

## Nightingale Minigales 2010

Please read [disclaimer](#) and [summary](#) at the end of document

It was early Friday evening and I was fucking my girlfriend, Beth, in my bedroom when the doorbell rang. I was a sophomore living in my own apartment a few hundred miles away from home. I kept on pounding Beth's pussy. I was no fool to leave my writhing girlfriend for an uninvited guest. Twenty seconds later the bell rang again.

"Are you expecting anybody?" Beth asked.

"Hell, no," I said.

"Who could it be?" she asked.

"Maybe the missionaries," I laughed. "If they knew that we are fucking in a variation of the missionary position they'd leave us alone."

The bell rang again. It started to get on my nerves, but I continued to fuck away until the bell rang a fourth time. I moved off Beth angrily.

"Keep your pussy hot," I said as I hurriedly pulled up my boxers. "I'll get rid of this guest in a second."

"Who is it?" I cried as I opened the door with the deadbolt still in.

"I'm your mom, Nick," came the reply. "Open up."

"Mom?" I said in shock. "What are you doing here?"

"Are you going to let me in first?" she asked.

"Oh, I'm sorry," I said as I closed the door to unhook the deadbolt.

I cursed under my breath as I opened the door. Talk about bad luck.

"Please come in," I said as I motioned her to the sofa. "I'll dress and come back."

"I seem to have interrupted something," she said as she pointed to my crotch.

I looked at where she was pointing and turned beet red in embarrassment. My sticky boner had made its way through my fly.

"Go finish your business and then come back," she smiled, taking a seat. "Take your time; I'll be right here."

I went back to the bedroom shaking my head in shock. My ears were still hot in embarrassment.

"What was it?" Beth asked, playing with her pussy.

"It's mom," I said, still shaking my head.

"Your mom?" Beth said as she sat up.

### A Double Minigale

### The Untimely Visit

A minute later, we joined mom in the living room, dressed but obviously disarrayed.

"Hi, Beth, you are beautiful," mom said as she extended her hand to shake Beth's hand.

Beth's face reddened some more with a blush.

"Hi, Mrs. Callaby," stuttered Beth as she shook mom's hand. "Nice to meet you."

"I see you are a little embarrassed, Beth," mom said, still holding Beth's hand. "I am the one who should be embarrassed because my son didn't finish his business."

Beth's mouth hung open with shock. Before Beth knew what had happened, mom had squatted before her and yanked down Beth's panties.

"If my son can't finish his business I have to finish it for him," mom said as Beth stood there frozen in shock, her tongue tied and her mouth agape.

Mom gently pushed Beth back, forcing her to step out of her panties.

"Your panties are soaked," mom said as she pushed Beth toward a couch. "Sit down and let me take care of you. Apparently my son still needs me to look after him."

Beth looked like she was hypnotized. She moved like a robot obeying mom's commands. I was staring at them wide-eyed, my heart beating loudly. I did not even feel how embarrassing it was for me.

Beth sat back on the couch and mom knelt before her. Mom pushed Beth's legs up and apart, utterly exposing her drenched pussy. Beth started to shake and so did I as mom started to kiss Beth's pussy. A minute later, Beth was moaning and squirming as I had never seen her before while mom ate her hungrily. My rock hard boner leaked.

Mom raised her head and looked at me, making me know that she had noticed the big tent my boner made.

"You blew up your chance," mom said to me. "Now sit down and watch."

I sat down next to Beth. Soon she was holding my hand tightly as she ground her pussy into mom's face as if she was possessed. I was amazed as I watched mom's mouth work wonders on my girlfriend's receptive pussy. I could not see what mom's tongue and mouth were exactly doing to Beth's molten pussy, but I could see the incredible effect they were having on Beth.

Beth thrust her pussy into mom's face as if she was thrusting it against a hard cock. Her thrusts continuously got harder and faster. In a few minutes, Beth's hand squeezed mine more tightly as she started to come convulsively into mom's eager mouth. Beth's orgasm was so hard she was exhausted when she finished gushing in mom's mouth.

"How was that?" mom asked me.

"Incredible," I slowly said in amazement.

Mom proceeded to lick Beth's wet pussy lightly. Soon Beth was grinding her pussy into mom's mouth and mom was eating her more hungrily. Beth's grip tightened around my hand. Beth looked so sexy I had to kiss her. As I kissed her and our tongues and lips mingled I could feel her heat and hunger as I had never felt it before. She sucked my tongue like a starving baby, moaning into my mouth. We had a long kiss. When we broke the kiss I brought my mouth to her ear.

"I want you to drown her with your come," I whispered loudly in her ear.

Beth tightened her hand around mine and started to come immediately.

"That's my girl," I whispered as Beth convulsed and mom ate her aggressively.

Beth gasped for air as she recovered, but mom did not show any sign of tiring. Mom continued to plant little kisses all over Beth's pussy. Beth's insatiable pussy basked in the attention and responded with increasing eagerness. Soon Beth was fucking mom's mouth in the same abandon she had shown before.

Beth came three more times in mom's mouth. Mom sucked Beth's gushing pussy juices thirstily. She was licking Beth's pussy gently when she reached for my fly and effortlessly fished out my hard cock.

"Beth you have a very delicious little pussy," mom said as she stroked my cock slowly. "I love it."

Beth blushed.

"Thank you, Mrs. Callaby for..." Beth stuttered.

"...Eating your delicious pussy?" mom said, sliding a finger into Beth's pussy.

Beth gasped and nodded, still blushing.

"It was a great pleasure," mom said. "I enjoyed it as much as you did. You loved it, didn't you?"

"Yes," Beth whispered.

"You are one hot little slut, aren't you?" mom laughed.

Mom finger fucked Beth and stroked my cock in the same rhythm.

"Are you going to use it or do you want me to keep going?" mom asked, nodding toward my cock.

"I want to use it," I said.

"Pretty girl, do you want him to fuck you?" mom asked, teasing Beth's clit with a fingertip.

"Yes," Beth hissed.

"I shouldn't be holding you back any longer," mom said as she unbuckled my belt, letting my pants fall to the floor, and pulled my briefs down.

I stepped out of my pants and briefs and moved toward Beth.

"Nice cock," mom smiled winking at me. "All you need to do is to use it."

As she moved away she gave my cock a peck on the head, making me shiver. She sat to the left of Beth and I pushed my cock toward Beth's pussy. Mom took my cock in her left hand and rubbed it gently up and down Beth's slippery pussy, making both Beth and me shiver.

