

Nightingale Minigales 2010

Please read **disclaimer** and **summary** at the end of document

When I woke up with a lustful feeling in my cock, I attributed that to bladder congestion. I opened my eyes and blinked. The feeling stayed and seemed like someone was sucking my cock. I looked down and found, to my shock, that that was really the case.

Mom in her business suit was bobbing her head up and down my hard shaft as she knelt by my feet. She looked up at me when I stirred.

“What are you doing, mom?” I asked in complete bewilderment.

“I am sucking your cock, silly,” she said, dropping my cock for a second.

I groaned as I propped my head up to watch. I knew she was sucking my cock like no one had ever, taking it all the way down her throat like my girlfriend never dreamed. My hard shaft soaked in her hot drool. I instinctively thrust in her mouth.

“What for?” I asked. “Is it my birthday or something?”

“Actually it is,” she said, her words distorted by my shaft. “That’s not why though.”

She slowed down her sucking, and then let my cock slide out of her mouth. She swirled her tongue around my balls while stroking my extremely hard shaft. She sat on the edge of the bed to my right and stroked my glistening shaft with her left hand. When she sat down, I realized she was without her skirt and panties.

“What is it then?” I asked.

She drooled onto the tip of my cock.

“The other day I accidentally saw your girlfriend go down on you in the living room,” she said as she massaged her spit into my hard pole. “I thought your gorgeous cock was wasted in the mouth of such an incompetent cock sucker.”

She drooled again onto my cock. I let my right hand climb up her right inner thigh. She opened her legs and allowed me to stroke her mound, which I discovered was hairless. She dipped her right middle finger in her pussy. When she pulled it out, it glistened with her juices. While jacking my cock, she reached between my legs and wormed her slick finger into my asshole. I grunted and my cock swelled. She finger fucked my asshole while jacking me off in the same rhythm. I pushed one then two fingers into her wet pussy. She moaned and her pussy milked my fingers. I pumped her gently and she humped her hips in response.

“This morning, I came in to leave you a note about your lunch,” she continued. “Your sheet was tented in the center. I flipped it off and looked out of curiosity. There was your morning erection in its full glory. I bent over and kissed the lovely head of your cock. It twitched. I couldn’t resist the urge to lick it a little. Then I was nursing your cock head and my pussy tingled with heat. I thought I would just go ahead and treat you to a good blowjob; especially that it was your birthday. I reached back and removed my skirt and panties to keep them clean, and then you woke up. Nick, you are twenty now and you should know what a blowjob really felt like.”

Presents

A Minigale

A Special Birthday

“Thanks, mom, for this delightful treat,” I said as my fingers slid noisily in and out of her drenched snatch.

Encouraged by her own actions, I pulled my middle finger out of her pussy and pushed it gently into her asshole.

“Yes,” she moaned, rolling her hips up to give me better access to her backdoor.

I finger fucked her asshole in unison with her pussy. Both her holes milked my slick fingers. My girlfriend would never let me do that to her. I pulled my fingers from mom’s holes and sucked them, savoring her taste.

She sucked her finger that had been up my ass and took off her jacket. Then she stood by the bed and bent again over my cock but now her ass was close to me. I reached out and fondled her buttocks, kneading the firm hillocks. I ran my fingertips up and down her moist crack, brushing her moist lips and tickling her puckered asshole. She moaned into my cock and swayed her ass from side to side. I worked my middle finger into her wet pussy and

pumped her several times. She humped back gently. Then, I removed my slick finger and pushed it gently into her asshole. She moaned and pushed her ass back, milking my finger. She got hotter and hotter as I finger fucked her rippling asshole.

She removed my finger from her asshole gently and mounted me in the sixty-nine position, giving me a perfect view of her delectable, hairless holes. Her finger was back in my asshole while she deep throated my cock. I admired her drenched pussy and the wrinkled rose of her asshole.

“Pardon my crudeness, mom,” I said, “but your pussy and asshole are so cute.”

She laughed.

“I am glad you like them,” she said. “Play with them if you want. They are very playful.”

“Of course I want to,” I said as I grabbed her ass and dived, licking her pussy like a starved man.

I sucked her leaky hole and tongued her throbbing clit. She moaned and humped back. I pulled back and watched as I worked two fingers slowly into her hot pussy. Her pink skin pulled on my digits and her internal muscles milked them like her mouth and throat were doing to my hard cock. My fingers glistened in a thick coat of juices. I pulled them out slowly and then pushed my dripping middle finger slowly into her ass while I pulled her left ass cheek away. She moaned as my finger sank all the way into her rear. Then she humped back as I pumped it in and out of her hole. Her sphincter milked my finger like a hungry baby.

Tonguing her slippery clit, I worked a second finger into her asshole. Her tight hole accepted the two fingers eagerly and milked them as I pumped them inside. I watched her empty pussy squeeze and dribble juices. I worked two fingers of my free hand into her sodden snatch and pumped both holes with opposite strokes. She moaned continuously into my cock and rolled her hips in heat. I captured her fat clit between my lips and sucked it hard. She let out a long groan and stiffened. Seconds later, her body convulsed in orgasm. Her tight holes sucked my fingers desperately. Her pussy gushed juices copiously, leaking down to where my lips sucked. She gasped and moaned throughout her orgasm, and then her body relaxed completely. I pulled my fingers from her pussy and licked them clean, and then sucked her pussy dry, keeping my other two fingers up her ass.

Lying back, I lazily worked my fingers in and out of her asshole while thrusting into her sucking mouth. She humped gently and sucked my cock hungrily, going for my white come. Minutes later, I stiffened, thrusting up into her mouth, and my come burst into her throat. She continued to swallow until my cock stopped pulsing, and then she jacked me into her sucking mouth for any last drop.

“Wow!” I exclaimed. “That was my best come ever.”

“And my tastiest,” she said, slapping my soft cock on her lips.

She licked my spent cock lazily as she rocked her ass against my fingers. My cock started to harden again as I watched her ripe if bald pussy twitch and ooze juices as her hips rocked. Grabbing her ass with my left hand, I raised my head again and licked her tasty juices. She was back deep throating my hard shaft.

