

Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

Late in the morning, four days after Beth and I returned from our honeymoon in France, we were snuggled in bed. She was in one of her sexy negligees, and I was in my silk boxers. I hit the play button on the remote to watch our wedding party video, which mom had brought last night. I had my right arm around Beth as I kissed her shoulder.

“This isn’t our wedding party,” said Beth.

“Yes, it is,” I said. “That’s mom right there, and there is dad.”

“Your mom was not wearing that dress at our wedding party,” she said.

“She could have changed,” I said nonchalantly.

In the corner of the screen, a man and a woman were kissing and petting heavily.

“What the hell are those people doing?” I said. The camera zoomed in on them as if to answer my question. They were kissing deeply and clearly feeling each other without shame. “What is this?”

As mom walked by, a guy sitting on a couch pulled her into his lap. He looked about ten years her junior. When she sat in his lap, her dress rode up her thighs and as he put his left hand on her thigh, the dress rode up higher. They started talking, but their talking was covered by other conversations. However, it was obvious they were laughing every now and then. When the camera panned down, we saw the guy’s hand stroking her inner thigh an inch below her panty crotch. My heart started beating in my brain like drums as I felt my blood boil.

“Maybe we shouldn’t be watching this,” said Beth.

“Just a minute,” I said, staring at the screen.

The camera zoomed in on mom’s face. Seconds later, she had the happiest and prettiest look I had ever seen on her face. She was no longer talking, but rolling her head from side to side and staring blankly, her lips parted. The camera stayed a long time on her face as she enjoyed herself more and more. When the guy’s hand appeared next, it was already down her panties, obviously finger fucking her as she humped it eagerly.

A Long Nightingale Classic
The Swing of Things

There was no question that it was not our wedding party.

“We shouldn’t watch this,” said Beth.

“I don’t know about you, but that’s mom that’s letting that jerk finger her in front of everyone. I definitely want to know what the hell was going on.”

“You shouldn’t,” she said.

“I don’t think I care,” I said.

Suddenly, dad appeared.

“Hey, what do you think you are doing to my wife?” he said to the guy.

“I am sorry,” the guys said as he pulled his hand out of mom’s panties.

He sucked his wet fingers.

“If you are serious, take her to a room and show her what you can do,” said dad. “Don’t just tease her.”

The camera panned down on dad to show a young woman working her small mouth all the way up and down his hard cock. He held the back of her head and thrust in her mouth.

“Come here, you sweet sexpot, and show me what you can do too,” dad said to his little cocksucker.

“Yes, baby, suck that cock,” said the guy to mom as he stood in the corner of the hall.

Mom was doing a great job on his cock. It made my cock stand on end despite the weird feelings I had by watching that weird scene. The camera zoomed in on her tongue and lips and showed some serious cock sucking skills. She was an expert cocksucker. She sucked better than most porn actresses I had seen in sex videos.

THE SURPRISE

After a minute of sucking the guy’s cock hungrily, mom looked up at him.

“I love sucking cock,” said mom.

“You are very good at it,” said the guy.

“I get to practice regularly,” she said.

“You can practice on mine whenever you want,” he said.

With my boner trying to tear my boxers, I snuck a hand between Beth’s legs to check on her. She was as wet as I was hard. I pushed my boxers down and pulled her to me. I slowly worked my hard cock into her dripping pussy from behind. We fucked gently as we watched.

“We are bad,” moaned Beth as she thrust into me. “We shouldn’t watch this. It’s a private video.”

“You think she didn’t give it to us intentionally to teach us how to fuck and suck?” I said.

“I don’t think so,” she moaned.

The next scene had dad’s slut bouncing on his cock like there was no tomorrow as his slick cock stretched her little pussy apparently wider than ever.

“I love this,” gasped the girl. “Your cock stretches my pussy so wide.”

“You have a tight pussy,” he said.

“It won’t be tight when you are done with it,” she gasped.

“Definitely not,” he said. “I am not sure if it can get tight ever again.”

“Me neither, but I don’t care,” she gasped. “This feels so good.”

As the camera panned, other people appeared to be fucking and sucking in various combinations and positions.

Mom took off her panties and hung them around her partner's neck. The man deeply inhaled through the crotch.

"I like the smell of your horny pussy," he said.

She turned around, bent over and hiked her dress, offering the man her ass and pussy.

"You can smell it and lick it," she said.

He knelt behind her and started to lick her wet pussy. He was soon sawing a couple of fingers in and out of her horny pussy. To my amazement, he parted her ass cheeks and licked her asshole. She seemed to get off on that.

"Lick my tight asshole, baby," she moaned, humping his face.

He repeatedly dipped his tongue into her asshole. Soon, her moans were muffled. The reason turned out to be a cock that filled her mouth and started to thrust in her welcoming throat. The man fucking her mouth unzipped her dress and worked it down her shoulders. He then unsnapped her bra, freeing her full tits, which he grabbed and squeezed while pumping her mouth. Her nipples were clearly stiff, and he teased them with his fingertips, occasionally pinching or twisting them. She sucked his cock eagerly and humped her other partner's face lustfully.

Her first partner stood up behind her and pushed his cock into her pussy, making her moan on the other's cock. He proceeded to fuck her. She rocked and jerked between her partners, moaning over the cock stuffing her eager mouth. Minutes later, her partners switched places. She sucked her first partner's sticky cock while her other partner fucked her pussy, getting his cock soaked in her copious juices. She enjoyed both cocks. As we watched, Beth rubbed her clit besides humping my cock.

"Your mom's a very wild woman," said Beth.

"She's a hot slut, but you can't talk about my mom unless you can take my talking about yours," I said.

"You shouldn't call your mom a slut," she said.

"What would you call a woman who gets fucked by two guys neither of which is her husband?" I said.

"She has a different lifestyle," she said.

"Don't sluts have a different lifestyle too?" I said. "They love cock so much they let guys fuck them freely."

"This is a club," she said. "She doesn't pick up a different guy every night. Besides, your dad's okay with it."

"Of course, he's okay with it," I said. "He's getting his own cock fucked and sucked. She's obviously okay with that because she gets fucked freely."

"You wanted to talk about my mom, but I am defending your mom and my mom doesn't do that," she said.

"I wouldn't be so sure about that now," I said.

"Well, I am sure about it," she said. "You apparently did not know your mom as well as I knew mine."

"In that case, she is surely missing on a lot of fun," I teased. "Mom was definitely having a great time there. I am sure most women at least fantasize about fucking two guys at the same time."

"I don't," she said.

"That's fine by me," I said. "You are sweeter than other women."

Dad was drilling the young woman's ass like it was a freeway. She had a good time, bucking her ass back like her life depended on it.

“What about you?” asked Beth. “Do you wish you could fuck that slut in the ass like your dad’s doing?”

“Beth, baby, you can’t ask that question to a man,” I said.

“Why not?” she said.

“Every sane man wishes he could fuck every woman and girl in the world in every possible way,” I said.

“You mean you wish you were fucking that tramp instead of me?” she said.

“You don’t get it,” I said. “Men don’t think that way. There is no *instead* in men’s minds. There is *and instead*.”

“You wish you could fuck her *and* me together?” she said.

“I didn’t say that,” I said. “I said every man would. Those who say otherwise are lying.”

“Do you wish you could fuck her and me together?” she said.

“No,” I said.

“That means you are lying,” she said.

“Now, you know about this as much as I do,” I said. “You don’t need to ask me about any of it.”

Mom lowered herself slowly onto her first partner’s cock, taking it all the way up her ass with her back to him. As the guy pumped her ass from below, her other partner went down on her, licking and fingering her pussy. A third guy joined, offering her his hard cock to suck.

“Being a woman, do you think mom’s in heaven now?” I said.

“It has nothing to do with being a woman,” said Beth. “She’s obviously having a good time. You can easily tell.”

“I never knew my mom was a cock-craving slut,” I said.

“You shouldn’t think of your mom like that,” she said. “I was right we shouldn’t have watched this.”

“You think we are better off being clueless about this?” I said.

“Yes,” she said. “Look at you. You started to look down at your mom and call her a slut and so on.”

“What would you have called her had she not been my mom?” I said.

“Probably like you do,” she said.

“I am not supposed to be biased,” I said.

“You actually are when it comes to your family,” she said. “I sure hope you’d treat me better than you treat others.”

“That’s different,” I said. “I love you, and I love mom, but I wouldn’t call either of you Mother Teresa.”

“We are not asking you to do that,” she said.

After sucking the new guy hungrily for several minutes, mom dropped his cock from her mouth momentarily to turn around on her lower partner and ride him with her pussy. As she resumed sucking the third guy, the second guy drooled in his hand and started fingering her ass. Soon, he knelt behind her and worked his hard cock into her ass, making her moan on the new guy’s cock. The foursome found their rhythm and worked like a well-oiled machine.

She had a cock in every one of her three holes. She was airtight. Her face showed she was enjoying those three cocks fuck every hole in her body. They soon gave her a long hard orgasm as the guy in her ass manhandled her tits. The guy under her held her tightly so her convulsions would not make her lose the two cocks in her pussy and ass. The guy fucking her mouth held her head to his crotch so she would not stop sucking him while she gasped in orgasm.

“If that isn’t a cock-craving slut, I don’t know what is,” I said.

“It is, but you shouldn’t think about your mom like that,” said Beth. “I don’t.”

“What do you think about her?” I said.

“I think she’s a nice woman,” she said. “What she does on the video is none of my business.”

“It’s making your pussy soaked,” I said.

“I can’t help it,” she said.

“I can’t help thinking my mom’s a cock-hungry slut either,” I said.

“Does that make her a bad mom to you?” she said.

“I don’t think so,” I said.

“You don’t mind it when she kisses you with those lips there is no telling how many cocks they sucked?” she said.

“Are you trying to help?” I said.

“It’s important to answer that question,” she said. “Look at her how she takes those cocks all the way down her throat. She probably swallows their come or lets them come all over her face. Her lips, which she kisses you with, may taste of come. Her face, which you kiss, may taste of come too. What if she didn’t have time to wash properly?”

My cock got harder in Beth’s pussy while she said that.

“Are you trying to make me imagine her face covered with come whenever I look at her?” I said.

“Not unless that helps you make your decision,” she said. “Would you kiss her with her face covered with come?”

“No way!” I said.

“Would you let her kiss you with her lips sticky with their slimy come?” she said.

“Of course not,” I said.

“Are you going to kiss her or let her kiss you after now?” she said.

“I can’t tell her I can’t kiss you and you can’t kiss me because too much come was shot on your face,” I said.

“I read somewhere that come’s a good facial lotion,” she said. “It keeps the skin smooth and healthy. What if she uses it for that? That means her face is saturated with come. Would you still kiss it?”

“You mean I should wash my mouth after I do?” I said.

“That’s up to you,” she said. “You may need to wash your face too unless you want to have healthier spots where she kissed you.”

“That’s crazy,” I said.

“Can you see how much it complicates things?” she said.

“What should I do?” she said.

“Ignore it, and hope their come’s clean and healthy,” she said. “What if come were a staple of her diet while she breastfed you? It would have been running in your blood.”

“That’s worse than smoking and drugs,” I said.

“Not really,” she said. “It only means that you may like the taste of come if you were breastfed come.”

“That’s disgusting,” I said. “Smoking and drugs are disgusting too.”

“Why don’t you taste your own come?” she said. “If you like it, you might know what your mom was doing while breastfeeding you. She might have been sucking cocks and drinking come while breastfeeding you.”

“That’s unthinkable,” I said.

“She obviously loves cock too much,” she said. “You shouldn’t put that past her.”

“Do you think I should ask her?” I said.

“Do you dare?” she said. “Dare she tell you the truth?”

“You are right,” I said. “What should I do?”

“I’ve already told you,” she said. “Let sleeping dogs lie.”

After mom finished coming, the man in her ass switched with the man in her mouth. She nonchalantly proceeded to deep throat the cock that had seconds before been rooted in her ass.

The guys switched once more, then after several minutes of fucking, the three men came, making her come with them. The man in her mouth splattered her face with his thick come.

“Didn’t I tell you?” said Beth.

The other two guys came in mom’s nether holes. After their orgasms subsided, she slowly raised herself off the cocks in her horny fuck holes. Her pussy and asshole oozed a lump of come each. She lowered her mouth to the sticky cocks and sucked them dry and clean. She cleaned the cock that came on her face with her mouth.

“There is come on her face and in her mouth,” said Beth.

The man that had come in mom’s pussy pivoted around and licked and sucked her pussy for a while. He then kissed her open-mouthed. The man, who came in her ass, stuck two fingers up her ass. When he pulled them out, they were sticky with his come. He licked them clean.

“It seems that their cocks and come and her ass are clean,” she said. “You can relax.”

She left her partners and walked to another group, her face glistening with thick come.

“She’s treating it as a beauty lotion,” said Beth.

A woman started licking mom’s slimy face.

“She doesn’t even know whose come it is, but she trusts your mom,” said Beth. “Why can’t you?”

My cock twitched, sending geysers of hot come deep into Beth’s convulsing pussy. Beth came too.

The phone rang. I stopped the video and answered the phone. It was mom.

“Is it the slut?” teased Beth.

“Yes,” I said.

Mom and I exchanged greetings, and she then went into the issue at hand.

“I gave you the wrong video,” she said. “I am coming right away to give you the right one.”

“You don’t need to rush,” I said.

“That’s okay,” she said. “I don’t have anything else to do.”

“That’s great,” I said. “We can then spend some time together.”

“I’ll be on my way,” she said.

“See you soon, mom,” I said.

We hung up, and I put the video aside before Beth and I showered and dressed.

Mom greeted and kissed Beth and me. Beth winked at me as that happened.

“Would you like to drink anything, *mom*?” said Beth.

“No, sweetie, but thanks for asking,” said mom.

We exchanged the videos. Both Beth and I could not look her straight in the eye.

“Are you okay, guys?” she asked. “You look funny.”

“Yes, we are fine,” I said, avoiding her eyes.

“I don’t think so,” she said. “There seems to be something. You can tell me.”

“There is nothing,” I said.

“Is everything okay, Beth?” she asked.

“Yes, mom, everything is great,” said Beth, also avoiding mom’s eyes.

“We were just making love,” I blurted out.

“You should,” smiled mom. “Are you sure that was it?”

“What could it be?” I said.

“Did you guys watch the video?” she finally asked.

We both blushed and looked down.

“That’s okay,” she said calmly. “You were going to find out someday. Your dad and I are not ashamed of it.”

She paused for a few seconds.

“Your dad and I have been swinging since your sister was two years old, that is, for twenty years now,” she continued. “We have been doing it with nice and discreet couples all the time. You shouldn’t feel hurt about it. You are old enough to know that different people have different personal tastes.”

As mom talked, I looked at her, remembered scenes from the tape and scenes from my previous life in the family, trying to make things fit together. Beth’s crazy conversation complicated things too. I could not believe that was real.

“Mom, we don’t feel hurt or anything,” I said. “We are just a little shocked with the force of that surprise. We could never imagine that could ever happen. We more or less thought that you’d put sex behind you long ago.”

“We didn’t, and neither should you ever do that,” said mom. “Are you sure you are not mad at us?”

“I am sure I am not,” I said. “Are you, Beth?”

“Not at all,” said Beth.

“In that case, let’s forget about it,” said mom. “And since you’ve come to know a lot about my sex life, allow me to check on yours. How have you been doing?”

“Great,” I said, smiling. “Nothing wild though.”

“Is he a good fuck?” mom asked Beth, shocking her.

Beth blushed and nodded.

“As good as the men on the video?” pressed mom.

“We’ve never done those wild things,” said Beth lowly.

“What?” said mom. “Haven’t you ever sucked him nor has he licked you?”

“Yes, we’ve done that,” hissed Beth.

“Well, that was wild in my time when Dan and I got married,” said mom. “We didn’t do it right away. Don’t think I am a slut. When I first married, I was probably shier than you are. His cock, as you saw, would not fit in an innocent girl’s mouth right away. Nick, show us yours.”

Despite the fact that I did not move, my cock did. It was rock hard and throbbing. Mom touched my fly and my cock popped out like a jack-in-the-box. Wow, she got it out way faster than I ever could.

“Hooray, son!” yelled mom, wrapping her hand around it. It was all I could do not to come all over the place. “This is a nice one. Any woman would like it to stretch her holes one after the other.”

Mom stroked my throbbing cock slowly for a little while.

“It’s big and juicy,” said mom. “Any woman would love to suck it. Beth, do you like to suck it?”

“Yes,” hissed Beth, blushing.

“Don’t be shy,” said mom. “You should. Show me how you suck it.”

Beth blushed and did not move.

“Don’t be shy,” said mom. “I’ll show you.”

Mom bent over, sticking her tongue toward my leaky cock head. She licked up my leaking fluids before she wrapped her lips around the head and nursed it like a hungry baby but with the erotic art of a skillful mature woman. My cock twitched and leaked profusely in her mouth. While sucking the head, she got rid of my pants and left me naked from the waist down. My sex fluids continued leaking into her sucking mouth.

“Mom, this is incredible,” I said.

She moaned in agreement.

She slightly relaxed her lip lock on the head and let her tongue dance on the bulbous tip. I was continuously panting as she kept me close to orgasm. Beth watched intently, licking her lips.

“I can tell how much you liked it,” she smiled. “I don’t think you can tell how much I did.”

“You did too?” I said.

“Of course,” she said as she let go of my cock, leaving it rock hard and pulsing with every heartbeat. “Your turn, Beth.” Mom gently pushed Beth toward me. “Don’t be shy. Show me, you little cocksucker.”

“She obviously can’t do it like you do,” I said.

“When I was her age I was much worse,” she said. “She’ll soon be better than me. You need to support her though.”

“Okay,” I said.

Beth closed her lips around my cock and started bobbing her head up and down my cock.

“That’s good,” said mom, feeling up Beth’s ass. That distracted Beth a little. “Take it in deeper. Suck that big cock, you little cocksucker. Work those sweet lips back and forth. Stuff your mouth with it. Let it fuck your pretty face.”

As Beth did her best to take my cock as deep in her mouth as she could, mom pulled Beth’s dress out of the way then pushed her panties down and started feeling up Beth’s bare ass and pussy.

“Oh, boy!” exclaimed mom. “She definitely loves this. Sucking your big juicy cock makes her pussy all wet and sticky. What a hot wife you got yourself! Her pussy’s even wetter than mine. Your wife’s a hot little slut.”

Beth moaned constantly, humping mom’s fingers as they probed her leaky pussy insistently.

“She’s doing better than usual,” I said. “She apparently likes what you are doing to her pussy.”

“Maybe the video motivated her,” said mom. “Did you like how I did it on the video? Did you wish it was your big cock that I was sucking like that?”

That was the wrong time for that question. My cock twitched in Beth’s mouth. Beth knew the answer.

“You were so good,” I said. “You were much better than the slut that sucked dad.”

“She’s still young and learning,” said mom. “She’ll get better and better.”

“I am not worried about her,” I said. “I am worried about Beth.”

“Take it in your mouth as deep as you want it to go into your pussy,” mom urged, rubbing Beth’s clit with one hand while finger fucking her with the other. “Show the big cock how much you want it in your horny holes.”

Beth started to gag.

“Take it easy though,” advised mom. “Relax your throat and take it easy. Don’t worry if you can’t do it the first time. It takes a little getting used to. Nick would be lucky if you took his big cock down your throat a year from now.”

Beth could not take my cock all the way down her throat, but she took it deeper than ever before.

“Do you want to see me do it?” said mom as she removed Beth’s panties. “Do you want your slut mother-in-law to teach you how to suck her son’s big cock?”

“Yes,” hissed Beth.

“You want the big slut to teach the little slut?” mom teased.

“Sure,” I said.

Mom made sure to keep one hand between Beth's legs as she moved toward my cock.

“If you get to suck other men's cocks and they compliment you on your cock sucking skills, will you tell them that your mother-in-law taught you how to do it right?” teased mom. “Are you going to tell them to thank me?”

“Should I?” said Beth, her pussy leaking on mom's fingers.

“That's up to you,” said mom. “What matters to me and to your husband most is how good you will be. I am not even sure he wants other men to know how good you are.”

“I am not sure either,” I said.

Mom closed her lips around my cock head and lowered them until her nose pressed into my pubic bone. Beth watched in amazement as mom's stretched lips slid up and down the entire length of my shaft. Her lips did not just slide; they were doing wonderful things as they slid up and down my cock. Her tongue was doing wild things to the underside of my cock while her throat did a great job on my cock head. Beth could never know what was happening behind mom's lips. Besides, mom had one hand working between Beth's legs and the other between her own.

“This is unbelievable,” I said. “Beth, if you can do this, my cock will be in your mouth all the time.”

“Maybe I shouldn't,” teased Beth.

“Maybe you can't,” I teased.

“Don't be bad,” chided mom. “She can. She can do better too.”

“You'll keep teaching her until she can, right?” I said.

“Definitely,” said mom.

“I am in no hurry then,” I teased.

“You are a pervert,” she said. “You shouldn't enjoy having your mom suck your big cock.”

“You are too good not to enjoy that extremely,” I said.

“Beth, you need to learn quickly so he doesn't get used to this,” said mom.

“I'll try,” said Beth.

Beth returned to sucking my cock. Mom helped adjust her neck and head to make it easier for her to take me deeper. After several tries, Beth managed to pop my cock head down her throat.

“That's great, Beth,” I cheered. “You are amazing.”

Beth took a sharp breath after she raised her head. Mom had her do that several times to get her used to it. My cock was about to explode.

“I think you are ready to come,” smiled mom.

“You are right,” I said.

“Beth, open wide, and stick your tongue out,” instructed mom. “Let's make him come on your face.”

Beth opened her mouth wide, and mom held Beth's face a couple of inches off my cock head. Mom jacked my cock vigorously.

“I am going to come,” I announced.

“Come all over your slut wife’s pretty face,” urged mom.

My cock swelled. Mom made it spurt onto Beth’s face and into her open mouth. She kept jacking me off until my cock went dry and started to get soft. Beth looked so hot and slutty.

“You look pretty,” smiled mom. “Let’s clean you up.”

Mom licked my come off Beth’s messy face and ended up tongue-kissing Beth hotly while diddling both pussies. That made my cock twitch and start growing again.

“You liked that, didn’t you?” said mom.

“Yes,” I said.

Mom licked my cock before she helped Beth onto the couch.

“Now, show me how you eat her pussy,” mom said, swirling two fingers within Beth’s dripping pussy. “She’s so hot and juicy. Any man and many women would love to eat her little pussy.”

Mom licked her fingers before she moved away to make room for me between Beth’s legs.

“She tastes good too,” said mom as I knelt before Beth’s pussy.

Mom squeezed my cock as I lowered my mouth to Beth’s dripping pussy. I started with licking Beth’s stiff clit.

“Pay attention to that little culprit, but don’t forget her leaky hole,” said mom while stroking my hardening cock slowly. “You’d better slurp her tasty juices rather than have them leak onto the couch.”

Mom gave me a few pointers while I licked and sucked Beth’s juicy pussy. She then moved behind me. I shivered when I felt something wet tickle my asshole. It turned out to be her tongue. That feeling made my cock stand harder than steel. She stroked my cock slowly as she continued to lick my asshole.

“Make her come,” she directed.

She probed my ass with her tongue.

Beth’s pussy was almost forgotten as I was so engrossed in the sensations mom was giving me. I did not know what I was doing to Beth’s pussy until she started to gasp and convulse in orgasm. I returned my attention to Beth’s gushing pussy and slurped her flowing juices eagerly until she went limp.

“Now, let me show you how it’s done,” said mom.

Mom pushed me gently off recovering Beth.

“You are going to lick her pussy?” I said as I moved aside, making room for mom.

“Do you want me to show him and you how your juicy pussy should be eaten?” mom asked Beth.

“Yes,” hissed Beth.

“I am not a lesbian, and neither will this make you one,” said mom.

“I know,” said Beth lowly.

“You’ll be able to give him better pointers when he eats your pussy,” said mom.

“Okay,” said Beth.

“You have a pretty pussy, Beth,” said mom. “It should be licked and fucked very well.”

“Thank you,” said Beth.

“It’s delicious too,” said mom. “I’ve tasted it on my fingers.”

“Thank you,” said Beth.

“You shouldn’t blame Nick if he ate your hot pussy all the time,” said mom.

“I wouldn’t,” said Beth.

Mom lowered her mouth to Beth’s sticky pussy and proceeded to lick it. My cock leaked like a loose faucet as mom’s tongue and lips worked so adeptly at Beth’s clit and pussy. She was very gentle in the beginning, tasting and exploring every wrinkle Beth’s pussy had. She then varied her pace throughout her licking. She teased Beth, making her moan and squirm for a few minutes, but, within five minutes, she made her come like I had never seen her as mom lapped thirstily at her gushing juices.

As Beth recovered, mom lazily worked two fingers in and out of her contented pussy.

“Do you have anal sex,” mom asked Beth.

Beth shook her head no.

“Why not?” asked mom.

“I don’t like it,” said Beth.

“Have you ever tried it?” asked mom.

“No,” answered Beth.

“Then you can’t know whether you’d like it or not,” mom said. “When I first got married, I used to share your opinion about it, but somehow Dan seduced me into letting him put his cock up my ass. Halfway through my first ass fuck, I knew that I could never live without it. The sensations you get from having a big hard cock thrust deep in your ass are unequalled by anything else you’ve ever experienced.”

“What about you?” mom said as she looked at me. “Have you ever tried it?”

“No,” I said.

“Why not?” she asked.

“I have always thought it was perverse because asses were not meant to be fucked,” I said.

In reality, I had always wanted to try it, but no girl showed any interest in it, and they thought it was dirty.

“Try to think about what things are good for rather than what they were meant for,” she said. “Women’s faces were probably not meant to be come on, but they are great at that, and everyone is having fun, so what’s wrong?”

“Some assholes are so pretty,” I said. “You’d think they were meant to be kissed. They’d be ruined if someone forced his big hard cock into them.”

“Nick, pretty assholes were meant to be kissed and licked too,” she said. “Besides, there is no forcing. It isn’t rape. Everything’s done gently and lovingly until the delicate asshole’s ready for more. Do you have a problem with that?”

“I guess not,” I said. “I was probably wrong.”

She removed her fingers from Beth’s pussy and licked them.

“Does your wife has a pretty asshole?” she said.

“Yes,” I said. “Beth has a mouthwatering asshole.”

“Really?” said Beth in surprise.

“Yes, Beth,” I said. “I can’t imagine an asshole prettier than yours.”

“Have you ever kissed it?” asked mom.

“No,” I said.

“Why not?” she asked.

“I didn’t think she’d like it,” I said. “I didn’t want her to think I was dirty.”

“It isn’t dirty to kiss a pretty part of your lovely wife even if it’s her sweet little asshole,” she said. “She wouldn’t hate it either. She’d soon find out that it felt nice.”

“Would you let me kiss your luscious asshole, Beth?” I said.

“We can give it a try,” she said.

“I think we should,” I said.

“Now, let me show you that you were absolutely wrong in thinking that ass fucking was perverse or dirty,” she said as she stood up and started feeling up her own ass. “Look at my ass, son. It loves cock and fucking.”

“I saw your ass on the video, mom,” I said. “You have a great ass.”

“You think so?” she smiled.

“I know I am not the only one that thinks so either,” I said.

“Do you think so too, Beth?” she asked.

“Yes,” hissed Beth.

“Did you fantasize about it?” mom asked me, making my cock twitch. “When you saw the other guys fuck it, did you wish you were fucking it with your big cock instead and were stretching its tight hole wide?”

“You are my mom,” I whined.

“Your big cock doesn’t like your mom’s horny ass?” she teased.

“It thinks it’s so hot,” I said.

“Doesn’t it want to fuck it?” she asked.

“Does your ass want my big cock to fuck it?” I said.

“Absolutely,” she said. “It’s been thinking about your big cock ever since I saw it.”

“Isn’t that incest?” I said.

“You think it’s incest for you to fuck my horny ass with your big cock?” she said.

“It isn’t?” I said.

“Do you think it would be incest if your husband fucked his mom’s horny ass with his big cock?” she asked Beth.

“I don’t know,” said Beth.

“Your wife doesn’t think it’s incest either,” said mom. “It isn’t incest unless you want it to be. Do you want it to?”

“No,” I said.

“Don’t you want to be able to fuck your slut mom’s horny ass freely without any guilt?” she said.

“I guess,” I said.

“You can if you believe it’s perfectly okay to do that,” she said.

“I am not sure,” I said.

“Would you mind if my son fucked me in the ass with his big cock?” she asked Beth.

“No,” said Beth.

“Your wife thinks it’s family fun,” said mom. “Why can’t you?”

“I guess I need to think about it,” I said.

“You do that,” she said.

Mom resumed her exotic dancing. She bumped and ground, lewdly stroking her ass. She seemed to get turned on so much by doing that for us. She finally got down on the floor on her knees and laid her face on the carpet. She slowly pulled her dress over her hips and lowered her panties to her ankles. She kicked her panties off and arched her back so that her asshole was pointing straight up. She reached back with both hands and spread her ass obscenely. Her asshole was shamelessly displayed. It was mouthwatering, and it made my cock twitch and leak.

“Do you like my little asshole?” she teased, winking with her asshole.

“It’s so beautiful and appetizing,” I said.

“Is it the kind that you’d want to kiss?” she said.

“Absolutely,” I said.

“Go ahead, and kiss it,” she said.

My cock throbbed as I took my position behind her. She gasped softly when my lips touched her puckered asshole in a light kiss.

“Is that all you wanted to do?” she said. “Kiss it properly.”

Her asshole winked at me as she said that. I did not want to stop kissing it anyway. She gave me an excuse to continue. I returned my mouth to her asshole and kissed it firmly. I soon parted my lips and let my tongue explore her sweet puckered skin. She moaned, and her asshole twitched under my tongue.

“Did you like that?” she said.

“Yes,” I said.

“Me too,” she said. “I told you it would be fun for both parties.”

“You did,” I said.

“Now, drool on my asshole,” she said.

Carefully holding my mouth over her asshole, I drooled so my drool landed right on her wrinkled asshole. Somehow, her asshole dilated and swallowed my drool. That made my cock twitch and leak.

“More, Nick, more,” she urged as her asshole continued to open and close, lewdly winking at me.

Seeing that, I drooled as much as I could and watched her asshole open and swallow my drool.

“Beth, come help me,” I called.

Beth and I took turns drooling on mom's asshole and watching it drink our drool thirstily. In a little while, we got a lot of drool inside it.

“Last time,” mom called as she closed her asshole.

My drool made a pool on her asshole. Her asshole did not open though. She kept my drool there.

“Give me your cock,” she said, reaching back.

“Okay,” I said, moving forward.

She gripped my cock in her hand and rubbed my leaky cock head up and down her soaked pussy lips. My cock got harder if that was possible, and her pussy leaked profusely. She moaned as she did that. My cock head glistened in her copious pussy juices.

“We are both ready,” she said. “Don’t you think?”

“I think so,” I said, my cock twitching.

“Stand astride me and lower your cock head slowly until it touches my asshole,” she said. I did. “Push it in slowly.”

Her asshole seemed to open up, suck my cock head in and then close tightly around it. My cock throbbed and leaked. My cock was rock hard.

“We are going to drive it all the way in,” she said, milking my cock with her sizzling asshole. “Are you ready?”

“Yes,” I said.

“Keep pushing until it can’t go any deeper.” I slid into her extremely tight canal until my balls were pressed against her sticky pussy. “Yes, that’s it. Your big cock’s now balls deep up my horny asshole. This is perfect. Hold it there.”

My extremely hard cock felt as big as Texas as it got squeezed there.

“Your big cock stuffs my tight ass so tightly,” she said. “Do you like how it feels?”

“Yes,” I said. “It’s incredible.”

“I love it too,” she said. “Your cock’s so big and hard. It’s the hardest cock I’ve ever had up my horny ass.”

“Your ass is sizzling hot and tight,” I said.

“You think it was made for cock?” she said.

“Definitely,” I said. “It’s the hottest hole I’ve ever been in.”

“Do you now believe that beautiful asses were made for cock?” she said.

“Yes,” I said.

Suddenly, her rectum gripped my shaft much tighter. A few seconds later, it started to milk my cock like I had never experienced. My cock throbbed and leaked inside her ass.

“Wow, mom!” I said. “What are you doing? This is incredible.”

“I am just showing you how wrong you were,” she said. “What do you think now?”

“I think your hot ass was made for cock more than most pussies,” I said.

“That’s the case with most sexy asses,” she said. “That’s why it’s considered a special treat to ass fuck a woman.”

“It definitely is,” I said.

My cock was harder and bigger than ever and her ministrations were making it twitch as my orgasm approached. Beth of course could not know what had been going on as she watched. At most, she could see mom’s asshole clench and unclench around the base of my cock.

“Do you like what my horny asshole’s doing to your big cock?” she said.

“Yes, mom,” I said. “Your ass is unbelievable.”

“It loves cock,” she said.

“It definitely does,” I said.

“When an ass loves a cock, it has to make it feel very good so it keeps coming back for more,” she said.

“That makes sense,” I said.

“The woman who wants her ass to get fucked often has to know how to pleasure those big cocks,” she said.

“You obviously know how to do that,” I said.

“Your wife can learn that too,” she said.

“I hope so,” I said.

“Take it out now,” she said a few seconds before my resistance would have given up.

Her ass relaxed as I slid out of her, then she locked it down just before I could pull my cock head out. That made it harder to take my cock out and caused it to pop out with a loud plop. Her asshole snapped shut like it had not been stretched so wide around my hard cock only seconds ago.

She turned around and grabbed my hard cock. She licked and sucked the head a little.

“Deep throat his big cock, Beth,” she instructed.

Beth knelt next to me and proceeded to deep throat my cock eagerly. I thrust in her throat gently.

“Do you like that?” asked mom.

“Yes,” hissed Beth.

Mom knelt down as before.

“Nick, work only your plum-shaped cock head in and out of my asshole for a while,” said mom.

Mom’s asshole effortlessly let my cock head slide in. When I pulled out, her asshole clenched, letting my cock head pop out with an audible plop. I did that several times.

“Beth, suck his cock head,” she said.

Beth took my cock head in her mouth and sucked it for a minute.

“Beth, insert your finger in my ass,” said mom. “Let me show you what I was doing to his big cock.”

Beth moved slowly and pushed her middle finger into mom’s ass. Mom milked her finger exquisitely.

“Wow!” said Beth in awe. “How can you do that?”

“Practice,” smiled mom. “Now, suck his cock and let him stuff it back up my ass.”

Beth proceeded to do just that. When she dropped my cock, I slowly pushed it back into mom’s offered ass. Again, mom’s skilled ass let my cock slide right in without any resistance. It felt great though, and she moaned.

“Fuck my horny ass with your big cock very slowly,” she instructed.

My cock was balls deep up her ass. I slowly pulled it out. Her asshole and rectum tightened around my cock as if it did not want me to take my cock out. My cock slid most of the way out, and her ass made it feel incredible. I pushed my cock all the way in without any resistance as if her ass was telling me that my cock belonged there. Her ass milked my cock incredibly as I fucked her ass with long slow strokes. My cock leaked profusely in her hot ass.

“This feels so good, Nick,” she moaned. “Do you like it?”

“Oh, yes, mom,” I said. “It’s incredible.”

“Do you feel any incest as you do that?” she said.

“No,” I said.

“What do you feel?” she said.

“I feel extreme pleasure,” I said. “I feel that my hot mom and I are making each other feel so good.”

“That’s exactly what we are doing, baby,” she said. “Ass fucking’s great family fun, isn’t it?”

“Yes,” I said. “Your sexy ass is a perfect family fun station.”

“Your big cock’s a great toy for big girls as well,” she moaned.

“This feels like asses were made for cock more than pussies were,” I said.

“That’s how it should feel to you, darling,” she said.

“Is that how it feels to you?” I said.

“Of course,” she said. “My horny ass craves cock more than my leaky pussy does.”

“I have no idea how your juicy pussy would feel around my big cock, but I can’t imagine anything better than this,” I said. “Your ass is simply wonderful.”

“I have a good pussy too, but my ass has special allure,” she said.

“I bet that you do and it has,” I said.

“Beth, can you see his big cock slide all the way in and out as he fucks my cock-craving asshole?” she said.

“Yes,” said Beth.

“Can you imagine what it feels to have a big cock stuff your little asshole and fuck it deeply like this?” said mom.

“I don’t know,” said Beth.

“It feels so good you can’t imagine it,” said mom.

“It’s unbelievable,” I said.

“Are you ready for the next step?” she said.

“I hope so,” I said.

“Without taking your big cock out, move us into sitting in the couch with me in your lap,” she directed. “I want to sit in your lap with my horny ass fully impaled on your big cock.”

“You got it, mom,” I said as I wrapped my arms around her and held her tightly.

We both got into position slowly and carefully. I was soon sitting back with her in my lap. My cock was balls deep in her ass. She milked it for a few seconds.

“Why don’t you thrust in my ass and see how it feels to fuck it with short strokes?” she said.

My arms were still around her. She took my hands in hers and guided them to her tits. I held her tits gently and squeezed them as I thrust in her ass. Her asshole milked my cock as it slid in and out.

“This is wonderful,” I said.

“It is,” she said. “Now, sit back, and relax. Leave it all to me.”

“Okay,” I said, letting go of her tits.

She leaned forward and worked her ass up and down my entire cock at a slow pace, milking it nicely. I saw her stretched asshole slide up and down.

“Can you see my horny asshole at work?” she said.

“Yes,” I said.

“Do you like what you see?” she asked.

“I love what I see and what I feel,” I said.

“You like what my slutty ass is doing to your big cock?” she teased.

“I love it,” I said.

“I don’t have to do this, though, to make us both feel good,” she said as she stopped moving.

She sat in my lap, impaling her ass all the way on my cock.

“Try this,” she said.

She was sat back in my lap, and her fantastic asshole and rectum massaged my cock wonderfully.

“Do you like this, baby?” she moaned.

“Yes,” I hissed. “It’s amazing.”

“Can you feel how much my horny ass wants your big cock?” she said.

“Yes,” I said.

“I can also feel how much your big cock wants my slutty ass,” she said.

“Yes, mom,” I said. “I’ve never been this hard.”

“Can you feel your big cock leak deep inside my horny ass?” she said.

“Yes,” I said.

“Beth, do you want to help?” she said.

“Sure,” said Beth.

“While you rub your stiff clit, you can lick mine,” said mom. “Be nice and slow. We are not in a hurry.”

“Okay,” said Beth as she got into position.

Beth licked mom’s pussy tentatively.

“You can also use a couple of fingers as long as you are slow and gentle,” directed mom.

While gently licking mom’s leaky pussy, Beth slowly pushed two fingers into mom’s pussy. She worked them in and out at an easy pace while she licked mom’s juicy pussy more and more eagerly. I could feel her fingers work in mom’s pussy as her asshole continued its wonderful milking action. Mom moaned quietly and rocked gently, involuntarily humping Beth’s mouth and fingers.

“You are doing a great job, Beth,” moaned mom. “Nick should be proud of you.”

“I’ve always been proud of Beth,” I said. “I am now prouder of her.”

“Thanks, darling,” said Beth.

“You should,” said mom. “She’s a good little slut with a bright future.”

“She sure is,” I said.

“You can play with my tits,” she said. “Help me take them out.”

Mom tried to unzip her dress. I helped her with it, and I took off her bra, setting her big tits free.

“Yes,” she hissed as I held her tits and squeezed them gently. “Do you like playing with my tits?”

“Yes,” I said, teasing her nipples.

“Beth, you can lick your husband’s balls,” said mom. “You can suck my nipples too.”

Beth licked my balls for several seconds before she rose and sucked mom's nipples.

"Good girl," moaned mom.

"She has to be a good girl when she has an amazing mother-in-law," I said.

"I am a lucky mother-in-law too," she moaned. "I am sure most mothers-in-law don't get spoiled like this."

"They don't deserve it," I said.

"Thank you, darling," she moaned.

"You are welcome," I said.

"Beth, let me suck your fingers too," she said. "I like to have all my holes busy."

"You like to have three cocks fucking you at the same time?" I asked.

"Oh, yes," she said. "This is almost as good."

Beth gave mom two fingers, and mom moaned around them as Beth continued to finger and lick mom's pussy. I fondled mom's tits and occasionally pinched and twisted her stiff nipples. Beth sucked them from time to time. My cock remained throbbing and leaking deep in mom's sizzling ass.

As my cock approached explosion, mom was getting close to orgasm. I could not hold any longer.

"Mom, I am going to come deep in your amazing ass," I announced.

"Do it, baby," she gasped. "I am going to come too. Fill my horny ass with your hot creamy come."

"I am doing just that," I groaned as my cock twitched, spewing hot come so deep into her bowels.

That and Beth's ministrations got her off.

"I am coming too," gasped mom.

"Come on my big cock, you hot slut," I urged.

"I am coming, Nick," she gasped. "My asshole's coming around your fat cock."

Mom's asshole convulsed madly, milking my cock crazily. My orgasm got even harder as she came wildly. In addition to her anal orgasmic spasms, she moved her ass up and down in short fast strokes, totally draining my balls. Beth ate mom's gushing pussy hungrily. A few seconds later, Beth came in her own hand.

"I am coming too," gasped Beth.

"That's how it should be," gasped mom.

After draining my balls, mom milked my cock deliberately with her asshole. She finally squeezed her asshole and raised her ass off my cock. Her asshole let my spent cock pop out. She stood before me and pushed her ass back.

"Can you see my happy ass?" said mom as she leaned a little forward and spread her ass with both hands.

Her asshole was relaxed but closed shut.

"Yes," I said. "It looks relaxed."

"It is," she said. "Does it still look pretty?"

"It actually looks prettier than ever," I said.

"Be courteous," she said, thrusting her come-filled ass out. "Lick the hole you've just fucked and filled with come,"

"It deserves to be kissed," I said as I held her hips. "It did an amazing job on my big cock."

“I am glad that you think so,” she said.

Her asshole winked at me as I stuck my tongue out and obliged her, giving her asshole a long open kiss. She moaned and ground her ass into my face. Although her asshole did not leak any of my come, I tasted a slight flavor of my come due to sliding my sticky cock out of it.

“That was fun, Beth,” said mom. “Don’t you think so?”

“Yes,” said Beth.

“Do you think you’d enjoy having him do that to your little asshole?” asked mom.

“I think so,” said Beth shyly.

“You are a hot slut, Beth, and we are your friends,” said mom. “Don’t be shy around us.”

“Okay,” said Beth, blushing.

“Beth, you and I are going to be your husband’s whores,” said mom. “Are you okay with that?”

“Yes,” said Beth.

“You want the two of us to be whores for the same stud?” said mom.

“Yes,” said Beth.

“Do you know what it means for us to be his whores?” said mom.

“It means that we need to be dirty,” said Beth.

“Sure, but what it really means is that he’ll be able to fuck us any way he wants whenever he wants. Will you be okay with having your husband fuck his slut mom freely whenever and wherever he wants?”

“Yes,” said Beth.

“His big cock will spend long periods of time in my holes,” said mom. “You’ll be okay with that?”

“Yes,” said Beth.

“You and I will eat each other’s horny pussy too,” said mom. “Do you want that?”

“Yes,” said Beth.

“Now it’s my turn to clean up,” said mom.

Mom grabbed my soft cock and licked it clean. My cock tingled and stirred. It started to get hard.

“Why don’t you suck his big cock and make it hard and ready for more fun while I take a look at your dripping pussy?” she said. “Your husband’s a very horny guy. He isn’t done with us yet.”

Mom helped Beth get on all fours.

Beth started sucking my cock as mom knelt behind her, flipping her dress up.

“Push your virgin ass out,” said mom. “Don’t be shy. I assure you your hot ass won’t be virgin for long.”

Beth thrust her ass out.

“Your little pussy’s so wet and appetizing,” said mom just before she started licking Beth’s pussy, adding an extra component to her moaning and causing her to move more energetically.

“You are both sluts,” I teased.

“Is that a complaint?” teased mom.

“It’s a compliment,” I said.

“Thank you, darling,” she said.

“My lovely wife has a great ass, doesn’t she?” I said.

“Absolutely,” she said. “You need to take care of it though. You can’t keep it neglected like this.”

“I know that now,” I said.

“She does too,” she said. “She’ll demand it.”

“She won’t have to,” I said.

“Is that a promise?” she said.

“Yes,” I said.

Mom spread Beth’s ass with one hand and licked her asshole with her tongue tip, making Beth gasp.

“Did you like that?” said mom.

“It felt different,” said Beth.

“Of course,” said mom. “Otherwise, no woman would want her little asshole licked, fingered or fucked.”

Beth practiced her newly learned deep throat skills on my growing cock while mom used her fingers to probe her pussy. Mom used her free hand to rub Beth’s clit as she rimmed her asshole. Beth got hornier and hornier, and that showed on my cock.

“She loves it,” said mom. “Your wife’s going to love taking your big cock up her little asshole.”

Beth trembled.

Mom continued to work on Beth’s nether fuck holes. Suddenly, Beth slowed down her movements and started groaning constantly. When I looked, mom was working a finger into Beth’s ass while still playing with her clit. Beth was soon back to her animated cock sucking while mom easily pumped her finger within Beth’s ass. My cock was as hard as a steel pipe as Beth deep throat my cock hungrily. Beth groaned again and then resumed her sucking when mom squeezed a second finger into her tight asshole.

“You like this, you little slut?” teased mom.

“Yes,” hissed Beth.

“Is your asshole having a good time?” said mom.

“Yes,” hissed Beth.

“You definitely have a horny asshole,” said mom.

“I think so,” moaned Beth.

“Your wife’s a horny slut,” said mom. “She enjoys having her pussy and asshole finger fucked at the same time. She’s about to come but I am not going to let her. I want to show her what a dirty whore she can be.”

“I am sure she knows that already,” I said.

“I bet,” she said.

Mom continued to finger fuck Beth’s nether holes while Beth sucked my cock urgently. I could tell that Beth was dying to come, but mom was not letting her.

“Fuck time,” said mom, taking her fingers out of Beth’s horny holes.

Beth groaned in frustration.

“Wouldn’t you rather come on a man’s big cock than come on a woman’s fingers?” said mom.

“Yes,” said Beth.

“Are you ready to get fucked now?” teased mom, tickling Beth’s clit with her fingertips.

“Yes,” hissed Beth.

“Do you want his big cock in your little pussy?” teased mom.

“Yes,” hissed Beth.

“You want to get fucked like a dirty whore?” teased mom.

“Yes,” hissed Beth.

“Is that because you are one?” taunted mom.

“Yes,” hissed Beth.

“My son’s wife’s a dirty whore?” teased mom.

“Yes,” hissed Beth.

“Is that why he married the slut?” said mom.

“I don’t know,” said Beth.

“He’s right here,” said mom. “You can ask him.”

“Did you marry me because I was a dirty whore?” gasped Beth.

“You actually were not a dirty whore when I married you,” I said.

“I guess not,” said Beth.

“Did he wish you’d be a dirty whore?” teased mom.

“I don’t know,” said Beth.

“Ask him,” said mom.

“Did you wish I’d be a dirty whore?” said Beth.

“Yes,” I said.

Beth trembled.

“He must be happy now,” said mom.

“I guess so,” said Beth.

“Are you happy now, Nick?” asked mom.

“Yes,” I said.

“Are you rock hard because you want to fuck your slut wife?” she said.

“Yes,” I said.

“Beth, you little slut, you need to get on your back on the sofa and open yourself obscenely to show him that you are indeed a dirty slut,” said mom.

Beth sat back on the sofa and pulled her legs over her head.

“Open yourself up obscenely,” instructed mom. “Hold your heels.”

Beth complied readily. Her pussy was dripping.

“Have you ever seen her exposed this obscenely?” said mom.

“No,” I said.

“She’s becoming a real slut, isn’t she?” she said.

“Yes,” I said.

“Do you like being open this obscenely?” she said. “Your little pussy seems to like it. It’s soaked.”

“Yes,” hissed Beth.

“It’s ready for a big cock, isn’t it?” said mom.

“Yes,” hissed Beth.

Mom pulled me off the sofa and had me stand before Beth’s exposed pussy and ass. Mom held my cock and teased Beth’s dripping pussy with it, making Beth squirm.

“Don’t be shy,” said mom. “He’s your husband. Beg him to fuck your horny little pussy with his big cock.”

“Please fuck my horny little pussy with your big cock,” begged Beth.

“The cock-craving slut’s begging for it,” said mom, holding my cock head against Beth’s pussy. “Give it to her.”

“You think I should?” I teased, pushing my cock gently into Beth’s pussy.

“I think you should,” said mom. “Look at her. She looks like a dirty whore. That’s the kind of wife you want.”

“Beth, you’ve been a very good wife in the last few hours,” I said, pushing more firmly into Beth’s pussy.

“Only the last few hours?” said Beth.

“You were good before, but, in the last few hours, you’ve been very good,” I said as my cock slid into her pussy.

She moaned as my cock sank into her juicy pussy.

“He wants you to be a dirty whore,” said mom. “The dirtier whore you are, the better wife you are.”

“I am a dirty whore,” moaned Beth.

“Now both you and I are his dirty whores, aren’t we?” said mom.

“Yes,” hissed Beth.

“He’s going to fuck us any way he wants, isn’t he?” said mom.

“Yes,” hissed Beth.

“You can’t keep him out of your virgin little asshole, can you?” said mom.

“I don’t want to,” moaned Beth, trembling.

“You are a good girl,” said mom.

“I want to be a good slut,” moaned Beth.

“You are, baby,” I said.

“Your husband thinks you are a good slut,” said mom. “Don’t let him down.”

“I won’t,” said Beth.

“Good girl,” said mom.

Meanwhile, I thrust gently in Beth's hot pussy. When I shoved the last inch in, she gasped and stiffened.

"I am coming," gasped Beth.

"Come like a dirty whore," said mom. "You are one."

"Come for my big cock, Beth," I said, thrusting hard in Beth's pussy.

"Fuck the whore," urged mom.

Beth convulsed in orgasm. Her pussy gushed around my cock. I held her ankles down and fucked her pussy hard. She gasped and writhed wildly. I enjoyed her orgasmic spasms as her pussy tried to suck my come out of my balls.

"You liked that, you little whore?" said mom as Beth's orgasm subsided, leaving her limp.

"Yes," hissed Beth.

While Beth recovered, I fucked her pussy gently. Mom licked and sucked my balls. She wet two fingers in her own pussy and used them to finger Beth's asshole, making her pussy twitch around my cock. I could feel mom's fingers pump Beth's rectum slowly.

"I love this," gasped Beth.

"You love getting fucked in both holes at the same time, don't you?" said mom.

"Yes," hissed Beth.

"The bigger, the better," said mom. "I bet you'd love to have two big cocks fuck you at the same time."

Beth trembled.

"The whore would love that," said mom. "I am sure she'd welcome a third cock, too, just like I would."

Beth trembled again.

"She's become a whore like you," I said.

"Yes," said mom. "You love that, don't you?"

"Yes," I said.

"If she found herself in my place in that party, she'd be at home, wouldn't she?" she said.

"I think she would," I said.

Beth trembled.

"You are a cock-hungry whore," said mom. "You need at least three big cocks. Isn't that right, Beth?"

"Yes," gasped Beth, stiffening.

Beth came. She shook in orgasm, and mom and I pumped her twitching holes vigorously. She came hard.

"Come, you dirty whore," urged mom.

Beth had a long orgasm that left her limp. I thrust gently in her drenched pussy.

"Your husband must be very pleased with you," teased mom. "You are almost as dirty as his mom."

"Yes," hissed Beth.

"Did you hear the saying that men want wives as dirty as their moms?" said mom.

"No," said Beth.

"Do you know why not?" said mom.

“No,” said Beth.

“Because men don’t know how dirty their moms are,” said mom. “If they did, they would.”

“You think so?” said Beth.

“Let’s ask Nick,” said mom. “Nick, had you known how dirty I had been, wouldn’t you have looked for a wife as dirty as I was?”

“Yes,” I said.

“There you go,” said mom. “Because I am a very dirty slut, the dirtier you are, the more my son will love you.”

“That sounds right,” I said.

Beth recovered, and mom and I picked up the pace again, briskly pumping her ass and pussy, respectively. Beth had another quick orgasm. It was quick but long and hard. We slowed down while she caught her breath.

“Come in her pussy, Nick,” said mom when Beth approached her next orgasm.

Mom and I drilled Beth’s fuck holes vigorously until she came wildly. While Beth convulsed in orgasm, I came.

“I am filling your pussy with come, baby,” I announced as my cock swelled and twitched.

Beth’s pussy milked and sucked hard as I pumped my come deep inside it. It drained my balls. Beth squeezed my cock with her pussy before I pulled out.

“I’ll take care of her pussy while she licks your cock,” said mom.

Beth accepted my sticky cock and sucked it clean. Meanwhile, mom lowered her mouth to Beth’s slimy pussy and proceeded to lick it and suck it. Beth moaned around my cock. My cock was completely soft when Beth was done.

When I dismounted Beth, mom opened Beth’s mouth and dribbled what could only be my come into her mouth. They kissed sloppily and lewdly for a minute. Their decadent display made my cock stir.

“You are both dirty whores,” I said.

“I am glad that you recognize us,” smiled mom. “Kiss your slut wife.”

Beth turned to me, and I kissed her deeply. She naturally tasted of my come.

Mom took my cock in her mouth before Beth and I broke the kiss. She pulled Beth next to her, and the two of them sucked my cock together. They had no problem reviving it in a short time. They deep throated it and sucked it playfully for several minutes.

“Nick, to smash the incest myth, you need to fuck me in all my holes and fill them all with your come,” said mom. “You haven’t fucked my pussy yet. Are you ready for it?”

“Sure,” I said.

“Why don’t you fuck my face first?” she said. “Grab my head, and fuck it.”

“You got it,” I said, getting up.

She took my cock in her mouth and sucked it eagerly, deep throating it. I held the back of her head gently and thrust in her throat. She soon guided my other hand to her head and had me hold her head in both hands. I fucked her throat gradually harder and harder. She took it all and pulled me into her for more. We did that for a few minutes.

“I am ready to get fucked,” said mom in the end.

Mom got onto the sofa in the position she got Beth into earlier. She pulled her legs over her head and grabbed her heels, opening herself up obscenely. Her pussy and asshole were shamelessly exposed. Her pussy was soaked.

“Fuck my horny pussy, baby,” said mom. “Let’s show your wife that incest can’t stand between son and mom.”

“Aren’t you going to beg for it like you had Beth do?” I said, rubbing her leaky pussy with my cock head.

“Good whores beg for it, don’t they?” she moaned.

“You tell me,” I said.

“Beg for your son’s big cock, Amy,” said Beth. “Show him that you practice what you preach.”

“Please fuck my cock-craving pussy, baby,” begged mom. “Fuck your slut mom’s wanton cunt.”

“Would you be a good whore for my big cock if I did?” I teased, pressing my cock head into her pussy.

“Yes,” she hissed.

“Should I fuck her?” I asked Beth as my cock head opened mom’s pussy and slid slowly into it.

“Of course, you should,” said Beth.

“You got it, mom,” I said, pushing my cock halfway in.

“Thanks, darling,” moaned mom.

“You have a tight pussy for a hot slut,” I teased, thrusting in her pussy.

“You have a big cock,” she moaned. “Of course my pussy would be tight for it.”

“It needs to get fucked more often,” I said.

“All my holes would appreciate the extra cock,” she moaned. “I am looking forward to having you do that. You deserve to fuck every hole I have more than anybody else does, and all my holes know it.”

“You wouldn’t mind if I helped satisfy my cock-craving mom’s cravings?” I asked Beth as I fucked mom harder.

“Of course not,” said Beth. “Better you than others.”

“Are you sure you don’t want me to get busy with her so you can fuck other guys?” I teased.

“I am sure,” she said. “I have three holes. I can always entertain other guys.”

“My mom has definitely corrupted you,” I teased.

“She did,” she said. “Punish her for it. Fuck her hard. Punish her cock-craving greedy little pussy.”

“Yes, do that, baby,” gasped mom.

“Don’t you love it when naughty girls love to be punished?” I said.

“*You* love it,” said Beth.

“You are going to get punished severely,” I said, fucking mom hard.

“Yes,” hissed mom. “I deserve it.”

“If you make my wife a dirty whore, you are going to get fucked like one,” I assured.

“That’s fair,” she gasped.

“I demand justice,” said Beth.

“Your turn’s coming, you dirty whore,” I said.

“I deserve to get fucked like a dirty whore too, don’t I?” she said.

“You do,” I said.

“Fuck the big whore hard now to make an example of her so aspiring little whores like me know what they have coming to them,” she said.

Mom was so horny she stiffened right then.

“I am coming,” gasped mom.

“This should teach you,” I said, pounding mom’s pussy hard.

“Yes,” she gasped.

Mom convulsed in orgasm, gushing all over my cock and balls. I held her ankles tightly and drilled her pussy until her orgasm subsided and she went limp.

“Can you see what happens to dirty whores?” I said to Beth as I fucked mom’s pussy with long slow strokes.

“Yes,” said Beth. “I want it.”

Mom reached for my dripping cock and moved it to her asshole. After a few thrusts in her ass, she returned my cock to her pussy. She switched it between her holes several times and returned it to her pussy.

“That was good, but I’ve been a very dirty whore,” said mom. “I definitely deserve more.”

“That’s right,” said Beth. “That didn’t make an example of her. I bet good girls occasionally get fucked like that.”

“Your wife’s good,” said mom.

“I guess she instinctively knows how dirty whores should be treated, or she wouldn’t want to be one,” I said.

“That’s right,” said Beth.

“You are both lucky I enjoy administering this kind of punishment,” I said, picking up the pace.

“We are thankful for that too,” said mom.

“Honey, you were given that big cock to use it on women, not to keep it to yourself,” said Beth.

“To use it on women or whores?” I said.

“You should use it on women in general, but whores need it most,” she said.

“They sure do,” gasped mom.

Mom soon came hard. When her orgasm subsided, I pulled Beth’s head to my dripping cock as I pulled out of mom’s drenched pussy. Beth deep throated my cock for a few seconds. I pushed my cock in mom’s ass and made a few thrusts before I returned my cock to Beth’s mouth. I switched my cock between Beth’s mouth and mom’s pussy and asshole several times before I returned my cock to mom’s pussy and fucked it at an easy pace.

The breaks I took after each of mom’s orgasms and switching my cock between holes helped me last longer. Mom remained in her position for about an hour, coming ten times.

“Come in my pussy now,” urged mom as she approached her tenth orgasm.

“You got it,” I said, fucking her pussy harder.

When she came, I was ready.

“I am coming,” she announced.

“So am I,” I said. “I am going to flood your little pussy with come.”

“Do that, baby,” she gasped.

She convulsed beneath me, and my cock pulsed as it spewed come deep in her twitching pussy. I slammed hard into her as her vaginal spasms drained my balls. I ground into her pussy, and she milked my cock deliberately, making sure I did not hold back a drop. My cock started to soften, and I pulled back.

“Beth, use your fingers to feed me your husband’s sticky come out of my slimy pussy,” said mom.

Beth did not hesitate to oblige mom, who sucked Beth’s gooey fingers lewdly, making smacking sounds.

“Your husband made a mess of my pussy and ass,” said mom. “Can you lick them clean?”

“Sure,” said Beth.

Beth knelt before mom and proceeded to lick mom’s sticky pussy and asshole, making her moan. Mom motioned me to her, and I fed her my soft cock, which started to harden in her mouth right away. Beth continued to lick mom’s pussy and ass until my cock was hard enough for me to fuck mom’s mouth.

“Make me come,” said mom.

Beth ate mom’s pussy to orgasm while I fucked mom’s throat. Beth cleaned up mom’s pussy, and I took my cock out of mom’s mouth.

“Your wife has been very dirty recently,” said mom when she recovered. “She deserves a serious punishment.”

“I am afraid I do,” said Beth.

Beth got on her back with her legs over her head on the sofa, and mom sat next to her. Beth’s pussy was dripping as well. Mom effortlessly slid two fingers into Beth’s pussy. Her fingers glistened in pussy juices when she pulled them out. She gently corkscrewed them into Beth’s asshole, making her moan. The two fingers were soon all the way in. Mom twisted them to loosen up the tight orifice.

“You can punish her now,” said mom.

Mom held my cock and guided it into Beth’s wet pussy.

“Are you ready?” I teased, gently pressing my cock head in.

“Yes,” hissed Beth.

“Your little pussy’s so hungry for punishment, isn’t it?” I said as I pushed my cock into her pussy.

“Yes,” she hissed as my cock slid in, opening up her juicy pussy. “Fuck it please.”

“Fuck it hard, baby,” urged mom.

“Of course,” I said as I thrust vigorously in Beth’s offered pussy.

Beth started to gasp as soon as I established a fast rhythm.

“Punish my horny pussy,” gasped Beth. “Show me how bad it is to be a dirty whore.”

“I’ll make an example of you just like I did to mom,” I said, fucking her harder.

“Yes,” she gasped. “I want to be an example dirty whore.”

“That’s exactly what I am going to make you,” I said.

Mom finger fucked Beth’s ass while I drilled her pussy. Beth soon came.

“Come on your husband’s big cock and his mom’s fingers,” urged mom as Beth convulsed in orgasm.

“This feels so good,” gasped Beth.

While Beth recovered, I pushed my dripping cock into mom's mouth. While mom sucked my cock, she switched her fingers between Beth's drenched pussy and asshole. I switched my cock between mom's mouth and Beth's pussy a few times. Mom eagerly sucked Beth's juices off my cock.

"Fuck her," urged mom as I resumed thrusting in Beth's pussy.

"Fuck me hard, baby," gasped Beth.

"You like having both holes pumped at the same time, you dirty whore?" teased mom.

"Oh, yes," gasped Beth.

Beth came repeatedly. I switched my cock between her pussy and mom's mouth, and mom switched her fingers between Beth's pussy and asshole after every orgasm.

"She must be ready for your come now," said mom a while later.

"Yes, fill my pussy with come," gasped Beth.

While Beth convulsed in orgasm, I pumped her pussy full of come.

"I am coming deep in your horny pussy," I said as I slammed into her twitching pussy.

"Yes, yes," gasped Beth.

Mom sucked my cock clean after I pulled out of Beth's slimy pussy. She then knelt before Beth and proceeded to eat her sticky pussy. Beth moaned and squirmed as mom ate my come out of her pussy. In the end, mom made Beth come. When Beth's orgasm subsided, mom got up and hovered over Beth. She pulled Beth's lips apart, and Beth opened her mouth. Mom dribbled my come into Beth's open mouth. Beth swirled the come around in her mouth before she swallowed it to the last drop.

"I've licked and sucked your come, but you haven't come in my mouth yet," said mom. "Fuck your whores first."

"I need some help," I said, pointing at my soft cock.

"Do you think we can help him with that?" mom asked Beth.

"Sure," said Beth.

"Sit back, and let's see what we can do," mom said to me.

Mom helped Beth sit up as I sat back. They knelt before me and went to work. They got my cock hard soon.

"Finger my ass while I ride his big cock," mom said to Beth as mom straddled me.

Beth held my cock for mom. As soon as mom started to ride my cock, Beth wet two fingers in her mouth and then pushed them into mom's asshole. Mom rode my cock faster to orgasm.

"Replace your fingers with his big cock," instructed mom as she recovered.

Beth guided my cock into mom's ass, and mom rode me to another orgasm.

"Your turn," said mom, dismounting me.

Mom guided my cock into Beth's pussy and finger fucked Beth's asshole to two orgasms.

"Let's suck it," said mom after Beth dismounted me.

After they sucked my cock together, they got on their knees on the sofa. I fucked mom's pussy and ass to an orgasm each, and mom finger fucked Beth's ass while I fucked Beth's pussy to two orgasms.

They tried the reverse cowgirl and the folded deckchair positions similarly before it was time for me to come.

"Come in my mouth, baby," said mom finally, kneeling on the floor.

Mom deep throated my cock hungrily for a few minutes before I came. She opened her mouth wide and had me shoot my come into her mouth. She swirled my come with her tongue and swallowed it all.

“You are both all set to try anal sex any time,” said mom when I sat down and she got up. “You love it, and your wife loves it. If there ever existed any asses that were meant for fucking, Beth’s is definitely one of them.”

“Great,” I said, conjuring a picture of my cock, which was now soft, sliding in and out of Beth’s stretched asshole.

“Do you want to join our swinging club?” she said.

“I think so,” I said, jumping at the chance. “What do you think, Beth?”

“Yes,” she said. “It may be fun to try other cocks.”

“Especially at the same time,” said mom. “You have to try anal sex before you do though.”

“What if we want to swing with you and dad?” I asked.

“If your dad lays his hands on your wife’s virgin ass, it won’t be virgin for long,” she said.

“Is he going to rape her or what?” I said.

“Of course not,” she said. “He’d make her beg him to fuck her in the ass and then oblige her. He’s so good at that. Several men asked him to overcome their wives’ anal inhibitions.”

“Did he succeed?” I asked.

“Yes, every time just as he succeeded with me long ago,” she said. “He had more than his fair share of virgin asses, why don’t you have yours?”

“I will,” I said. “I want to be like him.”

“Make her hot, use your fingers and lots of butter or good lube to lube her up and relax her asshole,” she said. “Be relaxed, and take it easy. That’s all.”

“We’ll do that,” I said.

“I’ll make sure he does because I want to get my ass fucked,” said Beth.

“You are a wise girl,” said mom.

“She’s a dirty girl,” I said.

“That too,” smiled mom.

“I am a good girl too,” said Beth.

“I hope so,” I teased.

“You can keep the video,” said mom.

“Are you sure?” I said.

“Of course,” she said. “We can make many copies of it.”

“Okay,” I said. “Thanks, mom. Thank you for everything.”

“Anytime, baby,” she said.

Beth and I watched the orgy movie again, and I fucked Beth more.

Sleep came fast to me. Beth snuck out of the house. She got an enema kit, good anal lube and a fat glass butt plug. Her virgin ass could not wait to lose its virginity.

BETH'S ASS

On Friday morning, Beth and I silently started on her virgin ass. We did not mention it, but we both knew that it was the main course. That was why I was rock hard and she was dripping constantly.

Beth washed her insides first thing in the morning. I was still asleep. When I woke up, her ass was toward me, and my cock was between her legs. She humped it, leaking all over its upper side. She fondled her tits, twisting her stiff nipples, and moaned occasionally.

“I am so horny,” she moaned when I opened my eyes.

“You are hungry for my big cock?” I whispered, squeezing her tit.

“Oh, yes,” she hissed.

“Good morning, baby,” I greeted.

“Good morning, Nick,” she said.

“I am apparently horny too,” I said. “I want to fuck my horny bride.”

“Fuck me, baby,” she moaned.

“You are being a bad girl, Beth,” I teased, twisting her stiff nipple. “Aren’t you going to beg for it?”

“Please fuck me with your big cock, darling,” she begged.

“You want to get fucked like a slut?” I teased. “Is that why you are begging like one?”

“Yes,” she hissed.

“Get on all fours like a slut,” I said. “Show me your horny pussy.”

She shoved the covers away and got on all fours right away.

“Please fuck me,” she moaned, wiggling her ass at me.

Her pussy was soaked.

“You are indeed horny,” I teased as I knelt behind her.

“No kidding,” she moaned.

“I love having a horny wife,” I said, brushing her leaky pussy with my cock head.

She gasped.

“You need to fuck your horny wife, or she’ll go out and fuck other guys like her slut mother-in-law,” she moaned, pushing her pussy onto my cock.

“Your mother-in-law got fucked right here because she knew a good cock when she saw one,” I said as I pushed my cock into her dripping pussy.

“Yes,” she hissed as I entered her pussy.

She pushed her ass back, taking half my cock in.

“Where can you find a nice big cock like this one?” I teased, thrusting in her pussy.

“I’ll go to your dad if I have to,” she moaned.

“I married a whore,” I teased.

“You married a cock-craving slut,” she said. “If you don’t fuck her good, someone else will.”

“People call that a whore,” I teased.

“People don’t love cock as much as I do,” she gasped.

“People don’t have a big cock like this one at home either,” I said.

“As long as you use it well on me, I’ll be a happy slut,” she moaned.

“You have a nice ass, slut,” I teased, spreading her ass with both hands.

“It’s virgin,” she teased.

“Beth, your asshole’s very pretty,” I said.

“Thank you,” she giggled.

“I am serious,” I said. “It’s beautiful.”

“I am glad that you like it,” I said.

“I like all your luscious holes,” I said. “You are a beautiful and a hot woman.”

“Don’t tell me that was why you married me,” she teased.

“Of course not,” I said. “I married you because you had a great ass.”

“That’s better,” she said.

“You have nice tits too,” I said as I cupped her tits and squeezed them gently. “Your nipples are mouthwatering.”

“Play with them,” she moaned. “They like that.”

“They are horny like the rest of my slut bride’s body,” I said, pinching her nipples.

“Yes,” she hissed.

“Do they like my big cock?” I teased.

“Oh, yes,” she hissed.

“Do they want me to fuck them and come all over them?” I said, fondling her tits.

“I am sure they do,” she moaned.

“There are serious benefits for having a slut wife,” I teased.

“One of the most important benefits is that you can fuck her any way you want whenever you want,” she moaned.

“Most guys would appreciate that.”

“I sure do,” I said. “You’ve apparently become the slut I’ve always dreamed about.”

“You wanted to marry a slut, not a good girl?” she said.

“You are both, aren’t you?” I said.

“It depends on whom you ask,” she said.

“What if I asked you?” I said.

“I’d say I am both and then some,” she said.

“It’s good to fuck a good girl like a dirty slut,” I said.

“Enjoy,” she moaned.

My cock twitched when I accidentally looked to the side and saw a bottle of lube on the nightstand. She was hornier than ever. I picked up the pace and fondled her tits more actively as I drilled her soaked pussy. She bucked her ass for more, gasping.

“Fuck my horny pussy,” she gasped. “Fuck your slut bride hard.”

“Your pussy’s so hot,” I said, fucking her harder. “I love fucking it.”

“It loves your big cock,” she gasped. “Give it more of it.”

“It’s such a cock-hungry little pussy,” I said.

“It’s coming for you,” she gasped, stiffening.

“Come all over my big cock, slut,” I urged, pounding her twitching pussy.

She convulsed, her pussy gushing on my cock. I fucked her hard until her orgasm subsided.

“That was nice,” she gasped. “My horny pussy’s in love with your big cock.”

“You seem to have a romantic pussy,” I teased.

“It’s a sucker for big cocks,” she gasped.

“It knows only one big cock though,” I said.

“I think it wants to know more,” she gasped.

“What about you?” I said. “You want to be a whore?”

“Is that what you call your mom?” she teased.

“I think that’s what she calls herself,” I said.

“In that case, I want to be a whore like her,” she said.

“That’s a disadvantage of having a slut wife,” I teased.

“You get to fuck other whores too,” she said.

“What’s the point if they are not as hot as my wife?” I said.

“You may be very lucky and find ones as hot as your wife,” she said.

While I thrust gently in her drenched pussy, I let go of her tits and started to spread and squeeze her ass. Her asshole winked as I did that. I reached out and grabbed the lube. I squeezed lube on my thumb and used it to massage her asshole. She moaned, grinding her ass into me. Her asshole relaxed and accepted my thumb. I soon had my thumb all the way in. Her asshole clamped on my thumb for several seconds. I gently moved it circularly, loosening up her asshole. She moaned quietly, and her asshole milked my thumb.

“Fuck me, baby,” she moaned, thrusting into me.

“Move your ass, Beth,” I said. “Get fucked. Show me you are good enough to be a whore.”

“Of course, I am,” she moaned, humping my cock eagerly.

“Let me take advantage of that,” I said. “Get your horny pussy fucked with my big cock.”

She picked up the pace, and I turned my attention to her asshole, which relaxed constantly. I added lube to it and fucked it with my thumb.

“I am going to come,” she gasped, bucking her ass wildly.

“Come,” I urged, pumping my thumb in and out of her ass.

She stiffened and shook in orgasm. I remained motionless except for my thumb pumping her ass, and I steadied her. Her orgasm subsided, and she ground her drenched pussy into the base of my cock. I stretched her asshole wider.

“Suck my big cock, Beth,” I said.

“My mouth’s hungry for your big cock too,” she moaned, pulling away.

My cock and thumb slipped out of her holes, and she turned around.

“Let’s feed it,” I said.

She pounced on my dripping cock and proceeded to suck it hungrily. She deep throated it gently at first, but she soon picked up the pace. I thrust in her throat gently. I leaned forward and returned my thumb to her ass, sticking two fingers into her leaky pussy. She moaned on my cock and deep throated my cock more hungrily. I reamed out and fucked her asshole with my thumb while finger fucking her pussy.

“Lie back, baby,” I said, removing my fingers from her holes.

She lay back, and I took my position between her legs. I entered her pussy and lowered my mouth to hers. We kissed passionately while I fucked her pussy gently. I sucked her nipples for a few minutes. I then pinned her legs down and fucked her vigorously to orgasm. I thrust in her pussy gently while she recovered.

“My big cock loves your tits,” I said. “It wants to fuck them now, but it doesn’t want to come all over them yet.”

“That’s okay,” she said. “Your big cock isn’t done with me. I am not done with it either.”

She lowered her legs, and I straddled her waist. I laid my cock between her tits, and she squeezed them around it. I leaned forward and fucked her tits at an easy pace.

“Your tits are perfect,” I said.

“Fuck them, baby,” she moaned.

“Maybe I should have married you because you had great tits,” I said.

“You don’t have to decide yet,” she said. “I’ll be your wife when you find out why you should have married me.”

“I need to fuck you in every possible way before I can make up my mind,” I said.

“I’d love that part,” she said.

She raised her head and licked my cock head whenever it emerged at the end of her tit tunnel. I took my cock from her tit tunnel and pushed it into her mouth. I fucked her mouth for a few minutes.

“I want to say good morning to your horny little pussy,” I said, slapping her face with my cock. “She’s been so nice to my big cock.”

“Thank you,” she smiled as I crawled back. “She’d love that.”

She spread her legs, I lowered my face to her sticky pussy.

“Good morning, my slut wife’s cock-craving little pussy,” I said softly.

“Good morning, Nick,” she cooed as she used her fingers to open and close her pussy lips as if it were talking.

“You look so beautiful even when you are soaked and sticky,” I said.

“Thank you, baby,” she said, moving her pussy lips. “Kiss me. I like to be kissed.”

“You look too mouthwatering not to kiss,” I said.

“Thank you,” she cooed.

She moaned and ground her pussy into my mouth as I kissed her juicy pussy deeply. It leaked into my mouth, and I sipped all the juices I could get. I stuck my tongue inside it, and it nibbled it. Her pussy and I kissed like that for a few minutes. I then ate her pussy hungrily until she gushed in my mouth.

“My pussy’s going to flood your mouth with its juices of happiness,” she gasped.

She convulsed, holding my face to her twitching pussy, and I devoured it until she went limp.

“Do you want to suck my big cock, you little pussy?” I said.

“Yes,” she hissed.

“Do you know how to beg for that, or do you want me to teach you?” I teased.

“I know,” she said, moving her pussy lips. “Please let me suck your big cock and drool all over it.”

“You definitely belong to a hot slut,” I teased.

“Thank you,” cooed Beth, moving her pussy lips, as I got into position.

“I enjoyed making out with your little pussy,” I said as I pressed my cock into her horny pussy. “It’s a slut like you. It now wants to deep throat my big cock.”

“It’s a bad influence on me, but it’s a nice girl,” she said. “Let her suck your big cock. She’d love it.”

“I don’t say no to sweet pussies especially when they belong to sweet girls,” I said, thrusting in her pussy.

“Thank you, baby,” she moaned.

“Let that sweet little pussy suck my big cock balls deep,” I said as I slowly worked my cock all the way in and out of her pussy, making her moan quietly.

“It loves it,” she moaned.

“It’s a good pussy,” I said. “It loves cock.”

“It’s a greedy little pussy,” she moaned. “It loves big cock.”

“Did my big cock corrupt it?” I said.

“Yes,” she hissed. “It now needs more big cocks.”

“Does it have any cocks in mind?” I said.

“It wants your dad’s big cock,” she moaned.

“That’s so slutty,” I said.

“I think it learned a thing or two from your mom’s slutty pussy,” she moaned.

“Did it become friends with my mom’s horny pussy?” I said.

“Yes,” she said. “They both love your big cock.”

“They are both greedy pussies too,” I said.

“Yes,” she hissed.

After a few minutes of slow deep fucking, I picked up the pace.

“I am going to fuck your horny little pussy now,” I said.

“It loves that too,” she gasped. “It loves cock any way it can get it.”

“It loves being a fuck toy for big cocks?” I said.

“Oh, yes,” she hissed. “That’s its favorite.”

“My big cock loves that too,” I said. “It loves to play with horny little pussies.”

“No wonder they like each other so much,” she moaned.

“My big cock’s going to fuck it hard,” I said, fucking her harder.

“Yes, yes,” she gasped.

She hit orgasm about a minute later.

“I am coming, baby,” she gasped.

“Is your horny little pussy having fun?” I said, drilling her pussy harder.

“Yes,” she gasped.

She shook in orgasm, and her pussy gushed on my cock as I fucked it hard.

“My little pussy’s very happy now thanks to your big cock,” she gasped when her orgasm subsided.

“My big cock enjoyed that too,” I said.

“That’s the point, baby,” she gasped.

“I want you on your hands and knees,” I said, pulling out of her.

“You want me like a bitch?” she said as she got into position.

“I want you like a bitch in heat,” I said.

“I may be hornier than that,” she said. “Is that okay?”

“That’s perfect,” I said, spreading her ass. “Bitches in heat don’t have this kind of hot ass.”

“You think I have a nice ass?” she teased, winking with her asshole.

“Let’s see,” I said as I let go of her ass cheeks.

When she least expected it, I slapped her right ass cheek. She squealed. I slapped her left ass cheek. She squealed again. I spread her ass again.

“Why did you slap me?” she asked.

“You definitely have a nice ass, Beth,” I said.

“Thank you,” she said.

“It’s mouthwatering,” I said, lowering my mouth to her asshole.

She gasped and then moaned as my lips touched her asshole and I kissed it.

“You are a dirty boy,” she moaned. “Good boys kiss girls’ pussies, not their assholes.”

She ground her ass into my mouth. I probed her asshole with my tongue, and her hole relaxed, but it was still tight.

“Only dirty whores let their husbands kiss and lick their horny assholes,” she moaned.

“Dirty whores are more fun,” I said.

“Have fun, baby,” she moaned.

Her asshole relaxed gradually as I licked it and probed it with my tongue. I occasionally inserted my thumb in and stretched her asshole, opening it up wider. It continued to relax. I squeezed lube on her asshole and squeezed both thumbs inside it. I gently pulled my thumbs apart, making her asshole open and gape between them. I drooled inside

her open ass. She moaned and humped my thumbs. I removed my thumbs from her ass and proceeded to lick her asshole and tongue fuck it wildly.

“I am going to come,” she gasped.

That encouraged me to eat her asshole more hungrily, and she responded favorably.

“I am coming,” she gasped.

She stiffened and convulsed in orgasm, her asshole twitching around my wiggling tongue tip. I continued to suck her asshole and stick my tongue deeper inside it until her orgasm subsided.

“That was nice,” she gasped.

“Your asshole’s delicious,” I said.

While she recovered, I squeezed lube on her asshole and used both thumbs to stretch her asshole wide. I added more lube and worked it inside her ass. When the gap between my thumbs was wide enough to take a thick finger comfortably, I drooled inside her ass. I held her asshole stretched wide for a minute, stretching it wider and wider.

My cock twitched and drooled as it waited to go inside that sizzling ass. I replaced my thumbs with three fingers. I corkscrewed my fingers all the way in and twisted them repeatedly within her asshole while lubing my hard cock with my free hand. She moaned and humped my fingers.

“Do you want it fucked?” I teased.

“Yes,” she hissed.

“My big cock didn’t hear you beg for it,” I teased.

“Please be the first to fuck my virgin ass with your big cock,” she begged.

“I’ll be the first and the most to fuck it,” I said.

“Yes, and you’ll be the only one to fuck it without a condom,” she moaned.

“Your offer’s hard to turn down,” I said.

“It isn’t an offer,” she said. “It’s a plea.”

“You are a good whore,” I said, taking my position behind her squirming ass.

“Thank you,” she said.

“I’ll fuck your virgin ass, Beth,” I said. “Say goodbye to it.”

“Goodbye, my virgin ass,” she moaned as she reached back with her right hand and stroked her right ass cheek.

“Pull it open with your hand,” I said, slowly pulling my fingers out of her ass.

She pulled her right ass cheek out, and I pulled her left cheek out with my left hand. I used my right hand to guide my glistening cock into her splayed asshole.

“My big cock says hi,” I said, pressing my cock head into her asshole.

“My horny ass says welcome to your new home,” she said, gently pushing her ass into me.

Her asshole tightened up instinctively. It relaxed gradually as I maintained firm pressure on it, and my cock head sank slowly in. It finally popped in, and she gasped. Her asshole was stretched around the beginning of my hard shaft.

“What a tight fit!” I said.

“Your cock’s so big,” she moaned. “It’s stretching my little asshole so wide.”

“Your ass is sizzling hot,” I said. “I should have fucked it years ago.”

“You should have done that,” she said. “Now, you can only fuck it years to come.”

“That’s what I am going to do,” I said. “I’ll make you an ass whore like mom.”

“Yes, you should,” she moaned. “Stretch it wide, and fuck it deep.”

“You have a beautiful ass,” I said as I pushed her hand away and spread her ass with both hands. “Your little asshole looks incredible when it’s stretched wide around my big cock.”

“My ass always looks beautiful, doesn’t it?” she said.

“Yes,” I said. “It now feels incredibly good too.”

“Yes,” she hissed.

“Is it ready to get fucked?” I said.

“Yes,” she hissed. “Give it all your big cock, but take it slow.”

“Your greedy little asshole wants my big cock all the way in?” I said, thrusting gently.

“Yes,” she hissed. “It wants it all just like your slut mom’s horny asshole did.”

“You are a very greedy bitch if you want your virgin asshole to get fucked like mom’s experienced one,” I said.

“I know, but I can’t do anything about it,” she moaned, thrusting back gently.

“I like your attitude, Beth,” I said. “I am sure your virgin ass will soon be able to get fucked silly.”

“I can’t be your dirty whore if you can’t fuck me silly in every possible way,” she said.

“That’s right,” I said. “I intend to fuck you silly in every possible way. If I can’t, I’ll fuck mom like that.”

“You won’t need to fuck your slut mom because your new wife isn’t slutty enough,” she said. “I promise.”

“You are a good wife, Beth,” I said. “I am lucky I married you.”

“Me too,” she said.

Meanwhile, my cock had sank about two inches deeper into her ass, the inside of which felt even hotter. I continued to drive my cock in her tight ass with tiny thrusts. She pushed back but not hard enough to shove my cock in deeper, but to meet my thrusts and make them effective.

“Can you feel it going deeper?” I said.

“Oh, yes,” she hissed. “I already feel I am fuller of cock than I’ve ever been.”

“I am not even halfway in,” I said.

“No wonder your mom loves it,” she said.

“Your virgin ass is incredibly tight,” I said. “It’s amazing.”

“Is it tighter than your mom’s slutty ass?” she teased.

“Of course,” I said. “That won’t last though.”

“I hope not,” she said.

“How is your horny pussy doing?” I said. “Is it jealous?”

“It’s actually excited about this,” she said. “It’s leaking like a loose faucet.”

“You are apparently a natural ass whore,” I said.

“Yes,” she hissed.

My cock continued to sink up her ass. I thrust a little harder the deeper it went. She continued to moan and push back. When I was almost all the way in, I held her hips tightly and shoved the last inch of my cock all the way in. She gasped and stiffened.

“I am going to come,” she gasped. “My horny ass is officially no longer virgin.”

“Enjoy,” I said.

She writhed wildly, and I held her hips gently just to make sure it did not pop off my cock while it twitched and jerked madly. She came like I had never seen her come before. Her orgasm finally subsided, leaving her gasping. She came so hard I almost joined her because her twitching asshole was extremely tight.

“I am definitely an ass whore,” she gasped as I thrust gently in her ass. “That was incredible.”

“It looked and felt that way,” I said. “My big cock enjoyed feeling your little asshole twitch crazily.”

“My pussy should feel jealous,” she gasped. “From now on, my slutty ass is going to get fucked all the time.”

“My big cock loves your sizzling ass, so I can guarantee that,” I said.

“That love and guarantee are reciprocated,” she gasped.

As her asshole relaxed, I fucked it with longer, smoother strokes. It instinctively milked my cock until she noticed.

“Do you like how my horny asshole milks your big cock?” she moaned. “It apparently wants your come inside it.”

“It has to do better than that to make me fill it with come,” I said.

“I assure you that it will,” she moaned.

“I love what it’s doing, but I am not coming until I’ve had enough of it,” I said. “That’s going to take a long time.”

“It should because it’s a very horny hole,” she moaned. “Actually, that’s why it wants you to fill it with hot come.”

“I’ll do that but only after I open it wide and make it loose,” I said.

“Yes,” she hissed.

As her asshole relaxed, her rocking movement helped work her asshole back and forth along my hard shaft. I gradually stopped my thrusts, spread her ass wide and watched her stretched asshole shuttle along my cock. She started to milk my cock deliberately.

“Are you having a good time watching me get my horny ass fucked on your big cock?” she moaned.

“Of course,” I said. “I am enjoying the view and the feel of it.”

“I am only enjoying the feel of it,” she moaned.

“I wish you could see how beautiful your ass looks while it gets what it needs,” I said.

“Me too,” she said.

“Use longer strokes,” I instructed.

She gradually used longer strokes, and I paced her gently so her ass would remain impaled on my cock while getting fucked deeply with long smooth strokes.

“That’s nice, Beth,” I said. “This is what your hot ass was made for.”

“It definitely is,” she moaned.

“This is how it’s going to be used from now on, only harder,” I said. “It will never be this tight.”

“That’s exactly what it wants,” she moaned.

“It’s a greedy ass, but I am going to give it all the cock it can handle and then some,” I said.

“Thank you, baby,” she said.

“It’s my duty and pleasure, my slut bride,” I said.

“I bet you are doing it for the pleasure of it,” she moaned.

“What about you?” I asked.

“Me too,” she said.

She gradually bucked her ass faster and faster as her lust took over her body and mind. I paced her, making sure her strokes were precise enough to keep her ass around my cock.

“I am going to come,” she gasped, bucking her ass with shorter and faster strokes.

“Come on my big cock, you dirty ass whore,” I urged.

“I am coming,” she gasped, stiffening.

As she convulsed in orgasm, I held her hips tightly and fucked her writhing ass hard, driving her out of control. She shook wildly until her orgasm subsided. Her orgasm was harder than before, but her asshole was looser.

“That was an incredible orgasm,” she gasped.

“Your ass is no longer virgin, Beth,” I said. “When you take it off my big cock, it will be very well fucked.”

“Yes,” she hissed as I fucked her ass gently.

“Your tight asshole’s getting looser already,” I said.

“What do you expect?” she gasped. “It’s getting fucked with a fat cock.”

“That’s how it should be fucked,” I said, picking up the pace a little.

“Yes,” she hissed.

“Move your horny ass, whore,” I urged. “Let’s get it fucked again and harder.”

“Yes,” she hissed, fucking back.

This time, she and I shared the work and got her ass fucked harder. She had a bigger orgasm that my cock enjoyed almost as much as she did.

For the next round, I did most of the work and fucked her ass yet harder, giving it a bigger orgasm.

“Now get your horny ass fucked hard while I stand back and watch,” I said.

She took over the thrusting while I spread her ass and watched, gently pacing her, until she came hard.

“I am going to come so hard this time,” she gasped as she stiffened.

“You should,” I said.

She shoved her ass wildly into me while she convulsed in her hardest orgasm yet. When her orgasm subsided, I squeezed lube on my cock and lubed her asshole generously.

“I think your slutty ass is ready to bounce on my big cock in the reverse cowgirl position,” I said.

“Yes,” she hissed.

“Let’s oblige it,” I said as I wrapped my arms tightly around her and took her with me as I lay back.

She got into the reverse Asian cowgirl position, and I spread her ass while she bounced it on my cock. I watched her ass as her stretched asshole shuttled up and down my hard cock at an accelerating frequency. She lost her rhythm as her orgasm approached. I held her hips and thrust in her ass to compensate.

“I am coming,” she gasped, shoving her ass down wildly.

“Come your cock-hungry ass off,” I urged.

She came wildly, and, when she was done, she collapsed on her back on top of me. I wrapped my arms around her and thrust gently in her ass.

“Do you think you can spin around with my big cock up your ass and get it fucked again while you show me your bouncing tits?” I said, squeezing her tits.

“Yes,” she hissed.

She sat up and pivoted around my cock into the Asian cowgirl position. She made sure her ass was fully impaled.

“Get that slutty ass fucked, baby,” I said as I reached between her legs and spread her ass.

“Yes,” she hissed.

She started bouncing gently and accelerated like a train picking up steam.

“You like this?” I smiled at her.

“I think you should find reinforcement,” she smiled. “My horny asshole’s going to wear out your big cock.”

“You must be dreaming if you think your delicate asshole can wear out my big cock,” I said.

“We’ll see,” she said.

“Give it your best,” I said.

She rode my cock harder, and I watched her tits bounce madly. I occasionally reached out and pinched her nipples. That made her go faster. She soon stiffened and came. When her orgasm subsided, she collapsed on top of me, and I thrust gently in her ass. We kissed feverishly although she was gasping for air.

“I think it’s about time your slutty ass got fucked,” I said as I wrapped my arms around her tightly.

“You think so?” she smiled.

“Yes,” I said as I swiftly rolled us, getting on top.

“Fuck my ass, baby,” she said.

“I will,” I said as I held her ankles and pinned her legs down. “Spread your horny ass, and enjoy.”

She spread her ass, and I proceeded to fuck it at an accelerating pace. I fucked her ass harder and faster than ever before. Her tits jiggled wildly as she shook with every hard thrust.

“Fuck, I am going to come!” she gasped.

“I fuck, and you come,” I said, pounding her asshole harder.

