Please read [disclaimer](#) and [summary](#) at the end of document

My parents had been planning to visit us for a long time. They finally did it a few days ago for Christmas. Mom arrived on the Saturday before Christmas. Dad was to arrive a few days later after finishing up some business.

Mom arrived as planned on an evening flight. Beth and I picked her up at the airport and then took her out to dinner. We drove home, and Beth helped mom get her stuff into the guestroom. We chatted a little and then decided to call it a day for mom to have some rest.

Beth was in a playful mood and started to act friskily as soon as we entered the bedroom. We got each other naked and started to kiss while our hands roamed freely over each other's body. We then had a long sixty-nine session that warmed us up for a long night of sex.

On that night, my wife was particularly noisy. I soon caught on her intention and we had ourselves one of the noisiest fuck sessions ever. We called each other horny names and talked dirty like crazy. It was a wild session that lasted much longer than I expected. I was sure mom, and probably some neighbors, heard it all.

"Do you think your mom is playing with herself now?" Beth said as we cuddled in bed.

"I hope she has already come several times and went to sleep," I smiled.

## A Pink Christmas

In the morning, Beth and I kissed and grabbed each other playfully as we moved around in front of mom. Beth grabbed my ass, and I grabbed her ass and tits.

"Please pardon our childish and maybe shameless demeanor," I said to mom.

"Never mind me, kids," she smiled widely. "Play all you want and enjoy your youth."

"Thanks, mom," I said and then gave her a big kiss on the cheek.

That was Beth's ticket to grab my crotch.

"Have shame," I said as I hiked her dress and slapped her bare ass.

She did it again.

"Time for a spanking," I announced, leading her by her ear.

"Please don't spank her," mom said innocently.

"No, mom," I said. "Naughty girls need discipline. Don't you know that, Beth?"

"Yes," Beth hissed humbly.

I had Beth get down on her knees and press her face to the floor in the living room. I flipped her dress back, exposing her ass. Her pussy was already getting wet.

"Mom, come watch how naughty girls should be disciplined," I called as I stroked Beth's ass.

As soon as mom took a seat, I dealt Beth the first smart resounding smack. Mom winced.

"Isn't that too harsh?" mom said softly.

"Is it, Beth?" I asked.

"No," Beth gasped.

"I guess that settles it," I said and then promptly dealt the next smack.

"Yes," Beth grunted with every smack as her ass took on a nice pink hue.

Her pussy was getting wetter and wetter.

"Mom, do you want to participate in the disciplinary activities?" I offered. "Come on, you can throw in a few soft swats if you sympathize with her. She doesn't mind, do you, Beth?"

"No," Beth said.

Mom approached shyly and knelt on the other side of Beth.

"Come on, mom, try it," I invited.

She gave Beth a tentative, soft smack.

"This is too soft," I said. "She's a grown woman not a baby. Beth, do you like it hard or soft?"

"Hard," Beth breathed.

"Take your shot, mom," I said. "Be tough!"

Mom gave Beth a harder smack, but not yet hard enough.

"Harder, mom," I urged. "Make it hurt."

She dealt a hard smack that stung.

"Yes," Beth grunted.

"Here you go, mom," I commended. "Continue."

After giving Beth several smacks, Mom started to pant. Beth's swollen pussy glistened with juices.

"Thank you, mom," I said and then gave Beth two closing smacks.

Beth breathed in short sobs.

"Mom, excuse us for a minute," I said. "I need to take her inside and finish her off."

"Okay," mom whispered, smiling shyly.

I draped Beth on my shoulder and carried her to the bedroom. I tossed her onto the bed on her hands and knees and took my pants off. Here pussy was dripping in need. I knelt behind her and drove my cock into her pussy in one smooth thrust. She grunted when I hit bottom and came within several strokes. There was no way mom could miss her happy screeches.

She calmed down while I massaged spit into her asshole. I pulled my dripping cock out of her pussy and pushed it gently into her ass. Five minutes of deep, swift thrusts up her ass made her come again. She squealed in pleasure as her rectum milked my cock wildly, but I saved my load for her mouth.

Beth licked me clean, and then we joined mom in the living room. Mom smiled knowingly when she saw the freshly-fucked look on Beth's face. Needless to say, Beth reeked of sex. She ran to the bathroom to freshen up. I followed her shortly.

Mom helped Beth prepare lunch. After lunch, she volunteered to make tea. When she came back with the tea, Beth was on her knees, sucking my cock.

"Oh, I'm sorry," mom mumbled, blushing deeply. "I thought...I'll leave you alone for a while."

"No, mom, we are sorry," I said. "I know it is very embarrassing, but I hope you understand. She's hopeless. You saw me give her a sound spanking earlier, but she never gets enough of this."

"Never mind," she said. "I understand that you are still young and hot for each other. I don't want to spoil your fun. I'll just go take a nap."

"You're going nowhere," I said. "That would be spoiling our fun. Grab your tea and let's chat and ignore her."

Beth meanwhile sucked me in oblivion to the ongoing discussion. Mom reluctantly took a seat opposite me.

"Beth, get on the sofa," I directed. "Don't turn your back to mom."

Beth maneuvered herself onto the sofa without taking her mouth off my cock. Her new position gave mom a full view of what she was doing to me. Her subsequent moves were meant to give mom an erotic, teasing show. To do that, she naturally had to tease my cock mercilessly.

Mom tried to look aside but our conversation forced her to look my way very often. As our conversation progressed, I caught her watching Beth's oral activities several times. I ran my fingers through Beth's hair for a while and then moved to stroking her ass.