“Fuck her slowly,” mom finally said, as she popped my cock head between Beth’s pussy lips, making Beth gasp. “We have all the time, so let’s enjoy it.”

I smiled at Beth and started to slowly saw my cock in and out of her hot and wet pussy. Meanwhile, mom reached under Beth and gently worked Beth’s dress down her shoulders, collecting it around her waist. She unsnapped Beth’s bra and got it out of the way, setting Beth’s lovely tits free. She smiled at Beth as she pushed two fingers into Beth’s mouth. Beth sucked mom’s fingers slowly.

“Your tits are so lovely,” mom said as she teased Beth’s erect nipple with her slick fingers. “Do you want me to play with them?”

Beth gasped as she nodded.

“Keep fucking her like that,” mom said as she lowered her head slowly to Beth’s tit.

Beth started to squirm and moan as soon as mom’s lips touched her nipple. I did not see what mom was exactly doing, but she seemed to work slowly, gently and carefully and it was making Beth’s pussy spasm and leak like a loose faucet. I continued to fuck Beth slowly, pressing my balls to her sticky asshole at the end of every thrust. Mom moved her mouth to Beth’s other tit. Beth put her right hand on the back of mom’s head and continued to squirm, rolling her hips and grinding her pussy into me.

Mom milked one of Beth’s tits with one hand while she sucked the other. Beth started to thrust her pussy into me more and more urgently. I matched her pace stroke for stroke. Mom also doubled her efforts on Beth’s tits. Soon Beth was shoving her pussy wildly into me. I thrust my cock into her drenched pussy vigorously. Mom continued to suck and squeeze Beth’s tits in extreme concentration and devotion.

Beth stiffened and started to come. I continued to fuck her hard as her pussy gushed generously onto my cock. When Beth’s orgasm started to die down, mom took her face off Beth’s tit.

“Fuck her harder,” mom said.

She then went back to sucking Beth’s tit.

Grabbing Beth’s hips, I fucked her with extreme vigor. Beth’s orgasm had hardly ended when another wild one started. I held tightly and fucked Beth throughout her new orgasm. I was panting when her orgasm finally ended. I slowed down. Mom put her hand on my hip and brought me to a stop. She guided Beth’s hands to Beth’s tits.

“Don’t move,” mom said as she reached for Beth’s pussy.

Mom started to tease and rub Beth’s clit. Beth started to moan and squirm while squeezing her tits. Her pussy started to spasm and milk my cock, bathing it in juices. She started to thrust her hips. Mom had to calm her down with her hand. I kept holding my cock still, enjoying Beth’s pleasure spasms and leaking juices. Within a few minutes Beth started to come.

“Don’t move,” mom said as she concentrated deeply on working Beth’s clit.

Beth’s pussy went into an orgasmic fit, twitching desperately and gushing all over my cock. I held my cock for her convulsing hips, struggling not to come myself. She gasped for air, pulling on her nipples wildly. Mom took her hand off Beth’s pussy for a few seconds then she resumed diddling her, making her continue coming for a long while. I had never seen Beth come like that. When her orgasm finally ended, she was totally exhausted. She was panting like she had just run a marathon. It was a marathon orgasm.

“Now you must be tingling for a nice long ass fuck,” mom said to Beth as she reached for my cock and started to stroke the base that stuck out of Beth’s drenched pussy.

“Oh, no,” Beth said with concern. “I can’t do that. I’ve never done it before.”

“Don’t worry, Beth,” mom assured while teasing Beth’s clit. “I’ll get you ready for it and guide you through it. A hot girl like you shouldn’t deprive herself of good ass fucking. It’s even more fun than what you’ve experienced.”

Naturally I had fantasized about anal sex before, but I had never talked with anyone about it.

“Nick, take your cock out and put it in her mouth,” mom directed. “Let her suck it while I prepare her tight little puckered hole for it.”

Mom knelt on the floor, and got up. As Beth started to suck the head of my cock, mom brushed her fingertips up and down Beth’s wet pussy. I could sense Beth’s anxiety and surely mom could too. Mom closed her lips around the top of Beth’s pussy and she did not remove her mouth until Beth finished coming in her eager mouth. Mom smiled at Beth while licking her lips. Mom held my cock in her hand and started to stroke it while Beth sucked it.

“Suck it hard,” mom urged, jacking my cock faster. “Make him come in your mouth.”

Beth sucked harder and mom jerked my cock faster. My cock started to swell as my orgasm approached.

“Open your mouth,” mom directed Beth as she felt my cock twitch.

Mom jacked me off faster and faster as my come started to spurt into Beth's wide-open mouth.

"Swallow it all," mom directed as she pushed my cock head into Beth's mouth.

Beth pursed her lips around my cock head and kept sucking and swallowing until I was drained.

"That was very nice," mom complimented and gave Beth a peck on her sticky lips.

Mom returned to work on Beth's nether regions as I sat next to Beth. Mom pulled Beth's cheeks apart and licked Beth's ass crack lightly.

"Oh, oh, don't do that," Beth gasped and shivered.

Mom did not stop. She only took my left arm, wrapped it behind Beth's knees and pushed it against Beth. I took the hint and held Beth's legs all the way back, completely exposing her ass. Beth gasped and twisted for less than a minute before she started to moan softly. She started to enjoy mom's ministrations. She held my free hand and started to squirm. A few minutes later, she was moaning and thrusting her ass into mom's face, shamelessly enjoying her first rim job.

Mom beckoned to me with her finger as she spread Beth's ass and pushed her tongue tip into Beth's asshole, making Beth squeal. I watched mom's tongue probe and tickle Beth's asshole, which continued to relax and open up for its loving guest. I leaned over Beth's face and looked in her eyes.

"Your pretty asshole is opening up like a budding rose," I whispered and kissed her on the lips. I reached for her pussy and started to tease her clit lightly. With my free hand I guided her left hand to my cock and let her hold it. "You are so beautiful. I can't wait to fuck you in your delicious ass. Do you want me to?"

She nodded, smiling faintly.

Returning her smile, I brought my mouth to hers. We kissed lewdly. Her mouth tasted of my come. I finger fucked her pussy as we broke the kiss. She stroked my cock as her wet pussy milked my finger hungrily.

Mom reached for Beth's hands and guided them to her ass. Beth spread her ass cheeks wider to welcome mom's tongue deeper. She continued to moan softly and gasp, involuntarily thrusting her ass into mom's face. Mom reached for Beth's tits and kneaded them gently as she continued to eat her virginal ass expertly.

