Please read [disclaimer](#) and [summary](#) at the end of document

My mother-in-law kindly spent two weeks with us when Beth gave birth to our first child. While Beth recovered, her mother took good care of her and of the house. We were all happy with the beautiful baby. Beth was naturally the happiest of all. She understandably spent all her time taking care of the baby. Meanwhile, I was left to my own devices. That became boring after a while.

After a few days of the happy birth, I got impatient and horny, having spent two weeks without any form of sex. Naturally Beth's pussy was then out of commission, but what was not natural to me was that she was not even willing to give me a blowjob or a hand job. When she told me to wait for several more weeks, I went nuts although I did not make a big deal of it at the time. I was practically neither married nor single. My only solution was to fuck my hand in the bathroom and that soon got boring too.

One day I arrived at home early in the evening after a long day of work. As I passed my mother-in-law's room, I glimpsed an incomprehensible view that felt weird inside the slightly ajar door. I looked through the narrow opening of the door out of curiosity. When it all came into focus, it was a shocking sight that made my heart and cock throb.

Nightingale May 1998 Presents A Double Minigale **Victoria's Secret**

Beth's mother was lying on her right side, her dress hiked over her hips and her panties lowered to her knees, which were drawn forward and up. Her left hand was between her legs, diddling her pussy as she humped her hand. She was facing the other way and her ass was looking me in the face. Her ass was surprisingly very shapely, much like her daughter's. As I watched open-mouthed, my cock jumped to full attention. I never imagined that my mother-in-law would have such a hot ass and be that horny. It was all I could do not to run to the bathroom and relieved myself manually. I chose to be around my horny mother-in-law instead.

NOT ALONE

Apparently I had caught my mother-in-law before she could finish her horny session. When she came out of the room, she was out of breath and a little nervous. Her nipples pushed hard against the thin fabric of her sleeveless dress, which was the only barrier between my eyes and her bare tits.

While Victoria was in the kitchen heating dinner for me, I kissed my wife and baby and changed my clothes. I joined Victoria in the kitchen and stood behind her while we chatted. When I glanced down, I had a great view of her plentiful tits almost down to her nipples as her full orbs pushed the low-cut dress forward. As I looked down, my cock throbbed, taking more and more control of me.

"These things look delicious," I said.

"They really are," she said. "You know your mother-in-law's a food artist."

"I know you are a great cook," I said. "I am not talking about your culinary arts, but about your other talents."

"What talents?" she asked in confusion.

"These," I said, pointing at her cleavage.

She gasped and blushed, snapping her hands defensively to cover her cleavage.

"I am sorry," she sputtered. "Maybe I shouldn't be wearing this."

"On the contrary, you should be proud of them," I said, pulling her hands away gently. "They are beautiful. You should even hold your top open to give me a better view."

"Nick, don't be crude," she said. "You shouldn't be talking to me this way."

"I am not crude," I said. "I am just saying that you are beautiful and you should be proud of that. I think Beth inherited all her beauty from you."

She blushed.

“Do you want me to tell you what else I think?” I offered.

“Yes?” she said, still blushing.

“I think that you misinterpreted my innocent comments because you have a dirty mind,” I said.

“Nick!” she glared at me.

“I will prove it to you,” I said as I held her hands together and captured them with my left hand. “First let me take a good look down here just in case.”

When I pulled the front of her dress forward, she pulled back and her ass bumped my big boner. My cock twitched. She snapped her hips forward and remained still. I had an unobstructed view down her top right to her waist—obviously only between her tits.

“I told you they were wonderful,” I said.

While she stood there still, I tickled her right nipple through her dress. She gasped and jerked her hips back, bumping my boner again. I did the same to her left nipple, and she gasped again.

“Can you see that?” I said. “Your nipples are stiff and sensitive and begging for attention. Do you know what that means?”

She whimpered.

“That means you are wet,” I said. “Do you want me to show you?”

“Oh, no,” she panicked. “Nick, please don’t.”

“On one condition,” I said.

“What is it?” she asked in anticipation.

“You show me your pretty breasts while I eat,” I said.

“No way,” she said.

“Okay,” I said, reaching for the hem of her dress.

“Okay, okay,” she said.

“Good girl,” I said.

Victoria was obviously very horny. Otherwise, she would never consent to my crazy proposition. Because Beth was on call by her baby twenty-four hours a day, she was usually in bed, trying to get all the rest she could. While I had my dinner, Victoria sat across from me and lowered her dress, exposing the top of her lovely breasts.

“That’s great,” I cheered. “Do it slowly, but don’t be shy because I am an avid fan of those lovely darlings.”

She blushed, but continued to lower her top. A few minutes later I was enjoying the full view of her full tits.

“I don’t mind if you fondle them,” I said. “On the contrary, I’d like that very much.”

At first she just held her tits in her hands. Gradually she moved them ever so slowly. She stroked them gently and teased her nipples, occasionally letting out an excited gasp or moan. In the end, she played with her tits and rubbed her nipples with wet fingertips as if I were not there.

“That’s it, baby,” I cheered. “Have fun with your heavenly orbs.”

With eyes glued to her fine big tits, I ate my dinner. She meanwhile played with her tits freely. Her panties must have been soaked by then. My briefs were getting wet too. I got up off my chair and walked to her.

“Enough of this,” I said, removing her hands from her tits. “If you keep playing with your gorgeous tits lustfully like that, you may come and soak your dress. I know that you’ve soaked your panties already.”