"Mom, in your early married days, were you crazy about sex like us?" I asked.

"I guess so," she answered with a blush.

"This much?" I said as I flipped Beth's dress, exposing her ass. "She never wears any panties."

"Sometimes we never wore any clothes," she blurted out, blushing deeply.

"So we are not perverts?" I said as I started to tickle Beth's anal area.

"Maybe not," she said.

"Prudes?" I asked.

"No," she said.

Beth sucked my cock for a few more minutes. I dipped my finger in her pussy for lubrication and then worked just the tip in and out of her asshole. Meanwhile, I chatted with mom about how my siblings were doing and other ordinary stuff. Her eyes kept naturally drifting down to where Beth did a good oral performance on my hard cock.

"She's good," I said casually as I gave Beth's ass a playful slap. "I like what she's doing."

Mom did not comment.

"Mom, does it bother you that Beth is doing this before you?" I asked.

"No, no," she said lowly. "That's perfectly okay with me."

"Does it excite you?" I said. "Does it maybe remind you of the days when you and dad were wild and crazy?"

She hesitated to answer and blushed.

"Yes," she finally said in a very low voice.

"I think Beth can help," I said.

She looked at me quizzically.

"She'd gladly service you," I said.

"I'd love to," Beth said enthusiastically, looking back at mom.

"What do you mean?" mom asked suspiciously.

"She can go down on you too," I said. "She knows how to."

"That's not necessary," mom said after searching for an answer for a little while. "Thank you."

"Have you ever had a woman go down on you?" Beth asked.

"No, never," mom said.

"A woman can understand your needs," Beth said. "You may like it very much. Why don't you give it a try?"

"I don't like that idea," mom said.

"Let's make a deal," I said. "You give Beth the benefit of the doubt. At your first sign of discomfort, you can tell her to stop. Whenever you feel she does something you are not ready for, she'll stop. How is that for you two?"

"I don't know," mom stuttered. "I don't feel comfortable with the entire idea."

"Is Beth causing you any discomfort now?" I said.

"No," mom said.

"Then you don't want to stop her yet, do you?" I said.

"No, she's not doing anything to me yet," mom said.

"Good, we are on the right track," I said. "She can then continue."

Mom looked puzzled.

Beth crawled toward mom and sat before her feet. She took mom's shoes off and started to massage her feet. Mom tensed up at first, but she relaxed quickly under Beth's nimble fingers. I stroked my cock as I watched.

Beth guided mom's feet apart and then lifted one foot to her mouth and started kissing the sole, making her shudder. She kissed her way up mom's calf and soon was licking the back of her knee. By the time Beth had done the same to her other leg, mom was totally relaxed and her eyes were closed as she moaned softly.

Mom continued to moan as Beth slowly kissed and licked up her parted inner thighs. Her dress rode higher and higher on her thighs as Beth approached her panty-clad pussy. Beth spent extra time licking mom's inner thighs near the edge of the panty crotch. She used her tongue tip to lightly tickle mom's pussy through the thin panty. Mom gasped but did not show any resistance. Beth repeated that several times and then started to kiss and lick mom's pussy with more pressure. Beth started to gently rub her lips over mom's panty clad pussy.

Mom humped Beth's face tentatively. Beth kept it up for a little while. While she continued to rub mom's pussy with her mouth, she reached up mom's dress and started to tug gently on the waistband of her panties. Mom raised her ass off the sofa to help Beth pull the panties over her hips. As Beth pulled her head back and pulled the panties down, mom closed her legs, allowing Beth to take the panties off.

Beth threw mom's wet panties to me and dived into mom's bare and hairless pussy. I pressed mom's panties to my nose and inhaled her sexy aroma as I watched her grind her pussy with increasing boldness into Beth's face. While munching mom's juicy pussy, Beth reached up with her hands and started to massage mom's lush tits. I knew that she was not going to give mom an easy orgasm: she was going to let her earn it hard. Meanwhile, I sniffed mom's panties and played with my cock as I watched her squirm and moan.

After ten to fifteen minutes, I figured that mom was well softened up and consumed in her lust. I put her panties aside and then walked over and knelt behind Beth.

"Mom, do you mind if I fuck Beth while she eats your pussy?" I asked.

"Oh no, please don't mind me," mom moaned unsteadily.

"Thank you, mom," I said as I slipped my cock into Beth's pussy.

Beth moaned into mom's pussy. While swirling the base of my cock against the mouth of her pussy, I cupped her tits and pinched her nipples through her thin dress. I kneaded her tits as I started to thrust into her. She humped her ass back while eating mom's pussy more and more hungrily.

"Mom, if she's not doing a good job at your pussy I'll stop fucking her and punish her instead," I said. "Do you like the way she's eating your pink pie?"

"Yes, yes," mom moaned. "It feels so good."

"How come you didn't come yet?" I said to mom. "Beth, make her come, you sleazy cunt."

Beth put more effort in eating mom's dripping pussy. Leaning forward, I grabbed mom's knees and pushed them against the edge of the sofa, spreading her thighs all the way apart. I fucked Beth at a brisk pace as I held mom open for her. They started to tremble and groan but Beth's groans were muffled by mom's thrusting pussy.

Mom came first and then, two thrusts later, Beth did. Despite that Beth lost control of her body to the convulsions of her orgasm, she continued to lap mom's gushing pussy dutifully. Mom tried to squeeze her thighs but I pressed really hard against her trembling knees. Meanwhile, I sawed in and out of Beth's twitching pussy.

My panting mom lay limp while Beth proceeded to kiss and lick her inner thighs as she ground her ass gently into me. I drooled onto Beth's asshole and let my fingertips gently rub my drool into her pucker and work it inside.