Mom let go of Beth's tits and removed my fingers from Beth's pussy. She sucked my slick fingers one after the other and then pushed my hand away. She pushed two fingers into Beth's pussy and pumped them in and out a few times. As she pushed her forefinger into Beth's asshole, she closed her lips over Beth's clit. Beth moaned softly as mom's finger slid slowly into her ass.

While mom finger fucked Beth's ass, I busied my hands with Beth's tits. Beth moaned and squirmed happily. Several minute later, mom moved her mouth off Beth's clit. I saw that mom was easily pumping two fingers in and out of Beth's asshole at a brisk pace.

"Do you have butter?" mom asked me.

"Yes," I said.

"Get me some," she said.

I fetched a butter stick from the fridge and gave it to mom. Mom broke a little lump with her teeth and thoroughly rubbed into Beth's anal pucker, working her greasy fingers into Beth's rectum and reaming out the tight hole guarding it. Mom buttered Beth's asshole carefully and then fucked it with three fingers. She took the butter stick out of the wrapping and rubbed Beth's asshole with the tip of the butter stick. Beth gasped at the cool sensation. Mom twisted the butter stick left and right as she pressed it into Beth's asshole. Beth let out a soft grunt and then held her breath as the tip of the butter stick slid into her asshole. Mom slowly fucked the butter stick into Beth's ass. Soon she was fucking Beth's asshole smoothly, occasionally twisting the stick within Beth's rectum.

"She's good," mom said. "Are you hard enough to fuck her?"

"Yes," I said, my cock jumping at the thought.

"Keep it aside for future use," mom said, handing me the butter stick.

My cock throbbed as I returned the butter to the fridge and came back. Mom was sitting to the left of Beth, playing with Beth's pussy. Beth was still holding her cheeks apart. Mom motioned me to Beth's ass as if offering it to me. I aimed my cock at Beth's slick asshole and moved in.

"Slowly," mom said. "Very slowly. Give her time to enjoy it."

When my cock head touched Beth's asshole, mom drooled onto my shaft and spread her saliva all over my shaft with her left hand. She spit on my cock head and rubbed it gently over Beth's pucker. As I started to push into Beth's ass, mom pulled Beth's pussy lips apart with her forefingers and pushed her middle fingers into Beth's pussy, pulling the hole open.

“Now this hot pussy can watch her sister get fucked nicely for the very first time,” mom said. “Beth, breathe deeply so that fresh blood can keep flowing into your pussy and ass. That way you can feel all the nice sensations.”

Beth took a deep breath as her asshole started to give way under my gentle pressure. In a minute, my cock head popped past her sphincter. She grunted and her asshole squeezed my cock tightly. Mom pushed my pubic bone back to let me pause. A minute later, she returned her hand to Beth’s pussy, and I resumed my slow advance into extreme but exquisite tightness. I had to work patiently to push the last inch or two into Beth’s ass, but finally I was all the way in. I paused and took a deep breath.

Mom brushed Beth’s clit. Beth gasped and her asshole twitched around my cock.

“Congratulations, Beth,” mom said. “Your ass is no longer virgin. Now, squeeze his cock, milk it, get used to it, and have fun with it.”

“I feel so full,” Beth said. “It feels nice.”

“It’s going to get only better,” mom promised.

Beth milked my cock tentatively. I started to fuck her very slowly. The first few minutes were not really fucking. I was only trying to get her ass used to getting fucked. I gradually increased my pace but stayed on the gentle side. It was very enjoyable for both Beth and me. In several minutes, I was thrusting in her ass and she was fucking back eagerly.

Our fuck got too wild just before Beth came. Her orgasm was very wild too. I continued to drill Beth while her asshole had a pleasure fit. Finally her orgasm died down and I eased down my fucking pace.

“You are wonderful, darling,” I said to Beth as I leaned over her and kissed her.

Beth and I kissed gently for a while. She ground her ass gently over my hard shaft.

“Now fuck her jealous pussy,” mom directed as she plopped my cock out of Beth’s ass.

Fucking Beth in her pussy was wilder than ever. Halfway through the fuck, mom reached under Beth pussy and started to finger fuck her ass. Beth came harder and in a shorter time than ever before.

“Now try taking control of getting your ass fucked,” mom said to Beth. “Nick, lie on your back.”

I lay on my back on the couch and mom helped Beth straddle me.

“Push his cock in your ass and ride it however you wish,” mom directed.

Beth guided my cock head to her asshole and then lowered her ass slowly onto my cock, letting occasional gasps and grunts. She paused for a few seconds before she started to rock slowly. I fucked her gently, matching her pace. Mom licked Beth’s tits for a while and then moved her operations behind.

Mom took my cock out of Beth’s ass and spit on its tip before she put it back in. She fondled my balls as I resumed fucking Beth’s ass. Minutes later, she pulled my cock out, sucked it a little and spit on its tip before putting it back into Beth’s ass. Next time she gave my cock a deep sucking before popping it into Beth’s ass. Beth fucked herself to orgasm, and I came inside her twitching rectum as she convulsed in ecstasy.

Next, mom ate Beth’s pussy while Beth sucked me to a new erection.

“Fuck her up the ass,” mom said to me. “You’ll enjoy the feel of her squishy ass.”

Well, I enjoyed fucking Beth up her come-filled asshole, and so did she. We had moved to the floor. She was on her hands and knees on the carpet as we did it. I next fucked her in her pussy in the same position. Meanwhile, mom took her panties off and pushed her bare pussy under Beth’s face. Beth ate mom’s pussy at one end and fucked me back at the other. I controlled my pace so that both of them would come at the same time.

Mom ate Beth’s pussy while I fucked Beth up the ass in the reverse cowgirl position. After Beth came in mom’s mouth I fucked her in the missionary position and dumped my load in her drenched pussy. I straddled her head and had her suck my sticky cock while mom ate her pussy. When I rolled off Beth, mom pecked Beth on the lips and then pulled Beth’s mouth wide open with her fingers. Next she dribbled what had to be my come into Beth’s mouth. They kissed deeply. When they broke the kiss my come was gone.

Mom fondled Beth’s tits while I fucked her up the ass in the missionary position. Next, I fucked Beth in her pussy in the cowgirl position while mom finger fucked Beth’s ass. Finally I ass fucked Beth in the spoon position, coming in her ass as she convulsed in my arms.