While holding her hands up and apart, I lowered my mouth to her left nipple and sucked it in. She let out a little squeal. I sucked and licked her stiff nipple gently until she purred. I moved to her right tit and treated it to another good sucking, maintaining her steady stream of gasps and moans.

“Do you like that?” I asked.

“Yes,” she hissed.

“There’s more,” I said as I knelt before her and put my mouth back to her tits, still holding her hands.

When she gasped under my oral teasing of her nipple, I let her hands go. She wrapped one arm around my head and used her free hand to tease her free tit. By the time I switched to her other tit, I had my left hand up her dress, stroking her inner thighs. She took a long gasp when I touched her wet panty crotch with my fingers. I cupped her panty-clad pussy and massaged it gently. She humped my hand, moaning with lust.

Before she knew it, I pulled her panty crotch aside and slid a finger into her dripping pussy. She squealed, and her pussy twitched. I moved my finger within her and then added a second finger. I fucked her sticky pussy with two fingers while I looked in her eyes. She had trouble keeping her eyes focused as her pussy juices bathed my fingers.

"I knew your pussy was dripping wet already," I said. She shivered, and her pussy twitched, gushing more juices over my sticky fingers. "I knew you were a fiery fox."

As I massaged the inside of her pussy, I hiked her dress over her hips and finally got to see my fingers pumping her hairless leaky pussy.

"I like hairless pussies," I moaned, "It's the horny woman's tool. Never leave home without it."

She blushed.

"By the way, thanks for the dinner," I said.

She smiled.

"Isn't it better when a horny guy plays with your cock-craving little pussy?" I teased as I pulled her knees further apart and held her panty crotch out of the way with my free hand.

"Yes," she hissed, blushing.

"I can feel how hungry for cock your horny pussy is," I teased.

She groaned.

With a smile, I lowered my mouth to her pussy and flicked her clit with my tongue. I licked her juicy pussy all over. She shivered and gasped, but pushed me away anyway.

"Don't do that to me," she said.

"Don't do what?" I asked.

"Don't put your mouth there," she said.

"Victoria, you made a delicious dinner for me," I said. "Why don't you want to serve me your luscious dessert?"

"I shouldn't do that," she gasped as I jerked my fingers within her leaky pussy.

"Your little pussy's delicious," I said, taking my glistening fingers to my mouth.

With my eyes fixed on hers, I sucked her juices off one of my glistening fingers and offered the other finger to her mouth. She tightened her lips and turned away. I held her face with my right hand, pulled her lower lip down and inserted my sticky finger into her mouth. I swirled my finger around and pumped it in her mouth until she sucked it. I put my fingers back in her pussy and got them more soaked than before. I pushed my sticky fingers back into her mouth and fucked them in and out. She sucked them lewdly.

"You don't want me to eat your juicy pussy because you can't share it with me?" I teased.

"No," she said, blushing.

"I'll try again," I said as I held her knees apart with my hands and lowered my mouth to her hot pussy again.

She did not resist. I lapped her pussy area, but it remained wet because she leaked constantly. She gasped and humped my face all the time. I pumped a single finger in and out of her leaky pussy while I used my tongue to tease her clit to orgasm. She crushed my head with her thighs, but I lashed her clit to oblivion. While she relaxed, I lapped up her orgasmic secretions.

While she gasped for air, I carried her limp form in my arms to the den and sat her on the sofa there.

"Did you like coming in my mouth?" I asked.

She nodded.

"Am I a better pussy eater than John?" I teased.

"Nick, don't talk like that about him," she protested.

"I am curious," I said.

"He usually doesn't do it," she said, blushing.

"Because you are a good girl, you must be dying to return the favor and make me come in your mouth," I teased.

She trembled as whipped out my hard cock. She looked at my throbbing cock intently. I moved forward, bringing my leaky cock head to her lips. She turned away.

"Suck it," I said gently. "Your sexy lips were made to suck it."

She turned her face straight and eyed my pulsing cock, which looked her straight in the eye.

“I think I shouldn’t,” she said.

“You should,” I said. “You are a hot woman, Victoria. You have to enjoy sucking my cock like I enjoyed eating your juicy little pussy. If you don’t, I’ll spend the entire night sucking your pussy juices until you turn into a prune.”

She held my cock cautiously between her fingertips and moved her head forward toward my cock head, opening her lips slightly.

“Yes, baby,” I encouraged. “Those lovely lips deserve to have some fun. Don’t deny them. Suck my big cock.”

She swallowed and took the cock head into her mouth. At first, she sucked my cock tentatively, but it soon was obvious that she was an expert. After her initial shyness and trepidation went away, she sucked my cock with the same ease she did my fingers earlier.

“You seem to like it more than your daughter does,” I said as I pulled out of her mouth and slapped my cock on her face. “You are a great cocksucker.”

“You have a tasty cock,” she said, blushing.

“I loved your pussy too,” I said as I held the back of her head and pushed my cock back into her mouth.

She let me give her throat a nice, slow fuck. I pulled out and rubbed my cock all over her face and flicked her lips with it. She stuck her tongue out, and I massaged it for her with my cock head.

“I want to eat your hot pussy again,” I said as I guided her to the desk. “You are a great cock, but the dessert you make is the best.”

She blushed.

“Do you want me to eat your hot little pussy?” I teased as I bent her over the desk and took her wet panties off.

“Yes,” she hissed as I wiped her wet pussy with her panties.

“You have a gorgeous ass too,” I said as I tossed the panties on the desktop and gently pulled her ass cheeks apart, totally exposing her pussy and asshole.