“I am coming,” she gasped. “Keep coming.”

She writhed beneath me as I drilled her twitching asshole until she went limp.

“Did you enjoy that?” I smiled, thrusting gently in her ass.

“Oh, yes,” she gasped, smiling. “Thank you.”

“You are a very dirty whore, Beth,” I said. “Are you taking after your mom? Is she a whore like you?”

“I don’t think so,” she said. “My mom’s a good girl. She can’t be a dirty whore like me.”

“Everybody thinks you are a good girl too, but look at you,” I said. “Where could you have found those slut genes? You borrowed them from somebody or stole them from somewhere?”

“You think mom could be a whore without anybody knowing it?” she said.

“Why not?” I said. “So far, mom and I are the only ones who have any idea that you are a dirty whore.”

“That’s possible but unlikely,” she said.

“Why don’t we find out?” I said.

“How can we find out?” she said.

“We can start by asking her,” I said.

“Mom, do you by any chance happen to be a dirty whore?” she said. “I can imagine myself saying that to her.”

“That’s stupid,” I said. “You are not that dumb. You have to take it slow and tell her that you are a dirty whore yourself so she knows that you are not trying to humiliate her.”

“You think she wouldn’t go crazy?” she said.

“She may be surprised or shocked, but you are not shy about being my dirty whore, are you?” I said.

“Of course not,” she said.

“Grab the phone, and call your mom while you continue training your horny ass,” I said.

“You want me to talk to her while you fuck my ass?” she said.

“I’ll stand back and spread your hot ass for you,” I said. “You can do whatever you want with it to my big cock.”

“That’s so crazy,” she said.

“You are a dirty whore,” I said. “Who can blame you?”

“I need to get on my hands and knees,” she said.

“Don’t lose my big cock though,” I said.

We managed to return to the doggy position without letting my cock leave her ass.

Beth grabbed the phone and dialed her mom. Her mom answered right away.

“Hi, mom,” said Beth. “Can we talk privately for a few minutes?”

“Sure,” said Victoria.

“I want to talk with you about sex in general and maybe about marital sex,” said Beth.

“Do you have problems?” asked Victoria with concern.

“I just have questions,” said Beth.

“Sure, go ahead,” said Victoria.

“First, do you like sex?” said Beth.

“Everybody likes sex,” said Victoria. “You must know that already.”

“I know that, but some like it a lot and some don’t,” said Beth. “Some people wish they could have sex all day or often, and some think it’s okay to have sex five minutes a month or a few times a year. Are you passionate about it?”

“I’ve been married for too long to be passionate about it,” said Victoria.

“That’s a lame excuse,” said Beth. “Many consider you to be now in your sex prime. Many married women love sex and have sex much more than younger single women. For example, I *love* sex so much. Do you?”

“I guess I love it but maybe not as much as you do,” said Victoria.

“I love big cocks,” said Beth, startling her mom. “Do you love big cocks, or do you think size doesn’t matter?”

“Beth, we are both married,” said Victoria. “We can’t talk like that.”

“You think a girl can’t open up to her mom and talk with her freely?” said Beth. “Who should I talk to?”

“I guess you have a point,” said Victoria. “I am just surprised by the type of talk we are having.”

“Do you like big cocks, or do you think smaller cocks are easier to deal with?” said Beth.

“I guess big ones have a special appeal,” said Victoria after some hesitation.

“Does dad have a big one?” asked Beth.

“I don’t think we should talk about that,” said Victoria.

“Tell me about dad, and I’ll tell you about Nick,” said Beth.

“You shouldn’t tell me about Nick either,” said Victoria.

“Who can I tell about my husband’s cock if I can’t tell my mom?” said Beth. “I can’t shut up. I have to talk.”

“Your dad’s about average,” said Victoria.

“Do you sometimes wish he were bigger and fatter or fantasize about having a bigger one on the side?” said Beth.

“Beth, you can’t talk to me like that,” chided Victoria. “I am your mom. I am a married woman too.”

“Of course, I know that, mom,” said Beth. “You and I can be honest with each other. Do you do that?”

“Rarely,” said Victoria.

“Have you ever tried big fat cocks?” said Beth.

“Beth, watch your mouth,” admonished Victoria. “You are a lady.”

“I am a lady who loves big fat cocks,” said Beth. “I am not ashamed of admitting that.”

“I tried that long ago,” said Victoria.

“Do you miss the extra stretching and stuffing?” said Beth.

“Yes,” said Victoria.

“They can stretch you wide and reach deeper inside you, can’t they?” said Beth.

“Yes,” said Victoria.

“Nick says I am a cock-craving slut,” said Beth. “He says I must be taking after you. Do you think he’s right?”

“Does he really say that?” said Victoria.

“He does,” said Beth. “He thinks I am extremely horny because I am taking after you.”

“What do you tell him?” asked Victoria.

“I tell him you are a good girl and you can’t be a cock-craving whore like me,” said Beth. “He thinks you may be a good girl because dad isn’t helping you be yourself, unleashing your carnal desires and bringing out your inner slut.”

“You actually have this kind of conversation?” said Victoria.

“Yes,” said Beth. “Nick and I are very open with each other. I tell him that I want to whore myself to a number of big cocks at the same time. I want to try having three guys fuck me at the same time with one big cock in every hole.”

“What does he say to that?” asked Victoria.

“That’s when he says I am a whore and I must be taking after you,” said Beth.

“I am not like that,” said Victoria. “I’ve never said to your dad anything like that.”

“That may be because you are afraid of him,” said Beth. “If dad told you to have sex any way you wanted, wouldn’t you want to have three guys with big cocks fuck you at the same time?”

“Beth, that’s so depraved,” said Victoria.

“Sure, but don’t you want to be used like a dirty whore?” said Beth. “I do. I like it when he calls me a dirty whore.”

“He doesn’t despise you when you let him call you like that?” said Victoria.

“No way,” said Beth. “He actually uses me like a dirty whore, and I love it. I am a greedy slut. Most women in my place wouldn’t crave extra cocks, but this is who I am. Don’t you fantasize about that?”

“I’ve never thought about that,” said Victoria.

“You’ve never been gangbang?” said Beth.

“No way,” said Victoria. “I’ve never been like that.”

“You don’t have any friends who’ve ever been gangbang?” said Beth.

“I knew a girl who did that a few times long ago,” said Victoria. “She liked it, but I thought she was crazy.”

“Nick’s the only one who’s ever fucked me, but my horny holes hunger for more,” said Beth.

“Beth, don’t do anything stupid and ruin your marriage,” advised Victoria.

“Of course not,” said Beth. “When I do it, Nick has to be there fucking the guys’ wives or girlfriends.”

“You think that’s a good idea?” said Victoria.

“If you don’t think so, find me a better way to get fucked silly by multiple guys at the same time,” said Beth.

“Do you have to do that?” said Victoria.

“Yes, mom,” said Beth. “Now, am I taking after you or dad?”

“If you have to be taking after me or your dad, it has to be me, but I am not sure you do,” said Victoria.

“You think you are too good to be my mom?” said Beth.

“I didn’t mean that, but you are different,” said Victoria.

“The depraved acts I want to do don’t appeal to you at all?” said Beth.

“Maybe in a fantasy but not in reality,” said Victoria.

“That’s understood, mom, because in reality there may be uncalculated risks,” said Beth. “If you could guarantee the consequences, you’d love to have ten guys with big cocks use you sexually for an entire day, wouldn’t you?”

“Maybe,” said Victoria.

“Deep down, you are a cock-craving dirty whore like me, aren’t you?” said Beth.

“All women are like that,” said Victoria quietly.

“Let’s not worry about other women,” said Beth. “We are talking about you and me. You are a whore like me.”

“I guess,” said Victoria.

“I am going to tell Nick that I am actually taking after my slut mom,” said Beth. “Is that okay?”

“You shouldn’t do that,” said Victoria. “He’d think I was a bad woman.”

“Mom, I am his wife, and he loves me,” said Beth. “He wouldn’t think you are bad because the woman he loves is like you. If anything, he’ll love you more and think you are a hot woman. Men deep down love sluts.”

“You think so?” said Victoria.

“Of course,” said Beth. “He’ll probably tease me about my mom’s being an insatiable slut, but I’ll love that.”

“You’ll love it if he teases you about my being a slut?” said Victoria.

“Sure,” said Beth. “It’s something to be proud of. I’ll even tease him about your being sluttier than his mom.”

“The two of you must be crazy,” said Victoria.

“Would you be interested if we arranged a cock sucking contest between you and her?” said Beth.

“What?” said Victoria. “Don’t be crazy.”

“If she turns down the challenge, you win, and, if you turn it down, she wins,” said Beth.

“Are you serious?” said Victoria. “Can you ask her for that? She may not be crazy like you and your husband.”

“She doesn’t have to be crazy,” said Beth. “She only has to be a slut—like you.”

“Don’t embarrass yourself, Beth,” warned Victoria.

“What would you do if Nick asked you if you were indeed a cock-craving dirty whore?” said Beth.

“Would he do that?” said Victoria.

“Once I tell him my mom’s a cock-craving whore who dreams about having ten guys with big fat cocks grab her and use her thoroughly, leaving her full of come and covered with come, he may think I am making it up,” said Beth.

“Would you tell it to him like that?” said Victoria.

“Of course, mom,” said Beth. “I want to impress him. Though, he may not believe it. He may come to you and say Beth said so and so, is it true? What would you do? You have to admit it and be proud of it.”

“That would be embarrassing,” said Victoria.

“It isn’t embarrassing to be proud of who and what you are,” said Beth. “Being a hot woman with a strong sex drive is something to be proud of. Nick understands that very well, so don’t be shy. Think about it that way.”

“Okay,” said Victoria.

“What would you do if he took his big cock out and asked you to suck it?” said Beth.

“Would he do that?” said Victoria.

“He might put you to the test to verify your claim,” said Beth. “What would you do?”

“I can’t suck it,” said Victoria. “I am a married woman.”

“Wrong answer, mom,” said Beth. “You have to tell him it’s an insult to you. A hot slut shouldn’t be asked to suck cock. When she’s offered a big mouthwatering one, she’ll suck it on her own. She may ask to, but she won’t be asked.”

“What if he said he was offering?” said Victoria.

“In that case, you have to get down to your knees and assess the situation,” said Beth. “If he has a mouthwatering cock that you’d like to suck, you can’t deprive yourself.”

“Beth, I am a married woman, and he’s my son-in-law,” protested Victoria.

“If he’s perverse enough to let you suck it, you can’t deny yourself,” said Beth. “A dirty whore can’t be a prude.”

“Would he let me suck him?” said Victoria.

“That depends on whether he believes you are a good cocksucker,” said Beth. “Just like you wouldn’t waste your time on a mousy cock, a guy with a mouthwatering cock wouldn’t waste his time on a mediocre cocksucker.”

“How would he know if I am a good cocksucker or not?” said Victoria.

“It isn’t embarrassing to suck a big juicy cock,” said Beth. “What’s embarrassing is not to be offered to because one’s thought to be a bad cocksucker or actually sucking it and doing a miserable job at it, proving that one is.”

“I haven’t done that in a long time,” said Victoria.

“Mom, do you sincerely love cock?” said Beth.

“Yes,” said Victoria.

“A sincere cock lover’s already a good cocksucker, or she needs some practice to be one,” said Beth. “Practice on dad daily. Give him a daily blowjob, and do your best every time. He’ll love it and let you do it whenever you want.”

“What if he asked me why I suddenly wanted to suck him?” said Victoria.

“Tell him it may have to do with your hormones,” said Beth. “Don’t tell him you want to suck his cock at first. Gently take his cock out and suck it. If he asked you about what you were doing, tell him to wait for a minute.”

“I’ll try that,” said Victoria.

“You have to,” said Beth. “I may ask him.”

“You won’t,” said Victoria.

“If I were you, I wouldn’t bet on it,” said Beth. “Do your best instead.”

“Okay,” said Victoria.

“Don’t swallow his come though,” said Beth.

“Of course not,” said Victoria.

“Most dirty whores swallow come, but we don’t want dad to know that you are one yet,” said Beth.

“Okay,” said Victoria.

“Mom, being dirty for us is a state of mind, not a state of the body,” I said. “We need to be squeaky clean. Get an enema kit and douche your pussy and ass daily just like you brush and wash your mouth. Clean all your holes well.”

“Do I have to do that?” asked Victoria.

“Of course, mom,” said Beth. “A dirty whore has to be ready all the time. She may get fucked in any hole. The stud may take his big cock out of any hole and stick it into another. All holes have to be clean.”

“I see,” said Victoria.

“If he wants to come in any hole, the hole has to be squeaky clean except for the sticky come,” said Beth.

“Okay,” said Victoria.

“That starts now, mom,” said Beth. “When you suck dad’s cock this evening, all your holes have to be clean.”

“Yes,” said Victoria.

“If you suck his cock well, he may want to eat your horny pussy,” I said. “Be ready for that.”

“That may be true,” said Victoria.

“Mom, you are a dirty whore,” said Beth. “Do you know what we are doing now?”

“What?” said Victoria.

“We are putting your talents to good use,” said Beth.

“I see,” said Victoria.

“I’ll talk to you later, mom,” said Beth. “I now need Nick to fuck my slutty ass hard to be ready for when I have three big cocks thrusting hard in my horny body. Bye.”

“Bye, Beth,” said Victoria.

Beth hung up, and I picked up the pace.

“My mom turned out to be a dirty whore like me,” said Beth.

“I thought you couldn’t have come with those slut genes on your own,” I said.

“Thankfully, I didn’t have to,” she gasped.

“You want me to fuck your slut mom to make sure she’s a cock-craving dirty whore like you?” I said.

“Yes,” she hissed.

“You think your sister could be a whore like you?” I said.

“There is only one way to find out,” she gasped.

“Regardless of who’s a whore and who isn’t, you have a fantastic ass,” I said. “It’s no less beautiful on the inside that it is on the outside.”

“Fuck it hard, baby, and make it come big,” she gasped, bucking her ass.

Her ass got pounded vigorously for about a minute. That sent her to orgasm.

“I am coming,” she gasped.

She came, and I fucked her convulsing ass even harder until her orgasm subsided. I then fucked it gently.

“Your hot ass did a great job today,” I said. “I think it deserves to be flooded with come.”

“I think it does if I have to say so myself,” she gasped.

“I’ll be nice to it and give it more than it deserves because it was very nice to me,” I said.

“Thank you,” she gasped.

She caught her breath and rocked her ass in longer strokes. I matched her pace.

“Your luscious ass deserves a big reward,” I said, fucking her ass at an easy pace.

“It’s so thirsty for your hot sticky come,” she moaned.

Despite the state of her ass, we took our time accelerating the pace until she started to gasp constantly.

“I am going to come very soon,” she gasped. “Come with me, and fill my slutty ass with your hot come.”

“You got it, baby,” I said, drilling her bucking ass vigorously.

“I am coming,” she announced, gasping.

“I’ll be with you,” I said, fucking her ass at a blurring speed.

While she convulsed in orgasm, I slammed into her ass and let go. I made sure to be as deep as possible as I shot the come up her twitching bowels. Her orgasm was long and hard, helping drain my balls deep in her writhing ass. Our orgasms finally subsided, and we slowed down to grinding into each other while she gasped breathlessly for air.

“I almost literally came my ass off,” she gasped.

“It was an incredible orgasm for me too,” I said. “I am not sure I’ve ever come harder than this.”

“I guess we both love to get my horny ass fucked silly and flooded with slimy come,” she gasped.

“You bet,” I said.

“I guess my ass will be getting cock more than a busy whore’s,” she gasped.

“That’s if it’s only my big cock,” I said. “It’s a little more if you become a shared whore like my slut mom.”

“That’s right,” she said.

She milked my cock deliberately while I held her and ground into her. She slowly went down flat on her face, and I followed her, keeping my softening cock up her ass. I showered her face with gentle kisses while she continued to milk my cock until it started to get hard again.

“It was fun breaking in your horny ass,” I said, rising on my hands. “It’s time to get it fucked.”

“Yes,” she hissed as I thrust in her ass, keeping most of my cock in.

My cock got harder, and I squeezed lube on it and worked the lube inside her ass. It moved more smoothly and recovered its stiffness faster. She pushed her ass up and spread it with both hands. I fucked it at an easy pace.

“This is nice,” she moaned.

“Your horny ass is happy?” I said.

“Oh, yes,” she moaned. “It’s full of come, it’s full of cock, and it’s getting fucked. That’s perfect.”

“It’s a perfect ass,” I said.

“Fuck it nice and deep,” she moaned. “It’s so hungry for your big cock. It’s nearly insatiable.”

“My big cock loves it,” I said.

The pace accelerated gradually, and she started to thrust her ass up for more. I pounded her ass until she convulsed in orgasm and fucked it harder until she went limp.

In the following half hour, I fucked her ass hard in several different positions.

“Are you thirsty for my come?” I asked as I fucked her ass gently while she recovered from her last orgasm.

“Yes,” she hissed.

“You need to suck it a little bit,” I said.

“I’d love to,” she said.

She squeezed my cock when I pulled out of her ass. She hopped off the bed and got on her knees on the floor. I stood before her and fed her my cock. She sucked it and deep throated it hungrily until my orgasm arrived.

“I am going to come,” I announced.

That caused her to suck even harder. My cock swelled, and she opened her mouth wide and let my come burst against the back of her throat. She sucked my cock dry and showed me the come in her mouth before she swallowed.

“My pussy’s so jealous now,” she said, rubbing my softening cock over her face. “It needs cock and come.”

“We have to get it fed,” I said.

“You do,” she said.

She remained on her knees until she sucked my cock to full hardness. She then climbed onto the bed. She lay back and spread her legs wide.

“Fuck my pussy, baby,” she said.

Her pussy was wet and sticky. I took my position between her legs, and she guided my cock in. She moaned approvingly when I entered her pussy.

“My horny pussy missed your big cock,” she moaned as I thrust in her pussy. “Did your big cock miss it?”

“Of course,” I smiled. “It’s an important fuck hole in my lovely slut wife’s hot body.”

“Fuck it, baby,” she moaned.

After her first orgasm, I pinned her legs down on either side of her head and fucked her defenseless pussy vigorously, audibly slapping her happy asshole with my balls. She gasped and begged for more.

We changed positions a few times, and I changed holes. I divided my time almost evenly between her three holes. In the end, I came in her pussy in the position we started in with her legs over her head.

“I am temporarily a very happy slut,” she gasped when both our orgasms had subsided.

“Whenever you are not happy, come to me,” I said.

“Of course,” she gasped. “I am sure I’ll do that later today.”

She used her fingers to scoop come out of her slimy pussy and eat it up. I gave her a deep kiss when she was done.

We had lunch out and spent some time in the mall. In the evening, we fucked again.

On Saturday, mom came over and gave Beth and me a lesson in sex, including anal sex. She spent most of the day with us. I fucked the two of them in every hole they had and came in every hole. Each used her fingers to eat my come out of the other’s slimy pussy and ass.

Mom came over and got fucked and filled with come in every hole daily until the following Friday. I fucked both Beth and her in every hole in every position we could think of. Mom taught Beth and me technique and trained me to improve my stamina. She naturally loved it too.

“I feel like I am on my second honeymoon,” said mom once.

“We all do except that Beth and I didn’t get any anal sex in our first honeymoon,” I said.

“In my first honeymoon, I didn’t get my ass fucked like now either,” she said.

Beth called her mom daily while we were alone, getting her ass fucked. Beth’s dad licked his wife’s pussy every time she sucked his cock, making her come in his mouth.

“Give him pointers, mom,” advised Beth. “Help him improve constantly like you want to improve yourself.”

“Okay,” said Victoria.

“Aren’t you happier now that you are taking advantage of being a cock-craving whore?” said Beth.

“Yes,” said Victoria.

“That’s the point, mom,” said Beth. “The more you polish and use your natural talents, the happier you are.”

“I guess so,” said Victoria.

“Mom, you and I want to be shared by a number of big cocks that can fuck us royally, but would you like to share Nick’s big cock with me?” said Beth. “He has a great cock.”

“I can’t,” said Victoria. “I am your mom and his mother-in-law.”

“You are a greedy whore,” said Beth. “You want to have him alone.”

“It isn’t like that,” said Victoria.

“I know,” laughed Beth. “I am kidding. I don’t mind if you fuck him alone anyway. That’s between you and him.”

“I can’t do that either,” said Victoria.

“Maybe not now, but as you hone your skills and nourish your talents, you may,” said Beth.

“I am not sure,” said Victoria.

“Anyway, if you get alone with his big juicy cock, make sure to taste his thick creamy come,” said Beth. “You’ll love it. I’ll now return to my anal workouts. My horny ass needs a serious drilling. Bye, mom.”

“Bye, Beth,” said Victoria.

“I am now ready to talk to dad,” said Beth. “Fuck my ass hard now.”

“What are you going to say to him?” I said, picking up the pace.

“I first need to make sure that he enjoys mom’s blowjobs and eating her juicy pussy,” she said.

“That sounds great,” I said, surprised by her answer.

She came soon, and I fucked her ass gently while she recovered.

Beth called her dad while I spread her ass and fucked it with long slow strokes.

“Hi, Beth,” answered her dad.

“Hi, dad,” she said. “How are you?”

“I am fine,” he said. “What about you? Are you happy?”

“I am very happy,” she said. “Can I talk with you for a few minutes?”

“Sure,” he said.

“Are you alone?” she said. “Can we talk freely?”

“Yes,” he said. “Is there a problem?”

“No, no,” she said. “It’s just a private talk between a girl and her dad about marital life.”

“Okay,” he said. “Go ahead.”

“Dad, does mom really suck your cock daily?” she said, startling him completely.

“What?” he said.

“Mom said she gave you oral sex daily,” she said. “Is that right?”

“Your mom said that?” he said.

“Yes,” she said. “Is she making that up?”

“Beth, I don’t think we should be talking about that,” he said.

“A girl can’t talk with her dad?” she said. “Do you want me to talk to my friends’ dads?”

“You shouldn’t talk about this with anybody,” he said.

“That isn’t an option,” she said. “I have to talk about it with you or with other men married for a long time. Mom had no problem talking with me about it. Are you trying to hide anything?”

“No,” he said.

“Was she telling the truth?” she said.

“Yes,” he said.

“Is she good?” she said. “She says she is, but I want to make sure that you think so too. Please be honest.”

“Yes, she’s good,” he said after a couple of seconds of hesitation.

“She says you like it so much you lick her pussy after she does it every time,” she said.

“Beth, you can’t talk about your mom and me like that,” he complained.

“Dad, I am a big girl now,” she said. “I am no longer a little girl. We are both adults. I am married. I can say cock, pussy and come. You shouldn’t be shy that your little girl has become a big girl. You should be actually proud of it.”

“I am proud of it,” he said.

“Let’s try again,” she said. “Do you like it so much you lick her little pussy to orgasm every time?”

“Yes,” he said after some hesitation.

“Dad, do you enjoy that?” she said. “Most men don’t enjoy licking pussy. They just want their cocks sucked.”

“I enjoy it,” he said. “Every husband should enjoy making his wife happy.”

“I guess mom’s a lucky woman,” she said.

“She’s a good woman,” he said.

“Does she swallow your come at the end?” she said.

“No,” he said.

“Do you think swallowing is disgusting, dirty, erotic, hot or wild?” she said.

“I think it’s okay but not necessary,” he said.

“Wouldn’t you think she was acting like a slut if she swallowed your come?” she said.

“I’d be surprised,” he said.

“I’ve actually talked mom into giving you daily blowjobs because it’s fun,” she said. “I’ve also asked her not to swallow your come so you wouldn’t think she’d become a whore.”

“Oh!” he said. “You talked her into that?”

“Yes, but you don’t have to thank me if you like it,” she said. “I asked her to do her best and try to improve as much as she could. Is she getting better every time?”

“Yes,” he said.

“I am glad mom’s becoming a good cocksucker,” she said.

“Beth, I am not sure you should talk like that about your mom,” he chided.

“It’s okay, dad,” she said. “I talk to her like that all the time. She’s okay with it.”

“I didn’t know that,” he said.

“She said you had an average cock,” she said. “Is that right?”

“She said that?” he said. “You talk about that?”

“Mom and I can talk about anything,” she said. “We are open like mothers and daughters should be.”

“I am not sure mothers and daughters are supposed to talk about these things,” he said.

“Dad, that’s how a generation passes its experience and wisdom to the next generation,” she said. “Otherwise, every generation would have to reinvent the wheel.”

“I see,” he said.

“Your cock’s of average size?” she said.

“Yes,” he said, not having the will to keep arguing about it.

“Sucking big cocks is harder than sucking average cocks,” she said. “Mom should do a great job on yours.”

“Okay,” he said, wondering what else he could say.

“Would you like her to try Nick’s big cock for training?” she said. “That would make her even better with yours.”

“Beth, married women don’t do that,” he said.

“Don’t worry about that, dad,” she said. “Wouldn’t you want her to be a better cocksucker?”

“Sure, but not like that,” he said.

“If I am able to talk her into trying Nick’s big cock, you don’t want me to tell you about it?” she said. “She obviously wouldn’t tell you about it. I am the only one who can. Do you want her to do it behind your back?”

“I don’t want her to do it,” he said. “I don’t think she would either.”

“Don’t worry about that,” she said. “Leave it to me. I’ll do my best to persuade her. You’ll get a better cocksucker.”

“Beth, you shouldn’t do that,” he said.

“When one’s parents are too stubborn to do what’s good for them, the kids should help,” she said.

“Beth, what you think is good for others may not be good for them,” he said.

“Of course not, dad,” she said. “I won’t force anybody to do anything. You’ll just get a better cocksucker. I may or may not be able to persuade mom to share Nick’s big cock with me. That’s up to her. Don’t you trust her?”

“Of course,” he said.

“So, relax, and let me do my job,” he said.

“Okay,” he said.

“Now, I need to get Nick to fuck my horny little asshole hard with his fat cock because I love that so much,” she said. “I’ll talk to you later. Thank you for letting me talk with you about very personal stuff. Bye for now.”

“Bye,” he said.

Since Beth liked talking with her parents while I fucked her ass, she started making and taking phone calls with her friends while I fucked her ass. At the end of the calls with her closest friends, she told them that she had been getting fucked in the ass throughout the call.

During the week of training, Beth’s and my skills improved from level four to eight on a one to ten scale, average people being at level two to three. We were finally ready to meet dad.

BETH MEETS DAD

On Saturday, Beth and I visited mom and dad before lunch. Beth had sucked my cock for over two hours earlier while wearing a fat butt plug and exercising her anal muscles on it. She fingered her leaky pussy but did not make herself come. She practiced like she was going to the Olympics. She did not let me come either though.

“We need to be extremely horny, and I want you to impress them with your big come load,” she reasoned.

Mom let us in, and Beth and I kissed her deeply at the door.

“Are you ready to watch your wife get fucked royally?” said mom, squeezing my cock.

“I’ll be too busy helping dad watch you get fucked,” I said, squeezing her ass.

“That’s the spirit,” she smiled.

We greeted dad, and mom and Beth sat on either side of me while we chatted.

“Beth, do you want to help me with lunch?” said mom, getting up.

“Sure,” said Beth, getting up right away.

Beth and mom went to the kitchen, leaving me with dad.

“Are you ready for this?” asked dad. “The first time you see someone else have sex with your wife can be tough.”

“I think I am ready,” I said. “I won’t be watching passively either.”

“That makes it easier, but it may still be tough,” he said. “It happened to me very long ago.”

“How did you deal with it?” I said.

“You have to trust your wife even if she meets someone who’s better at sex than you,” he said. “At the end of the day, she’ll still be your wife, and he’ll still be someone else. He won’t steal her, and no woman will steal you.”

“Okay,” I said.

“Imagine that you met the best lover in the world and had sex with her,” he said. “Would you leave your wife?”

“Of course not,” I said.

“The same goes if she met the best lover in the world and had sex with him,” he said. “You’ll always have each other. If that broke you apart, you shouldn’t have been together in the first place. Marriage’s stronger than a little sex.”

“I understand,” I said.

Beth and mom made lunch, and we had lunch together.

Dad sat in his chair, and Beth and mom sat on either side of me on the sofa. We chatted for several minutes.

“Dan, Beth wants to demonstrate her oral skills for you,” said mom.

“Does she think she’s good enough?” said dad.

Beth blushed.

“She might not be the best cocksucker you’ve ever seen, but she’s more than good enough,” said mom.

“She looks too shy for that,” he said, looking at Beth.

“She’s always shy in the beginning, but she warms up fast,” said mom.

“I hope so,” he said.

“I am sure of that,” she said.

“Do you want to demonstrate your skills?” he asked Beth.

“Yes,” said Beth shyly.

“Do you need a formal invitation?” he teased.

“No,” she said.

“Go ahead,” he said.

Beth got up and walked to him. She knelt before him. Mom and I watched while she stroked my hardening cock.

“Don’t be shy,” said dad as Beth reached for his fly.

“Now, you must think she’s shy and innocent,” said mom as Beth set dad’s hardening cock free. “You’ll soon find out that she’s one of the dirtiest girls you’ve ever met. Just give her a little time.”

“You are raising my expectations,” he said as Beth rid him of his pants and underwear.

“I wouldn’t have introduced her otherwise,” said mom.

By that time, dad’s cock had become mostly hard. Beth inspected it visually.

“Do you like it?” he said.

“It’s big, fat and beautiful,” she said.

“Do you like it?” he said.

“All women love beautiful cocks,” she said.

“What about you?” he said.

“I am obviously a woman,” she said.

“So, you like it?” he said.

“Yes,” she said. She teased his cock head with her tongue tip without touching it with her hands. That made his cock dance around her tongue. “That isn’t the right question to ask though.”

“What do you mean?” he said as her tongue played with his cock head, keeping his cock dancing.

“You haven’t met a woman like me yet,” she said.

“Of course not, but in what sense?” he said.

“I am not one of your swinging club whores,” she said. She tickled the underside of his cock with her tongue tip, making it twitch. “When you show me your big beautiful cock, don’t expect me to be all yours.”

“Of course not,” he said.

“I am not going to do your bidding,” she said. “Don’t expect me to be a slave to your big cock. It’s big and hard, and it’s ready to be sucked and fucked. If it thinks I’ll be its little whore, it’s mistaken although I am tempted.”

“What do you want?” he said.

“Let’s forget about what I want because I am going to get it,” she said. “Let’s talk about what you want because you may not get it. Your big cock’s begging to be sucked. It’s a mouthwatering cock.”

“You don’t want to suck it?” he said as she teased his leaky cock head.

“My mouth wants to suck it and even deep throat it,” she said.

“Go ahead,” he said. “Suck it, and deep throat it.”

“It’s more complicated than that,” she said. “Your big cock must be used to being spoiled rotten. That’s going to change now. I am a newlywed. Your big cock has to spoil *me* rotten.”

“Of course,” he said. “My big cock’s used to spoiling women rotten.”

“It’s easy to spoil your slaves rotten, but I am not a slave to your big powerful cock,” she said.

“It’s going to spoil you rotten too,” he said.

“You are taking that lightly just like you would for your slaves,” she said. “You don’t know what I want. How can you spoil me rotten if you don’t know what I want?”

“What do you want?” he asked.

“What does a woman playing with your big cock want?” she said. “She obviously wants to get fucked royally.”

“That’s easy,” he said. “You got it.”

“Your big cock’s making my little pussy so wet,” she said. “My pussy needs to get fucked nice and hard.”

“It will get that and then some,” he said.

“You still don’t get it,” she smiled. “You aren’t taking it seriously. Your big cock wants me to do its bidding, but I want it to do my bidding instead. Is it capable of doing my bidding? Are you?”

“Of course,” he said.

“You are willing to lick me, suck me and fuck me the way I want?” she said.

“Absolutely,” he said.

“Your big hard cock’s begging to be sucked, and my mouth’s watering,” she said. “It’s begging to suck it and deep throat it, but you are not.”

“What do you mean?” he said.

“Your big mouthwatering cock’s begging to be sucked, but I am a good girl,” she said. “A good girl doesn’t suck and fuck a big fat cock just because it’s begging for her holes.”

“What more do you want to suck it and fuck it?” he asked.

“I want you to want that too,” she said.

“Of course, I want it,” he said. “Can’t you see how big and hard my cock is?”

“That’s how I know that your big cock wants it,” she said. “You need to speak for yourself though.”

“I want it too,” he said.

“Your big cock’s begging for it,” she said. “You are not.”

“You want me to beg you to suck my big cock?” he said.

“That’s right,” she smiled. “A good girl shouldn’t suck a cock no matter how big and mouthwatering if it doesn’t need her to suck it. Besides, you promised to do things my way.”

“Do you know that I’ve never begged a woman to suck my big cock?” he said.

“Didn’t I tell you that you’d never met a girl like me?” she smiled.

“You did,” he said.

“Go ahead,” she said. “Do it my way.”

“Please suck my big cock,” he said as she teased the underside of his cock from the bottom to the top.

“That didn’t sound sincere,” she said. “You let your beautiful cock down. You did it like you didn’t care about it. You have such a gorgeous cock. You can’t be so nonchalant about it. Men who do that don’t deserve their cocks.”

“Please suck my big cock, you hot cocksucker,” he begged.

“By entering my mouth, your big cock promises to do things my way,” she said.

“Yes,” he said.

“You’ve just promised to do my bidding,” she warned.

“Yes,” he said.

“You are my sex slave,” she teased, smiling.

“You are a wicked woman,” he said.

“I told you she wasn’t as shy and innocent as she looked,” said mom.

While we followed the conversation, mom massaged my hard cock through my pants.

“You didn’t say she was this wicked,” he said. “Let’s see if she’s as dirty as you said.”

“You like dirty girls?” said Beth.

“Yes,” he said.

“You won’t forget this girl,” she said. “You can’t say no, no matter how dirty I am though.”

“I won’t,” he said.

“Your whores will look like shy virgins compared with me,” she said.

“Don’t talk big and be all talk and no action,” he said.

“Don’t worry, but practice what you preach,” she said.

“I will,” he said.

His cock had been rock hard for a while. She applied more of her tongue to his cock head. She licked the clear fluid leaking at the tip with her tongue tip and took the head in her mouth. She sucked it gently, making it leak more.

“I like that,” he said.

“Your big cock’s a treat to suck,” she said. “It’s so nice to me. I appreciate this opportunity.”

“It’s very nice to good girls,” he said.

“What do you know about good girls?” she teased.

“I’ve met quite a few good girls long ago,” he said.

“Times changed,” she said. “I am different.”

“Of course, you are,” he said. “I’ve never met a girl as wicked as you.”

“You haven’t met me yet,” she said. “I’ve only sucked the head of your mouthwatering cock.”

“I am looking forward to meeting you,” he said.

“I am so excited about meeting your big cock,” she said. “I think it likes me already.”

“Of course, it does,” he said.

“I’ll be very nice to it,” she said.

“He’ll be very nice to you,” he said.

“He has to,” she said. “He and you promised.”

“We’ll keep our promise,” he said.

“I am going to tame this big powerful cock,” she said.

“You think you can?” he said.

“As long as you keep your word, I’ll keep mine,” she said.

“You got that,” he said.

“It’s a big challenge, but I am a big girl,” she said.

“You sure are a big girl,” he said as he reached out and squeezed her left tit through her top.

“You wouldn’t know that by the size of my little pussy or littler asshole,” she said.

“I bet I can tell by how wide they can stretch,” he said.

“That’s true,” she said. “My other holes can’t wait to show you that they belong to a big girl.”

“I can’t wait to see that either,” he said.

Beth started to moan while sucking and licking his cock head.

“You are not bad,” he said approvingly.

She moaned her acknowledgment.

“I am sure Nick has done a good job training her,” said mom as she knelt before me.

“He apparently has,” he said.

My cock had been rock hard too. Mom took off my pants and underwear, setting it free.

“Like father, like son,” said mom. “Your son has a big juicy cock too.”

“I hope he can use it as well,” he said.

“He’ll make you proud,” she said. “He’s good already, but I am sure he’ll soon be better than his dad.”

“You think so?” he said.

“I’ll make sure that he will,” she said. “He has his mom to coach him. You didn’t.”

“I see that he’s stealing his mom from me already,” he said.

“Nobody can steal mom,” I said. “She’s the hottest woman in the world.”

“You are using flattery too,” he teased.

“It won’t be theft, but, if you fuck me better than your dad does, you can fuck me more than he does,” she said.

“I’ll do my best even if there is no reward,” I said.

“There is always a reward for doing your best,” she said. “You become better and better, and that’s a great reward.”

“What about you, sweetie?” he said to Beth. “If I fuck you better than he does, will you let me fuck you more?”

“I will, especially if you do my bidding,” she said. “Are you willing to be my sex slave?”

“That depends on you,” he said. “If you are good enough, you can make me.”

“I am good enough,” she said. “He may not like that though.”

“If he has you, I’ll have mom,” I said.

“That works both ways,” she said. “If you have your mom, he can have me. I won’t sit back and just watch.”

“We are all set,” I said.

“I am confident that Nick will be one of the best studs in no time,” said mom.

“Meanwhile, I’ll be coaching his ambitious sexy wife,” he said.

“If we do a good job, the two of them will be better than us,” she said.

“That’s good parenting,” he said.

“Most importantly, it’s great fucking and sucking,” she said.

“That’s right,” he said.

“I intend to be a better slut than you,” Beth said to mom. “Be careful.”

“You are indeed ambitious,” said mom.

“Women were meant to be good sluts,” said Beth. “Why shouldn’t I aspire to be my best?”

“You should, just like I do,” said mom.

Mom’s tongue danced all over my cock and balls while I watched Beth try to impress dad and succeed. My eyes spent more time on Beth than on mom. The eagerness with which Beth sucked dad’s cock made me jealous at some points. Mom sensed that and picked up her cock sucking efforts. Mom often copied what Beth did to my cock. She added her own tricks to emphasize her superiority. Dad obviously had a great time.

“Amy wasn’t kidding,” said dad. “You are a very good cocksucker.”

“Thank you,” said Beth happily.

“You are obviously a natural cocksucker,” he said. “I am happy to enjoy your charms.”

“You have a delicious cock,” she said. “I love sucking it and making it happy, and it likes the attention.”

“That’s the point,” he said.

“Don’t be shy, Nick,” said mom. “This is my favorite cock. The better cocksucker enjoys the better cock.”

“Thanks, mom,” I said. “You are my favorite cocksucker too.”

“Your mom’s more than a cocksucker,” she said. “I’ll do my best to be your favorite slut.”

“You already are,” I said.

“Enjoy your superiority while it lasts, Amy,” said Beth. “You’ll soon have serious competition.”

“Competition brings the best out of people,” said mom. “You couldn’t suck cock to save your life before you saw me. You are becoming a serious rival.”

“I’ll forever be indebted to you, but that doesn’t mean that I don’t want to beat you at your own game,” said Beth.

“I am sure our husbands will cheer both of us to be better and better because they are the beneficiaries,” said mom.

“That’s right, but they may not be the sole beneficiaries,” said Beth.

“They’d be indirect beneficiaries because that’s extra practice,” said mom.

“It is,” said Beth.

Beth deep throated dad’s cock eagerly, and mom, mine.

“Fuck her,” said mom. “Let’s see how she performs under pressure.”

“You are a woman, Amy,” said Beth. “You know that fucking releases pressure.”

“It does, but it breaks concentration,” said mom.

“It’s a stimulus though,” said Beth.

“Give her your big stimulus, baby,” said mom.

Mom sat on the sofa, and I knelt behind Beth.

When I hiked Beth’s short dress, her bare ass greeted me. I had not known that she was without panties. Her pussy was dripping. She gasped when I brushed her pussy with my cock head.

“Do you want my big cock, Beth?” I said, rubbing her leaky pussy with my cock head.

“Yes, I do,” she teased, looking at dad. “My little pussy’s so hungry for your big cock. I need it bad.”

“Do you need it bad enough to beg for it?” I teased.

“Oh, yes,” she teased, holding dad’s eyes. “Please fuck my horny little pussy with your big cock. Show your dad how hungry for big cocks my little pussy is so he can fuck it properly and fill it with hot sticky come. It loves come.”

“You are a dirty girl,” said dad.

“Is that right?” she teased.

“Yes,” he said. “Nick must be a lucky guy.”

“Like you are not,” I said, pushing my hard cock into her soaked pussy.

“Oh, yes,” she teased. “Feed that cock-craving bottomless hole. It’s so horny it can probably take a two-foot cock.”

“You are a real slut, aren’t you?” he said as I thrust in her pussy.

“I think so,” she smiled, pushing her pussy back into me.

“You sure can talk dirty when getting fucked,” teased mom. “Can you do other things with your mouth though?”

“I can moan,” teased Beth.

“Can you suck cock?” said mom.

“Let’s find out,” said Beth.

Beth returned to sucking dad’s cock. I held her hips and fucked her pussy with random thrusts without a rhythm. She gasped occasionally because of that. Her pussy leaked profusely around my cock.

“You are soaked,” I said. “You like this.”

“What woman wouldn’t love two cocks at the same time?” she said.

“I don’t,” said mom. “I prefer three cocks at the same time.”

“I am sure I would too if I could get a third cock,” said Beth.

“Mom, you are corrupting her,” I said.

“Your wife can corrupt a catholic school including the staff,” said mom.

“Thanks to you,” I said. “She wasn’t like that before you influenced her.”

“I let the genie out of the bottle,” she said. “Now, we need to deal with her.”

“Speaking of the bottle, where is the lube,” I said.

“You think the lube would make it easier to stuff the genie back into the bottle?” she laughed.

“I think it will make it easier for me to stuff my cock up the genie’s ass,” I said.

“Let me get it,” she said, getting up.

“You can’t fuck my ass before you make me come,” said Beth as I wormed my thumb up her ass.

“Given how wet you are, that’s going to be a big challenge,” I teased.

“It’s a big challenge for me if I want to suck cock while I come,” she said.

“Okay,” I said as mom handed me the lube.

While I fucked Beth’s pussy at an easy pace, I used my thumb up her ass to pace her while reaming out her asshole. She sucked dad’s cock more actively, moaning happily around it.

“She does a better job while getting fucked,” said dad.

“I am better at everything when I have a big cock or more inside me,” she said.

“Nick, she wants you to fuck her more often even when she’s busy doing something else,” he said.

“I’ll do that when she’s busy and let her suck my cock when I am,” I said.

“If you are both busy, you can call us,” said mom.

“That’s right,” he said.

“I’ll make sure to take advantage of that,” I said.

“You don’t have to be busy either,” she said.

“I’ll remember that,” I said.

The fucking pace accelerated, and the sucking pace followed suit.

“Suck it, you little cocksucker,” urged dad.

She did not need an invitation.

“Make me come, baby,” she gasped.

To her credit, Beth stiffened and came, gushing on my cock while her lips were wrapped around dad’s cock. I pounded her pussy hard while both her holes twitched madly around me. She gasped around his cock while sucking it hungrily. He held the back of her head and bobbed it on his cock. She only took her mouth off his cock after she caught her breath while I fucked her drenched pussy gently.

“I did it,” she said.

“You sure did,” he said.

“Let’s see how you do it when fucked in the ass,” I said.

“I’ll do even better,” she said. “My little asshole loves big cocks even more than my horny pussy.”

Beth’s asshole gaped when I pulled it all the way to the side. I squeezed lube inside it, and, as I pulled my thumb out, I squeezed lube on her asshole.

“You said your asshole loved big cocks even more,” I said, rubbing her asshole with my dripping cock head.

“I did, and I meant it,” she said.

“Beg for it,” I said.

“Please fuck my cock-hungry asshole with your big cock,” she said.

“You can’t take your mouth off dad’s cock while my cock’s up your ass,” I said.

“Okay,” she said. “I’ll suck his big cock better too.”

“Nobody has ever done that for me,” said dad.

“You shouldn’t be surprised,” she said.

“Nick, you have an amazing wife,” he said.

“Yes, thanks to mom,” I said.

“No, that isn’t right,” he said. “She’s amazing in her own right.”

“That’s true too,” I said.

“Beth, I am ready when you are,” I said.

She silently took his cock in her mouth and proceeded to suck it eagerly. I pressed my cock into her asshole, and it sank slowly in until my balls pressed into her soaked pussy.

Mom knelt next to me and spread Beth’s ass.

“Fuck her horny ass, baby,” urged mom. “The poor slut can’t talk. I have to talk on her behalf.”

“You are a great mother-in-law, mom,” I said.

“I hope one day to be a great mom too,” she said.

“You already are,” I said, squeezing her ass.

“Fuck your slut wife’s horny ass, darling,” she urged.

“You got it, mom,” I said, fucking Beth’s ass at an easy pace.

“She did, baby,” said mom.

“She has a slutty ass,” I said. “This is what it was made for.”

Beth meanwhile sucked dad’s cock hungrily, moaning around it.

“Stretch her little asshole wide and stuff her cock-hungry ass,” said mom. “Use her tight ass.”

“I am fucking it balls deep,” I said.

“She obviously has a greedy ass,” she said. “Keep feeding it.”

“She’s a greedy whore,” I said. “All her holes are greedy.”

“She’s lucky you have a big cock,” she said. “Your dad’s helping too.”

“She’s a sexy woman,” I said. “Very few men can avoid doing her bidding.”

“She’s swallowing big cocks at both ends and begging for more,” she said.

“Her sizzling ass is so hungry for cock you can’t believe it’s been getting it to satiation every day,” I said.

“You helped her build a big appetite for cock,” she said. “Now, you need to help feed that appetite.”

“Dad, is she as greedy at your end?” I said.

“Oh, yes,” said dad. “She’s sucking my cock so hungrily like she’d die if she stopped for a second.”

“Is she doing a good job, or is she just a wild animal feeding?” I said.

“She’s doing a great job,” he said. “She’s keeping her promise to do a better job than before.”

“Her ass is sizzling hot,” I said. “It’s incredible to fuck. I can fuck it all day.”

“I can’t wait to try her juicy pussy and tight ass,” he said. “She’s definitely a serious slut.”

“All she needs is a little experience,” I said.

“She’s getting that experience right now,” he said. “Your mom better look out.”

“My eyes are wide open,” said mom. “So are my other holes.”

“I’ll open them even wider after I am through with my slut wife,” I said, squeezing her ass.

“They can’t wait,” she said. “They are hungry for your fat cock.”

“I’ll give them their fill,” I said.

“Now, fuck this slut’s horny ass harder,” she said. “Put her through her paces. Show your dad how good she is.”

“I am actually impressed,” he said. “It took you at least a year to be this good.”

“I didn’t have a dirty whore to coach me,” she said.

“That’s true,” he said.

Beth devoured dad’s cock more hungrily as I picked up the pace.

“The harder you fuck her, the better she sucks my cock,” he said.

“I am proud of her,” I said. “She isn’t wasting any time with her mouth.”

“No kidding,” he said.

Although I did not want that to end, I wanted to fuck mom, so I had to fuck Beth harder and harder. She fucked back energetically while sucking dad’s cock with increasing appetite. She did not even slow down sucking his cock when she stiffened.

“The slut’s coming,” said mom. “Fuck her horny ass harder.”

Beth convulsed in orgasm, and I drilled her twitching asshole harder until her orgasm subsided and she went limp. She continued to suck dad's cock albeit more gently as I fucked her ass slowly. I continued to thrust in her ass until she caught her breath. She took her mouth off his cock only when I pulled out of her ass.

"Put your big cock back in my ass," said Beth. "I want to get double penetrated now."

My cock effortlessly slid back up her ass.

"Help me squat on your dad's cock," she said.

"Are you ready?" I asked dad as I wrapped my arms around Beth's waist tightly.

"Yes," he said as he slid down in his seat.

Beth rose on her feet and climbed astride dad while I held her ass to my cock. Mom held dad's cock and helped maneuver it into Beth's drenched pussy. Beth moaned as his cock entered her pussy.

"This is good," moaned Beth, lowering her pussy on his cock.

While Beth impaled her pussy, I took her dress off. She had not been wearing a bra either, so her tits made an appearance. I squeezed them, and dad sucked her nipples, one and then the other.

"Fuck my nether fuck holes," urged Beth.

Dad and I took a minute to establish an easy rhythm, moving in opposite directions.

"Dan, did I suck your big cock well while Nick fucked my ass?" she moaned.

"You were wonderful," said dad.

"I think I can be even a better cocksucker with two big cocks in my other holes," she moaned.

"I hope I can try that," he said.

"Me too," she said.

"I am sure you'll enjoy it no less than I do," said mom.

"I think so," said Beth.

"Your wife's a real slut, Nick," said mom.

"She's the real deal," I said.

"I love cock," moaned Beth. "Why shouldn't I be very good with it?"

"You should," said mom.

"I know it's premature, but I am going to come very soon," gasped Beth.

"Come whenever you want, sweetie," said dad, picking up the pace.

"That's why I am here," she gasped as I matched dad's pace.

"Fuck the whore in both holes," urged mom while she watched dad's and my cocks pump Beth's stretched holes.

"I am coming," gasped Beth.

Beth stiffened and convulsed wildly. I held her hips tightly and dad held her waist while we pounded her twitching holes vigorously. She naturally had her wildest orgasm ever, and then went limp. I thrust gently in her ass while she recovered. Dad just relaxed.

"That was incredible," gasped Beth. "I definitely love this."

"You sure do," said mom.

“Can we do it again?” gasped Beth.

“I can’t see why not,” I said.

“Let’s do it,” she gasped. “Your dad does my bidding. Isn’t that right, Dan?”

“Yes,” said dad.

“Fuck the cock-craving whore, boys,” urged mom as I picked up the pace.

We established a brisk pace right away. Beth moved her ass in rhythm.

“This is how I always should be fucked,” gasped Beth. “I am though missing a cock in my mouth.”

“I bet your mouth in this position is no less fun than your other holes,” said dad.

“You know best,” she gasped. “I’ve never sucked Nick while getting fucked.”

“He should try it today especially when you are getting fucked hard in the ass,” he said. “He can’t miss it.”

“I will—try it that is,” I said.

Beth came within a few minutes.

“I am coming again,” gasped Beth, stiffening. “I love this!”

She shook in orgasm, and dad and I fucked her convulsing holes hard until her orgasm subsided.

“I can’t wait to try three cocks at the same time,” gasped Beth.

“It will be worth the wait,” assured mom.

“Let me suck your big cock, Nick,” gasped Beth. “Dan, when he pulls out, stick three fingers up my ass.”

“Okay,” said dad as I pulled out of her ass.

Dad’s fingers replaced my cock, and I climbed on the chair and pushed my cock in Beth’s face. She turned to the side and swallowed my cock. She rode dad’s cock while sucking mine hungrily. He finger fucked her ass.

“She’s a cock-hungry slut,” said mom.

“She sure is,” I said, thrusting in Beth’s eager throat.

Beth deep throated my cock hungrily until she came on dad’s cock and fingers. She let go of my cock only when her orgasm subsided.

“Did you like that?” she gasped, looking up at me.

“You are good,” I smiled as I climbed off the chair.

“I need to get fucked now,” said mom, leading me by the hand to the sofa.

“Nick, come back here so your dad can guide your big cock into his wife’s cock-craving pussy like she guided his cock into my horny pussy,” said Beth.

“Why don’t you guide him in like she did?” said dad.

“You are the hosts,” she said.

Mom led me back to the chair. She bent over and hiked her dress, exposing her bare ass.

“Fuck me, baby,” urged mom as I aimed my cock at her dripping pussy. “Guide him in, honey.”

“You are so horny you forgot to beg for what you need,” I teased, touching my cock head to her leaky pussy.

“Please fuck me with your big cock, baby,” she begged.

“Now, you sound like a real slut,” I said.

“Guide him in, Dan,” said Beth.

Dad held my cock and steadied it as I pressed into mom’s wet pussy.

“Fuck me like the slut I am,” said mom, pushing her pussy back.

“You got it,” I said, thrusting in her horny pussy.

“Pound my pussy, baby,” she urged.

“Have you ever guided another cock into your slut wife’s cock-hungry pussy?” said Beth.

“No,” he said.

“This is the beginning of a new era,” she said. “You should help your slut wife whore herself.”

“You are so dirty,” he said.

“Be a good husband, and ask the other guy to fuck your slut wife hard,” she said.

“Fuck your slut mom hard, Nick,” he said.

“You got it, dad,” I said, picking up the pace.

“That wasn’t good enough,” she said. “Be nice. Say please, and refer to her as your slut wife, not his slut mom.”

“Please fuck my slut wife hard, Nick,” he said.

“Sure, dad,” I said, fucking mom harder.

“Are you going to fill my pussy with come?” Beth said lowly to dad.

“Yes, but not now,” he said.

“You can’t fuck my ass until you do that,” she said, squeezing his cock and fingers with her holes.

“I will but after I fuck you for a while,” he said.

“I want you to fuck my pussy royally,” she said. “After Nick discovered my ass, my pussy started to feel jealous because my ass got fucked more than it did. My pussy gets more cock than before, but it’s still jealous.”

“Don’t worry,” he said. “I’ll fuck it well.”

“Do you want to fuck me from behind like a bitch like Nick’s doing to his slut mom?” she said.

“Yes,” he said.

She dismounted him, and he got up. She knelt on the chair, pushing her ass out, and he entered her pussy.

“Fuck me like a bitch, Dan,” she urged. “You thought you could fuck me very well. Show me.”

“You got it,” he said as he held her hips and picked up the pace.

“Put your big cock to good use,” she urged. “Wasn’t it made to fuck cock-craving sluts?”

“Yes,” he said.

“You may never find a slut that craves cock more than I do,” she gasped. “Use that big cock.”

“You’ve come to the right place, Beth,” he said. “You are going to get fucked.”

“That’s why I am here,” she gasped. “Give it to me.”

Dad and I fucked hard. Beth beat mom to orgasm by seconds. They then echoed each other’s gasps and moans.

“You can play with my asshole any way you want,” gasped Beth. “You just can’t fuck it before you are done with my cock-hungry pussy. Use your fingers. Stretch my asshole. Use me like the horny slut I am.”

Dad stuck both thumbs up Beth’s asshole.

“Please fuck my ass, baby,” gasped mom.

Although my cock was dripping, I squeezed lube on mom’s asshole.

“You need to guide him into her ass too,” gasped Beth as mom spread her ass with both hands.

Dad did not argue. He held my cock as I entered mom’s spread ass. My cock slid smoothly in, making her moan.

“Yes, fuck it,” hissed mom.

When my cock was most of the way in, I held her hips and drove my cock balls deep. I proceeded to fuck her ass at an easy pace. She fucked back moaning.

“Oh, yes,” hissed mom. “Fuck my horny ass with its favorite cock. Make my slutty asshole feel good.”

“I am making my big cock feel good too,” I said.

“Open my asshole wide,” gasped Beth, bucking her ass energetically.

“I can’t wait to fuck it,” said dad.

“You are going to fuck it once you satisfy my demanding pussy,” she gasped. “You think you can?”

“Of course, I can,” he said.

“You are still taking it lightly,” she gasped. “I have a serious pussy. You have to take it seriously.”

“I am taking it seriously,” he said. “I am fucking it hard.”

“That isn’t good enough,” she gasped. “I am not one of your dirty whores that you can get by the dozen when you wave your big fat cock at them.”

“I am going to satisfy your horny pussy no matter what it takes,” he said.

“Are you sure?” she said.

“I am sure,” he said. “I’ll do that, or I’ll die trying.”

“I won’t let you risk your life,” she gasped. “You just need to be dirty enough to fuck my ass.”

“I can do that easily,” he said.

“You didn’t even ask what it takes,” she gasped.

“I can do it whatever it takes,” he said.

“I am not one of those whores that you can fill their pussies with come and walk away,” she gasped.

“I am not going to fill your pussy with come and walk away,” he said. “I am going to fuck your ass silly too.”

“Not before you are done with my pussy,” she gasped.

“What does your pussy need more?” he asked.

“I’ve just said it,” she gasped. “You can’t fill it with come and walk away. You have to clean it up.”

“What do you mean?” he said.

“You have to lick it clean,” she gasped. “You are not going to fuck my ass while my pussy’s oozing slimy come.”

“You want me to lick your come-filled pussy?” he said.

“Until it’s squeaky clean,” she gasped.

“You are a dirty slut,” he said. “I’ve never done that before.”

“If you want to go back to your dirty whores, go ahead,” she gasped. “I am a good girl. I can’t ooze come. The stud who fucks me has to show respect to my holes when he’s through with them.”

“You are a wicked bitch,” he said.

“You can’t be a good sex slave for a novice for a couple of hours?” she teased.

“I can,” he said. “You’ve done for me something nobody has ever done. I am going to eat your come-filled pussy.”

“And ass if you want to fuck it,” she gasped.

“And ass, you filthy bitch,” he said.

“I am impressed,” she teased.

“So am I,” he said. “I didn’t imagine you could be this dirty.”

“Why not?” she gasped. “Wickedness is a talent.”

“You are right, and you got it in spades,” he said.

“I have a big heart that pulses with the love of cock,” she gasped.

“And a very dirty mind to top it off,” he said.

“Isn’t that how every woman should be?” she gasped.

“Yes,” he said.

“You are now fucking a role model woman like a bitch,” she gasped.

“This is how you should be fucked,” he said.

“I am going to come to show you that you are right,” she gasped.

Beth stiffened within seconds. She shook in orgasm, and dad fucked her gushing pussy hard until she went limp. Meanwhile, mom had a wild orgasm while I pounded her twitching ass.

“Your son’s apparently doing a great job on his slut mom’s horny ass,” gasped Beth.

“He is,” he said.

“Have you ever eaten come out of it?” she said.

“No,” he said.

“I am going to beat her to that,” she said.

“You are much wickeder than your years,” he said.

“How do you know I am not in my wickedness prime?” she said.

“You probably are,” he said.

“You prefer to fuck innocent girls and turn them into dirty whores that worship your big cock?” she teased.

“I prefer fucking you,” he said.

“I intend to do to you like you do to those innocent little sluts,” she said.

“I bet it will be a lot of fun,” he said.

“You think you’d enjoy being my boy toy?” she teased.

“I wasn’t a boy toy in my youth,” he said.

“Are you ready to make up for it?” she said.

“I am as ready as ever,” he said.

“If you are sincere, you’ll be my favorite sexy toy,” she said.

“I am looking forward to that,” he said.

“Show me you are worthy of being my boy toy,” she said. “Fuck my cock-craving pussy like you should.”

“Your slut wife’s toying with your dad,” said mom.

“Let them have fun,” I said.

This time, mom beat Beth by minutes. Actually, mom came again right after Beth came.

“Let me roll over so you can pound my horny pussy from above,” gasped Beth.

“Sure,” said dad, pulling out of her drenched pussy.

She got onto her back and pulled her legs over her head.

“Fuck my greedy pussy, Dan,” she urged.

He entered her pussy and proceeded to fuck it briskly.

“It’s so nice to have a dependable fuck toy,” she gasped.

“You like my big cock?” he said.

“Of course, I do,” she gasped. “The cock’s a very important part of a boy toy.”

“It is,” he said.

“My horny pussy likes its new toy,” she gasped.

“It’s running like a river,” he said.

“It loves cock so much,” she gasped.

“It should,” he said.

Beth came a little before mom did.

“Beth, why don’t you bring your boy toy here and get fucked next to me?” gasped mom, leading me to the sofa while my cock was still up her ass.

“That’s a good idea,” said Beth.

Beth got up and led dad by his dripping cock.

Beth lay on her back next to mom and pulled her legs over her head. I arranged mom into a similar position. I lubed mom’s asshole, working the lube deep inside her ass with two fingers. Dad entered Beth’s pussy seconds before I entered mom’s ass. Mom and Beth held hands. I pinned mom’s legs down and proceeded to fuck her ass briskly. Dad fucked Beth similarly.

“Fuck our slut daughter-in-law royally, honey,” gasped mom.

“I am doing just that,” said dad.

“Your wife’s being nice to me,” gasped Beth. “I want to be nice to her. Beg your son to fuck her horny ass silly.”

“Please fuck my slut wife’s horny ass silly, son,” he said.

“Of course, dad,” I said, picking up the pace. “I’ll give your hot wife my best especially up the ass.”

“He’s a good boy, isn’t he?” she gasped.

“Yes,” he said.

“Every woman should have a son like that,” she gasped.

“You think so?” he said.

“Ask her,” she said.

“What do you think, Amy?” he asked.

“Any woman who has a son half as good as Nick is a very happy mom,” gasped mom.

“You are apparently right,” he said to Beth.

“Of course,” gasped Beth. “I am going to be a mom one day.”

“You are going to be a great mom,” he said.

“Motherhood’s a lot more than whoredom,” she laughed.

“Of course,” he said. “Sex isn’t the only thing you are very good at though.”

“Thank you, sir,” she gasped.

Mom and Beth approached orgasm, and they came practically together, holding hands tightly.

Dad and I gave Beth and mom a few more orgasms in that position. They got up and sucked our sticky cocks hungrily. I fucked mom’s throat briskly while dad did the same to Beth. I took mom’s dress off and fucked her tits. Dad fucked Beth’s tits.

“They have great tits,” I said.

“Yes,” he said. “They are perfect for this.”

“The two of you have perfect cocks for this too,” said mom.

“That’s right,” said Beth. “It’s great when a woman’s husband’s as good as her boy toy.”

“I am not as good as dad, but I hope to be one day,” I said.

“That day’s near,” said mom. “It’s getting nearer by the day, and then you’ll be better.”

“You are making dad jealous,” I said.

“Every decent dad wants his son to be better than he is, isn’t that right, Dan?” she said.

“Of course,” he said.

“Even at fucking his own wife?” I said.

“Even at fucking both wives,” he said.

“You wouldn’t mind if I used mom any way I wanted?” I said.

“Of course not, as long as she’s okay with it,” he said.

“I am okay with anything Nick does to me,” said mom.

“I am going to put that to the test, Dan,” said Beth.

“I bet you are going to put that to the test in a very wicked way,” he said.

“We are obviously getting to know each other better and better,” she smiled.

“We are family after all,” he said.

“We are closer than most families, and we are getting ever closer,” she said.

Mom lay back and pulled her legs over her head. I resumed fucking her ass.

“Fuck my pussy, Dan,” said Beth, returning to her position on her back.

He entered her pussy and proceeded to fuck her pussy hard.

“I want you to fill my pussy with come,” she urged him.

“Now?” he said.

“When I come,” she gasped.

“Okay,” he said.

“Don’t come yet, Nick,” she gasped. “You haven’t fucked your slut mom much yet.”

“Okay,” I said.

Beth came first, and dad followed right away.

“I am coming,” gasped Beth.

“I am going to fill your little pussy with come,” he said.

“Flood it with your slimy come,” she gasped.

Dad started coming, and mom joined them.

“I am coming deep in your horny little pussy,” he announced.

“I am coming too,” said mom, stiffening.

Mom and Beth convulsed wildly while dad filled Beth’s twitching pussy with come.

“Drain your balls deep in my pussy,” gasped Beth. “Make it a big challenge to suck it all out.”

He drained his balls in her pussy and pulled out.

“Let’s see if you can clean up this big mess,” she teased. “Good boy toys can.”

“Boy toys don’t have dirty sluts like you,” he said as he knelt down.

“You don’t either,” she said. “I am not your slut. You are my boy toy.”

“You are a very dirty slut though,” he said.

“Are you going to make me squeaky clean?” she teased.

“Yes, but that won’t make you any less dirty,” he said.

“Have faith,” she teased. “It may work unless you don’t want it to work.”

“I don’t,” he said.

Meanwhile, I thrust in mom’s ass gently.

“Eat out that come, Dan,” she urged as he lowered his mouth to her drenched pussy. “Come’s great to douche sluts’ well-used pussies.”

Dad licked around Beth’s pussy, including her sticky asshole, before he went for her slimy pussy. She moaned quietly and talked dirty constantly. Meanwhile, I picked up the pace fucking mom’s spread ass.

“You are not bad,” moaned Beth. “You are so thorough. My pussy and ass are in good hands. I know that you can keep them squeaky clean no matter how much they get abused. Delve in that gooey stuff. Eat out that slimy pussy.”

Mom came first. Beth came after dad cleaned up her come-filled pussy.

When Beth’s orgasm subsided, she got up and pushed dad back.

“It wasn’t bad, was it?” said Beth.

“It was okay,” he said.

“You are a good boy toy,” she smiled.

“Thank you,” he smiled.

“Lie on your back,” she said. “Let’s sixty-nine while I get your cock ready and you make sure my pussy’s clean.”

Beth and dad soon got into position, and she sucked his hardening cock while he resumed licking her pussy.

“Amy, can I borrow Nick for a few minutes?” said Beth. “I want to have all my holes busy. My ass is free.”

“You want him to fuck your ass while you are in sixty-nine?” asked mom.

“Yes,” said Beth. “His dad can guide him in and spread my ass for him while he eats my slutty pussy to orgasm.”

“Fuck the bitch’s ass, Nick,” said mom.

Mom led me to Beth. I lubed Beth’s asshole while dad spread her ass and licked her leaky pussy. I aimed my cock at the splayed hole, and he guided me in, making Beth moan around his cock.

“Make me come, guys,” urged Beth.

Beth sucked dad’s cock eagerly as I fucked her ass at an easy pace.

“Fuck her ass harder,” urged mom.

Beth devoured dad’s cock as I pounded her ass.

“I am going to gush in your mouth, Dan,” gasped Beth. “I am going to wash the rest of your come out.”

She soon stiffened and convulsed in orgasm. She did not take her mouth off his hard cock though. I pounded her ass while she gushed in his eager mouth. Her orgasm subsided, and I slowed down. He licked her pussy clean.

“Nick, fuck my ass again, and flood it with come,” gasped Beth. “Pump a big come load up my ass.”

“You are a greedy bitch,” protested mom.

“I am new to this,” said Beth. “I won’t do that often. I promise.”

“Okay,” said mom. “Oblige your whore wife.”

“Okay,” I said, picking up the pace.

Beth fucked back, humping dad’s face as he resumed licking her leaky pussy. She sucked his cock eagerly.

“Fuck the slut’s ass, baby,” urged mom. “Open it up before you flood it with come.”

Beth did not stop sucking dad’s cock until she finished coming.

“I am filling your slutty ass with come,” I said, when my orgasm hit me.

Beth devoured dad’s cock while she gushed in his mouth, and I pumped her ass full of come.

“Milk your cock in my ass,” she gasped when our orgasms subsided. “Drain your balls in my ass.”

She milked my cock with her ass while I pulled halfway out and stroked the rest of my cock vigorously. I finally pulled out and got up.

“You want to clean your son’s sticky cock?” Beth asked mom.

“Sure,” said mom.

“Go for it,” said Beth.

Mom took my cock in her mouth and proceeded to suck it.

“You wanted to eat come out of my ass,” said Beth, lowering her asshole to dad’s mouth as she stroked his hard cock. “My ass is full of come.”

“I was talking about my own come,” protested dad.

“You said you wanted your son to be better than you,” she said. “Treat his come like you’d treat yours.”

“You are so wicked,” he said.

He licked her asshole gently, and she rose on her arms, sitting her ass on his mouth, while she stroked his cock.

“Cleaning a slimy ass should be more fun because it isn’t a dead end like the pussy,” she moaned. “The come can go so deep up a well-fucked ass. When it’s squeaky clean, you can fuck it any way you want.”

Dad ate Beth’s asshole more and more eagerly while my cock grew in mom’s eager mouth.

“Fuck my ass, baby,” said mom as she got on her hands and knees on the carpet.

Mom pushed her ass out, and I knelt behind her. I lubed her asshole and impaled it swiftly. Where I knelt, I could see dad probe and suck Beth’s loose asshole while she toyed with his hard cock. I fucked mom’s ass briskly.

“Good boy toys don’t leave a trace,” moaned Beth, grinding her asshole into dad’s mouth.

Dad devoured Beth’s asshole. She came just before mom did.

“Your son pumped so much come up my ass, but you did a great job,” gasped Beth. “I am impressed.”

“I am glad you liked that,” he said.

“You are now going to fuck my ass,” she said, getting up.

Beth walked to her purse and pulled out a condom. She knelt next to dad’s cock and pulled the condom over it.

“Why do you want me to use a condom on your ass after I ate come out of it?” he asked as she mounted him.

“I’ll explain that in a bit,” she said as she lubed her asshole.

Beth guided dad’s cock to her ass and impaled her ass on it, moaning.

“I am a good girl and a newlywed,” she said, riding his cock gently. “My new husband’s the only one who can come in any of my holes and walk away. Other guys have to clean up after themselves.”

“I ate his come out of your ass,” he said. “I can eat mine.”

“Dan, I am not one of your other whores,” she cooed. “You can only come in my married pussy. You can’t come in my mouth, fuck my ass without a condom or come inside it. You can come anywhere else and clean it up though.”

“You are a strange slut,” he said.

“I am doing this because I am a good girl,” she said. “I love cock so much, but I am still a good girl. I can’t act like the shameless whores you meet at swing parties. Are you disappointed in me?”

“No, not at all,” he said.

“You are my boy toy too,” she said. “You promised to fuck me any way I wanted, and I warned you about it.”

“You are right,” he said.

“You eat come out of my holes to show them respect after they are used and abused,” she said. “You can’t use a good girl and walk away.”

“Okay,” he said. “I am not complaining.”

“She’s good, isn’t she?” gasped mom as I pounded her ass.

“Yes,” he said. “I’ve never met a girl or woman like her.”

“Now, you can meet her all you want,” she gasped.

“He’ll meet me all *I* want because he’s *my* boy toy,” gasped Beth, picking up the pace. “If you know me well, you know that’s a lot more than he may want to meet me.”

“You are a greedy bitch,” gasped mom.

“I love your big cock up my ass, Dan,” gasped Beth. “You should fuck my ass often.”

“I agree,” he said.

“Fuck my ass harder though,” she gasped. “Your slut wife’s about to come. Make me come before her.”

Mom came before Beth anyway. Beth came right away though. Beth rocked gently on his cock while she caught her breath. I fucked mom’s ass gently.

“You’ve fucked all my holes balls deep,” Beth said to dad.

“Yes,” he said. “They are all hot holes.”

“You haven’t kissed my mouth though,” she said.

“Let me kiss it,” he said, pulling her head down.

“Not now,” she said, pulling up. “You kiss my holes to show respect. I want you to kiss my mouth when it’s full of come, but, as you know, you can’t come in my mouth.”

“You want Nick to come in your mouth before you kiss me?” he said.

“That way, I know that you respect all my fuck holes, and you don’t treat them only as fuck holes,” she said.

“You are a very dirty bitch,” he said.

“Do you know how you can retaliate?” she said.

“How?” he said.

“You can come all over my face like you’d do to your dirty whores,” she said. “You have to lick it clean though because I am a good girl. I can’t leave my face covered with warm sticky come, but I want to enjoy getting glazed.”

“I’ll do that,” he said.

“It’s part of your duties as my boy toy,” she said. “You want to succeed, don’t you?”

“Yes,” he said.

“Do you know what your main job is?” she said.

“What?” he said.

“Fucking my holes royally,” she said. “Why don’t you get to it?”

“Sure,” he said, picking up the pace.

“Fuck your slut mom’s ass hard, baby,” she said to me. “You need to shoot a big load in my mouth.”

“Okay,” I said.

Beth got her ass fucked in several positions, coming each time, and so did mom.

“Make your mom come, and then come in my mouth, Nick,” said Beth as dad fucked her ass from behind and I fucked mom’s ass from behind with her and mom’s heads next to each other’s ass.

Mom and Beth soon came, and I popped my cock out of mom’s ass and into Beth’s mouth. I made a few thrusts down Beth’s throat before I came.

“I am coming,” I announced, pulling out of Beth’s throat.

Beth sucked hard as my cock swelled and spewed come against the back of her throat. She used her hand to milk my cock dry, draining my balls in her mouth.

Beth finally dropped my softening cock and rose to her knees. She turned around and smiled at dad with her mouth full of come. He was not eager for the kiss, but he knew he had to do it. They kissed, and their lips parted soon. She proceeded to work the come into his mouth little by little. Meanwhile, mom and I watched while she milked my hardening cock, and I fingered her drenched pussy.

The kiss continued at a feverish level after Beth passed the come. While they kissed, Beth pushed him onto his back and worked his cock into her ass. She only broke the kiss after she established a rhythm. Mom proceeded to suck my hardening cock hungrily.

“You liked the kiss, didn’t you?” Beth asked him.

“Yes,” he said.

“Now, I know that you respect all my fuck holes and they are a lot more than fuck holes to you,” she said.

“Of course,” he said.

“I want you to eat his come out of my pussy,” she whispered in his ear.

“You don’t want to leave anything for his mom?” he said lowly.

“What if she felt jealous?” she whispered.

“You are a greedy bitch indeed,” he said.

“I’ll be a little nice to her too,” she said.

“I bet,” he said.

“I want you to cover my face with come,” she said. “Will you do that for me?”

“Yes,” he said.

“You can’t wait to see me look like your dirty whores?” she teased.

“You’ll look even dirtier,” he said.

“You know that I am not that dirty though,” she said.

“I think you are actually dirtier but in your own way,” he said.

“Do you like having a dirty daughter-in-law?” she said.

“Oh, yes,” he said.

“Aren’t you afraid that she might keep your balls drained?” she teased.

“So what?” he said.

“I might leave no come for your other whores,” she said.

“You are hotter than they are,” he said.

“You are flattering me,” she said.

“I am not,” he said. “You are a very hot slut.”

“You are a hot boy toy for a dirty girl like me,” she said.

“I am sure we’ll both love this,” he said.

“Yes,” he said.

Mom had revived my cock, and I was fucking her ass with her legs pinned on either side of her head on the sofa. She came before Beth. That motivated Beth, and she rode dad’s cock at a fast pace to orgasm.

Dad fucked Beth’s ass from behind while I fucked mom’s ass again

“I want to come on your face,” dad said to Beth, pulling his cock out of her ass, after she came.

He pulled his condom off, and she lay on her back. He straddled her chest and jacked his cock off, aiming at her face. His cock soon burst out, and he shot it all over her face. He drained his cock and wiped its head on her face.

“Do I look as dirty as you expected?” smiled Beth.

“You look dirtier,” he said.

“Clean me up, my boy toy,” she said.

Dad went on all fours and proceeded to lick Beth’s slimy face carefully. He did a good job cleaning her face while I fucked mom’s ass to another orgasm. They kissed lewdly for a few minutes.

“That was fun, wasn’t it?” smiled Beth.

“Yes,” he said.

“Do you want to come on my tits next time?” she asked.

“Sure,” he said.

“Let’s sixty-nine now,” she said.

Beth and dad licked and sucked each other in the sixty-nine position while I fucked mom’s pussy through a few orgasms. Beth then mounted his cock in the cowgirl position and rode him energetically.

The four of us changed positions and holes a few times before Beth made her request.

“Nick, darling, I want you to come in my pussy,” said Beth. “I hope your mom won’t mind.”

“You want to get all the come tonight,” said mom.

“I am not keeping anything for me,” said Beth.

“Go ahead,” said mom, looking at me. “Fill her slutty pussy with come.”

“Let me suck your cock meanwhile,” Beth said to dad.

Beth was on her back on the sofa, her legs over her head. He climbed astride her and filled her mouth with cock, and I filled her pussy with cock. I fucked her hard while she sucked his cock eagerly.

“I am filling your pussy with come, Beth,” I announced as she convulsed in orgasm.

She continued to suck his cock while I pumped my come deep in her pussy. I finally pulled out.

Dad took his position on his knees before Beth's slimy pussy while mom sucked my sticky cock. He ate the come out of Beth's pussy and made her come. She then went down and sucked his cock.

"His next three come loads are yours," Beth said to mom as mom got on her knees on the sofa.

"Fuck my ass, baby," said mom.

After quickly lubing mom's asshole, I gave her what she wanted.

"Where do you want my come?" I said about an hour later while I fucked her ass with her on her back.

"I want it in my ass," she gasped.

She came, and I came in her twitching ass.

"I am filling your sizzling ass with come," I said, slamming into her ass.

"You need to treat her well too," Beth said to dad. "Get ready to eat her well-fucked ass."

Mom's ass drained my balls, and I pulled out.

"Eat her come-filled ass," said Beth.

Dad silently knelt before mom's offered ass and went to work. Meanwhile, Beth sucked my cock.

My cock grew in Beth's hungry mouth while dad eagerly ate my come out of mom's ass. He made her come too.

Dad returned to Beth, and I returned to mom. Fifteen minutes later, he came all over Beth's tits while she sat back on the sofa. He wiped his cock head on her tits.

"You did a good job," said Beth. "Now, clean it all up."

He sat next to her and proceeded to lick her slimy tits until he left them clean. She revived his cock next.

"Come on my ass next," said Beth as she pulled a condom over his cock. "Okay?"

"Yes," he said.

It was my turn to come next though. I came in mom's pussy. Beth had dad eat my come out of mom's pussy while Beth revived my cock. Dad licked his own come load off Beth's ass about half an hour later. I soon came in mom's mouth, and she kissed dad, passing him the come.

"You've done great," Beth said to dad after she broke the kiss with dad. "You've eaten ten come loads today. It won't happen again because that was a test for you to prove yourself as my boy toy."

"Did I pass?" he said.

"Of course, with flying colors," she said.

We sat back for a while to rest.

"Amy, you and I should treat them similarly," she said. "You and I will be interchangeable."

"Sure," said mom.

"Nick will be the only one to come in your mouth and fuck your ass without a condom from now on," said Beth.

"Sure," said mom.

"What?" protested dad. "You want me to wear a condom when I fuck your ass?"

"Yes, honey," said mom. "You loved that with her. You'll love it with me."

“You’ll still have your other dirty whores,” said Beth. “You said you wouldn’t get jealous of your son.”

“Okay,” he said. “You are much dirtier than I imagined.”

“I am a good girl though,” she smiled.

“In your own twisted way,” he said.

Beth and I left shortly after that.

We went straight to the shower and bed.

“Fucking two guys at the same time turned out to be a lot of fun after all,” said Beth while we were in bed.

“I guess from now on you’ll be fantasizing about it a lot,” I teased.

“Of course not,” she said seriously. “What do you think I am? I’ll be doing it a lot.”

“My sweet loving bride has become a slut,” I said.

“Do you blame her after what you and your family put her through?” she said.

“You must do something wrong for me to blame you,” I said. “Becoming a slut is so right for you.”

“So are you pleased with your slut bride?” she asked.

My cock had become rock hard through our banter. I guided her hand to it.

“I like your answer,” she said.

Since we were naked, she threw her left leg over my hip and proceeded to grind her leaky pussy into my hard cock. Before long, my cock popped inside her welcoming pussy, and we started to fuck gently.

“Play with my other cock-hungry fuck hole,” she said, guiding my right hand to her ass. “It won’t be easy to keep it satisfied. My once innocent little asshole has become an insatiable little cocksucker.”

“Don’t worry about that,” I said as I slid a slick middle finger into her asshole, making her gasp. “There is nothing I love more than satisfying my slut’s hunger for cock in each and every hole she has.”

Her poor asshole had already discovered that I was my dad’s son.

Beth and I spent Sunday alone at home, fucking most of the time but at an easy pace.

Mom visited us a few times in the week, and Beth visited mom and dad alone once.

VISITING BETH’S MOM

On Friday afternoon right after lunch, Beth and I visited her mom. Her dad was at work.

Victoria went to do something, and Beth took that chance.

Beth was on her knees deep throating my cock with extreme joy. Victoria was shocked. She froze in her tracks. I pretended I did not see her.

“You are such a dirty whore,” I said. “Suck that big cock, my greedy cocksucker.”

Beth moaned approvingly and sucked my cock more hungrily.

“You love my big juicy cock, don’t you?” I teased.

She moaned.

“Try to finish before your mom returns and finds out that her sweet daughter has become a dirty whore,” I said.

“Don’t worry about that,” she said. “Your big cock will have its fun.”

“Beth, what are you doing?” asked Victoria after several seconds of silence.

Beth continued to deep throat my cock lovingly as if she was completely unaware of her mom.

“Beth, what are you doing?” asked Victoria more loudly.

“Mom?” said Beth as if she had just woke up from deep sleep. She stroked my cock though. “You mean this?”

“Yes,” said Victoria as Beth returned to deep throating my cock.

“It’s nothing,” said Beth.

Victoria watched in disbelief as her daughter resumed deep throating my cock.

“Beth, stop it,” said Victoria. “You can’t do this here.”

Beth sucked my cock unhurriedly for several seconds before she took her mouth off it and looked at her mom.

“Why can’t I suck the big juicy cock I love most whenever wherever I want?” whined Beth in mock innocence.

Beth deep throat my cock while she waited for her mom’s answer.

“I can’t believe this,” said Victoria.

“I love it,” said Beth.

Victoria watched in disbelief for several seconds.

“What’s wrong with sucking my husband’s big fat cock?” said Beth when her mom was about to speak.

“Nothing’s wrong with that, but you have to do it behind closed doors,” said Victoria.

“Give me a minute,” said Beth, briefly taking her mouth off my cock. “I need to think.”

Beth returned my cock to her mouth and deep throat it joyously for half a minute.

“I love your big mouthwatering cock, baby,” she said, looking up at me.

“It loves you too, you hot slut, but I am not sure your mom appreciates what you are doing,” I said.

“Mom, we are behind closed doors,” said Beth. “Isn’t the house door closed?”

Beth resumed sucking my cock deeply and unhurriedly.

“She’s a master at it,” I said to Victoria. “I can’t say no to her even if she did it on the front lawn.”

“Nick, please tell her she can’t do that here,” she said.

“Mom, sit down here, and let’s talk,” I said, patting the sofa next to me. “She obviously has no mind for talking.”

“Thank you, baby,” said Beth. “Explain it to her while I make out with your gorgeous cock. I love it so much.”

Beth completely ignored her mom and resumed deep throating my cock artistically.

Victoria sat next to me.

“Nick, you know this is inappropriate,” said Victoria.

“I know, mom, but what can I do?” I said. “She’s my new bride. I have to spoil her. Didn’t John spoil you when you were a newlywed?”

“Yes, but not like this and not when we were visiting others,” she said.

“Oh, I think I put my finger on the misunderstanding,” I said.

“What misunderstanding?” she said.

“Do you know why she sucks my big juicy cock here and why I let her get away with it?” I said.

“No,” she said.

“She does it because we don’t consider ourselves to be guests,” I said. “We consider ourselves at home here.”

“You are at home, but you shouldn’t do this in front of others,” she said.

“There are no others with us,” I said. “It’s only the three of us.”

“You shouldn’t do it in front of me,” she said.

“Mom, you are no stranger,” I said. “You are her mom, and you are a second mom to me.”

“What if John came home suddenly?” she said.

“Forget about John now,” I said. “Is she hurting you or offending you by doing this?”

“I guess not,” she said.

“Would John be offended if he came home and found his lovely daughter making love to her husband’s big fat cock with her sweet mouth?” I said.

“He probably would,” she said.

“I’ve always thought you were more open-minded than he was,” I said. “Was I right?”

“I guess,” she said.

“You are a sexy woman, Victoria,” I said. “You must understand how a woman needs to suck her husband’s cock.”

“Yes,” she said, blushing lightly.

“She feels connected to me when she makes love to my big cock with her hot mouth,” I said. “It’s like kissing but at a different level and in a different dimension. You must know that, don’t you?”

“Yes,” she said.

“Do you think she loves my big cock?” I said.

“That’s obvious,” she said.

“When you were a newlywed, did you use to do this all the time when you were alone?” I said.

“No,” she said, blushing.

“What happened?” I said. “He didn’t let you, or you didn’t want to do it?”

“It was neither this nor that,” she said. “I think we were a little shy.”

“If you miss something when you are a newlywed, it’s very difficult to make up for it,” I said. “I bet you’ve never got the chance to make up for lost times.”

“No,” she said lowly.

“You have perfect lips, and you’ve never put them to good use?” I said.

“Lips were not made for this,” she said, blushing.

“I hope you didn’t learn that from watching your sexy daughter,” I said.

“No,” she blushed.

“Watch her for a minute, and then tell me if her lips were made for this or not,” I said.

Victoria shyly watched Beth as Beth demonstrated her expertise and love for sucking cock.

“Don’t you think her lips were made for this?” I said.

“Yes,” hissed Victoria.

“I can see your sexy lips, and I tell you that they were made for this too,” I said. “I can’t believe that you deprived them from what they were made for and what they want for many long years. It’s a crime to do that.”

She blushed.

“It isn’t as bad as that,” she said.

“Beth, can you stand being away from my big cock for a week?” I said.

“No way!” said Beth.

“Victoria, you think it isn’t a crime because you don’t know how bad it is,” I said.

“I don’t know,” she said.

“Victoria, you were meant to be a gourmet cocksucker like your daughter,” I said. “You were wronged.”

“I am not sure it was like that,” she said.

“Victoria, you were not given those mouthwatering lips to use them to waste time talking to me,” I said. “They were meant to wrap around a big fat cock and suck it to your heart’s content. Have you ever experienced that?”

“No,” she said shyly.

“Have you ever experienced the pleasure your daughter’s experiencing right now?” I said.

“No,” she said.

“Don’t you think it’s time to stand up for your rights?” I said.

“What do you mean?” she said.

“Stand up, kneel down, and suck cock,” I said. “That’s what you were given those juicy lips for.”

“Yes, mom,” said Beth. “Experience this before you make a decision.”

“What do you mean?” said Victoria.

“Get down on your knees, and let’s both suck Nick’s big juicy cock,” said Beth.

“You want me to suck your husband with you?” said Victoria.

“It’s the best cock I know,” said Beth.

“I am a married woman,” said Victoria. “You are sucking your husband. I can’t suck him.”

“Victoria, if you don’t change anything, nothing will change,” I said. “This is your chance to change. If you don’t want to live deprived forever, get down on your knees and get depraved. You can stop at any time.”

“Sucking cock doesn’t have to be a sexual activity,” said Beth. “It can be family fun or a bonding activity. Try it.”

“It’s cheating,” said Victoria.

“Mom, cheating’s taking what doesn’t belong to you,” said Beth. “This is your right. Get down, and go down.”
“Do it for yourself, Victoria,” I said, firmly pushing the small of Victoria’s back forward. “Suck my big fat cock.”
Victoria reluctantly scooted off the sofa and knelt next to her daughter.

“Do it like you saw me do it,” said Beth, moving to the side. “Have the most fun you can have.”

“I can’t take it all the way in,” said Victoria shyly.

“Don’t worry about that,” said Beth. “If you do a good job, I’ll teach you how to do it. Just enjoy yourself.”

“I never thought I’d do anything like this,” said Victoria, bending over my throbbing cock.

“That’s what a woman like you should do,” I encouraged.

Victoria kissed and licked my engorged cock head lightly, making my cock twitch.

“My big cock obviously likes you,” I said. “Show it how much you like it.”

She closed her lips past my cock head and sucked it gently, making my cock leak in her mouth.

Victoria sucked my cock deeper and deeper for a minute. She then came up for air.

“Have you ever sucked a cock this big and juicy?” said Beth.

“No,” said Victoria.

“Enjoy,” said Beth. “If you like it, Nick’s willing to let you suck it whenever you want. Do a good job though.”

“Absolutely,” I said. “She must know it. If she did a great job, I’d be a moron to keep her away from my big cock.”

“It can’t get better than that,” said Beth.

Meanwhile, Victoria eagerly sucked my cock.

“This is definitely what those lips were made for,” I said.

“You like feeling mom’s hot lips wrap around your fat cock and slide up and down its hard shaft?” teased Beth.

“I love it,” I said.

“You are so easy,” she laughed. “I bet she’s already secured your big cock for life.”

“You shouldn’t let her know that,” I whined. “We have to help her do her best.”

“I am sure she knows what’s good for her,” she said. “The better she sucks that big fucker, the more fun she has.”

“I want my mother-in-law to be very happy,” I said.

“I bet,” laughed Beth.

Victoria sucked my cock with increasing eagerness for about ten minutes. She was into it by then.

“Victoria, can you take your fine tits out and rub them over my big cock?” I said as I squeezed her left tit.

“He likes your tits because they are bigger than mine,” said Beth.

“You know that isn’t true,” I said. “I just didn’t want to miss the chance to fuck her great tits.”

“Mom, don’t worry about them,” she said. “I’ll take them out for you. Keep doing what you are doing.”

Victoria cooperated as Beth pulled her dress down and took off her bra. I reached out and pinched Victoria’s nipples, making her moan over my cock.

“Rub them over my horny husband’s big cock,” said Beth.

Victoria held her tits and rubbed them all over my cock.

“Squeeze them around my big cock and work them up and down,” I said. “Let me fuck those fine babies.”

Victoria squeezed her tits around my cock and got them fucked for a minute.

“Thank you,” I said as I pinched both nipples.

“You are welcome,” she said, smiling at me.

“Do you want me to teach her how to deep throat your big cock, or do you want to torture her more?” asked Beth.

“I don’t want to torture her,” I said. “It’s up to her.”

“Mom, do you want to learn how to inhale that big fat cock down your throat?” asked Beth.

“Yes,” hissed Victoria.

“Rise on your feet while you suck it,” instructed Beth. “Suck it from above.”

Victoria rose on her feet while she sucked my cock.

Beth hiked her mom’s dress and rid her of her panties.

“Let your hot pussy breathe,” explained Beth. “Let the steam out.”

Beth left her mom’s ass exposed. I reached out and felt it up a little.

“Your mom has a great ass,” I said.

“Of course,” said Beth. “She gave it to me too.”

Beth explained to her mom how to relax her throat and swallow my cock. It took Victoria several minutes to get it right, but she finally swallowed my entire cock.

“Good girl, Victoria,” I said. “Practice until you are comfortable with it.”

Victoria practiced and loved the practice. She did it because she loved it. I reached out and fingered her pussy, which was soaked. She moaned around my cock and leaked around my fingers. I sucked my sticky fingers.

“You have a delicious pussy,” I said.

“That’s obvious,” said Beth. “Where did you think I got mine?”

“I thought you made a special order for it,” I said.

“Mom, you can get back on your knees,” said Beth. “You should be able to do this in any position now.”

Victoria knelt down and continued to deep throat my cock eagerly.

“You love it, mom, don’t you?” said Beth.

“Yes,” hissed Victoria.

“You like being able to do it like a real dirty whore?” said Beth.