“We should drive her home,” mom said as Beth cleaned my cock with her mouth.

Mom and Beth sixty-nined on the backseat while I drove. When we arrived at Beth’s block, they rearranged their clothes. Beth gave mom a kiss no less deep and lewd than the one she gave me as we dropped her off.

Mom took the passenger seat on our drive back.

"Your cock and her holes had quite a workout tonight," mom said, cupping my crotch. My cock was not very soft when she did that. "Are you still hard?"

"Somewhat," I said.

"You are a very horny boy," she said as she petted my cock through my pants.

"I guess I am," I said.

She continued to fondle my cock throughout our drive home. By the time we entered my apartment, I had a big boner. I was torn between jacking off and sleeping on it.

Mom and I sat on the sofa silently for a few minutes resting and contemplating.

"Mom, you've been so good to me tonight," I said and gave her a big kiss on the cheek. "I don't know how I can ever return your favor."

"Don't think like that, Nick," she said. "There are no favors between family. However, if you want to be nice to me I can tell you how."

"Please," I said.

"You can eat me," she smiled as she yanked her knees to her chest, exposing her bare pussy.

"You are not serious, are you?" I smiled apprehensively despite the involuntary pulsing of my cock.

"You don't think that the little orgasm I had in Beth's mouth was enough for a horny mature woman like me, do you?" she said.

"I'm sure it wasn't," I said. "I can't do that though because you are my mom, right?"

"I didn't hear you say that when I sucked your cock," she said. "Besides, oral sex is not really sex unless you have been living in a cave for the last couple of years."

"You are right," I said as I slid off the couch and knelt before her, my cock twitching lustfully. "I owe you."

"If you don't want to do it, it's okay," she said. "I can take care of myself."

"I'd love to do it," I said, staring at her moist, hairless pussy. "It's so appetizing."

She gasped as my lips touched her swollen nether ones. I gently got to know her pussy with my tongue and lips, making her squirm. I started eating her aggressively. A couple of minutes later, she came in my mouth, crushing my head between her thighs. I sucked every drop she gushed and continued to lick her pussy lightly.

She pulled her knees further back and gently pushed my head down. Before I knew it, I was licking her twitching asshole. She gasped and pushed her ass into me. Her asshole opened up quickly and accepted the tip of my tongue. I let her asshole nibble at my tongue for a couple of minutes before I started to tongue fuck her ass eagerly. I did not expect her to come on my inexperienced tongue, but she did wildly. I held her hips and ate her hungrily.

While she recovered, I lapped up her juices and continued to kiss her gently. She pulled me up and kissed me on the lips. She led me to the bedroom. She knelt before me and instantly popped my hard cock out. She sucked my cock deeply while she got rid of my pants and briefs. I had never before been all the way inside a woman's mouth, and it felt wonderful.

She pushed me onto the bed and laid me back. She climbed onto me and straddled my hips. My pulsing cock was harder than ever. She spread her pussy lips with her fingertips and nestled the underside of my shaft between her pussy lips. She started to rock gently, sliding her clit and open pussy up and down the underside of my cock and making my cock twitch.

"Are you ready to fuck me?" she teased, making my cock jump against her pussy.

"I thought we shouldn't do that," I said.

"If it makes you feel any better you can do my ass," she said, smiling wickedly.

My cock jumped wilder than before. She smiled victoriously as she felt it.

"I can't believe you," I said, my heart throbbing audibly. "That's even hotter."

"It's your choice," she shrugged as she lifted her hips a little, stood up my cock and started to brush my cock head over her clit and wet pussy lips. "Which one do you want?"

"I want your ass," I whispered, feeling my cock jump.

"My ass it is," she gasped as she lowered her pussy all the way down my cock, making me grunt. "This is just to get you slick enough."

She slowly moved her sizzling pussy up and down my cock, milking my cock exquisitely.

"This also feels good, you know," she moaned.

"It feels wonderful," I gasped.

She pulled her dress over her head and removed her bra while she continued to work my cock with her pussy. I had to lick my lips when I saw her ripe tits pop in the open. She smiled when she saw me do that.

"I think you are ready," she said as she gave my cock one last stroke.

She brushed my slick cock head over her asshole and then pressed it into the center of her pucker.

"Yes," she hissed when my cock head popped in.

She moved her ass in little thrusts, working my cock deeper and deeper up her tight ass.

"That's it," she hissed as she drove the last inch of my cock into her asshole.

Her ass squeezed the entire length of my shaft so deliciously. She held her ass there while she milked and nibbled on my cock.

"Oh, I've been dreaming about this all week," she moaned as she started to move her ass up and down my entire shaft in long slow strokes.

"No, you didn't," I said in shock.

"Oh yes, I did," she said. "Your mom just loves cock."

"You are so beautiful," I said as I reached for her hips. "You are one hell of a cock lover."

"Your cock is perfect for ass fucking," she moaned. "It's perfect for everything."

Her full tits swayed sexily and hypnotically. My eyes followed the heavy orbs topped with stiff thick nipples. I reached for her tits and started to knead them gently. She leaned over me, bringing her tits to my face. I held them together and started licking and sucking her nipples in turns. She moaned and milked my cock, maintaining her long, smooth strokes. I thrust back into her, enjoying her hot ass.

She gradually started to fuck me with shorter and faster strokes. I matched her pace faithfully. In a few minutes, she was riding me hard, chasing a close orgasm. I held her hips tightly, thrusting wildly into her. She soon stiffened and convulsed, hardly able to keep her balance. I enjoyed her orgasmic spasms around my hammering shaft.

When her orgasm eased down she sat upright on my cock and squeezed hard, still panting for air. She leaned forward and kissed me. While we kissed lewdly she slowly removed my cock from her ass and pushed it into her drenched pussy. She milked my cock while we continued to kiss. She finally broke the kiss and sat up.

She pivoted into the reverse cowgirl position. She milked my cock a little more and then pulled up.

"Put it in my ass," she said as she held her ass over my cock.

I reached for my cock and guided it to her asshole. She slowly lowered herself onto it, leaned back on her hands and started to bounce her ass. I grabbed her tits and played with them while she fucked her ass with my cock. After several minutes I cupped her pussy with my right hand and she started to buck. I shoved two fingers into her pussy and started to fuck her ass harder.

When her orgasm hit her, she collapsed on top of me and started to convulse. I wrapped my arms around her and thrust hard into her bucking ass. She finally calmed down and rested in my arms. Her asshole continued to milk my hard cock.