My mouth watered as I saw her luscious orifices. I kissed her pussy.

“I love your ass,” I said as I kneaded her cheeks, making her moan.

She gasped as I licked her clit until her juices were running again. I licked her up and down, reaching farther and farther up with every stroke, making her moan and hump back. I soon reached her asshole with my tongue tip. She tensed up and pulled away.

“Don’t do that to me,” she said. “No one has ever touched my anus.”

“I am honored to be the first you let touch your lovely asshole,” I said. “It’s so sweet and delicious.”

“I don’t feel comfortable when you touch me there,” she said.

“I don’t want you to feel comfortable while I do that,” I said, fucking her leaky pussy with two fingers. “On the contrary, I want you to feel hot and bothered, and I know that’s how I’ll make you feel.”

While my right hand fingered her pussy, I wrapped my left arm around her thighs and held her steady for my tongue to tease her asshole precisely. Her doubly wrinkled asshole could not stay like that for an entire minute. She wiggled for a while but soon she relaxed and her asshole opened up gradually. She moaned as she enjoyed it.

“I am not sure you still don’t like it,” I teased. “However, I am sure your tasty asshole loves it.”

Her answer was to hump her ass back and forth while rotating her hips to enjoy my fingers and tongue to the most. Her asshole was sticky with all the spit I drooled. It gaped a little and took the tip of my tongue in as I tried to work my drool inside. I finally removed my mouth from her asshole, leaving a pool of drool on her relaxed pucker.

While she moaned happily, I removed my glistening fingers from her pussy, pushed the tip of my slick middle finger into her asshole. She gasped as my fingertip made it through her asshole, and her sphincter clamped tightly around my finger. I held my finger within her ass and used my other middle finger to finger her wet pussy slowly.

“What are you doing?” she moaned.

“Your little asshole’s too tense,” I said. “I am loosening it up. Relax, and let me ream it out for you.”

As I finger fucked her pussy, her asshole relaxed, and she moaned and hump my fingers. I moved my fingertip around within her asshole to ream it out slowly. Her asshole opened up, and I spit on it and then pushed my finger deeper. I also pushed my other index finger into her pussy. Minutes later, I pumped her pussy with two fingers while I twisted and swirled two other fingers within her asshole. I kept her asshole covered in drool all the time.

“Pull your fine ass cheeks apart,” I instructed. “Do it just enough to feel that you are a bad girl.”

As she held her ass open for me, I added more spit to her asshole and pumped my fingers gently in and out of her rectum while also finger fucking her pussy. I twisted and wiggled my fingers within her asshole to ream it out further. She obviously enjoyed it, squirming and moaning happily.

With an extra ball of spit I squeezed a third finger into her asshole. Within a couple of minutes, I was able to work my three fingers all the way in and out of her ass. She moaned and gasped, humping my fingers.

“Do you know what I am going to do with your hot ass?” I asked as I twisted my fingers within her.

“What?” she said with a slight shiver.

“You have a fantastic ass, Victoria, and I am a horny guy,” I said as I removed my fingers from her pussy and ass and pushed my right thumb into her asshole. “I am going to fuck it.”

Before she could reply, I thrust my hard cock all the way into her pussy. She grunted and her pussy and asshole twitched. Her pussy was exquisitely tight. I fucked her with fast, short strokes.

“You are too big,” she gasped. “I’ve never done that before. You’d split me in two.”

“Not after I’ve prepared you for it,” I said as I fucked her asshole with my thumb. “I am going to stuff your hot ass tightly and show you a great time. I’ll ream you out a little more before I pop your sweet ass cherry.”

She shuddered, and her pussy twitched, bathing my cock in fresh juices. I settled into an easy pace, using longer and smoother strokes on her leaky pussy while working my thumb in and out of her tight asshole in the same rhythm but in opposite directions. She moaned and humped back, still holding her ass open for me.

“Do you want me to fuck your hot virgin ass?” I asked, making her fuck holes twitch.

“Are you sure that wouldn’t hurt?” she gasped.

“Victoria, not only are you my mother-in-law, but you are also a hot slut,” I said. “If I hurt you, you’ll never let me fuck your hot ass again. I want you to crave my cock in it and come back often for more. I’ll never hurt you.”

“In that case, I’ll try it,” she gasped, her pussy and asshole twitching.

“Let go of your ass, and use your fingers on your clit,” I instructed.

She eagerly complied. She soon humped my cock more urgently, gasping. I matched her thrusts, and she came like gangbusters. Her convulsing pussy soaked my cock and balls with her copious juices as she gasped and shoved her ass back uncontrollably. Her asshole twitched around my jerking thumb until her orgasm subsided.

Removing my thumb from her asshole, I thrust slowly in her drenched pussy. I drooled on her asshole and used my thumb to spread the spit over her pucker and circularly tease the wrinkled skin of her contracting asshole.

“I am going to let your asshole tighten up and recover,” I said as I teased her anal pucker. “When I fuck it, I’ll use my thick hard cock to gradually stretch it to full dilation. I want it to feel my big cock and enjoy it fully.”

She trembled.

While I fucked her gently, I suddenly stabbed my thumb into her asshole and yanked it out. She grunted at the sudden intrusion. Her anal reflexive reaction caused her asshole to close tighter. Her pussy squeezed my cock too.

“Do you want me to fuck your horny ass, Victoria?” I asked.

“Yes,” she hissed, her pussy twitching and leaking around my cock.

“You are a good slut, Victoria,” I said as I removed my dripping cock from her pussy and thrust it in her face.