“Yes,” hissed Victoria.

“Do you now believe me that it was a crime?” I said.

“Yes,” said Victoria.

“Make up for it,” I said. “Suck my big cock like the dirty whore you are.”

She kept doing that.

“Do you believe me now that I am a dirty whore like her?” said Beth. “This is the original. I am the copy.”

“You are no copy, Beth,” I said. “You are as original as she is.”

“Thank you, baby,” she said. “We are both dirty whores, and we love it.”

“Is that right, my hot mother-in-law?” I said.

“Yes,” hissed Victoria.

A few minutes later, I reached out and fondled her tits and ass. She did not resist.

“I love your hot mom’s luscious ass,” I said.

“Enjoy it,” said Beth.

“I bet it’s been neglected like her luscious lips,” I said.

“You are the first ever to slide down her throat,” she said.

“I am so happy I deflowered her hot throat,” I said.

“You are letting her deep throat your big cock,” she said. “Why don’t you get up and fuck her throat? Enjoy her throat fully, and let her enjoy it too.”

“She deserves it,” I said, getting up.

Victoria continued to deep throat my cock. I placed my right hand behind her head and paced her. I occasionally took my cock out and slapped or rubbed her face with it. I repeated that until she started doing it on her own.

“Are you happy, Victoria?” I said.

“Yes,” she hissed.

“Your mom has become a serious cocksucker,” I said.

“She was meant to be a serious cocksucker,” said Beth. “She’s a dirty whore after all. She only needed some practice. You saw how a little time with the right cock turned her into a real cocksucker.”

“I saw it, and I enjoyed every second of it,” I said.

In a little while, I slowed down Victoria’s head to a stop and started to thrust in her throat at an easy pace. When she got comfortable with that and used her hands to pull me harder into her throat, I picked up the pace gradually.

“That’s it, baby,” encouraged Beth. “Show her what her hot throat was made for.”

“I think it was made for my big cock,” I said.

“You may be right,” she said.

Victoria eagerly let me fuck her throat briskly for a few minutes.

“Let me fuck your tits,” I said.

She rose on her knees and squeezed her full tits around my slick cock. I held her head and fucked her tits briskly.

“It feels like every part of your hot body was made for my big cock,” I said.

“Enjoy it, Nick,” she said.

“I want you to enjoy it too,” I said.

“I am enjoying it fully,” she moaned.

“I want you to lie back on the sofa with your ass against the back and hang your head off the edge,” I said.

Victoria got into position, and I helped her a little.

“I want to fuck your throat in this position,” I said as I knelt and pushed my cock into her mouth.

She welcomed my cock into her mouth, and I fucked her throat gently. Meanwhile, I fingered her drenched pussy, making her moan around my cock. I occasionally pulled out of her mouth and pussy and let her suck her copious juices off my fingers. She did that eagerly. I fondled her tits and pinched her nipples with my free hand.

“Do you like this?” I said while thrusting in her throat.

She moaned affirmatively when my cock was not plugging her throat.

“I want to suck your tits,” I said as I held her under her arms and pulled her off the sofa.

“You like my tits?” she said as I sat on the sofa and pulled her astride me.

“I love them,” I said as I held her ass and pulled her dripping pussy into my hard cock.

She held her right tit and fed it to me. While I sucked her sweet nipple eagerly, I mashed her pussy into the base of my cock, grinding into her. She moaned and humped my cock, leaking all over it. I switched my mouth to her other nipple as we continued to thrust into each other.

Beth reached between her mom and me and held my shaft. She used my cock head to rub her mom’s leaky pussy. She soon popped my cock head into her mom’s pussy, making her grunt.

“It went in,” gasped Victoria. “It’s big.”

“Is it too big for your horny little pussy?” I said as I pulled her into me, driving my cock deeper into her.

“It’s almost too big but not so,” she moaned.

“Let’s shove it all the way in and see what happens,” I said.

“Yes,” she hissed.

“Let’s put your tight little pussy to the test,” I said.

“Yes,” she hissed, thrusting her pussy into my cock.

“Your horny pussy’s as wet as it can get,” I said. “I think it’s ready for it.”

“It’s readier than ever,” she groaned.

“I think so,” I said. “I think it can take my big cock balls deep.”

“Yes,” she hissed.

“Dirty whores love big cocks, don’t they?” I teased.

“Yes,” she hissed.

She made a final thrust, driving my cock balls deep into her pussy with a grunt. She gasped and stiffened.

“I am coming,” she gasped.

“You are a dirty whore, Victoria,” I said. “Enjoy.”

She convulsed and writhed on my cock, gushing all over it. I held her hips tightly and steadied her. She repeatedly mashed her twitching pussy into the base of my cock until her orgasm subsided.

“Wow!” she gasped. “I needed that.”

“Your little pussy seems to like my big cock,” I said.

“No kidding,” she gasped.

“Is my big cock filling your little pussy to the brim?” I said.

“It’s filling my little pussy to the brim and stuffing it to the limit,” she gasped.

“Is that how you want your little pussy stuffed?” I said.

“Oh, yes,” she hissed.

“Is my big cock your little pussy’s favorite cock?” I said.

“Yes,” she hissed. “I’ve never come just by being filled with cock.”

“Is it your favorite cock too?” I said.

“Yes,” she hissed.

“You are a cock-craving slut, aren’t you?” I teased.

“Yes,” she hissed.

“You are definitely a dirty whore, but do you want to be *my* dirty whore?” I teased.

“Yes,” she hissed.

“Do you know what I do with my dirty whores?” I said.

“You fuck them silly?” she said.

“I fuck them hard, and I use them like the dirty whores they are,” I said. “Is that how you want me to treat you?”

“Yes,” she hissed.

“Beth, your mom’s my dirty whore,” I said.

“I heard that, baby,” said Beth. “Are you going to fuck her accordingly?”

“You bet,” I said.

“Use her freely for what she was made for,” she said. “You said you wanted her to be happy. Make her the happiest mother-in-law in the world.”

“Will you be happy if I fucked you royally, my dirty whore?” I said.

“Yes,” hissed Victoria.

“If you are not happy, come back to me, and get fucked all you want,” I said.

“I think I’ll do that,” she moaned.

“Do you want to get fucked like a dirty whore?” I said.

“Yes,” she hissed.

“Start by bouncing on my big cock like the dirty whore you are,” I said.

“I am completely shameless,” she said, bouncing on my cock.

“You are not doing anything wrong,” I said. “You are getting fucked like you should at the only place you can.”

“I am whoring myself to my horny son-in-law,” she gasped.

“You are doing that because he has the only cock that deserves you to whore yourself to it,” I said.

“Yes,” she hissed.

“Ride his big cock, mom,” urged Beth. “Show him that you know how to get fucked.”

“Oh, yes, I do,” gasped Victoria.

“Show me you are a dirty whore for my big cock,” I urged.

“Oh, yes,” she hissed.

“My big cock loves your little pussy,” I said. “Show it how much you love it in return.”

“I am doing just that,” she gasped.

“That’s it,” I urged. “Get your horny little pussy fucked, you dirty whore. Make your big tits bounce wildly.”

“I am going to come very soon,” she gasped.

“That’s why you are impaled on my big cock,” I said.

She rode my cock hard until she stiffened.

“I am coming,” she gasped.

“Come like the dirty whore you are,” I urged.

“I am coming like a dirty whore,” she gasped.

She convulsed wildly, shoving her gushing pussy into the base of my cock hard until her orgasm subsided.

“I’ve never come like that,” she gasped.

“Enjoy the benefits of being my dirty whore,” I said.

“No kidding,” she gasped.

She brought her mouth to mine, and we kissed feverishly while I rocked her gently on my cock.

“You have an amazing cock,” she gasped.

“It takes a cock and a pussy to make you come like that,” I said.

“I have a cock-hungry pussy too,” she gasped.

“You wouldn’t be a dirty whore without it,” I said.

“That’s right,” she said.

After claiming her mouth and pussy, I went after her little asshole.

As I pulled her left ass cheek out, I used my left hand to transfer excess juices from her pussy to her asshole. She gasped, and her pussy twitched as my fingers brushed her splayed asshole. I soon slid my slick finger into her asshole. That made her gasp and made her asshole clench.

“What are you doing?” said Victoria, tensing.

“What?” I said.

“You are sticking a finger in my butt,” she said.

“Dirty whores love to have their tight assholes fingered,” I said. “You’ll love it. Just relax.”

“Nobody has ever done this to me,” she moaned as I reamed out her asshole gently.

“You were not anybody’s dirty whore before, were you?” I said.

“No,” she said.

“I love toying with your little asshole,” I said.

“You are dirty,” she moaned.

“Isn’t that what a dirty whore wants?” I teased.

“I guess,” she said.

“You love being a dirty whore, don’t you?” I said as I squeezed a second finger into her ass.

“Yes,” she hissed.

“Your asshole’s so tight,” I said. “Have you ever been fucked in the ass?”

“No,” she said, her asshole twitching.

“You mean that your hot tight ass is virgin?” I said.

“Yes,” she hissed.

“Beth, your mom’s luscious ass has been neglected all her life,” I said.

“I am sure you’ll fix that,” said Beth.

“That’s going to change, Victoria,” I said. “I am going to deflower and fuck your hot ass nicely with my big cock.”

“Isn’t your cock too big?” she said, her asshole clenching.

“It’s important for tight asses to be fucked with big cocks,” I said. “It’s more important than cock sucking. It’s okay for a woman to suck a small cock, but it’s blasphemous to have her tight little asshole fucked with a small cock.”

“It doesn’t hurt?” she said.

“It would never hurt to use a hot ass for what it was made for,” I said. “I am already getting your tight asshole ready for the big cock it was made for. All you have to do is relax and have fun.”

“You are corrupting me,” she said.

“There are no prim and proper dirty whores,” I said. “You need to enjoy your new status as my dirty whore fully.”

“Okay,” she said.

“Do you want to be a real dirty whore for me or not?” I said, stretching her asshole with my fingers.

“Yes,” she said.

While sucking her nipples, I used my fingers in her ass to pace her. She started to ride my cock.

“I am not going to leave your horny pussy unsatisfied,” I said. “I am going to fuck your luscious ass after I fuck your cock-hungry pussy royally. Bounce on my big cock like you mean it.”

“This is so much fun,” she said, picking up the pace.

“This is family fun at its best,” I said.

“Oh, yes,” she said.

“Your tight asshole’s warming up for what it was made for,” I said.

“What do you expect from a dirty whore’s asshole?” she gasped.

“I expect the best,” I said.

“You’ll get the best,” she gasped. “You’ve corrupted it.”

“You can’t say that when it’s still virgin, tight and not slimy with my sticky come,” I said.

“You have it all planned, don’t you?” she gasped.

“Your hot ass belongs to me,” I said. “I want it to have the best time ever, and I’ll make sure that it does.”

“Thanks, baby,” she gasped.

“I want you to make sure that your horny pussy has a great time too,” I said.

“Oh, my horny pussy’s happy,” she gasped. “It’s having its hottest time ever.”

“Make it come on its favorite cock,” I urged.

“It’s going to come very soon,” she gasped.

She soon came, and both her holes twitched wildly around me. I sucked her nipple hard until her orgasm subsided.

She kissed me deeply after she caught her breath a little.

“Are you going to bring your little pussy to me whenever it needs cock?” I teased.

“You bet,” she gasped.

“That way we can keep it loose and sticky,” I said.

“Yes,” she hissed.

“I’ll also keep your hot ass loose and sticky,” I said.

“You like my ass, don’t you?” she said.

“I’ll soon show you,” I said. “I now like your hot pussy.”

“Your big cock likes fucking it deeply?” she said.

“Oh, yes,” I said. “It’s now dripping with your juices. Are you going to suck it clean?”

“Shouldn’t a dirty whore do that?” she said.

“Definitely,” I said.

“I guess I have to do it,” she said, dismounting me.

My fingers slid out of her asshole, and she knelt down.

“I’ve drenched your cock and balls,” she said.

“You’ll clean them all up though, won’t you?” I said.

“Oh, yes,” she said.

She started with licking and sucking my sticky balls. She then licked her way up my cock to the tip. She took my cock in her mouth and deep throated it for several minutes.

“Get on your back on the sofa, and pull your legs over your head,” I said, getting up.

She got into position, and I adjusted her position.

“Spread your hot ass like the dirty whore you are,” I said, guiding her hands to her ass.

She spread her ass, exposing her virgin asshole utterly as I knelt before her offered ass.

“You have a mouthwatering asshole, Victoria,” I said. “It shouldn’t only be fucked royally, but it should also be eaten raw. Relax, and let me indulge.”

Victoria gasped and tensed when I kissed her asshole firmly.

“You are a dirty boy,” she moaned.

“He loves your little asshole,” said Beth. “Let him have his fun with it.”

Victoria's asshole relaxed gradually, and she started to moan and squirm. I ate her asshole and probed it with my tongue eagerly. It nibbled my tongue. Her asshole responded to my stimulation, and she humped my face more and more urgently. She was finally getting close to orgasm.

"He's going to make me come," gasped Victoria.

"Enjoy," said Beth.

"I am coming," gasped Victoria.

Victoria stiffened, and I held her hips tightly. I devoured her twitching asshole as she writhed wildly. She had a big orgasm, and I kept sucking and probing her asshole until she went limp.

"That was unbelievable," gasped Victoria. "I seem to have a horny asshole."

"Why did you think I was going to fuck it open?" I said.

"You sure know what you are doing," she gasped.

While she recovered, I soaked three fingers into her drenched pussy. I drooled on her asshole and slowly pushed my slick fingers inside it. I licked her soaked pussy gently while I wormed my fingers into her asshole. She started to moan and squirm when my fingers were halfway up her ass. I ate her leaky pussy hungrily while I corkscrewed my fingers up her asshole.

"I am coming," she gasped.

She stiffened, and her pussy gushed in my mouth. I took my mouth off her pussy and jerked my fingers within her twitching asshole. She came hard, gasping for air.

"Soak three fingers in your dripping pussy," I said, guiding her left hand to her pussy. "They'll go up your ass."

She stuck three fingers in her wet pussy and twisted them, getting them soaked. I then removed my fingers from her ass and guided hers in.

"I want your virgin asshole to remain relaxed while I fuck your horny pussy," I said, getting up. "Try to stretch it wider. I don't want it to be afraid of my big cock. I want it to be eager for it."

"You are not done with my pussy?" she said.

"Is it done with my big cock?" I said, pressing my cock head into her pussy.

"I guess not," she said.

"Beg me to fuck your cock-hungry pussy," I said, holding her ankles.

"Please fuck my cock-hungry pussy," she begged as I thrust gently in her pussy.

"You want me to fuck your horny married pussy royally?" I teased.

"You've already done that, but I want you to fuck it more," she moaned.

"You are a dirty whore, Victoria," I teased, pushing my cock all the way in.

"I definitely am," she moaned. "I've never been this dirty."

"Have you ever met another cock that deserved you to be its dirty whore?" I teased, fucking her at an easy pace.

"No," she moaned.

"Are you happy you saved yourself for my big cock?" I said.

"Oh, yes," she hissed.

"You'll never regret it," I said, picking up the pace.

“I am sure of that,” she said.

“Are you ready to come for me to show me that you belong to my big cock?” I said as I pinned her legs down and drilled her pussy vigorously.

“Yes,” she hissed.

She soon came hard as I pounded her gushing pussy. I did not slow down when her orgasm subsided.

“That was incredible,” she gasped.

“You now get to get fucked in ways that are reserved only to dirty whores,” I said.

“Yes,” she gasped. “Fuck me hard.”

She continued to gasp until she came again. I kept that up, making her come several times.

“That was serious fucking,” she gasped when I finally slowed down.

Beth swallowed my dripping cock when I pulled out. She deep throated it for a few minutes.

“I think mom can use a break,” said Beth as she got up and pulled her mom up.

Victoria got up, and Beth led her away. I sat back and relaxed for a while.

Victoria returned naked. She got on her knees on the sofa and pushed her ass out. Beth pulled me off the sofa and sat in my place. She spread her mom’s ass.

“She’s ready,” said Beth. “Get her virgin ass ready for your big cock, and use it for all it’s worth.”

“Is that what you want, Victoria?” I said, grabbing the lube.

“Yes,” hissed Victoria.

Kneeling down, I squeezed lube generously on Victoria’s splayed asshole. I used one finger to work the lube inside. She moaned as I slid my finger in and out of her ass. I added lube and used two fingers to work it inside her ass. I finger fucked her asshole for a minute, twisting my fingers. I added lube to her asshole for the third time and used three fingers to work it in, slowly corkscrewing my fingers all the way in. I swirled and twisted my fingers deep in her asshole, making sure it was ready. Meanwhile, I lubed my cock thoroughly.

“Beg for it,” I said as I got up and removed my fingers from her ass.

“Please fuck my virgin ass with your big cock,” she begged as I aimed my glistening cock at her relaxed asshole.

Beth spread her mom’s ass with one hand and used the other to guide my cock into the waiting virgin hole.

“This will make your hot ass mine forever,” I said, pressing my cock into Victoria’s asshole.

“Yes,” hissed Victoria.

Victoria’s asshole dilated and let my cock head slide in, stretching it wider and wider. She gasped as my cock head popped in. Her asshole tightened around my hard shaft. I paused. Beth spread her mom’s ass with both hands.

“Your big cock has penetrated my mom’s once-virgin asshole,” said Beth.

“How does it feel, Victoria?” I said.

“It feels big like she said,” moaned Victoria.

“Your asshole feels so tight although it looked loose before I impaled it with my cock,” I said.

“You have a fat cock,” she moaned.

“Is it fat enough for your greedy asshole?” I said. “Remember that you are a dirty whore.”

“Oh, it’s fat enough and then some,” she moaned.

“I am glad to hear that,” I said, thrusting gently in her ass.

“I am really getting used like a dirty whore,” she moaned.

“Isn’t that what you want?” I said.

“Yes,” she hissed.

“He’s stretching your tight asshole to the limit,” said Beth.

“No kidding,” said Victoria as I held her waist and fucked her ass with short strokes.

My cock sank little by little up Victoria’s stretched asshole, enjoying her sizzling heat.

“Your ass is so hot and tight, Victoria,” I said. “I am sure it was made for this.”

“I think so too,” she moaned. “I love getting fucked in the ass.”

“I am glad that you like it already, but I remind you that we haven’t started yet,” I said.

“Okay, Mr. Insatiable,” she moaned.

“If I hadn’t known any better, I’d have thought you got enough,” I said.

“I am a dirty whore,” she said. “I am not supposed to get enough.”

“You are normally not supposed to get enough, but today you will,” I said. “You’ll get enough and then some.”

My cock was almost all the way in. I shoved the rest of it up her ass, bumping her dripping pussy with my balls. She gasped and stiffened.

“My horny ass is coming,” she gasped.

“You have a cock-craving ass,” I said. “Let it have fun.”

She writhed wildly, and I let her jerk her twitching asshole back and forth over the last few inches of my hard cock. She had a long hard orgasm that left her limp and out of breath.

“That was an incredible orgasm,” she gasped.

“That’s how it’s supposed to be,” I said. “You have a serious horny ass.”

“Yes,” she hissed.

“I’ve just impaled your hot ass on my big cock,” I said, thrusting gently in her ass. “I haven’t fucked it yet.”

“Fuck it, baby,” she gasped.

“I am going to fuck it open and fill it with come,” I said, picking up the pace. “I haven’t come yet. I am going to pump a pint of come up your hot ass.”

“You are amazing,” she gasped. “Your incredible cock can last forever.”

“Somebody has to be able to take care of dirty whores,” I said.

“I am so thankful for that,” she gasped.

“I am thankful for dirty whores,” I said. “Good girls can’t get fucked for hours, not in every hole either.”

“No kidding,” she said.

“By the way, your luscious ass is so beautiful when it’s used for what it was made for,” I said.

“You really like it?” she said.

“Of course,” I said. “I don’t stick my precious cock just anywhere.”

“You indeed have a precious cock,” she gasped.

“You have a precious ass that deserves it,” I said.

“Thank you,” she said.

After fucking her ass at an easy pace for several minutes, I held her hips tightly and fucked it harder.

“I am going to make your slutty ass come,” I said.

“Do that, baby,” she gasped, fucking back energetically.

“Mom, isn’t this the most fun you’ve ever had?” said Beth.

“You bet,” gasped Victoria.

“Aren’t you glad that you have a shameless daughter?” said Beth.

“Oh, yes,” gasped Victoria.

“I am glad that I have a cock-craving slut mom,” said Beth.

“Thank you, baby,” gasped Victoria.

Victoria’s orgasm was around the corner.

“My horny ass is going to come,” gasped Victoria.

“Let it indulge,” I said, fucking her ass harder.

“I am coming,” she gasped.

She shook in orgasm, and I fucked her convulsing ass hard until her long orgasm subsided.

“I’d have traded all the sex I’ve ever had for this incredible orgasm,” she gasped.

“Nobody would have traded you,” I teased, thrusting in her ass.

“No kidding!” she laughed.

“You are lucky you didn’t have to,” I said.

“Yes,” she hissed.

“Mom, are you now my husband’s dirty whore?” said Beth.

“Yes,” said Victoria.

“He can fuck you whenever, wherever and however he wants?” said Beth.

“You bet,” said Victoria.

“He can use you like he can use me, right?” said Beth.

“At least,” said Victoria.

“Use my slut mom’s cock-hungry ass, baby,” said Beth.

“You got it, Beth,” I said, picking up the pace. “Your mom’s hot ass is in good hands.”

“Of course,” she said. “It’s in my hands.”

“I should have said that it was around a good cock,” I said.

“It’s around an amazing cock,” said Victoria.

“My big cock loves your hot ass,” I said, picking up the pace. “It’s going to fuck it very often.”

“I’d sure love that,” she said.

The easy fucking period was shorter this time. I soon fucked her ass hard to orgasm. I slowed down a little and picked up the pace again. I fucked her ass nice and easy for even a shorter time before I fucked it hard and fast to orgasm. I slowed down for a minute and then fucked her ass hard to orgasm. After that, I stopped slowing down after her orgasms. I kept fucking her hard. I only drilled her ass harder while she came. She gasped constantly.

“Is it ready for come?” I said, pounding her offered ass.

“Yes,” she gasped.

“Come, and let me fill your slutty ass with hot sticky come,” I said.

She came almost instantly. I drilled her twitching ass and let go, slamming hard into her ass. My come blasted deep inside her sizzling ass. Her spasms drained my balls. She had her hardest orgasm yet and went limp.

“You must be the best fucker in the world,” she gasped.

“Don’t jump to conclusions,” I said, grinding into her ass. “I am not done with you yet.”

“You mean you are even better?” she gasped.

“You tell me,” I said.

“I am sure you are,” she gasped.

“I take it that you enjoyed your first ass fuck,” I said.

“I enjoyed it like nothing else ever,” she gasped.

“Are you ready to taste my slimy come out of your well-fucked ass?” I said.

“I guess I can’t be readier than this,” she gasped.

“Squeeze your asshole tightly,” I said.

She squeezed her asshole, and I pulled out slowly, letting her asshole drain my softening cock.

Her asshole snapped shut when my cock head popped out. It remained relaxed though. I effortlessly pushed two fingers up her ass. I scooped a lump of come out and offered it to her. Meanwhile, Beth sucked my sticky cock.

“It can’t get any dirtier than this,” she smiled when she saw my gooey fingers.

“You never know,” I said.

She sucked my fingers clean, moaning around them, and let them pop out of her mouth.

“Your come tastes good,” she said.

“Only dirty whores like the taste of my come,” I said. “Nice girls love it.”

“Is that right?” she smiled. “In that case, I think I still have a nice girl inside me.”

“Trust me, Victoria, if you hadn’t had a nice girl inside you, I wouldn’t have stuck my big cock inside you,” I said.

“Thanks, baby,” she said.

“Do you want to help your daughter get my cock hard again because I still have to fill two of your holes with my sticky come?” I said.

“I’d love that,” she said.

Victoria knelt down next to Beth, and I sat back on the sofa.

“Suck my cock, you dirty whores,” I said.

They established a routine and sucked my cock together. It got hard soon, and they deep throated it.

“Ride it, my dirty whore,” I said, pulling Victoria astride my cock.

Victoria inserted my cock into her pussy and lowered herself all the way down, moaning.

“Each one of us will have a finger up your ass while you ride my cock to show that we are family,” I said.

Beth sat next to me. I spread Victoria’s ass with one hand, and Victoria inserted a finger first. I then inserted my middle finger. Beth inserted her middle finger last.

“Ride my big cock now, baby,” I said, slapping Victoria’s ass.

Victoria rode my cock to orgasm while I sucked her nipples.

“Beth, you can take your finger out,” I said. “You’ll suck a nipple, and I’ll suck the other.”

Beth took her mom’s left nipple in her mouth, and I sucked the other while Victoria recovered.

“Victoria, it’s you and I up your hot ass,” I said. “Each will stick two fingers in.”

Victoria squeezed her index finger and I did mine into her ass. She resumed riding my cock and soon came.

“Stick a third finger up your hot ass,” I said to Victoria, sliding my two fingers out.

Victoria squeezed her ring finger up her ass while I spread her ass with both hands. I bounced her gently, and she picked up the pace. Beth and I sucked her nipples, and she came within a few minutes.

“Take your fingers out,” I said as Victoria recovered.

Victoria popped her fingers out of her asshole, and I inserted three fingers in. Beth and I sucked her nipples while she rode my cock to orgasm.

While Victoria caught her breath, I replaced my fingers with my dripping cock. I spread her ass with both hands, and she moaned as she deeply impaled her ass on my cock.

“Get your horny ass fucked, baby,” I said.

Victoria bounced her ass on my cock while Beth and I sucked her nipples. She soon came.

“Can I have some?” asked Beth as I gently rocked her mom’s ass on my cock.

“Can she?” I asked Victoria.

“Of course,” she said, dismounting my cock.

“Suck my cock first,” I said.

Victoria went down to her knees and deep throated my cock for a few minutes.

Beth shed her clothes and straddled me.

The three of us did with her ass like we did with her mom’s ass. I got up after I fucked her ass to orgasm.

“Get on your knees side by side,” I instructed. “Your asses will be fucked silly.”

They got into position, and I lubed my cock and stuffed it into Victoria’s ass. I switched asses after every orgasm.

“I am going to come in your mouth this time,” I said to Victoria.

“Okay,” she said.

“Get down on your knees,” I said.

Victoria knelt down, and I pushed my cock into her mouth. She deep throated it eagerly.

“Normal whores swallow come,” I said. “You are going to taste it well and pass it to Beth mouth to mouth. She’ll return it to you, and you can swallow it.”

She did not stop sucking my cock.

“I am coming,” I announced. “Open wide.”

She opened her mouth wide, and I shot my come against the back of her throat. I drained my cock in her mouth and wiped its sticky head on her lower lip. Beth knelt next to her mom.

Victoria swirled my come in her mouth, tasting it thoroughly, and then dribbled the come into Beth’s mouth. Beth swirled the come in her mouth and returned it to her mom, who swallowed it all.

“I still need to come in your pussy,” I smiled as I sat back. “I have to reward the pussy that gave me my slut wife.”

Beth and her mom proceeded to revive my cock.

Victoria got her ass fucked in the reverse cowgirl position. After that, I fucked all their holes for over an hour. In the end, Victoria was on her back, her legs over her head.

“Is your cheating pussy ready for come?” I teased, fucking Victoria’s pussy hard.

“Yes,” she hissed.

She soon came, and her orgasmic spasms drained my balls deep in her pussy.

When our orgasms subsided, I climbed over her and had her suck my sticky cock clean.

Some of my come leaked out of Victoria’s pussy. Beth scooped that come and fed it to her mom.

“Let’s get cleaned up so I can work on dinner before John comes home,” said Victoria.

“Don’t get cleaned up too much,” I said. “Try to leave your pussy and ass the way they are.”

“Okay,” she said.

We got cleaned up and dressed, and Victoria and Beth worked on dinner.

John came home, and we all had dinner together with my come in all his wife’s holes.

Victoria sucked her husband, and he ate my come out of her pussy, making her gush copiously into his mouth.

BETH VISITS HER DAD

On Saturday afternoon, Victoria visited Beth and me at home.

Before long, they went down to their knees and sucked my cock together. I fucked the two of them for well over an hour and filled Beth’s ass and pussy with come. Beth left to visit her dad at home while her mom revived my cock.

Within less than two hours, I fucked Victoria, filling her ass and pussy with come. She left to join Beth and John.

Beth chatted with her dad for a few minutes before she got to work.

“Dad, I’ve recently learned something wonderful,” said Beth. “I want to share it with you.”

“Sure,” he said. “What did you learn?”

“Deep throat,” she said.

“What?” he said in confusion.

“Have you ever been deep throat?” she said.

“What do you mean?” he said.

“Have you ever had a woman go down on you and take you all the way down her throat?” she said. “I know mom hasn’t. She unfortunately couldn’t deep throat and you never encouraged her to learn.”

“Beth, we shouldn’t talk about that,” he said.

“Don’t be stubborn, dad,” she said. “We’ve already talked about this stuff. Have you ever experienced that?”

“No,” he said.

“That’s perfect,” she said as she sprinted and knelt before him. “I can do it for you.”

“You can do what?” he said in panic as she reached out for his fly.

“I can deep throat you,” she said, unzipping his fly. “Just relax and let me do it.”

“Beth, you are my daughter,” he said. “You can’t do that.”

“Dad, this isn’t sex,” she said as she reached inside his pants. “You can think of it as a form of massage.”

“Stop it,” he said, pushing her hands away. “It isn’t appropriate for you to do it to me.”

“Who’s going to do it to you?” she said. “Are you going to pick up a whore?”

“Of course not,” he said.

“Relax, and let me do it then,” she said.

“I don’t need to experience it,” he said.

“You are being silly,” she said. “This is our little secret. Just relax, and let me do it.”

She insisted and fished his cock out. She stroked it fast, and it responded to her.

“We shouldn’t do that,” he protested.

“This isn’t incest, dad,” she said. “It isn’t even sex. I’ll be sucking the cock that sired me. It’s appreciation.”

She took his cock head in her mouth and proceeded to suck it and lick it. He was soon rock hard.

“I like this, don’t you?” she said.

“Yes, but what if your mom walked in on us?” he said.

“I thought about that,” she said. “I had Nick distract her.”

“Okay,” he said.

“Dad, I am tempted to get mad at you,” said Beth.

“Why is that?” he asked.

“You have a nice cock,” she said. “You should have let me suck it ever since I was a little girl.”

“That would have been child abuse,” he said.

“That would be spoiling your little girl,” she said. “Child abuse is when insensitive men force little girls to suck their ugly cocks. This wouldn’t have been the case.”

“I don’t know,” he said.

“How are you going to make it up to me?” she said.

“I don’t know,” he said.

“You need to let me suck your cock whenever I want,” she said.

“You are going to get us caught,” he said.

“Who’s going to catch us?” she said.

“Your mom or your husband,” he said.

“Dad, my mom and my husband are not the ancient people you may think they are,” she said. “They’d understand what I am doing. They wouldn’t think it was incest either. They know it’s just me being a good girl to my daddy.”

She sucked his cock for ten minutes, only teasing it. She did not take it past the head, but she licked and kissed it all over. It leaked profusely, and she sucked all his juices.

“Are you ready for me to suck your hard cock?” she said, as she undid his pants.

“Yes,” he said.

“You want your slut daughter to suck your cock?” she teased as she pulled his pants and underwear off.

“You are not a slut, Beth,” he said.

“I am a slut, dad,” she said. “Do you want your slut daughter to suck your cock royally?”

“Yes,” he said.

“What does a man do when he wants a slut to suck his cock?” she said.

“What?” he said.

“He tells her to suck it,” she said. “Tell me to suck your hard cock like the dirty cocksucker I am.”

“Are you sure you want me to do that?” he said.

“Of course,” she said.

“Suck my hard cock like the dirty cocksucker you are,” he said.

“You got it, daddy,” she said. “Had you not been my dad, I’d have made you beg for it. Now, sit back, and enjoy.”

She proceeded to suck his cock, gradually taking it deeper.

“You are so good,” he moaned.

“Am I better than mom?” she teased.

“Beth!” he chided.

“Dad!” she whined.

“Yes,” he said.

“I knew it,” she smiled.

She took a few minutes to take it all the way in.

“Did you like that, daddy?” she teased.

“Yes,” he said. “You are incredible.”

“Aren’t you happy I managed to persuade you to experience it?” she said.

“Yes,” he said.

As she returned to deep throating his cock, she hiked her skirt. She used her left hand to finger her leaky pussy. She moaned around his cock as she did that.

“Taste my pussy,” she said, offering him her dripping fingers.

He hesitated for a few seconds. He opened his mouth and she pushed two slick fingers in. He sucked them dry.

“Did you like the taste of my hot pussy?” she teased.

“Yes,” he said.

“I may let you eat it later,” she said.

“Okay,” he said.

She deep throated his cock leisurely for fifteen minutes without letting him come.

“Would you like to eat my pussy now?” she said.

“Sure,” he said.

She soon was on the sofa her legs spread wide. He knelt before her and proceeded to lick her dripping pussy. She moaned and humped his face, giving him pointers every now and then. He made her come within ten minutes.

“I am coming in your mouth, daddy,” she gasped. “Drink all my pussy juices.”

She convulsed wildly, and he slurped her gushing juices.

“Don’t stop, dad,” she gasped. “I loved coming in your mouth. Keep eating my horny pussy.”

He continued to eat her pussy, making her come three more times.

“Dad, let’s sixty-nine,” she said. “I want to suck your cock too. Lie back on the floor.”

He lay on the floor, and she mounted him in the sixty-nine position. She sucked his cock leisurely while he ate her pussy to orgasm. She continued to suck his cock until she came in his mouth again.

“I’ll let you breathe a little,” she said, dismounting him.

She turned around and straddled him. Before he knew it, she was taking his cock into her pussy.

“Beth, what are you doing?” he said in panic. “You are my daughter. This is incest.”

“Relax, dad,” she said. “We are not going to have sex. Don’t you love me?”

“Of course, I love you as my daughter,” he said.

“I love you as my dad too,” she said. “We’ll make father-daughter love.”

“This is wrong,” he said.

“Dad, this is different from what you do with mom,” she said. “I am not your wife or girlfriend. I am your daughter, so look at me accordingly. This is father-daughter love. Just relax, and let me show you.”

She engulfed his hard cock in her horny pussy and rocked gently.

“Do you like this, dad?” she said.

“Yes,” he said.

“Remember that I am your daughter,” she said. “You can’t come in my pussy. At least, I think you shouldn’t.”

“Of course not,” he said.

“Don’t thrust in my pussy like you thrust in mom’s pussy,” she said. “You need to be nice and loving.”

“Okay,” he said.

She took off her top, exposing her tits.

“Do you think you can suck my nipples like a father should?” she said.

“How should a father do that?” he said.

“A father’s gentle and loving—like a woman,” she said. “A baby’s hungry and reckless. A sex partner’s lustful.”

She lowered her tits to his face, and he proceeded to suck her nipples gently, making her moan quietly.

“Just like that, dad,” she moaned. “It’s instinctive. It feels so good.”

He sucked her nipples while thrusting gently in her pussy.

“Can you feel how wet I am?” she moaned. “My little pussy loves its daddy’s cock. You should have introduced your sweet cock to me when I was a little girl. My horny little pussy would have loved that.”

They fucked like that for several minutes.

“Hold on for a minute, dad,” she said. “I want to have a daughterly orgasm. Relax, and let me do it.”

She rode his cock with short fast strokes for a minute until she reached orgasm.

“I am coming,” she gasped.

She writhed on his cock, drenching it in her juices, until her orgasm subsided.

“That was different from what mom would do, right?” she gasped.

“Yes,” he said.

“Did your cock enjoy making its daughter twitch wildly around it and show it how happy it was?” she said.

“Yes,” he said.

“Let’s do it again in a little while,” she said.

They returned to their slow fucking.

“Your cock’s my pussy’s dad,” she moaned. “My pussy’s your cock’s daughter. Does my pussy’s dad love it?”

“Yes,” he said.

“My pussy loves its dad too,” she moaned.

They fucked at a slow pace for several minutes.

“My pussy wants to come around its dad,” she moaned. “Does its dad want that too?”

“Yes,” he said.

“Relax, and let me help them with that,” she said.

She rode his cock harder, mashing her pussy into the base of his cock until her orgasm hit her.

“My pussy’s coming hard around its daddy,” she gasped.

“Yes,” he hissed.

She convulsed on top of him until her orgasm subsided.

“That was better than the first time, wasn’t it?” she gasped.

“Yes,” he said.

“Does your cock think my little pussy’s a good girl?” she gasped.

“Yes,” he said.

“Does it want to fuck it all the time?” she gasped.

“Yes,” he said.

“Your cock’s apparently a good daddy,” she said. “Is it taking after you?”

“I think so,” he said.

“My little pussy’s a little slut,” she said. “It’s taking after me too.”

“You are a great girl,” he said.

“So is my little pussy, isn’t it?” she said.

“Yes,” he said.

They returned to their slow fucking.

That was when Victoria walked in.

“What’s going on here?” asked Victoria calmly.

John was startled. He did not know what to do. Beth pushed her pussy all the way down, and milked his cock.

“Mom, it isn’t what you think,” said Beth calmly, rocking gently.

“Is that right?” said Victoria sarcastically.

“Yes, mom,” said Beth.

“What do I think?” said Victoria.

“You think that dad seduced me and talked me into letting him fuck my married but horny little pussy,” she said.

“Yeah, and what has really happened?” said Victoria.

“What happened was the reverse of that,” said Beth. “I seduced dad. I persuaded him that it was okay for me to suck his cock and for him to lick my pussy to show each other that we loved each other like a father and daughter.”

“Neither are you sucking his cock nor is he eating your pussy,” said Victoria.

“After enough time of having his hard cock sucked and my juicy pussy licked, my horny pussy and his hard cock wanted to meet and frolic a little,” said Beth. “We thought we’d fuck like a father and daughter should.”

“How should a father and daughter fuck?” said Victoria.

“Why don’t you sit back and watch?” said Beth. “Give us about ten minutes.”

“Okay,” said Victoria, sitting on the sofa. “It better be good.”

“It’s wonderful if you ask me,” said Beth.

“Go ahead,” said Victoria.

“Daddy, are you ready to show mom how a father should fuck his slut daughter?” said Beth.

“Beth, you are not a slut,” complained John.

“I am a cock-craving slut, dad,” said Beth. “That’s better for you. Do you know why?”

“Why?” he said.

“Fathers are only allowed to fuck cock-craving slut daughters,” she said. “If I were not a cock-craving slut daughter, you wouldn’t be allowed to fuck me. That would have been incest. That’s sick and illegal.”

“Okay,” he said.

“Are you ready?” she said.

“Yes,” he said.

Beth and her dad resumed their slow fucking for several minutes.

“Mom, watch how a cock-craving slut daughter comes on her daddy’s hard cock,” said Beth. “It’s important.”

Beth rode her dad’s cock harder, and came hard, gushing all over his cock and balls. She finally went limp.

“What do you think, mom?” gasped Beth.

“Not bad,” said Victoria.

“Isn’t it clean father-daughter fun?” said Beth.

“It looked that way,” said Victoria.

“Do you want to see it again?” gasped Beth.

“Sure,” said Victoria, shocking her husband.

Beth rode her dad’s cock to orgasm another time.

“Mom, do you want to suck dad’s dripping cock like a wife should?” gasped Beth. “I think he missed that.”

“Only if he’s willing to lick my soaked pussy,” said Victoria.

“I am sure he is,” said Beth. “Aren’t you, dad?”

“Yes,” he said.

“Go for it, mom,” said Beth, dismounting her dad.

Victoria took off her dress and underwear, getting completely naked, and mounted her husband in the sixty-nine position. She took his sticky cock in her mouth and proceeded to suck it, and he licked her soaked pussy.

“Spread her ass while you lick her slimy pussy,” said Beth. “I want to lick her little asshole. She’s my mom too.”

John spread his wife’s ass readily.

Beth knelt behind her mom and lowered her mouth to her asshole. Victoria gasped when Beth’s tongue touched her well-fucked asshole. She moaned around her husband’s cock and sucked it more eagerly. She humped his face more urgently, feeding him the come out of her pussy. She soon came, gushing in his mouth.

Victoria sucked John’s cock leisurely while she recovered.

“Mom, can I have dad fuck me in the ass like a father should?” said Beth, making her dad’s cock twitch in his wife’s mouth. “My ass is hungry for it.”

“I don’t see why not,” said Victoria. “Your dad obviously likes it.”

“Do you have lube, mom?” said Beth. “I want him to fuck my ass for a long time because I know that you’ve never let him fuck yours.”

“I’ll get you the lube,” said Victoria.

Victoria got up and left.

“A good girl should let her daddy fuck her ass all he wants, isn’t that right, daddy?” said Beth.

“Yes,” he said, his cock throbbing.

“Mom’s going to insert your hard cock into my horny asshole,” she said. “Isn’t that what a good wife should do?”

“Yes,” he said.

“Didn’t I tell you that mom was a great woman?” she said. “I bet she exceeded your expectations.”

“I can’t believe what’s happening,” he said.

“It’s incredible, isn’t it?” she smiled.

“No kidding,” he said.

Victoria sat next to her husband and pulled a condom over his cock while Beth lubed her asshole thoroughly.

“Spread my ass, dad,” said Beth as she straddled her dad.

John spread his daughter’s ass, and Victoria guided his cock into her daughter’s asshole. Beth moaned quietly as her dad’s cock penetrated her asshole.

“Do you like this, dad?” said Beth, squeezing her dad’s cock with her asshole.

“Yes,” he said. “It’s incredible.”

“Only the dirtiest girls let their dads fuck them in the ass,” she said. “Aren’t you happy I am such a dirty whore?”

“Yes,” he said.

“Fuck the whore’s tight ass, honey,” urged Victoria. “Stretch her little asshole.”

Beth thrust her ass down, swallowing her dad’s entire cock.

“Am I the best daughter ever or what?” smiled Beth, riding her dad’s cock gently.

“You are,” he smiled.

“Actually, it’s okay for a dad to come in his daughter’s slutty pussy, but he’d have to eat it clean,” said Beth. “Unlike the pussy, the ass should never be filled with the dad’s come. That would make a dirty girl extremely dirty.”

“When a daughter’s this dirty, she deserves to have her dad eat his come out of her slimy pussy,” said Victoria.

“What do you think, dad?” said Beth.

“I am not sure,” he said.

“If you are not sure, you have to try it,” she said. “Dirty girls keep their pussies squeaky clean.”

“If you don’t eat your come out of her slimy little pussy, she’s too dirty for you and I won’t let you fuck her ever again,” said Victoria.

“Dad’s a good daddy,” said Beth. “He’s dirty enough for me. He’ll do it willingly. Isn’t that right, daddy?”

“Yes,” he said.

“It’s still too early for that though, dad,” she said.

“Of course,” he said.

Beth rode his cock with her ass slowly for several minutes.

“I am going to come now,” she announced, picking up the pace.

Beth thrust her ass into her dad’s cock harder until she came.

“My slutty ass is coming on its lustful daddy,” gasped Beth.

Beth shook wildly until her orgasm subsided.

“My tight asshole’s your cock’s little daughter,” gasped Beth. “Did your cock love making its little daughter come so hard around it?”

“Yes,” he said.

“He’s a good dad, isn’t he?” Beth asked her mom.

“Yes,” said Victoria.

“He loves making his slut daughter come,” gasped Beth.

“Yes,” said Victoria.

“Dad, is my ass the first ass you’ve ever fucked?” gasped Beth.

“Yes,” he said.

“Thanks for saving that for me,” she gasped.

“You are welcome, sweetie,” he said.

“Let’s do that again,” she said.

She rode him to another orgasm.

“Dad, I am going to come,” she gasped. “After that, you’ll fill my pussy with come.”

Beth bounced harder on her dad’s cock until her orgasm hit. She convulsed on his cock until her orgasm subsided. She rose on her knees, and her mom removed the condom and guided his cock into Beth’s drenched pussy.

Beth rode her dad’s cock vigorously and reached orgasm very soon.

“You are going to fill my pussy with come when I come,” she gasped.

“Okay,” he said.

“I am coming, dad,” she gasped, stiffening. “Give it to me. Flood my little pussy with your hot come.”

While she convulsed, he came in her pussy. She worked her pussy around the middle of his cock, draining him.

“That was great,” she gasped. “Did you like it?”

“I loved it,” he said.

“Are you ready to eat my pussy?” she said, milking his cock with her pussy.

“Yes,” he said.

She popped her pussy off his softening cock and turned around, mounting him in the sixty-nine position. She licked his sticky cock lightly while he licked her relaxed pussy. She sat up and gradually fed him his come. He licked and probed her pussy eagerly.

“Did you like that, dad?” she said when he was done with her pussy.

“Yes,” he said.

“Eat my asshole after you fucked it,” she said, moving her asshole to his mouth.

He ate her asshole eagerly, and she fed him the rest of my come. She then dismounted him.

“If you can fuck her ass and eat her come-filled pussy and ass, you can eat my ass similarly,” said Victoria, mounting her husband’s face. “Do it, honey.”

Victoria lowered her asshole to his mouth before he could say anything. After she had been so considerate to what he had just done with their daughter, he could not turn her down. He proceeded to eat her asshole.

“Stick your tongue inside it,” urged Victoria.

John probed and sucked his wife’s come-filled ass, and she slowly fed him the come.

“Suck my ass juices,” she urged.

When he was done with her asshole, she moved her pussy to his mouth.

“You haven’t eaten my pussy today,” she said, lowering her mouth to his cock. “Get to work.”

“Next time when you visit us, let’s have you and Nick fuck the two of us together,” said Beth.

“You want Nick to know about this?” he said.

“Dad, do you know who taught me deep throat?” she said.

“Who?” he said.

“Nick’s mom,” said Beth. “She used his cock to teach me. Nick will be okay with this.”

“Are you sure?” he said.

“Of course, dad,” she said.

Beth put her clothes back on.

“I’ll leave you together now,” she said. “See you tomorrow. Bye.”

“Bye, Beth,” her parents said.

John had eaten my come out of his wife’s and daughter’s well-used pussies and asses and his own come out of his daughter’s slutty pussy. Victoria let him eat her pussy and ass for over an hour while she sucked his cock leisurely.

BETH’S DAD WATCHES

Beth arranged with her parents to visit us on Sunday and have dinner with us. They arrived after brunch though.

The visit started normally and remained like that for nearly half an hour.

“Honey, I want to suck dad’s cock,” said Beth, startling her dad, as she got up from my side.

“Sure,” I said.

John did not know what to do or say. He stiffened and did not say anything as Beth knelt before him.

“It’s okay, dad,” said Beth as she reached for his fly. “Just relax, and have fun.”

He remained tense until she took out his cock and proceeded to suck it. He relaxed gradually.

“Meanwhile, let me suck your big cock, Nick,” said Victoria.

“Sure,” I said.

Victoria knelt before me and rid me of my pants and underwear, setting my hard cock free.

“Your big cock’s hard already,” said Victoria. “It wants to play.”

“It likes hot women like you,” I said.

“Sit back, and let me show you how much I like it too,” she said.

Beth pulled her dad’s pants and underwear off while her mom sucked my cock eagerly.

“John, don’t you like casual get-togethers like this?” I said.

“Yes,” he said.

“This is the only way I know to keep girls from girl talk,” I said.

“That’s right,” he said.

“That isn’t true, Nick,” said Beth. “I sometimes talk to my friends while you fuck me. I even put them on hold while I suck your big cock.”

“You are incorrigible,” I said.

“You do?” he said to her.

“Sure,” she said. “I’ve even talked to you and mom while Nick fucked my ass.”

“I can’t believe that,” he said.

“You better believe it,” I said. “Your daughter’s a very dirty girl.”

“I am a dirty whore,” she said.

“You are a dirty girl too,” I said.

“Of course,” she said.

“You’ve never talked with anyone over the phone while getting fucked?” I asked Victoria.

“Never,” she said.

“Would you like to talk to Lisa while I fuck your hot ass?” I said.

“Do you think that’s a good idea?” she said.

“As long as you can explain your moans or gasps if and when you make them,” I said.

“I am not sure I am ready to do that,” she said.

“I haven’t talked to Lisa while getting fucked yet,” said Beth. “I want to try that.”

“See?” I said to Victoria. “It’s fun.”

“Dad, do you want me to talk to her while you fuck me?” said Beth.

“I don’t know,” he said. “That’s crazy.”

“That’s the point,” she said.

“You can both talk to her, one and then the other,” I said to Victoria.

“Dad, do you want to talk to her while you fuck me too?” said Beth.

“I don’t think so,” he said.

“Give it a try,” she said. “If you find it uncomfortable, you can finish the call while I suck your cock.”

“That doesn’t sound right either,” he said.

“It may not sound right, but I bet it would feel right,” she said.

“She’s a spoiled girl,” I said. “She’ll be after you until you give her what she wants.”

“Heed that wise advice, dad,” she said.

“Okay,” he said.

“Thank you,” she said.

“You want it in your horny little pussy, Victoria?” I said.

“Yes,” hissed Victoria.

“Beg for it,” I said.

“Please fuck my horny pussy with your big cock,” she begged.

“Go for it,” I said, pulling her astride me.

“Wait,” said Beth as she got up and pulled her dad by the hand. “Dad and I have to witness this momentous event.”

Beth led her dad toward her mom and me, and they knelt behind where Victoria knelt astride my throbbing cock.

“Dad, guide his big cock into mom’s horny pussy,” said Beth.

“What are you saying?” he said in surprise.

“Hold his cock upright while she impales her pussy on it,” she said. “That would let him know that he’s welcome in her horny married pussy whenever he wants it. Don’t be afraid. It will only take a second, and she’ll appreciate it.”

He hesitantly and reluctantly held my hard cock at the base.

“Mom, lower your cock-craving pussy on it,” said Beth.

Victoria lowered her pussy onto my hard cock, and my cock head forced her dripping pussy open and went in.

“Yes,” hissed Victoria.

“Dad, can you see how wide it stretches her tight pussy?” said Beth.

“Yes,” he said.

“It feels so good,” moaned Victoria, thrusting her pussy down gently. “Thanks, honey, for inserting it into me.”

“You are welcome,” he said.

“You can let go,” said Beth. “He’s in.”

He let go of my cock.

“Your pussy’s so hot and tight,” I said as I held and spread Victoria’s ass.

“It’s so hungry for your big cock,” moaned Victoria.

“We are going to feed it to satiation, aren’t we?” I said.

“Yes,” she hissed.

“Dad, isn’t that beautiful?” said Beth, stroking her dad’s hard cock.

“Yes,” he said.

“Have you ever seen a cock skewer mom’s hot pussy?” she said.

“No,” he said.

“Let’s stay here and enjoy the view,” she said. “It’s fun to watch a big cock fuck a tight pussy, isn’t it?”

“Yes,” he said.

“You think we can give them a good show?” I said to Victoria.

“I’ll try,” she said.

“You are a hot woman,” I said. “All you have to do is to make your horny little pussy happy.”

“I’ll sure do that,” she moaned.

“Stuff it with the rest of my big cock, you hot slut,” I said.

“Yes,” she hissed, pushing her pussy down firmly.

She made another shove to drive my cock all the way into her soaked pussy.

“I am coming,” she gasped, stiffening.

“Come hard,” I said. “They’ll love it.”

“Mom definitely loves my husband’s big cock,” said Beth. “She’s coming already.”

“Yes,” he said absentmindedly.

Victoria convulsed wildly, shoving her gushing pussy wildly into my cock as I held her ass. I let her shake and writhe until her orgasm subsided. I ground her pussy into the base of my cock gently while she recovered.

Beth grabbed the lube and squeezed a generous amount on her mom’s splayed asshole.

“I’ve squeezed lube on her asshole,” said Beth.

“Thanks, baby,” I said as I took my fingers to Victoria’s asshole.

Victoria moaned as I massaged her asshole and worked the lube inside it. In the end, I gently finger fucked her ass with two fingers. She started to hump my cock and fingers.

“You like this?” I said.

“Yes,” she hissed.

“Get your horny pussy fucked before I fuck your hot ass,” I said.

She started to ride my cock.

“I am sure she’d love to have two cocks fucking her at the same time,” said Beth.

“You think so, you dirty whore?” I said to Victoria.

“Yes,” she hissed, stiffening.

“That’s a resounding yes,” said Beth as her mom convulsed in orgasm. “Mom’s definitely a dirty whore.”

“Yes,” gasped Victoria.

Victoria gushed on my cock while both her holes twitched madly. I pumped her asshole until she went limp.

“You want me to fuck your horny ass with my big cock while your husband fucks your horny pussy?” I said as I used my fingers to rock her ass.

“Yes,” she hissed.

“I need to fuck your married pussy first,” I said. “Ride my big cock to orgasm. I’ll then fuck your sizzling ass.”

“Okay,” she said as she picked up the pace.

Victoria rode my cock briskly while I finger fucked her asshole in the same rhythm.

“Is your horny pussy happy, whore?” I teased.

“Oh, yes,” she gasped.

“Make it happier,” I urged. “Make it come all over my big cock.”

“Yes,” she gasped.

“She’s never been this slutty, has she?” Beth asked her dad.

“No,” he said.

“She’s a dirty whore just like you,” I said.

“I am a dirty whore like her,” she said. “She’s the mom, and I am the daughter.”

“Who’s the dirtier whore?” I said.

“If mom hadn’t been new to this, she would have been,” she said.

“I guess I have to give you time so you can be dirtier than your slut daughter,” I said to Victoria.

“Yes,” she hissed, stiffening.

“Your mom’s determined to beat you,” I said to Beth.

“Let her try,” said Beth. “We’ll both do our best.”

“I am going to love the results,” I said.

“Of course,” she said.

Victoria convulsed wildly until her orgasm subsided.

“If you want it in the ass, you have to beg for it,” I said, reaming out her ass, while she recovered.

“Please fuck my horny asshole with your big cock,” she gasped.

“I am going to guide it in this time,” said Beth.

Beth removed my cock from her mom’s drenched pussy, and I removed my fingers from Victoria’s ass and spread it wide. Beth pressed my cock head into her mom’s splayed asshole. Victoria gasped when it popped in.

“Can you see the stretching, dad?” said Beth.

“Yes,” he said. “Doesn’t that hurt though?”

“It feels incredible,” moaned Victoria.

“You want it balls deep in, don’t you?” I said.

“Yes,” she hissed.

“Feed it all to your cock-craving ass,” I said.

“Yes,” she hissed.

She raised her knees into the Asian cowgirl position and started to thrust her ass down. I reached for her ass from between her legs and spread it for her. Her asshole took my hard cock in little by little.

“It will soon be balls deep in,” said Beth.

“Yes,” said her dad.

“Mom has a serious cock-craving ass, doesn’t she?” she said.

“Yes,” he said.

“It’s beautiful, isn’t it?” she said.

“Yes,” he said.

“Mom, dad likes your pretty ass especially when it’s impaled on a big fat cock,” she said.

“Thank you, honey,” said Victoria.

“Can you see his big balls?” said Beth.

“Yes,” he said.

“They are full of come for mom,” she said. “He’s going to fill her body with come through every hole.”

“Yes,” hissed Victoria.

“She wants it,” said Beth.

“Yes,” hissed Victoria.

“Mom, you are a dirty whore, and you are showing dad that you are so shameless,” said Beth.

“Yes,” hissed Victoria, stiffening.

“You like this,” said Beth.

“I love it,” gasped Victoria. “I am coming.”

“Can you see that, dad?” said Beth. “She’s coming, and he isn’t even halfway in. You’ve never thought that mom was such a cock-craving whore, have you?”

“No,” he said.

Victoria writhed in orgasm, and I held her ass and paced her. She shoved her ass down my cock wildly, and her orgasm multiplied when I was balls deep in. That was actually a new orgasm. Her asshole twitched madly. She convulsed wildly for a long time before she went limp.

“Did you see that, dad?” said Beth as her mom’s ass sat on my cock fully impaled.

“Yes,” he said.

“Wasn’t it out of this world?” she said.

“Yes,” he said.

“It sure was,” gasped Victoria.

“Your cock-craving ass was definitely made for this,” I said.

“Yes,” she hissed.

“I am sure even dad can’t deny that,” said Beth. “Can you, dad?”

“No,” he said.

“Do you want me to use your sizzling ass for what it was made for?” I said.

“Oh, yes,” gasped Victoria, milking my cock.

“Let’s get your slutty ass fucked,” I said. “Bounce it on my big cock.”

She worked her ass up and down my cock at an accelerating pace.

“Move that ass, you hot slut,” I packing her. “If you do a good job, I’ll fuck your hot ass more often than your horny pussy has ever been fucked. Do you want that?”

“Oh, yes,” she hissed.

“Mom, he’ll fuck your ass so much you’ll feel empty when he isn’t fucking it,” said Beth. “Is that what you want?”

“Yes,” hissed Victoria.

“Dad, say goodbye to mom’s tight ass,” said Beth. “It can’t be tight if it’s always stretched around this fat cock.”

“You are right,” he said.

“Go ahead,” she said. “Say goodbye and wave so she knows that you know what she’s getting into.”

“Bye,” he said, waving at his wife’s impaled ass.

“Mom, dad knows that your horny ass is never coming back,” said Beth.

“It’s completely corrupted,” gasped Victoria. “It’s going to crave Nick’s big cock all the time.”

“Mom, you are a depraved whore,” said Beth.

“Yes,” gasped Victoria, stiffening.

“You can’t deny it, can you?” said Beth.

“No,” gasped Victoria.

“Admit it, baby,” I urged. “Come hard on the big cock your hot ass belongs to.”

“I am coming so hard,” she gasped, convulsing on my cock.

Victoria shoved her twitching ass hard into the base of my cock until her orgasm subsided.

“Do you think she loves getting fucked in the ass?” Beth said to her dad.

“Without a doubt,” he said.

“Mom, can you turn around while you are impaled on Nick’s fat cock?” said Beth.

“I can try,” gasped Victoria.

“I’ll help you,” I said, letting go of Victoria’s ass and grabbing her hands.

We held hands tightly while she pivoted around my cock into the reverse Asian cowgirl position. Her drenched pussy faced her husband. I held her ass and spread it.

“Can you see how messy her horny pussy is?” said Beth.

“Yes,” he said.

“You think you can clean it up for her and make her come in your mouth?” she said.

“Now?” he said.

“Sure,” she said. “You’ll next fuck her pussy while her ass is impaled on his big cock.”

“Make me come in your mouth, honey,” urged Victoria. “I won’t bounce too much.”

He reluctantly brought his mouth to her pussy and proceeded to lick it. She moaned and squirmed, her asshole occasionally twitching around the base of my cock. He cleaned the area around her pussy and delved into her pussy. She started to move her ass up and down my cock in short slow strokes.

“I like that, honey,” moaned Victoria. “Don’t stop.”

As he ate her pussy more eagerly, she bounced her ass on my cock faster and with longer strokes.

“This is so good,” she gasped, riding my cock with her horny ass briskly.

“You are such a slut, mom,” said Beth as she continued to stroke her dad’s hard cock.

“Oh, yes,” gasped Victoria.

“Dad’s working hard,” said Beth. “You need to show him that you appreciate it. Reward him. Come in his mouth.”

“I am going to come very soon,” gasped Victoria.

“Do it,” urged Beth. “What are you waiting for?”

“I am coming,” gasped Victoria, stiffening.

“That’s it, mom,” urged Beth. “Drown him in your gushing juices.”

Victoria’s ass writhed madly as she gushed in her husband’s mouth. Her asshole twitched around my cock as it shuttled uncontrollably up and down. She finally relaxed and went limp. He licked her drenched pussy gently.

“Dad, lie back so she can ride you with her pussy while Nick’s still up her cock-craving ass,” said Beth.

“Yes, I am ready for that,” gasped Victoria.

“You are a dirty whore, mom,” said Beth. “You are ready for every dirty act.”

“Oh, yes,” gasped Victoria.

“What matters most, Victoria, is that you have a fantastic ass,” I said. “I am going to spoil it rotten from now on.”

“Thank you, baby,” she said.

“You want to get fucked like real whores?” I said to Victoria as John lay on his back, Beth stroking his hard cock.

“Yes,” Victoria hissed.

“You are a real whore, Victoria,” I said. “You are going to get fucked like the dirty whore *you* are.”

“Thank you, Nick,” she said.

“Lower your feet to the floor, and keep your hot ass on my big cock where it belongs while we get another cock inside your horny body,” I said, wrapping my arm around her tightly.

“Okay,” she said.

Victoria and I carefully stood up, trudged and knelt astride her husband. Beth held his cock upright while her mom carefully lowered her pussy onto it. Victoria moaned as his cock squeezed inside her pussy.

“I am so full of cock,” said Victoria.

“You are,” said Beth as I took the chance to rid Victoria of her dress, leaving her naked.

“Is this how a dirty whore like you should be treated?” I said as I held Victoria’s tits and squeezed them gently.

“Yes,” she hissed.

“John, are you ready to fuck this dirty whore like she should be fucked?” I said, thrusting gently in her ass.

“Yes,” he said.

“Let’s start nice and slow and pick up the pace later,” I said.

“Okay,” he said as he thrust in her pussy.

“Dad, spread her ass for him,” said Beth.

John spread Victoria’s ass with both hands.

“You have fine tits,” I said as I pinched Victoria’s stiff nipples.

“Thank you, baby,” she moaned.

“You love being a dirty whore?” I said.

“Oh, yes,” she hissed.

“She only needs a third cock to fill her mouth,” said Beth.

“Is that right, Victoria?” I said.

“I think so,” hissed Victoria.

“Your wife thinks two cocks are not good enough for her,” I said.

“She’s become insatiable,” he said.

“We need to do our best to satiate her though,” I said.

“Yes,” he said.

“Dad, do you think you can lick my juicy pussy while you fuck her?” said Beth.

“Sure,” he said.

Beth straddled her dad’s face, facing her mom, and he proceeded to lick her pussy.

“Take her clothes off,” I said to Victoria.

While riding the two cocks, Victoria helped Beth take off her dress. They were both naked.

“Kiss, you dirty whores,” I said.

Beth and her mom both leaned forward and started to kiss, moaning into each other’s mouth.

“Play with each other’s tits,” I said.

They obliged me. He could not see them as his daughter’s ass blocked his view.

With Beth’s pussy distracting her dad, I set up the pace. I gradually picked up the pace until he and I fucked Victoria’s holes briskly. She moaned and humped our thrusting cocks.

“Come on their cocks, mom,” urged Beth, pinching her mom’s nipples.

“I am ready to come,” gasped Victoria.

Victoria stiffened right away.

“I am coming,” she gasped.

Victoria convulsed in orgasm, and I held her hips and steadied her as I pumped her twitching ass vigorously. She had a long hard orgasm. Her husband slammed into her gushing pussy until her orgasm subsided.

“That was the best orgasm of my life,” gasped Victoria.

“You are a depraved whore,” I said.

“Don’t forget my pussy, dad,” reminded Beth. “Make me come too.”

John focused on Beth's pussy while I gently thrust in Victoria's ass. Beth soon reached orgasm.

"I am coming," gasped Beth.

Beth writhed on her dad's face, grinding her gushing pussy into it, until her orgasm subsided. He cleaned Beth's drenched pussy while she caught her breath.

Beth dismounted her dad's face and grabbed her mom's phone.

"Don't tell her you are getting fucked in both holes," teased Beth, handing her mom the phone.

"This is crazy," smiled Victoria as I grabbed her tits and twisted her nipples.

"Beth enjoys it," I said, fucking Victoria's ass at an easy pace.

"You will too," said Beth.

"Victoria, don't move," I said. "Your husband and I will take care of fucking your cock-craving holes."

"Okay," she said.

"Mom, focus on the call, and let them take care of the rest," said Beth.

Victoria dialed Lisa's number. Lisa picked up right away.

"Hi, mom," greeted Lisa.

"Hi, sweetie," said Victoria as I squeezed her tits gently and fucked her ass at an easy pace. "How are you?"

"I am fine, mom," said Lisa. "How are you?"

"I am doing great," said Victoria.

"What's up?" said Lisa as I picked up the pace.

John thrust in his wife's pussy at an easy pace.

"I just wanted to make sure everything's okay with you," said Victoria. "Did you have a nice weekend?"

"I guess it was nice," said Lisa.

"Stay in touch, and say hi to Derek," said Victoria. "I'll leave you now."

"Thanks for calling, mom," said Lisa. "Bye."

Victoria hung up, and her husband and I made her come within a minute.

"Let me try that," said Beth as her dad and I thrust gently in her mom.

Victoria dismounted her husband and me.

"Taste your slut mom's luscious ass first," I said.

Beth dove down and swallowed my cock. She deep throated my cock for a minute and then sucked her dad's cock.

"We are ready now," said Beth as she mounted her dad. "Spread my ass, dad."

Victoria guided her husband's cock into Beth's pussy while John spread his daughter's ass for me. Beth's pussy engulfed her dad's cock, and I impaled her ass.

"Fuck me hard," urged Beth as I held her tits and thrust in her ass.

John fucked Beth's pussy as I picked up the pace. Beth humped us in my rhythm.

"Fuck my pussy hard, dad," said Beth. "Match Nick's pace."

John picked up the pace, and we fucked Beth hard.

"Keep it up," gasped Beth. "I am going to come very soon."

John and I fucked her even harder, and she soon stiffened.

"I am coming on both your cocks now," gasped Beth.

Beth convulsed wildly while her dad and I fucked her twitching holes hard. She finally went limp.

"Are you ready to fuck my ass, dad?" asked Beth.

"Yes," he said.

Beth dismounted her dad and me, and Victoria sucked his dripping cock. Victoria pulled a condom on her dad's cock, and Beth impaled her ass on it in the cowgirl position.

"Mom, hand dad his phone please," said Beth right before I gagged her with my cock.

Beth sucked my cock eagerly, and I fucked her throat.

"Call Lisa," said Beth, briefly taking my cock out of her mouth.

Victoria gave John his phone. He dialed Lisa's number while Beth rode his cock with her ass and deep throated my cock hungrily. Victoria guided his free hand to her leaky pussy, and he proceeded to finger fuck her. I knelt behind her and pushed my cock into her ass.

"Hi, dad," said Lisa.

"How are you, sweetie?" he said.

"I am good," said Lisa. "You?"

"I am fine," he said.

"I am happy you called," she said. "What's going on?"

"You always call your mom or your sister and never call me," he said. "I thought I should call sometime."

"I am sorry, dad," she said. "It's always girl stuff."

"There is never anything for your dad?" he said. "Your sister calls and visits."

"I should do that too," she said. "Why don't we go to lunch sometime?"

"That's a good idea," he said. "How about tomorrow?"

"That's great," she said. "I'll pick you up at lunch time."

"Great," he said. "See you tomorrow."

"Bye, dad," she said.

He hung up, and Victoria put the phone back.

"It's my turn now," said Beth. "I need to come first."

“Me too,” said Victoria.

Beth and I picked up the pace, and she and her mom came soon, her mom beating her by seconds.

When Beth recovered, I gave her her phone. I then returned my cock to her mom’s ass.

Beth dialed Lisa’s number while riding her dad’s cock with her ass.

“Hi, Beth,” greeted Lisa.

“Hi, little sister,” said Beth.

“Isn’t it strange that mom, dad and you called me one after the other?” said Lisa.

“It’s a nice coincidence, isn’t it?” said Beth.

“Yes,” said Lisa. “What are you up to?”

“I am getting fucked,” said Beth.

“What?” said Lisa.

“I am getting fucked in the ass right now,” said Beth.

“You are kidding me,” said Lisa.

“I am serious,” said Beth.

“You are talking to me while you and Nick are having sex?” said Lisa.

“Of course not,” said Beth. “It isn’t Nick.”

“What?” said Lisa in surprise. “Not Nick? Are you having an affair already?”

“No, silly,” said Beth. “Nick’s here. He’s fucking another whore in the ass.”

“Are you serious?” said Lisa.

“Of course,” said Beth.

“Do you have an open marriage?” said Lisa.

“Not really,” said Beth. “It’s more like swinging and swapping but at a limited scale.”

“Why are you calling me while you are having sex?” said Lisa.

“I just remembered that I’ve talked to mom and dad while getting fucked in the ass,” said Beth. “You were the only one I hadn’t talked with while getting my ass fucked.”

“You’ve talked to mom and dad while getting fucked?” said Lisa.

“Yes,” said Lisa. “I didn’t tell them I was getting my ass fucked though. It was Nick who fucked my ass then too.”

“You are crazy,” said Lisa.

“Why don’t you have Derek at least lick your pussy while we talk?” said Beth.

“He’s out, and, even if he were here, I wouldn’t let him do that while I talked on the phone,” said Lisa.

“You should,” said Beth. “You may like it. I love it. Do you want to hear me come?”

“No, but thanks for offering,” said Lisa.

“Take care, and get fucked often,” said Beth. “I’ll now pick up the pace and come.”

“Have fun,” said Lisa. “Bye.”

Beth hung up and put the phone aside.

Beth and I picked up the pace, and her mom came first again.

“Mom, let’s get fucked side by side on the sofa,” said Beth, dismounting her dad.

“Sure,” said Victoria.

Beth and Victoria knelt on the sofa, leaning over the backrest, and John and I took our positions behind them. I squeezed lube on both assholes and pushed my cock into Victoria’s offered ass.

“Fuck us hard,” urged Beth as her dad pushed his cock into her ass. “Let’s see which whore comes first.”

“I think your mom intends to win again,” I said, thrusting in Victoria’s ass.

“I do,” said Victoria.

“Dad, don’t let her,” said Beth. “Fuck my ass harder.”

“Your mom won’t miss this chance to show that she craves cock more than you do,” I said, picking up the pace.

“Dad, pick it up,” whined Beth. “He’s talking like you don’t exist.”

“That isn’t true,” I said as her dad picked up the pace. “I am just telling you what’s in your mom’s mind.”

“Yes, Beth,” gasped Victoria. “That’s what’s in my mind. Nick’s big cock’s perfect for my horny ass.”

“You have a perfect ass, Victoria,” I said, pounding her ass at a blurring speed.

Victoria came before Beth by a minute.

“Dad, we lost,” gasped Beth after her orgasm subsided.

“I can’t fuck as hard as he does,” he said. “We had fun though. That’s what matters.”

“They had more fun,” gasped Beth.

“Don’t be jealous of your mom and your husband, silly,” I said to Beth.

“Dad, take off your condom, and fuck my pussy until you fill it with come,” she said.

He pulled out and removed his condom while she rolled onto her back and pulled her legs over her head.

“Roll over, Victoria,” I said, pulling out of Victoria’s ass.

Victoria assumed the same position as her daughter, and I held her ankles and resumed fucking her ass briskly while she spread it for me. She moaned and gasped constantly. Meanwhile, John fucked Beth’s dripping pussy. I reached out and pinched her shaking nipple.

“You are greedy,” said Beth.

“You are my wife even while you have fun with your family,” I said.

“Pinch the other one,” she said.

“You are greedy,” I teased as I pinched her other nipple.

“I want you to be fair to both my tits,” she said.

“You need to be fair to my tits too,” gasped Victoria.

“You got it,” I said as I reached out for her tits.

Although I did not fuck Victoria's ass very fast, she came before her daughter and husband. I fucked Victoria's ass gently while Beth came, draining her dad's cock in her pussy.

"You know the drill, dad," said Beth, pointing to her come-filled pussy, when her dad stopped thrusting in it.

He pulled out of her gooey pussy and knelt down. He hesitantly brought his mouth to her pussy and went to work.

"Good dads clean up their daughter's slimy orifices," she moaned.

"You want me to fill your hot ass with come?" I said to Victoria.

"Yes, please," she moaned.

"Your hot ass is thirsty for come?" I said, picking up the pace.

"Yes," she hissed.

Beth had the come eaten out of her pussy to orgasm while I fucked her mom's spread ass vigorously.

"I am going to come, Nick," gasped Victoria.

"Come, and I'll fill your hot ass with come," I said.

"I am coming," she gasped.

"I am going to come too," I announced.

Victoria convulsed in orgasm while I pounded her twitching ass, pumping it full of come. I slowed down when our orgasms subsided. She milked my cock deliberately with her asshole. John finished licking Beth's pussy clean.

"Mom needs to be cleaned up to," Beth said to her dad while I pulled out of her mom's come-filled ass.

"Yes, honey," said Victoria.

"Meanwhile, I'll suck Nick's cock," said Beth.

John reluctantly took his position before Victoria's offered ass. He proceeded to lick her asshole while she spread her ass for him. Beth sucked my sticky cock eagerly. My cock hardened in her mouth quickly as I watched her dad eat my come out of her mom's slimy ass.

"Dad, you'll have to eat his come out of my ass too," said Beth as she led me to the sofa and knelt on it.

"Eat my pussy, honey," said Victoria. "You'll soon eat your come out of it."

John ate Victoria's pussy to orgasm while I fucked Beth's ass until she came.

John fucked Victoria's pussy to orgasm while Beth deep throated my cock.

"Let me ride your cock," said Victoria.

Victoria rode John's cock in the cowgirl position while Beth rode my cock with her ass.

"Nick, fuck my ass," gasped Victoria when her orgasm subsided.

Victoria got double fucked to orgasm, and then Beth replaced her.

John fucked their pussies, and I fucked their asses in several positions. He came in Victoria's pussy and ate it clean, and I came in Beth's well-fucked ass in the doggy position.

"Eat my ass, dad," called Beth when I pulled out of her ass.

Victoria revived my cock while her husband ate my come out of their daughter's ass.

Beth revived her dad's cock while I fucked her ass through two orgasms.

About an hour later, I came in Victoria's pussy. John did not hesitate to eat it to orgasm.

Beth let her dad come on her tits and lick them clean. In the end, he ate my come out of her pussy.

“I think we worked up a big appetite,” said Beth. “Let’s make dinner.”

Naked Beth and her mom went to the kitchen. John and I chatted and watched television meanwhile.

My cock got hard on its own within half an hour.

“I am going to see if they need any help in the kitchen,” I said as I got up and pointed at my hard cock.

“I bet they do,” he said.

Beth and Victoria did. I took turns fucking their asses. John joined us and watched us make dinner.

“Dad, do you want to help with dinner?” said Beth while I fucked her ass. “Spread my ass.”

From then on, he spread their asses for me. In the end, I came in Victoria’s mouth.

“Thank you for spreading their luscious asses for me,” I said to him after I drained my balls in his wife’s mouth.

“You are welcome,” he said.

Victoria swallowed most of my come and then kissed him deeply.

“His come’s delicious, isn’t it?” she said. “You’ve tasted it in all my holes.”

“Yes,” he said.

“She’s a very dirty wife, isn’t she?” I said, squeezing her ass.

“Yes, she’s unbelievably dirty,” he said.

“Thank you, honey,” she said.

We had a normal but luxurious family dinner except for our nudity.

After dinner, we had a quiet evening. Beth and her mom took turns sucking my cock leisurely. They occasionally sucked it together while we chatted and watched television.

Mom and Victoria took turns visiting me and Beth and getting fucked throughout the week.

ALEX VISITS

Beth invited Alex for dinner on Friday. After dinner, we retired to the living room. Alex sat on the loveseat, and Beth sat next to me on the sofa. Beth was wearing a very short skirt and a tank top that almost exposed her nipples. She naturally wore no underwear.

Beth straddled me.

“What do you want, baby?” I said, cupping Beth’s ass.

“I love you,” she said.

“I love you too,” I said.

She lowered her lips to mine and gave me a long deep kiss. As we kissed, she ground her pussy into my boner, moaning quietly.

“I think I should get going,” said Alex, getting up.

“When a sister visits her brother, if anyone needs to leave, it’s his new wife,” I said. “Sit down, Alex.”

“Do you want me to leave?” Beth said to Alex, pouting.

While we had that discussion, Beth used her far hand to set my cock free and guide it into her leaky pussy.

“Of course not,” said Alex.

“Sit down then,” said Beth.

Alex sat down, and Beth lowered her pussy, engulfing half my cock.

“You don’t mind if I sit in my new hubby’s lap, do you?” said Beth, squeezing my throbbing cock.

“No, that’s okay,” said Alex.

Beth subtly thrust into me, taking my cock deeper and deeper into her pussy.

“She’s doing this because of you,” I said to Alex.

“If you weren’t here, I’d be on my knees sucking your brother’s big cock,” smiled Beth.

“You are a little slut,” I smiled as I slowly but firmly pulled her into me, driving my cock most of the way in.

“Yes,” hissed Beth, smiling.

“You call your wife a slut?” said Alex.

“You are a cock-craving slut, aren’t you, bitch?” I said to Beth.

“Yes,” hissed Beth.

“She lets you talk dirty to her?” said Alex.

“Your fiancé doesn’t call you a slut or a whore?” said Beth.

“No way!” she said.

“Maybe it’s too early for you,” said Beth. “We actually started doing that after we got married.”

“That was when she turned into a whore,” I said.

“There is no way I’d let my fiancé talk to me like that,” said Alex.

“Not even after you get married?” said Beth.

“Not even then,” said Alex.

“Alex, you are not a whore,” I said. “Beth is. You can ask her.”

“She doesn’t have to,” said Beth. “I am a whore, and I love it.”

“She wants to take credit for that,” I said.

“I love cock so much,” Beth said to Alex. “Don’t you?”

“Of course, I do,” said Alex. “Every woman does.”

“I love cock more than most,” said Beth.

“Do you love my big cock most?” I teased.

“Of course, I do,” she said.

“It’s hard to believe,” I said.

“Of course, I love other cocks, but your big cock’s my favorite,” she said.

“I hope so,” I teased.

“He’s saying that because I fucked two other cocks after we got married,” she said.

“What?” said Alex.

“The whore spread her legs for two other guys in the last two weeks,” I said.

“I spread my legs and cheeks and opened my mouth for two other guys,” said Beth. “What’s the big deal? Didn’t you fuck their wives in all their holes?”

“Yes,” I said.

“Do you have an open marriage?” asked Alex.

“Of course not,” I said. “We have a normal marriage.”

“In normal marriages, spouses don’t have sex with other people,” she said.

“One thing led to another, and I fucked the wives,” I said. “Beth fucked the husbands to make it even.”

“You fucked other women in your first month of marriage?” said Alex.

“It wasn’t planned,” I said. “It just happened. At least, the first time did, but it was so good we couldn’t quit.”

“I can’t believe you,” said Alex. “You were lucky she let you get away with that.”

“I was lucky too,” said Beth. “I now have two other cocks that I can have whenever I want. Isn’t that right, baby?”

“Yes, whore,” I said.

“Don’t act hurt,” she said. “You have two other dirty whores that you can use freely whenever you want. You can even fuck one of them in the ass, but her husband can’t.”

“I deflowered her ass,” I said. “It belongs to me.”

“Did you hear that?” said Beth. “Because he deflowered the woman’s ass, it now belongs to him, and the slut’s husband can’t fuck it.”

“Nobody’s complaining,” I said. “He can fuck your ass all he wants.”

“The man can fuck my ass all he wants but can’t fuck his own wife’s ass,” she said. “Can you hear your brother?”

“It’s strange logic,” said Alex.

“Excuse me for a minute, Alex,” said Beth. “I have to come.”

Beth thrust her pussy into me vigorously. She came within half a minute, writhing and gushing around my cock.

“That was good,” gasped Beth in the end. “I so love your big cock.”

“She’s completely shameless,” I said.

“I can’t have my favorite cock inside me and not come on it,” she gasped.

“Inside you?” said Alex in confusion.

“The slut snuck my big cock into her cock-craving pussy,” I said.

“I think I should leave,” said Alex.

“You know the rules, Alex,” I said. “You are staying. You might as well say she should leave.”

“You didn’t see anything,” said Beth. “Assume there is nothing out of the ordinary and we are just teasing.”

“Okay,” said Alex reluctantly.

“I’ll take it out of my pussy if that makes you more comfortable,” said Beth.

Beth took my cock out of her pussy and popped its head into her ass. She quietly lowered her ass all the way down.

“Do you feel better now?” Beth asked Alex, squeezing the base of my cock with her asshole.

“Yes,” said Alex.

“Do you still think you love cock as much as I do?” said Beth.

“I am not sure,” said Alex.

“I was like you before I got married,” said Beth. “Don’t lose hope.”

“I am okay the way I am,” said Alex.

“I was like that too,” said Beth. “I didn’t know any better. Now, I know I wasn’t okay.”

“I see,” said Alex.

“Alex, do you know that our parents are swingers?” I said.

“Yes,” said Alex.

“You do?” I said in surprise. “Why didn’t you tell me?”

“What was I supposed to say and why?” said Alex. “It’s their private life.”

“How did you find out?” I asked.

“I went home unexpectedly when I was supposed to spend the night at a friend’s house,” she said. “I was surprised by the number of cars, so I investigated before I went in. I turned around when I saw strange people having sex.”

“Did you see mom and dad?” I said.

“No,” she said.

“Did they know that you found out about them?” I said.

“I don’t think so,” she said.

“When did you find out?” I asked.

“Five years ago or so,” she said.

“It’s been a while,” I said.

“How did you find out?” she said.

“Mom gave us the wrong video,” I said.

“She gave you a swinging party video?” she said.

“Yes, she gave us a video where she and dad starred,” I said.

“Did you watch it?” she asked.

“Of course,” I said. “How would I have known otherwise?”

“Did you stop when you found out what it was?” she said.

“No way!” I said. “I wanted to know what was going on. They are my parents, not some strange people.”

“You should have stopped,” she said.

“Beth thought so too,” I said. “She was innocent then, but it made her pussy run like a river.”

“Nick, I was a nice girl,” whined Beth. “I was just surprised.”

“Your horny pussy took the surprise in stride,” I said.

“I was a nice but horny girl,” she said.

“Anyway, I knew that your horny pussy wanted to watch,” I said.

“You saw mom and dad have sex with other people?” said Alex.

“I did, and I was impressed,” I said. “Beth was too. You’ve never seen mom or dad fuck?”

“Of course not,” she said.

“You should,” I said. “Do you want to watch? We still have it. We can watch it now, or you can take it home.”

“Of course not,” she said. “You didn’t return it?”

“What should I say?” I said. “I found you and dad fucking other people instead of our wedding party?”

“I guess it would have been embarrassing,” she said.

“Besides, it’s a treasure,” I said.

“You still watch it?” she said.

“Sure,” I said. “Did you know how much mom loved to be made airtight?”

“Nick, I don’t need to know that,” she said.

“I’ve been double penetrated, but I haven’t been made airtight,” said Beth. “I am looking forward to that.”

“Listen to the whore,” I said. “Two cocks aren’t enough for her.”

“One big cock’s enough for me, but two cocks are better, and three cocks are even better,” she said. “Speaking of one big cock, I have to come again.”

Beth bounced her ass vigorously on my cock until she had a wild orgasm. She finally went limp.

“You have no interest in trying double or triple penetration?” I asked Alex.

“No way!” she said. “I am not like that.”

“Hey, I am not an alien,” said Beth. “I wasn’t like that either. Maybe watching the video can change your mind.”

“Thanks, but no, thanks,” said Alex.

“You are not taking after mom?” I said.

“Apparently not,” she said.

“Your lips look so much like hers,” I said.

“Speaking of lips, I have to suck your big cock,” said Beth, dismounting my cock. “I hope Alex doesn’t mind.”

Beth dropped to her knees and swallowed half my cock. She sucked it hungrily.

“You can’t leave, so remain seated,” I said to Alex. “My wife’s a whore. You are family, so you should know.”

“Your big cock seems to love your whore wife,” teased Beth.

“I know it does,” I said. “I do too. Being a whore doesn’t have to be bad. You wear it so well.”

“Thank you, baby,” she said.

Beth deep throated my cock leisurely.

“She’s become a great cocksucker in the last couple of weeks,” I said.

“Nick, you shouldn’t talk to me about that,” said Alex.

“I am sharing our experience with you,” I said. “You are going to get married sometime.”

“Thanks,” she said.

“You wouldn’t guess who taught me proper cock sucking,” said Beth.

“You learned it from the video?” said Alex.

“That’s close, but you need supervision and coaching to be really good at it,” said Beth.

“Who taught you?” said Alex.

“None other than your mom,” said Beth.

“You started swinging with my parents?” said Alex.

“It wasn’t like that,” said Beth.

“I didn’t tell you the whole video story,” I said.

“What story?” said Alex.

“Mom found out on her own that she gave us the wrong video, so she took her first chance to make the exchange,” I said. “She though sensed that we’d watched the video, so she came clean.”

“How embarrassing!” she said.

“It already came to sex, so she checked on us and found out that Beth couldn’t suck cock to save her life,” I said.

“I wasn’t that bad,” complained Beth.

“Compared with mom or now, you were,” I said.

“I guess,” she said.

“Mom took pity on her and taught her how to suck my big cock properly,” I said.

“I’ll be in her debt forever,” said Beth.

“How did she teach her?” asked Alex.

“She showed her how to do it,” I said. “They used my big cock.”

“You mean mom sucked your cock?” she said.

“She’s sucked tens or hundreds of cocks over the years,” I said. “What would the big deal be if she sucked mine?”

“She’s your mom,” she said.

“I know, but she wouldn’t get pregnant by sucking my big cock or swallowing my hot sticky come,” I said.

“She swallowed your come too?” she said in disbelief.

“Why are you surprised?” I said. “Am I not as good as the other guys she does that for?”

“You are, but I am surprised she’d do that for you,” she said.

“If she does it for fun, she should be able to do it for fun and for teaching her slut daughter-in-law,” I said.

“Come here, and let me teach you,” said Beth. “You’ll love it and be grateful to me all your life.”

“You’ll teach me on my brother’s cock?” said Alex.

“If it was good enough for your mom to suck it, is it not good enough for you?” argued Beth.

“Alex, don’t entertain the I-am-holier-than-thou attitude,” I said.

“I don’t,” said Alex.

“Prove it,” I said. “Get down on your knees, and put your sexy lips to good use. Use them for what they are for.”

“You think lips were made for sucking cock?” she said.

“It’s the most fun thing lips can do,” I said. “If you don’t believe that, let Beth convince you.”

“Nick, I’ve never imagined doing anything like this,” she said.

“I’ve never realized how perfect for sucking a big juicy cock your sweet lips are either,” I said. “Let’s explore.”

Beth walked to Alex and took her hand. Alex resisted a little but let Beth lead her to me and pull her down to her knees next to her.

“You were not kidding,” said Alex. “You have a big cock.”

“Big cocks are more fun to suck and take down your throat, but it’s a little harder to do that,” said Beth.

“I don’t know how you can take it down your throat,” said Alex.

“That’s why you are here,” smiled Beth.

“I guess,” smiled Alex.

“It’s a beautiful cock, isn’t it?” said Beth.

“Yes,” hissed Alex.

“He complimented you on your lips,” said Beth. “Go ahead, and compliment him on his big beautiful cock.”

“You have a big beautiful cock, Nick,” said Alex shyly as she looked up at me.

“Thank you, Alex,” I said. “Enjoy it fully.”

“Suck your brother’s big fat cock,” invited Beth. “Show him you are worthy of kneeling before him. You must know that not every woman’s worthy of kneeling in front of such an impressive cock.”

Alex stuck her tongue out and teased my cock head with her tongue tip, making it twitch and jump.

“Don’t you love it when a gorgeous cock like this one likes you?” said Beth.

“Yes,” hissed Alex.

“Don’t you think that your lips deserve to wrap around this big juicy cock?” said Beth.

“Yes,” hissed Alex.

“Wrap them around it, and have fun,” said Beth. “That was what they were made for.”

Alex closed her lips around my cock and sucked it gently. My cock leaked in her mouth.

“That’s perfect,” I said.

“You like it?” she smiled.

“Can’t you feel my big cock pulse and leak?” I said. “You have perfect lips for this. Do you like it?”

“Yes,” she hissed. “It’s so thick and hard.”

“It likes you,” I said. “It’s falling in love with you already. Are you falling in love with it too?”

“Yes,” she said. “You have a nice delicious cock.”

“Enjoy it,” I said. “Feed your cock-hungry mouth. Be my sweet cocksucker.”

She took my cock in her mouth and sucked it, working her stretched lips up and down the shaft slowly. She sucked it more and more eagerly, drenching it in her drool.

“I bet you she’s never sucked a cock like she’s sucking yours,” said Beth.

“How do you know that?” I said.

“I can see it in her face,” she said. “Ask her.”

“Was what Beth said true?” I said.

“Yes,” said Alex. “Your big cock’s different. I love sucking it.”

“I love that too,” I said.

“I am sure she’ll be visiting us often,” said Beth.

“I’ll also visit her to make sure she has enough of my big cock,” I said.

“Wait until I teach her deep throat,” she said. “It’s going to be a love story between your big cock and her.”

“She’s the kind of girl my big cock loves,” I said. “It’s falling in love with her deeper with every new suck.”

“Wait until it falls in love with her balls deep,” she said.

“It’s going to be leaking in her mouth till then,” I said.

“Let me help you with your top in case you want to rub his big cock over your tits,” said Beth, reaching for Alex.

Alex cooperated as Beth rid her of her top and bra, setting her tits free.

“Your sister has big tits,” said Beth. “Do you like them?”

“Let me see,” I said as I leaned forward and reached for Alex’s tits.

Alex’s nipples were stiff. She gasped when my palms touched them. I cupped her tits and squeezed them gently.

“I love your tits, Alex,” I said, feeling up her tits. “Are you going to let me fuck them?”

“I am sure she’ll let you fuck them and come all over them,” said Beth.

“Is that right, Alex?” I said, pinching Alex’s nipples.

“Yes,” hissed Alex.

“Good girl,” I said.

“Do you want me to take her panties off so she doesn’t soak them?” said Beth.

“Sure,” I said. “I want to smell my sister’s juicy pussy on them too.”

Beth pulled Alex’s panties off and handed them to me. I took the panty crotch to my nose. It was moist and smelled of her hot pussy. I inhaled deeply. Meanwhile, Beth hiked Alex’s skirt and inspected her pussy.

“I love the smell,” I said.

“She’s soaked,” said Beth, wiping Alex’s pussy with her finger.

Alex trembled.

“Have a taste,” said Beth, offering me her glistening finger.

Alex blushed as I sucked her juices off Beth’s finger, moaning around it.