She held my shaft with her hand and flicked its head playfully with her tongue as I gave her tingling clit long swipes. I sucked her little nub while probing her asshole with my fingertip. She let out long moans and ground her ass back. I probed her pussy folds with my tongue while sliding my finger all the way into her ass. She groaned and swallowed my cock all the way down her throat.

“Nick,” she said huskily, fistng my hard cock, “I got to have it inside me.”

I only grunted.

She crawled forward and then turned around to face me. She poised her wet pussy over my cock head and lowered herself all the way down, swallowing my cock to the hilt. I grunted and she gasped at the intense feeling.

“Your cock is so filling,” she moaned, her pussy milking my cock. “It is stuffing me so tightly.”

“Your pussy is so hot and wet and tight,” I grunted. “It is milking me like I can’t believe.”

She moaned and started rocking. Wow! Her pussy was so unbelievable I felt virgin again! Fucking Sheila was nothing compared to that. I thrust back into her hot twat, making my pubic bone squish her clit with every deep thrust. Her hefty tits bobbed gently under her blouse, but right then I wanted to play with her hot asshole. I wetted my fingers in my mouth and reached behind her. I gently inserted my forefinger and middle finger into her twitching asshole, making her gasp as her pussy and asshole contracted involuntarily.

While she rocked happily, swaying her head from side to side, I reamed out her asshole with my fingers. She moaned and rocked faster on my cock. She then slowed down and removed my fingers from her ass. She wetted two fingers in her mouth and used them to pump her own asshole fast.

“You seem to like my ass, don’t you?” she moaned while fingering her asshole vigorously.

“Yes, mom,” I said.

“Do you want to fuck me in the ass?” she suggested as she removed my cock from her pussy and rubbed the head over her anal opening.

“Sure, mom,” I said, my cock twitching in her hand as my heart skipped a beat.

My cock head popped into her asshole, and she sank her ass onto me, swallowing my entire cock. I groaned. Her ass was sizzling hot and much tighter than her pussy. She moaned as her rectum rippled around my cock.

“Fuck mama’s horny ass, Nick,” she whispered as she started rocking.

I held her hips and thrust into her, watching her clothed tits bounce gently.

“Does my ass feel as good as Sheila’s?” she asked, milking my cock exquisitely.

“Sheila never let me do this to her,” I stuttered hesitantly.

“Oh, poor darling,” she lamented. “Sheila is not being good to my baby. Now mama is going to treat you to the ass fuck of a lifetime.”

She slowed down her strokes and worked her asshole carefully up and down my thick shaft, milking me deliberately like I never dreamed possible. I reached over and squeezed her full tits through her clothes. She moaned. I unbuttoned the upper two buttons of her blouse. She pushed my hands away.

“Mom take off your blouse,” I grunted as I reached out and undid the third button.

“No,” she moaned, pushing my hands away again.

I fended her hands and undid the rest of her buttons.

“If you insist,” she said, pulling her white blouse off her arms.

Her bouncing tits overflowed her white lacy bra, which had a front catch. I reached out to unsnap it, but she fended my hands away.

“Mom, come on, show me your tits,” I begged. “Please.”

“No, Nick,” she said. “I can’t let you see them.”

“Please, mom,” I implored as I reached out for her tits again. “Let me see them.”

She reluctantly resigned for my request and I unsnapped her bra open, letting her firm globes of pale flesh spill out in the open. I realized then why she did not want me to see them. Each edible hard pink nipple had a golden ring going through it. She blushed as I admired her tits.

“Wow! This is wild!” I exclaimed as I reached for her rings.

She moaned as I pulled on her nipples by the rings.

“Do you like them, Nick?” she asked, holding her orbs for me.

“Of course, mom,” I called excitedly. “They are very beautiful.”

I gently pulled her forward by her nipple rings. Then I captured one hard nipple between my lips and sucked it, wiggling my tongue tip through the gold ring. She moaned heartily and her asshole twitched.

“Yes, suck them, baby,” she said hoarsely. “They are very sensitive.”

I captured the ring between my teeth and used it to pull on her sweet nipple and jiggle her tit by wiggling my head from side to side. Then I held her tits in my hands, squeezing them gently, and switched my mouth from nipple to fat, sweet nipple. She gasped and thrust her ass lustily into my hard shaft. I moistened my index finger tips in my mouth and then stuck them through her rings. I wiggled my fingers from side to side, rubbing her hot nipples with the pads of my fingers and jiggling her tits in the process. She got really hot. I could feel her juices soak my pubes. I pulled her nipples together and stuck my right forefinger into her right ring and my middle finger into her left ring. I shock her tits up and down as she shoved her ass lustfully into me.

“Do you want to come in mama’s ass?” she asked in a husky tone.

“Yes, mom,” I grunted, thrusting harder into her tight asshole.

“Shake mama’s tits harder,” she squeaked as she reached between her thighs.

She squeezed her drenched pussy and stiffened immediately. Her body convulsed hard as her orgasm wrenched her body. She gasped, her head thrashing, and shoved her ass uncontrollably while her asshole twitched wildly around my aching pole. I instinctively thrust harder into her ass and my cock twitched deep inside her, pumping jet

after jet of hot come into her fluttering rectum. Her hungry asshole milked my cock dry. When her orgasm receded, she collapsed on top of me, her hand still between her thighs. I pulled her hand and licked her drenched fingers. Then I kissed her full on the lips. Our lips parted and our tongues tangled sensually.

“Did you like mama's ass?” mom whispered.

“Yes, mom,” I whispered back, holding her in my arms. “Mama's ass is incredible.”

“So is baby's beautiful cock,” she said.

She rested in my arms. My cock shriveled and slipped out of her ass. I reached between her cheeks and pushed two fingers into her wet asshole. She groaned quietly and rolled her hips.

“Mama is going to teach you how to seduce Sheila's tight ass,” she said softly. “It is going to be good for her, too, because when she tries your hard prick up her ass, she'll never leave you alone.”

She turned around and knelt down beside me, laying her head and shoulders on the bed while her ass stuck out and her knees parted.