As she looked at my throbbing cock, I held her head and tilted it up. She sucked my hard cock eagerly, and I used my cock head to massage her milking throat for a while.

“You are hotter than your daughter,” I said, slapping her face with my sticky cock. “I should spank you for not passing all your slutty genes to her.”

She just moaned.

We shared a deep kiss before I led her back to the sofa. I had her sit back and pull her knees to her chest. I guided her hands to her ass, and she spread it open. I swabbed her drenched pussy with my tongue, making her moan. I moved my tongue tip to her sticky asshole. I licked her asshole lightly and sucked her pucker, waking up her anal nerves to full attention as she gasped and squirmed in heat. Her horny pussy leaked juices freely.

“Stay like this while I grab some lube,” I instructed.

In a few seconds, I was back. I used a stick of butter to lube her virgin asshole. I gently massaged the butter into her pucker with my thumb while my other thumb teased her stiff clit ever so lightly. I used the stick of butter to

massage and probe her asshole. I corkscrewed my middle finger into her ass. She moaned and squirmed as my finger progressed gently into her rectum. I repeated worked more and more butter into her rectum. I soon used two fingers to do that, twisting them to make sure her insides were properly greased, but I did not attempt to stretch her asshole beyond that. Her pussy leaked constantly.

“Do you think you are ready?” I asked as I stroked her clit circularly while pumping my finger in her ass slowly. “Do you want to enjoy losing your last cherry?”

“Yes,” she said, shivering.

“You got it, my dirty slut,” I said. “Use your fingers to spread your asshole open as I push my hard cock inside. Don’t pull too hard; the pressure of my cock will help your asshole open up and take me in.”

She did as I instructed while I used the stick of butter to lube my entire cock, especially the bulbous head. When my greased cock head touched her greasy asshole, she gasped and closed her eyes.

“Take a deep breath,” I said as I pushed my cock head against her asshole ever so gently but with steadily increasing pressure. “This is what your little asshole was made for. You’ll love it. Enjoy every moment. I sure will.”

When I reached the right amount of pressure, her asshole started to open up. She groaned softly as my cock head made infinitesimal progress into her virginal channel. I guided my cock with one hand while my other hand teased her stiff clit. Her excited pussy leaked freely. I steered my cock carefully as her tight sphincter relaxed gradually and let my cock head in. In a minute, my cock head popped fully past her sphincter.

“I love your sizzling ass, Victoria,” I said, pausing. “You should have let me fuck it when I dated Beth.”

“You are a horny guy, Nick,” she said.

“I am a horny guy, and you are a hot slut,” I said. “I’ll never let you go. I’ll make you my fuck toy.”

“You are a pervert,” she said, her asshole twitching.

While I kept my cock motionless, I escalated my digital assault on her clit, making her asshole spasm wildly. By that time, her pussy juices had ran down to where my cock plugged her asshole.

“Your pussy’s leaking freely,” I said. “It is about to soak your asshole and my cock. Are you having fun?”

“Yes,” she hissed.

“So am I,” I said. “It is even going to be better as I skewer your ass deeper. Your horny ass is going to get fucked royally tonight. It was made for cock, and I am claiming it for mine.”

She shuddered, and her asshole twitched.

“Don’t you want a guy who appreciates your hot ass to take good care of it after a life of deprivation?” I asked.

“Yes,” she hissed, her asshole twitching.

“Relax, Victoria, baby,” I said. “Your hot ass is in good hands.”

While we talked, I used gentle short thrusts to drive my cock deeper and deeper in her ass. She moaned and gasped softly as I skewered her ass deeply. I paused for a few seconds when my cock hit the back of her rectum. I enjoyed the sizzling heat of her tight ass. I resumed my advance until my balls pressed against the back of her ass.

She continued to gasp as I paused balls deep in her ass. I wiped her pussy with two fingers and brought them to her mouth. She sucked my fingers hungrily while I used my free thumb to finger fuck her sodden pussy and massage her clit and pussy lips. I removed my fingers from her mouth and pushed her knees further down and to the sides, tilting her ass up and splaying her ass completely as I got ready to fuck her hot ass.

“Do you feel stuffed?” I asked.

“Yes,” she hissed. “I think I am going to come.”

“Clasp your hands behind your head, and come all you want,” I said, gently grinding into her ass.

As soon as she clasped her hands behind her head, she stiffened and convulsed in orgasm. I gripped her ankles tightly, pinning her in place, and thrust in her twitching ass with short fast strokes. She shook wildly, her gushing pussy juices bathing the base of my cock and my balls. Her orgasm finally subsided.

“Wow!” she gasped as she recovered. “That was incredible. I think that was the hardest orgasm of my life.”

“You are a hot slut, aren’t you?” I teased.

“Yes,” she hissed.

“Now you know that your hot ass was made for me, wasn’t it?” I said.

“Yes,” she hissed.

“Remember that I haven’t fucked it yet,” I said, thrusting gently in her ass. “I am going to fuck it royally. You’ll experience the horniest ride of your life. Your pussy has turned to mush already.”

She shivered, and her asshole twitched.

“What do you want, Victoria?” I teased.

“I want you to fuck my horny ass,” she said lowly, her asshole twitching.

“Do you want to be my whore?” I teased as I used longer strokes on her ass.

“Yes,” she gasped, her asshole twitching.

The first the ring of her asshole clung tightly to my shaft and her ass tried to follow my cock to avoid the full effect of my thrusts. I let her have her fun, but used longer and faster strokes. The ease of delivering smooth, deep strokes to her hot ass increased gradually. Her asshole naturally tightened when I pulled out and relaxed when I pushed in, instinctively milking its first cock.