"Do you want to come in my mouth," she panted.

"Yes," I whispered.

She yanked her ass off my cock and straddled my face, taking my cock into her mouth. I lapped up her copious pussy juices as she exquisitely sucked me to a nice orgasm. She swallowed every drop I spurted into her mouth and continued to suck. She never stopped sucking; she only sucked more gently as my cock softened. Meanwhile I was licking her asshole. She let her asshole gape widely and I slid my tongue in. I tongue fucked her ass while she continued to suck my cock to a new boner.

"Are you still hesitant about fucking my pussy?" she asked, taking her mouth off my hard cock.

"Are you horny for it?" I teased, pushing a finger into her pussy.

"Yes," she hissed.

"I'll be glad to fuck your pussy to your heart's content," I said, rolling her onto her back.

She opened her legs for me as I climbed on top of her. I fucked her in the missionary position. Soon her ankles were over my shoulders as the heat of our fuck peaked. After she had a wild orgasm, I lapped up her juices and then arranged her on her hands and knees for some serious ass fucking. After she came I fucked her pussy doggy style.

"I am glad I came so many times today," I panted as I thrust in her. "Otherwise, I wouldn't be able to last."

"I am more glad than you are," she grunted.

Afterwards, I fucked her ass in the missionary position and finished in her pussy. We sealed our session with a lewd kiss. We were sweaty, sticky and tired. While we rested she took the time to scoop my come out of her pussy and eat it. I scooped some with my fingers and fed it to her. We decided to take a shower together and call it a night.

We changed the sheets and slipped into bed, naked. As soon as I wrapped my arm around her, my cock touched her ass and started to harden. We fooled around a little, and then my cock was in her ass. We fucked under the sheets with the lights off.

"We are fucking under the sheets and without light just like prudes," I said.

"The only way we can tell we aren't prudes is that prudes don't fuck their moms up the ass," she said.

"With the lights off, who knows who's fucking who and up which hole," I laughed.

"Don't you know whom you are fucking now and where?" she said.

"I guess that's the difference between us and prudes," I said.

I fucked her pussy and ass in a few variations of the missionary and spoon positions. In the end, I came in her ass. My soft cock slid out of her ass as sleep started to take over us.

We held each other and I pushed my leg between her legs as we drifted to sleep. I woke up in the middle of the night. My cock was dangling against her butt cheek. As soon as I opened my eyes my cock sprang to full attention. I laid it against her pussy and started humping very gently. She did not move, but I could sense her pussy getting wetter and wetter.

With my right hand I guided my cock between her pussy lips and gently pushed it in. She did not move as I slowly slid my cock into her pussy.

"What are you doing?" she suddenly moaned groggily, squeezing my cock tightly.

"Nothing," I said lowly.

"Don't stop," she moaned as she started to hump back gently.

I wrapped my arm around her and started to fuck her.

"You are indeed a horny boy," she said. "This has not happened to me in twenty years. I have never been awakened for sex since my honeymoon. I feel twenty years younger."

"With you in bed with me I feel twenty times hornier," I said, thrusting harder.

We had a hard fuck and soon she was convulsing and coming on my cock. I kissed her and we rested for a minute humping into each other gently. Then she reached back and removed my dripping cock from her pussy. She brushed it over her asshole and then pushed it in, gasping as the head popped through her sphincter.

"Fuck my ass," she whispered thrusting her ass back.

"Yes, ma'am," I said, reaching for her drenched pussy with my right hand.

As soon as I slid a finger into her leaky pussy, we started to thrust into each other wildly. We soon settled into a nice slow rhythm and fucked like that for ten minutes. She started to fuck back urgently, her pussy sucking my finger. I diddled her clit with my fingers, making her come instantly.

She violently shoved her ass into me while her asshole sucked my hard shaft desperately. I met her thrusts with equal vigor and abandon. When her orgasm died down we resumed our slow fuck for ten more minutes. Later, our pace picked up quickly, and soon we were slamming into each other. I wiggled my fingers within her pussy, triggering her orgasm. A second later, my own orgasm started. For several long delicious seconds, her twitching asshole milked my come-spewing shaft thirstily, draining my balls completely.

I thrust gently in her hot ass as we came down from our wild orgasm slowly. Her squishy rectum continued to milk my softening cock. Finally I pulled my limp cock out and we drifted to sleep with my arm around her.

I woke up in the morning with a boner. When I opened my eyes, I found her licking and teasing my hard shaft with her tongue.

"Good morning," she moaned, smiling at me. "Are you ready for a shower fuck?"

"Good morning, yes," I said groggily.

"How about a pre-shower fuck?" she said.

"That too," I said.

She smiled at me before completely swallowing my cock in her mouth. I watched her devour my cock with increasing eagerness. I thrust into her throat gently. She slowly pulled her mouth off my sticky cock and then straddled me.

She poised my cock at her sticky pussy lips and lowered herself all the way down, gulping my cock in one stroke. Her pussy was drenched already. I fondled her ass while she rode me energetically. I wiped some pussy juice off my balls and then popped a slick finger up her ass, making her let out a long moan. She fucked me with increasing lust as I pumped my finger in and out of her asshole. I soon squeezed a second finger into her ass and we started to fuck wildly.

She lowered her mouth to mine and kissed me feverishly as I drilled her nether holes. She stiffened, broke the kiss and started to come. I continued to thrust wildly into both her greedily sucking holes. She shoved her ass back and forth violently as her pussy gushed on my cock and balls. Finally she calmed down and showered my face with kisses as she ground her pussy into my cock slowly while I continued to finger her ass.

We were still kissing when I removed my cock from her pussy and pushed it into her ass, making her moan into my mouth. She thrust her ass down, taking my cock all the way in. We continued to kiss as she milked my cock with her wonderful and cock-hungry rectum. I grabbed her tits as we started to thrust into each other gently.

Our fucking rhythm increased constantly if slowly. In several minutes we were making the bed squeak and our flesh slap audibly. I took her ass with fast deep strokes that made her gasp and moan continuously as she eagerly thrust her ass down for more. I watched her ripe tits bounce as she bounced her ass wildly. It was a wild animalistic ass fuck. The only sounds that could be heard were the sounds of grunts, moans, gasps, flesh slapping, wet fucking and the bed squeaking.

"Are you ready to fill my ass with come?" she grunted. "Are you ready to add a big load to your night loads?"

"Yes, yes," I grunted.

"Give it to me," she urged, bouncing wilder. "Shoot it up my bowels."