“It tastes great,” I said.

“I am sure she’ll let you taste it from the source for letting her suck your big cock,” said Beth.

“I am sure of that too,” I said.

Beth left Alex’s skirt hiked. I leaned forward and squeezed Alex’s ass. I felt it up for a minute.

“She has a fantastic ass,” I said.

“It’s still virgin,” said Beth, making Alex tremble.

“She isn’t a whore like a woman I know,” I teased as I spread Alex’s ass and tickled her asshole, making her gasp.

“Don’t blame her,” said Beth. “She doesn’t know any better, but she’s learning.”

“You think my sweet sister’s going to be a dirty whore like you?” I said as I slid an index finger into Alex’s pussy.

Alex moaned and leaked on my finger.

“I am sure she is, once she learns enough,” said Beth as I took my finger out. “She has a healthy appetite for cock.”

Alex did not resist as I gently wormed my slick finger into her splayed asshole. My cock got bigger and leaked profusely in her mouth. Her asshole clenched around my finger though. I slid my middle finger into her dripping pussy and pulled on the side of her tight asshole. She relaxed slowly, and her asshole opened up. A minute later, I effortlessly squeezed my second finger into her ass. She groaned. I gently reamed out her asshole.

“Her asshole’s so tight,” I said.

“You know why mine isn’t that tight,” said Beth.

“I know it’s because you are a dirty whore,” I said.

“Exactly,” she said. “When she becomes one, her asshole won’t be tight anymore.”

“No cock has ever been here unlike your ass, where three cocks have been there and more are on the way,” I said.

“I bet that hers won’t remain virgin forever,” she said.

“Maybe not, but it won’t be a cock collector like yours,” I said.

“Remember that I only let guys fuck my ass after you fuck their women’s asses,” she said.

“I’ll remember that,” I said.

“If you don’t want my ass to collect cocks, don’t let your big cock collect asses,” she said.

“I am already sharing your slutty ass,” I said. “I am not repressing my big cock so I don’t share it with more guys.”

“Suit yourself,” she said.

My fingers were halfway up Alex’s ass, and they were going deeper and deeper as her asshole relaxed. She sucked my cock hungrily, moaning around it.

“He doesn’t have to take his fingers out of your horny ass while you raise it all the way up,” instructed Beth. “Your ass needs to be higher than your head while you continue to suck his big cock.”

Alex complied readily.

“He has two fingers up your ass,” said Beth. “When he has three fingers all the way up your ass, you’ll be comfortable with taking his big cock balls deep.”

“I love toying with your sweet asshole as much as you love sucking my big cock,” I said as I rubbed Alex’s leaky pussy with my ring finger. “Spread your hot ass with both hands so I can stretch it wider and insert a third finger in.”

"You like having your virgin asshole stretched wide?" asked Beth as Alex reached back and spread her ass wide. Alex moaned affirmatively.

"I knew it wouldn't stay virgin for long," said Beth, making Alex's asshole twitch.

Alex's asshole relaxed again, and I carefully squeezed my third finger in. Only the three fingertips were in her ass.

"While he trains your virgin asshole, relax your throat and train it with his big cock," directed Beth. "Swallow it."

As I slowly corkscrewed my fingers into Alex's splayed asshole, she tried to swallow my cock. Apparently, working on her asshole helped. She swallowed my cock without gagging after several tries.

"You are impressive," said Beth. "Keep going."

"That's right, Alex," I said. "Except for mom, you are the only one who's swallowed my big cock without gagging. You are obviously taking after her."

"You did it before he had his three fingers all the way up your virgin asshole," said Beth. "Keep up the good job."

My fingers were about halfway in. I continued to work them into Alex's ass. She deep throated my cock eagerly while I fed her tight ass the rest of my fingers. About five minutes later, my fingers were all the way in. I gently reamed out her asshole for a few more minutes.

Beth knelt behind Alex.

"Your pussy's drenched," said Beth. "It's so hungry for cock. Let me make sure it doesn't drip on the carpet."

Beth swiped Alex's dripping pussy with her tongue, making Alex gasp and tremble. Alex tried to pull her mouth off my cock, but I held her head down with my free hand.

"She's a dirty whore," I said. "Let her lick it for you."

Alex relaxed and moaned around my cock as Beth licked her pussy. I used my free hand to fondle Alex's tits and pinch her stiff nipples.

"This is a test, Alex," said Beth. "If you are not a dirty whore like me, don't come in my mouth."

Beth held Alex's hips and devoured her juicy pussy. Alex did not last for a minute. She wanted to take her mouth off my cock, but I held her head down.

"If you are a true dirty whore, don't stop deep throating your brother's big cock while you gush in his slut wife's eager mouth," I said. "Show me you are worthy of my big cock."

It was hard for Alex, but she continued to suck my cock while she came in Beth's mouth, her asshole twitching around my fingers. Beth licked Alex's pussy gently while she recovered.

"You think you can keep my fingers up your virgin ass while you impale your little pussy on my big cock?" I said.

"You want to fuck me?" said Alex, her asshole twitching.

"You've earned it, and your little pussy needs it," I said.

"This is so slutty," she said.

"If I remember right, you passed the dirty whore test," I said, pulling her ass toward my cock.

"I am obviously dirtier than I thought," she said as she got up and moved toward me.

"Alex, hot girls were made for cock," I said as she straddled me. "You are a hot girl. Relax, and indulge."

"This is incest," she said as she guided my cock into her horny pussy.

"Mom didn't mind that," I said. "Neither did I. You are her daughter and my sister. You shouldn't either."

“I am just your mom’s daughter-in-law and your wife, and I didn’t mind it either,” said Beth.

“Have you ever committed incest?” asked Alex, working her pussy down my hard cock.

“She whored herself to her dad,” I said.

“You did?” asked Alex in disbelief.

“You fucked his wife in every hole,” said Beth.

“You fucked your mother-in-law?” asked Alex.

“I thought she wasn’t getting enough cock, and I was right,” I said.

“You fucked her?” she said.

“In every hole, like her daughter said,” I said.

“You are a very horny guy,” she said.

“Beth taught her deep throat,” I said.

“The two of you are crazy,” said Alex. “She taught her mom deep throat?”

“We weren’t crazy when I taught you,” teased Beth. “After that, you shouldn’t take it lightly.”

“I am not taking it lightly, but it’s unbelievable,” said Alex.

Alex shoved her pussy the rest of the way down my cock and stiffened.

“I am coming on my brother’s big cock,” gasped Alex.

Alex writhed in my arms, and her asshole twitched around my fingers. Her pussy gushed on my cock and balls until her orgasm subsided, leaving her limp.

“That was good,” gasped Alex.

“You seem to like my big cock,” I teased.

“Nick, you have the most incredible cock I’ve ever seen or experienced,” she gasped. “I am serious.”

“Are you its dirty whore?” I said.

“Yes,” she hissed.

“Are you going to fuck your dad like I did?” asked Beth.

“No,” said Alex. “I don’t want mom or dad to know about this.”

“Why not?” said Beth.

“They’d think I was a pervert,” said Alex.

“They wouldn’t,” said Beth.

“How do you know that?” said Alex.

“Your brother fucked your mom in all her holes, and your dad fucked me in all my holes,” said Beth.

“You’ve been busy,” said Alex.

“We are newlyweds,” said Beth.

“I have a feeling that most newlyweds are not like you,” said Alex.

“Of course not,” said Beth. “I love cock so much, and your brother loves ass even more,”

“You obviously do,” said Alex.

“Your fiancé won’t know about this, but I have to whore myself to him to make it even,” said Beth.

“You mean to get even,” said Alex.

“Not really,” said Beth. “Had I not whored myself to our dads, they wouldn’t have let Nick fuck their wives freely in front of them. They even spread their asses for him and ate his come out of their pussies and asses.”

“You are not serious,” said Alex.

“You’ll believe me when your fiancé eats your brother’s come out of your pussy and ass,” said Beth.

“You think you can do that?” said Alex.

“I’ve done it before,” said Beth. “He’ll first eat Nick’s come out of my pussy though.”

“She’s a real whore,” I said. “She can do it. Relax, and let her do her thing.”

“You are unbelievable,” said Alex.

“By the way, your fiancé will fuck my ass, but, as usual, he has to wear a condom and Nick’s the only one who can fuck yours or feed you his come,” said Beth.

“You are nuts,” said Alex.

“I’ve prepared your hot ass for my big cock, and I am going to deflower it and fuck it royally,” I said. “Why should I let anybody else touch it?”

“You have a point,” she said.

“Now, ride my big cock like you mean it,” I said.

“Your fiancé’s going to fuck me for this,” said Beth. “You may as well make the best of it.”

“I’ve already had a hotter time than ever before,” said Alex, picking up the pace.

“Alex, we haven’t even started,” I said, finger fucking her ass. “We just taught you deep throat and prepared your virgin asshole for cock. If you think we invited you tonight for this, think again. You are going to get fucked senseless.”

“I’d love that,” she gasped.

“Do you like having your hot ass finger fucked like this?” I said.

“I love it,” she gasped.

“Wait until I use it for what it was made for,” I said.

“I can’t wait,” she gasped.

“Do you know what it was made for?” I said.

“Yes,” she gasped, stiffening. “It was made for your big cock.”

“That’s right, baby,” I said. “Come for it. Show it how much your cock-craving but virgin ass loves it.”

“Yes,” she hissed.

She convulsed, gushing on my cock, and her asshole twitched around my fingers. I let her writhe until her orgasm subsided and she went limp.

“That was wonderful,” she gasped.

“You definitely deserve to be my dirty whore,” I said.

“Thank you,” she gasped.

“My big cock’s happy because its dirty little whore’s having a great time on it,” I said.

“I am having the best time ever on your amazing cock,” she gasped.

“That’s the point, Alex,” I said. “My little sister deserves to be happy. I am going to fuck her in every possible way to make sure she is.”

“You are the best brother in the world,” she gasped.

“You are the sweetest little sister in the world too,” I said.

She brought her mouth to mine, and we kissed deeply.

“When a guy has a sister as hot as you are, he can’t help enjoy her company in every way,” I said.

“I love how you enjoy my company,” she smiled.

“That’s because you are so sweet,” I said.

“Thank you,” she said.

“You are a dirty little sister though, aren’t you?” I teased, slowly withdrawing my fingers from her ass.

“Yes,” she hissed as my fingers popped out of her asshole.

“That’s why you need to stick three fingers up your virgin ass to keep it ready,” I said. “Beth will let you wet your fingers in her dripping pussy so she can feel she’s part of this.”

Beth got up and placed a foot on the sofa, offering her leaky pussy.

“You are a dirty brother,” said Alex as she reached for Beth’s pussy.

“Are you disappointed in me?” I said as Alex stuck her three fingers into Beth’s wet pussy, one after the other.

“I am proud of you,” said Alex as she reached back for her ass, which I spread with both hands. “I am proud to be your dirty little whore.”

“Me too, Alex,” I said as she inserted her fingers into her ass. “I am proud to have such a hot and slutty sister.”

“You’ve definitely loosened up my little asshole,” she moaned.

“What can one do?” I said. “Your sweet little asshole has a big fat cock to swallow to the balls.”

“You did a great job on it,” she moaned.

“I am going to fuck it open,” I said.

“I want you to,” she said.

“I still need to fuck your horny pussy,” I said as I held her tightly and flipped her onto her back, making her gasp.

“Fuck it all you want, baby,” she said as I held her ankles and thrust in her pussy.

“I want every hole in your hot body to be happy with the big cock it belongs to,” I said, picking up the pace.

“All my holes are very happy,” she moaned.

“How is your little asshole doing?” I said.

“It’s happy but very horny,” she gasped.

“After this stretching, it’s going to be ripe for the taking,” I said.

“Yes,” she hissed.

“It’s going to be dying for the big cock it belongs to, isn’t it?” I said.

“Oh, yes,” she hissed.

“Your sweet virgin asshole belongs to my big cock, doesn’t it?” I teased.

“Yes,” she hissed.

“My big cock’s going to use your little asshole properly,” I said.

“Yes,” she hissed.

“You are not going to let anybody else touch the hot ass that belongs to my big cock, are you?” I said.

“No way,” she gasped.

“You are not a whore like Beth,” I said. “You are my dirty whore but not like her.”

“I am only your whore,” she gasped.

She stiffened and came, gushing around my cock. I slowed down for a minute while she recovered and then picked up the pace again.

“Your fiancé doesn’t deserve to fuck your precious pussy either, but I am sharing it with him because he’s nice and he’s letting you whore yourself to me like you should,” I said.

“He doesn’t know about this yet,” she said.

“Don’t worry about that,” I said. “He’s going to watch me use you like you should be used.”

Alex had a few orgasms in that position.

“Roll over onto your knees while you keep your fingers up your hot ass,” I said, pulling out of her drenched pussy.

She got on her knees, and I returned my cock to her soaked pussy.

“You can take your fingers out of your virgin asshole and push your horny ass out,” I said. “I’ll take care of it.”

She took her fingers out of her ass and pushed it out. I drooled on her asshole and wormed a thumb into her asshole. Stretching her asshole to the side, I drooled on it again and squeezed my other thumb in. She groaned as my thumbs opened up her ass. I slowed pulled my thumbs apart, carefully stretching her asshole and creating a gap between my thumbs. I drooled inside her open ass.

“Drool in her ass, Beth,” I said, thrusting gently in Alex’s pussy.

Beth drooled inside Alex’s gaping asshole.

“Her asshole’s getting a serious stretching,” said Beth.

“She has a sweet ass,” I said. “I am going to fuck it for hours. It needs to be warmed up well.”

“Your horny brother’s taking good care of your cock-hungry asshole,” she said.

“Yes,” hissed Alex.

While fucking Alex’s leaky pussy, I stretched her asshole rhythmically. I opened her asshole wide as I thrust my cock into her pussy and let her asshole close a little as I pulled out of her pussy.

“I love toying with your tight asshole, Alex,” I said.

“I love that too,” she moaned.

“Your little sister has become a dirty whore,” said Beth.

“Of course,” I said. “She knows what’s good for her.”

“I know what’s best for me,” gasped Alex.

“She’s a one-man’s whore,” I said. “Isn’t that right, Alex?”

“Yes,” she hissed.

“I am a one-man’s whore too,” said Beth. “If I let other guys fuck me a little, I don’t become their whore.”

“Alex isn’t going to let other guys fuck her ass a little,” I said. “She’s strictly my whore.”

“Yes,” hissed Alex.

“Enjoy your whore,” said Beth.

“I will,” I said, picking up the pace.

Alex came a few more times in that position.

Beth swallowed my dripping cock when I pulled out of Alex’s pussy and ass. Alex’s asshole closed shut but remained relaxed. I fucked Beth’s throat for a few minutes.

“Alex, your mom isn’t here to talk to you about losing your ass cherry,” said Beth. “I have to do that talk.”

Beth took Alex’s hand and led her away.

“We will be back soon,” said Beth, looking back. “Give your big cock a short break before it breaks her ass in.”

My cock relaxed a little, but its lust for Alex’s sweet virgin ass kept it hard and made it occasionally throb.

Beth and Alex finally returned.

“I am ready,” smiled Alex as she knelt before me.

Alex took my cock in her mouth and deep throated it eagerly.

“Is your big hard cock ready for your sister’s tight little virgin asshole?” teased Beth.

“What do you think?” I said.

“I think it’s more than ready,” she said.

“It is,” said Alex, taking her mouth off my throbbing cock.

“Get off your ass,” said Beth. “You have a virgin ass to fuck like you should.”

Beth pulled me off the sofa and handed me a bottle of lube. Alex got on her knees in the middle of the sofa and pushed her virgin ass out. Seeing her luscious ass offered like that made my cock twitch. Beth sat next to her and spread her ass for me.

“This tight virgin ass is all yours,” said Beth.

“I’ll take what’s mine,” I said as I squeezed lube on Alex’s splayed asshole.

Alex’s asshole twitched when it felt the lube. I used a finger to work lube inside her ass. I soon squeezed a second finger and then a third one in, stretching her asshole wide while lubing it thoroughly. I stood up and used my free hand to lube my cock while I gently fucked Alex’s virgin ass with three fingers. Her pussy leaked profusely.

“Are you ready to lose your sweet ass cherry to the big cock you belong to?” I said.

“Yes,” hissed Alex, her asshole twitching around my fingers.

“Are you going to beg me to deflower your horny ass and fuck it royally?” I said.

“Please deflower my virgin ass and fuck it royally with your big cock,” she begged. “It’s so hungry for it.”

“I am going to feed it all the cock it can handle and then some,” I said as I pulled my fingers out of her asshole.

Beth held my slick shaft and guided my cock in.

“Yes,” hissed Alex, her asshole clenching a little as it felt my engorged cock head push into it.

“Your sweet asshole will never be virgin again,” I said as her asshole dilated gradually.

“I don’t want it to,” she said.

She moaned, and her asshole tightened as my cock head slipped in.

“So big,” moaned Alex as Beth spread her ass with both hands.

“Is it stretching your little asshole as wide as you want it to?” I said.

“Yes,” hissed Alex.

“Your ass feels incredible around my big cock,” I said as I held her waist. “It’s perfect for it.”

“It was made for it,” she moaned.

“That’s right,” I said, thrusting gently in her ass. “It was made to take it balls deep and get fucked silly.”

“Yes,” she hissed.

“Stuff your slut sister’s virgin ass with your big cock,” said Beth. “Her tight asshole will never be tight again.”

“Cock-craving assholes shouldn’t be too tight,” I said. “It’s going to be a little tighter than enough though.”

“Good girls call that loose,” she said.

“What do they know about it?” I said. “What do *you* call it?”

“I call it a little tighter than it should be,” she said.

“You think the other guys that fuck your slutty ass can make it looser for me?” I said. “You are mistaken.”

“I know they can’t, but I am doing my best,” she said.

“I assure you that your asshole will be almost as tight as my little sister’s asshole,” I said. “I’ll make sure of that.”

“You mean her asshole will be almost as loose as mine,” she said.

“That’s right,” I said.

“I am sure she appreciates that,” she said.

“I do,” said Alex.

My cock was halfway in, and it was sinking constantly with every little thrust.

“Do you like the feeling?” asked Beth.

“Yes,” hissed Alex. “He’s so big.”

“Is your horny ass half full or half empty?” teased Beth.

“It feels full to the brim,” moaned Alex.

“Wait until it actually is,” said Beth.

“I know,” said Alex.

“Your hot ass will soon be full, and then it’s going to get fucked royally,” I said, thrusting firmly in Alex’s ass.

Within half a minute, I shoved the last inch of my cock up Alex’s sizzling ass, bumping her dripping pussy with my balls. She gasped and stiffened.

“It’s balls deep in,” said Beth like Alex and I did not know.

“I am coming,” gasped Alex.

“Can you feel how good it is?” said Beth.

“Yes, it’s wonderful,” gasped Alex.

Alex writhed wildly as her orgasm took over her body. I held her waist tightly and let her twitching ass jerk back and forth over my cock until her orgasm subsided.

“Ass fucking’s the best,” gasped Alex.

“You are preaching to the choir,” said Beth.

“She’s preaching to the whore,” I said.

“The whore’s happy she helped her husband collect a new hot ass,” she said.

“Alex, are you happy that your brother has added your luscious ass to his collection?” I said.

“Yes,” hissed Alex.

“Are you proud of your horny ass for being able to take my big cock balls deep?” I said.

“Oh, yes,” she said.

“So am I,” I said, thrusting gently in her ass.

“Enjoy your new ass whore,” said Beth.

“I will,” I said, picking up the pace gradually.

Alex fucked back, moaning and gasping.

“You still believe that this is what your hot ass was made for?” I said.

“Oh, yes, more than ever,” gasped Alex.

“You know where to come whenever any of your holes is hungry for cock or come,” I said.

“Yes,” she hissed.

Alex soon came, and her orgasm was harder than her previous one. I fucked her ass hard until she went limp.

With every new orgasm, I gave her less time to recover and fucked her ass harder. I did not slow down at all between her last two orgasms. After fucking her ass for over half an hour, I wanted to give it a break.

“Is your horny ass ready for your brother’s hot come?” I said to Alex as I drilled her ass hard.

“Oh, yes,” she gasped.

“Fill her slutty ass with your creamy come,” urged Beth. “Show her she’s taking after your slut mom.”

“I already know that I am taking after my hot mom,” gasped Alex.

“If you are lucky, Nick will fuck the two of you together while your fiancé and dad fuck me,” said Beth.

Alex stiffened.

“I am coming,” gasped Alex.

“You obviously like the idea,” teased Beth.

Alex convulsed, and I let her twitching asshole help drain my balls deep in her ass as I slammed hard into her ass. She had her biggest orgasm so far, and I had a powerful orgasm as I filled her ass with come. We thrust and ground into each other until we were drained.

As soon as I pulled out of Alex's slimy ass, Beth took my sticky cock in her mouth. While she sucked my cock, she effortlessly slid two fingers inside Alex's loose asshole. She reached deep and scooped come on her fingers.

"Taste your brother's come," offered Beth, taking her mouth off my cock.

Alex sucked Beth's gooey fingers eagerly.

"I like it," smiled Alex. "His come's delicious."

"It is," said Beth. "Do you want more of it in your mouth and pussy?"

"Yes," said Alex.

"You need to help me get him hard again," said Beth.

"With pleasure," said Alex.

Beth knelt down on the floor, and Alex joined her. I sat back on the sofa.

"Is your ass happy?" said Beth, squeezing Alex's ass.

"It's very happy," smiled Alex.

"I know the feeling," said Beth.

They turned to my cock and went to work. They licked it and sucked it together. When it was hard, they took turns deep throating it. In the end, I held their heads and controlled who deep throated my cock and how fast.

"Are you ready, whores?" I said.

"Yes," they both hissed.

"My big cock's going to fuck the two of you silly," I said.

"I am sure your sister would love that," said Beth.

"Of course, I would," said Alex.

"Assume the position on the sofa like the dirty whores you are," I said, getting up. "I am going to use you fully."

They assumed the position readily.

"Each of you has to sit up and spread the other's ass for me," I said, standing behind Alex's ass.

Beth sat up and spread Alex's ass. I squeezed lube on Alex's asshole, and Beth guided my cock in. Alex moaned.

"This beautiful ass was made for this beautiful cock," said Beth as my hard cock sank in Alex's spread ass.

"Do you agree, Alex?" I said, thrusting gently in Alex's ass.

"Yes," hissed Alex.

"All girls were meant to be whores," said Beth. "We are just the lucky ones who achieved their life goals."

"Yes," hissed Alex.

"Fuck your slut sister's cock-craving ass," urged Beth.

"This is going to be the happiest ass in town when she goes home," I said, fucking Alex's ass faster.

"It's already one of the happiest asses in the world," said Alex.

"You are new to this," said Beth. "You don't know how happy a cock-craving ass can be."

"Okay," said Alex.

"Do you like getting your hot ass fucked at this pace?" I said.

“I love it,” she said. “I can have my ass fucked like this forever.”

“I’d love that too, but it isn’t possible,” I said. “I have other whores who need my big cock up their horny asses.”

“I know,” she moaned.

“That’s why I have to fuck you harder,” I said, picking up the pace.

“My horny ass loves that,” she gasped.

“That’s the point,” I said.

“She and I are taking after our slut moms,” said Beth.

“You are dirty whores, and so are they,” I said.

“You are the beneficiary of most of that,” she said.

“Yes, and I appreciate that,” I said.

Alex soon came, convulsing wildly, and I drilled her twitching asshole until she went limp.

While Alex recovered, I switched my cock between her pussy and ass and Beth’s mouth.

“Get up, Alex,” I said, pulling back. “You need to help your slut sister-in-law.”

Beth got on her knees and pushed her ass out. Alex spread it for her, and I squeezed lube on her asshole.

“Fuck my ass, baby,” said Beth as I pressed my cock head into her splayed asshole.

“I will, you hot slut,” I said as my cock head slid inside her ass.

“Stretch her little asshole,” urged Alex as I thrust gently in Beth’s ass.

Alex watched my hard cock drill Beth’s stretched asshole for a few minutes before Beth stiffened and came hard. While Beth recovered, Alex tasted Beth’s pussy and asshole on my cock repeatedly.

We repeated that several times. Finally, when it was Alex’s turn to taste Beth’s orifices on my cock, I moved to fucking her throat.

“I am going to come in your mouth, Alex,” I said, thrusting harder in Alex’s throat.

Alex could not answer since I kept my cock thrusting in her throat. She just sucked my cock harder and pulled me into her faster. My orgasm hit soon.

“Open wide, baby,” I said, pulling out, when my cock twitched. “I am going to fill your mouth with hot come.”

She opened wide, and my come burst into her mouth, hitting the back of her throat with jet after thick jet. When my come supply diminished, she sucked my cock head dry.

“Swallow it all, my hot come slut,” I said.

Alex swallowed my come, and I sat back on the sofa. She and Beth knelt before me and revived my cock.

“All your holes will get fucked silly before I come in your horny pussy,” I said to Alex, pulling her into my lap.

Beth lubed my cock, and Alex impaled her ass in the Asian cowgirl position.

“Bounce your hot ass,” I said as I held and spread Alex’s ass. “Show her that you are taking after our slut mom.”

Alex worked her ass up and down my cock energetically, and I paced her.

“Is mom this dirty?” gasped Alex.

“You’d need to watch her in her porn movie,” I said.

“Your mom’s a lot dirtier than this, but we are taming her,” said Beth.

Beth sucked my cock after Alex came. They then switched places, and Beth bounced her ass on my cock to orgasm. I then fucked their pussies.

During the following hour, we changed positions several times. In the end, I came in Alex’s pussy in the missionary position with her legs over her head.

Beth used her fingers to feed Alex my come out of her pussy.

“Alex, I want you to eat my next come load out of Beth’s asshole and share it with her,” I said as Beth sucked my cock. “Do you think you can do that, or is it too dirty for you?”

“Nothing should be too dirty for me,” said Alex.

“You are a good girl,” I said.

Alex joined Beth, and they revived my cock.

Our next round started with fucking Beth’s ass in the doggy position. We changed holes and positions after that. In the end, I came in Beth’s convulsing ass in the missionary position.

“Suck it all, Alex,” I said as I withdrew my softening cock out of Beth’s ass.

Alex did not hesitate to eat Beth’s slimy ass.

“Share it with her over a kiss,” I said when Alex finished sucking Beth’s ass clean.

Alex eagerly shared the come with Beth over a sloppy kiss.

“Are you still worried about this being called incest?” I said.

“No way!” she said. “You can call it murder, and I’ll still love it and do it all the time.”

“I am the last person who’d call it murder,” I said. “I’d call it being a good sister.”

“In that case, I am going to do my best to be the best sister in the world,” she said.

“That’s what I expect from you, Alex,” I said. “You’ve always been the best sister.”

“From now on, I’ll be a lot better,” she said.

“You’d still be the best sister,” I smiled.

Alex put her clothes back.

“I’ll call you in the morning and see what we can do tomorrow,” said Beth.

“Sure,” said Alex.

Alex kissed Beth and me deeply before she left.

BETH VISITS DAVE

On Saturday morning, I fucked Alex and Beth together. I filled their well-fucked asses with come and split a big come load between their pussies. They then headed to Dave and Alex’s place.

Alex went in first, sneaking Beth inside.

“Dave, are you horny?” asked Alex.

“Why do you ask?” asked Dave.

“If you are horny, this is your lucky day,” she said.

“I am horny,” he said.

“Sit back,” she said. “I have to blindfold you.”

“Why is that?” he asked.

“It’s part of the experience,” she said. “You need to sharpen your senses. I am going to give you tough questions.”

“Okay,” he said.

“You can’t take off the blindfold,” she warned. “I am the only one who can take it off.”

“Okay,” he said.

She retrieved a sleep mask and wrapped it around his head, blindfolding him.

“Can you see anything?” she asked.

“No,” he said.

That was Beth’s cue. She tiptoed inside.

“You know how to eat a pussy and make it come while blindfolded?” asked Alex.

“Yes,” he said.

“Pay attention,” she said. “There are tough questions coming.”

“Okay,” he said.

Beth hiked her skirt and climbed onto the sofa, straddling his face. She rubbed her slimy pussy over his mouth.

He held her ass and proceeded to eat her come-filled pussy. She rode his tongue, moaning lowly. He ate her pussy eagerly and made her come and gush into his mouth.

Beth climbed off and sat down on the loveseat.

“Are you ready to do that again?” asked Alex.

“Yes,” he said.

“Pay attention again,” she said.

“Okay,” he said.

Alex climbed astride his face and fed him her come-filled pussy. He ate it to orgasm, and she climbed down.

While Alex sat down and caught her breath, Beth rid him of his pants and underwear, setting his hard cock free.

“Do you want to get your cock sucked?” asked Alex as she knelt next to Beth.

“Yes,” he said.

“You need to pay attention,” she said.

“Okay,” he said.

Alex sat back, and Beth proceeded to suck Dave’s cock. She did not deep throat his cock, but she sucked him and teased him for over ten minutes.

“Did you like that?” asked Alex, kneeling before his sticky cock as Beth sat back on the loveseat.

“Yes,” he said. “It was great.”

“Would you like more of that?” she asked.

“Sure,” he said.

Alex sucked and teased his cock for over ten minutes, trying to do like Beth and even better.

“Did you like that?” she asked when she was done.

“Yes,” he said.

“Are you ready for the tough questions?” she asked.

“Yes,” he said.

“Was the first or the second pussy eating juicier?” she asked.

“The first,” he said without hesitation.

“Which cock sucking round did you enjoy more?” she asked.

“The first one,” he said without hesitation either.

“I win,” shouted Beth from the loveseat. “I win.”

“What’s going on?” he asked as Alex held his hands.

“A married girl I know challenged me that her pussy was juicier than mine and she was a better cocksucker, and you’ve just made her win,” she said.

“I didn’t know it wasn’t you,” he said apologetically.

“That’s the worst excuse you can ever use,” she said. “You couldn’t recognize your fiancée’s pussy or mouth?”

“It didn’t occur to me that it could be someone else,” he said.

“I told you to pay attention a few times, didn’t I?” she said.

“Yes,” he said meekly.

“Do you know what’s going to happen now?” she said.

“What?” he asked.

“She’s going to suck you and let you eat her freely while I watch,” she said.

“We don’t have to do that,” he said.

“Not doing it would be even more humiliating to me than doing it,” she said.

“Sorry,” he said.

“Are you ready to have your cock sucked?” she said.

“I guess,” he said.

Beth climbed astride him, and Alex guided his hard cock into Beth’s wet pussy.

“What are you doing?” he said.

“I am sucking your cock with my pussy,” said Beth.

“You are a married woman,” he said.

“After I beat your fiancée hands down, you still don’t know that married women crave cock?” she said.

Beth did not ride his cock rhythmically. She moved her pussy up and down usually very slowly, milking his cock with her pussy. She occasionally lunged up or down.

“I like toying with your cock with my pussy,” said Beth. “Do you like it?”

“I think I do,” he said.

“Your cock’s a change of pace for me because it’s smaller than my husband’s,” she said.

He did not comment.

“Is my pussy tighter than your fiancée’s?” she asked.

“I don’t think so,” he said.

“Do you know what that means?” she said.

“What?” he said.

“It means that you don’t fuck her often,” she said. “Maybe I should let my husband fuck her for you.”

“You don’t need to do that,” he said.

“Maybe she does,” she teased.

“I don’t think so,” he said.

“Alex, when I am done with your fiancé, I’ll be able to tell you if my husband needs to fuck you or not,” said Beth.

“Okay,” said Alex.

“Are you going to get mad at her if we found out that my husband needs to fuck her to make sure her horny pussy doesn’t exceed the recommended tightness?” she said.

“She wouldn’t let your husband fuck her,” he said.

“You think a guy can fuck any girl he wants, but no guy can touch his girl?” she said. “You can fuck her friend, but her friend’s husband can’t touch her?”

“No, it isn’t like that,” he said.

“What if she were okay with letting my husband fuck her?” she said.

“If she’s okay with it, I am okay with it too,” he said.

“You seem to trust your fiancée too much,” she teased.

“I trust her completely, but that isn’t too much,” he said.

“That’s so romantic, but what if I’d agreed with her that, if you fucked me, she could fuck my husband?” she said.

“If she made an agreement with you, I have to honor it,” he said.

“If you let my husband fuck her freely, you’ll get to fuck me often,” she said. “You said my pussy was juicer and I was the better cocksucker. Wouldn’t you prefer to eat and fuck the juicier pussy and get sucked by the hotter mouth?”

“No,” he said. “I prefer to fuck my fiancée.”

“You’ll still fuck her, but my husband will help you with her,” she said. “You couldn’t loosen up her pussy well.”

“I am only doing this because she agreed to do it,” he said.

“Your cock’s rock hard and you are on the verge of orgasm only because she agreed to that?” she teased.

“Yes,” he said.

“If I were you, I wouldn’t say that,” she said. “If she decided to let my husband fuck her, she wouldn’t let you fuck me because, you wouldn’t enjoy that according to what you’ve just said.”

“Honey, if she decided that I should let her husband fuck me, I’d let him fuck me freely, so don’t burn all your bridges,” said Alex. “If you enjoy fucking her, admit it. I am old enough to know that sex is fun.”

“I enjoy fucking her a little,” he said.

“You are not fucking me though,” said Beth. “I am sucking your cock with my pussy.”

“I enjoy that,” he said.

“You thought your fiancée and I didn’t know that?” she teased. “We know that a hard cock isn’t a sign of distress.”

“Sorry,” he said.

“I know she doesn’t let you fuck her in the ass,” she said. “If my husband fucks her, he’s going to fuck her in the ass, and you’ll get to fuck my ass, but she won’t let you fuck her ass.”

“She wouldn’t let your husband fuck her ass either,” he said.

“It isn’t up to her,” she said. “My husband can seduce her ass from under her.”

“I don’t think so,” he said.

“She’s too weak to say no to his big cock,” she said.

“I doubt that,” he said.

“You are crazy if you think that your fiancée doesn’t love cock or doesn’t love it enough to let the husband of the woman you fucked seduce her and fuck her,” she said. “A hot woman prides herself in being hot and easy to seduce.”

“I don’t think so,” he said.

“It’s true, honey,” said Alex. “If you think the right guy with the right cock can’t seduce me, think again.”

“Her husband can seduce you and fuck you in the ass?” he said.

“If he’s worthy of it,” she said. “According to her, he is.”

“My husband thinks your fiancée has a great ass,” said Beth. “He thinks it’s perfect for his big cock.”

“He told you that?” he said.

“Yes, he did,” said Alex.

“Are you serious?” he said.

“Yes,” she said.

“What did you tell him?” he asked.

“What would a girl tell a guy complimenting her ass?” she said. “I told him my ass was made for his big cock.”

“You did?” he said.

“He complimented me on my tight ass,” she said. “I complimented him on his big cock. It was appropriate.”

“He had no business complimenting your ass like that,” he said.

“Do you want to call him and tell him that while you fuck his wife?” she said.

“No,” he said, blushing.

“When you talk about my ass, show it some respect like he does,” she said. “He calls it my hot ass, great ass, sweet ass, or even horny ass. Don’t just say ass.”

“You let him call it a horny ass?” he said.

“I let him compliment it any way he wants,” she said.

“Don’t worry about her slutty ass,” said Beth. “She isn’t going to let you fuck it. Keep your eyes on *my* ass.”

“Are you really going to let me fuck your ass?” he said.

“You need to show my ass some respect if you want to fuck it,” she said.

“Are you really going to let me fuck your sexy ass?” he said.

“On one condition,” she said. “You can’t come while I make my pussy come on your hard cock.”

“Alex, are you going to let her do that?” he said.

“You are consenting adults,” said Alex. “You can do whatever you want.”

“You wouldn’t mind that?” he said.

“I lost,” she said. “The only thing I can do is let her husband use my sexy ass with his big cock any way he wants.”

“Are you going to let him do that?” he said.

“Sure, if his big cock’s worthy of that,” she said.

“Of course, it is, and you know it,” said Beth.

“In that case, you and my fiancé are going to see your husband stretch my little asshole beyond repair,” said Alex.

“Your fiancée’s tight asshole’s going to be as loose as mine,” said Beth.

“That’s up to her,” he said.

“After a short time, my husband’s fat cock will be able to slide effortlessly all the way up her ass,” she said.

“If that’s what she wants, I am okay with it,” he said.

“That means that his big cock will be in her ass more often than your cock will be in her pussy,” she said. “Speaking of that, would you like to fuck my pussy while he fucks my ass?”

“Would he be okay with that?” he said.

“Only if he got to fuck your wife’s ass while you fucked her pussy,” she said.

“If you let Dave fuck your ass, I’ll let your husband fuck my ass while Dave fucks my pussy,” said Alex.

“If you do that, I’ll let Dave fuck my pussy while my husband fucks my ass,” said Beth.

“That’s okay by me,” said Alex.

“Your fiancée’s okay with that,” said Beth. “Do you want to fuck each of our pussies while he fucks our asses?”

“I wouldn’t mind that,” he said.

“I’ve tried double penetration before, and I loved it,” she said. “I am looking forward to trying triple penetration.”

“You are a horny woman,” he said.

“I have three holes for a reason,” she said. “Why shouldn’t I use them or rather get them used at the same time?”

“I guess you can,” he said.

“If you are going to be part of my triple penetration, a third guy will get to fuck your fiancée,” she said.

“I don’t know,” he said.

“Let her decide,” she said.

“That works for me,” he said.

“That would be convenient for her if she wanted to try triple penetration herself,” she said. “The woman who taught me deep throat loves it. I tried her husband in all my holes, and our husbands double penetrated the two of us.”

“Your husband was okay with that?” he said.

“He got to fuck that married whore in every hole any way he wanted,” she said. “Naturally, her husband got to fuck me freely. I let him wear a condom to fuck my ass though because I was a newlywed. You’ll wear one too.”

“You let me fuck your pussy bareback, but you want me to wear a condom to fuck your ass?” he said.

“My husband doesn’t want other guys’ come in my ass,” she said.

“He’s okay with other guys’ come in your pussy?” he said.

“Sure,” she said. “In the end, it’s going to go out, but the come in the ass gets absorbed into the body.”

“That’s true but strange,” he said.

“Your husband isn’t going to wear a condom to fuck my ass,” said Alex.

“I don’t mind if his come made your blood pink,” said Beth.

“Me neither,” said Alex.

“Your fiancée’s more of a dirty whore than you might think,” said Beth. “I think she’s looking forward to whoring herself out to my husband.”

“You are not exactly a prude,” he said.

“At least, I don’t let other guys come in my mouth or ass,” she said.

“I don’t think you have an advantage on her by that,” he said.

“You may change your mind when she kisses you when her mouth still tastes of my husband’s come or you eat her well-fucked ass while it’s full of his come.”

“We wouldn’t do that,” he said.

“You never know,” she said. “You may like it.”

“I doubt that,” he said.

She concentrated on working her pussy on the base of his cock until she came.

“I am coming on your cock,” gasped Beth. “Stay put for a minute.”

She writhed, drenching his cock and balls with her pussy juices. When her orgasm subsided, she dismounted him and got on her knees. She sucked his cock and licked his sticky balls for a few minutes, cleaning him of her juices.

“You seem to be ready to fuck my ass,” she said. “You need to lick my asshole a little to make sure it’s ready.”

She got up and turned around. She bent over and pushed her ass in his face.

“My ass is right in front of you,” she said. “Spread it, and eat it. Stick your tongue inside it to make sure it’s ready.”

“You want me to stick my tongue into your ass?” he said.

“Dave, I get fucked in the ass regularly,” she said. “I keep the inside of my ass squeaky clean, so relax.”

“I’ve never licked an asshole before,” he said.

“You’ve never fucked one either,” she said. “This is a perfect time for you to start.”

“If you stick your tongue up her ass, her husband’s going to stick his tongue up my ass,” said Alex.

“My husband enjoys tongue fucking horny asses,” said Beth.

Dave spread Beth’s ass and licked her asshole tentatively.

“Don’t be timid,” she encouraged. “Probe it. Find out how loose your fiancée’s asshole will soon be.”

He got gradually more daring and probed her asshole, which she let relax and open up for his tongue.

“Just like that,” she moaned. “Enjoy the taste of my horny ass.”

He licked and probed her asshole eagerly, and she let him taste traces of my come.

“Your fiancé’s tongue fucking my slutty ass,” she moaned.

“Your ass must be so loose he can stick his tongue deeply up your ass and taste your husband’s come,” said Alex.

“My husband’s come doesn’t stay in my ass,” said Beth. “It’s now in my bloodstream.”

“You mean that my husband must be able to taste come wherever he licked you,” said Alex.

“You are just jealous because he’s probing my asshole deeply, and he’s never touched yours,” said Beth.

“Your husband’s going to probe my asshole with his tongue, fingers and big cock,” said Alex.

“You think I’d be doing the dishes meanwhile?” said Beth. “Your fiancé would take good care of me then.”

“Whatever,” said Alex.

“Eat my asshole raw, Dave,” said Beth, pushing her ass into his face. “If there’s any come in my ass, eat it all out. Make sure my ass is squeaky clean. Your wife may not let you do that to her ass.”

Dave actually devoured Beth’s asshole, and she fed him all the remaining come. If anything, he went for more. She stroked his cock while he did. In the end, she pulled a condom on his cock.

“Spread my ass,” said Beth as she straddled him. “Your fiancée’s going to guide your cock into my ass like she earlier guided it into my pussy.”

“She guided my cock into your pussy?” he said.

“Yes,” she said. “I made sure she did that so she couldn’t blame you for letting me suck your cock with my pussy and ass. Don’t feel guilty about it.”

“Okay,” he said.

Dave spread Beth’s ass, and she lubed her asshole quickly. Alex guided her fiancé’s cock into Beth’s offered ass.

“Is it as loose as you thought?” said Beth when his cock head slid in.

“It’s tight,” he said.

“Do you know what that means?” she said.

“What?” he said.

“It needs to be stretched,” she said. “Do you think you can help me with that?”

“Yes,” he said.

“Are you excited that you are fucking my ass when you can’t fuck your fiancée’s?” she said, pushing down.

“Yes,” he said.

“I hope you’ll be this excited when you watch my husband skewer her little asshole and stretch it wider than you are stretching mine,” she said, working her ass up and down his cock.

“I don’t know,” he said.

“Are you going to spread her ass to see how wide he’s going to stretch her horny asshole for her?” she said.

“Maybe not,” he said.

“That wouldn’t work,” she said, her ass engulfing his entire cock. “We have to help. You’ll spread her ass, and I’ll guide my husband’s big cock into her tight ass unless you want to guide his cock into her ass while I spread it.”

“I am not going to guide him in,” he said.

“You want me to do that while you spread her ass for him?” she said, milking his cock with her asshole.

“Yes,” he said.

“I am sure she’ll appreciate that,” she said, sitting still in his lap while letting her asshole work on his entire cock.

“You think so?” he said.

“Alex, wouldn’t you appreciate it if your fiancé spread your horny ass for my husband’s big fat cock to fuck it for you like the dirty whore you really are?” she said.

“Absolutely,” said Alex.

“Are you in the end going to let him eat my husband’s come out of your well-used ass?” said Beth.

“Sure,” said Alex.

“I don’t want that,” he said.

“The two guys whose wives’ asses Nick fucked didn’t mind eating his come out of there,” said Beth.

“They did?” he asked.

“Of course,” she said. “They did and loved it. It’s part of the whole experience.”

“That’s weird,” he said.

“Don’t say that until you try it,” she said.

“I am not sure about that,” he said.

“Don’t worry,” she said. “You won’t find yourself there without training. You are going to eat my pussy after you come inside it to train for that.”

“You want me to eat my come out of your pussy?” he said.

“Sure,” she said. “A man who doesn’t value his come and lets it go to waste is in bad shape.”

“I see,” he said.

“You can only come in my pussy after my ass comes on your cock,” she said.

“Okay,” he said.

“Do you like the way my wanton ass milks your hard cock?” she said.

“It’s amazing,” he said. “How can you do that?”

“Asses that were made for cock know how to please cock,” she said. “Wouldn’t you think so?”

“I guess,” he said.

“Aren’t you happy you got to fuck my superior ass instead of fucking your fiancée’s virgin one?” she said.

“I am not sure,” he said. “I can’t compare when I haven’t tried hers.”

“You think a virgin ass can treat your cock like this?” she said.

“Maybe not,” he said.

“Would you rather fuck the ass that can treat your cock better or not?” she said.

“I guess so,” he said.

“Don’t be afraid,” she said. “She knows that it isn’t a fair comparison, but you should be able to admit that you are happy that you got my horny ass instead of her virgin one.”

“That’s true,” he said.

“I am glad this is the case,” said Alex. “You wouldn’t mind when her husband uses my inferior ass.”

“You don’t have an inferior ass, honey, but her ass is experienced,” he said apologetically.

“It’s okay,” she said. “I am going to take an intensive anal training course with her husband.”

“That’s up to you,” he said.

“I am definitely signing up for that,” she said.

“You need to get involved too,” said Beth. “You need to show support by eating his come out of her ass, but, once you try it for the first time, you’ll be looking forward to it. My husband shoots premium come.”

“I am not sure about that,” he said.

“By fucking my ass, you expressly agree to eat my husband’s come out of your fiancée’s ass at least once,” she said. “When you try it, you’ll find it hard to give up.”

He did not comment.

“Anyway, I need to come now,” she said. “Once you eat your come out of my pussy, you’ll be able to see me.”

“Okay,” he said.

She worked her asshole on the last few inches of his cock rhythmically, getting closer and closer to orgasm. She soon gasped and stiffened.

“I am going to come,” she gasped. “You are about to win coming in my pussy.”

She writhed on his cock until her orgasm subsided.

“You did a good job for a guy who’s never fucked a girl in the ass,” she gasped.

“I am glad you liked it,” he said.

“I have a horny asshole,” she gasped. “I had to like it.”

She raised her ass off his cock and dismounted him.

“You need to get up and fuck my pussy to orgasm,” she said, removing his condom.

She got on her back next to him and pulled her legs over her head.

“Your fiancée will guide you into my pussy,” she said.

Alex helped her fiancé up and put him in the right position. She guided his cock into Beth’s drenched pussy.

“Fuck my married pussy, and fill it with come,” urged Beth. “Don’t come until I do.”

He proceeded to fuck her pussy and managed to make her come. They came together.

He drained his balls in her soaked pussy and pulled out.

“Eat my pussy,” she said.

He knelt down and proceeded to lick her slimy pussy tentatively.

“It won’t bite,” she encouraged. “Eat it raw.”

He gradually ate her pussy more and more daringly. He soon started to eat his come out of her pussy.

“Eat that come out of my slimy pussy,” she urged.

He devoured her come-filled pussy, making her come.

When he was done, she pulled him onto the sofa and sat up next to him.

“Do you want to see me now?” she said.

“Yes,” he said.

Alex removed the sleep mask from her fiancé’s head, and he saw Beth.

“Beth?” he said in shock.

“Yes,” she smiled. “Did you enjoy fucking me?”

“You’ve just got married three weeks ago,” he said.

“I know,” she smiled.

“Is Nick okay with this?” he asked.

“Of course,” she said. “He gets to fuck other sluts too.”

“The stuff about him with Alex was all teasing,” he said.

“You can never tell because your fiancée’s a horny slut,” she said.

“He’s her brother,” he said.

“She may be dirty enough to let him fuck her while you watch,” she said. “He has an impressive cock.”

“Would he fuck his own sister?” he said.

“That’s up to him,” she said. “Would you mind if he did after you fucked his wife?”

“I guess not,” he said.

“Just like you fucked his wife in your house, you have to take your fiancée to his house for him to fuck her if that’s what he wants to do,” she said.

“Okay,” he said.

“Regardless of what they do, you may get to fuck me,” she said.

“Really?” he said.

“Come over for lunch and sex,” she said. “If he fucks her, you’ll come home late because he’ll fuck her silly.”

“You think he would?” he said.

“If he found out that you fucked me, he’d most likely fuck your girl even if she were his mom,” she said.

“You think so?” he said.

“He’s a very horny guy,” she said. “Be prepared to eat his come out of her pussy and ass.”

“Okay,” he said.

“Thank you for letting me use your cock in all my holes,” she said.

“Thank you,” he said.

“I need to go now,” she said, getting up. “I’ll see you tomorrow.”

“Okay,” he said, getting up. “We’ll see you tomorrow.”

“Bye,” said Beth as Alex led her to the door.

Beth and I saved my come for Alex and Dave’s visit.

DAVE WATCHES ALEX

Dave and Alex came over for lunch on Sunday. Beth had spent a couple of hours making lunch, and the results were spectacular for a woman who thought about sex all the time. The food was light and delicious.

The sitting arrangement had Beth opposite of me and next to Dave. Alex sat next to me, opposite of her fiancé. While having lunch, Beth reached out for Dave’s crotch. He resisted a little but did not want to make a scene, so he let her massage his cock, hoping his fiancée and I would not notice. His cock responded to her and got hard. She soon had it pointing in the right direction. She effortlessly set it free. She stroked it and squeezed it occasionally, keeping it hard throughout lunch.

“Are you guys ready for dessert?” said Beth, squeezing Dave’s hard cock.

“What’s for dessert?” I said.

“It’s your sister’s favorite,” she said.

“What’s your favorite dessert?” I asked Alex.

“You don’t know my favorite dessert?” she said.

“Apple pie?” I said.

“I have a new favorite dessert,” she said.

“What’s that?” I said. “Cheesecake?”

“It’s kind of like banana split, but it isn’t split,” she said.

“As long as you like it, have fun,” I said.

“I will,” she said.

Dave had to zip up in the end.

Beth and I cleared the table while Alex and Dave returned to the living room.

Alex sat on the sofa between her fiancé and me just like before.

“Are you ready for dessert?” asked Beth, standing in front of us.

“Sure,” I said. “Are our guests ready?”

“I am ready,” said Alex.

“Me too,” said Dave.

Beth dropped to her knees in front of Dave and set his hard cock free before he knew it.

“What are you doing?” I asked as Beth stroked Dave’s hard cock while he blushed helplessly.

“This is your sister’s favorite dessert,” said Beth.

Beth teased Dave’s cock head with her tongue tip.

“Why are you playing with her favorite dessert?” I said.

“That isn’t really my favorite dessert,” said Alex as she scooted off the sofa and knelt before me. “This is.”

Alex swiftly freed my hardening cock. She teased its head with her tongue.

“What’s this?” I said.

“Why don’t you sit back and see if you can figure it out?” said Alex.

Beth was teasing the underside of Dave’s cock with her tongue.

“Do you know what this is?” I asked Dave as Alex took my cock head in her mouth and sucked it gently.

My cock throbbed in Alex’s mouth.

“I am not sure,” he said.

“Honey, can you see that my brother’s cock’s bigger, thicker and juicier than yours?” said Alex.

“Yes,” he said, blushing.

“Nick, you have a beautiful cock,” she said.

“Thank you,” I said.

“It’s my absolute favorite dessert,” she said.

“It isn’t exactly dessert,” I said.

“It is to me,” she said.

“You want to suck my big cock?” I said. “Is that what this is about?”

“Not really,” she said.

She took my cock in her mouth and sucked it eagerly, working her lips up and down the shaft.

“Do you like how she sucks your big cock?” said Beth.

“Of course,” I said.

“Is she as good as I am?” she said.

“Why do you ask?” I said. “As long as you do your best, you are the best cocksucker in the world.”

“What about me?” asked Alex.

“As long as you do your best, you are the best cocksucker in the world too,” I said.

“You think I am doing my best?” she said.

“Not yet,” I said. “You have a great mouth with perfect lips. You are not putting them to good use yet.”

“If I do a good job, will you let me suck your big cock whenever I want?” she said.

“Don’t be silly, Alex,” I said. “You are my little sister. You can suck my big cock whenever you want even if you were the worst cocksucker in the world.”

“I promise you I won’t be the worst cocksucker in the world,” she said. “I promise you I’ll do my best.”

“My big cock’s all yours to practice on all you want,” I said.

“I want to practice, but I want to play with it too,” she said.

“Sure,” I said. “What brother would say no to a sweet sister like you?”

“I am not as sweet as you think,” she said.

“I bet you are sweeter,” I said.

“Your big cock’s as nice and loving as you are,” she said.

“Enjoy it, baby,” I said.

Alex returned my cock to her mouth and sucked it eagerly.

“Are you okay with this?” I asked Dave.

“Sure,” he said.

“You seem like a very nice guy,” I said. “Silly guys think it’s wrong for their women to suck their brothers’ cocks.”

“I think it’s okay,” he said.

“Even if my wife were not sucking your cock?” I said.

“Sure,” he said.

“In that case, why don’t you get down on your knees and eat my dripping pussy?” said Beth, getting up.

Dave got up, and Beth lay in his place, pulling her legs over her head. He knelt before her.

“Dave, are you okay with this?” I said. “Do you want to eat my wife’s horny pussy while your fiancée sucks my big cock? I am letting your fiancée suck my fat cock because it’s what she wants. Do you want to eat Beth’s pussy?”

“Yes,” he said.

“She has a very juicy pussy,” I warned. “If you stick your tongue inside it, you’ll want to eat it all day.”

“That’s okay,” he said.

“Suit yourself,” I said.

“My juices are leaking down to my horny asshole,” moaned Beth. “Lick my little asshole first.”

“Have some shame, Beth,” I chided as Dave licked her asshole gently. “Don’t behave like a cock-craving whore.”

“That’s what I am,” she moaned. “I am not acting.”

“She’s a horny slut,” I said. “Do you think you can handle her, Dave?”

“Sure,” he said.

“Is your fiancé that good?” I asked Alex.

“Let him learn,” she said.

“Spread my ass, and stick your tongue inside my horny asshole,” moaned Beth. “Feel how hungry for cock it is.”

“Beth, you are a bad influence on my sweet sister,” I chided as Dave proceeded to oblige her.

“Your sister isn’t as innocent as she looks,” said Beth.

“Are you as dirty as she thinks?” I said to Alex.

“I think I am dirtier,” she said.

“My sweet little sister has become a dirty girl?” I said.

“Yes,” she smiled. “I am a very dirty cock-craving slut.”

“If you want me to believe that, you have to prove it,” I said.

“I will,” she said.

Alex proceeded to deep throat my cock eagerly.

“You like licking my leaking pussy juices off my horny asshole, baby?” teased Beth.

“Yes,” said Dave.

“The better job you do on my asshole, the more juices you get to lick off it,” she said.

“I’ll do my best,” he said.

“Your slut fiancée’s doing her best stuffing my husband’s big cock in her mouth,” she teased.

Dave looked at Alex. He was surprised that she was deep throating my cock hungrily.

“She’s taking it all the way down her throat,” he said.

“A big cock has its privileges,” said Beth.

“No kidding,” he said.

“She won’t stop there either,” she said.

“I guess not,” he said.

“Don’t stop either,” she teased.

He returned to eating her asshole.

“Nick, your slut sister wants you to fuck her horny ass, which she’s never and will never let anybody else fuck,” said Beth. “Did you know that?”

“She wants my big cock up her tight little ass?” I said.

“She does,” she said.

“I’ve always thought her luscious ass was perfect for my big cock,” I said.

“You’ll now get to show her fiancé that it actually is,” she said.

“You want me to fuck your fiancée’s hot ass with my big cock, Dave?” I said.

“Yes,” he said.

“You know that it would never be tight again?” I said.

“Yes,” he said.

“Whenever you looked at her sweet asshole, you’d remember that my fat cock had been there,” I said.

“I know,” he said.

“He can see it on my asshole,” said Beth. “He knows that he can’t stick his tongue up virgin asses.”

“Is that right, Dave?” I said.

“Yes,” he said.

“Nick, I want you to fuck my horny little ass open and fill it with come,” said Alex.

“You thought I wouldn’t do that for you?” I said.

"I knew you would," she said. "After all, my horny ass was made for your big cock."

"It sure was," I said. "We'll soon take full advantage of that."

"Nick, Dave wants to eat your come out of her ass to make sure that you did a good job on her ass," said Beth. "That's about the only thing he can do to your slut sister's horny ass since she wouldn't let him fuck it."

Dave blushed but continued to eat her ass.

"I am a guy, and I understand guys' rights," I said. "I'll help him with that as much as I can. Any come I pump inside her becomes their joint property as long as they don't use it with people I don't approve of."

"I can share the come you pump inside me with them, right?" she said.

"Of course," I said.

"I need to get fucked," said Alex as she hiked her short skirt and climbed astride me.

"Wait, Alex," said Beth. "Your fiancé's going to guide your brother's big cock into your horny little pussy."

"What?" said Dave.

"We'll share," she said. "You'll guide him into her pussy, and I'll guide him into her ass. You have very little experience with anal sex. Hold his cock like you'd hold yours while she impales her pussy on it. Watch a little too."

Alex's dripping pussy hovered over my cock. She fingered it while she waited.

Dave finally made up his mind and crawled over. He held my hard cock upright.

"You need to beg for it first," I said to Alex. "Let your fiancé know that you need it bad."

"Please fuck your slut sister's horny pussy with your big cock," she begged.

"Go for it, you little whore," I said. "Impale your wanton pussy on my big cock. Get what you need."

"Yes," she hissed, lowering her pussy onto my hard cock.

Dave watched as my engorged cock head forced Alex's pussy open and slid in, making her moan. She thrust her pussy down, taking more and more of it. He took his hand off my cock.

"Can you see how his fat cock stretches her little pussy wide?" said Beth.

"Yes," he said.

"You are lucky she wants him to fuck her horny ass open," she said. "If he fucked her little pussy all the time, he'd ruin it completely for you."

"This is how my pussy should be stretched and stuffed," gasped Alex, shoving her pussy the rest of the way down.

Alex stiffened.

"I am coming," she gasped.

Dave watched Alex writhe and wildly shove her gushing pussy into the base of my cock while I held her ass and kept it spread. He must have seen her asshole twitch until her orgasm subsided.

"That was a good orgasm," gasped Alex.

"Did you see that, Dave?" said Beth.

"Yes," he said.

"Come back to my horny ass," she said.

Dave returned to Beth's asshole, and she resumed moaning.

Alex worked her pussy up and down my cock slowly. I spread her ass wide and worked my middle finger in.

“Get my horny asshole ready for your big cock,” moaned Alex as I reamed out her asshole.

“Of course, little sister,” I said. “I am going to show your fiancé what an incredible ass you have.”

“Yes,” she hissed.

“You like your brother’s big cock?” I said.

“I love it,” she said. “It’s the best ever.”

“You have a fantastic pussy and a hot tight ass,” I said. “They are perfect for my big cock.”

“Was my mouth good enough for you?” she said.

“It was perfect too,” I said. “All your fuck holes are.”

“Are you going to use them regularly?” she said.

“Of course,” I said. “If you want more, just bring them to me, and I’ll use them properly.”

“I may want more,” she said.

“If you are my dirty whore, you’ll get all the cock you want and then some,” I assured.

“Of course I am your dirty whore,” she said.

“Come for me, my little whore,” I said, slapping her ass playfully.

“Oh, yes,” she gasped, picking up the pace. “I’d love to come on your big cock.”

She bounced on my cock, and I stretched her asshole more actively.

“I am going to come,” gasped Alex soon.

Alex came soon, shoving her pussy into my cock wildly. Beth and Dave watched her.

“You need to come twice more, and I’ll then fuck your hot ass,” I said, squeezing my index finger into Alex’s ass.

“Okay,” gasped Alex.

“Go for it,” I said, slapping her ass. “You are here to get your horny ass fucked after all.”

“Yes,” she hissed.

She bounced on my cock as my two fingers sank deeper and deeper up her ass, stretching her asshole wider.

“Your asshole’s opening up for what it needs,” I said.

“Yes,” she hissed.

“Can you feel it get ready for the big cock you are bouncing on?” I said, pulling at the ring of her asshole.

“Oh, yes,” she gasped.

“Is it as hungry for my big cock as I think it is?” I said.

“It may be hungrier,” she gasped.

“I like how it twitches when you come,” I said. “Come again.”

She rode my cock harder and came within a minute.

“Both my holes are coming,” she gasped.

“I can feel them,” I said.

She convulsed on my cock and fingers until her orgasm subsided.

My ring finger gently squeezed into her asshole while she caught her breath.

“The only thing between your horny ass and my big cock is another orgasm,” I said. “Go for it.”

“I can almost taste your big cock in my horny ass,” she gasped.

“You’ll taste it for real within a few minutes,” I assured.

Beth pulled Dave’s mouth up to her dripping pussy and had him eat her pussy to orgasm while Alex bounced on my cock energetically. My three fingers stretched Alex’s asshole wide, pushing her further toward orgasm.

“I am going to come on your big cock very soon,” gasped Alex.

“Come for the sake of your own cock-craving ass,” I said.

“Yes,” she gasped. “I am coming.”

She came hard while I jerked my three fingers within her twitching asshole.

“I think my horny ass is ready,” she gasped when her orgasm subsided.

“Me too,” I said, helping her off my cock.

Alex dismounted me, and I removed my fingers from her ass. I got up and arranged her on her knees in my place.

“Your slut fiancée’s ready,” said Beth to Dave. “You need to spread her ass, and I need to guide his big cock in.”

Beth had Dave sit next to his wife.

“Spread her horny ass wide,” instructed Beth.

Dave tentatively spread Alex’s offered ass. Beth helped him do it right. Meanwhile, I grabbed the lube. I squeezed lube generously on Alex’s splayed asshole and used one to three fingers to work the lube in thoroughly. Beth lubed my cock while she stroked his hard cock.

“You have to beg, Alex,” I said.

“Please fuck my cock-craving ass with your big cock,” begged Alex. “It was made for this.”

“Are you okay with this, Dave?” I said as Beth touched my cock head to Alex’s splayed asshole.

“Yes,” said Dave.

“Shove it in,” moaned Alex.

“You got it, my little whore,” I said, pushing my cock head into Alex’s waiting asshole.

Alex moaned as my cock head made her asshole dilate as it sank slowly in. She gasped when it popped in.

“Can you see how the fat cock stretches your fiancée’s tight asshole?” said Beth as she let go of my cock and stroked his hard cock.

“Yes,” he said. “It’s so thick. Doesn’t it hurt at all?”

“It can’t hurt when her horny asshole’s properly prepared,” said Beth.

“Are you okay, honey?” he said.

“I am not okay,” said Alex. “I am wonderful. This is what my horny ass was made for.”

“I told you she was a dirty whore,” said Beth.

“Yes, I am my brother’s dirty little whore, and I love it,” moaned Alex.

“You love belonging to my big cock, baby?” I said.

“Yes,” she hissed.

“Do you like your wanton sister’s slutty ass, Nick?” asked Beth.

“I love it,” I said, thrusting gently in Alex’s ass. “It’s perfect for my big cock. I’ve always known that.”

“Enjoy it fully,” she said.

“I will,” I said.

“That’s what I want too,” said Alex.

Beth constantly stroked Dave’s hard cock. She occasionally sucked it or teased it with her tongue tip.

“Your fiancée’s a whore, isn’t she?” teased Beth.

“Yes,” hissed Dave.

“My husband’s going to use her for what she was made for,” she said.

“I was made for my stud brother’s big cock,” said Alex.

“That’s exactly what you were made for, baby,” I said, thrusting in her ass firmly. “I’ll use you properly for it.”

My cock sank deep in Alex’s spread ass within half a minute. She stiffened when my balls touched her pussy.

“I am coming,” said Alex.

“Come on the big cock you belong to, my dirty little whore,” I said.

“Yes,” she gasped. “I am doing that.”

She writhed, shoving her convulsing ass into my cock wildly. I held her hips and steadied her. She had a long orgasm that left her out of breath.

“I loved that,” gasped Alex.

“That was the teaser,” I said, fucking her ass gently. “Your luscious ass is going to get fucked open.”

“I know,” she gasped.

“Doesn’t she have a perfect ass?” I asked Dave.

“Yes,” he said.

“It looks perfect with my big cock skewering it,” I said. “Don’t you think so?”

“Yes,” he said.

“Don’t you agree that it was made for my big cock?” I said.

“Yes,” he said.

“We should use it accordingly from now on, shouldn’t we?” I said.

“Yes,” he said.

“Are you going to keep bringing her to me to get her fill of my big cock and meanwhile keeping Beth company so she won’t feel neglected and get jealous?” I said.

“Yes,” he said.

“You are definitely going to be a great husband and brother-in-law,” I said.

“Thank you,” he said.

“Fuck your slut sister’s ass, Nick,” urged Beth. “Show her that being your sister can’t protect her horny ass from your powerful cock.”

“The only thing that can protect an ass from my big cock is being ugly,” I said.

“I don’t think this is the case here,” she said. “Your sister’s ass is going to be destroyed.”

“If anything, her being my sister will keep my big cock up her hot ass a lot,” I said. “I’ll spoil it rotten.”

“You’ll ruin it too,” she said.

“That’s what it was made for,” said Alex. “I want my asshole to be always so loose it won’t close shut.”

“That can be arranged,” I said, picking up the pace. “I’ll make you feel that something’s wrong when your hot ass isn’t deeply impaled on my big cock.”

“Yes,” she hissed.

Alex fucked back energetically while her fiancé watched. Beth watched while stroking and teasing his cock.

“Is it more fun to have your hard cock sucked while watching your fiancée’s horny ass get fucked?” teased Beth.

“Yes,” said Dave.

“She loves her brother’s fat cock in the ass,” she said. “She’s going to come very soon.”

“I think so,” he said.

Alex stiffened.

“I am coming,” she gasped.

“Come on my husband’s big cock, you horny slut,” teased Beth. “Show him how much you love his fat cock.”

Alex convulsed wildly in orgasm. I held her writhing ass and pounded it until she went limp.

“That was great, Nick,” gasped Alex.

“Shouldn’t your fiancé thank me because I am helping him with his whore fiancée?” I said, fucking her ass slowly.

“Thanks, Nick,” said Dave.

“I was kidding, Dave,” I said. “We’ll be family. This is the least I can or should do for you.”

“I appreciate it though,” he said.

“I am sure you’d do the same for me if Beth wanted your cock,” I said.

“Sure,” he said.

“I want it right now,” said Beth.

Beth got into a position that was like a wheelbarrow, planting her knees against the back of the sofa on either side of Dave while she lay face down, supporting herself on her hands.

“Alex, guide your man’s cock into my pussy,” said Beth.

Alex held Dave’s hard cock up, and Beth engulfed it in her pussy.

“Dave you don’t mind if I suck your hard cock with my pussy, do you?” said Beth, humping him gently.

“Not at all,” he said.

“I love sucking cock with any of my holes,” she moaned. “I actually prefer to suck cock with all my holes together.”

“My wife has a nice ass, doesn’t she?” I said, slapping Beth’s ass.

“Absolutely,” said Dave.

“My ass was made to be fucked, not slapped,” whined Beth.

“It’s going to get fucked,” I assured.

“Dave, do you like what I am doing for you?” she said.

“Yes, I love it,” he said. “It’s incredible.”

“I can’t see what my husband’s doing to your slut fiancée now though,” she said. “You need to keep her ass spread wide and urge him every once in a while to fuck it hard.”

“Okay,” he said.

“I am going to fuck her ass hard anyway,” I said.

“We know that, but we want to show you that we want you to and we care,” she said.

“Sure,” I said. “Go ahead, Dave.”

“Fuck my fiancée’s horny ass hard,” he said.

“Are you okay with that, Alex?” I said.

“I am a good fiancée, aren’t I, honey?” said Alex.

“Of course,” he said.

“I have to get my horny ass fucked at least as hard as my fiancé wants me to,” she said.

“You got it,” I said, picking up the pace.

“Nick, you also have to fuck her ass as hard as I want you to,” said Beth.

“Sure, babe,” I said. “We all want this luscious ass fucked hard. I’ll do it for all of us.”

“Thanks,” she said. “After all, you and she have an obligation toward me and Dave to keep each other happy.”

“Dave, I can mostly keep your fiancée happy by fucking her silly, but you have the bigger responsibility,” I said. “You have to keep her happy in nearly every way.”

“Of course,” he said.

“We are family,” I said. “We have to help each other be happy. My big cock’s at your service.”

“Thank you,” he said. “We appreciate that.”

“I am not doing you a favor,” I said. “It’s my duty. I should expect the same from you, right?”

“Sure,” he said.

“It’s obviously impossible for any one person alone to make any other person happy,” I said.

“That’s true,” he said.

“The more I know you, the surer I am that my sweet little sister will be very happy with you,” I said.

“Thank you,” he said. “I appreciate your trust, and I’ll do my best to deserve it.”

“I wouldn’t call her your sweet little sister though,” said Beth.

“Of course not,” I said. “After all, you can’t feel how sweet her sizzling ass is as I fuck it nice and deep.”

“Was that what you meant?” she said.

“Of course not,” I said. “All her holes are sweet.”

“I see,” she said.

Alex bucked her ass as she approached orgasm. Beth took that opportunity to do the same. While Dave held Alex’s ass tightly, keeping it spread, Beth chased her orgasm actively. She came mere seconds after Alex did.

“I am coming,” gasped Alex.

“Me too,” gasped Beth.

Beth writhed, gushing on Dave’s cock, while Alex convulsed around mine. I fucked Alex’s ass hard until her orgasm subsided, leaving her panting.

“We came together,” gasped Beth.

“That was incredible,” gasped Alex.

“Can I now have both holes fucked at the same time?” gasped Beth.

“I am okay with that if everybody else is,” I said. “Alex, do you want to watch my slut wife get double fucked?”

“Sure,” said Alex.

“Are you ready for that, Dave?” I asked.

“Yes,” he said.

“Beth, let me warm up your slutty ass while you suck his cock clean,” I said.

“Sure,” said Beth, crawling off his cock.

Beth knelt before Dave and proceeded to suck his dripping cock. I lubed my cock and knelt behind her. I slowly impaled her ass on my cock, making her moan on his cock. I proceeded to fuck her ass at an easy pace.

“I have cocks in two holes, but it’s wilder when the two holes are next to each other,” said Beth, fucking back.

“You’ll soon get that,” I assured.

Alex fingered her drenched pussy while she watched.

“Let your fiancé clean up your little pussy,” I said to Alex.

Alex stood up on the sofa and straddled Dave’s face. She brought her pussy to his mouth.

“Lick my pussy clean, honey,” said Alex, grinding her pussy into his face. “My brother made a big mess of it.”

“Let’s make them come, Dave,” I said.

“Yes, make me come,” she moaned.

While sucking Dave’s cock, Beth wet her thumb in Alex’s pussy and then wormed it into Alex’s asshole. Alex moaned and humped Beth’s thumb and her fiancé’s mouth. Both paces picked up, and I fucked Beth’s ass hard.

Beth soon came, her ass writhing on my cock and her thumb jerking within Alex’s ass. Alex came right away, gushing in her fiancé’s eager mouth. When Alex’s orgasm subsided, she dismounted Dave and sat down.

“I think I am ready for my double dose of cock,” gasped Beth as I thrust in her ass gently.

“You are,” I said.

“Dave, lie down on the floor, and let me replace my mouth with my dripping pussy.”

“You are going to drench my cock again,” he said.

“Don’t worry about it,” she said. “I’ll suck it clean again.”

Dave lay on the floor, and Beth mounted him in the cowgirl position, impaling her pussy on his hard cock while I lubed my cock. I knelt behind her and skewered her ass with my cock.

“Maybe I can soon have a third cock in my mouth,” moaned Beth.

“You are insatiable,” he said.

“If you had three cocks, wouldn’t you want to fuck three sluts at the same time?” she said.

“I probably would,” he said.

“Well, I have three cock-craving fuck holes,” she said. “Your fiancée may beat me to it though.”

“You are so horny that’s unlikely,” he said.

“You can never be sure,” she said. “She’s a dirty whore too.”

Meanwhile, Dave and I thrust tentatively in Beth’s holes, and she humped our cocks.

“Do you want to try three cocks?” I asked Alex.

“Shouldn’t I first try two?” she said.

“You’ll try that very soon,” I said.

“I’ll decide then,” she said.

“Are you afraid you might not like it?” said Beth.

“I am pretty sure I’ll love it,” said Alex.

“I am sure you’ll love three cocks even more,” said Beth.

“I think so too, but then I’ll be a dirty whore like you,” said Alex.

“It isn’t as easy as that,” said Beth. “I am a lot dirtier. I’ve seduced my dad, and I’ve seduced my mom for Nick.”

“You seduced your dad?” said Dave in shock.

“I had to fuck dad after I seduced mom for Nick and he deflowered her ass,” she said.

“Nick deflowered your mom’s ass?” he said.

“Yes, and they both loved it,” she said.

“You are indeed depraved,” he said.

“Nick thought mom’s ass was perfect for his cock, and I had to find out if she was her daughter’s mom,” she said.

“What did you find out?” he said.

“I found out that mom was as dirty as they came,” she said.

“Are you happy now?” he said.

“Of course,” she said. “Nick can fuck us together freely, and she loves his big cock.”

“I thought Nick’s fucking Alex was wild,” he said.

“It is, but Nick and I are dirtier than each other,” she said. “Nick and dad fucked mom and me like this too.”

“That’s unbelievable,” he said.

“It felt so too,” she said. “You think someday you might share your mom with Nick?”

“No way!” he said. “I don’t know how you seduced your dad, but I can’t seduce my mom.”

“I wouldn’t let you do it alone,” she said. “I’d help you.”

“That’s still dangerous,” he said. “It might blow up in my face even if I had nothing to do with it. You are going to be my sister-in-law. I don’t want mom or dad to hate you or think you are a shameless whore.”

“That’s what I am though, and you don’t hate me, do you?” she said.

“Of course, I don’t hate you, but that’s different,” he said.

“You are silly if you think your dad would hate me once he tried all my holes,” she said.

“It wouldn’t get to that,” he said. “I don’t think you can seduce him.”

“You are even sillier if you think I can seduce my own dad but I can’t seduce yours,” she said.

“Please don’t try anything like that,” he said. “It might backfire.”

“I’ll consider that,” she said.

Dave and I established a rhythm. He used short strokes, and I used long ones.

“Fuck my pussy and ass, guys,” urged Beth, humping our cocks. “Use them for what they are for.”

Beth reached orgasm within a few minutes.

“I am coming,” gasped Beth. “Both my holes are coming.”

Beth writhed in orgasm, and I pounded her twitching ass hard and Dave thrust in her gushing pussy.

“That was nice,” gasped Beth when her orgasm subsided. “Let’s catch our breath and do it again.”

“Why don’t you and Alex take turns?” I said.

“That can work too,” she said, dismounting him and me.

“Get your nether holes impaled, Alex,” I said.

“Okay,” said Alex.

Alex took Beth’s place, and Dave and I filled her pussy and ass. She came when we were balls deep inside her.

“I am so full of cock,” gasped Alex, stiffening. “No wonder Beth loves it. I am coming.”

“Enjoy,” said Beth.

Alex convulsed, her fuck holes twitching madly. I let her jerk her ass back and forth until her orgasm subsided.

“That was incredible,” gasped Alex.

“That doesn’t count though,” I said. “Dave and I haven’t fucked you yet.”

“I won’t fight that,” she gasped.

“You want both cock-craving holes fucked at the same time, you little whore?” I teased, squeezing her tits.

“Yes,” she hissed.

“Move your ass,” I said, slipping my hands up her top. “Get fucked.”

“Yes,” she hissed as I held her bare tits and pinched her nipples.

Alex rocked gently, working her holes up and down the cocks impaling them.

“This feels so good,” she moaned. “Honey, we have to do this often.”

“Sure,” said Dave.

“Do you like it?” she said. “You like sharing your fiancée with her horny brother?”

“Yes,” he said.

“Have you made a decision about triple penetration yet?” asked Beth.

“I want to try it,” said Alex.

“I knew you would,” said Beth. “Your mouth deserves to have fun while your other holes do.”

“Yes,” hissed Alex.

Dave and I matched Alex’s pace, which accelerated gradually. She came within a few minutes.

“This is going to be a big orgasm,” gasped Alex.

Alex convulsed in orgasm while Dave and I thrust in her twitching holes harder.

“It was big,” she gasped when her orgasm finally subsided.

Alex dismounted us, and Beth took her place.

Beth made Dave come in her pussy while she came.

“I am coming,” he grunted as she writhed on top of him.

“Fill my pussy with come,” she gasped.

She milked both cocks after her orgasm subsided.

“I need my pussy eaten,” said Beth as she squeezed her holes and dismounted us.

Dave was surprised but did not resist when she crawled forward and lowered her slimy pussy to his mouth.

Alex deep throated my cock while Dave ate Beth’s come-filled pussy and she rode his mouth.

“Nick, thrust in my ass to flush the rest of the come out of my pussy,” said Beth.

“Okay,” I said as I moved behind her and astride his chest.

“Shove it all the way in to squeeze it all out of my pussy,” she moaned as I pushed my cock into her ass. “Dave, spread my ass for him.”

Dave spread her ass and continued to lick her pussy albeit more carefully as I thrust in her ass.

“Nick, make me come to wash it all out and down,” she said.

“You got it,” I said, picking up the pace.

“I am going to come in your mouth, Dave,” moaned Beth, thrusting into my cock. “Eat my pussy raw.”

“Suck her pussy clean,” urged Alex.

“This feels almost as good as getting two cocks in me,” gasped Beth.

“I have to try it then,” said Alex.

“You should,” gasped Beth.

Beth soon came.

“I am coming in your mouth, Dave,” gasped Beth. “Drink all my juices.”

Beth shook in orgasm, and I fucked her twitching ass hard as she gushed in his mouth. I finally pulled out, and she continued to grind into his face.

“You did a great job, Dave,” gasped Beth. “You’ve become a serious pussy licker.”

“I want him to be a good ass licker too,” said Alex.

“Let me train him a little while you wash his cock so I can suck it and use it again,” said Beth.

Beth turned around and lowered her asshole to Dave’s mouth. He proceeded to lick her asshole. I stood astride him and fucked her throat. Meanwhile, Alex brought a wet washcloth and proceeded to clean up his cock and balls.

When Alex was done, she took the washcloth away and replaced Beth’s mouth with her ass. Alex got down on all fours, and I knelt behind her. I lubed her asshole and impaled it with my cock. I held her hips and proceeded to fuck her offered ass at an easy pace. She moaned, fucking back eagerly.

“Continue to eat my asshole,” said Beth as she brought her mouth down to Dave’s cock in the sixty-nine position.

Beth and Alex were side by side almost in the same positions. I fucked Alex’s wanton ass briskly while Dave tongue fucked Beth’s horny ass and she sucked his hardening cock.

“Yes, fuck my cock-hungry ass hard,” gasped Alex.

“This is what it was made for, isn’t it?” I said.

“Yes,” she hissed.

“Never worry about it,” I said. “I’ll take care of it.”

“I know, Nick,” she gasped. “Nobody else can or will.”

“Come for me, my little whore,” I said, fucking her ass harder.

“I am coming,” she gasped.

Alex stiffened before she writhed in orgasm. I held her hips tightly and drilled her twitching ass hard.

“Nobody can take care of me like my stud brother,” gasped Alex when her orgasm subsided.

“Of course not,” I said, fucking her ass gently.

She pushed her ass back, gasping for air.

“Do you want something bigger than Dave’s tongue?” I asked Beth.

“I’d sure appreciate that,” she said.

“Dave, lick her pussy while I take care of her horny ass,” I said as I pulled out of Alex’s ass.

“Okay,” he said.

“Spread my ass for him, Dave,” said Beth as I lubed my cock and knelt behind her ass.

Dave spread her ass, and I skewered it with my hard cock. I held her waist and proceeded to fuck her ass nicely, making her moan on his cock.

“Fuck my ass harder, Nick,” moaned Beth. “Fuck it like you did your sister’s.”

“You got it,” I said, picking up the pace.

“I am going to gush in your mouth again, Dave,” gasped Beth soon. “Get ready.”

Beth stiffened and came on my cock and in his mouth.

“I am coming,” gasped Beth. “I am coming hard.”

Beth convulsed wildly, and I drilled her ass until she went limp. She ground her drenched pussy into his mouth as I fucked her ass gently with long strokes.

“I want to try that,” said Alex.

“Sure,” said Beth, dismounting Dave’s mouth and taking her ass off my cock. “You want to suck his cock too?”

“Yes,” said Alex.

Alex mounted Dave in the sixty-nine position and proceeded to suck his cock head. He spread her ass while I lubed my cock. I pushed my cock up her ass, and he proceeded to lick her pussy.

“This is so good,” moaned Alex.

“I told you,” said Beth. “Two cocks are usually better than one wherever they are.”

Beth watched while teasing Dave’s balls. Alex moaned on his cock and thrust her ass back for more. I started with long smooth strokes, watching my cock pump her stretched asshole while her fiancé licked her dripping pussy.

“Do you like eating her juicy pussy while her hot ass is getting fucked with my big cock?” I said.

“Yes,” he said.

“Is it juicier than usual?” I said.

“Yes,” he said.

“Alex, maybe we should do it often because your fiancé likes it,” I said.

“Sure,” she said. “I love it too.”

The pace accelerated gradually, and I fucked her ass hard while he ate her leaky pussy eagerly.

“Use my horny asshole, Nick,” gasped Alex. “Let me gush in my fiancé’s mouth.”

“I’d love to do that for you,” I said. “If your fiancé spreads your horny ass wide, I’ll fuck it hard.”

“Keep my ass spread wide, honey,” she gasped.

He obliged her.

She came within two minutes or less. She writhed, gushing in his mouth and letting go of his cock. I drilled her ass until it stopped moving.

“That was wonderful, but I want more,” gasped Alex. “Nick, come in my ass when I come next time.”

“Okay, baby,” I said, picking up the pace. “I am going to flood your hot ass with come.”

“That’s exactly what I want,” she gasped.

“Dave, help me give her a hard orgasm,” I said. “She’ll after all gush in your mouth.”

“I’ll gush it all in your mouth, honey,” she gasped, fucking back energetically.

“You are a cock-craving slut,” said Beth.

“Yes,” hissed Alex. “I’ll soon be a come whore.”

“I hope your fiancé knows how lucky he is for marrying such a dirty whore,” said Beth.

“If he doesn’t know already, he will very soon,” gasped Alex.

Alex had a big orgasm within a few minutes.

“I am coming, Nick,” gasped Alex. “Fill my ass with come.”

“You got it, baby,” I said, slamming hard in her ass.

She shook in orgasm, and I let go. I pumped my come halfway up her twitching rectum. She writhed, shoving her ass into my cock uncontrollably until she drained my balls in her ass. She milked my cock hard for a minute.

As soon as I pulled out, Alex lowered her loose asshole to her fiancé's mouth and sat up. He was caught off guard, but he soon recovered.

"Eat my asshole, honey," gasped Alex.

Meanwhile, Beth sucked Dave's cock. I got up and offered Alex my sticky cock. She sucked it eagerly.

"Suck my slimy ass clean," urged Alex, grinding her asshole into his mouth.

Dave ate Alex's come-leaking asshole while she sucked my hardening cock. By the time he was done with her ass, my cock was rock hard. I fucked her throat. Beth squatted on his cock in the cowgirl position. I knelt behind her and pushed my cock into her ass.

Alex rode Dave's tongue while he and I fucked Beth.

"Did you enjoy feeding your fiancé my husband's sticky come out of your slimy ass?" teased Beth.

"Oh, yes," said Alex. "If anything can beat getting double penetrated, it's that."

"You've become a dirty whore," said Beth.

"I'll be indebted to you forever," said Alex.

"Don't worry," said Beth. "We are even. I got to fuck your fiancé and feed him his own come out of my pussy."

"Don't you want to feed him your husband's come out of your ass?" said Alex.

"Wouldn't that make you jealous?" said Beth.

"I don't think so," said Alex.

"In that case, I'll do it," said Beth.

"Orgies are amazing," said Alex.

"They sure are," said Beth. "At first, I thought they were depraved. Now, I love being depraved."

"Me too," said Alex.

"I guess you are going to be hooked just like me," said Beth.

"I already am," said Alex.

"We'll be doing this often, won't we?" said Beth.

"You bet," said Alex.

"Wait until we try triple penetration," said Beth. "I am sure we'll be like the big whore who introduced me to this."

"That's very likely," said Alex.

Beth fingered Alex's pussy while Dave ate Alex's asshole until the two of them came. They then switched places. Alex got her pussy and ass fucked while Beth got her asshole licked and her pussy fingered to orgasm.

After over an hour of sucking and fucking in different combinations and positions, I came in Beth's ass while she sixty-nined with Dave. She then fed him my come out of her ass while she sucked my cock and Alex rode his. Alex soon rode both cocks to orgasm.

Dave took long breaks while I fucked both mouths and asses and Alex's pussy. Alex was on her back on the sofa with her legs over her head when I pumped her twitching pussy full of come. After I drained my balls, I pulled out. Dave knelt down and ate her slimy pussy to orgasm. Meanwhile, Beth sucked my cock and stroked his.

When Dave was done with Alex's pussy, he fucked it and came inside it. He went to his knees again and ate it clean, making her come. I fucked Beth's ass while we watched.

“I’ve been so well fucked,” said Alex in the end. “We need to get going.”

“You don’t want me to come in your mouth?” I said.

“I do, but I have to give you a rain check,” she said.

“Okay,” I said.

Dave and Alex got dressed, and we exchanged goodbyes.

Beth and I resumed sucking and fucking.

ALEX AND DAVE MEET MOM

On Monday night, Alex and mom had dinner with Beth and me at our house.

After dinner, Beth knelt down and unveiled my hard cock. She sucked it leisurely, deep throating it, for several minutes while our guests watched.

Beth got up and led mom to my cock. Mom knelt down and deep throat my cock masterfully for several minutes while Alex watched intently. Beth set mom’s tits free, and mom let me fuck them. Mom got up and led Alex to me.

While Alex deep throat my cock, Beth took her out of her top and skirt, leaving her naked. Seeing that, mom got rid of her dress, getting naked as well. Beth led mom to me.

“Nick loves to have a slut and her slut mom suck his big cock together,” said Beth.

Mom and Alex were tentative in the beginning. They soon established a routine and sucked my cock together, taking turns to deep throat it eagerly.

“Do you like this, darling?” asked Beth. “Your slut mom and slut sister are sucking your big cock hungrily.”

“I love it,” I said.

“Tonight, you have almost as many holes as you have fingers,” she said.

“I’ve never had three dirty whores at the same time,” I said.

“I have a feeling that you are going to enjoy that,” she said.

“Me too,” I said.

Beth joined them, and the three of them sucked my cock and balls together. Beth took her clothes off then.

“There is half a dozen fuck holes that need cock now,” said Beth.

“There is one big cock that wants all those holes,” I said.

“Let’s get them together,” she said, getting up.

Mom and Alex got up as Beth pulled me off the sofa. The three got on their knees on the sofa and pushed their hot asses out. Their pussies were already leaking.

“Would you mind if I ate your mouthwatering holes a little?” I said as I knelt behind mom and spread her ass.

“Of course not,” they all said.

“Mom, I am going to start with your luscious holes,” I said.

“Yes,” she hissed as I brought my lips to her dripping pussy lips.

Mom moaned and humped my face especially as I tongue fucked her juicy pussy. I occasionally licked and probed her splayed asshole, loosening it up a little. I continued to lick and suck her holes until she gushed in my mouth.

Alex's holes were next. After she came in my mouth, I ate Beth's holes to orgasm.

"Beg for it," I said as I teased mom's wet pussy with my cock head.

"Please fuck my horny pussy with your big cock," begged mom.

Mom's horny pussy came on my cock within a minute or two of vigorous fucking. I then moved to Alex's pussy, which did not last longer than mom's.

"How come I am the only one who had to beg for it?" asked mom as I pushed my cock into Beth's pussy.

"You are the role model, mom," I said, fucking Beth's pussy briskly.

"Okay," said mom.

Beth also came fast.

When I was done with Beth's pussy, I squeezed lube on mom's asshole, making her moan.

"Please fuck my cock-hungry ass, baby," begged mom as I pressed my cock head into her offered asshole.

"Of course, mom," I said as my cock head slid in.

My cock slid all the way up mom's ass, and I held her hips and proceeded to fuck it at an easy pace.

"This is the closest to his gorgeous mom any guy can be," I said as I spread mom's ass and watched my hard cock pump it rhythmically. "You are beautiful, mom."

"Thank you, baby," moaned mom. "You are a wonderful son."

"I am only wonderful because I am your son," I said, fucking her ass briskly.

"You are so sweet," she gasped.

Mom soon had a big anal orgasm on my cock, and Alex and Beth followed. I walked around the sofa and had the three of them suck my cock together.

"I'll fuck the ass of each of you in the previous order while the others spread it for me," I said.

Beth and Alex spread mom's ass. I lubed it and fucked it to orgasm. Alex switched places with mom, and Alex got her ass fucked while Beth and mom spread it. Beth switched places with Alex and got her ass fucked similarly.

In the following few hours, I fucked all their holes in different positions especially when a pair of them or the other got into the sixty-nine position. Each tasted the others' holes on my cock and directly repeatedly. I came in their asses in the previous order, starting with mom and ending with Beth.

"Alex, suck my come out, and share it with Beth," I said when I pulled out of mom's come-filled ass.

"I'd love that," said Alex.

Beth ate my come out of Alex's ass and shared it with mom. Mom finally ate my come out of Beth's ass and shared it with Alex.

They revived my cock, and I sent mom and Alex home with their asses full of come, mom first.

"You'll both come back tomorrow," Beth said to mom before mom left. "Dave will be here too."

"Okay," said mom.

Alex left for home just before midnight.

Beth and I called it a night right away.

Alex brought Dave to Beth's and my house on Tuesday evening for dinner. When he saw mom there, he thought it was a normal family dinner with no crazy business even though mom's dress was no less outrageous than Alex's and Beth's outfits. They all put most of their tits on display along with all their legs. Things were otherwise normal until after dinner. Alex started the festivities.

Alex sat next to her fiancé on the loveseat, and mom and Beth sat on either side of me.

"I've recently become horny all the time," said Alex, shocking Dave and making him blush.

"You should be," said mom. "You are engaged. I used to be horny all the time when I was engaged."

"I've been horny ever since I met Nick," said Beth. "I've become hornier recently."

"Me too," said mom.

"I am horny right now," said Alex.