Beth was planting light kisses on mom's pussy when I pulled my dripping shaft out of her pussy and crouched over her ass. I gently pushed my cock into her ass. She let out a little grunt when the head popped into her.

"Mom, are you ready for your next orgasm?" I said smiling at mom as I gently slid deeper into Beth's ass.

Mom smiled shyly.

"Get to work; Beth," I said. "I think she likes you."

Soon, we were cruising down the orgasm highway again: mom fucked Beth's face energetically with her horny pussy, and I drilled Beth's ass deeply with my rampant shaft. Everybody grunted and moaned lustfully.

"The slut loves it when I fuck her up the ass," I said to mom and then turned to Beth. "Don't you, honey?"

Beth raised her head off mom's pussy and looked back at me.

"Oh, yes, baby," she gasped, smiling lewdly. "Give it to me."

"Now eat the lady's hot pussy," I instructed.

"With pleasure," Beth mumbled into mom's pussy.

"Mom, are you having fun?" I asked.

"I am having a great time," mom moaned.

"Gush all you want in her mouth," I said. "Drown her in your hot pussy juices."

Leaning forward, I braced myself with my left hand and started to feel up and knead mom's firm tits with my right hand as I continued to drill Beth's ass.

"Mom, you are so sexy," I said softly. "I love your tits."

Mom blushed.

Bracing myself with both hands I started to fuck Beth harder.

"Make the lady come, you bitch," I commanded Beth.

From then on, mom responded as if I was putting my hard thrusts to her. About a minute later, they both were coming. Beth continued to dutifully eat mom's pussy throughout her own orgasm. I also continued to drill her twitching asshole until her orgasm well died. She made sure mom went totally limp before raising her head up.

Beth and I kissed sloppily as I sawed my cock slowly within her ass. Her face was covered with mom's juices.

"Mom, you taste so good I can't blame Beth for taking her time between your lovely legs," I said.

"I'm not finished yet," Beth said.

"Look at her, mom," I said as I cupped Beth's tits through her top. "Isn't she a nice little whore?"

Beth looked slutty with her glistening face and lewd look.

"I may add that you are a lucky bastard to have her," mom said.

"I sure am," I said as Beth dived between mom's thighs, making her gasp.

Mom started to moan again, and Beth started to twist and rock her ass against my cock. I yanked my cock from Beth, making her suck air audibly at both ends. I kissed her asshole and then climbed onto the sofa. Crouching astride mom, I dangled my hard cock before her face.

"Suck it, mom," I whispered as I pressed my cock head against mom's lips. "Don't let her make you a lesbian."

She hesitated for a second and then opened her mouth and took me in. Grabbing my hips, she started to guide me back and forth as her lips and tongue played tricks on my cock. Beth made her moan around my thrusting cock. I stopped moving. Mom raised her head and started to work her mouth up and down my cock. She enjoyed herself, moaning happily. A few minutes later, I pushed her head back and slapped her playfully with my sticky cock. I rubbed the head over her lips and sticking tongue before I dismounted her. Sitting on her left, I fondled her clothed tits for a minute and then I proceeded to get her clothes out of the way. I worked her dress off her shoulders and down to her waist and then removed her bra.

"Oh, boy! Oh, boy!" I said as I showered mom's lovely tits with kisses, leaving her erect nipples for last.

I drooled on her right nipple and rubbed it with my fingertips as I gently licked and sucked her left nipple. She started to squirm and roll her head. Stretching out, I captured her right nipple in my mouth. As I sucked it, I reached down with my left hand and pulled her legs up, one and then the other. I guided her left hand to my cock, and she started to play with it. When she let out a deep gasp, I knew that my horny wife got the hint and orally attacked her unsuspecting asshole. My suspicions were confirmed when I reached for mom's wet pussy: it was free as Beth's mouth tended to the neighboring little hole. Mom jumped when my finger touched her clit. I teased her little nubbin for a short while and then ventured into her pussy as I returned my mouth to her left tit.

"Beth, come here and help me with mom's sweet tits," I called.

Beth gave mom's asshole a final kiss and then sat on mom's other side. Each of us took a tit to squeeze and suck. Mom put her hands behind our heads and pulled us to her, moaning and gasping softly. As her passion heightened, I rubbed her pussy faster and sucked her tit harder. I guided Beth's right hand to mom's left tit while I sucked it.

"Take care of this sweet one too," I said to Beth as I slid off the sofa and knelt between mom's open legs.

My left hand continued to work mom's excited pussy. My tongue joined the fun, and I started to lash her clit furiously. Soon, I was licking and sucking her asshole and probing it gently with my tongue. I returned to sucking her clit again and worked two fingers into her wet pussy. I pumped her for a minute and then pulled one finger out and pushed it into her asshole. As I sucked her clit, her asshole swallowed my finger slowly. She moaned and gasped uncontrollably as I subjected her to that sweet torture.

I sucked her clit until her holes started to milk my rhythmically pumping fingers. Her hips hunched to meet my fingers again and again. I withdrew my head and started to rub her pussy with the thumb of my free hand. I watched her lovely body squirm with pleasure.

"Mom, have you ever been spanked?" I asked as I wiggled my fingers within her.

"No," she moaned. "Why do you ask?"

"Because you have been naughty and you need to be spanked," I said, squishing her clit.

"Please, don't," she said.

I gave her clit a series of tongue lashes and wiggled my fingers within her.

"You deserve a spanking and that's what you are going to get," I said firmly as I yanked my fingers from her holes. "Now get on your knees and bend over the sofa."