“This is so good, Victoria,” I said. “I love fucking your hot virgin ass.”

“Me too,” she gasped.

“Are you going to be a good girl and reserve your sizzling ass to me?” I asked.

“Yes,” she gasped, trembling.

“You are going to bring it to me to fuck it royally on every change you get, aren’t you?” I teased.

“Yes,” she hissed.

“If you are a good girl, I’ll fuck you more than I fuck your daughter,” I said. “If she’s a good girl, I may fuck the two of you together.”

She stiffened and came wildly. This time, I pounded her shaking ass mercilessly. She shook uncontrollably.

“My ass loves your big cock,” she gasped while still convulsing. “Fuck it harder, baby.”

She did not have to say that; I was already drilling her twitching asshole hard and fast.

“I can’t believe how good this feels,” she gasped when her orgasm subsided.

“It sure feels that your horny ass belongs to my big cock,” I said.

“It sure does,” she gasped.

While she panted for air, I fucked her ass at an easy pace with long smooth strokes. Her asshole milked my cock instinctively while she held her ass open for me.

“I can do this all night,” I said.

“Me too,” she breathed.

“You’ve been very nice to us,” I said. “Do you think this would be a good way to reward you for it?”

“This is incredible, but I didn’t do what I did for a reward,” she said.

“I know, silly,” I said. “You are going to be nicer to us though now that you are my dirty whore, aren’t you?”

“Yes,” she hissed.

“Victoria, I am a very horny guy,” I said. “You are going to get fucked like you’ve never been fucked before. Do you think you can handle that?”

“Yes, I can, and I’d love it,” she said.

“You were always meant to be a dirty whore, weren’t you?” I teased.

“Yes,” she hissed.

“Now you are mine,” I said.

“Yes,” she hissed.

She meanwhile gasped and moaned, overwhelmed by her first ass fucking. Her leaking pussy juices were being worked deep into her rectum by my pumping shaft.

She gradually gave her ass more and more to our ass fucking, and meting my thrusts lustfully. Our pace picked up, and we made flesh-slapping sounds as I drilled my cock balls deep into her ass with every thrust. Her moans, gasps and juices flowed freely.

She came again, and I pounded her twitching asshole harder than ever. She jerked and shook wildly, her asshole in uncontrollable ecstatic orgasmic spasms. When her orgasm finally subsided, I held my cock deep in her ass and used my fingers to feed her some of her juices that soaked her pussy.

When she recovered, I yanked my cock from her ass swiftly leaving her hole with an audible plop. I pulled her upright and before she knew what hit her, my cock was inside her mouth. I thrust gently. She sucked my cock eagerly for a while. I then arranged her on all fours on the sofa. I refreshed the butter on her asshole and on my cock. I crouched over her ass and pushed my hard cock into her freshly deflowered asshole, which offered some initial resistance. My hard cock slid smoothly all the way up her offered ass. My balls rested on her dripping pussy.

She thrust her ass out lewdly, and I drilled her nice and hard. After she came, I pulled out and went down on her relaxed asshole. I deeply probed her asshole with my tongue. I licked and sucked her buttery pucker while fingering her drenched pussy with two fingers. I pushed two fingers up her ass and finger fucked her holes fast with two fingers each while diddling her clit with my free hand until she stiffened and came. I diddled her twitching holes until her orgasm subsided. I lapped up her juices and licked her asshole.

“Do you drink your husband’s come,” I asked as I pulled her onto her knees on the floor.

“No,” she said.

“You’ve been a good girl,” I said as I rubbed my sticky cock on her face. “I want you to continue to be a good girl. I have a big come load for you. I want you to swallow it all to the last drop and make sure to drain my balls.”

She took my cock head into her mouth and sucked it hard while stroking my shaft vigorously. The pressure in my balls rose until my cock swelled. She moved her hand away and used the strongest suction I had ever experienced to coax my bursting fluids down her throat. The suction power of her mouth was enough to give me my hardest orgasm and drain my balls completely at least for a while.

She dropped my limp cock from her mouth and swirled my cock in her mouth before she swallowed it. She even opened her mouth and showed me how she swirled the thick white fluid with her tongue before she gulped it down.

“Get my hard again, baby,” I said. “I am not through with you. I also want to come in all your hot fuck holes.”

She took my soft cock in her mouth and proceeded to suck it eagerly.

“I hope you can handle more fucking,” I said.

“Of course,” she said, smiling up at me. “You can fuck me all you want and then some.”

“I am a lucky guy, Victoria,” I said. “I’d love to fuck you for a very long time.”

“I am no less lucky,” she said. “You sure know how to fuck a woman.”

“Having a hot slut like you brings the best out of any man,” I said.

“Thank you,” she said.

My cock was soon rock hard. I fucked her pussy and ass through several orgasms before I pumped my come deep in her twitching bowels in the doggy position. I gave her sticky asshole and her drenched pussy each a deep kiss when I finally pulled out.

“I still need to come in your juicy pussy,” I said.

She eagerly revived my cock, and we fucked again. I fucked all her holes silly before I shot my come deep in her twitching and gushing pussy. She was on her back. I pulled out and used my fingers to feed her my come out of her slimy pussy. She sucked my fingers hungrily, enjoying my come. I finally gave her pussy and asshole deep kisses.

She knelt before me and gave my soft cock a kiss. I pulled her up to her feet and kissed her deeply, holding her well-fucked ass possessively. We straightened our clothes and showered independently.

