showered her asshole with gentle kisses while she gasped for air.

Before she could recover completely, I was gently massaging her asshole with my thumb. I added lube to her asshole little by little. I used my thumb to work the lube inside her relaxing asshole. She moaned and humped back, her asshole milking my thumb. I gently fucked her asshole and reamed it out with my thumb as I continued to add lube. I replaced my thumb with my index and middle fingers and continued ream out her receptive asshole, twisting and swirling my fingers within her tight sphincter. She humped my fingers more urgently. I squeezed my ring finger in and proceeded to finger fuck her ass at a nice pace. Soon, the pace picked up, and she ended up gasping and coming around my fingers. She shook wildly as I diddled her jerking ass vigorously.

“Are you ready?” I asked, gently swirling my fingers within her stretched asshole.

“I’ve never been this ready for anything at all,” she gasped.

“Roll onto your back, pull your knees to your lovely tits and spread your virgin ass for the last time,” I directed.

“You got that, baby,” she gasped as I popped my fingers out of her ass.

She got into position while I thoroughly lubed my cock.

“You are so wet,” I teased. “You really want my big hard cock up your virgin little ass, don’t you?”

“I need it so bad I am about to cry,” she said. “Please give it to me.”

“I need it even more than you do,” I said as I aimed my cock at her asshole and pushed gently.

“Ask me to fuck your hot virgin ass,” I said.

“Please fuck my virgin asshole, baby,” she begged. “Please fuck your mom’s horny ass, Nick. Take all of me.”

“Yes, mom,” I said, pushing firmly into her ass.

“Finally, your big cock’s going where it belongs,” she said as my slick cock head dented her relaxed asshole.

“My big cock’s claiming the best thing it has ever wanted,” I said.

Her little asshole dilated, opening up for the cock it was so hungry for. My bulbous cock head slipped past her sphincter, making her gasp. Her asshole tightened around my cock.

“Nick, I am going to come,” she gasped. “Your slut’s horny ass is going to come around your amazing cock.”

“Come, mom,” I said, firmly driving my cock into her hot ass. “Show me you are the hottest slut in the world.”

She had already stiffened, but I thrust into her. I did not want her orgasmic spasms to eject my cock. My shove into her ass triggered her orgasm. She shook and gasped. Her asshole twitched, and I thrust into her between every two spasms. My cock was finally balls deep up her convulsing ass, and she was still coming hard.

“Oh, Nick, I can’t stop coming around your wonderful cock,” she gasped.

“You don’t have to,” I said as I thrust in her ass. “Keep coming for the big cock your hot ass belongs to.”

By the time her orgasm finally subsided, I was pounding her ass, and that made it harder for her orgasm to end.

“Oh, mom, this is the hottest thing in the world,” I said, gently thrusting in her ass after she recovered from her first anal orgasm around my cock.

“It is, baby,” she gasped. “I can’t believe how wonderful it is.”

“Is it what your gorgeous ass was made for?” I asked.

“Oh, yes,” she gasped. “I’ve never thought there could be anything this mind blowing.”

“I told dad that I was obsessed with your amazing ass and I wanted to fuck it,” I said. “He warned me that you’d never let me, telling me that you’d never let him, but he was okay with it as long as it was okay with you.”

“Did you really tell your dad you’d fuck my ass?” she asked, fucking back.

“Your ass is so hot,” I said. “I knew it was full of love and lust. I wanted it like nothing else in the world. I had to be honest with dad. I wanted all of you especially your amazing ass. He had to know I wanted it to be all mine.”

“It’s now all yours, darling,” she said. “It’s yours to do whatever you want to it.”

“Now and forever,” I said. “You’ll never give it to anybody else, will you?”

“No way, baby,” she moaned. “This ass is yours and only yours. Fuck it, darling.”

“I’ll fuck it, mom,” I assured. “I’ll fuck it because that was what it was made for. It was meant to be fucked royally, and that’s exactly what I am going to do to it. You’ll love it. We’ll both love it.”

“I know, baby,” she said. “I love it already. I can’t believe how much I love it.”

“I bet dad will be shocked when he finds out that the hottest ass in the world has now become mine,” I said.

“I bet,” she said. “Don’t tell him yet though.”

“I don’t want to tell him,” I said. “I want him to watch me enjoy the hottest thing in the world. I want to show him that my mom’s the hottest woman in the world and she knows exactly what her gorgeous ass was made for.”

“It was made for this wonderful cock,” she moaned, squeezing my cock. “Maybe one day we can let your dad know that my horny ass and your big cock belong together.”

“They look so beautiful together,” I said. “Your pussy’s so wet its juices are soaking my cock and your asshole. That would be a great treat for dad if he weren’t jealous about it.”

“I bet he’d be very jealous,” she said. “I’ve given my ass that he’d always wanted to his handsome son and will never give it to him or anybody else. My ass is finally with the man it belongs to, and it will stay forever with him.”

“I bet you didn’t give your hot ass to anyone else because nobody else has ever figured out how precious it is,” I said. “I know how precious it is, and I know that nobody deserves it, including me.”

“Of course, you deserve it, darling,” she said. “You are the sweetest and most special person in the world.”

While we talked, I leaned over her and fucked her ass gently. I pecked her on the lips, but we ended in a big passionate kiss. When we broke it, I was fucking her eager ass briskly.

“Oh, Nick, I’ll never get enough of your amazing cock up my horny ass,” she gasped.

“You are not supposed to,” I smiled. “I am supposed to keep fucking your hot ass indefinitely.”

“I am glad you know how greedy my ass is,” she gasped.

“You’ll soon find out it isn’t easy for it to be as greedy as my big cock when it finally got what it’s always craved,” I said, fucking her ass harder.

She soon stiffened and had an orgasm almost as big as the previous one, but I did not slow down after her orgasm subsided. I pounded her ass vigorously until she came again.

She recovered, and I pushed her ankles down on either side of her head, tilting her ass further up. I fucked her ass faster and harder. I was soon drilling her splayed ass like a jackhammer. She gasped and babbled incoherently, still spreading her ass wide for me. A couple of minutes later, she stiffened and had her wildest and hardest orgasm ever. I did not stop or slow down until she had a similar orgasm.

“Are you ready to get fucked in the ass from behind like a bitch in heat?” I asked as she panted.

“I am ready to get fucked in the ass any way you want, baby,” she gasped. “I’ll be your bitch if you want me to.”

“Get into position, and let’s keep your cock-hungry ass feeding voraciously,” I said, slowly pulling out of her ass. “Get on your hands and knees this time. I want you to use your arms to push your horny ass into me. Be my bitch.”

“With pleasure,” she said, rolling over.

She got into position, and I gave her loosened asshole a deep kiss, making her moan.

“You really love my asshole,” she moaned, grinding her ass into my face.

“Of course, I love it,” I said, breaking the kiss and squeezing lube on her hot asshole. “It’s the loveliest thing ever.”

“Keep fucking it, baby,” she moaned as I pushed my cock into her eager ass.

“That’s what I have in mind until dad’s ready to come home unless you want him to catch me showing his sexy wife the hottest time of her horny life,” I said, thrusting in her ass.

“Not today, baby,” she gasped, fucking back harder.

As our pace accelerated, I grabbed her hips and put it to her. She came almost immediately. I made her come three more times with hardly any break. Her fifth orgasm approached quickly very soon.

“I am going to come deep in your sizzling ass,” I announced. “Do you want me to?”

“Of course, I do, baby,” she gasped. “My greedy ass needs your come so deep inside it.”

“It has to come for me if it really wants it,” I said.

Her ass came for me within half a minute, shaking and jerking hard. When her orgasm peaked, I let go of mine.

“I am coming, mom,” I grunted. “I am flooding your hot ass with hot thick come. Take it all up your amazing ass.”

“Give it to me, baby,” she gasped, shoving her ass back even harder. “I want it all.”

My swollen cock twitched and fired thick slimy come deep in her twitching ass with great force. It was my most powerful orgasm and the most powerful orgasm for her. I flooded her sucking bowels with come before my orgasm finally subsided.

“Your cock felt as if it were going to explode in my ass,” she gasped.

“It almost did,” I said. “It was my most special orgasm in the most special fuck hole I’ve ever had.”

“It was as special for me too,” she gasped.

“I am not done with you or your hot ass yet though,” I said.

“I must be such a lucky bitch,” she gasped.

“I am the lucky one, mom,” I said. “That’s why I don’t want this fuck to end ever.”

“Me neither,” she said.

“Squeeze your asshole tightly to drain my cock completely,” I said as I slowly pulled out.

Her loosened anal muscles milked my cock dry as I popped it out.

“Suck it, and make it hard again,” I said as I lay back. “Bring your drenched pussy for me to clean it up too.”

She mounted me in the sixty-nine position, and we both went to town very eagerly.

My cock was rock hard by the time I cleaned her pussy and ate each of her fuck holes to orgasm. I finally lubed her asshole. She turned around and straddled me in the cowgirl position, guiding my cock into her horny asshole.

## PHONE AND SEX

After mom had a wild anal orgasm on my cock in the cowgirl position, she got onto her hands and knees. I lubed her asshole and fucked her ass from behind in the doggy position at a brisk pace.

“Let me call your dad and make sure he’s okay with this,” she said.

“Are you going to tell him that I am fucking you up the ass?” I asked.

“Of course not,” she said. “I just want to tease him a little. Didn’t you say he gave you permission to fuck me?”

“Yes,” I said.

“I’ll tease him about the idea,” she said.

“Are you going to talk to him while I fuck your hot ass?” I asked.

“Yes, baby,” she said. “I want you to fuck all my holes while I talk to him. Wouldn’t you like that?”

“Of course, mom,” I said. “You are the hottest mom in the world.”

She took my cellphone and dialed dad’s office number.

“Hi, Nick,” replied dad.

“It’s me, honey,” she said.

“Hi, Amy,” he said. “Are you okay?”

“Yes, I am fine,” she said.

“Is your cellphone out of battery?” he asked.

“No, it’s fine,” she said.

“Why are you calling from Nick’s phone?” he asked.

“I am in his room, and his phone was handy,” she said. “My phone’s in the kitchen.”

“Okay,” he said.

“Do you have a few minutes?” she said.

“Sure,” he said.

“Did you notice that Nick has recently developed a special liking for my butt?” she asked.

“What do you mean?” he asked with concern.

“Relax,” she said. “It’s no big deal.”

“Does he stare at it, touch it or talk about it?” he said.

“I am sure he does all that and other things, but that isn’t what I am talking about,” she said.

“What are you talking about then?” he asked.

“He looks at my ass in a special way,” she said. “It isn’t like anybody else’s. He doesn’t look at it like you do, like a teenager looks at a woman’s ass and definitely not like a guy looks at his mom’s ass.”

“How does he look at it?” he asked as I thrust my hard cock in mom’s face.

“Give me a few seconds to collect my thoughts,” she said, smiling at me.

She took my cock in her mouth and deep throated it for several seconds. I gently thrust in her throat.

“His look says that he feels that my ass should be his but not in a purely lustful way,” she said as I knelt behind her and pushed my cock into her pussy. “It’s like he’s in deep love with my ass.”

“He’s in deep love with your ass?” he asked as I fucked her pussy leisurely.

“Yes,” she hissed as I put my cock in her ass. “I feel that his look’s full of love, passion and lust for my ass.”

“Do you want to talk to him, or do you want me to talk to him?” he asked.

“If you say a word to him, I’ll never share a secret with you,” she said. “What would you say to him anyway? Don’t love your mom’s ass? Don’t think your mom has a sexy ass? Don’t fantasize about your mom’s ass?”

“He shouldn’t do that,” he said.

“You have no clue, honey,” she said. “You have no clue about what he’s doing, what he can or should do. Never intervene between a mother and her son. You don’t know anything about it. Do you know what his looks do to me?”

“What do they do to you?” he asked.

“They set my ass on fire,” she said. “My asshole tingles, my pussy twitches and leaks, and my juices run down my legs. I bet you didn’t know that.”

“You can’t do that,” he said. “He’s your son.”

“Honey, everybody can do what they already do,” she said.

“Well, you shouldn’t,” he said.

“Do you think I do that deliberately?” she asked. “My asshole tingles because his looks tell it that he wants to fuck it. My pussy twitches and leaks because his looks tell it that he has a powerful cock that wants to fuck me hard.”

“He shouldn’t look at you that way,” he said.

"He looks at me that way because in his mind I have a sexy body that warrants that look," she said. "Do you think I have such a hot body, or is he delusional?"

"You definitely have such a body, but he shouldn't look at it that way," he said.

"You mean he shouldn't know that I do?" she said. "That's silly. Maybe you are jealous because he pays me attention more than you can afford to."

"Of course not," he said.

"If you saw the big boners he had for me, you'd be jealous," she said.

"You even see his boners?" he asked.

"He has a big cock," she said. "He can't hide it."

"He should try," he said.

"His looks at my ass have roasted my pussy and ass," she said. "I am now well done."

"You shouldn't think that way," he said.

"My pussy and ass don't speak English," she said. "They have their own language that he speaks so eloquently."

"You need to put them under control," he said.

"You don't know how wet I am as I feel that big hard cock of his thrust nice and deep in my ass," she said. "I am now naked in his room. My juices are dripping on his sheets. My asshole milks his big cock, and my pussy leaks."

"You are naked in his room?" he asked with concern. "Where is he? What if he came home and caught you?"

"What would he do if he caught me naked and dripping on his bed?" she teased. "I don't think he could do anything I didn't want him to. What would a very horny kid do if he found his slutty mom ready for the taking?"

"Are you bored and making all this up?" he asked.

"I am not bored, but it's definitely time to change paces," she said, bucking faster. "It's time for me to come. I've never come while talking to you on the phone. I am going to come right now. I am going to have a big orgasm."

"Are you masturbating?" he asked as I fucked her ass harder.

"Fuck my ass, Nick, baby," she urged. "Show your dad how much you love it and it loves you."

She gasped and groaned into the phone as I drilled her ass vigorously. He continued to talk, but we did not pay any attention to what he was saying. She came within half a minute. She came so hard I almost lost control myself.

"Thanks to Nick, that was one of my wildest orgasms ever," she gasped. "Do you think I should tell him or let you tell him not to love my ass this much? My horny son and my horny ass are in love, and I want them that way."

"If you don't want me to intervene, why are you telling me this?" he asked.

"Can't a wife confide in her husband?" she teased. "Would you like it better if I shared this conversation with Lydia and let her listen to me as I had one of my wildest orgasms ever on my son's big hard powerful cock?"

"Of course, you can confide in me," he said. "I obviously wouldn't want you to share this with Lydia either."

"Though, she might share some of her juicy fantasies or adventures with me instead of chiding me and telling me that neither I nor my son should think or act this way or that," she teased.

"I am sorry about that," he said. "I didn't mean it to be like that."

"That's okay," she said. "Let me go now before I use up Nick's minutes. Bye, honey."

"Bye, Amy," he said. "I love you."

"I love you too," she said before she hung up.

"Mom, you are so wicked," I said.

"I didn't ask my dad to let me fuck my mom or told my son he could," she said. "I just let him."

During the following hour, she came on my cock in several different positions. I only put my cock in her pussy in the middle of her anal orgasm when I was about to come. I filled her pussy with come and used my cock to work the come leaking out of her pussy into her asshole. In the end, I wiped her sticky pussy and asshole with my fingers and had her suck them clean. She did without hesitation.

She revived my cock again, and I lubed it and resumed fucking her horny ass. An hour later, I came in her mouth.

We showered together, having our most enjoyable shower ever. After we dried each other, I followed her downstairs to the kitchen.

She sat on the counter and pulled her knees to her chest before she called dad at the office.

"Honey, do you have a few minutes?" she asked. "Can I talk to you for a little while?"

"Sure, honey," he said. "Is there a problem?"

"Oh, no, not at all," she said. "I just want to talk to you. Do you feel better about our previous phone call?"

"Yes," he said. "Do you?"

"Of course," she said. "I enjoyed it so much. You heard me come my ass off."

"I sure did," he said.

"You can't believe the crazy things I did today," she said excitedly.

"What did you do?" he asked. "Does it have to do with Nick?"

"Is he your rival now?" she teased.

"I didn't mean it like that," he said. "I am sorry."

"As a matter of fact, it has to do with him," she said. "Are you mad now?"

"No, of course not," he said.

"He talked me into modeling my birthday suit for him," she said.

"What?" he asked in total confusion. "What suit?"

"I wore high-heeled sandals and paraded for him around the swimming pool completely naked," she said. "He loved watching me do that, and I loved it too."

"How did he talk you into doing that?" he asked.

"He's so sweet," she said. "I think he can talk a snake into kissing a mouse. I am sure he can talk me into doing anything at all. He loves me, and I love him after all."

"How did it happen?" he asked curiously.

"He gave me two swimsuits as gifts," she said. "When I saw them in my bedroom and tried them, I thought I'd never wear them. They were so outrageously skimpy. They covered very little besides my pussy lips and nipples."

"Okay?" he said.

"When he asked me to model them for him, I naturally turned him down," she said. "We talked, and he kept telling me how beautiful I was. In the end, I agreed to model one for him. I was already trembling when I walked to the bedroom and he waited for me. I picked the lesser evil and put it on with high-heeled sandals."

“You decided to model a very skimpy swimsuit for your son?” he asked.

“Yes,” she said. “I was so excited about it. When I came out of the house and made a few steps, he had me go back and redo it because I didn’t walk like supermodels on the catwalk. When he finally approved, I paraded around the swimming pool. I felt an unbelievable rush. My nipples were stiff, and my pussy was hot and wet. I felt like a teenager about to get her first kiss. I loved the effect I had on him. He followed my every move.”

“You were half naked strutting your tits and ass for your son,” he said.

“I was more like ninety-nine percent naked,” she said. “The swimsuit hardly covered anything besides my stiff nipples and most of my dripping pussy lips. It was an intoxicating experience. When I was done, he easily talked me into modeling the other swimsuit. The other swimsuit was identical except that it was completely sheer.”

“You mean you’d be virtually naked,” he said.

“Yes,” she said. “By the time I reached the bedroom, my swimsuit bottoms crotch was soaked. I came back and modeled the sheer swimsuit, and we loved it even more. I felt like a supermodel parading while men gawked and drooled, but Nick didn’t gawk or drool. He was very sensible, but he enjoyed everything I showed or did.”

“Of course,” he said. “You were acting like a stripper.”

“He didn’t make me feel like one,” she said. “He made me feel like a beauty queen. If he made me feel like you are trying to make me feel, I wouldn’t talk to him.”

She smiled at me. I gently dipped a finger in her dripping pussy and then brought it to her mouth. She sucked it quietly and smiled when I pulled my finger out.

“I am sorry,” he said. “I didn’t mean it like that. I thought maybe that was how he felt.”

“That was a cheap shot, honey,” she said. “Don’t think like that about our son. He deserves better.”

“Okay,” he said. “Sorry.”

“Do you want me to continue?” she asked. “I am not sure I should tell you more when you have this attitude.”

“Please continue,” he said. “I’ll do better.”

“After I modeled the sheer swimsuit, I was dying to parade naked for him,” she said. “I was so excited I could feel my pussy leak. When he asked me to model my birthday suit, I only tried to hide my excitement.”

“You wanted to parade naked for your own son?” he said.

“Yes,” she hissed. “I felt like such a slut, and I loved it. I am sure he loved it too.”

“You knew that you were acting like a slut?” he asked in disbelief.

“Of course, I did,” she said. “I wasn’t drunk or drugged. I was in my full mental capacity if you can call it that when my dripping pussy’s in complete control.”

“What happened then?” he asked.

“I went back to the bedroom to change into my birthday suit,” she said. “By the time I returned, I could feel my pussy juices run down my thighs, and that made me even wetter. I paraded for him, and he liked what he saw. When I was done, he had me sit on the tabletop, pull my high-heeled feet up and spread my knees wide.”

“That was outrageous,” he said. “Did you do it?”

“I hesitated, but he easily talked me into it,” she said. “I was exposing my dripping pussy and sticky thighs so shamelessly. I was so wet you could almost hear my juices flow. I’d never been that horny.”

“Did he have sex with you then?” he asked.

“No,” she said. “He obviously knew I was his for the taking, but he wasn’t done playing with me.”

“What did he do?” he asked.

“He asked for my permission to let him look at my pussy,” she said. “I naturally gave him permission, and he stared at my leaky pussy. His eyes made my pussy sizzle. He then asked if he could kiss it.”

“Did you let him?” he asked.

“Yes, but he wouldn’t do it,” she said. “I had to ask him nicely and say please.”

“You didn’t,” he said in disbelief.

“Of course, I did,” she said. “He tantalizingly slowly lowered his lips to mine. He gave my pussy a gentle kiss on the top. His kiss made me tremble. He didn’t comment on the fact that my pussy was running like a hot spring.”

“What did he do next?” he asked.

“He had me get on my forearms and knees to show him my ass,” she said. “He coaxed me into pushing my ass out proudly, and I did. That felt so hot. He asked me if I wanted him to kiss my ass, and I said yes. He said all I needed to do was ask, so I begged him to kiss my ass. He kissed my shamelessly splayed asshole.”

“He did?” he asked.

“He did, and it made me so hot, but I told him he shouldn’t do that because it was dirty,” she said. “He said that my asshole was so sweet and beautiful. He had me promise to let him kiss my pussy and asshole every day.”

“You promised?” he asked.

“Yes,” she said.

“How are you going to get out of that?” he asked.

“Who said I’d ever want to?” she asked.

“You are going to let him kiss your pussy and asshole every day?” he asked.

“Yes,” she said. “I loved it. He did too. As soon as I made my promise, he started caching on it. He deeply kissed my pussy, my ass and my mouth, and we both loved it. Our son’s such a great kisser whatever he kisses.”

“Is that right?” he said.

“It’s so right,” she said.

“What else did you do?” he asked.

“He banged his head on the tiles, and I took him to the hospital,” she said.

“What happened?” he asked with concern. “Is he okay?”

“He isn’t bad,” she said. “I wouldn’t be telling you all about my horny pussy and ass if he was in any danger. It was my fault though.”

“How was it your fault?” he asked.

“He knelt behind me and hugged my bare ass to his face,” she said. “He probably was dreaming. He obviously loves my ass more than anyone else can. I tried to pull away, but he wouldn’t let me. I finally wiggled away, and he fell. His head hit the tiles. It really scared me. Despite all that, he made sure I enjoyed the drive to the hospital.”

“What do you mean?” he asked.

“He had me take him to the hospital without underwear,” she said. “He had me spread a towel on the seat and hike my dress up so I wouldn’t get a wet spot on the back of my dress. Although I was worried about him, my pussy

continued to leak, especially when I thought that the people in the hospital would be able to smell my pussy just like he did. Do you think that made my pussy stop leaking while I waited in the hospital for over an hour?"

"It did not?" he asked.

"If anything, it made my pussy leak more freely," she said. "That was the horniest trip of my life. The doctor told me Nick just needed some rest. On the drive back, I had my dress hiked again. When we entered the residential area, Nick had me take my tits out. When I did, my pussy gushed. He knew how to make me do the hottest things."

"You drove the car with your tits out?" he asked.

"Yes, but that wasn't all," she said.

"What else?" he asked.

"He asked me to masturbate and come for him," she said. "I almost came when he said that, but I was afraid I'd wreck the car. He said he'd take care of it. He held the steering wheel and asked me to play with my tits and finger my pussy, and I did. I came almost immediately. It was one of the most intense orgasms I'd ever had."

"You masturbated with both hands while driving the car?" he asked.

"Yes," she hissed. "It was out of this world."

"You almost got yourself and your son out of this world too," he said.

"No, it wasn't that dangerous," she said. "He had control of the car."

"He obviously had control of the car and the driver," he said.

"He sure did," she said. "When I finished gushing on my fingers, he asked me to suck my fingers clean. I did."

"You were completely out of control," he said.

"On the contrary, I was under control," she laughed. "I was under *his* control."

"Nobody saw you go crazy while driving?" he asked.

"I don't think so," she said. "We soon parked in our garage. He told me to toss the towel and my dress aside and stay naked. I helped him to his bed and helped him take off his shirt and pants. He had the biggest boner I'd ever seen complete with a big wet spot. I wasn't the only one leaking all the time. My horny son loved every second too."

"Of course, he did," he said. "He had his mom under his spell. What more could he ask for?"

"Apparently not much," she said. "He lay down, and I went about my business."

"Is he still in bed?" he asked.

"No," she said. "He's now watching me talk to you. I am sitting on the kitchen counter in my birthday suit and high heels. My feet are pulled up on the counter, and my knees are next to my tits. He can clearly see my dripping pussy. I am sure in this position he can also see my little asshole. My pussy's still leaking profusely. Are you going to come home and fuck me, or are you going to leave me like this, knowing that he'd fuck me in a heartbeat?"

"I better come home and take care of you before you go completely berserk," he said. "It's no longer safe to leave you home alone with your own son."

"Oh, come on," she said. "He's harmless. He's just showing me the hottest time of my life. Aren't you, baby?" I nodded. "He's nodding."

"Can he hear what you are saying?" he asked.

"Sure," she said. "He probably can hear you too. I'll be fingering my pussy until you come home and take it."

"I'll be on my way," he said. "See you in a little while. I love you."

“I love you too, honey,” she said.

“Mom, that was amazing,” I said when she hung up. “You are seriously the hottest slut in the world.”

“Are you pleased with your slut mom?” she teased.

“Very much,” I said.

“Why don’t you use that boner on her?” she asked.

“That would be cheating,” I said. “You fuck dad until he can’t get it up or get up, and then we can talk.”

“Your dad will be home in fifteen to twenty minutes,” she said. “Are you going to keep licking my pussy until he finds you like this?”

“No,” I said. “I am going to lick your asshole while you finger your pussy like you promised. I’ll then kiss you and go to bed to rest.”

She leisurely fingered her pussy while I lazily licked her asshole. A few minutes later, I got up and gave her a deep kiss while she continued to play with her pussy.

“Have fun,” I said. “I love you.”

“I love you too, baby,” she said. “I’ll come to check on you soon.”

“Come first,” I teased.

“I will,” she smiled.

“Don’t let dad come in your pussy,” I said. “Have him come in your mouth and swallow.”

“I’ve never done that for him,” she said.

“Do it,” I said. “It’s my treat to him. Wouldn’t you do that for me?”

“You got that, baby,” she said.

“Thanks, mom,” I said before I left.

She toyed with her pussy and teased her stiff nipples while I watched for a minute, smiling at her. I left, and she continued to play with herself until dad came home.

---

Dad found mom on the counter doing as she told him.

“You were not kidding,” he said, surprised to find her naked and playing with herself.

“Of course, I wasn’t kidding,” she said, hopping off the counter.

“Let’s go to the bedroom,” he said, pulling her away.

“Uh-uh,” she said, shaking her head as she bent over the counter. “Grab my tits and fuck me from behind.”

“Right here?” he asked.

“Nick’s in bed, and Alex is out,” she said, squirming lustfully.

“You are sopping wet,” he said as he dropped his pants and set his hard cock free.

“What did you expect?” she moaned. “I’ve been horny all day thanks to our horny son.”

He aligned his cock with her pussy and shoved it in, making her gasp. He held her tits as she told him and proceeded to fuck her. He was soon pounding her drenched pussy. Within a few minutes, she came on his cock, shaking and groaning happily as her pussy drenched his pumping cock.

When her orgasm subsided, she pushed him back and went down to her knees. She took his sticky cock in her mouth and proceeded to suck it hungrily. She had never sucked his cock after he fucked her.

"I feel better now," she said. "Take me to bed and try to convince me that I don't need my horny son to take care of me at least when you are home. Show me that if I let him fuck me now, it's only because I am a depraved whore."

"You are so horny today," he said, getting rid of his pants and underwear. "I love it."

"Do you love it or do you love me?" she teased as he led her away.

"I love you," he said.

"I am sure Nick would love to play with me to keep me hot like this," she teased. "He loves it and me too."

"Does he really play with you, or are you making this up for my benefit?" he asked.

"Maybe both," she said.

---

Mom and dad started with sixty-nine in the bedroom. She came in his mouth before she turned around and rode him. She spent half the time riding his tongue and half the rest sucking his cock. She deep throated his cock for the first time, driving him crazy, and swallowed his come, shocking him.

"Wow!" he said after she swallowed his come for the first time. "You've never done this before."

"It's Nick's treat," she smiled.

"What do you mean?" he asked.

"You know I'd never been able to deep throat and I'd never swallow come," she said. "Nick taught me both and asked me to do it for you, his treat to his dad. He probably wants to thank you for something."

"Are you saying that I need to thank him?" he said.

"That's up to you," she teased. "Do you want him to know that I deep throat your cock and swallowed?"

"Maybe not," he said.

She continued to suck his cock eagerly until he was hard again. She then rode his face to orgasm. An hour later, she swallowed another load of his come.

"Do you like your new wife or do you want me to go back to what I was before?" she asked.

"I love my new wife," he said. "I don't know what got you this way, but I love it."

"What got me this way are these and my birthday suit," she said, showing him her skimpy swimsuits. "Smell the panty crotches to make sure."

He took the swimsuits and examined them, finding out how skimpy they were, before he smelled the crotches.

"They smell of pussy," he said. "Was it really Nick who got them for you?"

"Yes," she said.

"Did you really model them for him?" he asked.

"Honey, I've already told you enough about what Nick and I did," she said. "By the way, you should check on him. You didn't see him since he banged his head."

"Did he really bang his head?" he asked.

"Why don't you find out on your own?" she said. "Eat my pussy and make me come before you go."

He obliged her and spent ten minutes eating her pussy to orgasm. He then put on a robe and left for my room.

---

“Come in,” I called when dad knocked on my door.

He opened the door and came in. I was lying in bed.

“Hi, dad,” I greeted when I saw him.

“Hi, Nick,” he said. “Your mom said you banged your head. Are you okay?”

“I think I am okay,” I said. “I just need some rest because I was dazed a little.”

“Where did you hit it?” he asked, getting closer to me.

“Right here, dad,” I said, taking his right hand in mine and placing his fingers on the bulge in my forehead.

“Is it bad?” he asked.

“It hurts a little,” I said.

He moved closer to me, and I smelled mom’s pussy on his face.

“Dad, what did you have for lunch?” I said. “You smell like pussy. Wash up before mom takes notice.”

“Nick, I...um,” he said, getting up, unable to find what to say.

“Dad, don’t panic,” I smiled. “I am not telling.”

“Nick, it isn’t what you think,” he said awkwardly.

“Dad, I am not mom,” I said. “You don’t have to make apologies to me. I like a man who loves pussy.”

“Nick, I’ll see you later,” he said, rushing out. “I am glad you are feeling well.”

“Thanks, dad,” I called as he closed the door.

---

“You don’t look okay,” mom asked dad when he returned to the bedroom. “What happened?”

“I didn’t wash my face before I saw him,” he said. “He smelled you on my face and advised me to wash up before you noticed that I smelled of pussy. Can you believe that?”

“So, you told him it was the smell of his mom’s pussy,” she teased.

“Of course not,” he said. “I acted very awkwardly. He probably thinks it’s somebody else’s pussy.”

“Great,” she said. “Your son thinks you are cheating on me now. Are you?”

“Of course not,” he said. “You know it’s your pussy.”

“Do you want me to go clarify it to him?” she asked.

“Smelling like this?” he said. “You wouldn’t need to say anything. He’d know right away.”

“You’d rather have him think that you are a cheating bastard that takes me, his mom, for a fool?” she asked.

“No, no,” he said. “I don’t know what to do about this.”

“Let’s just hope that he still remembers the smell of his mom’s pussy from this morning,” she teased.

“I am going to take a shower,” he said, heading for the shower.

---

Seconds later, mom entered my room stark naked.

“You gave your dad a hard time for having my pussy juices all over his face,” she said as she came over and climbed onto my bed. “Are you jealous? Do you want some on your own face?” She straddled my face. “Go ahead.”

Her pussy was well fucked and well eaten, but it still tasted delicious and smelled great. I grabbed her ass and pulled her to me. I only let her go after she gushed in my mouth twice. After her first orgasm, I pushed my left thumb up her ass and wiggled it inside her.

“Are you still jealous, baby?” she asked, finally dismounting me.

She gave me a deep kiss, tasting herself on my lips and tongue, before I could answer.

“Mom, you are my girl,” I said, squeezing her tit. “I know that nobody can take you away from me.”

“That’s right, baby,” she said. “This slut’s all yours, and she will always be.”

“Thanks for the treat, mom,” I said.

“It may not be totally free,” she said, squeezing my boner. “I may come back for a treat for me.”

“Anytime, mom,” I said, squeezing her ass. “It wouldn’t be soon enough.”

“How is the swelling?” she asked.

“Which one?” I asked.

“Whichever,” she said.

“Better than ever,” I said.

“I’ll come back soon, baby,” she said as she left. “Keep it hard for me.”

---

“Where were you?” asked dad when mom came back to their room naked.

“I checked on Nick,” she said.

“Naked?” he asked.

“His room was dark,” she said. “He couldn’t see a thing.”

“He doesn’t need light to smell,” he said.

“He was teasing you,” she said. “He knew it was my pussy all right.”

“He told you that?” he asked.

“Come on, honey,” she said. “Your son knows that his dad isn’t a moron. He’d be a moron not to.”

“I guess you are right,” he said. “What did he say when his mom smelled like a French whore?”

“His mom never smelled like a French whore,” she said. “I am supposed to smell like this when I am well fucked. He isn’t a kid anymore. He knows that his dad’s supposed to fuck his mom well. What’s the problem?”

“Why don’t we let him watch us fuck?” he said sarcastically.

“Maybe because his dad’s a little self-conscious?” she teased.

“I can’t believe you did that,” he said.

“Like you can believe what *you* did,” she said.

“You apparently fucked my brains out,” he laughed.

“Let me go take a shower,” she said. “It’s too bad that I have to get rid of this sweet smell.”

“We need to have dinner,” he said. “If you keep the smell, your son may wonder what he’s supposed to eat.”

“My son would go straight to my juicy pussy,” she said. “His dad would get it wrong and eat over the table.”

“Maybe because he had enough,” he teased.

“In that case, he wouldn’t mind if I gave the leftovers to his son,” she teased.

“Go take a shower,” he said.

“Don’t worry,” she teased. “I wouldn’t do that to our son. I’d be very fresh and refreshed for him.”

---

Mom showered and joined dad for dinner and then watching television.

“Amy, you are naked,” he said. “At least, put on a robe.”

“We are the only ones here,” she said. “Nick’s in his room. He isn’t about to come down.”

He shrugged and let her be. Ten minutes after his show started, she got up.

“I am going to take dinner to Nick and check on him,” she said. “I’ll be back.”

“Naked?” he asked.

“After I left his room smelling of pussy for a week?” she said. “I’ve already been there naked too.”

He shrugged again and let her go.

---

Mom brought me dinner and closed the door. I was naked under the covers.

“I am back, baby,” she said.

She tossed the covers aside and helped me sit up.

“Eat your dinner, baby, while you feed me your thick juicy cock,” she said.

She sucked my hard cock leisurely while I ate my dinner. When I was done, she put the tray aside and pushed me onto my back. She mounted me in the sixty-nine position. She took my hard cock down her throat and went to work. I pulled her ass down and went to town devouring her sweet asshole. She came within five minutes. After she recovered, she lubed my cock generously. She straddled me in the cowgirl position.

“Get back where you belong, baby,” she said, guiding my hard cock to her horny asshole. “Get back up your slut mom’s asshole that can only be and will always be hungry for your big cock.”

“That’s right, mom,” I said. “I belong inside the hottest woman and mom in the world.”

She descended on me, swallowing my cock to the balls in one gulp that made her gasp.

“Fuck my ass, baby,” she moaned. “Let me enjoy being yours.”

She rode my cock, and I fucked back energetically. After she came, I had her in the doggy position and then in the leapfrog position. I also fucked her ass in the folded deck chair position. She was in the leapfrog position when I finally gave her happy ass its last come serving for the night. We kissed, and she got up.

“Good night, baby,” she said as I lay back.

“Good night, mom,” I said.

She kissed me gently before she took the dinner tray and left.

---

Mom took a shower before she joined dad again.

“How is he doing?” asked dad.

“He’s much better, but he was bored being there alone in the dark without any entertainment,” she said.

“Did you cheer him up a bit?” he teased.

“Yes,” she teased. “You know nothing beats having sex with one’s naked mom.”

“You are being silly,” he said.

“Did it turn you on when I talked with you about what I did with him this morning?” she teased.

“I don’t know,” he said. “I guess it did. It was some kind of a fantasy.”

“Are you sure it was only a fantasy?” she teased.

“I don’t know,” he said. “Did you really masturbate while driving?”

“There is only one way to find out,” she said.

“What way?” he asked.

“Smell my car,” she said.

“You are crazy,” he said. “You could have masturbated in the car while in the garage.”

“Why would I do that?” she said. “What fun is that?”

“I don’t know,” he shrugged.

“You enjoyed Nick’s treat, didn’t you?” she teased.

“I did, but I don’t think he had anything to do with it,” he said.

“He sure didn’t deep throat you or swallow come, but I wouldn’t have done it had he not requested it,” she said.

“Are you saying that you won’t do it again?” he asked.

“Not unless he asks me again,” she said. “I suggest that you stay on his good side if you want it.”

“I am always on his good side,” he said.

“Well, it’s more important now,” she said. “You may want to treat him to something so he can treat you back.”

“This teasing’s making you wet, isn’t it?” he asked.

“Is it making you hard?” she asked.

“Yes,” he said. “This show’s about over anyway. Let’s go back to bed and fuck a little more.”

“Oh, thank you, Nick,” she said. “Unlike you, I am stopping by his room to thank him for your attention.”

---

True to her word, mom stopped by my room, but I was already asleep.

“Thank you, Nick,” she said softly anyway before kissing me gently on the lips.

---

Although I tried to sleep in, when I woke up, it was still early. I showered and went down. Dad was having breakfast before he went to work. He finished his breakfast and stood up.

“Good morning, dad,” I said.

“Good morning, Nick,” he replied.

When I passed by him, I smelled his aftershave.

“New cologne?” I teased.

He felt awkward.

“Nick, don’t tease your dad too much,” chided mom.

She wore a little red dress that might not have reached below her crotch, and her tits were almost all out.

“Who’s this gorgeous woman here?” I asked dad. “Oh, that smell! Does mom know about her?”

“Nick, I am your mom,” smiled mom. “Are you still dazed?”

“Good morning, mom,” I said as I walked to mom and hugged her.

“Are you ready to get fucked?” I whispered, making her tremble in my arms.

As mom hugged me, I pushed my boner into her pussy and squeezed her ass.

“Good morning, Nick,” she said, pushing her pussy into me.

Before I let her go, I traced my fingertip down her ass crack until it touched her asshole though the thin silky fabric of her dress. She gasped.

“Dad, is this hot woman really mom?” I teased. “This is the hottest woman I’ve ever seen.”

“Thanks, darling,” said mom.

“Dad, you can’t leave me alone with this gorgeous woman dressed like this,” I whined.

“Why not, darling?” asked mom.

“Because I’d eat her raw,” I said.

“That’s a nice compliment, Nick, but I am still your mom,” she said.

“I am still a normal guy, and you are still a hot woman,” I said. “I am afraid being my mom doesn’t offer you enough protection when you look good enough to eat.”

“Nick, don’t tease your mom like that,” chided dad.

“Why not, dad?” I said. “I think she likes it. Don’t you, mom? Don’t you like the way I flirt with you?”

“I do, darling,” said mom. “Take it easy on your dad though. He isn’t used to this. He may get jealous.”

“Mom, are you dressed like a siren for me or for dad?” I teased.

“Would you like me to dress like this for you?” she said softly, lightly running her fingers through my hair.

“Yes, mom,” I said. “I’d be so excited if a sexy woman like you wore something hot for me.”

“This may not be the right thing to wear for you,” she said. “Let me go wear something especially for you.”

“This will do for today,” I said. “I’ll let you do that tomorrow.”

“I got to go,” said dad.

Mom walked to dad, and he kissed her on the lips. As soon as he turned his back, I pinched both her nipples. They were already stiff. My fingertips were teasing her bare asshole before he closed the door.

When mom and I heard the garage door and the car door open, I pulled her to me and kissed her hard while rubbing her wet pussy with my left hand. As dad started the engine, I bent mom over the counter. I was balls deep in her dripping pussy before he put the car in reverse to pull out of the garage. She was ready, so I fucked her hard from the start. I was holding her hips tightly and drilling her soaked pussy as he backed out of the garage.

“Fuck me, baby,” she gasped, bucking into me. “Fuck your slut mom before your dad’s even out of the house.”

By the time he reached the stop sign, she was on her way to orgasm. I held her bare tits tightly and pounded her madly. She came nearly immediately.

“Do you think dad can believe that his gorgeous wife has already come on her son’s big cock?” I teased.

“Nick, I have a problem believing that myself,” she gasped as I continued to pound her drenched pussy. “There is no way he can believe it.”

She had half a dozen orgasms by the time dad arrived at his office.

“Mom, the doctor said I needed to rest yesterday, but he forgot to say that I needed to eat too,” I said as I slowly thrust in her pussy and brushed her asshole with a slick thumb.

“Oh, you are hungry, baby?” she gasped as my thumb popped inside her ass. “I’ll make a big breakfast for you. What would you like to eat?”

“I’d like to eat this first,” I said, wiggling my thumb within her asshole. “After that, I’d like to fuck it, and then I’d like to fuck this.” I brushed her lips with my fingertips.

“You need real food too,” she said, grinding into my cock and thumb.

“I do, mom,” I said. “I am sane enough to keep my priorities straight though.”

“Okay, baby,” she said. “How do you want my ass served?”

“Spread nicely,” I said as I guided her hands to her ass and knelt down behind her.

She spread her ass right away. I licked her drenched pussy while gently reaming out her asshole. I let her suck my thumb while I kissed and licked her asshole gently. She moaned over my thumb and ground her ass into my face. I shuttled my thumb back and forth between her leaky pussy and her mouth while I ate her asshole more and more hungrily. She was sucking my thumb, moaning and gasping around it, when she stiffened and shook in orgasm. I pushed my tongue as deep as I could up her twitching asshole and wiggled it throughout her orgasm.

While she recovered, I licked her drenched pussy clean. I grabbed a piece of butter off the breakfast table and used it to lube my cock while I gently licked her asshole. I spread some butter over her asshole and went in. She moaned and pushed back as my hard cock filled her horny ass. I grabbed her tits again and proceeded to drill her eager ass. A few minutes later, she was shaking and trembling in a wild orgasm while I pounded her offered ass like a jackhammer. I fucked her ass gently while she recovered.

“Are you ready for your morning face fuck?” I said, pulling out of her ass.

“Sure, baby,” she said, turning around.

She dropped to her knees and swallowed my cock. She sucked it eagerly for a few minutes before I held her head and proceeded to fuck her throat. She grabbed my ass and tried to pull me in deeper with every thrust. I occasionally pulled out and rubbed her face with my sticky cock.

“Are you going to let me finish my breakfast with some tasty cream?” she asked.

“Not yet,” I said, pulling her up. “I want to fuck your hot ass while I have my breakfast.”

“You didn’t say what you wanted for breakfast,” she reminded.

“I don’t care,” I said. “All I want is to be fucking you in your hot ass while you make it and while I eat it.”

“That’s fine with me,” she said.

She made a nice complete breakfast. I made sure to make her come twice while she made it. I also made her come after I finished my breakfast. I also finished her breakfast. While I kissed her, I took her out of her little dress. I loved my naked mom too much to leave her dressed. I was then naked anyway.

---

“Mom, I want to fuck you in your bed today,” I said.

“Of course, baby,” she said. “I thought you’d never ask. I want you to fuck me everywhere.”

“Let’s start in your bed and work our way all over the house,” I said.

She raced me to the master bedroom. We climbed onto the bed, and she got on all fours before me. She swallowed my hard cock and deep throated it for several minutes. She turned around, and I fucked her pussy to orgasm. I lubed her hot ass and proceeded to fuck it leisurely. That was when she called dad.

“Honey, Nick was right,” she moaned. “You shouldn’t have left me dressed like that alone with him.”

“Why?” he asked. “What happened?”

“He started working on me as soon as he said good morning to me,” she said. “I started dripping as soon as the head of his big boner bumped into my vulnerable pussy. He was fucking me before you backed out of the garage.”

“No way,” he said.

“I swear,” she said. “Our son doesn’t waste any time. He gave me half a dozen orgasms by the time you reached your office. He then ate his special breakfast.”

“What special breakfast?” he asked.

“He ate my dripping pussy and ass,” she said. “He loves to eat my little asshole, and I love feeding it to him.”

“What are you doing now?” asked dad.

“I am not doing much,” she said. “I am just on my hands and knees on our bed, rocking back and forth rhythmically while talking to you. It’s our horny son who’s doing the most amazing things to me.”

“What’s he doing?” he asked.

“He’s fucking his slutty mom in the ass royally with long deep strokes,” she moaned. “He’s doing it so perfectly I feel it’s what I was made for. I was meant to be an ass whore for our wonderful son. He thinks so too.”

“Are you playing with yourself?” he asked.

“Why would I play with myself, honey, when there is a nice big fat cock working out my horny asshole so exquisitely?” she moaned. “My little asshole twitches in lust as it milks his great cock so lovingly and hungrily.”

“You are getting obsessed with having him fuck you in the ass,” he said.

“What do you want me to think about when he holds my hips tightly and pushes his big cock balls deep up my horny asshole and then takes it almost all the way out again and again in precise strokes?” she moaned. “Baseball?”

“Where is Nick while you do this?” he asked.

“Where is Nick while he fucks his slut mom in the ass?” she teased. “Are you serious? He’s on his knees behind his slut mom, wielding his incredible cock in her horny ass with love and passion. Hold on for a minute.”

She looked back at me lewdly.

“Fuck my ass, baby,” she urged, bucking her ass wildly. “Make me come while I talk to your dad. Show him how much I love getting your wonderful cock up my ass.”

She moaned and groaned freely as I held her hips tightly and pounded her asshole. She was very close to orgasm already, so it did not take half a minute to send her over the edge. She gasped sharply before she stiffened and convulsed in orgasm. I drilled her twitching asshole as hard as I could as she vocally announced and celebrated a wild orgasm. I did not mind if dad heard our flesh slapping sounds.

“Oh, honey, that was my first anal orgasm in our bed,” she gasped into the phone. “That was incredible, but it was only the start. I can’t hold a conversation with you while he fucks my horny ass open. I’ll talk to you later, honey.”

“Bye, Amy,” he said.

---

“It was incredible to talk to your dad while I have a big anal orgasm on your amazing cock,” she gasped after she hung up. “I am so happy we did it especially as I talked to him about it.”

“It was so hot,” I said, picking up the pace again. “I love that too.”

She remained in that position as I fucked her ass to another orgasm. I then fucked her ass in the closet. She was bent over in a standing position, holding onto the wall behind her hanging dresses. We worked our way through the rooms, closets, hallways, the dining room, the kitchen, the pantry and the backyard. We even fucked in the laundry room and the garage. I took her back to her room for my first three orgasms. I came in her mouth, pussy and ass. I scooped some come out of her pussy and ass and fed it to her.

We finally moved to my room, where I fucked her until I came in her ass again.

“Let’s go back to my bed,” she said.

We returned to her bed and fucked until I dumped another come load deep up her twitching ass.

“You really love my ass, and it loves your big cock and hot come,” she said.

“My big cock and your little ass belong together,” I said.

We showered in the master bathroom and ended up fucking again, but dad was about to come home.

---

Alex had been out spending a few days with one of her friends. I arranged that so I could get mom alone. I did not think mom would model her birthday suit for me or let me fuck her in the kitchen and all over the house if Alex were around. When I finished fucking mom for the day, I called Alex.

“Alex, I am welcoming you back by taking you to the mall and buying you a little gift,” I said.

Naturally, she could not tell that the gift I had in mind was literally little.

“Thanks, Nick,” she said. “You don’t have to do that.”

“You know I am doing that because I love you,” I said. “I know I don’t have to love you, but I do. I am stuck.”

“That’s too bad,” she teased. “I guess the least I can do is let you buy me that gift. I may even thank you.”

“Thanks, little sister,” I said. “I knew I could always depend on you when push comes to shove.”

“Where do you want to meet?” she asked.

“I’ll come pick you up,” I said. “Give me fifteen minutes. I’ll give you a ring when I am there.”

“I’ll see you then,” she said.

Mom did not hesitate to give me her car. She was still naked. I kissed her deeply on all holes before I left.

---

Twelve minutes later, I parked in front of Alex's friend's house and gave her a ring. She was out right away.

"Hi, Nick," she greeted as she got into the car.

"Hi, Alex," I replied as she fastened her seatbelt.

Alex was wearing short shorts and a tank top. She was not sixteen yet, but her tits were almost as big as mom's. I had always been proud of them long before I entertained the thought of having them wrapped around my cock. That thought made my cock stir. Her ass was noticeably tighter than mom's magnificent one. I had always liked it too long before I thought about it with my cock. I had already decided that I thought about my mom and sister that way because I had always been very horny and they had always been very hot. It was inevitable. My innocent sister had no idea what kind of great thoughts I had about her great body. I loved her more than ever and wanted to show her that.

"Are you really going to buy me a gift?" she asked.

"Yes, a little gift," I said. "Don't hold your breath though. It isn't a diamond ring or something big like that. I love you so much, but I am not yet ready to propose."

"I am not ready for that either," she said. "I am ready for a diamond ring though."

"I am sorry," I said. "It isn't that."

"It's still a gift," she said. "I appreciate that."

"It isn't a big deal," I said. "Don't jump to conclusions before you see it. You may think it's worthless."

"You know a gift isn't judged by its price," she said. "The thought is what counts most."

"I assure you that the thought's priceless," I said.

"That's what matters," she said.

"Do you promise to accept it and not to give me a hard time if it isn't up to your expectations?" I asked.

"I promise," she said. "It already exceeds my expectations anyway. I didn't expect you to give me a gift."

"That makes me feel bad," I said.

"It isn't my birthday or anything," she said.

"Is that it?" I said. "I am not supposed to give my lovely sister a gift except on her birthday or Sister's Day?"

"I don't think so, but my birthday's a very special day to me," she said. "Sister's Day's special too."

"Well, Alex, your birthday's more special to me," I said. "That was the day I got a wonderful sister. That was the day I got a very special gift. Better yet, I didn't have to take care of that gift."

"Oh, Nick, this is so sweet of you," she said.

"You mean not having to take care of you?" I teased.

"You actually take care of me whenever you get a chance," she said. "I didn't mean that though."

"Alex, here is a card," I said, handing her a blank card. "Write 'I promise.'"

"You don't trust me, do you?" she smiled.

"Trust me that isn't why," I said. "There is a pen in the glove box."

She wrote 'I promise' and signed before she handed the card back to me.

---

We made it to the mall.

“Let’s do some shopping, and later I’ll figure out something about your gift,” I said.

“You are not decided yet?” she asked.

“I have an idea, but I am not completely decided,” I said. “There remains one but important detail.”

After all, I was not decided on its color.

We went into a store and started browsing. We soon drifted apart, and I snuck out. I bought her a sheer purple swimsuit similar to mom’s and had it gift-wrapped. I attached a card to it and placed Alex’s promise in the same envelope. Since our house was a little over five minutes away, I delivered the gift and placed it on Alex’s bed. It took me fifteen minutes to do that. I was able to find Alex at the same store within five minutes. Girls and women always took their time shopping. It had never been as much fun for me.

“Have you decided on the gift yet?” she asked, smiling, when we left that store.

“I don’t have to buy it today, do I?” I asked.

“No, of course not,” she said in mild disappointment.

“Okay,” I said.

---

Meanwhile, dad came home to mom. She was naked.

“Hi, honey,” he called.

“Hi, Dan,” called mom.

“Gee, Amy, you are naked,” he said. “What if the kids came home and found you like that?”

“If you don’t want that to happen, you better come before they do,” she teased.

“I am serious,” he said.

“So am I,” she said. “Sit down here.”

She sat him on his chair and relieved him of his pants and underwear.

“This morning, when you turned your back and walked out to the garage, I was dying to get fucked,” she said.

“Why was that?” he asked as she fondled his hardening cock.

“You didn’t notice?” she said. “When Nick hugged me, he ground his hard boner into my sensitive pussy. I trembled and almost came. By the time you left, my pussy was a swamp. Did you know that he craved my ass?”

“Are you sure?” he teased.

“Only a clueless mom wouldn’t know how much her son wants her ass,” she said. “I bet you anything, he loves nothing like fucking his mom up her horny ass until she’s a heaving heap. I bet he’d do that whenever he could.”

“You saw him check out your ass?” he asked.

“Honey, I’ve seen you check out numerous women’s asses, and I knew you didn’t dream about fucking them senseless,” she said. “It takes a lot more than just checking asses out.”

“He doesn’t know you’d never give it to him though,” he said.

“Maybe he doesn’t know that because it isn’t true,” she teased.

“You mean you’d let him have it?” he asked.

“If there were a single guy I wouldn’t deny my ass, it’s definitely my handsome son,” she said. “Don’t be so sure.”

“Did you tell him he had any chance with it?” he asked.

“I didn’t need to tell him,” she said. “I am sure he could tell on his own. It’s so clear a blind could almost see it.”

“Did you do anything after I left?” he asked.

“When he hugged me, he squeezed my ass and ran his finger down my ass crack to my asshole,” she said. “Can you believe his audacity? He knew I’d let him do it. That was actually what almost made me come. Imagine if I held on to him and madly shoved my gushing pussy into his big boner while I came. What would you have thought? What would I have done if he bent me over the counter and told me he was going to fuck me in the ass right in front of his dad? I’d have probably spread my ass and begged him to do just that while my juices ran down my legs.”

“Do you think he really wants to fuck you in the ass?” he asked.

“Without a doubt,” she said. “Thinking about it makes my pussy twitch and drool. I could easily tell by the way he looked at my ass especially when I was naked.”

“You were naked with him?” he asked.

“Didn’t I tell you all about that yesterday?” she said. “I didn’t tell you that he actually fucked me in the ass.”

“Would you really let him fuck you in the ass?” he asked.

“I told you I’d beg him to do that,” she said. “It turned out that I loved getting fucked up the ass.”

“You don’t let me though,” he said.

“That’s different, honey,” she said. “You don’t know what he did to me when he ground his rock hard boner into my soft horny pussy. It almost made me lose control. Besides, Nick has a way with me. I could shout no and try to kick him out of the house, and within a few minutes I’d be begging him to take me and use me like a cheap whore.”

“He wouldn’t force you, would he?” he asked.

“He’d never need to, honey,” she said. “He can talk me into walking naked out in the neighborhood.”

“You think he can talk you into letting him fuck you in the ass?” he asked, trying to figure out my chances.

“Not letting him, honey, begging him,” she said. “I’d be begging like my life depended on it.”

“You think he can do that?” he said dismissively.

“I am telling you he can walk in right now and fuck me in the ass while you watch,” she said. “He knows I am completely helpless and defenseless against his advances. He’s just having fun with me and you now.”

“No way,” he said.

“You wait and see, honey,” she said, “but don’t complain when you see him use me like I am his sex slave.”

His cock was rock hard with the verbal and digital teasing. She took it in her mouth and proceeded to suck it.

“You know, honey, you have to fuck me silly every day,” she said.

“Why?” he asked.

“If you want me to put on any resistance to our son,” she said. “If you miss fucking me silly just one day, you might come home to find that he’d turned my innocent little asshole into a lustful freeway for his big cock, and I’d be loving every moment of it. Is that how you want your wife to be? An ass whore for her horny wicked son?”

“You sound helpless,” he said.

“I’d sure be helpless if you leave me horny with my horny son,” she said. “If he makes a move on me like that, my sweet asshole will be ancient history. I’d be begging for his big cock and dying to satisfy his every whim.”

“Are you sure?” he said.

“Of course,” she said. “There is a special relationship between the mom and her son just like that between the dad and his daughter. If either of them wanted the other, the other would need a miracle to stand any chance even if temporary. I am sure Alex can seduce you in five minutes hands down.”

“No way,” he said.

“Do you want to bet?” she challenged.

“No,” he said.

“Can you now see that I’d need a miracle to fend off Nick?” she said. “I am not sure I want to anyway, especially after I tasted the forbidden fruit and found it to be the most delicious thing in the world.”

She returned to sucking his cock for a few more minutes.

“Honey, do you think I am a horny slut?” she asked.

“Of course not,” he said.

“Do you think I am a prude?” she asked.

“Of course not either,” he said. “A prude wouldn’t be doing this to me now.”

“Let me see what Nick thinks,” she said, grabbing her cell phone. “Let’s see if he takes me more seriously than you do. I bet he does.”

Mom dialed my number and held the phone to her ear with one hand while she sat in dad’s lap and guided his cock into her dripping pussy with the other. Mom moaned as dad’s cock slipped into her pussy. She used her free hand to tease her clit.

---

Alex and I were walking in the mall at the time.

“Hi, mom,” I answered.

“Hi, Nick,” she said. “Where are you?”

“I am with Alex, shopping at the mall,” I said.

“Are you horny, baby?” she asked.

“You know I always am,” I said.

“Is it because of me or her?” she teased.

“Who’s her?” I asked.

“Your sister, silly,” she said.

“What are you talking about?” I asked. “Of course, it’s because of you.”

“Are you sure?” she teased.

“Why do you say that?” I asked.

“Don’t think your mom’s blind,” she said. “I’ve seen you check out her tight little ass and nice big tits.”

“You have?” I said.

“Yes, darling,” she said. “You want to stick your big hard cock up her virgin little ass, don’t you?”

“You bet your sweet ass I do,” I said, immediately regretting saying that while Alex could hear me.

“I can’t bet something that already belongs to you,” she said.

“It’s my most precious possession too,” I said. “Are you mad at me?”

“Why would I be mad at you?” she said. “I’d think you were weird if you didn’t.”

“Thanks, mom,” I said.

“Can you see her tight little ass now?” she asked.

“Yes, mom,” I said, looking at Alex’s ass as I walked a little behind her.

“Her little ass has matured and ripened to attract the attention of her big brother’s big cock, hasn’t it?” she said.

“Of course, it has,” I said.

“I bet you’d love to arrange me and her on our hands and knees and take turns letting us suck your big juicy cock and fucking our tight assholes with it until they are loose, sticky and sated,” she said.

“You bet them both I do,” I said.

“I bet you’d fuck our horny pussies too,” she said.

“Of course,” I said.

“I bet that would have been a lot of fun for the three of us,” she said.

“Undoubtedly,” I said.

“Did my call give you a big boner?” she asked.

“Yes,” I said.

“Don’t rape your sweet little sister,” she teased. “I know when your big cock gets control of you it turns you into a wild animal. Try to keep it under control.”

“I’d never do that to my sweet sister,” I said.

“I know, silly,” she said. “Her first time has to be nice and gentle, and then toward the end you can show her what her hot little body was really meant for. It has to be special and unforgettable.”

“You got that right, mom,” I said.

“You probably want her now to get down on her knees in the middle of the mall and take your big fat cock out,” she teased. “You want to stretch her sweet innocent lips with your thick cock and stuff her face with it, don’t you?”

“I wish I could,” I said.

“I am sure one day she’ll succumb to your power and kneel down to worship your magnificent cock,” she said.

“You think so?” I said.

“Of course,” she said. “She’ll then be all yours to do to her anything you want.”

“I hope so,” I said.

“Anyway, baby, do you think your mom’s a horny slut?” she asked. “I am now sitting on your dad’s cock and playing with my stiff clit. My horny pussy’s leaking freely all over his cock and balls. Am I a horny slut?”

“You are the hottest slut in the world,” I almost whispered. “Even if you were not a horny slut, you can easily be the horniest slut in the world whenever you want because you have everything it takes to be that.”

“You are so sweet, baby,” she said. “Do you want me to come for you all over your dad’s cock?”

“Sure, mom,” I said. “I wish it were mine though.”

“You wish I was impaled on your big powerful cock instead?” she said.

“Of course, mom,” I said.

“So do I, baby,” she said. “You wish you were impaling my drenched pussy or my tight ass?”

“You know my favorite alcove,” I said.

“I know you wish my ass were impaled on your big cock instead of having your dad’s cock in my pussy,” she said. “Don’t worry about my ass, lover. It’s waiting for you. Your dad can’t touch it. It’s all yours and only yours.”

“I want it all the time,” I said.

“It wants you all the time too,” she said. “Let me make my pussy come for you now.”

She rubbed her clit vigorously to a quick orgasm. I heard her moan, gasp and groan.

“That was good,” she finally gasped. “Thank you, baby. My ass sends you its love and kisses.”

“Likewise, mom,” I said.

“Is it you or your big cock that’s sending me love and kisses, and are they for me or for my horny ass?” she asked.

“They are from both to both,” I said.

“Thank you, baby,” she said. “Take care of yourself and your hot little sister.”

“You got that, mom,” I said. “Bye.”

---

“Nick, did you just say to mom ‘you bet your sweet ass’?” asked Alex. “I can’t believe you.”

“I know,” I said awkwardly. “I didn’t mean it that way. I wanted to apologize, but she kept going.”

“If I said that to her, she’d probably ground me for a month,” she said.

“If that ever happened, just let me know, and I’d talk to her,” I said. “The sweetest sister in the world can’t be grounded. I’ll make sure of that.”

“Thanks, Nick,” she said.

“You bet your sweet little ass,” I teased.

“Nick!” she chided.

“I really mean it,” I said.

“What?” she said.

“You don’t have anything to worry about,” I said.

---

“You know what, Dan?” said mom. “Your son’s answer was smarter than yours. He said, even if I were not a horny slut, I could easily be whenever I wanted because I have what it takes to be the horniest slut in the world.”

“Did you really talk to him?” he asked.

“You tell me,” she said handing him her cell phone.

He fumbled with her phone and found out that she had indeed just called me and talked for a few minutes.

“What’s he going to think of you now?” he asked.

"If he's old enough to want to fuck my ass, he's old enough to know that you fuck my pussy," she said. "I want him to know that you fuck me and not completely neglect me, so he won't think I am an easy prey. He probably thinks I am a horny slut. I'll have to explain it to him later tonight while I run my fingernails up and down the outline of his big boner in the kitchen while you watch TV in the living room."

She teased the base of his cock with her fingernails as she said that.

"He'd rape you if you did that," he said.

"I can call for help besides you can spy on us to make sure nothing nonconsensual happens," she said.

"If you did that, everything would be consensual," he said.

She rode his cock furiously, and they both came within a few minutes. She licked his cock and balls clean before she stood up.

"Let's shower before he comes home with his sister and gives us a hard time about the pussy smell or worse yet fucking in the living room like horny teenagers," she said.

He grabbed his pants and underwear and followed her naked body upstairs.

---

"You gave up on my gift today?" asked Alex.

"The day isn't over yet," I said. "We are heading home though."

When we arrived at home, I made sure Alex went to her room while I was still downstairs.

---

Ten minutes later, Alex knocked on my door.

"Come in," I called.

She came in, carrying the gift box.

"Nick, this is a swimsuit," she said. "It's very sexy, but I can't wear it."

"Is it too small or too large?" I asked innocently.

"No, its size is perfect," she said.

"What's wrong then?" I asked.

"It's very tiny and very sheer," she said. "Mom would kill me if I wore it. I'd be practically naked."

"I told you not to worry about mom," I said. "You can walk naked in the house, and I'd make sure that mom's completely okay with that?"

"How can you do that?" she asked.

"Mom's an amazing woman," I said. "She's so passionate and understanding. If I think something's right, I can easily convince her it is."

"Do you think it's right for me to walk naked in the house?" she asked.

"Alex, you are a lovely young woman," I said. "It's right for you to do almost anything at all. You can bet the sweetest ass in town that I'll stand behind you to protect that right of yours."

"Thank you," she said.

"You are welcome," I said. "Are you now going to model it for me? I promise you nothing bad would happen."

“Nick, it’s a lot more complicated than that,” she said.

“I guess now you understand why I had you write ‘I promise,’” I said.

“By the way, when did you deliver the gift?” she asked. “Did you do it while I was at the mall?”

“Somebody else might have delivered it,” I smiled. “The important thing’s that it was delivered successfully and that you accepted it like you promised.”

“I accepted it, but I am afraid I can’t wear it,” she said.

“Don’t worry about that,” I said. “You just wear it and model it in your room until the time’s right.”

“Nick, the time can never be right unless I am left home alone and you all went to China,” she said.

“You can’t be sure,” I said. “Anyway, get used to it. We may all go to China and leave you here alone.”

“Anyway, thank you, Nick,” she said. “I appreciate it regardless of everything.”

“You are a sweet sister, Alex,” I said. “I am happy I have you.”

“I am happy to have you too,” she said.

---

After dinner, the whole family gathered around the television. Mom had been wearing her outrageous dress of the morning. When I went to the kitchen for a drink, mom followed me half a minute later.

When I looked at mom, she hiked her dress, flashing me her bare pussy. My cock started to get hard.

“Did you like it when I talked to you while I fucked your dad?” she teased as she grazed the outline of my boner with her fingernails, making it rock hard.

“Yes,” I said as I reached out and squeezed her ass.

“Don’t touch me,” she said, pushing my hands away.

She held the front of her dress up and proceeded to rub her pussy up and down my boner.

“The front of your pants is completely soaked,” she said. “You can’t let your dad or sister see it. They’d think you came in your pants.”

“Okay,” I said. “I may tell them I spilled coffee or water.”

“Your pants are rubbing my pussy raw,” she whispered. “Take your cock out. It must be a lot smoother.”

With little hesitation, I whipped my hard cock out. She raised one leg and rubbed her pussy up the underside of my cock. On her down stroke, she popped my cock into her soaked pussy. She came immediately. She held me tightly and shook wildly.

“Put it away before we get caught,” she gasped once she finished gushing all over my cock.

She lowered her dress, and I shoved my dripping cock back in my pants.

“Next time, rub your horny pussy on my face so I wouldn’t wash my face for a week,” I said.

“Your dad might think you were using his aftershave,” she teased.

“That shouldn’t be a problem,” I said.

“I think it’s a good idea,” she said. “It’s already next time. Get on your knees.”

She nudged my shoulders down, and I went to my knees. She hiked the front of her dress and pulled my head to her drenched pussy. I slurped her copious juices, and she rode my tongue and ground into my face. She came all over

my face in a couple of minutes, gasping and moaning softly. When she recovered, I licked her pussy clean. She left, and I waited for a few minutes before I returned to my seat without washing my face. I passed right in front of dad, looking straight at mom. I pretended to trip in front of her. As I stood up, I made sure to get my face very close to hers, so she could tell that I had not washed up.

“I feel tired,” I announced after a while. “I am going to rest in bed.”

---

“I am going to check on Nick,” mom said ten minutes later.

“Is something wrong?” asked Alex, taking her head out of her magazine.

“He banged his head yesterday,” said mom. “I’ll just make sure he doesn’t need anything.”

“I didn’t know that,” said Alex. “He didn’t say anything to me.”

“It isn’t bad,” said mom. “He just needs a little rest.”

“I’ll check on him later,” said Alex.

Alex returned to her magazine, and mom got up. Mom shed her little dress and dropped it in dad’s lap. He looked back in time to see his naked wife head to the stairs. He looked at Alex to find her consumed in her reading. He shook his head in disbelief as he stuffed her dress behind him.

---

Mom knocked softly and entered my room. She locked the door. I was lying in bed naked. I could smell her excited pussy as she approached my bed although I already had her juices on my face.

She kissed me deeply. While we kissed, I fondled her tits and my left hand slid down her back to her ass. I felt up her ass while she licked her dried juices off my face. My cock was rock hard and still tasting and smelling of her pussy juices. She and I pulled the covers away, and she mounted me in the sixty-nine position. She deep throated my cock hungrily while I ate both her pussy and ass to orgasm and licked her pussy clean.

After she recovered, she lubed my cock and sat on it in the Asian cowgirl position, swallowing it all the way up her horny ass. I held her tits and fucked her ass while she bounced it on my cock to orgasm. We spent the next hour fucking her ass royally in several positions. In the end, I pumped her bowels full of come. Her orgasmic anal spasms made sure to drain my balls. I kissed both her pussy and asshole but otherwise left her drenched. She kissed me on the mouth and pulled the covers over me, leaving my stick cock alone.

“Good night, baby,” she said.

“Good night, mom,” I said.

She gave me a gentle kiss before she left.

---

Mom padded naked to dad. Alex was still reading her magazine. When mom stood by dad, he could not miss the smell of her pussy. He looked up at her.

“Come fuck me,” she whispered, bending over. “If you are late, you may find your son pounding my horny ass like he should. It’s your choice.”

She got up and walked away to her bedroom.

“I am going to bed,” said dad as he grabbed mom’s dress and got up, hiding it behind him. “Good night, Alex.”

“Good night, dad,” said Alex, not taking her eyes off her magazine.

Dad almost ran to the bedroom, his cock already hard.

---

Mom was spread on the bed, playing with her pussy.

“How did you do that?” he asked. “What if Alex saw you or smelled you?”

“I know my kids,” she said. “I knew she wouldn’t. I also knew that Nick wouldn’t mind if I played with my horny pussy while with him.”

“You played with your pussy while you talked to him?” he asked as he climbed between her legs.

“Don’t you think I should finger fuck my horny pussy while trying to convince him that I wasn’t a horny slut?” she teased. “Don’t you think the smell of my pussy has any persuasive powers?”

“Didn’t Alex say she was going to check on him?” he asked as she guided his hand to her dripping pussy. “She may do it right now. What would she think if his room smelled of your pussy?”

He took over finger fucking her pussy right away. She moaned and squirmed.

“Do you think she can recognize the smell of a cock-hungry pussy?” she teased. “I bet she can. She must play with her own horny little pussy often. Do you think she may think that her brother has just fucked his mom silly?”

“Fuck!” he said. “You spent a long time in his room. There is no way she could miss that smell.”

“Do you think my smell may make her horny enough to let him fuck her?” she teased.

“Amy, I am serious here,” he said.

“Are you jealous, honey?” she teased. “Me too. I want him to fuck me instead of fucking his horny little sister.”

“You don’t care, do you?” he said as he mounted her, pushing his cock into her soaked pussy.

“Of course, I do, honey,” she said. “I wouldn’t be jealous if I didn’t. He must be thinking about licking her hot pussy and wondering how her taste compares with mine. Do you think her virgin pussy can leak as much as mine?”

“You are so horny you can’t think straight,” he said, fucking her pussy.

“Why should I?” she teased. “Why should we think about them? Do you think they’d think about us while he feasts on her hot little pussy? Do you think they’d remember us while she floods his mouth with her pussy juices?”

“What if they didn’t do that and she only suspected that you have let your son fuck you?” he asked.

“She’d have to smell his cock to prove that,” she said. “What if he’s only fucked me in the ass? Do you think she can tell how my ass tastes or smells? She’d probably just get confused.”

She came right then and he lasted through it.

“Do you think I should talk to her?” she gasped as she caught her breath. “She’s smart. She’ll figure out that nobody has to fuck me to make his room smell like a whorehouse.”

“You want to play with yourself while you talk to her?” he teased.

“Are you suggesting that we should play with each other?” she teased. “That wouldn’t work, honey. She’d think that since I let her play with my pussy I must have let Nick do that too. She’d think I was a shameless whore.”

“Maybe she already thinks so,” he teased.

“You want me to make it better by confirming her suspicions?” she asked. “I wouldn’t mislead her. I wouldn’t let Nick finger my pussy. He’s old enough to eat it. Hey, why don’t you eat my pussy, or do you want him to?”

“Do you think he can eat your pussy?” he said. “He’d probably gag on your overflowing juices.”

“Should I call him so you can show him how to eat his horny mom’s overflowing pussy?” she teased.

“I don’t think so,” he said. “I am not sure even I know how to deal with your running pussy.”

“You better start training,” she said.

“This is a good time as ever,” he said as he pulled out and lowered his mouth to her pussy.

“You need to show good progress too,” she said. “If you don’t, I’ll have to fall back on Nick. I am sure he’ll be more eager than you unless you can prove me wrong.”

He doubled his efforts and made her come within a couple of minutes. They resumed fucking and teasing. She sucked his cock after he fucked her to orgasm. He came in her pussy half an hour later.

---

Alex stopped by my room ten minutes after dad left for bed. She knocked softly on my door. I was still naked and sticky under the covers.

“Come in,” I called quietly.

“Hi, Nick,” she greeted.

“Hi, Alex,” I said.

“Mom said you hit your head,” she said. “Why didn’t you tell me?”

“It wasn’t a big deal,” I said. “It happened yesterday morning. It’s a lot better now.”

“I am glad you didn’t hurt yourself,” she said.

“I did but not much,” I said. “Thanks for caring.”

“Is there a strange smell in the room?” she asked, trying to discern the smell of mom’s pussy.

“Yes, I can smell it,” I said. “It isn’t bad though. I actually like it.”

“What is it?” she asked.

“I’ll let you guess,” I said. “Did you get a chance to try your new swimsuit?”

“I tried it,” she said.

“How did it look and feel?” I asked.

“It looked and felt great,” she said. “It’s very sexy. I told you I just can’t wear it but in my room alone.”

“Maybe someday, you can wear it for someone special,” I said. “You may even be able to model it for me.”

“No way,” she said. “It’s more like being naked. It’s actually more embarrassing than being totally naked.”

“I guess because it shows how sexy you are?” I said. “Alex, you are a beautiful young woman. Nothing can embarrass you about your gorgeous body. You’ll find that out soon enough.”

“Do you really think I am pretty?” she asked.

“Good night, Alex,” I said, rolling away from her. “You are a knockout. There is nobody sexier than you to wear that kind of swimsuit except maybe mom.”

“Good night, Nick,” she said quietly.

## A GIFT FOR ME

With Alex around and me horny, I did not get down for breakfast the next morning. Instead, mom brought me breakfast to bed—naked.

“Good morning, baby,” greeted mom when she walked into my room, carrying my breakfast.

“Good morning, mom,” I said. “Are dad and Alex out?”

“They are having breakfast,” she said.

“Did you let them see you naked like this?” I asked.

“No,” she smiled. “I dropped my robe in the bedroom.”

“I guess you have to leave right away before Alex comes up,” I said, disappointed.

“No, baby,” she said. “I intend to leave a very well-fucked woman in a couple of hours.”

“What if Alex saw you?” I asked.

“I’ll hope she doesn’t so soon get to see how her slut mom looks when she’s very well fucked,” she smiled.

“Mom, you are the hottest slut mom in the world,” I said.

“You don’t really mean it,” she teased, squeezing my boner. “This is your big cock talking.”

“Who knows my slut better than my big cock?” I said.

“Nobody when it comes to this slut,” she said. “Are you ready to eat?”

“Sure if it’s pussy or ass,” I said.

“No, baby,” she said. “It’s food.”

“I can’t think of food when you are around me,” I said.

“It’s funny,” she laughed. “I intended to be literally around you while I feed you.”

“Mom, you are the best,” I smiled.

“You didn’t think that your mom didn’t know how to feed her baby,” she teased, pulling the covers away.

My hard boner greeted her in its own way.

“You sure know how to feed this baby,” I said.

“He knows how to feed his mom too,” she said. “I am not leaving before he feeds me a big load of creamy come.”

“I’d never let you leave hungry,” I said.

“Don’t I know, baby?” she said, handing me the food tray.

She mounted me, guiding my cock into her dripping pussy. She moaned as she lowered herself onto me.

“I want you to fuck my pussy so my pussy always remembers that all of me belongs to you,” she moaned.

“I think it’s good to remind my big cock of that too,” I said.

“I am not sure even bleach can wash the smell of my pussy off your big cock,” she said, taking the food tray back.

“Actually, Alex asked me about the smell in my room last night,” I said.

“She did,” she smiled. “That must have been interesting. What did you say?”

“I told her that I liked it but she’d have to guess for herself,” I smiled.

“She didn’t ask you to help her make her room smell like that?” she teased.

“Come on, mom,” I said. “How would she know I had anything to do with it?”

“Your sister’s old enough to know the smell of hot pussy,” she said. “I am sure she’s figured it out already.”

“She knows that you and she are the only females who’ve entered my room in a while,” I said.

“You think she’d figure out that her mom has become her brother’s slut?” she said.

“She may get suspicious and start watching us more closely,” I said.

“That isn’t going to stop you from fucking me royally, is it?” she asked.

“Nothing is,” I said.

“That’s my baby,” she said.

She fed me my breakfast while grinding into my hard cock. She came within a few minutes. She even switched my cock to her ass and came again before she was done feeding me. We put the tray aside and started fucking seriously. I fucked all her holes and ate her pussy and ass during the next couple of hours. She tried to be quiet but came hard as I pounded her horny ass. I came in all her holes.

“Baby, it’s your turn to spoon feed me,” she said after she finished draining my balls in her pussy. She handed me a spoon. “Feed me your come out of my pussy.”

She milked my cock as I pulled out. I took the spoon and started working on her pussy.

“Aren’t you happy your mom was thoughtful enough to bring a big spoon?” she smiled.

“You planned this all along didn’t you?” I smiled.

“It’s all about breakfast,” she smiled. “It’s the most important meal of the day.”

She sucked the spoon so hard she almost sucked the chrome off.

My last come load went straight into her mouth.

“Did you enjoy your breakfast, baby?” she asked, letting go of my softening cock.

“Immensely,” I smiled.

“Me too,” she smiled.

She gave me a kiss and took the food tray. Her juices were running down her thighs. She listened for a few seconds before she opened the door and headed out. It would have been interesting if Alex caught her.

---

Alex apparently heard the doors open and close. She knocked on mine a few minutes later.

“Nick, are you okay?” she asked. “You didn’t have breakfast with us.”

“I am fine,” I said. “I was just a little too lazy to get up.”

The smell of pussy was noticeably stronger than the previous night, but she completely ignored it.

“Rest if it makes you feel better,” she said.

“Believe me, it made me feel a lot better,” I said. “Thanks, Alex.”

---

Two hours later, mom stopped by my room. She was dressed and ready to leave.

“Nick, I am going to visit your dad at the office and have him fuck me over lunch,” she announced. “I’ll try to give him a snack for his trouble.”

“Have fun, mom,” I said. “I bet his lunch can’t get anywhere near my breakfast.”

“Of course not, baby,” she said. “By the way, your lunch’s ready whenever you and Alex are.”

She kissed me and left.

---

Alex stopped by my room a few minutes later.

“Do you plan to sleep all day?” she asked. “It’s nearly lunch time.”

“I’ll get up in a few minutes,” I said. “I need to take a shower before I head down.”

“We are going to have lunch together, right?” she said.

“You bet,” I smiled. “I’d never say no to lunch with a beautiful lady.”

She blushed and left.

“Don’t take long,” she said at the door. “I’ll get everything ready.”