We slammed into each other for less than a minute before my cock swelled. She started to convulse. We thrust into each other uncontrollably as my twitching cock spewed hot come deep inside her fervently sucking asshole.

When her orgasm finished, she lay on her back putting her feet on either side of my head and her head between my feet. She squeezed my cock tightly with her asshole and started to twist her ass from side to side. That felt great, but then she squeezed my head between her feet and started to roll slowly to the side.

"Mom, what are you doing?" I asked.

"I am acting like a bitch in heat," she said. "I do not want any of your come leaking out. I want to roll onto my stomach, move with me."

We moved together and soon she was on her stomach and I was on top of her, still head to toe. She resumed milking my cock.

"Now pull out slowly," she directed as she continued to milk my soft cock.

I pulled out a little bit every time she relaxed her asshole. Her milking asshole drained my cock little by little. The last time she squeezed her asshole my cock head slipped out and her asshole closed shut.

"That was very good," she said. "Now I want you to do me a little favor."

"Name it, mom," I said as I pivoted around and kissed her on the face.

"It may sound strange but you'll love it," she said. "You know, my ass is full of your come. I want you to suck it out and then dribble it into my mouth."

"What?" I asked in shock. "Are you sure you want to do that?"

"This wouldn't be my first time," she said. "Wouldn't you do it for me?"

"I'd do anything for the hottest mom in the world," I said and kissed her. "Are you ready?"

"Yes," she hissed, thrusting her ass up.

I kissed her ass all over and then pulled her cheeks apart. She smelled of raw sex. I licked her asshole, and it opened up slowly. I felt weird at first. When I started tasting my come I felt hot thinking about the depravity of it. I sucked slowly but relentlessly and she moaned and ground her ass into my face. Finally there was nothing more to suck. I rolled her onto her back. She opened her mouth widely and stuck her tongue out. I parted my lips and let my come dribble into her eager mouth.

She lewdly swirled the come around with her tongue before she closed her mouth and swallowed it all. I lowered my mouth to hers, and we kissed lewdly. She devoured my mouth hungrily as if to suck every iota of come that clung inside.

"Was it bad?" she asked.

"What do you think?" I said as I guided her hand to my fully hard cock.

"I think you are ready for some hot shower fun," she moaned. "Follow me."

Under the shower, she sucked me and I ate her pussy and ass. We soaped each other and fucked with soap all over our bodies. We continued to fuck as we rinsed each other. We dried each other and then resumed our fuck on the bathroom floor.

She held to the bathtub rim while I alternated between drilling her pussy and ass. She came twice, once with me in her pussy and the other with me in her ass. Finally she swallowed my come right from the source.

We went out and did some grocery shopping. She made a nice brunch for us. We started to grab each other while we cleared the table and did the dishes. We started fucking in the kitchen, and it slowly spread to the rest of the apartment.

"Mom, you must be the hottest woman in the world," I said. "How did you manage to stay this horny after all those years of marriage?"

"Actually women get hornier with age," she said. "Now I am in my sexual prime."

"You must be," I said. "Do you ever do it with other men?"

"Yes," she said, shocking me. "If you weren't the one, someone else would be doing it to me right now."

"So you cheat on dad?" I said.

"No, I don't," she said. "I tell him all the gooey details."

"You don't," I said.

"Yes, I do," she said.

"You aren't going to tell him about us though, are you?" I said.

"That wouldn't be fair," she said. "He would love to hear all about it."

"Mom, that would embarrass me to no end," I said. "I would never be able to look him in the eye."

"Oh, come on," she said. "You have nothing to be embarrassed about. You should actually be proud of yourself. I am proud of you. You have showed me the best time of my life."

"I haven't finished, you know," I smiled as I pulled her to me.

"I am sure of that," she giggled.

We fucked through most of the afternoon. I took her out around the town and the malls. She later treated me to dinner, and then we went dancing.

"What's Beth doing tonight?" she asked.

"She's going to a girlfriend's birthday," I said.

"Is she living alone?" she asked.

"No, she's living with her family," I said.

"Why don't you introduce me to her family?" she said.

"Good idea," I said. "I'll call and see."

Mom waited for me while I talked with Beth's mom on the phone. Victoria did not have any plans and liked the idea. So we drove off right away.

"Her father is away on business for a couple of weeks," I said. "Her mom is at home. She's a nice lady."

"Very good," mom said. "I'd like to get to know her."

"You'll like her," I said.

We arrived shortly, and I made the introductions. The chatting started, and I was gradually getting left out of the conversation. The two women liked each other readily. I busied myself with watching television. About half an hour later, I was brought out of my little world as Victoria talked to me.

"Excuse us for a minute, Nick," Victoria said as she stood up and led mom upstairs.

"Oh, sure," I said and returned to my television program.

Over half an hour later I thought I heard someone call for me.

"Come here, Nick," I heard mom call from upstairs.

I climbed up the stairs hurriedly and walked to the bedroom. The door was ajar. I knocked and stepped in. I was taken aback by what I saw. Victoria was lying on the bed flushed and panting as if she had just had an orgasm. Mom was on her knees on the floor her head between Victoria's open thighs. I hung my mouth open and watched silently. My cock jumped in my pants and created an instant tent.

Mom beckoned to me with her hand without ever taking her face off Victoria's pussy. I moved toward mom. She reached for me and pulled me closer by my belt. With her left hand she unbuckled my belt and unzipped my

pants faster than I would myself. My pants fell down to my ankles, and she yanked my briefs down to my knees. She was still licking Victoria's pussy when she reached for my cock and stroked it a little. Victoria moaned and humped mom's face gently.

"I wanted you to let her suck you but you seem hard already," mom said as she raised her head off Victoria's crotch. "Why don't you stick it in her pussy a little before you stick it in her mouth. I bet she can use a hard cock in her pussy. Can't you, Vicks?"

"Yes," Victoria moaned.

Mom moved aside as I kicked my shoes, pants and briefs off. I moved between Victoria's legs. Mom stroked my cock as she raised Victoria's legs one and then the other up and way back. I leaned over Victoria and mom guided my cock to its target. Victoria gasped when my bulbous cock head touched her pussy and pushed past her sticky pussy lips. She whimpered as I stuffed my shaft into her, stretching her tight pussy. I made a gentle thrust that drove my cock all the way in and let my balls press against her asshole.

"Hold it right there," mom instructed as she slipped her left hand between Victoria and me. "Enjoy her vaginal spasms as I make her come with my fingers."