"In this house, you don't need a room," said Beth. "If you want cock, go for it. I am sure your mom doesn't mind."

"Not at all," said mom.

Alex got up, walked to me and knelt down. Dave watched in disbelief as she set my hard cock free.

Nobody said anything while Alex rid me of my pants and underwear. She took my cock head and sucked it gently, moaning quietly. Mom and Beth watched casually while Dave was flustered.

"Alex, what are you doing?" I said. "You need to get permission first."

"Please let me suck your big juicy cock," she begged.

"Are you going to do a good job and make your fiancé proud?" I said.

"I promise," she said.

"Go for it," I said.

Alex returned my cock head to her mouth and proceeded to suck my cock leisurely.

"I can suck this mouthwatering cock forever," she said.

"If you do a good job, you can," I said.

"I'll do a great job," she avowed.

She took my cock in her mouth deeper and deeper, moaning quietly.

"My big cock loves your hot mouth," I said.

She moaned her acknowledgment.

"I am horny too," said Beth, looking at mom. "Are you?"

"Who wouldn't be horny when a big cock's getting sucked nicely?" said mom.

"There is another cock in the house," said Beth.

Dave waited nervously as mom got up and walked to him. She knelt before him and cupped his crotch.

"Are you a pure voyeur, Dave?" asked mom.

“What do you mean?” he said nervously.

“Are you the kind of guy who settles for watching his woman suck and get fucked royally while probably playing with himself, or would you like someone else to play with your cock?” she said, rubbing his hardening cock.

“I don’t know,” he said tensely.

“I am going to be your future mother-in-law,” she said. “Don’t you want me to be on your side?”

“Yes,” he hissed.

“Do you want to know me better?” she said.

“Sure,” he said.

“Do you want to know me inside out?” she said.

“I don’t know,” he said.

“Your future mother-in-law’s horny,” she said. “She wants your cock. Are you going to be a good boy and help her, or are you going to sit back and say it isn’t your problem? I can feel that your cock’s eager to help.”

“You want to play with it?” he stuttered.

“I want to suck it,” she said.

“By the way, your future mother-in-law and my current one was the big whore who taught me proper cock sucking,” said Beth. “If you say yes, you’ll be treated to the best blowjob of your life. If I were you, I’d say yes.”

“You want me to suck your hard cock now that you know that I am the best cocksucker in the house?” said mom.

“Sure,” he said lowly.

“It isn’t as simple as that, Dave,” said Beth as mom undid Dave’s pants. “If you want to get the best blowjob of your life, you have to ask your cocksucker nicely at least.”

Dave cooperated as mom rid him of his pants and underwear. She stroked his hard cock slowly.

“You have a nice cock,” said mom. “It deserves to be sucked. Why don’t you want it to be sucked?”

“Please suck it,” he said nervously.

“You want me to suck what, Dave?” she teased. “You can say it. You are a big boy.”

“Please suck my cock,” he stuttered.

“Is that right?” she teased.

She stuck her tongue out and tickled the tip of his cock with her tongue tip, making his cock jump.

“Only a dirty boy would ask his future mother-in-law to suck his hard cock,” she teased. “Are you a dirty boy?”

“Yes,” he hissed.

“Can you prove that?” she teased.

“How can I prove it?” he said.

“After I suck your hard cock, you can lick my horny asshole and stick your tongue deep inside it,” she said.

“I can do that,” he said, blushing.

“If you do a good job, I may let you fuck it,” she said. “Would you like that?”

“Yes,” he hissed.

“Does my slut daughter let you fuck her horny ass?” she said.

“No,” he said.

“I’d be doing you a great favor if I let you fuck me in the ass, wouldn’t I?” she teased.

“Yes,” he said.

“I’ve been getting ass fucked for longer than her age,” she said. “I am a better anal slut. Don’t you think so?”

“Yes,” he said.

“Do you like come?” she said.

“What do you mean?” he said.

“If I let you come in my pussy, would you eat my pussy after that?” she said.

“Yes,” he said, blushing.

“Do you do that for your slut fiancée?” she said.

“Yes,” he hissed.

“You are a wonderful fiancé,” she said. “Where did my daughter find you?”

He blushed.

“Mom, I am a picky girl,” said Alex. “I searched hard before I found him.”

“You did well,” said mom.

“Thank you,” said Alex.

“If you want to come in my pussy and eat your come out, you have to last in my mouth,” said mom.

“I know,” he said.

“You need to shoot a big come load in my pussy too,” she said.

“Okay,” he said.

“Do you think you can do that?” she said.

“I’ll do my best,” he said.

“I like your attitude,” she said. “Shall we start?”

“Yes, please,” he said.

“I am going to show you how lucky you are that you married into this family,” she smiled.

“I know that already,” he said.

“I bet you don’t know how good my mouth is,” she said.

“You are right,” he said.

“The better a cocksucker I am, the luckier you are,” she said. “Isn’t that right?”

“Yes,” he said.

“So, you don’t know how lucky you are, right?” she said.

“Right,” he said.

“Sit back, and find out,” she said. “It’s going to be a lot of fun. I promise you that.”

“I know,” he said.

Meanwhile, Beth took Alex out of her clothes and proceeded to lick her leaky pussy and horny asshole, making her moan around my cock and hump her face.

“Those sluts are dirty, aren’t they?” said mom.

“Yes,” said Dave.

“His slut wife’s making sure your wanton fiancée’s nether fuck holes are ready for the big cock she’s stuffing down her throat,” she said. “Do you think they are ready already?”

“I think so,” he said.

“Are you happy that you are marrying a cock-craving slut?” she said.

“Yes,” he said.

She teased the underside of his cock with her tongue for a minute, making his cock twitch constantly.

“I am going to play with your hard cock for a while to make sure your balls have enough come for my pussy and you,” she said, cupping his balls. “Is that okay?”

“Sure,” he said.

She returned to teasing his cock and balls with her tongue, keeping his cock rock hard and leaking.

“Your cock likes this,” she said. “It’s drooling.”

“Yes,” he said.

She licked his juices off the tip of his cock.

“What about you?” she said. “Do you like it?”

“Yes,” he said. “You are so good.”

“This is only my tongue,” she smiled. “Wait until I use my mouth.”

“I know you are incredible,” he said.

She took his cock head in her mouth and sucked it hard, letting it pop out of her mouth with a loud plop.

“This is to thank you for your compliment,” she said.

“Thank you,” he said.

“I need to get fucked,” said Alex.

“With the big cock you’ve been sucking hungrily?” I teased.

“Of course,” she said.

“Are you going to ask nicely like your fiancé?” teased Beth.

“Yes,” hissed Alex. “Nick, please fuck me with your big cock.”

“In which hole?” I said.

“In all holes,” she said. “I want it in my pussy first though.”

“Assume the position next to your fiancé so he can see what exactly his slut fiancée’s doing and later help with spreading your horny ass,” I said.

Alex soon knelt on the loveseat next to Dave and pushed her ass out. I stood behind her.

“Honey, guide my brother’s big cock into my horny pussy,” said Alex, startling him.

Dave blushed, but he turned toward Alex and guided my cock into her pussy. I pushed my cock in.

“I’ll guide it into your slutty ass,” said Beth.

“Sure,” said Alex. “Thanks, honey.”

“You are welcome,” said Dave.

“Mom, does dad guide other guys’ cocks into your pussy?” said Alex.

“He’s never done it, but it’s a good idea,” said mom. “I need to try it.”

“Wow!” said Alex. “I’ve done something my hot slut mom hasn’t done yet.”

“You’ve also had your brother fuck you,” said mom. “I’ve never done that either.”

“She’s also having an orgy with her mom,” I said. “I bet you haven’t done that either.”

“That’s right,” she said.

Beth wet two fingers in her dripping pussy and slid her fingers up Alex’s ass as I fucked Alex’s pussy at an easy pace. Alex moaned and fucked back energetically.

“Your fiancée’s tight asshole’s so hungry for my husband’s fat cock,” teased Beth.

“Yes, I know,” he said.

“Do you want to ask him nicely when it’s time for him to fuck her horny ass?” she said.

“Sure,” he said.

“Thanks, honey,” moaned Alex.

“Sure, baby,” he said.

“You are pampering my daughter,” said mom. “I appreciate that.”

“I have to,” he said. “She’s my fiancée.”

“Do you have to, or do you want to?” she asked.

“I want to, but I have to too,” he said.

“Good husbands enjoy doing what they have to do,” she said. “Do you enjoy whoring her out like that?”

“Yes,” he said.

“You are definitely going to make a great husband,” she said.

“Thank you,” he said. “She’s going to make a great wife too.”

She returned to sucking his cock head playfully.

“You can spread her ass for me,” said Beth.

Dave spread Alex’s ass while Beth fingered it. Alex picked up the pace, and I held her hips and matched it.

Mom kept Dave’s cock leaking like a loose faucet.

“Your fiancée’s little pussy’s getting fucked hard,” teased mom.

“Yes,” he said.

“You think it deserves that serious fucking?” she said.

“Absolutely,” he said.

“Sweetie, your fiancé obviously likes your horny little pussy and wants it to be happy,” she said.

“Of course, mom,” gasped Alex. “I also like his cock and want it to be happy. Please take good care of him.”

“Am I not doing that already?” mom asked Dave.

“Of course, you are,” he said.

“I am going to make you shoot your biggest come load ever in my pussy,” she said. “You’ll appreciate that when you eat my come-filled pussy.”

“I love what you are doing to me,” he said.

“I’ve been sucking cock since well before all of you were born,” she said.

“I am sure you are better than women with more experience,” he said.

“That’s actually true, but how did you know that?” she said.

“I’ve never tried older women, but I could tell that you like it a lot,” he said.

“I do,” she said. “My daughter’s backed by my guarantee. Keep her happy, and I’ll keep your cock happy even if I have to suck it and fuck it every day.”

“Mom, thanks for your guarantee, but I am capable of keeping my fiancé and future husband happy,” said Alex.

“I am sure of that, Alex,” said mom. “That was why I gave him my guarantee. I don’t plan to move in with you.”

“Beth, can your mom match that guarantee?” I teased.

“I don’t think so, but I can guarantee mom because I am a dirtier slut,” said Beth.

“Your dad has had your mom for too long for that to matter now,” I said.

“I wasn’t talking about dad, genius,” she said. “I was talking about you. Aren’t you going to fuck mom regularly?”

“Oh, I see,” I said. “Sure.”

“You want to have sex with your mother-in-law regularly?” asked Dave.

“You want to be the only one who does that?” teased Beth.

“No,” he blushed. “I didn’t mean it like that.”

“I think mom deserves to try three cocks at the same time sometime,” she said.

“Your mom should be proud of you,” I teased.

“I bet she is,” she said.

“I am going to come,” gasped Alex.

“Come on your favorite cock, my little whore,” I said, fucking her harder.

Alex stiffened and convulsed in orgasm. I continued to drill her gushing pussy until she went limp.

“Let me taste my sweet daughter on your big juicy cock, darling,” said mom as I fucked Alex’s pussy gently.

“Sure,” I said, pulling out of Alex’s drenched pussy.

As soon as I turned toward mom, she took my dripping cock in her mouth and sucked it eagerly. Dave watched as she deep throated my cock slowly and smoothly, moaning around it. I thrust in her throat deeply.

“You are a lucky guy,” I said to Dave as I held mom’s head and fucked her throat. “She has a great mouth.”

“Yes,” he said.

“Let your fiancé clean your sticky pussy,” Beth said to Alex.

Alex stood up on the sofa and straddled Dave’s face, bringing her wet pussy to his mouth. Beth followed her, keeping her fingers in Alex’s ass. I stood behind Beth and pushed my cock into her leaky pussy, making her moan.

“Make the sisters-in-law come together,” said Beth as I fucked her pussy.

“Yes,” hissed Alex.

Dave ate Alex’s pussy eagerly, spreading her ass again, and Beth fucked Alex’s ass with her fingers. I fucked Beth’s horny pussy briskly. Mom teased Dave’s cock, sucking it halfway in.

“I am going to come, Alex,” gasped Beth soon. “What about you?”

“Me too,” gasped Alex.

“I am going to lube my husband’s fat cock for your horny ass,” gasped Beth.

“Thank you,” gasped Alex.

Beth came first, and Alex caught up with her a few seconds later.

“I am coming,” gasped Beth.

“Me too,” gasped Alex.

Beth gushed on my cock while Alex gushed in Dave’s eager mouth.

When Alex finished coming, she went down to her knees on the sofa, Beth’s fingers still up her ass.

“Spread her ass,” said Beth.

Dave spread Alex’s ass.

Beth removed her fingers from Alex’s asshole as I pulled out of her soaked pussy. I knelt behind Alex and gave her asshole a deep kiss, worming my tongue inside her ass. She nibbled it with her asshole, moaning.

“Is your luscious asshole hungry for my big cock, Alex?” I said as I got up and aimed my cock at Alex’s asshole.

“Oh, yes,” she hissed.

“Dave, do you think she needs it, or is she just being greedy?” I said.

“I think she needs it,” said Dave.

“Should I feed her horny ass what it’s craving?” I said.

“Yes,” he said.

“You want me to stuff her hot ass to the brim and fuck it hard?” I said.

“Yes,” he said.

“You said you’d beg Nick to fuck her slutty ass,” reminded Beth as she held my dripping cock.

“Please fuck my fiancée’s horny ass,” said Dave, looking at me.

“Sure,” I said, pushing my cock into Alex’s splayed asshole as Beth pressed my cock head into it.

Mom teased Dave’s cock head with her tongue while she watched the penetration.

My cock head slid into Alex’s ass, making her gasp.

“Milk my big cock when you are ready for more,” I said.

Alex milked my cock right away.

“She’s milking my big cock already,” I said to Dave. “Can you see it?”

“Yes,” said Dave.

“You have a horny fiancée,” I said.

“Yes,” he said.

“You want the rest of my big cock already, bitch?” I teased as I held her hips and thrust in her ass gently.

“Yes,” she hissed.

“You have a sizzling ass, Alex,” I said.

“You have an incredible cock too, Nick,” she said.

“You like your sister’s tight ass, darling?” asked mom, stroking Dave’s cock.

“I love it, mom,” I said. “It feels like it was made for my big cock.”

“I am sure it was,” she said.

“I know it was,” moaned Alex.

“Stuff her cock-craving ass with your fat cock, baby,” said mom.

“That’s what I am here for, mom,” I said. “Dave’s here to make sure I do it too. Isn’t that right, Dave?”

“Yes,” said Dave.

“Dave and I are responsible for keeping Alex happy just like she and you are responsible for keeping him happy,” I said. “Isn’t that right, Dave?”

“Yes,” he said.

“I’ll be a very happy little whore forever,” moaned Alex, thrusting back.

“Not forever,” I said. “You’ll soon be a very happy big whore.”

“Yes,” she hissed.

“I am proud of the four of you,” said mom as she saw my cock sink most of the way up Alex’s ass.

“Thanks, mom,” I said, shoving the rest of my cock into Alex’s ass.

Alex gasped and stiffened as my balls pressed into her drenched pussy.

“I am coming,” gasped Alex.

“Come on your brother’s fat cock, sweetie,” said mom.

Alex naturally had no choice. It was too late for that. She writhed wildly, shoving her twitching ass into me as I held her hips and fucked her ass hard. She had a long orgasm that left her gasping for air as I fucked her ass gently.

“That was a good orgasm,” said mom.

“Would you like to taste her horny ass on my big cock?” I said.

“Sure,” she said.

Mom pounced on my cock as soon as I pulled out of Alex’s ass. I held the back of mom’s head and fucked her throat for a few minutes.

“This must be the hottest mouth in the world,” I said.

She moaned on my cock happily.

“Your fiancée’s ass is luscious,” I said to Dave. “Her mom has every right to love its taste.”

“I think she loves your big cock more,” said Alex.

“Maybe she loves both,” I said. “Your hot tight ass is her daughter’s ass, and my big juicy cock’s her son’s cock.”

“That must be true,” said Beth.

“Your hot mouth’s almost as good as her sizzling ass,” I said, pulling out of mom’s mouth.

“Enjoy her sizzling ass now,” said mom as I pushed my cock into Alex’s ass.

“Fuck my horny ass, Nick,” said Alex, shoving her ass into me.

“You got it, my little whore,” I said, thrusting in her ass. “I love your slutty ass too much not to.”

“You love it because it was made for your big cock,” she moaned.

“My big cock loves it because it was made for it,” I said. “I love it because it’s a sweet little ass.”

“Fuck it anyway,” she said.

“I love obliging cock-craving sluts,” I said, picking up the pace.

“You want to get fucked in all your holes tonight, don’t you?” said Beth as she knelt behind mom and reached for her pussy and ass, inserting her fingers inside them.

“Yes,” hissed mom.

“Do you want me to help you keep our mom’s all holes happy?” Beth said to Dave.

“Sure,” he said.

“Keep my holes happy and ready for cock,” moaned mom, humping Beth’s fingers.

“I’ll use three fingers on each hole,” said Beth.

“Yes,” said mom.

“We are a horny family,” I said to him. “I hope you are okay with marrying into it.”

“I am very happy with marrying into your family,” he said.

“Dave and I are not originally from your family, and we are almost as horny, aren’t we, Dave?” said Beth.

“Yes,” he said.

“I am sure you appreciate that because it helps keep your slut fiancée happy,” she said.

“Of course,” he said.

“I am so happy I am about to come all over my brother’s fat cock,” gasped Alex.

“I bet you’d come all over it even if you were completely unhappy,” teased Beth.

“Not as hard,” gasped Alex, stiffening.

“Obviously not,” said Beth.

Alex convulsed in orgasm, and I fucked her twitching ass hard until her orgasm subsided.

“Taste it,” I said as I pulled out of Alex’s ass and held the back of Beth’s head.

Beth took my cock in her mouth, and I fucked her throat for a few minutes while she continued to finger both mom’s holes while mom sucked Dave’s cock leisurely.

“Your mom obviously needs some of this,” said Beth, showing me her dripping fingers. “See?”

Beth moved away, and I knelt behind mom.

“Is that right, mom?” I said, brushing mom’s dripping pussy with my cock head. “Is your little pussy hungry?”

“It’s starved,” moaned mom.

“Is it hungry for cock, or is it hungry for something else?” I teased.

“It’s hungry for a big fat cock,” she moaned.

“Are you saying that your horny little pussy needs my big cock deep inside it?” I said.

“Yes, deep inside it and thrusting hard,” she moaned.

“What do you think, Dave?” I said. “You think I should give this cock-craving slut what she needs?”

“I think so,” he said.

“Thanks, sweetie,” she said to him.

“Beg for it, mom,” I said. “Show your future son-in-law that a good whore, no matter how big she is, is never too shy to beg for cock when she needs it.”

“Please fuck your slut mom with your big fat cock,” she begged.

“My slut mom has three fuck holes,” I teased. “I don’t know which hole she needs my big cock in.”

“Start with her pussy,” she said.

“Does that sound like a good plan, Dave?” I said.

“Sure,” he said.

“You want me to loosen up her fuck holes before you fuck her?” I said.

“Yes,” he said.

“You don’t want to make any effort,” I said. “You want your hard cock to slide right in.”

“That’s easier,” he smiled.

“I don’t know how any of you would live without me,” I teased, pushing my cock into mom’s horny pussy.

Mom moaned and pushed her pussy into me.

“It would have been a tough life,” he smiled.

“Some people have to do all the work, and some sit back on their lazy asses and have fun,” I said.

“That’s life for you,” he said.

“Do you know what helps me survive?” I said, thrusting in mom’s pussy at an easy pace.

“What?” he said.

“Fucking fantastic asses,” I said. “Without those, my life would have been a lot tougher.”

“I guess we are all lucky one way or another,” he said.

“Exactly,” I said.

“You have to be lucky to get lucky,” said mom.

“Forget about luck,” I said. “Let’s talk about happiness. Is your little pussy happy now that it’s getting fucked with the big cock it once pushed out when it was small and useless?”

“Oh, yes,” she hissed. “It never thought that little cock could ever be this big and useful.”

“I am so happy I am able to pay it back for what it did for me and that wide stretching I caused it,” I said.

“That was a painful stretching,” she said. “This is a very enjoyable stretching. That was out; this is in and out.”

“Did you consider moving me in and out when you gave birth to me?” I said.

“It didn’t even cross my mind,” she said. “We’d have lost you and lost these fun moments.”

“I guess you were not used to that wide stretching either,” I said.

“That’s right,” she said. “No woman is. This is the perfect stretching for my cock-craving pussy.”

“This feels right,” I said as I cupped her tits through her dress.

Beth helped mom with her dress, leaving her naked. I held mom’s tits and fondled them.

“She has great tits,” I said to Dave. “Don’t you want to see them and play with them?”

“May I?” he said.

“You have to ask,” I said. “Beg if you have to. They are worth it.”

“Mrs. Callaby, can I please see and touch your beautiful tits?” he said.

“You are so cute,” she teased. “I am sucking your cock, you are going to fuck me in all my holes, and you call me Mrs. Callaby. I like that though. Do you also want to suck my nipples? You are the only one here who hasn’t yet.”

“May I please?” he said.

“Do you want to fuck my tits too?” she said. “I enjoy having them fucked.”

“Sure, I’d love that,” he said.

“You may even come all over them as long as you are willing to clean them up,” she said. “Would you like that?”

“I’d love it,” he said.

“You have to lick them clean though so others can play with them when you are done,” she said. “That’s sharing.”

“Sure,” he said.

“I’ll rub your come all over my tits,” she said. “It won’t be easy for you to lick it clean. You’d have to lick every little part of my tits well. Do you think you can do that?”

“Yes,” he said.

“Have you ever done it for Alex?” she said.

“No,” he said.

“I want you to do it for her,” she said. “Coming and then cleaning up her tits, pussy and even her face is important. Most men make a mess and walk away. I want you to be different from that. Do you think you can do that for me?”

“Sure,” he said.

“I don’t want you to be like Nick,” she said. “He’d come all over my tits and walk away, letting his wife and sister clean up after him. Had he not had a big fat cock, we wouldn’t have let him get away with that.”

“I’ll clean up after myself,” he said.

“Dave’s good, mom,” said Alex. “I am sure he’d even clean up after Nick if we wanted him to.”

“Is that right, Dave?” said mom.

“Yes,” he said, blushing.

“You are a good boy,” she said. “Don’t be shy.”

“I guess I am the bad boy here,” I said.

“Nick, you are my son,” she said. “I’ll love you even if you are a bad boy.”

“So, I am a bad boy?” I said.

“Dave, would a good boy fuck his mom?” she said.

“I don’t know,” he said.

“Give it a guess,” she said.

“Maybe not,” he said.

“Can you see, Nick?” she said. “You are a bad boy, but I love you and let you fuck me any way you want.”

“I am a lucky boy to have you,” I said.

“You are bad but sweet,” she said. “That’s why everybody loves you.”

“Thank you all,” I said.

“You don’t want to be very bad though,” she said. “Your mom might think again then. Now, make her come.”

“I guess orgasms make women happy,” I said, picking up the pace.

“You know that, Dave, even before getting married, don’t you?” she gasped.

“Yes,” he said.

“In that case, get ready to come,” I said, fucking her pussy harder.

“Oh, I am ready,” she gasped.

“I am going to make you come,” I said.

“I am coming,” she stiffened.

Holding Dave’s cock tightly, mom convulsed wildly on my cock, and I drilled her gushing pussy until her orgasm subsided, and she calmed down. While I thrust gently in mom’s drenched pussy, Beth drooled on mom’s asshole and stuck three fingers inside it. Mom moaned as Beth gently finger fucked her ass.

“You want it here, Amy?” said Beth.

“Yes,” hissed mom, squeezing Beth’s fingers and my cock with her holes.

“Dave, she wants her son’s big cock in the ass,” said Beth. “Do you think she deserves it?”

“Yes,” he said.

“Would you be so kind to spread my cock-hungry ass for my horny son’s big cock?” said mom.

“Sure,” he said.

Mom took her position on the loveseat next to Dave, and he spread her ass while Beth continued to finger fuck it.

“Please fuck my horny ass, baby,” begged mom.

Beth removed her fingers from mom’s ass, and squeezed lube on mom’s asshole.

“Honey, let me help you spread mom’s ass, and use your free hand to guide him in,” said Alex. “She’ll love that.”

“Yes,” said mom. “Thanks, sweetie.”

Dave let go of mom's left ass cheek and held my cock with his left hand as Alex pulled mom's left cheek out. I pushed my cock in, and the head popped in, making mom gasp.

"You can now spread her ass alone," said Alex, letting go of mom's ass cheek.

Dave spread mom's ass with both hands.

Beth knelt before Dave and teased his hard cock with her mouth.

"Dave, thank you for helping me fuck mom," I said. "By doing this, you'll be part of this family forever."

"Thank you," he said.

"Enjoy the view now," I said, thrusting in mom's ass. "She has a fantastic ass that was made for cock too."

"Yes," he said.

Mom came a few thrusts after I was balls deep up her hot ass.

"I am coming," she gasped. "This is so good."

"Have fun, mom," I said, thrusting harder in her ass.

She writhed, her asshole twitching around my cock, as I drilled her ass. She finally went limp.

"Don't stop fucking my horny ass, darling," she gasped. "I'll recover soon."

"I love your hot ass, mom," I said, keeping my pace. "I am not slowing down."

She soon started to thrust into me, and we established a brisk rhythm.

"What do you think, Dave?" I said. "Isn't this ass incredible?"

"Absolutely," he said.

Mom soon came again, and Alex swallowed my cock as soon as I took it out.

"Keep my ass spread, Dave, and lick it," gasped mom.

Dave licked mom's asshole while I thrust in Alex's throat.

"Stick your tongue inside it," moaned mom.

He happily obliged her.

"Do you want to sixty-nine?" she asked.

"Sure," he said.

Dave lay on his back, and mom mounted his face. She sucked his cock teasingly while he licked her drenched pussy and sticky asshole. Meanwhile, I arranged Alex and Beth on their knees on the sofa and fucked Beth's ass.

Beth and Alex came on my cock, and mom came in Dave's mouth before she made her request.

"Nick, why don't you fuck my ass and make me come big in Dave's attentive mouth?" asked mom.

"Sure," I said.

Dave spread mom's ass as I squeezed lube on her asshole and pushed my cock in. Beth and Alex joined mom, and the three of them licked and sucked his cock. I held mom's hips and fucked her ass at an easy pace for several minutes, Dave and I keeping her moaning. I then picked up the pace. She gasped all the way to orgasm, gushing in his mouth.

"Dave, I am going to sit on your cock," gasped mom as I fucked her ass gently. "Don't move much. Just enjoy yourself while Nick fucks my ass."

"Okay," he said.

“Nick, can you get me there without taking your big cock out of my ass?” she said.

“Sure,” I said.

She rose on her knees, and I wrapped my arms around her tightly. We got up and moved around until she straddled him. I helped her kneel down. Alex held her husband’s cock upright while mom impaled her pussy on it, moaning.

“Are you okay?” mom asked Dave when she had both cocks balls deep inside her.

“Yes,” he said.

“Spread my ass, relax, and have fun,” she said.

He spread her ass, and I proceeded to fuck it at an easy pace.

“Can you feel his big cock fuck my ass?” she asked.

“Yes,” he said.

“Do you like it?” she said.

“Yes,” he said.

“Can you feel my horny pussy leak around your hard cock?” she said.

“Yes,” he said.

“It’s fun, isn’t it?” she said.

“Yes,” he said.

“Enjoy your slut future mother-in-law,” she said.

“I am doing just that,” he said.

“I can feel how hard your cock is,” she moaned. “It’s leaking inside my soaked pussy, isn’t it?”

“Yes,” he said.

“Is it still charging to be able to flood my pussy with come later?” she said.

“Yes,” he said.

“You wanted to play with my big tits and suck my nipples,” she said, leaning forward. “Go ahead.”

He held both her tits and proceeded to suck her nipples, making her moan more often.

After several minutes of that, I held her hips and picked up the pace.

“Yes, fuck my ass, baby,” gasped mom.

He continued to play with her tits while I drilled her ass vigorously. She came very soon. I fucked her ass hard while she convulsed, writhing on the two cocks inside her. I slowed down after that. A minute later, I pulled out of her ass and offered her my cock to suck. She sucked it and deep throated it eagerly. She sat up and let me fuck her tits. She rubbed her tits with my cock and teased her nipples with my cock head before she returned them to his mouth.

“To build up your come load, I’ll let my horny pussy play with your hard cock and sixty-nine with you while Nick occasionally fucks my ass or throat and you play with my big tits,” said mom. “Is that okay?”

“Sure,” said Dave.

Beth and Alex sucked my cock together. They then pulled me up and pushed me onto the sofa. Beth pushed Alex onto my cock, and Alex impaled her pussy on my cock in the cowgirl position. Beth licked and fingered Alex’s asshole while Alex bounced on my cock to orgasm.

“You want it in the ass?” I said when Alex’s orgasm subsided.

“Yes,” hissed Alex.

Beth took care of lubing my cock and guiding it into Alex’s ass, which I spread. Alex bounced her ass on my cock to orgasm. Beth and she sucked my cock for a few minutes. Meanwhile, mom spun around into the sixty-nine position. She sucked Dave’s cock leisurely while he licked her pussy and ass. Beth got her pussy fucked in the cowgirl position. Alex moved my cock to Beth’s ass, and Beth got it fucked until she came.

“Nick, please fuck my horny ass and come inside it while Dave eats my juicy pussy,” said mom.

Beth dismounted my cock and lubed it. She also guided it into mom’s ass while Dave spread it for me.

“Yes,” hissed mom as my cock penetrated her ass.

When my cock was halfway in, I held mom’s hips and thrust in her ass at an easy pace. I let mom leak in Dave’s mouth and moan around his cock for several minutes. I then picked up the pace.

“Yes, baby,” gasped mom, fucking back. “Give it to me. Make me come in his mouth, and come in my horny ass.”

“That’s what I intend to do, mom,” I said, fucking her ass harder.

“Dave, eat my pussy hard,” she gasped.

Dave obliged her while I pounded her horny ass to orgasm.

“I am coming,” gasped mom, stiffening. “Fill my cock-craving ass with come.”

As mom convulsed in orgasm, gushing in Dave’s mouth, I let go, pumping my come inside her twitching asshole. She drained my cock in her ass and milked it deliberately. I finally pulled out.

“Thank you, baby,” gasped mom, lowering her asshole to Dave’s mouth as she rose on her arms.

Dave proceeded to eat her slimy ass without hesitation.

“Eat my messy ass clean, baby,” she moaned, stroking his hard cock.

While Dave ate my come out of mom’s ass, I sat back on the sofa, and Beth and Alex revived my cock.

“Spread it wide, and suck it dry,” moaned mom as she sat up, letting go of Dave’s cock.

Dave did his job eagerly.

When my cock was rock hard, I got up and pushed it into mom’s mouth. I fucked her throat gently while Dave finished with her ass. She spun around into the cowgirl position, and I returned to fucking Beth and Alex. After fucking all their holes, I knelt behind mom and fucked her ass to orgasm while Dave spread it for me.

“Do you think you are ready to fill my pussy with come?” mom said to Dave when I pulled out of her ass.

“Yes,” he said.

“Let’s change positions then,” she said, dismounting him.

Mom lay back on the sofa next to where I fucked Beth and Alex and pulled her legs over her head.

“Fuck my pussy and fill it with come, baby,” she instructed. “Take your time though.”

Dave entered mom’s pussy and fucked it at an easy pace while I drilled Beth’s and Alex’s asses.

“You can fuck me hard now,” said mom. “My pussy’s ready for your biggest come load ever.”

“I hope not to disappoint you,” he said, picking up the pace.

“I can only ask you to do your best,” she said.

“I am doing my best,” he said.

“Fuck your fiancée’s slut mom, baby,” she urged.

“Yes, Mrs. Callaby,” he said, fucking her faster.

Meanwhile, I fucked Alex’s offered ass. I timed her orgasm with mom’s. Mom came a few seconds before, but they echoed each other’s moans and gasps while they convulsed in orgasm.

“Fill my pussy with come, Dave,” gasped mom.

“I am coming,” he grunted.

Dave came in mom’s pussy while Alex and she continued to shake and writhe. When their orgasms subsided, mom milked his cock with her pussy. I thrust gently in Alex’s ass.

“I think that was good, but you are the final judge,” gasped mom. “My slimy pussy’s ready to be eaten raw.”

Dave knelt down and ate mom’s come-filled pussy eagerly.

“Yes, baby, eat that sticky come out,” moaned mom, squirming against his mouth.

Dave ate his come out and made mom come while I fucked Beth’s ass, making Beth come with mom.

“You want to come on my tits next time?” teased mom, fondling her tits.

“I’d love that,” he said.

“Play with them,” she said, sitting up.

He proceeded to fondle her tits and suck her nipples while she moaned and gave him pointers.

“Your fiancé isn’t bad,” mom said to Alex, moaning.

“I am glad you approve,” said Alex.

“You are a lucky girl,” said mom.

“I know,” said Alex.

“Do you want to fuck my ass before you come on my tits?” asked mom when Dave’s cock got hard.

“Yes, please,” he said.

“Lie back like before,” she instructed.

Dave got into position, and mom pulled a condom over his cock. She lubed her asshole and impaled it on his cock.

“Continue to play with my tits,” moaned mom, lowering her tits to his face while riding his cock gently.

He resumed fondling her tits and sucking her nipples. I knelt before her and fucked her throat gently while he did. She sucked my cock eagerly, moaning around it. I only pulled out of her throat after she came on his cock.

“Don’t go, Nick,” she said. “My pussy needs cleanup.”

She spun around into the sixty-nine position.

“Fuck my ass, baby, to help him clean up my sticky pussy,” she said, stroking his cock.

He spread her ass for me, and I proceeded to fuck it to orgasm.

“Thank you, baby,” said mom when I pulled out of her ass. “Let me suck your big cock clean.”

Mom sat up and had Dave eat her asshole while I thrust in her throat.

“I hope you don’t mind,” said Beth as she impaled her ass on his cock.

“Of course not,” said mom.

Beth soon sucked my cock with mom. Alex joined, and the three of them sucked my cock.

“Are you having fun, honey?” asked Alex.

“Oh, yes,” he said.

“My horny ass needs attention too,” she said, getting on all fours next to her husband. “Nick, please fuck it.”

Mom lubed my cock, and I knelt behind Alex’s offered ass and entered it, making Alex moan.

“All our horny asses are being tended to,” moaned Beth as I fucked Alex’s ass.

“Yes,” hissed Alex.

“They are all being penetrated,” moaned mom as Dave probed her asshole with his tongue.

After Alex came, Beth moved Dave’s cock to her pussy.

“Fuck my ass, Nick,” said Beth.

Dave’s cock remained in its condom while he and I double penetrated all three women to orgasm. Mom then took the condom off and rode him in the cowgirl position at an easy pace while he played with her tits.

After a while, Alex straddled Dave’s face while mom continued to ride his cock.

“Spread my ass, honey,” said Alex. “I want Nick to fuck my ass and fill it with come while I come in your mouth.”

Beth lubed my cock and guided it in while Dave spread Alex’s ass. I held and fondled Alex’s tits while I fucked her ass. Beth knelt behind mom and fondled her tits.

“Let’s come together,” mom said to Alex.

“Okay,” said Alex.

Mom picked up the pace, and I matched that until Alex and she were ready to come.

“I am going to come,” announced mom.

“Me too,” said Alex.

Alex came first, and mom followed right away.

“I am coming too,” I said, letting go.

Alex’s convulsing ass drained my balls in her writhing ass while she gushed in her fiancé’s mouth. Meanwhile, mom gushed on his cock. Alex milked my cock with her asshole, and I pulled out.

“Eat it clean, honey,” said Alex, instantly bringing her asshole to his mouth.

While Dave ate my come out of his fiancée’s slimy ass, Beth revived my cock and mom rode his cock gently. Alex kept her ass on his face. When my cock was hard, I knelt behind Beth. I fucked her ass and fondled her tits while she fondled mom’s tits. Alex fondled her own tits.

After Beth came, she and I got up and Alex dismounted Dave’s face.

“I think you are ready to fuck my tits,” said mom, dismounting Dave.

Alex led me to the sofa, and I fucked her ass from behind. Mom sat on the sofa and had Dave fuck her tits at his own pace. She occasionally drooled in her cleavage.

“You like that?” mom smiled at Dave.

“I love it,” he said.

Alex came, and I fucked Beth's ass to orgasm.

"Why don't you fuck my tits while I impale my ass on Nick's big cock?" mom said to Dave.

"Sure," he said.

Mom sat in my lap on the sofa, impaling her ass on my cock, and Dave fucked her tits. I spread mom's ass and moved it up and down my cock gently. Beth worked her way between mom's legs and ate her leaky pussy to orgasm. Alex replaced Beth and made mom come in her mouth.

"Dave, eat my pussy to orgasm," instructed mom.

When Dave knelt down, mom pulled her feet up to the edge of the sofa. She bounced her ass on my cock, making it a challenge for him to chase her drooling pussy. She rewarded him with a generous amount of her gushing juices.

Mom took Dave down to the floor and rode his cock while Alex bounced her ass on my cock in the reverse Asian cowgirl position. Beth followed.

"Are you ready to come all over my big tits?" mom asked Dave after she came on his cock.

"Sure," he said.

She dismounted him and sat on the sofa. He joined her and returned to fucking her tits.

"Fuck them as hard as you can," she said, squeezing her tits around his cock.

Dave picked up the pace while his fiancée bounced her ass on my cock in the Asian cowgirl position and Beth licked her dripping pussy to orgasm.

"I am going to come," said Dave while Alex came on my cock.

"Come all over my big tits, baby," said mom as she took hold of his cock.

Mom stroked his cock vigorously. When the come burst out, she aimed it all over her tits.

"That was nice," said mom as she wiped his sticky cock head on a clean area on her tits.

"Yes," he hissed.

Mom rubbed his come into her flesh all over her tits.

"Clean it up, sweetie," she said.

He knelt down and went to work, licking and sucking every part of her tits.

"That's so nice, baby," she moaned. "Don't stop."

Mom had Dave lick and suck her tits for a long time. Meanwhile, Beth and Alex came on my cock twice each.

"Dave, I want you to eat Nick's come out of my ass," said Beth. "Will you do that for me?"

"Sure," he said.

"You are so nice," she said.

"Thank you," he said.

"Let's sixty-nine," she said.

Beth and Dave sixty-nined on the carpet, and I fucked her ass while he spread it for me. In the end, I filled her ass with come while she sucked his hard cock, and he emptied her ass in his mouth while she sucked my soft cock. Mom inserted his cock into her pussy and helped Beth revive my cock. Alex helped too.

"Nick, I want him to eat your come out of my pussy too," said Alex when I was rock hard.

“You are a greedy bitch, aren’t you?” I teased.

“Yes,” she said.

Dave ate his own come out of Beth’s pussy before he ate mine out of Alex’s pussy.

“All of you are coming for dinner at my house on Thursday,” said mom. “Dave, you’ll be there, won’t you?”

“Sure,” he said.

Beth and I took it easy on Wednesday. I only came once in each of her holes.

ALEX AND DAVE MEET DAD

On Thursday evening, Beth and I picked up Alex and Dave. Beth was sucking my cock when Alex and Dave got into the backseat.

“You are doing this on the way to dinner with your parents?” said Dave.

“I am not doing anything,” I said. “She is.”

“Alex, let’s switch seats so I can’t do that anymore,” said Beth.

Beth and Alex switched seats, and Alex lowered her mouth to my hard cock.

“Alex, what are you doing?” said Dave as Beth reached for his fly.

“I can’t see my brother’s big juicy cock and ignore it,” said Alex.

Dave did not resist as Beth set his cock free. It was soon in her mouth.

“Can you see, Dave?” I said, looking at him in the rearview mirror. “It isn’t our fault. They are cock-craving sluts.”

“It’s hard to disagree with you,” he said.

“Is the slut next to you keeping you as hard?” I teased.

“She’s doing a great job,” he said. “She’s very good.”

“I guess we are ready to go,” I said, putting the car in gear.

“We’ll have boners when we get to your parents’ house,” he said.

“They’d think that we love our women too much,” I said.

The cock sucking continued as I drove to my parents’ place.

“Can we stop somewhere and get fucked a little?” said Alex.

“Are you crazy?” said Dave.

“Where do you want to stop?” I said. “At a motel?”

“We don’t have time for that,” said Beth.

“I’ll see what I can do,” I said, dialing mom’s number.

Mom answered right away.

“Mom, the sluts want to get fucked a little before dinner,” I said. “Can you arrange something?”

“Get into the backyard,” she said. “I’ll keep your dad out of the way.”

“Thanks, mom,” I said, hanging up. “It’s solved.”

“How?” asked Dave.

“We’ll do it in the backyard,” I said. “Mom will keep dad out of the way.”

“You are crazy,” he said.

“You are in it with me,” I said. “You’ll fuck their pussies, and I’ll fuck their asses. We have to make them come.”

“In the backyard?” he said.

“Do you have a better place?” I said.

“No,” he said. “We’ll smell of sex though.”

“It won’t be bad,” I said. “It’s only one fuck a hole.”

“It’s still crazy,” he said.

“Do you want to try to sneak into a spare bedroom?” I said.

“That’s even riskier,” he said.

“I guess we are all set then,” I said.

Alex and Beth zipped us up, and we all filed into the backyard. As soon as we were in the backyard, Beth hiked her short dress and bent over the table. Alex followed suit.

“Let’s start with our spouses,” I said, setting my hard cock free.

“I can’t believe this,” said Dave, unzipping.

Beth spread her ass, and I drooled on her asshole.

“Fuck my ass, baby,” said Beth as I pressed my cock head into her ass.

“Keep it low so the neighbors won’t hear,” I said.

“We don’t want your parents to hear either,” he said.

Beth and Alex’s assholes were already lubed, so my cock slid easily up Beth’s ass. I held her hips and proceeded to fuck it. Alex was dripping, so Dave slid right in and went to work.

“This is fun, isn’t it?” I said to Dave.

“Yes,” he said.

Beth wet her fingers in her dripping pussy and proceeded to finger Alex’s asshole.

“Yes,” hissed Alex, spreading her ass.

Beth came first, but Alex came several seconds later. Alex drenched Dave’s cock and balls while I pounded Beth’s ass vigorously. Their orgasms subsided, and they calmed down.

“Let’s switch,” I said, pulling out of Beth’s ass.

Beth took her fingers out of Alex’s ass, and I replaced them with my cock while Dave entered Beth’s pussy.

“Make sure not to come,” Beth said to Dave, fucking back.

Alex came a little before Beth. They spun around, and each sucked clean the cock that had just been inside her.

We straightened our clothes.

“We need to hide our boners well,” said Dave as we left the backyard.

“Our cocks taste of each other’s woman,” I said.

“I can’t believe we did that,” he said as I rang the bell.

“It was fun though, wasn’t it?” I said.

“Yes,” he said.

Mom let us in. We kissed her deeply, and she felt up Dave’s and my boners.

“You need to hide them for a while,” she smiled.

“We’ll try,” I said.

“While you had your fun, I was sucking your dad,” she said. “He has a boner too.”

Beth rushed inside. She pecked dad on the lips and sat in his lap.

“Amy said you were hard,” she said, squirming in his lap. “I didn’t want anybody to beat me to it or let her hard work go to waste.”

“You are a good girl but a bad one,” he smiled.

“Why didn’t you say that before we kissed you?” I said.

“Because I am not silly,” she said.

Mom led us inside.

Beth smiled at us and winked, squirming in dad’s lap.

“She’s sitting on dad’s boner,” whispered Alex.

“She definitely loves cock,” whispered mom.

We greeted dad, and Alex kissed him on the cheeks while Beth was in his lap.

Mom and Alex sat on either side of me on the sofa, and Dave sat alone on the loveseat.

Beth ground her ass into dad’s boner at a very subtle pace that was very effective though because she used her cheeks to squeeze and milk his boner. While she did that, she let her knees part slowly until they were parted wide, exposing her leaky pussy. Dave could not believe that. She winked at him. She then licked the tip of her finger with her tongue tip lewdly and teased the lips of her pussy with her fingertip. Dad was the only one who could not see that.

“Dave’s going crazy as he can see me tease my leaky pussy with my fingertip,” whispered Beth.

“You are a bad girl,” whispered dad.

“If you get to sit in my husband’s lap, I’ll sit in your husband’s lap,” said mom to Beth.

“Be my guest,” smiled Beth, teasing her clit.

Mom got up and sat in my lap.

“I’ll sit in my fiancé’s lap,” said Alex, getting up.

Alex sat in Dave’s lap, and mom parted her knees. I snuck the hand farther from dad under her leg and pulled the back of her dress up. I soon wormed a finger into her asshole. Meanwhile, Beth finger fucked her horny pussy slowly. Dave saw it all while Alex ground her ass into his boner.

“This is unbelievable,” whispered Dave. “Your sister-in-law’s fingering herself in her father-in-law’s lap, and your brother’s fingering your mom’s ass.”

“Beth’s challenging me to finger fuck my pussy,” whispered Alex.

“You are not going to do that, are you?” he whispered.

“Why should I be the only little angel here,” she whispered, slowly parting her knees.

“You’ll do it right in front of your dad?” he whispered.

“She’s doing it right in front of you,” she whispered.

“That’s different,” he whispered.

“This is different too,” she whispered. “Are you going to finger my pussy, or do you want me to do it myself?”

“Are you crazy?” he whispered. “We can do neither.”

“If you don’t finger my pussy, you won’t get to fuck it tonight,” she whispered. “You’ll just watch me get fucked.”

“I am not going to finger it in front of your dad,” he whispered.

“Suit yourself,” she said as she brought her right hand to her wet pussy. “I’ll finger it myself.”

“Please don’t,” he whispered.

“Too late,” she whispered as she teased and fingered her leaky pussy. “This feels so good.”

“Danny, your daughter’s playing with herself right in front of us,” whined Beth while she teased her stiff clit with a slick fingertip. “She’s acting like a little slut. Aren’t you going to say something to her?”

“Sweetie, why are you doing that?” dad asked Alex.

“Beth’s doing that right in front of my fiancé,” she said. “She’s challenging me.”

“You take the challenge by playing with yourself in front of your dad and entire family?” he chided.

“Dad, she’s doing that while sitting in your lap,” she said.

“As far as I am concerned, she can do whatever she wants,” he said. “I am neither her husband nor her dad.”

“You are mom’s husband,” she said. “She’s flashing my fiancé her pussy, and Nick’s fingering her butthole.”

“Is that right, Amy?” asked dad.

“Is what right, honey?” said mom nonchalantly.

“Are you flashing your daughter’s fiancé while Nick fingers your butthole?” he said.

“Are you fingering my butthole, Nick?” asked mom.

“You know I am not,” I said, taking my finger out of mom’s ass and sticking it into her leaky pussy.

“Your daughter’s must be exaggerating, Dan, because you didn’t stand on her side,” said mom.

“Alex, you shouldn’t talk like that about your mom and brother because your sister-in-law’s teasing you,” chided dad as my slick finger returned to mom’s asshole.

Beth stuck her tongue out at Alex.

“I think we are all hungry,” said mom. “Why don’t we have dinner and see how things go after that?”

Mom got up and straightened her dress. Beth scooted off dad’s lap and knelt before him.

“Thank you for standing behind me,” said Beth.

Beth kissed dad’s boner through his pants.

“Anytime, Beth,” said dad.

“Don’t accuse others to make an excuse for what you are doing,” said Beth as she stood up. “Be a big girl. Do what you want and stand up for it.”

“I didn’t accuse anybody, and you know it,” said Alex.

“Your fiancée’s too horny,” Beth said to Dave lowly but loudly enough for everyone to hear it especially that she was still standing in front of dad.

“What about you?” said Alex.

“My husband takes good care of me,” teased Beth.

“Girls, do you want to help me set the table?” said mom.

“Sure,” said Beth.

Alex got up and followed. Beth hiked her dress, exposing her ass on her way to the kitchen. Dad did not see that.

Dave, dad and I chatted about general things.

“We only need three chairs,” said Beth as she kept three chairs around the table and removed the others.

“Why is that?” said Alex.

“We’ll sit in their laps,” said Beth as she hiked mom’s dress, exposing her ass. “You’ll sit in your brother’s lap, and I’ll sit in your dad’s lap.”

“Okay,” said Alex as Beth hiked her skirt.

“We’ll be bottomless, and we’ll take their cocks out and play with them while they finger our asses,” said Beth. “We’ll use our free hands to eat. This is dinner after all.”

They set the table according to that.

Beth came out to us bottomless.

“Dinner’s served,” she said. “It isn’t pussy though.”

She walked to dad and took his hand. He silently let her lead him away.

“What are you doing?” asked Dave as I set my hard cock free.

“They are bottomless,” I said. “We need to take our cocks out.”

“I am not doing that,” he said.

“That’s okay by me,” I said, getting up.

Beth was sitting in dad's lap at the head of the dining table when Dave and I got there.

"Why are there only three chairs?" I asked.

"Your laps will make three other chairs," said Beth.

"You and I are sitting here," said Alex, pulling a chair on the side while hiding my boner from dad.

Alex sat me down and sat in my lap, facing dad and Beth.

"You and I are here," said mom, pulling the chair across from Alex and me.

Dave sat down, and mom sat in his lap.

Although we could not see that, Beth was already stroking dad's hard cock with her left hand while he fingered her ass with his right hand.

Alex guided my left hand to her ass before she wrapped her right hand around my hard cock. Meanwhile, mom expertly set Dave's cock free. Mom also faced Beth and dad.

"Finger my ass," mom whispered in Dave's ear as she guided his right hand to her ass.

"Why are you bottomless?" I asked as I squeezed two fingers inside Alex's ass.

"That was Beth's idea," said mom.

"I didn't want Alex to feel bad about playing with herself in front of all of us," teased Beth.

"I wasn't the only one doing that," protested Alex.

"We've been through that already, Alex," said Beth. "At least, you are the only one who admitted to it."

"Alex, you should thank her, not fight with her," I said, twisting my fingers within Alex's asshole.

"Thank you," said Alex.

"You are welcome," said Beth.

"It's better to have dinner bottomless," said mom as we started to eat.

"It makes me horny though," said Beth.

"It does that, but it's nice," said mom.

"What should poor Alex say?" I said. "She was horny already."

"It's your responsibility to make sure she doesn't do anything crazy," said Beth.

"Are you dad's responsibility?" I said as I squeezed a third finger into Alex's ass.

"Yes, and he's doing a great job keeping me happy," said Beth. "Maybe Dave isn't taking care of Alex at home."

Dave blushed.

"He is, but he isn't as thick as Nick," said Alex.

"How do you know about Nick?" teased Beth.

"I can feel him," said Alex, squeezing my hard cock.

"You are a little slut," said Beth. "You want to be stretched wide."

"Don't you?" said Alex.

"Yes," said Beth.

"Every woman wants that," said mom.

“Alex, that’s no excuse for playing with yourself in front of your family,” I said.

“I know,” said Alex.

“I should spank you for that,” I said.

“Maybe you shouldn’t do that,” said Beth. “She might have been too horny.”

“I know she was, but I’ll do that for her,” I said.

“What do you mean?” she said.

“She now feels guilty and embarrassed,” I said. “If I spank her, she’ll feel better.”

“I see,” she said.

“Take your top off,” I whispered to Alex.

Alex took her top off and tossed it aside.

“She’s outrageous,” said Beth as I captured Alex’s right nipple between my lips and sucked it gently.

Alex held my head to her tit.

“Nick, why are you doing that?” asked dad.

“Why am I doing what?” I asked on my way to Alex’s other nipple.

“Why are you sucking your sister’s nipples?” he said as I sucked Alex’s left nipple.

“Can’t you see them?” I said. “They are so stiff. They are begging to be sucked.”

“So are my nipples,” said Beth, thrusting her chest out.

“Mine are stiff too,” said mom.

“There is another reason,” I said. “I am going to spank her. I want to show her that I am doing that because I like her, not because I am being hard on her.”

“That sounds convincing,” said mom, pulling her top down and setting her tits free.

“Why are you taking your tits out?” Beth asked mom.

“It isn’t fair to Dave to see his fiancée’s tits get sucked while he’s doing nothing,” said mom as she pulled Dave’s face to her left tit.

“What about Dan?” said Beth, taking her tits out. “He’s watching his wife’s tits get sucked.”

“Dan can handle that,” said mom.

“I can’t,” said Beth. “My husband’s sucking tits, and I am not having my tits sucked.”

“Your husband’s doing that for a reason,” I said.

“What about Dave?” she said.

“I disagree with mom’s decision,” I said.

“She’s doing it anyway,” she said.

“I am not her guardian or husband,” I said.

“Does that mean I can’t have my tits sucked?” she said.

“That’s right,” I said. “You have no good reason for it.”

“I do,” she said. “I am horny, and I need my nipples sucked.”

“That’s outrageous,” I said. “If you do that, you’ll be spanked too.”

“I don’t care,” she said.

“It will cost you,” I said. “You won’t get my cock tonight.”

“That’s unfair,” she whined, pulling dad’s face to her left tit.

“Are you sure you want this, Beth?” said dad.

“Yes,” she said. “I am a big girl.”

He took her nipple in his mouth and proceeded to suck it.

“Yes,” she hissed. “Suck my nipples. Make me even hornier. My juicy pussy’s going to drip very soon.”

“Have some shame,” Alex chided Beth. “We are all having our nipples sucked. You don’t need to act like a slut.”

“Look who’s talking,” teased Beth. “It’s the girl who played with herself in front of her entire family.”

“Look who’s moaning like a slut,” said Alex. “It’s the woman who protested to that.”

“Have shame, both of you,” I said. “You are big girls. Don’t bicker like big cocks.”

“I love big cocks,” moaned Beth, squeezing dad’s cock.

“Good for you, but let’s eat,” I said.

“My pussy needs to be eaten,” she moaned.

“Be a good girl, or you’ll get a hard spanking,” I said.

“It’s too late for me to be a good girl,” she moaned.

“It isn’t too late for you not to get your ass spanked senseless,” I said.

“I’ll try to be quiet although I like to talk dirty when I am having fun,” moaned Beth. “Maybe it’s so hard for me to remain silent because your dad’s doing such a great job on my sensitive nipples.”

“It’s up to you if you want to find out how sensitive your ass is,” I said.

“Alex, how can you remain quiet?” she said.

“It isn’t easy, but I am already in trouble for playing with myself in front of everybody,” said Alex.

“Speaking of that, how is your horny pussy doing?” said Beth.

“It’s much hornier than before,” said Alex. “It’s leaking like a loose faucet.”

“I am in the same boat,” said Beth. “We need to get fucked bad.”

“Unfortunately, I’ve already banned Dave from my pussy today,” said Alex. “I can only suck him.”

“Your brother banned me from his cock too,” said Beth. “I can’t even suck him.”

“It’s going to be tough for us,” said Alex.

“Fortunately, there are other cocks in the house,” said Beth, squeezing dad’s hard cock.

“Have shame, Beth,” I said. “You are corrupting my little sister.”

“Don’t worry about me, Nick,” said Alex. “I am a big girl.”

“When you are in my lap, you are still a little girl and I am still in charge of you,” I said.

“If I always get treated like this, I’ll sit in your lap all the time,” she said.

“You are welcome to,” I said.

“Am I also welcome to sit in your lap all the time, Dan?” said Beth, squeezing dad’s cock and fingers.

“Of course,” said dad.

“Say something, Dave,” said mom.

“You are also welcome to sit in my lap whenever you want, Mrs. Callaby,” said Dave.

“Each one of us has a lap to sit in,” she said.

“At this pace, we may not finish dinner by Monday morning,” I said.

“This is fun, but we need to eat,” she said. “Girls, let’s feed the men. They can’t eat when they are distracted.”

The women fed the men, and we finally finished dinner.

When Alex got off my lap, I turned away as I stood up, and we walked away without showing my cock to dad.

“Dan and I will clear the table,” said Beth.

As soon as I sat down on the sofa, Alex drooled on my cock and sat in my lap. I spread her ass, and she impaled it on my cock. Mom and Dave joined us then.

“You are not serious,” said Dave as Alex thrust her ass down my cock.

“They are, and so are we,” said mom as she pushed him onto the loveseat.

Mom covered his cock with a condom. She drooled in her fingers and lubed her asshole.

“Hold your cock up,” she said as she sat in his lap.

She soon impaled her ass on his cock.

“Are you sure this is okay?” he said.

“This better be much better than okay,” she said.

Beth stood up, faced dad and sat astride him, inserting his cock into her pussy.

“My little pussy needs cock,” she moaned.

He held her ass, and she bounced on his cock to orgasm. She dismounted him and sucked his cock clean.

“Let’s clear the table now,” she said, getting up.

He got up and helped her.

She led him by his hard cock, and they returned to the living room.

“What are you doing, Beth?” asked mom, milking Dave’s cock with her asshole.

“What?” asked Beth.

“You are holding my husband’s big hard cock,” said mom.

“I thought, since we were topless and bottomless, he should be able to be crotchless,” said Beth.

Dad sat down, and Beth knelt down before him. She proceeded to suck his cock.

“You are sucking his cock,” complained mom.

"I am just returning the favor although his cock's so big and juicy I am not doing him any favors," said Beth.

"This is outrageous, Beth," I said as I thrust subtly in Alex's milking ass and fondled her tits.

"He's okay with it," said Beth.

"Is that right, dad?" I asked.

"Yes," said dad. "I can't deny a lovely woman like Beth."

"When you are done, you have to lick my pussy to orgasm," said mom.

"Sure," said Beth.

"I was talking to Dan," said mom. "You can lick Alex's pussy."

"Okay," said dad.

"Sure," said Beth.

Beth deep throated dad's cock for several minutes.

"I am going to come without getting licked," gasped Alex, grinding her ass into my cock urgently.

"Have fun, sweetie," said mom.

Alex stiffened when I pinched her nipples hard.

"I am coming," she gasped.

She writhed on my cock, her asshole twitching madly.

"You must be too horny," said dad.

"Yes," she gasped.

"No wonder the slut played with her cock-craving pussy," said Beth.

"Yes," hissed Alex as her orgasm subsided.

"I am going to lick your pussy anyway," said Beth, getting up.

Beth walked to Alex and me, and dad walked to mom and Dave. Beth dropped to her knees and proceeded to lick Alex's drenched pussy, making her moan. Dad licked mom's leaky pussy. She moaned, working her asshole up and down the last inch of Dave's cock. Dad saw it.

"Eat my horny pussy, honey," moaned mom. "Make me come in my future son-in-law's lap."

As dad licked mom's pussy, Alex worked her ass up and down my cock in longer and faster strokes.

"Play with my tits, Dave," moaned mom. "Help me come in my husband's mouth."

Dave fondled mom's tits and pulled on her nipples.

Mom came first, gushing in dad's mouth. Alex followed her within several seconds, gushing in Beth's mouth. Dad and Beth licked the drenched pussies in front of them.

"Do you want to switch, Dan?" said Beth.

"You want me to lick my own daughter's pussy?" he said.

"Sure," she said. "She's so horny, and she has a delicious pussy."

"Okay," he said.

Dad and Beth switched places, and Beth proceeded to lick mom's pussy. Dad was a little reluctant in the beginning.

“Don’t be afraid, dad,” encouraged Alex. “You can do it and make me come in your mouth.”

Mom and Alex bounced on the cocks up their asses. Dad’s initial reluctance made mom come first again.

“Are you ready to fuck my ass now, Dan?” asked Beth.

“Sure,” said dad.

Beth pulled a condom over dad’s cock and knelt next to me.

“Fuck my pussy, Dave,” said mom as she got up and pulled the condom off Dave’s cock.

Mom knelt on my other side. I got up, and Alex knelt between Beth and mom.

“Fuck my pussy, Nick,” said Alex.

Dad impaled Beth’s ass, and I, Alex’s pussy. Dave then entered mom’s pussy.

Beth and Alex came together, and mom followed.

“You are going to get spanked now,” I said as I pulled out of Alex’s drenched pussy.

“Do I have to?” asked Alex as I walked around the sofa.

“Of course, you do,” I said, pushing my cock into her mouth.

Alex sucked my cock eagerly, and I fucked her throat. I slapped her ass lightly about ten times.

“That isn’t a real spanking,” complained Beth as dad continued to fuck her ass.

“That’s none of your business,” I said, returning to my place. “When it’s your turn, you can ask for a sound one.”

“No way,” said Beth as I impaled Alex’s ass.

“I want to try triple penetration,” said Alex as I thrust in her ass.

“Take your turn behind me,” said Beth.

“You lose this one, Beth,” I said. “She can be triple penetrated tonight, but you can’t.”

“Why not?” she asked.

“Because you need three cocks, and you can’t have mine tonight,” I said. “You didn’t care earlier.”

“You are not serious, are you?” she said.

“I am serious,” I said. “Alex is going to beat you to it. Sorry.”

“That sucks!” she said.

“You can be double penetrated though,” I said.

“It isn’t the same,” she said.

“You can blame yourself all you want,” I said.

“I want dad in my pussy, Nick in my ass and Dave in my mouth,” said Alex.

“Alex, are you sure you want me to fuck you?” said dad.

“Of course, dad,” she said. “If you lick it, you deserve to fuck it.”

“Okay,” he said.

“I want to be triple penetrated the same way,” said mom.

“Like mother, like daughter,” teased Beth.

“Yes,” said mom.

“Dad, I want you to come in my pussy too,” said Alex. “I don’t want you to be afraid of fucking me at all.”

“Okay,” said dad.

“In return, Dave will come in my pussy,” said mom.

“Have each clean up his woman’s pussy,” said Beth.

“That’s a good idea,” said mom. “It would strengthen family ties.”

“I’ll come in both asses,” I said.

“For that, each should clean up the other’s woman,” said Beth.

“That’s a good idea too,” said mom.

“What about you?” I asked Beth.

“Each will come in my pussy and clean up after himself,” she said. “That way, each slut gets two come loads.”

“Your wife’s good,” mom said to me.

“I am punishing her to make her even better,” I said.

“How come Nick doesn’t eat any come?” said Dave.

“Don’t you enjoy eating come out of my pussy and ass?” asked Alex.

“Sure,” he said.

“You are complaining for lack of competition?” she teased.

“I was just wondering,” he said.

“Nick, why don’t you eat come?” she asked.

“Maybe my mom raised me that way or something, but I don’t touch other guys’ cocks or come,” I said. “I am sure it’s a lot of fun, but I don’t do it, and life goes on perfectly for everyone, including me.”

“He doesn’t do it because he’s spoiled,” said Beth.

“If that’s true, then my mom spoiled me, but it doesn’t make sense for someone not to have fun because he’s spoiled,” I said. “Why don’t you have some fun? I am spoiled rotten! I don’t know, but that sounds silly to me.”

Alex came first. She was followed by Beth and finally mom.

“Dad, gag Beth,” I said. “I am going to spank her. Hold her head, and don’t pull out of her mouth until I am done.”

“Okay,” said dad.

Dad pulled out of Beth’s ass and lost his condom. He fucked Beth’s throat gently. I kept my cock up Alex’s ass while I slapped her ass soundly, making my hand sting. Beth groaned over dad’s cock.

“How do you like this spanking?” I said when I was done.

“That was unfair,” said Beth. “You were easy on your sister.”

“You didn’t like that,” I said. “Don’t you remember?”

“Thank you for being easy on me,” said Alex.

“I wasn’t easy on you, but nobody had warned you like I warned her,” I said.

“Dad, fuck my pussy to get used to it before my triple penetration,” said Alex.

“I’ll meanwhile fuck mom,” I said, pulling out of Alex’s ass.

“Dave, you get to fuck your choice of my holes,” said Beth.

“I want to fuck your pussy,” said Dave.

We scampered into position. I drooled on mom’s asshole and fucked it while Dave and dad fucked mom’s and Alex’s pussies, respectively.

“Do you like my pussy, dad?” asked Alex, fucking back energetically.

“Yes,” said dad. “It’s so hot and juicy.”

“I love your big cock too, dad,” she gasped. “Fuck my little pussy hard with it.”

Alex came first, and mom did before Beth.

“I think we are ready now,” gasped Alex. “Dad, lie back on the carpet.”

Dad lay on the carpet, and Alex straddled him in the cowgirl position. I pulled out of mom’s ass and lubed my cock. I knelt behind Alex and impaled her ass.

“Bring your cock to my mouth, Dave,” moaned Alex as dad and I thrust in her nether holes.

Dave pushed his cock into Alex’s mouth, and we proceeded to triple fuck her.

“I love this,” gasped Alex, briefly taking her mouth off Dave’s cock.

Mom and Beth watched while fingering each other’s pussy.

Alex came even before we had established a rhythm. She convulsed, and dad and I drilled her twitching holes.

“I am coming so hard,” gasped Alex happily, stroking Dave’s cock briskly.

Dad and I fucked her hard until her orgasm subsided.

“I want to do that again,” she gasped.

“Stay where you are,” I said.

This time, dad and I established a rhythm and got to fuck her seriously for a few minutes.

“This is so good,” gasped Alex, fucking back rhythmically.

As her orgasm approached, the rhythm accelerated out of control, and she stiffened.

“I am coming again,” gasped Alex.

Her orgasm was more intense than before because dad and I maintained our rhythm although she went out of control. She calmed down, and dad and I thrust gently in her holes.

“My turn,” said mom.

Alex dismounted, and mom took her position astride dad. I skewered her ass with my cock, and she took Dave’s cock in her mouth. The triple fucking started. Mom naturally knew how to get fucked in three holes. She did not take Dave’s cock out of her mouth until her orgasm started. She even sucked it while she came. Dad and I pounded her holes until she went limp.

“Let’s do it again,” gasped mom.

We repeated that, and she had another wild orgasm.

“Get up, Nick,” said Beth as mom dismounted. “I need my double penetration.”

Beth pulled a condom over dad’s cock and impaled her ass on it in the reverse Asian cowgirl position.

“Fuck my pussy, Dave,” instructed Beth.

Mom and Alex sucked my cock while dad and Dave double fucked Beth to orgasm. I arranged mom and Alex on their knees on the sofa and fucked Alex’s ass while Beth received her second double penetration. When she dismounted, I was fucking mom’s ass. Mom soon came.

“Alex, are you ready to get your first come load?” gasped mom.

“Sure,” said Alex.

“Let’s roll over,” said mom.

Alex and mom rolled over, and dad took his position before Alex’s pussy.

“Fill my pussy with come, Dave,” said mom.

Dad and Dave proceeded to fuck each other’s woman until they all came.

“Switch, and eat,” gasped mom when both Dave and dad were drained.

Dad and Dave switched placed and knelt down. Each ate the slimy pussy in front of him clean of the other’s come, making it come, while Alex sucked my cock, moaning and gasping around it.

“Fill my ass with come, Nick,” gasped Alex, rolling over onto her knees when Dave finished with her pussy.

“Spread her ass, Dave,” I said, lubing my cock.

Mom got up, and Dave sat in her place. He spread Alex’s ass, and I stuffed it with my cock. I proceeded to fuck Alex’s ass briskly from the start. She gasped and fucked back energetically. Meanwhile, mom and Beth sucked Dave’s and dad’s hardening cocks, respectively, while dad sat next to Dave.

“You need a hard cock when you clean your slut daughter’s slimy ass of her brother’s sticky come,” teased Beth.

Taking that in mind, I took my time not making Alex come until dad was rock hard. Dave was rock hard too.

“I am going to come,” gasped Alex.

She and I soon came, and I filled her twitching ass with come.

“Keep her ass spread,” mom said to Dave as I pulled out of Alex’s ass.

Beth and mom switched placed. Beth proceeded to suck Dave’s cock. Dad and I switched places, but he went down to his knees behind Alex’s spread ass. Mom sucked my sticky cock while dad buried his face in Alex’s ass, holding her waist. Alex moaned and ground her loose asshole into his mouth.

My cock was rock hard by the time dad finished cleaning up Alex’s slimy ass.

“Fuck my pussy, dad,” said Alex.

Dad got up and proceeded to fuck Alex’s pussy. Mom and I switched places, and I fucked her pussy. Beth and Dave did the same. After the women came, dad fucked Beth, and Dave fucked mom. I fucked Alex’s ass. I then fucked mom’s ass while dad fucked Alex and Dave fucked Beth.

We changed positions and partners several times. Dave came in Beth’s pussy, and I came in mom’s twitching ass in the missionary position. Dave had a pussy and an ass to clean up.

“Dave, eat her pussy first,” said mom. “Honey, eat my pussy while I wait.”

Dave knelt down and ate his come out of Beth’s pussy, making her come, while dad ate mom’s pussy to orgasm. Meanwhile, Alex revived my cock.

Dave and dad switched places. Dad fucked Beth’s pussy while Dave ate mom’s slimy ass. I fucked Alex’s ass.

While dad ate his come out of Beth's pussy, I fucked mom's ass, and Alex sucked Dave's cock.

In the following hour, Beth sucked dad's and Dave's cocks while I used mom's and Alex's six holes. In the end, I came all over mom's and Alex's faces, and they licked my come off each other's face.

"Dad, thank you so much for fucking me and sucking me," said Alex in the end.

"It was my pleasure, sweetie," said dad. "I am glad you liked it."

"This has been a great evening," I said. "Unfortunately, Beth and Dave misbehaved and had to be punished."

"Maybe next time it will be better," he said.

"It has to be," I said.

On the drive home, Alex sucked my cock, and Beth sucked Dave's. When we parked in front of Dave and Alex's place, Alex turned around, and I awkwardly entered her ass and drained my balls inside it. She turned around and sucked my cock clean. I kissed her deeply when she came up.

We exchanged goodnights, and Alex and Dave went home.

Beth hopped into the passenger seat, and I drove home.

"Are you mad at me?" said Beth.

"No," I said. "You misbehaved and got punished."

"Are you going to fuck me tomorrow?" she said.

"Of course," I said.

"We have a new seduction tomorrow," she said.

"We finished with Alex and Dave just in time," I said.

"It was all planned," she said.

LISA VISITS

On Friday, Beth invited her sister for dinner at our house. After dinner, we went to the living room.

While we watched television, Beth scooted off the sofa and knelt before me. By the time Lisa noticed, Beth had my hard cock out and she was licking my cock head.

"Beth, what are you doing?" asked Lisa.

"Oh, you mean this?" said Beth. "It's nothing. Don't worry about it."

"I think I should leave," said Lisa, getting up.

"You are being silly," said Beth. "We take oral sex lightly. You can ignore it or join me. It isn't real sex."

"I shouldn't be here," said Lisa.

"Are you a prude?" said Beth. "I did this in front of mom."

“You went down on your husband in front of mom?” said Lisa in disbelief.

“Sure,” said Beth. “I just find sucking cock more enjoyable than TV. You can ignore it, and we can chat normally.”

“Lisa, sit down,” I said. “You should support your sister like I do. I shouldn’t let her do this, but we are newlyweds and she deserves to be spoiled. Give her that leeway.”

“This big mouthwatering cock deserves to be spoiled too,” said Beth. “I am sure it enjoys my mouth more than watching TV. Isn’t that right, handsome?” She shook my cock up and down. “It’s nodding.”

“You have a horny sister,” I said to Lisa. “We have to deal with her. I can either deprive her and send her to other guys or let her do her thing. I chose the latter. I can’t live all alone just not to let her suck my big cock.”

Lisa sat down.

“Thankfully, you are an adult, aren’t you?” I teased Lisa. “You don’t look it, but I am sure you are.”

“If you were close enough, I’d punch you,” said Lisa.

“Sit next to me, and punch me all you want,” I said. “It’s easier to talk with your sister when you do too.”

“I am comfortable here,” said Lisa.

“Don’t act like a prude who’s never seen a cock or sucked one,” I said.

“I am sure she’s seen cocks before but not as big and as juicy as this one, and I am sure she’s sucked cocks before but not as well as I can suck this mouthwatering one,” said Beth.

“She’s challenging you,” I said to Lisa. “Come sit next to me. Show her you are not afraid of my big juicy cock.”

Lisa got up and walked to us. She sat to my left. I wrapped my arm around her.

Beth took off my pants and underwear. I parted my knees wider.

“If you pay attention to me, you’ll find it more entertaining and you may learn a thing or two,” teased Beth.

“She’s bragging, but she’s actually very good at it,” I said, looking at Lisa. “I’d have spanked her otherwise.”

Beth proceeded to lick and tease my cock head, making my cock twitch.

We watched television silently for a few minutes while Beth sucked my cock deeper and deeper.

“You are not like your sister?” I asked Lisa. “You don’t do this to your fiancé while you watch TV?”

“We’ve never done it,” she said. “We don’t watch TV while we have sex.”

“Neither do we,” I said. “We just have sex while we watch TV.”

“I see,” she smiled.

“Does he eat your pussy while you watch TV?” I said.

“Not that either,” she said.

“If I had a sweet fiancée like you, I’d be eating her juicy pussy all the time even while having lunch, not to mention watching boring TV,” I said. “It has to be better than TV.”

“He’s lying,” said Beth. “If he had a fiancée like you, he’d be fucking her ass all the time.”

“Was that what I did to you when we were engaged?” I asked.

“No, and that was because I wouldn’t have let you fuck my ass,” she said.

“Would you let me fuck your sexy ass all the time while we watched TV?” I said to Lisa.

“No way!” she said.

“I bet you’d let me eat your pussy though,” I said.

“Only if you were good at it,” she said.

“Am I good at it?” I asked Beth.

“You were honest about me, so I have to be honest about you,” said Beth. She then looked at Lisa. “He was good at eating pussy when we were engaged, but he’s now incredible at it. If I were you, I’d try to seduce him and try it.”

“You are crazy,” said Lisa. “You expect me to seduce my brother-in-law?”

“No, but do you know why not?” said Beth.

“Why not?” said Lisa.

“Because you have no idea how good he is,” said Beth.

“She’s right,” I smiled at Lisa.

Lisa tried to punch me, but she was too close to me. She used her left hand.

“Do you enjoy sucking cock?” I asked her while we watched Beth deep throat my cock happily.

“A little,” she said.

“I am sure, if she had a cock this big and juicy, she’d love it,” said Beth.

“I have to agree,” I teased.

Lisa punched me again.

“If you don’t believe us, call our bluff,” I said. “Suck it a little. If you don’t like it, stop.”

“I am engaged,” she said. “That would be cheating.”

“Give it a try,” I said. “If you still think so, stop.”

“Come here,” said Beth, pulling Lisa down. “So what if you sucked your brother-in-law’s big juicy cock while you are engaged? I can suck your fiancé’s cock to make it even.”

Lisa resisted a little but let Beth pulled her down to her knees.

“If you do a good job, I’ll teach you how to take it all the way down your throat,” said Beth, scooting aside.

Lisa inspected my cock closely.

“If it’s too big for you, start with the head,” said Beth.

“It isn’t too big for me,” said Lisa.

“You think you can take it all the way down your throat without my help?” said Beth.

“Maybe not,” said Lisa.

“Give it a try,” said Beth.

Lisa licked my cock head, making my cock twitch and leak. She took the head in her mouth and sucked it gently.

“Do your best, and I’ll help you,” said Beth. “I’ve helped mom.”

“You did what?” asked Lisa.

“I’ve taught mom deep throat,” said Beth.

“No way!” said Lisa.

“She did,” I said.

“You think mom knew how to deep throat?” said Beth.

“No, but she let you teach her?” said Lisa.

“Who else could teach her?” said Beth. “She saw me do it and knew that I could teach her. Why should she wait?”

Lisa took my cock head in her mouth again. She sucked it and licked it for a minute.

“It’s big and filling,” said Lisa.

“It is,” said Beth. “Imagine how it fills a little pussy...or a tight ass.”

Lisa sucked my cock deeper and deeper.

“Show him you are a serious cocksucker, taking after your mom and sister,” said Beth.

“Your sister’s lips feel perfect around my big cock,” I said. “Her tongue’s great too.”

“You think she can make a good cocksucker?” she said.

“Definitely,” I said. “I assure you she’ll fall in love with my big cock so fast you may feel jealous.”

“I’ll never get jealous of my little sister,” she said.

“What if she wanted me to fuck her?” I said.

“I’d gladly share you with her,” she said. “You are not going to run away with her, are you?”

“Why would I run away with her if I can stay with the two of you?” I said.

Meanwhile, Lisa sucked my cock eagerly.

“Suck my big cock, you little cocksucker,” I teased. “Show your sister that you were made for cock.”

Lisa sucked my cock nicely for several minutes.

“Do you like that?” asked Beth.

“Yes,” hissed Lisa.

“Do you want to learn how to take it all the way down your throat?” said Beth.

“Yes,” said Lisa.

“Suck his big cock like a dirty whore for a few minutes,” said Beth. “If it doesn’t deserve that of you, don’t do it.”

Lisa sucked my cock sloppily for several more minutes.

“Do you like this, baby?” said Beth. “Is my slut little sister sucking your big cock nicely?”

“Yes,” I said.

“Does she deserve to swallow your big cock down her throat?” she said.

“Absolutely,” I said.

“Does she deserve to swallow your come too?” she said.

“Yes, but only after she swallows my big cock very well,” I said.

“Of course,” she said.

“If you want to swallow my hot sticky come, you have to deep throat my big cock first,” I said.

“Rise on your legs while you continue to suck his big cock,” instructed Beth.

Lisa complied, and Beth gave her a few pointers. Lisa still gagged a few times, but she soon managed to swallow my cock down her throat.

“Hold it there for a minute,” instructed Beth.

Lisa held my cock down her throat for fifteen seconds. She finally pulled up, gasping.

“Practice until it’s easy and very enjoyable,” instructed Beth.

Lisa proceeded to deep throat my cock eagerly. It got easier and easier, and she did it with increasing eagerness.

“Is my little sister worthy of sucking your big cock?” said Beth.

“She needs to do it kneeling,” I said.

“You can get back on your knees,” said Beth.

Lisa went down to her knees and continued to deep throat my cock.

“What do you think?” said Beth.

“She’s a great cocksucker,” I said. “It’s a pleasure to have her suck my big cock.”

“Lisa, are you proud of your achievement?” asked Beth.

“Yes,” said Lisa, looking up at me. “I love it. Thank you, both of you.”

“You are welcome,” said Beth. “Suck it all you want.”

“Is your little pussy wet?” I asked Lisa.

“Yes, it’s soaked,” she said.

“Do you know that you have to let me eat it?” I said. “Are you disappointed that you have to return the favor?”

“No,” she said. “I am actually excited about that.”

“Let me help you with your panties,” said Beth.

Beth hiked Lisa’s skirt and took her panties off. She handed them to me.

Lisa did not see me as I inhaled the aroma of her pussy off her panty crotch.

“Your pussy smells nice,” I said, making Lisa blush. “I can’t wait to taste it.”

“Do you want to taste it before or after she swallows your come?” asked Beth.

“Before,” I said. “She has to come in my mouth before I come in hers.”

While Lisa eagerly deep throated my cock, I reached out and squeezed her bare ass. I fondled it a little.

Once when Lisa took my cock balls deep, I held her head to my cock and got up. I held the back of her head and thrust in her throat gently. I gradually took control of her head and fucked her throat at an easy pace.

“Fuck the whore’s face,” urged Beth. “Use her like you should.”

Lisa soon got used to that, and I picked up the pace a little.

“You did great, bitch,” I said, pulling Lisa up to her feet. “You deserve a big kiss.”

Lisa and I kissed feverishly. I hiked her skirt and felt up her ass freely while grinding my hard cock into her drenched pussy. She moaned into my mouth. Beth held my shaft and rubbed her sister’s horny pussy with my cock head. Lisa moaned more urgently. Beth pressed my cock head into Lisa’s pussy, and my cock opened it up and slid in, making Lisa groan.

“Your pussy’s so tight,” I said.

“You have a big cock,” she moaned as I held her ass and thrust into her pussy.

“Do you want it in your little pussy?” I said.

“Yes,” she hissed.

“It would stretch your little pussy wide and stuff it tightly,” I said.

“Yes,” she hissed.

“You want me to fuck your little pussy with my big cock?” I teased.

“Yes,” she hissed, thrusting into me.

“You think your tight pussy can handle my fat cock?” I said.

“If it can’t handle it, teach it how to,” she moaned.

“If I taught it, it might want to get fucked with my big cock all the time,” I said.

“If you fuck it well, I don’t mind,” she said.

“I let you suck my big cock without begging, but, if you want me to fuck your very tight little pussy with my big fat cock, you have to beg for it,” I said. “I don’t want to be responsible for corrupting you. You have to be.”

“Please fuck my horny pussy with your big cock,” she begged.

“Raise your right leg,” I said. “Show me how much you crave it.”

She raised her right leg, and I hooked my left arm under her leg. I held her ass and shoved my cock all the way into her pussy. She grunted, then gasped and finally stiffened.

“I am coming,” she gasped.

“You are coming on my big cock,” I said.

“Yes, I am coming on your big cock,” she gasped. “It feels incredible in my tight pussy.”

She convulsed wildly, and I held her tightly and thrust hard in her gushing pussy. She came hard and went limp. I helped her stay up while I fucked her pussy gently.

“That was a great orgasm,” she gasped. “It could be my best orgasm ever. You have an amazing cock.”

“You have an amazing pussy too,” I said. “I was supposed to eat it, but I love fucking it too.”

“Me too,” she gasped.

“Do you want to come on my big cock again, you little whore?” I said.

“Yes,” she hissed.

While fucking her pussy at a slow pace, I spread her ass and pressed my left middle finger into her asshole. She tensed, and I maintained the gentle pressure while I continued to thrust in her pussy. She relaxed, and I slowly wormed my fingertip into her asshole, which clamped at my finger. Her asshole relaxed, and I wormed my finger deeper into her tight ass. Thrusting in her pussy made my finger move within her little asshole, loosening it up.

“It’s virgin, isn’t it?” I whispered.

“Yes,” she hissed, her pussy and asshole twitching.

“You like getting fucked like a dirty whore?” I teased, thrusting harder in her pussy.

“Yes,” she hissed.

“Show me,” I said.

She fucked back wildly, and I paced her.

“I am going to come,” she gasped.

“Come only if you can come harder than your first time,” I said.

“I am sure I can,” she gasped, stiffening.

“Let’s see,” I said.

She writhed in my arms, and I pounded her twitching pussy until her orgasm subsided.

“That was definitely the best orgasm of my life ever,” she gasped.

“You like your brother-in-law’s big cock?” I teased.

“Yes,” she hissed.

“I bet you want even more of it,” I said.

“Yes,” she hissed.

“Turn around, and bend over without taking my big cock out of your little pussy,” I said as I slid my finger out of her asshole and raised her left leg higher.

With my help, she was able to turn into the donkey position without taking her pussy off my cock.

“You did great, bitch,” I said as I held her waist and thrust in her drenched pussy at an easy pace.

“I love your big cock,” she moaned.

“You should,” I said. “You have a horny pussy that loves big cocks.”

“I guess I do,” she moaned.

While fucking her steadily, I took her top and bra off. She cooperated, letting me set her fine tits free. I held her tits and fucked her faster. She fucked back eagerly.

“You have great tits,” I said, squeezing her tits.

“Play with them, baby,” she gasped as I pinched her stiff nipples.

“I guess that’s what they are there for,” I said.

“Yes,” she hissed.

“Fuck my slut little sister, darling,” urged Beth. “Show her that she’s just a little whore that craves big cocks.”

“Are you just a little whore that craves big cocks, Lisa?” I teased, fucking Lisa harder.

“Yes, I am a little whore for your big cock,” gasped Lisa.

“My big cock loves its little whore,” I said.

“Its little whore loves it too,” she gasped.

She came within a couple of minutes. While she recovered, I maneuvered her onto the sofa on her knees.

“You have a great ass,” I said as I spread her ass while thrusting in her pussy.

“You like my little ass?” she moaned.

“I love it,” I said. “It’s a fantastic ass.”

“Enjoy it,” she said as I drooled on her asshole.

“I will,” I said as I gently massaged her asshole with my drool. “You have a sweet asshole too.”

“Nobody else has ever touched it,” she moaned.

“They were blind, or they didn’t know you were such a dirty whore,” I said.

Her asshole relaxed, and I effortlessly popped my left thumb inside it. It clenched.

“Your ass is so hot and tight,” I said. “Do you ever get it fucked?”

“No way!” she said, her asshole twitching.

“Is it still virgin?” I said.

“Yes,” she hissed. “I told you nobody else had ever touched it.”

“Is that why it’s so tight?” I said.

“Yes,” she hissed.

“Don’t worry about that,” I said. “I love hot tight assholes. I’ll loosen it up while I fuck your horny pussy.”

“You are a dirty boy,” she moaned.

“You are a dirty whore though, aren’t you?” I said, reaming out her asshole with my thumb.

“Yes,” she hissed. “I guess that’s why I like you.”

“You want me to fuck your cheating pussy?” I teased.

“Yes,” she hissed.

“You enjoy cheating on your fiancé?” I teased, picking up the pace.

“Yes,” she hissed. “It’s only because you have an amazing cock. You are a nice guy too.”

“All cheating whores have excuses,” I teased. “At least, you have a good one.”

“Yes,” she hissed.

“Most people think nice guys don’t fuck their slutty sisters-in-law,” I said. “They are wrong, aren’t they?”

“Yes,” she hissed.

“You love whoring yourself to my big cock?” I teased. “Your little pussy loves it?”

“Yes, my pussy and I do,” she gasped, fucking back energetically.

“Are you going to be a good whore for my big cock?” I said.

“Oh, yes,” she hissed.

“To which cock do you belong?” I teased. “To mine or to your fiancé’s?”

“I belong to your big cock,” she gasped.

“You are a good cheating whore,” I said. “No one can blame you for cheating with the big cock you belong to.”

“At least, they shouldn’t,” she gasped.

“I want you to chant that you are your brother-in-law’s dirty cheating whore,” I said.

“I am my brother-in-law’s dirty cheating whore,” she gasped, stiffening. “I am coming.”

“You are a bad girl,” I said. “Did you like it so much, or did you hate it so much?”

“I liked it so much,” she gasped, convulsing. “I am a dirty whore.”

“You sure are,” I said, fucking her gushing pussy hard. “Your fiancé should be proud of you.”

“Yes,” she gasped.

She calmed down, and I fucked her pussy gently.

Lisa did not get enough of my cock, so I kept giving it to her and making her come harder and harder. Her asshole continued to relax and open up around my thumb. I made her come ten times in that position.

“I think you are ready to return the favor and let me eat your juicy pussy,” I said, thrusting gently in her pussy.

“I can’t believe that, Nick,” she gasped. “I’ve never come like that. You made me come like a hundred times.”

“Are you happy with the big cock you belong to, my dirty whore?” I said.

“I am in ecstasy,” she gasped.

“Lisa, that was the appetizer,” I said. “You haven’t been fucked yet.”

“You are kidding,” she gasped.

“Did you notice that I haven’t come yet?” I said.

“Oh, yes,” she said.

“I am not going to quit before filling you with come,” I said.

“Holy moly!” she said.

“It’s more like holy ravioli, Lisa,” I said. “It’s all about the filling.”

“Yes,” she smiled.

“Suck my big cock clean, baby,” I said, pulling out of her holes. “It will probably taste of your pussy for days.”

“No kidding,” she said as she turned around and faced my dripping cock.

She took my cock in her mouth and sucked it eagerly. She deep throated my cock, and I fucked her throat a little.

“Lie back, and open yourself up obscenely so you can be eaten raw,” I said, slapping her face with my cock.

Lisa got on her back. Beth helped her pull her legs over her head and spread her ass wide.

“Now you look like a seasoned dirty whore,” said Beth.

“You know what they say,” I said. “If she looks like a dirty whore and she fucks like a dirty whore, she’s one.”

“You need to fuck like a dirty whore to be one,” said Beth.

“Like I fuck like an innocent girl,” said Lisa.

“You fuck like a whore,” said Beth. “You need to fuck like a *dirty* whore.”

“You want to corrupt me completely,” said Lisa.

“We don’t,” said Beth. “You do because it’s more fun.”

“That’s right,” said Lisa.

Her entire pussy area was drenched and sticky.

“My big cock has done a number on your little pussy,” I said as I knelt before Lisa.

“No kidding!” she said. “I’ve never been fucked like that before.”

“It looks like you’ve just been through a gangbang,” I said.

“I might as well have been through one, but I wouldn’t have come as many times,” she said.

“Your virgin little asshole looks loose too after the reaming I gave it,” I said.

“Yes,” she hissed.

“It looks as sweet though,” I said, lowering my mouth to her asshole.

She gasped when I kissed her asshole.

“What are you doing?” she said as I kissed her asshole deeply.

“He’s going to kiss and lick your little asshole as if it leaks honey,” said Beth. “Just relax, and have fun. You’ll love it, and it will get your little asshole hungrier for his big cock.”

“Isn’t that dirty?” said Lisa.

“It is, but you are a dirty whore, and he’s a dirty boy,” said Beth.

Lisa’s asshole, which clenched, started to relax as I licked it and sucked it. I soon probed it with my tongue.

“He’s sticking his tongue in my asshole,” moaned Lisa, her asshole nibbling my tongue tip.

“He’s stuck his finger and his tongue in it,” said Beth. “There is one more thing he’s going to stick in it.”

Lisa trembled, and her asshole twitched. She got the hint.

“Do you like what he’s doing to your horny asshole?” teased Beth.

“Yes,” hissed Lisa.

“You are obviously a dirty whore,” said Beth.

“No kidding!” gasped Lisa.

“Nick loves dirty whores like you,” said Beth.

“You don’t mind?” gasped Lisa.

“It’s just who he is,” said Beth. “As long as they are good girls, I am okay with it.”

Lisa moaned and squirmed on my tongue more and more urgently. I made her come within several minutes.

“I am coming,” gasped Lisa. “I am coming by having my asshole licked.”

“You are a genuine dirty whore, little sister,” said Beth.

“Yes,” gasped Lisa.

“Your ass was definitely made for cock, most likely Nick’s,” said Beth.

Lisa convulsed and writhed while I tongue fucked her twitching asshole. She finally relaxed and went limp. I slid my thumb in her asshole and reamed it out while I licked her drenched pussy gently. I finally came up and squeezed my other thumb into her ass. I stretched her asshole wide.

“You know that he’s going to deflower your virgin asshole, don’t you?” said Beth, making Lisa’s asshole twitch.

“Isn’t he too big?” said Lisa, her asshole tensing.