“Thanks, Alex,” I said.

---

Alex had everything ready by the time I showered and put some clothes on.

“Wow!” I said as I got to the dining table. “Not only am I having lunch with a gorgeous lady, but she’s also taken care of the table setting.”

Alex blushed.

“The least I can do is take care of the table and dishes after we are done,” I said.

We had lunch as usual without any more teasing but with some casual talking. When we were done, I cleared the table and manually washed and dried the dishes. Meanwhile, she tried to find something on television.

“It seems you are not going anywhere,” I said. “Are you trying to gather the courage to model your swimsuit?”

“I won’t have enough courage no matter how hard I try,” she said.

“That’s okay,” I said. “I don’t think I have enough courage to walk naked in front of you either. I am sure that one day you’ll have enough courage to unveil your lovely body to anybody.”

“That won’t be anytime soon,” she said.

“Unless I have any say in it,” I teased. “I think I should go back to bed.”

“Are you going to spend the entire day in bed?” she asked.

“Given that there won’t be a fashion show, that looks like my best option,” I said. “Do you want to walk to the mall and back? If we did, I’d need to sleep for two days after that.”

“You can watch TV, surf the web, swim or do anything else,” she said. “It isn’t either sleeping or shopping.”

“I know, but I think part of my brain has receded after I hit my head,” I said. “I think I need some brain exercise to get it back.”

“Would that be sleeping or shopping?” she teased.

“Lying down and shopping are brainless activities,” I said. “They free my brain to whatever exercises I want.”

“I see,” she said.

“If you want, we can swim, but you’d have to wear a certain swimsuit,” I teased.

“In your dreams,” she said.

“Now, you know why I want to get back to sleep,” I laughed.

She blushed.

She settled on something to watch while I returned to my room. I actually spent time surfing the web.

---

Mom arrived at dad’s office just before noon. Her dress was not the outrageous one she wore the previous morning, but it was not much more modest.

“Hi, Erin,” mom greeted dad’s secretary, smiling.

“Hi, Mrs. Callaby,” said Erin, returning the smile.

“Erin, how many times have I asked you to call me Amy?” chided mom.

“I am sorry, Amy,” said Erin.

“Please tell Dan I am here to get fucked,” said mom with a straight face.

“Sorry, Amy,” said Erin, not believing her ears. “What did you say?”

“Tell him your wife’s here to get fucked,” said mom. “I need cock bad, and I need it now.”

The look on Erin’s shocked face was priceless.

“I am not sure I can say that to him,” said Erin. “He’d get me fired.”

“Trust me he wouldn’t,” assured mom. “You may only get in trouble if you don’t say as I ask you to.”

“Okay,” said Erin, shrugging.

“I’ll be listening at the door,” warned mom. “Make sure to say it literally as I told you.”

“Okay,” said Erin in disbelief.

“Don’t volunteer to tell him I told you to say that unless he asks,” said mom. “Once you tell him that, ask him if he’s going to fuck me. I need a yes or no answer, not send her in. My cock-hungry pussy needs an answer.”

“Okay,” said Erin.

“He better say yes because I am so vulnerable there is no way I can keep my legs together for long,” said mom. “Don’t tell him that though unless he says no.”

“Okay,” said Erin.

“Don’t hate me, Erin,” said mom. “You are a woman. You must know how it feels when a woman craves cock so bad she’d kill for it.”

“I understand,” said Erin.

“Please go ahead,” said mom. “I can’t wait for long. I am all wet. Don’t make me drip on the carpet.”

“Yes, Amy,” said Erin, getting up.

Erin knocked on the door and went in when dad called her in.

---

“Dan, your wife’s here to get...fucked,” stuttered Erin.

Her face was beet red.

“She’s here for what?” he asked.

“She’s here to get fucked,” she said shyly.

“Did she say that?” he asked.

“Yes,” she said.

“I can’t believe her,” he said, shaking his head. “Send her in.”

“Are you going to fuck her?” she asked, blushing.

“We’ll see about that,” he said.

“I am sorry, but she expects yes or no,” she said. “Her...cock-hungry pussy needs an answer.”

“Yes, I am going to...fuck her,” he said.

“I’ll let her know,” she said, rushing out, happy that her ordeal had ended.

---

“Amy, he said yes,” Erin said to mom.

“Yes, what?” asked mom.

“He’s going to...fuck you,” said Erin.

“That wasn’t bad, was it?” teased mom.

“Not really,” said Erin. “It was just unexpected.”

“You know, Erin, I am not wearing panties and I am soaked,” said mom, hiking the front of her dress. “He’s going to fuck me. He’ll sure find out I am not wearing any panties and think I am a slut. Are you wearing panties?”

Erin was shocked when mom exposed her bare pussy to her, giving her a whiff of her excited pussy.

“Yes,” said Erin without thinking.

“I need to borrow your panties,” said mom. “I’ll return them to you after he fucks me.”

“Amy, I can’t give you my panties,” said Erin.

“Sure you can,” said mom. “I am telling you I am all wet. I’ll start leaking on the floor, and then you won’t be able to explain it to anybody. What about the smell? They’d think you’d been playing with your pussy in the office. Take it off and give it to me while the coast’s clear. The more you wait, the more you risk being seen.”

“I can’t believe this,” said Erin as she finally capitulated. “Can you close the door at least?”

“We’ll close it after I put your panties on,” said mom.

Erin wiggled out of her panties behind the desk and handed them to mom.

“I like your color,” said mom when she saw Erin’s red panties. “Red hot just like your and my pussies.”

Erin tried to keep her hand behind the desk, but mom’s extended hand was way above the desk. Erin finally delivered her panties to mom’s hand. Mom made a production of inspecting the panty crotch, embarrassing Erin a little, before she pulled up the panties like she was in her bedroom.

“I really appreciate this, Erin,” said mom, kissing Erin on the cheek. “They’ll be wet and sticky when I return them to you, but I promise to return them. You won’t go home without panties today. Close the door and be quiet. I don’t want him to know that you are listening in. I want you to tell me later if you thought I got fucked well or not.”

Mom knocked and entered dad’s office as Erin closed the outer door.

---

"Hi, honey," greeted mom. "Your secretary told me you were going to fuck me. How nice of you!"

"Did you tell her you were here to get fucked?" asked dad in disbelief.

"I think she's a smart girl," she teased. "She might have figured it out by the strong smell of my horny pussy."

"I can't believe you," he said.

"Honey, I am so wet I need you to eat me out, or I'll leave a serious wet trail all over your office," she said.

She hiked her short dress and climbed onto his desk.

"My panties are all soaked," she said. "Take them off and eat my horny pussy."

Mom made sure to talk loud enough for Erin to listen even if she was not right behind the door.

Dad gladly pulled Erin's panties off mom and dove in. Mom started talking dirty right away.

"Oh, yes, honey, eat that cock-hungry pussy," she moaned. "Get it ready for your hard cock. Show it that it's in for a serious hard fucking. Make me come in your mouth. That's it, honey. Tongue fuck it. Slurp my hot juices."

She did not stop talking dirty until she was coming in his mouth. She was then gasping.

"Let me suck your cock now," she said, hopping off the desk. "Do you want me to suck it?"

"Yes, I want you to suck it," he said.

"Let me help you out of your pants," she said.

He got up and she proceeded to take his pants off.

"Does Erin suck your cock for you?" she asked.

"Of course not," he said. "That would be sexual harassment."

"Only if she doesn't want to," she said, putting his pants and underwear away. "Too many bosses cheat with their secretaries all over the world. It isn't even cheating if it's only cock sucking. Presidents do it all the time."

"Not me," he said as she stroked his hard cock.

"You may want to rethink that," she said. "I can't come to your office and suck your cock every day."

"You don't have to," he said. "I don't expect you to. I am surprised you are here in the first place."

"I am guilty," she said. "I am not here to suck your cock per se. I am here to get fucked, but I'll suck your cock. I didn't want Nick to fuck me until I was sore. I wanted you to do some fucking."

"Hush," he said lowly. "Don't talk about Nick here."

"Are you going to fuck me, or do you want me to go back to him?" she teased.

"I said I was going to fuck you," he said.

"We couldn't fuck in the kitchen today because Alex was home," she said.

She swallowed his cock in her mouth before he could say anything but groan. She sucked him hungrily.

"I think you are ready to fuck me," she said, letting go of his cock.

She got up and bent over the desk. Her dress was already hiked.

"Fuck me from behind like a slut," she said. "I love to get fucked like a slut bent over your desk. Honey, don't you think that I exactly behave like a real slut?"

"I do, but you didn't have to do that in front of Erin," he said as he pushed his cock into her wet pussy.

"Honey, I am a slut," she moaned. "I didn't want to act like a holy person in front of her. I was just myself."

"What would she think about us now?" he said as he thrust in her pussy. "Her boss's wife's a slut?"

"Honey, I am a slut," she said. "It's perfectly legal. It isn't even immoral for her boss's wife to be a slut."

"Let's fuck now," he said.

"You are the one fucking," she said. "Give it to me."

He fucked her hard for a few minutes before she came quite noisily.

"Yes, yes," she gasped. "Your slut wife's coming all over your cock at your office. Ram it in. Hammer her."

He hammered her until her orgasm subsided.

"Let me suck my juices off your sticky cock," she said, squatting before him.

She sucked his cock for a few minutes.

"You like how your slut wife sucks her copious pussy juices off your dripping cock?" she teased.

"Yes," he said.

"Sit back on the couch," she said. "Let me ride you."

He obliged her. She straddled him and started bouncing on his cock while talking dirty until she came again.

She sucked his cock and had him fuck her in the missionary position on the floor. She sucked him before she had him fuck her in the doggy position on the couch. She sucked his cock and then had him pound her in the missionary position on the couch until he came inside her.

"Fill me with come, honey," she gasped. "Fill me up so I can leak it all in *my* panties."

He obliged her, draining his balls in her twitching pussy.

"Hand me the panties," she said when he dismounted her.

He gave her the panties, and she pulled them on before she got off the couch and stood up.

"You know, honey?" she said. "I came here without panties, but I didn't want you to think I was a total slut, so I borrowed Erin's panties."

"You borrowed Erin's panties?" he asked in disbelief. "No way."

"I did, honey," she said. "I am going to return them to her on my way out. Unfortunately, they are now full of your come and mine unless she likes come. Do you think she likes come?"

"How would I know?" he asked.

"Good girls love come," she said. "Is she a good girl?"

"She's a good girl, but I am not sure good girls love come," he said.

"I am, honey," she said. "I am a girl, and I am leaking a lot of come into those panties. She'll never be able to wash the smell of come out of them. For her own sake, I hope she loves come."

"Amy, that was fun, but I need to get back to work," he said.

"Let me clean your sticky cock and get you back into your pants," she said, kneeling before him.

She sucked his soft cock thoroughly and pulled his underwear and pants up. He helped her, buttoning his pants and buckling his belt.

"Thanks for the fucking, honey," she said, smiling at him.

“You are welcome,” he smiled.

“I love you,” she said.

“I love you too,” he said.

She kissed him on the lips before she left.

---

“Erin, did you listen in on us?” mom asked after she closed dad’s office door.

Erin blushed and nodded shyly.

“Did it turn you on to listen to your boss fuck his slut wife?” teased mom.

“Yes,” hissed Erin.

“Do you think he fucked me well or not that bad?” asked mom.

“I think he did well,” said Erin shyly.

“Yes, he wasn’t bad,” said mom. “Thanks for the panties.”

“You can keep them,” said Erin when she saw mom pull them down.

“Thanks, but I can’t,” said mom as she stepped out of the panties. “I promised to return them to you.”

“I don’t need them,” said Erin.

“I can’t let you go home without panties,” said mom.

“They are now dirty,” said Erin as mom showed her the panties.

The panties did not absorb all the come. Some of it was still pooling against the crotch.

“They are not dirty,” said mom. “This is come. You are a big girl. You know that come’s good.”

Mom raised the panties up to her face and stuck her tongue out and stabbed at the pool of come.

“It isn’t bad,” said mom, offering Erin a taste. “Taste it.”

“I can’t,” said Erin.

“You are a big girl, Erin,” urged mom. “You sure can. Do it. There is nothing to it.”

Mom held the panty crotch right under Erin’s nose. Erin finally hesitantly stuck her tongue out and took a tentative stab at the come.

“Was it all that bad?” asked mom.

“No,” said Erin.

“Do it again,” said mom. “Have a better taste.”

Erin was more daring as she swiped her tongue over the come.

“Does it taste good?” asked mom.

“Yes,” said Erin lowly.

“I am glad that you like the taste of your boss’s come,” teased mom. “You are a good secretary.”

Erin blushed and did not say anything.

“Are you ready to pull these panties back on?” asked mom.

“I can’t,” said Erin. “They are full of come.”

“Aren’t you on the pill?” asked mom.

“Yes,” said Erin.

“Your boss is monogamous,” said mom. “I’ll have his balls if he sticks his cock elsewhere.”

Mom held the panties for Erin for a while, looking her straight in the eye in a battle of wills. Erin finally lost.

“Okay,” said Erin lowly.

“You are a good girl, Erin,” said mom approvingly. “I knew you’d make the right decision. You are a hot girl.”

Erin got up, and mom helped her step into her panties.

“Hike your skirt, and I’ll take care of the rest,” said mom. “Spread your legs a little so I can do it right.”

Erin spread her legs and hiked her skirt to her hips, baring her hairless pussy to mom, who did not miss how wet it was. Mom did not miss the smell of Erin’s excited pussy.

“You are indeed a hot girl, Erin,” said mom, holding Erin’s panties just above her knees. “You are almost as wet as I am, and I had been getting fucked for an hour and come inside besides having been horny all day. You are so hot. For your own sake, I hope you didn’t make a wet spot on the back of your skirt.”

Erin blushed and did not answer.

“You have a pretty pussy too,” said mom. “I bet your boyfriend loves to eat it.”

Erin did not comment.

Mom pulled the panties further up. After she got the waistband in place, she smoothed the come soaked crotch against Erin’s pussy, making her gasp and tremble.

“You are horny, Erin, aren’t you?” asked mom.

Erin did not answer.

“I asked you a question, Erin,” said mom in an authoritative voice. “Are you horny?”

“Yes,” hissed Erin weakly.

“Don’t be shy, sweetie,” said mom softly as she got up, her right hand still cupping Erin’s pussy. “I’ve seen your dripping little pussy. Does it make you even hornier to feel your boss’s come against your come-thirsty pussy?”

“Yes,” said Erin, trembling.

“You are dying to come, aren’t you?” teased mom softly, staring in Erin’s eyes, as she massaged her pussy.

“Yes,” hissed Erin as she started to hump mom’s hand.

“I can make you come, Erin,” said mom softly. “Do you want to come for me, for your boss’s slut wife?”

“Yes,” hissed Erin.

While mom massaged Erin’s pussy, she maneuvered her around so Erin was leaning back against the edge of her desk. She rolled her hips back and forth to meet mom’s hand strokes.

“I like you, Erin,” mom teased softly, her lips next to Erin’s ear while she worked on her pussy. “I want to make you come. Can you feel your boss’s come entering your come-thirsty pussy as it sucks it in?”

“Yes,” hissed Erin trembling.

“Your boss and his slut wife’s come are mixing with your pussy juices,” whispered mom. “It’s like your boss and his wife have fucked you. Do you want to come for your boss and his slut wife?”

“Yes,” hissed Erin.

“Sweetie, you have to be nice,” teased mom. “You need to say ‘please’ if you want me to make you come.”

“Please make me come,” gasped Erin.

“I’ll only make you come if you are my bitch,” teased mom. “Are you my bitch, Erin?”

“Yes,” hissed Erin, trembling.

“Yes, what, sweetie?” teased mom softly.

“I am your bitch,” gasped Erin.

“Do you know what it means to be my bitch?” asked mom.

“No,” said Erin.

“It means that I am going to take care of your horny pussy as long as you do as I say,” said mom. “Are you going to be a good girl and do as your mistress tells you?”

“Yes,” hissed Erin.

“I think you’ll make a good bitch, Erin,” said mom. “You may come now.”

Mom’s fingers had been working on Erin’s pussy masterfully. She had pushed a few fingers into Erin’s slit through her panty crotch and had her clit between two fingertips. She had her on the verge of orgasm for a couple of minutes. When mom told Erin she may come, she jerked her fingers against her pussy and clit. Erin came instantly.

Mom held Erin’s back with her left hand while Erin shook wildly.

“Come for your mistress while she works your boss’s come into your come-thirsty pussy, you bitch,” urged mom jerking her hand vigorously against Erin’s twitching and gushing pussy. “If you are a good girl, your boss may be nice to you very soon and pump his come directly into the depths of your come-thirsty cock-hungry pussy.”

Erin convulsed violently as mom diddled her pussy throughout her hardest orgasm.

Mom massaged Erin’s pussy gently after her orgasm subsided.

“Did you enjoy coming for your mistress, my bitch?” asked mom softly.

“Yes,” hissed Erin.

“Do you know what you are going to do for your mistress now?” asked mom.

“No,” said Erin.

“You are going to go into your boss’s office and tell him that his wife has returned your panties,” said mom. “Hike your skirt and show him your come soaked panties. When you are done, come back to me.”

“Do I have to do that?” asked Erin timidly.

“Erin, sweetie, your mistress doesn’t appreciate it when you question her instructions,” said mom softly. “As long as you are a good girl, nothing bad can happen to you. You have to trust your mistress and be a good girl.”

“Okay,” said Erin meekly.

“Go ahead, sweetie,” encouraged mom quietly. “Make your mistress proud of her little bitch.”

Erin knocked at dad’s door, and he called her in.

“Dan, your wife has returned my panties to me,” said Erin shyly.

She looked down at the floor and hiked her skirt, exposing her come soaked panties. Before he knew what was going on, he had looked at her crotch and recognized the panties.

“Was she really wearing your panties?” he asked in shock.

“Yes,” she hissed.

“She wasn’t wearing panties?” he asked.

“No, she was without panties,” she said.

“Your panties are now soaked with sperm though, aren’t they?” he asked.

“Yes, but that’s okay,” she said. “Do you want anything else from me?”

“No, Erin,” he said. “Thank you.”

Erin straightened her skirt and left.

---

“That was great, Erin,” said mom, smiling at Erin. “I am proud of you.”

“Thank you,” said Erin shyly.

“Erin, your mistress doesn’t want you to ruin your skirt,” said mom. “Find and cut out a piece of nylon even if it has to be a shopping bag and tape it to the outside of your panty crotch. That way your panty crotch stays hot and wet against your dripping pussy but it doesn’t ruin your skirt. Okay, sweetie?”

“Yes, Amy,” said Erin. “Thank you. This is a great idea.”

“Erin, your mistress promised you to take good care of your hot little pussy, and she’s going to do that,” said mom. “She isn’t going to let you down. Do you trust her?”

“Yes, I trust you completely, Amy,” said Erin.

“You are a good girl, Erin,” said mom. “I want you to take off at three and come to me at home. Your mistress is going to take good care of your horny little pussy. You’ll love it. Okay, my bitch, sweetie?”

“Yes,” said Erin.

“Is your ass virgin, Erin?” asked mom.

“Yes,” said Erin shyly.

“Don’t worry about it,” assured mom. “Your mistress will take care of it for you. She’d never hurt you.”

“Thank you,” said Erin.

“You have my number, don’t you?” asked mom.

“Yes,” said Erin.

“Call me if you need anything,” said mom.

“Okay,” said Erin. “Thank you, Amy.”

“You are welcome, my hot little bitch,” said mom. “I’ll see you in a couple of hours. Bye.”

“Bye, Amy,” said Erin as mom left.

---

Mom left for home and came straight to my room.

“Nick, baby, my trip was very successful,” she said. “I don’t think your dad remembers that he didn’t have lunch. He fucked me nicely though.”

“Great,” I said.

“I want you to keep your cock ready,” she said.

“It always is, mom,” I said. “Do you need it now?”

“Not now and not for me,” she said. “You’ll soon get a new slut. How would you like to sink your big hard cock up a tight virgin ass?”

“Alex?” I asked, my cock twitching.

“No, you sick pervert,” she laughed. “If you want your little sister’s little ass, you have to get it yourself. I am not going to help you fuck your own sweet little sister. I am a jealous mom. I am jealous about you.”

“Who is it then?” I asked.

“I have a hot slut in mind,” she said. “It may not be now, but I want you to keep your big cock ready. You can never tell when I bring you a new slut.”

“Okay, mom,” I said. “Thank you.”

“Nick, baby, don’t thank me,” she said. “This specific one isn’t a favor. I expect something in return.”

“Sure, mom,” I said. “What is it? I’d do it for you without return. You don’t have to do anything for me.”

“Thanks, baby, but this one you can’t do for me without return,” she said.

“I don’t understand,” I said. “Why can’t I do my mom a favor without return?”

“Because the favor your mom wants you to do for her is actually to fuck the slut like she’s never been fucked before,” she said. “As you can see, you can’t fuck the slut without having her.”

“Oh!” I said. “You want to get me a slut on the condition that I fuck her really well. Sure, mom.”

“I knew I could depend on you,” she said.

She bent over and gave me a long deep kiss. I fondled her tits and ass and got a huge boner. She reached under the covers and stroked it for a while, making sure it was rock hard.

“I have to go now,” she said, the tease.

“What should I do with this big boner?” I asked.

“Baby, a stud like you should be able to deal with the abundance of pussy just like the lack thereof,” she said.

“Okay,” I said.

“Baby, don’t feel bad,” she said. “Your slut’s going to make it up to you. She just wants you to be strong.”

“Okay, mom,” she said.

“We need to replenish the pussy smell here anyway,” she said.

My room still smelled of pussy. I got so used to it I felt weird when I could not smell hot pussy.

---

Mom stopped by Alex’s room.

“Alex, sweetie, if you don’t want to spend the whole day home, feel free to go out and see friends,” said mom.

"As a matter of fact, I intend to go out and meet a couple of friends right away," said Alex. "Thanks, mom."

"Have fun, sweetie," said mom.

---

Mom went to her room and took off her dress. She douched her pussy and ass and took a shower. She did her hair, makeup, and perfume and selected high-heel sandals. By the time she was done, Alex was with her friends. Mom went down to the living room and sat quietly, waiting naked.

When mom heard the sound of Erin's car park in the driveway, she got up and confirmed the guest's identity. She opened the door for Erin before she reached it.

"Come in, Erin," called mom from behind the door. "I am glad you made it."

"Hi, Amy," greeted Erin.

"Hi, Erin," said mom.

Erin was surprised when she saw mom naked, but she did not comment.

"I thought I could be naked around my sweet little bitch, couldn't I?" teased mom.

"You sure can," said Erin.

"Follow me to the bedroom," said mom. "We need to get you cleaned up."

Mom led Erin inside.

"You can toss your purse here," said mom, pointing to a couch.

Erin put her purse on the couch and followed mom to the master bedroom.

---

"We need to get you squeaky clean," said mom as she closed the door. "We'll get rid of your clothes first."

Mom led Erin to her dresser and had her stand in front of the mirror.

"Relax," said mom. "Your mistress will take care of everything."

Mom stood behind Erin and proceeded to unbutton her blouse. She soon took it off and put it away.

"You are wearing a bra that matches your come soaked panties," commented mom. "I like that."

Mom unfastened Erin's bra, setting her fine tits free. She put the bra on top of the blouse.

"You have nice tits, Erin," said mom, gently squeezing Erin's tits. "Thank you for letting me see them and not letting Dan see them."

"You are welcome," said Erin.

"Your nipples are stiff," said mom as she lightly tickled Erin's nipples, making her gasp. "I am glad you are enjoying this. You are here for fun in the first place, aren't you, sweetie?"

"Yes," said Erin.

"Turn around and show me your nice tits," said mom.

Erin turned around obediently. Mom admired Erin's tits for a few seconds before she gently took the left nipple between her lips and sucked it very lightly. Erin gasped at first. She soon moaned and held mom's head to her tit. Mom switched her lips to Erin's right nipple and treated it similarly, making Erin gasp and hold her head again.

"Have you ever had your sweet nipples sucked by a woman before?" asked mom.

“No,” said Erin.

“Men don’t always know how to suck a woman’s nipples, do they?” said mom.

“No,” said Erin quietly.

“Don’t worry, Erin,” said mom. “I am not lesbian or bi. Neither are you. Actually, I’ve never touched a woman sexually before, but you looked so sweet and I felt so slutty. I hope that didn’t intimidate or offend you.”

“Not at all,” said Erin. “You did it so perfectly. Nobody could have done it better.”

“I am glad to hear that,” said mom.

Mom reached behind Erin and unzipped her skirt. She lowered it and let Erin step out of it. She put it away and knelt before Erin.

“You did a good job at waterproofing your panties,” said mom, looking at the nylon strip taped to the panty crotch.

Mom slowly lowered Erin’s panties and let her step out of them. Erin was left in her shoes and thigh highs.

“Your pussy’s still hot and wet,” said mom. “Thank you for keeping it warm and moist for me.”

“You are welcome,” said Erin.

“We don’t need this waterproofing anymore,” said mom as she gently peeled the nylon off the panty crotch.

Mom put the nylon away and held the sticky panties.

“That did a great job,” commented mom, examining the inside of the panties. “They are still soaked.”

Mom held the panty crotch to her mouth and sucked the inside while looking Erin in the eye.

“It tastes good,” said mom, offering the panty crotch to Erin. “Give it a try.”

Erin took some of the panty crotch into her mouth and sucked it.

“Do you like it?” asked mom.

“Yes,” said Erin.

“Suck it like sugarcane,” said mom, handing Erin her sticky panties. “Suck it dry. Don’t let it go to waste. You can’t find this special blend just anywhere.”

Erin proceeded to suck the mixed come and pussy juices off her panty crotch while mom teased her pussy. She was soon moaning and humping mom’s fingers gently.

“It feels like the juices you suck come out of your pussy,” laughed mom. “I like that. Suck harder.”

Erin smiled but continued to suck her panty crotch dry.

“This should be enough,” said mom finally taking the panties from Erin as she slid two fingers into her pussy.

Mom tossed the panties aside and swirled her fingers within Erin’s leaky pussy. Erin gasped and moved her pussy against mom’s fingers.

“Try this,” said mom, offering Erin her fingers that dripped with her pussy juices.

Erin did not hesitate to suck mom’s fingers thoroughly.

“Good girl,” said mom, leading Erin to the bed. “Now, we need to clean your sticky pussy very well.”

Mom pulled the covers off the bed and gently pushed Erin onto the bed.

“Spread your legs wide, sweetie,” said mom. “We need to get that hot little pussy of yours squeaky clean.”

Erin spread her legs, and mom helped her get into position. Mom pushed two pillows under Erin’s ass.

"This way, I can see you while I work on your pussy," explained mom. "I am not going to eat you out. I am only going to clean your pussy up."

Mom spread Erin's cheeks and examined her little asshole.

"You have a pretty asshole, Erin," said mom. "If you are a good girl, it won't be virgin when you go home."

Erin quivered.

Mom lowered her head to Erin's pussy and teased her clit with her tongue tip, making her gasp and tremble.

"Relax and let me suck the juices out," said mom. "If you have to come in my mouth, do it. You have a cute pussy that looks delicious. I wouldn't mind drinking a few ounces of your tasty juices. Your naughty pussy likes that. It's leaking for me. That's a good girl."

Mom treated Erin's pussy as if she was really trying to clean it up thoroughly. She licked and sucked every nook and cranny in her pussy, her tongue slurping, probing and wiggling against it. Erin squirmed, moaned and humped mom's face, leaking profusely.

"The leaking fresh juices help clean the insides of your pussy," explained mom.

Mom licked and sucked Erin's dripping pussy until Erin was about to come. Erin writhed and shoved her pussy into mom's face. Mom kept her at the edge for several minutes, not letting her come. She took her mouth off Erin's pussy and used two fingers to fuck her pussy and maintain the pressure.

"Erin, sweetie, if you want to come, beg me," said mom calmly. "Beg me to be nice to my little bitch and let her come in my mouth like a little whore. Also promise me that you'll always be an obedient little bitch for me."

Mom took her fingers out of Erin's pussy and covered it with her mouth. She gave Erin her dripping fingers to suck. Erin hungrily sucked her juices off mom's fingers, moaning over them. Mom removed her fingers from Erin's mouth and used her hand to spread Erin's pussy.

"Amy, please make me come," begged Erin. "Please be nice to your little bitch and let her come in your mouth like the little whore she is. I promise to be an obedient little bitch for you forever. Please, mistress."

"Go ahead and come, my sweet little bitch," said mom, smiling at Erin.

Mom took Erin's clit in her mouth and sucked it hard. Erin came instantly. Mom held her tightly and continued to suck her gushing juices out of her twitching pussy until Erin went limp, gasping for air.

While Erin recovered, mom gently took off her shoes and stockings, leaving her completely naked.

"Sweetie, we are going to douche your pussy and ass and give you a shower," said mom softly. "I'll do your hair and makeup. You'll be squeaky clean inside out and ready to have fun. Would you like that, my little bitch?"

"Yes, mistress," said Erin, smiling faintly. "Thank you."

"I think this is going to be the hottest evening of your life," said mom. "You are going to get fucked royally with a real live big hard cock, not a dildo or a strap-on."

"Thank you, Amy," said Erin.

"You are welcome, my bitch," said mom. "Why don't you get up so we can get you ready?"

Erin got up, and mom took her to the master bathroom.

Mom took a little over an hour to get Erin ready, made up, her hair done, and in her clothes without underwear. She even hemmed her skirt to make her look sluttier.

---

While Erin was in the shower, mom came to me in my room.

“Darling, there is a car parked in our driveway,” said mom, giving me the keys. “Park it down the street. I don’t want your dad to find it blocking the garage.”

“Whose car is it?” I asked.

“It belongs to a friend of mine,” said mom.

“Okay,” I shrugged.

Mom left, and I got dressed quickly. As I went out through the living room, I did not see anybody. I wondered if mom borrowed someone’s car for some reason. I parked the car down the block and came back. Mom came back a few minutes later and took the keys.

---

“Erin, sweetie, Nick fell by the pool the other day and hit his head on the tiles,” said mom. “Would you like to check on him and wish him well?”

“Oh, I am so sorry to hear that,” said Erin sincerely. “Is he all right?”

“He’s all right,” said mom. “He just did it to get my attention. He’s a spoiled brat, but I love him. Maybe that’s why.” Mom laughed. “I am kidding. He’s a nice kid. Do you want to check on him?”

“Sure,” said Erin.

“Let’s go,” said mom, leading Erin out of the bedroom.

Erin was fully dressed as if she was going to an interview except for the length of her skirt or the lack thereof, and mom was completely naked except for her high heels, looking like a stripper at the end of her routine.

“If you are a good girl, I’ll let him fuck you,” said mom. “That would be undeniably the best fuck of your life.”

Erin trembled but did not comment.

“Knock,” said mom.

Erin knocked on the door.

---

Not expecting her, I thought it was mom, but mom never knocked like that. Neither was it Alex. I was sure it was dad when I called my guest in.

“Come in,” I said.

Erin opened the door and entered the room, completely surprising me. What shocked me was that she was closely followed by my naked mom. I had no clue about what was going on. To make it even better, I was completely naked under the covers and with a big boner.

“Hi, Nick,” greeted Erin.

“Hi, Erin,” I answered but made no attempt to move or shake her hand.

Mom pulled the side of the cover to make room for Erin to sit at the edge of the bed.

“Sit here, Erin,” said mom, patting the side of bed next to my side.

Erin sat down.

Mom pulled the side of the cover by my legs and sat there. She snuck her left hand under the covers and captured my hard cock, almost making me choke.

“When Erin heard that you hit your head, she insisted to visit you and make sure you are well,” said mom stroking my cock slowly and teasing its sensitive head.

“Erin has always been a sweet woman,” I said.

“Thanks, Nick,” said Erin. “Tell me how it happened?”

“I think you were born that way,” I teased.

“I didn’t mean that,” she smiled. “I was asking about your accident.”

“I was kneeling by the pool and lost my balance,” I said. “When I used my hands to break the fall, my head was too close to the floor. Maybe next time I should use my hand as a blanket to cushion the fall.”

“Be careful next time,” said Erin. “You are a big boy. You shouldn’t fall like that.”

“I normally don’t,” I said. “I think I was distracted.”

“Be careful anyway,” she said. “How does it feel now?”

“It feels great,” I said.

Mom winked at me as she continued to stroke my boner.

“How is the swelling doing?” asked mom, squeezing my cock.

“It’s all but gone,” I said.

“I don’t think so,” said mom, squeezing my boner again. “What about the other swelling?”

“What other swelling?” I asked, feeling my face turn red.

“Darling, do you have a boner?” asked mom, teasing my cock head. “It’s okay. Don’t be shy.”

“Mom, that’s embarrassing,” I said.

“Erin, do you think a big boner’s an embarrassment to a hot guy?” asked mom.

“I don’t think so,” said Erin.

“Why don’t you pull the covers and find out if Nick has a big boner or not?” suggested mom, shocking me.

“Sure,” said Erin as mom sneakily pulled her hand away from my rock hard cock.

My cock sprang up, making a noticeable circus tent in the cover.

“I think I know already,” said Erin as she looked at my boner tent.

As Erin pushed the covers off me, I decided not to let them embarrass me. I helped her yank the covers away.

“Oh, you have a very nice boner,” said Erin, staring at my pulsing cock.

“Thank you,” I said.

It was all I could do not to blurt out that I had always thought that she had great tits too.

“Do you think it’s embarrassing?” asked mom.

“No way,” said Erin. “He should be very proud of it.”

“Don’t you think it’s mouthwatering?” asked mom.

“Definitely,” said Erin.

“Go ahead and suck it,” said mom. “He wouldn’t mind.”

My cock jumped as mom said that.

“Did you see that?” laughed mom.

“I sure did,” smiled Erin.

“Suck it before he changes his mind,” said mom.

“There would be a big fight if he changed his mind,” said Erin as she lowered her mouth to my cock.

Erin was going to fight to suck my cock? I would never fight to prove that I was a moron.

“I’d never fight a hot woman like you, Erin,” I said. “Even if I did, I’d never fight you.”

“Oh, thank you,” said Erin. “That’s so sweet.”

“Erin, do you really want to suck his big cock?” asked mom.

“Yes, please,” said Erin lowly.

“Beg him, sweetie,” mom said softly. “He’d love to hear you express your need for his big hard cock.”

“Nick, please let me suck your big cock,” begged Erin softly.

Wow! My cock jumped.

“What are you going to do for him in return if he let you suck his big mouthwatering cock?” asked mom.

“I’d let him do anything he wants to do to me, and I’d do for him anything he wants me to,” said Erin.

“Nick, would you let this slut suck your big cock if she promised to let you have your way with her?” asked mom.

What the heck!

“Should I?” I teased.

“Erin, sweetie, is there anything you wouldn’t do for him?” asked mom.

“No,” said Erin.

“Nick, I think you should,” said mom.

“Okay,” I shrugged. “This better be worth my while, or I’ll get mad and give her a sound spanking.”

Mom winked at me as I said that.

“I don’t think you’ll be giving her tight ass a *spanking*,” aid mom.

“I hope not,” I said.

“You are going to make sure it’s worth his while, aren’t you, Erin, or do you want that spanking?” asked mom.

“I’ll be a good girl,” said Erin lowly.

“Nick, she’s waiting for you,” said mom. “Tell her to suck your big juicy cock.”

“Go ahead, Erin, you hot slut,” I said. “Suck my big thick cock.”

“Thank you,” gasped Erin before pouncing on my cock.

That was amazing. I had seen how dad looked at Erin. He all but drooled. He would have given his left nut to have her suck his cock. Here she was begging me to let her suck mine. I loved blind luck.

“Take your time, Erin,” said mom softly as Erin’s tongue toyed with the leaky head of my twitching cock. “He isn’t going anywhere. He’s going to fuck you like you’ve never been fucked before. Isn’t that right, Nick, baby?”

“Yes, mom,” I said, my cock jumping happily. “That’s a promise.”

"I knew I could count on you, baby," said mom. "Erin's my little bitch. I am responsible for her. She trusted me with her hot body. You are going to fuck her very well in every possible way. That's a favor for your mom."

Erin, one of the hottest young women I had ever seen, was mom's bitch? I was going to fuck her in every possible way as a favor to mom? Things were sure upside down, and I loved it.

"Mom, you know how much I love you," I said, smiling stupidly. "I'll do that favor only for you."

"I love you too, baby," said mom. "Thank you."

Mom gave me a quick kiss on the lips and, while she did, she placed my left hand on Erin's ass which I proceeded to fondle right away. When I looked at Erin's ass, I found out that she was without panties. Her very short skirt had ridden up her ass, exposing half her ass, and I could see the front of her pussy.

Mom sat next to Erin's head. She stroked her back. Erin sucked my cock, taking it deeper and deeper into her eager mouth. I could hear mom whispering to her while stroking her back. I had already known that Erin was not wearing a bra because I could feel her stiff nipples brush my stomach through her thin blouse. I slid my hand up her skirt and proceeded to fondle her bare ass. Her skirt was too tight, so I pushed it up over her hips and proceeded to feel up her bare ass and enjoy it visually. I craned my neck to get a better look at her leaky pussy and shy asshole. She was hairless and had a pink asshole with no brown around it.

By then, it was obvious that Erin could not suck my cock all the way down her throat, but she was still trying and mom was still stroking her back and whispering to her. Suddenly, my cock popped all the way down Erin's throat. She held it for a few seconds before she pulled out and inhaled sharply.

"Good girl," said mom audibly. "Do it again."

Erin swallowed my entire cock several more times, getting more and more comfortable with it.

"Do you know, baby, that your big cock's the first and only cock Erin was able to take all the way down her throat?" said mom. "She did it especially for you. Your big cock's very special to her. Aren't you proud of her?"

"I am very proud of you, Erin," I said. "You are a good cocksucker. I'll make sure to let you suck my big cock all you want. I love to help good cocksuckers, especially when they have amazing asses."

"Thanks, Nick," said Erin. "I love sucking your big cock. It's so much fun. I am so happy that I can now take it all the way down my throat. I love your cock even more."

"Mom, I don't know how you did this, but Erin's an invaluable treasure," I said.

"I know, baby," said mom. "Dig deep inside her and enjoy all her treasures."

"I will," I said as mom's statement reminded me that I should dig inside Erin's wet pussy.

"Do you like that ass, baby?" she asked as I freely fondled Erin's bare ass, watching her fuck holes wink at me.

"Yes, mom, I like it a lot," I said. "She has a gorgeous ass."

"Don't you think that her little asshole's very pretty?" she said.

"It is, mom," I said. "It looks delicious."

"It's virgin, baby," she said. "I told her, if she was a good girl, we might not send her home with a virgin ass but with a very happy one. Promise me, baby, that you are going to reward her for being a good girl. It's squeaky clean."

Mom wanted me to promise to fuck Erin's hot virgin ass! My cock jumped while down Erin's throat. Erin got my promise before I even made it.

"Mom, you know that it's a lot of work," I whined, smiling, "but you know I can never say no to you."

"You are a good kid, Nick," she said. "She's a good girl too. You are going to love sinking that big fat cock of yours in her tight virgin ass, where nobody has ever been before. You'll both love it. Fuck her horny ass open, baby."

"I will, mom," I said. "Your bitch's my bitch. I'll fuck her royally. She may have to call in sick tomorrow."

"Give her all you have, baby, and hope she can take it," she said. "Fuck her until she begs for mercy, and don't worry about her work. She can take the first couple of hours off."

"She got it, mom," I said.

"I'll now leave you to your little slut," said mom. "Have fun. Enjoy each other fully. When you are done, take her to where you parked her car. Don't let your sister or dad see you. They shouldn't know about this."

"You got that, mom," I said, wondering what they were doing around the time I moved the car.

Mom tilted Erin's face up, letting my cock leave her lips, and gave her a gentle kiss on the lips. She then silently left, locking the door.

---

"Erin, are you really mom's bitch?" I asked.

"Yes," said Erin. "I am your mom's bitch and your slut as she said."

"Erin, let me tell you that you are the hottest bitch and slut in the world," I said.

"Thanks, Nick," she smiled. "You have a very nice cock. I love it. Thanks for letting me play with it."

"Erin, bring your hot ass over here so I can kiss it and play with it," I said. "I want to eat your sweet asshole."

"You shouldn't do that, Nick," she said.

"I think I should have a good time," I said. "Now, I can't think of anything hotter than licking your cute asshole."

"If you insist," she said as she straddled my head.

"I do, Erin," I said. "You don't know how mouthwatering your little asshole looks. I am going to eat it raw."

She tensed as I planted light kisses on her asshole, but that did not last for long. As I showered her asshole with longer and wetter kisses, she gradually relaxed and her asshole unclenched. When my tongue touched her asshole and started to explore it gently and carefully, she started to moan. She was soon squirming and happily working her asshole against my tongue. I massaged it and probed it with my tongue, making it relax further. Before long, it was playfully nibbling at the tip of my tongue. A few minutes later, I was devouring her asshole while she hungrily stuffed my cock down her throat again and again.

"Oh, Nick, this feels so good," she moaned. "I've never even thought it would."

"Didn't mom tell you it was a reward?" I said. "Rewards are always good. I am the one who gets to do the hard work. Can't you see this hard work is making me harder than rock?"

"I see and appreciate that," she moaned. "Your big cock's the hardest and prettiest I've ever seen or felt."

"You can tell that I am smitten with your sweet asshole," I said. "I'll later check on your hot juicy pussy."

"I am really enjoying this at both ends," she moaned.

"So am I, baby," I said.

We returned to devouring each other. As her orgasm approached, she gradually lost her concentration on my cock. She gasped and moaned constantly, but I did not mind that because I loved her asshole.

"Yes, yes," she hissed, humping my face. "Eat my asshole, baby. Make me come."

She took my cock head in her mouth and moaned around it as I sucked and licked her luscious asshole wildly, working my tongue inside it as deep as it would allow. She finally stiffened and came, groaning and gasping. I ate her twitching asshole until she laid her head on my thigh, gasping for air.

“Nick, that was incredible,” she gasped.

She kissed my thigh lightly.

“What can I do?” I said. “You have an incredible asshole!”

She moaned softly as I gently lapped up her copious juices off her drenched pussy.

“Your juicy pussy’s almost as delicious as your luscious asshole,” I said.

After a minute of the playful licking of her pussy, she started to moan and hump my mouth. She also returned to sucking my cock. I held her head with both hands and fucked her throat gently. She synchronized her humping with my strokes. As she picked up the pace, I fucked her throat faster. She swallowed my entire cock every time. I thrust in her face and she rode my tongue more and more urgently until she came. Only when she came, did I let go of her head and grab her ass. I ate her gushing pussy hungrily while she shook and gasped ecstatically. I cleaned up her pussy gently while she rested.

“Is your horny pussy ready for my big cock?” I asked.

“My little pussy’s dying for your big cock,” she said. “It’s been hungry for it ever since I saw it.”

She kissed my leaky cock head and sucked it lovingly.

“Why don’t you turn around and hop on it,” I said.

“That’s a great idea,” she said as she turned around and got into position.

As she rubbed her pussy with my cock head, I unbuttoned her blouse. She took her blouse off, and I cupped her fine tits. I squeezed them gently. She lowered herself onto my cock, moaning as it stuffed her tight pussy.

“This feels so good,” she moaned, grinding her pussy into the base of my cock. “I am going to come very soon.”

“That’s what I want you to do, baby,” I said, pinching her stiff nipples. “Come for me.”

She ground her pussy into the base of my cock a few times before she stiffened.

“Nick, I am coming on your big cock,” she gasped. “I am coming for you.”

“Come for me, my slut,” I urged, pulling her ass harder into me. “Drench my big cock in your juices.”

She shock and gasped as I held her tightly so she would not fall off as she wildly shoved her gushing pussy into me. When her orgasm subsided, she showered my face with light kisses. She was still panting.

“That was so incredibly nice,” she gasped. “Your big cock feels so nice in my tight pussy like it belongs there.”

“It sure does,” I said, teasing her stiff nipples with my thumbs. “My big cock doesn’t belong in your pussy though. Your pussy belongs around it. Be a good little bitch, and get that tight little pussy of yours fucked nice and hard.”

“That’s exactly what I have in mind,” she said as she started to ride my cock.

“What can I say?” I said, pinching her nipples gently. “You are a natural bitch. I am happy for you.”

“Oh, thank you,” she moaned. “I can feel how happy you are, and it’s filling me with joy.”

“You are going to get deeply enjoyed, girl,” I said. “You can bet your sweet little ass you are reward material.”

“You think so, Nick?” she moaned. “You think I am going to earn that big hard reward?”

“Balls deep, baby,” I said, reaching for her ass. “Speaking of that reward, I should do something about it.”

“You’ll enjoy giving me that reward, won’t you?” she moaned.

“I admit that it’s hard work but for a good cause,” I said. “That gives me satisfaction like nothing else.”

“What kind of satisfaction does it give you?” she teased.

“All kinds of satisfaction,” I said. “It satisfies me completely and does so to my partner and audience.”

“Audience?” she asked. “Have you done it in front of audience?” she asked.

“Not yet, but it may happen soon,” I said. “Mom may want to watch me fuck you. Do you think she’d take our word for the reward? She’d think we are telling her what we think she wants to hear. If she watches us, she’ll have to be satisfied or both of us won’t like it.”

“Oh, you think she’d want to watch you fuck my tight ass?” she asked.

“I am pretty sure of that,” I said. “She’d probably start by sticking a finger up your ass to make sure it was tight, and, once done, she’d do it again to make sure that I’d done my job and reamed out your asshole very well.”

“She can’t trust us?” she asked.

“She can, but we need to earn that trust first,” I said. “She’d probably stick her finger in your pussy after every orgasm to make sure you didn’t fake it.”

“She’d go that far?” she said.

“I think so,” I said. “We can’t blame her though. She wants to make sure her little bitch’s treated right.”

“What if she were not satisfied?” she asked.

“I don’t want to think about that,” I said. “The last thing I’d ever want to do is not satisfy mom.”

“Are you scared?” she asked.

“I am not scared,” I said. “I don’t intend to fail, and you better not let me down.”

“I am not going to let you or your mom down,” she said. “I don’t know what she’d do to me if I did.”

“That’s the spirit, Erin,” I said. “We both don’t want to find out about that.”

By then, she was riding my cock energetically, and I was meeting her every stroke. Her orgasm approached quickly. I tugged her stiff nipples harder, and she came, shoving her twitching pussy into the base of my cock with vengeance. I grabbed her hips tightly and pounded her gushing pussy from below until she went limp.

“You are a great lover, Nick,” she gasped. “I loved fucking your big cock.”

“You are a hot slut, Erin,” I said, pulling her for a kiss. “I haven’t even started with you.”

While we kissed, I thrust in her drenched pussy. She started to fuck back before we broke the kiss.

“I can’t believe I am fucking you,” I said. “You are so hot. You are so sexy. You are so beautiful.”

“You are fucking me so well, Nick,” she moaned. “I am so lucky to be impaled on your gorgeous cock. I owe your mom big time.”

“I am going to do my best to make it worth your while,” I said.

“I am already having a blast,” she said. “Do you think I always have such a great time and come this hard?”

“I hope you can come very many times because I am going to fuck you until you can’t fuck anymore,” I said.

“I’ve heard this promise before, but nobody so far has been able to keep it,” she said.

“Are you telling me a gorgeous woman like you has never been fucked properly?” I asked.

“Unfortunately not,” she said. “I’ve had decent sex before but nothing like what was promised.”

“I am not offended that you don’t take my word seriously,” I said. “I am going to earn your respect.”

“You already have,” she said.

“You’ll respect my word too by the time I am through with you,” I said. “You are going to get fucked tonight.”

When she approached orgasm, I wrapped my arms around her tightly, and drilled her pussy hard from below. She stiffened and shook in a wild orgasm, but I kept pounding her gushing pussy. I held her tightly and did not slow down as her orgasm peaked and then waned. She collapsed on top of me, but I continued to fuck her hard and fast. I did not give her time to catch her breath, and she came again harder. I did not slow down, and she came a third time even harder without a break. I slowed down when her orgasm subsided.

“Oh, Nick, I can’t believe this,” she gasped breathlessly. “I’ve never had three powerful orgasms back to back. I’ve rarely come this hard or this many times in an entire evening.”

“I just want to make sure you’ll look forward to a next time,” I said. “This is just the beginning anyway.”

She took the hint when I rolled to the side. I was soon holding her legs under my shoulders as I drilled her pussy.

“I guess I am really going to get fucked tonight,” she gasped as I fucked her harder and harder.

“You may have some doubt,” I said. “I don’t.”

“Your powerful cock’s smashing my doubts,” she gasped. “You can really fuck a girl.”

“Are you a girl or a slut?” I teased.

“I am your slut,” she gasped. “Fuck me like the dirty slut I am. Make me come repeatedly on your big cock.”

She came three times in that position. Her orgasms left her limp. When she finally caught her breath, I pulled out and licked her drenched pussy clean. I got up and took my dripping cock to her mouth. She sucked it with increasing eagerness as her body recharged. I was soon fucking her throat, and she was pulling me into her face.

“Get on your hands and knees,” I finally said, dismounting her. “I can fuck your hot pussy all night, but it isn’t the only luscious thing I want.”

“You like my virgin little asshole, don’t you?” she moaned as she got into position, thrusting her ass out for me.

“I am in love with your sweet asshole,” I said, admiring her asshole, sticky with her excess pussy juices. “It was love at first sight.”

“Love or lust?” she asked.

“I am in lust with you, but I am in love with every hot part of your body,” I said as I fondled her ass. “You are a beautiful woman, Erin, but your asshole’s fantastic.”

“Are you saying that my little asshole’s the prettiest thing I have?” she asked.

“Everything you have is gorgeous, but your asshole’s really breathtaking,” I said. “I am in love with it.”

“You can’t wait to fuck it, can you?” she said.

“I can wait the bare minimum required to get it ready,” I said. “I want it to be perfect for us. It has to be.”

“You think you can get it ready for your big cock?” she asked.

“It looks incredible, but that’s what your little asshole was made for,” I said. “I knew it when I saw it. It’s going to be incredible for the two of us. I assure you that it’s going to be the best reward you’ve ever received.”

“Is it going to be a reward for me or for you?” she teased.

"It's going to be a perfect reward for you," I said. "Mom knew that for me to give a perfect reward I had to enjoy giving the reward, and there is nothing I'd enjoy more than this, my slut. You just relax and enjoy yourself."

She wiggled her virgin ass at me and winked with her asshole. I gave it a gentle kiss before I grabbed the lube. I took my time rubbing the lube into her asshole and working it inside, using one finger at first. She was already moaning and humping my slick finger. Within a few minutes, I loosened her asshole for a second finger. I took my time pumping and reaming out her asshole with the two fingers while her asshole milked them happily. I soon pushed a third finger in and loosened her up tight asshole further.

When her asshole was loose enough, I cupped her mound with my left hand, sticking my thumb into her dripping pussy, and pumped her asshole with the three fingers of my right hand to a wild orgasm. She met my ever stroke until she lost control and started to shove her ass wildly into my hand. She lowered her head as she gasped for air.

While she recovered, I gently worked my thumb within her drenched pussy, keeping my fingers up her ass. I finally let go of her pussy and used my left hand to lube my cock thoroughly.

"Rise on your hands," I instructed as I aimed my cock at her virgin asshole.

She knew what was coming as she got into position a little nervously.

"It's time for some serious fun," I said as I held her hip with one hand and twisted my fingers within her asshole.

"Take it easy on my virgin asshole," she said softly, pushing her ass out.

"I'll make sure you'll have a wonderful time," I said as I gently slid my fingers out of her ass and used them to guide my cock in.

Before she knew what happened, I had driven my cock a few inches up her ass. When she gasped and her asshole tensed, I was already third of the way in.

"It feels so big," she moaned.

"Your ass feels amazing," I said as I held her hips with both hands and pulled her firmly into me.

Her stretched asshole accepted a couple of more inches of my cock before I took another short pause. Her asshole tensed again, and I waited for it to relax.

"It feels amazing to me too," she moaned.

When her asshole relaxed a little, I shoved my hard cock the rest of the way in, making her grunt.

"Nick, I can't believe this," she gasped, stiffening. "I am going to come."

"Come on my big cock, you ass whore," I urged, pulling her ass even further onto my hard shaft.

Her pussy leaked against my balls even before she started to shake in orgasm.

"This is so intense," she gasped, bucking as if she was trying to throw me off.

As she convulsed in a wild orgasm, I loosened my grip on her just enough to let her involuntary thrusts work her twitching asshole back and forth over the bottom of my hard shaft. That made her orgasm even harder. Her orgasm finally subsided, and I started to thrust gently in her.

"Did I take it easy enough on your once-virgin asshole?" I teased as she panted.

"You did it perfectly," she gasped. "How come I never knew I had to get my horny ass fucked?"

"They didn't tell you so you wouldn't give it to the wrong guy," I said.

"I am glad I finally gave it to the perfect guy," she gasped, meeting my gentle thrusts.

“Now that you know that you have to get your horny ass fucked, why don’t you move it and let me watch it get fucked?” I said as I stopped moving.

“How does it look back there?” she asked as she rocked in longer strokes.

“It looks almost as good as it feels,” I said, spreading her ass for her.

“You are lucky,” she moaned. “You enjoy both the view and the feel.”

“I am glad you finally realized that I’d been lucky all along,” I smiled.

“Enjoy,” she said, picking up the pace.

“You, too, babe,” I said.

While enjoying the great view of her stretched asshole getting fucked for the first time, I paced her so her thrusts would not go out of control. I let her take it all the way to orgasm. I watched her erratic thrusts and paced her, especially as she gasped and shook in ecstasy.

“Nick, I love this,” she gasped as she recovered. “I love getting fucked up the ass by your wonderful cock.”

“I love this too, baby,” I said, squeezing lube on my shaft and watching her asshole rub it in.

“I can never pay you and your mom this debt,” she moaned.

“I hope you know how to keep trying,” I teased.

“I know how to get deeper in that debt,” she moaned.

“That’s payment good enough for me,” I said as I held her ass and proceeded to fuck it harder. “I’ll even keep the payment at the maximum you can afford and never increase it one bit.”

“I am going to enjoy paying my debt very much,” she gasped.

“That’s the point, my hot anal slut,” I said, fucking her faster.

Our pace accelerated constantly, making loud flesh slapping sounds.

“When you come, I am going to shoot my come so deep up your hot ass you may taste it in your mouth,” I said.

“I’d love that, baby,” she gasped, fucking back harder. “Fuck my ass harder, and make me come.”

We both did. She came hard, and that triggered my orgasm.

“I am filling your amazing ass with come, you hot slut,” I said as my cock spewed come deep into her bowels.

Her orgasmic spasms milked my cock for the last drop while we drained each other. She went limp, and I held her tightly to me, keeping my softening cock inside her gooey ass.

“Milk my cock constantly,” I instructed it. “Squeeze it hard and then release repeatedly.”

She obliged me, and I kept my cock as deep inside her ass as I could.

“How did you enjoy your first ass fuck?” I whispered.

“I enjoyed it like nothing else I’ve ever enjoyed in my life,” she gasped softly. “It was just incredible.”

“It sure was,” I said. “I am not going to let go of your hot ass anytime soon.”

“I don’t want you to,” she said.

A few minutes later, my cock reversed its trend. Before long, it was hard enough to fuck her ass.

“Turn around, and let me fuck your face,” I instructed when my cock was rock hard.

She did not hesitate to take her ass off my sticky cock and take it into her mouth. I was soon thrusting in her throat as she eagerly pulled me into her.

“My ass needs more of your amazing cock,” she finally said, letting go of my cock.

“It’s going to get it,” I said as I maneuvered her onto her back.

She pulled her legs up, and I guided her hands to her ass. She spread it wide.

“I have to tell you that this is already the best fuck of my life,” she said as I lubed my cock.

“You don’t have to,” I teased as I brought my cock to her glistening asshole. “I’ve figured that out on my own.”

She slapped me playfully as my cock penetrated her splayed ass. She returned her hand to her ass, and I started to fuck it at an easy pace.

“Are you aware that you’ve turned me into an ass whore?” she moaned as my balls pressed into the back of her ass. “If you keep fucking my ass like this, I’ll never ask you to fuck my pussy.”

“That’s the idea,” I smiled, thrusting in her ass. “I love ass whores more than ordinary whores.”

After she came three wild times in that position, I rolled us into the cowgirl position. I also fucked her ass in the reverse cowgirl position and the leapfrog position. I concluded that round in the doggy position.

“This time I am going to come in your pussy,” I said, drilling her ass hard.

In the middle of her orgasm, I moved my cock to her gushing pussy. I came deep in her twitching pussy, and her orgasmic spasms continued until my orgasm subsided.

“Hold your hand under your pussy,” I said. “When I pull out, eat all the come that you can get out of there.”

My come gushed out of her pussy into her hand as I pulled out. I shoved my cock into her ass, making her grunt. She wiped her pussy with her fingers and brought the come to her mouth. She licked it lewdly, occasionally looking over her shoulder at me. She milked my cock meanwhile.

“Scoop out more,” I said.

She dug into her slimy pussy and did things that massaged and rubbed my cock in her ass.

“Now, suck my cock to full hardness,” I said when she finished eating my come out of her pussy.

My cock was soft and sticky when I lay back. She licked my cock and balls clean before she took it in her mouth and sucked it eagerly. She deep throated it for a few minutes when it was hard.

She finally finished sucking my cock and lubed it. She mounted me in the cowgirl position, guiding my slick cock into her ass. She smiled at me as she rode my cock.

“You’ve spoiled me for everybody else,” she said.

“If you want to fuck me, you can’t fuck anybody else anyway,” I teased.

“I don’t fuck anybody else, but now it would be just a waste of time if I wanted to,” she said.

“Don’t waste your time,” I teased.

“You don’t mind taking care of a new horny slut?” she asked.

“Not you,” I said. “You are always welcome, but you need to move your hot ass.”

She rode my cock harder.

Her ass got fucked in several positions before I came directly in her mouth.

“Gargle with it before you swallow it,” I directed.

She obliged me lewdly. I gave her a deep kiss.

She revived my cock, and I fucked her ass while she lay prone. We cycled through many positions again, fucking hard, before we returned to the prone position, and I pumped my come deep in her twitching ass.

She was mostly fucked out by then. I lay on top of her back, keeping my softening cock in her ass. She milked it instinctively while we chatted.

“Erin, how did you become mom’s bitch?” I asked.

“I am sorry, Nick,” she said. “I can’t tell you. She can. I am only her bitch.”

“This is serious, not a game, isn’t it?” I asked.

“It is,” she said. “I accepted and promised to be her bitch. I do whatever she wants me to do.”

“What if I wanted to fuck you?” I asked.

“I think we have her permission,” she said. “She said I was your slut, and when you told her that her bitch was your bitch, she didn’t object. You can ask her though. We can’t fuck without her permission.”

“You are like a slave to her,” I said.

“She never called me a slave, but I practically am,” she said.

“Would you fuck anybody she asks you to?” I asked.

“I would, but she doesn’t ask me to do anything,” she said. “She tells me to. I obey. I trust her judgment.”

Wow! That was serious.

“You said you loved my cock,” I said. “Did you love it because she told you to?”

“No, Nick,” she said. “I love your cock. I am not a robot. I am still a human being. I loved everything we did. She tells me to do things. I love them or hate them on my own, but so far I haven’t hated anything she said or did.”

“I am happy to hear that,” I said.

She looked over her shoulder at me.

“If she doesn’t let me fuck you, I may stop being her bitch,” she whispered, smiling.

“I don’t think you’d have to go to that extreme,” I said. “We both trust mom. She’d never hurt us. We’ll fuck.”

“I am sure of that,” she smiled. “Had I not trusted your mom completely, I wouldn’t have become her bitch and would have missed the best evening of my life. I am very lucky and grateful to be your mom’s bitch.”

“So am I, Erin,” I said. “I am going to fuck you so much you’d think you were *my* bitch.”

“I love being a lucky bitch,” she giggled.

By then, my cock was hard, and I thrust in her ass gently. She felt it.

“Nick, I am all fucked out,” she said. “You’ve really kept your promise. I can’t fuck anymore tonight.”

“Okay,” I said. “Do you want to wash up or freshen up before I walk you out?”

“I just need a glass of water,” she said.

“Empty or full?” I teased.

“Full,” she smiled.

She moaned as I withdrew my hard cock out of her ass. I spread her ass and kissed her asshole gently.

“Let me clean your cock before you go,” she said.

She remained lying on her stomach. I brought my cock to her, and she licked it clean and sucked it a little.

Getting her water allowed me to see where everybody was. They all were in the living room. They did not even notice I was there. When I brought the water to Erin, she was dressed and ready. She drank the water right away.

“Take off your shoes and come with me,” I said.

As we snuck away, I made sure everybody was in his or her place unaware of us. I led Erin down and out through the backdoor. I walked her to her car, and we parted after a long kiss.

“Thank you for this marvelous evening,” she said as she started her car.

“Make sure to make it a habit,” I smiled.

“I think I have to,” she said.

She waved as she drove away.

---

Mom was waiting for me when I came out of the shower, naked. My cock was hard and bouncing. She was sitting on my bed, naked too.

“You are still hard,” said mom. “Didn’t your slut take good care of you?”

“She was amazing,” I said. “I had to save some for the hottest slut in the world though.”

“You are a good kid, Nick,” she said, stroking my cock. “Did you fuck her in her virgin ass?”

“It’s no longer virgin, mom,” I said. “It’s now well-fucked, actually fucked out, and full of come.”

“Did she like it?” she asked.

“She loved it,” I said. “I fucked her and made her come until she couldn’t fuck anymore.”

“Thank you so much, darling,” she said.

“Thank you, mom,” I said. “That was the hottest gift anybody has ever given me.”

“It was a favor you did me too,” she as she got on her hands and knees, her ass facing me. “I am proud of you.”

Mom tried to be very quiet as we worked to send her out with her ass sated and full of my come. We succeeded.

---

On Thursday late morning, mom called Erin at work. She chatted with her and asked her about her night.

Mom and I managed to fuck in my room while Alex was out. Three hours was not as long as we both wanted, but it was much better than no fucking at all.

---

Early on Friday morning, before Alex and dad woke up, mom let me fuck her and come in her ass.

In the afternoon, mom called Erin.

“How is my little bitch doing?” greeted mom.

“I am doing well, Amy,” said Erin. “Thank you.”

“I’d like you to make arrangements to spend the evening and tomorrow morning in Nick’s bed,” said mom. “I am sure you’ll both enjoy it.”

“I can do that,” said Erin.

“Put on a slutty outfit without underwear to show your stud how hot you are,” said mom.

“I will, Amy,” said Erin.

“We’ll have to sneak you in and out this time,” said mom. “It’s still too early to let anyone know that you are now my son’s little whore. Don’t worry about that. I’ll take care of it. You just give me a call when you get close.”

“I will,” said Erin.

“I’ll see you this evening then,” said mom. “Bye, Erin.”

“Bye, Amy,” said Erin.

---

“Nick, darling,” said mom when she stopped by my room. I looked up at her. “Would you do me a little favor?”

“Sure, mom,” I said.

“Erin’s going to spend the night and tomorrow morning in your bed,” she said. “Would you please do to her everything you can think of? I want you to enjoy yourself to the maximum. Put her slutty body to good use.”

“Sure, mom, though it’s you who’s doing me the favor,” I said.

“I didn’t think so,” she said. “I thought you’d rather have *me* spend the night in your bed.”

“That’s true, mom,” I said. “I guess I am doing you a favor after all.”

“Promise me you are going to have as much fun as you can,” she said.

“I promise,” I said.

“I don’t want your dad or sister to know she’s with you,” she said. “I’ll take care of everything you need. It will be room service at home.”

“I appreciate that, mom,” I said.

“You are doing me a favor after all,” she said. “Now, relax and think about the wild things you’ll do to your little whore. She deserves to be used well.”

“Don’t worry about that, mom,” I said.

Mom did not spare any opportunity to tease me throughout the day.

---

Mom snuck Erin into my room at four. Because I would have Erin longer than our first time, I tried not to tire her. I fucked her well, but gave her breaks, doing less demanding fun activities like cock sucking, tit fucking, and pussy and ass eating. Mom also served us dinner and breakfast in bed. I came eight times in Erin’s body. Of the six come loads I shot on Friday evening and night, two went down her throat and four up her ass. I fed her two come loads out of her ass. I only came in her pussy before I sent her home so she’d have my come in all her holes since I fed her what leaked out of her tight pussy. I made sure she was fucked out on her way out. Mom helped her walk to her car despite the rest she took before leaving.

---

In the afternoon, mom snuck into my room while dad and Alex were out. She spent a little over three hours in my bed, getting all her holes fucked well and filled with come. She used her fingers to eat the come that leaked out of her slimy pussy. That was the last come load I pumped up her horny body before she left sated and naked.

## THE PRIZE

It was Sunday afternoon when dad finally got around to asking me about my progress. It had been a week since we had our talk and he gave me the permission to seduce my hot mom.

“It doesn’t seem that you did anything with your mom,” said dad.

“Why do you say that?” I said.

“You are still on good terms with her,” he said.

“Didn’t I promise that I wouldn’t jeopardize my relationship with her?” I said. “I wasn’t kidding.”

“Was there any progress, or are you taking your time?” he asked.

“Even if I were taking my time, there had to be progress or things would never work out,” I said.

“Did you make any progress?” he asked.

“Of course,” I said. “I am very satisfied with my progress, and so is she.”

“I didn’t see any changes,” he said.

“Are you sure, dad?” I asked. “I thought she was keeping you up to date on my progress.”

“Did she tell you that?” he asked.

“No,” I said. “I heard her talk to you on the phone.”

“Were you eavesdropping?” he asked.

“No,” I said. “She was with me whenever she called you. She was teasing me and you.”

“That was all teasing,” he said. “It had nothing to do with you.”

“Are you sure, dad?” I asked with a smile.

“I am pretty sure,” he said.

“Has she always been wearing outrageous dresses without underwear or walking around naked? I asked.

“That was just teasing to get herself hot,” he said.

“You think it was a pure coincidence that it all started on the day right after our talk?” I asked.

“Why not?” he said.

“You didn’t notice anything else different?” I asked.

“I don’t think so,” he said.

“How about my treat to you?” I asked. “Was that teasing too?”

“What treat?” he asked.

“Come on, dad,” I said. “I am sure she told you it was *my* treat.”

“Did she tell you about that?” he asked in surprise.

“Of course not,” I said. “It was my treat though. I trusted her to tell you that much. Did she?”

“Yes,” he said. “Was it really your treat?”

“Had she ever done it before?” I asked.

“No,” he said.

“She had never even considered doing it until I taught her how to do it,” I said.

“You did that, hoping she’d do something for you in return?” he asked.

“No, dad,” I said. “I didn’t do it to get anything in return. I had already gotten what I wanted. I did it to thank you for everything. She’d done everything I wanted her to do and then some. I’d already accomplished my mission.”

“What do you mean by that?” he asked.

“She does whatever I want her to do and then some,” I said. “I accomplished what I set out to do in one day. Within twenty-four hours, I had achieved everything I wanted.”

“You are bluffing,” he said.

“Remember that you promised not to get mad whatever the outcome was,” I said.

“I am not mad,” he said. “Nothing happened anyway.”

“I’ll show you, dad, but you have to keep your promise,” I said.

“Of course,” he said.

“I’ve seduced mom completely,” I said. “She’s mine to do to her whatever I want.”

“That isn’t true,” he said.

“She can’t say no to me no matter what I ask her to do,” I said.

“I really doubt that,” he said.

“I am sure she’s already told you that she was completely mine,” I said.

“That was just teasing,” he said.

“Are you ready to find out?” I challenged.

“Of course,” he said.

“Are you ready to concede her to me?” I teased.

“Sure, if you can pull it off,” he said.

“You are going to watch her do my bidding,” I said. “You’ll see her let me do things she’d never let you do.”

“I can’t wait,” he said dismissively.

“Me neither, dad, because then I’ll be able to have her right in front of you,” I said. “My ultimate goal is for you and Alex to recognize mom as mine to have any way I want. Mom already does.”

“You are just dreaming,” he said.

“I know,” I smiled. “Since you think it’s all teasing, I’ll start it that way.”

“Go ahead,” he said.

---

Mom joined dad and me several minutes later.

“Mom, since you are the hottest woman I know, I’d like you to coach me in making out,” I said.

“Sure, darling,” said mom. “I am sure you can coach me in that, but I wouldn’t say no to you. Do you want to go to your room and make out there for a while?”

“I want to do it here,” I said. “We wouldn’t be doing anything wrong. I am sure dad wouldn’t mind. You may even refresh his memory. I am sure he hasn’t done it in a long while.”

“Would you mind, honey?” mom asked dad. “It’s going to be fun.”

“I guess not,” he shrugged.

“Thanks, dad,” I said. “She’s going to show me how to make out with girls to seduce them and make sure they think with the tiny heads they have between their legs rather than their heads. I want them putty in my hands.”

“You can easily do that, darling,” she said.

“You think I can make you putty in my hands?” I teased.

“Am I not already?” she teased.

“Of course, you are,” I said.

“You mean you’ll be kissing?” he asked.

“Yes, dad,” I said. “I’ll be kissing girls and feeling them up freely. She’ll give me a real-life seduction session. It will be as if I am with a hot date that I want to have my way with.”

“What about your mom?” he asked.

“I am sure she’ll do her best,” I said. “She knows what makes girls lose their minds and think solely with their little brains. I am going to have one of the hottest nights of my life. I’ll do my best to show her a good time too.”

“I know you will, darling,” she said. “I am already getting excited.”

“Dad, your wife’s one hot woman,” I said. “I envy you for having her for yourself for so long.”

“Thank you, darling,” said mom, stifling a smile.

“Mom, I am not just babbling here,” I said. “I really mean it. If you want proof, take me to a hotel room and see how many days and nights I’ll keep you in bed, scoring not snoring.”

“Nick, you shouldn’t proposition your mom like that in front of your dad,” she smiled. “What would he do if I took you up on that? He can’t imagine how tempting an offer that is. It would be a real honeymoon.”

“Mom, I don’t think dad or any other man, for that matter, knows how hot you are,” I said. “I really mean it.”

“Thank you,” she said. “I meant what I said too.”

“Dad, are you okay with this?” I asked. “Viewer discretion is advised. It isn’t for the faint of heart.”

“If your mom’s okay with it, I am fine,” he said. “She knows where to draw the line.”

“Oh, honey, when it comes to our sweet son there are no lines,” said mom, looking at me lovingly. “I’ll actually make sure he’s always inside a line everybody else is outside. I am game for anything he wants. I trust him totally.”

“I love you, mom,” I said.

“I love you too, baby,” she said.

“By the way, I know how hot your mom is,” said dad. “Thank you.”

“You are welcome, dad,” I said. “Thank you though. I should thank you for loaning me your amazing wife or rather sharing her with me. She’s the most precious gift I’ve ever had.”

“Be nice to her,” he said.

“I am incapable of being bad to the hottest mom, wife and woman in the world,” I said, smiling at dad.

“You are so sweet, Nick,” smiled mom. “That’s why I always do your bidding. I want you to know though that nobody’s loaning or sharing me. I am all yours. If anything, your dad needs to thank you for sharing me with him.”

She leaned into me and kissed me on the cheek.

“I hope that wasn’t part of the lesson,” I teased.

“It wasn’t,” she smiled. “We are going to fog the windows of the house and make your dad very jealous.”

“Are you ready, mom?” I asked.

“I am ready,” she said. “Look in my eyes and show me how much you love me. Your girl wants to see it in your eyes before she feels your passion in your lips and your loins whether it’s love or lust.”

“Mom, you are so beautiful,” I said softly, looking in her beautiful eyes. “I love you and want you.”

“Kiss me, lover,” she said. She then started to whisper. “Kiss me in front of my husband. Make me wet. Get me ready for your big cock. Show him how much his wife wants you to fuck her pussy and ass, but take it easy at first.”

What she said made my cock harder than ever. It started to leak profusely.

“You want to fuck your slut mom, don’t you?” she whispered. “You want to pump your big cock in every hole she has and make her come her ass off, screaming your name for the whole neighborhood to hear, don’t you?”

“Yes, mom, I do,” I said. “You are so hot.”

“Kiss your slut in front of her clueless husband,” she whispered. “Make him watch his slut wife come for you. Show him she’s your whore, not his. Show him she’d let you fuck her any way you want but not him.”

“Mom, you are driving me crazy,” I said.

“A wet spot will soon be spreading on the front of your pants?” she whispered. “Wear a rubber next time.”

“There won’t be a next time like this,” I whispered. “Next time, I am going to fuck you freely in front of him.”

“My pussy’s soaked and you haven’t kissed me yet,” she whispered. “Do you want to skip kissing and make me beg for your big cock right away? Do you want to give your dad a heart attack as we fuck before our first kiss?”

“Fuck, mom!” I said.

“Nick, don’t swear,” chided dad, making mom smile at me.

“Sorry, dad,” I said. “It was just in the heat of passion.”

“What passion?” he asked. “She only kissed you on the cheek, and that was a few minutes ago.”

“Dad, looking at mom is driving me crazy,” I said. “I think I may go crazy when I kiss her.”

“Come on, Nick,” he said. “Get a hold of yourself. She’s only your mom.”

“Mom or not, this woman sitting next to me is the hottest woman in the whole wide world ever,” I said. “I wouldn’t rather be sitting by any other woman at all.”

Mom beamed at me but did not say anything.

“You really like her, don’t you?” he said.

“I love her, dad,” I said. “I am so in love with your gorgeous wife. You’ll soon see how much.”

“If that’s so, kiss her, son,” he said. “Show her you really mean that.”

“Mom, do you think I am lying?” I asked.

“No way, baby,” said mom, teasing the outline of my boner with her fingernails and then giving it a quick squeeze. “I know you are sincere. I want to feel your passion though. I want to hear it, see it and feel it. Kiss me.”

She smiled at me sweetly and innocently for a few seconds.

“Kiss your slut,” she muttered. “Feel if she’s as hungry for your big cock as you are hungry for her horny ass.”

“I know she is,” I whispered.

“You need to show her husband that you can find out so he knows when he watches you fuck her that she needs your big cock and wants you to,” she murmured. “Use your tongue and fingers.”

“Mom, can I ask you a quick question before we start?” I asked.

“Sure, darling,” she said.

“I assume that you are wearing a bra and panties,” I said.

“Yes, I am,” she said.

“Can you take them off before we start?” I asked. “It’s sexier when my girl’s wearing a sexy outfit and not wearing any underwear.”

“Oh, you want me to wear a sexy outfit too?” she asked in mock surprise.

“Isn’t that what a hot girl should do on serious dates?” I asked.

“Yes, it is,” she said.

“Would you do that for me, mom, please?” I asked.

“I sure would,” she said. “I’ll dress up for you. I should have thought about that myself. I want to have fun too.”

“You are the best, mom,” I said.

“Thank you, darling,” she said, getting up. “It will take me a little while to select a good outfit for you.”

“Take your time, mom,” I said. “I know you’ll do it right. I know no clothes can do you justice no matter how tight, short, sheer or sexy they are, but I am sure it’s fun for you to try. Let’s show dad how hot my date is.”

“We’ll do just that, lover,” she said. “Your woman’s going to make you proud.”

“You already do, mom,” I said, looking at her twitching ass, as she walked away.

---

“That was pretty daring,” said dad.

“Dad, mom’s a very sexy woman,” I said. “I want her to feel sexy. I want her to enjoy herself too.”

“That’s nice,” he said. “You don’t seem to mind that I am sitting right here.”

“We are not doing anything wrong, are we?” I said. “We both have your permission too, and we appreciate it. We are just having a little fun. I am sure mom likes to feel sexy and appreciated. She deserves that too.”

“She sure does,” he said. “Try to let her enjoy herself.”

“I’ll sure do that,” I said. “I can only enjoy the company of a happy woman. I’ll show you she’s in good hands.”

“You are a good kid, Nick,” he said. “I hope you don’t ruin your relationship with your mom.”

“Believe me, dad,” I said. “You can’t care about that half as much as I do. She means the world to me. I am more concerned about our relationship with you. Are you sure everything’s okay no matter what we do?”

“Of course, as long as it’s consensual,” he said.

"It's very consensual," I said. "It gives me no pleasure whatsoever to take advantage of the hot body of a woman who doesn't want me to. I often make the girl beg for it before I do it to her, and they love it."

We sat silently, watching television for about twenty minutes.

"Your mom's really taking her time," he said.

"I hope it's going to be worth it for her," I said. "I know it is for me."

---

Mom soon came down, dressed in a little black dress, fishnet stockings and high heels. When I let out a wolf whistle, dad looked up at her and let out another one.

"Mom, you are gorgeous," I said, smiling.

"You are just teasing me," she said, blushing, as both dad and I looked at her.

She stood before me to the side and twirled slowly. Her dress exposed her legs up to the lacy tops of her thigh highs and then some. It exposed half her magnificent tits and almost all her back. The fact that it was a tank dress made it clear that blowing on either of her thin straps would loose a tit that the dress top was already struggling to contain. It held her tits up but could not hide the fact that her stiff nipples were trying to tear through its thin fabric.

"You are so hot," I said as I stood up quickly so she stood between dad and my boner.

She looked at me as I placed my hands on her upper back and slid them all the way down over her bare back and over the back of the dress over her ass to the hem. Dad watched me do that. I turned her around and ran my hands similarly down from her collarbones to the hem, sliding over the sides of her tits, her tummy and upper thighs.

"Nothing underneath?" I asked as I turned her around to face me again.

"There is nothing underneath except your mom," she said.

"Mom, this dress couldn't have wrapped around anyone or anything as sweet as my stunning mom," I said, holding her waist with one hand and brushing the side of her face with the fingertips of the other.

When I lowered the hand on her face, I brushed her right nipple, which was stiff, making her gasp softly.

"Are you sure you are not making this up?" she teased.

"I am sure you'll soon find out," I said. "Isn't this exercise all about that?"

"Yes," she hissed as I kissed her gently on the inside of her bare shoulder.

"Come over here and let me look at you," I said, pulling her to the loveseat.

She sat next to me, and I gently turned her face to me. I looked at her face lovingly for several seconds. She had fresh makeup. She smiled at me lovingly.

"You are so beautiful," I said quietly.

"Thank you," she said.

"I can't believe this gorgeous woman's my slut," I said, letting my voice trail off so I whispered the last word.

"Maybe I can help you believe," she smiled mischievously.

"Do you think you can?" I said.

"I am sure I can try," she said.

"I am sure your husband would love that," I whispered.

"What about my lover?" she whispered. "I am not with my husband now. You are my man. I am *your* slut."

“You’ll have to find out,” I teased.

“Do you think I can find out before my pussy juices soak through my little dress?” she whispered.