"Please, don't hurt me," she begged softly as she got into position.

"I'll spank you just like I do Beth," I said. "That's why she's always a good girl. Even if she is bad, she's good. You have to be a good girl too."

Beth and I knelt on either side of mom, me taking her left side. Beth slipped her right hand between mom's legs and started to tease her pussy. Mom gasped and moaned. That's when her right ass cheek received its first resounding smack. She jumped with a grunt. Beth rubbed her clit harder, and I dealt her left cheek an equal smack.

Between smacks I gave mom enough time to be distracted by Beth's naughty fingers. Beth gave her freshly punished cheek a brief soothing massage while she fingered her wet pussy. After the tenth smack, I started to give mom's pussy or asshole a brief fingering between smacks. I used her running juices to lube her asshole. Beth concentrated on massaging both ass cheeks.

I gave mom a harder thirtieth smack for both cheeks, signaling the end of the punishment. By then, her ass was sticky with all the juices my smacking hand had transferred from her pussy. Her pussy was so wet it would have been dripping if I did not wipe it and apply the juices to her asshole. I pushed two fingers in each hole and started to pump her gently. She moaned and humped back. Beth continued to knead her sticky, reddened flesh.

I moved behind mom and started to stroke my partly hard cock. Beth smiled impishly as I moved forward and wiggled my fingers vigorously within mom's clamping pussy and ass. Beth took the hint and pulled mom's ass cheeks apart. I lunged forward driving my cock halfway into mom's dripping pussy. That took her breath away.

"No, no, what are you doing?" mom gasped as I jerked my cock in short, swift strokes in and out of her.

"I am making you come," I said as I slammed my hard shaft all the way in.

She started to shake. I gave her a couple of more hard thrusts, and she started to come, convulsing violently. Beth continued to hold her open for my relentless hard thrusts. Mom gasped desperately for air as her pussy gushed all over my cock and balls. Soon, her orgasm died and she calmed down. I stepped down the pace of my thrusts, and she started to hump back.

Beth drooled onto mom's vulnerable asshole and used her fingers to gently rub the spit in. She soon had mom's pink pucker soaked in her spit. She alternated between teasing the sensitive pucker with her fingertips and darting a finger or two in and out of the tight hole. Beth's anal attack made mom's pussy spasm and gush juices.

Mom let her lust take control and enjoyed herself as Beth pumped and wiggled two fingers within her glistening asshole. Beth smiled at me mischievously as she reached for my shaft. She gripped my cock by the base and pulled it out of mom's pussy as she pulled her fingers from mom's ass. She stroked my cock as she rubbed more spit over mom's pucker.

"Fuck her in the ass," Beth whispered loud enough for mom to hear. "Ream out her little asshole."

Mom shivered. She shivered again when she felt Beth gently press the head of my cock into her ready asshole. Beth was very gentle, letting the little pucker dilate in its own pace. Mom let out a short grunt as the head popped past her sphincter. I applied short gentle thrusts to advance slowly into her tight channel. Meanwhile, Beth teased mom's pussy. I paused briefly when my entire shaft was in, but Beth's hot fingers urged mom to hump back.

Grabbing mom's hips I thrust gently into her. We soon established a nice rhythm, fucking her ass very deeply. Her asshole continued to spasm around my cock in response to Beth's teasing fingers. She bucked her ass back faster and harder as a new orgasm threatened to take over her body. My cock also threatened to give way so I matched her urgency stroke for stroke. I could see that Beth's hand was working over time between mom's legs.

"You like it up the ass, don't you, mom?" I teased as I started to slam into her.

"Oh, yes, darling," she grunted, bucking back. "You have a nice fat cock; it stretches my asshole out so well."

"You have a fantastic asshole too," I said, banging her harder and harder. "Let's come together."

She stiffened, let out a few soft grunts and started to convulse uncontrollably. Gripping her hips tightly, I thrust into her as hard as I could and let go. My come burst powerfully into her sucking rectum.

"Gush in my hand, you horny hussy," Beth urged.

Mom shuddered, and her orgasm peaked again. I continued to thrust until she and my cock went limp. When I pulled my spent cock out, Beth bent over mom's well-fucked ass and started to lick her relaxed asshole.

I sat next to mom's head and started to stroke her face and run my fingers through her hair. Beth pulled mom's ass cheeks apart and started to lap up the oozing come. I gently lifted mom's head and scooted before her. She started to lick and suck my cock while Beth licked up and down her pussy and asshole.

My cock hardened gradually, and mom started to deep throat it. I collected her hair in my hand and used it to bob her head. I slapped her face repeatedly with my sticky shaft.

"You like that, don't you?" I teased.

"Oh, yes," she said lewdly. "You make me feel like a slut."

"Tonight you *are* a slut," I said. "So, you'd better act like one; I am going to fuck you like one. Now suck!"

I plunged her head down onto my cock and let her resume sucking.

"Are her nether holes ready," I asked Beth as I bounced mom's head up and down my cock.

"As ready as they can get," Beth said.

"All right!" I said pulling mom up. "Come here, mom, baby, and ride the hard shaft you have just erected. Ride it really well. Get yourself fucked really well. Break a real sweat."

Mom moaned as she swallowed my hard shaft in her pussy. I grabbed her ass and started her moving.

"Faster, faster," I urged as I slapped her ass a few times.

Mom grunted several times as she picked up speed. Beth started to lick mom's asshole, occasionally flicking her tongue on my cock. I pulled mom's ass cheeks apart to allow Beth better access. Mom gasped as Beth popped a finger up her ass. Soon, I could feel Beth's fingers dart and jerk within mom's asshole. Mom bounced and bucked faster, grunting and moaning louder.