“No,” said Beth. “You already know that he’s deflowered my ass. He fucks it daily.”

“You are ready for it,” I said.

“Not quite,” said Beth. “You are too dirty a whore for it. You need to wash the inside of your ass. I’ll help you.”

Lisa blushed.

“You need to be able to deep throat his big cock when he takes it out of your distended asshole,” said Beth.

“Your ass has to be squeaky clean,” I said. “You also need to taste my come out of it.”

“You are not the only one either,” said Beth. “Other people may need to eat come out of your ass.”

“Lisa, you are a dirty whore now,” I said. “Don’t think of yourself as an innocent little girl anymore.”

“I’ve been completely corrupted,” said Lisa.

“Not really,” I said. “You are about halfway there.”

“Holy ravioli!” she said.

“That’s right,” I smiled.

“You’ll be almost as dirty as I am,” said Beth.

“How dirty are you?” asked Lisa.

“You are still too innocent for us to share that information with you,” I said.

“You are kidding,” she said.

“No kidding, Lisa,” I said. “You’ll get there before we send you home.”

“Okay,” she said.

“You’ll be happy too,” I said.

“I am already very happy,” she said.

“You’ll be happier,” I said as I removed my thumbs from her stretched asshole, letting it close shut.

Lisa got up, and Beth led her away.

When Lisa returned, she was naked. Beth helped her get on her back and pull her legs over her head. Lisa spread her ass while I lubed my hard cock thoroughly.

“Beg for it, Lisa,” I said, aiming my cock at Lisa’s splayed asshole.

“Please deflower my virgin asshole and fuck it with your big cock,” begged Lisa.

“Are you sure?” I said. “Once I deflower your luscious asshole, it will never be virgin again. It will be mine.”

“Once he fucks your ass, you can’t let anybody else fuck it,” said Beth, pressing my cock head into Lisa’s asshole.

“I am sure,” said Lisa as I held her ankles.

“Your tight little asshole will never be tight again,” I said. “It will crave my big cock all the time too.”

“I want that,” she said.

“Relax, and give your hot ass to the big cock you belong to,” I said, pushing firmly into her asshole.

Lisa’s asshole dilated, and my cock head sank slowly in. Lisa moaned quietly as my cock opened her asshole up. She gasped when my cock head popped in, stretching her asshole wide.

“It’s big,” moaned Lisa as I paused.

“Wait until it fills your tight ass up to the brim,” said Beth. “You’ll love it.”

“I think you love it already,” I said. “Your pussy’s leading freely.”

“My pussy’s a cock-hungry hole,” moaned Lisa.

“I think it’s leaking because your asshole’s a cock-hungry hole,” I said.

“Yes,” she hissed.

Lisa's asshole relaxed, and I fed it more and more of my cock.

"Fuck!" she moaned. "This feels so good."

"It does, and that's what I am going to do," I said.

When I shoved the last half inch of cock up her ass, pressing my balls into the back of her ass, she stiffened.

"I am coming," gasped Lisa.

"You are a dirty whore, Lisa," I said. "Enjoy."

"I am enjoying that," she gasped.

Lisa convulsed underneath me. I pinned her legs down, and fucked her twitching asshole with short fast thrusts. She writhed wildly until her orgasm subsided.

"That was incredible," gasped Lisa.

"I am glad you enjoy being my dirty whore," I smiled.

"I sure do," she gasped.

"Your hot ass felt amazing around my big cock when it came for me," I said, thrusting gently.

"That was definitely my best orgasm ever," she gasped.

"Does that mean that your luscious ass belongs to me and only to me?" I said.

"Definitely," she said.

"Now I can fuck it whenever, wherever and however I want," I said.

"Yes," she hissed.

"I am so happy you are my dirty cheating whore," I said, squeezing her tits.

"Me too," she said.

"Fuck my slut little sister's horny ass royally, Nick," said Beth. "Show her how lucky she is that she's my sister."

"Your big sister's looking after you even now," I said, picking up the pace.

"She's the best sister ever," said Lisa.

"She's the best wife ever too," I said.

"I am sure of that," she said.

"Thank you, both of you," said Beth. "Poor Lisa doesn't know the half of it."

"What?" said Lisa.

"She's going to get even by fucking your fiancé," I said.

"You are not going to tell him about this," said Lisa in panic.

"Of course not," said Beth. "This will remain our little secret even after I fuck him. I'll seduce him independently."

"Okay," said Lisa. "He isn't half as good as Nick."

"I don't care about him," said Beth. "I want my sister to be happy by being able to fuck her brother-in-law freely."

"You want him to fuck you so Nick can fuck me freely?" said Lisa.

"Yes," said Beth.

“You are even better than the best sister ever,” said Lisa.

Beth lowered her face so Lisa could kiss her on the cheek.

“Nick’s the best brother-in-law too,” said Lisa.

“I completely agree,” I smiled.

“I bet,” said Lisa.

Lisa’s leaking juices lubed her asshole as I fucked it with longer strokes. The pace accelerated, and she came within a few minutes. I fucked her ass harder, and she had a harder orgasm than the previous one. She convulsed underneath me until her orgasm subsided.

Lisa recovered, and I repeated that, making her come again.

“I love getting fucked in the ass,” she gasped.

“It’s what your ass was made for,” I said.

“It must be,” she gasped.

“Do you want more of my big cock up your horny ass?” I said.

“Oh, yes,” she hissed.

“There is so much of it,” I said, picking up the pace.

She came repeatedly while I continued to fuck her ass.

“I think her ass deserves to be filled with come,” said Beth.

“Do you want my hot sticky come deep up your hot ass, my dirty little whore?” I said.

“Yes,” hissed Lisa.

“Hang on, baby,” I said, fucking her ass harder. “It’s coming.”

She soon came, and I let go.

“I am filling your sizzling ass with come, Lisa,” I said, slamming deep in her ass.

“Yes, yes,” she gasped. “Give it to me.”

Her twitching asshole drained my balls in her bowels before she went limp.

She instinctively milked my cock with her ass. I finally pulled out.

“That was unbelievable,” gasped Lisa.

“Do you want to taste it?” I said, sliding two fingers up her asshole.

She moaned as I scooped come out of her ass.

“You are dirty,” she said when I offered her my gooey fingers.

“You are the one eating come out of your well-fucked ass,” I said as she sucked my fingers.

“You are the one who put the come there and then fed it to me,” she said when I popped my fingers out.

“When life gives you lemons, make lemonade,” I smiled.

“Life gave you a dirty whore,” she smiled.

“Shouldn’t I use her like one?” I said.

“Of course, you should,” she said.

“Are you ready to do it all twice more?” I said.

“You are not done with me?” she said.

“You still have two clean holes that I need to fill with come,” I said.

“Ahem!” said Beth.

“I also have three other holes to fuck,” I said.

“You don’t tire?” said Lisa.

“Anybody can come three times or more,” I said.

“Nobody that I know can fuck that long,” she said.

“That’s a big reason why I don’t mind sharing,” said Beth.

“Speaking of sharing, you’ll now share the responsibility of getting my cock hard again,” I said, sitting down.

“With pleasure,” she said.

Beth pulled Lisa next to her.

“That time, you did most of the sucking,” said Beth. “This time, you need to share.”

“Okay,” smiled Lisa.

“Show your appreciation for the big cock you belong to,” I said.

“I don’t need an invitation to do that,” she said.

Beth and Lisa revived my cock together, and their routine improved constantly. They deep throated my cock for several minutes when it was rock hard.

Beth took her clothes off and hopped astride me.

“Guide him into my horny pussy, and watch it get fucked,” said Beth.

Lisa guided my cock into her sister’s pussy, and Beth lowered her pussy all the way down, moaning.

“You can lick my balls and her asshole too,” I said.

Lisa sucked my balls gently while her sister bounced on my cock. She occasionally licked Beth’s asshole as I spread Beth’s ass and paced her. Beth soaked my cock with her leaking juices even before she gushed all over it.

“Guide his big cock into my horny asshole,” gasped Beth after she finished coming on my cock.

Lisa popped my dripping cock out of her sister’s drenched pussy and pushed it into her splayed asshole. Beth swallowed my entre cock up her ass and proceeded to bounce on it while I sucked her tits.

“It stretches a whore’s asshole seriously,” said Lisa.

“No kidding in that,” gasped Beth.

Beth rode my cock energetically and came hard on it. She finally dismounted my cock, and Lisa deep throated it.

“Squat on it,” said Beth, squeezing lube on my cock.

Beth lubed my cock thoroughly while Lisa took her position astride me. Beth held my cock, and I spread Lisa’s ass as she impaled it on my cock.

“You seem to like sharing,” I teased Lisa as I bounced her ass on my cock.

“It’s because I am sharing an incredible cock,” she gasped.

“Is your hot ass having a good time?” I said.

“Oh, yes,” she gasped. “I’ve become an ass whore.”

“I love ass whores,” I said. “Enjoy my big cock. It loves them too.”

She bounced on my cock energetically, and I sucked her nipples until she came.

Beth deep throated my cock when it popped out of her sister’s asshole.

“Get on your knees side by side,” I instructed, getting up.

They got into position, and I took turns lubing and fucking their offered asses.

“Lisa, I am going to come in your mouth,” I announced over an hour later while drilling her ass. “You won’t swallow it though. You’ll dribble it into Beth’s mouth. She’ll return it back to you. Only then, can you swallow it all.”

“You enjoy taking full advantage of having dirty whores, don’t you?” she gasped.

“Besides that being the point of having them in the first place, I think you enjoy it too,” I said.

“I do,” she said.

“Let’s do it then,” I said, picking up the pace.

Lisa came hard. When her orgasm subsided, I pulled out of her ass. She spun around, and I fed her my cock. I fucked her throat for a minute before my orgasm hit me.

“I am coming,” I announced. “Open wide, and take my big come load.”

Lisa opened her mouth wide, and I shot my come against the back of her throat. I drained my balls and pulled back. Beth opened wide. Lisa savored the taste of my come before she dribbled it into Beth’s mouth. Beth swirled the come in her mouth and returned it similarly. Lisa swallowed it all and smacked her lips lewdly.

“Did you enjoy drinking my come?” I said.

“Yes,” said Lisa. “I am a dirty whore, and it’s delicious.”

“You know what you need to do now, don’t you?” I said as I sat back.

“I know, and I am ready,” she said.

The sisters knelt down side by side and revived my cock.

After about another hour of fucking, I pumped my come deep in Lisa’s pussy. When I pulled out, I scooped come out of her pussy and gave her a taste. She sucked my sticky fingers eagerly, moaning.

“I don’t think I am in shape to drive home now,” moaned Lisa as Beth sucked my cock clean.

“You are well fucked and full of come,” I said. “You are in a perfect condition to sleep in your fiance’s arms.”

“You are wicked,” she said.

“You’ll suck my cock while I drive you home,” I said. “Beth will drive your car.”

“Haven’t you had enough yet?” she said.

“I don’t know who taught you that a guy was supposed to have enough of you,” I said.

She got up and pulled me for a kiss. We kissed deeply.

Lisa washed up a little and got dressed. Beth did not let her wear underwear.

Beth took Lisa's car, and Lisa rode next to me, sucking my cock, which got rock hard in her mouth.

"You are going to fuck Beth when you return home?" she said when I parked in front of her house.

"It seems that I have to," I smiled. "She's been very nice to us, hasn't she?"

"Absolutely," she said.

She gave me a deep goodnight kiss and got out of the car.

Beth parked and gave Lisa the keys. Lisa waved to us as I drove off with Beth.

Beth graciously sucked my hard cock on the way home.

Naturally, Beth went to bed with her ass full of come.

BETH VISITS LISA AND DEREK

On Saturday afternoon, I fucked Beth silly and filled her pussy with come before I sent her to her sister's house.

Beth had arranged with Lisa to arrive while Lisa sucked her fiancé in the living room.

"That's nice," said Beth suddenly.

Derek was startled. He tried to cover up, but his cock was in Lisa's mouth, and she was not letting it go.

"Beth, we...," stuttered Derek.

"Would you care to share, or are you a greedy cocksucker?" said Beth.

"Doesn't your husband let you suck his cock?" said Lisa.

"He does, but he isn't here now, and I want to suck cock right now," said Beth.

"It's up to Derek," said Lisa. "It's his cock. Do you want her to suck your cock, honey?"

"I don't think that's a good idea," he said.

"Watching you made my pussy wet," said Beth, hiking her skirt.

Beth was not wearing anything under her skirt. She sat next to Derek and spread her legs wide, exposing her pussy. She pulled her top off, exposing her tits.

"One of you should lick my hot pussy," said Beth.

"Do you want to lick her pussy?" Lisa asked Derek.

"I don't know," he said.

"That leaves me," said Lisa, scooting toward Beth.

Beth gasped as Lisa's tongue touched her leaky pussy. Derek watched in disbelief.

"Suck my nipples," said Beth as she grabbed his unattended cock and stroked it.

Derek hesitated for a while. Beth stroked his cock while humping Lisa's face and moaning. He finally tentatively cupped Beth's left tit.

"Suck it," encouraged Beth.

He lowered his mouth to her stiff nipple and sucked it, making her gasp.

“That’s it, Derek,” moaned Beth. “You should make your future sister-in-law happy.”

He fondled her other tit. He soon sucked her other nipple.

“If you make me come, I’ll let you fuck me,” moaned Beth. “Do you want to stick your hard cock where your fiancée’s sticking her tongue right now but a lot deeper?”

He attacked her nipples hungrily. That was his answer.

“If you fuck your future sister-in-law well, she’ll be pleased with you,” moaned Beth. “After that, whenever you have an argument with your fiancée, you can fuck her sister all you want. Wouldn’t you like that?”

“You are spoiling my fiancé for me,” complained Lisa.

“Whenever he fucks me, you can take your revenge and let Nick fuck you silly,” moaned Beth.

“Nick has a bigger and thicker cock,” Lisa said to Derek. “He’d ruin me for you.”

“You’ll soon fuck me and find out that isn’t true,” said Beth. “After Nick discovered my ass, he all but stopped fucking my pussy. If anything, he’ll ruin her little asshole for you.”

“That isn’t a problem because Derek has never fucked my ass,” said Lisa.

“Have you ever fucked a girl in the ass?” asked Beth.

“No,” said Derek, blushing.

“Can my ass be your first?” said Beth, making his cock twitch in her hand. “I want you to fuck my ass before you fuck my sister’s if she ever lets you fuck hers.”

“If you touch her ass, you won’t touch mine until you watch Nick fuck it for me and ruin it for you,” said Lisa.

“Call her bluff,” said Beth. “If you don’t fuck mine, there is no telling if she’ll ever let you fuck hers.”

“Suit yourself,” said Lisa.

“Stick a finger up my ass,” said Beth as she pulled her knees up and guided his left hand to her ass. “My ass is ready to be taken. Give it a try.”

She kept holding his hand until he slid a finger into her ass, making her moan.

“Keep your finger there,” moaned Beth. “Fuck my ass with it. You can stick your hard cock there and fuck it.”

“I don’t want my fiancée to get mad at me,” he said.

“She won’t get mad at you,” said Beth. “She’d only let you watch my husband use her like a dirty whore. There is nothing wrong with that if you get to fuck my ass.”

“Go ahead if you want to watch her husband ream out my tight asshole with his fat cock until my ass gapes so wide it won’t close shut,” said Lisa. “Fuck her ass if you want her husband to fill my gaping ass with his sticky come.”

“Would you be mad at me?” he asked.

“Not if you didn’t get mad at me after her husband used my tight asshole for all he was worth,” she said.

“Would you really let him fuck you in the ass?” he said.

“Not only that, but I’d also make sure you saw him do it,” she said.

“Call her bluff, Derek,” said Beth. “If he fucked your fiancée’s ass, you’d have already fucked his wife’s ass.”

“I don’t know what to do,” he said.

“Let your hard cock decide for you,” she said. “It knows exactly what it wants.”

Lisa had been only licking and sucking Beth’s clit, leaving her pussy’s creamy content intact. By the time Beth came on Lisa’s tongue, Derek’s cock had reached a decision.

As soon as Beth caught her breath, she got up and straddled Derek’s face. He hesitated, but he had no choice. He ended up licking and slurping her pussy. She fed him my come and gushed in his mouth while Lisa teased his cock.

Lisa pulled back, and Beth lowered her pussy to Derek’s cock. Lisa inserted his hard cock into Beth’s pussy.

“Lick my asshole, Lisa,” said Beth, rocking on Derek’s cock. “Get it ready for your husband’s cock.”

“Are you sure this is okay, Beth?” asked Derek.

“It’s too late now,” said Beth. “You are already fucking me. Just relax, and enjoy.”

Beth rode his cock gently, and Lisa licked her asshole.

“Spread my ass so she can stick her tongue inside my little asshole and get it ready,” moaned Beth.

He spread Beth’s ass, and Lisa probed it with her tongue.

“Make it wet and ready for your future husband’s cock,” moaned Beth.

Lisa ate Beth’s asshole more eagerly.

“Your fiancée’s doing a great job,” moaned Beth. “I hope you can lick my asshole as well.”

“I’ve never done it before,” he said.

“What matters most is that you are willing to learn,” she said. “Aren’t you?”

“Yes,” he said.

“You have to make me come before you can fuck my ass,” she said. “You need to show me that you are worthy of fucking my ass.”

“Okay,” he said.

“Your slutty asshole’s ready for cock,” said Lisa.

“Stick two fingers up my ass to make sure it is,” said Beth.

He gently stuck two fingers into Beth’s asshole. She moaned as his fingers slid in.

“What do you think?” she asked.

“I think it’s ready,” he said.

“Keep your fingers up my ass, and make me come,” she said.

She picked up the pace and rode his cock hard to orgasm. Her pussy gushed on his cock, and her asshole twitched around his fingers. She finally relaxed and calmed down.

“Take your fingers out so she can stick your cock in,” said Beth.

He took his fingers out of Beth’s ass as Lisa took his dripping cock out of Beth’s pussy. Lisa pulled a condom over his dripping cock before she guided it into Beth’s asshole.

Beth moaned as his cock entered her ass. She worked her ass all the way down his cock.

“If she ever gives you a hard time about this, remind her that she guided your cock up her sister’s ass,” said Beth.

“I am not going to give him a hard time,” said Lisa. “I am only going to show him your husband use my tight ass.”

“After you fuck my ass, you won’t mind if my husband fucks her ass, will you?” said Beth.

“No,” he said.

“Knock yourself out, Lisa,” said Beth, rocking on his cock.

“I am going to let Nick fuck my tight ass until it gapes so wide it will need a day to close shut,” said Lisa.

“Do that, little girl,” said Beth. “I am sure Nick would love to do that for you.”

“Me too,” said Lisa.

“Do you know how you can show me that you are worthy of fucking my ass?” said Beth.

“How?” he said.

“You have to eat come out of my pussy and ass,” she said. “You’ll pump your next come load deep in my pussy. You’ll then have to eat my slimy pussy clean. Are you going to do that for me?”

“Do I have to do that?” he said.

“You don’t, but then you’ll never get to fuck it again, and Nick won’t give up your fiancée’s horny ass,” she said.

“Okay,” he said.

“Do you like how my asshole works your hard cock?” she moaned, moving her ass up and down with long strokes.

“Yes,” he said.

“Have you ever experienced anything like it?” she said.

“No,” he said.

“Do you want to give it up?” she said.

“No,” he said.

“Are you going to be a good boy and eat your come out of my slutty pussy?” she said.

“Yes,” he said.

“Now your fiancée can go get her ass fucked open, right?” she said.

“Yes,” he said.

“Tell her,” she said.

“Lisa, you are welcome to get Nick to fuck your ass wide open,” he said.

“Not only am I going to do that, but you are also going to watch it with your own eyes,” said Lisa.

“Go ahead,” said Beth. “Your fiancé will learn a thing or two from watching Nick fuck your ass and use it on me.”

“Knock yourselves out,” said Lisa.

“You are willing to spread her tight ass for his big cock too, aren’t you?” said Beth.

“I guess,” he said.

“Ass fucking rules, doesn’t it?” said Beth.

“Yes,” he said.

“Are you happy that my hot ass is your first ass ever?” she said.

“Yes,” he said.

“Me too,” he said. “You are going to last in my ass, aren’t you?”

“I’ll do my best,” he said.

“Suck my tits while you do that,” she said, bringing her right tit to his mouth.

He proceeded to suck her nipples and fondled her tits while she rode his cock with her ass.

Lisa took her clothes off.

“I am too horny to sit back and watch,” said Lisa. “I am going to get Nick and have him fuck me silly right now.”

Lisa took her purse and headed to the garage.

“Lisa, you are naked,” called Derek.

“I want him to know that I am serious,” she said.

“Your fiancée’s going to get fucked silly,” said Beth. “Don’t worry though. We’ll be here and help her get fucked.”

“Will Nick be okay with that?” he said.

“She’s going to him naked,” she said. “She’s lucky if he doesn’t fuck her then and there.”

Lisa called me.

“Open the garage, Nick,” she said. “I am driving in. Get your big cock ready too.”

“My big cock’s always ready for you, but aren’t you supposed to be home with Beth and Derek?” I said.

“There was an impromptu change in plan,” she said.

“Okay,” I said.

Lisa drove into the garage. She walked into the living room naked.

She turned around, bent over and spread her ass.

“I want you to fuck me right here right now with your big cock while my fiancé watches,” she said, pointing to her splayed asshole with her index fingers. “I want you to use me like a dirty whore while he watches.”

“Is Derek ready for that?” I asked as I got up.

“He’s already fucked Beth’s pussy and ass,” she said, getting up. “He should be ready. Are you?”

She walked to me and squeezed my growing boner.

“Of course,” I said, squeezing her ass.

“Let’s go,” she said, pulling me toward the garage. “You’ll drive, and I’ll suck.”

“You are so horny today,” I said.

“I’ve become extremely horny ever since you introduced me to sex,” she said.

“Take your car out of the garage so I can close it,” I said.

She pulled out of the garage and got into the passenger seat. I joined her and got into the driver seat.

“Have you come here naked?” I said as I put the car in gear.

“Sure,” she said, setting my cock free.

“You are crazy,” I said.

“I mean business,” she said.

She sucked my cock on the way, and I parked in her garage.

“Carry me upside down so I can continue to suck your big cock,” she said when we got out of the car.

“You want to meet them like that?” I said.

“Sure,” she said.

“Okay,” I said as I grabbed her and flipped her upside down.

She placed her thighs on either side of my neck, and I held her tightly. She took my cock into her mouth and proceeded to deep throat it. I gave her juicy pussy a deep kiss.

When I walked in with Lisa sucking my cock, I found Beth and Derek in the sixty-nine position too but lying on the floor. Beth was naturally on top. Lisa continued to suck my cock. I licked her pussy. Beth was the first to see us.

“Lisa’s back with Nick,” said Beth.

Lisa did not take her mouth off my cock.

“Hi,” I said. “The poor girl came to me naked. She bent over, spread her luscious ass, pointed at her sweet little asshole and told me she wanted my big cock right there right now in front of her fiancé. She’s a very horny girl.”

“She apparently got jealous of me,” said Beth.

“I couldn’t turn her down,” I said. “She had me drive and sucked my cock throughout the drive. She didn’t even let go of my big cock when we arrived. She obviously needs it. Derek, are you okay with this?”

“Sure,” said Derek.

“She wants me to make her my dirty whore and use her any way I want,” I said. “Is that okay by you?”

“Yes,” he said.

“If I do that, she’ll crave my big cock all the time,” I said.

“I already do,” said Lisa.

“You want me to fuck her any way I want whenever and wherever I want?” I said.

“Yes,” he said.

“You’ll have to prove that,” I said.

“Sure,” he said.

“Put me down, Nick,” said Lisa.

“Sure,” I said, putting Lisa down.

She led me to the sofa and got on her knees.

“Fuck me, baby,” she said.

“Not so fast, little slut,” I said. “Your fiancé has to guide my big cock into your little pussy to show that it’s okay.”

“Derek, guide Nick’s big cock into my horny pussy,” said Lisa.

“What?” he said.

“Do it, Derek,” said Beth, dismounting him. “It will only take a second.”

“That’s gay,” he said.

“She ate my pussy to orgasm and guided your cock into my pussy and ass, and you can’t guide her lover’s big cock into her little pussy?” said Beth. “Don’t be silly. Don’t keep her waiting.”

“Lisa, beg for it to show your fiancé that you need it bad,” I said.

“Please fuck my cock-hungry pussy with your big cock, Nick,” begged Lisa.

“Just hold his shaft while he pushes it in,” said Beth.

Derek reluctantly held my shaft, aiming my cock head at his fiancée’s dripping pussy. I pushed in, and my cock head opened her pussy and went in, making her moan.

“Was it worth all the panic?” said Beth when he took his hand off my cock.

“No,” he said as I thrust in Lisa’s pussy.

“You may have to do the same when he fucks her ass,” said Beth.

“Okay,” he said.

“Can you see how his fat cock stretches her little pussy?” she said.

“Yes,” he said.

“I love it,” moaned Lisa, fucking back.

“Me too, my little whore,” I said. “You have a hot little pussy.”

“Fuck it, baby,” she moaned. “Fuck it royally.”

“Relax, and let me take care of you,” I said, holding her hips. “You are in good hands.”

“I know,” she moaned.

Beth knelt down and sucked Derek’s cock while he watched.

“Your fiancée’s a very sexy woman, don’t you think so?” I said.

“Yes,” he said.

“Thank you for letting me take care of her,” I said. “It’s a great pleasure for me.”

“You are welcome,” he said.

“Honey, you need to thank him for letting you fuck his wife too,” said Lisa.

“Thank you for letting me fuck your sexy wife,” he said. “She’s a very hot woman.”

“She’s a cock-craving slut, isn’t she?” I said.

“I guess,” he said.

“Apparently, this is the case with your cock-craving fiancée too,” I said.

“Yes,” he said.

“Spread your sweet ass, slut,” I said. “Show us your horny little asshole.”

Lisa reached back with both hands and spread her ass wide.

“She has a lovely ass, doesn’t she?” I said.

“Yes,” he said as I drooled on her asshole.

“I am going to ream out her tight little asshole,” I said as I worked my thumb into her asshole. “You fuck it often?”

“No,” he said. “She’s never let me touch it.”

“That puts a big responsibility on my shoulders,” I said, loosening up her asshole with my thumb. “I have to take good care of it, but I assure you I will. It’s so hot and tight. This is what my big cock does best.”

“Aren’t you too big for that?” he said.

“Her sweet asshole looks too small, doesn’t it?” I said.

“Yes,” he said.

“A fuck hole’s as big as its dreams,” I said. “Lisa, is your little asshole too small for my big cock?”

“No way,” said Lisa. “If my sister’s horny asshole can take your big cock balls deep, so can mine.”

“You want to be as big a dirty whore as she is?” I said.

“Or bigger,” she said.

“Your fiancée has big slutty dreams,” I said. “It’s my responsibility to make them come true.”

“That wouldn’t hurt her?” he said.

“Of course not,” I said. “You’ll soon find out that tight little assholes were made for cock even more than leaky horny pussies. Don’t worry about it at all. I’ll never hurt a hot asshole and deprive myself from ever fucking it again.”

“Okay,” he said.

“After she comes a few times, I’ll let you guide me into her luscious ass,” I said. “Does that sound like a plan?”

“Yes,” he said.

“Why don’t you fuck my pussy while you wait?” said Beth as she knelt on the sofa next to her sister.

He pushed his cock into Beth’s pussy and proceeded to fuck her.

“This is fun, isn’t it?” I said.

“Yes,” he said.

“You and I have never had so much fun together, right?” I said.

“Yes,” he said.

“This is only the beginning too,” I said, picking up the pace. “We are going to fuck these cock-craving sluts silly.”

“Yes,” he said.

“I am going to get fucked royally in every hole I have,” gasped Lisa.

“I am going to fill them all with hot sticky come too,” I said.

“Yes,” she hissed.

“Derek’s going to eat come out of my pussy and ass,” said Beth, making him blush.

“If he eats come out of your slimy fuck holes, he has to do the same for me,” gasped Lisa. “He has to be fair.”

“Are you going to do that for her too, Derek, or are you doing it for me because I am special?” said Beth.

“You can’t be more special than his fiancée,” gasped Lisa.

“Let him answer,” said Beth.

“You are special, Beth, but I have to do it for her too,” he said.

“Do you have to, or do you want to?” she said.

“I want to,” he said.

“How am I special if you treat her like you treat me?” she said.

“You are both very special,” he said.

“You are a liar,” she said. “You are just telling us what you think we want to hear.”

“I swear you are both very special,” he said.

“Can you prove it?” she said.

“How do you want me to prove it?” he said.

“Are you willing to prove it?” she said.

“Sure,” he said.

“Prove it by keeping your promise,” she said.

“Of course, I’ll keep my promise,” he said.

“We’ll see,” she said.

“I am coming on your big cock, Nick,” gasped Lisa, stiffening.

“Make me come like her,” said Beth.

“Come hard, you hot slut,” I said, pounding Lisa’s gushing pussy. “Show your sister and your fiancé how much you love my big cock.”

“I am coming so hard on it,” she gasped, convulsing. “I love it so much.”

“Is it your favorite cock, bitch?” I said.

“Yes, it is,” she gasped. “It’s the best cock in the world.”

“Enjoy it, baby,” I said.

“I having a blast,” she gasped.

Her orgasm subsided, and she went limp.

“Your fiancée has an amazing little pussy,” I said to him.

“Yes,” he said as he fucked Beth hard.

“I am going to fuck it hard,” I said.

“Yes, Nick, please do that,” gasped Lisa as I drooled on her asshole and squeezed my other thumb in.

“I’ll show you how a little whore like you should be fucked,” I said, picking up the pace.

“Yes,” she hissed.

With my thumbs stretching Lisa’s asshole so wide it gaped between them, I drilled her pussy vigorously. She came while her sister came on Derek’s cock, but her orgasm was harder and longer.

“Thank you, Nick,” she gasped as I thrust gently in her soaked pussy. “That was incredible.”

“We are family, Lisa,” I said. “Don’t thank me for enjoying your hot little pussy.”

“You are so good,” she gasped as I drooled in the gap between my thumbs.

“So are you, Lisa,” I said. “That’s why I want to fuck you silly.”

“I love this,” she moaned.

“Can you see how her little asshole gets ready for my big cock?” I said to Derek.

“Yes,” he said as he looked at her stretched asshole.

“When it’s time, it will be more than ready,” I said.

“You obviously know what you are doing,” he said.

“You have to when you deal with a sweet delicate asshole,” I said.

“You won’t believe how hard he fucks sweet delicate assholes,” said Beth.

“As hard as I should,” I said.

“That’s true,” she said.

“You must know that dirty whores need to be fucked differently from nice girls,” I said to him.

“Yes,” he said.

“We have two cock-craving dirty whores here, so don’t confuse them with nice girls,” I said.

“You are right,” he said.

“It’s an insult to treat a nice girl like a dirty whore or vice versa,” I said. “You need to treat each woman right.”

“That’s true,” he said.

“Am I treating you right, bitch?” I said.

“Yes,” hissed Lisa. “Nobody else has ever treated me as right as you do.”

“You deserve the best, whore,” I said.

“Thank you,” she said.

“There is a caveat here though,” I said to him. “Many dirty whores don’t let their men treat them like whores.”

“I am one of those, Nick,” she said. “I want to be a nice girl for my fiancé and future husband.”

“You see?” I said. “Greedy whores want the best of both worlds.”

“I see,” he said.

“I am consistent,” said Beth. “I want everybody I fuck and suck with to treat me like a dirty whore.”

“You are completely corrupted,” said Lisa.

“I don’t pretend I am a nice girl when I am with my husband like you do,” said Beth.

“I like it this way,” said Lisa.

“I like it this way too,” said Beth.

“Dirty whores are different as you can see even when they are slut sisters,” I said.

“I can see that,” he said.

“Be careful,” I warned, picking up the pace.

“I will,” he said.

While I fucked Lisa’s pussy, I reamed out her asshole in rhythm with my thrusts, stretching it wide as I thrust in and letting it contract as I pulled out. When the rhythm accelerated, I kept her ass stretched while I drilled her pussy vigorously. She fucked back energetically, gasping, until she came.

“You are now ready to get fucked in the ass,” I said, thrusting gently in her pussy, when her orgasm subsided.

“Yes,” she hissed.

Beth soon came, and I waited until her orgasm subsided.

“I’ll spread her ass while you guide his big cock into her tight asshole, and then you can spread it yourself,” said Beth, looking back at Derek.

“Okay,” he said, pulling out of her.

Beth squeezed lube inside Lisa’s asshole while I held it open. I then pulled my thumbs out, and she squeezed lube on Lisa’s relaxed asshole. She sat on Lisa’s right side and spread her ass with both hands. I pulled out.

“Sit on her other side, and guide him in,” said Beth. “When his big cock head pops in, spread her ass like now.”

Derek held my dripping cock and aimed it at his fiancée’s splayed asshole. He pressed the engorged cock head into the offered hole, and I pushed in. Lisa moaned as my cock head opened her horny asshole and sank slowly in. She gasped when it popped in. Beth let go of her ass, and he spread it for me.

“Thank you for accepting me into your lovely fiancée’s luscious ass,” I said.

“You are welcome,” he said.

“Show him how my horny ass should be fucked, baby,” moaned Lisa.

“Of course,” I said, thrusting gently in her ass.

“How does it feel?” he asked.

“It feels incredible,” she moaned.

“It feels incredible on both sides,” I said. “She has a fantastic ass.”

“Thank you, lover,” she moaned.

“It’s still a little tight,” I said.

“You are going to change that, aren’t you?” she asked.

“Yes,” I said as I held her hips and thrust at an easy pace.

My cock slowly entered her ass thrust by thrust until my balls touched her dripping pussy.

“I am coming,” gasped Lisa, stiffening.

“Your fiancée loves his big cock up her little asshole,” said Beth.

“Yes,” he said.

Lisa convulsed wildly, shoving her ass into me. I let her twitching asshole jerk back and forth over the last inch of my hard cock until her orgasm subsided.

“That was an unbelievable orgasm,” she gasped.

“You have an unbelievable ass,” I said, thrusting gently in her ass.

“Fuck it royally, Nick,” she gasped. “Use it like you should.”

“I’ll fuck you in every hole like the dirty whore you are, baby,” I assured, picking up the pace.

“Yes, please,” she gasped.

“What do you think, Derek?” said Beth. “Is her slutty ass in good hands?”

“Definitely,” said Derek.

“Let’s leave them alone and fuck,” she said.

“Sure,” he said.

“I want you to fuck my ass,” said Beth as he let go of Lisa’s ass, and Beth and he got up. “Put on a condom.”

Beth got into position next to Lisa and pushed her ass out. He pulled a condom over his cock and got behind her.

“Squeeze lube on my asshole,” she instructed.

He squeezed lube on her asshole and entered it, making her moan.

“Fuck my ass,” she said, pushing back.

Meanwhile, I fucked Lisa’s ass briskly while I spread it with both hands. She fucked back lustfully.

“Can you see how her hot ass loves my big cock?” I said to Derek.

“Yes,” he said. “I can’t believe it.”

“I think these hot sluts are taking after their hot mom,” I said.

“Nick, don’t talk like that about mom,” gasped Lisa.

“I am just saying that she’s a hot woman,” I said. “Do you have a problem with that?”

“No, but you are alluding that she’s a slut like us,” she gasped.

“You are mistaken,” I said. “The person who is taking after the other is the one like the other. She isn’t like you. You are like her.”

“It’s the same,” she gasped.

“Not really,” I said. “She has a hot tight ass and big fine tits,” I said. “Nobody can deny that.”

“You shouldn’t talk about her like that,” she gasped.

“I’d love to fuck her in every hole she has,” I said. “I don’t think your fiancé would say no to that either.”

“Is that right, Derek?” she gasped.

“If you had a chance to fuck your hot future mother-in-law, would you say no to that?” I said to him.

“I don’t know,” he said. “I’ve never thought about that.”

“You are weird,” I said. “Every healthy man considers every woman he can see for sex.”

“Not everyone’s like you, Nick,” she gasped.

“Of course not,” I said. “If he wants to fuck her like I do, that doesn’t make him my clone.”

“He doesn’t think like you,” she gasped.

“That’s because he doesn’t know how hot your mom is,” I said.

“Beth, how can you let him talk about mom like that?” she gasped.

“What am I supposed to do?” said Beth.

“At least complain,” gasped Lisa.

“You’ve been complaining for a while,” said Beth. “What did you get?”

“Nothing,” said Lisa.

“I can get nothing without complaining,” said Beth.

“Beth already knows that I wouldn’t spare a chance to fuck her hot mom in every hole she has and fill them all with hot sticky come,” I said. “She knows that her mom’s a very hot woman.”

“Nick’s big cock likes hot women,” said Beth. “Nobody can do anything about it. Nick spoils it. We do too.”

“If I didn’t like your mom, I wouldn’t fuck her,” I said. “You should take that in a positive light.”

“You are a pervert,” said Lisa.

“Is that because I think your mom’s a very sexy woman who’d look even sexier with her pretty face covered with my warm sticky come?” I said.

“Nick, stop it,” she said.

“You’d be happy if I said she’d look ugly with her pretty face glazed with my thick creamy come?” I said.

“You shouldn’t think about mom like that,” she said.

“I treat every hot woman as a sex object,” I said. “I only treat other women almost like men.”

“Forget that, and fuck my horny ass hard,” she said.

“You got it,” I said, picking up the pace.

Lisa’s hot ass received a vigorous drilling that made her come within a minute. I fucked her hard until her orgasm subsided. I slowed down while she caught her breath.

Beth came about a minute later.

“Take your condom off, and get ready to fill my pussy with come,” gasped Beth.

Beth rolled onto her back and pulled her legs over her head while Derek got rid of his condom. He fucked her pussy while I continued to fuck her sister’s ass.

“When I come, fill my pussy with come,” urged Beth.

Lisa and Beth came at about the same time, Lisa leading by several seconds.

“I am coming,” he announced.

“Give it to me,” urged Beth.

Beth and Derek thrust into each other wildly as they came. Meanwhile, I drilled Lisa’s convulsing ass. When all the orgasms subsided, I fucked Lisa’s ass gently while Beth milked his cock.

“I need to be cleaned up now,” said Beth as I picked up the pace.

Derek shyly knelt before Beth’s slimy pussy and proceeded to lick it tentatively. She moaned and squirmed.

“You need to leave it squeaky clean just like you found it,” said Beth.

He took his time warming up to what he was doing. Within a few minutes, he ate her pussy reasonably eagerly.

“Eat my juicy pussy dry,” urged Beth. “Suck all that gooey stuff. Clean me up, baby.”

That encouraged him to eat her pussy more eagerly.

“If you do a good job, I’ll come for you and gush in your mouth,” she moaned, humping his face.

Lisa came on my cock, and Beth joined her in her next orgasm.

“You did great, Derek,” gasped Beth. “Wash up your sticky cock so I can suck it.”

While Derek washed up, Beth spread Lisa’s ass and watched me fuck it slowly.

“Let me taste her slutty ass on your big cock,” said Beth.

“Sure,” I said, popping my cock out of Lisa’s ass and aiming it at Beth’s mouth.

Beth sucked my cock and deep throated it eagerly. I returned it to Lisa's ass. When Derek returned, he saw me take my cock out of Lisa's ass and push it down Beth's eager throat.

"My sister has a delicious ass," Beth said to Derek, smiling. "At least, it tastes so good on my husband's big cock."

"Isn't that dirty and unhealthy?" he said.

"No way," said Beth. "My sister and I keep our asses squeaky clean."

Beth stuck two fingers up Lisa's ass and swirled them inside.

"Taste my fingers," she said, offering him her fingers.

He hesitated for a few seconds, but she insisted. He finally sucked her fingers tentatively.

"What do you think?" she said.

"Not bad," he said.

"I know that Nick's cock's juicier than my fingers, but this has to be delicious too," she said.

"It's good," he said.

"Why don't you stick your fingers up my ass and then taste them?" she said, turning around onto her knees.

She reached back and spread her ass. He gently pushed two fingers into her ass, making her moan. He stirred his fingers within her ass a little and pulled them out.

"Taste my ass," she said, turning around.

He sucked his fingers tentatively.

"It's good," he said.

"Now, eat my horny asshole like you'd eat a pussy," she said as she turned around and pushed her ass out.

He knelt down and licked her asshole tentatively for a few seconds. He gradually ate it more and more eagerly. She moaned and humped his face.

Lisa came twice on my cock while Beth came once on Derek's tongue.

"Nick, I want you to fill my ass with come," said Lisa.

"Is it ready?" I said.

"Yes," she hissed.

"You want me to give it a slimy inside?" I said.

"Oh, yes," she hissed.

"You got it," I said.

Lisa fucked back energetically, and I let the pace accelerate steadily until I was fucking her lustful ass at a blurring speed. She finally stopped fucking back. She just shook as I drilled her stretched asshole.

"I am going to come," she gasped.

"I'll flood your hot ass with come when you do," I said.

"I am coming," she gasped, stiffening.

"Come hard," I urged, letting go myself. "I am coming in your cock-craving ass."

"Fill it with your hot come," she gasped, convulsing.

Beth and Derek watched Lisa have a gut-wrenching orgasm while I pumped her twitching ass full of hot sticky come. When our orgasms subsided, Lisa milked my cock deliberately. I finally pulled out.

“Are you ready to clean up my sticky ass, honey?” asked Lisa.

“What?” he said, stunned.

“You said you’d eat come out of my pussy and ass like you’d do to her,” she said.

“It’s full of *his* come,” he said.

“It’s all come, honey,” she said. “It’s all warm and sticky. It may taste a little differently, but it’s still the same.”

“Don’t disappoint your fiancée, Derek,” encouraged Beth. “I’ve had other guys eat his come out of my pussy and ass, and they loved it. You’ll love it too.”

Derek reluctantly knelt behind Lisa and proceeded to lick her asshole. Meanwhile, Beth revived my cock.

“Good guys keep their fiancées squeaky clean in every hole,” moaned Lisa, humping his face.

“Your slut sister likes this,” I said to Beth.

“Every woman does,” she said.

“Don’t stop until you make me come,” moaned Lisa.

My cock was soon hard. I fucked Beth in the ass from behind and made her come while Derek made Lisa come.

Lisa rolled onto her back and pulled her legs over her head, and Beth followed suit.

“Fuck my pussy,” Beth said to Derek.

“Fuck my ass,” Lisa said to me.

“Derek, I’ll fuck their asses, and you’ll fuck their pussies,” I said while lubing my cock. “We’ll switch regularly.”

“Okay,” he said as he pushed his cock into Beth’s pussy.

Lisa spread her ass, and my cock effortlessly sank all the way in.

“Your fiancé did a great job cleaning your sizzling ass,” I said, fucking her ass at an easy pace.

“He’s good,” she said.

“I am not surprised,” I said. “You deserve a good fiancé. Bad guys don’t deserve to touch your luscious ass.”

“Thank you,” she said.

When Beth approached orgasm, I picked up the pace and made Lisa come with her.

Derek and I switched places when the girls’ orgasms subsided. I lubed my cock before I skewered Beth’s ass. We switched a few times.

“Derek, take a break,” said Lisa. “Let Nick fuck us for a while. I want you to come in my pussy later.”

“Okay,” he said.

“Sit next to her, and watch,” suggested Beth.

Derek sat next Lisa and watched me fuck each ass to orgasm repeatedly.

“Come in my pussy, Nick,” gasped Lisa as she approached orgasm.

When Lisa came, I filled her pussy with come. She had an orgasm almost as intense as her previous anal orgasms.

“Eat his come out of my pussy, honey,” she said when I pulled out.

Beth sucked my cock to full hardness while Derek knelt down and ate my come out of Lisa, making her come.

“Nick, I want to get double penetrated,” said Lisa. “Take my ass while Derek fucks my pussy.”

That surprised Derek.

“You are a dirty whore, aren’t you?” I teased.

“You already know that,” she said.

“Don’t come while you fuck the whore,” said Beth. “I want to get fucked like that too.”

“Lie down on the carpet,” Lisa said to Derek.

He lay on the carpet, and she straddled him in the cowgirl position.

“Spread my ass for Nick,” she said as she lowered her pussy on his cock.

He spread her ass while Beth lubed my cock. I knelt behind Lisa and skewered her splayed asshole. She moaned and squeezed our cocks with her holes. I held her hips and thrust in her ass.

“I am coming,” she gasped, stiffening, when my cock was all the way in.

“Come, bitch,” I said.

She convulsed in long hard orgasm, and I drilled her writhing ass until she calmed down.

“That was incredible,” she gasped. “Did you feel it, honey?”

“Yes,” he said.

“Now, fuck me,” she gasped.

Derek and I thrust in Lisa’s holes tentatively until we established an easy rhythm.

“Lisa, do you remember when I talked to you on the phone while getting my ass fucked?” said Beth.

“Yes,” said Lisa.

“Do you want to talk to mom on the phone while you are getting double fucked?” said Beth.

“Are you crazy?” said Lisa. “Of course not.”

“I’ve talked to mom and dad while getting ass fucked, but I naturally didn’t tell them I was doing that,” said Beth.

“You are crazy,” said Lisa.

“If you don’t want to do it, I’ll do it on my turn,” said Beth.

“Do it, Lisa,” I encouraged. “You don’t have to tell your hot mom that you are getting fucked.”

“That’s depraved,” she said.

“What’s this?” I said. “Choir practice?”

“This is depraved, but that’s more depraved,” she said.

“So?” I said. “You’d still be depraved.”

“Okay, I’ll do it,” said Lisa.

“You are all crazy,” said Derek.

“Chill out,” I said. “It’s just fun.”

“When you are done, give me the phone,” said Beth, handing Lisa her phone.

“Be gentle with me,” said Lisa while she dialed her mom’s number. “I don’t want to be moaning and gasping while I talk to my mom.”

“Okay,” I said, holding and squeezing her tits.

“Hi, Lisa,” greeted Victoria as I pinched Lisa’s nipples.

“Hi, mom,” said Lisa. “How are you?”

“I am fine,” said Victoria. “I am shopping at the mall.”

“Did you find anything good?” asked Lisa.

“You know how it goes,” said Victoria. “It isn’t easy. What are you doing?”

“Derek and I have Beth and Nick at our house for dinner,” said Lisa.

“That’s nice,” said Victoria. “So, why did you call? Do you have any questions?”

“No, I just wanted to say hi and see what you are doing,” said Lisa.

“Thank you, sweetie,” said Victoria.

“Mom, Beth wants to talk to you,” said Lisa. “I’ll give her the phone. I’ll talk to you later.”

As Lisa handed Beth the phone, I picked up the pace.

“Hi, mom,” greeted Beth as she sat down and spread her legs.

“Hi, Beth,” said Victoria as Beth fingered her pussy.

“I am so horny,” said Beth.

That drew the attention of Derek and Lisa. They looked at her in disbelief.

“Aren’t you visiting Derek and Lisa?” said Victoria.

“Yes, but I am still horny,” said Beth. “Nick’s too busy to fuck me. I am fingering my pussy right now.”

“You want Nick to fuck you while you are at your sister’s house?” said Victoria.

“He doesn’t have to fuck me while they watch although I wouldn’t mind that,” said Beth.

“You are a bad girl,” said Victoria.

“I am not a bad girl,” complained Beth. “I am a dirty girl.”

“That’s fair,” said Victoria.

“Nick told Lisa and Derek he wouldn’t spare a chance to fuck you in every hole you have and fill them all with come,” said Beth, shocking Lisa and Derek. “Can you believe that?”

“He did?” said Victoria.

“He said it was a compliment,” said Beth, getting up. “Here. Talk to him.”

Beth handed me the phone while Lisa and Derek looked in disbelief.

“Hi, Victoria,” I said.

“Hi, Nick,” said Victoria. “Is what Beth said true?”

“It’s true,” I said. “It’s a compliment like she said. You are a very hot woman. You have fine big tits and a hot tight ass. I’d be lying if I said I wouldn’t fuck you silly and fill all your holes with hot come at every chance I get.”

“Even if that was true, you can’t say it in front of people,” she said.

“It isn’t something you did, so it can’t hurt you,” I said. “I want them all to know that I think you are a very sexy woman, and I’d prove it at any chance. I even think your pretty face would look prettier when covered with my come.”

“You are a very bad boy,” she said.

“You know it’s an honest compliment, don’t you?” I said.

“I do, but it’s the most outrageous compliment I’ve ever received,” she said.

“Are you now going to give me the most outrageous thanks you’ve ever given anyone?” I teased.

“Thank you so fucking much,” said Victoria as I held the phone close to Lisa’s ear.

“You are most welcome, Victoria,” I said. “You have a dirty mouth though. I should clean it out for you with my big cock and hot sticky come.”

“Like your mouth isn’t dirty,” she said.

“You said I was a very bad boy,” I said. “You can’t blame me.”

“That’s right,” she said. “I am sorry I acted like a bad girl.”

“You are not a bad girl,” I said. “You are a dirty girl. That’s why you need my big cock to clean you out a little.”

“I guess I do,” she said.

“You definitely do,” I said. “Do you have any other questions?”

“No, that’s all,” she said.

“This is Lisa back,” I said, handing the phone to Lisa. “Bye.”

“Bye,” said Victoria as Lisa took the phone back.

“You want anything, mom?” said Lisa.

“I just want to wish you a great evening,” said Victoria.

“Thanks, mom,” said Lisa. “Bye.”

Lisa hung up, and Beth took the phone.

“She thanked me for the compliment, and Lisa heard her,” I said. “She isn’t narrow minded like you.”

“Did she really thank him?” asked Derek in disbelief.

“Yes,” said Lisa. “She used the F-word. That was when he talked about cleaning out her dirty mouth. I can’t believe that. I have no idea how he can talk to her like that.”

“Guys, we are fucking,” I said, picking up the pace. “We can talk later.”

Derek picked up the pace as well.

We did not move exactly like a well-lubed machine despite Lisa being very well lubed in both holes, but it was reasonable, and she humped back, gasping and moaning happily. I pinched and twisted her stiff nipples too.

“I am coming,” announced Lisa, gasping and stiffening.

“It’s about time,” I said.

“Yes,” she gasped.

She writhed in orgasm, and I drilled her twitching ass vigorously. Her orgasm soon left her gasping.

"Did you enjoy talking to your mom and then having me talk dirty to her while you got double fucked?" I asked Lisa as I thrust gently in her ass.

"Yes," she gasped. "It was so dirty though."

"You are both dirty," I said. "That's why I am fucking you now, and I want to fuck her later."

"You are dirty too," she gasped.

"Derek, don't you want us to fuck her mom like we've just fucked her?" I said.

"Nick, I can't have this discussion with you," said Derek. "Lisa wouldn't appreciate it."

"You are a good boy, honey, unlike Nick," she said.

"Derek, you are a wimp," I said.

"That may be true," he said.

"Ahem!" said Beth.

"Oh, I need to get off," said Lisa.

Lisa dismounted Derek and me, and Beth replaced her. Beth engulfed his cock in her pussy, and I lubed my cock and skewered her horny ass with it.

"You are a good wife," I said. "You wouldn't mind if I fucked your hot mom like the dirty whore I think she is."

"Of course not," said Beth. "If she's the dirty whore you think she is, better you fuck her than anybody else. If she isn't, you won't be able to fuck her like that anyway."

"I obviously got the wise sister," I said as I held her tits and pinched her nipples.

"Of course, darling," she said. "You have the big cock after all."

"The big cock gets the horny sister," countered Lisa.

"Admit that you are not as horny as I am, and watch me get fucked with both cocks all day," challenged Beth.

"Never," said Lisa.

"Thank you," said Beth. "We are both horny, but I am wise."

Lisa let it drop while Derek and I worked on establishing a nice rhythm.

"Nick, let Derek set the pace, and follow his lead," said Beth. "I want him to enjoy himself."

"You have a wise and caring future sister-in-law, Derek," I teased.

"Thanks, Beth," he said.

Beth and I matched Derek's pace, and Beth instructed him to use the pace she wanted.

After several minutes, Beth came. Derek and I fucked her hard while she convulsed. She finally calmed down and dismounted us. I got up, and she sucked my cock.

"Honey, are you ready to fill my pussy with come?" said Lisa.

"Sure," he said.

Lisa got on the sofa on her back and pulled her legs over her head. He stood before her and went to work.

Beth assumed the same position, and I fucked her ass.

Lisa and Derek came together, and he filled her pussy with come. She drained his balls in her pussy.

“Lick it clean, honey,” said Lisa when Derek pulled out of her pussy.

Derek dropped to his knees and dove into the slimy pussy he had just made.

Beth came with them, but I continued to fuck her ass. I made her come again before Derek made Lisa come.

“Wash your sticky cock so we can suck it,” said Lisa when Derek finished licking her pussy squeaky clean.

While he washed up, I fucked her ass. When he returned, he saw her come on my cock.

“Sit back, and see what the sisters can do for your limp cock,” she said.

Derek sat back on the sofa, and the sisters knelt on the floor before him. While they sucked his cock, I knelt behind them and took turns fucking their asses to orgasm.

“Move to the center so you can spread our asses for Nick,” said Lisa when Derek’s cock became hard.

Derek sat in the middle of the sofa, and the sisters knelt on either side of him. He spread Lisa’s ass first. I lubed her asshole and proceeded to fuck it hard to orgasm. Meanwhile, Beth stroked his hard cock with her hand. I soon did the same to Beth’s asshole while Lisa stroked his cock. I switched holes several times.

“Come in my ass, Nick,” gasped Beth.

“Are you sure?” I said, picking up the pace.

“Yes,” she gasped. “Derek’s going to clean it up.”

“Okay,” I said.

Beth soon came, and I gave her what she wanted. I drained my balls in her ass.

“Go for it, Derek,” said Beth when I pulled out.

Lisa turned around and sucked my sticky cock.

Derek went down to his knees. He spread Beth’s come-filled ass and proceeded to eat it eagerly from the start.

“Nick, you haven’t come in my mouth,” said Lisa. “I am not letting you go home before you do.”

“Do you want it before or after dinner?” I said.

“That’s a good question,” she said.

She returned to reviving my cock without answering the question.

“Doing it after dinner is the better choice,” said Beth.

“Why so?” asked Lisa.

“We can have dinner in two groups, ladies first,” said Beth. “We can sit in their laps impaled while we have dinner, and later we can suck their cocks while they have dinner.”

“Are you okay with that, boys?” said Lisa.

“I am fine with it,” said Derek.

“Me too,” I said.

“Obviously, you both need to be hard for us to be able to sit in your laps,” she said.

“Of course,” I said. “Otherwise, Derek and I will have to have dinner first.”

“That won’t happen,” she said.

“I am sure it won’t,” I teased. “Our sluts are hungry for more than cock.”

“That isn’t it,” she said.

“I know,” I said, ruffling her hair.

Derek ate Beth’s asshole until he made her come.

“Come with me, Derek,” said Beth, getting up. “We’ll prepare dinner. You can lick my pussy when there isn’t anything you can help with.”

“Okay,” he said, getting up.

“Nick, we need to move to the kitchen too just in case they couldn’t find something,” said Lisa.

“Sure,” I said.

Beth occasionally stroked Derek’s cock, keeping it hard, and had him finger her pussy.

When Lisa made sure they were doing well with dinner preparations, she bent over the counter and spread her ass. I squeezed lube on her asshole and went to work, fucking it.

Beth had Derek kneel down and eat her pussy while she worked on dinner.

Lisa deep throated my cock after every orgasm I gave her.

At dinner, Lisa sat in my lap, impaling her ass on my cock, and Beth sat in Derek’s lap, impaling her pussy on his cock. He and I thrust gently in them and fondled their tits.

“You have to make us come before the end of dinner,” said Beth. “Rub our clits if you have to.”

Lisa came by having me fondle her tits and thrust in her ass. Derek rubbed Beth’s pussy to make her come.

Derek and I remained in our seats. The plates and the holes changed. Lisa deep throated my cock while I had dinner, and Beth sucked Derek.

In the end, Lisa swallowed my come, and Beth made Derek come on her tits.

“Clean it up, baby,” she said as she sat in his lap, facing him.

“Play with my tits anyway,” said Lisa, sitting in my lap similarly.

While Derek licked his come off Beth’s tits, licking and sucking her tits and nipples, I fondled Lisa’s tits and sucked her nipples. Both sisters moaned happily. Beth had Derek finger her pussy to orgasm. I did the same to Lisa.

We got dressed and lounged in the living room for about half an hour.

“Are you going to be a good girl and take your luscious ass to your sister’s living room tomorrow to get it fucked royally there?” I said to Lisa.

“That sounds like a good idea,” she said. “What do you think, honey?”

“Sure,” said Derek.

“I have to fuck your hot ass daily at least for a week,” I said.

“Is that right?” she said.

“It is,” I said.

“I’d love that,” she said.

We exchanged goodbyes, and Derek and I deeply kissed Beth and Lisa, respectively. The sisters kissed deeply, and Beth and I left in her car.

LISA’S PARENTS MEET HER

It was early in the afternoon when Lisa and Derek arrived at Beth’s and my house. Our guests sat on the loveseat, and Beth and I sat on the sofa. Lisa soon knelt before me and rid me of my pants and underwear, setting my hardening cock free. Beth did the same to Derek. He and I chatted while we had our cocks sucked skillfully. I leaned forward and took Lisa out of her little dress, leaving her naked. I fondled her tits and ass a little before I sat back again.

Lisa rubbed my sticky cock all over her tits and teased her nipples with my cock head. She let me fuck her tits for a few minutes and then returned to deep throating my cock.

Beth got up and led Derek to the sofa. She hiked her skirt, got on her back and pulled her legs over her head.

“Eat my leaky pussy and horny asshole,” she said.

As Derek went down to his knees, I pulled Lisa astride me. She inserted my cock into her dripping pussy and rode it nicely while her fiancé licked Beth’s juicy pussy, making her moan.

Beth had Derek make her come in his mouth twice, once while he ate her pussy and once, her asshole. Meanwhile, Lisa came on my cock three times, riding my cock once with her pussy and twice with her ass.

“Fuck me,” said Beth, getting on her knees.

“Let me get my ass fucked from behind too,” said Lisa.

Lisa dismounted me and knelt next to her sister. I squeezed lube on her asshole and pushed my cock in. Derek and I fucked our respective holes at an easy pace for several minutes. The sisters moaned, fucking back happily. Each had a few orgasms within the next half hour.

“Did we arrive at the wrong time?” said Victoria suddenly.

Lisa looked to the side so quickly she almost hurt her neck.

“Mom!” she said in shock.

Victoria stood there, watching calmly.

Lisa tried to pull away, but I held her hips tightly. When she rose to her knees, I wrapped my arms around her tightly. She wrapped an arm over her tits to cover them. Derek pulled out, and Beth pulled her skirt down. She was dressed. Derek covered his hard cock with his hands. I thrust gently in Lisa’s ass.

“Nick, stop it,” cried Lisa. “Can’t you see? Mom’s here.”

“It’s okay, sweetie,” said Victoria. “I’ve watched for a few minutes. I’ve seen more than enough. Your dad took a seat while he watched too.”

“Dad?” said Lisa, looking to the other side.

John was sitting on the loveseat. He waved at Lisa. Victoria walked to the loveseat and sat next to him.

“This is so embarrassing,” said Lisa.

Derek sat on the sofa, pulling his pants in his lap. Beth sat in her dad’s lap.

"Hi, dad," said Beth. "I didn't notice when you came in. Have you become sneaky?"

"Not really, but you were a little too busy to notice," he said.

"Oh, dad!" she said. "I hope you are not embarrassed or disappointed by how slutty your daughters are."

"It's okay," he said.

Derek and Lisa watched that in disbelief.

When Lisa pulled away from me, I let her pop her ass off my cock and walked to her mom.

"Victoria, do you still need your dirty mouth treated?" I teased as my throbbing cock approached Victoria's mouth.

"Nothing changed," she said.

"I have the right tool for the job," I said as I held the back of her head gently and pushed my cock into her mouth.

Lisa and Derek watched in shock as Victoria opened her mouth and let my cock in. She sucked it gently, and I thrust in her mouth at a slow pace.

"Mom, what are you doing?" said Lisa as her mom sucked my cock deeper and deeper.

Victoria did not pay Lisa's question any attention.

Lisa got up and walked toward her dad.

"Dad, are you okay with that?" she said.

"Lisa, you are naked," he complained.

Lisa remembered that she was completely naked and was not even trying to cover her tits and pussy with her hands. She used her arm and other hand to cover up.

"Are you okay with what mom's doing?" she said.

"Did you forget that, a minute ago, he was pumping your butt like a jackhammer?" he said.

"She's sucking him after he did that," she said.

"Lisa, please remain silent after what you've just done," said Beth. "Don't dig yourself in deeper."

"Did you forget what you've just done with my fiancé?" asked Lisa.

"I did not, but I don't think I am on a moral high," said Beth. "I am on a moral low, and so are you."

Lisa returned to her fiancé's side.

Beth knelt down and set her dad's hard cock free. She started to suck it while Lisa and Derek looked on in shock.

"Beth, what are you doing?" said Lisa.

"Lisa, please shut the fuck up," said Beth.

"That's incest," said Lisa.

"Derek, please persuade your fiancée to shut up for her own sake," said Beth.

Beth resumed sucking her dad's hard cock while she rid him of his pants and underwear. Meanwhile, I fucked Victoria's throat gently.

Derek looked at Lisa and silently pleaded with her to remain silent.

"You definitely have a dirty mouth," I said. "It needs to be cleaned up thoroughly."

Victoria moaned over my cock.

“What do you think, John?” I said.

“I thought you’d spank her, but this is definitely better than spanking,” said John.

“You agree that she has a dirty mouth and that it’s dirty enough to warrant treatment?” I said.

“Of course,” he said. “She admitted that she said the F-word while talking to you yesterday.”

“I am doing deep cleaning of her mouth and throat,” I said.

“I can see that,” he said. “Meanwhile, your wife’s letting me punish her for being a dirty girl.”

“Did you know that she was the one who seduced her sister and her fiancé?” I said.

“Thanks for telling me,” he said. “She’s going to stay on her knees for a while.”

“What’s going on here?” said Lisa.

“Derek, she won’t shut up as long as she isn’t gagged,” I said. “She needs discipline now, and I am too busy. Let her suck your cock for her own sake.”

Derek looked at Lisa with pleading eyes. After several seconds of hesitation, Lisa shrugged and knelt down before him. She proceeded to suck his cock.

“That’s better,” said John.

“This is how dirty girls should be treated,” I said.

“Definitely,” he said.

Victoria sucked my cock harder, and I was soon ready to come.

“Open wide, and stick your tongue out,” I said.

Victoria opened her mouth wide and stuck her tongue out. My come soon burst out, hitting her face. I aimed my spurting come all over her face, and some landed on her tongue. I finally wiped my cock head on her tongue. I pulled back and admired her glazed face.

“Isn’t she pretty?” I said to Derek.

“Yes,” he said.

“Thanks, Derek,” said Victoria. “Since you are so sweet, I’ll suck your cock next.”

“Thank you,” he said.

“Lisa, you have a problem with your mouth too,” she said. “Lick Nick’s hot sticky come off my face and let me suck it off your tongue.”

“What?” said Lisa in disbelief.

“Lisa, be wise enough to do what you are told,” I said. “You are already in deep trouble.”

Lisa got up and walked to her mom.

“Sit in her lap, facing her, and get to work,” I said. “Don’t leave a trace.”

As Lisa took her position, I knelt down.

“Victoria, please spread her ass,” I said.

Victoria spread Lisa’s ass with both hands readily. I switched two fingers between Lisa’s dripping pussy and her horny asshole, making her moan while she fed her mom my come.

“She’s a dirty girl,” I said. “She’s soaked.”

“I am not surprised,” said Victoria.

“At least, she learned how to shut up,” I said, fondling Lisa’s tits with my free hand.

“She needs to keep her mouth busy,” said Victoria.

Lisa moaned quietly while I fingered her holes and fondled her tits. I occasionally fondled Victoria’s tits through the thin top of her dress.

“You both have fine tits,” I said as I fondled Victoria’s tits.

“Nick, you are the sweetest son-in-law any mom can have,” said Victoria.

“You are one of the hottest mothers-in-law in the world,” I said.

“Thank you,” she said.

After a while, I stuck my index and middle fingers into Lisa’s asshole and my ring and little fingers into her leaky pussy. I finger fucked both her holes at the same time. She moaned and humped my fingers.

“All her holes are now busy,” I said.

“She seems to like that,” said Victoria.

“She does,” I said.

Lisa finally finished cleaning up her mom’s slimy face.

“You did a good job, Lisa,” I said, finger fucking her holes harder. “Make yourself come on my fingers.”

Lisa humped my fingers urgently, and I pinched her nipples repeatedly.

“Come on his fingers, you dirty girl,” urged Victoria.

Lisa reached orgasm within a minute.

“I am coming,” gasped Lisa, stiffening.

“Come all over his fingers, sweetie,” urged Victoria.

“Come hard, my dirty bitch,” I urged.

Lisa convulsed, and I jerked my fingers wildly within her twitching orifices. Her orgasm finally subsided.

“That was good, wasn’t it?” said Victoria.

“Yes,” hissed Lisa while I finger fucked her holes gently.

“Do you want to suck my big cock now and make sure it’s hard and ready?” I said.

“Yes,” she hissed.

“Okay,” I said, taking my fingers out of her holes.

Lisa dismounted her mom.

“Taste your dirty daughter,” I said, offering my four fingers to Victoria.

Victoria held my hand and took my fingers in her mouth. She sucked them sloppily.

“She may be dirty, but she doesn’t taste bad,” said Victoria finally.

“Of course not,” I said, getting up.

Lisa knelt before me, and I moved a little to the side. She proceeded to suck my cock, which was mostly hard.

“Derek, come here, and get your sucking,” beckoned Victoria.

After a little hesitation, Derek got up and walked to Victoria. His cock was then softer than mine. She pulled him to her and proceeded to suck his cock.

“She’s a hot woman,” I said to Derek as I thrust in Lisa’s throat. “Enjoy yourself.”

He nodded.

My cock was soon rock hard.

“Do you want to suck dad with me, or do you want to keep him mad at you?” Beth said to Lisa.

Before Lisa could answer, I pushed her toward her dad. She knelt on Beth’s other side. Beth pulled back, making room for her, and pushed her head to the hard cock.

Lisa tentatively sucked her dad’s cock. I knelt behind her and adjusted her position. I guided my cock into her pussy, and pushed it in, making her moan around her dad’s cock.

“Don’t you feel better now?” said Beth.

“Yes,” hissed Lisa.

“Don’t let him come in your mouth,” said Beth. “When he’s ready, make him come on your tits. Take your time.”

“Okay,” said Lisa.

“Dad, my pussy’s drenched,” said Beth. “Do you want to clean it up for me?”

“Sure,” said John.

Beth climbed astride her dad and brought her pussy to his mouth. He held her ass and went to work. She humped his face, moaning happily. While fucking Lisa, I grabbed her right hand and squeezed lube on her thumb.

“Use it on her asshole,” I instructed.

Lisa used her thumb on Beth’s asshole while I squeezed lube on her own asshole and used my thumb on it. I controlled the pace so Beth and Lisa came at the same time. Beth gushed in her dad’s mouth while Lisa gushed on my cock. The asshole of each twitched around a thumb.

Beth finally dismounted her dad and stepped down.

“Lisa, why don’t you let dad clean you up while Nick fucks my ass?” said Beth.

“Do it, Lisa,” I said, pulling out of Lisa’s pussy and ass.

“Okay,” said Lisa.

Beth and Lisa switched places, and I fucked Beth’s ass while she fucked Lisa’s with her thumb. Again, I made the sisters come at the same time.

“Do you want to come?” Victoria asked Derek.

“Sure,” he said.

“Help me with my dress,” she said.

He helped her pull her dress down and set her tits free.

“Would you like to come all over my tits?” she said.

“Yes,” he said.

“Fuck them first,” she said.

She drooled in her cleavage before he laid his cock between her tits. She squeezed them around him, and he fucked her tits for a few minutes at an accelerating pace.

“When you are ready to come, come all over them,” she instructed.

He did just that. She milked his cock dry and wiped its sticky head on her tits.

“Now, lick them clean,” she said.

Lisa returned to sucking her dad’s cock while I fucked her ass, making her moan around his cock. Beth watched. Meanwhile, Derek knelt down and proceeded to lick his come off Victoria’s slimy tits. Victoria moaned appreciatively.

Within a few minutes, Lisa came on my cock. I fucked her convulsing ass until she went limp.

“Make him come on your tits,” said Beth as I thrust gently in Lisa’s ass.

While Lisa worked on her dad’s cock, I moved to Beth’s ass.

“Would you like to eat my pussy?” Victoria asked Derek.

“Yes,” he said.

Victoria hiked her short dress and pushed her ass forward, spreading her legs wide. Derek ate her pussy eagerly.

Lisa made her dad come all over her tits while Beth came on my cock.

“Let him lick them clean,” said Beth.

Beth used wet napkins to clean up her dad’s cock while Lisa knelt astride him. Beth cleaned up Derek’s cock too.

“Do you think mom’s mouth still needs cock?” said Beth.

“Yes,” hissed Victoria.

“It apparently does,” I said as I climbed onto the loveseat.

Victoria took my cock in her mouth, and I proceeded to fuck her throat gently.

Beth cleaned up her mom’s tits with wet napkins.

While John licked his come off Lisa’s tits, Beth held his soft cock and used his cock head to tease Lisa’s drenched pussy. Lisa moaned, and his cock started to get hard. Beth stroked and milked her dad’s cock too.

“If you want to fuck her horny pussy, you have to get hard quickly,” teased Beth.

Beth managed to make Lisa come at the same time their mom did.

While Lisa recovered, Beth inserted her dad’s hard cock into Lisa’s pussy. Lisa moaned, pushing her pussy down.

“Do you want your other holes fucked, Victoria?” I said, dismounting Victoria.

“Yes,” she said, getting up.

“Derek, sit in my place, and let me suck your cock,” said Victoria.

Victoria and Derek exchanged positions, and I knelt behind Victoria. I squeezed lube on her asshole and wormed my thumb in while I pushed my cock into her pussy.

Lisa bounced on her dad’s cock, and I fucked her mom in the ass while she sucked Derek. Beth climbed astride Derek’s face and lowered her pussy to his mouth.

“Eat it, baby,” said Beth.

We had two forms of oral sex and two forms of fucking. Victoria came first, followed by Lisa and finally Beth.

Beth dismounted Derek and pulled Lisa off their dad. Beth mounted her dad and worked his cock into her pussy. Lisa came to me while I picked the pace fucking her mom's ass.

"Have your fiancé clean up your pussy, and then switch with your mom," I instructed.

"Clean your sticky tits first," said Beth.

Lisa used wet napkins to clean her tits before she climbed astride Derek, and he proceeded to eat her drenched pussy. Meanwhile, Beth bounced on her dad's cock. Victoria fucked back energetically while I fucked her ass briskly.

"Lube your thumb in your pussy, and use it to ream out your daughter's asshole," I said to Victoria.

Victoria obliged me right away.

"Get her horny asshole ready for my big cock," I said.

"It's already ready," she gasped.

"Get it readier," I said.

After the three women came, Victoria coming first and Lisa, last, Lisa and her mom swapped places. I fucked Lisa's offered ass to orgasm while her mom and sister came again.

"I want to get triple penetrated," announced Beth. "I've never been triple penetrated before."

"You've been a good girl," I said. "You deserve that."

"I want to try it too," said Lisa as I thrust in her ass at an easy pace.

"You and your mom will try it too," I said, pulling out of Lisa's ass.

"Dad, I want you to lie on the carpet," said Beth, dismounting her dad.

While Beth and her dad got into position, I lubed my cock.

"Spread my ass for Nick," said Beth as she engulfed her dad's cock in the cowgirl position.

John spread Beth's ass, and I knelt behind her and entered her ass.

"Derek, I need your cock in my mouth," said Beth.

Derek got up and fed Beth his cock.

Beth moaned on Derek's cock while her dad and I thrust in her nether holes.

"Beth isn't going to let go of the cock in her mouth until we make her come," I said.

Beth moaned around Derek's cock affirmatively.

"John, let's take it easy in the beginning," I said.

"Okay," said John.

Lisa and Victoria watched.

"Are you looking forward to taking three cocks, little whore?" I teased Lisa.

"Yes," she hissed.

"Me too," said Victoria.

"Like mother, like daughter," I said as I pulled Beth's top up.

"After all, the little whores are taking after me," she said.

Beth cooperated, and her top was soon hanging around her neck. Her tits were free. I fondled them and pulled on her nipples, pinching them.

“You are a good whore, Victoria,” I said. “I am so happy I can use you freely.”

“Me too, Nick,” she said.

“Why don’t you come closer so I can play with your fine tits while I play with your daughter’s?” I said.

Victoria moved closer, and I used my right hand to fondle her tits while I used my left hand to fondle Beth’s.

“What about my tits?” whined Lisa.

“Get them closer if you want them played with,” I said.

Lisa moved closer, and I took turns playing with her and her mom’s tits.

“It’s nice to play with three pairs of lovely tits,” I said.

“Enjoy,” moaned Victoria.

“Why don’t you turn around so I can play with your hot ass?” I said.

“Sure,” she said.

Victoria turned around, and I fondled her ass, making her moan and rock.

“Me too,” said Lisa, getting into position next to her mom.

“I am playing with two hot asses and fucking the third one,” I said as I fondled Lisa’s ass.

“It’s good to have slut in-laws, isn’t it?” said Victoria.

“It’s wonderful,” I said.

Before long, I took turns fingering their pussies and asses. I then took turns finger fucking each in both holes at the same time. They moaned and humped my fingers.

Beth controlled the rhythm by moving her ass at the desired pace. Her dad and I followed her lead. I used the same rhythm on her mom and sister. When she finally came, I jerked my fingers within her mom’s pussy and ass while I fucked Beth’s convulsing ass hard.

“That sure was thrilling,” gasped Beth when her orgasm subsided and I fucked her ass slowly.

“You are happy you’ve realized your dream?” I said, finger fucking Lisa’s pussy and ass gently.

“Oh, yes,” she said. “Can we do it again?”

“Each will get two rides,” I said.

“Sure,” she said. “Fuck me hard from the beginning this time.”

Beth took Derek’s cock in her mouth, and her dad and I proceeded to fuck her holes. I continued to finger fuck her mom and sister. Beth soon came and got her holes pounded hard while she did. She took a minute to catch her breath after her orgasm subsided.

“I am done,” gasped Beth, dismounting her dad and me. “Thank you.”

“Victoria, are you ready?” I said.

“Yes,” said Victoria.

“Lisa, keep your hot ass where it is until it’s your turn,” I said, hooking my fingers within Lisa’s orifices.

“Okay,” said Lisa.

Victoria took her position, and her husband and I filled her holes. She took Derek's cock in her mouth.

"Mom, try to keep Derek's cock in your mouth until you finish coming on the other cocks," said Beth.

Victoria moaned her assent.

My fingers remained working in Lisa's pussy and ass while her dad and I fucked her mom. Victoria managed to keep Derek's cock in her mouth until she finished coming. She did that again.

"It's your turn, Lisa," I said, pulling my fingers out of Lisa's holes.

Victoria dismounted, and Lisa mounted her dad's cock. I filled Lisa's ass with my cock, and she filled her mouth with her fiancé's cock. I held both her tits, and we proceeded to fuck her. She also continuously sucked Derek's cock while she came twice.

"Dad, I want you to fuck my pussy and fill it with come while I sit back in Nick's lap," said Lisa as she dismounted.

"I want you to do the same to me, Derek," said Victoria. "Meanwhile, eat my pussy."

Lisa pulled me to the sofa. I sat back, and she lubed my cock and sat in my lap, impaling her ass on my cock. Victoria got on her back on other end of the sofa and pulled her legs over her head.

"That leaves me alone," said Beth.

"You can suck Derek's cock to make sure he remains ready for his turn," said Victoria.

Derek knelt down and proceeded to lick Victoria's pussy while John pushed his cock into Lisa's pussy. Beth lay back and stuck her head between Derek's thighs. He parted his knees, and she took his cock in her mouth.

John fucked Lisa hard while I fondled her tits and thrust in her ass from below. They came together, and her twitching pussy drained his balls deep inside it. Victoria came in Derek's mouth. Beth slid out from between Derek's knees and got up.

"Derek, you need to clean up your fiancée's slimy pussy," said Beth when her dad pulled out of Lisa. "Meanwhile, mom should clean dad up."

Before Derek could protest, Beth led him to Lisa while I thrust gently in her ass.

"Come here, honey," called Victoria, getting on her knees.

Victoria used wet napkins to clean up her husband's soft cock before she sucked it.

Derek ate Lisa's slimy pussy while I fucked her ass gently. She started to work her ass up and down my cock in longer strokes, and her pace accelerated gradually. He kept eating her come-leaking pussy eagerly until she came in his mouth. He licked her pussy gently while she recovered.

"Your turn, mom," said Lisa, dismounting me. "I'll take care of dad."

"You can take care of him while he eats my pussy," said Beth.

Beth got on her back on the sofa and pulled her legs over her head. Her dad knelt before her and proceeded to eat her pussy. Lisa lay back and sucked his cock.

Victoria impaled her ass on my cock, and Derek filled her pussy with his cock. He and I fucked her together until she came. He came with her, pumping his come deep inside her twitching pussy. Beth came in her dad's mouth a little later. He licked her drenched pussy clean.

"Mom's slimy pussy needs your mouth more than my pussy does," said Beth when Derek pulled out of Victoria.

John ate Victoria's pussy while she rode my cock with her ass.

Beth cleaned up Derek's cock with wet napkins and sucked it. Lisa watched. Victoria came in John's mouth.

“Nick, I want you to come in my ass,” said Lisa when her mom dismounted me.

“Who’s going to clean up your messy ass when I do?” I said.

“Dad,” she said.

“Assume the position,” I said.

Lisa got on her knees on the sofa, and I stood behind her. I squeezed lube on her asshole and pushed my cock in. Her dad and fiancé sat on either side of her. Beth sucked her dad’s cock while her mom sucked Derek’s cock.

“Dad and Derek, spread the whore’s ass,” said Beth. “Let him fuck her cock-craving ass mercilessly.”

John and Derek pulled an ass cheek out each, and I picked up the pace.

Lisa came twice. I pumped my come in her twitching ass during her second orgasm. I finally pulled out, and Victoria sucked my cock clean.

“This ass is for you, dad,” said Beth, pulling back.

John knelt down and proceeded to eat my come out of his little daughter’s well-used asshole. She moaned and humped his face happily. I sat down next to her, and Victoria revived my cock while Beth sucked Derek’s cock.

My cock was hard when Lisa came in her dad’s mouth.

“Fuck my pussy, dad,” gasped Lisa.

“Fuck my ass, Nick,” said Victoria.

John got up and proceeded to fuck Lisa’s pussy from behind. Victoria joined Beth, and the two of them sucked Derek’s cock while I took turns fucking their offered asses.

“Are you having fun, Derek?” I asked as I fucked Beth’s ass.

“Yes,” smiled Derek.

“You like hot sluts?” I said.

“Very much,” he said.

“Hot sluts are so hot,” I said.

“They are sizzling hot,” he said.

“They sure are,” I said.

After Lisa came, she sucked her dad’s dripping cock eagerly.

“Dad, sit next to Derek so we can suck your cocks together while Nick fucks our asses,” said Lisa.

John sat next to Derek, and Lisa knelt next to Victoria while I fucked her ass. When Victoria came, I moved to Lisa’s ass. Beth switched places with her mom and took turns sucking Derek’s cock with her mom and sucking her dad’s cock with her sister. I kept the women’s asses well lubed while I fucked them briskly.

“Nick, come in my ass,” said Victoria when I returned my cock to her ass. “Derek will eat it clean.”

“Did she suck your cock well enough for that, Derek?” I said, fucking Victoria’s ass harder.

“Yes,” said Derek.

“I am ready when you are,” I said to Victoria.

“I’ll be ready very soon,” she gasped.

“Come hard,” I said as I squeezed her tits, pinching her nipples.

“I will,” she gasped.

Victoria came soon, and I joined her.

“I am coming,” she gasped.

“I am filling your slutty ass with come,” I said, slamming hard into her ass.

She convulsed in orgasm, and my cock spewed its come in her twitching ass. She milked my cock thoroughly before I pulled out of her come-filled ass.

“This is your cue, Derek,” I said.

Derek got up, and Victoria got on her knees on the sofa. He knelt down and proceeded to each her slimy ass.

Beth sucked her dad’s cock leisurely and stroked Derek’s cock while I sat next to him and Lisa revived my cock.

Lisa got my cock hard by the time her mom had an anal orgasm around Derek’s tongue.

“Derek and dad, you are with me,” said Beth. “Let’s leave Nick with the whores.”

Victoria got off the sofa and knelt next to Lisa. They sucked my cock together.

“Fuck my pussy, Derek,” instructed Beth.

Derek knelt behind Beth and proceeded to fuck her while she sucked her dad leisurely.

After a little while, I got up and pulled Victoria up.

“Get on your back,” I instructed.

Victoria got on her back on the sofa and pulled her legs over her head.

“Get on your knees astride her,” I said, pulling Lisa up.

While Lisa got into position, I lubed my cock. I started with Victoria’s ass. When Victoria came, I fucked Lisa’s ass. I switched asses after every orgasm. Beth had Derek and John switch places after every one of her orgasms.

“Mom, do you want to help me make dinner?” said Beth.

“Sure,” said Victoria.

“We’ll let the little whore keep the men company,” said Beth.

“You think she can handle them alone?” said Victoria.

“She needs to learn,” said Beth.

Beth and her mom went to the kitchen, leaving Lisa behind.

“Give us about an hour,” said Beth.

“Dad, I want to sixty-nine with you so you can eat my pussy while I suck Derek’s and your cocks and Nick fucks my ass,” said Lisa. “Are you ready?”

“Sure,” he said.

We soon got into position like Lisa had described. I grabbed her tits and fucked her ass while her dad spread her ass and licked her leaky pussy and she took turns sucking his and her fiancé’s cocks. Since we had a long time, I changed paces many times, but I made her come practically regularly. Because of what her dad and I did to her fuck holes, she did not do a good job sucking his and Derek’s cocks. That helped them last. We practically remained in that position until Victoria called us for dinner.

“Dinner’s served,” said Victoria.

Lisa dismounted, and we all went to the dining room only to find three chairs at the dining table.

“The ladies will eat first while they sit in your laps,” explained Beth. “Then, you’ll eat while they suck your cocks.”

Lisa sat in my lap, and I impaled her ass. Beth sat in her dad’s lap, getting her pussy impaled on his cock, and Victoria did the same to Derek.

“Make us come,” said Beth at the end of dinner. “Rub our clits if you have to.”

Lisa was the first to come and then Beth.

“Remain seated,” said Beth as she got off her dad’s lap. “You’ll come after the end of your dinner.”

Lisa sucked my cock while I had dinner. Beth and her mom sucked John and Derek, respectively.

We finally finished dinner.

“Derek, you and dad will come on my tits,” said Beth. “Pick a tit each. We’ll leave the others alone.”

“Victoria, I’ll come in your mouth, and you’ll feed it to Lisa,” I said.

Lisa and her mom sucked my cock while Beth sucked Derek and John’s cocks.

When it was time for the men to come, Beth jacked off a cock in each hand, aiming each at a different tit. Derek came on Beth’s right tit, and her dad, her left one.

Meanwhile, I jacked off into Victoria’s wide-open mouth. I shot my come against the back of Victoria’s throat. She swirled it around with her tongue and then passed it to Lisa over a sloppy kiss. Lisa, moaning, savored the taste and swallowed every drop while Victoria sucked my cock dry.

Beth got up and sat on the edge of the dining table. She pulled the head of each to the tit the other glazed.

“Lick them clean, boys,” she instructed.

Derek and John only hesitated for a second before they went to work.

“Do a good job cleaning after each other,” she moaned.

Lisa and Victoria got up, and I kissed them deeply.

Beth used wet napkins to clean up her tits after she made sure Derek and John licked them completely clean.

When we returned to the living room, Lisa knelt before me and proceeded to suck my hardening cock.

“Didn’t you have enough?” asked John.

“I am not doing anything,” I said. “Someone else didn’t have enough.”

“I did, but I love sucking your juicy cock,” said Lisa.

“This is apparently a platonic blowjob,” I said.

“I didn’t know those existed,” he said.

“Now, you do,” I smiled.

“You can never quit learning,” he said.

“If she keeps it up, you’ll soon watch a platonic ass fuck,” I said.

“I am not sure that would be platonic,” he smiled.

“Me neither,” I smiled.

We chatted somewhat normally while Lisa continued to suck my cock leisurely.

Lisa deep throated my cock until it was time for our guests to leave.

“I have to kiss your big cock goodbye,” said Victoria when Beth and I walked our guests to the door.

“Sure,” I said.

Victoria dropped to her knees and deep throated my cock goodbye for about a minute.

“Me too,” said Lisa.

Lisa deep throated my cock goodbye similarly.

“What about me?” I said.

They deeply kissed me goodbye.

Beth deeply kissed all our guests goodbye.

During the week, I fucked Lisa and Victoria together daily. We rotated the meeting between our houses. I stopped by my parents’ house twice and fucked mom and Alex together.

DAVE’S AND DEREK’S MOMS

Beth arranged a date for me, Dave’s and Derek’s moms on one side and another for her and their dads. The dates were scheduled for Saturday afternoon.

Beth and I left home in different cars at the same time. Each of us was going to pick up the first date at one thirty and the other at three. I started with Dave’s mom, and she started with Derek’s dad.

My date was ready. When I rang the bell, she opened the door for me.

“Good afternoon, Mrs. Skinner,” I greeted.

“Good afternoon, Nick,” she said.

“Are you ready?” I said.

“Yes,” she said.

“That’s strange,” I smiled.

“Why is that?” she said.

“You are not late,” I said.

“I don’t need to spend an eternity in front of the mirror,” she said. “I am too old for that.”

“Shall we go?” I said, offering her my arm.

“Thank you, sir,” she said, taking my arm.

“That’s more like it,” I said, leading her to the car. “You should treat me like I am the older person.”

“I didn’t mean it like that,” she said.

“You should have,” I said as I opened the passenger door for her.

She got into the car, and I closed the door.

“Mrs. Skinner, may I call you Nancy so we can feel that we are friends or at the same age?” I said as I got in the driver seat and put the car in gear.

“Sure,” she said.

“Nancy, we have a problem at our hands,” I said as I drove off.

“What’s that?” she asked with some concern.

“We are supposed to be going out on a date, and you are acting like I am taking my grandma to dinner,” I said. “I am out to have fun. If you don’t want to have a lot of fun tell me, so I can make a U-turn and take you back home.”

“I want to have fun, but I am no longer a teenager,” she said.

“Have you ever been a teenager?” I said.

“Sure,” she said.

“Did you have fun when you were a teenager?” I said.

“Sure,” she said.

“Can’t you act like a teenager and have fun like one if you try?” I said.

“I probably can, but I am too old for that,” she said.

“You are so old you no longer enjoy having fun?” I said.

“Of course, I can enjoy having fun,” she said.

“Well, we are going to have fun, and you are going to enjoy it,” I said. “Promise me you’ll do your best.”

“I promise, but don’t try anything crazy,” she said.

“If you think I am crazy, let’s turn around,” I said.

“I don’t think so,” she said.

“Nancy, you are no longer my grandma,” I said. “I am taking you to the mall to get you a sexy little dress so you can dress like a teen hottie going out on a date.”

“Nick, we can’t do that,” she said.

“We can, and we will,” I said. “That isn’t up for discussion. If you forgot how to have fun, I’ll remind you.”

“Okay,” she said lowly.

“If I don’t show you more fun than you’ve ever had on a date, never go out with me,” I said. “Is that fair?”

“Yes,” she said.

“You have a great figure,” I said. “It should be a piece of cake to find a sexy dress for you,” I said.

“Thank you,” she said, blushing lightly.

“You’ll look hotter than most teen hotties,” I said. “I am sure of that.”

“You are exaggerating,” she said.

“Do your best, and leave the rest,” I said.

“Okay,” she said.

Before long, we were at the mall. I parked and opened the door for her.

At the store I had in mind, I picked a short red strapless dress.

“Try this,” I said.

“That’s too revealing,” protested Nancy.

“Would a teen hottie wear it?” I said.

“I guess,” she said.

“Give it a try and come out in it,” I said. “I’ll wait right outside the fitting room.”

“Okay,” she said.

She went into the fitting room and changed. She did not come out.

“Nan, aren’t you coming out in it?” I said lowly.

“I can’t,” she said.

“Why not?” I said.

“It shows my bra,” she said lowly.

“That’s understood,” I said. “Take it off.”

“You are not serious,” she said.

“Just do it, and come out,” I said.

She hesitated for a minute before she finally took her bra off and came out of the fitting room but she remained inside the outer door. She kept pulling the top up.

“Don’t be silly,” I said. “Leave it the way it is. You look great. Spin for me.”

She spun around, blushing.

“There is a little problem,” I said.

“What?” she said.

“It shows your panty lines,” I said. “You need to take them off too.”

“I can’t,” she said. “That would be outrageous.”

“No,” I said. “Showing off your panties is. Do it, Nan. Let’s not spend the whole day here.”

She reluctantly went back to the fitting room and removed her panties. She came out, blushing.

“Spin around,” I said.

She twirled for me. Her dress was more like a second skin. It made my cock twitch.

“You are hot,” I said. “Don’t take it off. Leave your underwear, and let’s go.”

“I can’t do that,” she said.

“Try,” I said. “If you can’t, I’ll help you. Bring your grannie dress though.”

“Nick!” she whined.

My answer was a smile.

She brought her purse and dress, leaving her underwear in the fitting room.

“Let me check,” I said, darting in the fitting room.

Her underwear was there. I picked up her panties and smelled the crotch. The smell was promising. I shoved the panties down my pocket and left.

“Let’s pay for it,” I said.

When she walked ahead of me, I reached out and squeezed her ass.

“Nick, what are you doing?” she said in shock.

“I am sorry, but the dress shows that you have an incredible butt,” I said. “I couldn’t resist it. Please forgive me.”