“Not if you are as hot as I know you are,” I said.

“Aren’t we going to kiss?” she whispered. “If you treat a date like this, you’ll be fucking before your first kiss.”

She leaned toward me, and I, her, and we kissed gently. My left hand started at her right knee, and her, my left knee. While our kiss built up slowly and smoothly, my hand climbed toward her hip and then her waist. Hers climbed up my thigh. As our tongues made contact, my left hand cupped her right tit. She ran her hand up the outline of my boner and squeezed it gently before her hand rested on my right thigh, stroking it gently. While our tongues toyed with each other, I gently kneaded her tit and my thumb teased her stiff nipple through her thin top. She moaned while sucking my tongue and squeezed my hard cock. I fondled her tit while her hand leisurely squeezed my cock repeatedly. I pinched her nipple while we kissed passionately. She stroked the outline of my cock.

“That was so hot, but you are feeling up my boob,” she protested, breaking the kiss, while squeezing my boner.

“They are spectacular,” I said. “I can’t resist the urge to feel them up.”

“You have to get your lover ready first,” she said.

“You are ready, mom,” I said. “Your nipples are so stiff they can cut glass. They are so appetizing it’s all I can do not to take them out and suck them so hard I’d draw milk.”

“I guess if your girl’s as excited as I am now she’d probably guide your hand to her boobs,” she said, squeezing my cock. “Go ahead and feel them up. They want you to touch them and squeeze them.”

“Mom, can I call them tits?” I asked. “They felt wonderful in my hand.”

“They?” she said. “You’ve only felt up one. You should feel up both when you make out. First, you don’t want a tit to feel jealous of the other. Second, fondling both tits feels twice as good unless you compensate somehow.”

“Okay, mom,” I said. “I’ll do that. Your right tit felt wonderful. Can I call them tits?”

“Thank you, baby,” she said. “You can call them tits if you are more comfortable that way.”

“Mom, your tits are beautiful,” I said.

“Thank you, baby,” she said. “It’s good to compliment your lover. I see you are a natural at that.”

“Mom, I can’t help it if something looks gorgeous,” I said, squeezing her left tit in my hand. “Your left tit feels wonderful too. They are both beautiful, and the nipples are so excited and ready to have fun.”

“You are so sweet, Nick,” she said as I continued to fondle her tit. “Women never get enough compliments.”

“If the woman deserves them, I can’t get enough giving them either,” I said, gently pinching her stiff nipple. “You definitely deserve every compliment in the world. You are stunning, mom. You are the hottest woman ever.”

“Thank you, darling,” she said. “You like my tits, don’t you?”

“I love them, mom,” I said. “I love everything about you though. My favorite’s your magnificent ass.”

“Oh, you like your slutty mom’s ass?” she teased, smiling.

“I love it, mom,” I said. “It’s the most beautiful thing I’ve ever seen.”

“Thank you, darling,” she said. “You know you can feel it up while we make out.”

“I’ll be sure not to miss that,” I said. “Have I recently told you that you are the best mom in the world?”

“Thank you, baby,” she said. “If you keep complimenting me like this, I’ll soon be putty in your hands.”

“Is that a threat?” I teased, pinching her right nipple.

“You better take it seriously, young man,” she said.

“Of course, ma’am,” I said.

“Do you think you could handle your mom if she were putty in your hands?” she teased.

“That would depend on what I intend to do with her,” I smiled.

“Don’t you know what you’d do to me if you had your way with me?” she asked.

“I have an idea, but it isn’t completely in my hands,” I said. “If you were putty in my hands you’d be living putty, so you’d have a say in it. I wouldn’t do with you or to you anything you wouldn’t enjoy or want me to do.”

“You have the best attitude,” she said. “With your sweet compliments and this nice attitude, you are going to kill the ladies. You must know that there is nothing your mom would deny you.”

“You know that your hot ass is what I want most,” I said as I squeezed her right ass cheek with my right hand.

“I know, baby,” she said, raising her right ass cheek to give me better access.

She moaned as I traced her ass crack with my fingertips.

“Show it to me, mom,” I said. “Show me that amazing ass of yours. Show me the ass I love most.”

“I am not going to show it to you, Nick,” she said as she got up and arched her back, sticking her ass out for me. Dad was stunned. “If you want to see it, hike my dress and see it. You are the man. You need to take charge.”

“Mom, I am taking charge,” I said. “I am telling you to show it to me. If you don’t and I hike your dress, I am going to spank it. That’s what I’d do to a troublesome date. Suit yourself.”

“Nick, you are being too hard on me,” she said.

“Mom, be a good girl,” I said softly. “Uncover your stupendous ass, and wiggle it for me like a bad girl.”

Dad watched intently.

“Nick, you are a naughty boy,” she moaned, slowly pulling her dress up. “You are asking your mom to show you her ass. She’s never done that for anyone, but she loves doing naughty acts for you.”

“It’s my luck nobody else figured out how special it was,” I said. “I hope you don’t think I am just anybody.”

“Of course not, baby,” she said. “You are most special to me. That’s why I happily do for you the dirtiest acts.”

“I can’t say I am sorry if you’ve never met anyone who recognized the true value of your fabulous ass,” I said. “You should be proud of it. I am so proud of it I can hardly resist the urge to brag about it in front of my friends.”

“You really think I have a fabulous ass?” she moaned, her ass lewdly exposed, the hem of her dress way up.

Her dripping pussy and asshole were shamelessly exposed. They twitched, and so did my cock.

“It’s incredible,” I said. “Spread it for me. Spread it like a dirty girl. You are my favorite dirty girl.”

She reached out and spread her cheeks wide with both hands. Dad could not believe it.

“I’d never expose myself like this to your dad,” she said, thrusting her ass out lewdly. “I know I can do anything with you and feel good about it. I love being your favorite dirty girl.”

“Dad, your hot wife’s obscenely presenting her gorgeous ass to me like a dirty slut,” I said.

“I told you I wouldn’t deny you anything, lover,” she said.

“Nick, don’t talk crudely about your mom,” admonished dad.

“Mom, you don’t want me to compare you to a dirty slut?” I asked.

“You may compare me to anything you want, but am I *a* dirty slut?” she said.

“No, mom, you are not *a* dirty slut,” I said. “You are *my* dirty slut, aren’t you?”

“Yes, baby, that’s right,” she said. “I am *your* dirty slut. Your dad can obviously tell. Nobody else can get away with that with me, and he knows it. He knows that I am doing this for *you* because I am *your* dirty slut.”

“Dad, can you see my dirty slut offer me her marvelous ass so lewdly?” I teased. “It’s so breathtaking.”

Dad was speechless especially as she wiggled her ass at me. He could not see her wink at me with her asshole.

“Do that again, mom,” I said.

She wiggled her ass and winked again.

“Your cute little asshole’s mouthwatering,” I said.

“Does it make you drool?” she teased.

“At both ends,” I said.

“You are a very naughty boy, Nick,” she cooed. “You are so full of lust for your dirty mom.”

“Do you like naughty boys?” I teased.

“I don’t like naughty boys,” she said. “I only *love* my naughty boy.”

“Can I touch your hot ass, mom?” I asked.

“Nick, once you get your slut in this position, touching’s the least you can do to and for her,” she said. “If you didn’t, you’d break her heart. My ass is all yours, baby. Do anything you want to it. Enjoy it fully. Indulge.”

“I am a nice guy, mom,” I said. “A nice guy shouldn’t touch his hot mom’s gorgeous ass in a sexual manner so soon in front of her husband, his dad, no matter how irresistible it is. I am not going to touch it. You are.”

“What are you going to do?” she asked, squeezing her ass cheeks. “Can you see it beg for your touch? Can’t you see my little asshole wink at you? Are you going to kneel there and stare at it as I spread it so shamelessly for you?”

She was facing dad straight, so he could not see how she looked, but he must have had an idea.

“Mom, that wouldn’t be bad at all,” I said. “I am a nice guy. I’ll only kiss it lovingly.”

She gasped when I kissed her right on her puckered asshole.

“You are kissing my little asshole,” she moaned. “What would your dad think? I’ve never let him do that.”

“He’d think that I think your little asshole’s the sweetest little rose in the world,” I said. “He’d be right.”

“You really think so, baby?” she moaned as I gave her asshole an open-mouth kiss, making her moan.

“You know I do,” I said. “I only kiss the sweetest things in the world, and so far your asshole’s the sweetest.”

“Nick, you are the first and only person ever to kiss me there,” she moaned as I gave her asshole another kiss.

“Nobody has ever been in love with your amazing ass as much as I am,” I said. “Your hot ass is one of a kind.”

“Thank you, darling,” she gasped as I swiped my tongue tip from her clit to the back of her dripping pussy and then wiggled it over her asshole. “That’s how I know that my ass was meant for you.”

“Mom, can I stick a finger into your dripping pussy?” I said.

“Oh, Nick, I am so wet for you you can stick *anything* in my horny pussy and I’d beg for more,” she moaned.

“You mean that I can stick my big cock in it too?” I teased.

“You can, and I hope you will,” she said. “I am sure you are not a cruel pussy and ass tease.”

“I assure you I won’t turn your offer down,” I said as I touched the lips of her pussy with my middle fingertip, making her gasp. “I now want to stick my finger in though. Push your hot pussy against it, and swallow it all.”

She moaned as she pushed her pussy over my motionless finger, taking it all the way in. She milked it.

“Move your hot ass back and forth,” I said. “Get your horny self lewdly fucked with my slick finger.”

She worked her pussy over my finger.

“Dad, your hot wife’s getting her little pussy lustfully fucked on my finger like a dirty girl,” I teased.

“It feels so good, baby,” she moaned. “Can you feel how wet for you your dirty girl is?”

“Oh, yes, mom, you dirty slut,” I said. “Take your hot juicy pussy off my finger.”

“Did I do something wrong?” she protested, pulling her pussy off my finger.

“Of course not, mom,” I said as I touched my fingertip to her asshole. “Continue now.”

She moaned as she pushed her ass slowly, letting my slick finger slide all the way into her asshole.

“You are a naughty boy,” she moaned. “I love this. Your slick finger feels so good.”

“Tell dad what you are doing,” I said as she fucked her ass on my finger.

“Honey, I am getting my little asshole fucked with my son’s finger, and it feels so good,” she moaned.

When she established a rhythm, I twisted my hand and pushed my index finger into her pussy.

“Oh, you are fucking both my horny little fuck holes with your fingers,” she moaned.

A minute later, I twisted my hand again and squeezed my index finger into her asshole as I pushed my ring and little fingers into her pussy.

“Oh, baby,” she moaned, riding my fingers, her pussy leaking. “You have more fingers in my pussy and ass.”

“You like that, mom?” I teased.

“I love it,” she moaned. “If you do this to your date, she’ll worship you and your big cock.”

“I guess if I can make my mom, the hottest woman in the world, my dirty slut, I can make any girl so,” I said.

“Only a moron would deny you anything,” she said.

“This is enough for now,” I instructed.

She took her fuck holes off my fingers.

“Pull your dress down so dad wouldn’t think my dirty slut’s a bad girl,” I said.

“He can’t miss what a dirty girl I am for my horny son,” she moaned.

As soon as her ass was clear of her hands, I slapped both cheeks, one and then the other, with my free hand.

“What was that for?” she asked as she pulled her dress down.

“That was to thank you for showing me the prettiest thing in the world,” I said as I got up.

“You are very welcome,” she said, straightening up. “You are so sweet. Whenever you want to see it, just let me know. I hope seeing isn’t all you want to do with it.”

“Of course not, mom,” I said. “I’ll enjoy you in every way I can think of. By the way, mom, you have a beautiful little pussy too. It’s delicious. I tasted its dripping nectar. Now, suck my fingers clean.”

She turned to face me, and I brought my sticky fingers to her mouth. She sucked them one by one and then all together, moaning around them.

“Thank you, darling,” she said. “When are you going to show me your big cock?”

“When you show me that you are a good girl,” I teased as we sat back down. “I only show it to good girls.”

“I am a good girl,” she pouted.

“There shouldn’t be a problem proving it,” I teased. “You looked and tasted like a very good girl.”

“What do I need to do?” she asked.

“We are petting,” I said, guiding her hand to my boner. “That’s how you can show what a good girl you are.”

“It’s so big and hard,” she said, feeling up my hard boner. “Is it full of love for me?”

“It’s full of love for you and lust for your hot body,” I said.

“I love it too, and my horny body lusts for it,” she moaned, stroking my cock. “By now, your date should be dying to play with your big cock and indulge it.”

“Forget about my date,” I said. “Tell me about my dirtiest slut. Is she dying to play with my big cock?”

“Your dirtiest slut’s dying to whore herself to your wonderful cock,” she said.

“Do you like my big hard cock?” I teased. “Is it big enough for my dirty slut’s cock-hungry body?”

“I love it, baby,” she moaned. “It can tightly stuff any of my greedy orifices. I am drooling at both ends.”

“Do you really mean that?” I asked, teasing her asshole through the back of her dress.

“Oh, yes,” she moaned.

“Have you drooled so much you can now swallow it all the way down your throat in one gulp?” I challenged.

“Oh, yes, baby,” she moaned. “I can’t wait to do that.”

“You don’t have to wait, mom,” I said. “Get down on your knees, and do it.”

She scooted off the loveseat and knelt before me. She deftly set my boner free and stroked it.

“Are you ready, baby?” she teased.

She teased my leaky cock head with her tongue tip while she waited for my answer.

“Take my balls out so we can see you are going to take it balls deep,” I said.

“I’ll do better than that,” she smiled as she proceeded to take my pants off.

She tossed my pants and briefs aside and was face to face with my throbbing cock and full balls.

“Are you ready now?” she teased, cocking her head to the side.

She tickled my balls with her tongue tip.

“Dad, you have to see this,” I said. “My dirty slut’s going to swallow my cock balls deep in one gulp.”

Meanwhile, mom’s tongue tip traced its way from my balls to my leaky cock head.

“Ready?” she asked, smiling.

“Go for it, mom,” I said.

She smiled heartily before she opened her mouth wide and lowered it over my hard shaft. My cock slid past her throat. Her lips met my balls, and her nose pressed into my pubes. She held her position there for several seconds.

She slowly pulled her lips up, leaving my cock with a smacking pop.

“What do you think?” she smiled.

“You did great,” I said.

“You thought I’d let you down?” she said.

“I knew you wouldn’t,” I said. “I taught you too well.”

“You sure did,” she said.

“What about your dripping pussy?” I teased. “Is it really soaked?”

“Oh, yes,” she said.

“Can it swallow my entire big cock in one gulp?” I asked.

“If you doubt that, you don’t know how much my horny pussy loves you,” she said.

“Of course, I know, but I want to show dad,” I said. “Are you up for showing him what a hot dirty slut I got?”

“You know I am,” she said.

“Go for it,” I said.

She got up and hiked her dress to her waist. She straddled me and touched my cock head to her leaky pussy.

“Are you ready?” she asked, brushing my cock head back and forth along her slick pussy lips.

“Do it, mom,” I said.

She pushed her pussy down. When my cock head parted her lips and slid past them, she took her hand away and shoved herself all the way down. She grunted when my cock drove all the way into her pussy. She immediately gasped and stiffened.

“I am coming all over your big cock, baby,” she gasped, shaking in orgasm.

“You did it, mom,” I said, holding her ass. “Come for me, my dirty slut.”

“I am coming for you, baby,” she gasped. “Can you feel it?”

“Of course, I can feel it,” I said, steadyng her ass as she shoved it back and forth. “Keep coming.”

Her pussy finally stopped twitching, and she relaxed. She panted, her pussy hugging my entire shaft. She smiled at me contentedly, and we kissed. Before long, we were kissing deeply while I teased her asshole with a fingertip, gently pressing against it. Her asshole relaxed, and my finger slid in, making her moan.

“Oh, Nick, you are sticking your finger up my tight little asshole,” she moaned. “You must really like that.”

“Do you want me to take it out, mom?” I teased.

“No way, baby,” she said. “I am just teasing. I know my horny ass is your favorite toy. You are the only one who gives it due attention. It appreciates that and craves your touch.”

“You have a wonderful ass, mom,” I said. “Your little asshole’s so tight and responsive. I can play with it for hours and never get enough.”

“I’ve never let your dad or anyone else do that to me,” she moaned. “It’s exclusively yours.”

“You are not going to be a bad girl and not let me toy with my hot mom’s sweet ass, are you?” I teased.

“I am going to be a good girl for you, baby,” she moaned. “Go ahead and do whatever you want to my slutty but appreciative ass. What you are doing feels incredibly good. I don’t want you to stop ever.”

“Are you ready for a second finger?” I teased.

“My greedy asshole’s always ready for whatever you want to do to it,” she moaned, her leaky pussy and tight asshole twitching. “I love what you are doing to my ass. It’s driving me out of my mind.”

“Are you going to be a good girl and come all over my big cock again?” I teased.

“You bet,” she said. “I can only be a good girl for you.”

She ground her pussy into my hard cock with increasing urgency. I fucked her ass with my finger at her pace. She soon stiffened and shook in orgasm. I pumped my finger in her twitching asshole until she relaxed.

“Oh, Nick, that was so nice,” she gasped. “This is my hottest make-out session ever.”

“I know, mom,” I smiled. “I loved it.”

She gently ground into me. I wet my index finger in her excess pussy juices and gently squeezed it into her asshole, making her moan and push her ass back into my fingers.

“You are giving me two fingers now,” she moaned, grinding into my fingers and cock as I corkscrewed my fingers up her tight asshole. “This feels so nice.”

“Your amazing ass deserves more than one finger,” I said, pushing my fingers all the way in.

“It likes your two fingers more than your one finger,” she moaned. “I have a greedy ass when it comes to you.”

“I know what it would love most,” I said as she ground into me.

“The big cock stuffing my tight pussy?” she moaned.

“What else?” I said, working my fingers in and out of her ass. “You are a hot slut, mom.”

“I am your slut, baby,” she said. “Enjoy me any way you want.”

“You are the hottest slut in the world,” I said. “I am going to enjoy you in every possible way.”

“You are turning my little pussy into a swamp,” she moaned.

“Come for me, mom,” I said, pumping my fingers faster. “Show me how slutty you can be.”

She urgently ground her dripping pussy into the base of my cock, stiffening within half a minute. She shook in my arms as I continued to diddle her twitching asshole and enjoy her gushing pussy.

“You think you can handle three fingers?” I teased, wetting my ring finger in her copious pussy juices.

“I have to,” she moaned, milking my fingers. “Your fat cock’s much bigger than two fingers after all. Make me ready for it, baby. Isn’t that what you really want?”

“Oh, yes, mom,” I said, squeezing my ring finger into her ass. “My big cock’s what your horny asshole really needs and it’s going to get. I can feel your little asshole hunger for more than two fingers. I am feeding it more.”

“You really know how to ream out a woman’s needy asshole,” she moaned as my fingers stretched her hole.

“Long gone are the days when your cute little asshole was neglected,” I assured as I finger fucked her ass. “It’s now going to get more attention than it can handle. It’s going to be spoiled rotten and fucked wide open.”

“You sure are spoiling it and opening it up,” she said, grinding into my boner.

“Enjoy, and come for me,” I said.

“I am doing just that,” she moaned, grinding harder into me.

Her asshole relaxed, and I diddled it into a quick orgasm.

“You think you are ready for four fingers?” I asked when she resumed grinding gently into me.

“You know my asshole better than I do,” she moaned as I dipped my little finger in her pussy juices. “Do you think it’s ready for more?”

“I think you have an amazing asshole,” I said, squeezing my little finger into her asshole.

“You have wonderful fingers and a steely cock,” she moaned as I worked my four fingers deeper up her ass.

“Your hot pussy juices have saturated my cock and balls,” I said as I finger fucked her ass.

“My horny pussy’s only getting wetter,” she moaned. “It loves what you are doing to your slut mom.”

“With four fingers up your hot ass and my big cock in your little pussy, you must be the hottest thing in the world,” I said. “Which fuck hole’s hornier?”

“You make both come together,” she moaned. “I can feel my intense orgasms in both.”

“Are you ready for a new one?” I teased, diddling her asshole faster.

“I always am,” she gasped, thrusting into my cock.

“Go ahead,” I urged. “Come for me, my dirty slut.”

She soon stiffened and shook in orgasm, drenching my cock and balls further.

“You know I want to fuck your amazing ass,” I said as she gently ground into me, my fingers still up her ass.

“Of course, I do, baby,” she moaned.

“Are you going to let me do that?” I asked.

“You know I am,” she said. “I can’t wait for it.”

“You are the hottest mom in the world,” I said.

“Am I the hottest mom or the hottest slut?” she teased.

“You are both,” I said.

“You are the only one who can do anything he wishes to me,” she moaned. “I don’t want your dad to think I’ve changed. I am still the same. I am just with the man whose dirty slut I was meant to be.”

“You are the best, mom,” I said. “I appreciate being the special one who gets all of your luscious self.”

“You deserve it, baby,” she moaned as I gently toyed with her relaxed asshole.

“Thank you, mom,” I said. “This has been the hottest petting session I’ve ever had.”

“Me too, lover,” she said.

“Do you think my date would be ready to get fucked silly?” I asked.

“You bet,” she said.

“What about my dirty slut?” I teased. “Is she ready to get fucked in the living room right in front of her husband? Is she ready to show him who she belongs to?”

“Absolutely, baby,” she said.

“I want dad to be proud of me,” I said. “I want to show him that the hottest ass in the world is exclusively mine. I don’t think he believed me earlier. Can you help me put his doubts to rest?”

“I bet he no longer doubts you, but I’d love to help you,” she said. “Do you want him to spread my horny ass for you when you fuck it? He can then feel the strength of our special bond and the extent of our lust for each other.”

My hard cock throbbed inside her pussy.

“You’d like that, wouldn’t you?” she teased. “I am sure he can’t miss my feelings toward you. I want him to see that you deserve my horny ass and the dirty slut attached to it. I want to assure him that my ass is in good hands.”

“That’s a good idea,” I said as she dismounted me.

“I need your big cock in me, baby,” she moaned, getting on her knees on the loveseat.

“Dad, are you going to spread her lovely ass for me?” I said as she pushed her ass out lewdly. “She’s waiting for you. She wants to show you how dirty she is for my big cock. I can’t fuck her here if you don’t.”

“I can’t believe I am doing this,” he said as he got off his chair, “but I guess you’ve earned it.”

“Mom’s amazing ass is too precious to be earned by anyone,” I said. “I am just incredibly lucky.”

He sat next to mom and spread her ass for me.

“What do you need, mom?” I teased, tapping her asshole with my sticky cock head.

“I need you to fuck my ass, lover,” she moaned, thrusting her ass out. “It’s so hungry for your big cock and only for your big cock. Let’s show your dad how much my hot ass loves you and wants to belong to you and only you.”

“Do you think your sweet little asshole can swallow my big cock in one gulp?” I teased.

“Let’s show your dad it can,” she said, winking at me with her asshole. “I want him to see I am your dirty slut.”

“I’ll be back in a second,” I said as I ran to my room.

It was a little more than a second when I returned with a bottle of lube.

“I have to be nice to your lovely ass,” I said as I lubed my cock thoroughly.

My glistening cock throbbed as I aimed it at her asshole. I pressed my bulbous cock head into her asshole. It dilated and let my cock head slip in. I held her hips and pushed my shaft in, a little gently at first. When my cock was halfway in, I shoved it all the way in. She grunted, and her ass squeezed my cock tightly. My cock twitched as it skewered her ass completely.

“I am going to come for you,” she gasped, her asshole twitching around the base of my cock.

“Come for me, mom,” I said. “Show dad whose dirty whore you are.”

She had already stiffened.

“I am coming, baby,” she gasped, shaking in orgasm. “I am coming for you. I am *your* dirty whore.”

Dad watched mom convulse, her ass in his hands. I held my cock in place as she uncontrollably shoved her trembling ass into me, her asshole visibly twitching wildly around my hard cock. Her orgasm finally subsided, and she stopped shaking. She ground her ass into me, working her asshole over the last inch of my cock as she panted.

“Are you pleased with your dirty slut?” she gasped as she gently worked her stretched asshole over my cock.

“I always am,” I said, thrusting gently in her offered ass as dad continued to spread it for me. “I love your gorgeous ass so much, mom. Your little asshole looks so beautiful and feels exquisite.”

“I am sure your dad can see how much my greedy ass loves your big cock,” she moaned.

“I bet he can also see how much my big cock loves your sweet little asshole,” I said.

“Honey, you can’t miss that this isn’t the first time our amazing son fucks his slut mom’s horny ass,” she said. “Thank you so much for helping him use his mom’s cock-hungry ass, which belongs solely to him.”

Dad did not comment.

"Mom, tell him when I turned you into my devoted dirty whore and fucked all your luscious holes, deflowering your amazing ass and filling it with hot come," I said. "I think he wants to know."

"Honey, he did it right after I brought him back from the hospital," she said. "He's been fucking me silly since then. I told you he could have fucked me before then when I modeled my birthday suit for him."

"Do you believe me now, dad?" I asked, fucking mom's ass harder. "Can you see that I'd never jeopardize my relationship with the sweetest and hottest mom in the world?"

"I can't deny that," he said.

"Mom's so hot it would be against nature for her to resist using her amazing ass for what it was made for," I said. "You saw it with your own eyes. She swallowed my big cock in one gulp in each of her holes. She came at the first stroke in her pussy and ass. Can you imagine a woman hotter than that, built for cock more than her?"

"I don't think so," he said. "I am actually shocked."

"Baby, I am only this hot with the single wonderful cock I belong to," gasped mom. "Nobody else could ever make me love his cock this much or come for it this hard. Nobody else has ever made me his dirty slut. I am yours."

Mom came twice in the following few minutes as I drilled her receptive ass hard without a break. When she recovered from her second orgasm, I pulled out of her ass, leaving her asshole gaping wide. Dad was surprised at that. I kissed her open asshole, sticking my tongue deep inside it. She moaned and ground her ass back, her asshole nibbling my tongue. I returned my cock to her relaxed asshole and I drilled her happy ass hard till her next orgasm. We had been highly aroused for a long time, and I already had a big come load to pump inside her hot ass. I also did not want to fuck her all night. I wanted her to help dad concede her to me so I could fuck her freely at any time.

"I am coming inside your amazing ass, mom," I announced as I felt my cock swell and start to twitch.

"Come, baby, come," she gasped, still shaking in orgasm. "Fill your slut mom's bowels with your hot come."

My come burst out into the depths of her twitching ass as I slammed deep into her ass time after time.

"Dad, I am coming so deep in mom's hot ass," I said. "I can feel it milk my cock desperately and exquisitely."

We only slowed down when our orgasms subsided. I thrust gently, and she milked my softening cock, making sure it was fully drained. She squeezed hard when I pulled my cock out.

Her asshole snapped shut, holding my come inside. I bent over and gave her asshole a soft kiss, making her moan. She got off the loveseat and knelt at my feet. She took my sticky cock in her mouth and sucked it clean.

"Dad, take the hottest woman in the world to bed and show her that you belong to her," I said. "Show her she's still your wife. Show her that we are both hers and that she doesn't have to lose one of us to win the other."

"If you are late, you may find your slut wife writhing under your horny son," she teased. "Unless you want to watch the long version of how much she loves him, you better be there in forty seconds. Can you hear that, Nick?"

"Yes, mom," I said. "I am sure dad does too."

"Give your dad a head start of thirty seconds before you come to fuck his slut wife in his bed," she said. "The first who catches me in bed gets to spend the night in my bed and in me."

"You got it, mom," I said.

"Twenty seconds," she said as she walked toward the stairs. "This is your last chance, honey, to fuck my pussy while my ass is flooded with our son's hot sticky come."

"Dad, run," I said. "What are you waiting for? Don't leave our girl waiting. I wouldn't."

Dad finally made up his mind. He sprinted and ran after her.

When dad caught up with mom, she was already sprawled, her drenched pussy lewdly exposed. He dove in, and she was soon coming in his mouth. She mounted him in the sixty-nine position and sucked his cock while feeding him her sticky pussy to her next orgasm.

“Has he really fucked you last Monday?” he asked as he pushed his cock into her pussy.

“It isn’t like you take what I tell you seriously anyway,” she teased. “I’ve been telling you about my adventures with him from day one, but you never believed me. Besides, what I do with him is only his and my business.”

“What you told me was true?” he asked.

“It’s up to you to believe whatever you want,” she teased.

“You are going to do with him what you’ve always denied me,” he complained.

“I haven’t denied you any of your rights,” she said. “It’s completely up to me to grant him *any* privilege.”

“A good wife doesn’t do that,” he said.

“Are you saying I am a bad wife?” she challenged. “This isn’t how you can get on your wife’s good side either.”

“I didn’t say that,” he said.

“A good mom does,” she said. “Why do you act like a crybaby while you believe in his right to love me?”

“Who said I believed in his right to love you?” he aside.

“Didn’t you give him permission to seduce me and do anything he wanted to me?” she asked.

“He told you about that?” he said. “Was that why you let him have his way with you?”

“He only told me about it after I had my first amazing orgasm on his wonderful cock,” she said. “He was balls deep inside me. You must know that I am not the kind of woman who’d let anyone else even her husband dictate her relationship with her children. I’ve told you that a real mom can’t resist her son. I was going to be his either way.”

“You mean my permission was irrelevant?” he asked.

“I didn’t say that,” she said. “Nick might have hesitated without it, and I might have felt a little guilty.”

“Are you saying our son had better control of his urges than his mom?” he asked.

“Honey, don’t insult me if you don’t want me to cut you off,” she said. “If I went after him, he wouldn’t care about your permission. Neither he nor I can resist the other. Do you want me to let Alex at you so you can see?”

“No,” he said.

“Why did you give him that permission?” she asked. “Since when did men give others permission to seduce and fuck their wives? I am the one who should feel betrayed and be mad, not you.”

“I didn’t think he could do anything with it,” he said.

“Why not?” she asked. “Did you think your wife wasn’t much of a woman or your son wasn’t much of a man? Did you think your wife didn’t have a pussy that throbs with lust for cock?”

“I thought you wouldn’t let him get anywhere with you because you were his mom,” he said.

“Are you saying that I turned out to be an improper mom in addition to being a bad wife?” she asked. “Are you now disappointed in me?”

“No, I didn’t mean that,” he said. “I thought you thought it was improper for you to have sex with him. I even thought he wouldn’t have the guts to pursue you.”

"You are digging yourself deeper," she said. "You are alluding to that I am a depraved woman that would have improper sexual relationships and calling the wonderful relationship between me and my son improper."

"I didn't mean that," he said. "I just didn't expect it."

"You've just said you thought I wouldn't let him fuck me because I was his mom," she said. "You think I'd fuck him if I weren't his mom? You think I'd let any kid fuck me because I am not his mom?"

"Of course not," he said. "That wasn't what I intended to say."

"I've just asked you about it, and you tried to explain it away," she said. "How was it not what you meant?"

"I was wrong to say that," he said. "I am sorry."

"Are you really?" she asked. "Go ahead and apologize for thinking badly of your wife and son."

"I apologize," he said. "I am sorry."

"Do you mean it?" she asked.

"Yes, of course," he said.

"Did you tell him he could fuck me in my virgin ass?" she asked.

"No," he said. "He said he wanted to have anal sex with you. I told him there was no way you'd let him."

"You gave him permission to try though," she said.

"I left it up to you," he said.

"Since when it was your job to speak for me?" she asked. "How did you know I wouldn't let him?"

"I thought, because you never let me, you'd never let him," he said.

"What if I wanted to try a big one up the ass?" she asked. "I did, and it was the hottest thing I'd ever done. You saw how hot it was. Didn't you see that he has a nice big cock? Did you think my ass wasn't good enough for it?"

"When we talked, I didn't know what his cock was like," he said. "I didn't think your ass wasn't good enough. I've always thought you had a great ass. That was why I always wanted it."

"Wanting something doesn't make it yours," she said. "He wanted my ass but more importantly knew how to get it. It's now his. Do you know why I gave him my ass?"

"No," he said.

"I knew he was an ass man," she said. "I knew he'd always liked my ass. I kept it in good shape for him. I wanted him to be proud of his mom's ass. He always made me proud of it. You never did."

"I always liked your ass," he said.

"He made me feel it was very special," she said. "He kissed my asshole the first time he saw it. You never did."

"I never thought about that," he said.

"He thought my little asshole was sweet, tasty and sensitive," she said. "I'd never felt my asshole was so special. I told you he had me promise to let him kiss it every day. I couldn't say no to that. I'd never felt I was that special."

"You've always been special to me," he said.

"He later licked my little asshole until I came wildly on his tongue," she said. "I couldn't deny that my little asshole had to be his. He'd earned it. I could never share it with anybody else. It's now all his."

"I don't know what to say," he said.

“Honey, you’ve messed up big time this time,” she said. “Are you going to be a good husband and buy me an expensive real diamond tennis ankle bracelet to mean that I am Nick’s whore and that?”

“Yes,” he said without hesitation.

“You have twenty-four hours for that,” she said.

“Okay,” he said.

“Are you going to recognize and encourage our newly found love and not act like a spoiled brat?”

“Yes,” he said.

She rolled him onto his back and rode him in the cowgirl position. In the middle of the fuck, he wet a finger with her excess juices and tried to stick it up her ass.

“Dan, don’t touch my asshole,” she said sternly, pushing his hand away. “You know I don’t like that.”

“You let Nick stick four fingers up your ass and then fuck it,” he complained. “He even came inside it.”

“You heard me tell him he was very special,” she said. “He’s an ass man. You are not. He knows how to play with my ass. You don’t. He’s my son. You are my husband. He gets away with anything he does to me. You don’t.”

“Are you really going to keep your ass for him?” he asked.

“Did you listen at all while I spoke to you,” she said. “You are not at your best tonight. You heard me say over and over that my ass belonged to him and I had never let or would let anybody else touch it. I was very serious.”

“I didn’t know that,” he said.

“Nick’s very special,” she said. “I was dying for his big cock up my ass before I tried it. My virgin asshole craved his cock like nothing I’d ever craved. My ass was already addicted to his cock. That was how he made me.”

“I see,” he said.

“Shouldn’t I give my horny ass to the guy who loves it and deserves it most,” she teased. “You can still kiss my asshole and lick it but only after he’s fucked it silly and filled my ass with his hot come. Some men love that.”

“Are you crazy?” he snapped. “I’d never do that.”

“Your mouth’s isn’t on your side tonight,” she said. “Each time you open it, you say something really bad. Do you hate yourself? If you are so disgusted with me, maybe you shouldn’t touch me at all. I’ll let it go this time, but, from the next time on, you are going to either kiss and eat my come-filled pussy and ass or kiss my pussy goodbye.”

“You can’t be serious,” he said.

“Oh, yes, I can and I am,” she said. “You have to show me that you still respect me and that you don’t hold any grudge against our son for claiming his mom completely as his dirty whore. If you can’t do that, you can’t fuck me.”

“You are really going through with that?” he asked in disbelief.

“I am going to be a perfect slut for our wonderful son,” she said. “You are going to help me or sleep elsewhere. Do you want Alex to wonder why her mom screams ecstatically all night while her dad sleeps in the guestroom?”

“Would you really do that?” he said.

“Sure if you don’t want to sleep in my bed,” she said. “You wouldn’t even get to watch him fuck your own slut wife. Where do you want to sleep tonight?”

“I want to sleep here in my bed,” he said.

“You understand that you need to eat his come out of me, don’t you?” she asked.

“Yes,” he said.

“Show me you really mean it,” she said as she dismounted him. She lay on her back and pulled her legs over her head, pulling her ass cheeks apart with both hands. “Eat it.”

“He came in your ass,” he said.

“I know,” she said. “That’s the point. Haven’t you just said that you understood that? Eat it all.”

“That’s dirty,” he said.

“My ass is clean inside out,” she said. “You saw me suck his fingers and his cock when he took them out of my ass. You saw him kiss my ass and stick his tongue all the way up my gaping asshole. Eating his come out of my ass is no different from eating it out of my pussy. If you are disgusted, we still have the guestroom.”

“Didn’t you say you’d let it go this time?” he said.

“I did, but you sounded suspicious,” she said. “Go for it. You may enjoy it. Many others do. Give it a try. Besides, doing the right thing doesn’t always have to be enjoyable. The right thing for you is to eat my gooey ass clean.”

“I’d never imagined I’d ever do something like this,” he said.

“It’s okay, honey,” she said. “There is always innovative ways to express your love for your wife. Eat it, and make me come while at it. I love having my ass eaten. You won’t be the first to eat it while it’s full of come either.”

He made up his mind and pounced on her asshole. She gasped and started to squirm and moan. She opened her asshole and let my come leak into his sucking mouth. He quickly lost his reluctance and became daring.

“Suck all that delicious come, honey,” she moaned, pushing more come into his mouth. “I am sure you are going to love our son’s copious come as much as I do. You’ll agree it’s the perfect stuff to fill my come-thirsty body.”

Her asshole gaped, and he probed it and sucked it diligently, making her come within a few minutes.

“Was it all that bad?” she gasped at the end.

“It wasn’t bad, but it was humiliating,” he said.

“Never say that, honey,” she said. “No woman respects a husband who does humiliating acts. That wasn’t humiliating at all. You are just accepting the new wonderful relationship between your wife and son. Nick and I expect you to be proud not ashamed of us. We are not doing this to make you feel bad. We just want you to understand.”

“Okay,” he said as she pushed him onto his back. “I think I am getting the idea.”

“I want you to enjoy eating his come out of my well-used fuck holes,” she said, stroking his hard cock. “It’s the icing on our special carnal cake. It means you love your wife and son so much you are giving them to each other.”

“I think I can enjoy it as long as there is no humiliation,” he said as she mounted him.

“There is no humiliation, honey, as long as you understand that your hot wife’s your son’s dirty whore and she belongs completely to him,” she said. “Now, I can be proud of you too and let you fuck me. Fuck your slut wife.”

She rode him, and he helped bounce her ass.

“When you feel jealous, fuck Erin silly,” she said. “She’d appreciate that. By the way, without your permission to Nick, you wouldn’t have ever gotten mine to fuck your sexy young secretary.”

“I can’t do anything with your permission,” he said. “She works for me. I can’t touch her. It would be a sexual harassment case and a scandal.”

“Honey, she wore her panties with a pool of your come in it, and you talk about sexual harassment?” she said.

“I don’t know how you got her to do that, but I can’t do anything with her,” he said.

“You can, and you will,” she said. “You’ve been nice to me. I’ll be nice to you.”

“I hope you can deliver on that,” he said.

“Don’t doubt me, honey,” she said. “I can have Erin fuck you right now and here. Don’t worry about that.”

“Okay,” he said.

“Honey, I want you to know that when you eat Nick’s come out of me, you can’t come inside me,” she said. “It’s inappropriate. It defeats the whole purpose.”

“Where am I supposed to come?” he asked.

“You just let me know when you are ready to come, and I’ll take care of it,” she said.

“Okay,” he said.

She came on his cock a few times before he announced his imminent orgasm. She dismounted him and jacked him off. He soon was shooting come on his stomach and chest.

“Here, honey,” she said, giving him a box of tissues. “Clean up while I take a quick shower.”

She rushed to the bathroom. She showered and came out.

“I am going to check on Nick while you shower,” she said.

“Okay,” he said.

---

“I need more of your hot come up my ass,” she said, stroking my hardening cock. “Your dad ate all that out.”

“My dad did what?” I asked in disbelief.

“He sucked your come out of my ass to the last drop,” she said, stroking my hard cock.

“How did he do that?” I asked.

“I told him he had to be nice and respectful to me or move to the guestroom,” she said.

“What does that have to do with being nice and respectful?” I asked.

“I told him that was a good way to show me and you respect and appreciation,” she said.

“I still find it extreme,” I said.

“Many men love it,” she said. “What if he showed extreme respect? He should acknowledge that I now belong to you and be appreciative of that. Nothing says he does like eating your come out of my well-used pussy and ass.”

“Your ass wasn’t well-used then,” I said.

“It will be the next time he eats it,” she said.

“Was he mad at you for making him do that?” I asked.

“I think he liked it, but he needs to resolve the conflict with his male ego,” she said as she pivoted mounting me in the sixty-nine position. “He’ll be fine. I didn’t let him come inside me because that would be disrespectful to you.”

She deep throat my cock hungrily while I ate each of her pussy and ass to orgasm.

“Nick, I am so horny tonight,” she said. “Do you think you can fuck your dirty slut all night?”

“Without doubt,” I said. “I really appreciate this treat.”

“We need to be a little quiet not to wake up your sister,” she said.

“I am pretty quiet,” I said. “*You* need to be careful.”

“Help me be quiet,” she said.

She rode me in the cowgirl position, taking my cock in her pussy. After her orgasm, she moved my cock to her ass. Naturally, I fucked her ass most of the time. She sucked my cock hungrily often. I fucked her throat many times but for short periods of time. I fucked her drenched pussy too but rarely. I got to play with her tits and suck her nipples too. I also fucked her fine tits.

We fucked in every position we could think of. By the time she left my room, she had come too many times to keep track of and I had come once in her mouth, twice in her pussy and three times up her greedy ass. She left my room very well fucked and full of come. It was already break of daylight.

---

“Wake up, honey,” said mom softly, shaking dad’s shoulder gently.

“What?” he asked groggily. “It’s still too early.”

“I know, but our son has spent the night using his dirty whore,” she said. “She’s now well fucked and full of come. Her sloppy pussy and asshole are ready to be eaten.”

“You spent the night in his bed, getting fucked?” he asked.

“I was so horny and happy that my loving husband encouraged me to be our horny son’s dirty whore,” she said. “We celebrated our new loving relationship. We can talk after you eat your breakfast.”

“You are not wasting any time, are you?” he asked.

“Why waste any time?” she said. “I’d rather fully enjoy myself and my new status. I love our son and his big cock too much not to. You must know that already.”

By the time he finished cleaning up her slimy orifices, making her come in his mouth, he was hard.

“Honey, our son did such a good job on his slut mom I am so tired I don’t have enough energy to shower,” she said. “Keep your boner for later. I’ll take care of it. You won’t regret it.”

---

Late that morning, mom let me eat and finger her pussy and ass through a dozen orgasms but we did not fuck.

“I want you to recharge and save your energy for later,” she said when I tried to fuck her. “I am going to see your dad in a little while. He was nice to us. I need to be nice to him. I don’t want to be all sloppy and slimy either.”

“He already knows that you belong to me,” I protested. “It’s okay if you were sloppy and full of my come.”

“I know, baby,” she said. “We can do that at another time though.”

“Why not now?” I asked.

“I may let you know later,” she said. “Trust me this time.”

“Next time, I am going to fuck you silly,” I warned.

“I am counting on it,” she smiled, squeezing my hard cock. “I’ll never forget who I belong to.”

“Who or what?” I teased.

“Neither,” she smiled.

## CONSOLATION PRIZE

Mom wore full makeup and did her hair. She put on a hot little red dress and matching high heels and headed to dad's office, looking like she was going out on a date.

"Hi, Erin," mom greeted.

"Hi, Amy," replied Erin.

"Are you ready to come on your mistress's fingers, little bitch?" smiled mom.

"Yes, but we need to close the door," said Erin.

"We are not closing anything, sweetie," said mom. "Your legs, pussy and the door will stay open."

"Yes, mistress," said Erin.

Mom stood behind Erin's desk and bent over. She reached for the hem of Erin's skirt with her left hand. She soon had her hand down Erin's panties, making her moan.

"Your pussy's getting wet already, little bitch," whispered mom, teasing Erin's leaky pussy with her fingertips.

"Yes," hissed Erin.

"You like acting like a whore, don't you?" teased mom.

"Yes," hissed Erin as mom slid two fingers into her wet pussy.

"You've been such a good bitch so far," said mom, finger fucking Erin's pussy. "I am going to let your boss fuck you and dump a big come load deep inside your horny little pussy. Would you like that?"

"Yes," gasped Erin.

"You like whoring yourself to the son and the father, don't you?" teased mom, diddling Erin's pussy harder.

"Yes," gasped Erin.

"Maybe they can share you soon," teased mom. "Would you like one to take you up your horny ass while the other fucks your cock-hungry little pussy?"

"Yes," gasped Erin.

"Do you want to come for them, bitch?" taunted mom, teasing Erin's clit.

"Yes, please, mistress," gasped Erin.

"What do you want, bitch?" teased mom.

"I want to come on your fingers please, mistress," gasped Erin.

"Come on my fingers, bitch," urged mom, jerking her fingers within Erin's wet pussy. "I want your boss to find your little pussy soaked when he's ready to fuck it."

Erin stiffened and closed her eyes as she shook in orgasm. Mom maintained her vigorous diddling of Erin's twitching pussy until her orgasm subsided.

"You did well," said mom, offering Erin her drenched fingers to suck.

Erin sucked mom's fingers eagerly.

"We need to close the office because your boss is going to fuck you now," said mom as she returned her fingers to Erin's wet pussy.

Erin's pussy twitched around mom's fingers.

"You want that, don't you?" teased mom, fingering Erin's pussy.

"Yes," hissed Erin.

"You know I only make you do the things you want to do," said mom.

"Yes, mistress," said Erin.

"Did you like fucking Nick?" asked mom.

"Yes, I loved it," said Erin. "Thank you so much."

"He's such a good fuck, especially when it comes to the ass, isn't he?" asked mom.

"Yes," hissed Erin. "He's incredible."

"Did you know why I let him fuck you?" asked mom.

"No, mistress," said Erin.

"I let him fuck you to show you that he's an amazing lover," said mom. "When you know how good he is, you can't blame me for letting him fuck my own horny ass, can you?"

"No, mistress," said Erin.

"You think it's okay for me to let him use me like a dirty whore?" asked mom.

"Yes, mistress," hissed Erin.

"You are a good girl, Erin," said mom. "Because of that, we'll soon share Nick. He'll switch his big cock between our horny asses, pussies and mouths. Wouldn't you like that, my little bitch?"

"Yes, mistress," hissed Erin.

"Close the office and let your boss know that his wife needs to get fucked," said mom. "We don't want him to know that he's going to fuck *you* yet."

"Yes, mistress," said Erin.

"Call me Amy in front of him," said mom.

"Yes, mistress," said Erin.

Mom let Erin suck her sticky fingers clean.

Erin got up and closed the office door.

"Erin, I need your panties before you go," said mom.

"Sure," said Erin.

Erin swiftly took her panties off and handed them to mom.

"They are wet this time," smiled mom as she took the panties.

Erin blushed.

Mom pulled the panties on quickly.

Erin knocked on dad's door, and he called her in.

---

"Dan, Amy's here," said Erin. "She needs to get fucked."

“Okay,” he said, still not believing what she said. “Let her in.”

“Are you going to fuck her?” she asked.

“Yes, of course,” he said. “Thank you.”

“You are welcome,” she said.

Erin got out.

---

“Amy, he said he was going to fuck you,” said Erin.

“I need you to come with me,” said mom.

“Sure,” said Erin.

Erin knocked, and when dad called her in, she entered his office followed by mom.

---

“Hi, honey,” greeted mom, smiling. “I am so horny today, but I want your slut secretary to suck your cock and get it ready for a good fucking.”

Dad was naturally shocked when he heard that and saw Erin blush.

“Go ahead, Erin,” instructed mom. “Get down on your knees, and get to work. Do a good job, sweetie.”

Erin walked to dad behind his desk and knelt down. He was speechless until then.

“Erin, what are you doing?” he asked.

“I am going to suck your cock,” said Erin.

“You don’t have to do that,” he said. “She can’t tell you what to do just because she’s your boss’s wife.”

“I know that,” she said.

“Your job wouldn’t be affected if you said no to her,” he said. “You are not a slave here.”

“I know,” she said.

Mom meanwhile sat back and proceeded to play with her pussy inside Erin’s panties.

“Why are you doing it then?” he asked.

“Because she told me to,” said Erin.

“Honey, you are wasting our time,” complained mom. “We don’t have all day. Let the bitch suck your cock.”

“Don’t talk about her like that,” he protested.

“I can talk to Erin and about her anyway I want,” said mom. “Isn’t that right, bitch?”

“Yes, Amy,” said Erin.

“Is she coercing you to do this?” he asked.

“Of course not,” said Erin. “I am doing it out of my own free will.”

“Honey, your slut secretary lets me do whatever I want to her,” said mom. “What’s your problem now?”

“I don’t want us to be coercing her or hurting her in any way,” he said.

“You are not,” said Erin.

"You actually are," said mom. "Had you been nice to her, she could have been sucking your cock for minutes."

Dad did not say or do anything as Erin reached for his fly. She soon had his hardening cock out. He actually cooperated when she turned him toward her. She licked his cock and balls gently for a little while before she proceeded to suck it.

"Deep throat his cock like I taught you," instructed mom.

"You taught her deep throat?" asked dad in disbelief.

"What happens between me and her is none of your business, honey," she said.

He shrugged as Erin swallowed his entire cock.

"If you do a good job, I may let you suck his come out of my pussy," she said.

He looked in disbelief.

"You'd do that, wouldn't you, bitch?" she said.

"Yes, Amy," said Erin.

"Would you really do that?" asked dad in disbelief.

"Of course, Dan," she said. "I am Amy's bitch. I willingly do whatever she tells me to."

"Are you satisfied now?" said mom.

"I don't know what's going on here any more now than before," he said.

"Just relax, and let the bitch do her job," she said. "Erin, take off his pants and underwear."

Dad cooperated as Erin executed mom's instructions. She was soon deep throating his cock energetically, moaning happily, and he was making enjoyment and appreciative sounds.

"Erin, bend over, and find out if he's ready to fuck," instructed mom.

Erin got up and bent over the desk.

"Fuck me," said Erin as she hiked her skirt, exposing her bare ass.

"Are you sure this is okay?" asked dad, looking at her ass lustfully.

"Honey, stop asking stupid questions and wasting our time," said mom. "My bitch would do anything I tell her to do. Isn't that right, my bitch?"

"Yes, Amy," said Erin.

"Fuck the bitch, and let's get it over with," said mom. "Let's see if you can make her come."

Dad shrugged and stood behind Erin, his hard cock throbbing.

"Warm up well," said mom as dad brushed his cock head up and down Erin's dripping pussy, making her gasp.

Erin moaned as dad pushed his cock into her pussy. He held her hips and proceeded to fuck her gently. She moaned and pushed her ass back for more. The pace of their fuck accelerated, and they were soon fucking hard and making slapping sounds. Erin soon came on dad's cock, gasping happily. Mom came on her fingers with them.

"You did a good job, bitch," said mom, fingering her pussy lazily. "Now, clean up his dripping cock for me."

Before dad knew what happened, his glistening cock was down Erin's throat. He went with the flow and thrust in her eager throat.

"She's good, isn't she?" said mom.

“She’s very good,” he said.

“I can’t believe you were wasting her lunch breaks for lunch,” she said.

“I can’t believe this,” he said.

“Maybe you’d believe if you fucked her again,” she said. “Go ahead, and fuck her again. Maybe you’d like to fuck your wife with your cock soaked in your secretary’s pussy juices.”

Erin lay on the desk and pulled her legs over her head. He did not hesitate before taking his position and driving his hard cock into her wet pussy. He proceeded to fuck her.

Mom got up and walked to the desk. She took her sticky fingers out of her pussy and put them in Erin’s mouth.

“Taste your boss’s wife’s pussy while he fucks yours,” said mom, working her fingers around in Erin’s mouth.

Erin sucked mom’s fingers moaning around them. Mom guided Erin’s hand to her pussy. Erin proceeded to finger mom’s leaky pussy.

“Make me come, bitch,” instructed mom, fondling Erin’s tits through her top.

Erin worked harder on mom’s pussy as dad fucked her harder. She managed to make mom come on her fingers around the same time she came on dad’s cock.

As soon as mom and Erin finished coming, mom knelt down and sucked dad’s dripping cock. He fucked her throat right away.

“The bitch’s delicious,” said mom as she got up. “Fuck her.”

Dad did not hesitate to push his hard cock into Erin’s pussy. A few minutes later, Erin came while mom came on her own fingers. Mom let Erin suck her fingers clean.

“Clean him up, bitch,” mom instructed Erin, taking her fingers out of her mouth.

Erin got off the desk and proceeded to swallow dad’s dripping cock eagerly.

“Do you want him to come in your little pussy?” mom asked Erin.

“Yes,” hissed Erin.

“Honey, make her come twice and let her suck your cock after each if you want to fill her tight pussy with come,” said mom. “She’s my bitch, but I don’t like to take advantage of people.”

“Okay,” dad said.

“Eat my pussy while he fucks you,” instructed mom as she sat back on the couch.

Mom spread her legs and pulled the panties aside, exposing her pussy. Erin knelt before her and proceeded to eat her pussy. Mom pulled her legs over her head, exposing her asshole. She spread her cheeks wide. Dad knelt behind Erin and proceeded to fuck her.

“Finger fuck my asshole, Erin,” instructed mom. “Get it ready for Nick’s big cock.”

“Amy!” protested dad as Erin wet two fingers in mom’s leaky pussy.

“That’s okay, honey,” said mom. “She’s my bitch. I can say or do anything in her presence.”

Erin slid a slick finger up mom’s ass and proceeded to work it in and out.

“Ream it out well, bitch,” instructed mom. “Make it ready for cock. By the way, have you been training your own asshole and getting it ready for cock? If you are lucky, your boss will be soon fucking you up the ass.”

Dad’s cock twitched within Erin’s pussy.

“He likes the idea,” smiled Erin.

“You can’t blame him,” said mom. “You have a great ass. Have you been training it?”

“Yes,” said Erin. “I’ve been a nice little bitch. I train my asshole daily.”

“Ream out mine, sweetie,” said mom. “It needs cock too. It needs cock more than yours.”

Erin soon squeezed a second finger up mom’s ass while she ate her leaky pussy eagerly. She occasionally drooled on her fingers while finger fucking mom’s ass. Erin and mom came about the same time. Erin shoved her ass into dad and her fingers into mom’s ass while they both shook happily.

Erin immediately pounced on dad’s glistening cock and sucked it hungrily. Meanwhile, mom wet two fingers in Erin’s pussy and pushed them up her ass, making her moan over dad’s cock.

“She has a very tight asshole,” said mom, smiling at dad. “You’d be very lucky to fuck it.”

Dad’s cock and Erin’s asshole twitched at that.

“Give me three fingers this time,” instructed mom as she lay back and pulled her legs up, spreading her ass. “Wet them in your soaked pussy and then squeeze them up my ass. You know how fat Nick’s big cock is.”

Erin did just that before dad returned his cock to her pussy. They were soon working on an energetic fuck.

“Get ready to flood her little pussy with come,” gasped mom when she and Erin approached orgasm.

Dad pumped Erin’s pussy vigorously. A minute later, the three of them were coming. Dad slammed his cock as hard and deep as he could while he pumped his come in Erin’s twitching pussy while mom gushed in her mouth.

Mom got off the couch quickly and pulled Erin onto it on her back.

“This time you’ll be eating his come out of your own pussy,” said mom, taking the panties off.

Mom wiped the come that leaked out of Erin’s pussy with the inside of the panty crotch before she stuck two fingers into Erin’s slimy pussy. Dad watched intently as mom scooped his come out of Erin’s pussy and fed it to her. Erin sucked it eagerly off mom’s gooey fingers.

“Swallow it all, bitch,” instructed mom.

Erin obliged her happily.

When mom was done, mom made Erin come on her fingers. When Erin’s orgasm subsided, mom got up and gave Erin a lewd deep kiss, letting their tongues wrestle visibly.

Mom pulled the come-stained panties over Erin’s legs. Erin cooperated and let mom pull it all the way up.

“You are getting used to wearing your panties soaked with your boss’s come, aren’t you, bitch?” teased mom.

“Yes,” hissed Erin.

“Did you enjoy your lunch break?” asked mom.

“Yes,” said Erin. “Thank you so much, Amy.”

Mom reached for her purse.

“You are welcome, my bitch,” said mom, retrieving a glass butt plug out of her purse. “I got you this butt plug to get your little asshole loosened up and ready for cock just in case your boss traded my ass with his son for yours.”

“Thanks, Amy,” said Erin.

“You don’t have a problem with that, do you?” asked mom as she pulled out lube and proceeded to lube the clear glass butt plug.

“Not at all,” said Erin. “I am all yours to do with me whatever you want.”

“I promise you that your little ass will be fucked well,” said mom, gently pushing the butt plug up Erin’s asshole. Erin pulled her ass open with both hands. “It will be between your boss and his son.”

“Thank you, Amy,” groaned Erin as the butt plug started to stretch and penetrate her tight asshole.

“Isn’t this too big for her?” asked dad.

“I am feeding it to her little by little,” said mom. “Am I hurting you, little bitch?”

“No,” groaned Erin as the thickest part of the butt plug stretched her asshole wide.

“Can you see this, honey?” said mom, holding the butt plug halfway up Erin’s ass. “The bitch’s ass will be ready for your cock tomorrow or the day after. Be ready to decide.”

“Decide about what?” he asked.

“Either you get this hot ass and Nick gets mine or Nick gets this one and you don’t get mine,” said mom.

“Are you serious?” he asked in disbelief.

“Of course, honey,” said mom. “I know you want my bitch’s ass, and you know Nick wants mine.”

Mom popped the butt plug up Erin’s ass.

“Keep it up your ass until you have dinner,” instructed mom.

“Okay,” said Erin.

“Honey, since I’ve been so horny and you haven’t fucked me today, I am likely to let Nick fuck me,” said mom. “I bet he’d love to take care of his slut mom.”

“How did you become so wicked and twisted?” he asked.

“Oh, the things a horny slut would do for a big hard cock,” mom said. “The games Nick played with me brought the best out of me. This is the real me.”

Erin sucked dad clean. She and mom straightened their clothes and left him to straighten his clothes.

“Don’t forget the anklet,” said mom on her way out.

“I won’t,” he said.

“It has to look nice,” she said.

“It will,” he said.

---

Mom grabbed a plastic bag she left in Erin’s office.

“Erin, I got you your kit that we used the other day,” said mom. “Clean yourself up like we did right away. On your way home, stop by and pick up Nick. Take him to dinner and let him spend the night with you. You earned it.”

“Thanks, Amy,” said Erin. “I will.”

“Have fun, my bitch,” said mom. “Put the butt plug back in. Bye for now.”

“Bye, Amy,” said Erin.

---

Mom came straight to my room.

"Oh, Nick, I am so horny," she said after she greeted me. "Your dad didn't get to fuck me. He fucked Erin."

"You let him fuck her?" I asked.

"Yes, darling," she said. "The bitch deserves to get fucked while at work. Don't you think so?"

"I guess she does," I said.

"Now, I need you to eat my pussy and ass like this morning, but save yourself for later," she said.

"What am I saving myself for?" I asked.

"You are saving yourself for tonight," she said. "I want you to be able to fuck all night."

"I can fuck all night anyway," I said.

"That's okay," she said.

She sat back on the bed and spread her legs wide, exposing her wet pussy shamelessly. I knelt before her and dove in. I fondled her tits while I ate her leaky pussy, and she pulled her top down, offering me her bare tits.

She gushed in my mouth, and I ate her asshole to another orgasm. I returned to her pussy and fingered her asshole while eating her dripping pussy to a new orgasm. I soon had to free my big boner and let it breathe. She had a few more orgasms on my tongue before I tried to fuck her.

"Mom, let me fuck you," I said.

"I want you to save yourself for tonight," she said.

"I can do both," I said. "I don't need to come. I can fuck you for an hour without coming. The hottest slut in the world can't go to her husband to get fucked and not get fucked at all. I'd enjoy it, and you need it."

"I don't want you to get blue balls," she said.

"If I am getting them, I am getting them either way," I said.

"If you insist, go ahead," she said.

"I want to start with your mouth," I said, pushing my cock into her drenched pussy.

"Which mouth?" she moaned as I slid my cock all the way into her hot pussy.

"This one," I said before kissing her on the mouth.

She kissed back, and we shared a passionate kiss while I thrust in her pussy.

"I need to make you come once before that though," I said.

"Do that, baby," she said.

She soon gushed around my happily pumping shaft. When she recovered, I pulled out and pulled her down onto her knees. I thrust my dripping cock into her mouth and proceeded to fuck her eager throat.

"Your cock leaks like a loose faucet," she said. "It's doing like my pussy was doing this morning."

"We are two of a kind," I said.

"We sure are," she said.

After she sucked my cock for a few more minutes, she got onto her hands and knees on the bed. I shoved my cock into her pussy and fucked her through a quick orgasm. I then lubed my cock and skewered her ass with it. She moaned and pushed back, taking it in balls deep. I held her hips and proceeded to fuck her ass at an accelerating pace. A few minutes later, she shook in orgasm. I switched my cock between her pussy and ass after each orgasm and settled in her ass, fucking it leisurely. She moaned and fucked back happily.

Mom still had her purse with her, so she called dad with her cellphone, using her wireless headset.

“Hi, honey,” she greeted. “I feel much better now.”

“Hi, Amy,” he said. “What are you doing?”

“I was so horny when I came home,” she said. “I wanted Nick to eat my pussy and ass through a few orgasms. I didn’t want him to fuck me. He ate me all right, but then he insisted to fuck me but not come. I relented.”

“He fucked you?” he asked.

“He reasoned that the hottest slut in the world couldn’t go to her husband to get fucked and not get fucked,” she said. “He promised he wouldn’t come.”

“You let him?” he asked.

“Of course I did,” she said. “He’s still fucking me. The poor kid’s fucking me well although he knows he isn’t going to come.”

“Can he do that?” he asked.

“Of course, he can,” she said. “He can make me proud.”

“How did you make Erin your bitch?” he asked.

“I just made her,” she said.

“How did you know she’d agree?” he asked.

“She and I had the right personalities for that to work out,” she said. “I knew it just like I know you wouldn’t mind if Nick fucked me, especially up the ass even though I’d never let you do that.”

“I never said that,” he said.

“That’s the point, honey,” she said. “Did you think Erin told me she wouldn’t mind becoming my bitch? I made her my bitch and then had her admit it. Are you now ready to admit that you are okay with my being Nick’s bitch?”

“If you are both okay with it, sure,” he said.

“Honey, I want you to know that this isn’t permission but our right to fuck consensually,” she said. “You and Alex have the same right. We don’t need each other’s permission to fuck within the family.”

“I don’t want to fuck Alex,” he said.

“That’s okay, honey,” she said. “You don’t have to exercise your right, but you can. The same goes for Nick and Alex. They don’t need our permission to suck and fuck. It’s also up to me and her if I want to lick her pussy.”

“Would you do that?” he asked. “That’s outrageous.”

“Honey, your secretary has just eaten my pussy while you fucked her, and you think it’s outrageous for me to lick my daughter’s sweet little pussy or let her lick mine?” she said. “I can’t believe you.”

“Alex is too young,” he said.

“She’s sexually mature and eager,” she said.

“We can’t take advantage of her eagerness and turn her into a lesbian,” he said.

“Don’t worry about that, honey,” she said. “She can’t turn into a lesbian when she has a stud brother. She can only turn into a cock-loving slut like her mom. Nick’s going to make her his little whore just like her mom.”

“That’s what would happen to her if you had any say in it,” he accused.

"That's what would happen if she got fucked well," she said. "Nick will take care of that. I know that he wants his little sister to be his little slut."

"How do you know that?" he asked.

"Moms know," she said. "Now, I want you to understand that our horny son has the right to fuck his slut mom and use her like a cheap whore as long as he and she are okay with it. It isn't even her right to deny him that."

"You think so?" he said.

"Yes," she said. "Our children must know their rights too. We can deny one another sex only if one of the partners isn't ready temporarily. If Alex wants to suck your cock, you can't deny her without a real excuse."

"I don't think she'd ever want to do that," he said.

"Wait until she knows her rights," she said. "That doesn't conflict with our marriage vows either. The marriage vows are against adultery. This is incest not adultery. I can be a faithful little wife while Nick uses me like a whore."

"Incest's illegal though," he said.

"It has to be," she said. "If it weren't illegal, parents would abuse their children. They still abuse them. They screw them and screw them up."

"You are confusing me now," he said. "Do you think incest's okay or not?"

"It's perfect in very special cases like ours," she said.

"What's special about our case?" he asked.

"We are all sexually and emotionally mature, and our horny son and I can't keep our hands off each other," she said. "Abstinence wouldn't do us any good but would hurt us. The perfect answer is for me to whore myself to him."

"You'd love that, wouldn't you?" he said.

"You bet," she said. "I'd also love to share him with Alex and have him use us together like cheap whores. Thinking about sucking his come out of her little pussy and tight but loosened asshole is making me come."

She stiffened and started to gasp and shake in orgasm. I pounded her twitching ass wildly.

"You are really coming," he said when her orgasm subsided.

"I sure am," she said.

"What about me and Erin?" he asked. "Isn't it adultery?"

"Who said that?" she said. "Erin's my bitch. You are just fucking my bitch. It's still within our marriage."

"I see," he said.

"Now, let me have a few orgasms on Nick's amazing cock before I let him go," she said. "I love you."

"I love you too," he said. "Bye."

"Aren't you happy about your right to fuck your little sister?" she teased after she hung up.

"I am happiest about my right to fuck my hot slut mom," I said, squeezing her tits. "I love exercising it."

"Me too," she said.

We did not change positions, but we enjoyed ourselves very much as I fucked her horny ass through several more orgasms. I finally thought she had enough. I lay on top of her with my cock lodged deep in her ass as we rested. She finally got up and sucked my cock clean.

"Be ready at five," she said.

She left, and I showered.

---

“Your ride’s here,” mom said at five.

“What ride?” I asked. “You are naked?”

“The ride that’s you are going to ride all night long,” she smiled.

“Oh, you mean you?” I smiled.

“No, silly,” she said. “If it were me, I’d have let you fuck me all day. Your ride’s waiting for you outside.”

“You mean I need to get dressed?” I asked.

“Nicely,” she said.

It took me five minutes to get ready and out of the door.

---

Erin was waiting for me in her car. She waved to me. I smiled and waved back. She motioned me to get in.

“Hi, Erin,” I greeted. “I didn’t know we had a date so soon.”

“Hi, Nick,” she replied. “Is it too soon?”

Instead of answering, I pulled her to me and gave her a long passionate kiss, during which I squeezed her tits and she squeezed my boner.

“What do you think?” I teased as I continued to feel up her tits while she stroked my boner.

“I don’t think it’s too soon,” she said, squeezing my boner. “I am so hungry for your big cock. What about you?”

“I am hungry for every hole you have, baby,” I said.

“Let’s go eat so we’ll be hungry only for each other,” she said.

“Be my guest,” I said.

“No, Nick,” she said. “You are my guest. This is my treat. Your treat’s later.”

She took me to a nice restaurant. We flirted and teased each other while we had dinner. We then headed to her apartment, straight to the bedroom.

Since she had to go to work on the following morning, we did not get to fuck the night away like we had done on Friday night. We did not worry about being quiet though. We fucked to one after midnight. She was so fucked out she fell asleep as soon as my sticky cock left her well-used ass. We fucked for an hour in the morning. I dumped my first come load of the day deep in her ass. She plugged her ass with her new butt plug and took it to work. She was so hot she was dripping by the time she dropped me off at home.

## JEALOUSY

On the previous night while I was with Erin, Alex took the chance to ask mom about what she had observed recently. She had apparently discovered more than she let on.

“Mom, last Wednesday night, I heard sex sounds coming from Nick’s room while we all were downstairs watching TV,” said Alex. “I doubted myself that once and thought maybe he was watching something, but on Friday night and Saturday morning I was sure it wasn’t some movie, but I didn’t see any guests. Was anyone with him?”

“Yes,” said mom. “He had a friend visit him to see how he was doing.”

“She obviously did a lot more than that,” said Alex.

“Sweetie, if you are jealous, you can have him spend tomorrow night in your bed, and you can take care of him any way you want,” said mom.

“Mom!” protested Alex. “He’s my brother. That girl’s a slut.”

“Sweetie, if you knew what your brother was capable of, you might change your mind,” said mom. “I talked to his friend after both times. She was walking on clouds. Your brother showed her the hottest time of her life. She took him to a nice dinner tonight and then to her bed so he could treat her to another amazing night. Any girl or woman should be jealous of her, including you and me. I am proud to say my son can really take care of his sluts.”

“Mom, you’ve just said she was a slut,” said Alex.

“There is a huge difference, sweetie,” said mom. “She isn’t a slut but your brother’s slut.”

“What about Beth?” asked Alex. “He’s cheating on her.”

“When she returns, he has to tell her that she isn’t his only slut anymore,” shrugged mom.

“Mom, Beth’s a nice girl,” said Alex. “She isn’t a slut.”

“Sweetie, your brother doesn’t mix with bad girls,” said mom. “All his sluts are nice girls. There is nothing wrong when a girl’s her guy’s slut. The problem’s when she’s everybody’s whore. Do you understand?”

“I think I got your point,” said Alex.

“Do you understand why you and I should be jealous of Nick’s sluts and that it’s perfectly okay?” asked mom.

“Yes, mom,” said Alex.

“Alex, sweetie, it’s okay for you to be jealous of your brother’s sluts or think about him sexually,” said mom. “I want you to know that your dad and I would understand completely if the two of you fooled around or had sex.”

“Mom, he’s my brother,” protested Alex.

“That’s why we trust that neither of you would hurt the other,” said mom.

“I’d never think about my brother that way,” protested Alex.

“Alex, the kids you’d think about that way are nothing compared with your brother,” said mom. “It’s up to you to think about who you want. Your instincts will make sure that you make the right choice. Do you understand?”

“Yes, mom,” nodded Alex.

“If you really understand, you’ll know why talking to you about this made me so wet,” said mom, shocking Alex. “I am going to see if your dad can take care of me now while I think about your brother and his lucky bitch.”

Mom left Alex speechless and walked away.

“Good night, sweetie,” said mom, looking back after she reached the stairs.

“Good night, mom,” said Alex absentmindedly.

---

Erin and I did not have breakfast. We opted to fuck instead, so I went to the kitchen as soon as I arrived at home. Mom caught up with me there.

“Good morning, mom,” I greeted as I held mom and cupped her ass. “Where is Alex?”

“Good morning, Nick,” she said. “She’s home. Behave yourself.”

“Is that why you are not naked?” I asked, feeling up her ass freely.

“Nick, you know I’d let you fuck me even if she were watching, but we shouldn’t do that,” she moaned, grinding her pussy into my boner. “She isn’t ready to deal with her mom being her brother’s dirty whore. She’d get jealous.”

“She wouldn’t get jealous if she knew how much I wanted to be fair to her,” I said.

“Are you thinking about your sister’s little ass while you play with your mom’s?” she teased. “That’s naughty.”

“I am thinking about both hot asses side by side, taking turns on my big hard cock,” I said.

“Let me get you some breakfast before you get us caught,” she said, pulling away.

She proceeded to prepare breakfast for me but did not resist as I fondled her tits through her top and ground into her ass. She actually ground back.

“Last night, I talked your dad into fucking me on your bed to refresh the pussy smell in your room,” she said. “Would you like to return the favor?”

“How?” I asked.

“You can fuck me in his bed,” she said. “He doesn’t have to be away. Don’t you want to watch him eat your fresh come out of my sloppy pussy and ass?”

“Sure to both,” I said.

“I’ll let you know when he can watch you fill me with come and you can watch him empty me of it,” she said.

“You must be looking forward to that,” I teased.

“Of course, I am,” she said.

After breakfast, I bent mom on the dining table.

“Nick, you are going to get us caught,” protested mom while she spread her ass lewdly.

“Just be a little quiet,” I said as I used a stick of butter to lube her asshole. “Your pussy’s running like a river. I can’t leave you like this.”

“My ass missed you so much,” she moaned, winking with her asshole, as I rubbed my shaft with butter.

“I missed you too,” I said, pushing my slick cock into her willing asshole.

“I don’t want your sister to walk in on us like this,” she moaned as I fucked her ass gently. “I can’t explain it to her while you fuck my ass with your wonderful cock, and I wouldn’t want you to stop.”

“It’s too bad that she can’t yet appreciate the beauty of what we have,” I said, gradually picking up the pace.

“I know,” she moaned.

Mom tried to be very quiet, but she was so horny she came three times within three minutes. I moved my cock to her dripping pussy and fucked it to a fourth orgasm. I kissed both her asshole and pussy before she sucked me clean.

“I needed that more than breakfast,” she said after she kissed me.

“Me too,” I said. “I just wanted Alex to spread your hot ass for me.”

“Maybe one day she will,” she said.

Mom and I managed to sneak and fuck again. I snuck three come loads into her while Alex was none the wiser.

---

“Nick, I didn’t see you last night,” said Alex later in the afternoon. “Where were you?”

“I spent the night at a friend’s,” I said.

“Was it the same friend that visited you on Wednesday and Friday nights?” she asked.

“Yes, it was,” I said. “How did you know that?”

“I think mom said that,” she said.

“Did you miss me?” I teased. “I know I missed you.”

“Don’t be silly, Nick,” she said. “It was only one night. I missed you though.”

“You know what my worst loss could be?” I said.

“What?” she asked.

“If you were looking for me to model your swimsuit for me and you didn’t find me,” I said. “That would have been a disaster of astronomical proportions.”

“You know, Nick, I haven’t even thought about that,” she smiled.

“That’s good,” I smiled. “I am kidding. That isn’t good. I want you to wear that swimsuit at least for five minutes every day. I want you to get used to being the hottest girl I’ve ever met.”

“Nick, there is no way I can be the hottest girl you’ve ever met,” she said.

“Fortunately, I decide who that girl is,” I smiled. “I’ve already decided it’s you. If you don’t know how beautiful you are, I do, and you should take what I say seriously.”

“Nick, I overheard you with your friend,” she said. “You were obviously having sex. I couldn’t miss that. I was shocked and disappointed in you.”

“Why were you shocked and disappointed?” I asked.

“She was like a slut,” she said. “She came to visit you and had sex with you. You shouldn’t have let her. You shouldn’t be easy for any girl to have sex with you at her will.”

“She wasn’t a girl,” I said. “She’s six years my senior, and then she wasn’t any woman, Alex. She’s a nice woman, one of the nicest I’ve ever met. I assure you that I wouldn’t touch a bad girl with a barge pole. She’s almost as sweet as you are and almost as hot and sexy, but sweet girls love sex in every way possible very much too—with the right guy. I may not be the right guy, but I am giving myself the benefit of the doubt.” I smiled.

“Nick, she came here on two evenings last week and had sex with you once all night,” she said. “Last night, she took you home to have sex with you all night. She must be a nymphomaniac.”

“If she’s a nymphomaniac, I don’t know what I am,” I smiled.

“What do you mean?” she asked.

“On the first evening, I left her hardly able to walk,” I said. “On Saturday, she rested for an hour before she was able to move. Last night, I left her unable to move. I could have easily taken care of a couple of more girls like her.”

“That can’t be possible,” she said. “The guy can almost never take care of one girl. It’s always the girl that can take care of a dozen guys.”

“Not your brother, Alex,” I said. “There is no girl that can take care of a dozen guys like your brother. She’d spend at least a month in the hospital, recovering, if she didn’t die in action, but let’s get back to our discussion.”

“A nice girl wouldn’t do that,” she said.

“The first evening, I was the first guy ever for her to take all the way down her throat,” I said. “After a little while, I deflowered her butt. She had more orgasms than she could count. I had four. I shot once in her pussy, once down her

throat and twice up her greedy butt. Her once-tight and virgin butthole was by then loose and craved my cock and come more than her pussy. I flooded her bowels with come. We had a wonderful time. We both loved it.”

“You had anal sex with her?” she said. I nodded. “That’s disgusting. How did you do that?”

“Alex, do you think it’s disgusting because of what comes out of the butthole?” I asked.

“Yes,” she said.

“If we thought that way, nobody would ever touch a girl,” I said. “Puke comes out of her mouth, and blood comes out of her pussy. I’d never kiss a girl after she’s just puked. After it’s washed well, there is no problem.”

“You mean she washes her butt?” she asked.

“Squeaky clean inside out,” I said. “I’d never stick my tongue up a girl’s dirty butthole.”

“You stick your tongue there?” she asked in surprise.

“I do,” I said. “I love it, and so does she.”

“I didn’t know that,” she said. “Nick, I don’t want her to take advantage of you.”

“Alex, if either took advantage of the other, it was me of her,” I said. “She did everything I wanted and then some. She never said no to me on any occasion. I can’t complain. If that’s taking advantage of me, I want more.”

“She didn’t use you?” she said.

“Alex, I am not a little kid,” I said. “Yesterday, she took me to dinner at a nice restaurant and then took me home. We had a great time all night and this morning. I came deep in her butt, and she took my come to work.”

“Really?” she asked. “That was crazy.”

“It was wild,” I said. “She was dripping by the time she dropped me off here. Nice girls love to get naughty.”

“What about Beth?” she asked. “Wasn’t that cheating?”

“Of course, it was,” I said. “I’ll have to clear it up with her and make sure she doesn’t mind sharing me.”

“You think she wouldn’t?” she asked.

“If she can easily take care of me, she doesn’t have to share,” I said.

“She can’t?” she asked.

“Not easily,” I said. “She’d need help walking home, but don’t feel bad about her. She’d then be very happy.”

“Really?” she asked.

“Alex, I have to tell you that you have an insatiable brother,” I said as I gently held her chin, tilted her head up and looked in her eyes. “I really appreciate your caring about my wellbeing and reputation. I love you, little sister.”

“It’s the least I could do,” she said weakly.

“Would you like to do more?” I teased.

“What do you mean?” she asked.

“You are a beautiful young woman, Alex,” I said. “You have a great butt too. I’ll get you an enema package so you can clean it every morning. I want my little sister to think her hot butt’s perfect and sweet in every way like it deserves. Would you do that for me and do whatever it takes to be always proud of your hot little ass?”

“Yes,” she said shyly.

My eyes left hers and focused on her lips. When her lips trembled, I gently picked her on the lips, lingering just a little more and sucking her lower lip just a little. She stood there as if she were in a trance, speechless and her breathing shallow even after I broke the kiss.

“Alex, if you were not my sister, I’d kill to get you in bed,” I said, returning my eyes to hers. “You are so hot.”

As if too lazy to defy gravity, my eyes went back to her lips, and I gave her a peck on the lips a little longer.

“I wouldn’t trade your being my sister for the world,” I said, my eyes holding her defocused ones. “If I could guarantee that I wouldn’t lose you forever, I’d have you share a bed with me every night. You are so special to me.”

My third and last peck on the lips was again a little longer and sucked her lower lips a little harder.

“I love you, Alex,” I said softly, looking in her eyes. “Don’t you love me?”

“I do,” she said lowly and absentmindedly.

“Never forget that you are my most special girl,” I whispered as I gently turned her around. “Never feel jealous about me. They should.”