“Come here, baby, and like my ass cheeks,” she instructed softly.

I knelt behind her and started licking her firm butt. She moaned and humped her ass gently.

“Lighter,” she instructed. “Tease the sensitive flesh.”

Applying lighter pressure with my tongue tip, I scanned all over her cheeks, giving her goose bumps. She gasped continuously at the tickling touch.

“That's it, baby, that's it,” she hissed, swaying her ass from side to side. “Now, lick my asshole gently.”

Her asshole was a little relaxed and had a thin whitish sheen. I licked it slowly, tasting a faint flavor of my come. She gasped and her asshole twitched. As I brushed her anal rose with my tongue, her opening relaxed and sucked my tongue tip gently. She moaned continuously, hunching her ass into my mouth.

“That feels so good,” she said huskily. “If you can get this far with any girl's ass, then you can get anywhere.”

She moaned quietly as she enjoyed my tongue.

“Now slowly finger fuck my dripping pussy while you do that,” she directed.

I happily obliged her. Her pussy was really dripping wet. She let out long moans and humped my finger as I worked her sodden insides.

“Now, push your wet finger into my ass,” she gasped. I did. “Pump it in gently and twist it around. Do it slowly and really tease my asshole.”

Following her instructions to the very word, I finger fucked her asshole thoroughly, making her moan and gasp continuously. According to her instructions, I reamed out her asshole slowly and inserted a second finger and then a third one, adding spit generously to her already wet rectum. She also let me scoop pussy juices onto her asshole.

“This lube got to be enough if you properly relaxed your girl,” she said. “She would be ready for your hard cock by now, but you got to stick it in her sodden pussy for some additional lube.”

Kneeling immediately behind her, I pushed my rock hard cock slowly into her hot pussy, making her moan and lunge back. I stroked several times within her, getting my shaft well coated with her copious juices.

“Now guide it to my horny asshole,” she instructed. “Be very slow because a virgin asshole is way tighter and less experienced than mine.”

I took my time pushing my cock head into her ass as she tightened her asshole deliberately. It took me one long minute to get the bulbous head past her sphincter.

“Give her time to get used to it,” she said. I did. “You can make it more enjoyable to her by playing with her tits or pussy.”

I did both, making her ass spasm around my cock and her pussy spill out a fresh load of juices.

She started to rock gently. That was my cue to resume my advance. My cock went easily if slowly three quarters of the way in.

“To get your cock all the way in,” she instructed, “you got to push harder but much slower.”

I did and soon my balls pressed against her sticky pussy.

“Fuck me,” she said, rocking gently. “But be gentle at first.”

I held her dangling tits and toyed with her hard nipples and gold rings while thrusting gently into her come-filled ass. She fucked back and her asshole milked my shaft tightly. Soon, I was drilling her butt with hard strokes, making my wet balls slap audibly against her slippery lips.

“Fuck slowly whenever you can,” she said, giving me the last instruction.

While banging her hot ass deeply, I toyed with her dripping pussy and hard nipples, occasionally pulling on her nipple rings. She enjoyed that immensely and urged me to slap her ass. Under her directions, I slapped her ass cheeks pretty hard. I kept slapping her butt until she came. Her ass cheeks got bright red. As she came, her asshole milked my hard shaft wildly. She shoved her ass violently throughout her orgasm, and then fell limply after her orgasm ended. Tired as she was, she strained and kept her ass pushed up for me to fuck. Then she moved forward, causing my cock to plop out of her asshole, and turned around. My turgid shaft was coated with come, spit and pussy juices. She took my cock all the way down her throat and urged me to fuck her mouth while she diddled her pussy. Holding her head, I fucked her throat deep and hard. When my orgasm neared, she lay back and pulled me to her.

“Come inside mama's pussy, Nick,” she urged. “Fill my pussy with come.”

As soon I slammed my cock into her pussy, I stiffened. She wrapped her legs around my ass and held me tightly as my swollen cock twitched and pumped my hot load of come deep inside her. My jerking cock triggered her orgasm. She squeezed her legs tightly around me and her twitching pussy milked my come thoroughly while gushing hot come of its own. I rested in her arms for a while. Then I rolled off her and she licked my soft cock clean, sucking it for every last drop. She also cleaned my balls with her tongue. Finally, I lapped up her copious juices off her drenched crack.

“Happy birthday, kid,” she said, hopping off the bed. “I got to go, I am already too late for work.”

“Thanks so much, mom,” I said as she put on her clothes hurriedly.

“My pleasure, baby,” she said, stuffing a wad of tissues down her panties. “Your mom is going to have a grand time today, walking around while your come sloshes in her holes. The tissues are to absorb my own moisture; I can well keep your come inside me.”

She freshened up and left.

In the afternoon, I accidentally ran into my friends, Dave, and his girlfriend, Gloria, in the university center. Gloria was a living wet dream. Many times did I fantasize about playing with her full tits for hours, rubbing my cock over her sensual lips or having her legs wrapped around me.

They invited me to Gloria's place for drinks to celebrate my birthday. I enjoyed the view of Gloria's tight little ass twitching in her tight jeans as she climbed up the stairs to her second floor apartment. In Gloria's living room, we chatted and joked happily as we sipped our drinks. In the midst of that, Dave remembered that he had an appointment with his project supervisor. He left hurriedly. Gloria and I resumed aimless chatting over drinks.

She disappeared for a few minutes and then returned in a hot outfit. She donned a white halter-top, a tight black miniskirt and black high heels. The tits that I so many times fantasized about were held up and packaged like I had never seen them before.

“Do you like?” she asked as she twirled around.

“I adore,” I said.

“In that case, let's dance,” she said as she walked to her CD player.

She bent down over the CD player, treating me to a hot view of her ass. Her tight skirt rode up her haunches and I saw a hint of her black panty crotch. That made my cock pulse. She played a Whitney Houston slow song and stretched her arms out for me. I moved to her, extending my hands to give her one and place the other on her side. She ignored my hands and wrapped her arms around my neck. I could only wrap mine around her bare waist. Her heady perfume, added to the closeness and heat of her body, made my head spin. She pulled me close and we danced cheek to cheek. As our bodies moved to the music, my cock pulsed to a rhythm of its own. Soon, I had a big bulge to hide. The way she danced and pressed her body to mine made it impossible for me to conceal my embarrassing predicament.