Grabbing mom's jiggling tits, I started to milk them in a fast rhythm. Beth and I pumped mom's holes harder and harder as her orgasm approached. Finally, she lost control and started to convulse in orgasm. I gripped her ass and Beth and I kept up the hard pumping until she collapsed on me.

Mom panted for air as I kissed her face gently, grinding her gently against my cock. Beth meanwhile licked mom's asshole gently. As soon as mom started to moan and hump against my cock and Beth's tongue, Beth pulled my cock out of mom's pussy and sucked my cock head while gently massaging mom's asshole with her thumb.

Beth spit on mom's asshole and then pressed my cock head to the wet pucker. Mom gasped as my cock head popped in. Soon, her asshole was milking my shaft eagerly as she bounced energetically.

"I am going to fuck you all I can before dad arrives," I said as I smacked mom's ass. "We don't know what will happen when he gets here."

"Don't you think he'd be interested in my pussy?" Beth said.

"He should and probably would," I said, "but we can't tell yet."

"I am going to tease him silly if he doesn't," Beth said.

Beth sat next to me and then each of us grabbed one of mom's tits and started to suck the excited nipples. Mom moaned and rolled her head around as she bounced her ass urgently towards orgasm. She came very soon. She shoved her ass violently against my pelvis as she convulsed uncontrollably, soaking my pubes with her gushing juices. I gave her a short time to recuperate and then flipped her on her back. I let her ass hang off the edge of the sofa and stood on my knees on the floor without ever pulling out of her.

I put mom's ankles on my shoulders, held her ass in my hands and started to thrust into her. Beth bent over mom and started to play with her tits and suck on her nipples while fingering her own pussy. I started to brush and finger mom's dripping pussy gently.

Suddenly, Beth climbed astride mom and pushed her pussy toward mom's mouth. Mom was confused at first; so, I helped her make her mind by rubbing her erect clit with my thumb. Soon, Beth was moaning as mom ate her first pussy. Beth humped mom's face, muffling mom's moans.

I took mom's hand and sucked two of her fingers for a while, and then I guided her wet fingers to Beth's asshole. Beth let out a long moan as mom's fingers slid into her ass. She rode mom's inexperienced mouth faster.

"Make her come, mom," I urged, crushing mom's clit under my thumb. "Drink her juices like she did yours."

Mom moaned into Beth's pussy and ate her harder while shoving her ass up and down my cock. Both horny women approached orgasm quickly. At first, Beth started to squeal and thrust her pussy into mom's face. Mom made wild sounds as she ate Beth's pussy hungrily. In my turn, I wiggled my thumb within mom's leaky pussy.

Beth started to come, crushing mom's head between her thighs, but mom did not seem to care as she shook her head violently against Beth's pussy and shoved her ass against my cock. When mom started to come, Beth had already finished coming and was gently humping mom's face.

Grabbing mom's right tit, I drilled her twitching asshole as hard as I could while jerking my thumb quickly within her gushing pussy. She gasped and moaned into Beth's pussy. Beth reached behind herself and started to pull on mom's free nipple.

Mom finally relaxed and removed her fingers from Beth's ass. I licked her juices off my thumb and gently removed my cock from her asshole. Beth dismounted her and gave her a kiss on the lips.

I climbed astride mom and started to jack off over her glistening face. Beth meanwhile knelt between mom's legs and proceeded to lap up her copious juices.

"Open wide, mom," I urged as I jacked my cock harder.

My first come jet flew right into mom's mouth and the next jet landed on her cheek and chin. I pulled back and shot the rest of my load on her tits. I milked my cock and then wiped the tip on her tit. She raised her head and sucked my cock head while milking the shaft to drain it thoroughly.

As soon as I moved aside, Beth moved over and licked my come off mom's tits. She then dribbled my come into mom's mouth. Next, Beth used her tongue to sweep my come off mom's face and into her mouth. Mom sucked Beth's tongue lewdly. At the end, Beth licked the rest of her own juices off mom's sticky face.

As mom lay languidly, I fingered her wet cunt and Beth sucked her nipples. We kept up this combination on mom until she came explosively in my hand. Finally, I lapped up her juices off her pussy and asshole.

That night we went to bed early and without having dinner. Mom slept between Beth and me. I waked up in the morning with her sucking my cock lazily. I gently pushed her head off and went to the bathroom. When I came out, I led her to the bathroom and we showered together.

Mom sucked me in the shower and I fingered her pussy. By the time we returned to the bedroom, Beth was awake and playing with herself. I motioned mom to take over. She got on her knees and started to eat Beth's pussy. I bent behind her and rimmed her asshole. I fucked her pussy at a quick pace and switched to her asshole before she could come. I drilled her ass to orgasm and then sucked her drenched pussy dry.

Straddling Beth's chest, I muffled her moans with my hard cock. Before she came, I pushed mom aside and shoved my cock in Beth's wet pussy. I fucked Beth hard to orgasm while mom took care of her jiggling tits.

I let mom resume eating Beth's pussy as I proceeded to thrust my dripping cock into her own ass. I used my fingers on mom's wet pussy to make her come at the same time I did. After her spasming asshole drained my balls, I had her sit her come-leaking ass on Beth's face. I cleaned mom's drenched pussy with my tongue while Beth ate out her ass cream pie.

Beth showered while mom and I prepared breakfast.

For the rest of Monday and the following two days, the three of us acted like teenagers who had just discovered sex, but we were much wilder than any teenagers would ever be. I enjoyed having the two horny ladies prepare each other for me while I watched or let my next partner suck my cock. I also enjoyed having them clean each other.