She let me turn her around without resistance. I knelt behind her and slowly hiked her skirt. She trembled when I pulled her panties down her ass, uncovering her tight ass. Her panties fell down to her ankles. I gently spread her ass, exposing her little asshole. My cock twitched as I eyed her cute asshole for a second. I laid a soft kiss on her asshole, making her gasp. I pulled her panties up and straightened her skirt before I got up.

“Your little asshole’s so sweet and kissable as it is,” I whispered. “Next time, it’s going to be even more appetizing and sweeter when it’s squeaky clean, isn’t it?”

“Yes,” she hissed.

She passively let me turn her around to face me.

“Thank you for letting me kiss it,” I whispered, gently squeezing her left ass cheek.

She was so absentminded she did not reply.

She probably saw me smile at her before I walked away, leaving her standing there.

Her enema package was on her bed within half a minute.

---

Mom stopped by my room later that night.

“Nick, catch me in my room in fifteen minutes,” said mom. “I have a special treat for you.”

“Sure,” I said.

Fifteen minutes later, I knocked on the master bedroom door, and mom called me in.

---

Mom was dressed up and made up as if she was going out clubbing. The hem of her little dress barely reached below her crotch. It also exposed most of her alabaster tits.

“You look gorgeous as always,” I said.

“Do you like my dress?” she teased, twirling before me.

“I like it, and I love what’s inside it,” I said.

“Would you do me a little favor?” she asked.

“Sure,” I said.

“I’d like you to wrap this anklet around my ankle,” mom said, giving me a jewelry box.

She watched as I opened the box and looked at the anklet.

“Is it cubic zirconia?” I asked.

“It’s real diamonds,” she said.

“It’s very pretty,” I said.

“Thank you for getting it for me,” she said.

“What do you mean?” I asked. “I didn’t get it for you.”

“Yes, you did, darling,” she said. “Your dad picked it and paid for it, but *you* got it for me.”

“What does that mean?” I asked.

“This anklet means that I am your whore,” she said.

“Who said that?” I asked.

“I did,” she said. “That was why you got it for me, I wanted it and your dad paid for it.”

During all that time, dad sat on the side of the bed silently.

“I didn’t know he was this excited about that,” I said, looking at dad.

“You got it for me because you love me and you want me,” she said. “I’ll wear it for you because I am yours. Your dad paid for it as a token of good intentions and apology.”

“Apology for what?” I asked.

“For thinking that it was wrong for me to be your whore,” she said.

“Now, he thinks it’s okay?” I asked, looking at dad.

“He learned his lesson,” she said. “Besides, he enjoys eating your come out of me. Would you like to watch?”

He was embarrassed.

“Would he let me watch him do that?” I asked.

“It’s your come,” she said. “You have the right to watch it eaten out of your whore. He has to let you. It’s also good for him to watch you put it there every once in a while to see how much love and lust it means.”

“In that case, sure,” I said.

“Go ahead and put the anklet around my ankle,” she said. “Claim your whore officially.”

She presented me with her right foot, placing it on the edge of the bed. Her dress rode up and exposed her bare pussy, letting a whiff of her sex aroma reach my nose. I leaned down and proceeded to clasp the diamond anklet around her ankle. I admired it around her ankle.

“It looks more beautiful when you wear it,” I said.

“It deserves to be worn by your dirty slut?” she asked.

“There isn’t anybody better than my dirty slut to wear it,” I said as I raised her foot up.

She smiled as I kissed her ankle around the bracelet.

“Was it expensive?” I asked.

“Just a couple of thousand dollars,” she said. “It had to be a little expensive to symbolize the significance of the occasion and so your dad could feel that he made a big mistake and learn the lesson.”

“I guess you’ll be flaunting it in front of him,” I said.

“I’ll be flaunting it in front of everybody,” she said. “I’ll be telling them that you got it for me.”

“You are not going to tell them why,” I said.

“Because you love me,” she smiled. “Don’t you?”

“Of course, I do,” I said.

“Now that I am officially your dirty slut, you are going to give me a serious fucking in my bed in front of my husband and watch him eat your hot come out of my every hole,” she said. “He deserves to witness our passion.”

“Gladly,” I said.

She squatted and fished out my hard cock. She proceeded to suck it and deep throat it for several minutes.

She took my first come load in her mouth but after I fucked her in all her holes. She had dad spread her pussy and her ass the first time I fucked either. She gave dad a sloppy kiss, passing most of the come to him.

“Doesn’t this make you feel that your hot wife’s a real slut that you can be proud of?” she teased.

“Without doubt,” he said.

Mom’s mouth was back around my softening cock. Dad ate my next come load out of her pussy and the next out of her ass, doing a thorough job and making her come both times. I shot my last load up her ass, and she left it there.

“Mom, I am ready to show off my gorgeous mom to the rest of my family,” I said as we finally separated and I got up. “I want you naked in front of them tomorrow all day.”

“You got that, darling,” she smiled.

We shared a passionate kiss before I left to shower and go to bed.

---

In the morning, I timed leaving my room with Alex’s and met her just out of her door.

“Good morning, Alex,” I greeted cheerfully.

“Good morning, Nick,” she greeted back.

“Did you keep your promise of last night?” I asked.

“Yes,” she said, blushing.

“Don’t you feel refreshed and happier about your hot little ass now?” I asked.

“Yes,” she said shyly.

“I am proud of you, little sister,” I smiled.

“Thank you,” she said.

---

When Alex and I joined dad at the breakfast table, I did not see mom. She soon came in.

“Mom, you look gorgeous,” I said, as I stood up, as mom walked over in her high heels and ankle bracelet. “Spin around so they can see what a beautiful woman my sexy mom really is.”

Mom obliged me as Alex and dad watched speechless. Dad apparently did not believe mom would get naked in front of Alex or flaunt it like that. When she finished her spin, I pecked her on the lips.

“You are beautiful, mom,” I said.

“Thank you, darling,” mom said.

“Mom, you are naked,” said Alex.

“I know, sweetie,” said mom.

“Amy, why are you naked in front of the kids?” asked dad.

“Nick thought I’d look more beautiful naked,” she said. “Since we are all family, I gave it a try, and I love it.”

“What if he only wants to stare at you?” asked Alex, apparently feeling some jealousy.

“Sweetie, guys only stare at hot women,” said mom. “That would be a compliment in its own right.”

“Mom, you did perfectly,” I said. I kissed her stiff left nipple, capturing it between my lips. “You certainly like it as much as I do. You are excited. Your sweet nipples are stiff and appetizing.”

“I enjoy it,” said mom. “I bet you have a big mouthwatering boner yourself.”

She squeezed the outline of my boner just before I squatted before her.

“Had I not gotten the biggest boner in town when looking at the hottest woman in the world, my sex life must have ended before it has started.”

“We can’t have that, darling,” she said. “I wouldn’t mind you sporting a big boner over me all day.”

“I would, mom,” I smiled. “That would give me blue balls.”

“Not if somebody you love took care of it for you,” she teased.

“You are wet too,” I said, looking at her leaky pussy. I kissed her pussy, getting my lips around her clit and sucking gently after I swiped her slick lips with my tongue tip. She gasped. “You are the hottest mom in the world.”

“Thank you, baby,” she gasped as I gave her clit another kiss.

“Mom, you are unbelievable,” said Alex. “You are letting him kiss you between your legs.”

“He’s my son, sweetie,” said mom. “He can kiss me anywhere he wants. Your dad fully understands that.”

“You do?” Alex asked dad quizzically.

“Yes, sweetie,” said dad. “Nick and your mom are very close. They have a special relationship.”

“That’s so generous of you, mom,” I said, gently turning her around. “I want to kiss your amazing ass.”

“In front of your dad and sister?” teased mom, turning around.

“Yes, mom,” I said. “They are family. They know it’s our right. Spread your sweet cheeks and pucker up.”

“Oh, Nick, you want to kiss me on my tight little asshole,” she said, reaching back for her ass.

“That’s right, mom,” I said. “I want to kiss your cute little rosebud. It’s the sweetest rose in the world.”

Mom spread her cheeks, and I gave her little asshole a gentle kiss that made her gasp and flicked it with my tongue tip on my way back.

“Thank you, darling,” she said.

“Thank you for obliging me, mom,” I said. “You are so beautiful.”

“Thank you, Nick,” she said. “After this, you deserve a kiss too. Let your mom show you how much she loves her sweet horny baby.”

Mom squatted before me with her back to Alex. She whipped my big boner out.

“Your mom loves your big mouthwatering boner,” she said, eyeing my boner. “Is it for your naughty mom?”

“It’s for my nice and hot mom,” I said.

“Thank you, darling,” she said. “You know how to make your mom feel good.”

She kissed my pulsing cock gently on the head, making it twitch.

“It’s so nice it deserved a big kiss,” she said.

She swirled her tongue around my cock head, soaking it in her saliva, before she took my cock slowly all the way down her throat.

“Yes, mom,” I said as I held the back of her head, pulling it all the way down my cock. “Give it a deep kiss.”

She pulled me by the ass and tried to swallow my cock down her throat as I held her head for half a minute, gently grinding into her face. Alex and dad watched in disbelief, especially as I tried to push my cock even deeper down mom’s milking throat. Mom exhaled and inhaled sharply when I finally let go of her head and she pulled back.

“Thank you, baby,” she said, tucking my cock in. “I felt it throb and leak deep in my throat.”

“Thanks, mom,” I said. “Leaking’s the least you can expect. That was a great kiss. Your mouth’s amazing.”

“I enjoyed it a lot,” she said as she got up.

Before mom turned around to face Alex and dad, I pecked her on the lips. I reached for her pussy from behind. She moaned as I wet two fingers in her dripping pussy. I slid my index finger up her ass and pulled up, loosening her asshole. I then squeezed my middle finger in, pushing both fingers halfway up her ass and resuming the upward pull on her asshole.

“You are a naughty boy, Nick,” she moaned, grinding her ass into my hand and milking my fingers. “You enjoy doing the wild things your dad can’t get away with.”

“You are a good girl, mom,” I said, gently swirling my fingers within her asshole. “Good girls are not supposed to let their husbands toy with their hot little assholes.”

“You like playing with your mom’s tight little asshole, don’t you?” she moaned, grinding into my hand.

“I love my mom’s frolicsome asshole,” I said, squeezing a third finger into her asshole.

“I love how you ream it out for me, baby,” she moaned, spreading her ass with her right hand for me. “You know how to loosen up your mom’s tightest orifice.”

“I have to know how to play with my favorite toy,” I said.

“You shouldn’t do this in front of your little sister though,” she moaned.

“My little sister should know that I love her mom’s sweet asshole,” I said.

“You sure do,” she moaned.

“Don’t you like this?” I asked, twisting my fingers within her asshole.

“You know I love it, but you are making me so wet,” she moaned.

“You were already dripping when I kissed your juicy pussy,” I said. “You like wearing your birthday suit for me.”

“Yes,” she hissed. “You are now making my juices run down my legs. Alex shouldn’t see this.”

“Are you afraid she’d think her mom’s a bad girl?” I teased.

“Yes,” she hissed.

“She’s a smart girl,” I said. “She must think that her mom’s the hottest mom in town, and she’d be right.”

“Her mom’s acting like a wanton slut,” she moaned.

“Show her you are a good girl,” I said, slipping two fingers of my left hand into her pussy. “Come for your son.”

She gasped and trembled as my fingers filled her pussy. I pumped both her fuck holes at the same accelerating pace. She slipped her left hand down my shorts and held my bare cock. She jacked me off while I finger fucked her.

“I am going to come for you, baby, but I am not sure Alex would think I am a good girl,” she gasped. “After all, I am acting like a dirty whore.”

“Alex, don’t you think mom’s a great girl?” I asked, diddling mom’s fuck holes vigorously.

“Yes,” said Alex absentmindedly as she watched in shock.

Mom stiffened and started to shake in orgasm, holding my hard shaft tightly.

“Tell dad who you are coming for,” I said.

“Honey, I am coming for our son,” she gasped.

“You are a good girl, mom,” I said, still diddling her twitching fuck holes.

“Are you pleased with your slut mom?” she gasped.

“Absolutely,” I said. “She’s the best.”

“Oh, baby, I need to get fucked,” she gasped, stroking my cock lustfully, when her orgasm subsided. “Aren’t you going to take me upstairs and fuck me or maybe fuck me right here in front of your dad and little sister?”

“I’d love to do either, but why don’t you take dad upstairs and let him take care of you this time before I lose control and do it for him?” I said. “If you still need cock after he’s done with you, I’ll still be around.”

“Maybe I should let you lose control and do it for him,” she teased. “Maybe he doesn’t want to clean up the mess his horny son has made. Maybe he needs to leave early, knowing that his son can take care of his horny hot wife.”

“Dad, do you?” I teased. “Do you want me to take mom upstairs and finish what I started for you? I wouldn’t mind doing that one bit. I actually wish you would.”

“I bet you do, but no, thanks,” said dad, getting up. “She’s still my wife. I’ll do that chore. Are you now happy with your little stunt?”

“As a matter of fact, I am, and so should you,” I said. “Don’t forget that I volunteered.”

“You are being a bad girl, Amy,” dad said, slapping mom’s bare ass playfully, as he followed her up the stairs. “You shouldn’t act like a bad girl in front of your little daughter. You’d set a bad example for her.”

“I bet you are going to make me good right now,” she said.

“I can’t make you good,” she said. “I’ll only try to make you feel good.”

“That’s all I can ask for,” she said.

“Dad, lick her thighs first,” I called. “She’s flooded.”

---

“Nick, did you really talk mom into doing that?” asked Alex trying to avoid looking at my big boner. “I can’t believe what the two of you did.”

“Just like I am going to talk you into modeling that swimsuit for me,” I teased.

“That’s never going to happen,” she said.

“Are you afraid your sweet nipples may be soft or your little pussy may be dry,” I said. “I assure you that your juicy pussy would be a boiling cauldron. I am sure your nipples would be stiffer and that your hot pussy would be wetter than now. Alex, you are not the prude you think you are. I know that you are a nuclear time bomb inside.”

“I can’t believe the things you said and did to mom,” she said. “How did she let you get away with that?”

“Mom and I love each other like no mother and son could or should,” I said. “We get away with everything. Dad understands. You should too.”

“You told dad you’d take care of her if he wasn’t up to it,” she said. “That was unbelievable. I don’t know how he let you get away with that.”

“He told you she and I had a special relationship,” I said. “Did you know that I was serious too? If it hadn’t been for you, I’d probably have bent her over and fucked her right in front of dad in every hole.”

“No way,” she said.

“Dad can handle watching me fuck our sexy mom like a cheap whore, but you haven’t been prepared for that. You don’t know how powerful sex can be or how deep the relationship between a hot mom and a horny son can be.”

“What do you mean?” she said.

“Mom’s a very hot woman,” I said. “Women like her can’t be neglected. That would be a shame on all men. They enjoy and deserve the best love and sex. If dad didn’t satisfy her, it better be me rather than somebody else.”

“You mean you’d actually have sex with her?” she asked.

“I’d give her my best because she deserves it,” I said. “Dad should count himself very lucky to have her.”

“You are serious,” she said.

“Mom and you are the hottest girls on the planet,” I said. “I really mean it. That’s why I like seeing her naked. I gave you that sexy swimsuit because I want to see you naked too. You have a hot body that deserves to be enjoyed.”

“Isn’t that perverse?” she said.

“Not seeing how gorgeous the two of you are is completely idiotic,” I said as I proceeded to clear the table. “It isn’t natural not to recognize and appreciate your sexy bodies. It’s perverse not to give you due awe and attention.”

---

Dad came out several minutes later, rushing out to work.

“Bye, dad,” I said.

“Bye, kids,” he said.

---

“Nick, did you really mean it when you said if I were not your sister you’d kill to have me?” asked Alex.

“Alex, what I really meant was that I wouldn’t trade your being my sister for the world,” I said. “Now that you are my sister, if I knew I wouldn’t lose you forever, I’d take you to bed before you can blink and keep you there.”

“Don’t you mind that I am your sister?” she asked.

“Who said that?” I said, gently lifting her chin with my left hand and looking in her eyes. “I love that you are my sister. I just want my hot sister in my bed having the most wonderful time in the world for hours and hours.”

“Nick, you kissed me,” she said, her voice broken and her lips trembling, as she saw me stare at her lips. “What did those kisses mean?”

She held her breath when she saw my lips approaching hers. I gave her lower lip a soft sucking kiss.

“This means that you are my sister and that I love you,” I whispered. I gave her another similar kiss. “Alex, you are so soft, so hot and so horny. If I really kissed you, you’d collapse on the floor when I let you go.”

She just stood there as I gave her another kiss at the same time I cupped her left ass cheek with my right hand.

“Your lips are so beautiful and so delicious,” I said softly, staring at her lips. “It isn’t a man who can look at them and not kiss them even if he had to pay for that kiss with his life. Do you like how I kiss your lips?”

“Yes,” she hissed as I lightly stroked her ass cheek up and down.

“Your lips are not the only thing I love about you,” I said, squeezing her ass. “Do you clean your hot ass inside out daily like I told you so you can always be proud of it?”

“Yes,” she hissed, blushing.

“I want to be proud of my lovely sister and her hot ass,” I said. “I want to be proud that the lucky guy who’ll have her will be the luckiest guy in the world. I think she’ll worship his cock and make it the happiest ever.”

“Thank you,” she whispered.

“You deserve the best,” I said. “Your little pussy and sweet asshole deserve to be worshiped.”

She trembled.

“Don’t you think that you deserve to kneel down and raise your hot ass proudly so your sweet asshole can be kissed, licked and sucked royally?” I asked.

“I don’t know,” she said lowly.

“Are you mad at me because I love mom’s ass and think it’s the hottest ass in the world?” I said. “Can you blame a guy for thinking that his sexy mom’s hot ass is the most beautiful ass in the world?”

“No,” she whispered.

Right then, mom came down the stairs in her high-heeled sandals. I did not see her as she was behind me, but the sound of her sandals jerked Alex from her trance. She looked at me in panic.

“Relax, Alex,” I said softly, still holding her chin and stroking her ass. “Never mind mom. She’s family. She wants us to be happy. Right now, I am very happy, and so are you. Stay with me. I am not done with you.”

Alex was nervous as I pecked her lower lip. Mom stood on the side and watched silently.

“Do you like kissing?” I asked softly.

“Yes,” whispered Alex.

“Do you want to kiss seriously?” I whispered. “Do you want to try real deep passionate kissing that would make you feel like the hot young woman you really are?”

“Yes,” she hissed.

“It would turn your little pussy to mush, not that it isn’t soaked right now,” I whispered. “Do you want that?”

“Yes,” she hissed.

“I like your ass, Alex,” I whispered as I stroked both her ass cheeks and ran my fingers along her ass crack, making her tremble. “Do you like how I touch it?”

“Yes,” she hissed, trembling.

“If you are a good girl, it will soon be mine,” I said, teasing her ass around her asshole. “Do you want that?”

“Yes,” she hissed.

“Mom’s a good girl,” I said, leaving Alex’s ass to reach out and squeeze mom’s ass cheek. “Her ass is already mine. Isn’t that right, mom?”

“Yes, darling,” said mom lowly as I returned my hand to Alex’s ass. “I am a good girl.”

“Do you think my sweet sister’s going to be a good girl like her mom?” I asked as I let go of Alex’s ass and chin and used the fingertips of both hands to tickle around her tits through her top.

“I hope she can be a better good girl than her mom,” she said.

My fingertips worked around Alex’s tits, down her tummy and finally around her hips to her ass cheeks.

“Mom, my little sister wants me to kiss her passionately,” I said. “Do you think I should do that?”

“Always treat your little sister right,” she said. “Don’t be too shy to show her how much you love her.”

“I can’t,” I said. “I love her too much to be able to show her how much.”

“Do your best,” she said. “I am sure she’ll understand.”

While mom talked, I stared at Alex’s lips as my hands cupped her ass cheeks.

“Ask me to kiss you deeply,” I whispered to Alex.

“Kiss me deeply,” she whispered.

“Be a good girl: say ‘please,’” I whispered.

“Please,” she whispered.

“Please what?” I asked.

“Please kiss me deeply,” she whispered.

My lips finally touched Alex’s. This time it was not a peck on the lips. It was a long kiss that started light and gentle but persisted with my lips sliding, sucking, nipping and finally parting. My hands kneaded her ass gently. She responded, and, before long, our tongues met gently and moved around playfully and then feverishly as mom watched.

“You are so hot and delicious,” I whispered, breaking the kiss shortly.

We both wanted more. We kissed again and again. She tried to hold me with her hands, but I guided her hands down to her sides. We kissed, breathing hard, for ten minutes.

“You are now ready to show me your sizzling hot pussy,” I whispered.

Alex was out of breath. I carried her in my arms and deposited her on the sofa. Mom followed us to watch as I adjusted Alex’s position, letting her sit back. She was still gasping.

“Show me your hot little pussy,” I said softly.

“Right here?” Alex asked hesitantly.

“Yes, Alex,” I said. “Your cute little pussy was made beautiful because it was supposed to be showed off.”

“In front of mom?” she asked weakly.

“Uh-huh,” I said. “I want to show mom that your juicy little pussy’s even wetter than hers.”

“Nick, that isn’t easy,” said mom. “My pussy’s soaked. My juices are running down my thighs.”

“I know, mom,” I said, ticking Alex’s inner thighs with my fingertips. “You are a hot woman, but right now Alex is the horniest little woman in town. Aren’t you horny, Alex?”

“Yes,” hissed Alex, trembling.

“Your pussy must really be soaked if it’s seriously considering swallowing my big fat cock down to the balls like I think it is,” I said. “Is it?”

“Yes,” she gasped.

“Tell me what you want me to do to your juicy little pussy,” I teased. “Do you want me to kiss it?”

“Yes,” she hissed.

“Do you want me to lick it and slurp your tasty juices?” I teased.

“Yes,” she hissed.

“You want me to fuck it, baby, with my big fat cock until it’s sated?” I teased.

“Yes,” she hissed.

“Do you want me to fuck it hard like it belongs to a dirty slut and leave it out of shape but sated?” I teased.

“Yes,” she hissed.

“You want to be my little slut?” I teased.

“Yes,” she hissed.

“Tell mom what you want to be,” I said. “Don’t be shy; she’s family.”

“Mom, I want to be Nick’s little slut,” she gasped.

“That’s good for you,” said mom. “It will take care of your jealousy.”

“What jealousy?” I asked.

“I think your little sister was jealous of your slut of late,” said mom.

“From now on, my sluts are going to be jealous of her,” I assured.

“I know you are going to treat her right,” said mom as I held Alex’s ankles in my left hand and pushed her legs over her head, getting access to her ass.

“You want me to fuck your hot little ass, Alex?” I teased, tickling Alex’s asshole through her shorts and panties.

“Yes,” hissed Alex.

“You want to be my little ass whore?” I teased.

“Yes,” she hissed.

“Tell mom,” I instructed.

“Mom, I want to be Nick’s little ass whore,” she gasped.

“You are a wise girl,” said mom. “I know your brother will fuck your horny little ass open, and you’ll love it.”

“You want me to fuck your tight little asshole until it gapes wide?” I teased.

“Yes,” hissed Alex.

“Now that you are going to be my sweet little whore, why don’t you get out of your clothes and show me the hot body of my gorgeous sister?” I suggested, lowering her feet to the floor. “You are sure hot enough to be naked.”

Alex did not know what to do as I got up and stepped back. I stood next to mom. Mom snuggled into me. My right hand went for her ass, and I was soon teasing her asshole and wet pussy while smiling at Alex. Mom squirmed.

“Do you think you should be playing with my juicy pussy and horny asshole while I am getting ready to call your dad?” teased mom as she reached inside my shorts and wrapped her left hand around my boner.

“Don’t you think it should be okay as long as you are a good girl and you reciprocate by playing with my big hard cock, which you love so much?” I said.

“You may be right,” she said, squeezing my boner.

“Alex, show me that you want to be my little slut,” I encouraged, transferring pussy juices to mom’s asshole.

Mom maneuvered my boner to point in the right direction, and started to squeeze it as I fingered her asshole.

Alex sat up and proceeded to take off her top slowly while I stuck my middle finger into mom’s pussy and my thumb up her ass.

“Good girl,” I encouraged, gently working on mom’s milking fuck holes.

“You are rock hard,” teased mom. “You like watching your innocent sister act like a depraved whore and become your slut, don’t you?”

“So do you,” I said as Alex put her top aside. “You are so wet. You want her to be like you.”

“I do, and I am still horny,” she said. “That quickie was nothing like what I really wanted.”

“What are you going to do about that?” I teased.

Alex hesitantly reached for her bra, and I nodded at her encouragingly.

“I’ll have to visit your dad at his office and have him fuck me properly,” she said.

“What if somebody heard the sex noises?” I teased as Alex unhooked her bra and removed it shyly.

Alex covered her tits with her hands.

“Instead of letting that happen, I’ll have Erin watch him fuck me,” she said. “I may let her suck his cock to make him ready for my horny pussy. Don’t you think that would be a great idea?”

“I think that would be fun,” I said. “Alex, you want to show me that you are my little slut. Don’t be a bad girl and cover your lovely tits. Pull your hands away if you don’t want to use them to hold your fine tits up for me.”

Alex hesitantly pulled her hands away, exposing her fine ripe tits.

“Aren’t they beautiful?” I said to mom, staring at Alex’s tits with the stiff nipples.

“They are, but you are a bad boy,” said mom as she took my cock out of my briefs and pulled her hand out. She pushed my shorts down, setting my boner free. She then pulled my right hand off her ass. “You shouldn’t be playing with my fuck holes while you seduce my sweet daughter. I shouldn’t be playing with your big hard cock either.” She took my hand to her mouth and sucked my sticky fingers clean. “Tend to your new little slut while I call your dad.”

Alex watched mom stroke my hard cock for a few seconds.

“Do you like your brother’s big fat cock, sweetie?” teased mom, letting go of my cock and pushing me forward.

“Yes,” hissed Alex.

“I’ll let you play with it all you want,” I said as I knelt down before her.

Mom grabbed a towel out of the bathroom and laid it next to Alex. She sat on the towel, her legs spread wide. She dialed dad’s number while she fingered her wet pussy lewdly. Alex breathed hard, her tits rising and falling.

“Alex, you are not naked yet,” I reminded. “If you want me to kiss your sweet tits like I kiss mom’s, beg.”

“Please kiss my tits,” whispered Alex, trembling.

“I’ll kiss them when you are completely naked,” I promised.

“Hi, honey,” greeted mom. “How is your morning?”

"Hi to you," said dad. "My morning started great. I really enjoyed what we did this morning."

"You enjoyed watching our wild son play with his wanton mom like she was a hot slut on Ecstasy?" she teased.

"I didn't believe you'd do that in front of our daughter," he said.

"Oh, our daughter's a big girl," she said. "You wouldn't believe how hot she is if you saw her now."

"What's she doing now?" he asked curiously.

"Nothing much," she said. "Was that all you enjoyed, or did you enjoy coming in my mouth and having me swallow your come after I came all over your cock? I enjoyed that too."

Alex looked at mom in disbelief.

"I loved it," he said.

"You enjoy having a slut wife, don't you?" she teased.

Alex did not believe what she heard even after what she had witnessed earlier and what was happening to her.

"I sure do," he said.

"Were you jealous of our son?" she teased. "Was that why you fucked me? You knew he'd take me to my bed and keep me there gasping and coming all day—until you came home. He could have fucked me in the kitchen too."

"I couldn't let you go without a fight albeit a short one," he said.

"You don't have to fight, honey," she said. "You know I belong to Nick. He doesn't mind letting you fuck me all you want as long as you acknowledge that I am his. He's such a great kid."

Alex looked at mom in disbelief.

"He's a good kid all right," he said. "I am actually proud of him that he's capable of this. What are you doing?"

"I am sitting on the sofa and playing with my leaky pussy," she said. "I am still horny. I wish Nick would fuck me, but he's now busy."

"You've been horny a lot recently," he said. "Where are the kids?"

"They are right next to me," she said. "Alex is sitting next to me topless. Nick's kneeling before her, bottomless, talking her into taking off her shorts and panties and showing him her virgin little pussy. He thinks her little pussy's wetter than mine although he can see mine. He even played with it a few minutes ago."

Alex must have thought she was dreaming. I gently guided her hands to her shorts.

"Take them off, Alex," I whispered. "Show me my gorgeous little slut."

"Do you think that can be possible?" he asked.

"It may be possible, but I am telling you my pussy's leaking freely," she said. "I am sitting on a thick towel."

"Are you going to continue like that while watching the kids?" he asked.

"I think I am," she said. "I don't think I can get Nick to fuck me now. He's more interested in his virgin sister. I can't blame him for wanting fresh ass."

"What are they doing now?" he asked as Alex slowly pushed her shorts down.

"She's taking off her shorts," said mom. "She wants to show her brother her hot juicy pussy. I think he's going to dive right in as soon as she bares it for him. Don't you remember doing that for your own sister?"

"My sister has never done that," he said.

"I guess your son's luckier than you," she said. "His sister's surely hotter than her aunt."

"You don't know that," he said.

Alex had pushed her shorts down below her knees, and I pulled them the rest of the way off.

"If you saw your daughter's fine tits and stiff nipples, you'd know I do," she said as she reached out and pinched Alex's stiff left nipple, making Alex gasp. She did the same to her right nipple. "Has your sister or any girl at all ever told you she wanted to be your little slut or your little ass whore? His sister has. She wasn't the first either."

"Take them off, Alex," I encouraged, guiding Alex's hands to the waistband of her panties with the soaked crotch. "They are completely soaked."

"I guess our son's lucky," he said as Alex shyly pushed her panties down, and I inhaled as deeply as I could.

"He sure is," said mom. "Our daughter's lucky too. I am sure he's going to fuck her senseless. It's going to be the fuck of the century. Do you think he'll save some for her mom? If he doesn't, I am going to be your lunch."

"Be my guest," he said.

When Alex's panties reached below her knees, I took them the rest of the way down. I held the crotch to my nose and inhaled deeply.

"Despite all what we've done, I've never gotten a chance to exalt his gorgeous cock in front of you," mom said. "It's as long as yours but thicker. It can sure stuff a slut, but you already know that."

"That's good for him," he said. "I've seen it stuff one slut in every hole she has."

"I can't forget that, honey," she said. "Remembering that makes me so wet."

Alex squeezed her legs shyly. I took the panty crotch in my mouth and sucked so hard I almost fainted as I gently spread her legs apart. I pushed her legs over her head and guided her hands to her heels.

"Wait a second, honey," mom said as she leaned forward and examined blushing Alex's dripping pussy. "Our daughter has herself spread like a cheap whore. Boy, is she wet! She's so wet her asshole's soaked. Nick won."

"Of course, I won," I smiled at Alex. "I knew my hot little sister. She's sizzling hot."

Alex blushed. I returned my eyes to her leaky pussy.

"Our daughter has nice ripe tits too," mom said. "They are almost as big as mine but a lot younger. They are perfect for fucking. I bet he's going to love fucking them for her. You know, actually, I don't. Nick isn't a tit man like you. He's an ass man. He'd fuck her tight little ass open but wouldn't touch her fine tits."

"Mom!" I whined. "When the tits are as pretty as yours and hers, I'll fuck them even if I were gay."

"Oh, you are so sweet, Nick," she said. "Did you hear that honey? He said, when the tits are as pretty as mine and his sister's, he'd fuck them even if he were gay. Isn't our son just the sweetest thing we've ever made?"

"That sure is sweet," he said.

"Mom, I am not just being sweet," I said. "You know that's the truth. Did you forget that I fucked your tits?"

"How could I, darling?" she said. "Honey, he's actually fucked my tits. I loved it, especially when he splattered them with hot come. Come's precious. Nice guys only shoot it in and on what they value most. He also gave them a nice massage rubbing his thick come into my grateful tits. Nick, your dad now knows that you love his wife's tits."

"Mom, you, dad, and even Alex should know that I love everything about my hot mom and sister," I said.

"I love all of you too," she said. "I am sure Alex does too. Don't you, Alex, or do you only love his big cock?"

"I love all of him," said Alex lowly.

“Our sweet kids are in love,” said mom as I leaned forward and gave Alex a passionate kiss that she returned.

“Alex, do you want me to fuck your gorgeous tits?” I asked, breaking the kiss and staring at her tits.

“Yes,” hissed Alex.

Alex trembled as she watched my lips approach the stiff nipple of her left tit. She gasped when my lips closed on her sweet nipple. I sucked it gently for a few seconds before I treated her other nipple similarly. I left her gasping.

“Alex wants him to fuck her tits,” said mom, watching us. “I am sure he’s going to fuck her in every possible way and save nothing for his horny mom. I bet you anything that today’s going to be the happiest day of her life.”

“Mine too,” I said. “I’ll always have the best for you though.”

“Nick said his life too and said he’d always fuck me well no matter how hard he fucks his other sluts,” she said. “I must tell you, honey, that I want him to fuck me to oblivion every chance he gets.”

“Have fun,” he said as I returned my eyes to Alex’s wet pussy and soaked glistening asshole.

As Alex’s pussy continued to leak, my cock twitched and leaked.

“Mom, what you want is what you get,” I said, briefly taking my eyes off Alex’s soaked pussy.

“Do you know how this started?” she asked.

“How would I?” he asked.

“When you left, I washed up my pussy in case Nick wanted to play with it or even lick it,” she said. “I didn’t want him to taste your cock in my pussy. You know I swallowed your come, so I also brushed my teeth and gargled with mouthwash. I didn’t want to suck his cock with my mouth or pussy tasting of yours. I came down horny and wet, thinking how he’d take advantage of his cock-hungry mom. I found him busy working on his innocent sister.”

“Bummer!” he said.

“Yes,” she said. “It was the beginning of the seduction. His sister was still sweet and innocent. He had not turned her into a horny little slut yet, but he was working efficiently on it and it was inevitable.”

“What was he doing?” he asked.

“He stroked her little ass and kissed her lips very gently, softly telling her how beautiful and delicious she was,” she said. “She was so horny he could have asked her to get down on her knees and worship his big beautiful cock with me standing next to them. I like his style. He plays with his victim until she’s begging for his touch or his big cock.”

“I didn’t know you liked to be teased,” he said.

“I love to be teased and then fucked like a shameless whore,” she said. “He does that to me so perfectly.”

“Anyway, let’s return to your story,” he said.

“He asked her if she wanted him to kiss her deeply,” she said. “He then had her beg him to do that. I knew she was essentially begging him to kiss her deeply with his big fat cock. I looked at her innocent mouth, knowing well it was soon going to be stuffed with his big cock balls deep. That thought made my horny pussy gush fresh juices.”

“Do you think she can take him all the way down her throat?” he asked.

“If he was able to teach his mom deep throat, you think he can’t teach his little sister?” she said. “Honey, your little princess is going to swallow his big cock balls deep before she chugs big loads of his hot come. She’s gone.”

“Do you think so?” he asked.

“The poor thing’s looking at his big hard cock and wondering how it’s all going to fit in her mouth,” she said. “Sweetie, it’s going to fit perfectly because your little mouth was made for it. You’ll love it, you lucky little slut.”

“Did he kiss her deeply or was he just teasing her?” he asked.

“Did he ever!” she said. “He kissed her until I smelled her excited pussy although my own juices were running down my thighs. Her legs were useless. I guess they were still capable of spreading wide but not good enough to keep her on her feet. He carried her and put her on the sofa. He had her admit that she was horny and hungry for cock. The little cunt even told me she wanted to be his little slut. Can you believe that—our own sweet little girl?”

“You know what they say about the apple and the tree,” he said.

“I know, but it was still a shock,” she said. “To make it even better, she soon told me she wanted to be his little ass whore. She was totally his. He could have taken her to the front lawn and fucked her there in broad daylight.”

“You are not jealous, are you?” he teased.

“Just a little,” she said.

“Would you let him do that to you if he wanted to?” he asked.

“Of course, I would,” she said. “You don’t expect our little slut of a daughter to be hornier than her own mom.”

“I don’t know what to expect anymore,” he said. “You are both incredibly horny.”

“The least you can do is blindly count on your wife to be always her son’s most depraved whore,” she said.

“It’s good to know that I can always count on my loving wife,” he said.

“As you’d expect, he effortlessly talked her out of her clothes,” she said. “She’s now spread shamelessly as I told you. She earlier begged him to kiss her tits. He’s just done it.”

“Do you want me to kiss your cock-hungry pussy, Alex?” I teased.

“Yes,” hissed Alex.

“Beg mom to ask me to do that,” I said. “Don’t forget to tell her that your pussy’s cock-hungry. If you don’t, she may not intercede on your behalf. She wouldn’t want me to kiss fuck holes that are not hungry for my big cock.”

Mom held her cell phone to Alex’s mouth as Alex turned to her.

“Mom, please ask Nick to kiss my cock-hungry pussy,” gasped Alex, trembling.

“Did you hear our sweet little baby girl beg me to ask her brother to kiss her cock-hungry pussy?” asked mom.

Alex trembled.

“I think I did,” said dad. “She’s really under his spell, isn’t she?”

“She sure is,” said mom. “Nick, darling, please kiss your little sister’s cock-hungry pussy. It’s so hungry for your big cock I am afraid she might faint if you didn’t.”

“Mom, are you sure her little pussy’s actually hungry for this big hard cock of mine?” I teased as I stood up and stroked my hard leaky cock in front of mom and Alex.

“I am sure, but you can ask her,” said mom.

“Alex, is your horny little pussy hungry for this big cock?” I said as I placed one foot on the sofa next to Alex and stroked my cock right in front of her face, making her tremble.

“Yes,” she hissed.

“You got it, baby,” I said as I knelt in front of Alex. “I am going to kiss your cock-hungry pussy.”

While Alex trembled in anticipation, I eyed her soaked pussy and asshole. Smiling, I slowly lowered my mouth toward her pussy, but before I reached her pussy, I stabbed my middle finger up her unsuspecting asshole. She gasped,

and my finger slid halfway up her ass. Her asshole clamped at my finger, and she stiffened. When mom saw that, she held the phone to Alex's mouth. Alex inhaled sharply and shook in orgasm, gasping and moaning wildly. As her asshole twitched around my finger, I pumped my finger within her ecstatic asshole. Her orgasm got wilder, and I diddled her asshole harder. She gasped and moaned into the phone as mom watched her convulse in orgasm. Her pussy gushed more juices, lubing my slick finger even more. I finger fucked her fluttering asshole until she went completely limp. I finally slowly pulled my finger out of her ass and sucked it while looking her in the eye.

"Did you hear that, honey?" mom asked.

"I did," said dad. "What was that?"

"That was your daughter's first anal orgasm ever," she said.

"How did that happen?" he asked.

"Instead of kissing her pussy, Nick darted his finger up her unsuspecting asshole," she said. "She came instantly. Can you guess where his big hard cock's going to spend most of its time from now on?"

"Up his sister's ass?" he said.

"Where else?" she said.

Alex was completely relaxed and happy. She smiled at me. I held her eyes as I slowly lowered my lips to her drenched pussy and kissed her gently. Before I broke the kiss, I darted my tongue out and slurped some of her tasty juices, making her moan.

"I think you want me to kiss your asshole now," I smiled.

"Yes," she said.

"Is it hungry for my cock?" I teased.

"Yes," she hissed.

"Beg me to kiss it," I said. "Don't forget to remind me that it's hungry for my big cock. I am so excited I may forget, and, if I do, I may not kiss it."

"Please kiss my asshole," she gasped into the phone, looking shyly at me. "It's so hungry for your big cock."

"Your daughter has just finished surrendering her last fuck hole," said mom. "She's now all his."

"Is that true, Alex?" I teased. "Are you now all mine? Can I fuck you any way I want?"

"Yes," hissed Alex.

"Yes, what, Alex?" I teased.

"Yes, I am all yours," she gasped into the phone. "You can fuck me any way you want."

"Can you tell me where I can fuck you?" I asked softly.

"You can fuck my mouth," she gasped into mom's phone. "You can fuck my tits. You can fuck my pussy, and you can fuck my asshole."

"You are a good girl, Alex," I said as I suddenly stuck my finger back into her drenched asshole.

Alex came again, and it was as hard as the first time if not harder. Mom made sure to hold the phone to her gasping and moaning mouth.

"That was our daughter's second anal orgasm," said mom into the phone as I pulled my finger out of Alex's ass. "She had it the same way. The little slut was definitely meant to be a little ass whore. I am sure he'll love that."

"I already do," I said.

"He already does," mom said as my lips claimed Alex's sweet asshole in a long kiss. "He's now kissing her asshole like she begged him to."

Alex's asshole instinctively tensed when it felt my lips, but my tongue soon made it relax. She squirmed and moaned softly, her asshole kissing back.

"You like the way he kisses your cock-hungry little asshole, don't you, you horny little slut?" mom teased.

"Yes," hissed Alex, trembling.

"Wait until he wraps your tight ass around his big cock and pounds you until you think you've died and gone to heaven," said mom. "By the way, is there anything you wouldn't do for your big brother?"

"No," said Alex.

"You are a good slut," said mom. "I am proud of you. I am sure Nick's very pleased with you."

Too polite to talk with my mouth full of luscious asshole, I raised my right hand with thumbs up to Alex.

"He sure loves your little asshole, you lucky bitch," said mom.

Alex got another thumbs up from me as I continued to enjoy her delicious asshole.

"Luckily I put her on the pill the first time I saw Nick stare at her nubile ass," said mom. "I felt good that he actually stared at my ass first."

"Alex, when did she put you on the pill?" I asked.

"A month ago," said Alex.

That could not have been an accident. That was about when I started to get interested in Alex's ass, and, as mom said, I was already interested in mom's ass. Mom really knew what had been going on around her.

After a couple of minutes of licking Alex's wonderful asshole, I worked my way up to her pussy. I explored her juicy pussy, enjoying the taste and trying to suck as much of her tasty juices as I could. While I did that, she came without my trying to make her come. I just enjoyed her twitching pussy and slurped all the juices she offered. Mom made sure to let her gasp and moan into the phone.

"Congratulations," said mom. "Our daughter has finally had her first vaginal orgasm in her brother's mouth."

"That's nice," said dad.

"I'll let you get back to work, honey," she said. "From the look of it, it seems that I'll be your lunch today."

"I don't think I'll need an appetizer," he said.

"Save it for me, honey," she said. "I love you."

"I love you too," he said. "Bye."

After Alex recovered, I leaned forward and gave her a deep kiss. I lowered her feet to the floor and pulled her up. When she stood before me, I pulled her to me until my cock went between her legs and pressed against her wet pussy from below, making her gasp. We kissed for a minute while I held her waist and thrust gently against her pussy. She was soon humping my cock back.

"Aren't you happy you got your hot ass ready for me just in time for me to take it?" I smiled as I spread her ass and teased her asshole with my fingertips.

"Yes," she hissed, trembling.

"Are you ready to model your swimsuit for me now?" I whispered.

"Do you still want me to do that?" she smiled.

“Yes,” I smiled. “Did you think I’d let you off the hook and let what I paid for it go to waste?”

“I thought you might, but I am ready now,” she said.

“Go to your room and put it on,” I whispered. “There is a pair of high heels under your bed, wear them with it. Don’t come down until you hear mom go into her room.”

“Okay,” she said.

“Now, turn around,” I whispered.

She turned around, and I pushed my cock between her legs from behind. It was back rubbing against her pussy. She humped it right away. I held her tits and squeezed them gently.

“If you are really ready to model for me, look mom in the eye and hump my cock until you come for me,” I whispered. “Show her that you are not too shy to be my slut and let me enjoy your amazing body any way I want.”

Alex’s leaky pussy glided back and forth on the slick upper side of my shaft as I squeezed her tits and pulled on her stiff nipples. Mom held her eyes as she looked at her.

“Are you introducing your sister’s virgin little pussy to the big cock that’s going to ravish it?” mom teased.

“Is that what I am doing, Alex?” I asked softly.

“Yes,” hissed Alex.

“Are you going to come all over his big cock like a shameless whore?” teased mom.

“Yes,” hissed Alex.

Alex was already very close.

“Go ahead and come for your big brother and his big cock, you little slut,” teased mom.

As mom said that, I pinched Alex’s nipples harder. She stiffened and started to shake right away. Her pussy gushed against my cock. When she was too weak to stand, I wrapped my arms around her waist tightly and held her.

“She’s a good slut,” commented mom. “She comes when she’s told to.”

“Alex is an amazing slut,” I said.

Alex soon recovered and was able to stand up on her own. I reached between her legs and wiped her dripping pussy, making her moan. I brought my glistening fingers to her mouth. She did not offer to suck them.

“Suck them,” I whispered as I pushed my fingers toward her lips. “Your pussy’s delicious.”

She reluctantly relaxed her lips and let me slide my fingers in. She sucked them cautiously at first.

“Do as I told you,” I whispered as I returned my fingers to her wet pussy and soaked them well in her juices.

Alex moved away as I removed my hand from her pussy. She went upstairs as I offered mom my glistening fingers. Mom took my fingers in her mouth and moaned around them as she sucked them eagerly.

“You are a naughty boy,” she said, smiling, after she took my clean fingers out of her mouth.

Her smile got wider when I knelt before her and pulled her ass to the edge. She lay back and spread her legs. I used her drenched pussy to soak three fingers and stuff them up her ass. I finger fucked her ass gently while I ate her pussy to a quick orgasm.

“Mom, I’d like you to model your sheer swimsuit for me,” I said after she recovered.

My fingers were still up her ass.

“Where did Alex go?” she asked.

“She went to get ready,” I said, slowly pulling my fingers out of her ass. “Maybe I can get a quick tour of your hot and horny body before she’s back.”

“I’ll be back in a minute,” she said with a big smile, getting up.

After I finished watching mom’s ass disappear up the stairs, I took off my clothes. I was naked, my hard cock sticking out proudly and excitedly.

---

Alex shyly came down the stairs in her sheer swimsuit and high-heeled sandals. I walked to her and took her hand. I helped her down the last few steps.

“Alex, you are gorgeous,” I said. “I can’t believe you didn’t want me to see you like this.”

“Do you like what you see?” she asked shyly.

“I love it,” I said, pointing at my throbbing cock. “Look at it. Its drool’s about to fall onto the carpet. It’s so happy you waited until you are finally going to model your swimsuit for it too.”

She looked at my dripping cock. I held my shaft and wiped its leaky head on her thigh, making her gasp.

“Let the show begin,” I said. “Swimsuits are modeled around the pool. Walk like a supermodel.”

We walked out onto the patio, and I taught Alex how I wanted her to walk. I had not finished when mom walked out of the house.

“I see that I am not the only model around her,” said mom.

“You are not models,” I said. “You are both supermodels. Actually, this looks more like the final stage of a world class beauty pageant.”

“Who’s going to win?” teased mom.

“Since you are both gorgeous, that will be decided by a question,” I smiled.

“What’s the question?” she asked.

“After the parade,” I said. “Now, parade for me, both of you. Mom, for the first round, teach her how to walk confidently and strut her stuff sexily. She shouldn’t be shy to have me staring at her. She should enjoy that and feel my eyes caress her hot body and turn her on, making her nipples hard, her pussy wet, her clit begging to be sucked and her asshole tingling for attention.”

“That’s what your stares do to me,” said mom. “That happened from the first time you laid your horny eyes on my ass. I loved your attention from the start.”

“You are a naughty girl, mom,” I teased. “You should have chided me and put me in my place.”

“I am not a dumb girl, Nick,” she said as she took a hold of my hard cock, which still had Alex’s dried pussy juices, and stroked it. “I’d never chide my own son for doing something I enjoy and appreciate. How can I think of stopping you when your stares are turning my horny pussy into a little swamp? Darling, your place is inside me.”

“That was why you didn’t put a fight when I talked you into modeling the swimsuits?” I asked.

“Your eyes had been working me over for a while before you talked me into that,” she said. “I put a fight but for a different reason. My pussy was dripping when you talked to me. I didn’t want you to find out how wet it had been, but, you know, a wet pussy isn’t a good defense weapon.”

“I could have fucked you then and there,” I said.

“You could, and you knew it,” she said. “Though, you waited for a few hours to make sure I was well done. I enjoyed all of that a lot. I am sure Alex will too. Now, let’s get going with our little slut parade.”

“Please,” I said as she gave my cock one last squeeze. “Let the staring start.”

My eyes followed there twitching gorgeous asses as they sauntered away. My cock throbbed excitedly, watching their every move. I pulled back a little and watched them as they went around the pool and returned to me.

“That was great,” I said as she faced me. I cupped a pussy with each hand and teased them. Alex gasped, and mom humped my fingers. “Did you enjoy the slut parade, Alex?”

“Yes,” hissed Alex, subtly humping my fingers.

“You deserve a kiss,” I said, kneeling down.

Alex almost collapsed when I cupped her bare ass cheeks and covered her dripping pussy with my mouth. I kissed her juicy pussy and proceeded to eat it eagerly. She was soon moaning and thrusting into my face as she held on to my head so she would not fall.

“This is so nice,” gasped Alex.

“If you like it, come in his mouth,” said mom. “He wants you to.”

Alex naturally had no say in that. She was going to come in my mouth within half a minute. She continued to gasp before she stiffened and pulled my head harder. I held her ass tightly and sucked her gushing pussy as she trembled, too weak to remain on her feet if I did not hold her.

Alex’s orgasm subsided, and I gently licked and sucked her drenched pussy through her flimsy swimsuit crotch until she recovered.

“Our slut mom deserves a similar kiss,” I said, pulling away from Alex.

Alex pulled back a little, and mom moved closer. I pulled mom to me by the ass and applied my mouth to her leaky pussy. She held the back of my head and thrust into me as I ate her luscious pussy to orgasm.

“Let’s do the birthday suit parade,” I said as I got up.

Mom took her swimsuit off as I helped Alex with hers.

They paraded naked for me, and I ate their pussies again to orgasm.

“We’ll now have the question,” I said as I walked them to the table. “Sit down while I get you sheets of paper to write your answers on. You need to write your answers down and then read it.”

They sat down at the table, and I ran to the house. I soon returned with two pens and two sheets of paper.

“Are you ready?” I asked as I gave each a pen and a sheet of paper.

“Yes,” they both nodded.

“Why do you like being my slut?” I said. “You have two minutes to answer.”

While they pondered and wrote their answers, I watched from a little far. I did not keep time, and neither needed the entire two minutes.

“Mom, read your answer please,” I said.

“Because I love you like I love nobody else and you love me and fuck me like nobody else can,” said mom.

“Alex?” I said.

“Because you make me feel sexier than anybody else can and I trust you like I can’t trust anybody else,” said Alex. “You also gave me pleasure I never dreamed I could get.”

“Both answers are so sweet,” I said. “I am honored and humbled by both of you. Since we can only have one queen slut, the crown goes to mom. Congratulations, mom!”

“Thanks, Nick,” said mom, beaming proudly.

“Congratulations, mom!” said Alex.

“Thanks, sweetie,” said mom. “Don’t feel bad. You are still virgin. You’ll soon be sluttier than I am.”

“I don’t feel bad, mom,” said Alex. “I am happy for you. I knew you deserved it.”

“Alex, would you like to watch me fuck our queen slut mom?” I said.

“Sure,” said Alex.

“Mom, bend over the table while I get the lube,” I said.

“He’s going to fuck me in the ass,” mom said to Alex, getting up, as I left to the house.

When I returned, mom was bending over the table and spreading her ass with both hands.

“Would you like to lube my cock?” I asked Alex, handing her the lube.

“Sure,” she said.

While Alex squeezed lube and coated my cock thoroughly, I fingered mom’s pussy and asshole. Mom moaned.

“Hold my cock head to her horny asshole and watch it stretch it and skewer her hot ass,” I said to Alex as I aimed my cock at mom’s offered asshole.

Alex guided my cock to mom’s asshole, and I pressed in. Alex watched intently. Mom’s asshole dilated and stretched around my cock head as it slid slowly in. Mom moaned quietly.

“It’s so big,” said Alex lowly.

“It feels so good,” mom moaned.

“Our slut mom loves to have her little asshole stretched widely and stuffed tightly, don’t you, mom?” I said.

“Oh, yes,” moaned mom as more of my shaft slid inside her ass.

“So will you, Alex,” I said. “We all know that your sweet little asshole was made for this.”

Alex pulled her hand away and watched the rest of my shaft continue its progress up mom’s hot ass. I held mom’s hips tightly and pushed firmly, driving the rest of my cock up mom’s stretched asshole.

“It’s all the way in,” said Alex in surprise.

“It’s going balls deep into every one of your sexy holes too, Alex,” I said. “This is how hot sluts need it.”

“It doesn’t hurt at all?” asked Alex.

“Nothing hurts when you are ready for it,” said mom. “My asshole craves your brother’s big fat cock.”

“Mom’s an amazing woman,” I said. “She gave birth to the single cock she and all her holes were meant for.”

“I was just extremely lucky,” moaned mom as I started to pull out.

“You are not as lucky as I am,” I said, pushing my cock all the way in after only its head was inside her hot ass.

Alex watched my hard shaft slide slowly all the way in and then all the way out of mom’s tightly stretched asshole. Mom’s tight anal ring tried to follow my cock, making her asshole bulge out and then hollow in repeatedly.

“It’s beautiful, isn’t it?” I asked.

“Yes,” hissed Alex absentmindedly.

“Wait until you feel it fuck your own little asshole,” moaned mom.

“Watching this hot show makes me so horny,” said Alex.

“That’s exactly how I want you so I can fuck you like you’ve never dreamed possible,” I said.

“We are not going to make you watch for too long,” said mom as our fucking pace accelerated.

“I’ll just give your mom her trophy for winning the slut parade, and then it will be your turn,” I said to Alex.

“How does it feel when you do it fast?” asked Alex as I fucked mom’s ass at a fast pace.

“It feels like my little asshole’s going to explode in ecstasy,” gasped mom as I continued to fuck her faster.

Before long, mom was shaking as our heated ass fuck made loud flesh slapping sounds. I held her hips tightly and put it to her horny ass without mercy.

“This is so fast,” commented Alex.

“I am going to come,” gasped mom.

Mom stiffened but continued to shake as I pounded her twitching ass vigorously. She moaned, groaned and gasped uncontrollably, and I kept it up.

“This is so intense,” said Alex.

“This is how you are going to come on my big cock, baby,” I said. “This is what your hot ass was made for.”

Mom finally relaxed, and I fucked her ass gently.

“It’s beautiful,” I said to Alex. “There isn’t anything dirty about it, is there?”

“No,” she said.

“Are you ready to suck my big cock and taste mom’s luscious ass on it?” I said.

“Yes,” she said lowly.

“Suck it, baby,” I said as I popped my cock out of mom’s asshole, which gaped for a few seconds.

“Wow!” exclaimed Alex. “It remained open!”

“This happens when your little asshole gets a good reaming although this wasn’t long enough,” said mom.

Alex looked at my cock head as my cock throbbed in front of her face. She leaned forward slowly and licked it tentatively. She licked it a few more times as mom watched over her shoulder, still bending over the table. Alex took my cock head in her mouth, making my cock twitch, and sucked it tentatively.

“You are sluttier than mom,” I said. “When she sucked my cock for the first time, it was drenched in her pussy juices. You are sucking it while it tastes of her horny ass.”

“Of course, she’s sluttier than me,” said mom. “I’ve never let my brothers seduce me or touch me sexually.”

“I bet you haven’t had a brother who loved your hot ass as much as I love Alex’s luscious ass,” I said.

“That’s true,” she said. “Women don’t give birth to boys as sweet and horny as you are.”

“I bet they neither give birth to girls as hot and slutty as my lovely sister either,” I said.

“That’s right too,” she said.

“Alex, I am going to put your fine asshole to good use,” I said. “It was meant for cock, and it’s going to get the very cock it was meant for.”

“Thank you,” said Alex.

Alex sucked my cock tentatively in an easy rhythm. I held the back of her head gently and thrust in her inexperienced but hot mouth. She occasionally looked up at me questioningly only to find me smiling wide at her.

"You are a very sexy girl, Alex," I said. "You were definitely meant to suck my big cock. Don't be shy. I'll use each and every one of your hot fuck holes for what it's for."

Mom sat on a chair next to Alex but a little to the back and watched.

"Suck your brother's big cock, Alex," encouraged mom. "This is how you show him how much you love it and need it in your other cock-hungry orifices. His hardness shows you how much he loves your mouth and slutty body."

Alex sucked my cock more and more eagerly.

"Play with it, and do whatever you enjoy," mom suggested. "Cock sucking's instinctive and a lot of fun."

Alex relaxed and became more playful. To help, I pulled out and flicked my cock head on her lips.

"Tease your nipples with his cock head," directed mom. "They are both very sensitive. You'll both like it."

Alex rubbed her stiff nipples with my cock head, moaning.

"Suck it deeper now," instructed mom as Alex returned my cock to her mouth. "It should be easy. Just relax your throat and suck it all the way in. Make it slick with your saliva before you do that and then swallow it right in."

Alex slobbered copiously on my cock, slowly taking it deeper and deeper but not into her throat.

Mom reached out and adjusted the angle of Alex's head and neck.

"It's easier this way," said mom.

Alex gagged when she tried to take my cock deeper, but she overcame her gag reflex and swallowed my cock all the way in on her first try. I was impressed, and so was mom. We both applauded her enthusiastically. She looked up at me, blushing.

"You should be proud, not blushing," I said, smiling at her. "You did a great job. All you need now is practice."

"Go ahead and practice on your brother's big juicy cock," said mom. "Be a good cocksucker for him."

Alex returned to sucking my cock and swallowed it again. I held the back of her head and held my cock down her throat for several seconds.

"I am so proud of my sweet little cocksucker," I said, my cock leaking past Alex's throat.

"Me too," mom said as I gently let Alex pull back. "She's definitely sluttier than her mom."

"You think she'll win the next slut parade?" I teased.

"Surely," said mom. "She almost won, and she was a virgin."

"You are going to have serious competition from now on," I said as Alex resumed deep throating my cock.

"I don't think so," said mom. "I think you can handle the two of us effortlessly. This is fortunate for me too. From now on, you'll be able to fuck me in the house at any time. We won't have to sneak around anybody."

"It's going to be like living in heaven for me," I said.

"For us, your sluts, too," she said.

Alex got increasingly comfortable with deep throating my cock. I held the back of her head and taught her how to get her throat fucked. I fucked her face gently, taking her throat in slow rhythmic strokes. She eagerly met my strokes, and I accelerated the pace gradually.

"She's good, isn't she?" said mom, fingering her pussy.

“She’s very good,” I said, fucking Alex’s throat at a good pace.

Alex eagerly let me fuck her throat until I pulled out. I tilted her head up and gave her a long deep kiss.

“Are you happy you are now my hot cocksucker?” I teased.

“Yes,” she smiled.

“Our slut mom’s so horny,” I said, pointing at mom as she fingered her leaky pussy. “Do you want to taste her dripping pussy on my big cock?”

“Sure,” said Alex.

“Thank you, both of you,” mom said as she got up.

Mom bent over the table, and I pushed my cock into her soaked pussy. I proceeded to fuck her pussy hard from the start. She was soon shaking as I pounded her vigorously. She came within a minute, gushing on my cock. I drilled her until her orgasm subsided.

Alex did not hesitate to swallow my glistening cock when I thrust it in her face. I fucked her throat until mom recovered and sat next to her. I then switched my cock to mom’s mouth. Mom sucked my cock eagerly, showing Alex her style. I switched my cock between the two of them. I fucked their tits, starting with mom’s. I then pulled them together and let them suck my cock together. They soon took to sucking my cock together like a team and playing with it joyfully.

“Alex, I am going to come in your mouth,” I said. “You are not going to swallow it right away. You’ll drool it into mom’s mouth, and she’ll pass it back to you a few times before you get to swallow it.”

They sucked my cock more hungrily. I stroked my cock vigorously as I aimed it at Alex’s face.

“Open your mouth wide, sweetie,” advised mom. “He’s going to flood your mouth with his hot delicious come.”

Alex opened her mouth, and I spewed thick come against the back of her throat.

“Don’t swallow yet,” I reminded.

When my come supply diminished, I wiped my sticky cock head on her lower lip and pulled back.

“Give it to me,” said mom as she leaned toward Alex.

Mom opened her mouth wide, and Alex dribbled the come in her mouth. Mom returned the favor. They traded my come several times.

“Gargle with it before you swallow it,” instructed mom after she gave Alex the come for the last time.

Alex happily gargled with my come and then swallowed it all, smacking her lips.

“That was fun,” said Alex happily.

“Wait until you come your little ass off on his big cock,” said mom as I gave Alex a deep kiss, tasting my come on her tongue. “Speaking of that, we have work to do.”

Mom pounced on my softening cock and proceeded to suck it. Alex soon joined her.

“Take your slut to your room and put it to her,” said mom when my cock was hard.

---

Alex got up, and I led her to the house, holding her ass. She held my hard cock and stroked it while we walked.

Mom collected our clothes and the lube and followed us.

“Alex, where do you want my next come load, in your pussy or your ass?” I asked Alex.

“Wherever you want it,” she said.

“I want it wherever you do,” I said. “It’s your first time, so you decide.”

“Can I have it in my ass?” she asked.

“You are a dirty girl after my heart,” I said as I wiped her dripping pussy with my fingers and slipped my middle finger up her ass, making her gasp, before her asshole could clench defensively. “Your little asshole’s my favorite.”

“I’ve never considered doing this not to mention doing it with my own brother,” she moaned as I hooked my finger and pulled the top side of her asshole up, stretching her asshole gently. “I am such a dirty girl.”

“You sure are, sister,” I teased. “What matters most is that you are doing the right thing. I am so happy that you quickly realized that you belonged to be my little ass whore. You are all mine. You can feel how happy for you I am.”

“I sure can,” she said. “I especially felt your happiness when you flooded my mouth with your hot come.”

We entered my room, and I turned her toward me for a deep kiss. I broke the kiss as I withdrew my finger from her virgin ass. I looked her in the eye as I sucked my finger.

“Now that you are a serious cocksucker, let’s sixty-nine,” I said. “I’ll eat your hot pussy and asshole while you stuff your pretty face with my big cock. I love having my cock inside you in any hole.”

“I’d love that,” she said as I climbed onto the bed and lay back. “I feel that your big cock belongs inside me.”

“Wait until it claims the rest of your hot body,” I said as she climbed onto the bed.

Alex straddled my face and bent over, taking her mouth to my cock. I adjusted her position, bringing her dripping pussy to my mouth. I coated my left middle finger in her copious juices and pressed it against her asshole as I covered her juicy pussy with my mouth, making her gasp. I sucked her leaky pussy gently while I slowly wormed my finger up her tight asshole. My finger was soon all the way up her ass. I kept it motionless for a little while before I pulled on the back of her asshole, loosening it up.

My ministrations distracted Alex for a while. She then proceeded to suck my cock and take it down her throat. Her pussy leaked constantly while her asshole relaxed around my finger. I teased her clit with my tongue while I held my index finger along her slick pussy lips. When it was well coated with her juices, I gently squeezed it into her asshole. I took my time, corkscrewing my fingers into her ass. They finally were all the way in. Her asshole milked them as I sucked her leaking juices.

“You are driving me crazy,” she moaned.

“Does that mean that you want to come in my mouth?” I teased.

“Yes,” she hissed.

She returned to sucking my cock although not doing a great job as I escalated my assault on her pussy. She stiffened, and both her fuck holes twitched, one around my fingers and the other around my tongue, gushing on it. I kept my tongue wiggling against her pussy until her orgasm subsided.

“How do my fingers feel up your sexy ass?” I asked.

“They make me want to beg you to put your big cock there,” she moaned.

“I’ll soon let you do that, and then I’ll keep fucking your luscious ass until you beg me to stop,” I said.

“I’d never beg you to stop,” she said.

“Your brother’s very horny,” I said. “I’ll fuck you out, and you’ll have to stop me so I can fuck you again.”

“I can’t wait till you fuck me out,” she said.

"We'll have a lot of fun, and you'll be fucked out and full of my come through all your hot holes," I said. "Now, relax and enjoy the last little time of your anal and vaginal virginity, my sweet cocksucker with the sweetest ass."

"I am enjoying it beyond belief," she said. "I bet you can tell by the way I leak in your mouth."

"I am enjoying that as well, as you can tell," I said.

She continued to leak as I gently sucked her clit and worked my fingers in her asshole circularly.

Mom came into the room. She tossed my clothes aside and squeezed lube on my fingers. I kept gently reaming out Alex's asshole, and the lube soon went into her asshole. Mom added more lube, and I worked it in, sliding my fingers more easily in and out of Alex's tight asshole.

"She wants my next come load up her ass," I said.

"She knows what's good for her," said mom.

"She has to, when she takes after her hot mom," I said.

"She's a lucky bitch to have such a big juicy cock for her first time," she said.

After a few minutes, I stopped sucking Alex's clit and focused on finger fucking her asshole. Her pussy continued to leak as she humped my fingers and kept her mouth working on my cock, deep throating it eagerly. I pumped my fingers in her ass rhythmically. Mom added more lube as our pace accelerated.

"I am going to come on your fingers," gasped Alex.

"Your horny ass can't wait for his big cock, you slut," teased mom.

Alex stiffened and came wildly, convulsing and gasping. I vigorously jerked my fingers within her twitching asshole until she relaxed completely and lay on top of me, her face against my thigh.

"Get the poor slut's virgin ass ready for your big cock and give it to her," said mom. "She really needs it."

"Alex, you want to suck my cock or just spread your horny ass for me while I ream it out for my cock?" I asked.

"I wouldn't do a good job sucking your cock, so I might as well just spread my horny ass for you," gasped Alex.

"I'll gladly suck your big cock while you get your slut's virgin asshole ready for it," volunteered mom.

"Are you sure you don't want to watch me stretch her virgin asshole and get it ready for my big cock?" I asked.

"I'll be sure to watch you deflower it," she said as I pushed Alex off me.

Alex sat down, and I pushed her onto her back. I pushed her legs over her head and guided her hands to her ass. She knew to spread it wide. I lay on my side with my head near Alex's offered pussy and ass. Mom handed me the lube and proceeded to suck my hard cock.

"You won't get up until your hot ass is undeniably mine," I said.

Alex trembled.

Alex's juices were already running down to her asshole. I gave her a light kiss on either orifice before I licked her juices off her pussy. She moaned and humped my mouth. I then gave her asshole a long deep kiss. It twitched under my tongue. I laid my right thumb along her pussy lips and proceeded to lick and suck her asshole. She leaked and moaned, humping my face. Her asshole relaxed and nibbled my tongue tip. She came within a few minutes.

"I am going to come," gasped Alex, stiffening.

Her orgasm hit her hard as I sucked her asshole hard and wiggled my tongue against it. Her pussy gushed around my thumb, and her asshole twitched under my tongue, while she convulsed in orgasm.

While Alex recovered, I gently wormed my thumb up her asshole and licked her drenched pussy clean. I gave her clit a smacking suck before I pulled back and squeezed lube on her asshole and my thumb. I generously worked lube inside her relaxing asshole before I replaced my thumb with my index and middle fingers. She squirmed and leaked as I gently reamed her asshole with two slick fingers, adding lube constantly even as her excess pussy juices helped lube her asshole. A few minutes later, I squeezed my ring finger in. I added lube on my fingers and sucked her clit gently as I corkscrewed my three fingers all the way up her virgin asshole.

She smiled when I looked at her with her little asshole stretched tightly around the base of my three fingers. I started to pump my fingers in and out of her ass at a slow pace. She humped my hand, moaning.

“Is your little asshole ready for my big cock?” I teased, pumping her asshole faster and faster.

“Yes,” she gasped.

“If you come for me, I’ll put my big cock up your hot ass as soon as you recover,” I said, diddling her ass harder.

“I am going to come for you, and you know it,” she gasped.

“Come for me if you want your hot ass to be mine forever,” I said. “Show me you can be a worthy ass whore.”

Alex stiffened and started to shake. I maintained my vigorous drilling of her twitching asshole until she calmed down, panting. Mom let go of my cock and watched Alex come on my fingers.

“Nick, let her be a good slut and lube her brother’s big cock so it can claim her horny ass,” said mom.

“Sure, mom,” I said as I maneuvered myself around while keeping my fingers up Alex’s ass.

“Let go of your ass, sweetie, and lube the big cock that’s going to take it,” said mom, handing Alex the lube.

Alex twisted to the side and proceeded to lube my cock thoroughly.

“I promised I’d let you beg me to fuck your virgin ass and make you my ass whore,” I said to Alex as I took my position before her offered ass.

My fingers were still up Alex’s ass. She returned her hands to her ass, spreading it wide.

“Please fuck my virgin asshole with your big cock, and make me your dirty ass whore,” begged Alex, trembling.

“You got it, babe,” I said as I gently withdrew my slick fingers from her asshole.

Mom took care of guiding my cock into Alex’s offered virgin asshole as I leaned over Alex, smiling at her. She smiled back at me albeit a little nervously.

“Relax,” I said softly as I pushed my cock into her splayed asshole. “This is what we both want.”

She gasped when she felt my slick cock head gradually stretch her tight asshole.

“Relax your sweet asshole just like I taught you,” I whispered as my cock continued to slide slowly into her ass.

Alex gasped softly as my bulbous cock head popped past her asshole, making it tense a little. Mom took her hand away and watched silently.

“That’s it, Alex,” I said as I continued to apply gentle pressure. “Your cute asshole’s no longer virgin. It now belongs to my big cock. Do you like that?”

“Yes,” she hissed as my cock sank slowly up her ass. “It feels so good. I am going to come on your big cock.”

“Do it, baby,” I said, my cock still pushing in. “Come for my big cock, my dirty ass whore.”

She gasped and stiffened right away. I made a little shove into her ass as she started to shake. I took advantage of her orgasmic convulsions and shoved my cock deeper after each spasm. She was still coming and gasping, and came harder as I made a harder shove, driving my cock balls deep up her ass. I thrust in her ass with short fast strokes.

Alex continued to shake wildly. Her anal spasms bit the base of my cock. Her convulsions repeatedly shoved her ass into the base of my cock. She had a long hard orgasm, but it finally subsided, leaving her completely out of breath.

“Did my sweet sister enjoy being my dirty ass whore?” I teased.

“Yes,” gasped Alex. “That was so incredible. I never want you to take your big cock out of my horny ass.”

“You must have a greedy ass, sister,” I said. “I am going to sate it and then take my big cock out.”

“My ass is so hungry for your big cock now,” she gasped. “Please fuck it.”

“That’s why you are here, Alex,” I said, gently thrusting in her ass. “You are here to get fucked like a cheap whore, and you are going to get fucked like that. When I am through with you, you won’t be able to walk.”

“Yes,” she hissed.

Her asshole was so tight. I fucked her sizzling ass at an easy pace for a few minutes. She stiffened and came without my trying to make her come. I fucked her ass harder while she convulsed in orgasm. Her orgasm was as intense as her previous one.

“Who does the horniest girl’s ass in the world belong to, Alex?” I teased.

“It belongs to you,” she gasped.

“Does it need more of my big cock?” I teased.

“Yes, a lot more,” she gasped.

“You are going to get it,” I promised as I resumed thrusting in her ass. “I love fucking greedy asses to satiation.”

Since she was happy, I left her in that position. I fucked her eager ass harder and harder, making her come three times. I gave it to her receptive ass on the last time, and her orgasm reflected that.

“I want you on your hands and knees,” I said when she recovered while I gently thrust in her ass. “I want to fuck your ass from behind. Mom’s going to spread it for me. Is that okay with you?”

“Yes,” she hissed as I slowly pulled out of her hot ass.

While Alex got into position, mom pounced on my cock and swallowed it balls deep. I fucked her throat for a minute as she sucked all Alex’s anal flavors off.

Mom lapped Alex’s dripping pussy. Alex moaned and humped mom’s tongue. Mom gave Alex’s asshole a deep kiss. I gave it another one, slipping my tongue inside it and letting it nibble it a little. Mom then lubed my cock thoroughly and helped Alex thrust her ass out lewdly. She spread Alex’s ass and watched me carefully skewer it on my hard cock. Alex moaned as I fed her ass my hard cock in one long slow stroke. I enjoyed watching Alex’s sweet asshole open wide for my cock and swallow it all.

“Yes,” hissed Alex, pushing back into me, when my balls pressed into her pussy.

“Do you still think his other whore was a slut?” mom asked Alex as I started to thrust in Alex’s ass.

“No,” said Alex lowly.

“You and I are a lot sluttier than her,” said mom. “We are not too slutty though because we were meant to be Nick’s ass whores, weren’t we?”

“Yes,” hissed Alex.

“You and Alex are the hottest sluts in the world, and you are both mine,” I said to mom.

“Of course, we are,” said mom.

The ass fucking pace accelerated constantly, and Alex soon came.

"You don't have to lick my pussy," said mom as she slid under Alex in the sixty-nine position. "You may if you want though. It's easier for me to spread your ass this way."

Mom spread Alex's ass and proceeded to lick her dripping pussy leisurely as I thrust gently in Alex's ass. I let mom suck my cock after Alex gushed in her mouth. Alex licked mom's pussy tentatively when she recovered from her orgasm. I was fucking her ass at an easy pace then.

"She deserves a come load," said mom after I fucked Alex's ass in several positions.

"Is that right, Alex?" I teased. "Do you really want me to flood your bowels with come?"

"Yes," hissed Alex as I fucked her ass gently.

Alex was then on her hands and knees, eating mom's pussy as mom sat back before her.

"How would you like both mom and me to come inside you?" I said, picking up the pace. "Let her come in your mouth, and I'll come up your greedy ass."

"Okay," said Alex.

Alex was naturally in control. I kept her in pace with mom. When mom was about to come, Alex was as well, and so was I. Alex and I worked hard.

"We are all coming," I said as mom and Alex started to shake in orgasm.

My cock swelled in Alex's twitching asshole and spewed come beyond the end of her sucking rectum. I pounded her ass as hard as I could as mom held her face against her gushing pussy. Alex's wild orgasm outlived mom's and mine. Her asshole continued to twitch after it drained my balls.

Alex's face was drenched in mom's pussy juices. Mom sat up and pulled Alex up. She kissed and licked her sticky face as I held Alex's ass tightly, keeping it stuffed with my softening cock.

"Milk your brother's big cock as hard as you can so it can get hard again quickly," instructed mom.

"Your amazing ass is all mine, baby," I said, squeezing Alex's tits as her asshole squeezed my cock.

"Yes, and I love it," hissed Alex.

"I am not through with it though," I said. "I am going to fuck it for hours."

"Yes," she hissed.

"I am so happy for you," said mom. "I'll leave you alone for a while."

"You are the best mom in the world," I said to mom. "Without you, we wouldn't exist."

"Without you, I wouldn't exist as a happy slut either," said mom. "Have fun."

---

Alex milked my cock as I fondled her tits, fingered her drenched pussy and kissed her from behind. We instinctively ground into each other so, when my cock hardened, we were fucking gently.

"If you love my big cock, get your hot ass fucked to orgasm," I said. "I'll play with your tits while you do that."

"Of course, I love your big cock," she moaned as I squeezed her tits and twisted her nipples.

She moved her ass back and forth faster on my cock, while I played with her tits and sucked her earlobes. Her pace accelerated as she heated up. I only thrust in her after she started coming. While she caught her breath, I held her hips and moved her ass back and forth slowly.

"Alex, do you have anything to do or anywhere to go?" I asked after she recovered. "I am not going to get enough of your amazing ass anytime soon."

“I don’t care about anything else when I am with you,” she moaned.

“Me neither,” I said.

“In that case, keep fucking my horny ass, and never stop,” she moaned.

“I love your hot ass, sister,” I said. “I’ll fuck it open, but I’ll fuck all your horny fuck holes. Why don’t you suck my big cock? It wants you to show it how much you love it after it made your horny ass very happy and full of come.”

“With pleasure, Nick,” she said, gently pulling her ass off my sticky cock.

“Squeeze your ass tightly, baby,” I said. “I don’t want my come to leak out and go to waste.”

“Me neither,” she said, squeezing my cock tightly with her asshole.

She turned around, getting on all fours, and swallowed my cock. I held her head and fucked her throat gently.

“You are so delicious, Alex,” I said. “I am so happy you are finally mine. I am going to enjoy your body fully.”

She moaned contentedly whenever she could. I leaned forward and coated my thumb with her copious pussy juices. I gently pushed it into her ass and started to toy with it while massaging her leaky pussy gently.

“All these are mine,” I said. “Two are already full of my come, and the third’s on its horny way.”

She sucked my cock eagerly, moaning. I worked on her pussy and ass until she came on my fingers. I sucked my sticky fingers while she recovered.

We shared a deep kiss after I pulled her up. I pushed her onto her back and pushed her legs over her head. I lubed my cock thoroughly and pushed it into her ass as she spread it for me.

“Alex, do you remember when I told you that if I knew I wouldn’t lose you forever I’d share my bed with you every night because you were so special to me?” I asked.

“Yes,” she hissed.

“I am not going to lose you ever, am I?” I said.

“Never,” she said.

“From now on, you are going to sleep in my bed,” I said. “You’ll still have your room, but you belong in my bed every night because you are my hot little slut.”

“Really?” she asked excitedly.

“Really,” I said. “Are you jealous of anybody at all now?”

“No,” she said.

“I’ll still fuck other sluts,” I said. “I want to, and I have to, but I’ll keep fucking you. You’ll also have boyfriends and have sex with them if they deserve it, but nothing can ever be as special as the relationship you and I have.”

“Nobody can be as special to me as you are,” she said.

“That wouldn’t make you jealous of my sluts, would it?” I said.

“No,” she said.

“You trust that I’ll always take good care of my special slut, don’t you?” I said.

“Yes,” she said.

“When you trust me enough, you can’t be jealous,” I said.

“I am not,” she said.

“I’ll fuck you in front of dad,” I said. “I may let him spread your hot ass for me, but you can’t be embarrassed about it. You’ll always be proud of being my little whore.”

“Yes,” she hissed.

“Beth will soon find out she isn’t my only slut,” I said. “She’s a great slut, but do you think it’s fair for her to deprive you of me? Should she deprive you of the big cock you belong to and your sweet ass loves so much?”

“No,” she said.

“She has to share, doesn’t she?” I said.

“Yes, but do you think she would?” she asked.

“Alex, you are the most special little slut in the world, you don’t mind sharing me, do you?” I said.

“No, but I am your sister,” she said.

“If sharing me is good enough for you, it’s good enough for any other slut,” I said.

“Yes,” she said.

“You can’t share your boyfriends though,” I said. “My sluts can’t share their boyfriends or husbands. Do you know why not?”

“No,” she said.

“Because they are very special,” I said. “If their boyfriends or husbands think they are too good for them, they are actually not good enough. Do you understand, sister?”

“Yes,” she said.

“Do you understand that you are very special?” I said.

“Yes,” she said.