“You are hard,” she whispered slowly. I coughed, unable to find an answer. “I like that. I am soaking wet.”

She ground herself gently into me and lowered my hands to her butt.

“Squeeze my butt,” she moaned quietly. “I like that very much.”

My boner and her attitude were irresistible. I started to knead her ass while grinding my crotch into hers.

"That's it, Nick," she whispered in my ear. "Let me feel your body. I always had a crush on you."

"What? You?" I asked quietly but in disbelief.

"Yes, baby," she whispered hotly. "I have always wanted to fuck you."

"In that case, it is mutual," I whispered back, still in disbelief.

"That's great," she said as she turned around, guiding my hands to her chest.

She clasped her hands over her head, thrusting her tits forward and up, and humped her tight ass into my bulging crotch. I kneaded her lovely tits through her top and ground my crotch into her hot ass.

"Yes, baby," she whispered. "I love to have a hard cock thrusting into my ass."

My cock twitched at the double meaning.

Keeping my left hand on her tits, I slid my right hand down her bare belly and finally placed it on her crotch, overwhelmed by my lust. As we ground into each other, I rubbed her crotch gently through her skirt and nibbled her earlobe. She moaned and slid her right hand between us and cupped my hard bulge. She squeezed and stroked my cock through my clothes while I did the same to her pussy.

She slid out of my arms and knelt before me, stroking my thighs and crotch. She expertly got rid of my pants and boxers, letting my cock bump her in the face. She licked the underside of my cock slowly and lovingly, finally stopping just under the bulbous head. She wiggled her tongue tip over that sensitive spot, making my cock twitch. Then she engulfed the turgid head in her mouth and sucked it gently, while palming my balls. While her tongue toyed with my cock head, she drooled copiously, letting her saliva dribble along the shaft. She then followed her saliva with her lips down to my balls, taking the whole shaft into her mouth. My cock twitched as its head popped into her throat.

Her mouth sucked, licked and milked my cock like my girlfriend never could. I was amazed how she could fuck my cock in and out of her mouth skillfully.

"You are fantastic, Gloria," I grunted. "Sheila has never done this to me."

"Enjoy yourself, baby," she said sexily, as she jacked my shaft slowly. "Now you are with Gloria. Gloria is going to take good care of your beautiful cock."

I gripped the base of my cock and slapped her face with the hard shaft. A good Christian, Gloria offered her other cheek.

"Yes, baby, slap me with it," she cried. "Beat my face with your hot cock."

I happily obliged her.

She stood up and we kissed. Our kiss started slow and gentle, and then it built up into a deep, sloppy, lustful kiss that left us both gasping for air. While we kissed, our hands roamed over each other and I yanked her top off, setting her lovely lush tits free. Holding her waist, I bent down slightly and kissed her nipples, making her shudder. I licked and sucked both sensitive nipples to full hardness.

I knelt before her and unzipped her skirt. She kicked it off and was clad in her black string bikini. The crotch of her panty was soaked with her juices.

"You are not kidding, Gloria," I said, inhaling her essence. "You are soaked!"

She just moaned.

I nuzzled her crotch and sucked her pussy through her panty crotch, enjoying her taste and smell while I groped her bare ass. She moaned and ground her crotch into me. I removed her panty and let her hairless pussy look me in the eye.

"Bald pussy! Wow!" I exclaimed.

"It has to be special for you," she smiled.

My answer was to dive mouth first into her drenched folds. As I gripped her ass, I started with lapping up her copious juices, licking her pussy gently. Then my tongue delved into her folds, tracking every trace of juice in her sizzling pussy. She gasped and pushed her pussy into me. I licked her until I left her panting, but I didn't let her come.

Watching her lovely swollen pussy lips, I wetted my right middle finger in my mouth and corkscrewed it gently into her molten pussy. She moaned in heat. I pumped my finger in her pussy until it glistened with her juices. Then I pulled it out and brought it to her lips. She sucked her juices off my finger lustfully. I returned my finger to her pussy and held it still.

“Fuck my finger, Gloria,” I ordered. “Show me how horny you really are.”

She humped her pussy back and forth urgently, moaning lewdly as her pussy leaked juices on my finger. Placing my left hand against her hip, I slowed her down and added a second finger to her wet pussy.

“Fuck that tight pussy of yours on my fingers, you hot wench,” I urged.

She actually did not need any encouragement to do just that.

I abruptly pulled my fingers out of her pussy and sucked them clean. Then I guided her to the couch and helped her straddle my thighs face to face. I lowered her slowly onto my cock, driving the entire shaft into her tight pussy. She started to rock, but I held her down motionless. While she sat there, totally impaled on my cock, I acquainted myself with her dream tits.

Kneading her ass cheeks sensuously, I spent over five minutes on either one of her sweet nipples. I licked, sucked and nibbled the lovely nubs. She moaned continuously, holding my head to her breasts. Her pussy twitched involuntarily around my cock. Her spasms kept my cock hard and oozing precome into her pussy. They also kept her pussy hot and leaking juices over my cock and balls. She couldn't help grinding her hot clit gently into my pubic bone.

Pulling my head up from her gorgeous tits, I looked up at her.

“Now you can fuck your horny pussy on my hard cock,” I said.

Her face let up and she started bouncing her ass up and down. I watched her full tits bounce as she fucked herself happily. I grabbed her tits and squeezed them, looking into her lusty eyes. She smiled and moaned, stepping up her pace. Seconds later, she stiffened and came. Her twitching pussy drowned my cock with juices. I grabbed her ass and thrust into her hard until her orgasm died down. Then I bobbed her ass gently several times.

“Your insatiable pussy flooded my cock with juices,” I said, raising her ass off my thighs. “I guess, you have to lick it up and clean my cock and balls.”