“You can’t check me out,” she said.

“I didn’t check you out,” I said. “It was a quick glance. I couldn’t miss it.”

“Don’t do that again,” she said.

“I won’t do it if I can help it,” I assured.

We got to the cashier, and I handed her my card.

“You can’t pay for it,” said Nancy.

“You can pay me later,” I said.

She tried to resist, but I insisted.

“Can you please also remove the ticket?” I said to the cashier when she removed the theft protection device.

The cashier gladly removed the ticket.

Nancy took a bag for her dress, and we left.

“I can’t believe I am wearing this,” she said. “I feel I am half naked.”

“You are, but you look hot,” I said. “That’s the point.”

“I shouldn’t expose myself like this,” she said.

“Fortunately, it’s necessary for having teenage fun,” I said.

“We’ll see,” she said.

“You have a hot butt,” I said.

“Stop it,” she said.

“Tell me when you were complimented on your hot butt last,” I said. “If it was within a decade, I’d stop.”

“That’s irrelevant,” she said.

“Tell me,” I said.

“It was probably longer than a decade,” she said.

“The people who saw your sexy butt were blind,” I said.

“Nick, I am a married woman,” she said. “You can’t talk about my butt like that.”

“It’s okay,” I said. “I am married too.”

“You are unbelievable,” she said.

“Not as unbelievable as it is,” I said.

She shook her head.

“Do you know where I am taking you now?” I said.

“No,” she said.

“Right here,” I said as I took her to a makeup station.

The makeup girl looked at us.

“She thinks she’s too old to wear makeup,” I said to the girl, making Nancy blush. “If you can convince her she isn’t, we’ll buy the makeup you use.”

“That shouldn’t be a problem,” smiled the girl.

“Nick, this isn’t necessary,” said Nancy.

“I decide what’s necessary here,” I said.

Nancy reluctantly sat on the chair, and the girl went to work.

It took about fifteen minutes. The girl did a great job. Nancy tried to prevent me from paying for the makeup, but I insisted, and she relented.

Before we left, I stood her before me and studied her face. My cock twitched. I wanted to slide it between her lips right then and there. She blushed slightly.

“Nancy, you are hot,” I said.

She blushed a little more deeply.

“Thank you,” she said.

We returned to the car, and I opened the passenger door for her and enjoyed her leg show. She blushed.

“You have sexy legs,” I said before closing the door.

While outside the car, I called Derek’s mom.

“Hi, Nick,” greeted Derek’s mom.

“Hi, Mrs. Campbell,” I said. “I have a request please.”

“Sure if I can do it,” she said.

“You can,” I said. “I want you to take this date seriously and apply makeup carefully. If you don’t, I’ll have to take you to the mall and have the makeup girls apply makeup to you.”

“Are you serious?” she said.

“I am very serious,” I said.

“Okay,” she said. “I’ll wear makeup.”

“Thank you,” I said. “I’ll pick you up in less than half an hour.”

“I’ll be ready,” she said.

“I am sorry,” I said when I got into the car. “I had to make that phone call.”

“That’s okay,” said Nancy.

“What do you think now?” I said. “This is a lot different from taking one’s grandma to dinner, isn’t it?”

“It is,” she said, blushing slightly.

“You are so hot, Nan,” I said.

“Thank you,” she said.

“The neckline’s perfect for your cleavage,” I said.

“It’s very revealing,” she said.

“That’s how it emphasizes your generous cleavage,” I said.

“It’s exposing most of my boobs,” she said.

“You have great boobs,” I said. “What’s the problem?”

“You don’t think I am exposing too much?” she said.

“I think sexy women shouldn’t wear clothes at all, but let me see,” I said, reaching for her left tit.

Before she knew it, I pulled the neckline of her dress out, exposing her nipple. I pounced on it, taking it in my mouth, and sucked it, making her gasp.

“Nick, what are you doing?” she gasped. “Stop it.”

That only made me suck her nipple harder.

“Nick, we are in a public parking lot,” she pleaded.

That did not deter me.

“I can’t believe this,” she said. “You are outrageous.”

She stopped resisting, and I varied the pressure on her nipple.

“Oh,” she moaned, holding the back of my head.

She surrendered, and I licked and teased her sweet nipple.

“This feels so good, but we shouldn’t do it,” she moaned.

Without taking her nipple out of my mouth, I moaned unintelligibly around her nipple as if saying we should.

“Your nipple’s delicious,” I said as I pulled back and covered her nipple.

“You can’t do that in public,” she protested.

“I only do that when I can’t resist,” I said.

She did not say anything as I pulled out of the parking slot and drove away.

“This isn’t fair,” I suddenly said swerving into an empty parking spot.

“What?” she said.

“Turn toward me,” I said.

She turned toward me.

“I have to be fair to your other nipple,” I said, exposing her right nipple. “I have to suck it similarly.”

“We shouldn’t do this here,” she moaned as I sucked her nipple.

She held my face to her tit and moaned quietly while I sucked and teased her stiff nipple for a minute.

“Pull your top down, and show me your fine tits,” I said.

“Here?” she said.

“Please do it,” I said.

She reluctantly pulled her neckline down, setting her tits free.

“You have lovely tits,” I said as I felt up her tits, one and then the other.

She moaned as I pinched her nipples and squeezed her tits together.

“They are perfect for fucking,” I said. “I want to fuck them and come all over them.”

“You are dirty,” she said.

“Great tits shouldn’t be neglected,” I said as I twisted her nipples. “Cover them up, Nan.”

She pulled her dress up, covering her tits.

“Don’t you feel more relaxed and excited now?” I said as I drove off.

“Yes,” she hissed.

“I want you to suck my big cock with your sexy lips,” I said. “Do you want to feel how big it is? Go ahead.”

“Does your wife know that you are doing this?” she said.

“She knows that I like to have my big cock sucked,” I said, pulling her left hand to my crotch.

She resisted, but I did not let go of her hand until she felt up my boner.

“You are big,” she said.

“It’s too big for teen hotties, but is it too big for you?” I said.

“I hope not,” she said.

“Are you afraid it may stretch your lips thin?” I teased.

“I bet it would stretch them to the limit,” she said.

“Do you like that, or do you prefer tiny cocks?” I said.

“No girl likes tiny cocks,” she said.

“You like big cocks, you hot slut?” I teased.

“I think so,” she said.

“You are in luck today,” I said. “I am going to pick up another slut though because I prefer threesomes.”

“You want to have sex with me and another woman?” she said.

“Another future mother-in-law,” I said. “She doesn’t know that yet though just like you didn’t an hour ago.”

“You are going to seduce another woman?” she said.

“I want to seduce my sister-in-law’s future mother-in-law,” I said.

“What if you couldn’t seduce her?” she said.

“In that case, I’ll fuck you silly while she watches,” I said.

“You are crazy,” she said.

“Wish me luck,” I said.

“Good luck,” she said.

“Thank you,” I said. “Have you ever shared a guy?”

“No,” she said.

“Let’s hope everything works out,” I said.

“Have you ever had two women?” she said.

“Yes,” I said. “I’ve had three women too.”

“Can you handle three women at the same time?” she said.

“I apparently can,” I smiled.

“Are you making that up?” she said.

“I can only lie to you for a few hours,” I said. “It isn’t worth it.”

Before long, I parked in front of the Campbells’ house.

“Nan, would you please sit in the backseat so I can focus my attention on the other slut?” I said, opening the passenger door for her.

“You are outrageous,” she said.

“Thank you,” I smiled.

She got out of the passenger seat, and I opened the rear door for her. She got in, and I closed the door.

Derek’s mom was wearing makeup nicely when she opened the door for me.

“You are pretty, Mrs. Campbell,” I said.

“Thank you,” she said, blushing slightly.

“You are sexy enough to be called by your first name,” I said. “May I do that please?”

“Sure,” she said.

“Are you ready, Dorothy?” I said.

“Yes,” she said.

“Let’s get going,” I said, offering her my arm.

She took my arm, and I opened the passenger door for her.

Dorothy got in, and I got into the driver seat. She had not noticed Nancy yet.

“Dorothy, please meet Nancy,” I said, pointing at Nancy in the back. “Nancy is my sister’s fiancé’s mom. Nancy, please meet Dorothy. She’s my wife’s sister’s fiancé’s mom. You are both future mothers-in-law.”

They exchanged greetings and shook hands.

“Dorothy, when I picked Nancy up, she was wearing a grannie dress like yours,” I said. “Since it was too late to take her to church, I stopped by the mall and got her a dress worthy of her. Let me show you.”

As Nancy blushed and they both looked at me in confusion, I got out of the car. I walked around the car and opened the rear door for Nancy.

“Nancy, please come out and show her how hot you are in this sexy dress,” I said.

Nancy was surprised, and so was Dorothy.

“Nick, it’s okay,” said Dorothy. “I don’t need to see it.”

“You do,” I said as I took Nancy’s hand and gently pulled her out.

Nancy got out of the car and stood there.

“Twirl for her, Nan,” I said.

Nancy reluctantly twirled.

“Thank you,” I said. “Please get back in.”

While Nancy got into the car, I squeezed her ass. I closed her door and returned to the driver seat.

“Doesn’t she look hot?” I said to Dorothy.

“Yes,” she said.

“I’ll take you to the mall and get you a dress like it,” I said.

“That isn’t necessary,” she said. “I have sexy dresses right at home.”

“I have to be fair,” I said. “At least, I have to try. I can’t buy you makeup because you are already wearing it.”

Nancy blushed.

“Oh!” said Dorothy.

“I can’t take you on a date when you don’t respect your hot body,” I said, driving off.

“Nick, you shouldn’t do that,” she said.

“I am doing it for all of us,” I said. “We are out to have fun. I can’t show you a good time when you don’t feel good about your sexy bodies. Now, Nancy does, don’t you, Nan?”

“I do, but you are embarrassing me,” said Nancy.

“You are embarrassed because you have a hot body?” I said. “You should be proud of it.”

“Nick, you are trying to embarrass me intentionally,” she said.

“No, Nan,” I said. “I am doing this because I want you to be proud and never be embarrassed. Be proud.”

“Okay,” she said.

“Dorothy, did you see the butt on her?” I said. “Doesn’t she have a nice hot butt?”

“Nick, please stop it,” said Nancy.

“Nancy, be proud, not embarrassed,” I said.

“You are making it tough,” she said.

“You are,” I said.

She sighed.

“Dorothy, because I am an ass man, I focus on the butt instinctively,” I said. “What do you think of her butt?”

“She has a great figure,” said Dorothy. “She has a nice butt.”

“She didn’t believe me when I told her that for the first time,” I said. “She thought I was just being silly.”

“You were telling the truth,” she said.

“Unfortunately, I can’t comment on your butt until we put you in a worthy dress,” I said.

“You want to put me in a sexy dress so you can check out my butt?” she said.

“What if I did?” I smiled. “Would you take that as a compliment or would you think I am a pervert who treats you like a sex object instead of treating you like a sexless human being?”

“Nick, you are outrageous,” she said.

“Nancy thought so too,” I said.

“I still do,” said Nancy.

Dorothy laughed.

“Are you going to let me check out your butt?” I said.

“Yes,” she said. “Are you happy now?”

“Of course,” I said. “I actually already know that you have a hot butt. I just want to enjoy looking at it.”

“Nancy, where did you find this guy?” she said.

“He picked me up at home just like he picked you up,” said Nancy.

“He enjoys treating us like sex objects,” said Dorothy.

“We do too,” said Nancy.

“I guess we do,” said Dorothy.

We returned to the mall, and I picked a black strapless dress for Dorothy but in a slightly different style.

“Nancy, go in with her, and give her some advice,” I said.

“All the advice you need is that you’ll need to take off your bra and panties so they won’t show,” said Nancy.

“Really?” said Dorothy.

“I even left them in the fitting room,” said Nancy.

“That’s crazy,” said Dorothy.

“That’s what you need to do,” said Nancy. “Our date’s serious about his sex objects.”

Dorothy went into the fitting room. She returned several five minutes later. She was without underwear.

“I can’t believe I am wearing this,” said Dorothy shyly.

“Welcome to the club,” said Nancy.

“Let’s see,” I said, motioning Dorothy to twirl.

Dorothy twirled for me.

“Perfect,” I said. “You have a great butt.”

“Thank you,” she said.

“Get your stuff and leave your underwear there,” I said.

She returned to the fitting room and brought her purse and dress. I ducked into the fitting room. I smelled her panty crotch and shoved it down my other pocket. It smelled nice, making my cock twitch. I returned to them.

“You are both sexy,” I said, squeezing both asses.

“Nick!” chided Dorothy.

“You both have hot butts,” I said. “Let’s pay and get going.”

The same cashier served us again. I gave her my card and pointed the ticket for her. She took care of everything.

“Why don’t you walk ahead of me and let me follow,” I said.

“If my husband knew about this, he’d beat you up,” said Dorothy.

“Don’t tell him,” I smiled.

She shook her head before they walked ahead of me and I followed as we returned to the car.

“This is the horniest date I’ve ever been out with,” Nancy whispered to Dorothy.

“He seems so,” said Dorothy.

“I am glad I am mature and wise now,” said Nancy. “I wouldn’t have accepted a date with a horny guy before.”

“Me too, and me neither,” said Dorothy.

When we got to the car, I opened the doors for them, and each returned to her seat.

Their discarded dresses and Nancy’s makeup ended on the backseat.

“How do you feel?” I said to Dorothy when I get in the driver seat.

“I feel like I am a teen on my first date,” she said.

“You are hotter than any teen though,” I said.

“You think so?” she said.

“Yes,” I said. “Are you a little nervous?”

“Yes,” she said.

“Let me calm you down a little,” I said.

Dorothy did not expect her left nipple to be in my mouth within half a second. The surprise made her gasp.

“Nick, stop this!” she said.

“He won’t stop,” said Nancy. “Relax, and enjoy it.”

“Did he do this to you?” said Dorothy.

“Of course,” said Nancy. “That was when I told him he was outrageous.”

“This is truly outrageous,” said Dorothy.

“I wasn’t kidding,” said Nancy.

Dorothy soon moaned and placed her hand behind my head.

“It feels good,” moaned Dorothy.

“It does,” said Nancy.

Since Dorothy let me do whatever I wanted, I used my right hand to keep her neckline down and my left hand to fondle her right tit. I slipped my left hand down her top and pinched her right nipple. She did not resist as I turned her to me and moved my mouth to her right nipple. I sucked it any way I wanted for a minute.

“I didn’t do this when I was a teen,” moaned Dorothy.

“Me neither,” said Nancy. “Never on a first date.”

When I was done, I pulled back and covered Dorothy’s tits.

“Your nipples are delicious, and your tits are perfect for fucking,” I said as I guided her left hand to my boner.

“You liked them?” she said, trying to pull her hand away.

“I love hot asses and fine tits,” I said as she finally squeezed my boner.

“You have a big boner,” she said.

“Do you like big cocks like Nancy?” I said.

“Who doesn’t?” she said.

“You are a hot slut like her,” I said.

“You can’t tell,” she teased. “I may be sluttier.”

“I may be sluttier too,” said Nancy.

“I think you are both sluttier,” I said.

“That may be true,” said Dorothy.

“Keep your hand here,” I said, letting go of her hand.

“That wouldn’t cause accidents?” she said.

“Of course not,” I said.

“If I were sure of that, I’d suck it while you drive,” she said.

“You are hot,” I said. “Nancy didn’t offer that.”

“If she switched places with me, I’d do it,” said Nancy.

“When you suck my big cock, I want you to be comfortable on your knees,” I said.

Dorothy laughed, and Nancy joined her.

“Nancy, when was the last time you had a cock this big?” said Dorothy.

“It’s likely that it was never,” said Nancy.

“The same goes for me,” said Dorothy. “I am so horny now.”

“Me too,” said Nancy.

“If you are horny, I have to eat your juicy pussies before I fuck them,” I said.

“Of course, you do,” said Dorothy.

“Nan, do you want me to take you to your house so you can show us that you are sluttier?” I said.

“Sure,” said Nancy.

“We’ll go to your house next time, Dory,” I said. “Is that okay?”

“Sure,” said Dorothy.

“Stroke my big cock to make sure it stays ready for two hot sluts,” I said as I pulled out of the parking spot.

“I can try to keep it hard, but I can’t tell if it’s ready for two hot sluts or not,” she said as I drove off.

“That’s fair,” I said. “You need to try it with your hot holes to make sure of that.”

When I stopped at a traffic light, I unzipped my fly.

“You are bad,” said Dorothy. “You shouldn’t tempt me like that.”

“Being a hot slut has its privileges,” I said.

Dorothy soon reached inside my pants and found my bare cock.

“It’s so thick and hard,” she said.

“It likes future mothers-in-law,” I said.

“Is that right?” she said.

She fondled my hard cock for a minute before she took it out.

“Nancy, take a look at his big cock,” said Dorothy.

Nancy leaned forward and looked at my cock while Dorothy stroked it.

“He has a nice cock,” said Nancy.

“I want to suck it,” said Dorothy.

“That wouldn’t be fair to Nan,” I said. “You have to get her permission.”

“Nancy, can I suck his big cock a little?” said Dorothy.

“Sure,” said Nancy.

“Now, you need my permission,” I said.

“Can I suck your big juicy cock, Nick?” said Dorothy.

“Do you promise to be a good slut for it?” I said.

“I promise,” she said.

“Go for it, but if you take it out of your mouth, you can’t take it back in,” I said. “Take it out only when done.”

“Okay,” she said.

Dorothy leaned to the side and took my cock in her mouth. She moaned as she sucked it gently.

“This is so slutty,” said Nancy.

“Are you jealous?” I teased as I leaned to the right and squeezed Dorothy’s ass.

“Just a little,” said Nancy.

“Stick a finger in your juicy pussy and let me suck it,” I said as I placed my right hand on Dorothy’s head.

“Are you serious?” said Nancy.

“Of course,” I said. “She got to taste my big cock first. I want to taste your pussy first.”

Nancy spread her legs and worked a finger inside her pussy.

“Soak it well in your juices,” I said. “I want a good taste.”

“I am so wet,” she moaned.

She offered me her glistening finger. I took it in my mouth and sucked it clean, moaning.

“I like your luscious pussy,” I said. “My big cock wants to meet it and say hi to it.”

“Thank you,” she said. “It wants that too.”

“Does it want my big cock to say hi to it, or does it want to say hi to my big cock?” I said.

“It wants to say hi to your big cock,” she said.

“You have a good pussy, Nan,” I said. “I am sure you’ll enjoy spending time with my big cock.”

“Me too,” she said.

On the drive, I occasionally reached out and felt up Dorothy’s ass.

“Nan, open the garage for us,” I said as I hiked Dorothy’s dress, exposing her ass. “I don’t want to take my big cock out of my new cocksucker’s mouth prematurely.”

Nancy went into the house and opened the garage. She had to take her car out. I drove into the garage, and Nancy brought the door down.

Dorothy continued to suck my cock when I killed the engine. I pulled her head up and kissed her. She kissed passionately while stroking my hard cock with her right hand. I fondled her tits. We broke the kiss, and I got out of the car. I opened the passenger door for her and then got Nancy’s stuff and two extra bags from the back.

Nancy led the way inside the house, and Dorothy and I followed her in while I fondled Dorothy’s bare ass and she stroked my hard cock.

“Please have a seat,” said Nancy when we entered the living room.

“Nan, get down on your knees, and suck my big cock,” I said. “You need to get permission first.”

Nancy dropped to her knees before me and looked up at me as she held my hips.

“Please let me suck your big juicy cock,” she said.

“Go for it,” I said, tossing the bags in my hand on the chair.

Nancy proceeded to suck my cock gently while I pulled Dorothy’s top down, exposing her tits. I fondled Dorothy’s tits while I kissed her and fondled her ass, making her moan into my mouth. When we broke the kiss, I used my middle finger to probe her juicy pussy. She moaned, humping my finger. I took my dripping finger out of her wet pussy and brought it to her mouth.

“You are dirty,” she said.

She took my finger in her mouth and sucked it thoroughly, moaning.

“I don’t taste bad,” she said as I returned my finger to her leaky pussy.

“I am sure you don’t,” I said, finger fucking her pussy.

While I finger fucked Dorothy at an easy pace, I fondled her tits and pinched her nipples. I switched my finger between her pussy and mouth several times, and she sucked it eagerly.

“Let me taste your horny pussy on your tongue,” I said as I finger fucked Dorothy.

Dorothy brought her mouth to mine, and we kissed deeply. Her mouth tasted of her pussy.

“It tastes good,” I said, returning my glistening finger to her mouth.

“Thank you,” she said before she took my finger in her mouth.

“I want you both on your knees on the sofa like real sluts,” I said, using my free hand to slap Nancy with my cock.

“We are real sluts,” complained Nancy.

“Show me,” I said.

Nancy got up, and I pulled her top down and hiked her dress, making her practically naked like Dorothy.

They knelt on the sofa and pushed their asses back. I inspected their asses and dripping pussies.

“Your pussies are obviously hungry for my big cock,” I said.

“Yes,” they both hissed.

Nancy gasped when I touched my cock head to her soaked pussy.

“Yes,” hissed Nancy. “Please fuck me.”

“You are a natural slut, Nan,” I said, teasing her pussy with my cock head. “You intuitively beg for my big cock.”

“Thank you,” she hissed.

“I am not going to fuck you yet though,” I said. “This is my big cock just saying hi to your little pussy.”

“My horny pussy says hi to your big cock too,” she moaned.

Her pussy soaked my cock head. I pressed my cock head into her pussy just enough for it to stretch it open but not enough for it to go in. She groaned and pushed back.

“Don’t move, Nan,” I said. “My big cock’s having a casual conversation with your horny pussy.”

“You are a tease,” said Dorothy.

“You think so?” I said.

“Yes,” she said.

“Wait until it’s your turn,” I said.

“I already know that you are torturing her,” she said.

“She isn’t complaining,” I said. “Why are you?”

“She’s afraid you might take it away,” she said.

“Is that right, Nan?” I said.

“Yes,” hissed Nancy.

“You know I have to take it away,” I said as I pulled back and moved to Dorothy’s pussy.

Dorothy moaned and squirmed as I teased her leaky pussy with my cock head.

“This is torture, but it’s sweet torture,” moaned Dorothy. “I don’t want it to stop.”

“You have an impatient pussy,” I said. “My big cock’s going to fuck it silly. You just need to have some patience.”

“I’ll try,” she said.

She groaned when I pressed my cock head into her pussy just enough to stretch her tight pussy open.

“You are merciless,” she moaned. “Doesn’t your big cock want to fuck?”

“It wants to fuck the two of you silly, and it knows that it will, so it’s taking its time,” I said.

“Your big cock’s a pussy tease like you,” she moaned.

“Nan, since you are the hostess, you decide which slut gets fucked first,” I said.

“I am a good hostess,” said Nancy. “Fuck her first.”

“Because you are a good hostess, I’ll make you come first,” I said as I knelt behind her.

“Thank you,” she said.

“Reach back, and spread your hot ass wide,” I said. “Show me that you are completely shameless.”

“You are corrupting me,” she said as she reached back. “I’ve never been this dirty.”

“I am taking advantage of the fact that you crave my big cock,” I said.

“You sure are,” she said.

She spread her ass wide, and I kissed her asshole lightly, making her gasp.

“You have a pretty asshole,” I said.

“You are silly,” she said.

“We’ll see about that,” I said, holding her hips.

The next kiss to her asshole was not that light. Her asshole tensed, but I continued to kiss it and lick it. Before long, it relaxed, and she moaned.

“He’s licking my asshole,” she moaned.

“He’s obviously a dirty boy,” said Dorothy.

“It feels good though,” moaned Nancy.

“You are a dirty girl too,” said Dorothy.

“Yes,” hissed Nancy.

Nancy surrendered to me, and I ate her asshole freely. It nibbled my tongue tip. I teased her for a few minutes and then devoured her asshole.

“He’s going to make me come,” she gasped.

“Is he still licking your asshole?” said Dorothy.

“He isn’t touching my pussy,” gasped Nancy.

“You are definitely a dirty girl,” said Dorothy.

“I am coming,” gasped Nancy, stiffening.

Nancy convulsed in orgasm, and her asshole twitched madly under and around my tongue. She finally relaxed.

“That was unbelievable,” gasped Nancy.

“Do you believe me now that I am not silly?” I teased.

“Yes,” she hissed.

“Do you want me to eat your drenched pussy now?” I said as I slid my thumb into her wet pussy.

“Yes, please,” she hissed as I soaked my thumb in her juices.

“Keep your hot ass spread wide,” I said as I gently pressed my slick thumb into her asshole.

Nancy moaned as I licked her pussy gently while worming my thumb into her asshole. She tensed a little, but her asshole soon relaxed and let my thumb in. I used my free thumb on Dorothy’s leaky pussy. They both moaned while I slowly finger fucked Dorothy’s pussy and gently reamed out Nancy’s tight asshole while licking her horny pussy.

“Do you like this, bitches?” I said.

“Yes,” they both hissed.

They both humped and milked my thumbs. I took my time licking Nancy’s pussy while I reamed out her tight asshole. I worked both thumbs at the same pace. I took my mouth off Nancy’s dripping pussy and used my thumbs to bring both of them close to orgasm. I then devoured Nancy’s pussy. She came first.

“I am coming in your mouth,” gasped Nancy.

“I am coming too,” announced Dorothy.

They both convulsed, one gushing in my mouth while her asshole twitched around my thumb and the other gushing around my thumb. I gently cleaned up Nancy’s drenched pussy while slowly working her asshole and Dorothy’s pussy.

“Spread your sexy ass, Dory,” I said as I moved behind Dorothy while keeping my thumbs where they are.

Dorothy spread her ass wide. When I kissed her asshole, she gasped, and her asshole clenched instinctively, but she did not resist or say anything. I licked and kissed her asshole more and more firmly, and it relaxed, and she started to moan and hump my face, leaking around my thumb.

“It really feels good,” moaned Dorothy.

“Is he licking your asshole?” said Nancy.

“Yes,” hissed Dorothy.

As Dorothy’s asshole welcomed my tongue, I removed my drenched thumb from her pussy and brought it to her mouth. She sucked it gently, moaning around it. I teased her nipple with my wet thumb. I continued to ream out Nancy’s asshole while I probed and sucked Dorothy’s. Both moaned and humped back.

Dorothy humped my face more and more urgently, and I picked up the pace. I finally devoured her responsive asshole until she reached orgasm.

“I am going to come,” gasped Dorothy. “My asshole’s going to come.”

She stiffened within several seconds.

“I am coming,” she gasped.

She writhed, thrusting her ass into my face, while her asshole twitched around my tongue. I wrapped my arm around her thighs to keep her asshole on my mouth until her orgasm subsided, leaving her panting.

“Do you want me to clean up your pussy?” I said, sliding my thumb into her soaked pussy.

“Yes,” she hissed.

Her asshole clenched when I touched it with my slick thumb. I massaged it gently before I slowly wormed my thumb inside it, making her moan. When my thumb was all the way up her ass, I proceeded to lick her drenched pussy. She moaned and humped my face. I moved my thumb within her asshole, loosening it up gradually. I teased her horny pussy while I reamed out her asshole.

“Has either of you ever been fucked up her hot ass?” I said.

“No,” they both said, both assholes twitching.

“No wonder your luscious assholes are so tight,” I said. “You know that’s going to change, don’t you?”

Their assholes clenched.

“Aren’t you too big?” said Nancy.

“Of course,” I said. “That’s why I am reaming out your virginal assholes. Otherwise, I’d have been fucking them.”

“Wouldn’t that hurt?” said Dorothy, her asshole clenching.

“Do you want it to?” I said.

“No,” she said.

“I like your sweet assholes, my hot sluts,” I said. “I am not going to hurt them. I want you to relax and have fun.”

“Okay,” she said.

“Are you okay with that, Nan?” I said.

“Yes,” hissed Nancy.

“This is going to be the most thrilling day of your lives,” I said.

“It already is for me,” moaned Dorothy.

“That goes for me too,” said Nancy.

With the expectations set, I devoured Dorothy’s pussy, making her gush into my mouth. Her asshole twitched around my thumb while she came.

“Nan, grab an enema package off the chair, and go clean up well,” I said. “I’ll go very deep up your luscious ass.”

“Oh!” said Nancy as I removed my thumb from her asshole.

“Meanwhile, I’ll fuck Dory’s cock-craving pussy,” I said.

Nancy grabbed a bag and headed to the bathroom.

“You need to beg for it,” I said as I got up and teased Dorothy’s dripping pussy with my cock head.

“Please fuck my horny pussy with your big cock,” begged Dorothy.

“You don’t mind if I continue to ream out your virginal asshole while I fuck your married pussy, do you?” I said.

“Not at all,” she said.

She moaned, groaned and pushed back as I gently penetrated her soaked but tight pussy.

“I am coming,” she gasped when I was all the way in. “You have an incredible cock.”

“Enjoy it, bitch,” I urged.

Her asshole twitched around my thumb, and she convulsed wildly. I thrust in her gushing pussy until her orgasm subsided. I picked up the pace as she recovered.

“Fuck my horny pussy,” she moaned, fucking back.

“You are a married slut, aren’t you?” I said as I pinched her right nipple.

“Yes,” she hissed.

“My big cock likes you,” I said. “It wants you to be its regular whore. Do you want that, bitch?”

“Yes,” she hissed.

“From now on, you’ll be my dirty whore,’ I said.

“Yes,” she hissed.

“Come for me, bitch,” I said, picking up the pace.

She fucked back energetically and soon stiffened.

“I am coming on your big cock,” she gasped.

“Good dirty whores do that all the time,” I said.

“I am a good dirty whore,” she gasped.

She convulsed, and I fucked her twitching pussy hard, giving her a harder orgasm than before.

“My big cock likes future mothers-in-law as long as they are present whores,” I said.

“You are a very horny guy,” she gasped.

“Wasn’t that why you begged me to fuck you?” I said, picking up the pace.

“Yes,” she gasped.

Dorothy came again.

Nancy returned in time to watch Dorothy have her next orgasm.

“Suck my big cock in appreciation of what it has just done for you,” I said, pulling out.

Dorothy turned around and pounced on my dripping cock. She sucked it eagerly.

“Grab a similar package off the chair, and get cleaned up while I use your fellow slut’s pussy,” I said.

“Okay,” she said, getting up.

“Return to your position, Nan,” I said.

Nancy assumed the position as Dorothy took the enema package and went away.

There was lube in one of the bags lying on the chair. I took it out.

“You are a natural at begging for cock,” I said, brushing Nancy’s leaky pussy with my cock head. “Do it, baby.”

“Please fuck my cock-hungry pussy with your big cock,” she begged.

“Just like that, baby,” I said, pushing my cock into her pussy.

She moaned as I entered her pussy. I paused when my cock head penetrated her tight pussy and squeezed lube on her asshole. I used my thumb to massage her asshole.

“Relax, Nan, baby,” I said, thrusting gently in her pussy while corkscrewing my thumb into her tight asshole.

“Your cock’s big,” she moaned.

“That’s how it should feel in tight little pussies,” I said.

My cock took a minute stretching and stuffing her tight pussy. She came before I was all the way in. My thumb was all the way up her ass though.

“I am coming on your big cock, baby,” she gasped.

“Come for me, you hot bitch,” I urged, shoving the rest of my cock into her twitching pussy.

She convulsed, and I fucked her gushing pussy hard while jerking my thumb within her ass.

“You have an amazing cock,” she gasped when her orgasm subsided.

“You are my dirty whore, aren’t you?” I said, thrusting gently in her drenched pussy.

“Yes,” she gasped.

“A good dirty whore’s always at the service of the big cock she belongs to,” I said.

“I’ll always be at your big cock’s service,” she gasped.

“With every hole you have?” I said, pulling on her anal ring.

“Yes,” she hissed.

“Are you ready to get fucked, my dirty whore?” I said.

“Yes,” she hissed.

“Enjoy,” I said, picking up the pace.

Nancy had three harder orgasms.

Dorothy watched Nancy’s last orgasm.

“Clean up the big cock your slutty pussy drenched,” I said, pulling out of Nancy’s pussy.

Nancy turned around and sucked my dripping cock hungrily.

“Get on your backs, and pull your legs over your heads,” I instructed.

They both got into position.

“Spread your hot asses wide,” I instructed.

They spread their asses readily.

“I’ll warm you up for what you are here for,” I said as I knelt down.

“What are we here for?” asked Dorothy.

“You don’t know?” I said.

“We are here to get our virgin asses fucked?” she said.

“Royally,” I said, grabbing the lube. “You are going to get fucked like royalty or better.”

“I’ve never thought I’d ever do this,” said Nancy as I generously squeezed lube on her splayed asshole.

“Me neither,” said Dorothy as I squeezed lube on her asshole and slid a middle finger into Nancy’s tight asshole.

“I am glad you are not limited by your dreams,” I said as I slid my other middle finger into Dorothy’s offered ass.

They moaned, and their assholes milked my fingers as I slid them in and out. I soon squeezed a second finger into each asshole, stretching them wider. They groaned as I gently finger fucked their asses with two fingers each. I occasionally rubbed their leaky pussies with my thumbs.

After a few minutes of probing and gentle anal stretching, I squeezed my ring fingers in. I was gentler and slower as I corkscrewed three fingers into each virgin asshole, stretching them wide. They groaned and squirmed as my fingers made their way up their tight asses. Their pussies continued to leak. I used my thumbs to transfer their excess juices to the fingers I used on their assholes.

“You like having your horny assholes stretched, you whores?” I teased.

“Yes,” they hissed.

“This just the warm-up,” I said. “You’ll soon experience the real stretching with the perfect tool for it.”

After several minutes of finger pumping, twisting and swirling, their assholes relaxed enough to take my fingers comfortably. I continued to ream them out for a few more minutes.

“Nan, I want to deflower your luscious ass first,” I said, making Nancy’s asshole twitch. “Is that okay?”

“Yes,” hissed Nancy.

“Are you thrilled about being a complete dirty whore for me?” I said.

“Yes,” she hissed.

“Is that okay by you, Dory?” I said.

“Yes,” hissed Dorothy.

“You won’t think that she’s a bitch because she’s getting her virgin asshole skewered before yours?” I said.

“I’ll just think she’s your bitch just like me,” she said.

“She thinks you are both my bitches,” I said to Nancy. “Is that okay with you?”

“Sure,” said Nancy. “That’s a fact.”

While I continued to ream out Dorothy’s asshole, I removed my fingers from Nancy’s ass, making her gasp, and squeezed lube on her asshole and on my cock. I lubed my cock thoroughly before I aimed it at Nancy’s splayed asshole. Her pussy was drenched.

“Are you going to beg for it, my sexy bitch?” I said, touching my engorged cock head to Nancy’s offered asshole.

“Please fuck my virgin asshole with your big cock,” begged Nancy.

“You want me to take your hot ass and make you all mine?” I said, pressing my cock head into her asshole.

“Yes,” she hissed.

Her asshole clenched and dilated gradually as I maintained firm pressure on it.

“Relax, and enjoy yourself, my bitch,” I said.

She moaned quietly as my cock head sank slowly into her tight asshole.

“I’ll soon be balls deep up your sizzling ass,” I said.

“I can’t wait,” she moaned.

“Me neither,” I said.

Finally, my bulbous cock head popped past her asshole, making her gasp and making her asshole clench.

“Dory, my big cock has penetrated Nan’s luscious asshole,” I said, pausing.

“How does it feel?” said Dorothy.

“It feels so hot and tight to me,” I said.

“How does it feel to you, Nancy?” she said.

“It feels unbelievably big,” moaned Nancy.

“Does it hurt?” asked Dorothy.

“No, but it’s stretching my tight asshole to the limit,” moaned Nancy.

“Dory, her pussy’s leaking like a loose faucet,” I said.

“Yes,” hissed Nancy.

“So, she likes it,” said Dorothy.

“Yes, hissed Nancy.

“I bet you that her tight ass is hungrier for my big cock than her horny pussy ever has been,” I said to Dorothy.

“Yes,” hissed Nancy.

“You are a genuine whore, Nan,” I said, thrusting in Nancy’s ass gently. “I am going to keep you as mine.”

“Thank you,” moaned Nancy.

“Thank you for being so hot and being mine,” I said as I squeezed extra lube on her asshole and my cock.

“You are welcome,” she moaned.

“Your hot ass was definitely made for my big cock,” I said.

“Yes,” she hissed.

“It feels incredible on my big cock,” I said.

“Enjoy it, lover,” she moaned.

My hard cock maintained its slow advance into her tight ass.

“I am going to come, Nick,” she groaned when I was most of the way in.

“Let your slutty asshole come for the big cock it belongs to,” I said.

“It’s going to come even if I don’t want it to,” she gasped.

“You can’t stand in front of true love, can you?” I said.

“No way,” she gasped, stiffening. “I am coming.”

As her orgasm started, I shoved the rest of my cock in. Her orgasm exploded, and she convulsed wildly. I held her legs by the ankles and thrust in her twitching ass, using short fast strokes. She came hard and then went limp.

“Now, you are officially my dirty whore,” I said, thrusting gently in her ass.

“With pride,” she gasped. “That was amazing.”

“I take it that you still know how to have fun,” I said.

“I’ve never known how to have this much fun,” she gasped.

“You are not too old to learn new things,” I said.

“I feel as if I’ve just lost my virginity,” she gasped.

“You were meant to be an ass whore, Nan,” I said. “You’ve just lost that virginity indeed.”

“Fuck my horny ass, lover,” she moaned. “Use my slutty ass.”

“That’s why I am here, Nan,” I said. “I’ll show you how much fun it can be for you to be my dirty ass whore.”

“Do it, baby,” she said.

“You obviously love this,” said Dorothy as I picked up the pace.

“Wait until you try it, Dorothy,” said Nancy. “You haven’t been fucked yet.”

“I can’t wait,” said Dorothy.

Nancy's leaking pussy juices helped lube my cock and her asshole as I fucked her ass at a slow pace. She moaned and humped my cock gently. The pace accelerated slowly. I soon fucked her ass at an easy pace. Her tight asshole milked my cock exquisitely, keeping it leaking inside it.

"Fuck my ass, baby," smiled Nancy.

"You like this, don't you?" I said.

"I love it," she said. "Don't you?"

"Of course, I do," I said. "You have a sizzling ass."

While fucking Nancy's ass rhythmically, I stuck two fingers into Dorothy's leaky pussy. I finger fucked it for a minute and then offered my dripping fingers to Nancy.

"Suck my fingers, baby," I said.

Nancy hesitated for a second before she opened her mouth and let me stick my fingers in. She sucked my fingers thoroughly, moaning around them in the end.

"She has a delicious pussy, doesn't she?" I said.

"Yes," hissed Nancy.

"Let's see what she thinks about yours," I said, sticking my fingers into Nancy's drenched pussy.

Dorothy did not hesitate to suck my glistening fingers. She moaned too.

"She has a delicious pussy too?" I said to Dorothy.

"Yes," hissed Dorothy.

"I may let you taste each other firsthand later," I said. "You are my dirty whores after all."

"You want to make us completely depraved," said Dorothy.

"That's why it's unlikely for me to be found in a living room with two choirgirls," I said.

"They wouldn't let you do this to them, would they?" she said.

"They might, but they'd quit the choir, and that would be a loss," I smiled.

"Not to them or you, I bet," she said.

"Of course not," I said.

"Is your hot ass ready to get fucked hard, Nan?" I said, squeezing lube on my cock as it pumped Nancy's asshole.

"Yes," hissed Nancy. "Fuck it."

"You got it, my cock-hungry bitch," I said, picking up the pace.

"This is so much fun," she gasped.

"This is what dirty whores like you were made for," I said.

Nancy gasped for a minute before her next orgasm caught up with her.

"I am going to come," she gasped.

"Have a blast, my whore," I said as I grabbed her ankles and pounded her defenseless ass.

"I am coming," she gasped.

She shook wildly while I drilled her twitching ass hard. I slowed down when her orgasm subsided.

“That was the best orgasm of my life,” she gasped.

“You look and feel wonderful when you come hard,” I said.

“Aren’t you going to fuck my ass?” said Dorothy.

“Of course, I am,” I said. “I’ll make her horny ass come once more, and, then, I’ll drill yours.”

Nancy recovered, and I fucked her ass again to another orgasm. I let her catch her breath while I thrust gently in her hot ass. I finally slowed down and pulled out.

“Suck it, Nan,” I said.

Nancy sat up and took my cock in her mouth without hesitation. She sucked my cock eagerly for a few minutes. While she did, I squeezed lube on my fingers and reamed out Dorothy’s asshole.

“You want it, Dory?” I said.

“Yes,” hissed Dorothy.

“You need to beg for it,” I said as I pulled out of Nancy’s mouth.

“Please fuck my virgin ass with your amazing cock,” begged Dorothy as I touched my cock head to her asshole.

“You want to be my dirty whore like Nan?” I said, squeezing lube along my shaft.

“Yes,” hissed Dorothy.

“Enjoy your first ass fuck ever, bitch,” I said, pressing my cock head into her splayed asshole.

“Thank you,” she moaned.

My cock head slowly opened her clenching asshole, sinking in slowly. She moaned quietly.

“It’s really big,” she gasped when my cock head popped up her ass.

“This is what your cock-craving ass needs,” I said, pausing.

“Yes,” she hissed.

“Is it big enough for you?” I teased.

“It’s almost too big but not quite,” she moaned.

“I take it that you like it,” I said, reaching for her dripping pussy.

“Yes,” she gasped as I slid my thumb into her leaky pussy.

“You are a dirty whore,” I teased, swirling my thumb inside her.

“Yes,” she hissed as I pulled my thumb out of her.

“Taste yourself,” I said, offering her my drenched thumb.

She sucked my sticky thumb eagerly, moaning around it.

“What do you think?” I said.

“I am a cock-craving bitch,” she smiled.

“Is this where you belong?” I said.

“Yes,” she hissed.

“Enjoy,” I said, thrusting gently in her ass.

My hard cock advanced slowly but surely into the depths of Dorothy's sizzling ass. Nancy watched my cock skewer her new friend's virgin asshole. Dorothy came when she felt my balls press into the back of her spread ass.

"Oh, I am coming!" gasped Dorothy, stiffening.

"That's okay, you hot bitch," I said, thrusting in her ass with short fast strokes.

She convulsed wildly in her longest and hardest orgasm. When she calmed down, I fucked her ass gently.

Dorothy recovered, and I fucked her ass, making her come twice.

"Suck it, Nan," I said as I pulled out of Dorothy's ass and aimed my cock at Nancy's mouth.

Nancy did not hesitate to take my cock in her mouth and suck it eagerly. I pushed my cock into Dorothy's drenched pussy and let Nancy suck it again.

"Get on your knees, Nan, baby, and push your hot ass out," I instructed.

Nancy assumed the position right away.

"Dory, get up and spread her horny ass for my big cock," I said.

Dorothy sat up and spread Nancy's ass with both hands. I squeezed lube on Nancy's asshole and skewered it with my cock. Dorothy watched intently as I sank my cock all the way up Nancy's offered ass.

"This is a serious stuffing," said Dorothy. "No wonder I could almost feel it in my throat."

"This is why hot women have sexy asses," I said.

"I wouldn't have believed that had I not experienced it with my own cock-craving ass," she said.

Nancy's asshole relaxed quickly, and I fucked it briskly to orgasm.

Dorothy was startled when I aimed my cock at her mouth, but she knew what to do and did it right away. I dipped my cock in Nancy's soaked pussy and let Dorothy clean it up again.

"Dory, assume the position, and let her spread your slutty ass," I said.

Dorothy got into position, and Nancy sat next to her and spread her ass for me. I lubed Dorothy's asshole and fucked it the same way I had just fucked Nancy's. I let Nancy taste Dorothy's ass and then soaked pussy on my cock.

"I want to fuck your hot asses while you sixty-nine," I said. "Dory, lie back on the sofa, and let Nan mount you. I'll fuck her ass while you spread it for me and each of you eats the other's horny pussy."

They got into position, and I lubed Nancy's spread ass and fucked it until Nancy gushed in Dorothy's mouth.

"Nan, make her come in your mouth," I instructed, thrusting gently in Nancy's ass.

Nancy picked up the pace and made Dorothy come in her mouth.

"Roll over," I said, pulling out of Nancy's ass.

They rolled over, and I fucked Dorothy's ass similarly.

"You are now best friends, aren't you?" I said as I pulled out of Dorothy's ass.

"Yes," they both said.

"Dory, I want you to sit back and pull your legs over your head so Nan can kneel astride you," I said. "I want your nether fuck holes in a row."

They got up and got into the position.

"Dory, it's your job to spread the ass I am fucking," I said, squeezing lube on Nancy's asshole. "Spread her ass."

Dorothy spread Nancy's ass, and I impaled it with my cock. I held Nancy's hips and proceeded to fuck her ass. After Nancy came, I moved my cock to Dorothy's ass as Dorothy spread it for me. I switched my cock between their asses a few times and fucked each pussy once.

"Dory, is your hot ass ready for my come?" I said as I drilled Dorothy's ass.

"Yes," gasped Dorothy. "Fill it with your hot come."

Dorothy soon stiffened, and I filled her convulsing ass with come while she had her hardest orgasm so far. I ground into her ass, and she milked my cock with her asshole after our orgasms subsided. I finally pulled out.

"Nan, use two fingers to scoop some come out of her gooey ass, and feed it to her," I said.

"Okay," said Nancy as she dismounted Dorothy and knelt next to her.

Nancy tentatively wormed two fingers into Dorothy's come-filled ass. She scooped come out and fed it to Dorothy, who did not hesitate to suck the come off Nancy's sticky fingers, moaning around them.

"Scoop some for yourself," I instructed.

Nancy returned her fingers to Dorothy's slimy ass and sucked the come off her fingers, moaning approvingly.

"Nan, you want come up your own slutty ass?" I said as I sat on the sofa.

"Yes," said Nancy.

"I am sure Dory would love to help you suck my cock back to full hardness especially that I am going to fuck every hole either of you have," I said.

"Sure," said Dorothy, sitting up.

They knelt on the floor before me and proceeded to lick and suck my sticky cock. They had fun sucking my cock together, and so did I. My cock grew in their mouths, and they sucked it more eagerly.

"Nan, get your pussy fucked," I said, pulling Nancy up.

Nancy straddled my cock in the cowgirl position and proceeded to ride it. I held her bouncing ass and paced her. She soon came, drenching my cock in her copious juices.

"Your turn, Dory," I said as I helped Nancy dismount me.

Dorothy rode my cock similarly and came on it.

"Kneel side by side," I said as Dorothy got off my cock. "I'll fuck you like the cock-craving bitches you are."

They got into position, and I started with Nancy's ass. I lubed it and proceeded to fuck it briskly. After Nancy came, I thrust in her drenched pussy for a minute before moving to Dorothy's mouth. Dorothy sucked my dripping cock clean, and I fucked her ass similarly. I switched my cock between their offered asses, pussies and mouths several times in that position.

"Roll over, bitches, and open yourselves obscenely," I said.

They got on their backs and pulled their legs over their heads, spreading their asses wide. I lubed my cock and started with Dorothy's ass. About an hour later, I was ready to come in Nancy's horny ass.

"Nan, are you ready for the come?" I said.

"Yes," gasped Nancy. "Flood my ass with your creamy come."

"Come, and get it," I said, fucking her ass harder.

"I am coming," she gasped, stiffening.

Nancy convulsed in orgasm, and I pumped her twitching ass full of come. She squeezed my cock as I pulled out.

“Dory, you need to return the favor,” I said. “Let her taste the come, and then have a taste yourself.”

Dorothy sat up and stuck two fingers up Nancy’s slimy ass. Nancy eagerly sucked the come off Dorothy’s sticky fingers. Dorothy then scooped come for herself and eagerly sucked it off her fingers.

“Suck my cock clean,” I said.

They both sat on the sofa and sucked my cock clean.

“I think we are now ready for dinner,” I said. “Nan’s going to suck my cock on the drive.”

They visited the bathroom together to freshen up.

Nancy returned her car to the garage, and I drove off, my cock in her mouth.

DAVE’S AND DEREK’S DADS

Beth was wearing an outrageous tank dress when she picked up Derek’s dad.

“Hi, Mr. Campbell,” she greeted with a wide smile when he opened the door for her. “Are you ready for the date?”

“Hi, Beth,” said Walter. “I am ready.”

“Let’s go,” she said.

She led him to her car and opened the passenger door for him.

“I should open the door for you,” he said.

“That’s okay,” she said. “I am sure you’ll show me a good time.”

She got into the driver seat and drove off. As she drove, the right side of her neckline slipped and exposed her right nipple. She acted as if she did not notice. He noticed right away but did not know what to say.

“Your boob’s exposed,” he nervously said a minute later.

“Excuse me?” she said, looking at him.

“Your boob,” he said, pointing at her nipple.

“Oh!” she said. “It must have wanted to say hi to you. It shouldn’t do that, but it apparently likes you.”

He was speechless as she left her nipple sticking out.

“Would you mind straightening my top because I am busy driving?” she said. “You know how women’s driving’s bad. I don’t want to cause an accident.”

“Okay,” he said after some hesitation.

He nervously reached for her strap with a trembling hand and pulled it up. That covered her nipple. When he let go and pulled his hand away, the top slipped down again, exposing the nipple. She ignored it. He was more nervous than before. He did not know what to do.

“It’s still out,” he said after a while.

“What’s out?” she said.

“Your boob,” he said.

“Oh!” she said as she looked down. “You didn’t know how to cover it? I guess men can only take women’s clothes off. Have you ever helped a woman put on her bra or panties?”

“No,” he said, blushing.

“Have you ever taken a woman’s bra or panties off?” she said.

“Yes,” he said lowly.

“I am sure you can take my other boob out effortlessly, but you can’t cover this one without training,” she said.

“Maybe your dress isn’t the right size,” he said.

“Mr. Campbell, you’ve just admitted that you’ve never helped a woman get dressed,” she said. “You can’t expect to be good at it without training.”

“That’s true,” he said.

“By the way, can we call each other by our first names since we are practically family?” she said.

“Sure,” he said.

“Walter, admit it,” she said. “You can’t cover a woman’s tit, but you can take it out.”

“I guess that’s true,” he said.

“I hope you are not offended by my wayward nipple,” she said.

“I am not offended, but you may not want to leave it exposed,” he said.

“You are an honest man, Walter,” she said. “I don’t mind having my tit out in your presence as long as you don’t.”

“I am okay with it,” he said.

“Thank you,” she said. “I don’t know what to do with my nipple though. Do you think I should punish it because it came out and wanted to say hi to you?”

“I don’t think you should punish it,” he said. “It must have been an accident.”

“You are nice, Walter,” she said. “Are you always nice to women’s naughty nipples?”

“I don’t know,” he said. “This situation has never happened to me before.”

“This is the first naughty nipple you met?” she said.

“I am not sure your nipple’s naughty, but it’s the first one I met like this,” he said.

“If it isn’t naughty, what would you call it?” she said.

“I call it nice,” he said.

“You are biased,” she said. “You call it nice because it came out to say hi to you. Had it come out to say hi to another guy, I am sure, you’d have called it naughty.”

“I don’t think so because this was an accident,” he said.

“Have you ever said hi to anyone by accident?” she said.

“No,” he said.

“My nice nipple said hi to you,” she said. “Shouldn’t you be nice and say hi to it? You can wave too.”

“Hi,” he said, looking at her nipple and waving, after some hesitation.

“Thank you,” she said. “My nipple likes you. Do you like it?”

“Yes,” he said.

“I am an easygoing girl,” she said. “You don’t think that I am a whore for not being embarrassed about my nipple?”

“No, of course not,” he said.

“I like the fact that you are easygoing too,” she said. “Some guys may get stuck about my nice nipple.”

“This is okay with me,” he said.

“I don’t take everything in a sexual way,” she said. “You may touch my nipple if you want.”

“I don’t need to do that,” he said.

“Go ahead, and touch it anyway,” she said. “It would make us more comfortable about it. Just be gentle with it. It’s delicate and sensitive. You can tickle it and pinch it lightly though.”

He hesitated.

“Touch it,” she said. “Don’t act like perverts who think everything’s sexual.”

He reluctantly reached out with his right hand and tickled her nipple, making her gasp.

“Give it a gentle pinch,” she said. “It likes that.”

He pinched her nipple.

“Twist it just a little,” she said.

He obliged her.

“Can you feel it stiffen in your fingers?” she said.

“Yes,” he said.

“You already know that women’s nipples like attention, don’t you?” she said.

“Yes,” he said.

“Unfortunately, most men are rough with them,” she said. “Keep it light and gentle.”

He teased her nipple for a minute and then took his hand away.

“Why did you stop?” she said. “You didn’t like it?”

“I did, but I don’t think we should do it,” he said.

“You still think it’s wrong,” she said as she reached out and grabbed his hand. “Don’t. Just try to be gentle.”

She returned his hand to her nipple, and he resumed teasing it.

“Can you wet your fingers in your mouth so it reduces the friction a little?” she said. “Drool on your fingers.”

He drooled on his fingers and continued to play with her nipple.

“Although this isn’t sexual, the nerves are still connected to my crotch,” she said, parting her knees. “It feels like you are massaging my crotch but in a good way.”

“Is it turning you on sexually?” he asked.

“No more than it’s turning you on,” she said. “It’s a minimal degree because of the way we are wired. Don’t stop.”

“Okay,” he said.

“Do you enjoy doing this?” she said. “I like it a lot because it gets us closer together.”

“Me too,” he said.

“It’s nice that you can stay nice and gentle this long,” she said. “Most guys can’t.”

“I don’t want to hurt your delicate nipple,” he said.

“Thank you,” she said. “My nipple and I appreciate that. My nipple would love to play like this all day.”

“I am glad you like it,” he said.

“I’ll want you to do this whenever we get a chance,” she said.

“Unfortunately, we can’t have many chances,” he said.

“In that case, we’ll need to create ones,” she said.

“I guess so,” he said.

Beth arrived at the house within a minute and drove into the garage. He took his hand off her tit.

“We have to suspend this temporarily,” she smiled as she closed the garage door.

They got out of the car, and she led him into the living room.

“Have a seat,” she said.

He sat down, and she pulled her top down, exposing both tits, and climbed astride him, smiling.

“What are you doing?” he said in panic.

“Relax,” she said calmly.

“You shouldn’t do this,” he said.

“I shouldn’t do what?” she said.

“You are exposing your boobs,” he said.

“You are being silly,” she said. “You’ve already seen my nipple. I am just showing you my other nipple. Don’t you want to be fair to it and play with it a little?”

“I am not sure this is a good idea,” he said.

“Why not?” she said.

“What if your husband came home?” he said.

“You are afraid he might misunderstand?” she said.

“Yes,” he said.

“My husband trusts me,” she said. “All I need to do is explain it to him. Your wife usually jumps to conclusions?”

“If she caught us like this, I don’t think there is a way she’d accept any explanation,” he said.

“Do you know why?” she said.

“Why?” he said.

“Would you let her explain if you caught her like this?” she said.

“Maybe not,” he said.

“It’s the same reason,” she said.

“I guess you are right,” he said.

“In my case, if I caught Nick having full sex with a woman, I’d listen to him,” she said. “What if he was seduced? He isn’t a saint. I know he isn’t. Is it impossible for any guy to be tempted or seduced?”

“Of course not,” he said.

“Is it impossible for a woman to be tempted or seduced?” she said.

“No, either,” he said.

“We should trust each other,” she said, guiding his left hand to her left tit.

As he toyed with her left nipple, she drooled on her right nipple and teased it with her fingers.

“This is nice,” she said. “Thank you for doing it for me.”

“You are welcome,” he said.

She drooled on her right nipple and guided his left hand to it.

“You are good at this,” she said. “You might as well do both nipples.”

He toyed with her new nipple, and she drooled on the other.

“Shouldn’t people be able to do this freely?” she said.

“Yes,” he said.

He toyed with her nipples for a few minutes while she drooled on them occasionally.

“Use your mouth, but remember to be gentle,” she said as she held the back of his head and brought her left nipple to his mouth. “You are not a starved baby sucking for milk. We are doing this for fun and companionship.”

He did not resist before he took her stiff nipple in his mouth and sucked it gently.

“Just like that,” she said. “You are good. Hold the tit, and torture the nipple. Let it feel your skill.”

He sucked her nipple for a minute, and then she switched tits. He sucked the other.

“Although this isn’t supposed to be sexual, it’s making my little pussy drool,” she said.

She reached between her legs with her left hand and fingered her leaky pussy.

“My pussy’s soaked,” she moaned softly.

She scooped pussy juices on her fingers and wiped them on her left nipple. When he returned to her left nipple, he sucked her pussy juices off her nipple.

“Do you like the taste of my nipple with my pussy flavor?” she said as she fingered her pussy with her right hand.

He moaned approvingly.

She soaked her fingers in her pussy and wiped them on her right nipple. He soon sucked them off.

“Feel how wet it is,” she said, guiding his right hand to her pussy.

She held his hand until his fingers touched her dripping pussy.

“Can you feel the wetness?” she said.

“It’s soaked,” he said.

“Massage its inside very gently,” she said. “Don’t finger fuck it. Just massage it nicely.”

He proceeded to work his fingers in and out of her pussy at a slow pace.

“This is nice, but I want you to massage its inside,” she said. “It’s full of muscles. Massage them.”

He massaged the walls of her pussy while he pumped his fingers in and out.

“When your fingers get soaked, suck them clean so the juices won’t drip all over your pants,” she said.

He started to suck her juices off his fingers regularly.

“Do you like the taste of my pussy?” she said.

“Yes,” he said.

“Why don’t you taste it firsthand while you lick it clean?” she said.

“Are you sure?” he said as she dismounted him.

“Of course,” she said. “You won’t eat my pussy. Just lick the leaking juices so they don’t drip all over the place.”

She got on her back at the other end of the sofa. She pulled her legs over her head and spread her ass obscenely.

“My pussy’s like some people,” she said as he knelt before her. “It doesn’t distinguish between sex and play.”

“It’s drenched,” he said.

“That’s why you are there,” she smiled. “Lick it clean, but be slow and gentle. I don’t want it to misunderstand.”

“Your pussy’s beautiful,” he said.

“Really?” she said.

“Yes,” he said.

“Thank you,” she smiled. “Give it a kiss. Show it that you like it.”

He kissed her pussy lightly on her clit, making her gasp.

“Thank you,” she said.

“You are welcome,” he said.

He gave her leaky pussy a tentative lick.

“It’s juicier than a watermelon,” he said.

“Enjoy, but be slow and gentle,” she said.

“Sure,” he said.

He licked her pussy gently, and it leaked constantly. She moaned quietly.

“You are so nice,” she said. “It’s hard to find someone to do it like that.”

She reached out and grabbed the lube off the end table. She squeezed a generous amount on her fingers and used two fingers to lube her asshole thoroughly, moaning. He watched her do that. She repeated that and then put the lube back. He resumed licking her pussy.

“Stick a finger up my ass,” she said, spreading her ass with both hands. “Be gentle and slow please.”

He inspected her asshole before he gently pushed his middle finger in, making her moan.

“Don’t work it in and out,” she instructed. “Swirl it around, and stretch the muscles instead.”

He proceeded to ream out her asshole gently while licking her leaky pussy.

“My asshole has opened up,” she said a minute later. “Stick a second finger inside it, and continue.”

He squeezed his index finger in and continued to ream out her asshole.

“Stretch that tight ring,” she moaned.

She leaked in his mouth while he worked on her asshole.

“You are stretching the muscles nicely,” she moaned. “Stick a third finger in.”

He carefully squeezed his ring finger into her asshole.

“That’s it,” she moaned. “Now, it’s stretched wide.”

He continued to stretch her asshole while licking her juicy pussy.

“You don’t think that I have a slutty ass because I like to have it stretched, do you?” she said.

“No, of course not,” he said.

“Does Dorothy let you stretch her little asshole like this?” she said.

“No,” he said.

“She doesn’t like to have her little asshole stretched wide?” she said.

“No,” he said. “She doesn’t let me touch it.”

“Do you like toying with my asshole like this, or am I being mean to you and you are being nice?” she said.

“I like doing this,” he said.

“You like how my little asshole responds to your fingers, milking them hungrily?” she said.

“Yes,” he said.

“Does Dorothy let you have anal sex with her?” she said.

“No, never,” he said.

“Have you ever had anal sex before?” she said.

“No,” he said.

“Does it disgust you?” she said.

“No,” he said.

“Do you wish she’d let you do it, or don’t you like it either?” she said.

“I wish we’d try it,” he said.

“Walter, you’ve been very nice to me,” she said. “I have to let you try it with me.”

“That’s cheating,” he said, his cock twitching.

“Not if you wear a condom,” she said. “Safe sex isn’t real sex. It’s no different from what we’ve been doing. You’d be nice and gentle too. Your hard cock should be able to stretch my asshole much better than your fingers too.”

“I don’t have condoms,” he said.

“Would you fuck my tight ass if you had condoms?” she said.

“Yes,” he said.

“You are a good man, Walter,” she said. “Why don’t you let me suck your cock while we think of something?”

“Are you sure?” he said.

“Walter, you’ve toyed with my nipples and sucked them, licked my leaky pussy and fingered my tight asshole,” she said. “There are very few things I wouldn’t do for you. Please let me suck your cock. I’ll be nice and easy on it.”

“Okay,” he said.

“Get up,” she said, sitting up.

He stood up before her, and she reached out for the front of his pants. She undid his pants and let them fall to the floor. She then pulled his underwear down, setting his cock free. His cock was partly hard. He stepped out of his pants and underwear and kicked them to the side while she stroked his cock with her left hand.

“Your cock apparently wants to meet me,” she said, waving at his cock with her right hand. “Hi, there.”

“It says hi,” he said.

“Does it want me to kiss it and suck it?” she said.

“Yes,” he said.

“Sit back, and let me get to work then,” she said.

He sat back on the sofa, and she knelt before him.

“This isn’t crazy cock sucking,” she said, stroking his hard cock. “This is just being nice to your hard cock because you were so nice to me. Is that okay?”

“Yes,” he said.

“I don’t want you to think that you and I are misbehaving,” she said. “We are just being nice to each other within the limits of propriety. If other people misunderstood this, it’s their problem, isn’t it?”

“Yes,” he said.

“Many people might think this is cock sucking, but I assure you that you’ve never experienced it before,” she said.

“I am sure of that,” he said.

“I like how your cock stands at attention and shows respect to me,” she said.

“It has to,” he said. “You are a lovely woman.”

“Thank you,” she said.

She stroked his hard cock slowly while she licked and teased his balls. She then started at the bottom of his cock and teased and licked her way up its underside. His cock twitched as it achieved maximum hardness.

“Does your cock like how my tongue toys with it?” she said.

“It does very much,” he said.

“If you are honest, it will soon leak for me,” she said. “Is it going to leak for me?”

“I am sure of that,” he said.

She continued to tease the underside of his cock until it started leaking.

“Your cock’s leaking,” she said excitedly. “You are honest. I am so glad I am not sucking the cock of a bad guy.”

“You are a nice woman, Beth,” he said. “I have to be honest with you.”

“The nicer to me you are, the nicer I am to your hard cock,” she said. “Do you want me to lick your cock head?”

“Yes, please,” he said.

“Maybe suck it a little too?” she teased.

“Yes,” he said.

“Walter, I love sucking your cock,” she said. “Relax. Your cock’s in good hands.”

“I am sure of that,” he said.

“Do you know what I want to do?” she said.

“What?” he asked.

“I want to convince you that your cock has never been in better hands,” she said.

“I am sure of that,” he said.

“It wouldn’t hurt to convince you though, would it?” she said.

“No,” he said.

She teased his engorged cock head, making him squirm and moan occasionally. She then licked his leaking fluids.

“Is your hard cock happy?” she said.

“Oh, yes,” he said.

“As long as you don’t think I am a whore although I seem to be acting like one, I’ll be very nice to it,” she said.

“I’d never think you are a whore,” he said.

“As long as you think I am a prim and proper woman, your cock will be in heaven,” she said.

“Of course, you are a prim and proper woman,” he said.

She took half his cock head in her mouth and sucked it gently, varying the pressure constantly. His cock pulsed and leaked in her mouth.

“Did you like that?” she said.

“Yes,” he said.

“Would you like me to take your entire cock head in my mouth and do it again?” she said.

“Yes,” he said.

She took his cock head in her mouth and sucked it similarly. He leaked copiously in her mouth.

“Your hard cock seems to like that,” she said.

“It does,” he said.

“Does your hard cock consider me its best friend ever?” she teased.

“Yes,” he said.

“Your cock’s a close friend of mine as long as it doesn’t come prematurely,” she said.

“It will try not to,” he said.

“Does Dorothy deep throat it?” she said.

“No,” he said.

“If you remain nice to me, I’ll do that for you,” she said.

“I’ll be nice,” he said.

“Nice cocks deserve to be spoiled,” she said. “So far, your cock has been very nice to me.”

“Thank you,” he said.

She teased his cock head with her tongue tip before she took it in her mouth and sucked it gently for a minute.

“Are you having as much fun as I am?” she said.

“I think I am having more fun than you are,” he said.

“This is how it should be,” she said. “Each partner should think so.”

She took his cock head back in her mouth and took a few minutes to work her lips all the way down his cock. She held it all the way in and spent half a minute milking it with her mouth and throat. He squirmed.

“That was incredible,” he said when she pulled back.

“Are you serious?” she said.

“I swear,” he said.

“I’ll give you a reward for being a gentleman with me,” she said as she straddled him while holding his cock.

“What are you doing?” he said as she touched his cock head to her pussy.

“Relax,” she smiled. “My pussy wants to kiss your cock.”

She teased her leaky pussy with his cock head, drenching it with her juices.

“My pussy’s so wet,” she moaned. “Do you like this?”

“Yes,” he hissed.

After a minute of that, she inserted his cock head into her dripping pussy, moaning.

“My little pussy likes kissing your hard cock,” she moaned, milking his cock head with her pussy while stroking his cock with her hand. “Does your cock like this?”

“Yes,” he said.

“Do you often get your cock kissed like this?” she said, subtly taking his cock deeper into her pussy.

“I’ve never experienced this,” he said.

“Do you like it, or do you hate it?” she said.

“I love it,” he said.

“This is deep kissing,” she moaned when he was halfway in. “Do you want to try the balls-deep kissing?”

“Yes,” he hissed.

She tantalizingly slowly swallowed the rest of his cock into her soaked pussy.

“Is my pussy tight enough for your cock?” she said, milking his cock with her pussy.

“Yes,” he said.

“What else?” she said.

“It’s so hot and juicy,” he said.

“Do you like how my pussy milks your cock?” she said.

“Yes,” he said.

“My pussy wants your cock to drool inside it just like my leaky pussy’s drooling all over your cock,” she said. “Is your cock drooling deep inside my hot pussy?”

“Yes,” he hissed.

“Stick three fingers up my ass,” she said.

“Okay,” he said.

He reached behind her and carefully worked three fingers into her asshole.

"This is so nice," she said when he stuck his fingers all the way up her ass. "Stick four fingers in my mouth."

He used his free hand to stick four fingers into her mouth. She moaned around his fingers, sucking them, while she milked his cock and other fingers. She reached between her thighs with her left hand and rubbed her clit. She soon stiffened and convulsed in orgasm. She gushed around his cock, her asshole twitching around his fingers while she continued to suck his other fingers. She took his fingers out of her mouth when her orgasm subsided.

"I know I cheated, but I had to make myself come," she gasped. "I hope you are not mad at me."

"I am not mad at you," he said.

"Thank you," she said. "I like to have all my holes stuffed. I prefer to have them stuffed with big cocks, but you only have one cock. Don't you wish you had three cocks so you could stuff all my holes at the same time?"

"Yes," he said.

"The least you can do is to stuff my holes with your hard cock one at a time, isn't it?" she said.

"Yes," he said.

"Do you want to stuff my ass?" she said. "You said you would if you had a condom."

"I don't have a condom though," he said.

"Now you do," she said as she reached for the end table and grabbed a condom.

"You want me to put it in your sexy ass?" he said, his cock twitching in her pussy.

"Yes, like you promised," she said. "My ass was meant to be stuffed with hard cocks, not fingers."

"Okay," he said.

"Stay as you are," she said, rising up and taking his cock out of her pussy. "I'll take care of everything."

She pulled the condom over his cock.

"Take your fingers out of my ass so I can replace them with what should be there," she said.

She removed his fingers from her ass, and she carefully inserted his cock head into her ass. She held it there for several seconds, letting him calm down. She slowly worked her ass down his cock until it was all the way in. She paused completely for a minute. She then milked his cock with her anal muscles.

"Do you like this, Walter?" she said.

"I love it," he said.

"Are you happy that your cock has been in all my holes balls deep?" she said.

"Yes," he said.

"It can't be considered to have been up my ass until I come," she said. "Can you stay calm until I do?"

"Yes," he said.

"As long as you are calm, this is clean fun," she said. "If you move, it will be considered cheating."

"I won't move," he said.

"Suck my tits while I make myself come," she said.

He proceeded to suck her nipples while she reached for her pussy and proceeded to toy with her pussy. She teased herself for several minutes before she made herself come.

"Stay calm, Walter," she gasped, stiffening. "My horny ass is coming on your hard cock."

“I’ll stay calm,” he said.

She writhed on his hard cock while he used all his willpower to stay calm and avoid coming.

“You were wonderful, Walter,” she gasped when her orgasm subsided. “I am going to reward you. I am going to let you come deep in my pussy but not now. I have an errand to run right now. I want you to wait for me here.”

“Why don’t I come with you?” he said.

“That would ruin the surprise I have for you,” she said.

She dismounted him, removed the condom and sucked his cock clean.

“I need to clean up,” she said. “I don’t want to smell like a French whore when I am out.”

She rushed to the bathroom and washed up within a few minutes.

“Walter, stay where you are,” she said, straightening her dress and hair. “You can watch television or whatever.”

“Okay,” he said. “Don’t take long.”

“It should be about half an hour,” she said. “Thank you so much for what you did for me.”

“Thank you,” he said.

Beth headed to the garage and headed to Dave’s parents’ house. She arrived at three. She parked in front of the house and headed to the door. She pulled her neckline down, exposing her right nipple as she walked to the door.

Dave’s dad opened the door.

“Hi, Mr. Skinner,” she greeted with a wide smile.

He was startled by her exposed nipple but did not know what to say. He thought it was unintentional.

“Hi, Beth,” he said.

“I see that you are ready,” she said. “Shall we go?”

“Sure,” he said.

She opened the passenger door for him and got into the driver seat.

“Your...,” he said, pointing at her nipple as she drove off.

“My what?” she smiled at him.

“Your nipple’s exposed,” he said.

“Oh!” she said, looking down at her nipple. “Sorry about that. I hope I didn’t offend you or embarrass you.”

“No, it’s okay,” he said. “It was an accident anyway. I didn’t mean to embarrass you.”

“It’s okay,” she said. “It’s only my nipple. It isn’t like I was naked or something.”

“It isn’t a big deal,” he said.

“You are a decent man, Mr. Skinner,” she said. “May I call you Pat?”

“Sure,” he said.

“You are such a gentleman I feel safe exposing my entire tit in your presence,” she said, pulling her neckline down. “You seem to be understanding. I hope it doesn’t offend you.”

“It doesn’t offend me, but people may see it,” he said.

“Forget about the people,” she said. “I am with you. Honestly, do you think I have a nice tit?”

“I am not sure we should talk about that,” he said.

“Consider me a friend, and talk with me about my tit,” she said. “Be honest though. If you don’t like it, say so.”

“You have a pretty boob,” he said. “There is nothing wrong with it.”

“There is nothing at all wrong with it?” she said.

“That’s right,” he said.

“Not even the size, color and texture of the areolas?” she said, turning her chest toward him.

“Yes, everything’s perfect,” he said.

“You promised to be honest,” she said. “You are not.”

“Why do you say that?” he said.

“You can’t judge my areolas without even looking at my tit,” she said.

“Take a good look,” she said, twisting toward him. “My eyes are on the road. I don’t mind anyway, so be truthful.”

He shyly looked at her tit.

“As I told you, everything’s perfect,” he said.

“You are still cheating,” she said. “You need to touch the areola to feel its texture.”

“I shouldn’t do that,” he said.

“Don’t be silly, Pat,” she said. “I won’t rape you while driving. Touch it. It won’t bite your finger off either.”

He tentatively reached out and stroked her areola lightly, making her nipple stiffen.

“What do you think?” she said.

“It’s silky smooth,” he said.

“What about my nipple?” she said. “Check out its roundness, thickness, length, and stiffness. Is it enticing? Hold my tit, and turn it toward you. You have to touch it too. Twist it if you have to, but be very gentle; it’s very sensitive.”

“Are you sure you want me to do that?” he said.

“Of course, Pat,” she said. “Relax. The tit isn’t a sex organ. I am not closed-minded. You can feel it up freely.”

She turned her chest toward him. He held her tit tentatively and turned it toward him further as he inspected her nipple for a few seconds.

“It looks great,” he said. “Its shape and size are perfect.”

“Pinch it, and feel its stiffness,” she said.

He gently pinched her nipple, making her moan quietly.

“It’s stiff,” he said.

“Does it look thick and juicy enough?” she said.

“Yes,” he said.

“Would you suck it if you got a chance?” she said.

“Yes,” he said.

“Be honest, Pat,” she said. “Don’t try to be nice to me. Would you really suck it if you got a chance?”

“Yes,” he said.

“Thank you,” she said. “Now, inspect and feel up my tit. I’ll ask you questions about it.”

He felt up her tit gently.

“You are good, Pat,” she encouraged. “Don’t stop.”

He felt up her tit for half a minute.

“How do you like its size?” she said. “Is it small, big or okay?”

“Its size is perfect,” he said.

“Do you know what size it is?” she said.

“Double D?” he said.

“You are close,” she said. “It’s just D cup. Is it soft, firm or too firm?”

“It’s perfectly firm,” he said.

“What about its shape?” she said. “Is it round, pointy, full on top, full on bottom, wide, narrow, has a wide root or a narrow root, has a high nipple or a low nipple? Do I have close or separate tits?”

“I can tell that it’s round and full,” he said. “The nipple’s right where it should be. I don’t know about all those other terms you mentioned. All I can say is that you have perfect tits.”

“Separate tits are normally better,” she said. “They are perfect for tit fucking if the tits are firm. If the tits are not firm enough, close tits are better for tit fucking.”

“This has never even crossed my mind,” he said.

“You don’t like to fuck tits?” she said.

“Everybody does, but I’ve never thought about these details,” he said.

“You now know about my tits even more than my husband does,” she said. “Do you know what that means?”

“What does it mean?” he said.

“It places a responsibility on you as the man who knows most about my tits,” she said.

“What responsibility is that?” he said.

“I expect you to treat my tits better than anybody else does,” she said.

“What do you mean?” he said.

“If I asked you to feel them up for any reason, I expect you to do that better than my husband,” she said as she reached out and guided his right hand to her tit. “Actually, you should do it much better than he does.”

She held his hand, and he felt up her tit gently.

“He doesn’t treat your lovely tits well?” he said.

“He’s an ass man,” she said. “He spends most of his time fondling my ass, fingering it or fucking it. Don’t get me wrong. I love that. My ass loves big cocks more than my pussy, but that comes at the expense of my tits and pussy.”

“I see,” he said.

“My tits love attention and don’t get it,” she said.

“That’s too bad,” he said.

“Are you a tit man, Pat?” she said.

“Yes,” he said, blushing.

“No wonder you are good,” she said.

“Thank you,” he said.

“Do you honestly think I have nice tits?” she said.

“You have amazing tits,” he said. “I am serious.”

“Pat, as soon as we stop, I am going to let you play with my tits all you want,” she said.

“I’d love that, but I am not sure we should do that,” he said. “We are both married to other people.”

“You don’t suggest that we should get divorced so I can let you play with my needy tits?” she said.

“Of course not,” he said.

“We’ll remain married, okay?” she said. “You are just helping a friend.”

“Okay,” he said after some hesitation.

“Can anybody blame me if my tits are neglected?” she said.

“No,” he said.

“Can anybody blame you if you help a damsel in distress?” she said.

“They shouldn’t,” he said.

“You’ll only fondle my tits, suck them and fuck them a little,” she said. “It isn’t even called sex. Isn’t that right?”

“Yes,” he said.

“I hope you are good,” she said. “I don’t want to keep saying don’t bite, be gentle, take it easy and so on.”

“You’ll never have to say that to me,” he said.

“My pussy’s getting wet,” she said. “Are you getting hard?”

“Yes,” he said lowly, blushing.

“If you do a good job, I’ll suck your hard cock,” she said.

“You don’t have to do that,” he said.

“Do a good job on my tits, and leave what I should or shouldn’t do to me,” she said.

“Okay,” he said.

“We are about home,” she said.

She parked in the garage a minute later.

She closed the garage and got out of the car, pulling her top down and exposing both tits.

She walked around the car to the other side. She leaned against the side of the hood of the car.

“Indulge my tits, Pat,” she said.

“Your tits are beautiful,” he said as he walked to her and reached out for her tits.

“Prove it,” she said.

He held her tits and fondled them gently, teasing the stiff nipples.

“Suck my nipples, Pat,” she said. “Make my horny pussy wetter.”

He lowered his mouth to her right nipple while holding both tits and sucked it gently, making her moan. She held his head against her tit, and he continued to suck it and lick it carefully. She hiked her dress and sat on the hood, spreading her legs wide. His mouth did not leave her nipple. She leaned back, using one hand to prop herself while using the other to hold his head to her tit.

She reached out and fondled his boner, adjusting it to point upward. She briefly let go of his boner and guided his right hand to her dripping pussy. He fingered her leaky pussy on his own while she stroked his boner.

“I hope you are a pussy man too,” she said, squeezing his cock.

“Yes,” he said on his way to her other nipple.

He sucked her other nipple for a minute as well.

“Pussy man, lick my pussy,” she said. “It’s soaked.”

He left her tits and lowered his mouth to her wet pussy. She moaned constantly as he licked her pussy.

“Slurp my juices, baby,” she urged. “There is so much where this came from.”

He licked her pussy eagerly. She moaned and humped his face.

“If you make me come, I’ll let you fuck me after you fuck my tits,” she said.

He devoured her pussy and made her come within a few minutes.

“You won,” she gasped. “I am coming in your mouth.”

She gushed in his mouth, and he drank all she offered. He cleaned up her pussy when her orgasm subsided.

“Let me suck your cock so you can fuck my tits and pussy,” she said, getting off the car.

She squatted before him and pulled his pants and underwear down. She had him step out of them and placed them on the hood of the car. His cock was mostly hard. She took it in her mouth and proceeded to suck it eagerly.

“Suck my cock, baby,” he said. “You are so good.”

She rubbed his sticky cock over her tits occasionally. She finally drooled in her cleavage and squeezed her tits around his cock.

“Let’s see if my tits are good for fucking,” she said.

“Your gorgeous tits are perfect for everything,” he said, thrusting in her cleavage.

“How do they feel?” she asked.

“They are incredible,” he said.

She let him fuck her tits for a few minutes.

“Are you ready to fuck my pussy?” she said. “You said you were a pussy man too.”

“I am ready,” he said.

She got up and bent over the hood.

“Fuck my pussy, Pat,” she said. “Make me come too.”

“You got it,” he said.

He pushed his hard cock into her pussy and proceeded to fuck her. He held her hips and fucked her.

“Fuck my married but neglected pussy, baby,” she urged.

He fucked her hard, and she came within a few minutes.

"I am coming on your hard cock, Pat," she announced.

She writhed in orgasm, drenching his cock in her copious juices. He pulled out when her orgasm subsided.

"Let's go inside so I can suck your soaked cock clean," she said, grabbing his pants and underwear.

Beth opened the door and led Patrick inside and into the living room, where Walter waited.

Both men were startled when they met, especially since they were both bottomless.

Each man covered his crotch. Beth still had her dress collected around her waist.

"Don't be silly guys," she said. "You are going to share me. Walter, meet Patrick, my sister-in-law's fiancé's dad. Pat, meet Walter, my sister's fiancé's dad. Shake hands."

They exchanged greetings and shook hands while each was covering his crotch with his left hand.

"Have a seat next to him so I can suck you both together," Beth said to Patrick as Walter sat down.

"Are you sure this is a good idea?" said Patrick as he reluctantly sat next to Walter.

"I've already told Walter that my favorite was having three cocks inside me at the same time," she said, kneeling before Patrick. "You only have two cocks, but they are still better than either cock alone."

As she sucked Patrick's cock, she reached out and stroked Walter's cock, getting it hard.

"This is crazy," said Walter. "I didn't share a girl even when I was in college."

"I've never shared a girl either," said Patrick.

"You are not sharing a teen slut," she said as she moved to Walter. "You are sharing a prim and proper wife that fucks better than a seasoned whore."

"That's right," said Patrick.

She took Walter's hard cock in her mouth and deep throated it while stroking Patrick's cock. She grabbed a condom and gave it to Patrick.

"Wear it so you can fuck my ass," she said.

Patrick pulled the condom on his cock, and she handed him the lube. He knelt behind her and lubed her asshole carefully before he pushed his cock inside it.

"Fuck my ass," she said as she looked back and smiled at Patrick.

Patrick fucked her ass, and she sucked Walter's cock, moaning around it, until she came on Patrick's cock.

"Do you want to fuck my pussy or ass?" she asked Walter when she recovered.

"I want to fuck your pussy," said Walter.

"Let me lie on the sofa so you can fuck my pussy while the tit man plays with my tits," she said.

"I am a tit man too," he said as Patrick removed his condom.

"You'll play with my tits later," she said as Walter got off the sofa.

She lay along the sofa and bent her legs at the knees. Walter half knelt on the sofa and fucked her pussy. Patrick knelt on the floor while he fondled her tits and sucked her nipples. She soon came.

"Switch places," she instructed while she recovered.

They switched places, and Patrick fucked her while Walter took care of her tits.

"Pat, let me suck your cock while Walter fucks me from behind," she instructed.

Patrick sat on the sofa, and she knelt before him. She sucked Patrick's sticky cock while Walter knelt behind her and fucked her pussy from behind.

"Walter, fuck me as slowly as you can," she said. "Remember that I am a prim and proper wife. Fondle my tits."

Walter slowed down, and she sucked Patrick's cock leisurely.

"Are you having a good time, Pat?" she said.

"Yes, you are so good," said Patrick.

"What about you?" she said, squeezing Walter's cock with her pussy. "My pussy feels good on your hard cock?"

"Yes, it's perfect," said Walter.

"Play with my asshole while you are at it," she said.

"Okay," he said as he inserted his thumb into her ass.

"Stretch it wide," she said. "Keep it busy."

"You got it," he said.

Walter reamed out her asshole with his thumb while fucking her. She came on his cock several minutes later.

"Don't forget to play with my horny asshole while you fuck my pussy gently," she said to Patrick.

"Okay," he said.

Patrick and Walter switched places, and Patrick reamed out her asshole while fucking her until she came.

"I want you to eat both holes," she said. "Pat, lick my asshole while Walter eats my pussy to orgasm."

She got up, and the men got into position.

"Walter, spread my ass for him," she said. "I'll turn around after I come. If you do a good job, I'll let you fuck my pussy and ass at the same time. Make sure my ass is ready for your cocks."

They ate her pussy and asshole until she came in Walter's mouth.

"That was nice," she said, turning around. "Let's do it again. Pat, it's your turn to spread my ass."

They ate her holes again, and she came in Patrick's mouth.

"Are you ready to fuck my pussy and ass at the same time?" she said.

"Yes," they both said.

"Remember that I am a prim and proper wife and future mom, so don't fuck me like you'd fuck a filthy whore so you won't come prematurely," she said. "I want you to last and fuck me instead of spending the afternoon eating me."

"Okay," they said.

"Pat, lie down so I can mount you," she said. "You'll have to spread my ass for him too."

Patrick lay down, and she mounted him in the cowgirl position.

"Put on a condom, and lube my asshole, Walter," she said.

Walter obliged her, and Patrick spread her ass. The two of them proceeded to fuck her together.

"Be nice and slow, and establish a good rhythm," she said. "Don't rush. Enjoy my holes fully."

They soon established a rhythm.

"This is nice," she moaned. "How does it feel to you?"

“It’s great,” said Walter.

“It’s hot,” said Patrick.

“I wish there were a third cock for my mouth,” she said.

“You are greedy,” he said.

“I want all my holes to be busy,” she said, lowering her tits to his face. “Do you want your mouth busy?”

“Sure,” he said.

He captured one of her nipples and sucked it.

“It’s so good to get fucked like a whore,” she moaned.

She had a nice orgasm on their cocks several minutes later.

“Walter, sit on the sofa,” she said. “I am going to sit in your lap. Keep your condom.”

Walter pulled out of her ass and sat on the sofa. She dismounted Patrick and sat in Walter’s lap, impaling her ass on his cock all the way.

“Patrick, suck my nipples, and finger my pussy until I come,” she said. “Be nice and gentle.”

Patrick was glad to oblige her. He took turns sucking and fondling her tits while finger fucking her pussy until she came on his fingers, drenching them, while her ass writhed on Walter’s cock.

“Suck my juices off your fingers,” she said.

Patrick sucked her juices off his fingers.

“Now, fondle my tits and eat my pussy to another orgasm,” she said. “You’ll fuck my ass next.”

Patrick did not hesitate to fondle her tits with both hands while licking her soaked pussy gently. She only got wetter as he ate her pussy and she ground her ass into the cock filling it.

“I can get used to this,” she moaned. “I am being treated like royalty.”

“You deserve it,” said Walter.

“Do you think so, Pat?” she said.

“Absolutely,” said Patrick.

She gushed in Patrick’s mouth while shoving her ass into Walter’s cock.

“It’s your turn to wear a condom, Pat,” she said when Patrick finally pulled back.

Patrick grabbed a condom while she got off Walter’s lap.

“Lose your condom, and lie down, Walter,” she said. “You are going inside my pussy.”

They obliged her, and she soon was impaled on both cocks.

“We are going to do what we have just done again but with different roles,” she said.

Walter fucked, then fingered and finally ate her pussy to orgasm each time while Patrick fucked her ass. Walter sucked and fondled her tits while fingering and eating her pussy.

“You’ve both earned the privilege of coming deep in my pussy,” she said. “Are you excited about that?”

“Yes,” they both said.

“You are both going to shoot your first come loads deep inside my pussy,” she said. “Since I am a prim and proper albeit dirty wife and this is true sharing, each has to eat the other’s come out of my pussy.”

“What?” they both said in disbelief.

“Don’t be wimps,” she said. “You won’t be the first guys who eat come out of my pussy and ass.”

“They ate come out of your ass too?” said Walter.

“My ass is squeaky clean,” she said. “You’ve both fingered it, licked it and probed it with your tongues already. It’s cleaner than most pussies. Now, who wants to go first?”

Neither man volunteered.

“One of you is going to be the first to eat come out of my pussy, and the other will be the first to eat come out of my ass,” she said. “Who wants to be the first to eat come out of my pussy?”

“You are going to make us do both?” said Patrick.

“I am not making you do anything,” she said. “We can stop now. Although I am a prim and proper wife, I am a very dirty girl. Trust me that you’ll love this and we’ll be closer than ever after we do it.”

“I am going to eat the come out of your pussy first,” volunteered Patrick.

“Thank you, Pat,” she said. “That means Walter will come in my pussy first.”

She turned to the side so her head was against the backrest, and she pulled her legs over her head.

“Walter, fill my pussy with come,” she said. “Patrick, you can play with my tits meanwhile.”

“This is the craziest thing I’ve never imagined doing,” said Patrick as he sat next to her.

“The same goes for me,” said Walter as he took his position and pushed his cock into her offered pussy.

Patrick fondled her tits and pinched her nipples while Walter fucked her pussy hard.

“I am going to come,” she gasped. “Fill my pussy with come.”

Beth and Walter came together. His orgasm started a second before hers. He shoved his cock into her twitching pussy while she writhed and drained his balls deep in her pussy. When their orgasms subsided, he pulled out.

“Go to the bathroom, and wash up,” she said to Walter.

Walter left.

“Clean me up, pussy man,” she said to Patrick.

Patrick reluctantly knelt before her come-filled pussy and tentatively licked it.

“That feels nice,” she moaned. “Eat my pussy, my pussy man.”

Patrick got more and more daring, and she encouraged him. When Walter returned, Patrick was eating her pussy eagerly, and she was humping his face lustfully. Walter sat next to her. She reached out and stroked his soft cock.

“Suck out all that gooey goodness,” she teased. “Clean up my slimy pussy so you can fill it with your own come.”

Patrick ate the come out and made her come in his mouth.

She got off the sofa and knelt before Walter.

“Fuck me, but don’t come yet,” she said to Patrick. “I need to get Walter hard. He can’t be limp when he eats your come out of my pussy. That’s sick.”

She sucked Walter’s cock while Patrick fucked her from behind.

“I don’t have to tell you every time to play with my asshole,” she said to Patrick.

“Sorry,” he said, sticking his thumb into her asshole.

“Play with my tits too,” she said.

“Okay,” he said.

She came three times on Patrick’s cock before Walter was rock hard.

“Are you ready to fill my pussy with come?” she said to Patrick.

“Sure,” he said.

“Don’t think of it as revenge,” she said. “Think of it as returning the favor.”

“Okay,” he said.

“Let’s get into position,” she said, pulling away from his cock.

She got on her back and pulled her legs over her head. Walter fondled her tits while Patrick fucked her pussy hard.

While Patrick washed up after filling her pussy with come, Walter licked and probed her slimy pussy.

“Don’t be timid like him,” she said. “Eat it like a man.”

He ate her pussy more and more actively, and she humped his face happily until she came in his mouth.

Patrick watched her come in Walter’s mouth. She was stroking his limp cock.

“Fuck my pussy while I get him hard,” she said to Walter.

Walter fucked her from behind while she revived Patrick’s cock.

“Walter, I am going to spank you because you are not playing with my asshole,” she said.

“I am sorry,” said Walter as he inserted two fingers in her ass.

“I’ll be gentle with you because you’ve been nice to me, but you have to be punished,” she said.

“Okay,” he said.

“I’ll spank you while I suck your hard cock to show you that I am going to be a good mom,” she said.

“Thank you,” he said.

“Pat, if you don’t want me to spank you too, you have to be fingering my asshole while I spank him,” she said.