“That means you’ll be respectful but you understand that you deserve utmost respect,” I said. “Never take anything less than that from anyone. If anyone doesn’t know how special you are, he doesn’t deserve to talk to you.”

“Okay,” she said.

“It’s okay for you to date or have boyfriends,” I said. “Don’t act like a slut though. Save that only for me. I’ll fuck you while you date. You’ll always belong to me and to my big cock. Do you understand that, my special little slut?”

“Yes, Nick,” she said. “I’ll always want to be with you.”

“Come for me now,” I said, fucking her offered ass hard.

She was soon shaking in orgasm. I fucked her ass gently while she recovered.

“If Beth knows what’s good for her, she’ll share,” I said, fucking her at an easy pace. “I’ll then fuck the two of you together. Don’t be shy. I want you to be proud and show everybody that you belong with my big cock perfectly.”

“Yes,” she hissed.

“If you do, everybody will know that you belong to my big cock,” I said. “They’ll know that they can’t break us apart and so will never try. Nobody can fight nature, and you naturally belong around my big cock.”

“Yes, I do,” she said.

“Are you proud of being my little whore, baby?” I asked.

“Yes, I am so proud of that,” she said.

“Show me your pride,” I said, picking up the pace.

She soon came proudly.

She sucked my cock hungrily, and I fucked her ass in several positions harder than before. I finally came deep in her ass while looking in her happy eyes in the folded deck chair position. We remained locked until we recovered. She squeezed my cock tightly with her little asshole while we kissed lovingly and playfully. I then rolled off her.

A minute later, she mounted me in the sixty-nine position. I cleaned up her sticky pussy with my tongue and made her come while she revived my cock.

“Ride it in the cowgirl position,” I said, working lube inside her asshole.

After giving my cock a gentle kiss, she obliged me. I sucked her tits while she rode my cock at an easy pace, which did not stay easy as she got hotter and hotter. She was soon convulsing in orgasm while I steadied her.

---

Mom joined Alex and me when I fucked Alex’s mouth while she lay back.

“Wet your cock in my pussy, and then fuck her tits,” said mom.

Mom got on her hands and knees before me. Alex got to lick mom’s clit while I fucked mom’s pussy to orgasm. I pulled out of mom’s dripping pussy, and she drooled between Alex’s tits. Alex squeezed her tits around my cock, and I fucked them while mom fingered Alex’s ass and ate her pussy to orgasm. Alex recovered, and I fucked her mouth for a few minutes.

“Alex, I want you to spread mom’s horny ass for me,” I said. “I am going to fuck it.”

Mom got on her hands and knees, and Alex sat next to her and spread her ass with both hands. She watched me lube mom’s asshole and guide my cock in.

“Yes, fuck mom’s ass,” urged Alex, smiling.

“She’ll soon spread your horny ass for me,” I said, pinching Alex’s nipple.

“I can’t wait,” she said as I picked up the pace.

After mom came, I arranged Alex next to her and started to switch my cock between their hot asses. They took turns coming on my hard cock. I finally spewed a come load into Alex’s twitching bowels.

As soon as my softening cock left Alex’s come-filled ass, mom applied her mouth to Alex’s sloppy asshole. Alex gasped her way to orgasm as mom sucked my come out of her happy ass. Mom then kissed Alex, sharing the come with her. Each swallowed her share.

“You are not going to leave your slut sister virgin, are you?” teased mom, fingering Alex’s drenched pussy and toying with my softening cock with her other hand.

“No,” I said as I lay back.

Mom and Alex joined efforts to revive my cock.

“Are you ready for your big brother to make you a woman?” asked mom when I was rock hard.

“Yes,” hissed Alex.

“Do you want him to fill your hot little pussy with creamy come?” teased mom.

“Yes,” hissed Alex.

“Lie back and spread your sexy legs,” said mom. “He’s going to take your innocent but slutty pussy.”

Alex got into position readily.

“Rub your big cock over her horny pussy, and drive her crazy,” mom said to me. “When she’s ready to come, stuff her with your hard cock and make your little sister a woman after you’ve made her your little slut.”

Mom sucked Alex’s stiff nipples as I took my position, aiming my throbbing cock at Alex’s pussy, which was still innocent despite the quart of juices it had leaked already.

“Would you like me to handle your cock until it’s time to skewer her virgin pussy?” suggested mom.

“Sure,” I said. “You know how to torture a slut’s pussy.”

“If you look at her pussy, you’ll know it’s been tortured long enough,” said mom as she grabbed my shaft. I touched my cock head to Alex’s dripping pussy, and mom proceeded to rub it over it. “It’s starved for your big cock.”

“Of course, my sweet sister’s little pussy’s starved for my big cock,” I said, smiling at Alex as she gasped. “I know that without having to look at her juicy pussy.”

“When I give you a push, shove it in,” said mom. “Be gentle because she’s still a virgin, but don’t be too gentle, because she needs to feel you being her man and taking her pussy like you should when it belongs to you.”

Alex’s juices soaked my cock head as mom rubbed and teased her pussy with it. She squirmed and gasped under me, her face reflecting her joy and heat. I watched her get hotter and hotter as she pursued her orgasm. Mom tortured her pussy in an unpredictable style. She did not expect it when mom gave me the signal.

Alex was absorbed in her pursuit of her orgasm when mom gave me her little pussy, holding my engorged cock head against the virgin hole of Alex’s pussy. Alex stiffened when her stretched pussy pinched my cock head. I made a second thrust that sent my cock head into her pussy. She gasped and came. Mom held my shaft as I pushed my cock a couple of inches deeper into Alex’s pussy, breaking her hymen. Alex was totally gone, convulsing in orgasm. Although I was slow, my cock applied great pressure on her tight pussy, driving her deeper into her orgasm. My progress continued until I made a firm thrust that sent my cock balls deep into her pussy.

“You are now all his, Alex,” said mom. “Your little pussy is fully skewered around his big cock. You are all his just like your mom.”

My balls pressed against the back of Alex’s pussy, and she grunted. She continued to come, her poor stretched pussy twitching around the base of my rock hard cock. I ground into her and shoved my cock against her pussy, meeting her erratic thrusts. She finally relaxed, gasping, and I held my cock all the way in her tight pussy.

“Whose woman are you, Alex?” I teased.

“I am your woman,” gasped Alex. “I am your woman and your slut.”

“Yes, Alex, you are mine,” I said. “You belong to my big cock.”

“I am so happy I do,” she gasped.

“Nick, throw her legs over your shoulders so I can see what’s going on,” said mom.

Mom grabbed soft tissues and proceeded to clean up my cock and Alex’s pussy while we fucked gently.

“Fuck me, Nick,” urged Alex. “Fuck your slut sister.”

Alex came on my cock several times in that position while mom continued to clean up.

“If you keep me coming like this, I’ll never let go of your wonderful cock,” gasped Alex.

“Who said I wanted you to?” I smiled. “You belong to my big cock forever.”

“Yes,” she hissed.

In the following hour, I tried not to be hard on Alex’s newly deflowered pussy, but I was not too gentle. I made her come many times before it was time for me to fill her hot pussy with come.

“Is your little pussy ready to be flooded with my hot sticky come, baby?” I asked Alex as I drilled her horny pussy.

“Yes, Nick, I am ready,” gasped Alex. “Fill my pussy with your hot come.”

While she convulsed wildly, I pumped my come in the depths of her twitching pussy.

“Your little pussy’s completely mine,” I said.

“Yes,” she gasped. “I am completely yours.”

We remained locked, my softening cock deep in her slimy pussy, for a long time, occasionally kissing lightly and lovingly. We finally separated.

Alex and I cleaned up and showered. Mom brought us our lunch in bed.

---

Alex helped me fuck mom in every hole through several orgasms. I then turned to Alex, fucking her mouth and ass. I spared her pussy for the rest of the day and night. I spent the rest of the afternoon in mom and Alex’s asses and mouths, and we all had a wonderful time.

---

As soon as Dad came home, mom called to him.

“Come here, Dan,” mom called.

He walked in several seconds later.

“Come watch our slut daughter worship her brother’s big cock,” said mom as Alex stuffed her throat with my hard cock hungrily. “See how much she loves it and adores it.”

As dad came in, mom motioned him to sit down. Alex blushed for a second when he looked at her.

“See how passionate and appreciative of it she is,” said mom as he sat down. “She’s so good isn’t she?”

“She’s definitely good,” said dad.

“She’s never sucked cock before today,” said mom.

“That’s impressive,” he said.

“Mom gave me a few pointers,” said Alex.

“Suck your brother’s big cock, you little cocksucker,” urged mom. “Show your dad how good you really are.”

Alex doubled her passion.

“Enjoy the show while I prepare your dinner,” said mom. “I didn’t get to be your lunch because Nick fucked our daughter and me together.”

“I expected that,” he said as mom got up and walked away.

“Dad, would you like to spread Alex’s fine ass and see how hot it looks when I fuck it?” I said.

“Do I have to do that?” he asked.

“Please, dad,” begged Alex.

“Okay,” he said.

Alex took her mouth off my cock and proceeded to lube it thoroughly. She got on her knees next to dad, and I stood behind her. Dad spread her ass, letting her little asshole gape slightly. I squeezed lube on her asshole and briefly probed it with my fingers, working my way from one to four fingers.

Alex's glistening asshole was ready for my equally glistening cock. My bulbous cock head popped in almost effortlessly, making her gasp softly.

"Can you see how nice it looks?" I said. "It's as beautiful as mom's."

"Yes," he said.

Alex's ass came twice in dad's hands before mom walked in.

"Her tight ass was perfectly made for her brother's big cock," said mom quietly.

"Yes," he said.

"Don't you think she's very lucky to have her brother treat her hot ass this way?" she said.

"I guess," he said. "I am sure though that he's very lucky to be able to enjoy her ass like this."

"You can bet anything I am," I said.

"Honey, your dinner's served," she said.

Dad let go of Alex's ass, and mom replaced him.

---

Alex and I took a dinner break later. Naturally, mom served us dinner in bed. Each of them took a come load up the ass before we called it a night. Alex spent the night in my bed for the first time.

We did not see dad after his dinner that evening or the following morning.

---

Alex's pussy took a mandatory vacation on Thursday, and I took it easy on her ass. Mom picked up the slack, and we fucked all over the house. Alex slept in my bed again, and our honeymoon continued through Friday. Alex's holes were back in full service and got fucked accordingly.

---

Mom had me come deep in her ass before she visited dad in the office. She had him eat my come out of her ass before she let him fuck Erin in the ass while Erin ate her pussy. Mom talked him into taking the rest of the day off.

Mom told dad not to disturb us, and we did not see him until Friday afternoon.

---

When dad finally so Alex and me, she was on her knees in the living room worshiping my hard cock.

"You really corrupted the girl," commented dad.

"Hush," admonished mom. "Watch silently until you know what you are talking about."

Dad chose to take mom's advice. He was surprised at Alex's skill and talent. After a while, I pulled her astride me, stuffing her pussy with my cock. She rode me to a wild orgasm. I rolled her onto her back and ate her pussy and ass to resounding orgasms.

"Have a seat," mom said to dad. "She's improved quite a bit. It's a long fun show."

He took a seat next to mom, and they watched.

Our show lasted for hours. Mom and dad watched me fuck Alex silly in each of her holes. I pumped come in all her holes, and dad watched her gurgle with my come before she swallowed it. He watched her scoop come out of her pussy and ass and suck it off her fingers.

"Our horny son has made his sister his," commented mom.

“What about his mom?” teased dad.

“His mom was already his,” she said.

“I guess she’s a good role model for her daughter,” he said.

“Of course, she is,” I said.

“Alex, would you like an ankle bracelet like this one that your brother got for me?” asked mom.

“It’s so pretty,” said Alex. “Can I really get one like it?”

“You need to know what it means first,” said mom.

“What does it mean?” asked Alex.

“It means that I am Nick’s whore,” said mom. “Isn’t that right, honey?”

“That’s right, but Nick didn’t get it for you,” he said. “I did.”

“He did, honey,” she said. “You just picked it and paid for it on his behalf.”

“Now, you want me to do the same for his sister?” he said.

“Yes, honey,” she said.

“It must be expensive,” said Alex.

“It’s only a couple of thousand dollars,” said mom. “Becoming your brother’s little whore is a big step in your long life. It deserves to be celebrated and cherished. A diamond anklet isn’t expensive at all for it. Do you want it?”

“Sure,” said Alex. “Thanks, mom.”

“You need to thank your brother,” said mom. “He’s getting it for you.”

“Thanks, Nick,” said Alex.

“You are welcome, little sister,” I said.

“You all get thanks, but I don’t, and I am paying for it,” complained dad.

“Thanks, dad, for doing this on my behalf,” I said.

“You are welcome,” he said.

“You are going to get Nick’s present to his sister tomorrow morning, honey, right?” said mom.

“Sure,” he said.

“Your girlfriends will envy you when you flaunt it in front of them,” said mom to Alex. “You’ll tell them that your brother got it for you because he loves you. Don’t tell them he did because you are his dirty little whore.”

“Of course not, mom,” said Alex. “I am not a moron.”

“Their brothers wouldn’t get them such gifts even if they could afford it, and their dads wouldn’t pick up the tabs,” said mom. “You are very special, and so is your brother.”

“Mom, get on your back next to Alex and pull your legs way up so you can show off your sexy anklet,” I said. “I’ll show dad how special to me the hottest slut in the world is and that no sexier woman has ever worn an anklet.”

“That’s a good idea, darling,” said mom as she got into position. “I think your dad’s still in denial. He doesn’t believe that his slut wife’s your bitch yet. Give my ass a good reaming. Show him his wife’s ass is in good hands.”

Smiling, mom wiggled her right leg. She spread her ass with both hands as I squeezed lube on her asshole. I used my cock head to work the lube inside her ass. I then pushed my cock in, stopping only when it was balls deep. I started to thrust in her ass at an accelerating pace.

“Yes, baby,” gasped mom. “Fuck my ass hard. Show your dad how resilient his wife’s little asshole has become under your continuous care.”

As our pace picked up, I grabbed her legs by the ankles, keeping her anklet above my left hand, and pounded her offered ass vigorously. She was soon shaking in orgasm, but that did not slow me down. I gripped her legs harder and fucked her ass even harder, letting her orgasm explode madly. I slowed down after she came twice more.

Within the following few hours, I came four times more. My first come load went up mom’s ass, and dad ate it out. Mom ate my next come load out of Alex’s happy ass. Alex returned the favor when I came next deep in mom’s ass. My last come load remained in Alex’s ass. Before we called it a night, Alex’s horny ass managed to milk one last come load out of me and keep it to itself.

---

By the time we woke up on Saturday morning, dad had Alex’s anklet ready. I put it on Alex’s right ankle and fucked her silly, coming in each of her holes, while mom and dad watched. Alex stuffed her come-filled ass with a big glass butt plug and decided to take a short break. She went out to see her girlfriends and flaunt her new anklet.

“I want to go out show off with your come in all my orifices,” said Alex.

“Don’t tell your girlfriends so they wouldn’t try to suck it all out,” I teased.

“Yeah, right,” she smiled.

“Don’t show them the fat butt plug your brother got you either,” I teased.

“Are you afraid they’d get too jealous?” she teased.

“I don’t want them to think whoring their asses to their brothers can get them diamond anklets,” I said. “I want them to save their cute virgin asses for me.”

“Would you give them diamond anklets if they did?” she teased.

“At least, I’d show them a great time,” I said.

“I think they’d be after more than that,” she said.

“How come you are not?” I said.

“I love you,” she said. “They don’t. If I hadn’t loved you so much, I wouldn’t have believed you could stuff your big cock up my little asshole without splitting me in two.”

“I guess I’d have to make them love me first,” I said.

“It wouldn’t be the same,” she said.

“I know,” I said.

---

While Alex was out, mom had Erin come in. Erin and I did not waste any time. We started with feeding her hungry mouth my cock.

When mom led dad from his home office, Erin was on her knees worshiping my hard cock like Alex did on the previous afternoon.

“Erin, what are you doing?” asked dad in surprise.

“Hi, Dan,” smiled Erin. “I am Nick’s slut too.”

“Nick was the first to venture down her throat and up her ass,” said mom. “He graciously trained her for you.”

“And for himself, I see,” he said.

“Of course,” she said. “Charity starts at home.”

“Literally,” he said.

Mom pushed dad onto the loveseat next to me and got on her knees next to Erin. She sucked and deep throated dad’s cock for several minutes before she motioned Erin to switch. Mom worshiped my cock while Erin sucked dad’s.

“This is the first time my bitch saw me with my stud, but I think she already knows I am his bitch,” said mom.

“You are the hottest bitch in the world, mom,” I said.

Mom pulled me off the loveseat and motioned me to Erin. I knelt behind Erin and proceeded to fuck her pussy. She came on my cock, and I drove my cock up her ass. I fucked Erin to orgasm and then turned to mom, who knelt next to Erin and bent over the loveseat, pushing her bare ass out. I fucked mom’s pussy to orgasm and then her ass. After she came, I ate both her pussy and ass to orgasm.

Dad and I fucked mom and Erin silly and double penetrated them in all combinations while keeping mom’s ass exclusively mine. He came in Erin’s ass, and I came in mom’s. He ate my come out of mom’s ass while Erin revived my cock. An hour later, he ate my come out of Erin’s pussy while Erin ate his come out of mom’s pussy while mom revived my cock. Erin and mom were soon reviving dad’s cock while I switched my cock between mom’s ass and Erin’s pussy. I did not fuck Erin’s ass or mom’s pussy after dad came inside them.

After mom and Erin revived dad’s cock, we arranged them on their knees on the loveseat side by side. I fucked mom’s ass while dad fucked Erin’s ass. We then swapped places. I took Erin’s pussy and dad, mom’s.

---

Alex came home while I fucked Erin’s pussy and dad fucked mom’s. I spotted her, watching from afar. I beckoned her with my finger. Everybody was busy moaning and groaning, as Alex approached.

“Hi,” greeted Alex shyly.

Nobody heard her but me. Mom was the first to notice her though.

“Come here, Alex,” called mom. “You are old enough.”

Dad and Erin stopped moving. That was when Alex recognized Erin.

“Erin?” said Alex in surprise.

“Hi, Alex,” said Erin shyly. “I didn’t know you’d be home.”

“Erin’s your brother’s slut that I told you about earlier,” explained mom. “She’s spending the afternoon with us.”

“You waited until I was out to have your orgy?” asked Alex.

“It just worked that way,” said mom. “You are going to join us, aren’t you?”

“Should I?” said Alex, looking at me.

“Yes,” I said.

“Give me a minute to change,” said Alex.

“Are you going to change into your birthday suit?” I teased.

“You wish,” she said.

Alex left and returned a couple of minutes later, working the same outfit she had before.

“I decided not to change after all,” she said when I looked at her.

“Alex, Erin wants to eat your little pussy while I suck your brother’s cock,” said mom, taking Alex by surprise.

Alex did not know what to say.

Mom and Erin got off the loveseat. I sat down and looked at Alex, patting the seat next to me. Alex hesitantly came over and sat next to me. I helped her hike her skirt out of the way. She was tense at first, but Erin’s eagerness soon won her over, and she started to moan and squirm. Dad meanwhile switched his cock between mom’s pussy and Erin’s ass. I rid Alex of her top and proceeded to fondle her tits and suck her stiff nipples. A little while later, I got up and pushed my cock into her mouth. Before long, I was holding the back of her head and fucking her throat.

Alex’s tits were not neglected while she deep throated my cock. Mom squeezed Alex’s tits and pinched and sucked her nipples. I did not stop fucking Alex’s face even as she came in Erin’s mouth. Mom handed me the lube while Alex recovered, Erin licking her drenched pussy gently. I lubed my cock thoroughly before I helped Alex up and sat down in her place.

“Hold his cock for his sister,” mom instructed Erin as I helped Alex squat astride me, facing away.

Erin held my cock by the base, and I spread Alex’s ass.

“In the ass?” asked Erin in surprise as Alex touched her asshole to my engorged cock head.

“Yes,” hissed Alex.

“You are not serious,” said Erin when she saw my cock head stretch Alex’s asshole open and make its way in.

“Yes,” hissed Alex as my cock head popped up her ass.

“Wow!” exclaimed Erin when she saw Alex’s anal ring stretch wide and slide deep down my hard shaft

“If there were a single ass made for Nick’s gorgeous cock, it would be his sister’s tight little ass, but fortunately his cock was made for my ass first,” said mom.

“Alex, is it true that your little asshole was made for this big cock?” teased Erin.

“Yes,” hissed Alex.

“You are a big girl now, Alex,” said Erin. “I didn’t think you could take such a big cock all the way up your cute little ass, but it fits there so perfectly.”

“Tell her what you are, Alex,” I said.

“I am Nick’s slut forever,” said Alex.

“It makes sense for the sister of such a horny stud to be a hot little slut,” said Erin.

“She can take anything I give her,” I said.

“I am sure your little slut enjoys everything you give her too,” teased Erin.

“Do you, Alex?” I asked.

“Yes,” hissed Alex.

“I am your mom’s bitch, your brother’s whore and your dad’s office slut,” said Erin. “If you ever wanted to share Nick with me, I’d love to join you. You have a delicious pussy.”

“Everything Alex has is delicious,” I said.

“I bet,” she said. “She looks so sweet with her cute little asshole stretched to the limit around your thick cock.”

“This is exactly what her hot ass was meant for,” I said.

“I can tell by the way her pussy leaks,” she said. “She’s a true slut. She really loves it.”

“Make her come a few times, and enjoy more of her luscious juices,” I said.

“I don’t need an invitation for that,” she said.

“I let Erin be your dad’s office slut because he’s been a great husband recently,” mom said to Alex. “He fully supports me in my life mission of being your brother’s perfect whore. I wish you a future husband like him.”

“Thanks, mom,” said Alex. “You are lucky, but you deserve dad.”

“Wouldn’t you let a husband like him fuck a nice friend of yours that you can trust?” said mom.

“I think I would,” said Alex.

Alex squirmed as Erin licked her leaky pussy. I was still spreading her ass. I gently worked it up and down the bottom inch or two of my hard shaft. Her asshole milked my cock excitedly.

“That’s nice, Nick,” said Erin. “She’s juicier now.”

“Honey, fuck Erin’s ass while she eats our slut daughter,” mom said to dad as she worked lube inside Erin’s ass.

Mom sat next to me and proceeded to fondle Alex’s tits and suck her nipples. Dad knelt behind Erin and proceeded to fuck her ass. Alex came twice by the time Erin came on dad’s cock.

“Honey, have you ever seen our daughter’s cute little asshole stretched wide around her brother’s fat cock?” mom asked dad.

“Amy, that’s none of my business,” said dad.

“Honey, that’s cold,” chided mom. “We are her family. We need to support her in the most important endeavor of her life. You spread my ass for Nick and eat his come out of my sloppy asshole. She expects at least as much.”

“Dan, if you are mad at her, work it out together,” said Erin. “You can’t just walk away from your daughter.”

“I am not walking away,” said dad. “I just don’t want any part in her incestuous relationship with her brother.”

“That isn’t acceptable, honey,” said mom. “She’s our daughter, and she doesn’t have a husband to do for her what you do for me. We are going to support her in the big decisions of her life because we love her.”

“How can I support her?” he asked.

“First, you need to look at her sweet ass impaled on her brother’s big cock and tell her how hot and pretty you think it is,” said mom.

Alex came right away. Erin licked her pussy clean and moved aside. Dad watched Alex’s stretched asshole travel up and down my hard cock.

“You are very pretty,” dad said to Alex.

“Thanks, dad,” gasped Alex as I resumed bouncing her ass on my cock.

“Kiss her pussy, and stick your tongue in her hot insides,” said mom.

“That’s incest,” complained dad.

“In our family, we only care about something being right or wrong,” she said. “We don’t care if it’s incest or not.”

“I don’t know,” he said hesitantly.

“What’s the big deal if she came on your tongue and you tasted her delicious juices?” said mom. “Didn’t you taste her brother’s. What’s the big deal now?”

After a little more hesitation, dad leaned forward to kiss Alex's drenched pussy. She stiffened as soon as his lips touched her nether ones and came wildly, gushing in his mouth.

"She's just come for you," said mom. "Suck her gushing pussy dry."

He could only oblige mom as Alex continued to twitch around my cock and his tongue.

"Your dad loves you," said mom. "He's soon going to eat your brother's come out of your ass."

When Alex relaxed completely, dad pulled back. Erin took his place. Alex came in her mouth a few times.

Alex recovered, and I laid her on the loveseat. I fucked her ass in the folded deckchair position, making her come a few times. Dad fucked Erin's ass while she and mom watched.

"Nick, show your dad how your sister's sweet asshole gapes beautifully," said mom.

"Can you see that, honey?" said mom when I pulled out of Alex's ass, leaving her asshole agape as she spread her ass wide. "That sweet asshole was meant for that gorgeous cock."

"It's so pretty," said Erin.

"Wink at your dad, sweetie," said mom.

Alex winked with her asshole a few times.

When I shoved my cock back up Alex's ass, it went right in without any manual guidance. It knew where it wanted to go, and Alex's asshole happily welcomed it balls deep. She came again, and we changed positions.

"Nick, pump your sister's needy ass full of your come," urged mom as I fucked Alex's ass from above with her knees against her tits.

"You want that, Alex, baby?" I asked.

"Yes," hissed Alex.

"She wants it more than she thinks," said mom.

"You got it, babe," I said to Alex, picking up the pace. "Be a good girl, and come for me too."

"I will," gasped Alex, smiling.

"Nick, don't come deep inside her," said mom. "I want to see your big cock twitch as you flood her thirsty ass with your hot come."

"You got it, mom," I said.

"I want your dad to see how powerful you are when you come in your sister's lustful ass," she said. "I want him to see how much come you pump up her appreciative ass to express your love for her."

"If I am expressing my love for her this way, it's going to be a big orgasm, and I am going to flood her hot ass with a big load of come," I said, picking up the pace.

"That's the idea," she said.

My merciless drilling of Alex's offered ass gave her a wild orgasm. While I came, I kept most of my pulsing cock outside of her twitching ass, but I continued to fuck it with fast strokes.

"Honey, can you see how powerful his big cock is as he fills his sister's ass with hot come?" said mom.

"Yes," said dad.

When my orgasm diminished, mom reached out and grabbed the exposed part of my cock. She jacked it off and milked it into Alex's ass.

“Honey, eat her brother’s creamy come out of her well-fucked asshole like you promised,” said mom when I pulled out of Alex’s ass and her asshole closed slowly.

“I didn’t promise that,” protested dad as I fed Alex my sticky cock.

“That’s right,” said mom. “I did. You are not going to break my word, are you, honey?”

“This is incest,” he protested.

“Don’t get hung up on that,” said mom. “It isn’t sex or even oral sex. She just needs your loving kiss on her slimy asshole. She needs your support to push her forward or rather backward onto her brother’s big appreciative cock.”

“I don’t know,” said dad as Erin stroked his hard cock.

“Alex, sweetie, wouldn’t you appreciate it if your dad ate your come-filled ass?” mom asked Alex.

“Yes,” said Alex, taking my soft cock out of her mouth.

“Did you hear that, honey?” said mom. “Her sloppy asshole’s mouthwatering. Go for it. You owe it to your sweet daughter to support her like you support her slut mom.”

Dad hesitantly moved toward Alex’s ass.

“Don’t be shy, honey,” encouraged mom. “This isn’t going to be the first time Erin watches her boss eat creamy come out of a happy ass. If anything, she’s just getting jealous.”

Mom winked at Erin, and Erin smiled.

“I’d really love that,” teased Erin.

“Spread your ass for your dad, sweetie,” mom said to Alex. “Show him how much you appreciate this. I am sure he’s going to love it. You have such a delicious ass, not to mention Nick’s tasty come.”

Alex spread her ass with both hands.

“Put your heart in it, honey,” encouraged mom. “Nothing undermines a gesture like doing it listlessly. You’ll both enjoy it if you let go. Appreciate her greedy ass. Don’t rob the two of you of the joy of being a family.”

It did not take dad long to warm up to Alex’s luscious asshole and eat it with eagerness. He sucked my come out of her ass, and she came for him. She sucked my cock on and off meanwhile. She returned to sucking my cock with better concentration while she recovered. My cock was hard by then.

“Sweetie, it’s your time now to eat pussy,” said mom as Erin impaled her ass on dad’s cock in the reverse cowgirl position and started to bounce.

Alex knelt down and proceeded to lick Erin’s leaky pussy to orgasm. Meanwhile, I knelt behind Alex, and mom spread her offered ass for me. I fucked Alex’s ass until she and Erin came. I licked Alex’s drenched pussy while she licked Erin’s clean. When I got up, mom pounced on my sticky cock. I fucked her throat for a few minutes. She then rode my cock in the anal reverse cowgirl position, and Alex ate her pussy to orgasm.

Dad focused on Erin’s ass, and I fucked Alex and mom’s asses silly.

Erin showered and went home after dad came in her ass. Alex came with me to my room. Both mom and Alex’s asses were full of come.

## THE CHALLENGE

Beth and her family returned from vacation on that night. She called me as soon as she arrived home. I was fucking Alex’s ass from behind leisurely.

“I missed you so much,” said Beth. “If I weren’t dead tired, I’d come to you right now and get fucked all night.”

“Didn’t you fuck any studs on vacation?” I teased.

“Of course not,” she said. “Don’t joke about that.”

“I am not joking,” I teased. “I need to know if I should kill you.”

“You shouldn’t kill me,” she said. “I’ve been a very good girl. Now that you brought that up, have you been fucking any sluts while I was away?”

“Not really,” I said, “just two or three sluts.”

“Were they any good?” she asked.

“Of course,” I said. “You don’t know me if you think I’d fuck sluts that are no good.”

“Yeah, right,” she said.

“Anyway, I am so horny now I’d fuck you along with your mom and sister together,” I said.

“Nick, you are horny out of your mind,” she chided. “Don’t talk about mom like that. It’s bad enough to talk about innocent little Lisa.”

“What’s wrong with your mom?” I asked. “Doesn’t she love sex?”

“She’s married, you doofus,” she said.

“I know, but I need to find out if you are any good when you are married and at her age,” I said. “I am not going to marry you if you’ll be down to once a month or something silly like that.”

“Don’t worry,” she said. “I am not going to be like that. Worry about yourself instead.”

“I don’t have to,” I said. “Both my parents are hornier than hell. What about yours? How often do they fuck?”

“Are you crazy?” she said. “How would I know?”

“You don’t talk with your mom?” I asked. “You’ve never asked her about married sex whether married people fuck all day like we do or five minutes a week?”

“I’ve never asked her that question,” she said. “Have you asked your mom or dad?”

“I know that mom’s a hot-assed woman,” I said. “If it were up to her, she’d be bouncing on a stiff one all day long. I am also sure that dad fucks his hot secretary at the office.”

“Nick, can you hear what you are saying about your own mom and dad?” she said. “Are you crazy? You are accusing your dad of cheating on your mom.”

“Don’t be silly,” I said. “I am just saying they have healthy sexual appetites. How are your parent’s sex drives? Does your dad fuck his secretary or some other office slut? Does your mom run around on him?”

“Nick, you’ve definitely lost your mind,” she said. “Don’t talk about my parents like that.”

“Why?” I teased. “I am just asking questions. You can answer me and put to rest any doubts I have. Are you embarrassed with their weak sex drives?”

“No, I am not, but you are rude,” she said.

“If your mom’s as horny as you try to make me believe you’ll be at her age, and your dad isn’t a horny bastard, she’d be ripe for me,” I said. “She wouldn’t be able to resist me at all.”

“Nick, I’ll hang up if you keep talking like this,” she threatened.

“Are you jealous of your hot mom?” I teased.

“Nick, I swear I’ll hang up,” she threatened.

“Are you lying to me?” I asked.

“I am not lying,” she said. “I’ll really hang up if you keep it up.”

“If you hang up, you’ll be lying,” I said.

“How is that, genius?” she asked.

“If you were as horny as you claimed, you wouldn’t mind if I fucked you with your mom and sister,” I said.

“I am horny, but I am not a whore,” she said.

“I thought you were my whore,” I said.

“Yes, but not like that,” she said.

“Good whores don’t have an attitude like that,” I said.

“You are insulting my parents,” she said.

“I am not,” I said. “I am just asking questions about them. I’ve talked about my own similarly.”

“I can’t understand how you could do that,” she said.

“Are you going to ask your mom about her sex drive or should I?” I asked.

“You don’t dare,” she said.

“If you don’t believe me, call her and put the phone on speaker,” I said. “I’d ask her while you listen, but, if I did, I’d tell her that I’d love to fuck her silly.”

“You are bluffing,” she said.

“Call my bluff,” I said. “Be prepared though to explain to your mom why you called her so your horny boyfriend could proposition her.”

“You’ve really lost it,” she said. “I’ll let you go now. I’ll stop by tomorrow when you’ve regained your wits.”

“My slut here says hi to you,” I said.

“What slut?” she asked.

“The slut I’ve been fucking up the ass while talking to you,” I said.

“Yeah, right,” she said. “Say hi to her.”

“She can hear you,” I said. “I’ll see you tomorrow. Don’t bring a swimsuit. I’ve got you one I dare you to wear.”

“Good night,” she said.

“I can’t believe you said that to her,” said Alex.

“She needs to be ready for her new position,” I said.

Alex slept next to me with a come load up her content ass.

---

In the morning, I fucked Alex in all her holes, but I saved my come for Beth, or that was what I intended. I also fucked mom’s three holes without coming.

Mom prepared nice party platters by the pool to celebrate Beth’s return.

When Beth arrived, I met her at the door. We kissed, and I felt her up thoroughly.

“Nick, stop it,” she chided. “Your folks may catch us.”

“My folks could catch me kissing my girlfriend?” I teased. “That would be a scandal. What would they do if they caught me propositioning her sexy mom?”

“Let’s not get started on that,” she said.

“You are selfish,” I teased as I pulled her tightly, crushing her pussy against my boner. “Don’t you think this is good enough for your mom? I am sure she wouldn’t like it if she heard you.”

While Beth tried to respond to that, I led her into the living room. She greeted and hugged mom and Alex. We sat down and chatted inconsequentially for a while.

“Beth, how do you like my ankle bracelet,” asked Alex, showing Beth her anklet.

Beth took a good look at Alex’s anklet. Alex walked and put her foot on the loveseat next to Beth. She pushed the front of her skirt down to cover her bare pussy.

“It’s gorgeous,” said Beth. “It looks like real diamonds.”

“It is platinum and real diamonds,” said Alex.

“Wow!” exclaimed Beth. “It’s breathtaking. It must be expensive.”

“It cost a couple of thousand dollars,” said Alex. “Nick got it for me.”

“What’s the occasion?” asked Beth.

“I just love my hot little sister,” I said. “I got her this anklet after I got mom one. They are both very sexy.”

“You got your mom one too?” asked Beth, looking at mom’s legs. “Oh! Wow! Is it exactly the same?”

“Yes,” I said. “They are after all the best mom and the sweetest sister in the world.”

“You must be rich,” she said. “Maybe you should get me a decent gift.”

“Maybe,” I teased. “Maybe not.”

We chatted inconsequentially.

---

After a while, I led Beth to my room, fondling her ass shamelessly. She pushed my hand away, especially as I tried to pull the hem of her skirt up.

“Nick, they’d see us,” she said, pushing my hand away. “You want to show them my bare ass?”

“Why are you too shy?” I teased. “Both of them have asses like yours or maybe hotter. Are you afraid they’d think I only *fondle* your ass, or are you afraid they’d get jealous and want me to fondle their asses too?”

“You are crazy,” she said. “I don’t want them to think about my ass or theirs. You are the one who should.”

“I already think about your ass and theirs,” I teased.

“You are unbelievable,” she said.

“I am sure everybody who can see your hot little ass can’t avoid thinking about it,” I said. “I am the one who should fuck it too, not only think about it.”

“That’s why I am here,” she said.

“First, we’ll have the pool party,” I said.

“Sure, but I swam too much already while away,” she said.

“Did the salty water contaminate your little pussy and kill your sex drive?” I teased.

“My sex drive’s fine,” she said. “I am here to get fucked, not to swim. *You* are the one who wants to swim.”

“Are you questioning my sex drive even after I offered to fuck you silly along with your mom and sister?” I said.

“Let’s not talk about that,” she said.

“Anyway, you didn’t swim with me,” I said. “Did you have your hot ass grabbed while swimming?”

“Of course not,” she said.

When we arrived at my room, I retrieved the swimsuit I got her. It was sheer pink, similar to mom and Alex’s.

“This is the swimsuit I got you,” I said, giving her the swimsuit.

“You buy some people diamonds, and you buy me a flimsy swimsuit?” she teased.

“Dad picked up the tab,” I said. “He paid, and I took the credit. I don’t think I can do that with you.”

“I see,” she said. “I don’t think so either. My own dad wouldn’t do that for an anklet no matter how sexy it is.”

“Hey, I didn’t do that because the anklet’s too sexy,” I said. “I did it because mom and Alex are.”

“I see,” she said.

“Anyway, this swimsuit shows how hot you are,” I said. “Put it on and let’s join mom and Alex.”

She took the swimsuit and checked it out.

“Nick, this is totally sheer,” she said. “I can’t wear it if we were alone so no one would come home suddenly and catch me in it. Do you really expect me to wear it around your mom and sister?”

“They are girls like you,” I said. “You don’t have anything they don’t. I don’t want you to be the prude.”

“Are you telling me they’d wear something skimpier than my swimsuit?” she asked. “If you got me a diamond anklet like theirs, I might reconsider.”

“You said it yourself,” I smiled. “There is no telling what they’ll wear. If you want to take the risk to be the prude, be my guest. Don’t blame me though when you find yourself the prude.”

“Being thought a prude is better than being thought a slut,” she said.

“They’d think you were doing that so I’d buy you an anklet,” I teased.

“That’s even worse,” she said.

“There is nothing wrong with your being my slut anyway,” I said.

“Sure, but they’d think I was *a* slut, not *your* slut,” she said. “If they knew about what we do together, they wouldn’t believe I didn’t work part time as a whore.”

“Well, baby, they don’t know about that, so they might think you were a prude,” I said.

“We both know I am not,” she shrugged.

“Aren’t you going to let me fuck you before we go down?” I asked. “Didn’t you say you were so horny and you came here to get fucked, not to swim?”

“We can fuck after the swim,” she said.

“We sure can, prude,” I teased.

“Tease, not prude,” she smiled. “Thankfully, I brought my own swimsuit.”

Mom and Alex were already in the pool when Beth and I joined them.

We all swam for a while before Beth discovered what swimsuits mom and Alex wore. She was shocked.

“Didn’t I tell you?” I teased.

“I can’t believe it,” she said.

“When you have a great body, there is no reason to hide it from friends,” I teased. “Diamonds are forever too.”

After more swimming and splashing, mom took it to the next level.

“It isn’t like our swimsuits cover anything,” said mom. “Is anybody up for skinny dipping?”

Mom was already untying her bikini top. Alex was out of her top and bottoms first and tossed them on the side. My trunks joined mom’s and Alex’s swimwear. Beth was still in her bikini.

“My girlfriend’s too shy to let me see her naked,” I teased. “I am sure if I leave, she’ll take her swimsuit off.”

“Haven’t you ever seen her naked?” asked Alex in pretense surprise.

“She’s a shy girl,” I said. “I like nice girls.”

“It looks like you do,” said Alex.

“I am not that shy...or nice,” said Beth, untying her top.

Beth was soon naked like the rest of us. We were all in the water. The games resumed. I already had a boner. Mom and Alex made sure to tease it with their feet and hands whenever Beth was not looking. I naturally saw tits, pussies, asses and assholes but tried to keep my boner under water and not to grope them openly.

Beth stifled a smile when I got out of the water, my cock rock hard. I stood there and watched them swim and splash for a minute or two.

“Nick, I am not shy, but you are shameless,” said Beth.

“Are you going to keep brandishing your big intimidating boner in the faces of naked women for a while?” teased mom, surprising if not shocking Beth.

“Mom, why do you call it intimidating?” I whined. “I thought you were all big girls.”

“We are all big girls but with little pussies, aren’t we, Beth?” asked mom, startling Beth.

Mom, Alex and I turned to Beth and waited for her answer. Beth blushed.

“Yes,” said Beth shyly.

“Can you see now?” said mom. “You’ve embarrassed your virgin girlfriend. It may not intimidate me, but it apparently intimidates her. I am sure she’s never seen anything this big and rampant.”

“Don’t you think it’s about time she did?” I teased.

“You can’t do that to virgin girls, especially in front of others,” she said.

“Who said she was virgin?” I said.

“Maybe she isn’t virgin, but I don’t think a girl with a little pussy can handle that big thing looking us in the eye and threatening to explode in our faces at any second,” she said. “It looks so hard it’s going to break at any second.”

“Take it easy, mom,” I said. “It isn’t going to break or explode in your faces. I am a big boy. I can handle this.”

“It still makes us nervous as if someone is brandishing a loaded gun,” she said. “Your girlfriend must be scared.”

“Beth, are you intimidated by my big hard cock and afraid it could explode at any second and hurt you?” I asked.

“No,” said Beth shyly.

“Do you like it?” I asked.

“Yes,” she said.

“Do you like it or love it?” I teased.

“I love it,” she said. “Now, your mom thinks I am a slut. Are you happy now?”

“Of course, I am happy for you now,” I said.

“Beth, no woman would think another’s a slut just because she’s head over heels in love with her son’s big juicy cock,” said mom. “Actually, if you didn’t love it, I’d tell him to dump his lesbian girlfriend and move on. I am his mom, but I am still a woman, and I know that he has a wonderful mouthwatering cock.”

“Mom, she’s a nice girl,” I said. “She isn’t a virgin, but I am the only one who’s ever enjoyed being with her. My big cock doesn’t intimidate her. She can handle it capably and not only by her little pussy. Are we good now?”

Beth was blushing at what I said, but nobody was looking at her.

“Yes, and I am happy for the two of you,” said mom. “That doesn’t mean you are free to intimidate me and your sister with your big boner. I suggest that you take care of it somehow.”

“Mom, Nick’s boner doesn’t intimidate me,” said Alex. “I think it’s beautiful, especially when it’s big and hard.”

“You shouldn’t say that about your brother’s big boner,” chided mom.

“Mom, I just told the truth,” said Alex. “You said it yourself. He’s been waving it in our faces like he’s challenging us to look at it or even touch it.”

“Yes,” I said. “I am challenging the three of you to touch my big cock,” I said.

“Nick, if your girlfriend weren’t around and you flaunted it in front of me, you wouldn’t be challenging me to touch it but fending me off it,” said Alex.

“You are vastly mistaken, Alex,” I said. “I’d never fend a gorgeous girl like you off my big cock if she was a good girl and asked me nicely to let her touch it and play with it a little, promising to be loving and show it a great time.”

“With a gorgeous cock like that, I’d want to play with it a lot not a little,” she said.

“I don’t think your girlfriend likes hearing you say that you’d let any girl play with your big cock,” said mom. “I don’t think she’d like to hear your sister flirt with it either.”

“I know she doesn’t,” I said. “I wouldn’t let any girl play or flirt with it, and I didn’t say I would. I was talking to my sister. I’d be lying if I told my girlfriend I’d say no to my sweet sister if she wanted to play with my big cock.”

“Nick, she’s your sister,” chided mom.

“Really?” I teased. “It isn’t like she’d steal it and run away with it.”

“She shouldn’t be playing with a cock that big even if it belonged to her own brother,” she said.

“You think it’s too big for me?” said Alex. “It’s actually perfect. Let me tell you that with such a wonderful cock I’d let Nick do to me whatever he wants and I’d beg for more. I said it. I love this gorgeous cock.”

“Are you pleased with yourself, Nick?” said mom. “Your sister’s fighting your girlfriend over your big cock.”

“She isn’t fighting,” I said. “She’s just saying she loves my big cock and she’s all mine for the taking, and I appreciate that so much. I’ll also add that I’d never be dumb enough to turn down an offer like that.”

“What about your girlfriend?” said mom.

“What about you?” I said. “You didn’t say if you liked or hated my big cock. Would you let me have you?”

“Darn it, Nick,” she said. “I would. That’s why I am intimidated by your big cock. I can’t resist it.”

“Beth, you must think we are a sick family,” I said.

“No, I don’t think so,” said Beth. “I can’t blame them for liking your great cock.”

“Why don’t you come over and take care of it for me?” I suggested.

“Right here?” she asked.

“Yes,” I said. “I am sure they’d like to watch you show them that you are for real—not a virgin Barbie doll.”

“Nick, I can’t do that here,” she said.

“You’ve already seen that mom and Alex are hot-assed ladies,” I said. “They wouldn’t mind it one bit if you missed my big cock so much you’d suck it right in front of them. Would you, mom?”

“Not at all,” said mom. “I am a woman, and I know how it feels to be horny and need cock.”

“What about you, Alex?” I asked. “Would you mind if my girlfriend sucked my big cock like a dirty whore?”

“No way,” said Alex. “Not if she doesn’t mind having an audience. I’d just envy her.”

“Go for it, Beth,” I invited. “Everybody’s okay with it.”

“I can’t,” said Beth.

“I am sure Alex can,” I said. “Alex, if you want my big cock like you’ve just claimed, come and get it.”

“I sure would if Beth were okay with that,” said Alex.

“Beth, does she have your permission to take care of my big cock?” I asked Beth.

Beth thought it over for several seconds while I waited.

“Yes,” she said. “I don’t have any objection if she doesn’t mind my hanging around.”

“What about you, mom?” I asked.

“I am outvoted anyway,” said mom.

“You can veto it,” I said.

“I wouldn’t,” she said.

“Beth, are you sure you want to go through with this?” asked Alex. “If we do it, we can’t take it back. I love his cock, and I’d do anything for it, if that’s okay with you.”

“I am okay with that,” said Beth.

“You promise not to get mad at Nick or me?” asked Alex.

“I promise,” said Beth.

“Nick, are you sure you want me to give you a hand job?” asked Alex.

“A hand job?” I laughed sarcastically. “Who said anything about a hand job? You thought I was too lazy to give myself a hand job? Guess what, Alex? You can’t touch my cock with your hands. Do you have any other ideas?”

“I do,” she said. “If you want a royal blowjob, that’s what you’ll get. I meant it when I told you I’d let you do whatever you wanted to me.”

“That was what I had in mind,” I said. “I want to do everything to you: royal blowjob and everything else—like a dirty whore. I want you to show Beth what she should have been doing. I want her never to chicken out again.”

“Beth, are you still okay with that?” she asked.

“Yes,” said Beth.

“Mom?” I asked.

Mom shrugged.

“Let’s do it,” I said as I sat on the steps, my balls halfway immersed in the water.

“Thank you,” said Alex as she swam to me.

“For?” I asked.

“For letting me do this,” she said.

“I haven’t let you do it yet,” I said. “I said you’d need to ask nicely.”

Mom moved closer, and Beth followed suit, standing on the other side of Alex.

“May I suck your big beautiful cock please?” asked Alex.

“I don’t think so,” I said. “You have to be sincere.”

Beth looked up at me with raised eyebrows.

“I am sincere,” said Alex.

“You may be, but I can’t read your mind,” I said. “You have to sound so. I am doing something special for you. Look at my big cock reverently and beg. I want everybody who can see you to believe that my cock’s your idol.”

“Nick, you shouldn’t humiliate your sister like that,” chided mom.

“I am not holding a gun to her head,” I said. “If she thinks I am humiliating her, she should step back.”

Alex meanwhile looked at my hard cock. Beth looked at me, unable to read me.

“Nick, please let me suck your big beautiful cock,” begged Alex, looking at my cock longingly. “I adore it.”

“Promise my big cock you’ll never say no to it,” I said.

“I promise I’ll never say no to you,” she said, looking at my throbbing cock.

“Promise it you’ll be its fuck slut and it will be your first priority always even when you have a boyfriend that you love so much,” I said.

Both mom and Beth’s heads jerked up, and they looked at me in shock.

“Alex, you don’t have to do that,” said Beth.

“That’s right, Alex,” I said. “You don’t have to do that, and I’ll probably let you suck my big cock anyway.”

“I’ll be your fuck slut and you’ll be my first priority even if I am married and have kids,” said Alex. “I’ll do that even if you never let me touch it though I wish you’d let me show you how it should be treated and worshiped.”

Beth and mom could not believe that.

“What if I decided to father some of your kids, especially your firstborn?” I said. “Would you let me do that and pass each as your husband’s but letting the kid know I am his dad but not tell his stepdad he’s my bastard?”

Beth’s and mom’s eyes and mouths opened wider in disbelief.

“Of course,” said Alex. “My loyalty’s to you and your big cock, not to anyone or anything else.”

“I may want you to feed your boyfriends, your husband and children my come and help me make your daughters my whores when they get old enough but well before they are legal although they’d never be legal that way,” I said.

“I’ll do that for you without a second thought,” she said.

“Alex, you can’t be serious,” said Beth in shock.

“I am,” said Alex. “If Nick really wanted me to do anything at all for him, I’d do it.”

“You’ll only see or marry the guys I approve of,” I said. “They’d need to see me or call me and ask to take you out. After all, I’ll be fucking you while you see them, and I should have a say in who gets to eat my come out of you.”

“I promise,” said Alex.

“Alex, that was very special,” I said. “At my end, I promise to deserve it and that you won’t regret it. I’ll never compromise you or your wellbeing in any circumstance.”

“Thank you,” she said.

“Are you still okay with this, Beth?” I asked.

“It’s too late for that now,” said Beth.

“Is that yes or no?” I asked.

“Yes, I am okay with it,” she said. “It isn’t my place to stop it.”

“Let’s all shower and go inside,” I said. “I want my little slut to be most comfortable. I want her to enjoy worshiping my big cock fully. We’ll remain naked.”

Mom took the food inside, and we all showered and convened in the living room five minutes later.

---

When I sat down, I pulled Beth to my right on the loveseat. I parted my knees, exposing my hard cock and balls. I pulled Beth’s left leg over my right legs, spreading her legs too. She tried to resist, but I was firm. Alex stood before me and waited. I patted the seat to my left for mom, and she sat next to me.

“Suck my big cock, baby,” I said to Alex. “Show me that you deserve to be my fuck slut and fuck toy forever.”

“Thank you, Nick,” Alex said as she knelt before me. “I am not sure I deserve that, but I promise to do my best.”

“Alex, sweetie,” I said, gently tilting Alex’s head up so her eyes met mine. “There isn’t a single guy that even deserves to lay his eyes on your fantastic body. I am very privileged to have you like this. I want everybody to know that I don’t deserve it but I am so lucky to have it just because you deserve to be fucked royally and used properly.”

“Thank you,” she said lowly.

Before I let go of her chin, I leaned forward and kissed her gently on the lips.

“Suck my big cock, baby,” I said softly. “Show it how much you love it. Show our sexy mom and my hot girlfriend that I am not pressuring you but you genuinely belong to my big cock heart, body and soul for you are so generous.”

Alex started with making love to my balls. After watching her for a minute, I turned to Beth, who had been watching her intently. I kissed Beth and started to make out with her. I fondled her tits and teased her stiff nipples with my left hand while my right hand started on her upper back and slid down to her ass crack.

Beth resisted everything I did at first but soon surrendered and responded eagerly. The same happened when I teased her asshole with my fingertips. In the end, she was moaning softly and squirming on my fingers, her asshole stretched tightly around two of them. She continued to watch Alex, who was making love to the first half of my cock, but not raptly. She occasionally looked toward mom, who watched Alex, trying to hide her excitement.

“Your sister really meant what she said,” commented mom quietly.

“Sincerity’s most important,” I said. “I never doubted a word she said.”

“She loves your big cock,” she said.

“It loves her too,” I said as I slid two fingers of my left hand into Beth’s leaky pussy.

Beth went wild as I finger fucked her fuck holes with two fingers each. Alex’s lips closed around the base of my cock. Her tongue soon tickled my balls too.

“You are a great sister, Alex,” I said. “I used to think Beth loved my big cock most, but now I am sure even she has doubts about that.”

“I love your big cock,” gasped Beth.

“I am sure you do, but do you love it more than Alex does?” I asked. “Would you express your love and devotion for it in front of your mom and sister?”

“I don’t know,” she gasped.

“Don’t let me down so I’d take Alex with me and show your mom and sister that she loves my big cock more than you do,” I said. “They’d be disappointed in you even if they didn’t fall in love with my big cock more than you are.”

Beth was very horny, but I did not let her come. I tortured her pussy and asshole, keeping her on the edge. She tried to make herself come, but I resisted and looked at her sternly.

Alex fucked her throat and her tits with my cock for a few minutes, switching between them.

“My big cock wants to fuck his fuck slut,” I said to Alex.

“Right away,” said Alex.

“Ride it like a cowgirl,” I instructed.

Beth took her left leg off my right leg and squeezed her legs a little, but my hands continued to work on her pussy and asshole. Alex climbed astride me.

“Beth, she isn’t allowed to touch my cock with her hands,” I said. “Be a sweetheart and hold it for her to stuff her little pussy with it. Make sure it fits inside her balls deep too. Let’s verify that it really isn’t too big for her.”

“Thanks, Beth,” said Alex as Beth held my hard cock by the base and Alex lowered her pussy onto it.

“Her pussy’s so tight,” I said to Beth. “Thank you, my love, for guiding your boyfriend’s big cock into his sister’s tight little pussy.”

“You are both welcome,” said Beth.

“If you are a good girl, she may guide it into your tighter asshole,” I said.

“That would be so nice of her,” she said.

“I love how your big cock feels in my little pussy,” gasped Alex, my cock half way inside her pussy.

Alex shoved her pussy all the way down and came.

“I am coming,” gasped Alex.

“Her pussy definitely loves your cock incredibly much,” commented Beth.

“It’s the cock she and all her fuck holes belong to,” I said.

“Yes, yes,” hissed Alex.

Alex shoved her twitching pussy into me erratically as she gasped for air.

“It’s all the way in,” said Beth as Alex’s orgasm subsided.

“Her sweet pussy feels almost as good as a tight ass,” I said.

“I bet,” said Beth.

“Alex, hand Beth the lube,” I said.

Alex leaned to the side and grabbed the lube. She handed it to Beth.

“You know what to do,” I said to Beth. “Help her show you what you should have been doing.”

“Are you going to fuck her in the ass?” asked Beth in surprise.

“Only if she wants me to,” I said.

“I need you to,” said Alex. “My horny ass belongs to your big cock too.”

“Get her little asshole ready for a serious drilling,” I said to Beth.

“I’ve never done anything like that nor touched a girl, but I can’t deny you,” said Beth.

“Had you not been this wonderful girl, you wouldn’t have been here,” I said.

Alex moaned and humped my cock as Beth worked lube inside her ass. She rode my cock and Beth’s fingers more and more urgently as Beth finger fucked her ass. I established a brisk rhythm on Beth’s pussy and ass. She was approaching orgasm as well.

“I am coming again,” gasped Alex a minute later.

Beth diddled Alex’s twitching asshole vigorously as she shook wildly on my cock and Beth’s fingers. Beth came herself around my fingers right after Alex’s pussy finished drenching my cock and balls.

“Oh, Nick, I am coming,” gasped Beth, shaking on my fingers.

“Come, my slutty girlfriend,” I said, jerking my fingers within her twitching orifices. “Show my mom and sister you are no virgin.”

“I can’t be farther from being a virgin,” she gasped.

“I think that still needs to be established,” I said.

Beth came wildly and then her orgasm subsided.

“Is her luscious ass ready?” I asked Beth.

“Yes,” gasped Beth.

“Thank you for getting her hot ass ready for me,” I said as I withdrew my fingers from her ass and pussy.

Alex welcomed my sticky fingers in her mouth. She sucked them thoroughly. I helped her get off me and get on her knees in my seat.

“She made a mess of my cock and balls,” I said, thrusting my glistening cock in Beth’s face. “Clean my big cock and balls up, and then lube my cock well.”

Beth licked my balls before she took my cock in her mouth. I fucked her throat for a minute. She then lubed it thoroughly. I lapped up Alex’s copious juices before I aimed my hard cock at her asshole.

“She can’t spread her ass easily in this position,” I said to Beth. “You and mom are going to spread it for her. Each needs to pull a cheek out.”

Mom and Beth spread Alex’s offered ass.

“Guide me in,” I said to Beth. “Raise the bar for slut girlfriends.”

Beth guided my cock in. My cock head dented Alex's defenseless asshole and slid in, making her gasp.

"Let's see if it can fit balls deep," I said as I held Alex's hips tightly, thrusting in her splayed ass.

It only took a few thrusts to drive my cock balls deep up Alex's eager ass.

"It can," said Beth as my balls pressed into Alex's dripping pussy.

"She apparently can do as a fuck slut for my big cock," I said.

"It looks like it," said Beth as I started to fuck Alex's ass.

Alex came on my cock twice before I pushed my cock in Beth's mouth, leaving Alex's asshole gaping. Beth did not hesitate to take my cock in.

"Suck it well, and then drool in her open ass," I said.

Beth deep throated my cock for a couple of minutes before I slapped her face with it, and she drooled in Alex's open rectum. I returned my cock to Alex's ass and resumed fucking it.

Two orgasms later, Alex's ass was open again as it was mom's turn to suck my cock.

"Drool in her ass too," I said, pushing my cock into mom's face.

Beth watched intently as I slid my cock all the way down mom's throat and then proceeded to fuck it.

Beth looked up at me in surprise as I fucked mom's face with little mercy.

"Can your mom suck cock as well as mine?" I teased Beth with a smile.

"I don't know," said Beth.

"Are you going to ask her or should I?" I teased.

"Do that if you want your ass kicked," she said.

"Would she kick my ass if I asked her if she were a great cocksucker?" I teased.

"That would be the least you'd get," she said.

"I bet I am more likely to fuck hers than she is to kick mine," I said.

"You just try it," she said.

"Drool in her ass," I said, slapping mom's face with my sticky cock.

Mom drooled in Alex's gaping asshole, and I resumed fucking it. I drilled Alex's ass through two orgasms.

When Alex recovered, I pulled her off the sofa, keeping my cock balls deep up her ass, and turned around, sitting on the sofa and pulling her astride me in the reverse cowgirl position. I helped her squat and proceeded to bounce her ass on my cock.

"Beth, do you think you can make her come in your mouth a few times while she bounces on my cock?" I asked.

"Nick, I am not a lesbian," protested Beth. "I've never done anything even close to this before."

"Nobody is, but you have to help each other be my whore," I said. "You are a great girl. You've primed her asshole for me and sucked her copious pussy juices off my big cock. You'll now suck them out of the source."

Beth hesitated a little before she knelt down and inspected Alex's dripping pussy. Beth brought her mouth to Alex's leaky pussy and licked it tentatively. She soon was no longer tentative, making Alex moan and gasp.

"Mom, Beth has been a great girl," I said. "Finger her pussy and ass for her. She deserves to get fucked."

Mom got off the sofa and knelt behind Beth. She lubed her fingers and proceeded to work on Beth's fuck holes, making her moan into Alex's wet pussy. Alex and Beth came twice before I pushed Alex off my cock.

"Beth, return the favor," I instructed, getting up and slapping Beth's face with my sticky cock. "Eat mom's pussy and finger her asshole while Alex gets you ready for my cock,"

By the time Beth registered what she needed to do, mom had gotten into position, pulling her legs over her head and spreading her ass, and I pushed Beth toward her. I took Beth's right hand and squeezed lube on her fingers. She soon got into position, and I squeezed lube on her asshole. Within a minute, mom was moaning as Beth licked her leaky pussy and finger fucked her asshole, and Beth moaned as Alex did the same to her. Alex moaned and gasped as I fucked her ass.

"Let's all come together," I urged as they all approached orgasm.

We came one after another, our orgasms overlapping. I pumped Alex's twitching ass with come while Beth gushed in her mouth and mom gushed in Beth's.

"Beth, suck the come out of her ass and share it with her," I instructed after we all recovered. "You deserve it."

While Beth worked on Alex's sloppy asshole, mom sucked my softening cock, reviving it. Alex came on Beth's tongue while pushing the come out into her mouth. My cock was hardening when Beth and Alex kissed, passing my come back and forth a few times, before each swallowed her share. Beth and Alex joined mom at reviving my cock.

When my cock was rock hard, I helped them one by one to get on their knees on the sofa side by side. I squeezed lube on Beth's asshole and proceeded to fuck it.

"Someday, I am going to fuck your mom's hot ass like I am fucking yours," I said, pounding Beth's offered ass.

"You wish," gasped Beth.

"I wish, but my wish's going to come true," I said.

"Dream on," she gasped.

"Not for long," I said.

Beth came on my cock, and I then fucked mom's ass to orgasm. Alex's ass was next. I made a few rounds before I came deep in Beth's ass.

Mom sucked my come out of Beth's ass and shared it with her while Alex sucked my sticky cock.

When my cock was hard, I silently led Beth to my room.

---

Beth and I did not say much before we fucked like wild animals. I fucked her in all holes and all positions harder than I fucked anybody that day. I showed her she was still my slut girlfriend. We only caught our breath after I pumped her hot ass full of come. She needed that break bad, and I used it to recharge. I was lying on top of her, her asshole milking my softening cock.

"You've been busy while I was away," she said. "I leave you for two weeks, and you make two new sluts."

"I told you I came from a horny family," I said. "Being this horny and having a mother and a sister with spectacular asses, I had to lust for them. Since they were as horny, there was no escaping the inevitable."

"How long did you stay without pussy after I left?" she asked.

"One day," I said. "I told you we were so horny. I also told you dad fucked his secretary."

"Is that true?" she asked. "I thought you were kidding or teasing."

"If you saw her, you'd fuck her too, and you are not lesbian," I said. "I'll introduce you to her."

“Is she that hot?” she asked.

“Yes,” I said. “I am sure he’d been fantasizing about her ever since he met her for the first time. Thanks to mom, I fucked her in every hole she had before he did.”

“You fucked her too?” she asked.

“I fell down and bumped my head on the tiles by the pool the Monday right after you left,” I said. “She visited me in my room while I had a huge boner, and one thing led to another.”

“You’ve been really busy,” she said. “You got yourself a little harem.”

“They needed me,” I said. “They’d all been anal virgins. Virgin asses give up their lives to get fucked royally.”

“You deflowered them all anally?” she asked.

“Of course,” I said. “It isn’t like me to ask for help to deflower the virgin asses that need me direly.”

“I am glad you don’t,” she smiled.

“I wouldn’t do that to you,” I said.

“You are in love with your sister, aren’t you?” she said. “I clearly saw it in your eyes when you kissed her before she sucked your cock, and she loves you no less. That was why you wanted her to be all yours forever.”

“Are you jealous?” I asked.

“I know I should be, but I am not,” she said.

“You don’t care?” I asked.

“I care a lot, but I know that you love me too,” she said. “You wouldn’t fuck me with them otherwise.”

“I want you to be all mine forever too,” I said. “Can you make the same commitment and keep it forever?”

“Yes, I can—if you promise never to dump me,” she said.

“I’ll never dump you if you keep that commitment,” I said.

“Are you going to fuck me and show me that I am all yours—your whore?” she teased.

“If you ask nicely,” I teased.

“I’d love to,” she smiled.

“Go ahead,” I said.

“Please take me to the living room and fuck me right in front of your family to show them that I am your whore now and forever,” she said.

“If I did that, you’d have to beg in front of them,” I warned.

“That’s making my pussy drip,” she smiled.

“You’d have to show them that you are a completely depraved whore,” I said. “Can you do that?”

“I can’t wait to,” she said.

“Are you going to bitch if I talked about your hot mom and sister or wanted to fuck them?” I asked.

“Not anymore,” she said. “I wish you luck with them.”

“If I fuck them, you are going to spread their asses for me, eat my come out of their asses and let them eat it out of yours,” I said.

“Absolutely,” she said.

“I love you, you slut,” I said.

“I love you too, you pervert,” she laughed.

“Dad may come home at any time and walk in on us,” I warned.

“I want him to know that I am your whore,” she said. “I want everybody to. I am not shy but proud of it.”

“Lead the way, you slut,” I said.

We both went down to the living room, naked.

---

Luckily, Alex and mom were in the living room, dressed.

“Beth promised to be all mine forever,” I said.

“Beth, you are still too young to make a lifelong commitment,” said mom.

“I know, but I love the horny fucker,” smiled Beth. “I also love his mom and sister.”

“We love you too,” said mom.

“I am here to vow to be Nick’s whore forever,” said Beth.

“Are you sure, Beth?” I said. “We may not end up married.”

“If I end up marrying another guy, he better know that I’ll continue to be your whore,” she said.

“He also has to be at least good enough to raise one child of mine,” I said.

“He better be, or I wouldn’t bear his children,” she said.

“Would you feed him and his children my come and help his daughters become my whores?” I asked.

“Of course,” she said.

“You may not end up with a diamond anklet either,” I teased.

“I know I’ll end up with something priceless,” she said.

“Put your mouth where your mouth is,” I said, nodding at my cock.

“With pleasure,” she smiled as she knelt before me.

Beth kissed my cock on the head and looked at it lovingly before she raised her eyes to mine.

“Please use me and show your family I am indeed your whore,” she begged.

“Go for it, Beth,” I said. “Worship my big cock. Show it that you are worthy of it.”

Beth started with showing mom and Alex that she was not a slouch when it came to cock sucking, deep throating and face fucking. I ate her pussy and ass to orgasm before I fucked her pussy vigorously to a wild orgasm. I lubed her asshole thoroughly and put my cock to it, making her come over and over in different positions.

---

Dad arrived while I fucked Beth’s ass from behind on the loveseat.

“Hi,” said dad. “What’s going on here?”

“I want everybody to know that I am Nick’s whore forever,” gasped Beth, not missing a beat. “Mr. Callaby, I am proud to be your son’s fuck toy, and I’ll never be ashamed of doing his bidding and whoring myself to him.”

“Amazing!” he said. “I’ve never had a girl tell me she was my whore in private. You have a wonderful girl tell your family she’s your whore while she lets you have your way with her. You are one lucky kid, son.”

“I am the lucky bitch around here, sir,” she laughed. “Mr. Callaby, you have a great kid and a hot family.”

“Thank you,” said dad.

“She’s such a great girl she stands by my right to fuck other eligible sluts without jealousy,” I said.

“I can’t be his whore and be a selfish bitch,” she gasped. “I chose to be a lucky bitch instead.”

“Honey, come sit down here,” called mom. “They are putting on this show for us.”

“I’ll be back in a minute,” he said, walking away.

Dad returned in a few minutes and sat next to mom.

“She’s good, isn’t she?” said mom.

“Yes,” said dad. “He’s really putting it to her.”

“You thought she was virgin,” I teased.

“We were teasing,” she said. “We knew she was nowhere near virgin, but we didn’t know she was this bold.”

“Alex inspired her,” I said.

Beth came several times before it was time for me to come in her hot ass.

“I am going to fill your hot ass with come,” I announced, pounding Beth’s ass hard.

“Yes, baby,” she gasped. “Flood my ass with your hot come.”

Beth and I came together, and her orgasmic spasms drained my balls in her twitching ass. I kept my softening cock up her ass for a minute before I pulled out.

“I’ve already ate his come out of her ass,” mom said to dad. “It’s your turn now.”

“What?” he asked in shock.

“She’s sucked his come out of Alex’s ass, and I’ve sucked his come out of hers,” she said. “It’s your turn now. Let’s make her feel she’s family like she is.”

We were all taken off guard. Beth watched silently like the rest of us.

“But I...,” he said.

“Honey, just do it,” interrupted mom. “She’s waiting.”

He did not hesitate much before he resigned himself to it and got off the sofa.

“Stay as you are, Beth,” said mom as he walked to her.

Mom knelt before me and proceeded to revive my soft cock. Before long, Beth was moaning and grinding her ass into dad’s face as he ate her slimy asshole with enthusiasm. He sucked the come out, and she came in his mouth.

“Thank you, Mr. Callaby,” said Beth when dad finally let go of her ass.

“You are welcome,” he said as he returned to his seat.

Mom slapped her face with my sticky cock and returned to her seat.

“This brings us to the end of our show,” I said, pulling Beth up to her feet. “Thank you all for your patronage.”

“Congratulations, kids,” mom said.

“Thank you,” I said.

“Thank you,” said Beth, bowing down and out.

---

Beth and I left to my room.

“Wow!” she exclaimed. “What your dad did was a big surprise. I didn’t expect it.”

“Me neither,” I said.

“Your mom’s really wicked,” she smiled. “She sucked your cock while he ate your come out of my sloppy ass.”

“I told you she was a hot-assed woman,” I said.

“She sure is,” she said.

“You are spending the night, aren’t you?” I asked.

“I didn’t plan on it, but I think I can,” she said.

“Alex started to sleep in my bed ever since I deflowered all her holes,” I said.

“You deflowered all her holes?” she asked in surprise. “She was a complete virgin?”

“Yes,” I said.

“She’d never be able to let go of your cock even if she wanted to,” she said.

“Thankfully she doesn’t want to,” I said.

“Is she going to sleep in your bed tonight?” she asked.

“Would you mind?” I asked.

“No,” she said.

“You’ll both sleep in my bed tonight,” I said.

“Are we really going to sleep?” she teased.

“That will depend on how tired you’ll be,” I said.

Within a few minutes, her ass was deeply impaled on my cock while she rode me leisurely.

“Don’t you think your family deserves to know whose whore you are?” I teased.

“You want to fuck me in front of them?” she asked. “Do you have the guts?”

“I think in this situation you should be asking about the balls, not the guts,” I teased. “You are the one who needs the guts to take the come I’d pump down your throat and up your ass.”

“I know I have the guts, but do you have the balls for that?” she asked.

“I have the balls and the spunk for it,” I said.

“I guess my family has the right to know what kind of girl their girl is,” she said.

“Do you think they can be proud of you?” I asked. “You know I am very proud of you.”

“I think if we put on an impressive performance they’d have no other choice,” she said.

“You know that’s the only way we can do it anyway,” I said.

“I think we should go for it,” she said.

“Me too,” I said.

---

Beth and Alex shared my bed and my cock that night. It was a lot of fun. They behaved like loving sisters without any jealousy or rivalry. They both got fucked silly.

## SPREADING THE WORD

On Monday morning, Beth and I decided to spring our surprise on her family that afternoon. I sent her home after a good morning fuck and took it easy for most of the day. That naturally did not mean that I did not fuck mom and Alex. I also called Erin and felt her up about dad’s calendar. I found out that on Thursday he was going to be busy all morning until two in the afternoon. I did not tell her what I had in mind.

Beth gave me a call when she thought her dad was about three hours away from coming home. I left right away.

---

Beth’s mom was in the kitchen when I arrived. She was finishing up with the dishes when I came behind her and wrapped my arms around her.

“Nick?” she asked, startled. “Is that you?”

“Yes, Mrs. Conkley, it’s me,” I said quietly. “Did you have a good time on your vacation?”

“Yes, I did,” she said.

“I am glad to hear that,” I said. “Welcome back. I missed you.”

“Thank you,” she said. “I missed you too.”

“Did I catch you at a bad time?” I said. “I want to have a word with you.”

“No, it’s okay,” she said, trying to turn around.

“Stay as you are, Mrs. Conkley,” I said softly, holding her tightly so she would not be able to turn around. “It won’t take long. I want to whisper it right in your ear.”

“You shouldn’t hold me like that,” she complained softly but did not try to remove my arms.

“I am making sure you won’t run away,” I smiled.

“I won’t run away,” she said. “I promise.”

“I believe you, but I have nothing better to do with my hands or arms,” I said. “Why don’t you hear me out instead of keeping me holding this sexy body of yours longer than I should?”

As we talked, my boner bumped into her ass.

“What was that?” she asked. “An erection?”

“Don’t talk like bad girls, Mrs. Conkley,” I said without pulling back. “It’s a boner but not for you, so relax.”

“You don’t press a boner into my butt and tell me it isn’t for me,” she said, not pulling away.

“I was afraid, if I told you it was for you, you might panic,” I said.

“Why would I panic?” she said.

“It may be too big for you,” I said. “I am not sure you can handle a boner this big.”

“I am a big girl, Nick,” she said. “If my daughter can handle it, I definitely can.”

“Don’t take your daughter lightly,” I said. “She wouldn’t have been able to handle it had she not trained intensively and constantly for a long time. She’s even still training, and she can’t handle it easily.”

“I’ve never heard her complain,” she said.

“What could she say?” I teased. “Mom, my boyfriend’s cock’s too big for me. I can’t handle it all alone. Can I have Lisa help me with it? Are you serious?”

“I am sure you are exaggerating,” she said. “Anyway, I assure you that no man can have a boner too big for me.”

“Well, if you insist, it’s for you,” I said. “You are a hot woman. You even deserve a bigger one.”

“You are a bad boy, but I like you,” she said.

“The feeling’s mutual, but you are a good girl,” I said.

“Nick, if someone walked in on us, they wouldn’t understand,” she said.

“Do you know why?” I asked.

“Because it’s wrong,” she said.

“Exactly,” I said. “We are doing something wrong. Do you know what it is?”

“Well, you shouldn’t press your boner into me,” she said.

“You said it wrongly, Mrs. Conkley,” I said. “If someone heard you, they’d think I am pressing my boner into your pussy, but that isn’t true, is it?”

“Okay, you are pressing your boner into my butt,” she said.

“Do you know how it should be done?” I asked. “What’s a hot woman like you supposed to do when a big boner’s pressed into her sexy ass?”

“You don’t mean that she should push back and grind into it,” she said.

“You are a smart girl, Mrs. Conkley,” I said.

“You are a wicked kid,” she admonished.

“It seems that for every nice compliment I give you I get a bad one,” I said, “but I like it.”

“Okay, Nick, thank you for the compliments,” she said.

“You are welcome,” I laughed. “You’ve started to say the right things. Now, do the right thing.”

“What do you mean?” she asked. “You don’t mean that I should grind into you?”

“No, of course not,” I said. “Mrs. Conkley, you must be excited. You keep talking about your pussy while all you should do is grind your hot ass into my big boner. Let’s do it right before somebody walks in on us.”

“Nick, what you are doing is doing things to me,” she said as she started to push her ass into my boner.

“It’s making you feel like a woman?” I asked.

“Yes,” she hissed.

“You are a woman,” I said. “You should feel like one all the time.”

“It’s my daughter’s boyfriend that’s making me feel like a woman,” she protested.

“If the horniest guy in town didn’t make you feel like a woman, something would be terribly wrong,” I said, gently grinding into her ass. “If my sexy girlfriend’s hot mom didn’t turn me on, something bigger would be terribly wrong.”

“What would we do if Beth walked in on us?” she said.

"I'd tell her that I couldn't resist her mom's irresistible ass," I said. "She'd understand. She has one herself."

"You don't feel lust for me, do you?" she asked.

"Not any more than you feel lust for me," I said. "Well, maybe a little more."

"You are so bad," she said.

"You are so nice, Mrs. Conkley," I said.

"I am doing it again, aren't I?" she asked.

"You mean getting wet?" I whispered. "I think you are."

"You like making me do bad things, don't you?" she accused.

"No, I don't like making you drip into your panties," I said. "That's a waste unless you intend to give them to me when they are soaked. I'd really like to smell you and taste you on them. I am a sucker for delicious flavors."

"You are so bad," she said.

"This is getting old," I teased. "It's time you used other compliments. Tell me I am a good boy."

"You are a good boy," she said as I moved my hands up, cupping her big tits gently.

She gasped.

"I knew you'd like that," I teased.

"That was wicked," she said.

"Are you afraid of giving me good compliments?" I teased, squeezing her tits. "You are thinking that if you told me I was a nice boy I might cup your wet pussy and make you come within seconds. You are wrong."

"What do you mean I am wrong?" she asked.

"I wouldn't touch your wet pussy and make you come unless you wanted me to," I said.

"How would you know if I wanted you to?" she asked.

"You'd tell me clearly," I said. "You'd even say 'please'."

"You are confident, aren't you?" she said.

"For a guy who's fondling his future mother-in-law's tits and grinding his big cock into her tight ass, I should be very confident, but I am not," I said. "I am merely stating the obvious. Doing what I am doing right now is one thing, but making my hot future mother-in-law come on my fingers is a totally different ball park. I'd have to be very sure."

"You have to be very sure about what?" she asked.

"I'd have to be very sure if the hot woman in my arms really wants, actually needs, to come hard on my fingers," I said. "Otherwise, the woman may hurt herself."

"Why would she hurt herself?" she asked.

"If I made you come on my fingers right now and you didn't want me to, you'd be mad at me and probably push me away," I said. "If I let you go, you'd collapse on the floor and probably hurt yourself."

"Why would I collapse on the floor?" she asked.

"Because you wouldn't be strong enough to stand after you'd come so hard on my fingers," I said.

"Nick, if you do this to me, what do you do to my daughter?" she said. "She must be putty in your hands."

"Thank you for bringing us back to the reason I am here," I said.

“Oh, what was the thing you wanted to talk to me about?” she said.

“You know, Mrs. Conkley, what we are doing right now confirms that I’ve made the right decision,” I said.

“What decision?” she asked.

“Your lovely daughter and I made a lifelong commitment to each other,” I said.

“What commitment?” she asked.

“We committed to stay in love forever,” I said. “Beth promised that she’d be forever my whore.”

“Your whore?” she asked in shock. “She promised to be your whore forever?”

“Yes,” I said. “She wasn’t too shy to let me know how much she loved me.”

“Being your whore isn’t about love,” she said. “It’s about lust and being out of one’s mind.”

“Isn’t that the craziest level of love?” I asked. “We love each other. If we remain in lust, we are all set.”

“Both of you are too young to make a lifelong commitment anyway,” she said.

“We know that,” I said.

“Both of you will meet other people and experiment,” she said.

“Why would we do that if we were comfortable with each other?” I asked. “If you like your car, why would you test drive every car you can? I already know how she’ll be when she’s older. I like what I am holding in my arms and in my hands and what’s grinding into my big cock. I also love my future mother-in-law. She also likes how hard I love her. Look at her. She’s rubbing her hot ass into my big cock so shamelessly while I knead her fine tits freely.”

“If you really love her, how come you are doing this to me?” she asked.

“There is nothing wrong with what we are doing,” I said. “Look at you. You are married, and you love your husband, but you are doing this with me. I assure you that Beth has no problem with what we are doing. I’d never hide anything from her. Would you like me to tell her that you gave me your soaked panties if you really did?”

“Of course not,” she said.

“You don’t want her to know that her mom’s a hot scorch, do you?” I teased.

“I don’t want her to know that her mom’s a bad girl and get disappointed in me,” she said.

“Her mom’s a good girl, and she should be proud,” I said. “If you were a bad girl, you wouldn’t come on my fingers and it wouldn’t be one orgasm only if you know what I mean. Mrs. Conkley, I know I can easily hike your dress, pull your soaked panties aside and shove my big cock all the way into your dripping pussy. The only thing you could do is convulse in orgasm and beg for more when you recover, but I am not doing that. Do you know why?”