She smiled and didn't hesitate to climb off my thighs. She knelt between my legs and proceeded to lick up her juices carefully, replacing her sex syrup with a thin sheen of saliva. After thoroughly cleaning my cock and balls, she deep throated me for a while. I pulled her up and laid her back on the couch. I raised her ankles high over her head and shoved my hard cock into her pussy, making her grunt. My shoulders pushed her legs against her with every thrust. Soon, her pussy was bathing my cock again with abundant juices while my balls audibly slapped her now wet asshole.

I watched her firm tits jiggle with every thrust. I finally decided to hold on to them while I slammed deep into her sodden snatch. She grunted and pushed harder against me as my hands squeezed her lush tits tightly. I fucked her harder, grunting of my own. Before long, she stiffened, her legs shaking like a leaf, as her pussy convulsed wildly, gushing fresh juices onto my pumping shaft and swinging balls. She gasped for air and her head flailed around. I held her tits tighter and slammed harder into her throughout her long, hard orgasm.

When she finally relaxed, I got off the couch and walked over to her head. She knew what to do. While moaning and panting, she cleaned my cock and balls dutifully. Standing in my place, I pulled her ankles up and raised her hips off the couch, making her ass face up. I bend down and lapped her drenched crotch. Meanwhile, she moaned and jacked my hard cock. Her lovely pink asshole glistened in her juices. I dared not touch it though. My cock was still hard and shiny. Due to my morning fun at home, I had a great lasting power.

She hopped off the couch and walked away to the kitchen. A minute later, she returned with a gift-wrapping ribbon tied around her hips. She knelt down on the couch and looked at me expectantly. I looked in confusion.

“Aren't you going to open your gift?” she asked, pulling her ass cheeks apart.

“What do you mean?” I asked.

She smiled seductively and licked a finger lewdly. She slid her wet finger into her hot pussy and sawed it in and out, making it glisten in her juices. Then she pulled it out and pushed it slowly into her asshole. She pumped her asshole slowly several times and then pulled her finger out and sucked it.

“You don't mean...?” I said as it started to dawn on me.

“Yes, I mean...” she said.

“You want me to fuck you up the ass?” I asked in awe.

She smiled lewdly and nodded.

“Wow!” I called as I moved over to kneel on the couch behind her.

I unwrapped my gift and fondled her ass cheeks gently while finger fucking her pussy slowly. My eyes were glued to her pink star. It still glistened in her juices, but toward its center it didn't glisten as much.

"Gloria, your ass is gorgeous," I said softly. "I fantasized about it many times, but I never dared to dream of fucking it, not even in my fantasies. Your ass is indeed a most valuable gift."

Her asshole twitched.

I cupped her taut round cheeks and kneaded them gently, moving my head slowly to her ass. I slowly licked up and down the ridges of her cheeks, never touching her pink. She groaned and gasped, rocking her ass gently, trying to steer my tongue to where she needed it most. I started to lick around her asshole, lapping up her drying juices. My tongue finally skated over her sensitive wrinkled skin, making her asshole twitch. She gasped, tightening her asshole instinctively.

"You shouldn't do this," she said, pulling away.

"I must," I said as I wrapped my arms tightly around her thighs and held her in place. "Your asshole is one of the prettiest things I have ever seen in my life. I am going to eat it raw."

Returning my tongue tip to her asshole, I sensed it had a buttery taste and feel. That's how she managed to insert her finger in there. Her asshole tightened under my tongue. It took a while before her asshole started to relax and open up to my warm probing. At first I suspected her ass was virgin, and then I decided that she wouldn't offer it to me if that really were the case. She started to moan and hump her ass to a silent beat. I returned my hands to her cheeks and kneaded them gently, pulling them apart and then letting them together. Soon, her tasty asshole opened up and sucked my tongue tip gently. While probing her hole lovingly, I pushed my right middle finger slowly into her pussy. She was drenched. I pulled my glistening finger out and brought it to her mouth. Her head was lying on its right side on the couch.

"Look how wet you are," I said pushing my finger into her mouth. She sucked it hungrily. "Your hot asshole loves what I am doing to it, doesn't it?"

She moaned in agreement.

Pushing the small of her back down, I gently pulled her knees back to tilt her ass up so that my saliva would pool on her asshole. I lowered my head slightly and lapped up her drenched pussy lips. She groaned and shuddered. I slowly slid my left middle finger into her pussy, making her moan, and returned my tongue to her blooming rose. Drooling generously onto her anal depression, I pushed my tongue gently in, causing her hole to open up slowly. Meanwhile, I worked my finger slowly in and out of her wet snatch and kneaded her right ass cheek gently with my right hand. She moaned contentedly and rocked her ass gently. As her tasty asshole relaxed, my pooling drool started to dribble inside her rectum.

Maintaining my digital work on her pussy, I dropped a big dollop of spit on her slightly gaping asshole and pushed it in with my right middle finger. When she felt my finger tip pop in her ass, she tightened her asshole reflexively and her pussy gripped my other finger. I gently moved my finger around in her asshole, letting her relax gradually, and then I pushed it further in. Her asshole constricted again.

"Have you ever done this before?" I finally asked the question that wandered in my head for so long.

"No," she breathed.

My cock jumped as if with an electric jolt.

"You are a marvelous lady," I whispered as I showered her left ass cheek with slow, hot kisses while squirming my finger in her asshole.

Gently pumping both her holes in unison, I gave her time to relax. Her asshole accepted my finger all the way in. I finger fucked her ass with it and wiggled it around to stretch her out a little. With enough time and spit, I could squeeze a second finger into her ass and one more into her pussy. I pumped her holes steadily with two fingers each. She moaned and gasped, humping her ass back to me.

While finger fucking her pussy steadily, I gently swirled and wiggled my fingers within her asshole, parting my fingers to stretch her hole wider. I drooled abundantly into her ass while I stretched and reamed out her sphincter with my fingers until it accepted a third finger to the first knuckle. I worked my fingers around and pushed gently in until my three fingers went all the way into her virginal passage. I drooled into her rectum. By then, she was groaning lowly. Her pussy was flooded with juices.