Wednesday evening came too fast and we needed to pick up dad at the airport. We let Beth drive so that mom and I could have what might well be our last session together for a long time.

It was quite dark outside; so, mom and I fooled around freely in the backseat all along the drive. Mom was sucking my cock before we hit the freeway. I felt up her ass and pulled her short skirt out of the way. Soon, I was fingering her wet pussy. A minute later, I was dipping a finger in her asshole. Before long, I had two fingers jerking in and out of each of her horny holes. She raised her head off my cock and started to grunt and moan.

"Ready to sit on it?" I asked, wiggling my fingers vigorously within her.

"More than ever," she gasped.

I pushed my pants and briefs down to my knees and then removed my fingers from her holes. I helped her sit in my lap and slide her cunt down my cock. She hugged the back of the passenger seat for leverage and started to bounce on my cock. I slipped my left hand between her thighs and started to diddle her clit. As she bucked her ass, gasping and moaning, I slipped my right hand beneath her and started to finger her ass. She soon lost control and started to move her ass violently. I doubled my efforts at both fronts and she came almost instantly. I continued to diddle her clit until she relaxed.

Before she could catch her breath, I lifted her ass and pressed my cock to her asshole. She lowered herself slowly until she swallowed my shaft completely. I reached between her thighs with both hands and started rocking her. When she found her rhythm, I concentrated on her pussy, diddling her clit and fingering her hole vigorously.

She bounced faster and faster. She was coming again within five minutes. When she relaxed I grabbed her ass and started moving her slowly up and down my shaft. I moved her off my lap and she bent over my cock. She jacked me off into her mouth while sucking really hard on my cock head. In less than a minute, my come burst powerfully into her sucking mouth. She swallowed it all and sucked for more, milking my shaft thoroughly.

She wiped her dripping crotch before she sat down and helped me pull my pants back up. We kissed lewdly and I squeezed her tits playfully. Her mouth tasted of my come.

"Dad doesn't know what his loving wife has done on the way to meet him," I teased.

"She had a lot of fun," she smiled, "more fun than he could imagine."

We were still over five minutes away from the airport. Beth thoughtfully opened the windows to air the car.

Both mom and Beth had short dresses and wore no underwear. They both shivered in the cool weather as we walked in the open. Their nipples stood to attention. As soon as we entered the terminal, mom went to the restrooms to freshen up.

When we waited at the gate, the presence of my sexy companions was well noticed and enjoyed. Finally, dad showed up, and we received him.

"Aren't you two cold dressed like that?" dad said as we walked in the parking lot.

"Just a little," Beth said.

He surely could notice the outline of erect nipples under the lights.

On the way home, dad took the passenger seat, and mom and I took our previous seats. As we chatted about dad's trip I snuck my left hand underneath mom. She hesitated a little before granting me access to her ass. I was soon tickling and fingering her hot asshole, which had not yet tightened up fully after the vigorous drilling it had just received. Later, she had enough courage to massage my hardening bulge through my pants. That was wild.

Finally, we arrived at home. I was sure mom was dying to fuck after being anally teased and fingered for over twenty minutes. My cock was rock hard too.

Dad changed and joined us in the living room. We chatted and laughed.

"I feel like snuggling up to someone," Beth said as she hopped into dad's lap.

Beth's dress had a short flirty skirt. I could see her pussy peek out as she maneuvered herself into dad's lap. She talked and moved actively, pretending innocence as her ass wiggled against his crotch. Dad was soon having a hard time keeping his cool. Beth winked at me to signal her satisfaction with the response she was getting.

"I'll get you a cup of your favorite coffee," mom said to dad as she got up.

"I'll go prepare a favorite of mine," I said as I followed her. "Beth, do you want something?"

"No, thanks, I am fine," she said, wiggling her ass in dad's lap.

In the kitchen, I slid my hands up mom's dress and busied my fingers with her pussy and asshole to keep her hot all the time. I even slipped my cock up her pussy for a minute, but neither of us came. I had her lick her juices off my cock before I zipped up.

"You seem to like sitting in his lap, don't you?" mom said to Beth as she handed dad his coffee.

"Yes, it's nice and comfy," Beth said. "Do you want to try it?"

"Maybe later," mom smiled.

Beth's erect nipples poked visibly against her top. I noticed the way she humped her ass subtly against dad.

"I am going to get some ice cream," I announced. "Anyone wants to go with me?"

"I will," mom said.

"Okay, guys, we'll see you in half an hour," I said as mom and I left. "We may pick up other stuff."

"Take care," dad said.

Throughout the drive, mom and I toyed with each other's crotch like horny teenagers. We got the ice cream and drove back, still teasing each other wildly. As soon as I parked the car in the garage, she bent over my cock and deep throated me. I wetted my fingers in her pussy and started to finger her asshole.

We got out of the car and I bent her over the hood. I flipped her dress up and took turns fucking her pussy and asshole for over ten minutes. We both did not come. I just wanted mom to be very horny tonight.

When we went in, Beth was still sitting in dad's lap. She joined me in the kitchen to prepare dessert. There she told me that she had managed to get dad to spank her and that she came while he did. She then sucked him off.

"Congratulations," I said and kissed her on the mouth.

That night Beth and I had another noisy night. I learned later that mom and dad got it on at the same time.

Thursday morning, the morning of Christmas Eve, Beth snuck into the guestroom as soon as mom entered the bathroom. She sucked dad's morning boner but did not let him come. She told him she wanted his come load elsewhere in her body. She kissed his cock and told him she would make sure that would happen before Christmas.