“Why?” she asked, trembling.

“Because you are a good girl,” I said. “I don’t do that to good girls. I make good girls beg for my big cock to make sure that it’s what they really want.”

“Do you make Beth beg for it?” she asked.

“Do I make her beg for what?” I teased.

“Do you make her beg for your cock?” she asked, trembling.

“Beth isn’t the only good girl I fuck,” I said. “Yesterday, she watched another good girl beg for my big cock before I let her suck it and fuck it. That girl also watched me fuck Beth while she begged for my big cock.”

“You really make them do that?” she asked.

“Yes,” I said. “That’s what you’d have to do too if you ever wanted me to fuck you in front of Beth.”

“I’d never do that,” she said.

“You’d never do which?” I asked. “You’d never want me to fuck you in front of her or beg for my big cock?”

“I’d never do either,” she said.

“That’s what they all think in the beginning, but they soon come around,” I said. “Have you ever imagined your sweet daughter begging me to fuck her in front of an audience or letting her boyfriend fuck another girl in front of her and others? Those sluts are all mine though. My sluts share me, but I don’t share them. That’s just who I am.”

“That’s actually better,” she said. “It’s safer.”

“Do you want to join my harem?” I teased.

“I am a married woman,” she said.

“I only share married women and only with their husbands and my sluts,” I said. “You can still be married.”

“Gee, thanks,” she smiled.

“Do you want me to leave you high and soaked or make you come on my fingers like a good girl?” I teased.

“Yes,” she hissed.

“Yes, what?” I teased.

“I want you to,” she said.

“You want me to leave you?” I teased.

“No, I want you to make me come,” she said.

“On my big cock?” I teased.

“No, on your fingers,” she said.

“Like a good girl?” I asked.

“Yes,” she hissed.

“Be a good girl and beg for what you want,” I said. “Be clear about what you want.”

“Please make me come on your fingers,” she gasped after some hesitation.

“Would you give me your soaked panties if I did?” I teased.

“Do I have to?” she asked.

“No, you don’t have to,” I said. “You never have to do anything for me. I’d hope you’d want to though.”

“Okay, I would,” she said.

“Are they soaked already, or should we let you leak until they are saturated?” I asked.

“They are completely soaked,” she hissed.

“Yummy,” I said. “If you are really a good girl, I may sample your tasty juices right from the tap one day, maybe even today if you are as hot as I think you are.”

She groaned.

When she least expected it, I let go of her tits and wrapped my left arm tightly around her. I lowered my right hand to her crotch like a flash. I mashed my palm and fingers against her pussy, and she stiffened right away. I captured her left earlobe between my lips and sucked it. She shook in orgasm, gasping, moaning and babbling incoherently while

I rubbed her pussy hard through her dress and panties. She shook in my arms for a while before she went limp. I held her tightly with both arms, my right hand still cupping her pussy. She gasped for air.

“Was that to your liking, or should I try again?” I teased.

“That was amazing,” she gasped.

“Do I get the trophy?” I asked.

“You do, you bad boy,” she said.

“Are you mad at me, good girl?” I teased, gently squeezing her pussy.

“No way,” she said. “That was the best orgasm I had in a very long time.”

“I am happy to hear that although I was shooting for the best orgasm of your life,” I said.

“It may well be the best orgasm of my life,” she said.

“Climb onto a chair so I can take my trophy,” I said.

“You can just pull it down,” she said.

“Mrs. Conkley, this is a serious trophy,” I said. “Have you ever seen a winner grab a trophy and walk away? Don’t they always make a big production of it? Trust me that this is a bigger trophy than the ones you’ve seen on TV. There is a special ritual for taking this kind of trophy from a sizzling hot woman like you, especially if married.”

She walked slowly as I led her to the kitchen table. I pulled a chair out and helped her climb onto it, facing me.

“Hold it up,” I said as I hiked her dress. “I already like your smell.” I inhaled deeply. “You are so hot. You must have a cock-craving pussy.”

“Is there a pussy that isn’t?” she said.

“There are a lot of pussies that don’t crave cock half as much as yours,” I said. “Most sluts’ pussies don’t. You are such a hot cock-loving woman. I really love being with you and being your hot daughter’s lucky boyfriend.”

“Thank you,” she said.

She held her dress, and I held her ass cheeks outside of her bikini panties. I pressed my face into her crotch and inhaled deeply. I moaned in appreciation.

“You deserve a big cock to be thrusting inside you all the time,” I said.

“I am not in my right mind,” she said lowly. “I’d never do this if I were.”

“I am glad you are not in your right mind,” I teased. “I like your left mind better. Cock love’s what makes you a woman. Don’t be shy of being a woman. Part your legs a little.”

She parted her feet. Her panty crotch was soaked. I slowly pulled her panties down.

“Your pussy’s so wet and mouthwatering,” I said when her dripping pussy was exposed. “It’s hungry for cock.”

She moaned.

When her panties were around her knees, I let go of them and held her bare ass.

“What are you doing?” she gasped, trembling, when my lips covered her juicy nether ones.

She held to my head probably to steady herself as I proceeded to lick and suck her wet pussy. I could have made her come in less than a minute, but I did not. I fondled her ass freely as I licked her pussy. After keeping her on the edge for a couple of minutes, she found out that I was not going to make her come if I continued like that.

“Please make me come,” she gasped.

That magic word had her coming within several seconds. She held my head tightly as her pussy gushed around my tongue. I slurped everything she offered and sucked for more. I licked her gently while she recovered.

“You are amazing,” she gasped.

“Now, turn around and bend over,” I instructed. “I want to take a look at your irresistible ass.”

“You are making me do things I’ve never done before,” she said quietly as I helped her turn around.

“You’d enjoy a new experience,” I said. “Don’t they say it’s easy to teach new tricks to a young bitch in heat?”

“I am sure acting like a bitch in heat,” she moaned as she bent over.

“You are too sexy when you do that,” I said.

“This is so shameless,” she said as she presented her ass to me.

“It isn’t shameless enough,” I said. “Don’t be shy, Victoria. Be a good girl, and spread your hot ass. A good girl’s never too shy to show her appreciative guy how hot she is. I love your ass, so show it to me proudly.”

“I am being a bad girl,” she moaned as she reached back and spread her ass cheeks with both hands.

“You are being a good girl, Victoria,” I said. “Bad girls need to be spanked before they comply.”

“You think I am a good girl because I do your bidding?” she said.

“That’s right, Victoria,” I said. “Not only do you do my bidding, but you also love it. I can see how hot and wet your little pussy is. Can you feel me stare at it? Can you feel it leak to please me?”

“Yes,” she hissed.

“I can see that you have a very pretty asshole too,” I said. “It’s mouthwatering. It really makes me drool. If you want me to lick that luscious little asshole of yours, go ahead and beg for it.”

“Nick, that isn’t right,” she said. “You shouldn’t put your tongue there.”

“Is it virgin?” I asked.

“Of course, it is,” she said.

“I’d only lick virgin assholes for the first time,” I said. “Don’t worry about me though. I wouldn’t do anything I shouldn’t do no matter how bad you begged. Now, beg me to lick your delectable asshole, and see what I’d do.”

“This is so unbelievable,” she moaned. “Please lick my little asshole.”

“I’ve dreamed about licking your luscious asshole,” I said as I grabbed her tits with both hands. “It’s so pretty.”

She gasped and squirmed as I teased her asshole with my tongue tip. Her asshole clenched defensively. I gave it a deep kiss that made her moan and let her asshole start to relax.

“This feels good,” she moaned as she gently ground her ass into my face.

She got no answer from my busy mouth. I licked and sucked her asshole, feeling and hearing her get hotter and hotter until her orgasm finally hit her.

“I can’t believe this, but I am going to have a big orgasm,” she gasped.

She had a big orgasm, her asshole twitching around my wiggling tongue tip. I licked her asshole gently when her orgasm subsided. I then licked her drenched pussy clean.

“Nick, that was incredible,” she gasped. “How did you do that?”

“I do it all the time, Victoria,” I said. “You have a very sensitive asshole, and hot assholes are my specialty.”

“I’d never have found out,” she said.

“Sit on the dining table and catch your breath for a minute,” I said, holding her dress.

As she sat down, I kept her dress hiked, letting her sit on her bare ass.

“Let’s not soak your dress,” I explained.

“I don’t know how you do this, Nick,” she said. “Nobody has ever made me this horny.”

“Maybe they couldn’t figure out the switch to turn you into a hot slut,” I said, reaching for her dress zipper.

“I have a switch that can turn me into a slut?” she asked.

“You do unless you are now behaving normally and you usually let any guy have his way with you,” I said.

“No, I’ve never behaved like this,” she said as she helped me pull the top of her dress off her arms. “I’ve never been this naughty. You made me do things I’d never do for my husband.”

“It looks like I have your combination,” I said, unhooking her bra.

“What are you doing?” she asked quietly.

“We need to get rid of your bra,” I said. “It isn’t appropriate for the show you are going to watch.”

She helped me take off her bra, and I tossed it on the dining table behind her. I stared at her tits meanwhile.

“You have great tits,” I said, holding her tits up in my hands. “They must feel incredible around a cock as big and hard as mine. They are so firm and big.”

“Thank you,” she gasped as I gently took her stiff left nipple between my lips and sucked gently.

She moaned as she held my head to her tit. I used my left hand to fondle her right tit and pull on her nipple. When I moved my mouth to her right nipple, I slid my left hand between her legs. She moaned as I slid two fingers into her dripping pussy. I finger fucked her gently while sucking her nipple. I pulled my slick middle finger out of her pussy and gently pushed it up her asshole. She gasped but did not tense enough to stop my progress, especially as I used my thumb to rub her clit gently. She gasped as she held my head to her tit. I soon had one finger all the way in each fuck hole and my thumb against her clit. I gently ground my fingers into her while I switched my mouth back and forth between her happy nipples. I used my right hand to stroke her back and occasionally toy with her mouth and tongue. She humped my fingers, milking them.

“Be a good girl if you want to come,” I said as I switched my mouth to the other nipple.

“Please make me come,” she moaned.

“Do you want to come for me, my slut?” I teased.

“Yes,” she hissed as I started to jerk my fingers within her.

“Are you really my slut?” I teased.

“Yes,” she hissed. “I’ll forever be.”

“Promise?” I asked.

“I promise,” she said.

“Come for me, my slut,” I said.

With my fingers working hard on her nether fuck holes, I sucked her nipple hard and then bit it. She stiffened and came. I pulled off her tit and watched her convulse in orgasm while I diddled her fuck holes. She shook and gasped, her eyes unable to focus. I smiled at her when her orgasm finally subsided. I slowly removed my fingers from her pussy and ass.

"That was incredible, Nick," she gasped. "You are unbelievable. No wonder Beth wants to be your whore forever."

"So does her mom, doesn't she?" I said.

"Yes," she hissed.

She was still gasping when I pulled her dress up her arms and zipped it up. I gently took her feet out of her panties. I used her soaked panties to wipe her drenched pussy. I looked in her eyes as I deeply inhaled her aroma. I made her panties into a ball and shoved them down my pocket. I pulled the skirt of her dress down. She raised her ass to help me straighten it.

"Nick, you are amazing," she said. "If my daughter let you go, I'd kill her."

"She'd deserve it if she were that dumb, but fortunately you won't have to," I said. "She promised never to."

"She better," she said. "You know that if you wanted to fuck me, I wouldn't have been able to resist you."

"We both know that, but you are a good girl," I said. "A good girl has the right to enjoy begging for my big cock."

"Is that all it is?" she teased.

"I think so," I said. "Didn't you enjoy begging me so far? I know I did."

"I did too," she said.

"Victoria, in a few minutes, Beth and I are going to show you how deeply we love each other," I said. "You are going to watch her get fucked silly in all three fuck holes."

"You are going to do her in the ass?" she asked.

"She'd hate me if I didn't," I said. "That's our favorite. You'll understand when you try it. Haven't I showed you that your hot virgin ass was made for cock?"

"You have," she said lowly.

"The big cock it was made for is right here," I said. "It's rock hard as it thinks about it. I'll soon fuck you in all your three cock-hungry fuck holes, and you are going to love every second of it. I'll make you my married whore."

"You are making me horny even after four orgasms," she said.

"Four orgasms are nothing for a horny slut like you," I said. "You'll see."

"You are making me feel like a teenager on her first date," she said.

"It isn't even our first date yet," I said. "I am just asking you out now."

"I accept," she said. "I am looking forward to it."

"I am thrilled," I said. "Thank you."

"Thank you for the orgasms," she said.

"You are welcome," I said. "I assure you that I enjoyed them more than you did. Thanks for the panties."

"I can't believe I did that," she said.

"You can't believe that you are a hot slut?" I whispered. "Wait until you see what you'll do when I fuck you."

"I am so horny," she said.

"If you are a good girl, I may finger fuck you after the show," I said.

"Thinking about that makes me even hornier," she said.

"That's where I want you," I smiled.

“You got me where you want me,” she said.

“I know,” I said as I gently raised her chin with my fingertips and looked at her lips. “I am going to kiss you.”

She did not say anything. She just looked at my lips as they approached hers. Our lips finally met, and we kissed gently at first. It was then feverish, and I squeezed her tits and pinched her nipples while our tongues wrestled fiercely. We finally broke the kiss, gasping.

“People normally kiss at the beginning,” she gasped. “We kissed at the end.”

“We actually had our first kiss before our first date,” I smiled. “Isn’t that something?”

“This whole thing has been out of this world,” she said.

“Are you now ready to watch your hot daughter get fucked silly in every possible way like the decadent slut taking after her slut mom she is?” I teased.

“You think she’s taking after me?” she asked.

“If you know a slut hornier than you, please introduce me to her,” I teased.

“Now that you put it this way, I don’t know any,” she said. “I wouldn’t introduce you to them if I did either.”

“Your daughter will make you proud,” I said.

“I bet you’ll make sure of that,” she said.

“Go hide your bra and come to the living room,” I said.

“You are going to do it in the living room?” she asked.

“Didn’t her mom do it in the kitchen?” I teased.

---

While I was talking to Victoria, Beth talked to her little sister. They talked gossip for a while before Beth steered the conversation to the right direction.

“Lisa, do you think you are mature enough to handle watching Nick have me?” Beth asked her sister.

“You mean have sex with you?” asked Lisa.

“Yes,” said Beth. “Would you like to watch him take me for all I am worth?”

“Really?” asked Lisa in disbelief. “Would you be okay with that?”

“Sure,” said Beth. “I want to show you that I am his total slut now and forever.”

“If mom found out about that, she’d kill us, especially you,” said Lisa.

“Mom already knows about it,” said Beth. “She’s going to watch with you.”

“Are you serious?” asked Lisa.

“Of course, I am serious,” said Beth. “I didn’t invite her though. Nick did.”

“Nick asked her to watch him fuck you, and she didn’t kick his ass?” asked Lisa.

“She likes him,” said Beth. “He can talk her into almost anything. He can probably talk her into joining me.”

“I can’t believe that,” said Lisa. “Are they in your room already?”

“Of course not,” said Beth. “We are doing the show in the living room.”

“Are you crazy?” said Lisa. “If dad comes home, he’s going to kill us all, especially mom and you.”

“We are counting on him joining the audience,” said Beth. “I want everybody to know that I am Nick’s whore.”

“Whose crazy idea was that?” said Lisa.

“It was my idea to have him fuck me in front of his family and his idea to fuck me in front of mine,” said Beth.

“You are also going to let him fuck you in front of his family?” asked Lisa in disbelief.

“We’ve already done that,” said Beth.

“He’s already fucked you in front of his family?” asked Lisa.

“Uh-huh,” nodded Beth.

“Who watched?” asked Lisa.

“All of them,” said Beth. “His mom and sister watched from the beginning, and then his dad joined us. We even did a lot more than that.”

“Are you serious?” asked Lisa in disbelief.

“Yes,” said Beth.

“If this is true, you are a complete whore,” said Lisa. “What kind of messed up family does Nick have?”

“Human,” smiled Beth, “just like us.”

“Human or perverse?” said Lisa.

“I wouldn’t be surprised if you and mom let him lick your pussies after the show right in front of dad, you sluts,” teased Beth, smiling.

“We are not sluts like you,” said Lisa.

“Let’s revisit that after the show,” smiled Beth. “You are coming, aren’t you? I don’t mean on Nick’s tongue.”

“I’ll be there in a minute,” said Lisa. “I wouldn’t miss the craziest show in the world even if dad kicked my ass.”

“Stuff your panties with a big wad of paper towels or bring a fluffy towel,” teased Beth. “Your pussy’s going to run like a small river.”

“You wish,” said Lisa. “I am not a pervert like you two.”

“You are still virgin,” said Beth. “You don’t know what sex is like. This is going to be a shock to you. You are about to watch a whore get fucked like the whore she is. I wouldn’t be surprised if you fought me on his big cock.”

“We’ll see,” said Lisa.

“I’ll get going before mom loses control and rapes my boyfriend,” smiled Beth. “She must be dripping by now. Don’t take long.”

---

When Victoria and I went to the living room, Beth was already there. She noticed when I squeezed her mom’s ass mostly by her mom’s reaction. I sat next to Beth on the loveseat, and her mom sat on the sofa.

“Is Lisa here?” I asked.

“She’ll be down in a minute,” said Beth.

“Did you tan naked while on vacation?” I asked her.

“You know I hate tanning,” she said. “Besides, the sun makes me hot.”

“Especially your moons,” I teased. “It isn’t the only such thing either.”

“You do that to me sometimes,” she said.

“I should do it more often,” I said.

“I think so too,” she said.

Lisa came down and sat on the other end of the sofa.

---

“Nick and I will put on this show to announce and celebrate my commitment to him to be his whore forever and his commitment to use me accordingly and keep me so,” said Beth. “I’ll do dirty things most whores wouldn’t do.”

Beth smiled at me, and we started kissing. She felt up my boner, and I felt up her tits, pinching her stiff nipples through her top, while we kissed feverishly. It soon was obvious she was not wearing panties as I finger fucked her leaky pussy, and she humped my fingers. We broke the kiss long enough for me to take off her top and toss it aside.

Our kiss resumed heatedly. I helped her take off her skirt, getting completely naked, and take off my shorts and briefs, exposing my hard cock. She stroked my cock for a couple of minutes, and I fingered both her fuck holes. We were still kissing when she climbed astride me and held my cock head against her dripping pussy. My fingers were still inside her pussy and ass.

“What do you want, Beth?” I asked, breaking the kiss.

“I need your big cock,” she moaned, humping my fingers. “Please fuck me and use me like a dirty whore.”

“Victoria, would you mind if I made your lovely daughter my dirty whore?” I asked.

“No,” said Victoria. “I am sure you’ve already done that.”

“Lisa, do you have a reason why I shouldn’t grant your slut sister her horny wish?” I asked.

“No,” said Lisa lowly.

“Come on my cock, Beth, and then show them how you worship it,” I said, taking my fingers out of Beth’s pussy.

“Yes,” hissed Beth, pushing her dripping pussy around my cock head.

Beth stiffened and came before her needy pussy reached halfway down my cock. I jerked my fingers within her twitching asshole while she shoved her gushing pussy into the base of my cock wildly. When her orgasm subsided, I removed my fingers from her ass, and she sucked them eagerly.

“Suck it, my slut,” I instructed. “Show your mom and sister that you belong to my big cock. Show it you are mine.”

Beth dismounted me and knelt between my feet. Her first task was to clean up my glistening cock and balls. She did a great job at that and proceeded to worship my cock. She sucked and deep throated my cock lovingly.

“Victoria, your daughter’s a very sexy girl,” I said. “Actually, your other daughter’s very sexy too. So are you.”

“Thank you,” said Victoria.

“She has a very hot mouth,” I said. “She loves sucking my big cock, and I love having her suck it. You and Lisa have hot mouths too. Any guy would love to have either of you suck his cock. He’d give anything to have the two of you or rather the three of you suck it at the same time. My cock’s getting so big in Beth’s mouth as I think about it.”

“You really think we are so hot?” said Victoria as Lisa looked at me with an open mouth in shock.

“I don’t want to sound rude, but I’d really love to have you suck my big cock and take it all the way down your hot throat. I bet you are so hot you’d let me shoot a big come load against the back of your throat. You’d swirl it with your tongue before you swallow it all to the last drop. I am sure you’d even gargle with my creamy come occasionally.”

Lisa continued to look at me and at her mom in shock.

“Thank you,” said Victoria.

“I am sure you’d be an amazing cocksucker,” I said.

“Thank you,” she said.

“I bet Lisa would too,” I said, looking at Lisa, who blushed on top of her shock. “Her sweet soft lips would feel wild stretched around my fat cock as it leaks in her hot mouth. I have no doubt she’ll soon be a serious cocksucker. I volunteer my big cock to help too. She’s going to make a lucky bastard very happy. I hope he can make her as happy.”

“She’s too shy to thank you, but that was a serious compliment,” said Victoria. “Thank you.”

“Her innocence adds to her appeal,” I said. “It will be a priceless treat for the guy who gets to see her innocent pretty face covered with his thick creamy white come for the first time. I envy that lucky guy.”

“I thank you on her behalf,” said Victoria as Lisa continued to blush.

Beth silently but lovingly worshiped my cock for fifteen minutes. I stood up and fucked her face for a few minutes, driving my cock all the way down her throat at every thrust.

Both Lisa and her mom watched raptly from the start.

“Mom, are you okay with this?” asked Lisa as I fucked her sister’s throat.

“Both you and I are okay with it,” said Victoria. “She’s his girlfriend, and she wants him to use her this way.”

“What if dad came home while they did this?” asked Lisa.

“They are not doing anything wrong,” said Victoria. “Your dad has to understand just like you and I do.”

Lisa let it drop and returned to watching us as I slapped her sister’s face with my sticky cock.

Beth and I shared a deep kiss during which I maneuvered her onto her back on the loveseat, her legs over her head. I knelt down and ate her dripping pussy to orgasm. She spread her horny ass, and I ate her asshole to orgasm. She reached out for the lube on the end table and handed it to me. I squeezed a generous amount on her asshole and lubed it well. I then vigorously fucked her ass with two fingers to orgasm while she spread her ass with both hands.

“Is there anything else I can do for you?” I teased as I flicked my engorged cock head at her glistening asshole.

“Yes,” she hissed, spreading her ass wide. “Please fuck your whore’s cock-hungry ass with your big hard cock.”

“Are you sure?” I teased as I lubed my cock.

“Yes, please,” she hissed.

“Victoria, I am going to fuck your lovely daughter’s gorgeous ass with my big cock,” I said as I pushed my cock into Beth’s offered asshole. “It’s something most girls good or bad wouldn’t do. Are you okay with that?”

“Yes,” said Victoria as my cock head stretched her daughter’s asshole and slid in, making Beth gasp.

“She once told me you told her never to let a guy near her sweet little asshole,” I said, stuffing Beth’s ass slowly.

“That was for other guys,” said Victoria. “I didn’t want anybody to hurt her. I know you’d never do that.”

“You think this is going to be good for her?” I asked as my cock continued its slow but smooth progress.

“Yes,” she said.

“I assume that you are going to treat Lisa similarly,” I said. “If she found a guy as nice as I am who could take good care of her little ass, you’ll be okay with letting him use it properly.”

“Yes, but I advise her to be very careful,” she said. “Those guys are not easy to come up with.”

“I completely agree with you that I am a priceless specimen,” I said.

“Seriously you are,” she smiled.

“As a good mom, it’s your right to ask me to be nice to your lovely daughter,” I said. “I don’t mind that although you know I’ll be nice to her. Go ahead, and ask me to fuck your daughter’s hot ass royally if that’s what you want.”

“Nick, please fuck my daughter’s ass royally,” she said. “Show her the hot time you both deserve. Also, show her little sister how amazing love is when it’s done right.”

Lisa looked at her mom in disbelief.

As soon as Victoria asked me to fuck her daughter’s ass royally, I shoved the rest of my cock up Beth’s ass, pressing my balls against the back of her ass. Beth stiffened and came hard.

“Thanks, mom,” gasped Beth as she shook and her asshole twitched around my cock.

“You are welcome, sweetie,” said Victoria.

“Your daughter’s amazing ass was definitely made for my big cock,” I said to Victoria as I pounded Beth’s trembling ass vigorously. “I am sure Lisa can tell.”

Lisa blushed.

“Lisa should worry about her own ass,” gasped Beth as she continued to come. “I don’t think she knows yet for which cock it was made. She better guard it well and not let anybody else touch it.”

Lisa blushed more deeply.

“I bet hers was made for the same big cock yours was made for,” I teased. “I’d love to help her find out.”

“I bet you would,” gasped Beth as her orgasm subsided.

“Did you enjoy your orgasm?” I asked.

“Yes,” she hissed.

“Show me,” I said as I yanked my cock out of her ass and pulled her head to my crotch.

Beth opened her mouth wide and swallowed my cock eagerly, shocking her mom and sister. I fucked her throat gently for a couple of minutes. I pushed her back into position and returned my cock to her ass.

“Tell your mom and sister how a good girl keeps her ass always ready for cock,” I said, thrusting in Beth’s ass.

“Anal hygiene’s the most important thing,” moaned Beth. “A girl’s ass has to be clean inside out, using enemas thoroughly. Everything else comes through training and practice.”

“There is more to a good girl than begging for cock,” I said to Victoria and Lisa, fucking Beth’s ass hard. “Good girls are all about loving cock and being always ready for it in every possible way. Beth’s a genuine good girl.”

Beth had an orgasm, but I continued to fuck her ass hard to her next orgasm. I then fucked her ass gently.

When Beth recovered, I pulled out of her ass and pulled her head to my cock. I fucked her throat for a few minutes before I led her to the middle of the sofa between her mom and sister. She got on her knees and thrust her ass out lewdly. I guided her mom’s hand to one of her ass cheeks and pulled it out. Victoria got the hint and kept that cheek pulled out. I then guided Lisa’s hand to Beth’s other cheek. Lisa resisted a little.

“She’s your sister,” I said. “Help me give her hot ass a serious fucking.”

Lisa blushed but relaxed and let me use her hand to pull her sister’s ass open.

“Squeeze lube on her asshole and some along my cock,” I said as I handed the lube to Victoria.

Victoria added lube to her daughter’s splayed asshole and squeezed more on my shaft.

“I don’t think either of you knows this, but greedy asses need serious drilling,” I said, pushing my cock into Beth’s willing asshole. “Watch closely to see how greedy it is. That’s why it needs good lube.”

My cock smoothly slid up Beth’s ass, making her moan. My balls pressed into her dripping pussy before I pulled most of the way out and started to work my cock in and out of the offered ass.

“Your daughter has an amazing ass,” I said to Victoria. “You also have a spectacular ass. Although I’ve never seen Lisa’s ass, I can tell that she has the same perfect ass her mom and sister have. She’s a hot and lucky girl.”

“Thank you,” she said.

“Have you ever had a big fat hard cock skewer your hot little ass like this and make you feel ecstatic?” I asked.

Lisa looked up at me in shock.

“No,” said Victoria lowly. “I’ve never been that lucky.”

The second part of Victoria’s statement startled Lisa.

“Have you?” I asked, looking down at Lisa, who was still looking at me.

“No,” said Lisa, blushing.

“As you can see, your sister loves having her horny ass fucked royally like nothing else in the world,” I said to Lisa as I fucked Beth’s ass faster. “I hope one day you can experience this delight yourself. You’ll love it madly.”

Lisa blushed but did not reply.

Beth came, and I pounded her ass hard until she relaxed.

“Keep her horny ass spread wide,” I said to Victoria and Lisa, as I slowly pulled out of Beth’s ass.

Beth’s asshole gaped, shocking Lisa.

“Is it okay?” asked Lisa with concern as I knelt down and held Beth’s hips.

“It’s wonderful,” moaned Beth as I stuck my tongue up her open asshole.

Lisa watched in disbelief as I gave her sister’s loose asshole a deep kiss. Beth moaned and ground her ass back. Her ass was still gaping when I drooled inside it and pushed my hard cock into it. I resumed drilling her horny ass, and she came twice.

“Nick, your amazing cock did a wonderful job,” said Beth. “It deserves to be applauded.”

“Thank you,” I said, thrusting in her ass slowly. “I am not done with you though.”

“I know,” she said. “Let my mom and sister kiss it on the head, and then continue. It surely earned their respect.”

“Are you sure?” I said.

“Yes,” she said, pushing me back.

My cock popped out of her gaping ass, and I aimed it at her mom’s face.

“Mom, give his amazing cock a big kiss on the head,” said Beth. “It obviously deserves it.”

Lisa looked intently in disbelief.

“It sure does,” said Victoria with a big smile as she leaned toward my cock.

Victoria gave my cock head a big smacking kiss that left it bouncing.

“Now, Lisa,” said Beth.

Lisa was taken off guard although she knew it was coming her way. She did not know what to do when my sticky hard cock throbbed in her face.

“Kiss it, sweetie,” encouraged Victoria. “You are old enough to show a worthy cock some respect.”

Lisa hesitated a little before she gave my cock head a shy little kiss.

“That wasn’t good enough, sweetie,” chided Victoria. “Give it a real kiss. Show it respect not timidity.”

Lisa gathered her courage and gave my cock head a better kiss.

“Thank you,” I said as I gently tilted her face up with my left hand and slapped her left cheek with my sticky cock. “You are a sweet girl.”

Before I pulled my cock away from Lisa’s face, I brushed it on her cheek.

“Victoria, do you drink come?” I asked as I fucked Beth’s ass toward its next orgasm.

“No,” said Victoria as Lisa looked in surprise.

“You are going to enjoy your first taste of it,” I said. “Beth loves it.”

“Nick, don’t come in mom’s mouth,” gasped Beth.

“Baby, this show’s to establish you as my whore,” I said. “I’ll only come in your greedy ass.”

“You are so wicked,” she gasped.

“I know,” I said, fucking her harder. “Get ready; it’s coming in your hot ass soon.”

Beth came very soon.

“Beth, I think after they so graciously kissed my cock lovingly and respectfully, they deserve to have me kiss them,” I said, thrusting gently in Beth’s ass while she recovered. “Don’t you think so?”

“Sure,” she said.

“Victoria, get on your knees like Beth, and present your hot self to be kissed,” I said.

“Are you going to kiss my...?” asked Victoria.

“Of course,” I said. “I am going to kiss your...and... I am a humble and respectful guy.”

Victoria reluctantly got into position as I pulled out of Beth’s ass.

“Push your hot ass proudly, and spread it with both hands,” I instructed as I knelt behind Victoria.

Victoria hiked her dress, exposing her bare ass. She thrust her ass out and spread her ass cheeks with both hands.

“Your mom has a very beautiful asshole,” I said to Beth, staring at her mom’s splayed asshole.

“Are you surprised?” asked Beth.

“Not at all,” I said. “This is what I expected.”

“Mom, wink at him with your asshole,” she said. “His big cock throbbed before you kissed it.”

Victoria shyly winked with her asshole.

“I can’t wait to do a lot more than kissing your luscious asshole,” I said as I lowered my mouth to her asshole.

She gasped when my lips touched her puckered asshole. I gave her a big kiss, making her moan. I gave her leaky pussy a big kiss and got up.

“Thank you for allowing me to kiss your precious treasures,” I said, slapping her ass with my sticky cock.

“You are welcome,” she said, pulling her dress down.

“Lisa, it’s your turn,” I said, standing before Lisa as her mom sat down.

“It’s okay,” said Lisa. “You don’t have to do that.”

“No way,” I said, kneeling before her. “You deserve my respect, and you are going to get it.”

Lisa hesitantly and shyly got into position.

“Hike your skirt,” I said. “You don’t have to take off your panties. I’ll take care of them.”

Lisa hiked her skirt, and I slowly pulled her panties down, exposing her tight ass. I worked the panties all the way off. I inhaled her aroma from them and shoved them into the same pocket as her mom’s panties as I inhaled the sexy aroma of her juicy pussy.

“Lisa, you have a spectacular ass, but you have to push it out and spread it proudly so I can admire and kiss your mouthwatering asshole,” I said.

My cock twitched when Lisa spread her ass tentatively and her asshole clenched. I admired it for a few seconds, before I touched it with my lips, making her gasp softly. I gave her tense asshole a big kiss, brushing my tongue tip on it, making her gasp again. Her pussy was wet. I quietly inhaled its aroma before I gave it a big wet smacking kiss that made her tremble.

“Thank you,” I said as I got up and slapped her ass with my hard cock.

“Where are my panties?” she asked lowly as she rose on her knees.

“They are gone,” I said as I lubed my cock. “Sit down and enjoy the rest of our festivities.”

Lisa reluctantly sat down as I pushed my slick cock up her sister’s ass. I guided her hand to Beth’s ass.

Victoria and Lisa spread Beth’s ass for me, and I drilled it vigorously.

“I am coming, Nick,” gasped Beth in a few minutes. “Shoot it in me. Fill my ass with your hot slimy come.”

“I am coming in your horny ass, slut,” I announced as my cock started to twitch. “Take it all. Take it, whore.”

My cock jerked in Beth’s trembling ass, filling it with thick come. I only pulled out when we both were drained and my cock was soft. She squeezed my cock on its way out. Her asshole gaped very slightly this time.

“Victoria, your daughter’s luscious ass is full of my fresh come,” I said. “Kneel down and suck it all out. I am sure you’ll both enjoy the experience.”

Victoria was taken by surprise, but Lisa was shocked.

“Are you sure this is a good idea?” asked Victoria. “I’ve never even licked come.”

“I’d only suggest the hottest things to you,” I said. “I want your first taste of come to be unforgettable.”

“I’ve never dreamed I’d do anything like this at all,” she said as she allowed me to pull her off the sofa.

“Mom, what are you doing?” protested Lisa. “This is gross.”

“Sweetie, I trust Nick,” said Victoria. “I am sure this is going to be a worthy new experience.”

“You won’t be left out, Lisa,” I said while Victoria inspected her daughter’s well-fucked asshole. “While your lovely mom does this, you are going to suck my soft cock and make it hard again for your horny sister. I am not done.”

“I am not going to do that,” said Lisa emphatically. “It was in her butt.”

“Lisa, you are too hot to turn down my cock when it looks you in the eye longingly,” I said. “You know most girls would say no to this. You can only be special by saying yes. I know you are special.”

Victoria licked Beth's asshole tentatively, making her gasp, as I brought my sticky soft cock to Lisa's face.

"I can't do this," said Lisa timidly.

"We both know you can," I said, touching her lips with my sticky cock head. "You sure appreciate a nice big cock that can take good care of a greedy slut like your sister. You deserve to suck it and show it how hot you are."

She parted her lips and licked my cock head tentatively.

"If you don't like it, you can stop at any time, but I know you are too hot to," I said. "You saw your sister do it."

Meanwhile, Lisa's sister moaned, lustfully grinding her ass into her mom's sucking mouth.

Lisa took my cock head in her mouth and sucked it gently.

"Suck it like a suckling baby," I encouraged, stroking the back of her head. "It's instinctive."

She continued to suck my cock head, breathing new life into it. I pulled her closer to me, giving her more of my soft cock. She took it and worked her tongue over it.

"You are doing great," I said softly. "Can you feel it grow in your hot mouth? Take it all in, baby. It loves you."

She sucked all my hardening cock in, and it hit her gag reflex.

"Relax your throat and swallow it down your throat," I advised quietly. "It won't hurt you."

She carried out my suggestion. It did not take her long to overcome her gag reflex. My hardening cock was all the way in, and it continued to grow.

"It's still getting bigger," I said softly. "It loves you so much. You are a hot cocksucker. I knew that from the start. I am so happy I am your first."

Lisa deep throated my cock, and I helped her establish a rhythm, fucking her throat gently as my cock got bigger and harder. Meanwhile, Beth came in her mom's mouth. Victoria leisurely lapped up Beth's copious juices of her drenched pussy after her orgasm ended.

"Do you like this, Lisa, baby?" I teased Lisa, playfully slapping her face with my sticky cock.

"Yes," she hissed.

"Suck it, you little cocksucker," I smiled, pushing my hard cock into her mouth.

"Victoria," I called as I fucked Lisa's throat at an easy pace.

"You are kidding me," said Victoria in disbelief when she saw her little daughter swallow my cock effortlessly over and over as I held her head in both hands.

"I kid you not," I smiled. "These hot sluts take after their slut mom."

"I don't think so," she said. "I can't do that."

"You can learn it in no time," I said, slapping Lisa's face with my cock. "I am sure you have the talent."

"I hope so," she said.

"You are an amazing girl, Lisa," I said, smiling at Lisa and rubbing my cock on the side of her face. "Do you know that I love to kiss great cocksuckers when the big cock they suck is mine?"

Lisa kissed me eagerly when my lips met hers. We kissed deeply and feverishly, and I rid her of her top and bra.

"Are you going to suck my next come load out of your slut sister's greedy ass?" I whispered, smiling, as I broke the kiss and squeezed her beautiful tits, teasing her stiff nipples with my thumbs.

"Yes," she said shyly as I knelt before her.

Lisa inhaled deeply when I sucked her stiff nipple. She did it again when I sucked her other sweet nipple. She did not resist as I hiked her skirt from underneath her ass and squeezed her bare firm ass while I switched my lips between her nipples. Her mom and sister watched, sitting on the sofa next to her. I soaked her nipples with drool before I got up and rubbed them with my cock head.

“Did you enjoy sucking my big cock?” I asked softly.

“Yes,” hissed Lisa shyly.

“Hot sluts like you shouldn’t be shy,” I teased.

She blushed.

“Victoria, are you going to ask me to let your sweet daughter suck my big cock whenever she wants?” I teased.

“Yes, Nick,” said Victoria. “Please let Lisa suck your big mouthwatering cock whenever she wants.”

“I’ll happily do that and then some,” I said as I pulled Beth up and sat in her place. “Lisa, since you’ve become best friends with my big cock, why don’t you squeeze lube on it so it can go nicely up your slut sister’s greedy ass?”

Victoria handed the lube to Lisa, and Lisa squeezed lube on my cock head as I held my cock upright.

“Lisa, thanks for getting it hard for my horny ass,” said Beth as she squatted astride me.

“You are welcome,” said Lisa shyly.

Beth impaled her ass on my hard cock as I held and spread her ass for her. She proceeded to ride my cock leisurely, moaning happily. I took my left hand off her ass and worked it behind Lisa’s back. Lisa made room for my hand but tensed when my hand went under her ass. She looked at me, and I smiled at her. She relaxed a little and let me finger her leaky pussy. When my fingers were slick in her juices, I gently wormed my middle finger into her asshole. She tensed again, but my fingertip gently massaged her asshole, making it relax and accept it. Within a couple of minutes, my finger was halfway up Lisa’s virgin asshole, loosening it up patiently as her asshole twitched and milked my finger.

---

“Beth, your mom made me a promise this afternoon,” I said.

“What promise?” asked Beth.

“Victoria, tell her,” I said.

Victoria blushed and did not say anything.

“Mom, what did you promise him?” asked Beth.

“Go ahead, Victoria,” I said. “You can’t be shy.”

“I promised him I’d be his slut forever,” said Victoria, blushing.

Beth did not believe it. Lisa was shocked, but that did not prevent her asshole from twitching around my finger.

“Nick, have you fucked mom already?” said Beth in disbelief. “You are an ass hound.”

“No, I haven’t,” I said. “I am innocent. I just gave her a teaser.”

“The teaser you gave me stands right at the top of the list of the best sex I’ve ever had,” said Victoria.

“Beth, are you mad at your mom for wanting to share me with you?” I asked. “You can’t be that selfish.”

“No way,” said Beth. “I love that. Are you going to fuck us together?”

“Do you want that?” I asked.

“Yes, I want it bad,” she said.

“Are we going to leave out poor Lisa?” I teased, making Lisa’s asshole twitch. “She’s so sweet, and she’s become best friends with my big cock. They look so good together. She must want to try it elsewhere in her body.”

“You want to fuck Lisa too, you pervert?” teased Beth.

“If she’d like that,” I shrugged.

Lisa’s asshole twitched.

“You know she’d love it, the little slut,” she said, making Lisa blush and her asshole twitch.

“It’s only fair,” I said. “Why do you call her a little slut?”

“Mom, should we let him turn Lisa into a little whore for his big cock?” she asked.

“Of course, we should,” said Victoria, making Lisa tremble and her asshole twitch. “She deserves to enjoy good cock, and your horny boyfriend here deserves to enjoy her tight little ass. She’s already halfway there anyway.”

“I’ll help you seduce her,” said Beth.

“I don’t want your help,” I said, pulling at the back of Lisa’s asshole. “Why should I always be the bad guy? Can’t you help her seduce me? I want her to express her love for my big cock and make me feel like a victim for once.”

“I think I can do that,” she said. “I think you’ll feel like a victim only for a couple of minutes. You’ll then be slaughtering the poor little innocent slut. You’ll be butchering her sweet tight ass.”

“You are breaking my heart,” I teased.

“Don’t feel bad,” said Beth, smiling. “She’ll love it.”

“Lisa, are you afraid of me?” I asked as I squeezed my index finger into Lisa’s asshole.

“No,” said Lisa lowly, her asshole twitching around my fingers.

“She has a limited choice of whom to take after,” I said as Lisa’s asshole accepted my fingers halfway in. “She only has her innocent sister and naïve mom.”

“I was naïve a couple of hours ago,” said Victoria. “You opened my eyes.”

“Oh, I didn’t know you called those your eyes,” I teased as I worked on Lisa’s asshole in her sister’s rhythm.

“Your boyfriend’s making my eyes tear,” she said.

“Wait until I stuff them for you,” I said. “That’s when you’d think I’d tear them up.”

“Nick, have mercy on me,” she said. “Don’t make me have to clean the sofa.”

“Your little ravine’s flowing?” I teased as Lisa pushed back into my fingers rhythmically but subtly.

“It’s flooded,” she said.

“Have you ever thought you’d hear your mom say that?” I asked Beth.

“I think she has a bad case of the hornies for the big cock stuffing my horny ass,” said Beth.

“What about you, Lisa?” I asked, looking at Lisa. “Have you ever thought your mom would be such a slut?”

Lisa was startled. She tensed and stopped moving, but my fingers continued to work on her asshole rhythmically.

“No,” said Lisa lowly.

“You think I should clean her up before we continue,” I said.

“If you are going to lick my slut mom’s pussy, I am going to watch,” said Beth.

“Beth, don’t call me that,” complained Victoria as Lisa resumed pushing into my fingers. “I am your mom.”

"Mom, you promised my boyfriend you'd be his slut forever," said Beth. "What do you want me to call you? His little angel? Nick, don't lick her pussy if she wants to pretend she's an uppity bitch."

"What is it going to be, Victoria?" I asked. "Are you my slut or not?"

"I am your slut," said Victoria lowly.

"You are a bad girl," I said as I squeezed Victoria's left tit through her top. "Why are you hiding your fantastic tits while your daughters show theirs off? Are you going to be a good girl and take them out for me?"

"Yes," she hissed as I pinched her stiff nipple.

"If she's really your slut, make her beg for it," said Beth as her mom pulled her top down, exposing her tits.

"Would you really beg her to ask me to eat your cock-hungry pussy?" I said to Victoria, pulling on her bare nipple. "Would you be too shy to call it that if it were really so?"

"Beth, please ask him to eat my cock-hungry pussy," said Victoria shyly.

"Go ahead, Nick," said Beth. "Please eat my slut mom's cock-hungry little pussy. I think that's a good way to encourage her to be a good slut for you."

"Don't you think that would offend sweet Lisa?" I teased.

"Yeah, right," she said. "She's already seen mom eat your come out of my ass."

"She hasn't," I said. "She was too busy sucking my cock and making it ready for her greedy slut sister."

"I guess that makes her a blushing virgin," teased Beth.

"Well, she's a virgin, and she's blushing," I said, making Lisa blush more deeply.

"Mom, what are you waiting for?" said Beth. "Hike your dress and spread your legs like the hot slut you are."

"Lisa, you are the only nice girl here," I said as her mom hiked her dress and spread her legs lewdly. "Both your mom and sister are cock-hungry sluts. Did your sister want me to seduce you so you'd be a depraved slut like her?"

Lisa blushed, and her asshole twitched.

"Beth, I can't eat your hot mom's cock-hungry pussy now," I said.

"Why not?" asked Beth as I slid two fingers into her mom's dripping pussy, making her gasp.

"Because this show's about me and you," I said, working my fingers in and out of Victoria's pussy. "There is nothing about you in my eating her pussy. Though, I can fuck you in the ass while *you* lick her dripping pussy dry."

"You want me to eat mom's pussy?" said Beth.

"I think Lisa does too," I said, looking at Lisa. "Don't you, Lisa? Your mom's tight little pussy's so hot and wet. It's milking my fingers hungrily."

"I don't know," said Lisa lowly.

"I am sure you do," I said. "Don't you trust me?"

"Yes," she hissed.

"Beth, come for me so I can let you at your mom's luscious pussy, which brought you to be my whore," I said.

Beth rode my cock harder, and I finger fucked her mom and sister in the same rhythm. They were all so horny.

"Is your horny asshole going to come for me?" I said looking at Lisa. "Is it so hungry for my big cock? Does your horny ass want to belong to my big cock forever? Can you be as wet as your hot mom?"

“Yes, yes,” hissed Beth as her mom and sister went crazy on my fingers.

“If that’s so, come for me,” I urged. “Let me feel your fuck hole twitch ecstatically. Let it show me its hunger.”

Beth stiffened and came. Lisa followed her, and Victoria was almost with her. Three horny fuck holes twitched around me ecstatically. Beth did not mind being loud. Victoria was quieter, and Lisa tried to be silent, but she could not, but nobody noticed.

While they recovered, I removed my dripping fingers from Victoria’s pussy and pushed them in Beth’s mouth. I stealthily withdrew from Lisa’s ass while Beth sucked my sticky fingers clean.

“Victoria, is your hot pussy ready to be eaten by its loyal daughter?” I teased as I gently pushed Beth off me.

“Yes,” said Victoria.

“Lisa, are you going to be a good girl and spread your sister’s greedy ass for me?” I said.

“Yes,” hissed Lisa as the rest of us scrambled into position.

As Beth knelt on the floor and pushed her head between her mom’s spread legs, I pushed Victoria’s legs over her head and had her hold them by the backs of her knees. I guided Beth’s hands to her mom’s ass cheeks, and she spread them. I led Lisa around her sister and had her kneel to her left and spread her ass with both hands. I then tucked the back of the hem of Lisa’s skirt into her waistband, keeping her ass exposed.

Beth proceeded to lick her mom’s leaky pussy as I squeezed lube on my cock and her asshole. I squeezed lube generously on the fingers of my left hand and reached behind Lisa, who tensed a little as my fingertips touched her asshole. I worked two fingers of my right hand up Beth’s asshole while I squeezed two slick fingers into Lisa’s virgin asshole. Victoria moaned, and Beth moaned into her pussy.

“This is nice, isn’t it?” I asked Lisa as I pumped my fingers in both assholes in the same rhythm.

Both assholes milked my fingers, Lisa’s naturally noticeably tighter.

“Yes,” she hissed.

“Greedy asses rarely get enough cock,” I said, twisting my fingers in both asses. “Are you ready to watch my big cock fill your sister’s hungry ass to the brim?”

“Yes,” she hissed.

Beth’s asshole closed lazily when I withdrew my fingers from it. I squeezed more lube on it and popped my cock head in, stretching it wide. I squeezed more lube on my cock and scooped them on my fingers.

“I bet your hot mom would like these,” I said to Lisa showing her my slick fingers.

Victoria’s ass was still defenselessly spread. Victoria gasped when my middle finger darted almost all the way into her unsuspecting asshole. Her asshole tightened, but I was soon squeezing my index finger in. I gently fucked Beth’s ass as I finger fucked her mom’s and sister’s asses in the same rhythm.

“You are working on her little asshole,” moaned Beth. “How does it feel?”

“It feels starved for cock,” I said.

“You are not going to leave it like that, are you?” she said.

“No way,” I said. “She wanted to be my slut not my great grandmother.”

“If she’s a good slut, fuck it open for her,” she said.

“She’ll be a good slut,” I said. “I am going to fuck her virgin asshole open and flood her bowels with come.”

“The slut will love it,” said Beth, looking at her mom. “Won’t you?”

“Yes,” hissed Victoria, her asshole twitching around my fingers.

“You already love being my boyfriend’s dirty slut, don’t you?” teased Beth.

“Yes,” hissed Victoria.

“I love that too,” said Beth. “I’ve been feeling I was a slut and you were prim and proper. I am tired of pretending to be an innocent little girl. Now, we are both his sluts. We’ll both suck and fuck him. Don’t you love it?”

“Yes,” hissed Victoria.

“Nick, why don’t you fuck her and come in her pussy?” suggested Beth. “Make her feel she’s your slut.”

“Beth, she’s my slut,” I said. “When I fuck her for the first time, I want to fuck her all day and night. When I am done with her, she’ll be like a wet rag. She won’t be able to walk or sit properly for a week, but she won’t regret it.”

“Did you hear that, mom?” said Beth. “My boyfriend will be nice to you. You need to be nice to him too.”

“I will be very nice to him,” said Victoria.

“You are going to give up your virgin asshole to him, aren’t you?” said Beth.

“Yes,” hissed Victoria.

“Dad doesn’t need to know about that, does he?” teased Beth.

“No,” said Victoria lowly.

“You enjoy being a cheating whore, don’t you?” taunted Beth.

“Yes,” hissed Victoria.

“I can’t believe I thought you were a prim and proper mother,” said Beth. “Nick could have been fucking me, you and Lisa for two years.”

“Don’t worry, Beth,” I said. “I intend to catch up. I am taking your mom home for the weekend and returning her unable to move. I intend to pump so much come into her body she’d look drunk without any alcohol.”

“Your family’s going to wonder what you are doing spending the whole weekend in your room with your slut girlfriend’s mom,” she said.

“They wouldn’t wonder for long,” I said. “They’ll watch me fuck her just like they watched me fuck you.”

“I loved it when you fucked me in front of them and I told them I was your whore,” said Beth. “I am sure mom would love it too. Do you think she’d tell them she’s your whore?”

“I am sure she would if she didn’t want me to yank my big cock out of her and leave her begging for it,” I said.

“My mom may not be a prim and proper woman, but she isn’t dumb,” said Beth. “I am sure she’d do the right thing. It would be very humiliating for a slut to upset her stud in the middle of a fuck after promising to be very nice.”

“I know she’d never do that,” I said.

“You think you can get your mom to spread mom’s ass for you?” she asked.

“She’d love to prepare your mom’s virgin ass for me from A to Z,” I said. “Did I tell you that she taught dad’s secretary how to deep throat my big cock?”

“She did?” asked Beth.

“Yes,” I said. “Dad and Alex were in the house and never knew a thing. Actually, Alex heard the sounds and knew I was fucking a slut but didn’t know who. She was disappointed that I let a slut take advantage of me. When I was done with her, I had to walk her to her car, because she couldn’t walk on her own. I’d deflowered her tight asshole.”

There was come in and on her pussy, ass, legs, face and tits besides what she'd swallowed. She looked like she'd been through a gangbang, and Alex thought she had taken advantage of me. A few days later, she took me to dinner and home. When I was through with her, she couldn't move, but she was in her bed. She didn't have to. In the morning, I woke her up and fucked her silly. My first come load burst up her bowels and the second I split between her pussy and mouth. I sent her to work with my come in all her three fuck holes. She loved it, and I did."

"You were really busy while I was away," she said.

"You had clean fun, and I had hot fun," I said. "Your shy boyfriend's long gone."

"I like you better this way," she said. "I like having you fuck those sluts and put them in their place. I feel like I am the one fucking them because you are mine. You know your next slut, don't you?"

"I sure do," I said. "I am sure she does too."

"Just don't fuck her to death," she said. "Do everything else you want to do, and don't take it easy on her either."

"Don't worry," I said. "I don't lose my sluts, never after I break them in. Your mom's in good hands."

We fucked silently except for moans, gasps and groans for a few minutes.

"Am I fucking your slut sister's horny ass well?" I asked Lisa.

"Yes," she said.

"You want your own ass fucked properly?" I asked.

"Yes," she hissed, her asshole twitching.

"If you are a good girl, I may be able to help you with that," I said.

"Thank you," she said as her asshole twitched.

"If you make your slut mom come, I'll make you come," I said, smiling at Lisa and stretching her asshole wider.

Our pace picked up after that. Lisa kissed me back eagerly and passionately when my lips touched hers. My ring finger rubbed her leaky pussy as I diddled her tight asshole. Although she tried to be very quiet, she occasionally moaned into my mouth. Within a couple of minutes, Victoria came, followed immediately by Beth and seconds later Lisa. I locked my lips to Lisa's to stifle her orgasmic noises. Beth licked her mom's drenched pussy gently. I took my fingers out of Victoria's ass, wiped Beth's dripping pussy with them and smeared the juices on Lisa's cheek.

"I love your virgin ass, Lisa," I whispered in Lisa's ear as everyone recovered. "I am going to fuck it very soon."

She trembled.

"Is that what you want me to do?" I teased.

"Yes," she hissed, her asshole twitching.

"These three hot asses here are mine," I said. "I am going to fuck them all royally."

A minute later, I removed my fingers from Lisa's ass. She straightened her skirt as I got up. She did not hesitate to deep throat my cock when I gently slapped her sticky face with it and touched its engorged head to her sweet lips. I held the back of her head and fucked her throat leisurely. Victoria straightened her dress and sat down properly. She and Beth watched Lisa deep throat my cock.

"Thank you for spreading your sister's hot ass for me, Lisa," I said, slapping Lisa's face with my cock.

"You are welcome," said Lisa quietly.

Lisa returned to her seat, her tits exposed. I pulled Beth up and resumed fucking her ass, but changing positions.

After I finally came in Beth's ass, I withdrew my cock from her slimy ass and nodded at Lisa. That was all Lisa needed to kneel down and apply her mouth to her sister's sloppy asshole. I took the chance to introduce Victoria to deep throating. She spent several minutes getting my cock hard before I delved into her throat. Both her daughters watched her take my hard cock effortlessly down her throat as I fucked her face at an easy pace.

"Didn't I tell you they were taking after you?" I smiled, slapping Victoria's face with my sticky cock.

"I guess you were right," smiled Victoria.

"I am always right sometimes," I said.

"Do you want my boyfriend to eat your dripping pussy, little slut?" Beth teased Lisa as their mom stuffed her mouth with my hard cock.

"I don't know," Lisa said lowly, blushing.

"You don't know if your little pussy's running like a hot spring?" teased Beth. "Do you want him to eat you?"

"Yes," hissed Lisa.

"Beg him, you slut," said Beth. "Don't be shy. You heard our slut mom do it."

"Nick, please eat my pussy," stuttered Lisa, looking at me shyly.

"Show it to me, Lisa," I said. "If it's hot and wet enough, I may eat it."

As soon as Lisa hiked her skirt, the aroma of her excited pussy filled the vicinity, and I inhaled deeply.

"You are soaked," said Beth. "You didn't believe me when I told you to stuff your panties with paper towels."

"As you know, you are the one who's going to eat her juicy pussy while I fuck you up the ass," I said to Beth. "Lie down on the floor, and let her straddle your face."

"I didn't know you were so cruel," said Beth. "You want my sister's first time to have her little pussy eaten to be done by a girl and her sister no less?"

"You have a point," I said. "I'll lie back and have her ride my face while your horny ass rides my big hard cock."

Victoria let go of my cock, and we got into position, the sisters facing each other. As soon as Beth impaled her ass and started to ride my cock, I spread Lisa's ass and proceeded to lick her asshole, making her gasp. I grabbed her tits and played with them while I devoured her virgin asshole. Lisa humped my mouth with increasing urgency. When Beth saw her sister approach orgasm, she picked up the pace.

"You are going to come on my boyfriend's tongue, you little slut," teased Beth, hugging Lisa.

They practically came together, Lisa gasping softly as Beth did more loudly. An asshole twitched wildly around my tongue, and the other, my cock. I lapped up Lisa's juices as they recovered.

"Did you enjoy coming on my boyfriend's tongue?" teased Beth.

"Yes," hissed Lisa.

Meanwhile, I inserted my left thumb up Lisa's asshole and reamed it out gently.

"Now, you can lick her pussy," I said to Beth.

"Are you slut enough to let your own sister eat your dripping pussy?" teased Beth.

"Yes," said Lisa, her asshole and pussy twitching.

"After all, her sister was slut enough to feed her come out of her well-fucked asshole," I teased.

"I thought she was taking after mom not me," teased Beth.

“You both are,” I said.

Lisa sat on the sofa, spreading her legs, and Beth shoved her head between them.

“Are you going to be a good girl and spread your horny daughter’s ass for me?” I said to Victoria.

“Sure,” said Victoria, getting off the sofa.

Victoria knelt down and spread Beth’s ass. I lubed it, lubed my cock and then lubed my left fingers. Two of my slick fingers had penetrated Victoria’s asshole and I was squeezing a third finger in even before my glistening cock entered and stretched her daughter’s splayed ass. Victoria moaned softly and then pushed her ass back. I fucked both asses in the same rhythm, gaining depth in both asses.

“It’s fun to spread your hot daughter’s cock-hungry ass for her boyfriend’s big cock, isn’t it?” I teased Victoria, pushing my fingers deeper up her ass.

“Yes,” she hissed, her asshole twitching.

“You can’t wait to have your own horny ass spread for my big cock, can you?” I teased.

She trembled.

The three of them came around the same time.

After Victoria recovered, she kissed me back passionately when I gave her a deep kiss. I soon replaced my tongue with my cock and went deeper down her throat.

“I am proud of you for coming in your sister’s mouth,” I said, smiling at Lisa as I thrust in her mom’s throat.

“Aren’t you proud of me for making her come in my mouth?” asked Beth.

“I am proud of you for everything you do,” I said.

Beth joined her mom, and the two sucked my cock together. I beckoned Lisa, and she hesitantly joined them. Before long, she was an active participant in my triple blowjob.

“This is so good,” I said. “I was right when I said any guy would give anything to get this special treat.”

“What are *you* giving for it?” teased Beth.

“All the cock three hot sluts can handle,” I said.

“That’s right,” she said.

“Beth, they’ve eaten your come-filled ass, but they haven’t tasted your pussy,” I said.

“I think they should,” said Beth.

Beth was soon bouncing her ass on my cock in the reverse cowgirl position while I sat on the sofa between her mom and sister.

“Go first, Victoria, so you can set an example for your little daughter,” I said. “Your daughter’s pussy’s so hot and juicy. It’s waiting to be devoured raw.”

With Beth and her mom busy, my slick fingers snuck up Lisa’s asshole. I fingered it and reamed it out leisurely. She squirmed subtly, trying to be quiet. I was able to make her come by the time her sister did.

Victoria licked Beth’s pussy clean and returned to her seat to find my three slick fingers waiting for her asshole. While Beth squirmed on my cock and her sister’s tongue, her mom squirmed on my fingers. Victoria and her daughter came at the same time.

“Thank you, ladies, for obliging my lovely girlfriend,” I said when Lisa returned to her seat.

Beth dismounted me and deep throated my cock for a few minutes while I reamed out her mom and sister's assholes with my slick fingers. I then arranged her on her knees between her mom and sister and fucked her ass from behind as each pulled an ass cheek out, spreading her ass for me. I switched my cock between her ass and their mouths, and they eagerly swallowed my cock to the balls. I occasionally dipped my cock in her drenched pussy and had them suck her juices off.

---

The garage opened audibly while I fucked Beth's ass briskly. Her dad was home.

"Lisa, get decent," I said. "Put on your top."

Lisa put on her top and straightened her clothes as did her mom just in time for John to enter the house. When he saw me fucking his daughter in the living room while her mom and sister watched, he froze for a few seconds.

"What's going on here?" asked John finally, still in shock.

"Honey, sit down for a minute and find out for yourself," said Victoria.

"What to find out?" he said. "Beth's having sex with her boyfriend in the living room while you and her sister sit down and watch like nothing out of the ordinary is going on."

"Honey, sit down and let me explain it to you," she said. "They are putting on a show for us."

"What do you mean?" he said. "Our daughter's putting on a live sex show for her family. Has she decided to go into porn? Are you all crazy?"

"Please sit down and let me explain it all to you," she said. "You may not be surprised then."

"Okay, let me change and come back," he finally said.

Beth stiffened and came as soon as her dad turned his back. He shook his head and kept going.

While Beth's dad changed, I fucked his wife and little daughter's throats. I slapped Victoria's face with my sticky cock when I heard his footsteps on the stairs. I squeezed lube in and on Beth's slightly gaping asshole and resumed fucking it as he came over.

"Can someone explain what's going on to me?" he asked.

"I've become Nick's whore," said Beth proudly.

"Don't listen to her, honey," said Victoria. "She'd just confuse you. Let me tell you what she means. Lisa, let your dad sit in your place so I can talk to him."

Lisa got off the sofa and sat on the loveseat. Beth and I did not miss a beat.

Victoria motioned her husband to sit on Beth's other side. He sat down reluctantly.

"What our daughter meant was that she'd made an unlimited lifelong commitment to her boyfriend," she said.

"What commitment?" he asked.

"They committed to stay together forever," she said.

"Is this like an engagement?" he asked. "They are still too young for that."

"It isn't really an engagement," she said. "It's more like a sexual marriage."

"What?" he asked in confusion. "What's a sexual marriage?"

"They'd love to get married when the time's right, but they haven't committed to that," she said.

"They made a lifelong commitment to stay together, but they didn't commit to get married?" he asked. "What does that mean?"

"It means that if for some reason they get married to other people, they'll continue to have sex together at every chance they can get but with their spouses' permission," she said.

"What kind of crazy arrangement is that?" he said. "It's cheating too."

"It's neither a crazy arrangement nor cheating if their future spouses agree to it," she said.

"There's no way they would," he said.

"It's almost guaranteed they would," she said. "Nick's so good in bed any woman would share him with a hundred other women rather than lose him. Beth's nearly as good."

"Let's assume that isn't a problem," he said. "Why are they having sex here?"

"It's the whole point, honey," she said. "They are showing us they are good enough for that. Beth's showing us she'd lustfully let him have her in any conceivable way to show us they are ready for an unlimited commitment."

"Is that why they are having anal sex?" he asked.

"When I first learned they had anal sex, I was appalled," she said. "I couldn't imagine my sweet daughter doing something that perverse, but then I found out it was their favorite. They love it so much you have to think it's great."

"She loves this?" he said suspiciously.

"Didn't you hear her come her ass off?" she asked. "Help me with her ass. Pull her cheek out so he can give it to her harder and she can do it again."

"What?" he asked in shock. "You want me to pull her butt cheek out?"

"Yes, I want you to help me spread our daughter's ass," she said. "Don't worry; it doesn't bite. Besides, it's already stuffed it can't bite you even if it normally could. Do it. We owe them that much."

After some hesitation, he pulled Beth's right ass cheek out, and I picked up the pace. Victoria carefully added lube to my pumping shaft.

"This doesn't hurt her?" he asked.

"Can you hear her scream in pain?" asked Victoria. "She's having the time of her life."

"Why is Lisa here by the way?" he asked. "She's a minor too young for this."

"This is actually a good exposure for her," she said. "With parental guidance, she can see what sex is from real people that she can trust instead of believing her girlfriends' lies or watching paid whores perform in porn movies."

"What parental guidance?" he asked.

"She knows that she can't let any kid touch her little asshole," she said. "She understands that not all guys are like Nick—very nice and considerate. Nick's actually one of a kind. Isn't that right, Lisa?"

"Yes, mom," said Lisa.

"She knows that a girl has to keep her back passage squeaky clean and understands the importance of lube and careful anal stretching," said Victoria. "She knows that, when it's done right, it doesn't hurt, but it feels great."

"It feels amazing," gasped Beth.

"Our little daughter now knows all there is to know about sex," said Victoria. "She's watched him put it to her lustful sister every which way for three hours."

“Mr. Conkley, I haven’t been drilling your lovely daughter’s gorgeous butt like this for three hours,” I said. “I don’t think she could stand that.”

“I can’t,” gasped Beth.

“He’s been fucking his whore nice and hard for most of that time anyway,” said Victoria.

“His whore?” he protested. “You are calling your daughter his whore.”

“That’s what I am, daddy,” gasped Beth.

“Who told you that?” he asked.

“He asked me if I was ready to make that commitment, and I did,” she said. “Fully understand that I am not his only whore either.”

“You are not his only whore?” he asked in disbelief.

“I’ve already seen another girl make that commitment before I did,” she said. “I am now the second girl to make that commitment publicly.”

“Can’t you see it isn’t going to work?” he said. “He did it with another girl and broke it off.”

“Who said he broke it off?” she said. “She’s still his whore just like I am if not more so.”

“You are okay with that?” he asked in disbelief. “Are you crazy?”

“Daddy, that’s why we are here,” she said. “I’ll show you I am not. I’d need ten guys to fuck me like he does.”

That was my cue to fuck her faster and make her come.

“Ten guys can’t fuck me like this,” she gasped as her orgasm approached hurriedly.

Beth soon came, and I pounded her twitching ass vigorously.

“Can you see how much she loves it?” said Victoria as Beth gasped, groaned and convulsed happily.

He shook his head.

“Lisa understands what this looks like when done right and that it can hurt like hell with the wrong guy, so she isn’t going to broach it with the next guy she meets,” said Victoria.

“I see,” he said.

“Nick, pull out slowly,” she said. I obliged her, leaving Beth’s asshole open. “Can you see how relaxed she is?”

“This is a sign of muscular damage,” he said.

Beth snapped her asshole shut when she heard that.

“What muscular damage?” asked Victoria. “Do you want to stick your finger in and see how tight it still is?”

“No,” he whined.

“Let me show you that it’s squeaky clean,” she said.

Victoria leaned forward and took my cock head in her mouth. She licked it and sucked it for several seconds.

“What are you doing?” he said. “This is gross.”

“I am showing you it isn’t,” she said. “Nick, put it in, and refresh the taste.”

Beth moaned when I stuffed her ass with my entire cock. Her asshole gaped again when I pulled out.

“Would you like a taste?” she asked, pushing my cock toward him.

“Are you crazy?” he said in shock. “I am not gay.”

“Would you like to taste her asshole instead?” she asked.

“No way,” he said. “That’s gross.”

“It isn’t,” she said, leaning toward Beth’s gaping asshole. “Watch.”

Victoria kissed and licked Beth’s asshole, sticking her tongue inside it. Beth moaned and ground back.

“Give it a try,” she said. “You’d like the taste.”

“This is incest,” he said.

“What’s incest?” she asked. “Kissing your daughter to show her you are not disgusted with her is incest?”

“You are not supposed to kiss your daughter there,” he said.

“You are when you are trying to show her you don’t think that her little asshole’s dirty,” she said. “Lisa, come here, and kiss your sister’s anal orifice.”

Lisa shyly got up and kissed Beth’s gaping asshole as her dad watched in shock.

“Nick, stick your tongue up your girlfriend’s cute asshole,” Victoria said to me as Lisa returned to her seat.

“With pleasure,” I smiled as I lowered my mouth to Beth’s open ass.

Beth moaned and nibbled my tongue as it went as deep up her ass as it would go.

“You are the only one grossed out by your daughter’s luscious asshole,” said Victoria. “Don’t be silly. Kiss it.”

“Please, daddy,” pleaded Beth. “Show me that I didn’t become dirty by giving my horny self to the guy I love.”

He hesitated, and Victoria encouraged him. He finally bent down and kissed Beth’s asshole lightly.

“Thanks, daddy,” said Beth.

“Do you want to taste her on her boyfriend’s cock?” teased Victoria.

“No way,” he said.

“Okay,” she said. “Kiss his cock lightly like you did to her asshole.”

“That’s gay,” he said.

“No, it isn’t,” she said. “You are not going to suck it. This is a kiss of respect and appreciation.”

She kept after him until he pecked my cock on the head.

“Thank you, Mr. Conkley,” I said.

He did not reply.

“Lisa, come and taste your sister on her boyfriend’s big woman pleaser,” she called.

Lisa got up and came over. I dipped my cock all the way up Beth’s ass before I offered it to Lisa, who took the head in her mouth and nursed it for several seconds.

“Thank you, Lisa,” I said when Lisa let go of my cock.

“Did you like the taste?” Victoria asked Lisa.

“Yes,” said Lisa shyly.

“We’ve tortured your slut long enough,” Victoria said to me. “Go ahead and continue.”

Victoria used her free hand to squeeze lube on Beth’s asshole and then guide my cock in.

“Do you still think this is dirty?” Victoria asked her husband as I pumped their daughter’s spread ass.

“I don’t know,” he said.

“I can think of one thing to fix that,” she said.

“What?” he asked.

“You’ll find out soon,” she said. “I am sure it can put your fears to rest. Let’s first watch our daughter have fun.”

Beth came again.

“Fuck her pussy for her dad,” said Victoria.

Before Beth recovered fully, I removed my cock from her gaping asshole and shoved it into her dripping pussy, making her asshole snap shut as she grunted. I fucked her pussy hard from the start. While I drilled Beth’s pussy, I took her mom’s free hand, singled out two fingers and brought them to Beth’s splayed asshole. Victoria took the hint and pushed her fingers up Beth’s asshole. She instinctively finger fucked it. Beth loved that and fucked back with increasing eagerness.

“Thank you, Mrs. Conkley,” I said.

“You are welcome, but you don’t have to thank me for being nice to my daughter,” said Victoria.

“Anybody nice to your daughter is nice to me,” I said.

Beth soon came, drenching my cock. When she recovered, I pulled my glistening cock out of her wet pussy.

“Let me taste my daughter on you,” said Victoria, leaning toward my dripping cock.

While keeping her fingers up her daughter’s asshole, Victoria let her tongue toy with my cock head for several seconds before she took it in her mouth and sucked it happily, moaning around it, for several more seconds.

“Lisa, do you want to taste your sister on her boyfriend?” asked Victoria, pushing my cock toward Beth’s pussy.

“Yes,” said Lisa as I pushed my cock into Beth’s soaked pussy.

Lisa treated my cock head like her mom did.

“She tastes good, doesn’t she?” asked Victoria.

Lisa moaned over my cock head affirmatively.

“Honey, can you see?” said Victoria. “His plum-shaped head’s almost too big for her little mouth.”

“It isn’t too big for me,” complained Lisa, briefly interrupting her sucking of my cock head.

“Does he taste good too after you sucked your sister’s flavor off?” asked Victoria.

Lisa gave another approving moan.

“Honey, do you want to taste our daughter too?” asked Victoria, pushing my cock to Beth’s pussy.

“No way,” said John as I slid my cock all the way into his daughter’s wet pussy. “I am not gay.”

“There is nothing gay about this,” I said as I removed my cock and Victoria’s fingers from Beth’s holes. Victoria let me push her sticky fingers into her daughter’s wet pussy. “He can taste your fingers if he wants.”

Victoria took her glistening fingers to her husband’s mouth as I slid my cock all the way up Beth’s ass. John turned his face left and right a few times, avoiding his wife’s fingers, but he finally relented and let her stick her sticky fingers into his mouth. Meanwhile, I switched my cock between Beth’s pussy and ass after each deep dip.

“Does she taste bad?” asked Victoria as John sucked her fingers.

“No,” he said when she removed her fingers.

“Now, taste her directly,” she said. “You don’t have to be disgusted either. Stick your tongue deep in her pussy.”

“That’s incest,” he said as I pulled out of Beth’s pussy.

“It isn’t,” she said. “Actually, I don’t care if it’s called cold-blooded murder. Just do it, and get it over with. If you don’t do it, I’ll let Nick taste my pussy with his cock.”

John hesitated for a few seconds before he leaned down and kissed Beth’s pussy.

“Stick your tongue deep inside her juicy little pussy,” instructed Victoria.

He obliged her.

“Nick, are you going to be a good boy and fuck Beth’s ass to a big orgasm?” she said. “Make her come big, and fill her ass with come for her daddy.”

“Sure,” I said, pushing my cock up Beth’s ass. “Beth and I would love to make it special for her daddy.”

“Show him how his daughter can take a big come load up her greedy ass,” she said.

“Spread her ass, and watch me pummel it until it comes all over my big cock,” I said, picking up the pace.

Beth’s mom and dad spread Beth’s ass, and I pounded it like a jackhammer, preparing both of us for a wild orgasm. When Beth’s gasps and body language announced the closeness of her orgasm, I fucked her even harder. She stiffened and convulsed as my cock swelled and prepared to spew come deep in her twitching bowels. I slammed deep in her trembling ass as I pumped it full of my come. I only stopped moving when we were both spent.

“You did a great job, both of you,” said Victoria as I slowly withdrew from Beth’s ass. “Thank you.”

“Thanks for your help,” I said as Beth’s asshole gaped.

“Honey, lick her well-fucked asshole,” said Victoria.

“Are you serious?” he said in disbelief. “He’s just ejaculated inside her.”

“Come isn’t disgusting,” she said. “Besides, he came so deep up her ass it’s like she’s just swallowed his come down her throat. It isn’t a big deal if you tasted any of it anyway. This is your turn.”

“What do you mean by that it’s my turn?” he asked.

“This is his third come load up her ass,” she said. “Lisa and I have already licked her ass after he came in it.”

“Lisa and you?” he asked.

“We’ve both never done it before, so we gave it a try, and it wasn’t bad at all,” she said.

“You let Lisa do that?” he asked in disbelief.

“She wanted to try it,” she said. “I couldn’t deny her after she’d seen me do it. We both enjoyed it. So will you.”

“So will I?” he said suspiciously. “This is incest and gay.”

“Honey, don’t worry about what it is,” she said. “Just do it. You’ll like it. I’ll spread her ass for you so you can devour it. It isn’t all that hard. Eat her until she comes.”

“She’ll come while I do that?” he asked.

“Our daughter’s a very horny girl,” she said. “She’s our daughter though. Don’t keep her waiting.”

“Mr. Conkley, you’ll soon find out that your lovely daughter has a delicious asshole,” I said.

John hesitated for several seconds while Victoria motioned him to go ahead.

“Kneel down and eat her raw,” she encouraged.

He finally took the plunge and knelt down behind his daughter’s spread ass.

“Be nice to your dad,” said Victoria to Beth as John’s mouth approached Beth’s gaping asshole.

“Of course, mom,” said Beth. “Daddy, I appreciate this so much.”

He licked Beth’s anal rim tentatively.

“Take your time, but don’t be timid,” encouraged Victoria. “If you remain timid, she’ll never come. Stick your tongue deep inside her happy ass, and suck her sweet little asshole inside out. She doesn’t bite.”

Beth moaned and pushed back. Her dad gradually lost his apprehension. In a couple of minutes, he was eating her asshole eagerly as she ground back into him, moaning happily.

“Yes, yes,” encouraged Beth. “Eat my asshole, daddy. Eat my slimy little asshole. Eat my come-filled ass.”

That was when she started to feed him come little by little. He could not slow down when he tasted my come, and the taste kept getting stronger as she fed him more and more come.

“Your daughter and I were able to suck all his come out,” said Victoria. “Let’s see if you can do that as well.”

“You didn’t suck it all, mom,” gasped Beth. “I hid some for myself.”

“You are one greedy bitch,” said Victoria.

“Who’s the greedy bitch, mom?” gasped Beth. “I shared it with you, but you didn’t want to leave me anything.”

“I guess I was the greedy bitch,” conceded Victoria.

Beth did not come until she fed her dad most of my come. She then came, her asshole twitching around his tongue. He kept licking and sucking her asshole until she relaxed.

“Go ahead and lick her soaked pussy dry,” instructed Victoria.

Since he was already there, he gently lapped up his daughter’s copious pussy juices.

“It wasn’t as bad as you thought, was it?” said Victoria as he got up and sat on the sofa.

“It wasn’t bad,” he said.

She leaned toward him and gave him a deep kiss.

“Mom, after dad got my ass ready for more, don’t you think it’s your turn to get my boyfriend ready,” said Beth.

“Do you think so?” asked Victoria as I approached her, aiming my soft cock at her face.

My cock was already hardening. Victoria pounced on it and sucked its head in. She then sucked more and more in. Her husband did not protest as I fed her more and more of my cock. I held the back of her head and gently fucked her mouth with the entire length of my cock as it continued to grow thicker and longer. He watched in surprise as she deep throated my entire cock easily as it assumed most of its hardness.

“I can do that too, daddy,” said Lisa, startling her dad.

“You can do what?” he asked absentmindedly.

“I can suck it all the way down my throat,” said Lisa as her mom demonstrated her deep throat prowess.

“You can’t, and you shouldn’t, sweetie,” he said.

Lisa got up and knelt next to me.

“Nick, please let me show daddy I am not as small and clueless as he thinks,” she said.

“Sure,” I said, taking my cock out of her mom’s mouth and turning it to her.

Lisa took most of my hard sticky cock in her mouth in one gulp. Within another second, she had it all down her throat. I held the back of her head and proceeded to fuck her throat gently but deeply.

“How can she do that?” her dad asked.

“He taught her how to do it before he taught me,” said her mom. “He taught her while I sucked his come out of her sister’s slimy asshole.”

“She does it as if she’s been doing it all her life,” he said in awe.

“Nick thinks that my daughters and I have real talent when it comes to sex,” she said.

“I don’t think, Mrs. Conkley,” I said. “It’s so obvious the blind can see it. I am sure Mr. Conkley agrees.”

“Thank you,” she said. “Honey, do you agree that our daughters and I are very sexy and talented sexually?”

“Yes,” he said.

“You said you’ve never been fucked up your lovely ass,” I said. “Would you like me to inspect your ass and check if it’s as hot as your daughter’s?”

“Would you really do that?” said Victoria excitedly.

“Sure,” I said. “You can’t be shy though.”

“Honey, can I show him my ass a little?” she asked her husband, taking him by surprise.

“Sure,” he said after some hesitation.

Lisa let go of my cock and returned to her seat. Victoria got off the sofa. I turned her around and hiked her dress, exposing her bare ass. Her husband was surprised that she was not wearing panties. I guided her hands to her ass.

“Push it out proudly and spread it without shame,” I said. “You saw how Beth did it.”

She thrust her ass back and spread it as I knelt down. I gently held her hips and planted a slow kiss on her asshole. I worked on her asshole with my tongue until she moaned and ground into my face.

“Your asshole’s so cute and sensitive,” I said. “Can I probe it a little?”

“Sure,” she said.

Her pussy was soaked. I stuck my index finger in her pussy and proceeded to work it in and out.

“This isn’t my asshole,” she moaned, her pussy leaking on my finger.

“Your pussy’s so wet I should use some of its natural lube,” I said.

“Okay,” she said as I pulled my slick finger out of her pussy and pushed it into her asshole.

She relaxed her asshole and let my finger slide halfway in. I held it there. She soon started to work her ass back and forth, getting it fucked on my finger.