Victoria gasped and her pussy started to spasm immediately. I held my position motionlessly, enjoying the involuntary milking her excited pussy applied to my cock. She squirmed under mom's ministrations, making it harder for me to control one of my stiffest boners. My cock and balls were getting soaked as her pussy leaked freely. I could feel mom work Victoria up to orgasm three times and then ease down, making Victoria groan in frustration.

Finally mom allowed Victoria to come. Victoria shoved her hips uncontrollably as her pussy twitched wildly in orgasm. I took a very deep breath and held it back as I struggled not to come inside her desperately sucking pussy.

"Very nice," mom said when Victoria lay limply. "Now let her suck you."

I yanked my hard cock out of Victoria's drenched pussy and climbed onto the bed. Mom knelt on the floor immediately and started to eat Victoria's sticky pussy. I straddled Victoria's face, and she took my cock in her mouth, moaning as mom ate her. Victoria pulled me by the hips, and soon I was fucking her throat. She knew how to suck cock. She took complete control of my cock and pleased me to no end until she made me come just seconds before she came in mom's mouth. She continued to suck my twitching cock hard as her pussy gushed into mom's eager mouth.

"Get him up again," mom called as she continued to eat pussy.

Victoria continued to suck my cock. In a couple of minutes, I was hard again.

"Fuck her doggy style," mom directed.

Victoria got on her hands and knees, and I gave it to her from behind. Mom sat on the bed and parted her legs. She shoved a hand down her panties and fingered her pussy while watching Victoria and me fuck. She looked horny.

"Yes, fuck your girlfriend's whore mother," mom babbled. "Pump her horny pussy with your big cock. You want my son to fuck you, don't you, you hot slut?"

"Yes, yes," Victoria gasped.

"Fuck the bitch," mom breathed. "Fuck her cock-hungry pussy raw. Make her scream. Make her come."

It was obvious each lady was hornier than the other. I held Victoria's hips tightly and fucked her dripping pussy with hard thrusts, making her shake every time I slammed my hips into hers. She fucked back with abandon. Mom paced herself with us and came with Victoria, babbling incoherently all the time.

I gripped Victoria's jerking hips and continued to drill her throughout her orgasm. I continued to hold her hips for my continuous thrusts even after she went limp and lowered her head to the bed, but that did not last long. Soon Victoria raised her head and was fucking back again.

Mom scooted closer and got on her knees. She pulled Victoria's cheeks apart and watched as my cock slid in and out of Victoria's pussy in long, steady strokes. She brought her head closer to the action and then fired a big ball of spit right onto Victoria's winking asshole, making Victoria gasp. Mom followed up with another ball of spit. She spread her spittle over Victoria's asshole with her left hand as she continued to spread Victoria's ass with her right hand. Victoria moaned as mom's fingertips teased her asshole.

Mom smiled at me wickedly as she jerked a finger into Victoria's spread asshole. Victoria gasped as mom's finger penetrated her sphincter, and then she started to fuck harder as mom finger fucked her ass with fast jerky movements.

"Your horny asshole is sucking my finger hungrily," mom teased. "You take it in the ass, don't you, you cock-loving slut?"

“Yes,” Victoria gasped.

“Do you want it now?” mom asked as she swirled her finger around in Victoria’s twitching ass.

“Yes,” Victoria said.

“You heard the lady,” mom said, looking up at me as she squeezed another finger into Victoria’s ass.

I removed my dripping cock from Victoria’s pussy and mom removed her fingers from Victoria’s ass. Mom pulled Victoria’s cheeks apart and drooled generously on the spread pucker. I spread mom’s spittle over Victoria’s anal area with my cock head and flicked the head at Victoria’s asshole a few times. I lowered my mouth to Victoria’s asshole and licked it for a while as mom continued to hold Victoria’s ass spread. Victoria moaned and squirmed. Soon I was probing her asshole with my tongue and she was pushing her ass back into me as her horny asshole sucked my tongue.

Finally I pushed my cock toward Victoria’s waiting asshole. Mom changed my course to Victoria’s pussy. Mom rubbed my cock head up and down Victoria’s drenched pussy and then sucked my cock head. She removed my cock from her mouth and spit on its head. She spit on Victoria’s asshole and then pressed my cock head in. Victoria grunted softly as my cock head popped past her pucker and her asshole clamped on my cock.

“That’s it,” mom said as she reached between Victoria’s thighs. “Your cock stretches her asshole so beautifully.”

Victoria’s asshole started to nibble my cock as mom teased her pussy. Soon Victoria was rocking gently back and forth and my cock was advancing slowly into her tight channel.

“Fuck her,” mom said. “Fuck her ass.”

I grabbed Victoria’s hips and lunged forward, driving my cock halfway in. Victoria grunted and lurched up.

“Easy, stud,” mom called. “Let her get used to it.”

I thrust into Victoria gently and she fucked back. Soon my balls were kissing her leaky pussy with every thrust. I fucked Victoria’s ass with nice, long strokes for a long time as mom held her ass open and continued to spit on my pumping shaft every now and then. Victoria fucked back harder and harder. She finally squealed and came. I switched to overdrive and pounded her jerking ass vigorously as her asshole twitched wildly around my cock.

Victoria collapsed onto the bed and I went down with her. I continued to fuck her ass albeit more gently as she recovered from her gut-wrenching orgasm. Mom straddled me and reached under Victoria. Mom fingered Victoria’s drenched pussy while she thrust her own pussy into my pumping ass. A couple of minutes later, Victoria came in mom’s hands and on my cock. I continued to fuck her twitching rectum and mom continued to diddle Victoria’s pussy. Victoria came again and again, and then I came, making Victoria come yet another time. Even mom came from humping my ass with her pussy.

“Fill her ass with come,” mom grunted as she slammed her coming pussy into my ass.

After draining my balls in Victoria’s come-thirsty asshole I collapsed on top of her back and mom collapsed on top of me. A minute later, mom moved off me and reached underneath me. She milked my softening cock into Victoria’s ass and then rolled me off Victoria.

I lay next to Victoria as mom applied her mouth to the opening of Victoria’s come-filled ass. Mom stuck her ass in the air as she ate Victoria’s. I sat up and moved behind mom. I reached under her dress and started to jerk her pussy through her soaked panty crotch. Mom came in my hand by the time she was finished with Victoria’s ass.