Victoria and I joined Beth a little while before bedtime.

In the morning before I went to work, I took a quick tour of Victoria’s holes and came deep in her ass.

In the evening, Victoria treated me to the best tit fuck of my life and had me squirt my come all over her face. After she used her fingers to feed herself my sticky come, she used her mouth to revive my cock. I fucked her silly for a few hours in every position we could think of. I came in all her holes.

For the following days, her poor pussy was almost forgotten by both of us as we concentrated on her newly discovered ass, which took three come loads daily on top of all the drilling. Neither of us complained though. Her pussy was a drenched mess all the time.

“I love getting my horny ass fucked with your big cock,” she said. “I missed a lot of fun by keeping it virgin.”

“Now you know that we have a lot of catching up to do,” I said.

“Yes we do,” she said.

THE SECRET IS OUT

Beth could have wondered why I no longer nagged her about sex, so I thought it was time I did just in case.

“Beth, honey, you know how horny I am,” I said. “We haven’t had any form of sex for over two weeks now.”

“I know, darling,” she said. “Unfortunately there is nothing I can do for you.”

“Sure you can give me a blowjob or a hand job every now and then,” I said. “You can let me fuck your ass too.”

“I can’t do that,” she said. “You know I am not a machine that can do that without any feelings. We have to wait six more weeks.”

“If I could wait, we wouldn’t be discussing it right now,” I said. “I think I will have to take my hard cock elsewhere, either to my secretary or to your mom.”

“Don’t be silly, Nick,” she said. “Your secretary’s newlywed, and don’t be rude about my mom.”

“I am not being rude,” I said. “On the contrary, your mom’s a very hot woman. Your dad must be crazy to leave her alone this long. I am sure she’ll be considerate about my condition. I am sure I can persuade her to help me out.”

“You’re not kidding, are you?” she said in shock.

“Of course not,” I said. “She and I are both lonely and need love. Do you want to bet that I can seduce her?”

“Apparently your hormones overwhelmed your brain” she said. “You can’t think straight anymore.”

“Maybe,” I said. “Though, I know I can get my boner taken care of. Do you want to bet?”

“Look, if you try to be smart, you’ll make a serious incident with mom and you’ll have to take time off to help me here because she won’t,” she said. “Why bother? You won’t succeed anyway.”

“Don’t worry about that,” I said. “I am a big boy now, and I can deal with that. Do you want to bet that I’d fail?”

“Of course, I bet,” she said. “No violence though.”

“Of course no violence,” I said. “My proof of success will be making your mom come on my cock before your own eyes. If I succeed, you’ll have to suck her juices off my cock. Are you confident enough to bet on that?”

“Yes, my darling idiot,” she said.

“Give me twenty four hours,” I said.

“You got it,” she said, shaking her head.

When Beth put the baby to sleep early next morning, I told Victoria to get ready for some fun. While Victoria was in the bathroom freshening up, I told Beth to hide under the desk in the den. Victoria was soon out of the bathroom. I carried her in my arms and took her to the den.

“I am going to blindfold you, my hot slut,” I said, retrieving a black blindfold.

“Am I your hot slut or your dirty whore?” she giggled.

“You are hot enough to choose,” I said.

“I want to be your dirty whore,” she said.

“You are,” I said. “You’ll love this.”

She smiled as I blindfolded her. I pulled her to me, and we kissed passionately. We felt up each other lustfully as our tongues explored and played. We broke the kiss gently, and I slipped two fingers into her mouth. She sucked playfully as I pumped and twisted my fingers within her mouth.

“Hike your dress,” I said lowly. She complied and held the hem around her hips. “Spread your legs wider.”

“Are you having fun, my dirty whore?” I asked when I removed my fingers from her mouth.

“Yes,” she hissed.

“We haven’t even started,” I said.

“I can’t wait to start,” she moaned.

While she sucked my fingers again, I lowered her panties to her knees with my free hand. I returned my lips to hers just as I slid my wet middle finger into her leaky pussy, making her moan into my mouth. I pumped her moist pussy with my finger as she sucked my tongue hungrily, moaning and rocked her hips. I switched my fingers, wetting my forefinger in her pussy. We broke our kiss, and I had her suck my fingers again, tasting her own pussy. While she nursed my fingers, I lowered her panties down to her ankles, and she stepped out of them.

As I stood up, I tossed the panties over the desk with enough strength to make them slip off the desktop and fall before my hiding wife. I pushed Victoria's shoulders down, and she went down to her knees and fished out my hard cock. I stroked it over her face before she put it in her mouth. She sucked it, moving her head back and forth as I thrust gently in her mouth. I fucked her throat with one of my hardest boners ever, and she sucked eagerly.

Victoria smiled up at me although she could not see me when I slapped her face with my sticky cock. I sat her on the couch with her dress still hiked over her hips. I walked around the desk and pulled Beth out, signaling her to keep silent. Her face was flushed, and her tits heaved. I had her kneel down a few feet away from her blindfolded mom and watch.

Victoria cooperated when I pulled her ass to the edge of the couch and pushed her legs over her head. Holding her legs by the ankles with my left hand, I sucked my middle finger, working it in and out of my mouth. That position had her wet pussy and puckered asshole totally exposed. I pushed my wet middle finger slowly into her pussy, making her gasp. I pumped her pussy for a few seconds, making her moan. I returned my glistening finger to my mouth, where I sucked it. As Beth watched, I took my slick finger down to her mom's asshole and wormed it in. I gave Victoria's ass a little fingering before I sucked her anal flavor off my finger as I knelt down before her ass.