“My asshole isn’t squeaky clean as Beth’s,” she moaned.

“That’s okay as long as you can suck my fingers,” I said, slipping my middle finger into her leaky pussy. “That’s vital for fucking and come. I don’t think you’d suck my cock so hungrily after I drive it all the way up a dirty ass.”

“I don’t think so either,” she said, riding both my fingers.

Both her fuck holes milked my fingers.

“Nick, this feels so good,” she moaned.

“It feels good to me too,” I said.

Her husband did not see what I was doing but had a good idea. I finally removed my fingers from her and got up.

“Suck them,” I said when she turned around.

She took my sticky fingers in her mouth and sucked them thoroughly.

“Nick, can you please do that to me too?” asked Lisa, pushing her bare ass toward me, as her mom sat down.

“Sure,” I said as Lisa spread her ass.

“Did you get what I mean?” Victoria said to her husband as I wiped Lisa’s dripping pussy with my index finger. “We can’t say no to her now.”

Lisa moaned and ground her leaky pussy into my finger. I finally pushed it up her ass. She moaned and pushed her ass back. She was soon rocking back and forth, getting her asshole fucked on my finger. I let her pussy rub against my middle finger. She moaned softly, her asshole milking my finger.

“You may say you are too young, and your mom may say she’s too old, but your hot asses are tight and pretty and your little assholes are sweet and responsive,” I said. “I’d give anything to get your hot asses all to me.”

“Do you really mean that, Nick?” said Victoria.

“I mean everything I say,” I said.

“Thank you,” she said. “You are the sweetest guy I’ve ever met.”

“You are welcome, and thank you,” I said.

Lisa did not hesitate to suck my fingers when I offered them to her.

“Nick, you are greedy and shameless,” complained Beth. “You are admitting to my face that you lust for my mom and sister’s asses.”

“I am a guy, Beth,” I said. “Any honest guy can’t spare your sexy mom’s and sister’s luscious asses.”

“If a guy had some shame, he wouldn’t be honest?” she said.

“That’s right, baby,” I said. “If a guy were too shy to express his true feelings, he’d be definitely not honest. I am always truthful with you. I love and cherish your hot ass, but it isn’t the only hot ass I love and cherish.”

“Daddy, can you see how my boyfriend flirts with me?” she said. “He tells me he loves other girls’ asses.”

“You brought it to yourself,” said her dad. “You can always let him go and find one who doesn’t.”

“Mr. Conkley, you know there isn’t one who doesn’t, but almost everybody denies it,” I said.

“That’s true, but it isn’t always wise to tell the truth,” he said.

“Your dad wants me to lie to you,” I teased. “Do you want me to?”

“No,” she said. “Then, I wouldn’t know for sure if you loved my ass at all.”

“Let me show you that I still love your ass in the best way I know,” I said.

“It’s the best way I know too,” she said, thrusting her ass out lewdly. “A guy’s cock can’t stay hard for hours if he doesn’t really love the horny slut’s greedy ass he’s fucking.”

Beth received a hard ass drilling that resulted in an orgasm that left her a heaving heap. She was partially recovered when I pulled her to the floor, pushed her legs over her head and impaled her ass.

“Honey, our daughter’s getting tired, and her boyfriend’s still going strong,” said Victoria as I pounded her daughter’s splayed ass. “Why don’t you take me upstairs and take care of me before he pulls me down next to her.”

“You want to leave Lisa with him?” he asked.

“He wouldn’t rape her,” she said. “Besides, do you think she’d ever meet a stud boyfriend like him? Didn’t you see how much she loved his cock when she swallowed it over and over?”

“What about you?” he asked.

“There would be no rape either,” she said. “Any woman worth anything can’t resist his amazing cock.”

“Mrs. Conkley, I assure you I am not raping anybody,” I said. “As you saw, I didn’t let Beth touch me until she begged for my big cock. I’d love to enjoy you and Lisa thoroughly, but I won’t touch you if you don’t beg for it.”

“Did you hear that, honey?” she asked. “If you don’t take me upstairs and take care of me, I’ll soon beg him to take me down and take me.”

“Mr. Conkley, are you okay with your lovely daughter Beth’s being my lifelong whore?” I asked.

“Yes,” he said as he led his wife away.

“Thank you, sir,” I said.

“You are welcome,” he said.

Victoria waved at us.

---

“Lisa, your parents think I am going to fuck you right now,” I said. “I am not. Tonight, Beth and I are celebrating her being my whore officially. Besides, when I fuck you, I’ll fuck you alone from the beginning to the end.”

“What a bummer!” said Lisa.

“You and Beth can eat each other while I fuck her ass,” I said. “You can occasionally suck my cock too.”

“Let’s do that in my room,” gasped Beth. “Make me come first.”

Beth soon came, and Lisa deep throated my cock before we retired to Beth’s room.

---

Beth lay back on her bed while I helped Lisa lose her top and skirt. I helped Lisa straddle Beth’s face facing away from her body. I stood before Lisa and fed her my cock while Beth fed on her dripping pussy. After Lisa deep throated my cock for a few minutes, I took it away from her and knelt before her. I kissed her deeply. I sucked her stiff nipples until she came in Beth’s mouth. I kissed her while she recovered and Beth cleaned her drenched pussy.

After Lisa recovered, I helped her lie back. Beth got on top of her in the sixty-nine position. I lubed Beth’s asshole and proceeded to fuck it while the sisters ate each other’s pussy. Lisa spread her sister’s ass for me while eating her leaky pussy. I occasionally let Lisa taste her sister’s ass on my cock.

Since, so far, I had worked on Lisa’s virgin asshole without her sister’s knowledge, I felt bad about missing the opportunity to ream out her asshole for a few hours while I fucked her sister’s. I did not need to. When I leaned forward and kissed Beth, I discovered that she had been reaming out her sister’s asshole with two fingers. The girls came in each other’s mouth, and I gently fucked Lisa’s throat for a few minutes. I occasionally dipped my cock in Beth’s drenched pussy and let Lisa suck her sister’s juices off.

A while later, Beth and Lisa sucked my cock together as a team.

“I can get used to this,” I said.

“Me too,” said Lisa.

“What about you, Beth?” I teased. “Are you jealous?”

“I am already used to it, and I love it,” said Beth.

Lisa sucked my cock either alone or with her sister. By the end of the night, she had become a great cocksucker, and she did it eagerly. Her mouth was addicted to my cock.

“Lisa, do you want to be the winner tonight?” I asked. “Would you like to suck my come out of your sister’s pussy and share it with her? Your mom hasn’t done that yet.”

“Sure,” smiled Lisa.

After Beth came in Lisa’s mouth, the sisters passed my come back and forth a few times. Each finally swallowed her share. I gave Lisa deep kiss, and she left, taking her clothes with her.

“You are going to spend the night here, aren’t you?” asked Beth.

“In that case, I need to call Alex,” I said. “Suck my cock.”

Beth proceeded to revive my soft cock while I called Alex.

“Alex, I’ve fucked Beth in front of her family this afternoon,” I said. “They sucked my come out of her ass too.”

“Really?” asked Alex.

“Yes, baby,” I said. “I am spending the night with her. If you want, you can have mom drive you here.”

“Thanks, but I’ll let you spend the night alone with your girlfriend,” she said.

“Good night, baby,” I said.

“Good night, Nick,” she said.

---

Needless to say, Beth drifted to sleep in my arms with a new come load deep up her ass. My first come load on the next morning made its way into Beth’s depths as well.

## THE PROPOSITION

Alex sucked my cock while I had my late breakfast at home. I then fucked mom and her together. I came deep in each ass. They sucked my come out and shared it.

---

In the late afternoon, I had just entered Beth’s house and took a seat when she left for a minute.

Lisa walked over and knelt astride me.

“Are you going to fuck me, or do you want to keep me as a deputy cocksucker?” Lisa teased, looking in my eyes, as she ground her pussy into my hardening boner.

“Is that what you think you are to me?” I asked. “A first-class cocksucker?”

“No,” she said, “but I need to get fucked like my slut sister.”

“You are a slut,” I smiled. “Your sister’s my girlfriend.”

“I can be your girlfriend too,” she said, “but whether I can be your girlfriend or not, I want to be your whore.”

“You are a cock-hungry slut,” I said.

“I am a virgin slut,” she grinned. “Are you going to keep me this way?”

“I don’t know,” I teased. “I am sometimes unpredictable.”

"You mean sometimes you may act like a jerk who wouldn't fuck a slut begging for his big cock?" she teased, grinding into my boner.

"Not that unpredictable," I said. "That's creepy, but I can't hear a slut beg for my big cock anywhere around here."

"Nick, let's get serious for a second," she said. "Would you really like to fuck me?"

"Yes, Lisa, let's get serious," I said. "What kind of stupid question is this?"

"Answer it," she said. "Do you want to fuck me?"

"Sure, unless there is a big price I'd have to pay that I can't afford," I said.

"Well, there is a price, but you can easily afford it," she said.

"What?" I asked. "Are you a whore now? I am not paying for ass no matter how hot it is."

"It isn't money, silly," she said. "I just want you to do me a favor."

"If I can, I'll do it, and you don't have to fuck me for it," I said.

"Unfortunately, Nick, I have to have you fuck me," she said. "I am dying to have you fuck me senseless."

"What's the price you are talking about?" I asked.

"I am just trying to be a good girl," she said.

"You mean a cock tease?" I asked.

"No, I mean a good girl," she said. "I want you to fuck me, but I also want you to promise to fuck mom."

"What are you talking about?" I asked.

"Nick, mom wants you," she said. "I saw it in her eyes while you fucked Beth. She wanted to be her. When she sucked you, she all but worshiped you."

"What about your dad?" I asked.

"He wouldn't have said anything anyway if you fucked mom in front of him, but I'll take care of him," she said.

"You are going to fuck him too?" I asked.

"No, silly," she said. "A girl never needs to fuck her dad to wrap him around her finger."

"What are you planning in your dirty little mind?" I asked.

"You'll find out soon," she said. "I just want you to promise me you'll fuck mom silly if you get the chance."

"You don't need a promise for that, Lisa," I said. "You only need me to be alive and not heavily drugged."

"I'll hold you to that," she said.

"You can't hold me away from it," I said.

"Now, let's work on getting me fucked," she said.

"Lisa, do you know why I am going to fuck your hot mom anyway but I am not sure about you?" I asked.

"Why?" she asked.

"Because she promised to be my slut forever," I said. "You didn't make any promises."

"You want me to promise to be your slut forever?" she teased.

"That's up to you, but I'd love it only if you kept your promise," I said.

"If I made that promise, I'd expect you to fuck me well forever," she said.

“You wouldn’t be my slut otherwise,” I said.

“You’d have to fuck me even if I have a boyfriend,” she said.

“I’d fuck you even if you got married,” I smiled. “It’s up to you how to keep your end of the bargain.”

“I’d do like mom,” she smiled.

“Does that mean you’d feed your boyfriend or husband and children my come and help your daughters become my whores too?” I smiled.

“That’s a great idea that hasn’t crossed my mind, but why not?” she said.

“Nobody could blame you if you took after your slut mom,” I said.

“I promise to be your slut forever,” she said. “Now, fuck me.”

“What if I wanted to impregnate you while you were married?” I asked.

“I’d let you do that, and I wouldn’t let anybody else know about it,” she said.

“I appreciate your promise, but you need to be able to announce it in front of your family and mine,” I said.

“You want to fuck me in front of my family like you did to my slut sister?” she teased.

“That’s how you officially become my permanent slut,” I said.

“I’ll do whatever it takes to be your permanent slut,” she said.

“Have you cleaned out your hot ass and got it ready to be claimed?” I teased, squeezing her ass.

“Of course,” she said, getting off my lap. “I’ve been dreaming about it since last night. I am sure mom has too, but she got dad to fuck her. I only have my fingers. I am now ready to kill. I am going to tell her I need your big cock.”

“I want your hot ass too, my little slut,” I said. “I want it to go to bed tonight mine.”

“As long as we want each other, nobody can stand in our way,” she said. “Everybody has to accept it.”

---

“Everybody has to accept what?” asked Beth when she came back, catching the end of Lisa’s statement.

“They have to accept that your hot little sister’s going to be my hot little whore,” I said.

“I’d be happy for you if you could pull that off,” Beth said to Lisa.

“I am going to pull it off, sister,” said Lisa. “Your stud boyfriend’s going to get my ass and all of me today.”

“Congratulations, boyfriend,” smiled Beth.

“Thanks, girlfriend,” I smiled back. “You should congratulate your sister too. This is a big step for her.”

“It’s big and deep,” said Beth. “Congratulations, my hot not-so-little sister.”

“Thanks, sister,” said Lisa. “I appreciate your letting me do this.”

“I am a good whore,” said Beth.

“I am going to get mom to watch me become a good whore too,” said Lisa, walking away.

“She’s like a shark,” smiled Beth. “She’s smelled come. There is no stopping her now.”

“She didn’t smell come though,” I smiled. “She swallowed two loads of it. I love sluts like that.”

“Is that right,” she teased, squeezing my big boner.

“I can’t hide that,” I smiled.

“Take it easy on her,” she said. “She could hurt herself if you let her.”

“She’s going to be a good whore,” I said. “A good whore’s never in charge of herself. I’ll take care of her.”

Lisa soon returned. She was so excited she made me smile.

“Nick, I am so horny my juices are running down my legs,” she said, standing before me. “I am so excited about losing my cherries to you and being your whore forever. You must think I am a total whore, but I can’t help it.”

“Baby, as long as you are *my* whore, I want you to be the most cock-hungry whore there is,” I said, holding her hips. “This is your day. How do you want to start? Do you want me to lick your dripping pussy clean?”

“Can I suck your big cock before you do that?” she said. “I missed it so much.”

“Can you do a quick striptease for me before you do that?” I smiled. “Dance to your own tune.”

“Sure,” she said.

“Relax, and be yourself, Lisa,” advised Beth, squeezing my boner. “You know you are truly a dirty slut.”

Lisa smiled as she started swaying seductively if not lewdly. Beth fondled my boner while we watched.

---

Victoria walked in and sat on my left.

“She’s doing a striptease for her new stud,” explained Beth.

“I figured that much,” said Victoria.

Lisa let one tit or the other peak a few times before she took her top off and tossed it aside. After that, she played peek-a-boo with her pussy and ass for a minute before she tossed her skirt away. Once naked, she bumped and ground for a couple of minutes, stroking herself lustfully. I finally beckoned her to me. She came to me, and I sat her in my lap. She gave me a lap dance while I fondled her tits and pulled on her stiff nipples. I did not mind that her juices saturated the front of my pants, especially along my boner.

After the lap dance, I guided Lisa to kneel before me. She took my pants and briefs off, setting my hard cock free. She admired my cock for a while before looking up at me.

“I so love your big beautiful cock,” she said. “I am so happy we’ll be together forever.”

“Show me,” I smiled.

She worshiped my cock for several minutes before she took it in her mouth and proceeded to suck it. She deep throated my cock for a few minutes and let me fuck her throat for a few more minutes. When she looked up at me, I pulled her for a long deep kiss. I only broke the kiss when she was sitting in my place. I stood up and fed her my cock. I fucked her throat for a few minutes. While I fucked Lisa’s face, I pulled her sister and mom’s heads to hers and took turns fucking all three throats.

Lisa’s throat was the last my cock left before I pulled her ass to the edge and pushed her onto her back. I pushed her legs over her head and had her mom and sister hold a leg out of the way each and pull an ass cheek out. Lisa was obscenely exposed, and she was soaked.

“You are almost as wet as I want you,” I teased, smiling at her. “I just want to get you a little wetter.”

Lisa trembled even before my tongue tip touched her stiff clit. I teased her clit, torturing her for a minute. She moaned and gasped, squirming under my tongue. I gave her clit a hard tongue lashing that had her coming almost instantly. She gasped and convulsed, but holding her hips kept her twitching clit under my assault until she finally relaxed limply.

While Lisa recovered, I lapped her juices off her thighs and pussy. I sucked the rest out of her sodden pussy. She started moaning, and I moved to licking her juices off her asshole. I fondled her tits and pinched her nipples while I continued to lick and suck her asshole, keeping her squirming and gasping, until she came.

Instead of licking Lisa's copious pussy juices off, I got up and used them to massage her pussy and asshole with my cock head. She continued to leak as I gave her hot pussy a good rubbing. She finally came while I buffed her gushing pussy with my slick cock head.

Beth handed me the lube. I used one finger to work a generous amount of lube up Lisa's receptive asshole and then two fingers to ream it out. After I reamed out her asshole for a few minutes, making her moan and squirm, I established a rhythm and finger fucked her ass with it constantly. She responded to my rhythm, pushing her ass out for every new stroke until she came wildly, her asshole twitching around my fingers.

Lisa recovered while I used my two fingers to work more lube inside her asshole. As tight as it was, her virgin asshole relaxed gradually and accepted a third finger. I patiently worked on her asshole, pushing my fingers deeper and deeper up her ass until they were all the way in. I finger fucked her ass with them to a new orgasm.

"Beth, baby, make sure my cock's hard enough for your sweet sister's virgin asshole," I said, thrusting my cock in Beth's face.

Beth deep throat my cock for a minute.

"Victoria, please lube it well," I said, offering my sticky cock and the lube to Victoria.

Victoria lubed my cock thoroughly and guided it in when I aimed it at her daughter's virgin asshole. She and Beth spread Lisa's ass for me.

"Relax, Lisa," I said softly. "This is what you've earned. Your hot ass is about to become mine."

"Yes," hissed Lisa.

The defenseless virginal asshole of Lisa could not help tensing when it felt my bulbous cock head press against its relaxed but tight ring. Since it did not want to resist anyway, it started to relax.

---

Lisa's dad came home while I deflowered her virgin ass.

"John, honey, come here quickly," called Victoria, pushing back against me.

"Hi," greeted John. "What's going on?"

"Nick's deflowering Lisa's butthole," she said.

"I'll be back in a minute," he said.

"He'd have already deflowered it," she said. "Come here right now. You'll see how it's done right."

John came and stood to the side.

"Lisa, would you like your daddy to spread your virgin ass for your stud?" asked Victoria.

"Yes, please," said Lisa, looking up at her dad.

"John, come spread our daughter's virgin ass for her stud," called Victoria. "They'd never forget that."

Beth got up, leaving her seat for her dad. We all looked at him expectantly. He finally shrugged and took his seat across from his wife.

"I'll hold her legs," said Victoria. "You are going to spread ass cheeks apart to expose her virgin asshole fully."

Victoria held Lisa's ankles with her right hand and returned her left hand to my slick shaft while John tentatively spread his daughter's ass. Lisa reached down and repositioned his hands.

"Are you going to beg for it, baby?" I asked Lisa.

"Nick, please deflower my virgin little asshole and make me your whore forever," gasped Lisa, trembling.

"Victoria, your sweet daughter's a minor," I said. "Is this okay with you?"

"Of course," said Victoria.

"Are you okay with it, Mr. Conkley?" I asked.

"Yes," he said.

When everybody was ready, I pushed into Lisa's defenseless virgin asshole. My cock inched in very slowly.

"Watch how his big shaft's going to skewer her tiny asshole all the way through," said Victoria.

"Are you sure it isn't going to split her delicate orifice?" he asked with concern.

"Didn't you see how it drilled her sister's ass yesterday?" she said.

"Beth's been doing it for a long time," he said.

"She was an anal virgin the first time she did it," she said.

"Relax, dad," said Beth. "She's going to love it. I am sure she'll be addicted to it in half an hour."

Lisa let out a soft gasp as my cock head slipped past her sphincter. Her asshole tensed a little for a second and relaxed again. I resumed pushing in very slowly.

"This feels so good," breathed Lisa. "My pussy's about to explode."

"Her pussy's still virgin," said Beth.

"Can you see how wet it is?" said Victoria. "It's leaking all the way down to her asshole."

"It knows which hole needs its juices more," giggled Beth.

"Your asshole's so tight, Lisa," I said. "Its tightness can't resist my cock though. It can only make it feel good."

"Please give me more," breathed Lisa. "I want it all inside me. I want my ass to be all yours."

"Have a little patience, my greedy slut," I said. "Your ass is already all mine. I want it to last long though."

"He didn't fuck her last night," explained Victoria. "She's dying for it now."

"He did the right thing," said Beth. "He'll fuck her all night, and she'll be begging for more."

Lisa's asshole relaxed a little, and I gave it a shove that fed it an inch of my thick shaft.

"I am going to come," gasped Lisa, stiffening.

"I want you to," I said, shoving another inch up her ass. "Come for me. Show your daddy that you really know what your gorgeous ass was made for. Show him that you deserve to be my ass whore like your sister."

Lisa's orgasm had already started. I timed my thrusts with her orgasmic spasms, letting her erratic convulsions drive her ass further down my cock. When I fed her my last two inches in one thrust, driving my cock balls deep up her twitching asshole, she gasped sharply and almost passed out. Her orgasm doubled, and I drilled her ass with fast short strokes, keeping her on her peak. Her orgasm finally subsided, and I kept my cock all the way up her ass.

"Congratulations on becoming your stud's anal whore," said Victoria.

"Thanks, mom," gasped Lisa.

“Welcome to the club, you little slut,” teased Beth. “Congratulations.”

“Thank you,” gasped Lisa.

Victoria looked up at her husband, questioningly.

“Congratulations, Lisa,” he said after some hesitation.

“Thanks, daddy,” gasped Lisa.

Lisa’s pussy was drenched. I dipped my index finger in her juices and gave it to her. She smiled before she sucked it. I dipped my finger in Lisa’s juices again for Beth. Victoria was next. John hesitated just a little before he sucked his daughter’s juices off my finger. The last taste was for me.

“Does anybody here think Lisa’s juicy virgin pussy isn’t the sweetest virgin pussy in the world?” I asked.

They shook their heads no all around.

“I have to agree with everybody else,” smiled Lisa.

“Enjoy that until your pussy’s no longer virgin,” I said. “That’s going to last you for a couple of hours.”

“I’ll enjoy it as long as it lasts,” she said as I resumed thrusting in her spread ass.

“I’ve never thought I’d ever be happy about Lisa’s losing her sweet ass cherry not to mention witnessing it,” said Victoria. “What makes it even sweeter, albeit stranger, is her losing it to her sister’s boyfriend.”

“Lisa and I are the luckiest daughters in the world for having such great parents,” said Beth.

“The two of you are great kids,” said Victoria.

“These two hot daughters come from an even hotter mom,” I said, pinching Victoria’s nipple. “I am so lucky to be close to the three of you.”

“Thank you,” said Victoria as I picked up the pace. “I have to say that you are a fantastic kid. Otherwise, we wouldn’t let you do this to our daughters not to mention helping you do it.”

“Victoria, you are a great mom and a unique girlfriend’s mom,” I said. “I am sure it helps a lot that you are as hot as your wonderful daughters.”

“Thank you,” she said. “You sure know how to compliment an old woman.”

“I am not sure for I’ve never tried it,” I said.

Beth squeezed lube on my pumping shaft as it drilled her sister’s ass faster and faster.

“Did you imagine that our daughter’s little asshole could take this pounding so eagerly?” Victoria asked John.

“I still can’t believe it,” he said. “It’s amazing.”

“More than you can ever know,” gasped Lisa.

“Only I know,” said Beth.

“If I am lucky, I may find out soon,” said Victoria.

“Victoria, you are so hot you owe it to yourself to find out,” I said.

“I am thinking about that already,” she said.

With Lisa’s mom holding her legs up and her dad spreading her ass open, my pace accelerated until it hit its peak. I maintained that pace without slowing down until Lisa came three times. She was completely out of breath when I slowed down. She was still panting when I withdrew from her asshole and wiped her drenched pussy with my cock head. I offered my sticky cock to her mom.

“Nick, thanks for offering me the first taste of Lisa’s sweet ass on your luscious cock,” said Victoria. “Honey, go change so you can come back and spread our daughter’s ass after I am done sucking its flavor off Nick’s cock.”

“Daddy, thanks for spreading my ass and helping Nick get it deflowered,” said Lisa.

“You are welcome,” he said. “I am happy it went well.”

“It was wonderful,” she said.

Before John left, he saw his wife open wide and take my cock in her mouth.

---

John did not see me hold the back of his wife’s head and drive my cock the rest of the way down her throat. I fucked her face at an easy pace.

“You loved that, you little whore,” Beth teased Lisa.

“Yes,” hissed Lisa. “Now I know why you love it so much.”

“Why?” teased Beth.

“Because it’s the hottest thing in the world,” gasped Lisa.

“It is, and most girls don’t even dream of experiencing anything like it,” said Beth.

Beth knelt before her sister’s offered pussy. She licked it leisurely. I slapped Victoria with my cock and then arranged her on her knees on the sofa.

“Let me see how wet you are,” I said to Victoria as I hiked her dress, exposing her bare ass.

“I am soaked,” she moaned as I spread her ass with one hand and squeezed lube on her asshole with the other.

“You sure are,” I said as I worked the lube inside her asshole with my thumb and rubbed my cock head up and down her leaky pussy.

Victoria gasped while I tortured her clit and toyed with her asshole. She moaned when I pressed my cock head into her wet pussy. She gasped when my cock head slid past her pussy lips. I grabbed her waist with both hands and firmly drove my cock all the way into her hot pussy. She stiffened before my balls touched the front of her pussy.

“I am coming,” Victoria gasped almost inaudibly.

Both Beth and Lisa watched their mom come immediately. Victoria shook wildly as I held her waist tightly and drilled her twitching pussy hard. I pounded her gushing pussy until she relaxed.

“Nick, you are so wicked,” accused Beth. “You let dad turn his back and then fucked his slut wife while he was in the same house.”

“Lisa, get ready to suck my cock clean so your dad won’t find my cock drenched in his slut wife’s pussy juices,” I said as I pulled out of Victoria and straightened her dress.

Victoria, still gasping, took her seat back while Lisa sat up to face my cock.

“I didn’t fuck your slut mom yet, Beth, baby,” I said, pushing my cock down Lisa’s eager throat. “I just tried what’s mine for size.”

“How did it fit?” teased Beth.

“It fit perfectly,” I said, thrusting in Lisa’s throat. “You can ask your sister how it tastes.”

“I know exactly how it tastes,” she said.

“Not on my cock,” I said.

"That's right," she said. "Little slut, how does mom's horny pussy taste on Nick's big juicy cock?"

"It tastes delicious," said Lisa.

"I can only wonder how her hottest and tightest orifice is going to fit and taste," I said.

"I am sure it won't disappoint you," said Beth.

"I am sure of that," I said as I took my cock out of Lisa's mouth and pushed it into her mom's.

Victoria took over sucking my cock.

---

John returned while I fucked his wife's throat. He must have thought that was the only thing I did to her though it was not a bad thing to do to a woman in front of her husband and daughters.

"Thank you, Victoria," I said. "You deserve a kiss for being so good to my big cock."

Victoria welcomed my tongue in her mouth, and we kissed deeply.

"I suck your cock because I love it," she said.

"Lisa, roll over onto your knees and push your hot ass back proudly and lewdly," I said.

"Honey, we are going to do for Lisa everything we did for Beth last night and then some," said Victoria, pulling one of Lisa's cheeks out. "After all, this is her first time."

John pulled Lisa's other ass cheek out, spreading her ass wide. Meanwhile, Beth sucked my cock. Victoria squeezed lube on Lisa's splayed asshole. I pulled out of Beth's mouth and entered Lisa's asshole, making her gasp.

"This position shows better how well her little asshole is being reamed out," said Victoria. "It doesn't show how wet her horny pussy is though."

"It won't get any drier," I said as I started to fuck Lisa's ass.

"I bet not," she said.

"Victoria, you were the first to taste Lisa's luscious ass on my cock," I said, stepping up the pace. "Beth's going to be the first to eat my come out of Lisa's ass."

"She was the first to taste her pussy directly," she said.

"There is nothing against being lucky," I smiled.

"Maybe one day I can get lucky," she said.

"Even when you do, I think you'll make somebody else even luckier," I said.

"Thank you," she said.

With my hands holding Lisa's waist, I accelerated the pace slowly but constantly. She fucked back stroke for stroke until the pace was too fast for her. She then was shaking back and forth in response to my vigorous thrusts.

"You are really putting it to her," said Victoria.

"She has an amazing ass that was definitely made for cock," I said. "I owe it to the two of us to enjoy it fully."

Lisa came wildly. I slowed down the pace for a minute and then picked it up again. She came again and again. When she recovered after her third orgasm, I looked at her dad.

"Mr. Conkley, would you like to kiss my cock while it tasted of your sweet daughter's delicious ass?" I said as I popped my cock out of Lisa's asshole, leaving it gaping slightly, and aimed it at her dad, taking him by surprise.

“Go for it, honey,” urged Victoria.

He reluctantly kissed my sticky cock head, and I then fed my cock to his wife.

“Thanks, daddy,” said Lisa.

Victoria sucked my cock in and deep throated it eagerly for a few minutes.

“You are an amazing woman, Victoria,” I said, slapping Victoria’s face with my sticky cock. “This is what I’d expect from the mother of two sizzling-hot girls.”

Victoria beamed until my lips covered hers. We kissed deeply and passionately. I fondled both her tits and pinched her stiff nipples, and she stroked my hard sticky cock.

“I bet you’d love to fuck mom too, you greedy pervert,” teased Beth, cradling my balls from behind.

“I am glad you know me well enough to know I am not brain-dead,” I said, breaking the kiss with Victoria. “There is no way I’d spare a hot woman half as hot as your sexy mom.”

“Thanks, Nick,” smiled Victoria, continuing to stroke my cock.

“You’d love to fuck her virgin ass, wouldn’t you, you horny ass hound?” teased Beth.

“That’s the single thing I’d love to do most,” I said. “It isn’t a secret that your hot mom has an amazing ass.”

“Thanks,” said Victoria.

“I bet my slut mom would love that too,” teased Beth. “I can’t believe how she flirts with you in front of dad.”

“You can’t blame a hot woman for behaving like one,” I said.

“You mean for misbehaving like one,” she teased.

“You can say whatever you want, but I don’t think your hot mom’s capable of misbehaving,” I said.

“Thanks, Nick,” said Victoria. “You have more faith in me than my own daughter.”

“Your daughter’s teasing,” I said. “She wouldn’t let you anywhere near me if she didn’t have full faith in you.”

Lisa sucked my cock a little, and then I sat in her place and pulled her astride me in the Asian cowgirl position. Beth squeezed lube on my cock and helped Lisa impale her ass on it as I spread her ass for her. Lisa bounced on my cock, and I paced her. Beth cradled my balls and occasionally licked them.

“Ride my cock, Lisa, baby,” I encouraged. “Show your parents and sister how much you love it up your hot ass.”

Lisa bounced her ass on my cock passionately. I helped her keep bouncing and getting her ass fucked deeply.

“I love your hot ass,” I said. “Keep it working like this.”

“I love it too,” gasped Lisa.

“You are a hot slut,” I said. “It runs in your horny family.”

“Daddy, thanks for being here for me when I needed you most,” gasped Lisa.

“You don’t need me at all, but I am happy for you,” said her dad.

“Of course, I need you, daddy,” gasped Lisa. “Don’t brides’ dads walk them down the aisle? This is that to me.”

“This isn’t your wedding, Lisa,” he said.

“It’s more important,” she gasped. “My commitment to Nick is stronger than most marriage vows. I am going to be his slut and be willing to have his kids even if I get married to someone else. I’ll even feed his come to my husband and his children and help my daughters become Nick’s whores like mom helped Beth and me.”

“You can’t be serious,” he said. “You are too young.”

“I know, but I am not dumb enough to let go of this amazing cock until death do us part,” she gasped. “I am taking this vow in front of the closest people to me—my family.”

“Say something, Victoria,” he said.

“Congratulations, Lisa,” said Victoria. “I wish you a wonderful life with the guy and the cock you love most.”

“Thanks, mom,” gasped Lisa. “You are the best. You are my role model.”

“Was that all you could say?” he reproached Victoria.

“Honey, this is our daughter’s single most important step in her life,” said Victoria. “It’s the single thing that will have the most influence on her. I want to give you a chance to congratulate her on it. She’s waiting, honey.”

“Congratulations, Lisa,” he said reluctantly. “I wish you utmost happiness in every step of the way.”

“Thanks, daddy,” gasped, blowing him a kiss. “You are the best daddy in the world. Nearly all other girls can’t share with their daddies the happiest moments of their lives.”

“You are welcome,” he said.

“Nick, can dad be the first to eat your come out of my ass?” she said excitedly, startling him.

“We’ve given that right to Beth,” I said. “It’s between him and her.”

“Beth, can dad do that please?” she gasped.

“Sure, little sister,” said Beth. “There is going to be enough for everyone.”

“I know, but I want to show dad my appreciation,” gasped Lisa. “Thank you so much.”

“You are welcome, but I thought you wanted to show *me* your appreciation for my letting you fuck *my* boyfriend and becoming his dirty whore forever,” teased Beth.

“I do, and I did,” gasped Lisa.

Lisa soon came. She jerked around wildly as I held her tightly, steadying her and keeping her twitching asshole skewered around my shaft. We kissed while she recovered, and I rocked her ass back and forth gently.

“Turn around so your sister can eat your virgin pussy,” I said. “Keep my cock up your hot ass as you do that.”

“Thanks, Nick,” said Beth as I raised Lisa’s left leg way up to help her pivot around my cock.

Beth started to lick Lisa’s drenched pussy as soon as Lisa settled on my cock. Lisa moaned and squirmed. I held her ass and proceeded to bounce it up and down my hard cock. Between my cock and her sister’s tongue, Lisa accelerated her pace of her own accord. She soon gushed in her sister’s mouth and her asshole twitched wildly around my cock as I moved it up and down my cock carefully to keep it impaled. Lisa soon relaxed and settled on my hard cock. Beth licked her drenched pussy clean and pulled away.

“Daddy, please eat my pussy,” said Lisa as she started to work her ass up and down my shaft.

“You are being biased,” chided Victoria. “This should be my turn. Your dad gets your come-filled ass first.”

“I am sorry, mom,” said Lisa. “I’d love to have you eat me out. Please go ahead.”

Victoria knelt down and proceeded to lick her daughter’s pussy. She also licked my balls and the bottom of my cock as Lisa’s asshole went up. Lisa soon came in her mom’s pussy, and her mom returned to her seat.

“Daddy, it’s your turn now,” said Lisa. “I’ll take it easy so you can take your time.”

John took his position and licked his daughter's pussy tentatively for several seconds. He soon lost his reluctance and did it more eagerly. To her word, Lisa ground her ass into my cock while leaking on her dad's tongue. Despite that, she fought to delay her orgasm and prolong the pussy licking. Taking advantage of the slow pace, I slid my hand behind Victoria's ass. I wormed a finger and then two up her slick asshole and reamed it out for her leisurely. She remained quiet but squirmed subtly on my fingers. With my other arm around Lisa, slowing her down even more, I managed to make her mom come with her. Lisa and her dad did not notice her mom's orgasm, but Beth did.

While Lisa recovered and her dad licked her pussy clean, I let her suck the fingers that had been up her mom's ass. I knew she was able to figure out where they had been.

When Lisa was ready for more, I got up, keeping her ass impaled on my cock, and arranged her on her knees.

"Nick, I am ready for your come," said Lisa, pushing her ass into me.

"You got it, babe," I said, thrusting in her ass as her parents spread it for me. "I'll make them proud of you."

"I am sure mom and Beth are already proud of me," she said. "I want you to make daddy proud of me as well."

"Don't be hard on your dad," I said. "I am sure he's proud of you. Aren't you, Mr. Callaby?"

"Why do you say that, Lisa?" said her dad. "Of course I am proud of you."

"Don't worry too much, Lisa, anyway," I said. "I am sure you'll make him even prouder. You are a young virgin girl who's just started to explore sex, but she's already one of the hottest sluts he's ever dreamed to see."

"Daddy, do you really think I am one of the hottest sluts you've ever seen, or is Nick making this up?" she said.

"Lisa, baby, I know you are kidding, but if you ever seriously question the sincerity of what I say, I'll spank you until you no longer know what your once-hot ass was made for," I threatened. "Is that clear, my little bitch?"

"Of course, Nick," she gasped. "You know I wasn't questioning you. I just wanted dad to say it himself."

"Please go ahead, Mr. Conkley, and tell my little bitch here what you think she is," I said.

"Lisa, you are the hottest slut I've ever seen," he said.

"He thinks you are even sluttier than your mom and sister," I said.

"Aren't I?" she said.

"You might be, but I can't make a judgment before I've put you and your hot mom through your paces," I said. "I agree with your dad's assessment though. According to what he's seen, you are the sluttiest girl in the world."

"Thanks, daddy," she said. "I knew you deserved to be the first to eat my lover's come out of my horny ass."

"You are wicked," I said. "You are trying to prove to your dad that you are really the dirtiest slut in the world."

"You can't blame a girl for trying to impress her daddy," she gasped as our fucking pace accelerated.

"You are an amazing girl, Lisa," I said. "I expect you to impress everybody without making any effort. If I didn't believe in you, I wouldn't be having a great time fucking your hot ass."

"Thanks, Nick," she gasped. "You make me feel great in every way."

As our fucking pace continued to accelerate, the only sounds heard were gasps, grunts and flesh slapping sounds, and they kept getting louder. Lisa finally stiffened, and came.

"Give me your come deep in my ass, lover," she gasped.

"It's on the way, baby," I assured, drilling her ass vigorously.

My cock soon swelled and started to pulse. I held her tightly as I spewed the first of my come deep into her sucking bowels. I pumped subsequent jets at less and less depths. I shot the last of my come with my cock head just past her twitching sphincter.

“Squeeze tightly,” I instructed. “Milk it dry.”

Lisa squeezed my cock with her asshole, and Beth held my shaft and jacked it off, draining it in her sister’s ass. My cock finally slid out of Lisa’s ass with a soft pop only to be sucked immediately into Beth’s mouth. Beth and I moved aside, making room for her dad.

“Daddy, I am ready,” called Lisa, wiggling her come filled ass. “Show me how proud of me you are.”

John knew it was coming, so he did not hesitate but did not rush to kneel behind his little daughter’s offered ass.

“Daddy, please lick my soaked pussy clean first,” said Lisa.

John obliged his daughter, starting with her drenched pussy. She moaned and ground into his face. He licked her with eagerness. Victoria knelt down before me and joined her daughter in reviving my cock.

“Now, suck the hot come out of my sloppy ass,” said Lisa.

My cock started to get hard as John spread Lisa’s ass and started to lick and suck her loosened asshole. She moaned and pushed her ass into his face. She made him work for a few minutes before she let her asshole open and leak come into his mouth. I was fucking Beth and Victoria’s throats in turns when Lisa came in her dad’s mouth.

“Thanks, daddy,” gasped Lisa when her dad returned to his seat. “Now I know how proud of me you are.”

With a few cock slaps to the face, I left Beth and Victoria and returned to Lisa. I turned Lisa around and pushed my cock in her face. I fucked her throat for a few minutes before I pushed her onto her back and pushed her legs over her head. She spread her ass for me right away.

“Lisa, baby, you’ve become a good slut,” I said, rubbing her wet pussy with my cock head. “Now, I am going to make you a good woman. Are you ready?”

“Yes,” she hissed.

“You’ll soon lose your last cherry, and your sweet little pussy will belong to my big cock,” I said.

“I want that,” she gasped, her pussy leaking on my cock head. “Please fuck my virgin pussy, and make me your woman and slut.”

Lisa squirmed and pushed her pussy against my cock. She soon came. Before she recovered, I knelt down and devoured her drenched pussy. I only let go of it after she gushed in my mouth. I smiled at her before I gave her pussy a goodbye kiss while she continued to gasp.

“I’ve just kissed your virgin pussy goodbye,” I said. “It’s going to go away forever.”

“Yes,” she hissed as I started to rub her pussy with my cock head. “I can’t wait to send it off.”

“Open your sweet pussy for me, and tell me what you want,” I said.

She pulled her pussy open with both hands as I continued to buff it.

“I want you to take my virgin pussy, which is yours,” she gasped. “Please fuck me and make me your woman.”

Lisa continued to squirm, gasp and leak as I punished her open but virgin pussy. When she took a long gasp and stiffened, I pushed my cock head firmly into her pussy. It broke her hymen as her orgasm hit her.

“Yes, yes,” gasped Lisa as I fed her gushing pussy more and more of my cock.

Her pussy was so tight. It twitched around my cock as I fed it to her in short thrusts. By the time her orgasm subsided, my cock was balls deep in her pussy.

“You are my woman now,” I smiled at Lisa, my balls pressing against her asshole. “You are my slut too.”

“Yes, I am all yours now,” she gasped. “Thank you.”

“Congratulations, Lisa,” said Victoria.

“Congratulations, little slut,” teased Beth as Victoria kissed Lisa on the cheek.

“Thanks, mom,” gasped Lisa. “Thanks, Beth.”

“Congratulations, Lisa,” said her dad.

“Thanks, daddy,” she gasped, smiling at him.

“Isn’t anybody going to congratulate me on getting this sweet girl all to myself?” I teased.

“Congratulations, Nick,” said Victoria. “Nobody deserves my sweet little daughter as much as you do.”

“I agree if she’s deserved by loving her hot ass,” I said. “I don’t think anybody can love it more. Thank you.”

“Don’t make it sound cheap,” chided Beth, slapping my ass. “I know you love more about her than her ass.”

“I can be beaten there,” I said. “I know that nobody can beat me at loving her ass though.”

“I don’t care, Nick,” said Lisa. “My ass and the rest of me are yours regardless of what others do or can do.”

“Congratulations on taking this great step in your life,” I said. “I wish you the best always.”

“Thank you so much, Nick,” she said. “Now fuck your slut’s little pussy. Use your little whore like you should.”

As I thrust in Lisa’s tight pussy, her mom brought us a towel and spread it under Lisa’s ass. I fucked Lisa at a slow pace until she came. I slowed down further while she recovered, and then fucked her at a faster pace to her next orgasm. After she recovered, I drilled her pussy vigorously to its wildest orgasm.

“Let’s wash up and then get back to your hot ass,” I said as I slowly and carefully carried Lisa, keeping her pussy fully impaled on my cock.

“I’ll help you,” said Victoria, getting up. “Beth, you can help your boyfriend wash up.”

---

Beth and Victoria followed Lisa and me to the guest bathroom. I put Lisa down in the tub. I quickly soaped and washed up my cock and balls while Victoria helped Lisa wash up. I returned to the tub and had Lisa kneel down. I fed her my cock, and she sucked it while her mom continued to wash her up.

“You are so horny,” said Beth. “You could have fucked me instead of hindering them.”

“This is Lisa’s day,” I said, slapping Lisa’s face with my cock.

“Fuck mom then,” said Beth as I got out of the tub. “She’s helping Lisa get ready for you.”

“Horny minds think alike,” I said as I knelt behind Victoria.

Victoria continued to wash Lisa’s pussy while I hiked her dress. I popped my thumb up Victoria’s ass before I pushed my cock in her pussy. She tried to concentrate on what she had been doing and be quiet as I picked up the pace in both holes. I tried to keep it down and focused on reaming out her asshole. When she came, she was almost done. Beth welcomed my dripping cock down her throat.

---

When I took Lisa back to the sofa, I carried her similarly, but it was her ass that was deeply impaled on my cock. I put her down and proceeded to fuck her ass.

“Nick, can you take mom tomorrow if she’s available?” asked Lisa.

“I can take her whenever she wants me to,” I said.

“I am sure she wants you to take her now, but you are busy with me tonight,” she said.

“Don’t tease your mom like that,” I chided. “Good women don’t.”

“Don’t good women compliment their moms?” she said. “I just meant that my mom’s a very hot woman.”

“I don’t think it’s typical for a good woman to compliment her mom while she’s being fucked up the ass,” I said.

“Doesn’t that mean I am a better woman than most?” she teased.

“I wouldn’t be here otherwise,” I said.

“Are you going to fuck mom tomorrow?” she asked.

“Is that any of your business?” I asked.

“Of course,” she said. “I want to make sure mom’s well taken care of.”

“You don’t need to worry about that,” I said.

“Thanks, Nick,” she said.

“You are welcome,” I said.

With that out of the way, I proceeded to fuck Lisa’s ass vigorously. After each of her orgasm, I let her sister or mom suck my cock. She was on her back when I filled her ass with come for Beth to eat out while her mom revived my cock. Beth revived my cock while her mom ate my next come load out of Lisa’s ass.

Lisa’s ass and mouth and her mom’s and sister’s mouths worked on my cock for a while before I pumped my next come load deep in Lisa’s pussy. I only pushed my cock balls deep in Lisa’s pussy when my orgasm hit. I held my cock deep in Lisa’s twitching pussy until my orgasm subsided. I gently pulled out and returned my cock to her ass. I thrust in her until my cock was well drained. I finally pulled out.

## TREACHERY

With Lisa’s pussy full of come and my cock drained in her ass, she got up.

“Mom, you couldn’t see Nick come deep in my pussy,” said Lisa, standing in front of her mom with one foot on the sofa to open herself up. “Stick two fingers into my slimy pussy and feel his come inside me.”

“That isn’t necessary, Lisa,” said Victoria. “I know what he did.”

“Do it, mom,” said Lisa. “Don’t be shy. I am no longer a little girl. I’ve grown into a little slut, and I’ll soon be a little whore for Nick. Scoop a little of his come out of my little pussy before it starts dripping on the carpet.”

Lisa guided her mother’s right hand to her offered pussy. Victoria did not resist.

“That’s it, mom,” said Lisa. “There is so much of it you don’t have to dig deep. Just stick two fingers in.”

Victoria pushed two fingers into her daughter’s come-filled pussy. Lisa held her hand by the wrist and pulled it all the way in.

“Can you feel how he loosened up my once tight pussy?” said Lisa, grinding her pussy into her mother’s hand.

“I sure can, but it’s still tight enough,” said Victoria.

Lisa pulled her mother’s fingers out. They were loaded with come.

“You know his come tastes great,” said Lisa as she guided her mother’s sticky fingers to her mouth. “I want you to be the first to taste it out of my pussy.”

Victoria let her daughter feed her my come.

“Suck your fingers clean,” urged Lisa. “Don’t waste any yummy come. Nick loves watching you eat his come. Can you see how big and hard his cock has become without anybody touching it? Did it taste good?”

Lisa sat in her dad’s lap.

“Lisa, you are naked,” he complained.

“I know, daddy,” she said sweetly. “I am naked and well-fucked but still horny. Are you proud of me, daddy? Am I a good little slut, or do you still think of me as a clueless little girl?”

“I’ve never thought you were a clueless little girl,” he said.

“You think I am a good little slut?” she teased.

“I think you are a good girl,” he said.

“Thank you, daddy,” she said, throwing her arms around him. She pecked him on the lips. “You are so nice.”

She took her arms off her dad and squirmed a little in his lap.

“Mom, did Nick’s come taste good out of my pussy?” teased Lisa. “We all know how it tastes out of well-fucked asses. Please tell the truth.”

Lisa leaned forward and turned her mom’s face toward her.

“Yes, it tasted good, you little slut,” said Victoria.

“Nick, I don’t think you are through with me, are you?” asked Lisa.

“No way, my little slut,” I said.

“I am not through with you either,” she said. “I want you to fuck me a lot more, but your cock’s now all sticky. It needs some cleaning. I think mom would love to clean it up for you while I catch my breath.”

“You think so?” I teased.

“Nick, be nice to mom, and let her clean your cock for you,” said Lisa.

“Lisa, are you sure she wants to?” I said, brushing my sticky cock over Victoria’s face.

“I am,” said Victoria.

“You are okay with this, aren’t you?” asked Lisa, squirming in her dad’s lap. “They are not going to fuck. She’ll only get his big cock ready for my little pussy and tiny asshole like before. Do you want her to do that, daddy?”

“Yes, I do,” he said as his wife took my cock in her mouth. “She’s done it several times.”

“Thank you, daddy,” said Lisa, hugging him again and squirming in his lap. “I knew you’d do that for me.”

Lisa looked up and winked at me.

“Mom, don’t you think Nick has a beautiful cock?” asked Lisa.

“Of course, he does,” moaned Victoria.

“Are you happy now that dad wants you to suck it whenever you can?” asked Lisa.

“Yes,” hissed Victoria.

“I don’t think Nick’s happy about that though,” teased Lisa.

“Why not?” asked Victoria.

“Because you didn’t beg,” said Lisa as I fucked her mom’s throat. “Beg him to let you suck his big cock.”

“I think that’s a good idea, Victoria,” I said, slapping Victoria’s face with my sticky cock.

“Nick, please let me suck your big cock,” said Victoria.

“It’s all yours, Victoria,” I said, pushing my cock back into her mouth. “I am a gentleman. I can’t let a lovely lady down. Suck it all you want any way you want. I know that sexy women were made to serve cock.”

“She can suck yours later,” whispered Lisa, squirming in her dad’s lap. “She’s doing a great job, isn’t she?”

“Yes,” he said.

“Do you enjoy watching her suck Nick’s big mouthwatering cock so eagerly and skillfully?” she teased.

“Yes,” he said lowly.

“I can feel it,” she teased.

“Lisa, don’t be so bad,” he chided.

“You either like what you are watching or what you are feeling,” she teased. “Did I misunderstand?”

“No,” he said.

“You mean you don’t like my hot ass?” she pouted. “Is that because I let Nick fuck it silly?”

He did not answer.

“Nick, is mom a good cocksucker?” she teased as she leaned over, reaching for her mom’s pussy. “Please be honest. You owe it to her. If she isn’t, she wants to know so she can train and work on her technique.”

“You bet she’s a great cocksucker,” I said.

“Nick, mom’s so wet while she sucks your big cock,” she said, obviously fingering her mom’s leaky pussy. “Do you think she’s just a cocksucker to you, or do you think she’s more than that?”

“Of course, your lovely mom’s much more than a cocksucker to me,” I said. “Sexy women in her caliber were meant to serve cock in every possible way.”

“Tell her that,” said Lisa. “Don’t be too shy to give her credit. Tell her she’s a complete slut if you think she can handle your big thick cock with her other fuck holes. She’d love that and would most likely come for you.”

“Victoria, you are a complete slut,” I said. “I’d love to fuck you in every horny fuck hole you have. I am sure you were built for cock and come even more than your amazing daughters.”

“Come for him, mom, if you want to show him you are really the slut he thinks you are,” she teased, diddling her mother’s pussy. “Come on, mom. Come for the big cock you are sucking. Show him all your horny holes need it.”

Victoria trembled and came.

“Don’t worry about dad, mom,” said Lisa. “If he gets bored, I’ll have his hard cock spurting deep in my pussy before he knows what hit him. You’d have to suck his come out of my pussy very well so I wouldn’t get pregnant.”

“You are on the pill, Lisa,” gasped Victoria.

“Did you have to spoil my fun?” said Lisa. “Now, I’ll have to have my slut girlfriend suck him off.”

“You are a wicked girl,” said Victoria.

“Hey, I am not a married woman whose pussy is twitching and gushing around her little daughter’s fingers while she comes her ass off for her daughter’s boyfriend’s big cock that she’s sucking right in front of her husband while he grinds his hard boner into her little daughter’s horny ass,” said Lisa. “You are.”

“It’s all your doing,” accused Victoria.

“I guess I coerced you,” teased Lisa.

Victoria did not reply.

“You obviously need cock badly,” said Lisa. “I can’t blame you. You’ve been watching Nick use his amazing cock on your daughter’s every fuck hole and sucking his mouthwatering cock. That’s torture. I’ve tried it last night.”

“That isn’t easy,” said Victoria.

“I am sure dad’s okay with letting Nick fuck you a little,” said Lisa. “Isn’t that right, daddy?”

“What?” he said, taken off guard.

“Please let Nick fuck mom a little,” said Lisa. “She’s so horny. She’s been watching us for a couple of days.”

“Lisa, I see that, but I am a married woman,” said Victoria. “A married woman can’t just let her daughter’s boyfriend fuck her.”

“Of course, you are a married woman,” said Lisa. “First, he’ll only fuck you a little not for hours. Second, it’s like sucking his big cock. You’ll just be sucking him with your drooling pussy.”

“Do you think that’s a good idea?” asked Victoria.

“We all think so, including dad,” said Lisa. “Daddy, do you want mom to be tortured?”

“No,” said John.

“You want her to be happy, don’t you?” she asked.

“Yes,” he said.

“You are okay with letting Nick fuck her just a little, aren’t you?” she asked.

“Sure, if she’s okay with that,” he said.

“Of course, she’s okay with it,” she said. “She needs it. Didn’t you see how she worshiped his big cock? She isn’t a woman if she doesn’t.”

“Nick, how do you want mom?” asked Beth.

“Mr. Conkley, do you want me to fuck your lovely wife’s little pussy and help her show what an amazing hot woman she is?” I asked.

“Yes,” he said.

“I want her on her back, her sexy legs over her head,” I said.

“That way I can ream out her asshole while you fuck her pussy,” said Lisa.

Victoria hesitated a little before I pushed her gently.

“Nick, don’t fuck her for hours,” reminded Lisa. “Just give her a dozen orgasms to last her for the night.”

Lisa removed her hand from her mom’s crotch, and Victoria got into position.

“Lisa, I don’t think your dad’s excited about having me fuck your hot mom,” I said, rubbing Victoria’s leaky pussy with my cock head. “I think he isn’t sure it’s the right thing to do for his sexy wife.”

“Of course, he is,” said Lisa. “How can we make you believe it?”

“Your mom’s a very sexy woman, but your dad has to want this,” I said. “If he really wants it, he shouldn’t have a problem with guiding my big hard cock into his wife’s sizzling pussy. If he doesn’t want it, I am not doing it.”

Victoria’s pussy twitched and leaked more profusely as I said that.

“Daddy, please guide his big cock into mom’s needy pussy,” said Lisa. “Show them that you want it just like you wanted him to fuck my ass royally.”

“Dad, do it for mom, us and Nick,” urged Beth. “It will only take a second.”

As he reached out, I let go of my cock and kept it close to his wife’s pussy. He held my cock tentatively and guided it into her leaky pussy as I pushed firmly.

“Thank you, sir,” I said as my cock head slid into Victoria’s wet pussy. “I really appreciate your unlimited trust.”

“You are welcome,” he said, taking his hand away.

My cock slid the rest of the way into Victoria’s tight pussy, and she stiffened before my balls touched her ass. She came, and I started to fuck her twitching pussy.

“Can you see how bad she needs it?” said Lisa as her mom gasped and shook widely.

“Thanks, honey, for this,” gasped Victoria.

“You are welcome,” he said.

Lisa squeezed lube on her fingers and reached out for her mom’s asshole. Within a few seconds, she slipped a finger and then the second up her mom’s asshole, making her mom’s orgasm peak higher. She jerked her fingers within her mom’s twitching asshole while I pounded her mom’s gushing pussy.

While Victoria recovered, I fucked her pussy gently, and so did Lisa with her asshole. Lisa took the chance and squeezed a third finger up her mom’s asshole.

“Mom’s asshole’s so hot,” said Lisa. “It’s almost ready. I have three fingers up her ass.”

“Your mom’s one of the hottest women in the world,” I said. “She has a great ass.”

Lisa used three fingers on her mom’s asshole while I fucked her mom’s pussy harder and harder.

“Get on your knees, Victoria,” I said after Victoria came twice more. “Let me see your spectacular ass while I fuck your juicy pussy. I also want to see what your hot daughter’s doing with your cute little asshole.”

Victoria got onto her knees, and Lisa and I returned to her pussy and ass. Lisa slid three fingers up her mom’s ass from the start.

“You have a great ass and a fine asshole, Victoria,” I said, fucking Victoria’s pussy harder.

“Thank you,” gasped Victoria.

“Daddy, please massage my ass, not feel it up,” said Lisa. “Just get me to relax while Nick helps mom relax with his big cock. I am doing something strange, probing mom’s horny asshole to feel how she’s doing. It’s making me tense a little. I don’t want Nick’s big cock to hurt my little asshole.”

“I can ream out your asshole with my fingers to keep it loose,” offered Beth.

“Can you also finger my dripping pussy while you are at it?” asked Lisa.

“You got that, you little slut,” said Beth.

“I must be doing something right to get this royal treatment,” said Lisa as Beth reached for her pussy and ass.

“You are, you whore,” said Beth. “You are helping your mom get fucked like a cheap whore with your sister’s boyfriend’s big cock with your dad’s blessing.”

“I want my family to be happy just like any other girl,” said Lisa.

“You know mom won’t be completely happy until she’s had Nick’s amazing cock up her horny ass,” said Beth. “You and I know that very well.”

“Dad will sure grant her that wish,” said Lisa. “I need her to be my role model. I need to see her treat her lover and her family like I should treat mine. She has to be passionate and uninhibited, and I am sure dad knows that.”

“Dad, you know that mom’s a very hot woman and pussy fucking isn’t good enough for a real slut,” said Beth. “Mom, what does your hot ass crave?”

“It craves Nick’s big cock,” gasped Victoria.

“Dad, are you going to give mom what she needs, or do I have to rub your cock too?” said Beth.

Beth reached out with her free hand and squeezed her dad’s boner.

“Beth, don’t do that,” protested John.

“Will you let mom make her own decision about taking Nick’s big cock up her horny ass?” asked Beth. “She must know what her body needs. You both know how to be good parents and role models for us and our husbands.”

“Yes,” he said.

“You know what that’s going to be, don’t you?” she asked. “We can all see it.”

“I think I do,” he said.

“Dad, you are a great dad and husband,” said Beth.

“Yes, dad,” said Lisa excitedly. “You are the best.”

“Thank you,” he said.

“Mom, you are going to love this,” said Lisa. “Taking Nick’s amazing cock up your needy virgin asshole will be the hottest thing you’ve ever done in your life.”

“Lisa, I see that, but I am a married woman,” gasped Victoria. “A married woman can’t just let her daughter’s boyfriend stuff his big cock up her horny ass and show her the hottest time of her life. It has to be right too. You said that letting him fuck me a little was like sucking him with my pussy, but taking it up the ass is very different.”

“Ass fucking’s even better,” said Lisa. “An asshole isn’t even considered a sexual organ but is very sensitive. It’s more like sucking cock than taking it in the pussy but a lot hotter. What your family agrees to is always right.”

“I love what you are doing to my asshole, but are you sure that’s okay?” gasped Victoria.

“Daddy, say something,” whined Lisa, grinding her ass into her dad’s boner. “Tell mom she has to try Nick’s wonderful cock up her virgin ass. We owe it to her. You don’t want her to wonder about it all her life.”

“Try it,” said he to his wife.

“Daddy, that wasn’t convincing,” said Lisa. “First, do you believe that it would be her hottest experience ever and that Nick would take perfect care of her hot ass and make her experience the most mind blowing orgasms?”

“Yes,” he said.

“Tell her she has to try it,” she said. “You are not going to let meaningless inhibitions stand between your wife and sheer bliss, are you? You have to be passionate about being a good husband.”

“Victoria, you have to try it,” he said.

Victoria stiffened and shook in orgasm. I pounded her gushing pussy hard.

“You are going to spread her virgin ass for Nick and eat his delicious come out of her well-used ass later, aren’t you, daddy?” she said. “Without that, she wouldn’t feel right.”

“Yes,” he said, making his wife’s orgasm peak.

“Did you hear that?” asked Lisa, jerking her fingers in her mom’s ass. “Come for dad.”

“I am coming,” gasped Victoria as Lisa and I drilled her nether fuck holes.

“Beth, make me come,” called Lisa.

“I am going to come with you too,” said Beth, working on her own pussy while she pumped Lisa’s fuck holes.

Right there, my girlfriend was finger fucking her little sister’s pussy and ass while her little sister sat in their dad’s lap and he kneaded his little daughter’s ass cheek while she leaned aside and finger fucked her mom ass.

“Dad, keep her ass spread so I can go deeper,” said Beth. Her dad apparently obliged her. “Yes, just like that.”

“Thanks, dad,” said Lisa. “You are so good I wish you’d always spread my ass for Nick.”

“He’s helping you because you are too busy, you slut,” teased Beth.

“I can get too busy while Nick fucks my ass too,” said Lisa. “Mom, you don’t really need your hands. Why don’t you use them to spread your ass so I can delve deeper inside your virgin asshole? It’s so hot with lust.”

Victoria immediately reached back and spread her ass with both hands while she continued to buck her ass.

“That’s it, mom,” said Lisa. “You can feel how deep I can go now. Nick, she has a very tight asshole. You are going to love reaming it out for her with your big fat cock. I can feel how it craves that.”

“Your mom’s a very lovely woman, Lisa,” I said. “I know I’d even love taking her to church.”

“I don’t think she’d let you take her at church,” teased Lisa as her mom gasped for air.

“We’ll see about that,” I said.

“Holy fuck, so to speak!” said Lisa. “She just might. Her asshole twitched at the thought. She’d like to go to church clean, have you fuck her and make her come and then sit through the service with your come in all her fuck holes. I’d enjoy that myself. Would you do that for her, Nick, please?”

“I am not a religious guy, but I’d sure love to help your mom have an enjoyable religious experience,” I said.

“She’d love you for that,” she said. “I can feel it in her horny asshole. She’d be very grateful to you.”

“I am doing it also because I believe religion brings the best out of people,” I said.

“If you think so, why aren’t you religious?” she asked.

“If I get any better than this, I’ll be too good to be true,” I smiled.

“You are already too good to be true,” she said. “I like you a lot the way you are.”

They all concentrated on working on their orgasms. I fucked Victoria’s pussy harder too. It only took a couple of minutes. Victoria came first, followed immediately by Lisa. Beth came a few seconds later. The three sluts gasped and shook simultaneously.

“That was one simultaneous orgasm,” said Beth when they all recovered.

“Mom, are you going to be a good wife and do as dad told you?” teased Lisa. “Are you going to let Nick deflower your horny ass and fuck it royally before he floods it with his hot come?”

“Yes,” hissed Victoria.

“Is that a promise, Victoria?” I said. “I’d love to do that to you and a lot more.”

“Of course, it’s a promise,” she hissed. “I’ll be doing myself the favor too.”

“That isn’t how I see it,” I said. “You’d be doing me a big favor because my big cock will love to sink inside your every hole. Your daughters will find a horny role model in you. Your husband will love having a wife so hot.”

“You forgot to say that it will bring Lisa and me a lot closer to mom and to dad,” said Beth.

“You are going to be a good slut for me like your hot daughters?” I teased.

“Yes,” she hissed.

“Mom, you need to be a hotter slut to be a role model for us,” said Beth.

“I’ll do my best,” gasped Victoria as I pounded her pussy.

“Mom, I am nice and all, but he isn’t deflowering your ass today,” said Lisa. “Today he’s mine. He can just fuck your pussy as a down payment on your virgin ass.”

“He’s doing a great job at that,” gasped Victoria. “I’ve never been fucked this well. Thank you and him.”

“Nick, since dad’s been so nice, why don’t you come deep in mom’s pussy and let him eat it out?” said Lisa, making her mom’s pussy twitch.

“Lisa, you know I’d love to do that, but it isn’t fair to you,” I said. “Tonight’s your night.”

“I know, and I appreciate that, but mom and dad have been so nice to us,” said Lisa. “They deserve that. Besides, it’s only one come load.”

“Victoria, what do you think?” I asked. “Do you want me to flood your hot little pussy with thick come for Mr. Conkley to eat it all out to the last drop?”

“I’d love that,” gasped Victoria. “I also appreciate that my husband will be the first to eat your come out of me.”

“You have a great husband,” I said. “He’s like a dad to me. What he’s done for me compares only with what dad did, and trust me that dad has done a lot.”

“Thank you,” he said.

“I bet your dad hasn’t eaten your come out of a well-fucked ass,” gasped Victoria.

“He actually has,” said Beth. “Nick’s dad ate Nick’s come out of my ass and made me come.”

“No way!” exclaimed Lisa, looking up at me.

“Hey, you are not the only one who has a great dad,” I said. “If you are a good girl, he may do it to you too.”

“Wow!” said Lisa. “That’s incredible.”

“What’s so incredible?” I said. “My dad’s proud of his family just like your dad’s proud of his.”

“Proud dads don’t exactly eat their son’s come out of asses or eat come out of their daughters asses,” said Lisa.

“Well, some dads are prouder than others, and we got the best,” I said.

Victoria soon came, and I fucked her until she recovered.

“You think you’d like to bounce on my cock like a horny slut cowgirl?” I asked Victoria.

“I’d love that,” she said.

Lisa pulled her fingers out of her mom’s ass, and I pulled my cock out and pulled Victoria up to her feet. I sat in her place, and she squatted on my cock. She rode my cock. I spread her ass and paced her. Lisa lubed her fingers and resumed reaming out her mom’s tight asshole.

“Bounce your virgin ass,” I teased.

“I wish I were bouncing it on your big cock,” gasped Victoria.

“You soon will,” I assured.

“I can’t wait,” she gasped.

“Mr. Conkley, your wife has an amazing pussy,” I said. “Even if I hadn’t known your daughters, I’d have known that it was only capable of delivering the hottest girls.”

“Thank you,” he said.

“Thanks, lover,” gasped Victoria.

“You must be very proud of her,” I said. “I am so proud of her, and I am not her husband.”

“Yes,” he said.

“We are all proud of mom,” said Beth. “Aren’t we, Lisa?”

“Of course,” said Lisa. “She’s the hottest and sluttiest mom any girl can have.”

Victoria bounced on my cock to orgasm. I held her spread ass until she came, and then I fondled her tits and pinched her nipples through her dress until she resumed bouncing. She came three times in that position.

When Victoria recovered, I got up with her still impaled on my cock. Lisa popped her fingers out of her mom’s ass. I laid Victoria on her back and resumed fucking her.

“Don’t forget to come in her pussy in the end,” said Lisa as she slid her fingers up her mom’s ass.

“How can I forget to pump my come deep where a lucky come load made you?” I said.

Victoria came three times while I pounded her pussy deep and hard.

“You’ve got your dozen orgasms,” I said to Victoria, thrusting gently in her drenched pussy. “Next time you’ll get your husband’s come load.”

“Yes,” hissed Victoria as her pussy twitched.

As soon as Victoria started to thrust into me, I picked up the pace into overdrive. I pounded her pussy hard until she came. When her orgasm started, I started mine. I spewed my come deep in her twitching pussy until I was drained. Her pussy milked my cock deliberately after her spasms subsided.

“Thank you, Nick,” gasped Victoria. “You really know how to give a woman a royal fucking.”

“I only know how to do that to the hottest women because it’s so easy,” I said.

“Thank you,” she said.

“You are welcome,” I said.

Beth and Lisa came with their mom. Beth then removed her fingers from her sister’s holes and her own. Lisa removed her fingers from her mom’s ass and got off her dad’s lap.

“Get ready, dad,” said Lisa, pulling her dad off the sofa. “Mom’s pussy’s now full of Nick’s delicious come.”

When he got ready, I pulled out of his wife’s slimy pussy. He applied his mouth to it while their daughters revived my cock hungrily.

Victoria fed her husband my come and then a fresh load of her own. When he let go of her happy pussy, she joined her daughters, working on my cock, which was already hard.

“Mr. Conkley, do you agree that I am the luckiest man in the world?” I said when my eyes met his while his wife and daughters sucked my cock eagerly.

“Yes,” he said.

“I am so grateful to you and to your amazing family,” I said. “Thank you.”

“You are welcome,” he said.

“Before I let go of your wonderful wife, I’d like to lick her luscious asshole,” I said.

“That’s a great idea, Nick,” said Lisa.

“Surely,” I said. “Victoria, get on your knees next to your husband so he can spread your hot ass for me.”

“Of course, lover,” she said as she got into position.

“Mr. Conkley, you need both hands to spread her fine ass,” I said as I knelt behind Victoria’s ass.

“Okay,” he said.

He hiked his wife’s dress, exposing her bare ass, and spread her cheeks, exposing her little asshole obscenely.

“It’s so pretty, isn’t it?” I said, staring at her pink pucker.

“Yes,” he said.

Victoria gasped a few times, and her asshole twitched, as I kissed it lightly and teased it with my tongue tip a few times. It relaxed as I gave it longer licks. She soon moaned, pushing her ass back eagerly. I ate her virgin asshole more and more hungrily. We both obviously enjoyed that.

“Eat mom’s virgin asshole,” encouraged Lisa, stroking my cock. “Show her that her asshole was made for cock.”

“Your mom has a delicious asshole,” I said.

“I bet it will taste even more delicious on your big cock,” she said, making her mom’s asshole twitch.

“I am sure of that,” I said.

A few minutes later, Victoria announced her imminent orgasm.

“I am going to come,” she gasped.

“Come, mom,” urged Lisa. “Come like a dirty whore.”

Victoria obliged her daughter. Her asshole twitched around my tongue tip wildly. I licked her drenched pussy clean when she recovered. I then licked her pussy to a new orgasm. I cleaned it with my tongue again.

While Victoria recovered, I squeezed lube on her asshole. I gently worked the lube inside her asshole. I slowly worked my way from one to three fingers, reaming out her asshole patiently while she moaned and rocked back and forth. I picked up the pace and made her come, fucking her ass with three slick fingers. I worked more lube inside her asshole before I got up, standing behind her.

“Who does this belong to?” I asked, twisting my fingers within Victoria’s stretched asshole.

“My asshole belongs to you,” she moaned.

She moaned as I slowly withdrew my fingers from her asshole.

“Nick, let me taste her juices on your cock,” said Lisa.

“She’d have to come on it,” I said.

“Sure,” said Lisa. “I wouldn’t say no to more delicious juices.”

“You are a greedy slut,” I teased.

“Beg for it, mom,” urged Lisa as my hard cock pointed to her mom’s dripping pussy.

“Nick, please fuck me and make me come on your big cock,” begged Victoria.

“You got it, Victoria, baby,” I said.

Lisa held my cock and guided it into her mom's pussy as I pushed it forward. Victoria moaned as my cock head stretched her pussy. I gently popped my right thumb into her splayed asshole, making her gasp. Both her orifices twitched. While gently pulling up on her asshole with my hooked thumb, I pushed my cock deeper and deeper into her pussy. My cock was soon balls deep in her pussy.

"I am glad we decided to do this," I said. "Your pussy's still so hot and hungry for my big cock."

"Yes," she hissed as I started to fuck her.

She came within a couple of minutes of vigorous fucking.

Victoria shook in orgasm. Her twitching pussy gushed around my cock as her asshole fluttered around my thumb. I pounded her pussy vigorously until her orgasm subsided.

"Mr. Conkley, you have a very hot wife," I said as I thrust in Victoria's pussy and fuck her asshole with my thumb. "Her sizzling pussy must be always so hungry for cock. It's almost insatiable."

"It runs in the family," commented Lisa.

"It sure does," I said.

Victoria's next orgasm came shortly. I pounded her hard until she went limp, gasping. I reamed out her asshole while she recovered. I finally pulled my dripping cock out of her drenched pussy. Lisa pounced on it.

Lisa deep throated my cock for a minute. My thumb was still up her mom's ass.

"You think you can get another helping for my ass?" said Lisa, aiming my cock at her mom's pussy. "The slut's still waiting for it."

Before I obliged Lisa, I drooled on her mom's asshole and teased it with my sticky cock head, making it twitch.

In the following ten minutes, Victoria came four times. I took my dripping cock out.

"Mom, we are now ready to continue," said Lisa. "Thanks for getting him ready for my ass."

"You are welcome, you little whore," said Victoria.

"Nick, aren't you proud of your little whore?" asked Lisa.

"I am proud of her and her entire hot family," I said. "I am very lucky to be here."

"Now, fuck my ass and show them how lucky I can get," she said.

"As soon as you finish licking your mom's soaked pussy clean," I said.

"Sure," she said, getting off her dad's lap.

Lisa licked her mom's pussy clean while I toyed with her mom's asshole. Victoria took her seat, and Lisa got on her knees between her parents.

"Daddy, please spread my ass for me," said Lisa. "Show me that you still love me no matter how lewd I am."

John spread Lisa's ass, and I put it to her, fucking her ass hard. She soon came.

"Nick, now that you've used mom's juices to fuck my ass, can you do the same with Beth's?" gasped Lisa while she recovered, still grinding her ass into my hard cock.

"How can I do that?" I asked.

"Make her come on your cock, silly," she said. "She's a horny slut too. It wouldn't take any time."

Beth helped me arrange her on her knees in Lisa's place.

Beth pushed her bare ass out lewdly as I playfully slapped it and rubbed it with my hard cock. She moaned and her pussy leaked as I rubbed my cock head up and down her hot pussy at a fast pace. She was gasping when I aimed my cock at her pussy and shoved it in, driving it halfway in, as I slipped my left thumb all the way up her relaxed asshole. She gasped and stiffened as I grabbed her right shoulder with my right hand and drove the rest of my cock in. She came immediately. I pounded her shaking frame vigorously as she gushed around my cock and twitched around my thumb. She finally calmed down.

“Fuck her, Nick,” urged Lisa.

Beth was soon getting a serious fucking. After she came on my cock, I switched it to her asshole.

“Dad, are you sure it’s okay for Nick to deflower mom’s virgin ass and use it?” asked Lisa.

“I don’t own her,” her dad said as he watched my cock drill his daughter’s ass as he spread it for me. “It’s up to her if she wants to do that.”

“Did you hear that, mom?” she said. “Dad doesn’t own you. Nick does.”

“I don’t own your lovely mom, Lisa,” I said as I pounded Beth’s ass vigorously. “She has a hot wonderful body that I’ve been granted the ownership of, and I am going to treat it accordingly.”

“That was why it was given to you after all,” said Lisa.

“Does that mean you are going to fuck mom’s virgin ass and make her your dirty whore like her slut daughters?” teased Beth, bucking her own ass wildly.

“I already love how it looks, tastes, and feels,” I said. “Nobody can blame me for taking and using what’s mine.”

“Of course not,” she gasped. “You are going to take it and use it, right?”

“I assure you I am not going to let your sexy mom down,” I said. “When a sexy woman gives me her hot body, she expects me to take good care of it, and I do my best.”

“You are going to make her your whore, aren’t you?” she asked.

“I make a hot woman my ass whore if that’s what she wants,” I said lowly, leaning toward Victoria. “Is that what you want, Victoria?”

“Yes,” hissed Victoria just as Beth came wildly.

“Say it, Victoria,” I said, pounding Beth’s twitching asshole hard.

“Yes, I want to be your ass whore,” hissed Victoria.

“Is that because I own your horny body?” I teased.

“No,” she said. “It’s because you have the most amazing cock.”

“Am I only a big cock to you?” I teased in mock disappointment.

“Of course not, but I wouldn’t want to be your shameless ass whore if you didn’t have an amazing cock that you knew how to use very well,” she said.

“I wouldn’t want you to be my whore either if you didn’t have such a great ass,” I said. “I only fuck the sluts that were made for cock. We are now even.”

“I don’t know how to put my ass to good use though,” she said.

“Don’t worry about that,” I said. “You have the same hot ass genes that your daughters have and then some.”

“Lisa and I may have some ass genes from dad’s side that mom doesn’t have,” teased Beth.

“She also might have held back some ass genes and did not pass them to you,” I said.

“Mom wouldn’t do that,” she said. “I am sure she passed us all the sex genes she had.”

“In that case, there would be no room for your dad to pass you any sex genes,” I teased.

“Dad, were the women on your side as hot and slutty as mom and us?” she asked.

“I don’t know, but I don’t think so,” he said.

“You think Lisa and I will remain loyal whores to Nick even if we marry other guys just like mom?” she asked.

“I don’t know,” he said.

“Come on, daddy,” she said. “You think mom’s more loyal than Lisa and me?”

“I didn’t say that, but I can’t tell the future,” he said.

“If you had to guess, what would you say?” she asked as I returned my cock to her pussy and stuck my thumb up her loosened asshole.

“I think you will,” he said.

“We’ll be loyal whores to Nick?” she gasped as I fucked her pussy hard.

“Yes,” he said.

“Daddy, are you sure you are okay with that?” she teased. “We know most families, especially the men, wouldn’t tolerate it. Your wife and daughters are some horny kid’s depraved whores.”

“It isn’t like you make it sound,” he said. “Nobody would tolerate what you described, but this isn’t the case we have. Here I know all of you, and I know Nick. I can trust you all to be sensible and do the right thing.”

“Thanks, daddy,” she gasped. “You really are the best.”

“Yes, daddy,” said Lisa. “You are the best.”

“I am sure your mom agrees too,” I said. “Her pussy hugged my cock for dear life, so loyally.”

“Yes, honey, you are the best,” said Victoria.

“Wives and daughters can’t come up with dads like dad,” said Lisa. “We all know that and appreciate him.”

Beth soon came, and Lisa replaced her.

Lisa pushed her ass out lewdly.

“Daddy, please spread my ass for Nick’s dripping cock,” said Lisa.

John spread his little daughter’s ass, and I filled it with my slick cock. After she came, I pulled her off the sofa, keeping my cock up her ass.

“You are going to make your mom come in your mouth,” I said as I arranged Lisa on her knees before her mom. “You are going to taste her firsthand.”

Victoria hiked her dress and pushed her pussy forward. Lisa dove in and proceeded to eat it while I resumed fucking her ass. I made them come together.

“Beth, sit between your parents,” I instructed. “You are next on Lisa’s tongue.”

Beth took her position, and I fucked Lisa’s ass to a new orgasm while she ate her sister’s pussy.

After both Beth and Lisa recovered, I pulled out of Lisa and stood in front of Beth and her mom. I placed one foot between Victoria’s legs and pulled both heads to my sticky cock. They sucked my cock together.

## WELCOME HOME

While Victoria and Beth sucked my cock hungrily, I turned to Lisa.

“Lisa, get dressed,” I said. “You are coming home with me.”

“You are not spending the night with me here?” asked Lisa.

“Not tonight,” I said. “I am taking you home to fuck you in front of my family with your family’s permission.”

Lisa immediately put her top and skirt back on.

“I am ready,” she said.

“You are not going to wash up?” asked Victoria.

“Maybe she wants my family to smell her mom and sister’s pussies on her face and smell her own dripping one,” I teased as I fixed my clothes.

“I’ll wash up quickly,” said Lisa, rushing to the bathroom.

“Mr. and Mrs. Conkley, thank you so much for everything,” I said. “I appreciate this so much. Thanks, Beth.”

“You are welcome,” said Victoria. “We know you are going to take good care of our daughters.”

“And their mom,” teased Beth.

“Good night, baby,” I said, leaning toward Beth.

After giving Beth a deep goodnight kiss, I kissed her mom on the cheek and shook her dad’s hand.

“Will you be ready tomorrow?” I asked Victoria, tilting her face up.

“You bet,” she said.

She offered me her lips when I approached them. We shared a long deep kiss.

“I am looking forward to seeing you tomorrow,” I whispered, breaking the kiss. “I am going to enjoy you fully.”

“I can’t wait,” she whispered.