I slowly pulled my fingers from her ass and pussy and watched her ass close, but it was way more relaxed than before. I inserted the two fingers dripping of her pussy juices into her ass and worked two of my fingers, which were

in her ass into her pussy. I sawed two fingers in and out of either hole and switched my fingers several times, working as much pussy juices into her ass as possible.

She was very hot and she breathed heavily. In fact, had I not taken it very slow, she would have come long ago, but I was saving her orgasm for later. Finally, I pulled my fingers out of her.

“You are ready,” I breathed.

I kissed her hotly on her asshole, leaving a dollop of spit in the center of her pucker. I moved forward astride her legs, bringing my cock head to her drenched pussy. With a little push on my part and a sharp gasp on hers, I was all the way up her sodden snatch. I pumped my thick shaft several times in her tight cunt, soaking it well with her abundant juices, and then I pulled it out and parked my glistening cock head on her spit-covered asshole.

“All you have to do is relax,” I said, gripping her right hip with one hand and aiming my shaft with the other. “Everything else comes along.”

Pressing gently, I gave her asshole time to relax and dilate. My cock was as hard as it had ever been. The bulbous cock head sank slowly in, taking a full minute to pop through. I paused, giving her time to get used to the new feeling. The view of her pink asshole stretched out tightly around the thick neck of my cock added to the intense feeling in me and made my cock twitch. I reached between her thighs and cupped her pussy. She gasped and shuddered all over, her asshole twitching around my cock. Her pussy, which already was drenched, squeezed out a fresh load of juices. I had to lap her copious juices off my hand and return it to her pussy. I gave her pussy a gentle squeeze. She gasped and shuddered as before.

Gripping her hips, I guided her gently back and forth over my cock. She started humping on her own, working my shaft little by little into her own ass. Soon, my cock was more than halfway in and no more progress was being made, but she was a bit used to having my thick shaft impale her butt. I gripped her hips tightly and pulled her into me slowly if firmly as mom had told me that morning. My shaft buckled a little, but nonetheless advanced constantly until my balls pressed against her drenched pussy lips. She groaned lowly as the shaft advanced into her depths and sighed when I was all the way in.

“What a tight, hot ass!” I breathed as I cupped her lush tits and squeezed. She shuddered, and her rectum rippled. “Not only are you no longer virgin in your ass, but you are also deeply impaled on my thick, hard shaft.”

She shuddered again.

I reached between her legs and squeezed her pussy. She stiffened and then her whole body convulsed. As she gasped audibly for air, her tight asshole milked my cock wildly. Holding her hips, I took this chance to start fucking. She shook harder as my cock pumped vigorously into her twitching rectum. I felt very grateful to mom for sucking three loads out of my balls that morning because otherwise there would be no chance for me to survive Gloria's powerful anal spasms. I already had enough trouble holding back.

After her orgasm ended, she fell flat on her stomach. I followed her down, not allowing her butt to escape my hard spike. I fucked her ass gently as she regained her senses and strength. She started to shove her ass back in time with my thrusts. Soon, she was holding her ass up for my cock and thrusting back to meet me halfway. By instinct, her asshole milked my cock beautifully but nothing like mom's.

This deep and long fucking of her tight asshole was taking its toll on both of us. She gasped and grunted as she strained to meet every deep thrust of mine. My heavy balls constricted in readiness to fire. Our strokes got shorter and faster.

“Gloria, I am going to come,” I panted as I fucked harder and harder into her ass.

“Me, too, baby,” she grunted. “Come inside me, Nick. Fill my butt with come.”

I leaned forward and slipped my hands under her. I squeezed her tits hard and thrust deep into her. She stiffened and her body convulsed violently. The first wild spasm of her asshole let my come loose. As she gasped for air, my swollen cock jerked within her and pumped jet after jet of thick come way up her twitching rectum. Her once virginal asshole desperately milked my pulsing cock for every last drop. Then our orgasms ended and we both collapsed, me on top of her.

As I panted, lying on her back, my soft cock still lodged in her ass, I heard applause. I was confused. I looked around and, to my shock, I found four people applauding while looking at us. Those were my girlfriend, Sheila; Gloria's boyfriend, Dave; and our friends Pascal and his girlfriend Adabel. I was very embarrassed. I tried to cover up, but we were both stark naked and our clothes far away. I pulled off Gloria and covered my cock with my hands. Apparently, the culprits came through the balcony, especially Dave who could never have entered through the door.

“Don’t bother,” Sheila said, as she pointed at a video camera pointed at us on a stand in the corner of the living room. “We’ve seen it all.”

So, I have been set up. I looked at Gloria who must have taken part in this setup. She stared blankly. Before I could think, Sheila was on her knees licking and sucking my come and Gloria’s juices off my spent cock.

“We didn’t expect you to give us such a great show,” Dave said, looking at Gloria and me.

“Nick, don’t worry about this,” Gloria said. “It is not a setup. This is the first activity of your birthday party. You will be pleased with the rest, I promise.”

I inexplicably believed her.

When Sheila finished cleaning my cock with her tongue, she stood up and started to shed her clothes. She threw her cropped T-shirt and slid down her denim shorts and kicked them off. She stood there naked as Gloria and I sat in the couch, hands in laps. Sheila knelt before Dave and lowered his pants and briefs to his ankles, letting his hard cock pop out. He kicked his pants and briefs off.

“Now, relax and watch as I let Dave pop my ass cherry,” said Sheila, looking at us before she engulfed Dave’s cock in her mouth.

“I don’t think so,” I said. “I am the birthday guy here. I am the one who is going to pluck your ass cherry while Dave drives up his girlfriend’s dirt road after I have paved it for him.”

“Forget it, Nick,” said Gloria. “After I tried your cock, I am all yours, baby. I am not going to let Dave or anyone else for that matter, near me while you are there for me.”

“What about Sheila?” I asked.

“I’ll go with Dave,” Sheila said.

“Are you okay with that, Dave?” I asked.

“Sure,” he said. “I’ve always wanted to try sexy Sheila.”

I leaned toward Gloria and we kissed sensually, celebrating our new relationship.

“Okay, guys,” I said. “Please, allow me to conclude my relationship with Sheila with taking her anal cherry. After all, it is my fault that she is still virgin there.”