“Yes, ma’am,” said Patrick.

She came a few times on Walter’s cock while she revived Patrick’s cock.

“Get up, and get ready for your spanking,” she said to Walter.

Walter pulled out and stood up.

“Hold your shirt up,” she said.

Walter held his shirt up, and she deep throated his cock while she slapped each of his ass cheeks five times.

“You were supposed to ream out my asshole,” she said to Patrick. “Assume the position.”

“Oops!” said Patrick, getting up.

Patrick held his shirt up. She deep throated his cock while she spanked him like Walter.

“This is becoming a spanking party,” she said to Walter. “You didn’t learn anything, did you?”

“I am sorry,” he said, holding his shirt up.

Patrick knelt down and reamed out her asshole while she deep throated and spanked Walter. She humped his hand.

“Was I nice to you, or do you think I deserve a spanking?” she asked them.

“You were great with us,” said Patrick.

“I agree,” said Walter.

“Thank you,” she said, getting up. “I am going to work on dinner. Do you want to sit back and watch TV, or do you want to join me and keep my holes and tits busy?” she said.

“I am coming with you,” said Walter.

“No coming,” she said. “I am the only one who can come. I want you to stay hard so you can fuck me.”

“You got it,” said Walter.

“I’ll be with you,” said Patrick.

“Lube my asshole well, Pat,” she said, spreading her ass.

He lubed her asshole generously, using three fingers.

She walked to the kitchen, and they followed.

“Remember to pay attention to my ass,” she said. “If you neglect my ass, I’ll spank yours.”

She went to work, and they took turns fingering her asshole and fondling her tits.

“Let’s take a break,” she said ten minutes later, bending over the counter. “Fuck me.”

Patrick was closer, so he fucked her to orgasm and pulled out.

She nodded at Walter, and he fucked her too.

She took a few more breaks and got fucked or sucked their cocks.

THE DINNER ORGY

Beth was finishing up dinner when the women and I arrived.

“Dinner’s done,” said Beth, bending over the dining table. “Let’s celebrate. Fuck me.”

Walter was fucked Beth and fingered her ass while Patrick sat on the dining table and she sucked his cock.

My hard cock was still out when Nancy, Dorothy and I snuck in. The women were ahead of me.

“What’s this?” said Dorothy as I fondled her ass. “Are you having an orgy?”

Walter pulled out and covered his cock, and Patrick pulled out and hopped off the table.

“You can’t have an orgy with only three people,” said Beth. “This is a threesome.”

“You think it’s okay if they had a threesome?” Dorothy asked Nancy.

“I think it’s okay,” said Nancy. “They can’t have an orgy without us though.”

“Where are my manners?” said Beth. “Walter, Patrick, Nancy and Dorothy.”

Dorothy and Nancy greeted each other’s husband, and they greeted them back.

“Beth you are practically naked,” I said.

“You and your companions are overdressed,” said Beth as she walked to me and knelt down.

She rid me of my pants and underwear.

Beth got up and pulled Dorothy's and Nancy's dresses down and up, collecting them around their waists.

"Isn't this better?" said Beth.

"Yes," they said.

"Let's eat," she said. "We'll fuck later."

"Do you need any help?" asked Nancy.

"Gentlemen, we'll call you in a few minutes," said Beth.

"Are we supposed to play with our cocks while we wait?" I said.

"That's up to you," she said.

The men and I went to the living room and chatted inconsequentially for a few minutes while waiting.

"You can't have dinner with limp cocks," said Beth, walking into the living room. "Get up, all of you."

She knelt down, and we all got up.

She sucked Walter's cock while stroking Patrick's and my cocks vigorously.

"Switch," she said to Patrick when Walter's cock hardened.

Patrick and Walter switched, and she sucked Patrick's cock while stroking Walter's and my cocks.

"Switch," she said to me.

She sucked my cock while she stroked their cocks.

"We are going to sit in your laps," she said, getting up. "You can't disappoint us. Nick, Dorothy's going to sit in your lap. Be nice to her."

"Sure," I said.

"Follow me," she said.

They followed her, and I took a few seconds to lube my cock.

Beth was already sitting in Patrick's lap while Nancy was sitting in Walter's lap. Dorothy smiled at me as I sat in the chair at the head of the table. She sat in my lap, and I carefully impaled her ass on my cock. She moaned as she worked her ass all the way down.

"Beth asked me to be nice to you," I said as I squeezed Dorothy's tits. "Am I being nice to you?"

"You are being incredible," said Dorothy, squeezing my cock with her ass.

"Enjoy your dinner," I said, thrusting gently in her ass.

"Nancy, are you comfortable?" asked Beth.

"Yes, thank you," said Nancy.

"I am comfortable as well," she said. "Let's eat."

"Your wife's a very hot woman, Walter," I said, pinching Dorothy's nipples.

“So is yours,” said Walter.

“I like your wife too, Patrick,” I said.

“Thank you,” said Patrick. “Your wife’s incredible.”

“Enjoy her,” I said.

“Massage my clit,” said Beth. “That’s part of enjoying me.”

“Sure,” he said.

“Nancy, if you want Walter to play with your clit, ask him to,” said Beth.

“Please play with my clit,” said Nancy.

“You got it,” said Walter.

“Beth, your husband has a fantastic cock,” said Dorothy.

“You like being impaled on it?” said Beth.

“I love it,” said Dorothy. “I can never get enough of it.”

“You are a greedy bitch, aren’t you?” I said, pinching her nipples.

“All women are greedy bitches when you give them your big cock,” she said.

“You admit that you are a greedy bitch?” I teased, sticking two fingers into her dripping pussy.

“Yes,” she hissed.

“Suck these clean,” I said, offering her my glistening fingers.

She sucked her juices off my fingers, moaning around them.

“I love your big cock,” she said, milking my cock with her ass.

“It loves you too,” I said. “It knows that you are a good slut.”

“Thank you, baby,” she said, squeezing my cock tightly.

As the women’s dinner approached the end, I fucked Dorothy’s ass with longer and faster strokes.

“By the way, you need to make us come before you can have dinner while we suck your cocks,” said Beth.

“Nick’s already on his way,” gasped Dorothy.

“Nick has done it before,” said Beth.

“I got lucky,” gasped Dorothy. “This is my best dinner ever.”

“That’s true for me too,” said Nancy.

“You should come before making that statement,” said Beth.

“My statement’s already true,” gasped Dorothy. “I am going to come anyway.”

Dorothy stiffened almost immediately.

“I am coming,” she gasped.

Dorothy writhed on my cock while I continued to thrust in her ass. Her orgasm subsided before Nancy came. Beth was the last to come.

The women got off the men’s laps and served our dinner before they ducked under the table. Nancy sucked my cock while Dorothy and Beth sucked Patrick’s and Walter’s cocks, respectively.

“Are you enjoying your dinner?” I said.

“Oh, yes,” said Walter.

“Absolutely,” said Patrick.

“Dessert’s going to be even better,” I said.

The cock sucking continued, and the cocksuckers rotated, so each man got his cock sucked by all three women.

The women cleared the table, and we retired to the living room.

“Walter and Pat, sit down here,” instructed Beth, motioning the two men to the sofa.

They sat down on the ends of the sofa.

Beth motioned Nancy to the middle of the sofa. Nancy got on her knees and pushed her ass out.

“Spread her ass,” said Beth, guiding a hand of each man to Nancy’s ass.

They obediently spread her ass.

Beth squeezed lube generously on Nancy’s splayed asshole.

“Pat, you are going to guide my husband’s big cock into your wife’s little asshole,” said Beth, leading me by my hard cock to Nancy’s ass.

“What?” said Patrick in surprise.

“Do it, honey,” said Nancy.

“Are you sure?” he said. “It’s so big.”

“I am a big girl, honey,” she said. “I’ll make you proud of me.”

He reluctantly and tentatively held my cock and aimed it at his wife’s defenseless asshole.

“Aren’t you going to beg for it, bitch?” I said as I pressed gently into Nancy’s asshole.

“I am sorry,” said Nancy. “Please fuck my horny asshole with your fat cock.”

She moaned as I pressed my cock firmly into her asshole and it sank in slowly.

“Yes,” she hissed when my cock head popped in.

“How does it feel?” asked Patrick.

“It feels wonderful,” said Nancy. “I just need more of that amazing cock.”

“Fuck the whore’s ass, baby,” said Beth.

They all watched as I thrust in Nancy’s ass gently.

“Your wife has an incredible ass, Patrick,” I said.

“I can’t believe it can take your big cock,” he said.

“You obviously don’t know what hot tight asses were made for,” I said. “Tell him, Nan.”

“Honey, my tight ass was made for Nick’s big hard cock,” said Nancy.

“That’s why it’s perfect for this,” I said. “Don’t you think it’s perfect, Walter?”

“Definitely,” said Walter.

“Now that you know what you know, Patrick, do you think I am stretching your hot wife’s sweet asshole wide or not as wide as I should?” I said.

“You are obviously stretching it to the limit,” he said.

“Her ass is sizzling hot,” I said. “Do you want me to fuck it royally?”

“Sure,” he said.

“Thank you, honey,” said Nancy.

“Are you happy, Nan?” I said. “Is this what your luscious ass has always wanted?”

“Yes,” she hissed.

“What are you going to do now that you found it?” I said.

“I am going to keep coming for more,” she said.

“You are a cock-craving bitch, aren’t you?” I said.

“Yes,” she hissed.

“Dorothy, we need to get busy,” said Beth, kneeling in front of Walter.

Dorothy knelt in front of Patrick, and Beth and she proceeded to suck the cocks in front of them.

“Make sure he enjoys whoring his slut wife out,” Beth said to Dorothy.

“I am on it,” smiled Dorothy.

“If you don’t do a good job, I’ll spank you,” said Beth. “I’ve spanked both Patrick and Walter.”

“She did?” Dorothy asked Walter.

“She did,” he said. “You better be careful.”

“Okay,” she said.

Although Nancy’s asshole was capable of much more, I took my time sinking my cock up her ass. When I pressed my balls into her leaky pussy, she stiffened.

“I am coming,” gasped Nancy.

“Show your husband that your hot ass belongs to my big cock,” I said.

“Yes,” she gasped.

Nancy writhed in orgasm, and I pounded her convulsing ass vigorously, enhancing her orgasm. I slowed down when her orgasm subsided, leaving her limp. I fucked her ass gently while she recovered.

“That was wonderful,” gasped Nancy.

“What do you think, Patrick?” I said. “Were we right about what this hot ass was made for?”

“You obviously were,” he said.

“Now, you know where to bring your sexy wife whenever her luscious ass hungers for cock,” I said.

“Yes,” he said.

“Now that she’s already here, let me indulge her horny ass,” I said, picking up the pace.

“Sure,” he said.

“Are you ready for more, my dirty whore?” I said.

“Yes,” hissed Nancy, fucking back lustfully.

“Your slutty ass needs a serious fucking?” I said.

“Yes,” she hissed.

“Your ass is beautiful, baby,” I said. “It deserves the best.”

“Fuck it hard, baby,” she moaned.

“Your asshole will never be tight again,” I said.

“If it tightens up a little, I’ll bring it back to you,” she gasped.

“You are a good whore,” I said, fucking her harder.

“Thank you,” she gasped.

She soon had an orgasm harder than the previous one. I fucked her writhing ass hard until it stopped moving.

“Suck it, baby,” I said, pulling out.

She spun around quickly and pounced on my cock. I held the back of her head and fucked her mouth as she sucked my cock eagerly, moaning around it.

Dorothy got up and waited for Nancy to get off the sofa. As soon as Nancy did, Dorothy knelt in her place. Walter and Patrick knew what to do. Beth squeezed a generous amount of lube on Dorothy’s asshole.

“You need to guide him in,” Beth said to Walter.

Although Walter did not hesitate, he was a little tentative when he held my cock. He touched my cock head to his wife’s asshole, making her gasp.

“Do you need a spanking, Dory?” I said.

“Please fuck my cock-hungry ass with your big cock, Nick,” she begged.

“That’s better,” I said, pressing my cock head into her asshole.

My cock head popped in, and I proceeded to fuck Dorothy like I fucked Nancy while Beth and Nancy sucked Patrick’s and Walter’s cocks, respectively. In the end, she sucked my cock hungrily, and I slapped her face with it.

Dorothy got off the sofa, and Beth took her place. Nancy squeezed lube on Beth’s asshole, and I pushed my cock in. Beth came twice on my cock in less time than Nancy and Dorothy did. While I fucked Beth’s ass, Nancy and Dorothy sucked each other’s husband’s cock.

“Get off your asses, and put them to good use,” Beth said to Patrick and Walter. “The girls need to get fucked.”

Walter and Patrick got up, and Nancy and Dorothy knelt in their places.

“Nick will fuck our asses, and you’ll fuck our pussies,” instructed Beth. “You’ll rotate every time we all come.”

Patrick stood behind Beth, and Walter, Nancy. I aimed my cock at Dorothy’s asshole and went to work.

Dorothy was the first to come. We rotated after Nancy caught up. I fucked Nancy’s ass while Walter fucked Beth and Patrick fucked Dorothy. Next, each got his own wife.

“Walter, you volunteered to be the first to eat come out of my ass,” said Beth after we rotated. Walter blushed. “Next time, Nick fucks my ass, he’s going to come in my ass. You’ll come on my tits then. Patrick’s turn’s later.”

“Beth, you are being unfair,” I said. “You want everybody to come on you or in you. What about the other sluts?”

“You can come on their faces later,” she said.

"That isn't fair," I said. "I am going to come on their faces first. Each husband will come on the other's wife's tits and clean his own wife's tits. In the end, each husband will eat my come out of the other's wife's ass."

"What about my ass?" she said.

"We can get together tomorrow and have them do that," I said.

"Are you okay with that?" she asked Nancy and Dorothy.

"Sure," said Dorothy.

"I'd love to get fucked like this tomorrow," said Nancy.

"You don't mind, do you?" I said to their husbands.

"No," said Patrick.

"Not at all," said Walter.

"Let's meet at my house tomorrow," said Dorothy.

"You got it," I said.

"Are you okay with that, honey?" Nancy asked Patrick.

"Sure," he said.

"We are all set," said Beth.

"My next come load will splatter your faces, bitches, and you'll lick it off each other's face," I said.

"You want to degrade us in front of our husbands," said Nancy. "I like that."

"Me too," said Dorothy.

"Let's finish this round and do that," I said, picking up the pace.

We rotated twice more before we split.

"Suck my big cock, bitches," I said.

"Meanwhile, let me suck yours," Beth said to Walter and Patrick.

On one side, Nancy and Dorothy took turns sucking my cock, and, on the other side, Beth took turns deep throating their husbands. After a while, Beth looked at my cocksuckers and me.

"Nick, that's pathetic," said Beth. "Would you like me to teach them deep throat?"

"That's up to them," I said.

"Would you like to learn deep throat?" she asked Dorothy and Nancy.

"Sure," they both said.

"Excuse me, guys," Beth said to the men.

"Sure," they said.

Beth crawled to me and knelt between Dorothy and Nancy.

"This is how you should suck it," said Beth.

Beth took my cock in her mouth and deep throat it expertly.

"I want to suck it like that, but I don't know how to," said Dorothy.

"It's very simple," said Beth. "You straighten your throat and swallow. Stand on your feet, and suck it."

Beth moved aside, and Dorothy rose to her feet and sucked my cock. Beth stood up and adjusted her head.

“Relax your throat, and inhale his big cock,” instructed Beth.

After several insistent tries, Dorothy managed to swallow my cock.

“Wow!” said Dorothy. “I did it.”

“Do it again and again until you are comfortable with it,” said Beth.

Dorothy deep throated my cock for a few minutes.

“Get on your knees, and do it,” said Beth.

Dorothy knelt down and deep throated my cock for a minute.

“Your turn, Nancy,” said Beth.

“Thank you so much, Beth,” said Dorothy.

“You are welcome,” said Beth.

Nancy did like Dorothy did and managed to swallow my cock. She thanked Beth, and Beth returned to her men.

Dorothy and Nancy deep throated my cock while Beth deep throated the others. My cocksuckers established a good routine, and I let them suck my cock for several minutes.

“Are you ready for the come, you hot bitches?” I said.

“Yes,” they both hissed.

“Suck it hard,” I said. “Show me you really want it.”

They deep throated my cock hungrily, and my orgasm arrived.

“Open wide, and tilt your faces up,” I said, taking my cock away.

They tilted their heads up, and their husbands watched as my come burst out and splattered their offered faces. In the end, I wiped my cock head on their faces.

“Lick it up, you dirty come sluts, and feed it to each other,” I said.

The men watched their wives lick my come off each other’s face and suck it off each other’s tongue.

“This is so dirty,” said Patrick.

“It’s so hot,” said Walter.

“Yes,” said Patrick.

“Get him hard again, girls,” said Beth. “We are all going to try triple penetration.”

“Are you serious?” said Nancy.

“There are enough cocks,” said Beth.

“That’s so depraved,” said Dorothy.

“You’ll love it,” said Beth.

My cocksuckers revived my cock while I sat back on the sofa. Beth knelt on the other end of the sofa, and Walter and Patrick took turns fucking her.

Dorothy and Nancy lubed my cock, and Nancy climbed astride me. I spread her ass, and Dorothy held my cock for her as she impaled her ass on it in the Asian cowgirl position.

“Get your ass fucked, you horny slut,” said Dorothy.

“That’s why I am here,” said Nancy, working her ass up and down my cock.

“Nan, show her you deserve to have your luscious ass fucked with my big cock,” I said, bouncing her ass faster.

“Of course, I deserve this,” she said. “I love this big cock.”

“You only deserve this if my big cock’s your favorite cock,” I said.

“Of course, it’s my favorite cock,” she said.

“Is it your favorite cock too, Dory?” I said.

“Of course,” said Dorothy.

“Lick it while its bitch bounces her slutty ass on it,” I said.

“I’d love that,” she said.

Dorothy proceeded to lick the base of my cock. She worked her tongue up and down my shaft in Nancy’s rhythm about an inch under Dorothy’s asshole.

“You are both good bitches,” I said.

“Thank you,” gasped Nancy as she picked up the pace.

Nancy bounced on my cock energetically until she came, shoving her writhing ass wildly into my cock. When her orgasm subsided, Dorothy licked the base of my cock. Nancy finally dismounted my cock.

Dorothy climbed astride me, and Nancy lubed my cock and held it for her. Dorothy bounced on my cock while Nancy licked my cock. After Dorothy came, she dismounted my cock, and Nancy and she deep throated it eagerly.

“Who wants to get triple fucked first?” asked Beth.

“I do,” said Nancy.

“Walter, lie down so she can get her pussy impaled on your cock,” instructed Beth.

Walter lay back on the floor.

“Sixty-nine with him, and clean up his cock,” Beth said to Nancy.

Nancy mounted Walter, and they proceeded to lick and suck.

“Spread her ass for me, Walter,” I said, lubing my cock.

Walter spread Nancy’s ass, and I licked it for a minute. I aimed my cock at her splayed asshole and pushed it in.

“Thank you for taking care of my horny ass, baby,” moaned Nancy as I fucked her ass at an easy pace.

“It belongs to me, doesn’t it?” I said.

“Yes,” she hissed.

“I can’t expect anybody else to take care of it,” I said.

“Nobody else can,” she said.

“Suck that cock, and make sure it’s ready for your horny pussy,” I said, picking up the pace.

Nancy soon gushed in Walter’s mouth. I fucked her ass with long slow strokes while she recovered. Walter cleaned up her drenched pussy.

“I am ready,” gasped Nancy as I pulled out of her ass.

Nancy spun around and mounted Walter's cock. I knelt behind her and stuffed her ass with my cock. She let out a long moan. Walter and I started to thrust in her holes.

"Pat, turn your slut wife's double penetration into triple penetration," said Beth.

Patrick pushed his cock into Nancy's mouth.

"Fuck the whore," said Beth.

"I am coming," gasped Nancy, letting go of her husband's cock.

"We haven't started," I said.

"I know," she gasped.

She convulsed in orgasm, and I fucked her ass with short fast strokes until her orgasm subsided.

"That was crazy," she gasped when her orgasm subsided.

"That doesn't count," said Beth. "Do it all over again."

"I'd love that," gasped Nancy.

Walter and I managed to establish a rhythm. Nancy sucked Patrick decently too. The pace accelerated naturally as she approached orgasm.

"I am going to come," she announced.

"Keep sucking his cock, and don't worry," I said.

Nancy tried to suck her husband's cock but she ended up stroking it while she convulsed in orgasm. Walter and I thrust hard in her twitching orifices until her orgasm subsided. She remained impaled for a minute.

"You get to lie down now," Beth said to Patrick.

Patrick lay down, and Dorothy mounted him in the sixty-nine position. I pulled out of Nancy's ass and knelt behind Dorothy. I licked her asshole and fucked it gently until she came in his mouth.

Dorothy engulfed Patrick's cock in her pussy, and I stuffed her ass with my cock. She came as soon as she closed her mouth around her husband's dripping cock. I held her tits and fucked her convulsing ass hard.

"You know you have to do that again," said Beth.

"Yes," gasped Dorothy.

Dorothy did not last long in her second time either. She came within a few minutes, but Patrick and I managed to establish a rhythm and fuck her nicely. I drilled her ass until she went limp.

"Stay as you are, guys," said Beth. "I'll replace Dorothy."

Dorothy dismounted us, and Beth straddled Patrick. She engulfed his cock in her pussy, and I impaled her ass. Walter pushed his cock into her mouth. As expected, Beth did not let go of Walter's cock until her orgasm subsided.

"You did great, Beth," I said. "Stay where you are."

"I can't believe it," said Walter. "My wife hardly sucked my cock at all. Your wife sucked it all the way through."

That was when Beth took his cock out of her mouth.

"I am a prim and proper wife," said Beth. "When I suck a cock, I suck it properly."

She put his cock back in her mouth.

"You sure do," he said.

Beth got all her holes fucked again and enjoyed another wild orgasm.

“You did great, guys,” said Beth. “You deserve to come on each other’s wife’s tits. Don’t they, whores?”

“Yes,” said Nancy and Dorothy.

“Fuck their tits, and come all over them,” said Beth, letting Patrick’s cock leave her pussy.

Dorothy and Nancy got into position, and Patrick slid out from under Beth. Walter fucked Nancy’s tits while Patrick did Dorothy’s. Beth and I watched while I fucked her ass gently. Soon, Dorothy and Nancy held their tits up while their husbands jacked off over each other’s wife.

“Swap, and clean up,” said Beth after each woman milked a cock dry and wiped its head over her tits.

Each man knelt before his wife and proceeded to lick her slimy tits clean. The women moaned happily.

“Isn’t that fun?” said Beth.

“Oh, yes,” said Dorothy.

“I’ve had more fun today than the rest of my life,” said Nancy.

“Me too,” said Dorothy.

“Can’t you see how much fun it is to be a prim and proper wife?” said Beth.

“I bet,” laughed Nancy.

“Fortunately, most guys don’t know how prim and proper we are,” said Beth.

“That’s true,” said Dorothy.

A minute later, they were done.

“You need to wash up now,” said Beth. “Don’t leave a trace of come exposed to the air.”

Dorothy and Nancy led their husbands with their limp cocks to the bathroom.

Beth pulled the men aside to revive their cocks, and the women knelt on the sofa for me to fuck their asses. By the time Beth had their cocks hard, I was ready to come.

“Dory, I am going to come in your ass,” I said, drilling Dorothy’s ass.

“Yes, lover, fill my ass with come,” gasped Dorothy.

“You know it’s temporary though,” I said.

“Yes,” she gasped.

Dorothy came, and I came in her twitching ass.

When I pulled out, Beth motioned Walter to his wife’s ass. Walter knelt behind his wife and proceeded to eat her come-filled ass. Meanwhile, Nancy knelt before me and worked on reviving my cock. Beth pushed Patrick on the loveseat and straddled his cock in the cowgirl position.

“Eat her ass until she comes,” Beth said to Walter.

Beth came on Patrick’s cock a few times before Dorothy came in her husband’s mouth. Nancy then was on her knees next to Dorothy. I lubed her asshole and fucked her ass at an easy pace.

“Join us here, Walter,” called Beth when Walter was done with his wife’s ass.

Nancy came, and I lubed and fucked Dorothy's ass. I switched my cock between their asses for over an hour while Beth kept their husbands company, sucking and fucking them.

"Nan, you want it?" I said, drilling Nancy's ass.

"Oh yes," gasped Nancy. "Give it to me."

When Nancy came, I gave her what she wanted. Her convulsing ass drained my balls, and I pulled out.

"Your wife needs you," Beth said to Patrick.

Patrick knelt behind Nancy's come-filled ass and went to work, while I sat back and Dorothy sucked my cock. Beth meanwhile rode Walter's cock at an easy pace.

Nancy came while I fucked Dorothy's throat.

Beth stood next to me and pushed her ass out. I stood behind her and pushed my cock into her ass.

"Now that all cocks are hard, we'll call it a night," said Beth as I fucked her ass gently. "We'll continue tomorrow."

"It was an amazing night," said Nancy.

"I've returned your husbands to you with hard cocks," said Beth. "Bring them back tomorrow with hard cocks."

"We've also returned your husband to you with a hard cock," said Dorothy. "We expect him hard tomorrow."

"Of course," said Beth. "Let your asses rest well. They'll work hard tomorrow."

"My ass is looking forward to that," said Dorothy.

"It's going to be at your place, right?" said Nancy.

"Yes," said Dorothy. "You know the house."

"Yes," said Nancy.

"Let's meet before lunch so we can have most of the day," said Beth. "Nancy, suck Pat's cock on the drive."

The women straightened their dresses, and the men pulled their pants up. We exchanged goodbyes and goodbye kisses, and our guests left.

We met in the Campbells' house before lunch like agreed.

Beth helped Dorothy in the kitchen in the beginning while Nancy sucked cocks and got triple penetrated. Beth then sent Dorothy to replace Nancy. Beth and Nancy worked on lunch while Dorothy sucked and got fucked.

Nancy sat in my lap and got her tits fondled and her ass fucked to orgasm while she had lunch. Beth sat in Walter's lap, and Dorothy sat in Patrick's lap. They also came. The women sucked our cocks while we had lunch.

Patrick was the first to eat my come out of Beth's ass. Each of Walter and Patrick then ate his own come out of his own wife's pussy. After that, Beth fed Walter my come out of her ass. Patrick and Walter came in each other's wife's pussy and ate their own come.

Things slowed down during dinner preparations.

After dinner, Dorothy and Nancy ate my come out of each other's ass, and Beth had their husbands come on her tits together and then lick each other's come up.

DAVE AND DEREK AND THEIR MOMS

After our guests left, Beth knelt before me and proceeded to suck my cock.

“Should we let Dave and Derek know about their parents?” I said.

“Of course,” she said. “We are doing that on Tuesday. Tomorrow, you’ll get the sluts alone.”

“You’ve already arranged that?” I said.

“Of course,” she said. “What did you think we talked about in the kitchen?”

“I had no idea,” I said.

“On Wednesday, we’ll add our sisters,” she said. “We’ll add the dads on Thursday.”

“You are a good wife, Beth,” I said.

“How are you going to reward me?” she said.

“There is only one way I know how to,” I said.

“You want to keep my ass loose so they can easily eat your come out of it?” she said.

“Something like that,” I said.

On Monday, Dorothy and Nancy had dinner with Beth and me.

Nancy was the first to have dinner with her ass impaled on my cock and Dorothy licking her pussy. When she was done, she switched with Dorothy.

We returned to the living room. I came in Dorothy’s ass, and Beth ate my come out and passed it to Nancy. Each got to take my come in her ass, to eat my come out of another’s ass and to have my come passed to her. Beth was the last to get my come in her ass.

Nancy took my next come load up her ass and took it home. Dorothy did that about an hour later, at about midnight.

Beth and I rearranged the living room for Tuesday night. We placed two sofas opposite of each other.

The evening started with a normal dinner. Dave and Derek were surprised that their moms wore very sexy dresses.

After dinner, the moms sat on either side of me on a sofa, and Beth sat between the sons on the other. I soon wrapped my arms around Dorothy and Nancy.

Beth parted her knees wide, exposing her pussy.

“Beth, you are flashing us,” I said, bringing Dave’s and Derek’s attention to her show.

“You are my husband, and they are women,” said Beth. “It isn’t like I am flashing a stranger.”

“Why are you doing that?” I said.

“I am a woman,” she said as she spread her legs wide, laying each leg over the close leg of the guy sitting on that side. “I like to spread my legs especially when there is no reason not to.”

Dave and Derek tensed up, not knowing what to do.

“They are women too, but they can’t spread their legs because they’d be flashing their sons.”

“I have the perfect solution for that,” said Beth.

“What’s that?” I said.

“You’ll see,” she said, getting up.

Beth walked away and disappeared.

“Nan and Dory, are you okay with this, or is she being a naughty girl that deserves a spanking?” I said.

“It’s okay,” said Nancy.

“She’s fine,” said Dorothy.

“Are you sure I shouldn’t spank her?” I said.

“We are sure,” they said.

“She’s my wife, but flashing me her sweet pussy makes rock hard,” I said. “You don’t mind that.”

“Not at all,” they said.

Beth returned soon, carrying a small plastic bag. She stood behind the sofa and placed the bag on its back.

She reached inside the bag and retrieved something.

“This is a blindfold,” she said, holding a black blindfold in front of Dave.

Before Dave knew it, she clasped the blindfold around his eyes.

Although Derek knew what it is, he did not say or do anything before she clasped the other blindfold around him.

“Can you see anything now?” said Beth, hiking her dress to her waist.

“No,” Derek and Dave said.

“Now, your moms can spread their legs all they want,” she said as she sat between them and laid each leg over one of their legs.

Dorothy and Nancy hiked their dresses to their waists and spread their legs, each laying a leg over mine. I reached out with my hands and fingered their leaky pussies gently.

“Three married women are flashing their juicy pussies,” I said. “I can’t believe that.”

“They are not flashing their pussies,” said Beth. “Nobody can see them.”

“That’s still outrageous,” I said.

Dorothy and Nancy reached out for my boner and stroked it. Beth fingered her own leaky pussy.

Beth straightened her legs, laying each on both legs of each guy.

“Hold my legs so they do not slide off,” she whispered.

After some hesitation, Dave and Derek held her legs.

“Now, they can’t see my hands if I rub your hard cocks,” she whispered.

“Please don’t do that,” whispered Derek.

“Don’t worry,” she whispered. “They can’t tell that I am not acting.”

She soon reached out and proceeded to stroke their cocks, which responded to her quickly.

“Ladies, would you mind if I somehow managed to talk your nice sons into fingering my needy pussy?” said Beth.

“Beth, you are outrageous,” I said.

“Nick, I know you wouldn’t mind,” she said. “Let’s see if our lovely guests do.”

“If you can talk them into doing that for you, go for it,” said Dorothy.

“Absolutely,” said Nancy.

“You wouldn’t think they are naughty boys or bad boys?” said Beth.

“They’d think you are a slut,” I said.

“That’s okay, darling,” she said. “I am not worried about my own reputation. I am worried about these poor boys.”

“Nick’s right,” said Nancy. “We’d think you were a naughty woman but nothing about them.”

“I agree,” said Dorothy.

“If they could see you now, they wouldn’t think you were far behind,” teased Beth.

“They wouldn’t need to see us if you got them to finger you,” said Dorothy.

Beth motioned us to leave.

The women and I snuck out and into the kitchen. They knelt down and sucked my cock long enough to rid me of my pants and underwear. They bent over the counter, and I aimed my hard cock at Nancy’s dripping pussy.

“Be quiet,” I whispered, fucking Nancy at an easy pace.

“Finger my horny pussy, boys,” Beth said to the boys.

“We can’t do it in front of our moms,” whispered Derek.

“They are okay with it,” she said.

“He’s right,” whispered Dave. “We can’t do it.”

“Your moms aren’t here,” she said. “Nick took them away.”

“Are you serious?” he whispered.

“You are both welcome to briefly peek under your blindfolds, but, if either of you does, he won’t touch me, and I won’t touch him, but he has to remain blindfolded until he leaves,” she said.

“They are really not here?” whispered Derek.

“No, they are not,” she said, squeezing their balls. “Now, finger my fucking pussy.”

They hesitantly reached out for her pussy and proceeded to finger it.

Meanwhile, I fucked my sluts in the kitchen to an orgasm each. They sucked my dripping cock clean.

We snuck back to the living room.

The boys were fingering Beth's leaky pussy.

My hands returned to the moms' pussies.

"I see that you were able to talk them into doing your bidding," Dorothy said calmly.

Dave and Derek yanked their hands away.

"I took advantage of your being away temporarily, but you scared them away," said Beth.

"They are apparently wimps," said Dorothy. "We've already seen that, and we'd already said it was okay."

"If my son said it was okay for me to have my pussy fingered and I had someone finger it, I wouldn't want my fingerer to stop just because my son saw me," said Nancy.

"Are you sure of that, Nancy?" said Beth as she grabbed Dave and Derek's hands and returned them to her pussy.

"Of course," said Nancy.

Dave and Derek resisted, but Beth insisted. They finally returned to fingering her pussy.

"Dave, would you be okay if Nick fingered your mom, or do you think she's too good to be fingered?" asked Beth.

"Remember that Nick wouldn't finger her unless she was okay with it. Do you think it's up to her to be fingered?"

"Yes," said Dave lowly.

"Derek, what do you think?" she said. "Would you be okay if Nick fingered your mom?"

"Yes," hissed Derek.

"Are you sure, boys?" said Nancy. "Watching you finger Beth makes us want to try it ourselves."

"It's up to you," said Dave.

"Derek, would you really be okay if I let Nick finger me?" said Dorothy.

"Yes," hissed Derek.

Dorothy lubed my cock and carefully sat in my lap, impaling her ass on it. I was still fingering Nancy's pussy.

"Do you want me to finger your juicy pussy, Dory?" I said, fucking Dorothy's ass gently.

"Yes," hissed Dorothy.

"Nan, would you be okay if I fingered her hot pussy?" I said.

"Sure," said Nancy.

"If she soaked my fingers, you are going to lick them clean," I said.

"I am okay with that," she said.

"Dory, would you do that for her too?" I said.

"Yes," hissed Dorothy.

"You seem to be good girls," I said as I stuck two fingers into her pussy.

"Yes," she hissed.

Dorothy thrust her ass into me. I jerked my fingers within her pussy vigorously.

"You are bad, Nick," she gasped. "You are going to make me come."

"Did you think that would make you sneeze instead?" I said.

She stiffened and shook in orgasm. She shoved her twitching ass into me while her pussy gushed on my fingers.

“My fingers need serious sucking,” I said, gently thrusting in Dorothy’s ass.

“I bet,” said Nancy.

Dorothy dismounted me and sat next to me. I offered Nancy my dripping fingers. She sucked them clean.

“Do you want me to finger you too, Nan?” I said as Dorothy lubed my cock.

“Sure,” said Nancy.

Nancy sat in my lap, and I fingered her pussy similarly while I thrust in her ass to orgasm. Nancy dismounted me, and Dorothy sucked my fingers clean.

Dorothy got up and stood behind her son.

“Do you want to see what that slut’s doing?” Dorothy whispered in Derek’s ear as Nancy stroked my cock.

He did not answer.

“If you want to watch, I can take your blindfold off for a minute,” whispered Dorothy.

“Okay,” he whispered.

Nancy lubed my cock thoroughly. When Dorothy removed Derek’s blindfold, Nancy sat in my lap. She impaled her ass on my cock and parted her knees so Derek could see it all.

“Can you see that whore?” whispered Dorothy as Nancy bounced on my cock, and I thrust in her ass. “She’s getting her horny ass fucked on his big cock right across from her blindfolded son. Have you ever seen a dirtier slut?”

He did not answer.

“She’s so dirty you shouldn’t watch her,” whispered Dorothy, blindfolding her son again.

Nancy rode my cock to orgasm and tried to be very quiet while she convulsed wildly.

“Lick her pussy clean,” I whispered to Dorothy.

Dorothy licked Nancy’s drenched pussy, and Nancy dismounted my cock. Dorothy swallowed my cock.

After she sucked my cock, Dorothy lubed it thoroughly. Meanwhile, Nancy stood behind Dave.

“Do you want to see how dirty that slut is?” whispered Nancy. “You may not believe that a married woman would do that, especially when her son’s in the same room.”

Dave did not answer.

“If you promise to watch quietly, I can remove your blindfold briefly and let you watch,” she whispered.

He remained silent.

“Do you want to watch or not?” she whispered.

“Yes,” he whispered.

As soon as Nancy removed Dave’s blindfold, Dorothy sat in my lap. He watched her impale her ass on my cock. She parted her knees and proceeded to bounce on my cock.

“Can you see that?” whispered Nancy.

“Yes,” whispered Dave absentmindedly.

“Do you think a married woman should behave like that right across from her clueless son?” she whispered.

“I don’t know,” he whispered.

“Can you see how big he is?” she whispered.

“Yes,” he whispered.

“She’s taking him all the way up her slutty butt,” she whispered. “She’s never let her husband do that to her.”

He did not comment.

“Would you let your fiancée do that especially if she’d never let you take her butt like that?” she teased.

“I don’t know,” he whispered.

“Is watching that shameless whore corrupting you?” she whispered. “Maybe you shouldn’t watch that filth.”

She restored his blindfold.

Dorothy came on my cock, and Nancy volunteered to lick her drenched pussy clean and then suck my cock.

“I can’t watch this forever,” said Beth. “I need to get fucked too.”

Beth got off the sofa and rid both Dave and Derek of their pants and underwear.

Each woman sucked her son’s hard cock leisurely. I fucked Nancy’s ass to orgasm and did the same to Dorothy. They switched places, and I fucked each in the ass to orgasm while she sucked the other’s son. Dorothy continued to suck Dave’s cock while Beth sucked Derek’s cock and I fucked her ass. Nancy returned to sucking Derek’s cock while I fucked Beth while she sucked Dave’s cock.

Each woman stood behind her son.

“The slut’s so horny she’s going to fuck you now,” whispered Nancy. “Fuck her well. Show her my son’s a stud.”

“Are you sure that’s okay?” whispered Dave.

“Of course,” she whispered. “I know you want her too. I saw you stare at her tits. She has nice tits, doesn’t she?”

“Yes,” he whispered.

“Play with them while you fuck her,” she whispered.

“Okay,” he whispered.

“Would you like to fuck her big tits and come all over them?” she whispered.

“I don’t know,” he whispered.

“You are a liar, honey,” she whispered. “I am sure her son wants to fuck my tits and come all over them.”

“You think so?” he whispered.

“Yes,” she whispered. “You were too busy staring at his mom’s tits to notice that he was doing the same to me.”

“Sorry,” he whispered.

“If he got away with it and came all over my tits, would you be a good boy and lick your mom’s sticky tits clean, or would you walk away and say not my problem?” she whispered.

“I don’t know,” he whispered.

“You don’t know if your mom can depend on you or not?” she whispered. “You are a disappointment.”

“Okay, I’d lick them clean,” he whispered.

“You’d leave no trace?” she whispered.

“Yes,” he whispered.

“I am now proud of you,” she whispered. “Enjoy the bitch.”

“Thank you,” he whispered.

“Are you ready to fuck the whore?” whispered Dorothy. “She’s so horny you can’t believe it.”

“I shouldn’t do that,” whispered Derek.

“You should,” she whispered. “Her horny son wouldn’t spare me. I am sure he’s now thinking about fucking me.”

“Are you sure?” he whispered.

“You didn’t see him stare at my tits?” she whispered. “He probably wants to fuck them and come all over them. I saw you stare at his mom’s tits too. Do you want to fuck them and come all over them too?”

“You did?” he whispered, blushing.

“Fuck her hard,” she whispered.

“Okay,” he whispered.

“If her son gets his way and fucked my tits, fuck his mom’s tits and shower them with sticky come,” she whispered. “Enjoy his mom at least as much as he enjoys yours.”

“Would you let him do that to you?” he whispered.

“If he played his cards right, I’d have to,” she whispered.

“You would?” he whispered.

“Of course,” she said. “Women have weak points. If he found mine and used it, I have to let him have his way.”

“Oh!” he interjected.

“Your mom isn’t indestructible,” she whispered. “Her armor has holes horny guys can get to her through. So is his mom. Nick has already penetrated all her holes. Use her well, but don’t let her son know you are fucking his mom.”

“Okay,” he said.

“Remember that your mom’s a woman and that women love cock,” she whispered. “Don’t blame a woman for being much of a woman.”

“Okay,” he whispered.

Each mom climbed astride the other’s son and engulfed his cock in her dripping pussy.

Dorothy guided Dave’s hands to her tits as soon as she felt his balls touch the back of her pussy.

“Feel them up, and find out if they are bigger and better than your mom’s,” whispered Dorothy. “I saw you stare at them. Did you want to fuck them or just squeeze them and suck them?”

“I...I...,” stuttered Dave.

“It’s okay,” she whispered. “I won’t force you to fuck them. If you don’t want to fuck them, it’s okay. I am sure Nick would love to fuck them. Actually, my tits are so good my son may not be able to spare them.”

“I want to fuck them,” he whispered.

“Make me come, and fuck them right away,” she whispered.

“Okay,” he whispered. “Thank you.”

Nancy also had Derek fondling her tits.

“Do you like my tits?” whispered Nancy.

“Yes,” whispered Derek.

“Are they better than your mom’s tits?” she whispered.

“I don’t know,” he whispered.

“Feel them up well so you can tell,” she whispered.

Each woman pulled her top down, allowing the guys to fondle their bare tits and suck their nipples while they rode their cocks at an easy pace. I lubed my fingers and fucked each asshole with three fingers.

“Nick’s fingering my asshole,” whispered Nancy. “I think he’s going to fuck it while you fuck my pussy.”

“Can you feel Nick ream out my asshole?” whispered Dorothy. “Do you think he’s going to fuck it right now?”

Dorothy and Nancy rode the cocks harder. I only took my fingers out of their asses when they finished coming.

The moms dismounted their partners and proceeded to suck their cocks.

“Do you want to lose your blindfolds, or do you prefer to keep them?” said Beth.

“I want to lose my blindfold,” said Derek.

“Me too,” said Dave.

“Are you sure you can handle that?” she said. “You may see your moms doing things, when you were little, you thought they should never do. You may see your mom act like a dirty woman. Are you okay with that?”

Dave and Derek did not answer.

“I am obviously not sucking any cocks right now,” she said. “If your hard cock’s in a warm moist mouth, your friend’s mom’s sucking it. Are you okay with having your mom return the favor and suck his cock?”

They remained silent.

“You have to say yes if you want me to remove your blindfold,” she said.

“Yes,” said Derek.

“Yes,” said Dave.

“Be nice to your mom if she loves cock like she should,” she said.

Beth walked around the sofa and removed Derek’s blindfold first. While Derek blinked, she removed Dave’s. Each saw his mom suck the other’s cock.

Beth climbed onto the sofa and pushed her pussy against Derek’s mouth. She made sure to block his view well from his mom’s side. I lubed my cock and pushed it into Dorothy’s ass.

“She has a great ass,” I whispered, smiling at Dave.

Dorothy sucked Dave’s cock until she came. Nancy sucked Derek’s cock too. Beth soon came.

Beth switched mouths after I pulled out of Dorothy’s ass. Dave did not see me fuck his mom’s ass to orgasm. Derek did while enjoying her mouth.

Beth returned her pussy to Derek’s mouth. Dorothy moved to Derek’s cock and sucked it. Dave saw her suck her son’s cock. I proceeded to fuck Dorothy’s ass. Meanwhile, Nancy knelt before Dave and stroked his cock.

“The slut’s sucking her own son’s cock,” whispered Nancy as she fondled her son’s cock.

Dave’s cock twitched when his mom teased its underside with her tongue tip.

“If you are jealous, I can suck your hard cock,” whispered Nancy.

Dave did not comment.

Nancy teased her son’s cock for a while. She teased his cock head, keeping his cock leaking. His cock twitched when she took his cock head in her mouth and sucked it gently. He did not resist as she sucked his cock leisurely.

Dorothy came on my cock, and Beth came in Derek’s mouth. When Beth moved to Dave’s mouth, Derek saw the moms suck their respective sons’ cocks. He was surprised, but he did not protest. I impaled Nancy’s ass.

“He’s fucking the whore’s ass while she sucks her son’s cock,” whispered Dorothy.

That statement brought Derek’s attention to the fact that I had fucked his mom’s ass while she sucked his cock. He did not comment, but his cock twitched in his mom’s mouth. Dave decided that his own mom was having her ass fucked while she sucked his cock too. Nancy came a little before Beth.

Beth dismounted Dave’s face and sat down between Dave and Derek. I proceeded to fuck Dorothy’s ass while her son watched. Dorothy came, and I fucked Nancy’s ass to orgasm.

“Enough games,” said Beth. “I want to be triple penetrated.”

“Who do you want on the bottom?” I asked, thrusting in Nancy’s ass.

“Dave,” said Beth.

“Let’s do it,” I said.

“Derek, you are in my mouth,” she said.

“Okay,” said Derek.

Dave lay on the floor, and Beth got her triple penetration. I fucked her ass hard while she convulsed in orgasm.

“Dorothy, you want it?” asked Beth while Dave and I thrust gently in her holes.

“Sure,” said Dorothy.

Beth dismounted, and Dorothy replaced her. Dorothy sucked her son’s cock while she got triple penetrated. Beth helped Dorothy dismount after she came.

Dave and Derek were surprised when Nancy straddled her son.

“You want to take your son in your pussy?” said Dorothy.

“Sure,” said Nancy. “My pussy isn’t too good for him.”

“Of course not,” said Dorothy.

Nancy got her triple penetration and gushed on her son’s cock.

“Dave and Derek, switch,” said Beth. “We are going to do it all over again.”

The guys switched, and Beth got triple penetrated until she gushed on Derek’s cock.

“I might as well do it,” said Dorothy as she straddled Derek.

Derek and I drilled his mom’s holes while she sucked Dave’s cock. She finally came on her son’s cock.

Nancy replaced Dorothy and had her holes fucked to orgasm.

“Do you want to put our sons to the test?” said Dorothy as Nancy dismounted.

“What test?” said Nancy.

“I promised Dave to let him fuck my tits,” said Dorothy. “Why don’t you let Derek fuck yours?”

“Sure,” said Nancy.

“We’ll have them come on our tits and then see if they would lick their moms’ sticky tits clean,” said Dorothy.

“That sounds like fun,” said Nancy.

“Dave, are you ready to fuck my tits and come all over them?” said Dorothy.

“Yes, ma’am,” said Dave.

“Come here,” she said, kneeling down.

“Do you want to fuck my tits, or do you want to watch?” Nancy asked Derek.

“I want to fuck your tits please,” said Derek, getting up.

“Go for it, baby,” she said.

Beth and I knelt, and I fucked her ass at an easy pace from behind while we watched the tit fucking show.

Dave was the first to come. He covered Dorothy’s tits with come as she held them up for him. Derek was quick to follow, and he did the same to Nancy’s tits.

“Let’s now see how much of mama’s boys you are,” said Dorothy.

“Lick it up, boys,” said Beth.

Dave and Derek switched places, and each knelt before his mom and proceeded to lick her slimy tits.

“Don’t leave a trace, baby,” teased Dorothy. “Your mom’s a good woman. She doesn’t want come on her tits.”

“Me neither, Dave,” said Nancy. “You don’t want your precious mom to have come on her nice tits, do you?”

“Imagine the CSI guys came and wanted to find out who dared to shoot slimy come all over these pretty tits,” said Beth. “You don’t want to leave any evidence. If you do, you’ll get caught because the other mom would tell on you.”

“Yes,” laughed Dorothy. “Help us protect you from jail.”

“Imagine there was a murder and the other guy claimed he was coming all over your mom’s tits at the time,” said Beth. “You’d be convicted if he could prove it.”

“Very well put,” laughed Nancy.

After they were done, the moms got up.

“Let’s wash our tits and your cocks now,” said Nancy.

The four of them went to the bathroom to wash up.

The guys sat on the sofa, and each woman sucked the other’s son’s cock. Beth knelt between the guys and pushed her ass out lewdly.

“Spread my ass, boys,” said Beth.

Dave and Derek spread Beth’s ass, and I lubed her asshole and fucked it. I rotated my cock between the three asses, switching holes after each orgasm. Dave and Derek regained their hardness.

“Come in my ass, Nick,” said Dorothy while I drilled her ass.

“Who’s going to clean it up?” I said.

“I am sure Dave would love to do that,” she said. “Wouldn’t you, Dave?”

“Sure,” said Dave.

“If you do a good job, I’ll let you fuck me,” she said.

“Yes, ma’am,” he said.

Dorothy came, and I came inside her ass. Beth sucked my cock while Dave ate my come out of Dorothy’s ass and Nancy rode Derek’s cock. Dave ate Dorothy’s ass until she came.

“You did a great job, Dave,” said Dorothy. “You’ve earned your prize. Are you ready to fuck me?”

“Yes, ma’am,” said Dave.

“Sit back, and let me bounce on your hard cock,” she said.

Dave got into position on the sofa, and Dorothy rode his cock in the cowgirl position. I fucked Beth’s ass while she knelt on the sofa.

During the next hour, we changed positions and combinations many times. Each of the guys came in the other’s mom’s pussy and ate his own come out. I then came in Nancy’s ass.

“Derek, are you ready to return the favor?” asked Nancy. “You’ve already received your prize.”

“Yes, ma’am,” said Derek.

Derek ate my come out of her well-used ass, making her come.

“You’ve received your prize in advance,” she said. “Thank you.”

“You are welcome,” he said.

The women washed the guys’ cocks and revived our cocks, and we resumed fucking. I came in Beth’s ass, and Derek and Dave shared eating my come out. They then came on her tits, and each ate the other’s come.

That concluded our evening, and our guests went home.

On Wednesday evening, Beth’s and my sisters joined their fiancés and their fiancés’ moms. We kept the previous sofa arrangement. We had the girls sit in their fiancés’ laps. The moms sat on either side of me like the evening before.

The festivities started after dinner.

“Girls, why don’t you show us that you are worthy of getting married?” said Beth. “A baby girl can sit in a lap.”

Alex and Lisa hopped off their fiancés’ laps, and each knelt before the other’s fiancé. They took their cocks out and proceeded to suck eagerly. Dorothy and Nancy took my cock out and stroked it. They hiked their dresses, and I fingered their pussies. Beth hiked her dress and had Derek and Dave finger her pussy while having their cocks sucked.

“Expose your asses, girls,” said Beth.

Alex and Lisa hiked their dresses, exposing their bare asses.

Dorothy and Nancy knelt down and sucked my cock eagerly. After a while, I left them and knelt behind Lisa.

Lisa raised her ass and pushed it out. I pushed my cock into her pussy and fucked her to orgasm. I squeezed lube on her asshole and pushed my dripping cock into her ass. I fucked her eager ass briskly to orgasm.

“Dory, is your future daughter-in-law hot enough?” I said as I got up.

“You bet,” said Dorothy.

“You have no idea about yours, do you?” I said to Nancy.

“No clue,” she said.

“Let’s find out,” I said as I knelt behind Alex’s bare ass.

Alex adjusted her position, and I fucked her pussy to orgasm. I did the same to her luscious ass.

“What do you think?” I said to Nancy as I got up.

“She’s very good,” she said.

“Taste her on my big cock,” I said.

Nancy dropped to her knees and deep throated my cock eagerly.

“I didn’t get to taste my future daughter-in-law on your big juicy cock,” complained Dorothy.

“Don’t go home until you do,” I said.

“I definitely won’t,” she said.

“Get up, girls, and let your future mothers-in-law show you how they do it,” I said.

Dorothy replaced Lisa, and Nancy replaced Alex. Dorothy and Nancy hiked their dresses, exposing their bare asses. Dorothy raised her ass when I knelt behind her. I fucked her pussy and ass, each to orgasm. I moved to Nancy and fucked her horny orifices similarly.

“Taste your future mother-in-law,” I said to Alex as I got up.

Alex knelt before me and deep throated my cock.

“She tastes good,” said Alex as I brushed her cheek with my cock head.

“Nick, you are biased to your sister,” complained Dorothy.

“I fucked you and fucked Lisa first, and Nancy and Alex didn’t complain,” I said.

“Sorry,” she said.

“Let the boys fuck you,” I said.

Dorothy and Nancy mounted each other’s son and proceeded to ride their cocks. I took Beth and our sisters to the other sofa and arranged them on their knees side by side. I started with Beth’s dripping pussy. After that, I fucked their asses, hopping from ass to horny ass after each orgasm. The moms switched cocks after each orgasm. They were soon on their knees getting fucked from behind.

“We need to make a full circle,” I said as I walked to the other sofa. “Go to the other sofa.”

After Dave and Derek fucked every pussy, and I fucked every ass, it was time for us to come.

“Alex and Lisa, get down on your knees, and get your faces ready for my come,” I instructed.

“Meanwhile, you can come on my tits, boys,” said Beth, kneeling down.

Beth sucked Dave and Derek’s cocks while Alex and Lisa sucked my cock hungrily. Dave and Derek came on Beth’s tits before I came on Alex’s and Lisa’s faces. I wiped my cock head on their faces and pulled away.

“Lick it up, girls,” I said.

Alex and Lisa licked my come off each other's face eagerly while Beth had their fiancés lick each other's come off her tits. Dorothy and Nancy worked on reviving my cock while I watched.

Beth took her party to the bathroom to wash up her tits and their cocks.

After our next round, Dave and Derek came on each other's fiancée's tits, and each licked his fiancée's tits clean. I came on Dorothy and Nancy's faces, and they licked my come off each other's face.

My next come load went up Alex's ass, and Derek ate it out. After that, Derek and Dave came in each other's fiancée's pussy, and each ate his own come out. Dave ate my last come load out of Lisa's well-fucked ass.

We rested in the end while Dorothy and Nancy sucked my cock leisurely and Lisa and Alex did the same to each other's fiancé. Beth had Dave and Derek finger her pussy.

We soon called it a night, and our guests left after we exchanged goodbyes and goodbye kisses.

On Thursday evening, our guests returned in couples. Dorothy and Nancy brought their husbands with them.

Dorothy and Nancy sat on either side of me but in their husbands' laps. After dinner, they spread their legs, and I proceeded to finger their horny pussies. Beth spread her legs and guided their son's hands to her pussy. Alex and Lisa spread their legs and each guided her fiancé's free hand to her pussy.

Before long, Nancy and Dorothy reached out for my boner and set it free. They went down to their knees and sucked my cock together while each fondled the other's husband's cock through his pants. Alex and Lisa sucked each other's fiancé's cock.

Dorothy and Nancy set the cocks they fondled free. I got up, and each sucked the cock she was playing with. I knelt behind Nancy and fucked her pussy to orgasm. Dorothy's pussy got my cock next. I then lubed Dorothy's asshole and fucked it to orgasm. I returned to Nancy and fucked her ass to orgasm.

By that time, Beth and our sisters were on their knees on the other sofa. Derek and Dave started with each other's fiancé and then Derek fucked Beth while Dave fucked Alex.

Nancy and Dorothy knelt on the sofa, and each husband fucked the other's wife. I joined the kids and fucked Alex's ass while Dave fucked Beth and Derek fucked Lisa.

"Let's make full circles," I said.

Each circle took about forty minutes. I had time to make each come twice.

Each came in the pussy he was fucking and ate his come out. Walter and Patrick got to come in Alex's and Lisa's pussies, respectively. Their sons came in each other's mom's pussy. I then came in Dorothy's ass. Dave ate my come out. Derek returned the favor when I came in Nancy's ass next. Walter and Patrick came in each other's wife's pussy, and each cleaned up his own wife's slimy pussy. Their sons did the same with their fiancées. From then on, they all came on the women's tits and cleaned up after themselves. Patrick and Walter ate my come out of Lisa's and Alex's asses, respectively.

The women sucked our cocks leisurely, making a full circle, while we rested in the end.

Before long, we called it a night.

We had one day to get ready for our grand orgy.

BETH RELAXES

In the morning, I woke up normally.

“Good morning, Nick,” greeted Beth, teasing the underside of my hard cock with her fingertips.

“Good morning, Beth,” I said.

“We are taking the day off to get ready for tomorrow,” she said. “You need to take the day off too.”

“Okay,” I said. “I’ll send a message to work in a few minutes.”

“That isn’t good enough,” she said. “You have to be more serious about work.”

“What do you mean?” I said.

“You need to talk to your boss on the phone,” she said.

“Why is that?” I said.

“It shows that you care especially if you do it while fucking me in the ass,” she said. “You’ve never done that.”

“You want me to talk to my boss on the phone while I fuck your ass?” I said.

“You have to start somewhere,” she said. “Why don’t you start with your boss?”

“That makes perfect sense,” I said.

“Of course,” she said.

“I’ll do that in an hour,” I said.

“Meanwhile, enjoy staying in bed,” she said.

“You don’t want to take a shower first?” I said, squeezing her near tit.

“I’ve already showered,” she said. “I am ready for a nice and cozy day off. You need to take a shower.”

“I’ll be back soon,” I said, getting up.

“Hurry back,” she said. “I am going to miss your big hard cock.”

“I’ll be back very soon,” I said.

“Don’t jack off,” she teased.

“Don’t finger fuck yourself either,” I said.

“Don’t worry about that,” she said. “My fingers are too small for that. I am a big girl.”

“Good for you,” I said.

“Your big hard cock’s back,” she smiled.

“It won’t run away and leave you here,” I said.

“Let it come back to me,” she said as I got back into bed.

She teased my hard cock with her hand as we lay under the covers.

“I know we are horny and we want to fuck all day, but we have to relax today to be ready for tomorrow,” she said.

“Didn’t you want me to fuck your ass while I talked with my boss?” I said.

“Fucking my ass for a minute would tire you?” she said. “Are you serious?”

“Of course, it won’t tire me,” I said.

“I am not exhausting you now by touching your hard cock, am I?” she teased.

“Of course not,” I said. “Don’t be silly. It was you, not me, who wanted to relax.”

“Relaxing doesn’t mean to take sleeping pills and sleep the day off, does it?” she said. “It just means recharging.”

“Are your pussy and ass recharging now?” I said.

“They are fully charged,” she said. “They can fuck for twenty-four hours non-stop as long as I am hydrated.”

“You must be rated like a heavy-duty commercial slut,” I said.

“I am rated even higher than that,” she said. “You have your own whorehouse at home.”

“That’s nice,” I said.

She pushed the covers down and mounted me in the sixty-nine position. She sucked my cock leisurely. Her pussy was wet already. I fondled her ass, watching her pussy and asshole wink.

“Your pussy’s so charged it’s leaking,” I said.

“Your big cock’s leaking in my mouth,” she said.

“It’s fully charged too,” I said. “It can keep a whorehouse busy.”

She lowered her pussy to my mouth, and I gave it a deep kiss, making her moan around my cock.

She deep throated my cock lazily, and I licked and tongue probed her pussy and asshole leisurely. I soon lubed her asshole and reamed it out with two fingers.

We continued to leak into each other’s mouth for over half an hour.

“Shouldn’t you call your boss now?” she said.

“Yes,” I said.

She handed me my phone and turned around. She deep throated my cock while I dialed the number.

“Nick,” replied my boss.

“Boss,” I said as Beth sucked my cock deeply.

“What’s up?” he said.

“You don’t want to know,” I said as Beth climbed astride me and engulfed my cock in her pussy.

“Something bad happened?” he said as Beth rode my cock gently.

“It isn’t really bad, but it’s some kind of emergency,” I said.

“Will you be in late?” he said as Beth moved my cock to her ass.

“Actually, I want to take the day off,” I said as Beth rode my cock with her horny ass.

“That’s okay,” he said. “I hope everything will be fine.”

“It isn’t a bad emergency,” I said. “It’s a family thing. My wife let me know about it just this morning.”

“Oh, okay,” he said. “Enjoy your time.”

“I’ll try, but it’s hard when your wife’s with you all the time,” I said.

“I know what you mean,” he said. “That’s life. Talk to you later.”

“Later, boss,” I said.

“Your boss has no idea how hard it is,” she said, squeezing my cock with her asshole, as I hung up.

“You know his wife,” I said. “She isn’t a whorehouse in one or a whorehouse of one as the army would say it.”

“You can’t have a whorehouse in one when you don’t have a cock that can handle it,” she said.

“That’s right,” I said.

She dismounted my cock and sucked it leisurely for a few minutes.

“Let’s have breakfast,” she said.

She left the room, and I followed her ass to the kitchen.

We did not have an extravagant breakfast because we had the day off. Far from it, we had a breakfast slightly better than our everyday affair.

When we were done, she led me to the living room, and knelt before me as I sat back in the armchair.

She proceeded to suck my hard cock leisurely. She deep throated it like we did not have anything else on our minds. I sat back and had fun, watching her.

Over half an hour later, the doorbell rang.

“Who’s that?” I said.

“Let me check,” she said, getting up.

“You are naked,” I reminded as she headed to the door.

“You think I’d let anybody spoil my day off?” she said. “I am just checking.”

“Okay,” I said.

Beth, who was stark naked, returned with her dad and mine, startling me. I sat up.

“Hi, Nick,” greeted dad and John.

“Hi,” I said.

There was no way they could have come over on their own. I knew Beth was behind that, so I remained silent.

Beth nonchalantly knelt before me.

“I want my pussy and asshole eaten,” she said to them. “You can work out who eats what.”

She returned to sucking my cock without waiting for their reply.

“If you don’t mind, I’ll eat her ass,” said dad.

“Sure,” said John.

John lay back, and Beth lowered her dripping pussy to his mouth. Dad knelt next to John and lowered his mouth to her asshole. She started moaning around my cock.

“Dad, spread my ass for him,” she said.

John spread her ass, and dad ate her asshole more eagerly.

“Use your fingers too,” she said a few minutes later.

She deep throated my cock while they ate and fingered her pussy and ass eagerly.

“Take it easy,” she said. “You don’t have to make me come yet.”

They slowed down their pace but continued to finger and tongue fuck her holes.

“Is my ass ready, Dan?” she asked.

“Yes, it’s very ready,” said dad.

She slowly got up, pulling her holes away. She turned around and sat in my lap.

“Spread my ass, Nick,” she said, holding my cock upright.

She pressed my cock head into her asshole as I spread her ass, and my cock head popped in, making her gasp.

“This is better,” she said, pushing her ass down.

She took my cock balls deep up her ass and ground into me, making sure nothing was left out. She then pulled her legs up, resting her feet on the edge of the sofa.

“Dan, please eat my pussy while I suck dad’s cock,” she said. “Feel free to make me come.”

Dad knelt before her and proceeded to lick her leaky pussy while she ground into my cock.

“Dad, lose your pants and underwear, and bring your cock to my mouth,” she said. “Dan, lose them as well.”

They both got rid of their pants and underwear, and John climbed onto the side of the chair and thrust his hardening cock into her face. She took it in her mouth eagerly and proceeded to suck it, moaning around it as dad ate her pussy. I fondled her tits, pinching her nipples.

She started to bounce on my cock as dad ate her pussy more actively. I held her ass spread and bounced it at a brisk pace. She moaned around her dad’s hard cock happily.

Her orgasm hit her, but she did not stop sucking her dad’s cock. Actually, she sucked it more hungrily as she stiffened and convulsed around my cock, gushing in dad’s eager mouth. I thrust in her ass until she went limp. She finally let go of her dad’s hard cock. Dad gently licked her drenched pussy clean.

“Dad, fuck my pussy while I suck Dan’s cock,” she said. “Fuck me nice and then hard.”

Her dad and mine swapped stations, and her dad entered her pussy first. She took dad’s cock in her mouth and moaned around it. She thrust her ass, urging her dad to fuck her. He started to fuck her gently. I spread her ass and fucked it at the same pace. The pace was easy at first, but it accelerated, and her moans got louder.

Beth continued to suck dad’s cock while she convulsed around her dad’s and my cocks wildly. I thrust hard into her twitching ass until she went limp.

“Dan, lie back on the carpet, and let me ride you,” she gasped.

Dad got into position, and her dad pulled out. She dismounted me and mounted dad in the cowgirl position.

“Fuck my ass, Nick, while I suck dad,” she said, looking back at me.

Her dad took his dipping cock to her mouth, and she proceeded to suck it and moan around it as she rode dad's cock. I lubed my cock and knelt behind her. I stuffed her ass with my cock, and dad and I established a nice rhythm. She moaned happily on her dad's cock, riding the other cocks energetically. I fondled her tits too.

She soon had her hardest orgasm so far on dad's cock and mine. She moaned and gasped around her dad's cock. I held her hips and pounded her convulsing ass vigorously until she went limp.

"Put on a condom, and put it in my ass," she said, motioning her dad to the pack of condoms on the end table.

While her dad got ready, I pulled out of her ass and pushed my cock into her mouth. He knelt behind her and pushed his cock into her ass. She enjoyed another triple fuck and had a wild orgasm on our dads' cocks.

"Let me suck your cock, Dan, while Nick gets under me and dad continues to fuck my ass," she said.

Dad and I switched. She rose up, and her dad rose with her, keeping his cock up her ass. Dad slid out from under her, and I slid into his place. She lowered her drenched pussy onto my cock, and dad pushed his dripping cock into her mouth. She humped her dad's cock and mine, signaling the start of the fuck. She moaned her way to orgasm around dad's cock and gushed on my cock, her asshole convulsing around her dad's cock.

"Dan, put on a condom, and switch with dad," she said.

She ground her soaked pussy into the base of my cock while dad put on his condom and her dad took his off. Dad lubed his cock and pushed it up her ass while she sucked her dad's cock eagerly. She soon came and dismounted.

"I'll toss a coin," she said to her dad and mine. "If it's heads, dad gets to come on my face, and Dan gets to come in my pussy. Each will clean me of the other's come. The one who gets the tails eats Nick's come out of my ass."

She grabbed a silver dollar off the coffee table and flipped it. It came heads.

"Dad, you get to come on my face, and Dan gets to lick my face clean," she said.

She knelt on the floor and sucked her dad's cock hungrily for a few minutes. He shot his come all over her face. She wiped his sticky cock head on her face and smiled at dad.

Dad knelt before her and proceeded to lick her face clean.

"Come in my pussy," she said to dad as she lay on the chair and pulled her legs over her head.

Dad pushed his cock into her pussy and fucked her hard. When she came, he drained his balls in her pussy.

"Help yourself, dad," she said when dad pulled out.

Her dad knelt down and dove in. He ate her slimy pussy eagerly and made her come in his mouth.

"Give me a minute," she said. "I need to wash my face and douche my sticky pussy."

"I am fresh and ready," smiled Beth.

She lay back in the chair and pulled her legs over her head.

"Fill me for your dad," she said to me, spreading her ass.

My cock was sticky with her juices. I lubed it a little and pushed it into her ass. I pinned her legs and put it to her.

It was a vigorous ass fuck from the start. We both came within a few minutes, and she drained my balls in her ass. As soon as I pulled out, dad knelt before her come-filled ass. I sat back on the sofa.

"Help yourself," she smiled at dad, spreading her ass.

Dad eagerly ate her come-filled pussy and made her come.

“Thank you,” she said to them.

She knelt before me and proceeded to suck my sticky cock while they got dressed.

“See you tomorrow,” they said.

“Bye,” I said.

Beth was busy sucking my cock. As soon as my cock was hard, the doorbell rang.

“What’s this?” I said.

“There is only one way to find out,” she said, getting up.

It did not surprise me much when she returned with Walter and Patrick.

“Hi, Nick,” they greeted.

“Hi,” I said, still sitting back.

Beth knelt down and stroked my hard cock.

“Lose your pants and underwear, and eat me out,” she said. “Work out who eats my pussy and who eats my ass.”

She returned my cock to her mouth and proceeded to deep throat it while they did her bidding.

Patrick got her ass, and Walter got her pussy.

“Don’t make me come,” she said. “I come on cocks unless I am full of come.”

They licked her holes leisurely, making her moan around my cock.

“Use your fingers to open me up,” she said.

They obliged her while she continued to deep throat my cock.

“Nick, lie back on the carpet,” she finally said to me.

They pulled away from her, and I lay on the carpet. She sat on my cock in the reverse cowgirl position.

“Bring your cocks where I can suck them,” she instructed as she bounced gently on my cock.

They stood on either side of her, and she proceeded to suck and stroke their hardening cocks.

“Are you ready to fuck me, boys?” she said to them, stroking their hard cocks briskly.

“Yes,” they said.

“You are going to fuck me in all my holes and come in or on me,” she said. “Can you handle that?”

“Yes,” they said.

“Let me come first,” she said, picking up the pace.

She held their cocks as if for leverage and bounced faster on my cock until she came, gushing on my cock.

While she recovered, she moved my dripping cock to her ass.

“I am ready to be triple penetrated,” she said, leaning back and propping herself on her arms. “One of you should fuck my pussy while I continue to suck the other.”

Walter knelt before her and pushed his cock into her drenched pussy. She continued to suck Patrick’s cock. I spread her ass and thrust in it from below as Walter and I established a slow rhythm. She moaned happily.

She continued to suck Patrick's cock and used her movement to control the pace. Walter and I followed her lead. She came within a few minutes, her asshole twitching around my cock as she gushed on Walter's cock.

"Switch with Walter," she said to Patrick.

Walter and Patrick switched, and we proceeded to triple fuck her again. She soon came on Patrick's cock.

"Walter, put on a condom so you can fuck my ass while I suck Pat," she said, pointing to the condoms.

Patrick pulled out of her pussy, and she pivoted around me. She then moved my cock to her drenched pussy.

She sucked Patrick's cock while Walter pulled his condom on. He knelt behind her and pushed his cock into her ass. She continued to suck Patrick while Walter and I established a rhythm and fucked her ass. The pace accelerated until she gushed on my cock.

"Switch with Pat," she said to me, rising up.

Patrick and I switched places while Walter kept his cock up her ass. She lowered her pussy onto Patrick's cock, and I fucked her throat while they fucked her pussy and ass to orgasm.

"Pat, let me suck your cock while Walter continues to fuck my ass," she said.

Patrick came out from under her, and she sucked his cock and mine while Walter held her tits and fucked her ass to orgasm. She did not take her mouth off Patrick's cock while she came.

"Nick, sit back on the floor," she said to me. "Walter, take off your condom. Pat, put on one."

While they complied with her instructions, she sucked my cock on her hands and knees and lubed her asshole.

"Pat, enter my ass from above," she instructed. "Walter, when he's in, fuck my pussy from behind."

"Okay," said Walter.

We soon triple penetrated her in the doggy position, and she came on Walter's cock.

"Switch with Walter," she said to me when she recovered.

Walter and I switched places, and I fucked her pussy while Patrick fucked her ass and she sucked Walter's cock.

"It's coin toss time," she said when we pulled out of her. "Walter, do you want tits or tails?"

"Tails," said Walter.

"If it's tails, you get to come in my pussy, eat Pat's come off my tits and Nick's out of my ass, and Pat gets to eat your come out of my pussy," she said. "If it's tits, you do it the other way around."

She flipped the coin, and it came out tails.

"You are lucky, Walter," she said. "I'll now suck Pat and make him come on my tits. Get ready to clean them up."

Patrick walked to her, and she sucked his cock hard. His orgasm soon hit him, and she aimed his cock at her tits. He came on her tits, and she wiped his cock head on her nipple.

"Help yourself," she smiled at Walter.

Walter knelt before her and went to work. Meanwhile, she stroked my cock.

"Come in my pussy now," she said to Walter when he was done.

She lay back on the sofa, and pulled her legs over her head, and Walter took his position and entered her pussy. A few minutes later, they came together, draining his balls in her pussy. He finally pulled out.

"Ready?" she said, smiling at Patrick.

“Yes,” he said.

Patrick knelt before her come-filled pussy and went to work, making her come.

“Let me wash up and get ready for the final ass fuck,” she said, getting up.

She disappeared in the bathroom for a couple of minutes.

She knelt before me and sucked my cock to full hardness. She knelt on the sofa and pushed her ass out.

“Come in my ass, Nick,” she said as I lubed my cock.

She spread her ass with one hand, and I entered it. I fucked her ass hard, and we both came within a few minutes. I drained my cock in her convulsing ass and pulled out.

“Clean me up, Walter,” she said as I sat back next to her.

He ate her slimy ass clean, making her come within several minutes.

“Thank you, boys,” she said to them. “I’ll see you tomorrow.”

“Thank you,” they said.

They got dressed while she knelt before me and sucked my cock.

“See you tomorrow,” they said on their way out.

“Bye,” I said.

Beth continued to suck my hardening cock.

“I thought you were taking the day off to relax,” I said.

“I am,” she said. “If I am relaxing, I can’t suck your big cock a little or get gangbang?”

“I guess you can, but I didn’t know that,” she said.

“It’s obvious,” she said. “I am practically not doing anything. They are fucking me and coming in and on me.”

“You make it sound like you are a fuck doll,” I said.

“I am a living fuck doll,” she said.

“You are much better than that,” I said.

My cock responded to her, and it was soon rock hard although she sucked my cock leisurely.

The doorbell rang while she deep throat my cock.

“This must be my last delivery,” she said, getting up.

It did not surprise me when I saw Dave and Derek following her.

“Take off your pants and underwear,” she said to them as she knelt before me.

“Hi, Nick,” they greeted.

“Hi, guys,” I said.

They got their pants and underwear off while she sucked my cock.

She climbed astride me, taking my cock in her pussy.

“Dave, lick my asshole to orgasm,” she said.

Dave knelt down and proceeded to lick her asshole as I spread her ass.

“Feel free to stick your tongue all the way up my ass,” she said, riding my cock gently.

Dave licked her asshole eagerly.

“Don’t stand there, doing nothing,” she said to Derek. “Play with my tits.”

Derek sat on the sofa next to me and proceeded to fondle and squeeze her tits.

She rode my cock slowly, focusing on the anal rimming. Several minutes later, she picked up the pace. She soon gushed on my cock, her asshole twitching around Dave’s tongue.

“You did well, Dave,” she gasped. “Let’s see if Derek can do as well.”

Derek and Dave switched places, and she rode my cock similarly until she came.

“That wasn’t bad, Derek,” she gasped.

She moved my drenched cock to her ass and worked her asshole up and down the entire shaft a few times. She then pivoted, keeping my cock up her ass. She pulled her feet to the edge of the sofa.

“Dave, eat my pussy now,” she said. “Derek, you can play with my tits and suck my nipples meanwhile.”

Dave knelt down and proceeded to eat her drenched pussy eagerly. Derek sucked her nipples as eagerly. She ground into the base of my cock according to what Dave did to her pussy. Her asshole occasionally twitched around my cock. She finally came in his mouth, her asshole twitching wildly around the base of my cock.

“Dave, let me suck your cock while Derek eats my pussy,” she instructed.

Derek ate her pussy to orgasm while she sucked Dave’s cock eagerly. She had Derek fondle her tits too.

“Fuck my pussy while I suck Derek’s cock,” she said to Dave.

They got into position, and we triple penetrated her. This time, she moved her ass, getting it fucked nicely. She came, drenching Dave’s cock.

“Switch, boys,” she said when she recovered.

Dave pushed his dripping cock into her mouth while Derek pushed his hard cock into her soaked pussy. We fucked her similarly until she gushed on Derek’s cock.

She finally dismounted us and knelt on the floor.

“Bring your cocks here,” she said.

She took turns sucking the three cocks.

“Dave, put on a condom, and lie down,” she said. “You are going up my ass.”

Dave pulled a condom over his cock and lay back. She lubed her ass and sat on his cock in the anal reverse cowgirl position, taking him all the way in.

“Fuck my pussy,” she said to Derek.

Derek took his position, and I pushed my cock into her mouth. Dave and Derek soon made her come.

“Switch with Derek,” she said to me.

Derek pulled out of her, and I entered her soaked pussy. She sucked his cock while Dave and I fucked her. She finally came, gushing on my cock.

“Put on a condom,” she said to Derek as she dismounted Dave.

Derek pulled a condom over his cock, and Dave got rid of his. She sat on Derek's cock, and Dave fucked her pussy while she sucked my dripping cock.

"Switch," she said.

Dave and I switched, and I fucked her pussy while she sucked his cock until she came.

"Dave, do you want to come on my face or on my tits?" she asked as I pulled out and she dismounted Derek.

"I want to come on your tits," said Dave.

"Are you okay with coming on my face?" she asked Derek.

"Sure," he said.

"You'll go first," she said to him. "Dave will lick my face clean. When it's time for him to come on tits, you'll clean them up. You'll also eat each other's come out of my pussy and Nick's come out of my ass. Are you ready?"

"Yes," he said.

She was already kneeling down. Derek got up and removed his condom. He offered her his hard cock, and she went to work actively. He soon came, and she had him shoot his come all over her face. She wiped his cock head on her face, and he pulled back.

"Wash your cock well," she said to Derek.

As Derek headed to the bathroom, Dave knelt down and licked her face clean.

"Are you ready to come in my pussy now?" she asked Dave.

"Sure," he said.

Derek returned and watched Dave fuck Beth to orgasm and come with her. When Dave pulled out, Derek knelt down and proceeded to eat Dave's come out.

"Wash up," she said to Dave.

Dave washed up and returned to watch her come in Derek's mouth.

"It's my turn to wash up," she said, getting up.

She disappeared in the bathroom for a couple of minutes.

When she returned, she lay back on the sofa and pulled her legs over her head.

"Fill me up, baby," she said to me.

She spread her ass, and I lubed her asshole a little. I fucked her ass hard and filled it with come while she convulsed.

"This is for you, Dave," she said when I pulled out.

Dave knelt down and ate my come out of her ass, making her come.

"Boys, are you ready to do that all over again?" she asked as she knelt before my sticky cock.

"Yes," they said.

"Dave, eat my pussy," she instructed. "Derek, eat my ass. Make sure they are ready for more. Make me come too."

She revived my cock while they ate her holes to orgasm.

"Let me suck your cocks," she said to them.

They stood before her, and she took turns sucking their cocks. I knelt behind her and fucked her pussy and then her ass to orgasm each.

“Let’s do the doggy triple penetration,” she said. “Can you do that? The one in my ass has to fuck it from above, and the one in my pussy has to fuck it from behind.”

“We can try,” said Derek.

“It isn’t rocket science,” she said.

She pushed me onto my back, and proceeded to suck my cock.

“Derek, put on a condom, and take my ass,” she said, lubing her asshole.

She returned to sucking my cock, and they got into position. The triple penetration started, and she moaned around my cock until she came, gushing on Dave’s cock.

“Dave, switch with Nick,” she said.

Dave and I switched, and Derek and I fucked her to another orgasm.

“Put on a condom, and take my ass,” she said to Dave.

Derek and I pulled out.

“Derek, you’ll fuck my pussy,” she said. “Take off your condom.”

She was soon moaning on my cock while Derek fucked her pussy and Dave fucked her ass to orgasm.

Derek and I switched, and we fucked all her holes to orgasm again.

“Let me suck your cocks,” she said.

We all stood up, and she took turns sucking our cocks.

“Dave, you are going to come on my tits, right?” she said.

“Yes,” he said.

“Do you want to fuck them until you are ready to come all over them?” she said.

“Sure,” he said.

She lubed her cleavage a little and sat on the sofa. Dave stood before her and fucked her tits. He finally shot his come all over them. She wiped his cock head on her nipple.

Derek knelt down and proceeded to lick her tits clean. She guided his hand to her pussy, and he finger fucked her until she came.

“Are you ready to come in my pussy for him?” she asked Derek.

“Yes,” he said.

She knelt on the sofa and pushed her ass out.

“Fill my pussy with come,” she said to him.

Derek fucked her hard, and they both came. He drained his balls in her pussy and pulled out.

Dave knelt down and ate Derek’s come out of Beth’s pussy, making her come.

“I have to wash up,” she said, getting up.

She disappeared for a few minutes, and, when she returned, she got on her knees.

“Fill my ass up,” she said to me.

She pushed her ass out, and I lubed my cock and entered it. I fucked her ass hard and filled it with come as she convulsed wildly, draining my balls in her ass.

“It’s yours, Derek,” she gasped as I pulled out.

Derek took his position and ate her slimy ass to orgasm.

“Do you think you’ll be ready for tomorrow, or have I fucked you out?” she said to them.

“We’ll be ready,” they said.

“See you tomorrow,” she smiled.

“Bye,” they said as they dressed.

“Don’t you think that was very relaxing?” she said.

“My cock sure seems relaxed,” I said.

“So are my fuck holes,” she smiled.

“You are a dirty slut,” I said. “I am sure my boss can’t even imagine that I took the day off because my new slut wife wanted to get gangbangbed.”

“He doesn’t even know that you fucked all my holes while you talked to him for a minute or two,” she said.

“Do you think we should tell him?” I teased.

“Sure, but not now,” she said. “We can do it when we meet socially sometime. I’ll take care of it too.”

“Are you serious?” I said.

“I’ll tell him if you can get his wife to suck your big cock and swallow your creamy come,” she said.

“It’s very likely that she’s never done either,” I said. “He probably hasn’t fucked her in years.”

“That means she’d jump at the chance,” she said.

“You think so?” I said.

“Sure,” she said.

“What if she didn’t and instead told her husband?” I said.

“Because you thought she was sexy and hot and her lips were made for cock?” she said. “No way!”

“We’ll see,” I said.

“Did you like my gangbang style?” she said. “It was a secret gangbang.”

“It was different,” I said.

“Each pair thought it was a special treat for them,” she said. “They had no idea it was a gangbang.”

“It’s better this way,” I said.

“Of course,” she said. “I was relaxing after all.”

“I almost forgot that,” I said.

“Let’s take a nap now,” she said.

“Let’s take a shower first,” I said.

“Sure,” she said.

The rest of the day was even more relaxing although we did not fuck.

THE GRAND ORGY

We had to accommodate two extra couples: Beth's parents and mine. In preparation for the orgy, we added a loveseat to the living room in a U shape, keeping the sofas opposite of each other. The event was going to take most of Saturday. Beth and I took it easy on Friday—after the gangbang. I only came once in her hot ass.

Our guests arrived in the morning, and we had brunch together.

When we retired to the living room, Beth and I sat on the loveseat. Lisa sat in Derek's lap in the middle of the sofa to our left. On their right side, Dorothy sat in Walter's lap, and, on their left side, Victoria sat in John's lap. Alex sat in Dave's lap on the other sofa. On their left, last Nancy in Patrick's lap, and, on their right, sat mom in dad's lap.

"Do you have an idea in how many combinations we can have triple penetration if Nick took my ass?" asked Beth.

"Maybe a hundred," said Lisa.

"No, not that many," said Dorothy.

"Thirty per woman," I said. "We have seven women. That's two hundred and ten."

"Wow!" she said.

"If each took a minute, that's three hours and a half," I said.

"That means there is no way we can get through all the possible triple penetration combinations," said Nancy.

"Now, imagine all the other combinations," said Beth.

"Uncountable," said Dorothy.

"Do you know how many combinations we can have a blowjob?" said Beth.

"Forty-nine," said Alex.

"That's right," said Beth. "We are going to kick off this orgy with one. We want your sofa to nominate a man and Lisa's sofa to nominate a woman."

"I nominate dad," said Alex.

"Not you, Alex, but the six people on your sofa should nominate the man," said Beth.

"Do you want to run against dad, Mr. Skinner?" said Alex.

"The use of last names isn't allowed in orgies," said Beth.

"I am okay with your dad," said Patrick.

"Are you okay with him, Dave?" asked Alex.

"Sure," said Dave.

"Get up, dad," said Alex.

Mom got off dad's lap, and he stood up. She sat down.

"Who's going to suck dad?" asked Alex. "She has to be your best cocksucker."

"We are all good cocksuckers," said Lisa.

"You are the youngest cocksucker in the room," said Alex. "You think you can do a good job on dad's big cock?"

"Sure," said Lisa.

“I nominate Lisa,” said Dorothy. “Does anybody disagree?”

Nobody disagreed.

“Go for it, Lisa,” said Beth. “You’ll love sucking Dan’s fat cock. Show everybody that you are your sister’s sister.”

Lisa got up and knelt before dad.

“Do you really have a fat cock?” said Lisa, feeling up dad’s cock through his pants.

“If I tell you, you can’t tell anybody else,” he teased.

“They’ll see it soon,” she said.

“Why should I tell you if you’ll see it soon too?” he teased.

“I guess you don’t have to,” she said. “It feels fat already.”

“Don’t let that fool you,” he teased. “It isn’t fully hard yet.”

“That means it’s even fatter,” she said.

“You never know,” he said. “You’ll have to take it out and make it rock hard with your sweet lips.”

She undid his pants and let them fall down to the floor. She then pulled his underwear down, setting his cock free. He was partly hard.

“It’s thick,” she said, holding his fat cock in her right hand.

“Do you like thick cocks, Lisa?” he said.

“I love thick cocks,” she said, stroking his cock.

“You have to prove it,” he said. “Suck it.”

“I will,” she said. “I am so wet already.”

“Your mouth’s supposed to be watering,” he said. “It’s too early for your little pussy to drool.”

“I am a horny girl,” she said. “I am drooling at both ends.”

“Use this end, Lisa,” he said. “Stuff your little mouth with the big cock it’s drooling for. Make it drool for you.”

“Yes,” she hissed.

She proceeded to tease his bulbous cock head with her tongue tip, making his cock twitch.

“You are a hot little cocksucker, aren’t you?” he teased.

“Yes,” she hissed.

“Take the head in your mouth,” he said. “Stretch your sweet lips around it.”

She took his cock head in her mouth and moaned as she sucked it gently.

“You like this, my little cocksucker?” he said.

She moaned affirmatively around his cock.

“Suck it, you little slut,” he said as he held the back of her head and thrust gently in her mouth.

She sucked his hard cock eagerly, working her lips back and forth.

“Show them that a little slut like you deserves to suck big cocks,” he said.

She moaned happily as she worked his cock in and out of her stretched lips.

“Poor Lisa’s no match for dad,” I said to Beth. “She’s nowhere like her slut sister.”

“No woman’s like your slut wife, darling,” she said.

“You are a cock-hungry slut,” said dad. “Feed your hunger, sweetie.”

He reached down and fondled her tits through her top.

“Take off her dress,” said Beth.

Lisa cooperated as dad pulled her dress off. He fondled her bare tits, making her moan actively around his cock.

“Swallow it all, Lisa,” urged Beth.

Lisa proceeded to deep throat dad’s cock.

“You are not bad, you little slut, are you?” teased dad, thrusting in Lisa’s throat.

Lisa moaned, stuffing his cock down her throat hungrily.

“Your daughter’s a good cocksucker, Victoria,” said dad.

“Thank you,” said Victoria.

“She owes your wife for that,” said Beth. “Amy taught me, and I taught my sister.”

“You are a good sister, Beth,” he said.

“Thank you,” she said.

“You are a good daughter-in-law too,” he said.

“Thank you,” she said.

“She’s a great sister-in-law too,” said Alex. “She taught me deep throat too.”

“Thanks, Alex,” said Beth.

“I am so wet,” moaned Lisa.

“Do you want me to lick your juicy pussy while you continue to suck my big cock?” said dad.

“Yes, please,” she said.

Dad stepped out of his pants and underwear and lay on his back. Lisa quickly mounted him in the sixty-nine position. She stuffed her mouth with his cock, and he pulled her leaky pussy down to his mouth. They went to work.

“Let’s get naked and get started,” said Beth. “We have uncountable combinations.”

“We can’t go through them all,” I said.

“We’ll try anyway, won’t we?” she said.

“Sure,” I said.

We all got up and took most of our clothes off. I sat back in the loveseat after I set my hard cock free.

Mom led Victoria to me, and they knelt before me.

“We’ve never sucked a cock together,” mom said to Victoria, smiling.

“You’ll do a lot more than that together,” I said.

“We have to start somewhere,” smiled Victoria.

“This is a good start,” I said. “Suck it.”

While mom and Victoria sucked my cock royally, especially because of mom, Beth had Walter's and her dad's cocks to herself. Alex climbed astride John and fed him her pussy. Nancy joined Lisa and helped her suck dad's cock. Both of them could hardly give him the same experience Beth was giving each of Walter and her dad. Dorothy got Derek and Dave. She mounted Dave in the sixty-nine position. He licked her pussy while she sucked both cocks.

With the number of people in the orgy, I had to keep following up what was going on or enjoy myself. I chose to have fun with my mom and my mother-in-law. I soon had them on their knees side by side on the loveseat and proceeded to enjoy the rest of their holes. I started with Victoria's pussy.

After I fucked Victoria's and mom's pussies and asses to an orgasm each, I looked for other partners. Nancy was then riding dad's cock in the cowgirl position. I lubed my cock and knelt behind her. I impaled her ass and proceeded to fuck it. That was the first double penetration of the day.

"Give me a third cock," gasped Nancy.

John volunteered and stuffed Nancy's mouth with his cock. That was naturally the first triple penetration.

"I want to get triple penetrated too," called mom, pulling a condom over Derek's cock. "You are in my ass."

Mom straddled Walter, and Derek entered her ass. Dave volunteered to fill mom's mouth with his cock.

That left Patrick with five women. Alex rode his cock, and Beth rode his tongue. Dorothy sucked his balls. Victoria had him finger her pussy. Nancy just watched while fingering her own pussy.

Throughout the course of the orgy, each woman got triple penetrated a few times.

There were so many come loads it was hard to follow. I was not going to keep track of around thirty come loads. I came six times myself, once up each ass except Beth's. Each guy ate my come out of his woman's ass. I remembered Walter coming in Beth's pussy and eating his come out. I also saw dad come on Lisa's tits and Derek licking them clean. Dad came in Dorothy's pussy too, but she had Patrick eat her slimy pussy clean.

The orgy officially ended before dinner. We had dinner fully dressed.

We had previously arranged to join the club on the New Year's Eve. After we seduced relatives and in-laws like that, we decided to start our own swinging club that met every Saturday. Mom and dad chose to alternate between our orgy club and their other swinging club. Although our orgy club met once a week, we had smaller meetings throughout the week. Mom and dad attended most of those.

What a way to end a great year and start a new one!

The End

The Swing of Things

Right after coming back from our honeymoon, my bride and I accidentally discovered a video of my swinging parents. Mom found out about that. She checked on our love life and gave us advice. The coaching developed dramatically, and things went out of control as more people got involved.