"Are you hornier than ever?" I asked as I guided Victoria's hands to her ankles and spread her offered ass.

"Yes," she hissed as she held her legs up and I lowered my mouth to her leaky pussy.

While my tongue explored her pink folds and probed her leaky hole, my hands stroked her ass and kneaded her flesh. She humped her pussy into my face, leaking constantly into my sucking mouth. I licked and sucked her clit and pussy lips to tears. In several minutes, I had her gasping for air as her pussy twitched in a wild orgasm and gushed juices into my mouth. I lapped her pussy until she recovered partially. Beth watched open-mouthed.

"Do you want me to fuck you, Victoria, baby?" I teased, brushing her wet pussy with my cock head.

"Yes," she hissed. "Isn't that what studs do to their dirty whores?"

"I knew that you were my dirty whore, but I didn't know that I was your stud," I said.

"You are my stud, baby," she gasped. "Please fuck me."

"You got that, babe," I said as I took Beth's hand and guided it to my cock.

As Beth looked up at me in confusion, I motioned her to guide me into her mom's pussy.

Beth shook her head as she held my shaft and guided my cock in. I pushed in, and my cock slid in. It stretched her mom's pussy open and sank in. I soon stuffed Victoria's pussy tightly, pressing my balls into her ass crack. I made a few thrusts, and Victoria moaned and gasped.

"Where do you want my big cock, my dirty whore?" I teased.

"I want it deep in my ass," she cooed.

"First my cock needs to be sucked and prepared for that," I said as I pulled my dripping cock out of Victoria's sodden pussy and I pulled Beth's head to my cock.

Beth seemed unexpectedly captivated with our show. She was not at all appalled by it. She opened her mouth and let me push my cock in.

"Sit upright, and remove your blindfold," I said. "I want you to watch my cock get ready for your horny ass."

Victoria smiled faintly as she sat up and pulled the blindfold up. Just as she opened her eyes, I pushed my cock down Beth's throat. Victoria jumped in shock and panicked when she saw Beth. Her face went pale, and she went speechless as she tried to comprehend the situation. Meanwhile, Beth sucked my cock devotedly. Victoria squeezed her legs and pulled her dress over her lap.

"Don't panic, Victoria," I said. "My loving wife can't fuck, but she sure can help me fuck my dirty whore. Isn't that right, Beth, baby?"

"Yes," said Beth as I removed my cock from her mouth for a split second.

Victoria calmed down as she watched her daughter swallow my thick shaft down her throat repeatedly. Finally I removed my cock from Beth's mouth.

“Honey, we need lube,” I said as I slapped my cock on Beth’s face. “I intend to fuck your slut mom’s ass silly.”

“Okay,” said Beth as she got up.

“How could you do that to me?” burst Victoria as soon as Beth was out of the door. “How could you do that before my own daughter?”

“Did you see how hungrily she sucked your pussy juices off my cock?” I said. “Your daughter’s my dirty whore just like you are. We no longer have to hide from her. You’ll love it.”

Victoria resisted a little when I pulled her head to my throbbing cock. Her resistance melted away when my cock head touched her lips. Her mouth gaped, and she sucked my cock more and more hungrily. I fucked her throat for a minute. She yanked her head back shyly when Beth entered the room.

“Lube it well, baby,” I said to Beth. “You know where it’s going. Your slut mom deserves the best.”

Victoria sat shyly as Beth sucked my cock head while she lubed the shaft with both hands. Victoria watched with mixed feelings. Beth lubed the shaft well before she took the head out of her mouth and lubed it well.

“It’s ready,” Beth said, stroking the shaft slowly.

“Thanks, honey,” I said as I moved toward her mom.

Victoria put on some resistance when I tried to push her legs back over her head. Finally she let me push her back into position. Holding her legs back, I lowered my cock to her ass crack.

“Tease her horny asshole with my cock head,” I instructed Beth.

“Sure, baby,” she said as she held my shaft and teased her mother’s asshole with the head.

“Victoria, you know, I am a married man,” I said. “As a matter of fact, my wife’s right here. Since I am not a cheater, I won’t fuck your hot ass until she begs me to fuck you up the ass like the dirty whore you are for me.”

“Oh, please, Nick, fuck my mom up her tight ass,” begged Beth, playing along. “Stretch out her little asshole with your big cock. Fuck her hard like the dirty whore she is. Fuck her like the cheapest whore in town.”

“Now that my wife wants me to do it to you, you have to beg for it,” I said to Victoria.

“Nick, please fuck my horny ass,” begged Victoria after a little hesitation as Beth continued to tease her asshole.

“This isn’t good enough,” I said, shaking my head. “You have to ask nicely and explicitly. If you want me to fuck your ass like a cheap whore, you have to ask like one.”

“Please fuck my cock-hungry ass,” begged Victoria. “Stuff my ass with your big cock and fuck it hard. Show your wife that I am really your dirty whore. Fuck me up the ass like a cheap whore while my daughter watches.”

“Let’s tease her a little more,” I instructed.

Beth pulled my cock to her mother’s pussy. I moved a little forward, and she rubbed her mother’s dripping pussy with my cock head. At first Victoria kept her cool, but, in a few seconds, she gasped as Beth teased her wet pussy. Beth knew what she was doing. Victoria inhaled sharply when Beth took my cock head down to her mother’s asshole. Beth teased her mom’s horny asshole, making her resistance melt away quickly. Victoria however remained silent, except for gasps and occasional moans.