Mom rolled Victoria over and then crawled over her. She lowered her mouth to Victoria’s and the two depraved ladies started to kiss. I could tell from Victoria’s sudden hesitation that mom was passing my come to her. Mom had her way as always and had Victoria take it all. Mom pulled Victoria’s mouth open as she broke the kiss. She beckoned me to get closer. I could see Victoria’s mouth full of my come.

“Now swallow,” mom directed as she closed Victoria’s mouth and guided my hand to Victoria’s throat.

I could feel Victoria’s throat swallow. When she opened her mouth again all the come was gone.

“Isn’t she wonderful?” mom smiled.

“Yes, she’s fantastic,” I said.

“You can fuck her anytime you want,” mom said. “Right, Vicks?”

“Yes,” Victoria said.

“She’ll take care of everything so that your girlfriend won’t know at least until I visit next time,” mom said.

“But, mom...” I started to say.

“Shut up,” mom said. “Take care of both of them, okay?”

"Sure, mom," I said as I had no other choice.

Mom gave Victoria's sated pussy a long sensual kiss, and then I put my clothes back on and we left

"Don't start driving until your cock is hard," mom said as we walked to the car. "I want to suck it on the way."

"My cock is already hard," I said, squeezing my bulge.

"Then we are all set to go," she smiled as she reached for my bulge.

She sucked my cock while we drove home. We had another long wild night. I came on her face, on her ass, on her tits. When we finished her skin was all sticky with come. Before we went to bed, we showered and I pumped a load up her ass. Deep into the night, our sleep was interrupted with another nice fuck.

Because Sunday was our last day together, she was hornier than ever if that was at all possible. We fucked all over the apartment and even in the closet. After she dressed to leave, she bent over the couch, hiked her dress, lowered her panties and had me fuck her. As she bent like that, I fucked her twice once coming in her ass and once, in her pussy.

"I am going to take these cream pies home," she said as she pulled her panties up. "Now I have something to keep your dad busy while I tell him about my adventures in sticky details."

I shook my head from side to side.

We had a deep kiss, and then I walked her to her car.

Beth came over at night, and we fucked. We fucked daily. While we fucked on Saturday, the phone rang.

"Nick, it's your mom," the voice came from the answering machine. "Talk to me if you are home."

"Yes, mom," I grunted as I stretched out and grabbed the phone handset.

"Is Beth with you?" mom asked. "I think you are fucking her right now."

"Yes, mom," I said again.

"Let her talk to me," she said. "Don't stop what you are doing though."

"Beth, it's for you," I said as I handed Beth the handset.

"For me?" she said in surprise as she took the handset.

"Yes," I said.

"Hi, Amy," Beth panted.

I could not hear mom's voice because of my own grunting and panting.

"Yes, he's been satisfying me all week," Beth said.

"Yes, I am very happy, thank you," Beth grunted a little later.

"Thanks, bye," Beth said finally.

"What is it about?" I asked.

"She's just making sure you haven't been leaving me unsatisfied," Beth said. "She's a wonderful woman."

"She sure is," I said. "You are a wonderful girl too."

"Thank you," she laughed.

"Your ass is fantastic," I panted as I thrust harder into her. "I'll always owe mom."

"What?" she panted back. "You'll always owe her? What about me? It's my ass you're fucking."

"You said it yourself," I said. "Do you want me to owe you or fuck you?"

"I want you to fuck me," she grunted.

"That's what I thought," I said. "I bet you want me to fill you with come too."

"Yes, yes," she hissed, thrusting her ass back. "Fill my ass with come."

"That's my girl," I said and kissed her on her sweaty face. "That's my slut."

Beth got what she wanted more times than she bargained for.

Victoria arranged a date with me on Sunday. She took me to a hotel on the outskirts of town. On the drive to there, I pulled her dress from under her ass and teased her pussy through her panties. She was soaked.

"You love cheating, don't you?" I said as I squeezed her pussy.

"It's not really cheating," she said. "My husband has been after me for a while to have sex with another man. I didn't want to do it until you came. You were god-sent."

"So your husband knows about us and encourages you to fuck me?" I said.

"Not yet," she said. "Tonight he will."

“So you are going to tell him all about us?” I asked.

“No,” she said.

“Then how is he going to know?” I said.

“I brought the camcorder with me,” she smiled mischievously. “We’ll film it, and then I’ll let him watch.”

“Are you sure he won’t get upset?” I asked.

“Leave that to me,” she said.

She was much hotter than on our first time together. We had a long, wild fuck. I fucked her in every hole she had and fed her my come out of her freshly fucked pussy and ass. We filmed a four-hour session. We fucked for the camera some of the time, taking good close-ups. I gave her a souvenir cream pie to take home before we left. I wished her good luck as she dropped me home.

Late that night, she called me.

“My husband said, you had used me thoroughly,” she said excitedly.

“Did he like it?” I said.

“Oh, he loved it so much he fucked me three times, something he didn’t do in years,” she said.

“Very nice,” I said.

“He’s wondering whether you can come over on Wednesday morning and fuck me right here in our bed while he films the action himself,” she said. “It would be wild.”

“I’m not sure,” I said. “I have never fucked a woman while her husband watched.”

“Don’t worry about it,” she said. “We could fuck and suck as if he weren’t there except if we wanted to occasionally employ his cleanup services.”

“I don’t know,” I said. “I guess I can give it a try.”

“You’ll love it,” she said.

“I’m sure I will,” I said.

On Monday evening I received a courier delivery. It was a two-way ticket home for the weekend from my dad. Half an hour later mom called.

“Your dad wants to fly you here for the weekend,” she said. “You have just received the ticket.”

“What’s so urgent?” I asked.

“Your dad and I want you to do me while he watches and tapes the action,” she said.

“You know I can’t do that,” I said. “It would feel weird.”

“I know you can,” she said. “If you can do it with Victoria you can do it with me.”

“What?” I said in shock.

“We’ll meet you at the gate at the airport,” she said. “Sweet dreams.”

I just hoped that Beth’s father would not want to watch me fuck his wife and daughter together. If he wanted to, I would play along. The mere thought of that got me really hard. With mom and Victoria in close contact, I could not tell what the future might hold for me. I could only wait expectantly.

**The End**

## **The Untimely Visit**

Mom was in town on business. She paid me an unexpected visit in the middle of a love making session with my girlfriend. Having discovered what she had interrupted, mom proceeded to take care of Beth. Later that night, she was too hot to trot herself. While she was in town, she established a new relationship among my girlfriend’s mom, herself and myself. What a productive business trip!