“Goodnight,” I said.

Lisa bid her family goodnight and followed me.

---

As soon as Lisa and I left, I reached out and proceeded to fondle her ass. She did not mind. I soon reached under her skirt and started to finger her asshole.

“Nick, we are in the street,” she protested. “Somebody may see us.”

“Suppose somebody saw me fucking you up the ass under the street light,” I said. “What would they do? Call the police on us? We’d be gone by the time the police arrive.”

She relaxed and let me toy with her asshole all the way home.

“Are you happy, Lisa?” I asked, still fingering her asshole.

“I’ve never been this happy,” she said.

“Don’t be shy when I fuck you in front of my family,” I said. “Beth wasn’t.”

We were soon home. I let Lisa suck my sticky fingers before I let her in.

---

Although my family knew Lisa, she blushed when we walked in. They were all in the living room.

Mom was sitting on one end of the sofa, and Alex was sitting on the loveseat as dad sat in his chair.

“Good evening,” I greeted.

Lisa politely greeted mom and dad before she greeted Alex.

Mom welcomed Lisa warmly, and I led Lisa to the center of the sofa next to mom. I sat on the free end.

Nobody noticed when I stealthily hiked Lisa’s skirt so she would sit her bare ass on the sofa.

“Lisa isn’t here in her capacity as my girlfriend’s sister,” I said, slipping my right hand behind Lisa.

“In what capacity is she here then?” asked mom, raising her eyebrows in amusement.

“She can proudly tell you,” I said as my fingertips touched Lisa’s asshole.

Lisa took a few seconds to gather her courage as I slid a finger up her ass.

“I’ve become Nick’s little whore,” said Lisa, her asshole twitching.

That took them by surprise, especially dad. They all looked at Lisa.

“She isn’t kidding,” I said, squeezing a second finger up Lisa’s ass. “She’s here to prove it.”

Lisa looked at me, and I motioned her to my cock. She got off the sofa, letting my fingers slip out of her asshole, and knelt before me.

“I’ve promised Nick to be his whore forever even if I get married to someone else,” said Lisa as she fished out my hard cock and I pulled off her top. “I am not embarrassed about my decision. I am actually proud of it.”

Lisa was face to face with my hard cock, but she also took off my pants and briefs. She started by licking my balls and was soon in her element, going to town on my cock like nothing existed but the two of them.

“Alex, help her with her skirt,” I said. “Let her show off her freshly-deflowered orifices.”

Alex took off Lisa’s skirt, leaving her naked.

Lisa deep throated my cock for a few minutes before I pulled her astride me. She understood that I wanted her pussy by the way I maneuvered her hips. She held my cock against her dripping pussy and lowered herself onto it with a long soft moan. We had a deep kiss while she was all the way down my cock. I then sucked one of her stiff nipples and started to move her hips around. I just let her grind her pussy into the base of my cock while I fondled her ass and sucked her nipples. She shoved her pussy into me wildly when she came.

While Lisa recovered, I drew Alex’s attention and pointed to Lisa’s asshole. Alex took the hint and got me the lube. I squeezed lube on my fingers and proceeded to work it inside Lisa’s asshole, making her moan. I lubed Lisa’s asshole thoroughly before I nudged her ass up and she took the hint.

“Dad, would you like to spread her luscious ass and watch me skewer it for the first time at our house?” I said as I helped Lisa dismount me.

“Sure,” said dad.

We soon had Lisa on her knees, dad spreading her ass with both hands.

“She has a hot ass and a cute asshole, doesn’t she?” I said as I aimed my cock at Lisa’s splayed asshole.

“She sure does,” he said as I pressed my engorged cock head into Lisa’s asshole.

“I only fuck the hottest asses and the sweetest assholes,” I said as my cock head slid into Lisa’s asshole. “I’d never have you spread a mediocre ass or see my cock stretch an unimpressive asshole.”

“That’s nice of you,” he said.

“This is what I love most,” moaned Lisa as my cock sank up her horny ass. “I am your ass whore, baby.”

Lisa pushed her ass into my cock and fucked back when I thrust in her. Dad soon watched my thick shaft drill her little asshole without mercy, but she loved every second of it.

She soon came, and I pulled out of her ass, leaving her hole open.

“Dad, please kiss it,” I said.

He reluctantly kissed her sticky asshole.

“Thanks, dad,” I said as I pulled Lisa off the sofa.

A few seconds later, I pulled Lisa astride me in the anal cowgirl position. She moaned as she lowered her ass to the base of my cock. I spread it for her and paced her as she bounced.

“You are a hot ass whore,” I said. “If you do a good job bouncing your horny ass on my cock, I’ll fill it for you.”

“I’ll try to be a good girl,” she said, picking up the pace.

Lisa bounced on my cock energetically, and I fondled her tits and pulled on her stiff nipples. After a few minutes, Lisa came.

“You are going to make me work for it, aren’t you?” gasped Lisa while she recovered.

“I just want you to show my family that you know how to get fucked up the ass so they won’t be worried about me whenever I am with you,” I said as I reached between us and wiped her drenched pussy with my fingers.

“I like that,” she said. “I’d love to prove myself to them beyond any doubt reasonable or not.”

“Start bouncing that hot ass of yours,” I said, pushing my glistening fingers in her mouth.

“With pleasure,” she said as she started riding my cock.

She took my fingers in her mouth and moaned around them.

“I already like your little slut,” said mom.

“Thanks, mom,” I said. “I’d never let you down.”

The sound of a resounding smack drew the attention of everybody as I playfully slapped Lisa’s ass. Lisa picked up the pace right away. I resumed playing with her tits and nipples. She soon came wildly.

“You did better this time,” I said. “If you do a better job next, I am sure you’ll get your prize.”

“I better get going,” she gasped, grinding into me.

“Catching your breath may recharge your energy and help you do a better job,” I said, reaching for her pussy.

“That’s a good idea,” she gasped.

Lisa eagerly sucked her juices off my fingers, moaning around them. I sucked her nipples for a little while. When she started to bounce, I held her ass and kept her at a brisk pace until her orgasm neared.

“Give it your all if you want your prize,” I urged.

She rode my cock faster but with shorter strokes. Our orgasms approached fast. She stiffened just as my own cock swelled. We came wildly together, my cock forcefully spewing come deep up her twitching ass. She moved erratically, and I steadied her until our orgasms subsided. Her asshole rested around the base of my shaft.

“You won,” I smiled at her.

“I wouldn’t have won without you,” she gasped.

“Squeeze your asshole tightly and milk my cock dry up and down,” I instructed.

She tightened her asshole and worked it a few times up and down my softening shaft.

“Squeeze it even tighter and very slowly take your come-filled ass of my cock,” I said, holding her ass.

Lisa proceeded to raise her ass as I held it. Finally, my soft cock head popped out. With my hands behind Lisa, I motioned dad to Lisa’s asshole. She took the hint and quietly got behind Lisa and knelt down.

“You can relax your asshole right now,” I said to Lisa, spreading her ass.

That was dad’s cue. Lisa gasped when his tongue touched her sticky asshole.

“What’s that?” asked Lisa, startled. “Is it Alex?”

“It’s dad,” I said. “You thought I’d bloat your hot ass with come because you are away from home?”

“I wouldn’t have hated that either,” she moaned, grinding into dad’s face.

“We’ll do that later,” I said. “Now my family isn’t sure you can retain a big come load up your hot ass. We don’t want mom to be worried about the carpet or the furniture.”

“I am okay with whatever you do as long as you clean after yourselves,” said mom.

“You know how to clean furniture?” I teased.

“No,” she moaned.

“You know how to feed people come out of your ass though,” I said.

“Yes, thanks to you,” she moaned.

Moaning happily, Lisa was having a good time. I sucked her nipples while dad ate her asshole eagerly. She soon came. He licked her pussy clean, and I helped her sit next to me as I motioned mom to my cock.

Lisa sat on my hand, so I soon had two fingers up her ass. Dad sat in his chair as mom and Alex knelt before me. The two of them proceeded to clean up and then revive my sticky cock. Lisa looked at me in surprise.

“My family’s committed to our happiness as much as yours,” I said.

“Is your dad okay with this?” she whispered.

“You are not the only one who has a great dad,” I said.

Lisa and I kissed, and I played with her tits and pussy in addition to her asshole while mom and Alex did a wonderful job reviving and deep throating my cock lustfully.

My cock was rock hard and glistening. I got up and arranged Lisa on her knees on the sofa. I then arranged mom and Alex in the same position on either side of her, mom on her left, and exposed their asses. I stood behind Lisa and lubed her asshole before I stuffed it with my cock.

“This is so hot,” gasped Lisa as I pounded her ass.

“I am glad you like it,” I said.

After Lisa came, I moved to mom’s ass. After mom came, I moved back to Lisa and then to Alex.

It was approaching midnight when I finally pumped my come load deep in mom’s sizzling ass. After her rectal spasms drained my balls, I pulled out.

“Lisa, you know how to eat hot come out of an asshole,” I said. “Show them. Make me pride, you slut.”

Lisa knelt behind mom and proceeded to eat her come-filled ass to orgasm. She then cleaned her soaked pussy.

When Lisa got ready to stand up, I kept her down and turned her around. I pulled mom and Alex on either side of her and pushed my sticky cock in their faces. They all licked and sucked my cock and balls until I was rock hard.

“Dad, how do you like my new little whore?” I said, thrusting in Lisa’s throat.

“She’s impressive,” he said.

“What do you think, mom?” I asked.

“I’ve already told you that I liked her,” said mom. “I like her even more now.”

“Alex?” I said.

“She’s good,” said Alex.

“Just good?” I smiled.

“Very good for a first-timer,” she said.

“Thank you all,” said Lisa.

“We are heading to bed,” I said. “Goodnight, mom and dad.”

“Goodnight, kids,” said mom and dad.

Lisa and Alex bid mom and dad goodnight and Lisa and I picked up our clothes. I took them to my room.

---

“Alex has been sharing my bed,” I said to Lisa as we entered my room. “You don’t mind that, do you?”

“Of course not,” said Lisa.

Alex and Lisa worked as a team for the next couple of hours or so. Before we called it a night, Lisa sucked my come out of Alex’s ass and shared it with her.

---

We slept in and had late breakfast with mom. I sent Lisa home with her ass full of my come.

“I can’t wait to see you fuck mom’s virgin ass while dad spreads it for you,” she said when I kissed her goodbye.

“I am looking forward to it,” I said.

---

Beth came over in the afternoon. Mom, Alex, Beth and I did some skinny dipping. We tried to behave like a normal family with the son’s girlfriend visiting, so I came only once up Beth’s ass after I drilled all their hot fuck holes. That might not have been very normal, but it was reasonably close. They insisted they would leave my cock as hard as they had found it. I let them worship it for half an hour.

Mom and Alex did not know that I had planned to fuck Victoria that evening. They only knew that I would spend the evening with my girlfriend’s family one way or another, probably fucking the sisters.

---

Beth and I left for her house after her mom called her, letting her know that her dad was home.

“Get ready,” Beth told her mom. “We are on our way.”

Beth and I said goodbye to mom and Alex and left.

“I never thought I’d let you fuck my mom,” she said on the way. “I am now almost as excited as she is.”

“Good sex brings the best out of a woman,” I said. “You are an amazing woman. Your mom and sister are very hot women. From now on, I’ll be fucking you with them like I fuck you with my mom and sister. I am so happy.”

“So is everybody else,” she said. “You can fuck me anywhere and anytime at either house with or in front of any member of our families, and everybody’s cool with it. It’s incredible.”

“I have a surprise for you tomorrow morning,” I said.

“What?” she asked.

“What kind of surprise would it be if I told you now?” I said. “I can tell you that I am going to fuck you.”

“That’s good enough,” she said.

---

Beth and I rang the bell, and Victoria opened the door for us. I motioned Beth to go in. She went in, leaving me with her mom, who was dressed in a hot little red dress.

“You look gorgeous this evening, Victoria,” I said, gently turning her around. “Are you going anywhere?”

She pirouetted for me.

“I am not going anywhere,” she said. “I’ll just be rocking, bouncing, bucking and bobbing in the same place.”

“Will you be working out?” I said, admiring her generous cleavage.

“I’ll be working out muscles I normally don’t,” she said as I pulled her to me by the ass.

“That’s nice,” I said. “Do you want to warm up your lips and tongue?”

“Sure,” she said, smiling. “I’ll be working out my lips, tongue and throat from the very beginning.”

“I don’t know what equipment you have for that workout, but I have just the right tool for it,” I said, pulling her to me until my boner pressed into her pussy.

“Is that right?” she teased, grinding her pussy into my cock.

“Uh-huh,” I said, fondling her ass.

“I honestly don’t have such a tool,” she said. “If you don’t mind, I’d love to use yours. I can also use it to work out other tight places.”

“It incidentally can work out tight places until they are loose and sticky,” I said.

“You mean sticky with sweat?” she asked.

“No, not sweat,” I said. “It uses fluids especially made for this.”

“That’s even better,” she said.

“Let’s start with our warm-up,” I said. “Stick your tongue out.”

She stuck her tongue out, and I sucked it. I sucked and licked her tongue for several seconds before we went into a long deep kiss. While we kissed, she ground her pussy into my boner, and I fondled her ass and tits.

“It’s working,” she said when we broke the kiss. “I am getting hot already.”

“It gets your tightest places hottest,” I said.

“It gets them ready to be stretched and worked out,” she said.

When our lips met again, I hiked her dress and fondled her bare ass. She ground her bare pussy into my boner, moaning into my mouth. She kissed more feverishly as I wormed my middle finger up her ass. We broke the kiss when my finger was halfway in.

“Is it looking forward for its first workout ever around a cock?” I asked, pulling at the top side of her asshole.

“Yes,” she hissed, her asshole twitching.

“Let’s go inside before they think I took you to a motel to fuck you behind their backs,” I said.

“We can’t have that,” she said as she pulled back and squeezed my boner.

We started walking with my finger still up her ass. I pulled it out and sucked it. I then straightened her dress and held her right ass cheek possessively.

---

“Good evening, Mr. Conkley,” I greeted John, squeezing his wife’s ass.

“Good evening, Nick,” he greeted back.

“Hi, Lisa,” I said, smiling at Lisa.

“Hi, Nick,” she said.

“Mr. Conkley, your lovely wife looks hotter than ever today,” I said, squeezing Victoria’s left ass cheek. “I am sure she’ll make her family proud tonight like she always does.”

“Thank you,” he said.

“Every part of you is good enough to eat,” I said to Victoria as I turned her toward me and looked at her lips. “Let me start with these luscious ones.”

Although I held her ass and pulled her pussy into my boner and she pushed into me, we kissed leisurely, taking our time before things heated up. We started to kiss passionately and grind into each other with urgency, moaning into each other’s mouth. I kneaded her virgin ass freely, making sure her husband saw it well.

“What a great ass you have, Victoria,” I said, squeezing her ass. “Is it ready to show everybody it’s all mine?”

“Yes,” she hissed. “It’s dying for that.”

“Is that right?” I teased. “Why can’t I hear anybody begging?”

“My horny ass is dying for your big cock,” she moaned. “Please take it and fuck it.”

“Is that the only thing dying for my big hard cock?” I teased.

“All my body needs your big cock,” she moaned. “Take me. Take all of me, and make me yours.”

“I really want to do that, but what if your husband didn’t want me to?” I teased.

“He wants you too,” she moaned.

“Is that right, Mr. Conkley?” I said, looking at John while still fondling his wife’s ass and grinding into her pussy. “Do you really want me to take your dazzling wife and make her my hot slut for as long as we both want?”

“Yes,” said John.

“I want it to be indefinite, Victoria,” I said. “I want to be able to fuck you and use you anywhere, anytime and any way I want. Can I do that?”

“Yes,” she hissed. “I want you to.”

“Go ahead and show me that you need my big cock, my sexy slut,” I said, letting her ass go.

Victoria knelt down and took off my pants and briefs. My hard cock greeted her happily.

“It’s so big and hard,” she moaned, holding my cock gently in her right hand. “It’s so ready for action.”

“Show it that you love it and need it,” I said. “Show it that you want to be its dirty whore so it can make you so.”

“I am sure it knows that I love it, need it and want to be its dirty whore,” she moaned, stroking my shaft. “I’d love to show it and show our audience though.”

“Go for it, baby,” I said. “Make every man envy me, but show him that you can only be mine. Make everyone that loves you proud of you and every woman that doesn’t envious of you. Worship my cock like you both deserve.”

Victoria licked and sucked my cock and balls leisurely for a few minutes. She then proceeded to suck my cock deeper and deeper. She deep throated it hungrily before I grabbed her head and fucked her throat for a few minutes. My cock was still in her mouth when I bent over and pulled her dress up and off, starting from the hem. I then pulled her up to face me.

She smiled at me, and I kissed her deeply. I kissed my way down to her tits. Moaning approvingly, I sucked her nipples for a few minutes while fondling her ass. She was dripping when I knelt before her. I pulled her to me and proceeded to suck and slurp her juices while feeling up her ass. She gasped and moaned, humping my face lustfully. She finally came in my mouth, gushing generously. I licked her drenched pussy clean before I turned her around.

Her virgin ass faced me. I guided her hands to her cheeks, and she spread her ass for me. I held her hips and proceeded to lick her asshole. She moaned and ground her ass into my face, her asshole nibbling my tongue. In a few minutes, she came on my tongue. When her orgasm subsided, I bent her over. She continued to spread her ass while I licked her wet pussy clean.

“You are a good slut, Victoria,” I said as I got up and stood behind her. “You are going to get fucked now.”

“Yes,” she hissed as I pressed my cock head into her leaky pussy.

“Do you want me to fuck you, Victoria, my slut?” I teased as my engorged cock head pushed her lips apart.

“Yes, please,” she moaned.

“Show me,” I said. “I think your husband wants to make sure you need my cock before it impales you.”

“Yes, I do,” she moaned as I pulled her back, driving my hard cock into her wet pussy.

“Show him you are a horny slut that needs me to take care of her cock-hungry fuck holes,” I said. “We want him to know you are so slutty there was nothing either of us could do to avoid making you my dirty whore.”

She pushed her ass back as I pulled her into me, shoving my cock balls deep into her hot pussy. The sudden thrust made her gasp and stiffen. Seconds later, she started to shake in orgasm, thrusting her ass into me. I held her ass tightly and pounded her pussy mercilessly until she calmed down. She could hardly remain on her feet after her hard orgasm drained her. I held her tightly while she caught her breath.

“That was beginner’s luck, Victoria,” I said. “You need to prove that it wasn’t a coincidence. Get fucked.”

“I’d love to do that,” she gasped.

She did not have much leverage in the position she was in, so I helped her move her ass back and forth with more force. I did not thrust in her but made sure her ass was moving back and forth with enough energy. She came within a few minutes. That was when I pounded her twitching pussy until her orgasm died completely.

With my cock inside Victoria, I maneuvered her closer to the sofa where Beth was sitting.

“Hold on to the armrest for better leverage,” I said.

As Victoria grabbed the armrest, I motioned Beth to hand me the lube. Beth obliged me, and I generously squeezed lube on her mom's asshole. I used my thumb to work the lube inside her asshole while she recovered. I worked my thumb in and out of her ass rhythmically. She soon adopted the rhythm, getting her pussy fucked.

"Get your pussy fucked hard while I get your hot virgin ass ready for my big cock, baby," I egged Victoria on.

She moved her ass back and forth energetically while I held my cock for her, the rhythm of my thumb in her ass matching her fucking rhythm. She soon came, both fuck holes twitching wildly around me. While she recovered, I replaced my thumb with my middle and index fingers. She picked up the pace and got both holes worked out to another big orgasm. When her orgasm subsided, I pulled out and fed my dripping cock to Beth, whose throat I fucked while I lazily moved my fingers in and out of her mom's asshole.

"How does your mom taste?" I teased Beth, playfully slapping her face with my sticky cock.

"You know she's delicious," said Beth.

The center seat of the sofa was free. I arranged Victoria on her knees on it. I had not taken my fingers out of her ass since I put them there.

"Mr. Conkley, I am now going to prepare your lovely wife's hot virgin ass for cock," I said, finger fucking Victoria's ass. "I think you want to be part of this and spread her gorgeous ass for me."

Victoria's asshole twitched as she humped my fingers with her ass, moaning.

John sat on his wife's right and spread her ass for me.

"Thanks, honey," said Victoria.

Victoria grunted, and both her holes twitched when I shoved my sticky cock into her leaky pussy.

"Lisa, find out how your lovely mom tastes when she's getting ready to get fucked up her luscious ass," I said.

Lisa knelt before her dad as I pulled out of her mom's pussy and turned to the right. She eagerly deep throated me for a few minutes while my right hand joined the fun and I finger fucked her mom with two fingers in each hole.

"She's delicious," said Lisa when she let go of my cock and got up.

"Do you agree, Mr. Conkley?" I asked, offering John the two dripping fingers that had been in his wife's pussy.

He did not hesitate to suck his wife's copious pussy juices off my fingers.

"Yes," he said.

"Victoria, baby, you are not getting off your knees until your horny virgin ass has been fucked royally and completely forgotten it has ever been virgin before," I said, squeezing lube on Victoria's asshole.

"Thank you," said Victoria as I worked the lube inside her asshole.

"You are welcome," I said. "This occasion's very important to me. Your sexy ass is going to be my first married ass to deflower with the slut's husband's help. That's on top of your gorgeous ass's being special in its own right."

Victoria's slippery asshole twitched when I mentioned deflowering it in front of her husband. I added more lube to it, and squeezed a third finger in. She moaned as my fingers stretched her asshole wider and wider.

"Lisa, your mom's pussy leaks freely," I said. "I can use your help sucking her juices off my cock."

Lisa knelt next to me as I sank my cock all the way into her mom's pussy. She opened wide and welcomed my dripping cock. I fucked her throat gently as I continued to feed her mom's virgin asshole more and more of my fingers. I was patient but insistent. I finally had my fingers all the way in. I twisted them and swirled them within Victoria's asshole, stretching it wider and wider.

When Victoria's asshole loosened up sufficiently, I added lube to it and fucked it with my three fingers. She moaned, humping my fingers rhythmically. Her pace and passion increased constantly.

"Your ass is ready for its big cock," I said. "It will soon be a favorite toy for my hard cock. Come for me, slut."

Victoria was already humping my fingers urgently. She stiffened within a minute and convulsed while I wildly jerked my fingers within her twitching asshole. When she calmed down, I gently pulled my fingers out of her ass and gave her asshole a deep kiss. She moaned and ground into my face.

Beth generously squeezed lube on her mom's asshole and my cock head as well as my shaft. She held my shaft and I pushed it toward the waiting asshole, which twitched when my cock head touched it.

"Please, fuck my virgin ass, Nick," begged Victoria. "Make me your anal whore."

"Mr. Conkley, would you like to do the honors and guide me in?" I suggested.

"Yes, dad, please," said Beth, taking her hand off my cock. "Show mom how slutty she is."

He hesitantly reached out for my slick cock with his left hand. Beth pulled her mom's right ass cheek out for her him, and I resumed pushing into Victoria's virgin asshole.

My engorged cock head sank slowly into Victoria's asshole, which relaxed and accepted it little by little. Lisa stood next to me and watched intently like the rest of us as her mom moaned quietly. My cock head inched slowly into Victoria's splayed asshole, finally slipping past the sphincter with a soft gasp. Beth took her hand off her mom's ass, and her dad used both hands to spread it as he looked at his wife's widely stretched asshole. I paused for several seconds, enjoying the sensations. I held her hips to gain finer control of my progress.

"Nick, this feels amazing," said Victoria. "I am going to come at any moment."

"You have an amazing ass, Victoria," I said. "I want you to come all you can."

Victoria pushed back into me, and I resumed pressing into her and feeding her the rest of my cock at the pace she could take. More and more of my shaft disappeared past the tightly stretched ring of her asshole. When she stiffened, I shoved an inch of my cock into her. She convulsed in orgasm, and I thrust the rest of my cock in, holding her shaking hips tightly.

"This is a crazy orgasm," she gasped.

Her orgasm peaked when I shoved the rest of my cock up her ass. I only paused for a second, but she did not, before I fucked her ass with short strokes. When her orgasm subsided, I did not stop thrusting in her but pumped her ass with long slow strokes, enjoying the full depth of her no-longer virgin ass.

"Congratulations, mom," said Beth.

Beth kissed her mom on her left ass cheek.

"Congratulations, mom," said Lisa.

Lisa kissed her mom's other ass cheek.

Lisa nudged her dad's shoulder.

"Congratulations, honey," said John.

John kissed the same ass cheek Lisa kissed.

"Thank you, all," said Victoria. "Most of all, I'd like to thank you, Nick, for this wonderful experience. I look forward to our hot long future together."

"Me too, Victoria," I said. "I am most likely happier than you are. I now have two hot uninhibited girlfriends and their equally hot mom. I can't imagine how much fun we are all going to have."

As Victoria recovered, I gradually fucked her ass faster but maintaining the long deep strokes.

“Mom, are you happy now that your horny lover has claimed all of your fuck holes and he’ll be fucking them every chance he gets?” teased Beth.

“Of course I am,” gasped Victoria. “I am especially happy because my slut daughters and I are sluts for the same amazing lover and your dad supports our choice. We’ll be having wild orgies all the time.”

“Mr. Conkley, are you proud of how hot your lovely wife is?” I said, drilling Victoria’s ass hard.

“Yes,” he said. “I admit that I didn’t think she could do this.”

“I knew that your sexy wife was made for this the first time I saw her,” I said. “Maybe I did because this is what I always think about. I am so happy I finally was able to enjoy her hot charms.”

“I can’t blame my husband for not knowing me as much as you did,” she gasped. “I didn’t either. I am so glad I met you and things worked out this way.”

Victoria soon came, and I continued to pound her ass until her wild orgasm subsided and she relaxed completely. Again I fucked her slowly while she recovered but with full strokes.

“I love your ass so much,” I said. “I love how it squeezes and milks my big cock. It was definitely made for it.”

“I am sure it was,” she gasped. “I love this so much too. You’ve just given me the biggest orgasms of my life.”

“Victoria, your hot ass deserves the best, and I am going to give it my best,” I vowed.

“Thanks, my stud,” she said, humping my cock.

“You are welcome, my slut,” I said, picking up the pace.

Victoria came twice more in the same position before I pulled out of her horny ass.

“Mr. Conkley, do you want to kiss it?” I said, aiming my cock at him.

He did not hesitate to give my cock head a quick kiss.

Beth pounced on my cock when I aimed it at her face. While I fucked Beth’s throat, I finger fucked her mom’s dripping pussy and sticky ass. When Beth let go of my cock, I bent over and kissed her mom’s loose asshole.

“Welcome home,” I said when I broke the kiss.

“Thank you,” said Victoria as I worked lube inside her ass.

“Dad, you can kiss it,” said Beth.

He was still holding his wife’s ass spread wide. He bent over and kissed her asshole.

“Thanks, honey,” said Victoria.

“I am sure your husband wants to watch you bounce your hot ass on the big cock it belongs to,” I said, pulling Victoria off the sofa.

“Sure,” said Victoria as I sat in her place.

Victoria knelt down and sucked my cock for a minute. She then refreshed the lube on my cock and knelt astride me. I spread her ass, and she lowered it, impaling it on my cock. She moaned as she stuffed her ass with my cock. As soon as she started bouncing, Lisa knelt down and proceeded to lick my balls and cock and her mom’s asshole. I pounced on one of Victoria’s bouncing nipples and sucked it between my lips. I switched my mouth between her nipples while she rode my cock with increasing vigor, moaning happily.

After Victoria came and relaxed a little, Lisa pulled my cock out of her mom’s asshole and deep throated it for a minute. She then licked her mom’s asshole, sticking her tongue inside it, and impaled it back on my cock.

“Beth, are you losing your touch?” teased Lisa as her mom started to ride my cock. “I’ve beaten you to tasting mom’s asshole after it lost its cherry.”

“I wanted my little slut sister to achieve a few feats,” said Beth. “Was that a mistake, or did you deserve it?”

“Thanks, Beth,” smiled Lisa. “I think I deserved it. I appreciate your support.”

“You are a great sister, Lisa,” said Beth. “I’ll even let you beat me to sucking Nick’s come out of her asshole.”

“Thank you so much, sister,” said Lisa, smiling at Beth.

“I am proud of both of you,” I said.

“So am I,” gasped Victoria as she rode my cock energetically.

After Victoria came a few times, I laid her on her back and pushed her legs over her head. I let her husband and Beth hold her legs for me. She spread her own ass, and I fucked it through two orgasms before I filled it with come while she had her wildest orgasm so far. She drained my balls deep in her trembling ass.

As soon as I pulled out and nodded at John, he knelt down and ate his wife’s slimy ass to cleanliness and orgasm while their daughters revived my cock. Before I put my cock back to Victoria’s ass, I let her deep throat it a little.

In the second round, I let Victoria’s husband and daughters eat her pussy while I fucked her ass. In the third round, I let her eat her daughter’s pussies and suck her husband’s cock. She made him come as she came herself, but she did not swallow his come.

Lisa sucked my second come load out of her mom’s ass, and Beth ate the next one. I was not done with Victoria yet though. I fucked her for two more rounds, coming once in her mouth and the last one in her twitching pussy. She gargled with my come before she swallowed it. Beth ate my come out of her pussy.

“Victoria, I am not taking you home with me or spending the night with you tonight,” I said. “We’ll do that on the weekend. You’ll get your wish of getting fucked at church and having come pumped into all your hot orifices.”

“You wish you’d get fucked at church?” John asked in shock.

“I think it would be exciting,” said Victoria.

“Mom wants to be a church whore, and poor Nick can’t say no to her,” giggled Lisa.

“It isn’t me who’d let a wonderful woman down,” I said.

“That’s too depraved,” he said.

“You think I am not depraved enough?” she challenged. “We’ll find out, won’t we?”

“We will, Victoria, and I already know that you can do it,” I said. “My sluts don’t let me or themselves down.”

“Nick, thanks for everything,” said Victoria. “I’ll never let you down.”

“I know that, Victoria,” I said. “Beth, I’ll pick you up tomorrow morning fifteen minutes before nine.”

“I’ll be ready,” said Beth.

“Thanks, Mr. Conkley,” I said. “You’ve treated me better than most dads would treat their own sons.”

“You are welcome, Nick,” he said. “I know I can trust you.”

“I’ll be sure never to let you down,” I said. “Good night, everybody.”

Naturally, before I left, I kissed my three sluts deeply and nodded at John. Beth walked me to the door. That got her another goodnight kiss.

## INTRODUCTIONS

When I reached home, I had a quick dinner and fucked mom and Alex. I sent mom to bed with my come up her ass and took Alex to bed with me.

---

In the morning, while dad ate his breakfast, I was fucking mom and Alex in my bed. I came in Alex's ass and mom ate it out while I rested my softening cock in her ass.

"Mom, I need your car today," I said.

"Sure, baby," said mom. "Take it."

---

Beth came out of her house and got into the car.

"Nick, you didn't tell me where we are going," she said.

"I know," I smiled.

"I was just making sure you did," she said.

She did not know dad's office, but she did not ask questions on the way there.

---

"Good morning, Erin," I greeted as Beth and I entered the office.

"Good morning, Nick," replied Erin.

"I am here to introduce my lovely girlfriend, Beth, to you," I said as I hugged Erin.

"Nice to meet you, Beth," said Erin, offering Beth her hand. "I am happy I finally could put a pretty face to the name I've been favorably hearing about for quite a while."

"Nice to meet you too, Erin," said Beth, shaking Erin's hand. "You are very beautiful yourself."

"Thank you," said Erin, not paying attention to my setting my rampant but sticky cock free. "Please have a seat."

"Suck my big cock, Erin," I said, aiming my hard cock at Erin.

"Nick, the door's open," said Beth in panic.

"So, close it," I shrugged as Erin knelt before me.

"Please lock it as well," said Erin.

"Nick, I can't believe you," said Beth after closing and locking the door.

"Do you plan to spend some time trying to believe me, or would you rather kneel down and help this lovely woman get my big cock ready for the hot and horny female asses that need it?" I asked.

"Your cock has already been up some ass," said Erin.

"It insisted on having a morning workout," I said.

"Is Erin your dad's secretary?" asked Beth as she knelt down next to Erin, who sucked my cock eagerly.

"I don't associate with dumb blondes," I smiled.

"I am not blonde," said Beth.

“Neither are you dumb,” I said. “Erin isn’t dumb either.”

“I can say she’s a great cocksucker too,” she said.

“Erin, we have four hours to ourselves, don’t we?” I asked.

“Yes,” said Erin as Beth swallowed my cock. “I was planning to do some work, but I can catch up later.”

“I thought it would be a great social activity for you to eat my come out of each other’s ass,” I said.

“It’s a fun activity,” said Erin. “It sure beats work.”

After they worshiped my cock for a while, I arranged them in the sixty-nine position.

“Beth, lie down on the carpet, and let Erin mount you,” I instructed. “I want you to taste each other.”

They got into position and proceeded to eat each other’s pussy. I licked Erin’s asshole until she and Beth came in each other’s mouth. I then lubed Erin’s asshole and stuffed it with my cock. I fucked Beth’s ass next. We switched positions several times, and their pussies got their fair share of my cock. I finally came in Erin’s hot ass. I sat back and Erin sucked my sticky cock as Beth hungrily ate my come out. After Erin came, Beth shared my come with her.

They both revived my cock, and we resumed fucking wildly. This time Erin sucked my come out of Beth’s ass and shared it with her. We still had time, so they revived my cock and we fucked again.

“This come load’s for dessert later,” I said as I pounded Erin’s twitching ass.

Erin was too busy gasping and convulsing to say anything.

They sucked my cock until it was hard again.

“Beth, this was a great visit,” said Erin as we prepared to leave. “Please bring Nick here as often as you can.”

“Sure, but next time’s your turn,” said Beth. “Bring him to my house, and let’s have a nice orgy.”

“Beth’s family’s as open about this as my own,” I said to Erin.

“I’ll make sure to ask Nick for that,” said Erin.

Both Beth and I gave Erin deep goodbye kisses before we left.

---

“You were right, Nick,” said Beth while we walked to the car. “I can’t blame you for fucking Erin.”

“Can you blame dad?” I teased.

“Not after the way I saw you fuck his wife,” she said.

“You mean you wouldn’t blame your dad if he fucked his secretary?” I teased.

“Maybe not,” she said.

“What are your plans for the rest of the day?” I asked.

“Lisa, Alex and I are going to the mall to hang around and do some shopping,” she said.

“Are you leaving me alone with mom?” I asked.

“It doesn’t matter to you if we leave you alone or not,” she said.

“Of course, it does,” I said. “When I am alone with mom, I can’t fuck the rest of you with her.”

“I know you’d love to fuck us at the mall, but we actually need to do some shopping,” she said. “Fuck your mom. You’ve been busy with my family, and you are busy with mom on the weekend.”

“I wish mom could hear you to see what a wonderful girlfriend I have,” I said.

“I am sure she already knows it,” she smiled. “She must have some faith in you.”

“Would you like me to give you a ride to the mall?” I offered.

“Who’s going to suck your cock on the drive?” she asked.

“Alex on the way there and Lisa on the way back,” I said.

“You are supposed to fuck your mom not wait for us,” she said.

“I am not going to hang around or wait for you at the mall,” I said. “You’ll call me when you need to go home.”

That was how we did it.

---

Mom was excited about getting me all to herself for the afternoon.

---

The girls bought some stuff at the mall. I carried the bags for them.

“You can’t expect me to drive you around for free,” I said on the way back as Lisa sucked my cock. “I am taking you all to my bed and fucking you all silly.”

“I can’t believe that you wouldn’t do your sister, girlfriend and her sister a favor, especially since it was you who offered to drive us,” said Beth.

“I didn’t say it was for free, did I?” I said.

“You didn’t,” she said. “You should have told us what the price would be though.”

“What could you have done if I did?” I asked.

“We could have been dripping all afternoon,” she said.

“That’s fine,” I said. “I didn’t want you to mess up mom’s car and break someone’s nick at the mall.”

“We may not leave wet spots, but there will be no hiding the smell of pussy,” she said.

“That’s always expected when I take the car,” I said.

“That person would have been an unfortunate accident,” she said.

---

Beth and Lisa were well fucked when I dropped them off at home a few hours later.

“Don’t forget that you are spending the weekend with me,” I told Victoria as her daughters went to their rooms.

“I’d forget to breathe but not that,” she said.

We shared a deep kiss before I left.

---

In preparation for the weekend, I came once in each of mom and Alex’s asses on Friday, saving the rest.

---

“My boyfriend’s here,” Victoria told her daughters when I parked in front of their house.

“Have fun, mom,” said Lisa. “Be a good girl though, and don’t do anything I wouldn’t do.”

“You are such a slut I wouldn’t even dream of that,” teased Victoria.

“I have a different advice for you,” said Beth. “Try to do something I wouldn’t do, but don’t get caught.”

“That’s the biggest challenge I’ve ever heard of,” said Victoria.

Both Beth and Lisa waved at me as I came out of the car. Victoria was dressed sexily for a date and had an overnighter bag with her. I gave her a hug and took the bag.

“Would you mind if I sucked your cock on the drive?” she said when we drove off. “I’ve never done it before.”

“I’d love that,” I said.

She sucked my cock until we parked in the garage. We shared a deep kiss there. I carried her bag and followed her tightly wrapped ass in.

---

“Hi, I am home,” I called as we went in.

“We are in the living room,” called mom.

“Mom, Alex, this is my girlfriend’s lovely mom, Mrs. Victoria Conkley,” I introduced. “She’s spending the weekend with us. She wants to take a short vacation from being a loving wife and a great mom and have some fun.”

“Welcome to our home,” said mom, pulling Victoria for a hug. “We can go out together shopping or whatever.”

“Mom, she doesn’t have to leave her house to go out shopping with you,” I said.

Alex shook Victoria’s hand politely.

“We can go out clubbing or whatever too,” said mom.

“You also can do that without her staying with us,” I said. “She’s a lovely woman that wants to have fun. She deserves it too. Don’t you think so, mom?”

“She sure does,” she said, finally getting the hint. She then noticed my big boner. “If there is anything we can do to help, just let us know.”

“Mom, you are a wonderful family,” I said. “Just be yourselves.”

“Thank you, darling,” she said.

“Victoria, let me show you where you’ll be staying,” I said, leading Victoria to my room. “Excuse us.”

“Do they know what I’ll be doing here?” whispered Victoria. “I can’t believe this. I am so excited.”

“What a horny guy does with his hot slut is nobody else’s business,” I said.

---

As soon as I closed and locked the door and put her bag down, she jumped onto the bed.

“Nick, I am so horny,” she said, pulling her black dress and exposing her bare ass. “Fuck me right now.”

My cock was still rock hard, so I did not argue. I took it out and fucked her pussy to a quick orgasm right away.

“I am going to spend the weekend getting fucked, right, Nick?” she gasped.

“Practically yes,” I said. “Do you want to call home and let them know you safely have my fat cock in your pussy?”

“I’ll wait until I have it up my horny ass,” she said. “Only little girls call home with a cock in their pussies.”

She called home with my cock up her ass, but that was two hours later. She was on a break as I slowly worked my cock in and out of her ass. She started with her husband and concluded with Lisa. She was gasping and groaning by the end of the call.

We fucked most of the night away. When we called it a night, she was completely fucked out and so tried she could hardly move or talk. I took a shower alone. When I returned to her, she was already asleep.

---

“Mom, is Nick having sex with his girlfriend’s mom?” asked Alex.

“Why do you say that?” asked mom.

“There were sex sounds coming from his room all night,” said Alex. “It wasn’t me. Was it you?”

“It wasn’t me,” said mom.

“He brought his girlfriend’s mom home to fuck her all weekend?” said Alex. “I can’t believe that. She’s married and has two daughters my age. What did she tell her husband and daughters?”

“Alex, a woman doesn’t die when she gets married and has kids,” said mom. “You of all people should know that. Didn’t you promise Nick you’d be his fuck slut even after you get married and have kids?”

“That’s different,” said Alex. “I am his sister.”

“In our society, a guy’s sister should never be his slut, married or not,” said mom. “Victoria isn’t as bad as you try to make her look. She’s just a horny woman who wants or needs to have mind-blowing sex with your brother.”

“I just don’t want every slut in town to take advantage of him,” said Alex.

“Sweetie, you should know your brother better than that,” said mom. “He seduced me and you. Are you actually afraid some woman can take advantage of him? I don’t think that can happen.”

“You think it’s okay?” asked Alex.

“Yes, sweetie,” said mom. “I bet it was Nick’s idea to bring her here and pound her horny ass silly. No woman offers to go with a guy to his family’s house to whore herself to him no matter how slutty she is. How would she know I wouldn’t scratch her eyes out? Nick must have seduced her, made her his whore and brought her here to show her off and show her that she was all his to do to her whatever he wanted. Don’t be jealous. He isn’t supposed to touch you, but you are his whore forever. He’ll always be yours no matter how many whores he has.”

“Thanks, mom,” said Alex, hugging mom.

---

When Victoria came out of the shower, my hard cock was waiting for her. She smiled at it.

“Nick, you’ve already fucked me better than I’ve ever been fucked,” she said. “The rest of my second honeymoon is a bonus.”

“Victoria, I am not anywhere close to being though with you,” I said. “What we’ve done is nothing.”

“I am not through with you either,” she said as she crawled toward my cock.

She sucked my cock for a few minutes. I then fucked her pussy to orgasm and moved to her ass. She had come several times by the time mom sent me a text message saying that breakfast was served.

“What was that?” she asked.

“Breakfast’s served,” I said. “Put on something daringly sexy, and let’s go.”

Victoria wore a form-fitting chemise with sheer black sides and back and fuchsia stripes and bows on the front. It was so short it did not reach the ends of her ass cheeks, and it exposed most of her lush tits.

“Nick, do you think I can get away with wearing this to brunch?” she asked.

“Sure,” I said. “I love it.”

“In that case, I am ready,” she said. “I smell of sex though. They’d know we’d been fucking right away.”

“Wouldn’t your outfit make them think we’d been doing some Bible study?” I teased.

“I don’t think so,” she said.

She wore six-inch platform clear slip-ons, and we left. Her back and ass were practically bare with the sheer back. She naturally did not wear panties.

---

“Good morning,” greeted Victoria when we reached the dining table.

Dad, mom and Alex were already there. They left a side of the table for us. I greeted them, and they greeted us back. Alex gave Victoria an examining look while I pulled a chair for her.

“I hope I am not offending you with my little chemise,” said Victoria. “Nick liked it and said it was okay.”

“Of course,” said mom. “Please make yourself at home.”

“Please take this as a compliment, but I feel better than at home,” said Victoria as I took the seat next to her. “I’ve never felt this comfortable, relaxed or happy.”

“Thank you,” said mom.

“I should feed you after the great job you did,” said Victoria, leaning toward me to feed me a piece of omelet.

Alex was surprised by Victoria’s audacity, and mom stifled a smile.

“If you want to feed me, sit in my lap,” I said, pulling my chair back a little.

Victoria got up and moved into my lap, sitting sideways, facing to my left. Her chemise rode up her ass, and her bare ass sat in my lap. I wrapped my right arm around her back, and laid my left hand on her right thigh. She proceeded to feed both of us.

“You look good, Victoria,” said mom. “Did you sleep well?”

“I don’t know about sleeping, but I had a wonderful night and a great morning,” smiled Victoria. “Your amazing son sure knows how to show a married woman a thrilling time. I wish I knew him this well long ago.”

“That’s too easy with a thrilling woman,” I said as I raised my left hand and squeezed her right tit gently. She playfully slapped my hand away. “Your husband’s a lucky man to have you. I am even luckier.”

“I am yet luckier,” she said.

“I am glad to hear that,” said mom.

“Alex, I am not offending you, am I?” said Victoria. “You are old enough to understand the importance of a virile man to a healthy woman, don’t you?”

“I am okay,” said Alex.

“I know three nights seem too short a vacation, and we are not going anywhere special, but it’s going to be my best vacation ever,” said Victoria. “I’ve already had more fun in quality and quantity than my entire honeymoon.”

“Did you tell your family you were going on your second honeymoon?” teased Alex.

"I didn't know it was going to be this wild," smiled Victoria as I reached between her legs with my left hand. She parted her legs to let me reach her pussy. "I just told them I was spending the weekend with my new boyfriend."

"Your new boyfriend?" said Alex as my fingers made contact with Victoria's dripping pussy. "He didn't introduce you as his girlfriend."

"I am not his girlfriend," smiled Victoria as my right hand reached her ass and started to tease her bare asshole. "I am his girlfriend's mom. He isn't really my boyfriend either. I was just teasing my husband and daughters."

"They let it go at that?" asked Alex.

"They knew that Nick would take good care of me," said Victoria as two fingers entered her pussy and one pushed into her asshole. "Alex, your brother's an amazing young man. I hope you can find a guy like him."

"I know Nick's a nice guy," said Alex. "I've already found him. Why do I need to find someone like him?"

"I am not saying nice, Alex," said Victoria as I wiggled my fingers within her pussy and ass. "He's absolutely amazing—to a woman not a sister."

"I assure you he's as amazing to me too," said Alex.

"Thank you, Victoria," I said. "Alex is an amazing young woman too, aren't you, Alex?"

"That's what you tell me, and I believe you," said Alex, blushing, as I vigorously jerked my fingers within Victoria's twitching holes.

"Excuse me," gasped Victoria. "I can't help it."

Victoria held on to me with both arms as she stiffened. She was soon sobbing softly as her orgasm jerked her body from head to toe. My family watched as I kept my fingers moving fast while keeping my arms nearly still. Her asshole fluttered, and her pussy twitched and gushed on my fingers.

"Thank you, baby, but did you have to do that in front of your family?" gasped Victoria as she recovered.

"I had to do something to thank you for saying I was an amazing guy that showed you a wonderful time," I said as I gently pulled my dripping fingers from her wet pussy and offered them to her.

She slowly sucked my fingers while switching her eyes between dad, mom and Alex.

"Mr. Callaby, I hope I didn't offend you with my wanton behavior," said Victoria as I returned my fingers to her drenched pussy. "I just can't resist your wild son. He knows how to do the nicest things."

"That's totally okay," said dad. "As Amy said, make yourself at home."

"Alex, you must think I am a brazen tramp for coming on your brother's magical fingers at the dining table," she said. "It wasn't in my control."

"No, I don't think so," said Alex, blushing.

"I shamelessly let him stick two fingers inside me and one finger up my butt," said Victoria. "Do you still think I am not a tramp? I'd understand if you changed your mind."

"I haven't changed my mind," said Alex.

Victoria slid to the side and freed my hard boner. She rose up, and I took my fingers out of her pussy. She sat on my cock, taking it into her pussy. She moaned softly as it slid in. I squeezed a second finger up her ass. I rubbed her clit gently, and she leaked around my cock.

"What do you think now that he's all the way inside me and has two fingers up my butt?" challenged Victoria.

"You are not a tramp, Victoria," said Alex.

Victoria raised her ass again, and I removed my fingers from her ass. She carefully stuffed my cock into her ass and sat on it, letting out a long soft moan as her asshole slid all the way down my shaft and twitched around its base. I returned my sticky fingers to her leaky pussy.

“He’s now all the way up my butt, Alex,” said Victoria. “Can you still think I am a nice woman?”

“Nick wouldn’t touch you if you were a bad woman,” said Alex.

“Your sister really believes in you, stud,” said Victoria as she started to work her ass up and down on my cock. “Mr. and Mrs. Callaby, I hope I am not offending you, but I am so horny I can’t help it.”

“That’s okay, Victoria,” said mom. “Isn’t this why you are here?”

“Oh, yes,” said Victoria. “Your son really knows how to take care of me. I commend you on raising him right.”

“Thank you,” said mom.

“Thank you for letting me enjoy your wonderful open home environment,” said Victoria.

“You are welcome,” said mom. “I am glad you like it.”

“What isn’t to like?” said Victoria.

“I am just curious about how your relationship with Nick started,” said mom. “Who seduced the other?”

“Why, he did,” said Victoria. “He caught me in the kitchen and said he wanted to have a word with me. One thing led to another, and, before my fourth orgasm on his wicked fingers, I promised him I’d be his slut forever.”

Mom and Alex’s eyes met briefly.

“A little later, my little daughter Lisa talked her dad into letting me let Nick have me in front of him,” said Victoria. “After that, it was easy for me to spend a weekend or more with my stud getting banged silly.”

“So, your husband knows about your relationship with Nick?” said Alex.

“Yes,” said Victoria. “Thanks to Lisa, he spread me for Nick to deflower me where he’s taking me right now.”

“Do you think your husband would be okay with you if you licked Alex’s pussy?” I asked.

“He trusted you with me,” she said. “Anything you want me to do must be okay with him. I am your whore after all, and I am expected to do your bidding.”

“After you come on my cock, I want you to lick mom’s pussy and ass to orgasm, and then Alex’s,” I said.

“That’s a fun way to get to know my stud’s family better,” she said.

“Dad, you are okay with letting Victoria do that to mom and Alex, right?” I said.

“I don’t have any problem with your plan,” dad said.

“Thank you, Mr. Callaby,” she said.

“You are welcome,” he said. “Please call me Dan.”

“You got that, Dan,” she said.

“Dad, I hope it will be okay with you to spread her fine ass for me later,” I said. “I want to show you all that she’s worthy of being my dirty whore.”

“Sure,” he said.

“Victoria, you are okay with that, aren’t you?” I asked.

“I’ve just told you I am okay with anything you do or tell me to do,” she gasped.

Victoria turned to the right, giving me her back, and I pulled the chair a little back to give her more leverage. She bounced her ass faster on my cock. I carried her ass in my hands, spread it and paced her.

“Alex, are you okay with my plan?” I asked. “I’ll be fucking her in her horny ass while she eats you out. Are you okay with that? My thrusts into her ass will shove her face into you again and again.”

“Sure,” said Alex.

“Mom, can you handle getting eaten out by a married slut while your son fucks her royally up the ass?” I asked.

“Gladly,” said mom. “If either of you or your married slut needs anything, just let us know. We’ll do anything in our power to make her second honeymoon a perfect one.”

“Thanks, Mrs. Callaby,” gasped Victoria.

“Amy,” said mom.

“Thanks, Amy,” gasped Victoria.

“You are welcome,” said mom. “If you want to be extra nice to us, let’s eat your pussy while he fucks your ass.”

“With pleasure,” gasped Victoria.

“By Monday, she’ll have forgotten her first honeymoon,” I said.

“What first honeymoon?” she gasped. “Have I ever been married?”

“That’s what I am talking about,” I said. “Can any husband fuck you like I do and treat you like a dirty whore?”

“No way,” she gasped.

“Make your horny ass come on my big cock, you depraved whore,” I urged.

“I am going to come,” she gasped, shoving her ass into me wildly.

“Come, you whore,” I urged.

She soon shook in orgasm. I held her hips tightly to keep her jerking ass impaled on my cock. Her orgasm subsided, and I kept her ass rocking on my cock while she recovered.

“Don’t you think a weekend of this will make me the happiest woman in the world?” gasped Victoria.

“I bet,” said mom. “You’ll probably be so happy your husband will send you to spend every weekend with us.”

“I wish,” said Victoria with a big smile.

“Alex, will you be like this when you get married?” I teased.

“Why not if I found a lover like you?” teased Alex.

“Why would you need a lover like me when you have me?” I teased.

“For fun,” she teased.

“I apparently have a bad influence on your sister,” said Victoria.

“You can’t be a bad influence when you are so good to me,” I said. “She’s old enough to recognize and not underestimate the importance of sex.”

Victoria turned to the side but kept my cock up her ass as we resumed our brunch.

“I am sorry,” said Victoria. “Instead of feeding you, I’ve been feeding my insatiable ass.”

“An insatiable ass is a bitch,” I teased. “I love it.”

“I need to feed you well so you can feed it well,” she said.

“Feed me, baby,” I said.

After we finished brunch, Victoria tried to help with clearing the table.

“You are not going anywhere, baby,” I said, pulling Victoria to me. “We don’t let guests do housework here. Guests at this house only get used sexually. You may think that isn’t hospitable, but this is the way it is.”

“I like it this way,” she said as I bent her over the dining table and resumed thrusting in her ass. “I can’t believe this. I am getting fucked in the ass over the dining table while my hosts clear it.”

“Your ass is too good to let go for something that mundane,” I said.

After Victoria came, she knelt down and deep throated my cock. I slapped her face with my cock and led her to the living room, where dad read the paper.

---

“Dad, would you mind spreading my hot whore’s fine ass for me?” I asked.

“Not at all,” he said as I arranged Victoria on her knees in the middle of the sofa.

“Please do,” I said as I got rid of my pants and underwear.

He sat next to her while I lubed my cock.

“Dad, would you like to guide me in?” I asked as I squeezed lube on her asshole. “Her husband guided me in when it was virgin and spread it for me to make sure his wife got a great first ass fuck.”

“Okay,” he said.

“Victoria, you need to pull your left ass cheek out while dad guides me in,” I said.

“Sure,” said Victoria, reaching back for her left ass cheek.

When my cock head approached Victoria’s offered asshole, dad pulled her right cheek out and used his right hand to hold my shaft. My cock head popped in with a soft gasp from Victoria’s lips, and dad used both hands to spread her ass for me. I smoothly sank in her juicy ass balls deep.

“Don’t you think she has a serious ass?” I said as I slowly pulled out.

“She does,” he said. “You are lucky to have her.”

“Dan, I am sure very lucky to have your wonderful son be my lover,” moaned Victoria. “I am now in heaven.”

“So is my cock,” I said. “Dad, can you see how important it is to fuck those cock-hungry sluts in the ass?”

“I sure can,” he said as I picked up the pace.

Mom and Alex soon joined us. Mom sat on Victoria’s free side and watched.

“Alex, come here,” called mom when Alex sat on the loveseat. “Watch your brother masterfully fuck his lovely girlfriend’s slut mom’s horny ass.”

Alex looked at us questioningly. I beckoned to her. She got up and stood next to me.

“Do you still think I am not a tramp?” teased Victoria, looking over her shoulder at Alex.

“Mrs. Conkley, you are a good slut,” said Alex.

“Watch intently and tell me if you think my horny ass is worthy of your brother’s big cock?” asked Victoria.

“It obviously is even without watching this,” said Alex. “My brother has a great taste in his dirty sluts.”

“You are a great young woman, Alex,” said Victoria. “I wish you the best.”

“Thank you,” said Alex.

After Victoria came, I pulled out, leaving her asshole gaping.

“Dad, give her gaping asshole a kiss,” I said. “Make her feel at home.”

He did not hesitate to kiss her gaping asshole, making her gasp.

“Now it’s mom’s turn to spread her ass for me,” I said.

Dad let go of Victoria’s ass, and mom spread it with both hands.

“You’ll also guide me in,” I said, squeezing lube on Victoria’s open asshole.

Mom held my cock, and I was soon drilling Victoria’s spread ass at a fast pace. Victoria came very soon.

“Kiss it, mom,” I said as I removed my cock from Victoria’s gaping asshole.

Mom kissed Victoria’s asshole, sticking her tongue inside it. Victoria moaned and ground into mom’s face.

“Mom, can Alex sit in your place and help me fuck my sexy slut?” I said.

“Sure,” said mom, getting up.

Alex sat next to Victoria and spread her ass. I added lube to Victoria’s ass.

“Guide me in, Alex,” I instructed, aiming my cock at Victoria’s gaping asshole.

Alex guided me in, and I proceeded to pound Victoria’s ass. Victoria came, and Alex kissed her open asshole deeply, making her grind into her face.

“Alex, let mom return to her seat,” I said. “Victoria, you’ll need to kneel on the floor and eat mom’s hot pussy. Show her how grateful you are to the pussy that gave you your lover.”

“Sure,” said Victoria, getting off the sofa.

Alex returned to her seat, and so did mom. Mom sat back and pulled her legs up, exposing her pussy and ass.

“Victoria, when I fuck you in the pussy, you eat her pussy to orgasm,” I said. “When I fuck you in the ass, you eat her asshole to orgasm. Meanwhile, Alex will spread your ass for me.”

We soon took our positions, Alex kneeling to my left. She spread Victoria’s ass, and I slid my sticky cock into Victoria’s drenched pussy. I used my left hand to finger Alex’s juicy pussy. Victoria proceeded to eat mom’s leaky pussy and moan into it as I fucked hers and reamed out her asshole with my right thumb. I coordinated everything so the three of them came around the same time. Victoria lapped up mom’s copious juices as I gently thrust in her pussy and fingered Alex’s.

“Thanks, Amy,” said Victoria. “I really enjoyed your juicy pussy.”

“Thank you,” said mom. “I enjoyed your wicked tongue.”

“Thank fully we are not done,” said Victoria as I replaced thumb in her ass with my dripping cock.

Victoria proceeded to lick mom’s asshole. I wrapped my left arm around Alex and fingered her asshole. Once again the three of them came together.

“Mom and Alex, switch places,” I said when they recovered.

“Alex, your pussy tastes really delicious,” said Victoria when she tasted Alex’s leaky pussy. “Your boyfriends are going to be very lucky.”

“Thank you,” said Alex.

“I’ll make sure they deserve that luck,” I said.

“Of course, you can’t let anyone taste your sister’s luscious pussy,” moaned Victoria.

A few minutes later, the three of them came, Victoria on my cock, Alex on her tongue and mom on my fingers. They came again while their asses received the attention.

“Good job,” I said as I pulled Victoria upright and fed my cock down her throat. “You are now going to eat her pussy while I fuck her ass.”

Mom was the first to eat Victoria’s pussy while Victoria bounced her ass on my cock in the reverse cowgirl position. I spread Victoria’s ass and paced her.

“Make her come twice,” I said.

Victoria came twice in mom’s mouth, and then Alex replaced her, making her come twice again in her mouth.

When Victoria recovered, I held her tightly and got up. I arranged her on her knees in the middle of the sofa without taking my cock out of her ass.

“Spread her ass please, dad,” I said.

Dad spread Victoria’s ass, and I proceeded to fuck it hard.

“You didn’t get to eat her pussy or have her suck your cock,” I said. “Instead, you’ll get to eat her ass.”

Victoria’s asshole twitched. I drilled her ass hard and made her come several times before I decided to come.

“Get ready, my slut,” I said, fucking Victoria’s ass harder. “I am going to come deep in your horny ass.”

Victoria came faster and harder than before. While she shook in orgasm, I slammed into her ass and spewed my thick come into her twitching asshole.

“Take it all, you hot bitch,” I said as her asshole drained my balls.

“Yes, yes,” she gasped, shaking.

Victoria milked my cock hard as I thrust in her.

“She’s ready to be eaten,” I said, finally pulling my sticky soft cock out.

Victoria’s asshole remained open until dad let go of her ass cheeks. He knelt on the floor behind her and proceeded to lick her asshole. He soon spread her ass and devoured it. She moaned happily, grinding into his face.

“Thank you so much, Mr. Callaby,” she gasped.

“This is how we welcome my whores to the family,” I said.

Victoria soon came in dad’s mouth. He licked her pussy clean and returned to his seat. When she turned around, I fed her my sticky cock. It started to harden as soon as she wrapped her lips around it.

“Dad, thanks for making this special,” I said. “We don’t want to keep you tied up all day. We’ll go upstairs.”

“Okay,” he said. “Have fun.”

“We will,” I said.

He got up and went back to his paper.

---

“Let’s go,” I said, pulling Victoria up.

Mom and Alex followed us.

“Nick, let’s go to the master bedroom,” said mom.

“Of course, mom,” I said.

Victoria got on her hands and knees on the master bed and resumed deep throating my cock. Alex lay down and ate her pussy. Mom ate her asshole. She moaned around my cock. When my cock was rock hard, I knelt behind her.

“Eat Alex’s pussy while she eats yours,” I said as I aimed my cock at Victoria’s asshole.

Victoria arranged her position, taking her mouth to Alex’s pussy, while mom lubed my cock. Alex spread Victoria’s ass, and I pushed my cock in. I fucked Victoria’s ass hard while she and Alex ate each other’s leaky pussy, moaning into each other’s pussy.

“Mom, switch with Alex,” I said after Alex and Victoria came twice each.

Mom and Victoria ate each other’s pussy to two orgasms while I drilled Victoria’s offered ass.

We all lost our clothes, and Victoria rode my cock with her ass in the cowgirl position while mom and Alex fondled her tits and sucked her nipples. Two orgasms later, she turned around, and each ate her pussy through two orgasms while I played with her tits and drilled her ass.

“Are your bowels ready for my come?” I asked as I arranged Victoria on her hands and knees.

“They always are,” she said as mom spread her ass and I pushed my cock in her ass.

In the middle of her third orgasm in that position, I pumped my come up her twitching rectum.

“I am flooding your ass with come,” I said as I slammed into her shaking ass.

“Give it to me,” she gasped.

Her asshole drained my balls, and I pulled out while she recovered.

“She’s all yours, mom,” I said.

Mom ate my come out of Victoria’s well-fucked ass, making her come, while Victoria revived my cock.

When my cock was hard, I rolled Victoria on her back and pushed her legs over her head.

“Alex, sit on her face,” I said as I pushed my cock into Victoria’s ass.

Alex squatted on Victoria’s face, feeding her leaky pussy to her. While I fucked Victoria’s ass, I sucked Alex’s nipples while she fondled Victoria’s tits, pulling on her nipples and leaking in her mouth. When each came twice, it was mom’s turn on Victoria’s face. I also sucked her nipples while drilling Victoria’s ass through two orgasms.

Victoria ate mom and Alex’s pussies and fed them hers while I fucked her ass in different positions. When I finally came in her twitching rectum, she was on her knees, Alex spreading her ass. Alex did not need an invitation to eat Victoria’s slimy ass while Victoria sucked my cock back to life.

When my cock was ready for work, I fucked Victoria’s pussy.

“I know that Victoria loved how mom and Alex’s pussies tasted, but I do not know how she liked their asses or how mom and Alex liked hers,” I said.

“I loved both your mom and sister’s pussies and assholes,” said Victoria.

“What about you, Alex?” I asked. “Did you like the taste of my slut’s pussy and asshole?”

“Yes, I liked it,” said Alex.

“Me too,” said mom.

“That’s nice,” I said as I picked up the pace.

Victoria soon came on my cock.

"You liked how she tasted firsthand," I said. "How would you like to taste her secondhand? Mom, would you like to taste my slut on my cock?"

Victoria was a little startled with that, but she hid it quickly.

"Sure," said mom.

"Go for it," I said, pulling my dripping cock out of Victoria's drenched pussy.

"It's almost as wet as she is," said mom as she brought her mouth to my cock.

Victoria silently watched mom as she toyed with my glistening cock head with her tongue before she took it in her mouth. Mom proceeded to deep throat my cock eagerly, moaning around it happily.

"I see that you like this no less," I teased.

"She has a tasty pussy, and you have a tasty cock," said mom. "That's there not to like?"

Mom deep throat my cock for a few more minutes. She finally pulled back, and I returned my sticky cock to Victoria's dripping pussy.

A few minutes later, Alex did not hesitate to swallow my glistening cock.

"Your sister sure knows how to suck a big cock," remarked Victoria.

"A good girl's expected to know how to suck cock," I said. "You can't expect her to know how to eat pussy but not to suck cock. That would be bad."

"You are right," she said.

When Alex let go of my cock, I pushed it up Victoria's ass and proceeded to drill it to orgasm. When I took my cock out, I looked at mom, and she swallowed it. A few minutes later, Alex did the same.

"Victoria, how would you like a secondhand taste of theirs?" I asked as Alex sucked my cock.

"Are you going to fuck them?" asked Victoria.

"Is there a better way?" I asked.

"No," she said.

"How would you like that?" I asked her.

"I'd love it," she said.

"Would you love it enough to lube their asses and spread them for me?" I asked.

"Of course," she said.

"Start with mom's," I said.

Mom got on her hands and knees, and Victoria proceeded to lube her ass while Alex sucked my cock.

Victoria spread mom's ass, and my cock skewered it. She welcomed my cock after mom came.

"Your sister's boyfriends are going to be *very* lucky," said Victoria as she watched me drill Alex's ass.

"They indeed are, but I'd rip their balls off if they touch her luscious ass," I said. "Alex, tell Victoria who your hot ass belongs to."

"It belongs to Nick," gasped Alex. "So does mom's."

"So does your mom's?" asked Victoria in surprise.

“It would have been absurd for your hot ass to belong to me but my own sister and mom’s asses to belong to someone else,” I said. “Don’t you think so?”

“You are right,” she said.

“You are going to eat my come out of their pussies and asses,” I said.

“I’d love that,” she said.

“The three of you are my whores, and I am going to fuck you all accordingly,” I said.

“Please do,” she said.

She soon tasted Alex’s ass on my cock.

“Get on your knees side by side and spread your asses lewdly,” I instructed.

They complied by that readily. I lubed all three assholes and started with mom’s ass, which was on the right. I made a few rounds before I pumped my come up mom’s come-thirsty ass. Victoria ate it hungrily, making mom come. Meanwhile, Alex revived my cock. Mom and Victoria soon joined her.

For the next session, I laid them on their backs. They still spread their asses. An hour later, Victoria ate my come out of Alex’s sloppy asshole while mom revived my cock.

We took a break after I came in Victoria’s pussy over an hour later. Mom and Alex shared the come.

---

In the evening, I retired to my room with Victoria and Alex.

“Alex sleeps in my bed nightly,” I said to Victoria. “It was so gracious of her to leave us alone last night.”

“Thanks, Alex,” said Victoria. “It turned out that you know more about the value of cock than I do.”

“I have my brother to thank,” said Alex.

“So do I,” said Victoria.

An hour and a half later, I came in Alex’s ass, and we left it there. About an hour after that, I came deep in Victoria’s ass. We showered, and they went to bed with my come up their asses.

---

In the morning, mom joined my bedmates and me. I fucked the three of them in all their holes. I came in mom’s ass just before we got ready for church.

“I am taking this to church,” said mom.

“I am going to come in Victoria’s ass there,” I said.

“Where?” asked mom.

“At church,” I said.

“Are you serious?” asked mom, switching her eyes between me and Victoria.

“I thought you were going to come in all my holes at church,” protested Victoria.

“I am,” I said.

“You, guys, are so depraved,” smiled mom.

“That’s the only reason I’d go to church,” I said.

“I bet the church’s honored to have you fuck there,” teased mom.

“I doubt that,” I said. “By the way, we won’t fuck in the restrooms.”

“Are you going to fuck on the pulpit?” teased mom.

“I wish they’d let us, but they wouldn’t,” I said. “Maybe we can do that on an off day.”

“Be careful,” said mom.

Victoria sucked my cock on the drive to the church.

---

As soon as we arrived at church, I scouted the building for an appropriate place. I found an unlocked classroom. I told Victoria where it was. I returned to it and locked it from the inside. After the service started, Victoria came to the door and knocked quietly. I let her in and locked the door.

She immediately dropped to her knees and proceeded to suck my hard cock. I fucked her throat for a few minutes before I bent her over the desk and fucked her pussy. After she came, I fucked her ass to orgasm.

“Make me come in your mouth,” I said, pulling out of her ass.

She sucked my cock hungrily, and I soon came down her throat. She continued to suck my cock until I was hard. I pulled her up again and proceeded to fuck her pussy to orgasm. I fucked her ass through two orgasms. When she came the second time, I came in her ass. Before my orgasm ended, I yanked my cock out of her ass and shoved it into her pussy. I drained my balls in her drenched pussy.

She sucked my cock clean and returned to the service, her pussy and ass sticky and sat next to mom.

“It’s done,” she whispered to mom.

“You are crazy,” whispered mom. “You smell like a whore.”

Victoria sat through the rest of the service innocently. I left her to ride back with my parents.

## MOVING FORWARD

For the rest of the day, I fucked Victoria, mom and Alex freely in the living room except for a break she used to talk with mom in the kitchen. I slipped out of the house for about half an hour.

---

After I came back into the house on Sunday afternoon, I caught dad alone.

“Dad, do you think Jiff would let me fuck Lydia?” I asked dad that very evening.

“Nick, don’t be crazy,” warned dad. “You’d embarrass us all if you broach this subject with him.”

“Do you want me to fuck his wife behind his back?” I asked.

“You have a harem of gorgeous girls and women now,” he said. “You don’t need to pull that stunt.”

“Dad, Lydia was the first woman I fantasized about,” I said. “I want her bad, especially if she’s an anal virgin.”

“I agree that she’s a hot woman, but you can’t expect to get everything you wish for,” he said.

“I know I can’t get it if I don’t try,” I said.

“Jiff has been our friend and like an uncle to you since forever,” he said. “If you bring this up with him, he’s likely to think you are a pervert and never talk to you. That would also strain their relationship with us.”

“I know, but I’ll be careful,” I said. “It’s in no way riskier than seducing mom. You told me the same then.”

“Why don’t you try for their daughter?” he said. “She’s a pretty young girl. She looks enough like her mom.”

“I am not sparing Cathy, but I want her mom much more,” I said.

“Nick, you are greedy and stubborn,” he said. “Be very careful, and don’t embarrass us in the neighborhood.”

“Of course,” I said.

“You are obsessed with sex,” he said.

“Dad, I am normal,” I said. “If you were my age and knew you had a great chance to get each of the sluts I have, would you spare any of them?”

“I don’t think so,” he said. “The problem though is that you are overconfident.”

“I am only confident about not ruining things with anybody, but I never took seducing them for granted,” I said.

“You must have a way with words,” he said. “No dad would ever let his son seduce his mom, and no woman like your mom would let her son actually do it.”

“I am just being honest with people,” I said. “Honesty with the people you care about works like magic.”

“That may be true,” he said.

“By the way, I’ve already talked to Jiff,” I said. “We are still friends.”

“What did you tell him?” he asked.

“I told him pretty much what I told you,” I said. “I told him I’d had a crush on his wife for the longest time and had been fantasizing about her since forever. He advised me to brace myself for a shock just like you did.”

“He gave you permission to do it?” he asked.

“He even accepted to spread her virgin ass for me if she agreed,” I said. “He obviously thinks it can’t happen.”

“You think it can?” he asked.

“I shouldn’t tell you this, so at least don’t share this secret with anybody,” I said.

“I won’t,” he said. “What happened?”

“His wife has already kissed and sucked my leaky cock head and let me suck her nipples right after I talked to her husband,” I said. “He was still washing the car outside. She’s promised to clean her now-virgin ass daily for me.”

“You are not serious,” he said suspiciously.

“Come on, dad,” I said. “You know I don’t waste time. She’s just given me her sticky panties too.”

“How did you talk her into that?” he asked.

“I knew they were wet, so I asked her to give them to me as a souvenir,” I said.

“I meant to ask about the whole thing, not only the panties,” he said.

“You can’t tell anybody,” I said.

“I won’t,” he said.

“After Jiff gave me his permission, I went in and found Lydia,” I said. “I complimented her and told her how she was the first woman I had ever fantasized about even before I had a girlfriend.”

“Just like that?” he said.

“She was surprised and told me now I had a girlfriend younger and sexier than her,” I said. “I told her that my girlfriend was a girl not a mature sensual woman with experience, passion and personality.”

“What did she say?” he asked.

“She reminded me that she was married and that I had a girlfriend,” I said. “She advised me to forget all about it. I told her it wouldn’t listen to me. If she could make it listen to her, I was all for it.”

“What couldn’t listen to her?” he asked.

“She asked me the same question,” I smiled. “Instead of answering her, I showed it to her. It was rock hard.”

“You had an erection, and you pointed to the front of your pants?” he asked.

“I showed her the real throbbing thing,” I said.

“What did she do?” he asked in disbelief.

“She asked me to put it away, promising to forget all about that incident,” I said.

“That was fair,” he said.

“I told her I wouldn’t until she knelt down and talked some sense into it,” I said. “I said it was out of my hands.”

“What happened then?” he asked.

“She warned me that Jiff could come in at any time and find us like that,” I said. “I assured her that I’d already told him I had a crush on her and that he warned me that I had no chance but to take my chances.”

“Did she believe you?” he asked.

“No, but I told her I’d verified he’d be okay with it if I succeeded,” I said. “I told her he’d even spread her virgin ass for me if she let me have it. She accused me of making that up.”

“That sounds realistic so far,” he said, “except for your taking your boner out.”

“I asked her if she’d let me have her any way I wanted if I proved that to her,” I smiled.

“What did she say?” he asked.

“She asked me to tell the truth,” I said. “I admitted that he did not offer to do that. She was relieved until I continued. I told her I had actually asked him to do that, and he agreed.”

“So far, so good,” he said.

“She asked me if I asked him to spread her virgin ass for me and he agreed,” I said. “I told her that he would not do it unless she was okay with it.”

“Okay,” he said.

“She said she was not okay with it,” I said. “I told her that I’d never do to her anything she wasn’t okay with, but my rampant cock still had to talk to her and show her how sincere it was. I asked her to kneel down and look at it.”

“Did she slap you?” he asked.

“She told me it was inappropriate,” I said. “I told her it was haywire and the most appropriate thing was for her to face it and talk to it. I asked her to ask it how many times it has leaked and ejaculated thinking about her.”

“What did she say?” he asked.

“She did not say anything,” I said. “She went down to her knees when I nudged her shoulders firmly. She told me it was so big and hard. I told her to flirt with it because it thought the world of her.”

“Did she?” he asked.

“She said she shouldn’t do that,” I said. “I assured her she was hotter than she knew and that the least she could do was to take the head in her mouth and kiss it lovingly to feel its sincerity. I pushed it against her lips.”

“Did she suck it?” he asked curiously.

“I told her she had to take the head in and feel it drool in her mouth,” I said. “I said she had to reciprocate. She took the head in. I asked her to be gentle unless she wanted to get addicted to swallowing big loads of my come.”

“She really did that?” he asked.

“She trembled when I told her I waved at her husband while she sucked my cock,” I said. “I suddenly pulled her to her feet and plopped her on the counter. I told her not to be greedy and suck my big cock too soon.”

“You didn’t,” he said in disbelief.

“I did,” I said. “I told her she had to show me her fine tits and let me suck them first. She did not resist as I took them out and proceeded to suck them. I sucked them hard until she came, gasping, shaking and holding me tightly.”

“Did you fuck her next?” he asked.

“No,” I said. “I just asked her to give me her wet panties as a souvenir. She let me take them off. I gave her sticky pussy a gentle kiss.”

“What didn’t you do more?” he asked.

“I did,” I said.

“What?” he asked.

“I told her I’d fuck her virgin ass while her husband spread it open for me,” I said. “She trembled and told me I was too big. I asked her to clean her hot ass every morning and let me worry about preparing it for my big fat cock.”

“She agreed?” he said.

“Yes,” I said. “After all, I gave her an enema package. Before I left, I gave her virgin asshole a long kiss that made her squirm. I licked her asshole until she had her first anal orgasm while watching her husband wash the car.”

“Really?” he asked in disbelief.

“Yes,” I said. “Her pussy was drenched, and my cock was rock hard. I told her she had to ask me to fuck her if she wanted me to. She did. I drilled her pussy to orgasm while she continued to watch her husband. Since she was still horny and relaxed, I fucked her through two more orgasms, leaving her breathless.”

“He didn’t notice anything?” he asked.

“He was busy,” I said. “Anyway, I asked her who her little virgin asshole belonged to, and she said it belonged to me. I told her she’d earned her first load of my come. I asked her to kneel down and get it. She told me she’d never swallowed come. I told her it was about time she had some fun. I even offered to teach her deep throat.”

“She did it?” he asked.

“To the last drop but after she deep throated me,” I said. “She had to promise to be a good slut for me before I taught her deep throat. On my way out, I assured her this time tomorrow she’d be on her way to be my ass whore.”

“When did you do all that?” he asked.

“Just now,” I said.

“You did it all in half an hour or so?” he asked.

“I had to get back to Victoria, but she’s apparently still busy with mom,” I said.

“You couldn’t wait until she went home?” he asked.

“I didn’t want to wait until I caught Jiff alone again,” I said. “Besides, I can start with Lydia tomorrow.”

“You’ve already started,” he said.

“We haven’t started,” I said. “We only had our first kiss after she swallowed my come. Tomorrow’s our first sex date. She had to get rid of her kids until she breaks the news to them.”

“Normally, the first kiss is before the first blowjob, and that’s after the first date,” he said.

“I am not much into wasting time,” I said.

“I can’t deny that,” he said.

“Dad, you, Lydia and I are the only ones who know I am spending tomorrow in her bed,” I said.

“I won’t say anything,” he said. “Be careful yourself, and don’t let anybody know.”

“Dad, have you ever even dreamed that one day you’ll get to spread her fine ass in your own living room and watch your son use his big cock to ream it out royally for her?” I said.

“Obviously not,” he said. “I still find that incredible.”

“Even after you did it to mom, Alex, Beth, Lisa and Victoria?” I asked.

“Yes, Nick,” he said. “All of that felt surreal. I can see myself doing that, but it still feels out of a fairytale.”

“One’s fantasies should be like that,” I said.

“They should, but they often never see the light of day,” he said.

“In my case, they do although they are about where the sun doesn’t shine,” I said.

---

Mom and Victoria were still working on a pie. I headed to the kitchen to work on Victoria. Finally, getting my first fantasy underway had me very happy and horny. Victoria enjoyed the results.

Victoria and mom continued to chat while I bent Victoria over the counter and proceeded to fuck her pussy to orgasm. I moved my dripping cock to her ass and fucked it at a nice pace.

While I fucked Victoria, I started to think about Cathy. She was my sister’s friend and my friend’s sister, but she deserved to get fucked as much as her hot mom. I did not think her mom would mind that. She might actually help.

Later in the evening, Victoria and I used the master bedroom and my room. Victoria again shared my bed with Alex, and they both slept with my come up their asses.

On Monday morning, I fucked Victoria silly and came in all her holes before I sent her home full of come.

“Amy and Alex, thank you so much for contributing to the happiest weekend of my life,” gushed Victoria before she left. “I’d love to do that often. You have to visit me.”

“I am glad you liked it,” said mom. “This definitely can’t be the only time we orgy together.”

“Next time, we have to do it at my house,” said Victoria.

“You’d need to send your husband fishing or something,” said mom. “Nick wouldn’t want him to see him fuck his mom and sister like the dirty whores they are.”

“That won’t be a problem,” said Victoria.

---

With Victoria safely home, I started to get ready for Lydia. Doing the things one is allowed to do can be a lot of fun sometimes despite the fact that sneaking can be a lot of fun sometimes.

**The End**

## **The Permission**

After staring at mom's ass for a while, I decided to go for it, but I did not want to do it behind dad's back, so I explained it all to him. He warned me but gave me his reluctant permission. Mom was receptive to my advances. She even manipulated dad and his secretary into letting things go. When my girlfriend returned, she found out that I had been so busy and her mom and family were soon on the list.