“I don’t mind,” Dave said.

“Me neither,” said Gloria.

I moved over and turned Sheila around. She took my soft cock in her mouth and started sucking eagerly. Soon, my cock was hard and she was taking it down her throat for the very first time.

“You bitch,” I growled. “You have never done this to me before.”

“I am doing it for your birthday,” she said, dropping my cock briefly from her mouth. “I have the right to celebrate, don’t I?”

“Sure you do,” I said as I started fucking her throat.

Dave held the camcorder and started to film the action. Gloria lay on her right side on the couch and watched. Pascal and Ada sat on the opposite couch and watched. Apparently, Ada overheated. She knelt before Dave and deep throated his hard cock while he filmed. I never knew she was this hot.

Arranging Sheila on all fours, I knelt behind her. Her pussy was drenched. Apparently, what I had done with Gloria had a great effect on her. I held her hips and plunged my glistening cock into her soaking snatch, making her grunt. Within two minutes, I brought her to a hard orgasm. When she finished coming, I pulled my cock out of her. It was drenched. I stood and moved over to Ada. She knew what to do. She dropped Dave’s cock from her mouth and licked my cock and balls dry of Sheila’s pussy juices.

Sheila was still on her hands and knees. I knelt behind her and shoved two fingers up her wet pussy. While pumping my fingers within her, I licked her virginal asshole. Soon, I was sticking a wet middle finger up her spit-covered asshole. I did not spend a long time preparing her because she had not put much effort in sex while she had been with me. Before long, I was twisting three fingers up her ass while drooling generously into her rectum.

Moving behind her, I wiped her wet pussy and licked up her juices. Then I drove my cock into her sodden snatch. Pulling out my dripping cock from her pussy, I dropped a big ball of spit on her asshole. Then I slowly worked my turgid cock head into her asshole. She grunted. I gave her a short break when it popped in. Then I resumed my slow advance, ending with my balls pressing at her sticky pussy.

Holding my thick shaft deep within her depths, I reached between her legs and toyed with her clit until she came real hard. She gasped and shoved her ass violently up and down my cock while her asshole twitched wildly. I gripped her hips and steadied her while thrusting to meet her impulsive moves. She had a long orgasm, her rectum twitching exquisitely around my hard pole.

When she calmed down, I grabbed her firm medium-sized tits and fucked her ass steadily with deep, long strokes. She humped back for every next thrust. Pascal had his hard cock out and was playing with it while he watched. When Ada saw him, she moved over to him and took him in her mouth. After fifteen minutes of solid ass fucking, Sheila came again, harder than before. Her wild spasms felt great, but after all what I had done that day; I felt I could fuck her like that forever. I crouched over her ass, flattening my feet on the floor and banged her butt from above. She tilted her ass up, making my heavy balls slap her sticky pussy hard repeatedly.

Ten minutes later, Sheila came again, yet harder than before. I was getting tired. I grabbed her hips and lay on my back pulling her onto me.

“It is time you put some effort in getting your horny ass fucked, bitch,” I shouted. “Show our audience how slutty your ass really is.”

Sheila supported herself on her hands and feet, and bounced her ass up and down my hard shaft. I reached between her legs and made her come twice within five minutes. I held her tightly throughout either orgasm. Her pace was getting me nowhere and I needed to come. I dug my heels in the floor and thrust as hard and fast as I could. I felt my balls tighten as my come boiled. I thrust up hard into her, lifting her feet clear off the ground and started pumping thick come deep into her rectum. The feeling of my come gushing into her ass made her come. She fell back on me, her body convulsing violently. Her fluttering asshole made a great job of draining my come.

I lay their panting, my skin covered with a thin sheen of sweat. She got off me, letting my soft cock plop out of her ass. I could see a white drop of come leak down from her asshole to her pussy. When I could move, I moved over and lay behind Gloria on the couch, wrapping my left arm around her. I rested for a while.

“This is not fair,” Ada gnarled at me.

“What is not fair?” I said.

“You fucked Gloria and Sheila silly and you only let me clean your cock,” she said. “Aren’t you gentleman enough to serve a lady with needy holes?”

“I think I am,” I said calmly.

“Can’t I get your cock up so that you can fuck me?” she asked.

“That depends on your eagerness and skill,” I said.

“Fair enough,” she said. “Now, let me at your cock.”

Sitting on the couch with parted knees, I was sure she wouldn’t be able to get me up. I always perceived of Ada as a nice girl and not the sexual type. When she took my cock in her mouth, I changed my mind. She was really an expert when it came to cock sucking. She had a skilled tongue and what only could be called a horny throat. In two minutes, she had me up and hard as a board. Stroking my cock with my hand, I thought now there was no chance in hell I was going to come.

Ada shucked off her blouse and skirt. What remained was a demi-bra and a matching g-string. She moved over to me to take them off for her. I first sucked her erect nipples gently and then unsnapped her bra, setting her tits free. She gasped when I squeezed the soaked crotch of her g-string. Then I pulled her panty down and she kicked it off. Her pussy was hairless and drenched. I pushed one finger and then two into her leaky pussy and pumped her gently. She moaned and humped my hand, her pussy milking my fingers.

“I see the three of you are hairless,” I said. “Is it in fashion nowadays or what?”

“What!” she said, her pussy oozing more juices onto my fingers. “It is not in fashion, but we all know you like your pussy hairless. In fact, maybe half the girls at school know that.”

“Ah!” I exclaimed, raising my brows. “What else do they know about me?”

“Well, they know how long and thick your cock is, what your favorite positions are, how you fuck, how you eat pussy, etc.” she said. “The only thing we didn’t know was that you rim. Apparently, Sheila kept that to herself.”

“No, she didn’t,” I said. “I have never done it to her before.”

“I see,” Ada said. “And let me tell you this. They also know today is your birthday and if we didn’t act fast, you would be fucking some other lucky bitches right now.”

“So why didn't this happen last year?” I asked.

“Simply because you weren't seeing Miss Big Mouth then,” Ada said, pointing at Sheila with her eyes.