“Do you want it in your ass?” I asked lowly.

“Yes,” she whispered. “I want it balls deep up my ass.”

“I bet Beth didn’t hear you,” I said.

“I didn’t,” replied Beth.

“She has my cock in her hands,” I said as Beth teased her mom’s puckered asshole slowly.

“Put it in my ass, damn it!” finally Victoria yelled.

Before Victoria’s lips met again, Beth popped my cock head up her mom’s asshole, making her gasp. I thrust forward, driving it halfway in, making Victoria grunt. I paused for a few seconds, and Beth palmed my balls. In a sudden move, I thrust the rest of my cock up Victoria’s ass. I fucked her gently. When I looked between us, I saw Beth’s hands holding her mom’s ass cheeks apart for me.

“This looks hot,” said Beth. “Is this how I look when you do it to me? It looks as hot as it must feel.”

Soon, I was fucking my cock deeply and smoothly up Victoria’s splayed ass.

“Yes, baby, fuck her ass,” urged Beth as she reached for her mother’s pussy and fingered it.

Victoria shivered and gasped before she stiffened prior to a gut-wrenching orgasm. Her asshole convulsed wildly around my hard-drilling cock as she twitched in pleasure. I fucked her hard until she calmed down. I then yanked my cock out of her ass with a plop. Beth did not hesitate when I pushed my cock into her mouth. She sucked it hungrily, playing with my balls.

“Fuck her ass again,” said Beth, rubbing my cock over her own face.

“That’s for sure,” I said as I aimed my cock at Victoria’s offered asshole.

Victoria’s ass received another hard drilling to orgasm before I sat on the couch and pulled her onto me. I let her ride my cock in the anal Asian cowgirl position. I grabbed her ass and bounced it on my cock. Beth played with my balls and brushed my asshole every now and then. Suddenly Victoria gasped and jumped.

“Oh, she’s licking my asshole,” gasped Victoria.

“Good girl,” I said.

Beth yanked my cock from her mother’s ass and sucked it. She spit on the head and pushed it into her mom’s asshole. Her mom and I grunted together at that act. Beth had yanked my cock from her mother’s ass, sucked it and put it back in several times. Victoria broke a sweat bouncing on my anal reamer before she had a wild orgasm.

After Victoria recovered, her ass fully impaled on my cock, I arranged her on her knees on the floor, laying her head and shoulders on the couch, and resumed fucking her ass. Beth lubed my cock and held her mother’s cheeks apart for me as I drilled deeply into that hungry ass. Beth occasionally took my cock out of her mother’s ass and sucked it. She always spit on the slightly gaping asshole and used my cock head to rub the spit in before sticking my cock back inside.

Victoria panted and shoved her ass back as I pounded her offered asshole hard. I reached between her legs and squeezed her pussy. She gasped and came immediately, her asshole milking my aching shaft desperately. I kept drilling her until she went limp. I popped my cock out of Victoria’s ass. Beth took it in her mouth while she kept her mom’s ass open.

“I want to see you shoot your come here,” Beth said. She spit right through her mom’s gaping asshole. “I want to see your come fly into her horny ass.”

“You got that,” I said, thrusting my cock in Beth’s mouth.

Beth let me fuck her throat for a few minutes. I finally took it out and let my come fly in thick jets into her mom’s open asshole. Some of my come landed on the pink anal rim. Beth sucked my cock dry and licked my come off her mother’s pucker.

“Suck it all out, but don’t swallow,” I instructed Beth. “I want you to spit it in your mom’s mouth.”

Beth did not hesitate to suck my come out of her mother’s ass. She tilted her mother’s face up and dribbled my come into her mom’s open mouth. As Victoria savored my come, I got my head between her legs and licked her dripping pussy clean.

“Honey, help your slut mom get my cock hard again because she’s a greedy whore,” I said to Beth as I pulled her mom off the sofa. “You can then return to your baby.”

While I sat back, my legs spread wide, my wife and her mom sucked my cock royally.

“Victoria, you know that you are welcome in our house more than any mother-in-law in the world,” I smiled.

“Thank you,” she smiled. “This is going to be my second home.”

“I hoped it would be your first home,” I said.

“I’ll do my best,” she said.

“If you don’t, I’ll come to your house and fuck you in your marital bed,” I said.

“We need to do that anyway, but I’ll visit as often as I can,” she said.

“After I seduce Lisa, I’ll be able to fuck you silly at your house as long as your husband’s away,” I said.

“Do you think you can seduce her before I go home?” she said. “She’s coming over tomorrow.”

“I’ll try that,” I said.

My mother-in-law stayed for two more weeks, and I seduced Lisa and fucked the three together. Victoria often called her husband, using a headset, while leisurely working her tight asshole back and forth over my hard cock. At first, she used to put him on hold while she came. Later, they had phone sex. She came wildly and loudly on my

cock while talking to him. I fucked her in every hole and came in each one of them while they talked. I did the same to Lisa while she talked with her dad and her boyfriend but did not let her come until she hung up with her dad.

Beth occasionally joined our frolics, but we usually were on our own, toning Victoria's internal muscles that could only be exercised by a hard cock. After that, Beth never minded sucking me or taking me up her ass even when in bed with the baby, nursing him.

The End

Victoria's Secret

After the birth of my first child, my wife deprived me of sex. My horniness was getting out of hand, but fortunately I could seduce my visiting mother-in-law, who was getting horny too, living away from her husband. My wife loosened up a little when I let her in on that.