We spent the day roaming the malls and ate out. Mom rode on the passenger seat and I drove. Beth and dad rode in the back. Mom discreetly slid her right hand between her legs and started to finger her pussy. I adjusted the climate control system to bring in fresh air to hide the smell of hot pussy. Beth would sure find a way to tease dad.

In the evening, we sat around and watched television, Beth in dad's lap as usual. When mom went to the bathroom, I went to the kitchen to give Beth time. When I returned the look on Beth's face told me she had something in her. Dad was unusually silent. Beth's flaring albeit short dress covered whatever was going on.

Beth nonchalantly lifted her ass a little and then plopped herself again in dad's lap as if to adjust her position. That made dad grunt. With her eyes Beth signaled me to go away. As I disappeared again into the kitchen, I caught her in the corner of my eye as she bounced in his lap. I made some noise as I waited in the kitchen a little.

Briefly after mom had left the bathroom, I returned to the living room and sat next to her. Dad did not notice as Beth stealthily pulled up the hem of her dress to expose her crotch. Her glistening pussy was empty, but her asshole was tightly packed. My cock pulsed, and I could feel it drool into my underwear.

Beth gently guided dad's hand to her crotch. Dad jumped when his fingers touched her bare pussy. As he pulled his hand back, he looked through the corner of his eye to check whether mom and I had noticed anything. Mom and I acted as if we were totally engrossed in the television show. He pulled her dress down to cover her crotch.

"That's okay, Dan," mom called, reaching for my crotch. "Finger her wet pussy."

Dad coughed nervously. He was so embarrassed he could not speak. He coughed again as Beth held his hand and rubbed it up and down her pussy. Mom quickly popped my cock out and into her mouth. Dad resigned himself to the situation and gradually got into fingering Beth actively. Beth bounced her ass up and down his cock for a couple of minutes and then hopped off. She sat next to him and bent over his cock, wrapping her fingers around the thick base. She took him in her mouth and started to slobber and suck on his thick shaft.

"Mom really knows how to suck cock," I commented, petting mom's head.

"Your wife is not bad either," dad said.

"She's a sucker for cock," I said.

"So am I, darling," mom said.

"Sure you are," dad said.

I reached out for mom's ass and started to feel her up, pulling her dress up gradually. Minutes later, I was spryly fingering mom's nether holes as she devoured my hard shaft. When she took her mouth off my cock, we kissed and then I helped her to sit astride me. As soon as she started to ride my cock, I pulled her dress over her head and tossed it aside, leaving her stark naked.

Dad watched as I pulled mom's ass cheeks apart and started to rub spit into her asshole. Soon, I was working one and then two fingers inside the energetically bouncing ass. She was so excited she had a quick orgasm. We showered each other with kisses until she calmed down. I removed my fingers from her ass and put my cock there.

Mom rode me eagerly as I used both hands to squeeze her tits and pull on her erect nipples. She moaned, gasped and grunted as I drilled her ass solidly. She bounced happily but started to get tired. I helped her onto her hands and knees on the floor and knelt behind her. Gripping her hips, I slammed my cock up her ass and started to pump her vigorously.

"Tis the season to give," Beth urged as she got on her hands and knees on the sofa. "Give it to me!"

"You got that, naughty lady," dad said as he lunged into her.

Beth moaned and grunted as she bucked back into dad. She soon reached back and guided his cock to her ass. She then echoed mom's groans and grunts.

I flattened my feet on the floor, one and then the other, getting into a crouching position over mom's ass. Grabbing her tits, I pumped her ass vigorously. She bucked back, shaking her head up and down in abandon.

"Look at your wife, dad," I called as I continued to drill mom's ass furiously.

"Wow! She looks like a slut," dad said. "I have never seen this look on her face before."

"I am your wife but his slut," mom grunted, bucking her ass lustfully.

"I am your slut and his," Beth said to dad. "I want you to treat me like a whore."

By the time mom's ass came on my cock, Beth's had already come on dad's. Dad sat back and Beth rode his cock with her pussy. His hands held her ass open, fully exposing her freshly fucked asshole. I plopped my cock out of mom's asshole and zeroed in on my wife's twitching pucker.

I spit on Beth's asshole and used my fingers to work the spit in. Beth did not expect what followed until I started to climb behind her.

"Oh, my!" Beth exclaimed as my cock approached her asshole. "I'm fucked."

"Of course, you are, honey," I said as I pushed my cock into her ass.

Mom played with herself as she watched. Beth and dad stopped moving until I had driven my cock halfway in. Beth's ass felt tighter due the extra pressure provided by dad's cock. We started to move awkwardly until we established a rhythm. After that, Beth could hardly withstand a minute of hard double fucking.

Beth's holes twitched violently around the hard pumping cocks as her body convulsed in the throws of a wild orgasm. I could feel her gushing juices soak dad's balls as my balls brushed over his. She collapsed on him, panting for air as I held her tits and slowly stroked my cock within her ass.

"That looked wild," mom finally said. "Is there any chance I can try it?"

"As a matter of fact there's a fat chance," I said as I removed my cock from Beth's ass and helped her off dad's cock. "Come over here, you novice little slut."

Mom got up and moved over. I reached between her legs and cupped her pussy. She was drenched.

"Mom, your pussy is drenched and dad's cock is soaked," I said. "I think they should be cleaned."

Mom went down on her knees and started to lick dad's cock.

"You lick my juices and I lick yours," Beth said as she dived between mom's ass cheeks.

A couple of minutes later, I helped mom onto dad's cock and climbed behind her.