“Well, from now on, I will be seeing Miss Big tits,” I said, smiling at Gloria. Gloria smiled and gave my thumbs up. “It's about time they knew something about Dave.”

Dave smiled.

“Fuck me,” Ada said as she lay sprawled out on the floor.

“Not before I eat your juicy pussy,” I said as I knelt between her thighs. “You must know this.”

I lifted her legs high over her head and raised her hips up, bringing her drenched pussy up to my mouth. I lapped up her juices and sucked her leaky hole and clit until she gushed a big fresh load down my throat. Then I rimmed her asshole for several minutes. It opened up very fast compared to Gloria's and Sheila's.

“That feels so good,” Ada moaned. “Pascal has never done it to me.”

“Maybe you should try C++,” I said.

“Do you think so?” she said.

“Yes,” I moaned into her ass.

Her asshole sucked my tongue and her rectum drank up my spit. Then I wetted two fingers in her pussy and pushed them slowly into her ass. She took them without a problem, moaning as I pumped them in.

“My butt is not a dirt road,” she said. “I am no virgin there. When you shove it up my rear, you will be cruising the Hershey highway, you won't be bucking and stuttering up some unbeaten dirt road.”

“That's great,” I said, slipping a third finger easily in.

I swirled my fingers within her and drooled copiously into her rectum. Then I lowered her hips and shoved my cock into her pussy. Pushing my shoulders against her ankles, I pumped my cock deeply into her skilled pussy. Her muscles milked me like Gloria's and Sheila's couldn't. I slammed hard into her, slapping my balls against her wet asshole. Before long, she was coming and drenching her asshole with her own juices as her pussy milked my cock.

When she recovered, I pulled my dripping cock from her sodden hole, extracting abundant juices with it, and dragged the glistening head down to her drenched asshole. It only took one push to pop the head past her sphincter. A couple of more strokes drove my cock all the way in.

“Your cock really stuffs a girl's ass,” she gasped.

Meanwhile, on my right, lying Gloria toyed with her pussy and squeezed her tits lazily. On my left, Dave fucked Sheila doggy style while she sucked Pascal's hard cock. Pascal was manning the camera then.

Supporting my shoulders on Ada's ankles, I started drilling her ass deeply. She moaned and grunted, pushing her ass up to meet my every thrust. Our flesh slapped louder than the threesome nearby. Ada came long and hard, her asshole fluttering crazily around my pumping shaft. I fucked her throughout her orgasm, and then rolled off her and onto my back. I was really tired.

“Ada, baby,” I called. “If you want my cock you got to do all the work.”

“Fine with me,” she said as she mounted me and worked her asshole down my thick shaft.

Squatting like that, she fucked herself through two orgasms and continued fucking. To my right, Sheila was jacking Dave's and Pascal's cocks onto her face.

“Let me join the gang and come onto Sheila's face,” I grunted to Ada.

“Don't you even think about it,” she said. “You are going to come inside my ass like you did to the others.”

“In that case, lie on your stomach and let me at you,” I said.

She dismounted me and lay prone on the floor. I knelt astride her and shoved my cock up her ass. I pumped deep into her several times. Then I pulled out, keeping only the head inside, and started jacking my shaft real hard with my eyes closed tightly in concentration. It took me about two minutes to come inside her. My cock twitched within her so I shoved it all the way in and let it pump whatever came remaining in my balls deep into her ass. She came in sympathy with me and her asshole helped my cock pump everything it had.

By then, the threesome was sitting on the floor, watching us, their backs supported by the couch. I staggered over to the other couch and lay beside Gloria. I rested like that for fifteen minutes. Then I put my clothes back and the guys drove me home.

As soon as I entered my room, I threw myself onto the bed and fell asleep for two hours. I woke up at nine, very hungry. I raided the fridge and had a quick meal, but I ate like animals. I returned to my room and undressed to go to bed. Just then mom knocked and entered the room.

"Nick, can you spare a come load to pump down mama's throat," she said, "after you fuck her silly?"

"Gee, mom, I don't know," I said. "I've come six times today. I don't know if anything is left in me."

My cock pulsed despite my answer, the bastard.

"I am sure you have more left in you," she said eyeing my semi hard cock.

"I am not sure I can come anymore," I said.

"Leave that to old mom, baby," she said, kneeling in front of me.

"Mom, I can't stand for too long," I said as she started sucking my cock. "I have to lie down and you have to do all the work."

"That's okay," she said. "Leave it all to mom, but I can't eat my own pussy."

"I will do that for you," I smiled.

We sixty-nined for a few minutes. Then she fucked herself on my cock for over an hour, coming about ten times. I used her nipple rings to twist her hard nipples and pull on them. I also did not forget to slap her ass senseless. Finally, she made me come in her mouth. I am sure I hadn't had more than a few drops to dribble into her mouth, but I was glad she had herself a good time.

She asked me why I was tired. I summarized the events of the afternoon for her.

"So did you enjoy fucking while others watched?" she asked.

"Yes," I said. "I liked that."

"Maybe, one day, we will fuck while your father watches," she said.

"Mom, do you fuck others while he watches?" I asked in shock.

"Oh no," she shook her head. "I won't act like a slut for his sole enjoyment, but he's been after me to do it for a long time. I don't mind fucking you while he watches though."

"Give me some time off and then do anything you want," I said.

"Of course, we'll let you rest at least for a few days," she said.

I drifted to sleep at eleven and woke up at noon! I wasn't tired but my cock was sore. I had breakfast and lounged in the living room for half an hour. Then Gloria came in. She had a gift-wrapped box with her.

"This is your birthday present," she said, "plus me of course."

I identified the present as two VHS tapes.

"You are the real present," I said as we kissed.

She tried to pet and fuck, but I told her I was sore. She insisted that we sixty-nine at least.

"Okay, damn!" I said when she bent over and pulled her ass cheeks apart.

The End

A Special Birthday

My birthday started with the shock of my life. Mom was giving me a wake-up blowjob. She showed me what a real blowjob was like, and then she showed me much more. Later in the day, my friends gave me a surprise party. The surprise was more than dancing dirty with the girl I had always fantasized about.