"That feels so wild," mom said as she felt the head of my cock make its way into her ass.

Mom did not last much longer than Beth with two hard cocks thrusting vigorously within her horny holes. She shook hard in a long orgasm and then fell on dad's chest completely exhausted. I kept my cock within her until she recovered. Then I helped her to the floor and pushed my cock into her mouth.

As mom sucked my cock greedily, Beth sucked dad's shaft with equal hunger. A couple of minutes later, I let my thick come burst all over mom's face. Beth took dad's cock out of her mouth and let him splatter her face. She then drained his cock in her mouth. Mom and Beth licked each other's come-covered face clean and finished with a sloppy kiss. I bent over and kissed each of them on her come-flavored lips. Finally, they kissed dad.

Beth and dad slept in the guestroom and mom and I slept in the master bedroom.

As soon as mom and I waked up in the Christmas morning, we were aware of what could only be Beth's squeals of pleasure as dad stuffed her tight stocking with hard meat again and again. It turned out that Beth had already opened her gifts and dad was helping her break in the new sexy outfit I had got her.

Mom played with my hardening cock as we listened. Needless to say, she and I had a wild fuck before leaving bed. Her squeals and moans echoed Beth's.

Besides opening the gifts and the cooking, our Christmas was full of all kinds of unbridled sex. The ladies could not get enough of double penetrations among other lewd acts. We even had dinner while fucking. Mom was sitting astride me and Beth was sitting astride dad as we fed each other. Each woman ate the other's cream pie for dessert. Anal cream pies were enjoyed later. Mom dipped her new necklace in her come-filled pussy and then licked my come off it. Furthermore, Jesus' name was called frequently within excited screams.

On the day after Christmas, we dressed Beth and mom in sexy outfits and took them to a far mall to show them off to the shopping crowds while we shopped for good deals. Many guys enjoyed the nice rearview as they bent over. A few guys were lucky enough to be in the right place when I hiked one skirt or the other to flash bare hot pussy and ass.

Whenever we drove, I took the driver seat and let mom and Beth ride with dad in the backseat. He was too eager to subject their sticky pussies to continuous fingering throughout the ride. The two horny ladies moaned and gasped lustfully all along. By the time we got home, pussy juices were running down their thighs and the car reeked of hot pussy.

Naturally, we started a wild fuck session as soon as the door slammed shut. We shared and swapped partners several times. The ladies explicitly demanded double penetration and got much of it.

Sunday was my parents' last day with us so we all fucked like there was no tomorrow, taking short breaks for snacks and other necessities.

Mom and dad packed their stuff early in the evening. I drove them to the airport. Dad fucked Beth good-bye in the backseat while mom sucked my cock and fingered her own pussy. Beth's screams were a bit too loud.

Finally, I parked the car in the airport and mom got on her knees in the passenger seat. I knelt on the driver seat, bending forward, and she backed up on my cock. Soon, we were putting the car shocks to a hard test that would have drawn a lot of attention to us if I had not parked in a darker corner of the parking lot. The noise we made was loud enough to cover up any external explosion.

Mom was drenched. I quickly removed my dripping cock from her pussy and pushed it in her ass. I gripped her tits tightly and drilled her asshole vigorously.

"Yes, yes, milk it all in my ass," Beth squealed when dad started to fire his come deep inside her.

"Same here, Nick," mom grunted.

Clutching mom's shoulders, I fucked her ass ruthlessly. She gasped and her orgasm exploded. I grunted and stiffened as my cock shot come deep inside her twitching bowels. I gave her a couple of final thrusts to make sure my cock was well drained. She turned around and then licked my cock clean and zipped me up. Finally, she wiped her nether regions with a napkin.

We took the shuttle to the terminal and stayed with my parents until they boarded the plane.

"Take care and have a great time," I said as Beth and I hugged mom and dad.

"I don't think anything can beat this Christmas," mom said.

"Keep trying though," Beth said. "You just might succeed."

"We'll see," dad said.

They waved to us as they walked to the plane. I watched mom's pantyless ass twitch its way into the jetway. Probably no one could tell why it twitched that way. As we walked out, my wife's ass gave the same twitch.

"This cool air is freezing my wet pussy," Beth whispered as we walked out of the terminal.

"Let's wait inside until the shuttle comes," I said walking back inside. "Mom was wise to wipe hers dry."

"I did mine too, but it juiced up again," Beth said.

"You are a horny slut, ma'am," I teased.

"Do you have any complaints, sir?" she asked.

"Of course not," I said, "but I hate that I can't go down on you right now."

"I wish your folks a nice New Year celebration at your brother's," Beth said once we hopped in our car. "We surely enjoyed their stay with us."

"I'll talk to Peter and make sure they all have a good time," I said.

"Let's think about ourselves now," Beth said.

"Do you have anything in mind?" I said.

"How do you like to try out my sister Ellen?" Beth said, smiling naughtily, as she wiped her pussy. "I know I'd love to try out Mike; she says he's good."

"I would love to put her tight round ass through its paces," I said.

"I knew you had a thing for her ass," Beth chuckled.

"Lady, I think you know too much," I warned in mock seriousness. "You know enough to get your own ass fucked silly as soon as we get home."

"Then let me start working on it," she said as she started to grope my crotch. "I don't like to waste time."

She continued to massage my crotch until we exited the airport parking lot. There she fished my cock out and sucked me all the way home.

## **A Pink Christmas**

My folks visited for Christmas. By the time dad arrived, my new bride and I had already seduced mom. It started by mom catching Beth blowing me in the living room. Then Beth used her tricks to seduce dad. All that resulted in an unforgettable Christmas.
